GIANTS ARE OUTPLAYED

COLORED STARS TRIMMED BY LOCALS IN OPENING GAME OF SERIES.

Outplaying the Chicago Union Giants at every stage of the game, Escanaba's reorganized league team, cleaned up on the star aggregation of colored diamond stars at South park yesterday by a score of 3 to 1.

Yesterday was the first time that the local team performed under the direction of Manager Scanlon and Capt. Connelly and the improvement in the team play was noticeable from the outset. More inside baseball was shown by the locals in yesterday's game than in any contest in which they have participated this season.

They pulled off single and double steals almost at will and at times had the colored players dazzled by the unexpected show of speed. Probably just to celebrate his elevation to the captaincy Capt. Connelly drew three hits out of four times up and on one occasion stole, third and home with ease. The entire team appeared to be in every play that was started yesterday and hope of finally landing the Marquette-Delta county league pennant is now stronger than ever before with the local fans.

The game of yesterday and today with the colored players are being used as workouts for the local staff of pitchers. Yesterday Gilligan was used for the first five innings and Love finished the game. Today either Scanlon or Knolls will start the game and the remaining twirler will finish the contest.

Cadran, an Indian twirler who was with the Chicago White Sox for a short time last season, started the game for the Giants yesterday and lasted for four innings in which he was pounded for four hits and two runs. Harvey followed him in the box and he was landed on for three hits and a run in the remaining innings. Gilligan started the game for the locals and after Toney had connected with the first ball pitched for two sacks he was unable to proceed farther when the next three up were easy outs. In the next two innings the big twirler held the colored sluggers hitless. In the fourth with two out Gordon and Rose connected for

(Continued on Page Eight)

PENNANT IS CINCHED

That members of the Negaunee team and fans of that city believe that they already have a first mortgage claim on the pennant of the Marquette-Delta county league is shown by the following from the Negaunee correspondent of the Marquette Mining Journal:

The Negaunee baseball fans, who accompanied the team to Escanaba Saturday, felt very jubilant upon their arrival home yesterday morning, over the double victory of the local nine. In view of the crippled condition of the Negaunee team, their brilliant playing was a surprise to the fans here and their work certainly must have surprised the Escanaba fans who felt positive their team would at least take one of the games. The Escanaba people were particularly anxious to win as by defeating Negaunee they felt pretty sure they could hold the top position until the close of the league series. The Negaunee players do not count on a walkaway for first place, as all of the teams in the league are now playing good ball and are pretty evenly matched. The remainder of Negaunee's games, with the exception of a postponed game at Marquette, will be played on the home grounds which will be quite an advantage. Next Saturday, Sunday and Monday the locals will play Ishpeming, the Monday game being a postponed contest. On the following Saturday and Sunday Marquette will be here to play Negaunee, and on Sept. 16 and 17 Escanaba will be here, while on Sept. 23 and 24, which will be the close of the league series. Negaunee and Ishpeming will meet again, Marquette going to Escanaba. Out of the ten games Negaunee has to play, five will be with Ishpeming, three with Marquette and two with Escanaba.

MANY WISH TO BE CITIZENS

Up to yesterday afternoon twenty-two applications for citizenship papers, had been filed at the office of County Clerk John A. Semer. It is expected that there will be even more before the opening of the fall term of circuit court during which the applicants will be examined by the United States district attorney. The applications are not all from this city but include several of the smaller towns in this vicinity.

...vating rudders so as to describe graceful dip and then resumed his work with apparently as much ease as colors fell and rose again in the hat of the flag bearer.

To the field wireless Major Squel report will give the greatest amount of praise for its efficiency. He cites a single instance of the marvelous utility of this agency as follows: "The wireless telegraph was used to locate the cavalry altogether in their maneuvers. Every separate command of the horsemen had its wireless equivalent."

HOLD TEEHAN FUNERAL HERE ON THURSDAY

The body of John Teehan of Chicago who was killed in that city on Monday will arrive here this morning over the Chicago and Northwestern road accompanied by the wife of the deceased; his brother Daniel Teehan of this city, who went to Chicago Monday night, and Mr. and Mrs. Torney of Chicago.

The body will be taken directly to the home of Daniel Teehan, 314 North Fannie street, and will be kept there until the funeral which will be held from St. Patrick's church at 9 o'clock Thursday morning. Father F. X. Barth officiating. Interment will be in the family lot at St. Joseph's cemetery.

Members of the Escanaba council of the Order of Railway Conductors, of which order Mr. Teehan was a member, will attend the funeral in a body.

COUPLE TOOK MARRIAGE VOWS

At eight o'clock yesterday morning at All Saints church in the city of Gladstone, Miss Louise LaRoche of that city became the bride of Ervin LaMarche of Escanaba, Rev. Father Bennett performing the ceremony. The couple were attended by Miss Charlotte McNellis as maid of honor and Adolph LaMarche as best man.

A large number of friends of both of the young people attended the wedding. Following the ceremony the wedding party went to the home of the brides parents, Mr. and Mrs. George LaRoche where a sumptuous wedding breakfast was served. The bride of yesterday is one of the popular young women of Gladstone and has a large circle of friends both in that city and in Escanaba. The groom is a son of Mr. and Mrs. Xavier LaMarche of this city and is well known in the city. He is employed by the I. Stephenson company at Wells.

JOKE WAS TURNED

GLADSTONE COMMITTEE SHOWS VERSATILITY IN TAKING ADVANTAGE OF A PRACTICAL JOKE.

Easily one of the most humorous incidents ever perpetrated in Delta county and which in its result showed the cleverness of the committee in charge of the big two days Labor Day celebration at Gladstone was that set off at the opera house in the city on Monday evening.

The hearing was set for Monday evening at the opera house and it was then that the committee in charge of the Labor day celebration showed their versatility and arranged to charge an admission of 25 cents to the hall without the knowledge of Duchaine. A total of \$15.25 was taken in at the door and the trial was begun. Atty. Empson sitting as judge had all of the men of a stern jurist. He read from a ponderous law book the penalty for the charge which he said was five years imprisonment or a fine of \$5,000. In the meantime Duchaine had met the co-defendants and agreed upon the story that should be told by each in court that all might be cleared. Mr. McLaren was the first witness called and he told in detail of his kidnapping and asserted that Duchaine was the principal defendant.

DELEGATES LEAVE CITY

Rev. F. W. Ainslee, pastor of the First Baptist church of this city, accompanied by Miss Gertrude Harring, Miss Josephine Sharpe, Miss Ethel Valentine and Irving Sharpe, left yesterday morning for Iron Mountain where they will represent this city at the convention of the Marquette Baptist association which is in session at the Immanuel Baptist church in that city.

Rev. Anslie addressed the meeting last night using as his subject, "The Centenary of the English Bible." Today the delegates at the meeting will hold a business session and will listen to the reports of various missionaries from all parts of the world. The convention will close on Thursday evening.

FAREWELL PARTY MONDAY NIGHT

An enjoyable farewell party was that given on Monday evening in honor of Miss Nellie Morris at her home at 113 South Oak street. Miss Morris is to leave the city within a few days and a party of 20 friends arranged the party as a complete surprise upon the guest of the evening. A program of music and dancing was carried out after which refreshments were served.

ENGINEER IS HANDY

Engineer John Fisher, of the North Western road, qualified as a peace officer yesterday when he subdued a prisoner that was about to escape from Officer Michael Stern and after turning him into submission assigned to Pankhurst, one of the noted English suffragette family, visited Indianapolis on her tour of the United States. Miss Winter entertained the young English woman at her home and came greatly attached to her during the time she was here.

MANY PEOPLE AT FUNERAL

A large number of sorrowing friends and relatives paid their last respects to the memory of Joseph Elis at the family home at 610 South Jennie street, yesterday afternoon at 2:30 o'clock when the formal funeral service was conducted over the body.

Members of the Cigar Markers union of Escanaba, which organization Mr. Elis had served as president and of which he had been a member since coming to Escanaba, attended the funeral in a body. The pallbearers both active and honorary were also chosen from among his associates in the union.

A number of beautiful floral offerings were received at the home and were heaped over the casket as it was borne, accompanied by a large party of mourners to its last resting place at St. Joseph's cemetery.

TEACHERS COMING TO RESUME DUTIES

Almost every train arriving here now brings one or more teachers, who have been on their vacation or who have been engaged from other cities. All of the principals of the several buildings have arrived and also the majority of the high school instructors, ready to begin work next Tuesday morning. It is expected that the entire corps of public school teachers will be in the city by at least Sunday morning. On Monday morning they will gather at the high school auditorium and listen to a talk by Supt. F. E. King.

DANCE TONIGHT BY M. B. A. CLUB

It is expected that a number of pleasure seekers will attend the dancing party to be given this evening by the M. B. A. club of the local lodge of the Modern Brotherhood of America, at Clark's hall. The party is a strictly invitational affair and will be attended by members of the M. B. A. with a few invited friends. LeDuc's orchestra will furnish the musical program for the evening.

TO MANY COLLEGES

ESCANABA WILL HAVE STUDENTS IN 24 INSTITUTIONS LOCATED IN TEN STATES.

According to statistics compiled yesterday Escanaba will be well represented in different institutions of learning about the country. Including those students who have completed one or more years of college work and those who will leave this fall for different schools, this city will have 57 students attending 24 different institutions in 10 different states. The University of Michigan heads the list with nine representatives with Northwestern University, at Evanston, Ill., a close second with six local students. The states which will draw students from Escanaba are: Michigan, Wisconsin, Illinois, Massachusetts, California, Minnesota, Indiana, New York, Ohio and Arkansas.

Following is the list of the local people who will attend the different schools this year: University of Michigan—Gerald Ford, Reginald Leitch, Ernest Shitt, Walter Helmer, Porter Shaw, Dick D. Mead, John Walsh, Roy Green and Miss Ruth King. University of Wisconsin—Charles Worth, William Gettleman and Gladys Morrell. Milwaukee Normal—Miss Eva Baum, Miss Elsie Olson.

Northwestern University, Evanston, Ill.—Fred Hirm, Miss Erna Kendall, Miss Mona Voght, Miss Louise Davis, Miss Marjorie Judson, Miss Gertrude Lindsay. Oshkosh Normal, Oshkosh, Wis.—Miss Elsie Holmes, Miss Mable Hansen, Miss Elizabeth Moersch and Miss Francis Donovan.

Marquette Normal—Miss Margaret Ryan, Miss Fay Harrington, Miss Dorothy Rose, Miss Elna Anderson and Miss Henrietta Inderbitzen. Augustana College, Rock Island, Ill.—Martin Swanson and Clarence Olson. University of Minnesota—Michael Jensen. Michigan Agricultural College—Olaf Olson.

Wellesley College, Wellesley, Mass.—Miss Anna Engdahl. University of California—Miss Anna Glazer. Duluth State Normal—Miss Amy Carlson. Chicago Kindergarten College—Miss Hazel Penton.

Ypsilanti Normal—Miss Vera Moore. Carroll College, Waukesha, Wis.—Adna Hoffman. Valparaiso, (Ind.) Normal—Miss Ethel Briggs.

Detroit College of Law—James Frost and Rodney Fontana.

Stout Institute, Menominee—Miss Lucy Smith and Miss Mary Hughes. University of Illinois—Albert Allyn and Victor Kellner. Detroit College of Medicine—Harry Defnet.

Columbia University, New York City—Miss Ida Olson. University of Chicago—Stanley G. Zemer. St. Patrick's College, Columbus, O.—Burke Conside. University of Arkansas—Kenneth E. Voght.

DESERTERS ARE TAKEN THRU CITY

In charge of three U. S. soldiers from Fort Brady, two deserters passed through the city Monday night on their way to Fort Sheridan, Ill., where they will have a hearing before being taken to the military prison at Fort Leavenworth, where they will probably serve from three to five years for desertion.

The young men deserted some time ago from Washington and were caught in the northern part of the state.

SPEAKER IS ANNOUNCED

ATTY. N. C. SPENCER WILL DELIVER LABOR DAY ADDRESS HERE ON MONDAY.

Atty. N. C. Spencer will deliver the address of the day at the Labor Day celebration to be conducted here next Monday under the auspices of the Trades and Labor Council of Escanaba. Mr. Spencer is known as one of the leading attorneys of the peninsula and an orator of ability. His address on Monday will be looked forward to with much interest by all union men and others who will be present. The parade line for the formal Labor Day parade will form on Wells avenue east of Mary street and will start from the city hall east on Wells avenue promptly at 9 o'clock. The line of march will be east on Wells to Harrison avenue; north on Harrison to Ludington; west on Ludington to Charlotte and south on Charlotte to a point where free street cars will be in waiting to take the marchers to South park. Immediately after arriving at the park the formal exercises of the day will be held. President Charles Ford of the Trades and Labor council will preside as chairman of the day. Mayor John S. Lindsay will deliver the opening address and will be followed by Atty. Spencer in the formal Labor day address. Angus Aldred will serve as marshal of the day and will have complete charge of the parade feature of the program.

STEAL WOOD FROM HOME OF OFFICER

The contempt that some persons hold for the law was shown on Monday night when some unknown parties went to the home of Officer Nels Nelson and carted away an entire load of wood. Mr. Nelson is now on night duty and none of the members of his family heard the thieves while they were at work. When the officer returned to his home yesterday morning the wood was missing and only tracks in the sand that could not be traced told of the night's raid.

SURPRISE PARTY WAS ARRANGED

Miss Ruby Manning was pleasantly surprised at her home Monday evening by about twenty of her girl friends, the event being in honor of her birthday. Music and games furnished the amusement of the evening. Following the program a delightful luncheon was served. Before leaving for their homes the guests presented Miss Manning with a beautiful ring as a remembrance of the event.

LABOR DAY BALL AT PERKINS, MICH.

Elaborate plans are being made for a Labor day ball to be held at Sovie's hall at Perkins on Monday evening. An excellent musical program has been arranged for and everything will be accomplished to make the ball one of the most successful ever arranged in that village.

ASSIGNMENTS ANNOUNCED

FINAL ARRANGEMENTS ARE MADE FOR OPENING SCHOOLS HERE NEXT TUESDAY.

Supt. F. E. King of the Escanaba public schools yesterday announced the assignment of all of the teachers who will be engaged in the public schools of the city for the coming year. The assignments are as follows:

High School.
F. E. King, superintendent.
F. R. Mackenzie, principal, history.
Effie M. Griffith, English.
James A. Wescott, science.
Clayton A. Crandall, mathematics.
Blanche D. Fenton, Latin.
Elsa E. Atkins, history.
Elizabeth Tonigan, domestic science.
Marq. E. Lynch, french.
E. W. Doak, book room and commercial.

Franklin School.
Gertrude McCauley, commercial.
Caroline Supe, German.
Arthur E. Curtis, English.
Alice G. Duncan, science.
Arthur Willerton, mathematics.
Genevieve Stowe, English.
Frances B. Ryan, music.
Myrtle Hoffman, drawing.
Helen Simonsin, domestic science.

Barr School.
Luella T. Hendryx, principal, grade seven.
Elizabeth Girard, grade seven.
Clara Jaegers, grade six.
Clara Wickert, grade five.
Litta Norton, grade four.
Ruth Doyle, grade three.
Vera Morrell, grade two.
Lois Ferguson, grade two.
Mildred Sourwine, grade one.
Gladys Starrin, grade assistant.

BUSINESS PURCHASED

By a deal that was closed yesterday J. J. Vanderheyden and H. M. Vanderheyden under the firm name of the Van Brothers Dairy company, have purchased Phillips creamery at 206 South Charlotte street and will take possession of that business on Sept. 1. The firm is conducting an extensive milk business in Green Bay and will make a number of improvements at the local creamery. A pasteurizing system is to be installed at once and pasteurized milk and cream, guaranteed to be absolutely pure, will be furnished to all patrons here. The company will immediately inaugurate the bottle delivery system and will have delivered here either today or tomorrow a completely equipped and up to date delivery wagon. New fixtures are to be installed at once at the creamery at 206 South Charlotte and the place made one of the most sanitary of its kind in the city.

Van Brothers have conducted an extensive milk business in Green Bay for several years. They already have one pasteurizing station in Green Bay and the one to be installed here will be the second owned by them. The firm will continue to receive milk from Stephenson, the source of Mr. Phillips supply, and the entire product will be pasteurized before being sent out from the plant. To supply the company's full demand here they will secure a quantity of milk and cream each day from the pasteurizing station at Green Bay. H. M. Vanderheyden is already in the city and will be in charge of the company's Escanaba business.

WILL GO AFTER "DOCTOR" TILL

Minneapolis, Minn., Aug. 29.—Prosecuting of John Till, the Wisconsin "healer" whose plasters are declared by a St. Paul physician in his official death certificate, filed yesterday, to have caused the death of Mrs. Anton Boesch of St. Paul, will be commenced at once if the Wisconsin statute can be invoked under the circumstances. District Attorney Nelson O. Varnum of St. Croix county, Wisconsin, will begin a rigid investigation tomorrow, and will be aided by Dr. Howard Lankester, commissioner of health in St. Paul, and by Mrs. Boesch's relatives.

Mrs. Boesch died at St. Joseph's hospital, where she was taken Monday after Dr. F. H. Odenhal found her suffering from boils on her back, which he said were caused by the Till plasters. In signing the death certificate, the physician named the plasters as the cause of death because the woman had told him that a month ago she went to Till at New Richmond, Wis., and that he had applied the plaster as a cure for chronic Bright's disease.

While Mr. Varnum says he will push the case, Till at his home yesterday, declared after he had treated eighty persons in the day, that it was impossible for his plasters to cause blood poisoning for they were made to cure that very disease. He boasted also that the law cannot touch him because he takes no fee.

The death of Mrs. Boesch after a month of suffering promises to open the warfare between the state of Wisconsin and John Till, which was begun in 1907 when he lived at Somerset, eight miles from his present location. It was there that he became known as the "Healer of Somerset."

If the plasters were applied at Till's home, as Mrs. Boesch says, a charge of manslaughter is possible under the Wisconsin law, according to Mr. Varnum.

"I will not wait for the Minnesota authorities to complain to me or ask me to take this matter up," said Mr. Varnum last night. "I will do it at once: I will want their help and I want time to confer with me, but in the meantime I will begin work on the case. I have been looking for an opportunity to stop Till's practice, which the state has failed to do in four previous attempts."

It would make no difference where

the death occurred if the plaster was applied in Wisconsin, Mr. Varnum thinks, and the case will be treated just as though it were a St. Croix county case. If prosecution is possible it will begin at once.

As the first steps from the Minnesota side of the line Dr. Lankester said last night wrote to the Wisconsin board of medical examiners asking the board to take the matter up with the governor and the attorney general and to see if prosecution can be commenced.

Till has "practiced" for years and his "practice" has extended over the northwest. Dr. Lankester said last night that dozens of St. Paul residents had taken Till's treatment and had been harmed. He had himself been called to treat serious cases of blistering and eruption caused by the plasters, he said, and he has longed for an opportunity to make a move against Till.

"Something should be done to stop this business," said Dr. Lankester. "I know the Wisconsin authorities will help us and we must stop this danger to the people of the northwest."

ORDER OF MOOSE TO FOUND SCHOOL

Detroit, Mich., Aug. 29.—With only a comparatively few of the thousands of members of the Loyal Order of Moose still in Detroit, the annual convention closed today with the disposition of matters of minor importance.

Members of the supreme lodge in session today expect to leave either tonight or Sunday morning. The convention empowered its educational committee to spend \$50,000 for the organization of a Moose industrial school for orphans and sons and daughters of members of the order will be taken into the institution and educated in useful trades.

The board of trustees who will undertake the establishment of the institution are John Hayes Hammond, recent representative of the United States at the coronation of King George; Mayor George W. Scott of Davenport, Iowa, and former United States District Attorney J. E. Henning of Milwaukee.

Violent Deaths in City. Congested conditions of a great city add to the mortality. The coroners report 2,483 deaths from violence in New York last year.

FALL STYLES CONSERVATIVE

Escanaba clothing merchants who have returned from their purchasing trips bring back the glad tidings that styles for the fall and winter 1911-1912 are to be conservative, and without radical changes from those now in vogue.

Patterns in men's clothes will be subtler effects in brown, tans and grays and women's clothes, though made of rich, heavy materials will be of bright colored stuffs, richly faced with harmonious linings. The shapes in men's suits will be less athletic, and the close cut styles, copied from the European models, will be followed. The trousers will be narrower, with out pegs and the coat will almost entirely without padding. They will be three buttoned principally, and with high set lapels. The coats will be slightly fitted, the lines drawing in sufficiently to add grace to the garments.

The shapes in women's garments will be practically what they are now, the curves figure and narrow skirt being the rule. The principal feature in long coats will be the use of heavy double-faced materials. Unusually handsome color combinations are displayed to advance buyers. The reverse side is often of some bright color, so as to form the trimming. Large collars will be an important feature of the new coats. A distinctly new creation is a coat of heavy double-faced material to be worn either side out, thus giving the wearer two coats in one. Cheviots, heavy serges, broadcloths and plushes will be popular as will be generally seen, but the regulation coat sleeves will still be stylish. The cuffs will be large, and trimmed, in the lining, or reverse side. The suit coats are cut so as to give long silhouette effect, much the same as last season, but the introduction of new and attractive fabrics gives the lines an entirely different appearance. The jackets will be straight cut, measuring twenty-eight to thirty inches in length.

Men's overcoats will be made in bright colors this winter. The materials will be mostly the heavy rough-effects half way around, or entirely around, according to the choice of the wearer. The convertible collars, so popular for the past two seasons, will still be worn. In general style, they will be long and loose hanging

in folds around the wearer. Black coats, with velvet collars, will be worn among the men who make a point of dressing conservatively.

In hats, the prevalent styles will be the low-crown black derbibles, with the modish wide brim and heavy ribbon. Rough-finish soft hats, in browns, tans, and grays will be worn and the soft velous hats, which came in late last winter will still be correct. The caps will be of rough-finished heavy materials, made up in large, gaudy patterns and a long prominent visor will give them a jaunty effect. A new style lately introduced is the aviator's cap, the styles of which are various.

Men's shoes will be much the same in style as those worn during the past season, except that they will be more moderate in cut, and the toes will be lower. The tendency is to adopt low heel, but there are no extremes in the particular. Ladies' shoes will follow the men's style, and for both ladies' and men's winter wear, water-proof leathers are considered stylish. Tan leather will be as popular as it was last year, and as stylish as ever.

TRADER IS JAILED FOR POURING GASOLINE ON HORSE AND FIRING IT.

Pipestone, Minn., Aug. 29.—A traveling horse trader, will spend the next ninety days in jail at Dundee as the result of inhuman methods which he used on an unruly horse here. He poured gasoline over the animal and then lighted the oil. The horse was so badly burned it had to be killed.

Rayne, Minn., Aug. 29.—Mrs. Char Rayne, whether she had been on commitment to the asylum. Mrs. Whitehead was the wife of president of the First National here. She was 56 years old and leaves a son, R. A., in the automobile manufacturing business in Detroit.

LABRANCHE NEWS NOTES

The Labranche baseball team was well prepared to walk away with a victory from the Hardwood last Sunday but the visitors failed to show up so the game was forfeited at the home team.

Cuts and bruises may be healed in about one-third the time required by the usual treatment by applying Chamberlain's Liniment. It is an antiseptic and causes such injuries to heal without maturation. This liniment also relieves soreness of the muscles and rheumatic pains. For sale by Groos' Drug Store and Farrell & Lohmiller.

NEWS NOTES FROM DELTA COUNTY TOWNS

PERRONVILLE NEWS.

After the first we was constantly hit. In the fourth a base on of Bourke followed by hits in succession by Flath, Cole, Love and Com was netted but two runs when at four tallies should have been result of the bombardment. After session Mahoney was frequent hit but he could not be located for when his were needed. In the 8th after Love had pitched prime he was hit for one in six in 1600 Casey and Swick each connected singles and Cullis connected for looked to be a single into right Es- Flath misjudged the ball and bounded past him to the corner the lot two tallies crossed the plate reached second on.

Life Saved At Death's Door

"I never felt so near my grave," writes W. R. Patterson, of Wellington Tex., as when a frightful cough and lung trouble pulled me down to 100 pounds, in spite of doctor's treatment for two years. My father, mother and two sisters died of consumption, and that I am alive today is due to Dr. King's New Discovery, which completely cured me. Now I weight 187 pounds and have been well and strong for years." Quick, safe, sure, its best remedy on earth for coughs, colds, lagrippe, asthma, croup, and all throat and lung troubles. 50c and \$1.00. Trial bottle free. Guaranteed by All Drug-gists.

Telephone your wants to 693

FORESTERS POSTPONE ACTION ON HOSPITAL

Detroit, Mich., Aug. 29.—The newly elected officers were installed today at the closing session of the biennial convention of the Foresters of America. Immediately following the installation, the new officers disposed of a number of routine business matters which the laws of the lodge placed in their hands.

The same committee which reported yesterday on the question of constructing a tuberculosis sanatorium for the free use of afflicted Foresters has been appointed to report to the 1913 convention when the matter will be finally disposed of by virtue of yesterday's action.

As the result of a favorable report by the committee named by the old officers to investigate the advisability of establishing a national publication to be sent free to members of the order, the new administration will arrange for its organization.

WIFE GOT TIP TOP ADVICE.

"My wife wanted me to take our boy to the doctor to cure an ugly boil," writes D. Frankel, of Stroud, Okla. "I said put Bucklen's Arnica Salve on it." She did so, and it cured the boil in a short time. Quickest healer of burns, Scalds, Cuts, Corns, Bruises, Sprains, Swellings. Best Pile cure on earth. Try it. Only 25c at All Drug-gists.

BIG QUESTIONS.

Which college for the boy? If parents of the prospective freshman of the coming September have put off answering the question until this late day, they must return final reply to him and to themselves without further delay.

If the boy is to be given college training, the question of where to send him is as serious as that of what occupation he shall follow eventually.

Different colleges imply different ideals, different methods of training, different results in education. The small college has its advantages, chief of which are likelihood of freer democracy, a closer parallel to the actual experiences of real life, contact with many of one's fellows gathered from all corners of the country and all parts of the world.

The inspiration of the presence of great teachers—if not the benefit of close association with them—and the helpfulness of having to make one's own way among thousands. As to the ideals of the college, parent and prospective student should ask for such as contemplate the qualities of good citizenship, that exalt the qualities of public service, whether in high vocation or modest.

Just as Senator LaFollette was entering on the last stretch of his marvellous fight for the Presidency, he had to come down on account of engine trouble.

Admiral Togo was amazed at Niagara. He ought to have seen our Colossus.

Attorney General Simpson is going to make a try for taxes on six hundred thousand dollars of the Sage millions.

Well, hello! A Los Angeles telephone operator has refused to marry a French prince.

La Follette is said to have captured North Dakota. This makes six delegates out of a possible 1,062.

The sporting department of the Congressional Record is enjoying a well earned rest.

The President had trouble finding a church open Sunday in Washington.

PROFESSOR THINKS MOST PEOPLE WASTE VACATIONS

Cambridge, Mass., Aug. 29.—"Vacations as they are spent by great many persons are more harmful than beneficial, and it would be better for these people, if they had no vacations whatever," says Prof. Dudley A. Sargent, of Harvard.

"To get the real good of a vacation a person should lay out a regular course of light exercise in the open air.

"Vacations that last for two or three months are injurious, for they leave the average man or woman in a sluggish mental condition.

"The way to bring about the desirable results of a vacation is simple enough," continues Dr. Sargent. "If it is at a shore resort the vacationist should plan to go into the water at a certain hour each day.

"The person who wastes a vacation of two or three weeks may recover himself in a week or two after he gets back to his desk, but the person who loaf and vegetates for a whole summer needs a longer time before he is fit to do his best.

"Besides the large number of persons who are sluggish on their vacations there is a smaller class, usually young men, who overwork. These go in for everything to the limit and come back utterly worn out physically."

CRICKETS ONCE DOLEFUL FIDDLING IS NOW MUSIC TO FARMER OF NORTHWEST.

Minneapolis, Minn., Aug. 29.—The crickets once doleful fiddling is now music to the farmer of the northwest.

M. P. Somes, grasshopper expert for the state department of entomology, after a summer-long investigation in the grasshopper infested districts of Minnesota and the Red River valley, declares that the cricket has an insatiable appetite for grasshopper eggs and is eating them by the millions.

The extermination of the grasshopper which destroys thousands of acres of grain in the northwest, seems to rest with the question of providing more crickets.

The discovery is looked upon as an important one by entomologists and by crop experts.

CRAWFORD BEST LOOKING IN A. L., SO THINK TIGERS.

Joe Sugden, the veteran catcher and scout now with the Tigers, had his picture taken on a postcard. He passed them among the players and remarks were anything but complimentary.

Joe wouldn't take more than a consolation prize at a show for the home-liest man, but the photograph was awful.

"Well, it's the handsomest man who takes the worst picture," commented Joe.

Then he ducked a rain of gloves. The photograph brought up a discussion among the players as to who was the best looking player in the American League.

Walsh of the Chicago Sox was the Adams, while others insisted that Sam Crawford could stand beside Walsh and not be forced to doff his cap.

Arguments broke up when Charlie Schmidt nominated Cy Morgan of the Athletics.

Kidney trouble is particularly to be dreaded because its presence is not usually discovered until it has assumed one of its worst forms—diabetes, dropsy, or Bright's disease.

If you suspect that you kidneys are affected, by all means use Hollister's Rocky Mountain Tea, the greatest systemic cleanser and regulator.

By PAINE WEBBER & CO., Marquette, Michigan.

BOSTON MARKETS

For the most of the session, the market was a little duller with prices firm. The rally of yesterday was well sustained and little long stock came out.

RALPH ROSE WILL ENTER OLYMPIC CONTEST AGAIN

New York, Aug. 29.—Desirous of making the next American Olympic team, Ralph Rose, the champion shot-putter at the various weights is coming out of his shell to prepare for the iron sphere event in the 1912 Swedish games.

Rose, who is a member of the Olympic club of San Francisco, has written to friends in this city telling of what a great battle he expects to wage in his home town to make the trip abroad.

Why he fears the outcome is more than anybody can understand. It is an almost assured fact; yet Chairman Sullivan warns us no selections have been made as yet—that the big fellow can go along if he so desires.

He hasn't really anyone to contend against on the coast. Joe Horner of Michigan has quit athletics, and even if he decided to come back he won't trouble Rose. Others believe he will be selected even if he does not show his form in the tryouts.

Rose holds all kinds of records in the shot-put. He established the world's record with a put of 51 feet in San Francisco back in 1909. He won his event in the London Olympic games without the least bit of trouble.

The San Franciscan is credited with 61 feet 7 inches for the 8-pound, 57 feet 3 inches for the 12, 51 feet 6 3-8 inches for the 14, 45 feet 9 1-3 inches for the 18, 40 feet 3 3-8 inches for the 21, and 38 feet 2 3-4 inches for the 24, besides his world's record put with the 16.

SPORTING The Only Local Newspaper with a Reliable Sporting Department... DEPARTMENT

CUBS DOWNED BY PHILADELPHIA 5-3

Philadelphia, Aug. 29.—The Phillies took today's game from the Cubs 5 to 3. Reulbach did mound duty for the visitors and allowed but 8 hits, but they were well bunched. Chalmers went the distance for the locals and was hit freely but kept the swats scattered.

GIANTS CLEAN UP ON ST. LOUIS CARDS, 7 TO 5.

New York, Aug. 29.—Although binged for 8 safe ones and given poor support Wiltse managed to get away with today's game from the Cards 7 to 5. Harmon was on the mound for the visitors and was binged for 7 hits all bunched.

TEAM BATTING HAS SWELLED

Marquette, Mich., Aug. 29.—Though the Marquette team lost both games played at Ishpeming this week, the team batting average was swelled from .267 to .272 by the two games. This was brought about by a slight improvement among the weaker hitters, sufficient to more than offset a slight slump by the 300 sluggers.

Hynes still leads the list, but with eight points less than a week ago. Rio pellic dropped three points, and is passed by Day and Caesar. Tiffany falls off five points, which puts him out of the 300 class. Ryan made a big gain and jumps from .204 to .231.

Table with individual averages for players like Hynes, Day, Caesar, etc.

NEW LAW REVIVES THE BOXING GAME

New York, Aug. 29.—The new boxing law by which pugilistic contests now come under the supervision of a state commission goes into effect tomorrow and the fist game is expected to receive a new impetus in New York.

CONNIE MACK HAS STRINGS TIED TO FUTURE STARS IN EVERY SECTION OF THE COUNTRY

Arthur Irwin, scout of the Yankees, once made the famous remark that the day of the scout would soon be a thing of the past, for every young player in the country belonged to Connie Mack.

Running a Motor Car. Common sense should teach people that their body is only a live motor, that requires handling by a careful freeman and engineer. Certain foods and drinks are the certain kinds of fuel needed to help out different parts of the highest type of machinery.

YESTERDAY'S BASEBALL RESULTS

American League. Boston 0; Chicago 3. New York 7; St. Louis 4. Philadelphia 5; Detroit 9. Washington 2; Cleveland 1.

National League. Pittsburgh-Boston, rain. Cincinnati-Brooklyn, rain. St. Louis 5; New York 7. Chicago 3; Philadelphia 5.

American Association. Milwaukee 3; Columbus 4, ten innings. Minneapolis 3; Toledo 4. Kansas City 3; Indianapolis 8. St. Paul 0-0; Louisville 1-2.

The Score: R. H. E. Milwaukee 3 7 1. Columbus 4 10 3. Batteries—Nicholson and Marshall. Miquilian and Walsh.

Umpires—Hayes and Bierhalter, ten innings. The Score: R. H. E. Minneapolis 3 13 3. Toledo 4 9 1. Batteries—Leverett and Owens. Lingling and Carisch.

Umpires—Fox and Chilli. The Score: R. H. E. Kansas City 3 11 1. Indianapolis 8 13 2. Batteries—Brandem and James. Dowd and Ritter.

Umpires—Owens and Handboe. The Score: R. H. E. St. Paul 0 10 1. Louisville 1 10 2. Batteries—Reiger and Land. Higginbotham and Hughes.

Umpires—Eddinger and Ferguson. Fourteen innings. The Score: R. H. E. St. Paul 0 6 0. Louisville 2 4 0. Batteries—Decantere and Land. Hearne and Ludwig.

Umpires—Ferguson and Eddinger. Called at end of seventh on account of darkness.

JUNGLEERS WIN FROM ATHLETICS

Detroit, Aug. 29.—The Tigers won a slugfest from the Athletics today 9 to 8. Both Morgan for the visitors and Works for the locals were hit hard each allowing 14 safe swats. The Bengals put up a poor fielding game behind Works, being charged with 5 misplays.

YANKS CLEAN UP ON ST. LOUIS BROWNS, 7-4.

St. Louis, Aug. 29.—The Yanks took today's game from the Browns easily 7 to 4. Vaughan twirled for the visitors and was touched for only 8 hits and was given miserable support, the players behind him being charged with 7 errors.

WHITE SOX 'COME BACK'; CLEAN BOSTON, 3 TO 0.

Chicago, Aug. 29.—The Sox came back today and won from Boston by the shut out route 3 to 0. Scott was in the box for the locals and held the visitors to 5 well scattered hits. Wood twirled for Boston and was touched for 6.

WALTER JOHNSON WINS FROM CLEVELAND NAPS.

Cleveland, Aug. 29.—Walter Johnson held the Naps to 4 scattered hits today and won his game 2 to 1. Kaler was on the mound for the locals and allowed 8 hits to be taken off his delivery.

ASK WAIVERS ON PLAYERS

Detroit, Mich., Aug. 29.—It is probable Detroit will ask waivers on Geo. Moriarty and Davy Jones soon. Paddy Bauman, the young second baseman recently obtained from the New England league, has made good in sensational style. Moriarity has been slowly going back. Drake has been in-bating and fielding so well that he now is regarded as the regular left fielder. Jones' fielding and base running have been poor of late and his batting only fair.

YOST HAS HARD LUCK TALE NOW

Chicago, Ill., Aug. 29.—Coach Fielding H. Yost of the Michigan football eleven was in Chicago yesterday on a business trip. Yost had the following to say on Michigan's prospects: "Prospects are not of the brightest at Ann Arbor just now. We will have only five of the old men back this fall, and that isn't much of a foundation on which to build anything. Of course I wouldn't go so far as to say that I am actually discouraged, but the outlook is gloomy, to say the least."

WESTERN ASSOCIATION TO BE REVIVED AGAIN.

Kansas City, Mo., Aug. 29.—The Western Association of Baseball clubs will be reorganized to play next season said M. J. Russell of Louisville, Ky., owner of the Wichita franchise, who is promoting the reorganization today.

CONNIE MACK HAS STRINGS TIED TO FUTURE STARS IN EVERY SECTION OF THE COUNTRY

Arthur Irwin, scout of the Yankees, once made the famous remark that the day of the scout would soon be a thing of the past, for every young player in the country belonged to Connie Mack.

RABBIT SEASON DOES NOT OPEN UNTIL MARCH 1 OF NEXT YEAR.

The rabbit season does not open until Oct. 15 and then will remain open until March 1 of next year. The deer hunting season extends for but days under the new law, opening Oct. 15 and closing on Nov. 30 and the same provisions as to the number killed in that period for each hunter remains the same as in past years.

Edward T. McCarthy and Miss Hazel Duffy motored to Pelch yesterday returning yesterday afternoon. Mr. McCarthy called on trade at White Schaffer and Perronville.

AVERAGES FATTENED AT ISHPEMING

A number of Ishpeming players fattened their batting averages to a considerable extent as a result of Saturday's and Sunday's games. Hagel and Ray have made the greatest advances in the percentage column. Both are hitting at a terrific pace at present. Clark is still perched on top with a standing of .346. McCarthy and Hiltonen are tied for second place. Geelan is next with a percentage of .313.

The detailed batting record of the members of the Ishpeming squad are given below. These figures are official, as they were compiled by the Club Scorer, Corbett:

Table with batting averages for players like Clarke, McCarthy, Hiltonen, etc.

HARLEY LEADS NEGAUNEE TEAM

By getting five hits out of nine times at bat in the two games at Escanaba Sunday, Harley again jumped to first place in the batting column of the Negaunee team and Rains and Swick are tied for second position. In Saturday and Sunday's games Rains was up eight times and got but one hit though he had a couple of sacrifices. There are now three local players batting better than .300. Swick fattened his batting average considerably at Escanaba by getting three hits out of six times up Sunday, and one hit Saturday out of four times up. The individual averages are as follows:

Table with individual averages for Harley, Rains, Swick, etc.

ASK WAIVERS ON PLAYERS

Detroit, Mich., Aug. 29.—It is probable Detroit will ask waivers on Geo. Moriarty and Davy Jones soon. Paddy Bauman, the young second baseman recently obtained from the New England league, has made good in sensational style. Moriarity has been slowly going back. Drake has been in-bating and fielding so well that he now is regarded as the regular left fielder. Jones' fielding and base running have been poor of late and his batting only fair.

YOST HAS HARD LUCK TALE NOW

GIANTS ARE OUTPLAYED

(Continued from Page One.) singles but were unable to score when Gilkerson was an easy out. In the fifth three hits, one of which counted for a two baggers when Flath misjudged it, gave the Giants their only run of the game. Love then went to the mound and allowed but two hits in the remaining four innings, holding the Giants safe at every stage of the game.

Following is the detailed score of the game:

Escanaba						
ab.	r.	h.	po.	a.	e.	
Connelly, cf	4	1	3	3	0	0
Olmsted, 2b	3	0	0	3	2	0

Cadreau, p	1	0	0	0	1	0
Totals	34	1	8	24	12	4

First on balls, of Cadreau 3; left on bases, Escanaba 6, Giants 7; wild pitches Gilligan 1; first base on errors Escanaba 4; two base hits Toney, Ramsey; struck out by Cadreau 3, by Harvey 7, by Gilligan 3; double plays Toney to Gilkerson to Gordon; Toney to Gordon; Olmsted to Lindquist; hit by pitcher Gilligan, Rose.

JOKES WERE TURNED

(Continued from Page One.) that every witness that had testified had deliberately falsified. He was in a terribly excited state when the testimony was finally closed and after a long and learned charge to the jury had been delivered by the judge the case was given to the jury. Duchaine, taking the proceeding to be one of

COLE IS INJURED

Catcher Glenn Cole of the Escanaba baseball team will be out of the game for at least ten days suffering from two broken ribs and an injured finger that he sustained in Saturday's game against Negaunee. Cole did not tell his team mates of the injury sustained by himself until after Sunday's game in spite of the terrific pain constantly suffered by him preferring to gamely remain behind the bat until the important series was closed. He consulted a physician on Sunday night and was ordered to remain quiet for at least ten days. The injury that has been sustained by Cole proves the wisdom of the directors of the local club in signing up Kemp as sub back stop before the expiration of the time limit when new players could be taken on by the league teams. Kemp made his first real appearance back of the bat in yesterday's game and demonstrated that he has all of the goods that go to make up an ideal catcher. His work in receiving the ball, pegging to the bases and with the willow was fully up to the standard and excited much favorable comment among the fans who were present.

AUTO WAS OVERTURNED

While driving in his automobile on Monday George Douglas, well known in all parts of the county, was slightly bruised and narrowly escaped serious injury when his machine was overturned. In attempting to pass one rig on the road Mr. Douglas collided with another immediately ahead and his machine was thrown aside into the ditch. The auto was overturned and in the spill Mr. Douglas was slightly bruised but not seriously hurt.

MEN ARE LAID OFF

Officials of the North Western docks yesterday laid off a crew of 20 Top Dock Workers until shipping conditions are improved at those docks. For the present the shipping from the North Western docks is light and it was considered necessary by the officials to lay off a portion of the crew employed there until the fall shipping rush is started.

ARRESTED FOR DRINK ON TRAIN

The railroads until recently have paid so little attention to the statute prohibiting the drinking of intoxicants on trains which went into effect several months ago, that the impression was becoming general that it would become a "dead letter," if it had not already been catalogued as such.

However, it appears that the railroads have suddenly taken cognizance that such a law exists and are preparing to enforce it. Monday afternoon Lars E. Larson, a resident of Granite Heights boarded a St. Paul passenger at Fond du Lac for Wausau. Part of Mr. Larson's luggage consisted of a gallon jug filled with whiskey. It was a dry ride and finally Mr. Larson hoisted the jug to his face and took a drink. The conductor was right behind him at the time. The train official reached over and deftly removed the jug from Mr. Larson's face smelt of it and promptly arrested Larson. He paid a fine of \$10 and costs at Wausau. Roy McCrossen, likewise of Granite Heights, was found guilty of a similar offense, and paid a fine and costs before the same court.

WOMAN WITH GUN OUSTS MARAUDER

Peshtigo, August 29.—A midnight marauder made a bold call at Arthur La Valley's home near Oconto avenue on Wednesday morning at an early hour, and after tramping around the different rooms of the house in anything but a cat-like manner departed via a second story window and the roof of the adjacent summer kitchen. No articles or valuables of any kind were missing after the visit, and for this reason, it is thought that the intruder was a some intoxicated "topper" in search of a bunk or a pantry. Mrs. La Valley was sleeping in the house with two little daughters of Mr. and Mrs. Burt. Happers when the incident occurred. She was the first to be awakened and thinking the noise in the adjacent room was caused by some member of the household called aloud. The fellow then beat a retreat to the second floor, but was quickly followed by Mrs. La Valley, who had a revolver in her possession. When this fact was disclosed to the retreating visitor, he lost little time in tumbling out of the opened window, and over the kitchen roof to the ground. The two Harper girls occupied a bedroom on the second floor. Altho Mrs. La Valley can guess little at the identity of the fellow or what his mission might have been, she displayed everything indication of pluck, during and after the incident, and her determined action in the emergency is the cause of some admiration. As the hour of the intrusion was about 3:30 o'clock, she waited until morning before informing anyone, and then did not call on the police, thinking it would only result in a fruitless search.

HERE'S WOE FOR THE SPORTSMEN

Marquette, Mich., Aug. 29.—County Clerk F. G. Jenks of Marquette county has found a "joker" in the game laws enacted at the recent session of the state legislature. The provision concerned makes it illegal to hunt partridges with dogs. Section 17 of act No. 275, says: "No person shall make use of a dog in hunting, pursuing or killing deer; the presence of a dog in the woods, hunting camp, logging camp, or a club house, during the deer hunting season, shall be prima facie evidence of its illegal use. Any dog pursuing, killing or following on the track of a deer is hereby declared to be a public nuisance and may be killed at such time by any person without criminal or civil liability."

The force of the above is not apparent until one recalls that the new open season for deer and partridge is the same, from Oct. 15 to Nov. 30. If a dog in the woods during deer season is prima facie evidence of the animal being used to hunt deer it is difficult to see how partridges can be hunted with dogs. Probably this unfortunate feature of the new game laws was an oversight on the part of the legislature, but the law appears to be clear, and anyone who takes a dog into the woods this fall to hunt partridges does so at peril of arrest for illegal deer hunting.

PLAN TO ECLIPSE ATWOOD'S RECORD

St. Louis, Mo. Aug. 29.—Plans for a trans-Mississippi river hydroplane flight in September of not less than 1,500 miles, sufficient to eclipse the world's record just established by Harry N. Atwood, are well under way here. Two courses are under consideration—to start at St. Paul and finish at Vicksburg, a distance of 1,511 miles, or to start at Dubuque, Ia., and finish at New Orleans, a distance of 1,555 miles. The purpose of the flight is to focus attention on the Mississippi on the eve of the deep waterway convention at Chicago and to promote aviation interest in the Middle West, as well as to establish a new record for distance. The flyer, an aviator of national reputation, will drive a hydroplane which will enable him to follow the course of the river with impunity, landing on the river when land space is not available.

MEMONINEE BOAT GETS \$100 FINE

Menominee, Mich., Aug. 29.—The revenue cutter Tuscorara arrived in port Friday afternoon. Aboard the craft was G. M. Smith, the new collector of customs for this district. The Tuscorara left this morning. During its stay in port the government officials inspected the boats here and as a result of the visit a gasoline launch, belonging to a Menominee cedar company, it is said, was fined \$100. The offense consisted in not carrying a fire extinguisher aboard. The craft penalized is thirty foot motor boat and is used by its owners principally for pleasure purposes. The government is now very strict in enforcing the shipping regulations. A fisherman of Bailey's harbor was fined \$100 for not having his lights burning. He was coming into port at Sturgeon Bay just at dusk and as he was only a short distance from the dock, he thought he would not light up. The Tuscorara was there and presto he was hailed and announcement made that he would receive documents necessitating the payment of \$100 fine.

FINDS BICYCLE AFTER A MONTH

After losing his bicycle a month ago C. J. Olson, living at 320 North Norris street, yesterday recovered his wheel through the efforts of Deputy Sheriff Edward Thompson at Wells. Through a description of the stolen wheel being furnished the officer, Mr. Thompson yesterday morning recognized the bicycle being used by Tony Monich, employed at the chemical plant as the stolen wheel. He promptly stopped the rider and learned that he had purchased it for \$7 from Michael Sterick. The stolen property was given up to the officer and last night Deputy Thompson was searching for the man who had sold the wheel to Monich.

LAW COURSE HAS BEEN CHANGED

Ann Arbor, Mich., Aug. 29.—Several changes in the law course in the university have been made that will take effect next fall. One change is that all courses that were for two hours for two semesters have been changed to four hours for one semester, thus increasing the number of weeks. Another change is that 48 hours of the 76 necessary for graduation will be required subjects, making 28 hours elective. Beginning with October, 1912, a year's literary work in some accredited college will be necessary before a student may enter the law department of Michigan. This has been recommended for several years, but will be demanded after this year, and till the year 1915 when it is expected that two years' literary work will be demanded of any student entering the law department.

TELEPHONE BOOTH IS BROKEN OPEN

Because someone thought that they would get considerable cash from the receptacle in the public telephone at the Chicago and North Western depot and with that end in view damaged the booth to a great extent, Ole Sundquist local manager of the Michigan State Telephone company found it necessary to install a new booth in the waiting room of the station. The thief or thieves almost completely demolished the booth first installed in their efforts to extract the money which they thought it contained. The marauders did not get the cash however. It is thought that they were frightened away.

ADMISSION - 25c

PRESIDENT TAFT COMING SEPT. 9

Marquette, Mich., Aug. 29.—The very welcome though rather surprising news that President Taft will pay Marquette a visit next month was received yesterday in a telegram from Chas. D. Hills, the president's secretary to Congressman H. O. Young, who is at his home in Ishpeming. The telegram stated that the president will arrive in Marquette at 11:15 p. m. Sept. 19 and will remain here until 2:45 p. m. Sept. 20, when he will return to Grand Rapids, where he has an engagement Sept. 21.

meant just what he said, when he expressed an enthusiastic desire to spend a day at the Queen City of the Lakes.

GAYLORD WOMAN FOR ENGINEERING

Ann Arbor, Mich., Aug. 28.—There will be another co-ed in the engineering department of the University of Michigan when college opens this fall. Miss Hazel Irene Quick of Gaylord, this state, has entered the university engineering school.

The same day Hjalmer Fling of Ironwood entered the same department and the same class. In the Norwegian language "Fling" means industrious. These two names, together with the fact that the dreaded "S. and R." in that department is to be no longer taught in its old form, ought to give a great boost to the freshman class of 1915. By the way, the swan song for that famous "S. and R." was sung yesterday when for the last time an examination was given in that dreaded course. The course to be given in the future will have several changes, among others it will not be called "S. and R." and that ought to help some because for years this name has fairly scared engineers into "funktig." In the course exams it's been like telling ghost stories to nervous children and then sending them to bed alone and in the dark.

Possibly, just because it's the last time the course will ever be given as of old, or possible the summer students of 1911 are of a brighter mentality, at any rate in the final examinations in that course given yesterday, 35 per cent of the class wrote perfect blue books and only 25 per cent "funktig," the best record ever attained in that course.

THE ROYAL

The bill at the Royal theater tonight includes some of the best pictures that have been shown here. "At the Gringo Mine" is the feature film and is a spellbinding western drama. "The \$100 Bill" is interesting. It shows scenes in and about "Chinatown" in New York city. In addition there are two others, "The Stranger in Camp" and "Conquering Carrie."

THE GRAND

Arrangements are being made for a rifle match between the one-armed crack shot appearing at the Grand this week and a prominent marksman of this city. The shooter at the local theater does some rather neat short range sharp shooting and has proven very popular with the patrons of the Grand. He is assisted in his act by a thorough bred pointer dog which shows remarkable intelligence.

Telephone your wants to 693.

Pasteurized Milk and Cream

Now made available for Escanaba patrons by the purchase of the Phillips Creamery by the

Van Brothers Dairy Company
