

### BABY CONTEST PLANS FRAMED

#### Washington School "P-T" Arranges Interesting Program.

Members of the Parent Teachers' Association of the Washington school are making plans for the annual baby contest which will be held in the school building Tuesday, Feb. 19th. The meeting will be called at 7:30 sharp after which a patriotic program will be rendered, including numbers by the Washington school orchestra which was recently organized. Mr. Shanklin, band director for Escanaba high school is the director assisted by Miss Dunn who is supervisor of music in the school. The orchestra is composed of pupils of the 5th, 6th and 7th grades.

The baby contest is open to all babies in the Washington school district ranging in age from 3 weeks to 3 years. Votes are sold at one cent each. The baby receiving the largest number of votes will be awarded the first prize which is a diamond ring, second prize a gold chain and locket, third prize a silver cup.

Mrs. Ed. Sorlie is chairman of the baby contest committee as-

sisted by Mrs. Emil Christensen and Mrs. P. Garrity.

The orchestra consists of the following players: violins, Robt. Sorlie, George Harvey Jr., Mary Nimzinski and Leonard Johnson; Cello, Miss Dunn; Mandolins, Ingman Gustafson and Clarence Falk; Drums, Clarence LaCasse; piano, Jack Bartella.

The Washington school is the first grade school in the city to have an orchestra and the parents and teachers have good reason to feel proud of the progress which has been made so far.

**Chicken Supper and Initiation.**  
Brotherhood Lodge, No. 1072, Modern Brotherhood of America, will hold a chicken supper, initiation, and reception tomorrow night, Feb. 11th at the North Star hall.

The new district manager, Mr. Byrns, who succeeds state manager Jarry in this territory will be present and the reception is held in order that all members may meet him.

Preparations are now being made for a District class initiation to take place sometime on March. Efforts are being made to bring one of the supreme officers to Escanaba.

**Barr School P. T. A. Meeting.**  
The meeting of the Barr School Parent Teachers' Association will be held Tuesday afternoon, Feb. 12, at 3:45, in the school building. The business meeting will be held first and the social session will be a birthday party commemorating the 27th anniversary of the founding of Parent Teachers' Association. February 12 is also known as "Founder's Day". The first P. T. A. was founded on that date by Mrs. Theodore W. Birney, of Washington, D. C. The progress made by the P. T. A. in that length of time has been far beyond the expectations of those who first planned the organization and the work accomplished by the P. T. A. is far-reaching and beneficial. A program and lunch will be served. The program will be in charge of Mrs. Phil Labre and Miss Charlotte O'Meara.

All members are urged to attend and others who are not yet enrolled in the Barr P. T. A. are cordially invited to join.

### COMMITTEE ON ARRANGEMENTS MEETS FOR PLAY

#### "Glorious Girl" to be Presented Feb. 21-22.

Arrangements are progressing for the production of "The Glorious Girl," which will be presented on the evenings of Feb. 21 and 22 at the Delft theatre, under the auspices of Knights of Columbus.

The first of a series of preliminary meetings was held last evening, with a very good representation of members present. Starting with a clear, concise outline of work expected of each committee. General Chairman, C. R. O'Connell outlined the various

duties of each member. Elaborate plans are being laid for the production, including definite arrangements for the distribution of advance tickets by George Harvey, ticket chairman, and all advertising will be handled by Wilfred Varino and the publicity committee. Such definite arrangements are necessary for the successful presentation of so large a production.

Newspaper comments from different cities were read at the meeting which showed "The Glorious Girl" to be the most elaborate and costly play ever offered with amateurs. In fact the staging and equipment will be on a par with the best of professional attractions. Both newspapers and magazines have commented most favorably on the producers of this play, Harrington Adams, Inc. and the local committee is determined to make

this the biggest success the theatre has ever seen.

## Gives "Ideal" Transportation

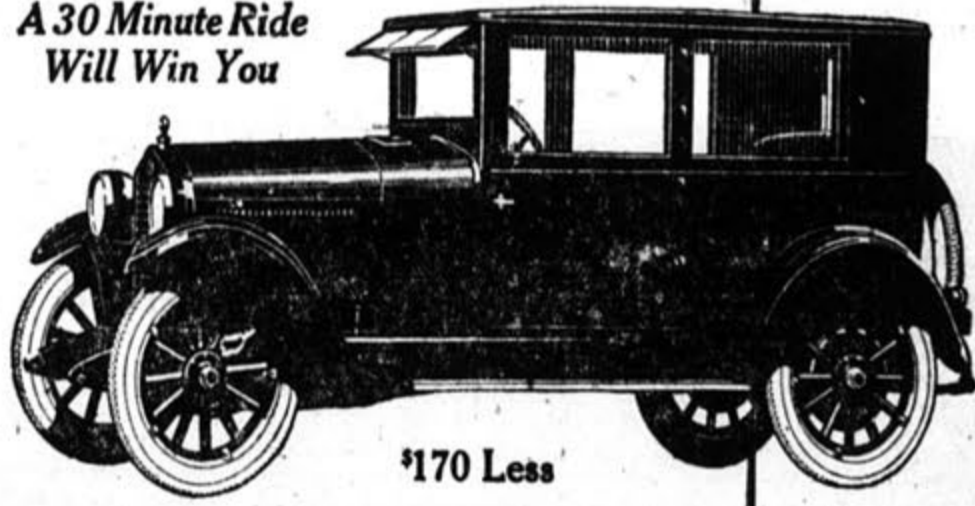

Take a 30 minute ride to learn the facts. It will convince you that "ideal transportation" in terms of economy, performance and lasting reliability, is fully realized in this low priced car.

The new Essex is built by Hudson and shares its famous design advantages. That not only means a motor design that has long held a foremost place among "Sixes", but the same type of clutch, transmission and rear axle which Hudson has proved in years of service.

And the first-cost economy is carried out in every way that applies to transportation—low fuel and oil consumption; great tire mileage; and astonishingly low prices on replacement parts.

The materials used and the way it is built insure lasting enjoyment of those unusual qualities which delight you on your first ride.

A 30 Minute Ride Will Win You

\$170 Less

Essex closed car comforts now cost \$170 less than ever before. Also with this lower price you get a more attractive Coach body and a 6-cylinder motor built on the principle of the famous Hudson Super-Six.

WHICH IS WHICH?

WHEN THREE OF A KIND IS A HOUSE FULL.—They are Ida, Iva and Eva Honna and the folks in Kansas City grow dizzy trying to tell which is which. The triplets appeared in a home talent production, and prizes were given to persons in the audience who could identify them.

CHARM—Miss Beale McKel-din, debutante daughter of Mrs. Leigh Palmer, wife of the new president of the Emergency Fleet Corporation, is one of the season's "buds."

Kay Laurell's

Eleanor Boardman's

Martha Gonzales

Gilda Gray's

BELIEVE IT OR NOT!—Alice Delysia, French actress, now appearing on Broadway, wore a gown of diamonds and pearls worth \$2,000,000 at one performance. No kidding! A dozen detective and a score of other strong-arm men were standing about when the photographer prepared to snap his shutter.

SOMETHING NEW IN PAG HOLDERS?—They needn't be Turkish cigarettes, but Mildred is smoking 'em Turkish fashion if she's right up to the minute. These two Washington girls, Blanche Gervais and Jacquelin Hunter, are demonstrating how the "hookha" adapts itself to American custom.

First photo to reach this country showing departure of Queen Elizabeth and King George of Greece, following their banishment by officers of the Army and Navy. Arrows point to the king and queen.

THE BROADWAY WAY—Beth Beer (left) and Mary Eaton stars in a Broadway musical comedy, show a cameraman how they keep in physical fitness for their performances. It's the "Broadway Way." Try it on your veranda some time.

THERE'S MORE TO FLYING THAN FLYING—Eight American army flyers have been selected for the round-the-world flight. But that is only part of Uncle Sam's jobs. The planes must be kept in shape, re-fueled and especially equipped for certain parts of the trip. The little item of gasoline calls for 90,600 gallons of special "gas," to be distributed all along the route. Then, there's the 11-450 gallons of lubricating oil. Above is the staff charged with financing, supplying, routing, feeding, repairing, etc. Left to right, they are: Lieutenant Clayton L. Bissell, Lieutenant Elmer E. Adler, Captain W. F. Valandt, Lieutenant Eric Nelson (engineer officer who is one of the flyers), Colonel J. E. Fecht, Major W. G. Kilner, Lieutenant R. J. Brown and Lieutenant St. Clair Street.

SUPREME!—HERE'S A PRIZE BEAUTY FROM TOP TO TOE.—If this young woman were to enter a beauty contest, she'd stand an exceptional chance of winning four prizes—one for her face, another for her arms, a third for her form and the last for her legs. The difficulty is she isn't a young woman—she's a composite of four who have gained national fame for their beauty. The head is of Kay Laurell, one of the most beautiful actresses on the stage. Eleanor Boardman owns the arms, considered the most shapely in screenland. The body is that of Martha Gonzales, whom artists have picked as the most Venus-like woman in America. And the legs are claimed by Gilda Gray of the Ziegfeld Follies, where the most shapely legs gather.

"PUT UP YOUR DUKES, MARQUIS!"—Exclusive picture showing the Marquis of Clydesdale (left) in the ring at Bermondsey Town Hall, England, with E. K. Lucas, whom he defeated in six rounds. The marquis is captain of the Oxford Boxing Club. His mother, the Duchess of Hamilton, recently expressed satisfaction that her boy had picked boxing as a hobby. She thinks it's great stuff, as we Americans say.

ANATOLE FRANCE CRITICALLY ILL.—Anatole France, winner of the 1921 Nobel prize for literature, noted French author, is critically ill, cables report. He is shown here with his wife during a recent vacation on the shores of the Mediterranean.

ROLLS 'EM—Miss Betty Roche demonstrated at the Tobacco Show in New York how easy it is "to roll your own." Meaning cigarettes—not these a la flapper style.

FOREMAN—J. T. Johnson, foreman for former Secretary Albert Fall at Three Rivers, N. M. Photo taken in Washington, D. C., where he was called to testify before Senate Lands Committee investigating oil lease scandals.

WHAT'S A TACK OR TWO??—This brave tot swallowed a tack and was rushed from his home in St. Louis to Philadelphia, a Minot (N. D.) hotel when she recently was informed that she where the offensive tack was extracted from a lung. Cletus Moore, widely sought to inherit the \$20,000 estate her father left when 8 months old, is now back home, none the worse for the experience, died in Montana.

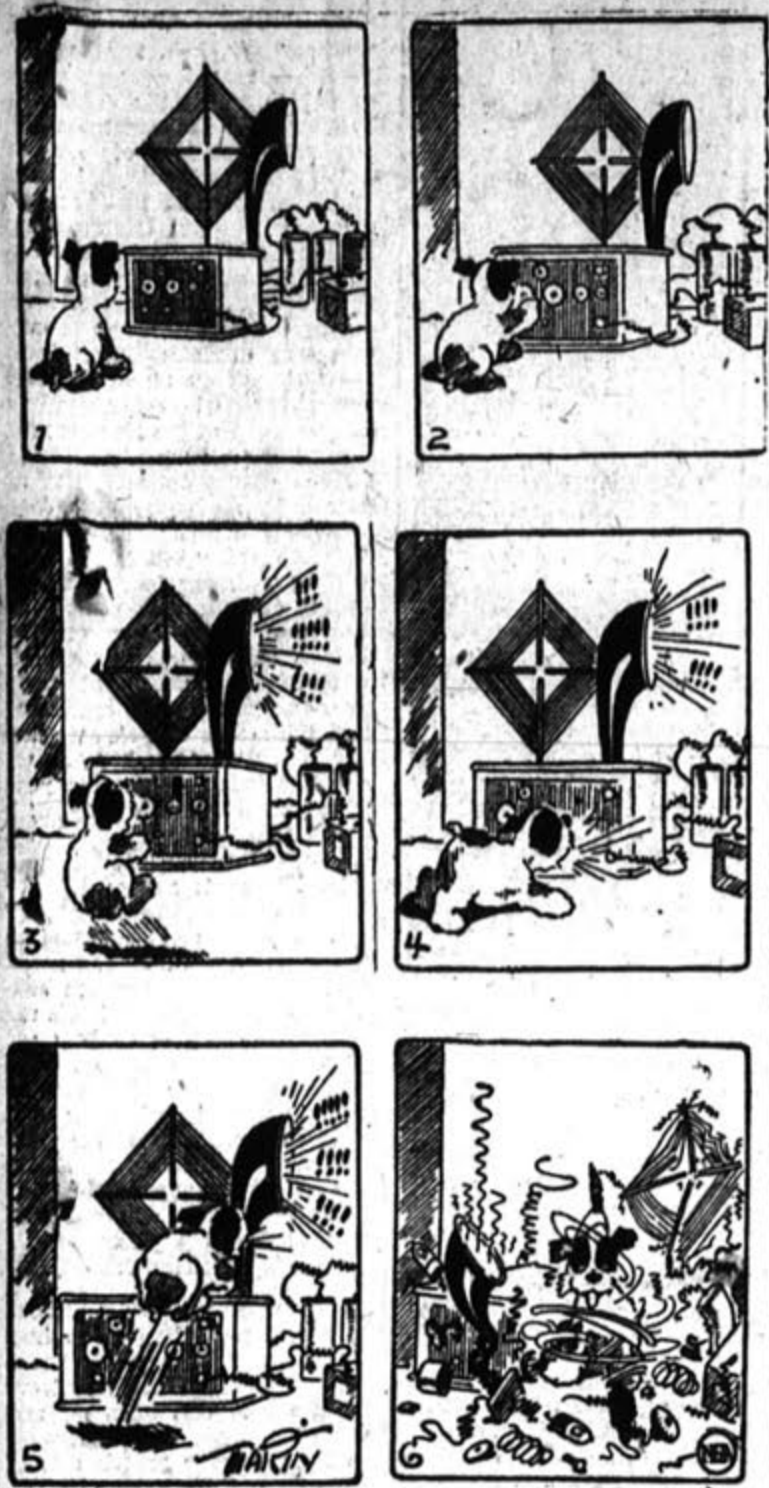

JUST LIKE THE MOVIES!—The movies have nothing on the career of Hilda Foss, famous girl "cowboy," for events and prizes. Separated from her father, she was working as a waitress in a Minot (N. D.) hotel when she recently was informed that she was to inherit the \$20,000 estate her father left when she was 8 months old, is now back home, none the worse for the experience, died in Montana.
