> ED IN PAST YEAR

According to a report that has been prepared by County Clerk A. J. Pepin for submission to the supervisors, it cost Delta county a total of \$93,206.22 to conduct its affairs during the past year, exclusive of the cost of building and repairing roads. As but \$80,-000 was raised by taxation for general county purposes, this county spent \$13,206.22 more than its income in the last twelvemonth period.

For the first time in the history of Delta county, County Clerk A. J. Pepin has prepared a statement by which is shown the exact expense incurred in conducting every department of the county government.

Washington, Oct. 12 .- Attorney-Genral Gregory has issued a formal state ment saying that any attempt to bring about a combination of independent steel companies "would be subjected to the closest scrutiny by the department of Justice."

The statement follows:

"Ack d whether the department of justice wou'd take any action with respect to the definite and circumstantial reports of a proposed combination of independent steel companies, the attorney general hold:

"I cannot be 'questioned that if it was 'awful to unite through the United States Steel corporation one-half of the competitive units in the steel trade, the other half would also have the right to combine. And, of course. what could be done in the steel trade could be done in every other branch of trade, thus virtually putting an end to competition.

"But the decision of the judges of the third circuit - in the steel case is not yet the established law. It is because of just such consequences that the government is appealing from that decision. Besides. in the Harvester case, a court of equal rank took a very different view of the
