

## QUESTION CONSIDERED

### NEW COUNCIL APPOINTS COMMITTEE TO INVESTIGATE ADVISABILITY OF RAISING LICENSE FEE

Members of Escanaba's newly elected city council held their first session at the city hall last night when the matter of raising liquor license in this city above \$500 was discussed.

A committee of five composed of Aldermen Smith, Cantlin, Swan, Ström and O'Hanley was named to investigate the advisability and legality of raising the license limit about \$500 and to report at the next meeting of the council.

A committee of three composed of Aldermen Powers, Pryal and Johnson was named to determine the number of licenses that can be issued in this city under the recent decision of the supreme court for the coming year.

The council will meet again on Tuesday evening to receive the reports of the two special committees and to take whatever action is thought to be best.

Dr. W. A. Lemire last night took his seat as presiding officer of the council for the first time. All of the newly elected aldermen were present, the only absentee being Ald. Paul Jaeger of the Third ward.

Previous to the meeting Mayor Lemire called the members of the council into his chambers at the city hall and discussed with them the matter to be taken up and when the regular session was opened the business was handled with dispatch and quickly disposed of.

## WEDDING IS ANNOUNCED

Announcement has been made of the coming marriage in this city of Miss Rose B. Richer to Mr. Silvio Dufresne of Chicago and formerly of Escanaba. The marriage of the couple will be celebrated at St. Anne's church on the morning of April 16 and will be attended by a large number of the friends and relatives of the bride and the groom.

The bride has been employed for some time as a machine operator at the Escanaba Journal office and has a large number of friends in the city. The groom was formerly engaged in the electrical business and for some time has been employed in a responsible position by the American Sheet Tin & Plate Company of Chicago.

## STORE NEAR COMPLETION

Arrangements for the opening to the public of Kratz's Brothers magnificent new, re-erected store building at Ludington and Jennie streets, are being pushed forward rapidly and within a week it is expected that it will be possible for the firm to announce their formal opening.

The placing in commission of the big store plant has been delayed through the failure of new fixtures for the different floors to arrive. The fixtures are now coming in rapidly however and the final shipment will probably be received here tomorrow. On Friday two car loads of the belated fixtures came in and another car arrived yesterday, leaving but one additional car to be sent here.

Handsome gilt signs bearing in large letters of gold "Kratz's Brothers Department Store," have been erected at the front and side of the building as the finishing touch to the exterior appointments. The covering that has before been in place before the main entrance has now been removed revealing to the public a particularly handsome arrangement.

Practically the entire main entrance is made up of broad spans of plate glass, set in copper the whole producing a most attractive effect. In the center of the entrance is placed a plate glass enclosed show case, which will be arranged, when the store is opened some of the finer articles of merchandise, desired to attract the particular attention of patrons.

## DOG BITES BOY IN FACE WHILE PLAYING

John Kirkpatrick, son of Ex-Ald. and Mrs. E. J. Kirkpatrick, was severely bitten by a dog owned by Henry Blake while playing about the home yesterday. The dog bit the boy twice in the face inflicting an injury that made it necessary to call a physician. The wounds were cauterized and precautions taken to forestall any serious complications. The dog was tied up by police officers to be kept for ten days to determine whether or not he is suffering from rabies.

## OBSERVANCE IN CHURCHES

The observance of Easter will be marked by special services in all of the churches of the city today.

At the several Catholic churches of Escanaba special Masses have been prepared for the occasion by the regular choirs who will be assisted by some of the leading vocalists and instrumentalists of the city.

At all of the Protestant churches special sermons and musical programs have been prepared and in spite of the promised unfavorable weather conditions it is expected that all churches of the city will be crowded with Easter worshippers.

## BALL TO BE BRILLIANT

What promises to be one of the most enjoyable functions of the after Lenten social season in Escanaba will be the annual Easter ball given by members of the Escanaba lodge of Elks at the Elks temple on Monday evening. Invitations for the affair have been issued and members of the committee in charge of the plans have neglected no detail to allow the party to take rank as one of the most enjoyable of the season. Preceding the dancing program several vocal and instrumental numbers will be given by some of the most prominent vocalists and instrumentalists of the city. Invitations are confined to members of the order and their friends, each member of the lodge being privileged to invite two friends with their ladies, thus assuring a brilliant assemblage of society people for what will probably prove the most elaborate and exclusive ball of the season.

## ICE ON STREET IS TAKEN AWAY

Street Commissioner Peter Holmes has set a crew of men at work breaking up the big blocks of ice that have formed along the south side of Ludington street and which up to this time have been but little affected by the warm rays of the sun. The ice has entirely disappeared through natural conditions along the north side of the street but the buildings shade the ice on the south side and were it allowed to remain it would be well toward the middle of the summer before all was melted.

The ice is being broken up with picks and shoveled on wagons and hauled to the northshore where it is dumped to be carried out with the ice when the spring breakup comes.

## STREET CARS TO FIT THE HOBBLE

Washington, D. C., April 5.—After a contest lasting several months the women of Washington have scored their point with the street car company which has ordered fifty new cars with steps so constructed that a woman in hobble skirts can get aboard without attracting a crowd. The street car men held out against the feminine demand on the ground that the ice still solid and safe in the center of the bay it is rapidly giving away along the edges, making crossing with teams a dangerous proceeding at this time.

## SPORTSMEN WILL MEET

### DELTA COUNTY HUNTERS AND FISHERMEN WILL GATHER AT CITY HALL

Sportsmen of Delta county will meet at the city hall in this city at 2 o'clock this afternoon to discuss changes that are desired by the hunters and fishermen of this county in the state game laws.

The present state game laws have been found to be generally unsatisfactory and a movement has been started to bring about radical changes in many of the present provisions.

The sportsmen of Delta county will this afternoon be given an opportunity to freely express their ideas on the different provisions and the majority sentiment prevailing will be recorded.

The ideas of the Delta county sportsmen will be reported to the central committee of the Upper Peninsula Sportsmen's Association who are receiving reports from all counties of the peninsula and from which reports they will formulate a new game bill that will bear the stamp of approval of the entire north country.

The bill formulated from the upper peninsula ideas will be sent to the lower peninsula sportsmen's association and after a conference has been held and changes in dispute agreed upon the bill will be presented to the legislature for passage.

A bill thus backed by the interested people in both the upper and lower peninsula cannot but command the attention of the legislators and a game bill that really accomplishes its prime object, will be the result.

The meeting of this afternoon will be opened promptly at 2 o'clock with E. C. Voght presiding and it is hoped that all sportsmen of the city as well as from all parts of the county will be in attendance.

## SIGNS WITH ESCANABA

N. G. Hynes, the hard hitting outfielder of the Marquette league squad of last season, yesterday signed a contract with the local club to cover one of the outer gardens for the coming year. Hynes is superintendent of schools at Rock River and will come here as soon as his school has closed for the year, although for games previous to the close of school he will probably come to Escanaba for Saturday and Sunday games.

Last season Hynes was the single consistent batter on the entire Marquette team and he is bound to prove a valuable addition to the local squad. Last spring Hynes applied for a position with the Escanaba team but his application was passed up with the result that he went to Marquette and the club officials here regretted throughout the season that the opportunity of bringing him to the fold was lost.

## ICE GETS BLACK; BREAKUP IS COMING

For the first time this season the ice on Little Bay de Noc yesterday presented a darkened appearance, showing that water is gradually gathering over the surface of the big field. The darkened appearance of the ice is the first forerunner each season of the annual breakup as the water gathering on the surface gradually filters through, disintegrating the fields and making them easy prey for a heavy wind storm to break into small loes that will be carried out.

Yesterday a number of farmers crossed from the Bay de Noc peninsula with rigs but all came over early in the morning and returned as quickly as possible to reach the other side before the ice had reached its weakest condition in the middle of the day. It is reported by the farmers that while the ice still solid and safe in the center of the bay it is rapidly giving away along the edges, making crossing with teams a dangerous proceeding at this time.

## JUDGE MCEWEN FILES BOND FOR OFFICE

Atty. C. D. McEwen elected as justice of the peace for the city of Escanaba to succeed Judge O. V. Linden, yesterday appeared at the office of County Treasurer Joseph J. Mallmann and filed his official bond for \$1,000. The newly elected justice does not take office until July 4 but the state laws provide that he shall file his official bond with the county treasurer within ten days after the canvass of votes has been conducted.

## MASSES ARE INCREASED

Announcement was made by Rev. Father Barth, pastor of St. Patrick's church each Sunday it has been decided by him in the future to conduct four Masses, instead of three each Sunday morning.

The first Mass will be held at 7 a. m.; second Mass at 8 a. m.; Children's Mass 9:15 a. m. and High Mass at 10:30 a. m.

For all Sundays of the future the above program of Masses will be observed at St. Patrick's church.

This afternoon at St. Patrick's church a special meeting of the Young Women's Sociality will be held, followed by Benediction.

## OFFICERS TAKE OATH

All of the newly elected city officials with the exception of three supervisors and several constables appeared at the office of City Clerk A. J. Peplin yesterday and took the formal oath for their respective offices.

Mayor W. A. Lemire appeared at the city hall yesterday morning with several aldermen and supervisors elected with him on the Independent Progressive Party's ticket at the polls last Monday. The oath was given to each by the city clerk and before the close of the office last night practically all of the newly elected officials had qualified.

The officers who qualified yesterday by taking the oath were: Mayor W. A. Lemire; City Treasurer Charles E. Conahan; Aldermen Joseph Pryal, R. L. Cantlin, Edward Stratton, Edward Smith, John O'Hanley, John Ström, and C. G. Swan.

The supervisors who qualified yesterday were: Leo Dineen, Nels Ahlquist, P. N. Peterson and R. W. Coolman.

## PRESBYTERY MEETS HERE

Representatives of Presbyterian churches in all parts of the peninsula will come to Escanaba on Tuesday to attend the annual meeting of the Lake Superior Presbytery, which will continue through two days. The reports of the Presbytery officers will be submitted and interesting programs presented at each session on both Tuesday and Wednesday. Addresses will be given by visiting pastors together with musical numbers to round out each session making the meetings interesting not only for visitors attracted here but for people of the city all of whom are welcome are all of the meetings.

On Tuesday evening the visitors will be entertained at a banquet given at the parlors of the church by the women of the Presbyterian congregation and which function will formally bring the Presbytery sessions to an end.

## TY WILLING TO BAT .200 IF TEAM AVERAGES .400

"I would be willing to bat .200 this year if every other member of the Detroit team could bat .400 and land the pennant," says Ty Cobb.

"There will be three clubs in the state this season—Detroit, Boston and Philadelphia. They will put up a great fight, and the Tigers will surprise many people. Watch that pitching staff and infield. Our catching staff also will be stronger."

## MENOMINEE ALL READY

### BASEBALL ENTHUSIASM RESPONDS TO HURRY UP CAMPAIGN FOR FUNDS

The utmost enthusiasm has been aroused in Menominee over the proposition of joining with Marinette, Gladstone and Escanaba in the organization of a four team league. In a few hours officers of the Menominee club on Friday afternoon and Saturday morning raised over \$1200 to insure the launching of a team in that city, thus providing a fund that will assure Menominee of having one of the fastest aggregations in the league.

At the time the league meeting was held here on Wednesday of last week the Menominee club had not yet raised sufficient money for entrance into the league and the club officials returned to their homes determined to get into the race. Fans of the city were aroused to the highest pitch and through the loyal support given the game by the Herald Leader an abundant fund was raised for the support of the game.

On Friday evening the Herald Leader of Menominee said:

Menominee has the opportunity this year to participate in league baseball, preliminary arrangements having been effected for an Upper Peninsula-Wisconsin organization to include Marinette, Escanaba, Gladstone and this city. The plan is an excellent one and, if carried into effect, Menominee may be assured of the most interesting season of baseball in its history.

Money is needed, however, and in order that league baseball may be successfully launched in this city, it is necessary that \$1,000 should be subscribed.

Baseball enthusiasts who desire Menominee to participate in a season of league baseball must come forward with their individual subscriptions. In the past the baseball projects have

## YOUNG IS ENDORSED

Of the candidacy of H. O. Young of Ishpeming for renomination as congressman from this district the Manitowish Pioneer Tribune says:

Congressman Young desires a renomination and from present appearances he will not have serious opposition at the primaries. Mr. Young is easily the brainiest and best congressman in the Michigan delegation, and the Twelfth district will hesitate to supplant him with the mediocre carlety that so regularly makes its appearance every two years. When a firm or individual has an efficient, honest and able man in their employ, they are loath to dispense with his services, for the simple reason that a new man may not be able to deliver the goods. The same rule should obtain in politics. The district should reelect Young as long as he aspires for the office he is at present holding.

## PLAY TO BE GIVEN FINE PRESENTATION

Mrs. Ethel Jones, who is preparing for a presentation of her play, Dads Gals, in Rapid River on Apr. 15 for the benefit of the high school of that city, visited in Escanaba last night and announced that with the excellent material placed at her disposal an immense success is certain to be scored at Rapid River.

Material equal to that provided for her in many of the larger cities in the peninsula has been secured for the presentation of the different parts at Rapid River. Rehearsals for the production are already under way and an audience that will tax the capacity of the Rapid River opera house is confidently expected.

The fund derived through the undertaking will be used in purchasing new books for the Rapid River high school library and all of the people of the city are interested in making the event a financial as well as a theatrical success.

## SOCIAL WHIRL TO OPEN AFTER EASTER

After a period of abstinence from social activity lasting through the Lenten period of 40 days the people of Escanaba are now prepared to throw off the restraint of the past month and a half and again enter heartily into the whirl of local social events. The Lenten period was preceded by a great number of social functions and will be followed by a long list of private and public parties in which practically all people of the city will be interested.

## MADE PLEA OF GUILTY

After arraigning Emil Person, a jobber of Dickinson county in court at Iron Mountain on a charge of having venison in his possession on Mar. 29, Deputy State Game Warden Herman Lelander returned to Escanaba yesterday. The defendant pleaded guilty to the charge in the Iron Mountain court and was sentenced to pay a fine and costs amounting to \$22.50.

Mr. Lelander with another warden on a tour of inspection through lumber camps of Dickinson county found evidences about the camp conducted by Person that a crew of 15 men were being furnished with meat by killing deer. A portion of a deer carcass was found by the wardens secreted under a bed in the bunkhouse and the arrest of the camp foreman followed.

## RILEY IS ENTHUSIAST

Atty. T. J. Riley, manager of Menominee baseball team arrived in the city last night with the information that the fans of the city of Menominee have taken all of the necessary steps to enter a team in the Upper Peninsula Wisconsin League. Atty. Riley is very enthusiastic over the prospects for the organization of one of the strongest baseball teams in the league at Menominee and asserts that Escanaba will be forced to the limit to make any showing whatever in the newly formed league.

Menominee has now raised the necessary funds for entrance to the league and already Mr. Riley has signed up a number of fast players for his team.

## BARBERS WILL GIVE FINE EASTER BALL

It is expected that the capacity of Clark's hall will be taxed on Monday evening when members of the Barbers Union will entertain at the first after Lenten public ball of the season in this city. Members of the union in charge of the affair have been working steadily for the past week to make the event one of the most enjoyable ever planned by any union organization of the city. Today a crew of workers will place the ball room in Easter attire for the reception of the guests of Monday evening and nothing will be overlooked to achieve the scoring of an immense success.

Pent up energy gathered through the Lenten period will find its outlet at the ball of Monday evening when scores of dancers of the city will accept the opportunity of renewing their social activity.

## BADGER GOES QUICK TO WED

Madison, Wis., April 6.—That its feminine graduates seldom become old maids, is a statement issued by the University of Wisconsin today in the new alumni directory. Of the 1,037 women who graduated at Wisconsin between 1867 and 1911, fully 663 or 64 per cent have married. Most of the unmarried are recent graduates who "will mate later." The figures show that 43 per cent of the women graduates have married men alumni of the same university.

## LOG LOADERS GOING SOUTH

### O. L. RAYMOND FINDS BIG DEMAND IN SOUTH FOR MA. CHINES MADE HERE

O. L. Raymond, of this city is now visiting some of the large lumber concerns in Mississippi and has greatly interested the people there with his machines. Many of the loaders made here will be shipped south as there is a large field for them and Mr. Raymond has the right machine. He is an old time logger himself and can explain the usefulness and advantages of his loaders over similar outfits.

Two machines will be shipped at once and a number more are ordered to be shipped as soon as they can be manufactured.

The machines are now being entirely manufactured by the Chatfield Brass & Iron Works Co and Mr. Raymond is handling the sales and demonstrating end of the business.

A single company in the south has ordered four loaders to be shipped as fast as they can be turned out.

## BRAKEMAN FRIGHTENED

A scavage dog nearly attached to the person of Peter Garrity, a North Western brakeman, delayed the starting of the Perronville cannonball for nearly 10 minutes one morning last week. Garrity is employed as a brakeman on the train. The dog achieved the desire to become a passenger. Garrity knew that the rules forbid the carrying of a dog on a passenger coach. He attacked the said dog with the result that the animal showed temper. Garrity backed up and the dog pursued. The brakeman fled up the steps of the car and over the other side with the dog closely pursuing. Garrity did not stop when the other side of the car was reached and neither did the dog. Garrity dashed for the yards of the Escanaba Manufacturing Company and the dog followed, a close second. The Northwestern brakeman dodged about among the piles of logs in an effort to lose his pursuer while the conductor called "All A-B-O-A-R-D" in vain and repeatedly.

Finally a fellow brakeman was made to realize Garrity's predicament and a heroic rescue was effected. The Perronville cannonball pulled out of the station ten minutes late all because of a mere dog and a frightened brakeman.

## WEATHERMAN HEARTLESS

Observer V. E. Jakl, in charge of the local weather station jarred every feminine heart in the city yesterday when he predicted that Easter morn will dawn wet and dreary. Mr. Jakl also had the liberality to proceed further and assert that no opportunity will be given this morning for a display of Easter finery. The only ray of hope begrudged by a heartless weather man to possessors of perfectly new and good Easter toggery ready to be placed on parade, was that it possibly would clear by noon, giving a scant opportunity for the displaying of individual tastes in headgear and suits this afternoon.

Of general weather conditions about the country Observer Jakl said:

It is decidedly cooler this morning over the region west of the Missouri Valley and temperatures slightly below freezing are again reported from the middle and upper Rocky Mountains. Over most of the Mississippi Valley and east to the coast, the temperature has continued to rise slowly, but a change to colder is indicated for this section, following the passage eastward of a storm that is now centered over northern Minnesota. This storm has caused light precipitation since yesterday morning over the Missouri Valley, and will advance eastward across the Lakes during the following 24 hours. Rain or snow may be expected in this vicinity tonight and Sunday morning, followed by clearing and colder weather Sunday.

**SALOON BOND BILL KILLED**

Lansing, April 6.—Following a red hot debate the senate today defeated the liquor bonding bill with a tie vote, 11 to 11. Senator Moriarty opposed the measure on the ground that it opened business to outside companies over which the state had no control and who could appear to the United States supreme court.

In the house today Speaker Baker and Rep. Stewart of Grand Rapids figured in a sharp clash, the tie being passed over the armories versus farm development matter. The farm bill, later, was finally passed. This is a senate measure by which supervisors may levy a tax to co-operate with the agricultural college on development lines.

The House today ordered Speaker Baker to sign the vouchers for mileage of the house employes, thereby bringing to a sudden end the treatment scandal over expenses.

**PUNTS END TO BAD HABIT.**  
 Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feelings and "the blues" rest for stomach, liver and kidney, 25c.

**Announcements of the Churches**

**First Methodist**  
 Special preparations have been made suitably to celebrate Easter Sunday at the First Methodist Episcopal church. At the morning meeting, which is held at 10:30 special music will be sung by a choir of twelve voices. Two special anthems, and a solo with violin accompaniment have been arranged. The subject of the sermon which the pastor will preach is, "The Curse of the Cross Changed to the Blessing of God." In the evening at 7:30 the choir of the church will render an Easter Cantata. Some eighteen musicians will assist in presenting the music, which is entitled, "Priest and King." It will take the place of the regular preaching meeting, and will express the Easter joy properly and helpfully.

In addition to these preaching meetings, these other meetings are announced for the Sabbath day. Bible School with classes both for children and adults, at 9:30 a. m., Junior League 3 p. m., and Epworth League, led by Mr. Alfred Wood, at 6:30.

During the week the social meeting of the young people of the church will be held on Tuesday evening. Wednesday evening the annual Easter Supper and sale will be given by the Ladies Aid society. Thursday evening from 7:30 until 8:30 the prayer meeting is held. For the next two months a study of the Epistle of Ephesians will be followed in these prayer meetings. The meeting of the Boy Scouts, Escanaba troupe No. 1 will be held Friday evening, rather than on the usual evening. King D. Beach, pastor.

**First Presbyterian**  
 The Escanaba Commandery Knights Templar will attend the First Presbyterian church today in full uniform. It is hoped, by the Eminent Commander and the other officers, that today's attendance will be the largest ever to go to Easter services in this city. The regular quartette choir will sing. They will sing music. Through a mistake last week it was announced that a double quartette was to give the music. As was the original intention the regular quartette choir will sing. They will sing, "With Gladness Now We Worship," by Brander. "He Was Crucified and the Third day He Arose Again," by Sally. Oliver V. Thatcher will sing a baritone solo, entitled "Easter Blossoms" by Shelley. The pastor will preach on the theme "The True Elements of Knighthood." This service will begin promptly at 10:30 o'clock.

One of the special musical features of the morning worship will be the playing of the pipe organ and piano by Mrs. R. E. Morrell and Mrs. R. H. Banks, who will present as the prelude "Rubenstein's melody in F."

The evening service will be marked by special music, the quartette singing several musical selections appropriate to the Easter occasion and the pastor will preach a short sermon on "The Message of Easter." All are cordially invited to attend those services.

**St. Stephens**  
 Easter Day celebration of Holy communion at 7:30 a. m.

Celebration of Holy Communion and Sermon at 10:30 a. m. Subject: "The Validity of the Resurrection." Special Easter music by the choir. All communicants are particularly urged to make their Easter communion. Absence assumes responsibility.

There will be a service at 4 o'clock at which the following program of music will be rendered:

**LATEST NEWS IN THE WORLD OF FINANCE AND TRADE**  
 By Paine Webber & Company, Marquette, Michigan

**BOSTON MARKETS**  
 The local market was more active today than at any time during the past month. All classes of coppers were traded in freely and for the most part showed advances. Old Colony and Mayflower were the most spectacular making new high records. Santa Fe and Union Land were also in good demand. Granby sold at 44 and should cross 50 in a short time. North Butte, Range Lake and Hancock were practically unchanged. Butte and Superior is being picked up all the time by people close to the management. We look for a continuation of the present activity and higher prices next week.

**NEW YORK MARKETS**  
 The current week has witnessed a resumption of bullish activity in the security markets. Seemingly many of the factors which have been reckoned as exerting an adverse influence on finance, trade and industry have in great part spent their forces for of late little attention has been paid to political developments or to labor agitation. Advice from crop sections are commanding quite a little attention, and the disposition in the stock market to promote an upward movement in the grangers will be quite pronounced. While moderate distribution has been accomplished, we believe that the trend of the stock market is still upward and that a substantial higher range of prices will be recorded. We are bullish on Steel.

**8 PER CENT INTEREST ON YOUR MONEY**  
 IS POSSIBLE IN THE  
**FARM MORTGAGE BONDS**  
 of The Western Land Corporation  
 OF HOUSTON, TEXAS  
**ON THEIR 1000 ACRE TRUCK FARM**

This farm consists of the finest prairie soil on which three crops a year can be raised, reaching the early and late and winter markets. Our own canning factory will take care of any surplus, thereby insuring the greatest economy.

The bonds are first mortgage on the farm with its improvements, and are additionally backed up by the assets of a clean, high grade company, well known in Houston.

When you remember what just two crops will do in Michigan—strawberries and celery—then add fully 50 per cent to this on account of climatic conditions, you will have an idea of what this farm will do.

These bonds are also profit-sharing. Their denomination is \$100 each so that they afford a secured profit-sharing investment for any sum from \$100 to \$25,000.

## FOOTE WILL GET MATCH WITH GILMORE

Practically all arrangements have been completed for a bout at Marinette between Earl Foote, formerly of this city and Harry Gilmore, now an aspirant for the middle weight title. The Marinette Eagle Star says: A bout between Earl Foote of this city and "Kid" Gilmore of Cleveland, formerly of Marinette, may be arranged as the result of Gilmore's challenge and Foote's acceptance. The following letter was received by the Eagle-Star this morning from Gilmore's manager:

Cleveland, O., April 4, 1912. "Sporting Editor, Eagle-Star, Marinette, Wis.

"Dear Sir:— I am in receipt of a clipping from one of your local papers, stating that you have a man in your city who is willing to meet "Kid" Gilmore in a bout.

"I herewith beg to state that Gilmore will make the trip to Marinette and fight this man Foote any number of rounds, provided that his expenses be paid from Cleveland to your city and that a suitable purse be offered by some club, the winner to take all and that the weight be 128 at 3 o'clock in the afternoon of the fight. I stipulate that the weight must be 128 because Gilmore has been fighting heavier men in order to get bouts and it would require too much training for him to make 122, which is the weight that Foote states he will box.

"Kindly give this letter some publicity in your valued columns. Trusting that the "Kid" may be seen in your city in the near future, I am, "Respectfully yours, "THOS L. MILLER, Mgr." Room 106 Morland Hotel, Euclid avenue, Cleveland, Ohio.

George Powers who is employed at the office of Carpenter & Cook at Menominee, arrived in the city last night to spend Easter at the home of his parents.

Bruce Irving of Ford River Township was a business caller here yesterday.

### MEMOINNEE ALL READY

(Continued from page one.) been financed by a few citizens who have spent their own money without thought of any return, except the love of sport and the advertising Menominee derives from a good baseball team.

The organization of a league baseball team presents matters in a new light. A large sum of money is necessary for organization purposes, and this must be promptly raised. If the Menominee fans are anxious for baseball this year, they must carry the responsibilities on their own shoulders and come forward and finance the league project, and prompt action is essential to the success of the undertaking.

A good baseball team is an absolute essential factor of a live city. It draws the people together and inspires them with feelings of pride and patriotism.

Menominee cannot have too much loyalty and enthusiasm. The Menominee spirit should be fostered.

The cities included in the Upper Peninsula-Wisconsin Baseball League are all live baseball centers and may be depended on to turn out the crowds if the play is good and competition keen.

The promoters of the new league realize that there must be strong teams placed in the field. All the cities of the proposed new baseball circuit demand high standards of play. They have been educated to it and must have it.

This is the reason that right on the start money is needed. The new league must realize the expectations of the people. Good players are necessary, and it requires money to secure them.

Menominee wants the best.

The Upper Peninsula-Wisconsin Baseball League is up to the fans of Menominee. There is no time to personally solicit their support. It is in order for those who want baseball games in Menominee this summer to come forward with their subscriptions. Let us have a baseball team and a good one—a pennant winner. One worthy of the city and capable of impressing the fact that Menominee is a good town.

Telephone your "wants" to 693.

## MONEY SEWED IN UNDERSHIRT STOLEN

Los Angeles, Cal., April 6.—Mrs. C. H. Giggins, a tourist from Ohio, has set the Los Angeles detective department guessing by reporting the loss of \$200 in currency which was sewen in her undershirt. According to her story, she sewed the bills in the undershirt in Cincinnati, and she was amazed on reaching Los Angeles to find that a wad of newspapers had taken the place of the money.
