U-BOATS TAKE FIRST TOLL IN U. S. WATERS

COLBY BREAKS DAY'S RECORD FOR THE NAVY

Recruiter Signs Up 30 Men for Naval Service Yesterday—News of "Sub" Warfare Spurs Men On.

STAYS TO NOON TODAY

Records for accepting men in the United States navy at Escanaba were broken yesterday by James J. Colby first class, U. S. N. R. F. when 30 men were signed up in the nation's "first line of defense."

The applicants swarmed into the office of the recruiter long before he arrived yesterday morning, and in order to complete the examination of all the men who volunteered their services, Mr. Colby canceled a trip he had booked to Soo, Mich., to remain in this city until noon today.

Will Stay Until Noon. The recruiter will be at the postoffice building "bright and early" this morning, and all who have not been examined are urged to see Mr. Colby before noon.

Several of the men accepted yesterday were those who have turned 21 years since last June, and who would have had to register on Wednesday. The navy is allowed to accept these men, so in order to escape draft many were signed up.

Moras In Charge. Included also in the list of accepted applicants were registered men, many of whom would have been called to the colors with the June call, at which time 200,000 men from the nation will be ordered to camp. There were also some men who have not yet become of draft age accepted.

Roger J. Moras, son of Mrs. Georgiana Moras, 513 South Fannie street, was selected "man in charge" of the men leaving here last night. Mr. Moras has been engaged as a telegraph operator for the Northwestern railroad, and has entered the radio branch of the service. Because of his long experience as an operator, Mr. Colby feels sure that he will prove a valuable man in the service.

Waives Classification. Moras was not subject to draft at this time. He was in Class Two, having been placed there because of an industrial claim, but waiving this deferred classification, he succeeded in obtaining his release from the local board and joined voluntarily.

Other Escanaba young men who were accepted yesterday were Geoffrey J. Daley, who has been employed at the Schrader Music company since its establishment in this city; Thomas Charette, James G. Degnon, Albert J. Cosette, Jr., Con J. McCauley, and Ernest M. Pepin.

No Quitters In Group. The men were enthusiastic over the prospect of getting an "early crack at the Kaiser." Announcement made to the men by Mr. Colby through the Morning Press of the sinking of American ships on Sunday and Monday by German submarines did not put any damper on their spirit. When Mr. Colby told the men of the sinkings he asked: "If you fellows want to quit?"

Not a single man even showed a sign of quitting, and seemed to get (Continued on Page Four)

RETURNS FROM GREAT LAKES

Mr. and Mrs. Richard Hoyler have returned from a visit at Chicago and West Baden. Enroute they visited their son, Louis, at Great Lakes training station. They had intended to visit at Louisville, Ky., but changed their plans.

BASEBALL RESULTS

National League. Pittsburgh, 3; New York, 2. Chicago, 5; Boston, 3. St. Louis 15; Brooklyn, 12. (12 innings). Cincinnati-Philadelphia, rain. American League. Boston, 5; Detroit, 4. Washington, 4; Cleveland, 1. Chicago, 9; New York, 3. Philadelphia, 5; St. Louis, 1.

Angry Horse Tramps Aged Man To Death

Philip Cosgrove, Aged 60 Years, Gladstone Meets Untimely Death in Stable Monday Morning.

Struck down and nearly pawed to death by a frightened horse was the fate of Philip Cosgrove, aged 60 of Gladstone, who passed away early yesterday morning at a local hospital.

The unfortunate man was employed by the Northwestern Cooperaage and Lumber company at Gladstone. He went to the stable to feed the horses on Sunday evening and passed into a stall at the side of a young horse. The animal had been very gentle and general pet in the barn. But as Mr. Cosgrove stepped to the horse's side, a cat leaped down into the manger from the hay loft. The horse was terrified and reared back striking wildly with his feet. Mr. Cosgrove was struck down and trampled upon and when he was discovered but a spark of life remained. Physicians were called and he was rushed to the hospital here. Everything possible was accomplished to save his life but the effort was in vain and at 4:30 o'clock yesterday morning he passed away.

The body was removed to the undertaking rooms of J. A. Allo, where it was prepared for burial and yesterday afternoon was taken to the family home at Gladstone. Mr. Cosgrove is survived by his wife and a family of sons and daughters, including two sons who are in the army. Funeral service will be conducted over the body at All Saints church at Gladstone on Wednesday morning at 9 o'clock. Interment will be at Fernwood cemetery.

\$40,000 FIRE AT INGALLS

Special to the PRESS. Ingalls, Mich., June 2.—Fire caused by sparks from a locomotive passing through here shortly after 3 o'clock Sunday afternoon, laid over one half of the village in ashes for a total loss of between \$40,000 and \$50,000.

Included in the loss is the general store and warehouse of Louis Dobeas pioneer Menominee county merchant which was swept out in the blaze, destroying \$20,000 worth of property Mr. Dobeas' loss is fully covered by insurance.

Other losses were the village church two large warehouses, three dwellings and the creamery.

Pump Well Dry. The blaze was discovered at 3:30 o'clock and within two hours, one-half of the town was wiped out, the destruction ending when the blaze had reached the outskirts.

The village volunteer fire department responded and the engine began pumping water from a well, but little was accomplished in the matter of extinguishing the blaze, for a heavy wind was blowing the fire from structure to structure. When the engine had pumped the well dry, the department resorted to the river, but the hose failed to reach and a help signal was sent to the Daggett department which responded immediately.

The Daggett department failed to have force enough to aid matters any and the fire was allowed to burn the village away, with little or no resistance.

It was announced that Mr. Dobeas and other in the village will rebuild.

Get 18 Letters At Once 'Over There'

Mrs. M. Bedard, North Sarah street, has received a letter from her son, Fred, who is with the American Expeditionary forces abroad, in which he announced that he had been promoted to the rank of a corporal. He reports many interesting experiences, and said the most joyful hour he had was the time he received 18 letters all in one bundle from the United States. He pointed out that there was nothing a soldier in France appreciated more than a letter from home.

GREAT CROWD SEES 3 MEN MEET DEATH

Sunday Pleasure Seekers at Spread Eagle, Near Iron Mountain, Witness Triple Tragedy.

2 BODIES RECOVERED

Special to the PRESS

Iron Mountain, Mich., June 3.—Hundreds of Iron Mountain pleasure seekers at Spread Eagle lake helplessly watched three men drown on Sunday afternoon.

A small row boat capsized in 30 feet of water and not one in the party could be saved.

The drowned were: Louis Milonesi, aged 32, Louis Anderson, aged 22, O. Erboll, age 132. Not any of the men were married and all lived in this city. Sunday, the first summer day of the year, sent scores of people to the lake for a days outing.

Early Sunday afternoon Milonesi and Erboll were rowing about the lake in a small row boat. Many boats were on the lake and some were close to the party of three. Suddenly their boat was seen to capsize throwing the men into the water.

One man was seen to grab for the side of the boat but his two companions and fighting for their lives pulled him under and all went to the bottom.

It seemed but an instant until other boats that were near were over the spot but nothing could be seen of the men. They sank in 30 feet of water and efforts to bring any of the bodies to the surface at first were futile.

This morning the bodies of Milonesi and Erboll were recovered by men dragging the bottom of the lake.

Get Gladstone Driver. Efforts to locate the remaining body were unavailing and this afternoon Eugene Martel a diver located at Gladstone, was communicated with and tomorrow morning he will be on the job to search the bottom of the lake about the spot where the accident occurred.

Eliminate Steam To Save Coal For Industries Of War

Prompted by a patriotic desire to save coal for diversion into other channels, the officers of the Delta Chemical company, at Wells, have closed contracts for converting its power and light systems from steam to electric power.

The contract for the work has been awarded to the Needham Electric company of this city and is to be started at once. Power for the operation of the plant, to replace steam, will be secured from the Escanaba Traction company's dams on the Escanaba river.

Save 5,000 Tons a Year. Through the elimination of steam power, approximately 5,000 tons of coal will be saved annually that formerly has been used at the plant and which may now be diverted to other channels. The work of installing electrical apparatus in the big plan will require about six months time to complete.

The officers of the company at Wells were actuated wholly by a patriotic desire to save coal and the change to electrical equipment is to be made at a great expense to the corporation.

Delta Cafeteria Ready For Service

The Delta Cafeteria which will be run as part of the Delta hotel service was opened yesterday and will continue to be opened for 24 hours a day. Quick service on the self serve plan will be a feature and the prices will be the same as are charged in any like eating place. In addition to the regular service all kinds of soft drinks will be served as well as ice cream and loaf.

Board Ready To Register Young Men

Plans For Registration Day On Wednesday Are Completed By Delta County Exemption Board

Every young man who has attained the age of 21 years since June 5 of last year, and who is not now in military service, must register with the Delta county exemption board at the court house in this city, on Wednesday.

Out of 300 eligible young men, estimated in Delta county, it is believed by members of the exemption board that fully 100 of the number are in some branch of military service, leaving approximately 200 to be registered here.

Plans Are Complete. All plans for the registration have been completed. The registration will be under direct charge of Sheriff Andrew Iverson, County Clerk John In, and Dr. A. W. Cotton, the exemption board. It is assisted by Pros. Atty. T. Supervisors George Harkey, J. P. Miller, J. Soren, and Soren. The circuit court will be converted into a place for the day. Plans that have been issued for the registration cards are issued but on the day following registration the exemption board, under the provisions laid down by the war department will meet and give numbers to all of the cards, the action being reported later to the registrants.

Eleven Delta Men Will Enter Course At Houghton Class

Members of the Delta County exemption board yesterday received a call for 11 volunteers from the registered men of the county to take special courses in mining and drill running at the Michigan College of Mines at Houghton.

The course will open on June 15 and registered men who accept the opportunity must volunteer by June 7. If a sufficient number of men to fill this county's quota has not volunteered by that date, the board has been instructed to proceed with the induction of other men. All men selected for this service must be grammar school graduates and must have some mechanical experience or aptitude.

Each man entering that service will carry with him 2 suits of underclothes one suit of outer clothing; sweater, pair of stout shoes; 3 extra pair of socks and 2 bath towels. The number of men called from the peninsula counties for this service outside of Delta follow: Alger, 3; Baraga, 3; Chippewa, 14; Dickinson, 11; Gogebic 7; Houghton, 31; Iron, 14; Keweenaw 2; Luce, 1; Mackinac, 3; Marquette, 17; Menominee, 10; Ontonagon, 2 and Schoolcraft, 4.

Military Camp To Attract Lads Here

Announcement was made at the Escanaba High school yesterday of the opening, under government supervision, of a series of military training camps for boys between the ages of 16 and 19 years at Lake Geneva. It is expected that several Escanaba young men will be enrolled at the camp.

Each camp will extend over two weeks, the first camp opening on July 1. The requirement are an enrollment fee of \$10 which provides the entrant with equipment and camp privileges; \$1 a day for board and the necessary car fare in addition.

H. J. Postmann, of Oshkosh, arrived in the city yesterday to succeed Edward Lichtenfelds as agent in this territory for the Remington Typewriter company. Lichtenfelds suddenly disappeared ten days ago and it is believed by the company that he joined the military forces, although no trace of his movements have been found.

ELMER ST. MARTIN OVERSEAS

Word was received yesterday by Rev. Dr. Barth that Elmer St. Martin who for a number of years made his home with Dr. Barth here, has arrived safely in France.

GERMAN DRIVE ENTERS INTO A DEADLOCK

Crown Prince Arrives After One Week of Offensive, Stopped In Their Onrush to Paris—French Gain.

FEEL WORST IS OVER

The crown prince's drive for Paris just a week old Monday, has entered into the deadlock phase of all previous offensives in the west.

At some vital points of the new attacking lines between Noyon and Chauveau Thierry, a front of forty miles, the eighth day of the great battle saw the French again victorious and on the aggressive.

French Recapture Mt. Cholsy. On their left, northwest of Soissons they recaptured Mt. Cholsy for the fifth time and beat down all German attempts to push forward between the Oise and the Aisne.

They held the forest of Valers against furious attempts to penetrate it from the east. Hoody's were inflicted on the is announced official.

Hold Their Own. In the southeast of this front Poulis recaptured Saverrolles, wrested it from the French held between the Ourcq and the Marne rivers the French held.

which is still firmly held by the Allies, the Germans made no progress whatever. The Franco-British held their gains at Champan, southeast of the cathedral city.

Worst is Over. Paris, June 3.—Paris is now certain that the worst is over and that the fourth of the crown prince's drives has spent itself.

Premier Clemenceau late today was in conference with the army conference committee of the Chamber of Deputies. His main subject of discussion it is understood, was the utilization of allied effectives on the field of battle.

Advance Slowed Up. The premier also told the committee details regarding American and English co-operation. There is every indication that an equilibrium has been re-established on the battle front.

The enemy is now entrenched along the Ourcq and Marne rivers. Instead of sweeping forward miles he is advancing by a few hundred yards and this only in certain sectors on local fronts.

Counter attacks along the whole front have resulted in big French local gains. In the triangle between the Ourcq and the Marne the enemy is finding himself firmly held.

Paris is Confident. His 600,000 shock troops are trying savagely but ineffectively to cross the Ourcq and enlarge the field of action westward. From Soissons southward the allied resistance is continuing to press the enemy in the wedge he has created in the Marne-Ourcq triangle.

The feeling in Paris and throughout France has never been more confident than now. It is universally agreed that General Foch has again outguessed the German commander and instead of throwing reserves where Ludenford desired to have them pinned they were placed at the vital front between Soissons and Chauveau Thierry.

Men of limited service technically qualified for different branches of service, in the bulletin received yesterday are urged to present themselves to the board immediately.

Up to June 6 the names of all registrants, qualified for limited service only, who volunteers will be enrolled by the board and will be reported to the adjutant general to be called for service as they are needed.

WEATHER

Forecast: Tuesday, probably showers; moderate west to south winds. Maximum yesterday, 60. Minimum yesterday, 53. Precipitation, .01.

The Red Cross An Appreciation

By Lieut. George B. Norton (Former City Editor Morning Press) Somewhere in France May 15:

"There's an organization quietly at work over here that is going to have a big place in the story of this war when it is written. I refer to the Red Cross.

"The fields entered are many and varied, but in each instance where I have watched the operations the work has been splendidly carried out. They are looking after the little as well as the big things.

"A splendid, representative lot of people are engaged in the work and everyone is working all the time. They see to it that the boys in the trenches have hot coffee and dry warm socks when there's a damp, rainy or disagreeable night and they furnish them with most useful little luxuries when they are at rest.

"The big things that they are doing is taking care of the comforts of the man who has been hit.

"Here's just an example. A nineteen year old boy from Michigan has been out in front for a spell of time. He's 'stood to' when it came his turn; he's slept in a dugout; he's had his 'grab' in the chow line along with other boys from other states. Everything it may be, hurts. He's dead tired and sleepy and dirty.

"Then he gets hit. He's rushed back to the regimental aid station where he gets a hurried examination and some Red Cross bandages. More than likely it's in a Red Cross ambulance with a Red Cross man driving he's sent farther back to a field hospital where he gets an operation if its needed, some more Red Cross dressings and bandages and he feels pretty fit for the trip still farther back to a base hospital.

The ride proves to be a long one. His shoulder or side or whatever it may be, hurts. He's dead tired and don't care much what happens. He groans just a bit as he is unloaded and taken inside a big building.

He hears a woman's voice. He opens his eyes and looks up. 'Visions of loveliness!' Here is the woman he had heard about—the Red Cross nurse in her immaculate gown of white. He hasn't seen a woman in a month before. He compares her with pictures of angels he has seen as she tucks him in between Red Cross sheets. And he goes to sleep wearing a clean pair of pajamas. He rests well because he knows he is in good hands. He has found that girl whose picture he has seen so much and about whom he has read so many lines.

And so it goes. He gets cared for as he would at home and then he comes out of the hospital he's aware that the Red Cross is the greatest organization in the world and realizing to get back with the fellows "out there."

Life Boats Sighted. Life boats believed to be from the teamship Carolina were sighted by a naval hydroplane observer off Beechaven, N. J. this evening and a cutter was sent out from the life saving station to help them ashore.

The City of Columbus was due at Boston early today. A report that a wireless call had been heard from this vessel could not be confirmed but it is believed she was directly in the track along which the U-boats intercepted the other vessels.

Were Held Prisoners. Proof that U-boats have been operating along the coast for several days was received tonight when 38 members of the crew of the Winneconne and the Hattie Dunn brought in by a coastwise trader.

Six men from the Edna were held prisoners on the U-boat since May 15. At 7 o'clock this morning they were released and returned to the coastwise trader.

STEAMER'S CREW SHOW ALLEGIANCE TO RED CROSS. The steamer Conopus, Capt. A. R. Seal, master, is discharging a cargo of coal at the Reiss Coal company's dock. A canvass of the crew was made yesterday for the Red Cross, and a total of \$300 was pledged in less than an hour. The pledge will be sent to Cleveland, from which port the Conopus sails.

MARKET

U-BOATS TAKE FIRST TOLL IN U. S. WATERS

Two Coastwise Passenger Steamers, One Oil Steamer and Six Schooners Told of Sub Warfare.

REPORT NO CASUALTIES

BULLETIN

Boston, June 3. Reports received from Salem, Mass., state that heavy firing was heard off the coast at 9:30 o'clock tonight.

BULLETIN

Mineola, L. I. June 3. A large number of dirigible left Hazelhurst aviation field tonight to Cruise Along the Coast for U-boats or lieboats from sunken vessels. The most of the aircraft were manned by naval aviators. It is understood this air patrol is to be a regular thing hereafter.

New York, June 2.—U-boats have taken their first toll of merchant shipping on this side of the Atlantic.

Reports received late tonight indicate that two coastwise passenger steamers, one oil steamer and six schooners have been sent to the bottom by the German sea raiders.

No loss of life has been reported, however, as the raiders apparently are not operating on the 'Spurias Versenkt' basis.

List of Boats. The boats officially known or believed to have been sunk are: Carolina, plying out of New York, carried 220 passengers and 120 crew. Wireless heard early today.

City of Columbus, plying between Savannah and New York; due at Boston early this morning, but not reported.

Herbert I. Pratt, oil tanker, sunk off Cape Henlopen. The following schooners are known to have been sunk: Edward H. Cole, in ballast, crew of seven.

Hattie Dunn, bound from Rockland to Charleston, in ballast. Isabella B. Wiley, in ballast, crew of eight.

John H. Haskell, bound from Boston to Norfolk, crew of 11. The schooner Edna Winneconne, a teamship of 1869 tons. The schooner Hauppauge. Another tanker and an unknown schooner are believed to have fallen victims to the raiders.

The City of Columbus was due at Boston early today. A report that a wireless call had been heard from this vessel could not be confirmed but it is believed she was directly in the track along which the U-boats intercepted the other vessels.

Were Held Prisoners. Proof that U-boats have been operating along the coast for several days was received tonight when 38 members of the crew of the Winneconne and the Hattie Dunn brought in by a coastwise trader.

Save On Wheat!

At the present rate of enlistment there won't be any young men, arriving at the age of 21 years in the past twelve months to register on Wednesday in Delta county.

A lot of cities and counties are strong on flying the flag but backward about producing men and money.

ORDER YOUR COAL NOW.

Orders for hard coal should be placed promptly, according to County Fuel Administrator W. J. Clark. It is upon the orders filed with the dealers that this district's anthracite allotment will be based.

It is essential that orders be filed at once, whether the coal is in stock or not. Each family will be limited to six tons and those using heating stoves will be given preference in deliveries.

The supply of soft coal will be ample, but anthracite will be cut fully forty per cent short. There is coal enough in the ground to supply a hundred times all possible demands.

That is not the fault of the miners. Coal cannot be practically dug unless there are empty coal cars ready to receive it as it comes from the breaker.

When coal cars are missing the mines are shut down, the miners are laid off. To miss one or two days' pay per week is a serious matter to almost all the 700,000 coal miners.

When coal cars are missing the mines are shut down, the miners are laid off. To miss one or two days' pay per week is a serious matter to almost all the 700,000 coal miners.

When coal cars are missing the mines are shut down, the miners are laid off. To miss one or two days' pay per week is a serious matter to almost all the 700,000 coal miners.

SUBMARINE SINKS U-BOAT OF THE LARGE GERMAN TYPE

London.—The sinking of a German submarine by a British submarine off Cape St. Vincent, shows that the British have cruising submarines and this is only one incident where a submarine has sunk a submarine.

"In neutral countries," the naval critic continues, "it has been assumed that only the Germans could build submarines capable of operating far out in the Atlantic. It is indeed no secret to the Germans that soon after the outbreak of the war a great number of large submarines were laid down in this country.

"Four or five years ago it was claimed in some quarters that a submarine could not fight a submarine and later on the Germans adopted that theory, only too readily as events have shown that they are wrong."

DELTA COUNTY WAR RELIEF ASSN., Inc.

A Million Sodas For The Sammies

One million ice cream sodas. A-ah! Sufficient to cool the throats of a flock of giraffes—ice-cold, fizzy, flavored with "strawberry," "cherry," "peach" or "pineapple."

They may not seem so imposing here, with soda fountains on every important business corner, but—oh, boy! won't they be sample packages of heaven to the American boys over in the war zone?

France's pet drinks, champagne and red wine, are going to be turned into the green with jealousy this summer when the Great American Drink begins fizzing along the battle front and going over the top of the glasses.

Send quickly concentrated fruit syrups for one million summer drinks. And the Y. M. C. A. War Work Council has a way of sending quickly anything ordered sent quickly. So it is a sure thing that when the heat of June begins to give the American soldier boys an awful thirst, they will turn gratefully from the trenches to the "Y" huts where they received hot chocolate last winter, and there they will clamor for "strawberry" or a "rasberry" soda.

Possibly to assure plenty of foam the same cablegram ordered the War Work Council to send one ton of shaving soap, while the other creature comforts for soldiers, among the items required, were four American pool tables, ten tons chocolate bars, ten tons granulated sugar, ten tons flour, ten tons assorted cigarettes and five tons smoking tobacco.

It will be noted that no chewing tobacco is ordered as in earlier months. This is not the result of any prejudice on the part of the soldiers against the American habit which, indeed, is the cause of the war.

Perhaps you have never thought of it, but this disorder is due to a lack of moisture in the residual matter of the food. If you will drink an abundance of water, eat raw fruits and take a lot of outdoor exercise, you may be able eventually to overcome it entirely.

-THEATRES-

AT THE STRAND.

A new William Fox photoplay of the most interesting kind is to be shown Wednesday at the Strand theatre. It is called "Six Shooter Andy" and Tom Mix is the star. In this drama he has a role that is distinctly of the Western type.

"Six Shooter Andy" is built around a personality that is little known and which, strange to say, has up to this time never found its way into drama or story. Mix is not only a trapper and a pioneer, but a punisher of corruption.

The story is essentially a romance, the heart is touched at every step, and the delight of those who view it as a work of the heart brings peace and happiness where there had been none before.

A notable cast surrounds Tom Mix in this production. The young woman in the case is presented by Enid Mark-ey and other who will support him are Sam DeGrasse, Charles Stevens, Bob Fleming, George Stone, Virginia Lee Corbin and Violet Radcliffe.

AT THE DELFT.

Quick action and real emotional appeal form the basis of Mabel Normand's newest Goldwyn production, "The Floor Below" to be shown at the Delft today and tomorrow.

Miss Normand plays a copy girl in a busy newspaper office, getting into a scrape which causes her discharge—or is about to bring it about when she is saved. Patricia O'Rourke is given her first assignment with the promise that the job will wait for her if she is successful. A number of daring robberies have been committed by crooks who seem possessed of inside information concerning the rich homes they plunder. The police have a clue which causes them to watch the settlement house conducted by Hunter Mason a young millionaire, as the source from which the plans come. Patricia is ordered to go to the mission as a detelent and, if possible, steal a march on the police and score a "beat" for her paper.

Mistaken for a thief in sore need of reform the girl is received by Hunter Mason and Latham, his secretary and so appeals to the millionaire that he enlists his mother's aid in caring for her. She also meets a girl who, in spite of her love for Latham, is making a bid for Mason's affections. What follows forms the big surprise of the story.

NOTICE OF SPECIAL ELECTION

WHEREAS, At a regular session held on the 28th day of May, A. D. 1918, the Council of the City of Escanaba adopted by more than three-fifths of all aldermen elect the following resolution:

"Resolved, That the Council of the City of Escanaba hereby declare for a general revision of the charter of said City, and that the matter of said general revision shall be submitted to the electors of the City of Escanaba for adoption or rejection.

"IT IS HEREBY RESOLVED, By the Council of Escanaba held at the Council Chambers in said City, on Tuesday, the twenty-eighth day of May, A. D. 1918, that the question for a general revision of the charter of said city be submitted to the vote of the electors of said city, and for that purpose a special election be and the same is hereby called and appointed to be held on Monday the 8th day of July, A. D. 1918, in all the wards and voting precincts of said City, said special election to be held and conducted the same as a general election, under the general laws of this state."

THEREFORE, Notice is hereby given that on MONDAY, JULY 8TH, A. D. 1918 by virtue of said resolutions and proceedings, a special election will be held in said City of Escanaba, at the different wards and precincts, hereinafter stated for the purpose of voting upon the said proposed general revision of the charter of the City of Escanaba. The said polls will be open from 7 o'clock in the forenoon until 5 o'clock in the afternoon of said day. The voting place of the different wards and precincts will be held in the following places, to-wit:

First Ward—City's building on First Avenue North and Fourth Street.

Second Ward—Carnegie Public Library Building, corner of First Street Third and Seventh Street;

Third Ward—City Hall Building, corner Eleventh Street and First Avenue South.

Fourth Ward—City's building, corner Tenth street and Fourth Avenue South.

Fifth Ward—City's building on grounds of Washington School Annex on First Avenue North.

Sixth Ward—City's building in the 600 block on Fourteenth Street.

Seventh Ward—First Station No. 2, on Hartnett Avenue.

VALESKA C. ECKE, Deputy City Clerk.

Local News

Mrs. Charles Chapple of Chicago and Mrs. James Crowley of Detroit, who have been guests at the home of Mr. and Mrs. William Cavine, left yesterday for their homes.

Charles O'Hara spent Sunday at Iron Mountain attending initiation ceremonies at the Knights of Columbus council in that city.

Mrs. William Sherman and daughters have returned to Falthorn after visiting in the city.

The Misses Loretta Brown, Heta VandeWiele and Rosezita Corcoran have returned from Milwaukee and Great Lakes, where they spent the week end.

Charles Ellsworth, son of Albert Ellsworth of this city stationed at an officers training camp at Camp Lee is confined to the base hospital there suffering from ivy poisoning.

Miss Catherine Burns spent the week end visiting with friends in Green Bay and returned to her duties Monday morning.

W. C. LaBelle who has been seriously ill at St. Francis hospital has sufficiently recovered to be moved to his home, South Charlotte street.

Miss Lillian Stein has returned from Milwaukee where she spent the week end with Mr. and Mrs. G. W. Knack. Mrs. Knack was formerly Miss Anna Schmidt of this city.

Howard Carroll, George Miller and George O'Connell attended a big installation meeting of the Knights of Columbus at Iron Mountain on Sunday.

Miss Clara Boddy has accepted a position in the office of the Delta Chemical company.

Dr. C. J. Corcoran has returned from a short business mission to nearby points.

Gordon Corcoran returned to Great Lakes where he is in training with the naval forces after spending a brief furlough with relatives here.

Mrs. Schmidt of Ayer street has gone to Milwaukee for a visit with her daughter.

Mr. and Mrs. Joseph Martin are the guests of relatives in Green Bay.

Jerry Madden, son Joseph and daughter Miss Louise have returned to their home in Menominee after a visit with friends in this city.

Mrs. Ernest Yost, of Lincoln, Neb., is visiting at the home of her mother Mrs. J. Moersch, on Hale street.

Robert Broad who is attending a military school in St. Louis is home to spend his vacation with relatives here.

Mrs. McCauley and son, of Wells are spending a few days with Miss Eva McCauley who graduates from Northwestern University at Chicago this year.

Mr. and Mrs. Wilfred Savard of Marquette motored to the city Sunday to spend the week end with friends.

Weather permitting there will be a meeting of Company F. M. S. T. in front of the city hall tonight at 7:30 o'clock. In the event of rain, the meeting will be held at the high school.

AT THE STRAND.
There is all sorts of fun in the very idea that permeates Margarita Fischer new play, "Jilted Janey" It is the kind of story that tickles the risibles of most people who happen to be in moderate circumstances and who occasionally wish they had all the advantages of the rich.

Janey who is played by Miss Fischer is one of the most interesting characters in which that clever young star has appeared under American Mutual auspices. Janey was jilted by a young man who kept his eye on the main chance and went in search of a wealthier girl when he found that Janey's fortune had been lost.

This picture will be shown at the Strand today.

The Doctor Away From Home When Most Needed.
People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like pain in the stomach and bowels, colic and diarrhoea require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned.

The right way is to keep at hand a bottle of Chamberlain's Colic and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life.

GOES TO EASTERN CAMP.
Albert Christensen of this city, a student at Michigan Agricultural college accepted for enlistment in the coast artillery, received his induction papers yesterday and left last night for Fort Constitution, Portsmouth, N. H.

IMPORTANT CHANGE IN TIME CHICAGO & NORTHWESTERN BY. EFFECTIVE SUNDAY, JUNE 3, 1918. FOR PARTICULARS APPLY TO TICKET AGENTS.

Band Criticism Is Not Justified

In spite of the efforts of H. O. Brotherton, director and other public spirited citizens, to re-establish the Escanaba Military band as a credit to this city, criticism of the policy of the organization has been made. The Escanaba Military band has now been developed to a point where he will compare favorably with any similar organization in the peninsula. In the past businessmen of Escanaba have contributed large sums of money to bring to the city directors and musicians from the outside with indifferent results. In the organization of the present band no aid has been given or asked.

The following announcement was issued yesterday.

TO THE KNOCKERS:
If you can't boast and speak a good word for the band, don't knock.

MANAGER OF BAND.

NOTICE OF REGISTRATION
City Clerk's Office June 28, 1918.

Notice is hereby given that the City Clerk will be in his office in the City Hall on Saturday the 15th day of June, A. D. 1918, and on Saturday the 22nd day of June, A. D. 1918, from 5 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of reviewing the registration and registering such of the qualified electors of said City as shall appear and apply therefor.

VALESKA C. ECKE, Deputy City Clerk.

NAHMA LAD IS MADE AN OFFICER IN THE NAVY
Russel McClinchy of Nahma, is spending a few days at his home after completing a course at the Naval Officers' training school at Chicago.

At the expiration of his furlough he will go to Great Lakes where he will be stationed for two weeks and then will report to the Municipal pier naval station in Chicago to await his call to active duty.

Dr. A. F. Snyder has returned from Gwinn where he spent a month and has resumed his practice here.

DALEY GETS WATCH FROM EMPLOYER AS HE LEAVES

Goefrey Daley for the past two years employed at the Schrader Music store, left last night for the Great Lakes naval training station. Mr. Daley was yesterday presented with a handsome wrist watch by his employer as a token of the esteem in which his services had been held. He was accepted for enlistment at Esopus last week and left the city last night with a group of Escanaba young men.

Lame Back Relieved.
For a lame back apply Chamberlain's Liniment twice a day and massage the muscles of the back over the seat of pain thoroughly at each application.

Mr. and Mrs. P. F. Connell has returned from Cleveland, where Mr. Connell attended the convention of the Brotherhood of Locomotive Engineers.

Charley's Aunt To Draw Great Crowd

"Charley's Aunt" will be presented by Senior class at the High school on Friday evening, June 7, and all Escanaba people should avail themselves of this opportunity to see a splendid comedy, which is so pleasingly adaptable to amateurs.

The curtain will rise promptly at 8 o'clock. Please assist the cast by being in the High school auditorium at this time.

Mr. and Mrs. P. F. Connell has returned from Cleveland, where Mr. Connell attended the convention of the Brotherhood of Locomotive Engineers.

NEWBERRY for United States Senator

Truman H. Newberry is a candidate for United States Senator. He is an American in real earnest. His service in the Spanish-American War, his record as Secretary of the Navy under President Roosevelt, and his present work as a commander in the Third Naval District, which includes the port of New York and the Brooklyn navy yard, mark him as a FIGHTER and DOER, capable and courageous.

Truman H. Newberry

Michigan born, November 5, 1864, Michigan reared and devoted to all of Michigan's interests, with his record of service, and his active, positive loyalty to state and country, it is especially fitting that Truman Newberry be chosen to represent Michigan in the Senate of the United States.

When twelve years old, he was color-bearer in a Michigan Cadet organization which won fame at Philadelphia. He helped organize the Michigan Naval Brigade in 1895, enlisting as a private and serving as an able seaman on the training ship "Yantic." He was an ensign in the Spanish-American War on the "Yosemite." As a commander in the Third Naval District he will

continue to serve his country, standing for and by the government for the full prosecution of the war and leaving his campaign for Senator entirely in the hands of his friends. His two sons are enlisted in their country's service, too, one as a major in the army, the other as an ensign in the navy.

Truman Newberry is a worker. After he left college, he took hard knocks working with a construction gang on the old Detroit, Bay City & Alpena Railroad. He also sailed the Lakes and earned for himself a license as first-class pilot. HE IS A MAN'S MAN.

As Secretary of the Navy under President Roosevelt, he is credited with putting the navy in a state of preparedness, which has had much to do with its present efficiency.

"Fighting Bob" Evans said of him—"Truman H. Newberry is the greatest Secretary of the Navy the nation has ever had."

His ability and experience make him an ideal candidate for United States Senator.

In Society

Bride to Be Is Guest.
The Misses Carrie Bacon and Margaret Fitzsimmons entertained at the Bacon home on Friday night, complimentary to Miss Julia Hirn, who on June 26 is to become the bride of Dr. George C. Bartley. The function was attended by a number of the young women friends of the bride to be and the evening was most delightfully spent at the home.

Karnival a Success.
"Karnival Nite" at the Wasa hall at Gladstone on Wednesday night, proved the biggest affair of its kind ever held at Gladstone. So great was the crowd attracted that it was necessary to turn many away. The management is making plans for a similar event to be staged at the Coliseum in this city on the night of July 3.

Sammie Girls to Meet.
The Sammie Girls will meet this afternoon at 3 o'clock at the home of Miss Catherine Ryan on Elmore street.

Entertains at Picnic.
The Misses Irene Moras and Marion Worth entertained friends at a picnic at Gross Sunday afternoon. A most enjoyable time was reported.

Thomas J. Boulton, who left on Sunday night to enlist in the radio service, was the guest of honor at a dinner given at the home of his parents, Stephenson avenue, on Sunday evening. The young man was presented with a number of beautiful gifts by those in attendance at the function.

ESCANABA SHOWS INCREASE IN MAN POWER DURING MAY

The Kaiser will have to sit up nights and figure out a way to beat America's man-power if the rest of the nation keeps pace with Escanaba for records at the city clerk's office tabulated yesterday showed that during the month of May 39 children were born, 20 males and 19 females.

The births for the month nearly doubled the deaths, of which only 22 were recorded. Three of these cases were due to pneumonia, the remainder being caused by various diseases.

CITY CLERK ANDERSON REMOVED TO HIS HOME

City Clerk Carl Anderson, who has for the past three weeks, following an been confined to St. Francis hospital operation for appendicitis, was removed to his home yesterday, having recovered very much. It is expected that it will be some time, however, before he is able to resume his duties at the city hall.

The Misses Myrtle Sather and Helen Milberg have returned to their homes after spending a few days as the guests of Miss Hattie Anderson at Menominee.

U-boat Toll

(Continued from Page One.)

men from one of the other vessels sunk.

Sub Said to Be U-51.
With the men from the Edna were six of the Hattie Dunn who also had been held prisoners on board the U-boat eight days.

They reported that this vessel was the U-51.

They, together with the captain and crew of the Winneconne, were picked up early this morning, 125 miles off Abasco light by Captain Bastes of a line steamship and brought to this port.

All hands were in three open boats two of which were leaking badly when picked up.

Men Suffer from Exposure.
The men were almost worn out and were suffering from lack of food and water.

The men who had been held on the U-boat said they had been treated well by the Germans.

They said the raider was 225 feet long with a surface speed of 23 knots and could submerge in 45 seconds.

Captain C. N. Gilmore of the Edna said several of the U-boat crew he had spoke to seemed to believe confidently that Germany would win the war.

Tell of Attack.
Washington, June 3.—The navy department received tonight by telephone the full summary of the account of the sinking of the Herbert L. Pratt, given by the master of that vessel.

"The Pratt was torpedoed at 2:35 p. m. today; position one mile southeast of Overall's Light. After being

hit she was headed for the beach and ran aground in seven fathoms of water and stands well out of water.

"She apparently lost no oil, and did not see the submarine at the time of the sinking. Several patrol boats went to the rescue and removed the crew."

In connection with the report the navy department said that the master of the Pratt saw the wake of the submarine but said that his report that his vessel was torpedoed was a guess.

Large Family Is Left Motherless

Mrs. Gustav Schmidt of Gladstone passed away last night at a local hospital following a brief illness from appendicitis. She was brought to the hospital in the hope that an operation might be performed but examination proved that an operation would be fruitless and at 11:30 o'clock she passed away.

Mrs. Schmidt was 36 years of age and leaves a husband and eight children the oldest of whom is 20, and the youngest a babe of seven months. The eldest daughter and a son 14 years of age are now ill at the family home at Iadstone. The body was removed to the undertaking rooms of J. A. Allo where it will be prepared for burial and will be taken to the home today.

Mr. and Mrs. Frank Krutch and Michael Kane of Harris visited with friends in the city over Sunday and returned to their homes by auto.

Nana McCauley of Wilson is visiting with friends in the city.

Two Alleged Boot-Leggings Are Held To Be Held Today

Bootlegging in Delta county was dealt another blow on Saturday when Raymond O'Donnell and Henry Comness were taken into custody at Maple Ridge on a charge of bringing intoxicants into Delta county.

It is alleged that the two men arrived from Marinette on Saturday with a suit case containing ten quarts of whiskey. At 7 o'clock that night prosecuting attorney Strom received word from Maple Ridge that the two men were intoxicated and were distributing wet goods from the well stocked suitcase.

Sheriff Andrew Iverson and Under Sheriff Frank O'Dessa left at once for the village and placed both O'Donnell and Comness under arrest. Two quarts of whiskey was found undisturbed in their possession.

Both were brought to the county jail here and later were released on \$400 cash bail, guaranteeing their appearance before Judge C. D. McEwen here on June 6.

Funeral services over the body of George Moreau, pioneer and prominent citizen of Escanaba, will be conducted at St. Anne's church at 9:30 o'clock this morning. Interment will be at St. Anne's cemetery. The death of Mr. Moreau, coming when it was thought he was on the road to recovery, proved a shock to a great host of people and it is expected the funeral of this morning will be largely attended.

ESCANABA MAN HAS THANKSGIVING EVERY DAY

"Two years ago, after suffering many years with stomach trouble, I took a course of Mayr's Wonderful Remedy and haven't been sick a day since. I can eat anything I want and have no pain at all. Three doctors had advised operation but your remedy has cured me. Every day is thanksgiving for me." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Uncle Sam will Hand Him Real GRAVELLY Chewing Plug in a Pouch from You

The U. S. Mails will reach any man in Uncle Sam's Service. When you send him tobacco, let it be good tobacco—tobacco worth sending all that long way—the flat, compressed plug of Real Gravelly.

Give any man a chew of Real Gravelly Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravelly, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravelly with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELLY

Dealers all around here carry it in 10c pouches. A 3c stamp will put it into his hands in any Training Camp or Support of the U. S. A. Even "over there" a 3c stamp will take it to him. Your dealer will supply envelopes and give you official directions how to address it.

P. B. GRAVELLY TOBACCO COMPANY, Danville, Va.
The Patent Pouch keeps it Fresh and Clean and Good—It is not Real Gravelly without this Protection Seal
