Wizards have been engaged to furnish the musical program. Many of the dancers are looking forward to an opportunity to trip the light fantastic to the har-

monious music furnished by this new and popular orchestra. A good time is assured all who attend. Every one is welcome.

Giocol-Dotlich.

Joe Dotlich and Miss Antoinette Giocol, both of Niagara, Wis., were married at 11 o'clock yesterday morning by Judge C. D. McEwen. The bridegroom is a papermill worker and the couple will make their home in Niagara.

Mrs. Wilfred Courtye Entertains. Mrs. Wilfred Courtye entertains a number of friends at her home, 404 Ludington street, last evening. Music and games were enjoyed and a delicious supper was served. Many were present and a good time was had by all.

Dance at Garden. Plans are being completed for a big Thanksgiving ball to be given at Garden, Mich., Thursday evening, November 29. It is expected that a large crowd will attend, not only from Garden, but from the surrounding vicinity.

Dance at Wells Club House. The Service Committee of Wells, are giving a dance Wednesday evening, November 28, at the Wells Club House. This is the first dance of the season given by the Service Committee. Members of the committee are in hopes that all employees of the I.

Stephenson Company and the Escanaba and Lake Superior Railway and their families will attend this dance at which J. Williams and his Musical Wizards will furnish an excellent musical program. Anyone enjoying a good time and wishing to spend an evening dancing is heartily welcome.

Matinee Enjoyed. The Children's matinee at the Coliseum rink Saturday was very largely attended, a block party being staged for the little folks, as well as a grand march. Nearly 200 children were present. The prize of a two-pound box of candy, to each winner, was awarded to Evelyn Harris and Sarah Lieberman.

There will be the usual Sunday afternoon and evening skating program today and next Thursday evening a turkey and pig will be awarded as novelty prizes.

Surprise Arranged. Mr. and Mrs. Fred Lang were most delightfully surprised at their home at Pine Ridge on Monday evening by a group of Escanaba friends, who arranged the event in celebration of Mr. Lang's sixty third birthday anniversary. All arrangements for the party were made secretly and Mr. Lang was taken completely by surprise when members of the party took possession of the

home. After a most enjoyable social program an elaborate luncheon was served the central feature of which was a handsome birthday cake, bearing 63 candles.

Small Fire At The City Limits

Fire in a small vacant house owned by Mrs. J. P. Frost and located on the state road at the city limits, called the department out about 7 o'clock last evening. Apparently someone, probably boys, had built a fire on the hardwood floor of the kitchen and a hole about four feet square was burned. Chemicals only were used and there was no damage aside from the hole in the floor.

Close of the ore shipping season and virtual close of navigation, was followed yesterday by the departure of the Eleven-Foot Shoal Lightship, No. 6, for Sturgeon Bay, where she will be docked for the winter and will undergo repairs preparatory to her next summer's vigil. The ship was in charge of Capt. C. A. Stram, a veteran of 26 years in the light house service. Last winter the ship was quartered in Escanaba but on account of some repairs which Es-

canaba facilities did not provide for, the craft was ordered to Sturgeon Bay at the close of the present season.

JEWETT SIX PAIGE BUILT \$1065 f. o. b. factory. The Sturdy New Jewett Six Has the Power of \$1200-\$1500 Cars. THE new Jewett's 50 horse-power Paige-built motor has 249 cubic inches piston displacement. This is 20% more displacement—which means more power—than any car of Jewett's size, or within \$200 of Jewett's price. And it is long-lived, smooth power. High-pressure oiling system forces 2 gallons of oil per minute through all main and connecting rod bearings. Friction is reduced to nil. Wear and noise are far distant indeed. Try the new Jewett out against any car you choose. Jewett will accelerate from 5 to 25 miles an hour in 7 seconds, in high gear. It will beat the time of most any car up any hill. No other car holds so many hill-climbing records as the Jewett. Do not look for the equal of Jewett power in any "light" six. Likewise, do not look for equal of Jewett ruggedness and dependability in a "light" six. A "light" six is a car weighing from 200 to 400 pounds less than Jewett, with a light, small-bore, low-power motor. A Jewett Six is a strong, heavily built rugged automobile—it is the equal in the essentials of satisfaction to cars costing as high as \$1500. Let us show you what satisfaction you get out of driving a really powerful car—when it has the weight and strength to give you comfortable riding and lasting, fine performance. —Every Critic Has Written of "Masters of Men" With The Same Unbounded Enthusiasm That Characterizes The Review Of What a Nebraska Theatre Man Said: "If this picture doesn't cause a furore and set the tongues wagging, then I was born in Missouri and didn't know it. There isn't a thing left out of this picture that ought to have been in it. It has some of the swiftest moving action of any picture I have witnessed in many a day. Cullen Landis and Earle Williams never did better in their lives, and the fights Cullen puts up after they have been shanghaied by a bunch of roughnecks makes the fight in "The Spoilers" look like a love festival, and if I am ever booked to fight Landis, well, I'll get Jack Dempsey to take my gloves, that's all. "Masters of Men" is bound to be a winner and Vita-graph has rung the bell with this one. It's an audience picture from any angle you are a'mind to view it and the reproduction of the naval battle at Santiago is so realistic and gives one such a thrill that you will just yell like a Flathead Indian at a pow-wow, that's what you will."

Can Love Be Put Aside? See East Side West Side

Can a modern girl, reared in a sordid environment and compelled to work for a living remain faithful to her ideals in this jazz age? That is the question which is so vitally answered in the wonderfully human picture, "East Side, West Side," adapted from the play of the same name by Leighton Oatman and Henry Hull. These authors prove that a girl can maintain a high code of honor despite her environments if she has character, regardless of the fact that she may be beautiful and possess personality.

Eileen Percy in the role of Lory James, is shown in a role strikingly different from anything she has ever attempted. Kenneth Harlan, regarded by many as one of the handsomest actors on the screen, and playing opposite Miss Percy, gives an effective presentation of the young man who clings to clean ideals and fights to preserve them. The picture unfolds an interesting plot which extracts a great deal of sympathy for its central figures. Its characters are genuine and the story moves ahead with ever increasing vigor and suspense. It will win the enthusiastic praise of every patron who sees this beautiful picture this afternoon at three and this evening at eight o'clock at St. Joseph's auditorium.
 It abounds with romance, incident, pathos, human interest, jealousy, and other elements of the big moving drama. It is a picture which shows life just as you make it.
 Do not miss this sterling picture, which tells a story so accurate and true, so eloquent with romance, sentiment and atmosphere that you will remember it for many years to come.
 Two shows, afternoon and evening. Everybody welcome.

Packard Pianos

Both Stand for Quality

For years we have been selling Packard Pianos, and have sold scores of them. We have sifted the piano market to find out if it were possible to buy better value. In this we have failed. We know Packard Pianos are honestly built throughout. We know they are built of the finest material available, and by the best workmen that can be had, and that great care is exercised in the many small details of piano construction. This is proven by the result obtained—**TONE AND LASTING QUALITY.** No piano can have a finer tone than a **PACKARD.** Customers to whom we sold Packards years ago, say the tone is as fine as the day they purchased. We recommend the purchase of a **PACKARD** for we are convinced there is no better piano value.

Our Present Stock of Packard Pianos and Players is the Best We Have Ever Shown

Perfect in every detail and finished in beautiful satin walnut and English brown mahogany. **NOW IS THE TIME TO SELECT A PIANO FOR CHRISTMAS.** Come in today and see this beautiful display of instruments.

BODGE BROTHERS BUSINESS SEDAN

Recent improvements in the appearance and equipment of this Sedan adapt it, more perfectly than ever, to family as well as business use.

The body is swung lower to the road. A transmission lock, knob-grip steering wheel, a combination stop signal and tail lamp, and other details have been added. Important chassis improvements have been made.

Most important of all, perhaps, new spring equipment throughout has resulted in a degree of riding comfort which can only be characterized as revolutionary.

The price is \$1250 f. o. b. Detroit. \$1355 delivered.

ILLINOIS WINS IN LAST PERIOD

Buckeyes Play Suckers To Standstill For a Time.

(By The Associated Press.) Ohio Stadium, Columbus, O., Nov. 24.—Illinois defeated Ohio State 9 to 0 in the annual game between the two institutions and won a tie with Michigan for the western conference championship here today.

More than 45,000 spectators looking on, the trailing western conference Buckeyes played the Illinois eleven to a standstill in the first three periods, but weakened in the fourth, permitting a field goal and a touchdown.

For a time it looked like the Buckeyes were going to spoil Illinois championship aspirations. In the third period Ohio rushed and forward passed the ball to Illinois' one-foot line but Honaker, playing his last game, failed to take it over on three plunges. It was a game typical of the memorable battles which have been staged between the two schools in years past.

Encouraged by their first taste of scoring, Illinois panned up with a drive after the next kickoff, which carried them to the Ohio 32-yard line from where Grango, guarded by excellent interference, finally succeeded in breaking into the clear and dodging his way through the Ohio tacklers to the goal line.

Representatives of eight lines of business and industry were asked yesterday by high school authorities, to meet at the school Wednesday night, Dec. 5, to talk over the suggestion that a business men's indoor baseball league be formed this year.

The use of the high school gymnasium on Wednesday nights of each week has been offered, and the organizers of the project believe that a successful indoor "circuit" could be formed for a winter schedule.

Tentative plans, which of course are subject to amendment or complete change, call for teams representing the Retailers, Wholesalers, Professions, Teachers, City, County and Federal Employees, Railroad men, Manufacturers and "Non-descript's."

Two games could be played each week and each team, therefore would get into action twice a month. The city championship would be decided on a percentage basis.

IN THE WITH ILLINOIS FOR BIG TEN TITLE

VICTORY COMES BY BETTER PASSING AND KICKING.

(By The Associated Press.) Chicago, Nov. 24.—Illinois and Michigan ended their seasons undefeated and divided honors for the Big Ten championship, Michigan defeating Minnesota 10 to 0, and Illinois beating Ohio State 9 to 0.

Illinois played five conference games and Michigan four. The Illini beat Iowa, Northwestern, Chicago, Wisconsin and Ohio. The Wolverines defeated Ohio, Iowa, Wisconsin and Minnesota.

OLD FIGHTING SPIRIT. Ann Arbor, Mich., Nov. 24.—With their backs to the wall, the five regulars and six substitutes of the Michigan 1923 eleven successfully fought to retain their tie with Illinois for the Big Ten conference championship they defeated Minnesota today ten to 0.

Minnesota suffered a costly break near the outset of the game when Graham, the star quarter was hurt and removed for the balance of the game. He had returned a Michigan punt from his own 30-yard line, dodging 17 yards until thrown out of bounds. The tackle knocked him so nearly senseless that he did not fully recover until after the game.

With Martineau, Graham was credited as being a star, open field runner, possibly the fastest on the squad.

KIPKE KICKS. Captain Harry Kipke of Michigan playing his last game was a bust in himself, his kicks keeping the ball away from the Michigan goal and finally his dropkick in the third period putting the game on ice for the Wolverines. He blocked dangerous passes and required usually a yard full of Minnesotans to tackle him.

Today's game was the fourteenth between the two teams, the record now standing: Michigan won 10; Minnesota won 3, and one tie.

Opinions of Coaches. After the game, Coach Yost said: "It was one of the greatest ball games I ever witnessed and I am proud of the Michigan team. A win was doubly appreciable to us, as this game probably terminates my active coaching career. I will never be able completely to separate myself from Michigan football, however."

"Mickey" Mieth, Fullback, Elected Captain Of 1924 Escanaba High School Football Squad

Herman Mieth, fullback on the Escanaba high school football team, was elected captain of the 1924 Orange and Black eleven, at the annual banquet given for the squad last night by members of the Girls' League.

Tables, in the form of an "E," were set in the school cafeteria. Orange and black ribbons marked side and yard lines and at the ends of the tables were miniature goal posts. Place cards were hand lettered and tied with small bows of Orange and black ribbons. The tables were lighted with orange candles adorned with black bows.

The menu was exceptionally well chosen and the food, prepared by the girls, delightfully appetizing.

Captain "Ad" Goulet, of the 1923 squad, presided as toastmaster. There were short addresses by W. E. Olds, superintendent of schools, Principal R. E. Cheney, of the high school, Coach Thompson and members of the squad.

The election of Mieth to the captaincy of the 1924 squad was the occasion for prolonged applause and cheers, and a rising vote of thanks to the Girls League, the hostess organization, was given with enthusiasm.

Butch Londo, Cecil Londo, Savari, Strahn, Parisian, O'Brien, Dugnon and Wurlay are among the former Escanaba high and St. Joseph's high athletes who will perform for the Bulldogs, while the South Siders' lineup includes Brunelle, Aronson, Rubens, Anderson, Ashland, Olson, Christensen, Pinkerton, Hogan, Rafferty and a number of others.

Going In Hokey. Boggled down by the heavy going and in the face of defensive bulwarks that were well nigh impregnable when threatened, neither attack was able to penetrate inside its opponents' 25-yard line. Thus balked, each team tried to break the deadlock with drop kicks but these attempts, too, failed.

Notable See Battle. A throng of 66,000 that included Secretaries Weeks and Denby among its host of notables, witnessed the first scoreless tie since the Army-Navy classic was inaugurated in 1890. It was the second no-victory struggle in the 26 games so far and left unbroken the deadlock in the series, which stands at 12 triumphs apiece. The other tie game, a 6-6 affair, was played in 1905.

Today's battle was lacking in the thrills that so often attend the clash of service eleven's. There were but occasional flashes of spectacular play in a game that for the most part was fought out on old-fashioned, orthodox lines.

ARMY AND NAVY IN 0 TO 0 TIE

Mud - Spattered Heroes Battle Before 66,000 Fans.

(By The Associated Press.) New York, Nov. 24.—Army and Navy fought each other to a standstill today in the mire of the Polo Grounds before the greatest crowd that ever witnessed the annual service struggle for gridiron laurels.

SYRACUSE IS VICTOR OVER CORN HUSKERS

(By The Associated Press.) Lincoln, Neb., Nov. 24.—The Orange of Syracuse came out of the east today, met the Nebraska Corn Huskers, vanquishers of Notre Dame, and emerged triumphant. A single touchdown, made by Captain Macrea late in the fourth period, to culminate three brilliant forward passes from Fullback McBride, followed by successful try for point, gave the easterners a 7 to 0 victory.

Battling through three scoreless periods before a crowd estimated in excess of 20,000, the teams traded tactics for tactic to no avail. The heavy Orange line was not a factor in the controversy, Nebraska stopped the Syracuse bucks consistently. During the first three periods Syracuse was unable to make aerial gains with any degree of success, completing only one pass.

POSTMEN TIE WITH ILLINOIS

Wolverines and Illinois Finish Conference Season with Clean Slates.

(By The Associated Press.) Chicago, Nov. 24.—The curtain was run down on the 1923 football season tonight with Michigan and Illinois sharing the championship laurels of the western conference.

Michigan with a crippled team, maintained its unsullied record and its claim to first honors by winning its fourth victory, defeating Minnesota 10 to 0, while Illinois won its fifth victory, Britton's toe and Grange's fleet legs beating Ohio State, 9 to 0.

BULLDOGS SHARPEN TEETH TO TEAR UP Southside Eleven

The Escanaba Bulldogs and the South Park gridiron this afternoon in the last football game of the season here. The game between these two "prairie" eleven has become a sort of sand lot classic and it is likely that a good-sized crowd will watch the engagement.

YALE ALERTNESS BEATS HARVARD

(By The Associated Press.) Cambridge, Mass., Nov. 24.—An alert Yale eleven, taking advantage of Harvard's mistakes on a muddy field, defeated the Crimson 6 to 0, capturing for the Blue its first Big Three championship since 1916 and incidentally scoring Yale's first touchdown on Harvard's home gridiron in 16 years.

ALBION GETS AWAY WITH KALAMAZOO

(By The Associated Press.) Kalamazoo, Mich., Nov. 24.—Albion College this afternoon defeated Kalamazoo College 21 to 7 in a hard fought game. The Albion team was accused by one of the players of using profane language, which carried the ball to the one yard line where it was quickly sent over. There was a fumble in the second quarter but Kalamazoo weakened and Albion put over two touchdowns in the third period. By using an aerial attack Kalamazoo made its touchdown in the final quarter.

WOLVERINES AND ILLINOIS FINISH CONFERENCE SEASON WITH CLEAN SLATES

Illinois won its fifth victory, Britton's toe and Grange's fleet legs beating Ohio State, 9 to 0.

Michigan with a crippled team, maintained its unsullied record and its claim to first honors by winning its fourth victory, defeating Minnesota 10 to 0, while Illinois won its fifth victory, Britton's toe and Grange's fleet legs beating Ohio State, 9 to 0.

THREE TIES IN STANDINGS

The final standing showed three ties, Illinois and Michigan being even for first honors. Iowa and Indiana tying for fifth place although Iowa had three victories and many defeats while Indiana had but two of each.

CHICAGO SCORED MOST POINTS

Chicago's total points scored was the largest in the conference with 80 to its opponents' 22. Illinois made 64 points to its opponents' 6, Iowa being the only team to score against the Illini. Michigan with 48 points ended without its goal being crossed, but Iowa and Wisconsin each scored a field goal for a total of six points.

GRANGE BEST SCORER

"Red" Grange, of the Illini ace, and the western conference wonder of the season, was leading individual scorer with 12 touchdowns made in conference and non-conference games follows:

Chicago, 24. Potatoes steady, receipts 23 cars; total U. S. shipments 578. Wisconsin sacked round whites, U. S. No. 1, 85 at 1.05; fancy 1.10; bulk 90 at 1.10; Minnesota and North Dakota sacked round whites, U. S. No. 1 and grade, 80 at 81; sacked Red river Ohio 30 at 95; Idaho sacked rural, U. S. NOTRE DAME IS EASY WINNER

Defeats Carnegie Tech By Score of 26 to 0.

(By The Associated Press.) Pittsburgh, Pa., Nov. 24.—Notre Dame's famous fighting Irish football team made Carnegie Tech its victim at Forbes Field today, the final score being 26 to 0.

The visitors scored once in each period and scored on extra points after the first two touchdowns. Cornell accounted for two touchdowns and Layden an 11-yard registered one. Carnegie started strong and carried the ball into the invaders' territory before they lost on a fumble. Taking the ball on the 14-yard line, the visitors started a march and in the first downs were within the shadow of the goal posts. Layden dashed off tackle for a touchdown.

The second score was the most sensational, Notre Dame took the ball from Carnegie on the home team's 43-yard line. Cornell was called upon to try the Carnegie right end and he succeeded in getting around and sprinting over the line.

OBITUARY

MRS. ADAM SCHWARTZ.
 Mrs. Adam Schwartz, 31 years of age, of 309 South Thirteenth street, passed away Saturday morning following a brief illness which started as typhoid fever and was followed by scarlet fever. Mrs. Schwartz was seemingly in the best of health until she was seized by a chill while down town a week ago. Symptoms of typhoid developed and later the contagious disease followed. The body was taken to the Alio Funeral Home to be prepared for burial and is being held under quarantine there until the hour for the funeral Monday morning.

A requiem high mass will be held in St. Patrick's church at 8 o'clock Monday morning. Rev. Father Mockler being the celebrant, but on account of the communicable nature of the disease the body will not be taken to the church. The family and friends will attend the mass the same as at the usual funeral service. At 9 o'clock the family and friends will go to the Alio Funeral Home from where the body will be taken to St. Joseph's cemetery where burial will be made in the family lot.

News of Mrs. Schwartz' death will come as a distinct shock to her very wide circle of friends. While it was known that she was ill her condition developed so rapidly that but few realized she was critically ill, and her death will be the occasion for the deepest and most profound sorrow on the part of all who knew her.

She was a splendid Christian woman, devout worshiper in the Catholic faith and intensely devoted to her home and her family. She is survived by her husband and two little girls, Frances aged 10 and Rosella, aged 8. Her father and mother, Mr. and Mrs. Adolphe Constantineau also survive, residing but a few doors from the Schwartz home on Thirteenth street.

Mrs. Schwartz' sister, Mrs. J. C. Stoutenberg, died in Chicago just five weeks ago, and this is the fifth death in the family within two years. The sympathy and understanding of the community will go out to Mr. Schwartz and the other survivors because of the distressing and unfortunate nature of the death, and the neighbors who were so recently greeted with the cheerful word and the happy smile of Mrs. Schwartz experience a feeling of the deepest personal loss and will deeply miss her friendly spirit and optimistic and happy life.

KINNEY FREED OF ALL BLAME

Injury to Boyle's Child Was Unavoidable, Court Finds.

Charges of assault against H. F. Kinney, of McKeaney, Tex., driver of the automobile which more than a week ago struck six-year-old John Boyle, inflicting severe injuries, were dismissed by Judge C. D. McEwen yesterday after several witnesses testified that Mr. Kinney was in no way to blame for the accident.

No Neglect Shown.
 His car, it was testified, was moving up Sheridan Road at a moderate rate of speed when the child ran out from behind another auto which was moving in the opposite direction. Mr. Kinney, it was testified, stopped within three lengths of his machine after the collision, picked the child up and rushed him to the nearest hospital and then notified the police. Since that time he has done everything in his power to give the injured boy every care and attention.

There was no evidence of negligence or any other violation of the traffic laws.

Boy Improving.
 Mr. Kinney has been in Escanaba since the accident, having furnished \$1,000 bail for an examination on the charges filed against him.

The injured boy is slowly improving and hopes for his recovery yesterday continued to mount. It was said at the Laing hospital where he is a patient.

Thousands of the books were lost in the recent earthquake, and Japanese printing presses stopped.

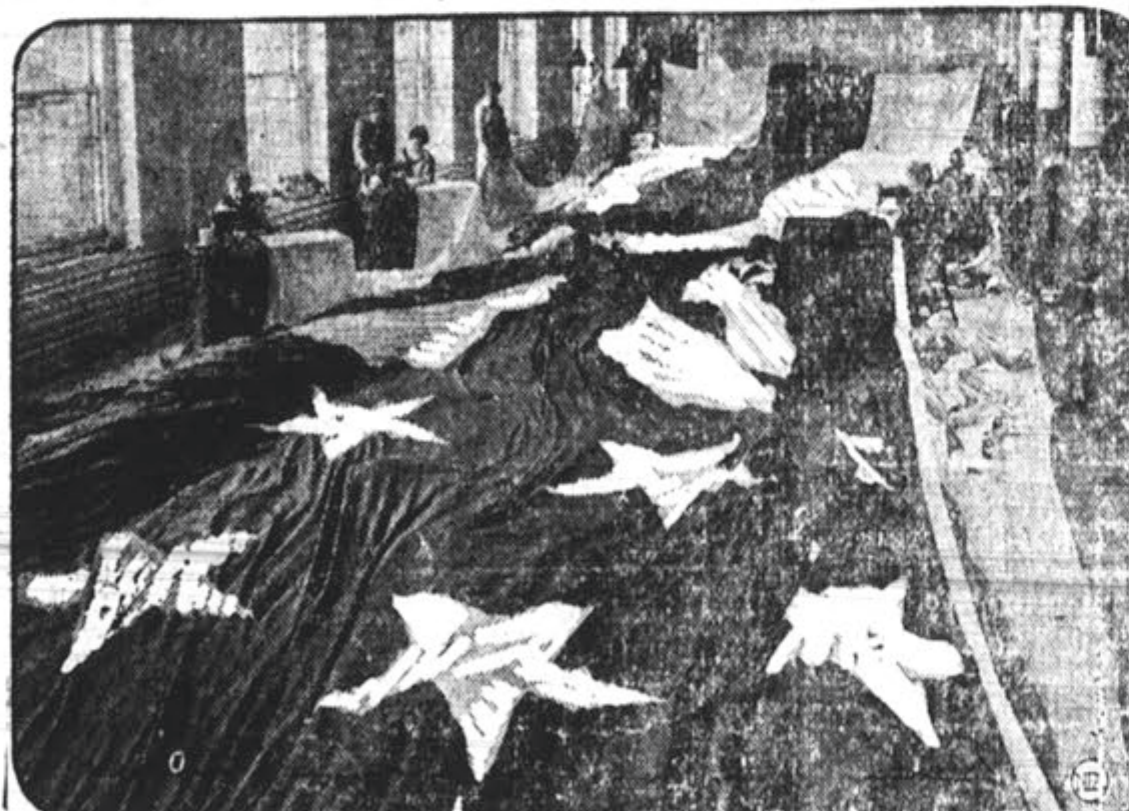

FOR THE FIRST TIME in many moons, a president of the United States left the White House to attend a meeting. President Coolidge is shown here attending the first meeting of the Capital of the Harding Memorial Association Board of Trustees. Seated, left to right, Edward H. Mellon, Secretary of State Hughes, President Coolidge, Secretary Mellon, Secretary Welles and Secretary of the Navy Denby. Standing: James J. Davis, Atty. Gen. Daugherty, Brig. Gen. Sawyer, Senator Joseph P. Frelinghuysen of New Jersey, Governor D. R. Crisinger, Fred Upham, and George Christian.

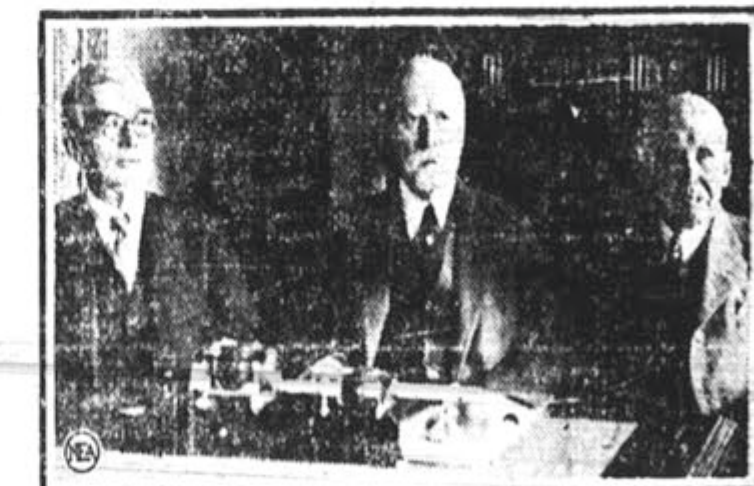

AT OLD STAMPING GROUND—Both these gentlemen are former secretaries of the treasury. Here they are in front of their old haunts, the treasury building in Washington. The taller of the two, who is wearing the soft hat that candidates throw in the presidential ring, is William G. McAdoo. His companion is Senator Carter G. Wood of Virginia.

"APPROVED"—This copyrighted photograph is said to be the first one of the president's wife to be made in the White House. It was taken on Nov. 16 and approved Nov. 13. Sitting was made in the private dining room, using furniture of the blue room. One hour was given by Mrs. Coolidge for the sitting. This photograph is the favorite one and was released for publication by Mrs. Coolidge, who wrote, on the back of the proof, the single word "approved."

WORLD'S LARGEST FLAG—More than 1261 yards of material was used in making this gigantic American flag, unfurled in Detroit on Armistice Day. It weighs 600 pounds and occupies 150 cubic feet of space when folded. It is 150 feet by 50 feet and the blue field is 45 by 60 feet. Photo shows seamstresses sewing in stars and stripes. Hitherto, the biggest flag "championship" has been held by St. Louis, with a banner 78 by 150 feet.

OLD AND THE NEW—First photo is presented herewith showing former Senator Frank Kellogg (right), Secretary of State Hughes (center) and former Ambassador George Harvey (left). Kellogg will take Harvey's place as American representative at the Court of St. James.

O. K.—This is the first posed portrait made of President Coolidge inside the White House. George W. Harris took it in the Cabinet Room. Sitting lasted 30 minutes, and strange to say every proof came back marked "approved." Harris selected this as the best, in his judgment. The photo is copyrighted.

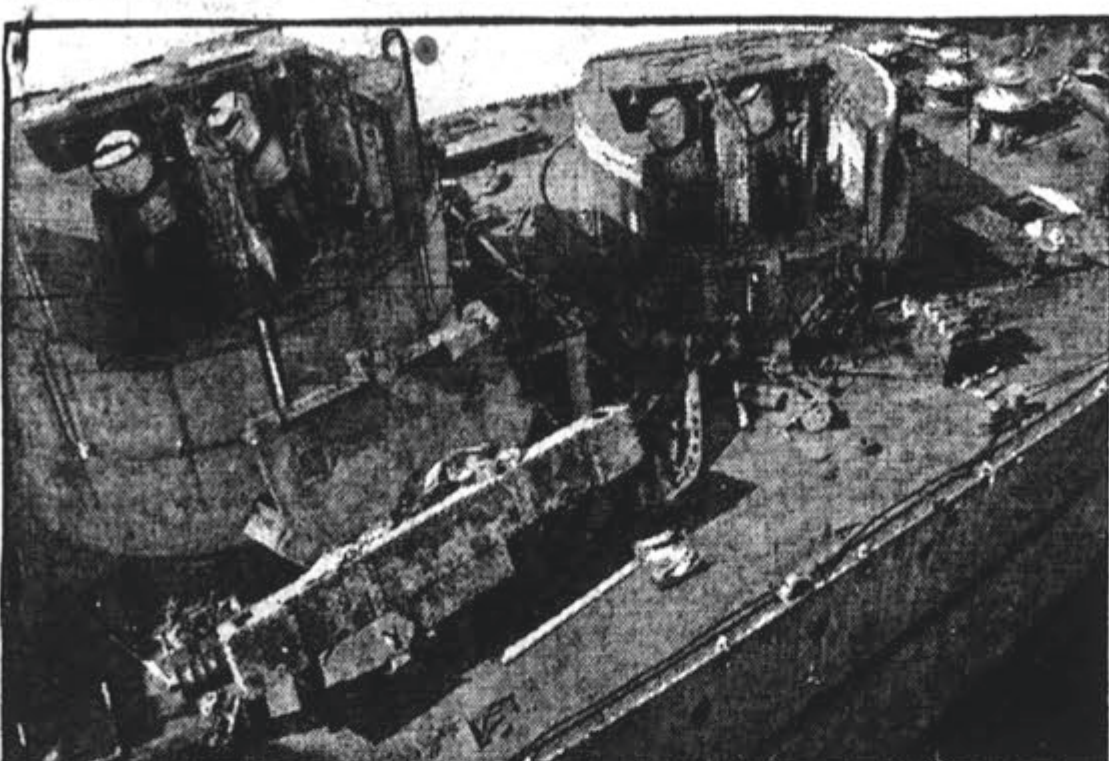

HE'S POPULAR—When Hiram Johnson reached Washington the other day he found this delegation waiting to extend him a joyful reception. His real news now and these boys of the press are plying him with questions about his recently announced candidacy for the Republican nomination for president.

YOUNG AQUATIC MARVE—This young lady, Thyrus, Detroit, a 12-year-old New Orleans product, was holds several world's record for girls in various distances. New Orleans looks upon her as a future world swimming champion.

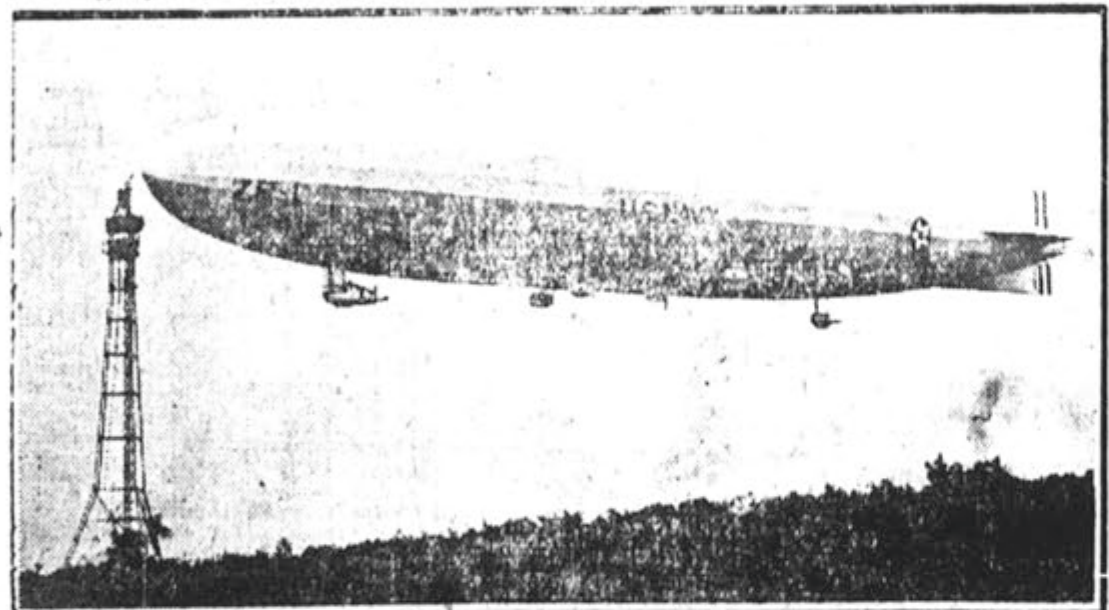

"CHANGED"—New York society women will take over several large New York hotels on Dec. 3. Proceeds will go to the Society for Prevention and Relief of Tuberculosis. Harriet Canac is relinquishing her part as cashier.

BULLDOG'S TEETH ARE PULLED—Just what the naval scrapping treaty has meant to some of Uncle Sam's best known battleships is shown by this picture of the forward deck of the U. S. S. Michigan, which is being junked at the Philadelphia navy yard. All the guns, etc., have been dismantled, and the remnant of the fighter is offered for sale.

TO WALT'S MEMORY—City of Camden, N. J., has bought and dedicated the modest house at 750 Mickle-st to the "Good Gray Poet"—Walt Whitman. Here the poet lived during the last few years of his life. Photo shows exercises at the dedication.

SAILED TO THE CLOUDS!—This picture shows, for the first time, how the Shenandoah looks moored to a specially built mast at Lakhurst, N. J. Mooring of the big ship was the first feat of its kind to be accomplished by American airmen.

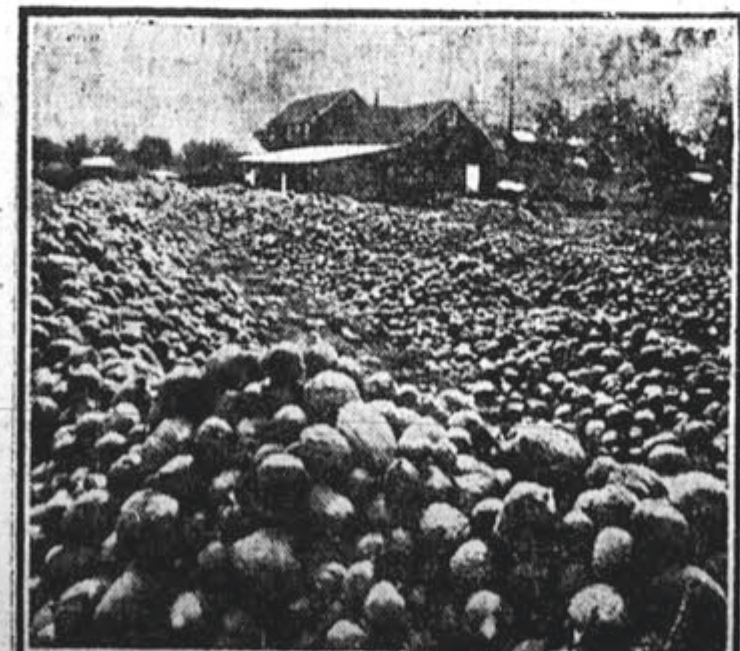

IRISH FLOORWALKER—Meet James Mathew Dillon of Bangor, Ireland, now "walking floors" for Marshall Field & Co., Chicago. He is the son of John Dillon, former head of the Irish nationalist party, and is studying America's system of merchandising with a view to using his knowledge later at home.

INTELLIGENCE—This German police dog, owned by Alisa Mellon, daughter of the secretary of the treasury, certainly is the cat's eye-brows. He can drive, smoke cigars, wear spectacles, and pose for photographs. Which is something.

RICHARD NELSON, "The World's Strongest Man," who appears under the auspices of the Escanaba North Star Society at the Coliseum rink on Sunday, Dec. 9th—Afternoon and Evening.

EIGHT MILLION PIES!—How's this for a stack of pumpkins? Over in Camden, N. J., there's a cannery where many thousand pumpkins every year die a horrible death. This shows this year's death house with inmates patiently awaiting their turn to come under the knife. There's enough here for eight million pies.

CRACK SHOT—Cynthia Lamb, student at Wellesley College, Wellesley, Mass., shown participating in the archery contest. She is an expert with the bow and arrow. Miss Lamb joins from Denver, Colo.

BARK RIVER HAS ELECTRIC LIGHTS

Final Hook-up Made By Needham Company Yesterday.

The final "hook-ups" of the Powers-Spaulding Light and Power Company, with Bark River, was completed yesterday and Bark River is now the sixth town on the company's list to be electrically lighted.

ing such a system, as well as a splendid advancement for all the towns.

A small organization was formed and capitalized at \$25,000. The start was made at Powers and Spaulding. Other towns wanted in and it became necessary to double the capital stock to \$50,000.

Demand increases. That was done and then the demand for lights and power became so pronounced that another expansion of the capitalization became necessary. It was done and the company is now capitalized at \$100,000, is lighting nine towns, with two more to be hooked up before the winter sets in, and there is two years work ahead in lining up power and lights for farms and farm houses along the company's system.

MOVIE PATRONS HAVE BIG WEEK

Delft and Strand Programs for Holiday Week Exceptional.

Thanksgiving week will be one of the best, from the standpoint of motion picture fans, in the whole 1934 calendar.

The Strand will start a new serial, "Her Dangerous Path," which Hal Roach directed. Edna Murphy is starred and the story is said to be decidedly different from those generally used for screen serials. The program will also offer "The Snow Bride," featuring Alice Brady.

The Thanksgiving Day feature at the Strand will be "Only 38," one of last season's most successful stage plays, with Lois Wilson, Mae McAvoy and Elliot Dexter as the featured players.

Patrons of the Delft will be given the opportunity to observe the holiday week by seeing three programs instead of the usual two. Monday and Tuesday will bring "Masters of Men," pronounced by all of the country's leading critics, as one of the best pictures of the year. Among the players are Earle Williams, Alice Calhoun, Wanda Hawley and Cullen Landis.

Wednesday and Thursday, "Children of Dust" will be the principal Delft attraction. Frank Borsey, who directed "Humoresque," directed it and the cast includes several notables.

Friday and Saturday, Mr. and Mrs. Martin Johnson's "Trailing Wild Animals in Africa," one of the most famous jungle pictures ever made, will occupy the Delft screen.

The Law and the Railroads

Railroad recovery in Michigan—the "Better Service" you hear about and enjoy—is being provided you despite the severe handicaps imposed by a multitude of special laws.

Such laws have established certain governmental bodies entirely separate and without co-ordination. These bodies fix our rates for carrying freight and passengers—pass judgment on all of our security issues and other financing—specify the working hours of our employes and the wages we must pay them—limit our profits, when there ARE profits, to a small and definite maximum—have full jurisdiction over our tax assessments—restrict rigidly our methods of competition—hedge about, with a multitude of restrictions, every department of our operations.

Michigan's 24 steam railroads honestly try to obey every one of these laws. We do not even ask for a lightening of this load. But we do maintain that this present burden should NOT be INCREASED.

We are furnishing you today the best transportation you have ever had. With conditions unchanged, we can see our way clear to still further improving our service.

Give us a square deal—an honest chance.

And let this Association know you consider this a reasonable request.

It is logical that we should ask the prospective buyer to gauge the worth of the Studebaker Special-Six by the measure of its sales success. Automobile license figures for every state in the Union continue to tell their own uncolored stories of Studebaker popularity.

I REPLENISH MY WARDROBE Chapter XIII. The day Mrs. Ellwood paid me my month's salary I kept my resolve and spent it all for clothes.

"I'm a Fool" is the story of a former horse-wipe who had a few drinks and went to the fairgrounds to see a race.

"I suppose it was their having such swell names got me off my trolley. A fellow, just because he has been a swine with a racehorse, and works taking care of horses for a man in the teaming, delivery and storage business."

"Why not?" "Your mother needs me. I am here to be with her, not to go to the theater with you."

"There's nowhere I care to go," I told him. "And I am busy. Your mother needs me."

Occasionally I would hear Barton Ellwood's name mentioned, and always with a sort of fear he might be coming to visit them.

"You don't mean me to believe you are ever miserable?" I asked looking at her as she sat curled up in a chair smoking a cigarette.

DELTA LUMBER MEN SUMMONED

Deputy Federal Marshal Serves "Flooring" Subpoenas.

Subpoenas in the federal investigation, at Grand Rapids, of the eastern maple flooring industry, in which grand jury indictments under the Sherman anti-trust law will be asked by the government, were served here yesterday by Paul E. Nelson of Marquette, deputy United States marshal.

The Delta county men served with subpoenas will appear in

Grand Rapids Monday, Mr. Nelson said.

Flooring manufacturers in this district named by the government as members of the Maple Flooring Manufacturers' Association, whose activities form the subject of the inquiry, are the I. Stephenson Co. of Wells; the Wisconsin Land & Lumber Company of Hesperia; the North-western Copierage & Lumber company of Gladstone and the J. W. Wells Company of Menominee.

About fifty other concerns in Michigan, Wisconsin, Illinois and other states also are members of the association.

AMUSEMENTS

AT THE DELFT.

"Masters of Men," by Morgan Robertson, the world's most noted writer of sea stories, is to be shown at the Delft theatre Monday and Tuesday. Critics have unanimously acclaimed this picture as the greatest sea story ever screened. The pictureization by C. Graham Baker has retained loyally the atmosphere of the novel by America's master teller of sea stories and Vitagraph, who offers it, has provided a lavish production, with an all star cast.

"Masters of Men" tells the story of an American boy who accepted the shame of another's crime that he might protect the girl he loved from humiliation. Branded in his home town as a thief the lad runs away and joins the United States Navy. While on leave he is slung aboard and suffers the brutality accorded to men before the mast on board a four-master sailing the Spanish Main. How he effects his escape and aids in the destruction of the Spanish fleet at Santiago provides a thrilling drama which holds interest throughout every foot of the screening.

There are four principal parts, as the story involves the love affairs of four young people. Earle Williams, one of the most popular stars of the screen, plays Lieutenant Breen, the officer who assists Dick Halpin (played by Cullen Landis) to win back honor and manhood. Pretty Alice Calhoun who has been starred in many Vitagraph productions and Wanda Hawley, long a popular star, play the chief women's roles.

It is a picture of types and of vivid realism. The selection of types is said to have been perfect, particularly of those actors who play the brutal, hard fighting men who comprise the crew of the "Mary Earl." Dick Sutland and Jack Curtis, who play the mate and captain of the four-master, are known to fans as the most brutal looking actors in motion pictures. They give realism to Morgan Robertson's description of the brutes who made

AT THE STRAND.

A village situated at the foot of a mountain the sides of which are covered with a mass of ice and snow, is about as safe as a similar village reposing at the base of an active volcano. Any minute a great mass of frozen matter may come tumbling down the mountain side and destroy the village and its inhabitants.

Such is the precarious position of the village of La Paix in the Paramount picture, "The Snow Bride," starring Alice Brady and coming to the Strand theatre for a run of two days on Monday. By some miracle of Providence this little town has been spared for over a century from destruction by the glacial torrents of the North country, but as a climax to this thrilling picture, the entire mountain side is brought down in a storm that lasts for days. When it is over the inhabitants emerge from the nearby woods where they have taken shelter to find that La Paix is no more. Not a thing lives under that blanket of snow.

There are two persons who are made happy by this, however. They are Annette LeGoux and Andre Porel, the two leading characters of "The Snow Bride," portrayed by Alice Brady and Maurice B. Flynn respectively. For to them it means the ending of an old life and the dawn of a new one in the country farther north.

STRAND STARTS SERIAL.

Hal Roach will present his novel new chapter play, "Her Dangerous Path," a Patheserial featuring Edna Murphy, for the first time in this city at the Strand, Monday and Tuesday with "What The Sands Told," the first episode.

This novel serial deals with the problems of a young girl when she finds that she must face life alone and pick her own destiny, taking all the chances that come her way for better or for worse. Each chapter is a story in itself, showing what would happen if she should marry the man who asks for her hand. Thrills are abundant, and in the

MAN'S LEGACY

Woman Continues Thrift Work Started by J. H. Patterson.

Dayton, O.—One of the greatest business men in the country educated a woman to carry on his work!

The man was the late John H. Patterson of National Cash Register fame, and the woman is his niece, Mrs. Edith McClure Patterson.

At the height of his career, explains Mrs. Patterson, her uncle's chief interest lay in instilling thrift among his workers and their families.

"Probing below the surface for the real key to the evidences of un sound health, worry and unwise living," Mrs. Patterson explains, "he found the trouble usually lay in the home."

Unwholesome living, inefficient spending methods and undue extravagance, she says, were the causes.

"Having analyzed the problem, Patterson decided to help educate women to use business methods in the management of their homes."

He struck upon the budget system.

"It is this work that I am carrying on for him," she adds. She is budget specialist for the General Federation of Women's Clubs and for the National Educational Association. At the same time

she has a desk in the personal department of her uncle's establishment, so that her influence toward thrift goes into the homes of the workers employed there.
