

JIM REED TURNS BATTERIES ON M'ADOO

ADAMS SHOWS HE HAS FAITH IN DAUGHERTY

SAYS RUMORS HAVE GONE TOO FAR WITHOUT FIGHT.

BY DAVID LAWRENCE. Copyright 1924, by the Escanaba Press. Washington, Feb. 25.—Panic has seized the republican leaders in Washington. Swept off their feet by the tales of an outraged public opinion, the grand old party is torn between fear of what may happen in the next elections and the knowledge that to yield to popular clamor is a confession of faith which upon investigation would not be proved.

Attorney General Daugherty is a dominant force in republican politics. Not only is he a practiced politician himself, but he has the courage of his convictions. Chairman John T. Adams of the republican national committee, who has boldly criticized Senators Lodge and Pepper for daring to suggest to President Coolidge that he call for Attorney General Daugherty's resignation, is as clear as a hound's tooth in the twilight zone of politics and his readiness to champion the cause of Mr. Daugherty can be taken to mean he has made his own investigation of the facts and has come to the conclusion there is no case against the attorney general, nothing except the impression resulting from the clever attacks made by the democratic speakers in the senate.

Will Have Hearing. Chairman Adams' strategy will prevail. Attorney General Daugherty will have his hearing. Mr. Adams represents the strength of the party organization. On one occasion during the Harding administration when Mr. Adams ventured to express the opinion that it would be unwise to agitate the world court proposal this campaign year, there was resentment in administration quarters but Mr. Harding yielded to the council for Chairman Adams rather than split the party wide open. And President Coolidge, who has given more reason to remain regular and keep in the good graces of the national party organization, is likely to do the same thing. It is Mr. Coolidge's real desire anyhow. He does not think any member of his cabinet should retire under fire and without a hearing.

Political Tactics. Naturally the whole case is one of political tactics. From a strategic viewpoint the resignation of Secretary Denby was regarded by old line politicians as a serious blunder for it carried with it not only the impression that he feared a public hearing and investigation but it immediately stimulated the democrats to ask for more resignations and they directed their attack on Mr. Daugherty. It is excellent strategy from a party viewpoint for the democrats to get the republicans on the run and keep them there so that the country will lose confidence in the republican party. Men like Chairman Adams think the game has gone too far and that it is time the republicans backed up against it and showed fight.

Gathering Stump Material. Unfortunately for the republicans, they are not themselves sure what evidence will be uncovered as the investigation proceeds, for nobody knows who speculated in stocks at the time the oil leases were made and the national capitol is full of all sorts of rumors. But the republican victory is that speculation or investment by itself is not reprehensible and that it will be up to the democrats to prove that the men who speculated were in some way connected with the making of the leases themselves or profited by their connection with the government.

The democrats, on the other hand, are of the opinion that irrefutable proof is established, the oil controversy will give their stump speakers enough to talk about from now till next November.

Tarheel State Urges Daniels As Candidate. (By The Associated Press.) Raleigh, N. C., Feb. 25.—The first definite move in North Carolina looking to the nomination of Stephen Daniels, former secretary of the navy, as the Democratic candidate for president was taken here tonight with the issuance of call by a score of prominent men for a meeting of Democrats of this state in this city Thursday night to organize a "Daniels for president club."

New Mystery About Famous \$100,000 Loan To Fall

HE TESTIFIES

C. BASCOM SLEMPLE Secretary to President Coolidge appears before the Senate Oil Committee Monday and undergoes a quizzing.

BIG MENOMINEE STORE BURNED

Wilson-Henes Building Destroyed By Flames.

Menominee, Mich., Feb. 25.—(Special)—A smoke-blackened, grimy brick wall rearing its jagged head 80 feet high above its neighbors, stands for half a block along Menominee's Main street tonight as the outward and visible evidence of the greatest fire in the recent history of this city. This and one side wall are all that is left of the beautiful four-story building which covered a half block and housed the Wilson-Henes department store, which broke into flames about 5 o'clock Sunday evening. Not a rafter, not a beam, not a timber of any size remains.

The loss is estimated at between \$255,000 and \$300,000 and the origin of the fire is unknown at this time. With a temperature of 5 below zero, firemen were quick to see that the fire was too great a tax upon local equipment and a call was sent across the river to Marinette. A pumper, three trucks and approximately 30 men hastened to the assistance of a similar force here.

Fight Until Noon. All through the night this body of men, supplemented by scores of volunteer workers, fought to save the main portion of the city from destruction and it was not until noon Monday that the last stream of water was shut off.

The department store and everything in it was destroyed. The building stands directly across the street from the city hall and the intense heat of the flames cracked windows and scorched the fronts of buildings for a half block in either direction and on the opposite side of the street.

Professional men, doctors, lawyers, dentists and many others who occupied offices across the street, busied themselves in moving out valuable papers and possessions when it appeared that the entire central part of the city might be swept by the raging flames.

Three Menominee firemen, who

WEATHER

(By The Associated Press.) UPPER MICHIGAN — Fair Tuesday, probably followed by increasing cloudiness Wednesday; slightly warmer in south portion Tuesday.

Table with 2 columns: Location and Temperature. Includes entries for Alpena, Marquette, Medicine Hat, Boston, Memphis, Buffalo, Milwaukee, Chicago, Minneapolis, Cleveland, Montreal, Denver, New Orleans, Detroit, Port Arthur, Duluth, New York, Escanaba, Saginaw, Grand Rapids, Salt Lake, Jackson, St. Francisco, Kansas City, Los Angeles, Tampa, Louisville, Washington, and Winalago.

Attorney-General Is Preparing To Fight Charges.

(By The Associated Press.) Washington, Feb. 25.—Attorney General Daugherty today has dealt in Sinclair Oil stock before and since he entered the cabinet, declared he never had misused official information in these transactions, and renewed his willingness to submit all the facts in any investigation the senate might order.

In an open letter to Senator Willis, Republican, Ohio, Mr. Daugherty said he bought some Sinclair stock before he became attorney general, and finally suffered a loss of \$28 a share. Six months after Teapot Dome was leased to the Sinclair interests, he sold part of his stock, in an effort to recoup losses. Later he bought back the same amount at a slightly lower price and finally sold; last fall, his entire Sinclair holdings.

Suggested Prosecution.

The letter also answered charges of failure to prosecute former Secretary Fall, Edward L. Doheny, Harry F. Sinclair, and Charles R. Forbes, former director of the veterans' bureau. Mr. Daugherty pointed out that at his suggestion action against Fall, Doheny and Sinclair was left to special government counsel while proceedings against Mr. Forbes had been initiated some time ago before a grand jury at Chicago.

The attorney general added that he never had given any opinion, oral or written, regarding the legality of the oil leasing policy, and had no knowledge of the negotiations until they were concluded. He urged that the senate inquiry in his department be conducted without delay, but that he be given an opportunity to summon witnesses of his own for questioning by his own counsel.

Talks With Coolidge.

A copy of the letter was sent to the White House after it had been made public at the department. It had not previously been submitted to President Coolidge. Late in the day, Mr. Daugherty had a long conference with the chief executive, but there was no outward indication of a change in the situation that has resulted from the demand of Republican senate leaders that he resign.

It was apparent that some definite step might be announced in the near future. The president has under consideration several proposals, one of them contemplating that Mr. Daugherty submit his resignation to become effective after the senate inquiry has been completed. By that method, it has been suggested, the attorney general might avoid the charge of quitting his office under fire.

Parental Injuries Give Child Right To Damage Award

(By The Associated Press.) Philadelphia, Pa., Feb. 25.—Prenatal injuries to a child that result in permanent disability give it the right to recover damages, Judge James G. Gordon, Jr., ruled today. The case, in which damages were claimed from William Zuckerman for injuries to Florence Kline, a baby, a sthe outgrowth of a motor accident in 1919, was argued today to permit counsel for Zuckerman to file an affidavit of defense.

Underwood Is Making A Mild Campaign Start

(By The Associated Press.) Frankfort, Ky., Feb. 25.—Addressing a joint session of the general assembly today, Senator Oscar Underwood, Alabama, candidate for the Democratic presidential nomination, criticized the foreign policy of the administration and, in discussing the Washington "oil scandal" investigation, declared he could only hope "that the guilty may be punished in order that confidence in the government may be restored."

GETS APPOINTMENT.

(By The Associated Press.) Lansing, Mich., Feb. 25.—Arthur Reid, of Detroit, was appointed to the state board of pharmacy today by Governor Groesbeck. He succeeds Oscar Gorenfil, of Detroit, resigned.

Five Big Fires In 48 Hours In Rochester, N. Y.

(By The Associated Press.) Rochester, N. Y., Feb. 25.—Spectacular burning of the Fay's Theatre office building today made a total of five big fires in this city within the last 48 hours. The total loss is estimated at \$215,000.

The fire in the theatre building broke out as firemen were fighting a stiff blaze in a warehouse. Eight hundred patrons, mostly women and children, walked calmly from the theatre when informed of the fire. The flames raged for four hours and for a time threatened the Hotel Rochester next door. The office building was almost completely destroyed but a heavy fire wall prevented the flames from reaching the theatre.

HUNDREDS PASS AS BANK LOOTED

Four Bandits Get Away With \$13,000 Cash And Bonds.

(By The Associated Press.) Detroit, Feb. 25.—Four armed bandits held up the Citizens Bank, Joseph Campau and Edwin Avenues, and escaped with \$8,000 in cash and \$5,000 in Polish government bonds late today.

The bank is situated in the heart of Hamtramck's business and shopping districts and is but a short distance from police headquarters. Hundreds of people were passing by at the time of the holdup.

While one of the gang guarded the entrance, the other three entered with leveled weapons and ordered the three members of the staff present to put up their hands. Bonislaus Manikoff, manager of the foreign department; Zdzilus Dworokowski, assistant cashier, and Miss Anna Berger, clerk, immediately complied.

The bank is a rectangular building, two sides of which are caged in. The thugs covered each of the staff through openings in the wiring and ordered them to come from behind the cages. When outside they forced them to lie face downwards on the floor.

The thugs then went behind the cages and rifled the safe of its contents. Afterwards they went through the cashier's desk where there was a considerable quantity in bills. Hastily scooping up the money, they backed to the door, keeping the three prostrate figures still covered with their guns, and escaped west on Edwin Avenue in a black touring car.

EMPIRE STATE PASSES BONUS

(By The Associated Press.) Albany, N. Y., Feb. 25.—A four year effort to pass a soldiers' bonus bill through legislative channels was successful tonight, when the assembly approved the measure designed to provide machinery for the distribution of \$45,000,000 as a bonus for world war veterans of New York state. It now goes to Governor Smith for his signature, having been passed by the senate last week.

Refuse Sanity Test For Priest

(By The Associated Press.) Montreal, Feb. 25.—Application for a sanity test for the Reverend Adierard Delorme, former priest, charged with the murder of his half-brother, Raoul Delorme, two years ago was refused today by Justice Martineau at outset of the third trial. The court ordered the case to proceed.

Admits Taking Part In Score Of Hold-Up Jobs

(By The Associated Press.) Jersey City, N. J., Feb. 25.—William Foy Short, who surrendered to the police several days ago, telling a story of participating in more than a score of hold-ups in middle western states, including the shooting of three men in Chicago, is being held here on the request of Chicago authorities.

Though the Chinese have a huge alphabet, they have only about 15,000 words, the same word taking on different meanings according to the tone in which it is said.

NO FUNDS TO COVER CHECKS OF E. B. McLEAN

SLEMP HAD NO PREVIOUS INSIDE INFORMATION.

(By The Associated Press.) Washington, Feb. 22.—Turning its attention once more to the McLean-Fall incident at Palm Beach, the senate oil committee today heard on behalf of the White House a positive disclaimer of any previous inside information on the subject and developed a new mystery regarding the now famous \$100,000 loan which Albert B. Fall obtained while he was in the cabinet.

C. Bascom Slemple, secretary to President Coolidge, testified that he not only had no prior knowledge of the truth regarding the loan, but that he discussed the subject at Palm Beach with both Fall and Edward B. McLean, publisher of the Washington Post, and urged that they dispose of the many rumors in circulation by telling the committee the whole story.

No \$100,000 Deposit.

Promising to tell all, Mr. Slemple said, McLean testified before Senator Walsh, Democrat, Montana, on the same day that he had given Fall two checks aggregating \$100,000 late in 1921, but that they had been returned to him uncashed. Today the committee learned from an examination of the records of Washington banks that the publisher did not have an aggregate of \$100,000 on deposit at that time in the bank on which he said the checks were drawn.

Having learned that Mr. Slemple had conversations with both McLean and Fall regarding the oil scandal at Palm Beach last month, Senator Walsh will seek tomorrow to ascertain whether any individual members of the committee communicated by telegraph or telephone with either of them at the Florida resort or with Fall at New Orleans.

To Check Phone Calls. Should the records in the offices of the telegraph and telephone companies here disclose that there was such communication, the committee members, will be given an opportunity to make a statement in the public hearings.

After hearing Mr. Slemple, the

What Congress Did Yesterday

(By The Associated Press.) William Phillips, under secretary of state, was nominated to be ambassador to Belgium. The house voted to increase the estate taxes carried by the revenue bill. Secretary Weeks, before the house insular affairs committee opposed Philippine independence. The house Indian committee proposed a joint congressional investigation of administration of Indian affairs in Oklahoma.

Salvation Army Not In Revolt Over New Order

(By The Associated Press.) New York, Feb. 25.—Commissioner Thomas Estill, chief of the Salvation Army in the eastern state, today scouted reports of an impending secession of the American organization from the parent group in England over General Bramwell Booth's order prohibiting members from belonging to secret societies.

New Mexican Bank Closes Its Doors

(By The Associated Press.) Clayton, N. M., Feb. 25.—The First National Bank at Clayton closed today. A notice said the directors had decided to "liquidate the bank." The bank has a capital of \$100,000.

PINCHOT SAYS FALL FAVORED TRANSFER OF FOREST RESERVE

WE'LL FIGHT

Copyright Harris & Ewing. Here is the latest photo of John T. Adams of Iowa, chairman of the Republican National Committee. Despite the fact that Mr. Adams will have his hands full between now and June 10 in seeing that everything is ship-shape for the Republican national convention in Cleveland, he has decided to devote much of his attention to sifting out the charges made against Attorney General Daugherty. He is going to fight and he's going to see that Daugherty has a fair opportunity to get the facts in his case before the people.

SEEK CHANGE IN VET INSURANCE

Thirty Amendments To Present Act Are Proposed.

(By The Associated Press.) Washington, Feb. 25.—Thirty specific amendments to the existing war risk insurance act are proposed in a bill for the relief of disabled veterans which has been drawn up by the national legislative committee of the American Legion, based on resolutions adopted at the last Legion convention. Major provisions of the bill were outlined in a statement tonight by the committee, and Chairman Johnson of the newly created standing committee on world war veterans legislation said he would introduce the bill tomorrow in the house.

Outstanding among the proposed amendments are those which would permit veterans of all wars to receive treatment in veterans bureau hospitals for disabilities not traceable to war service and would extend from three to five years after discharged from service, the period within which tuberculosis, nervous or organic disease developed by a former service man would be presumed to have been contracted in the service. The present law would be further amended to make it unnecessary for the existence of the disease to be discovered within the period.

Specialist In Mental Diseases Passes Away

(By The Associated Press.) Kalamazoo, Mich., Feb. 25.—Dr. William A. Stone, formerly identified with the Traverse City and Kalamazoo state hospitals, and noted specialist in mental and nervous diseases, died at his home here Sunday. The funeral will be held Tuesday.

REAR ADMIRAL RANSOM DIES

(By The Associated Press.) Plattsburgh, N. Y., Feb. 25.—Rear Admiral George B. Ransom, U. S. N., retired, died at his home here today, aged 72. He was graduated from Annapolis in the naval engineering corps and spent 32 years of active service at sea.

Deaths Due To Rail Accidents Show Increase

(By The Associated Press.) Lansing, Mich., Feb. 25.—The number of persons killed in railroad accidents increased 40 per cent in 1923, and the number injured showed an even greater increase, according to a report issued today by the state public utilities commission. There were 357 fatalities as compared with 233 in 1922, and 2,017 injured against 1,258 in 1922.

New Bonus Bill Would Give Veterans \$400.00 Policies

(By The Associated Press.) Washington, Feb. 25.—Another soldier bonus bill providing for 20 years endowment insurance for all world war veterans was introduced today by Representative Fish, Republican, New York.

Deaths Due To Rail Accidents Show Increase

(By The Associated Press.) Lansing, Mich., Feb. 25.—The number of persons killed in railroad accidents increased 40 per cent in 1923, and the number injured showed an even greater increase, according to a report issued today by the state public utilities commission. There were 357 fatalities as compared with 233 in 1922, and 2,017 injured against 1,258 in 1922.

Also Tells Of Curious Deal Of Southern Pacific.

(By The Associated Press.) New York, Feb. 25.—Plans to have the forest reserves of the United States turned over to the department of the interior, as had been done with the naval oil reserves, had been made by former Secretary Fall of the interior, it was declared tonight by Governor Gifford Pinchot of Pennsylvania in an address before the Survey Associates. Governor Pinchot formerly was chief forester of the United States.

Former President Harding, the speaker asserted, had approved of Fall's plans and characterized Governor Pinchot's opposition to the policy as wrong. The Old Idea. Previous to the Roosevelt administration, Mr. Pinchot said, "the whole attitude of the western part of the country was 'get while the getting is good,' and the whole service at Washington was permeated with the idea that the private interests were everything and the public right was nothing."

In the Wilson administration, the speaker went on, congress attempted to take away the reserves which Roosevelt had set aside. Senator Fall was one of the strongest advocates of the Phelan amendment, under which the reserves would have been abolished, he declared.

Southern Pacific Grab. Governor Pinchot criticized the alleged action of A. Mitchell Palmer, attorney general under Wilson. In turning over to the Southern Pacific Railroad, land which the speaker said was worth \$500,000,000 claimed by the road, without an appeal to the supreme court over the decision of an inferior court. This he characterized as "one of those curious cases of infidelity to public duty with which we have since become more familiar."

Paul V. Kellogg, editor of the Survey, was toastmaster at the dinner and among those at the speakers' table was Frank A. Vanderlip.

FARM CREDIT CORPORATION IS ORGANIZED

(By The Associated Press.) Minneapolis, Feb. 25.—Organization of the agricultural credit corporation was perfected here today with Arthur R. Kemp, banker and motor car manufacturer, elected as president, at the meeting of the board of directors in the office of C. T. Jaffray, its chairman.

Employed For Influence.

"Mr. Doheny came to Washington. He was in search of influence and to obtain it was willing to expend large sums of money. Although there were tens of thousands of lawyers of distinction and ability in the United States, Mr. Doheny took into his employ five cabinet or ex-cabinet officers. I do not say these lawyers were corrupt. I do say that with the possible one exception, Garrison, they were not employed for their legal ability."

Such is Doheny's own testimony. It remains uncontradicted.

But Doheny was not the only

SAYS DOHENY HIRED M'ADOO AS INFLUENCE

DIRECTS SARCASM AT DEALS WITH MORSE.

(By The Associated Press.) St. Louis, Feb. 25.—United States Senator Jas. A. Reed in formally opening his campaign for the Democratic presidential nomination, at a mass meeting here tonight, declared that in his opinion "not one tenth of the corruption and iniquity which has existed is yet laid bare" in referring to the oil disclosures.

He charged Wm. G. McAdoo, former secretary of the treasury and an opponent for the nomination, expected to receive \$1,094,000 "in legal fees" from E. L. Doheny, oil magnate, the Charles W. Morse interests and motion picture concerns, although he "did not appear in a single law suit."

Goes After McAdoo. The senator reiterated his platform and reviewed the oil scandal at length. He said the disclosures "warranted me in saying that the people of the United States were, by bribery, deprived of these great oil deposits upon which the nation must rely in the hour of extremity."

"Facts are being constantly exposed," he said, "and when the whole foul mess is known, the American people will be convinced of the supreme necessity of purging the government and depriving from power every tainted man."

"The evidence thus far taken involves the attorney general to a considerable degree and his department will be rigidly investigated."

His speech in part follows: "I am asking the endorsement of the Democracy of Missouri and the nation for the presidential nomination."

Charges Broken Promise.

"Mr. McAdoo publicly announced he did not intend to enter the list against any home candidate, but for reasons which are doubtless satisfactory to himself, he has singled me out as an exception to his general rule. He comes into the state of Missouri and is receiving some support. x x x x

"Having been invited into the arena, I come and give my reasons why the attorney for the Doheny interests should not receive the endorsement of the Missouri Democracy."

Employed For Influence.

"Mr. Doheny came to Washington. He was in search of influence and to obtain it was willing to expend large sums of money. Although there were tens of thousands of lawyers of distinction and ability in the United States, Mr. Doheny took into his employ five cabinet or ex-cabinet officers. Increased Estate Tax Is Voted Into Revenue Bill

COALITION IS STILL ON JOB VEXING G. O. P.

Old Line Republicans Attack Both Amendments Futilely.

(By The Associated Press.)
Washington, Feb. 25—An increase in the estate or inheritance taxes was voted into the revenue bill in the house today by another combination of Democrats and Republican insurgents. Another proposal of the coalition—a gift tax—was before the house when it adjourned.

Both amendments were attacked by organization Republicans. The estate tax increase, raising the rates all along the line on the same brackets as now contained in the law to a maximum of 65 per cent on the amount by which the estate of a decedent exceeds \$10,000,000, instead of the present 25 per cent rate, was adopted 190 to 110.

The "Iowa Idea," Representative Ramseyer, Republican, Iowa, submitted the estate tax amendment and Representative Green, Republican, Iowa, chairman of the ways and means committee, proposed the gift tax which will be voted on tomorrow. About six Democrats present voted against the estate tax amendment which was supported by about 30 Republicans, including Chairman Green, on a division vote.

Fourteen Men And Five Boats In Rum Raid

(By The Associated Press.)
New York, Feb. 25—Fourteen men and five motor boats, captured by the coast guard cutter Semple as they cruised near the super-rum ship Butelown with her \$3,000,000 cargo, were towed tonight into Dead Man's Basin, the government's internment slip at the Battery.

A search of the seized craft having failed to disclose more than an odor of liquor, the ships with their crews were held for violation of the navigation laws in that they were outside the three-mile limit without clearance papers.

Gas Stove Fumes Cause 3 Deaths

(By The Associated Press.)
Cleveland, O., Feb. 25—Three persons, including a bride and bridegroom of three weeks, were found dead tonight, overcome, police said, by fumes from gas stoves which had been left burning in their homes while they slept last night.

The dead are Louis and Rose Roman, each 21 and John Furlan, 32.

TODAY'S BIRTHDAYS

Camille Flammarion, the famous French astronomer, who predicts that some day we shall be able to communicate with Mars, born 82 years ago today.

Lewis W. Baldwin, President of the Missouri Pacific Railroad, born at Waterbury, Md., 49 years ago today.

Rev. Charles M. Sheldon, famous as the author of "In His Steps," born at Wellsville, N. Y., 47 years ago today.

Ferdinand of Bulgaria, who has been living in exile since the war, born at Coburg, 63 years ago today.

William M. Hudson, president of Blackburn College, born in Greene county, Pa., 52 years ago today.

Grover Cleveland Alexander, pitcher of the Chicago National League baseball team, born at St. Paul, Neb., 37 years ago today.

The results of the efforts of the Constitutional convention called in Missouri in May, 1922, will be submitted to the voters of that State at a special election today. The present Constitution has not been changed since 1875.

Little Bo-Peep AMMONIA

Makes dish-washing easy. Softens the hardest water—cuts grease and dirt like magic. "Fleecy White" protects the hands. A wonderful aid on wash-days—and for all cleaning.

LITTLE BO-PEEP BLENDING

Think Ludendorf Trial Will Be Of Rather Brief Duration

(By The Associated Press.)
Munich, Feb. 25—Predictions were made in many quarters tonight that the trial of former Field Marshal Von Ludendorf and his associates for their part in the November putsch, which will begin here tomorrow, will last but a few days.

Already there are reports that many of the witnesses have been taken ill and cannot possibly recover in time to give testimony in this particular case. It is even rumored that Dr. Von Kahr, former Bavarian military dictator, and others under subpoena

MORE HOPEFUL FOR RECOVERY OF GUN VICTIM

(By The Associated Press.)
Washington, Feb. 25—Reports of slow improvement continued to come from the bedside today of Senator Greene of Vermont. While there was still some uncertainty as to his recovery, attending physicians expressed themselves as more hopeful than at any time since his condition became critical.

The wounding of Senator Greene by a stray bullet fired in a fight between revenue agents and suspected bootleggers brought another move in congress today for an investigation of law enforcement practices of the prohibition enforcement bureau.

TOUGHEST TOWN IN WEST GONE

Washington, D. C.—The toughest town of the West has passed. The wonder is it survived so many years after the 18th Amendment took effect.

Mondak station, on the main line of the Great Northern Railway, just over the North Dakota line in Montana, has been closed. The Montana Railroad Commission officially informs the Interstate Commerce officials of Washington.

TODAY'S ANNIVERSARIES

1849—Daniel H. Hastings, governor of Pennsylvania 1895-99, born at Salona, Pa. Died at Bellefonte, Pa., Jan. 9, 1903.

1857—Joseph H. Williams became governor of Maine in succession to Hannibal Hamlin, who had been elected to the United States senate.

1876—First steam ferry-boat launched on the Thames river, London.

1919—President Wilson discussed the League of Nations project with members of Congress at a dinner at the White House.

1922—United States paid Norway \$12,000 for ships seized during World War.

TODAY'S EVENTS

Today is the twentieth anniversary of the great fire in Rochester, N. Y., which destroyed property to the value of \$3,200,000.

Today, for the first time, the State of Wyoming will observe Cody Day, in honor of the memory of Col. William F. Cody, "Buffalo Bill."

Elimination of the mask and changes in the present form of government will be proposed when Ku Klux Klanmen assemble in Atlanta today for a national congress of the order.

FOR ALL DAY
The latest thing in hosieries is the introduction of flower shades for daytime as well as evening.

When a 3000-year-old tomb was explored in Egypt, women wore King Tut styles. Now, with the Teapot Dome disclosures, Cartoonist Storm makes a few suggestions.

CONSOLIDATION IS EXPLAINED TO ROTARIANS General Manager Of Paper Company Is Rotary Speaker

The industrial significance of the merging of the Escanaba Paper Company and the Escanaba Power & Traction Company, was explained to members of the Escanaba Rotary Club at the regular Monday luncheon of that organization yesterday by Joseph H. Slater, general manager of the paper company. Mr. Slater most interestingly described various improvements made at the power plant at the paper mill and improvements now in progress at two dams on the river, to secure the maximum power from the flow of water in the Escanaba river and to augment that supply with the most efficient and dependable auxiliary power that it is possible to obtain.

To Benefit All.
Mr. Slater asserted that the success of the negotiations merging the two companies is bound to result in most substantial benefits for both the traction company and the paper company and in addition offers to the city of Escanaba a constant and greatly increased source of power, to the direct benefit of the city and its power consumers. The increased power made available, he was also explained by the speaker, will result in the operation of every department of the paper mill and the pulp mill on a one hundred per cent basis in the future, to the distinct advantage of the employes of that company and the city in which they live.

TOUGHEST TOWN IN WEST GONE

Washington, D. C.—The toughest town of the West has passed. The wonder is it survived so many years after the 18th Amendment took effect.

Mondak station, on the main line of the Great Northern Railway, just over the North Dakota line in Montana, has been closed. The Montana Railroad Commission officially informs the Interstate Commerce officials of Washington.

Train crews that always worried over their proximity to death while in that vicinity now wave "light hands" at the barred station doors and almost depleted population of a one-time wild and woolly Western burgh. The notoriety of the town was so widespread that former Indian commissioners at Washington used to offer thanks that the Glacier National Park Indian reservation and the Fort Peck agency were situated far enough in the western part of Montana to be out of harm's way of Mondak's untamed night life.

SAYS DOHENY HIRED MADDOO AS INFLUENCE

(Continued From Page One)
man who bought influence. "There was Morse, who hired lawyers and paid them in commissions on coal contracts with foreign governments.

"Morse will be remembered as the gentleman who wrecked a string of banks. He got into the penitentiary by fraud, and he got out by fraud.

Morse ate soap. "Singularly enough the same lawyer who convinced President Taft that Morse's complexion, which was superinduced by a diet of soap, indicated a speedy death by bright's disease, now sits in the cabinet as attorney general of the United States.

"After his release from the penitentiary, Morse proclaimed himself a patriot and organized a concern to build ships. For his transactions with the government he was indicted. On Mr. Morse's trial Mr. McAdoo appeared and testified for the defense. McAdoo's sworn testimony discloses that either before or shortly after the resignation of director general of the railroads, he became a member of the firm of McAdoo, Cotton and Franklin and there resumed the practice of law June 1, 1919.

"About 90 days after Mr. McAdoo left the government employ he entered the employment of Morse's companies. It should be noted that McAdoo's partner, Cotton, had been attorney for the Emergency Fleet Corporation, and therefore for the shipping board.

"I got \$100,000 for Morse's employment, Mr. McAdoo appeared shortly after entering Morse's office before the shipping board on behalf of Morse's company and read a brief prepared by a lawyer named Gordon. He does not appear to have got very far with that case, the fact being that the Emergency Fleet Corporation contended that McAdoo did not know the facts of the controversy he was talking about.

"Thereupon, McAdoo undertook processes with which he was more familiar. He applied to John Barton Payne, chairman of the shipping board to advance to the Morse company \$100,000, representing that it was necessary to have this money in order to prevent a receivership for the company. He evidently succeeded in convincing Judge Payne that the payment of this money was absolutely necessary to save Morse's company from bankruptcy. For on September 4, 1919, Judge Payne wired:

"Have arranged to pay over \$100,000 to the Virginia Company."

Representatives of Presbyterian and Reformed churches in the United States, Canada and South America will gather at Newport News today for the annual meeting of the World Alliance of Presbyterian and Reformed Churches.

MONTANA GOVERNOR BEING URGED AS SUCCESSOR TO EDWIN DENBY

James E. Davidson, of Michigan, Also Mentioned.

(By The Associated Press.)
Washington, Feb. 25—Initial consideration given by President Coolidge to selection of a successor to Edwin Denby as secretary of the navy has revolved about Joseph M. Dixon, governor of Montana, and James E. Davidson, Republican national committee man from Michigan.

Inasmuch as Mr. Denby's retirement from the cabinet does not become effective until March 10 and because of more immediate pressing questions the president, it was said today at the White House, has considered the filling of the navy post only in a preliminary way.

Strongly Urged.
Governor Dixon's name has been put forward by several administration advisers who have pointed to his qualifications and also to the fact that he comes from the far west, a section to which it has generally been believed Mr. Coolidge would turn in search of a man to fill the first vacancy to occur in his cabinet.

Those endorsing the Montana governor also have pointed out his connections with the progressive group, he having been chairman of the national committee of the Roosevelt progressive party in 1912, and have argued that Mr. Coolidge should recognize this wing of the Republican party in selecting the naval secretary. Governor Dixon has been mentioned recently as a possible Republican nominee for vice president.

Iron Trade Review

Cleveland, Ohio, Feb. 22.—Iron Trade Review yesterday said:

"Covering of steel requirements for the second quarter is beginning to come forward with good prospects as to volume and price stability. The leading maker has opened its books for second quarter on sheets and tin plate at unchanged prices and independent mills are preparing to do likewise. An increasing inquiry is appearing in steel bars, structural shapes and other lines.

Reports of some shrinkage in new tonnage apparently are not trustworthy as all evidence is to the contrary. Bookings at Pittsburgh in tonnage products are being received at the best rate since April. At Chicago leading mills are 25 per cent ahead of January in new business. Eastern mills helped by the filling up of western producers, make the best showing in months.

Operations have been raised several paces further and for the whole industry now are at 86 per cent of ingot capacity. The Steel Corporation this week is running at about 94 per cent, the best record yet and the independent about 82 per cent.

What the Japanese reconstruction loan will bring to American mills in the way of steel business, is not yet made clear. In some quarters the requirements are estimated as high as 1,000,000 tons.

The dock strike now in progress with the prospect of coal troubles later, the miners having voted to abrogate their agreement, leaves uncertain the contribution of British mills to present Japanese needs or to the export market in general. Improving operations in the Ruhr have raised the capacity active to 33 blast furnaces and 74 open-hearths.

Further sales of French and Belgian steel have been made to buyers at New York, Boston and other eastern ports. At New York, and Philadelphia, 8,000 to 10,000 tons of bars and shapes was bought in the week around 27.00 per pound, delivered, duty paid.

Iron Trade Review composite of fourteen leading iron and steel products is unchanged for the first time in many weeks at \$45.35. One year ago it stood at \$42.57.

New York Central allots 8,000 cars to two builders. The Pennsylvania has specified 5,000 ex. 3,000 automobile and 1,000 stock cars. The Norfolk & Western closed for 2,000 hoppers additional. The Louisville & Nashville wants 4,000 cars and the Southern 2,500.

January structural awards while less than December in total were large, amounting to 187,300 tons or 72 per cent of capacity. Shipments were 163,300 tons.

A purchase of 25,000 tons of foundry grades for second quarter delivery by the American Railroad Co. for various plants outside of Buffalo is the principal pig iron transaction of the week.

BIG MEMONINEE STORE BURNED

The H. H. Luey Apparel Shop, which is the second building from the Wilson-Henes Co., sustained considerable smoke and water damage but the fire did not penetrate to the stock, although the roof caught fire a number of times and was fought into submission.

No indication has as yet been given as to whether the company would rebuild. It started in business here ten years ago and was regarded as one of the largest department stores in this section of the country.

The loss is regarded as one of the most serious in the history of the city and a distinct blow to Memoninee's commercial life.

A thorough investigation of the origin of the fire is being made but up to this time nothing tangible has been revealed. So far as known, no one had been in the store since 10 o'clock Sunday morning and it is believed the blaze started in the main portion of the store on the ground floor.

Maccabees On A Pilgrimage

The organization of a national Automobile Caravan "Seeing America" Trip to Washington in which thousands of members will drive to that city from every section of the country is the plan adopted by The Maccabees, well known fraternal benefit society, as its Americanization program for 1924. The cars will follow regular Caravan routes. Caravan day will be celebrated in each city as the local delegation joins the procession, and a Caravan Jubilee will be held in Washington in connection with the Organization's regular quadrennial convention.

"We selected Washington as our convention city and adopted the Caravan plan to make it possible for every member of The Maccabees to visit our country's capital," states A. W. F. F. F., Supreme Commander, who originated the plan. "All allegiance to their country is part of the obligation taken by our members. A visit to Washington is an inspiration and education to every patriotic citizen, and in the Caravan Campaign we are enabling our members to take this trip without cost and under the most favorable circumstances.

"We believe in travel as a means of education and Americanization. Jumping from one far off city to another over night in a sleeping car does neither, but a motor trip such as this will give the Westerner a chance to get acquainted with his brother in the East, show each man how the other fellow lives, and make broader, better citizens of them both. Fraternal societies are shown many privileges in American laws and customs. The Maccabees helps to balance the account by making its members better Americans and better men."

The Maccabees will take on this trip with all expenses paid every member who demonstrates himself "100% American and Maccabee" by winning 100 points in the Caravan Campaign which precedes the trip.

Gorman and Moore Skate to Point-Tie

(By The Associated Press.)
St. John, N. B., Feb. 25—Charles Gorman, of St. John, newly crowned international skating champion, and Joe Moore, of New York, former national champion, were tied at the conclusion of the first night's battles in the three day international indoor speed skating championship. Each man scored 40 points.

Gorman won the 220-yard race in which Moore placed third. The men reversed these positions in the mile when Gorman slipped in the last lap. J. O'Neill Farrell of Chicago, junior international champion, won the 400 and the 850-yard races for 18 year olds. The seven members of the senior Chicago team failed to score a point.

Paul Foreman of New York took second place in the 220 yard dash and Richard Dopovan of New York placed second in the mile. Other visiting stars were not prominent.

Edwin J. Brown, the present executive and Mrs. Kathryn Miracle, a member of the council, are rival candidates for the mayoralty nomination in today's primaries in Seattle.

NO FUNDS TO COVER CHECKS OF E. B. McLEAN

(Continued From Page One)
committee received from H. Foster Bain, director of the bureau of mines, testimony that Fall had told him that the contract with the Doheny interests for oil tank storage at Pearl Harbor, Hawaii, had been discussed by the cabinet and that Attorney General Daugherty had made no objection to it.

Admits Oil Deals.
The attorney general, in a letter today, to Senator Willis, Republican, Ohio, again denied that he had given any oral or written opinion as to the legality of the oil leases and at the same time stated he had purchased stock of the Sinclair Consolidated Oil Company after he came into the cabinet had sold it at a loss.

Taking the oil discussion again to the floor of the senate, Senator Walsh charged that the Republican national committee news bureau had made a "deliberate and malicious" misrepresentation of the facts in its statement of yesterday that the naval oil leases were made under the general leasing act of February, 1920, which he had sponsored.

Just a "Quibble." Replying in a statement tonight, the news bureau asserted that Senator Walsh's declaration that the leases were made, not under this act, but under one passed in June, 1920, was "a quibble for the purpose of misrepresenting the facts."

Chairman Lenroot and others of the oil committee, indicated there was no intention to recall Wm. G. McAdoo, a candidate for the Democratic presidential nomination, for questioning regarding his statement Saturday that his then New York law firm would have received an additional fee of \$900,000 if the negotiations in the Doheny companies' Mexican affairs had been successful.

Secretary Stemp told the committee today that he did not go to Palm Beach on any mission for the president or for anyone else, and that his trip was "purely for health and recreation." He said that on the day Senator Walsh arrived at Palm Beach, McLean had told him he was "going to tell it today."

"Get It All Out."
"Well, I certainly hope you will get it all out," Stemp testified he replied.

The president's secretary said he had several conversations with Fall regarding the \$100,000 loan and that these took place at lunch or dinner at the McLean cottage. He told of one on the Sunday night following the departure of Senator Walsh for Washington. He declared that Fall was "rather excited and walking up and down the room," and had stated that he was "going to straighten it all out," that

he had in fact obtained the money from a friend of long standing.

Asked if his curiosity had not been aroused as to the identity of this friend, Mr. Stemp said he rather suspected it was but he had thought he would "keep out of this investigation." He added that he had advised Fall to tell the whole story "just as a matter of public duty."

The witness declared he was as much surprised as anyone when Doheny informed the committee that it was he who really had loaned the \$100,000 to Fall.

Kiwanis Hears Fine Talk By Manager of Neighboring City

Music by the Marquette Normal College male quartet, and an address by Clifford W. Ham, city manager of Gladstone, featured yesterday's regular weekly meeting of the Escanaba Kiwanis club. Mayor Bushong and Commissioner Peterson of Gladstone also were guests of the club.

Mr. Ham's address was along "get acquainted" lines, in which he told the local Kiwanians about the neighboring city's civic and financial affairs. He emphasized that the growth and development of a real community spirit has been one of the outstanding achievements of the last two years in the upbay city.

A. R. Wellington, field secretary of the National Playground and Recreation Association of America, and a prominent Kiwanian, also was introduced at the meeting. Mr. Wellington will be one of the speakers at tonight's Chamber of Commerce forum meeting.

GOOD MANNERS

Seated at a table, with super guests, even though you have not been introduced to your neighbors, it is a point of etiquette to pass a remark now and then with each of them. There is no need of introducing yourself.

"There's a Reason"

ORDINANCE NO. 23.

AN ORDINANCE REGULATING TRAFFIC IN AND UPON THE PUBLIC STREETS, LANES, ALLEYS AND AVENUES OF THE CITY OF ESCANABA, MICHIGAN, PROVIDING A PENALTY FOR THE VIOLATION THEREOF, AND REPEALING CERTAIN ORDINANCES.

Section 1. The owner, operator, driver or person in charge of any cart, dray, wagon, coach, omnibus, automobile, taxicab, carriage, buggy, motorcycle or other vehicle used, propelled or driven upon the streets of the City of Escanaba shall conform to and observe the following rules and regulations of all such streets, lanes, alleys, avenues and public places in said city.

Section 2. DEFINITIONS. For the purpose of this ordinance the following terms are defined as follows, to-wit:

(a) The word "vehicle" includes led horses and all things, except street cars, on wheels or runners which ordinarily do not use the sidewalks.

Section 3. RULES OF THE ROAD. (a) A vehicle meeting another shall pass on the right.

(b) A vehicle overtaking another shall pass on the left side of the overtaken vehicle and not pull up to the right until entirely clear of it.

(c) All vehicles shall at all times be operated, driven or ridden on the portion of the streets, avenues and alleys to the right of the center thereof, except where such portion is in an impassable condition.

(d) Vehicles moving slowly shall keep as close as possible to the curb on the right, allowing more swiftly moving vehicles free passage on the left.

(e) A vehicle turning on to another street to the right shall turn the corner as near to the right curb.

(f) A vehicle when turning to the left to enter an intersecting street shall not turn until it shall have passed beyond the center of the intersecting street.

(g) Vehicles shall not be turned around in arterial highways or cross from one side of an arterial highway to the other except at intersections of streets, and in so doing shall not turn to the left until after reaching the center of said intersection so as to head in the same direction as the traffic on the street.

(h) Every person in charge of a vehicle shall pull to the right of the street or road when signaled from a vehicle behind desiring to pass.

(i) That upon the approach of any fire apparatus, police patrol or ambulance, every vehicle shall draw up as near as possible to the right curb and remain at a standstill until such apparatus, patrol or ambulance shall have passed.

(j) Street cars shall have the right of way between cross streets over all other vehicles except as provided in article (p) of this section.

(k) Whenever vehicles approaching each other on different streets shall reach the intersection of such streets at or about the same time, the vehicle on the right shall have the right of way except that vehicles approaching an arterial highway shall come to a full stop before entering upon such arterial highway and that the vehicle proceeding on an arterial highway shall always have the right of way.

Section 4. MOLESTING VEHICLES, NUISANCES FROM COMBUSTION PRODUCTS, TRAILERS, TOWING. (a) No one shall ride or jump upon or into any vehicle without the consent of the driver, nor shall any person hang onto any vehicle whatsoever.

(b) No unauthorized person shall interfere or molest any vehicle, and a mere touching of a vehicle shall be considered as molesting; provided however, that for the purpose of getting away from the place of standing, a driver may move another vehicle which is so placed that he cannot get his vehicle out.

(c) No person operating a self-propelled vehicle shall permit the motor of same to operate in such a manner as to visibly emit an unduly great amount of steam, smoke or products of combustion from exhaust pipes or openings.

(d) Not more than one vehicle with or without motive power, commonly called a trailer, may be attached to another vehicle having motive power.

(e) No trailer shall be attached to any vehicle in such a manner as to leave more space than five (5) feet between the rear line of the body of the front vehicle and the front of the body of such trailer.

(f) No vehicle shall tow another in or upon any street or public place unless such vehicles are operated at a distance of not more than fifteen (15) feet apart.

Section 5. SIGNALS. Before turning to the right or the left to leave a highway, and before turning around or stopping thereon, the driver of a motor vehicle shall give a timely warning signal to other drivers by extending the arm beyond and outside of the side of the vehicle, holding the same in such position for a sufficient time to apprise approaching drivers of vehicles of his intention to change his course or stop, as the case may be; Provided, however, That in lieu of such signal above required signals may be given by any mechanical or electrical device which conveys an intelligible signal or warning to another driver approaching from the rear, in all such cases the driver of a

motor vehicle to whom such signal has been given, as required in this section, shall bring and keep his vehicle under such control as to be able to avoid an accident resulting from any misunderstanding of such signals, and shall in all cases heed any such warning as shall have been given him.

Section 6. STOPPING AND PARKING. (a) No vehicle shall stop with its left side to the curb.

(b) No vehicle, unless in an emergency or to allow another vehicle or pedestrian to cross its path, shall stop in the street, except near the right hand curb thereof, and so as not to obstruct a crossing.

(c) Every person in charge of an automobile shall, when stopping the same for more than two minutes in that portion of the city included in the fire limits, stop said automobile at an angle with the curb, or approximately forty-five degrees.

(d) Between the hours of 7:00 A. M. and 7:00 P. M. no person shall park his automobile or other vehicle in front of any place of business, belonging to or occupied by another, for a longer period than one hour. At all other hours the parking time in front of business places shall be unlimited.

(e) A vehicle shall remain backed up to a curb only long enough to be loaded or unloaded.

(f) Hoses attached to vehicles and to the shafts or tongues of un hitched vehicles, when backed up to the curbs, shall be turned at right angles to the vehicles, or at as nearly this angle as possible and in the direction of traffic.

(g) The occupant of any premises may prevent any parking of vehicles upon any public street in front of such premises for a space of not to exceed eighteen feet by placing "No Parking" signs on the sidewalk or parking adjacent to the roadway in front of said premises not to exceed eighteen feet apart. Where they are placed no vehicles shall be parked in the space included between them except for the purpose of loading or unloading of goods, wares, merchandise, materials or passengers. When there are two or more occupants of any premises who use a common entrance thereto, only one space can be so reserved.

(h) It shall be unlawful to park any vehicle on the streets of this city within fifteen (15) feet of a fire hydrant.

(i) No person shall drive any vehicle over any fire hose.

(j) The motive power, or engine, of any automobile or similarly driven vehicle shall not be left running while left unattended upon any street, for a longer period of time than fifteen minutes.

Section 7. RATE OF SPEED. (a) No person shall operate a motor vehicle on the public streets, lanes, alleys, or other public highways within the City at a rate of speed greater than is reasonable and proper, having regard to the traffic and use of the highway, street, alley or public place where said vehicle is being driven, or so as to endanger the life or limb of any person, or the safety of any property; and shall not, in any event, while upon any public street, lane, alley or other public highway within the City, run at a higher rate of speed than fifteen (15) miles an hour in the business portion, and not greater than twenty (20) miles an hour in all other portions of the City.

(b) That all street cars shall be provided with dimmers and while traveling on arterial highways and trunk line highways, said dimmers shall be used and the stronger light cut off.

(c) No motor vehicle shall be left standing or parked in any street, avenue or alley at night without the rear or red light burning; provided, however, that this provision shall not apply to vehicles parked in that portion of the city included in the fire limits.

(d) No vehicle shall be driven or maintained upon the streets or public places of such city, containing any material or load projecting a distance of more than two (2) feet from the rear end of such vehicle, unless the same shall be provided, from the hours of thirty (30) minutes after sunset to thirty minutes before sunrise such vehicle shall have attached to the rear end of such load, a red light of sufficient rays to be visible a distance of two hundred (200) feet, and if in the day time such signal shall be a red flag in place of such red light.

(e) All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

This ordinance shall be immediately published as required by the

Section 8. EQUIPMENT.

(a) Every bicycle, automobile, or other motor vehicle, in use upon the streets of the City of Escanaba shall have attached thereto a gong, bell, horn or other adequate signal in good working order and of proper size and character sufficient to give warning of the approach of such vehicle, car, engine or machine, to pedestrians and to riders and drivers of other vehicles and to persons entering or leaving street cars; but such gongs, bell, horn and other signals shall not be sounded except when necessary to give warning.

(b) No siren, whistle, gong, horn, or device, such as are used by the Fire Department vehicles, Police Department vehicles, Emergency ambulances, both public and private, U. S. mail vehicles and the emergency repair vehicles of public utility companies, shall be used on bicycles, motor bicycles, automobiles, motor trucks or other vehicles not herein mentioned and such use thereof is declared to be unlawful.

(c) All motor vehicles coming onto an arterial highway, a street upon which are located street car tracks, or trunk line highway from any alley shall come to a full stop and sound horn before crossing the sidewalk line.

(d) Every motor vehicle while in use on any public streets, lanes, or alleys of said city shall be provided with good and sufficient brakes, and every automobile shall have exhibited during the period from one-half hour after sunset to one-half hour before sunrise, two or more lamps, one on either side of said automobile and every motorcycle one lamp showing white light visible within a reasonable distance from the direction toward which such vehicle is proceeding and a red light visible from the reverse direction, and such direction only.

(e) Every automobile, motor vehicle or motorcycle using gasoline or other explosive mixture as a motive power, shall use a "muffler" which shall be sufficient to deaden the sound of the explosions, and such muffler shall not be disconnected or cut out while such automobile, motor vehicle or motorcycle is being operated upon any street, lane, avenue or alley within the City of Escanaba.

(f) That all electric headlights on automobiles shall be focused, hooded, or painted so as to keep the direct ray of said light not more than two and one-half feet above the surface of the street; that on all automobiles with dimmer light attachment, said light attachment shall be dimmed so as not to interfere with the vision of any person or persons approaching said automobile on the roadway.

(g) Dirigible search lights or "spot" lights shall not be used on the public streets or highways except in emergencies or when headlights are inadequate owing to rain, fog, etc., and then only provided their shaft of condensed light is directed well downward below the level of the lamp and at no time in the eyes of pedestrians or other drivers.

(h) That all street cars shall be provided with dimmers and while traveling on arterial highways and trunk line highways, said dimmers shall be used and the stronger light cut off.

(i) No motor vehicle shall be left standing or parked in any street, avenue or alley at night without the rear or red light burning; provided, however, that this provision shall not apply to vehicles parked in that portion of the city included in the fire limits.

(j) No vehicle shall be driven or maintained upon the streets or public places of such city, containing any material or load projecting a distance of more than two (2) feet from the rear end of such vehicle, unless the same shall be provided, from the hours of thirty (30) minutes after sunset to thirty minutes before sunrise such vehicle shall have attached to the rear end of such load, a red light of sufficient rays to be visible a distance of two hundred (200) feet, and if in the day time such signal shall be a red flag in place of such red light.

(k) All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

This ordinance shall be immediately published as required by the

Section 9. ACCIDENTS.

The driver of any vehicle who in any manner injures any person, property or other vehicle, shall stop and give reasonable assistance, and shall give the police, the person injured or the owner of the property injured, his name and address, the name and address of the owner of the vehicle he was driving at the time of the accident, and the registered number of the vehicle.

Section 10. PEDESTRIANS.

(1) That the roadbeds or driveways of the streets, avenues and alleys are primarily intended for vehicles, but pedestrians have the right to cross them in safety, and all drivers of vehicles shall exercise all proper care not to injure pedestrians. Pedestrians when crossing a street shall cross at right angles to said street, and shall not carelessly or maliciously interfere with the passage of vehicles.

(2) Pedestrians, for their own safety, shall cross streets only at street intersections.

Section 11. OFFICERS' CONTROL.

(a) At theatres and public gatherings or under unusual circumstances or in congested traffic, vehicles shall be parked or shall stand or move as directed by the police.

Section 12. NUMBER PLATES.

(a) That no person shall operate or drive a motor vehicle on the streets or alleys of this city unless the official number plates for the current year, furnished by the Secretary of State, shall be conspicuously displayed on front and rear of such vehicle.

Section 13. PERSONS WHO MAY NOT OPERATE MOTOR VEHICLES.

(a) That it shall be unlawful for any person under fourteen years of age, or for any intoxicated person or person under the influence of any stupefying drug, to operate a motor vehicle.

(b) That any person who permits a person under fourteen years of age or an intoxicated person under the influence of drugs, to operate a motor vehicle shall be deemed guilty of a misdemeanor.

(c) That it shall be unlawful for any person to drive a motor vehicle who has not in their possession a driver's or chauffeur's state license.

Section 14. HEAVY VEHICLES.

(a) That no person, firm or corporation shall be permitted to operate or drive any tractor or other heavy vehicle across crossings or sidewalks or on any improved streets or alleys in the City of Escanaba unless the wheels of such tractor or vehicle be smooth and free from lugs or projections of any description whatever, except the operator or driver of such tractor or vehicle lay heavy plank for the purpose of making a track for said tractor or vehicle and shall drive said tractor or vehicle on said plank.

Section 15. PENALTY.

(a) That any person or persons violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in a sum not less than one (1) nor more than one hundred dollars (\$100.00) or by imprisonment in the city or county jail for not less than one day or more than thirty days, or both such fine and imprisonment. That in addition to the aforesaid penalty any person, who having been convicted for any violation of any of the provisions of said ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in the sum of not less than twenty-five dollars (\$25.00) nor more than one hundred dollars (\$100.00) or by imprisonment in the county jail for not less than ten days nor more than ninety days or by both such fine and imprisonment in the discretion of a court of competent jurisdiction.

Section 16.

All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

This ordinance shall be immediately published as required by the

TWO HELD AS GAS BANDITS

C. A. Carlson Identifies Olson As Robber Who Attacked Him.

Carl "Red" Olson and Henry Moras, both of Escanaba, arraigned yesterday afternoon before Judge C. D. McEwen on charges arising from the holdup and robbery of the C. A. Carlson gasoline service station in South 8th ave., last Thursday night.

Olson was positively identified by Mr. Carlson, the 65-year old victim, yesterday. When Mr. Olson was dressed in the clothing which he is alleged to have worn at the time of the robbery, Mr. Carlson's identification was positive. Olson's face bears a scratch which Mr. Carlson said the alleged bandit received during the encounter in which the aged man was wounded on the hand by a bullet and in the head by a blow from the butt of his assailant's automatic pistol.

Olson was arrested in a local cafe early Sunday morning. Moras was taken into custody Sunday night.

Case Is Complete. Neither youth was asked by the officers to make a statement. Chief of Police John J. Tolan, still declining to make public the nature of the evidence which led to the arrests, declared that the cases against the pair are of the "open and shut variety" and that a lengthy chain of circumstantial evidence corroborates Mr. Carlson's identification. Mr. Carlson will be given an opportunity to identify Moras later—probably today.

Both Olson and Moras have "records." Olson has been implicated in a number of minor infractions but never has been charged with a major crime. Moras has been arrested several times on various charges. He was a companion of Wellington Wilson in the taxicab which killed two boys in Stephenson avenue about two years ago and like Wilson also was charged with

Charter, and shall be in full force and effect on and after April 1st, 1924.

Adopted at a meeting of the City Council held Wednesday, February 20th, 1924.

CARL E. ANDERSON, City Clerk.

Approved: T. M. JUDSON, Mayor.

EDITORIAL

LET US HAVE FACTS. There's an oil scandal on down in Washington. Perhaps you have read something about it, or maybe some friend has mentioned it to you. But whether you have heard of it or not, its there. Its right around the corner from the rumor factory and there is no unemployment in the rumor factory. The output for the past three weeks has broken all records; it has been simply marvelous, both for volume of production and for infinite variety. The demand has been heavy, in fact excessive, so they shut the plant down ten days ago to install additional machinery and stock up on raw material. But she's open again and we hopefully look forward to a rattling good business. It begins to look as though we are going to have the foam blown off the foaming beaker so we can look down and see just what makes the bubbles rise. And its time. It certainly would seem that after all the glorious sky-rocketing with which the public has been entertained, it is time for the public to get a look at the stick. Harry Daugherty has been the most assailed man in the United States since Former Secretary of the Interior Fall refused to testify Fall, on the ground that he might incriminate himself. Definite, specific charges were made against Fall. But nothing of that kind has happened in Daugherty's case. He has been charged generally—sort of a blanket charge—with incompetency or inefficiency, or a suspicion that he had bought oil stock. The charges are all so mixed and muddled with mere suspicion, so tarred with the political stick, that out of it all, it is difficult to grab any one definite or specific thing upon which to base an opinion. And that is as the rumor factory would have it. Put 'em on the defensive' has been the theory and the practice. But now its going to end. They caught a Tartar. Daugherty is going to fight. The Republican executive committee is going to fight. There is going to be opportunity to prove up on suspicions which have been woven into a semblance of truth for the purpose of prejudging the public in advance. Daugherty cannot be convicted any more than any other man on mere suspicion or circumstantial evidence without proof to back it. It is going to be no easy task and in its performance, we will be greatly surprised if the prosecution doesn't get caught in its own bear trap. If Senator Wheeler and Senator Walsh and others behind the campaign of political strategy think they are going to run the steam roller of public opinion over Mr. Daugherty's prone and prostrate body without a struggle, they are mightily mistaken. It begins to look like we are to have a demonstration of what happens when that hypothetical condition arises in which an irresistible force encounters an immovable body. But Daugherty is going to get a decent hearing before the senate committee or he's going to get it from the American people. That's the word with the bark on. Aha! The truth is out. Howard Carter was digging around in Tut's tomb to get something on the old boy that would tangle him in the Teapot Dome affair. And Tut being a Democrat, it was only natural that the Democratic Egyptian administration should fire him and seal the tomb. We note with interest that a ring of leather thieves is operating in St. Louis and we can't help but think of our favorite restaurant when we think of that. They say Henry Ford employs 162,792 men. And he's keeping a lot of others busy too. We note with interest that one of our Upper Peninsula dry goods emporiums has a tendency to draw the color line. An ad puts a price on "flannel pajamas for women—white or colored."

'The Doctor's Story'

BY JANE PHELPS.

WORK COMPLETELY FILLS HORACE'S LIFE. Chapter XLIII. Mrs. Calhoun remained nearly four weeks with Nancy. I bought them theater tickets, accompanied them occasionally, tried to have Nancy enjoy the unusual experience of having someone with her. But I saw in Nancy an added hardness, a something coarse and distasteful that had not been so evident before her guest's arrival. They had shopped a good deal and Nancy quite blossomed out in new and stylish clothes. I spoke of it to Mrs. Calhoun's departure, saying I was pleased. "I might as well spend the money as have it saved until you kill me off and let another woman spend it," she replied. "I never shall kill you off, as you express it, but you may kill yourself if you don't change your ways, have more cheerful thoughts. You are hurting yourself, Nancy, even more than you have hurt me. Physically and mentally you are harming yourself. I am speaking as a physician." "As you know I have no use for physicians! I thought I married a MAN, not a profession." "I say the same thing as a man. You are harming yourself."

have ALL my time now, or nothing. "You have been making big money, have enough to live on in some quiet place where we can begin life over again. You have no excuse to go on piling up wealth that I care nothing for. When you are ready to do this we can at least be friends, until you do—I am as you have made me." Had I? At times this question would beat in my brain, and I would go over our life together from the day I met Nancy until the present time. In no way could I see how I could have satisfied her save by giving up my ambitions, my life work. Times I might have been kinder at times I am ready to admit, that I might have been more patient; yet never had there been a time when she had not demanded my entire surrender to her, a surrender that I could not make and retain a shred of my manhood. Men in other walks of life may not understand the hold a physician's profession has on him, the almost utter impossibility of his succeeding at anything else, and when it has grown with them from their earliest boyhood days it becomes such a part of themselves that they would be useless in any other vocation. In our home I meddled not at all. I gave Nancy a generous allowance, increasing it from time to time as my finances warranted, and never questioned her expenditures. I often bought something for the house, a piece of furniture, books, and so on, but she never showed any pleasure, although she made no objections. If I sent her flowers they were placed on my library table, never in her room or in the sitting room where she spent her time. But we quarreled seldom now, and for that I was thankful, although her speech was often acid, so that I held a tight grip on myself to avoid wrangling, especially when the matter of her constant and consistent spying came up. In this she had never changed.

SAYS TOM Masterson, chief swapper of the Iron Mountain News' Trading Post column: "Of Special Interest to Hal Rammel, conductor of The Piffle Hook in the Escanaba Press, is the notation that he has also lost a pair of arched, overshoes or galoshes or whatever in heck they are called. We are undecided as yet whether to blame it on to Harry Sinclair, Leo Korsetz, Art's Gen. Daugherty, Fall or Denby, the captain of the Leviathan, Hiram Johnson or our own plain gosh darn carelessness." We hope Tom isn't trying to link us up with the oil scandal.

HARD ON THE EYES Brown-eyed girls in knickers. TRAGIC MOMENTS When you approach the box office of a theatre and discover you left your pocketbook at home. SHORT CUTS TO ALIMON Call her at 11 o'clock to tell her pop'll be home at 12:15 and then show up at 1:35. IT'S A WASTE OF TIME To send anonymous letters to newspapers. "Michigan has frog winter," declares a headline. When we are governor... —H. K. R.

"SIX DAYS" AT DELFT THEATRE WORTH SEEING

Excellent Cast in Film Version of Glynn Novel.

At the Delft "Six Days," a screen version of the Eleanor Glynn novel. The cast is headed by Corinne Griffith.

At the Strand "The Scarlet Lily," Katherine MacDonald is featured. Elinor Glynn has written an unusual and most absorbing screen story in "Six Days," which has been produced by Charles Brabin. It held the audience yesterday at the theatre where it will be shown for 2 more days, entirely in its spell. The characters are sympathetic and vividly portrayed; photography by John McCall is everywhere satisfactory and in many instances touches the highest pictorial beauty. The direction of Charles Brabin is of the kind that produces dream of but seldom get for their pictures.

The beautiful and charming Corinne Griffith heads the cast as Lillian Kingston, a young American girl engaged to Sir Charles Chetwyn, a wealthy Englishman. Frank Mayo is featured with Miss Griffith in the role of Don Leslie, the lover; Claude King is Sir Charles, and Myrtle Stedman, the girl's mother. Other important roles are played by Maude George, Spottiswoode Aitkin, Charles Clary and Evelyn Wash Hall.

Strand Bill Pleases The work of Miss MacDonald in "The Scarlet Lily," which will be shown at the Strand again today, is worthy of special comment. The part of this picture probably the biggest ever she has made is particularly adopted for her artistry. She is given adequate support by a cast which includes such players as Orville Caldwell, Stuart Holmes, Edith Lyle, Adele Farrington, Gordon Russell Grace Morse, Jane Miskin and each member of its merits individual praise.

Escanaba Girls Is Making Good Record

In the semester examinations held recently at the College of St. Teresa, Winona, Minnesota, Miss Mary Semer, of Escanaba earned honors in the following subjects: Paragrap Writing, Public Speaking, Spanish 1, Latin Prose, General Mathematics. Miss Semer is a graduate of Saint Joseph High School and is a Freshman at Saint Teresa's.

RAPID RIVER NEWS.

Peter Schultz was an Escanaba caller Wednesday. Miss Lulu Henski returned Saturday to Pittsburgh, where she is in training for a nurse. Miss Henka was called home by the death of her father. Miss Arlene Fish, who teaches school at Ensign, is spending the week-end here at her home. Mr. and Mrs. Frank Tappas were Gladstone callers Tuesday. John Grandchamp was a business caller in Gladstone Tuesday. Miss Eida La Violette returned Thursday morning from Escanaba and Gladstone, where she visited friends and relatives.

The American Legion and Auxiliary had a very enjoyable time last Tuesday evening when they held a joint meeting at the Macabee Hall. A very fine program of games followed the business meeting last but not least; was the pot-luck supper served the Auxiliary. In the future one joint meeting will be held each month commencing March 4.

Harry Buchman was an Escanaba caller Friday. Misses Arlene Fish and Leona Archambeau were Escanaba callers Saturday.

Mr. Ikonen of Trenary was a business caller here Wednesday. Erick Snell of Gladstone called on friends here Sunday.

Mr. C. Piel of Chicago is spending several days here on business. Mrs. Anthony Widmeyer returned Saturday from St. Paul where she was called by the death of her father.

Mrs. Leo Minor and children spent the week-end with relatives in Gladstone. Leslie Caswell is laid up with blood poison in his arm. Leona Archambeau who teaches school at Osler is spending the week-end at her home. Mrs. E. Arngquist and Mrs. Barbara Hruska were Escanaba callers Saturday.

Mrs. William Ebbeson of Masonville visited relatives here Sunday. Samuel Cassidy of Gladstone is spending the week-end with his grandmother Mrs. Levi Barboe.

Mr. and Mrs. Norman Hall were Escanaba visitors Sunday. Mrs. L. Barboe returned Tuesday from Gladstone where she spent the week-end with her daughter Mrs. Cassidy.

George Berzman was a business caller in Escanaba Tuesday. Mr. and Mrs. John Parent visited friends in Gladstone Wednesday.

Tuesday evening Feb. 26th, the American Legion Auxiliary, will serve the Booster Clubs banquet. Mesdames Viau, Hinman and Nap. Boudah were Escanaba callers Tuesday.

Monday evening March 3, the Ladies of the St. Charles Catholic Church will conduct a card

party at the Macabee Hall. Everyone cordially invited.

Mr. and Mrs. Elman of Chicago have spent the past month in this city.

Mrs. Sam. Minor of Osler spent Saturday with relatives in this city.

Hamer Billings has returned to Sands, where he has been working for the past month.

W. J. Belland was a business caller in Escanaba Tuesday. Henry Cassidy of Gladstone visited friends here Friday.

Mrs. Lawrence Lavelle and son Jimmie of Gladstone spent the week-end with her sister Mrs. Gerlach.

Mr. and Mrs. Fred Cavill are the proud parents of a baby boy born Wednesday. Both mother and baby are doing nicely.

Arnold Kirck of Minneapolis is spending the week-end at the home of his parents Mr. and Mrs. C. Kirck.

1921-U. S. destroyer Woolsey sunk in collision off Pacific Panama coast.

THOUSANDS HAVE KIDNEY TROUBLE AND NEVER SUSPECT IT

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record of success.

An examining physician for one of the prominent Life Insurance Companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. Dr. Kilmer's Swamp-Root is on sale at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper. Adv.

Stop Coughing

The simplest and best way to stop coughs, colds, croup, bronchial "flu" and grippe coughs is to take CHAMBERLAIN'S COUGH REMEDY. Every user is a friend.

OBITUARY

JACOB BERRINGER.

The body of Jacob Berringer arrived from Chicago Monday morning and was taken to the Alto Funeral Home where it will remain until the hour of the funeral which will hold this morning at nine o'clock at St. Joseph's church. Rev. Fr. Bertrand O. F. M. will be the celebrant at the requiem highmass. Burial will be in St. Joseph's cemetery in the family lot where his wife is buried.

The pallbearers are chosen from the ranks of the Luxemburger Bruderbund, Louis Wurth, John Fredgens, Nick Kintalinger, Nick Bours, Nick Thines, and Peter Bousch. The out of town relatives who have arrived for the funeral are Mr. and Mrs. Norman Poole, Minneapolis, Mrs. Jos Dault Rihlander Wis. Mr. and Mrs. Mike Decker, Miss Mildred Johnson and Gordon Johnson of Chicago, Ill.

Funeral services were conducted on Friday at Marinette over the body of Robert F. Goodman, founder of the Goodman Lumber Company and well known in Lumber circles throughout the peninsula. Of the funeral the Marinette Eagle Star said:

"The obsequies of the late Robert Franklin Goodman were held Friday afternoon at the home on State street. The house was filled with friends of the deceased. The Episcopal funeral service was read by the Rev. Fr. Potter Sabin. Mrs. J. H. Vermont, Menominee, sang two solos, "One Sweetly Solemn Thought," and "I Am Far From Home." Although the family requested that flowers be omitted there were many beautiful floral pieces.

"The cortege proceeded from the home directly up State street through the city park to Forest Home cemetery, where the deceased was laid to rest by the side of his brother, James B. Goodman, who died some years ago. Rev. Fr. Potter Sabin read

the burial prayers after which the casket was covered with the stars and stripes. Then a squad under the command of Lieut. Louis A. Mundt, fired three volleys and a bugler in the distance sounded taps. The late Mr. Goodman was a veteran of the Civil war and the Teddy Budlong post, American Legion paid him military honors. The firing squad consisted of the following: Oscar Dahl, Joseph Quigley, Vincent Budlong, Reuben Peterson, Warner Lund, Arthur Berg, Joseph Reynolds and John Kronka; color bearer, Alvin Stover; color guard, Andrew Christopherson, and Bugler, Henning Rydahl. "The pall bearers were W. C. Campbell, Ralph Skidmore, Ray Habley, Frank J. Lauerman, Thomas Finn, A. J. Whitford, O. P. Osthelder and Loren L. Prescott. The following ladies had charge of the flowers: Mrs. W. C. Campbell, Mrs. Ralph Skidmore, Mrs. Will Cleary and Mrs. Loren L. Prescott.

"Among those who came from outside to attend the services were George H. Hedquist and M. J. Fox, Iron Mountain; Mrs. Chas. F. Rea, Wausau; Edward J. Young, Madison; Frank A. Fuller, Oshkosh; Wm. L. Wagner, Chicago; Dr. J. W. Bishop, Chicago; Warren J. Davis, Racine, and David Wall, Robt. Smiley, George A. Houghton, Geo. W. D'Amour and Walter Hoyt, Goodman."

"The last rites were simple but impressive and in keeping with the unostentatious character of the man whose memory they honored."

ARE YOU FAT? JUST TRY THIS

Thousands of overfat people have become slim by following the advice of doctors who recommend Dr. Marmola's Prescription Tablets, those harmless little fat reducers that simplify the dose of the famous Marmola Prescription. If too fat, don't wait—go now to your druggist and for one dollar, which is the price the world over, procure a box of these tablets. If preferable you can secure them direct by sending price to the Marmola Co., 4412 Woodward Ave., Detroit, Mich. They reduce steadily and easily without tireless exercise or starvation diet and have no unpleasant effect.—Adv.

Birds-Eye Company Given Writeup in Financial Journal

"Serves a Nation's Veneer Needs," is the title of an illustrated article about the Bird's Eye Veneer Company of Escanaba, printed in this week's "Michigan Manufacture and Financial Record." A second heading says: "Escanaba Plant Controls 75 Percent of the World's Output of Birds-Eye Wood Sheets; Model of Cleanliness."

The article, which describes the plant in detail and sketches the scope of its business, is illustrated with pictures of the factory and of C. J. Byrns, general manager.

Special emphasis is laid on the fact that the Bird's Eye plant operated 12 months last year without a suspension of veneer cutting.

Do You Use Drugs?

Drugs That Have a Harsh Drastic Effect Upon the System Should Be Avoided.

When you have a headache, or catch a cold, or feel a bilious attack, or find that you are becoming constipated, is it necessary to drug your system to find relief? Positively not. There is no need to resort to harsh drastic drugs that are liable to have an injurious effect upon the nerves or heart.

Avoid the Doctor. Millions of people have found that the rich juices brewed from the plants, roots, barks, leaves, herbs and flowers of Bulgarian Herb Tea is an effective laxative tonic and positively harmless.

To relieve colds and aid in warding off influenza or pneumonia Bulgarian Herb Tea taken steaming hot with lemon juice is very helpful. See your druggist today and get a trial box of Bulgarian Herb Tea. Adv.

Alien War Veterans Can Get "Short Cut" Until March Third

Although G. N. Danielson, United States naturalization examiner, received the applications of a number of former service men who are not yet citizens, during his visit to the city last week, it was declared at the office of County Clerk George E. Harvey yesterday that a number of Delta County men, eligible for the "short cut to citizenship" because of their war service, have not taken advantage of it.

The government, until March 3, will waive "first papers" and some of the other formalities. After March 3, the formal two-year process will be required.

Applications received on or before March 3 can be heard at the July term of court.

At Fairbanks, Alaska, which is in the same latitude as Iceland, three men were prostrated by the heat last summer.

BRINGS THE ROSES TO CHILDREN'S CHEEKS

Mother: Brew Dr. Carter's K. & B. Tea at Home—Good Health to All the Family.

Keeps liver and bowels in proper condition and ends bilious attacks and sick headache. Give to the children when peevish. They like it, and it acts very gently on their little bowels. Be sure you get Dr. Carter's K. & B. Tea. Dealers, all druggists. Adv.

At Anemic Girls At Business Gain Strength on SCOTT'S EMULSION

Marquette Quintet Pleases Audience

The Marquette Normal College Male Quintet, a talented "string orchestra" under the leadership of Conway Peters, who was war-time director of the Camp Luce regimental band, gave a most pleasing concert in the Escanaba high school auditorium last night.

The program was well balanced and presented in a manner more "professional" than the general run of college musical organizations. Vocal numbers and string quartets were featured.

A good-sized crowd was greatly pleased with the concert.

Rub on Sore Throat

Musterole relieves sore throat quickly. Made with oil of mustard, it is a clean, white ointment that will not burn or blister like the old-fashioned mustard plaster.

Just spread it on with your fingers. Gently but surely it penetrates to the sore spot and draws out the pain. To Mothers: Musterole is now made in milder form for babies and small children. Ask for Children's Musterole. 35¢ in jars & tubes; hospital size, \$1.00.

BETTER THAN A MUSTARD PLASTER

Polarine MADE IN FIVE GRADES CONSULT CHART

Are We Extravagant?

Here are some costs on Studebaker cars— Would you have us cut them down?

WE are lavish on Studebaker cars. For some features we pay three and four times what they need cost. Here are some of those costs which affect you. Tell us—would you want any one reduced? Our prices on high-grade Sixes run from \$975 to \$2685. They stand at bottom in the fine-car field, despite these extra costs. All because the demand requires 150,000 cars per year. But they could be lower if we cut these costs. Would you have us do it?

Engineering—\$500,000 Our engineering departments cost us \$500,000 yearly. Our Department of Research and Experiment employs 125 skilled men. It spends vast sums in analyses and tests. Our Bureau of Methods and Standards fixes every formula, every requirement. It makes 500,000 tests per year to maintain our high standards. We make 30,000 inspections on every Studebaker car during manufacture before it goes out of the factory. We employ 1,200 men to do that. Those are heavy costs. But remember how they are divided—by 150,000 cars per year. They form, but a trifle per car.

\$50,000,000 in plants We have invested \$50,000,000 in modern plants and equipment. \$8,000,000 in drop forge plants. \$10,000,000 in body plants—as the only way to do Studebaker coach work. These plants are equipped with 12,500 up-to-date machines, many of them very expensive. But consider the alternative. Profits to other makers. We save up to \$200 on some bodies by building them ourselves.

15% extra on steel On some steels we pay a bonus of

LIGHT-SIX	
5-Pass. 112" W.B. 40 H.P.	
Touring	\$1045.00
Roadster (3-Pass.)	1025.00
Coupe-Roadster (2-Pass.)	1195.00
Coupe (5-Pass.)	1395.00
Sedan	1485.00

15% to the maker. Just to get our formulas exact. We could save that extra on "commercial runs." We machine the entire surface of crank shafts, as was done on Liberty Airplane Motors. The extra cost is \$600,000 per year. But the results are that perfect balance, that absence of vibration. Every Studebaker car is Timken-equipped. The Special-Six and the Big-Six have more Timken bearings than any car selling under \$5,600 in America. The Light-Six more than any competitive car within \$1,700 of its price.

Don't Buy a Fine Car until you see the leaders

Studebakers hold the top place in the fine-car field today. Last year, 145,000 people chose them against all rivals. They paid \$200,000,000 for them. For 72 years the Studebaker name has stood for the utmost in quality. It will never stand for less. Today there are assets of \$90,000,000 staked on the Studebaker cars. Don't pay \$1,000 or more for a car without knowing what Studebaker offers. You will find here some scores of advantages. Learn what they mean to you.

Other costly extras Our bodies are finished with 18 operations, including 15 coats of paint and varnish. We use real leather upholstery. The cost is about \$25 per car over imitation leather. That Chase Mohair upholstery in floored cars is made from the soft fleece of Angora goats. A velour of worsted upholstery would save us up to \$100 per car.

The many extras on our large closed cars would cost much if you

SPECIAL-SIX	
5-Pass. 119" W.B. 50 H.P.	
Touring	\$1425.00
Roadster (2-Pass.)	1400.00
Coupe (5-Pass.)	1895.00
Sedan	1985.00

bought them. The nickel-plated bumpers, the extra disc wheels and cord tires, the steel trunk, the courtesy light, etc.

Extras to our men We pay the highest labor scale. Then we add extras to it. Men who are with us five years or over get 10% of their year's wages in an anniversary check. Those anniversary checks last year cost us \$1,300,000. After two years all employes get a week of vacation with pay. That cost us last year \$225,000. Old employes who retire get pensions. Our co-operative department costs us \$2,000,000 per year.

All this to keep men with us while they grow more and more efficient. To make them happy, so they do their best. This is all paid by people who buy Studebaker cars. But we figure that each such dollar saves us five dollars. Don't you agree with us?

The utmost in car value

The object is to give you the utmost in car value. You will find we do that if you make comparisons. In any Studebaker model, you will find scores of ways in which it excels any rival car.

That is why, in the fine-car field, the Studebaker leads. The demand has almost trebled in the past three years. These cars have become the sensation of Motordom. On some of these models we have never yet been able to meet the demand.

We spend money lavishly. We build without regard to cost. But, in our quantity production, we still bring costs to bottom.

You should learn what these things mean to you before you buy a car.

BIG-SIX	
7-Pass. 126" W.B. 60 H.P.	
Touring	\$1750.00
Speedster (5-Pass.)	1835.00
Coupe (5-Pass.)	2495.00
Sedan	2685.00

WISTER STORK EXPERIENCES A BUSY WEEK-END

Four Baby Boys Arrive In Manistique Homes.

Rumors that the "first robin" had selected Manistique as his permanent residence were quite overshadowed by the reports of the activities of Mr. Stork, who made four calls at Manistique during the past week-end, each time delivering a precious little "One Boy".

A son was born to Mr. and Mrs. Nels Minor, Front street.

On Saturday, February 23, two boys were born to Mr. and Mrs. Chas. Pierce, Lockhart district.

Early Sunday morning, a son was born to Mr. and Mrs. William Strehl, Oak street.

Employees of the Manistique street department began yesterday to haul away the snow on Cedar street, in preparation for the early thaw, which has already caused some surface water on the streets.

This is fine weather for taking snap-shots. For the best results take your little camera negatives to Braunt for finishing.

100,000 PEOPLE PRAISE TANLAC FOR ITS MERITS

World's Greatest Tonic Is Endorsed by People Grateful for the Relief It Has Given Them.

Actuated by a deep sense of gratitude and desire to help their suffering neighbors, more than 100,000 well known men and women have offered their personal experiences as proof of the wonderful health giving powers of TANLAC, the World's Greatest Tonic.

Throughout each and everyone of this long list of testimonials rings the spirit of earnest sincerity which characterizes the following excerpts:

Mrs. D. J. Pritchard, Cleveland, Ohio: "People wanting to know what TANLAC will do may communicate with me. It increased my weight 32 lbs. and brought me the very help I longed for."

J. H. Taylor—Memphis, Tenn. "To me TANLAC was just like a good friend—it gave me help when I needed help most."

Mrs. Mary Schumaker, Racine, Wis.: "Every year at the change of seasons a course of TANLAC makes me eat with a relish, restores my strength and leaves me in splendid health."

Judge George P. Wagner, Police Magistrate, Belleville, Ill.: "That I am enjoying such fine health now I can attribute only to the help I received from TANLAC."

Mrs. C. K. Sellers, Springfield, Mo.: "Since taking TANLAC I enjoy the blessing of perfect health and have the complexion of a schoolgirl."

V. E. Ferry, age 73, Seattle, Wash.: "TANLAC built my weight up 21 lbs., rid me of fifteen years stomach trouble and left me feeling many years younger."

TANLAC IS FOR SALE BY ALL GOOD DRUGGISTS. ACCEPT NO SUBSTITUTE. OVER 40 MILLION BOTTLES SOLD.

TAKE TANLAC VEGETABLE PILLS.

STOP ITCHING SKIN—Zemo the Clean, Antiseptic Liquid, Gives Prompt Relief

There is one safe, dependable treatment that relieves itching torture and that cleanses and soothes the skin. Ask any druggist for a 35c or \$1 bottle of Zemo and apply it as directed. Soon you will find that irritations, Pimples, Blackheads, Eczema, Blisters, Ringworm and similar skin troubles will disappear.

BIG CROWD IS OUT TO ENJOY THE DOG DERBY

First Event of Kind Proves A Great Success

Dog races proved a popular drawing card for the Saturday afternoon crowd of Manistique folks, and River street was thronged with people old and young, watching the Manistique young men's dog derby, the first event of its kind ever put on at Manistique. Members of the committee in charge of the race said yesterday that if the enthusiasm of the crowd was any indication, their experiment had proven a success, and the race should be made an annual affair. The results of the races showed a victory for the dogs that were well-trained. With scores of youngsters and older folks swarming over the race-course at the start and finish, the dogs that were novices became excited, and were not able to do their best work. Other dogs, not sufficiently trained for racing, were willing to run only when headed for home.

A beautiful white collie, a product of the Oshkosh (Wis.) kennels and driven by Boyd Bolitho, was the winner of the two-mile, or free-for-all, in which dogs of all sizes participated. In the other two races, the dogs were classified according to size. The class "A" event was won by a collie driven by Stewart, with Martin's little black dog a close second. Martin was also the winner of second place in the free-for-all in which the Stewart youngster took third place.

John Girvin drove his husky collie to victory in the class "B" race by outgeneraling Boyd Bolitho, driver of the white collie that took second money in this event. Lyle Wilson got away to a bad start, but was able to finish third, though his dog was handicapped by the crowd of youngsters that surged over the street after the two leading dogs had passed.

Several other dogs were entered but did not finish in their races, due to the fact that they became unmanageable and excited before the crowd of spectators.

MANISTIQUE MAY YET ENTER THE CAGE TOURNEY

Players Eager To Show Stuff At Menominee

Though no decision had been made by school authorities, there were indications yesterday that the Manistique high school basketball team might yet enter the Menominee tournament, in spite of their loss of the last game to Escanaba last Friday.

The men of the team are eager to take part in the tournament and show what they can do. Fans in general were pleased with the fighting spirit and team work the local team has exhibited in recent games, and hope to hear of the school's decision to send the team to Menominee.

Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen, of Rochester, N. Y., suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that the only cure for rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally completed a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Altorho, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed druggists everywhere to dispense Altorho with the understanding that if the first bottle does not show the way to complete recovery he will gladly return your money without comment. Peoples Drug Store can supply you.

TONSILITIS Apply thickly over throat—cover with hot flannel—VICKS VAPORUB Over 17 Million Jars Used Yearly

Zemo the Clean, Antiseptic Liquid, Gives Prompt Relief

Cough, cough, coughing—all night long

You can stop it. . . That cough—it keeps you awake at night, breaks your rest, wastes your strength, endangers the delicate tissues of your throat and chest—break it up now.

For more than fifty years, thousands of families have relied upon Dr. King's New Discovery to break up coughs. It does this quickly, naturally by stimulating the mucous membrane to throw off the secretions that are clogging them. Harshly, and without any bad after-effects, it quiets the throat and lung spasms, and the irritation that is causing the cough then promptly clears up. It has an agreeable taste. All druggists.

EXPECT FULL HOUSE TO SEE "A FULL HOUSE"

Curtain Rises On Play At 8 O'clock Tonight.

Indications are that a full house will greet "A Full House" at the Manistique high school auditorium tonight, and those in charge of the play also promise that it will be a "house full of laughs."

The play is a three-act farce, presented by the young people of St. Francis church, and given under the auspices of the local Lady Foresters. The curtain rises at eight o'clock, following a musical prologue by the high school orchestra. Between acts, there will be songs by Edith Rowman, and the orchestra will play again at the conclusion of the play.

All of the action in the play is laid in the drawing room of an apartment on Riverside Drive, New York City. The story deals with a young lawyer—newly married—who leaves his bride to go on a business trip the day after the wedding. While he is away, a train wreck and a robbery occur. A web of circumstances surrounds the husband, and he is suspected of being the thief.

He returns to an anxious and unhappy wife, and has a hard time trying to convince her that he is innocent. The situations that arise are full of sparkling humor. Susie the maid, played by Mary LaBelle, and Parks, the butler, played by William Stewart, contribute in no small manner, to the many laughs of the show.

W. O. W. Band Will Meet To Practice Every Sunday P. M.

An enthusiastic meeting of the W. O. W. band was held at the K. P. Hall Sunday afternoon, inaugurating a series of regular weekly rehearsals, which will be held in preparation for the summer concert season.

After playing a few selections, the band members adjourned to the dining room, where a six o'clock dinner had been prepared for them by Capt. George Hamill, director of the band. The banquet was followed by a short business session, in which the members voted unanimously to make the rehearsals a regular weekly event, beginning next Sunday afternoon. These meetings will begin at two p. m., and continue until about four.

The personnel of the band will be practically the same as last year, though some new members have been added since their last appearance in public here.

A letter from General Mathers, adjutant of the W. O. W., was read at the meeting. General Mathers commended the Manistique band for their past performance, and assured them of a cordial invitation to attend the next W. O. W. encampment.

CITY BRIEFS

As a result of an injury received while tobogganing on Saturday evening, Mrs. J. D. Brown is confined to her home on Terrace avenue.

George J. Nicholson went to Minneapolis Friday night. He was accompanied by Miss Betty Baker and Norris Barton.

Mrs. M. Rosenblum and daughter, of Escanaba, is visiting at the home of her parents, Mr. and Mrs. Robert Rubin, Manistique.

1909-Austria and Turkey signed a protocol settling the compensation of the annexation of Bosnia and Herzegovina.

STATE OF MICHIGAN Circuit Court For The County Of Delta: CHARLES LONGTINE, Plaintiff, vs. PAUL H. MCCORMICK, Defendant.

H. L. MEAD, District Attorney. First National Bank Building, Manistique, Michigan. The Advertiser, Manistique, Michigan. Hours: 9 to 12, 1:30 to 5. Other hours by appointment.

SAUER KRAUT SLEIGH GOES ON LONG TRIP

Manistique - Made Product Advertisied in Novel Way

"Sauerkraut; the poor man's dish, the rich man's medicine," is the slogan inscribed on a canvas covered sleigh which left Manistique yesterday loaded with Manistique made sauerkraut, destined for Escanaba.

This unusual and effective method of advertising is the idea of B. P. Pollock, Manistique, who for the past two years has been manufacturing sauerkraut from cabbage grown in this vicinity.

Mr. Pollock is a firm believer in the value of sauerkraut as a health food, and has evolved a score of different recipes for making sauerkraut into delicious salads, etc.

The sleighload of "health in harness" left Manistique shortly before noon Monday on its long journey into Delta county.

Harold Anderson About Chemistry About Chemisry

Mr. and Mrs. Johannes Anderson, Cedar street, recently received a copy of a book, published at New York, and entitled "Chemical Calculations" one of the authors of which is their son, Harold W. Anderson.

Mr. Anderson received his early education at Manistique, and entered the University of Michigan, where he graduated in the chemistry department. He is now instructor in chemistry at Lehigh University, Bethlehem, Pennsylvania.

The book prepared by Mr. Anderson in conjunction with another Lehigh professor, took more than six months to prepare, and is designed for use as a text book.

SNOW MOBILES PLAY PART IN WINTER SPORT

Ski Riders Try Out A New Stunt Sunday

The snowmobile was put to a new use in Manistique Sunday as a factor in winter sports, rivaling the motor skating at Lake Placid.

Long ropes were fastened to the rear of the snowmobile, which is the property of the People's Auto and Tractor Co., and ski riders clung to the ends of the ropes. Driven out over the country roads at a fair rate of speed, the mobile furnished plenty of thrills for the skiers at the ends of the ropes. Spills were frequent, but the skiers had only to let go of the rope and pick themselves up.

Nessman-Swanson Nuptials Take Place Saturday

The marriage of Miss Ina Nessman of Manistique, to Gunnar Swanson, Iron Mountain, took place at Manistique Saturday, the ceremony performed by Rev. R. S. Sidebotham of the Presbyterian church. The couple was attended by Conrad and Helma Johnson of this city.

The bride is a well-known Manistique young lady, the daughter of John Nessman, Garden avenue. Mr. Swanson was formerly a resident of this city also, but is now employed at Iron Mountain, where the newly-married couple will make their home.

A minor fire at the home of Fred Lundberg, near the County House, brought out the Manistique fire department Saturday evening.

NEW WAY TO BANISH RHEUMATIC PAINS DISCOVERED BY ALESSANDRO VOLTA

Rids You of Rheumatic Pain Without Drugs or Medicines.

Until recently, the real cause of Rheumatism was a scientific inquiry. And, naturally, the old-fashioned methods of treatment with internal remedies were uncertain and sometimes dangerous.

Now it has been definitely established that rheumatic pains are caused in many cases by the absorption of poisons into the blood.

Alexandro Volta, the well-known physicist, for whom the electric volt was named, has produced an entirely new and revolutionary method of treatment for Rheumatism. He discovered a scientific combination of certain ingredients that produces a fine powder which, when shaken into the shoes or stockings is intended to be immediately absorbed into the blood. This is due, no doubt, to the fact that the soles of the feet contain 10 times as many pores to the square inch as are found in other parts of the body.

He has called this powder Volta. Its use has given immediate relief to many instances, from the terrible crippling, torturing pain even in stubborn, long-standing cases.

COMMUNITY CLUB WORK BEGINS TODAY

Committee Will Sign Up Members for Gladstone's Booster Organization.

The active organization of Gladstone's Community booster club, which was in reality formed when four hundred loyal Gladstone citizens pledged their support to it, at the Community club banquet on February 19, will begin today when members of the committee will begin their work of signing up those who are backing the booster organization.

A meeting of the committee by unanimous vote at the banquet was selected to continue as the booster club committee, City Manager C. W. Ham, E. A. Erickson, Mrs. Max Neveaux, J. A. Olson, James T. Jones, Dan Sullivan, Joseph Sturgeon, and Leonard Clapp, was held last night at the city hall.

Membership blanks were distributed among the committee members and an outline of the membership soliciting made at the meeting, with a division of the committee workers into teams.

Indications are that Gladstone's community club will number over 300 people, although this is but an estimate and the number may go much higher. Many have already signed their pledge of membership and the committee will begin its work this morning with the knowledge that the sincere enthusiasm shown at the big banquet was but a demonstration of the approval of the entire community of a movement for the betterment of the city.

Organization. The committee will complete its canvass of the city as soon as possible and the organization of Gladstone's community booster club, adoption of its by-laws and election of its officers will then follow at a general meeting.

Supt. Teague Goes To Convention

Supt. C. H. Teague left Saturday night for Chicago where he will attend the convention of the National Education Association, Department of Superintendents, which is in session at the Congress hotel. The convention, at which superintendents from all parts of the country are in attendance, will continue through Thursday, Mr. Teague returning to Gladstone the latter part of the week.

Is Recovering After Operation

The condition of Leonard Hendrickson, who is ill at the St. Mary hospital, Detroit, following an operation for relief from appendicitis, is improving, according to latest word from his mother, Mrs. Hulda Hendrickson, who is in Detroit with him. While the young man's condition is serious, there is now every hope for his recovery. His sister, Mrs. Henry Bruemmer of Milwaukee, is also with him.

Plate Glass Pane Replaced

Replacement of the plate glass window of the east side of the E. Erickson store with a new pane of glass was completed yesterday. The old window had, due to unavoidable conditions, cracked almost completely across.

Mrs. Tillman Returns Home

Mrs. V. E. Tillman, who has been seriously ill at the St. Francis hospital in Escanaba, returned Sunday to her home here. Mrs. Tillman is still suffering from partial paralysis but her condition is considerably improved.

Picture Work For Annual Completed

All pictures for the 1924 Minnewacian will be in this week, it was said yesterday by those in charge of the high school year book. Work will be started immediately upon subscriptions in order that an exact count of the number of books to be ordered may be had. No extra copies of the annual will be ordered this year and those who wish to own the 1924 book, must place their order with the solicitors.

Episcopal Guild Meets Wednesday

Trinity Episcopal Guild will meet with Mrs. Charles Slinning, Lake street, Wednesday afternoon at 2:30 o'clock. All members are requested to be present.

City Manager Ham Addresses Kiwanis

C. W. Ham, city manager of Gladstone, addressed members of the Kiwanis Club of Escanaba at the noon luncheon at the Ludington hotel yesterday. Mr. Ham spoke on "Gladstone and Municipal Affairs and their relation to Escanaba."

Grouleau's Will Play at Kipling

Grouleau's orchestra has been engaged to play for a dancing party which will be given at Kipling Wednesday night. A number of Gladstone people plan to attend.

A group of nineteen Gladstone young people enjoyed a sleigh ride to the Albert Gagnon farm at Flat Rock, Sunday. Dancing and music were enjoyed during the afternoon and a chili supper was served, followed by the return ride to Gladstone.

CIVIC LEAGUE MEMBERS TO MEET TONIGHT

A meeting of the Gladstone Civic League will be held this evening at the home of Mrs. Brown, Dakota avenue. This will be the regular meeting of the League.

A business session will be held during the early part of the evening. Action will be taken at this time toward securing magazines for the Power's sanitarium. A fund of \$25 was voted for this purpose at the last meeting, but action was not taken pending word from the patients at Powers as to what reading matter they desired.

The business meeting tonight will be followed by a social and a pot luck supper.

PERSONALS

Mr. and Mrs. William Chase have left for Green Bay where they will make their home.

Mr. and Mrs. John Beauchamp are the parents of a daughter, Lucille Charlotte, born February 21. Both mother and daughter are doing nicely.

Louis Moray of Trout Lake was a visitor here Sunday.

Miss Aileen Hufford, who spent the week-end here, has returned to Milwaukee Downer College.

Leo Braslek left yesterday on a business trip to Minneapolis.

If you are interested in art needle work, see our window display. Sam Rosenblum. 7901-57-21.

MEETINGS OF THE WEEK ARE ANNOUNCED

Activities for the week at the Swedish Mission church, have been announced as follows, by the pastor, the Rev. Isak Skoog:

Tuesday evening, services with sermon by the Rev. J. Anderson of Stephenson, who will be the guest of the Rev. Mr. Skoog.

Wednesday evening—Choir practice.

Thursday evening—Services with sermon by the Rev. Hogberg, traveling missionary for the upper peninsula, see our window display.

ENTERTAIN WEDNESDAY AT CARD PARTY

Invitations are being issued for a card party which will be given Wednesday evening at All Saints' parish hall by members of the Catholic Order of Foresters, Sacred Heart court, for the members of the order and their friends.

The program being arranged for the evening will include contests in Pedro, with prizes for the winners of honors in the games. Refreshments will be served during the evening.

Mrs. James Murphy is general chairman of the affair. Assisting her are Mesdames John Schustarich, J. C. Titworth, Henry Raiche, A. Remard, George Beveridge, E. Laidlaw, E. Brooks, William Masterson, George Schreuder and Elmer Vanderberg.

Girls Take Hike To Escanaba

A group of Gladstone young people took a hiking trip to Escanaba Sunday afternoon. The girls hiked the entire distance and enjoyed a theatre party after their arrival. Those in the party were the Misses Louise Stock, Mary Stock, Louise Schram, Rose Brockaert, Madeline VanderWeghe, Rose Demunter, Lydia Stock and Mary Demunter.

Will Hold Prayer Meeting Wednesday

A prayer meeting will be held by members of the Swedish Lutheran congregation Wednesday evening at 7:45 o'clock at the home of Fred Lindberg, Buckeye addition. The Rev. C. E. Olson pastor, will be in charge.

QUINTET TO GIVE CONCERT HERE TONIGHT

Secured for Appearance While on Tour of Upper Peninsula.

Presenting a program that merits more than ordinary approval the Northern State Normal quintet, a group of talented young men of the Normal at Marquette, on a tour of the upper peninsula, will make its first appearance in Gladstone this evening at 8:15 o'clock at the high school auditorium.

The Northern Normal musical organization, which is winning praise at its every appearance in various cities in the peninsula, has been secured for the program in Gladstone through the efforts of the Junior and Senior student bodies and the entertainment tonight will be for the benefit of the school. The ticket sale is in charge of the students.

The quintet, which in the opinion of President Munson of the Normal, ranks with the best of lycium numbers, has as its members, Conway Peters, musical director of the school and an accomplished musician, who is first violinist; Theodore Fryfogle, second violin; Raymond Lemieux, viola; William Nordling, cello; Edwin Hosking, piano.

The young men also form a male quartet, Raymond Lemieux, first tenor; Edwin Hosking, second tenor; Theodore Fryfogle, first bass; William Nordling, second bass, with Mr. Peters at accompanist.

The program for tonight, which is varied and well balanced and which will undoubtedly attract a capacity audience is: Five—Brahms—Roberta.

When Dawning Springtime—di Capua.

Soldiers' Chorus from Faust—Gounod.

Male quartet. Le Cygne—Saint-Saens. Cello solo, Mr. Nordling. Just Been Wondering—Canning.

Tenor solo, Mr. Hosking with violin obligato. Pizicato Polka—Strauss. To a Wild Rose—McDowell. Over the Ocean Blue—Bretelisky.

Violin Duet, Mr. Fryfogle and Mr. Peterson. Gipsy John, Clay. Down in Mobile, Southern song.

Violin solo, Conway Peters. Lion du Bal—Gillet. Love's Dream after the Ball—Czibulka.

Bring Along—Cook. Come, Men of Northern—Peterson.

Male quartet.

ANN ARBOR ENGINEERS CALLED HERE

W. C. Hoad and R. L. McNamee of the consulting engineering firm of Hoad, Decker, Shoecraft & Drury of Ann Arbor, spent Saturday here with City Manager C. W. Ham, looking over Gladstone's waterworks, intake pipe and sewerage disposal plant.

Their report on their findings will be made within a short time, from Ann Arbor and will be made known by the administration.

The engineers, after finishing their work at Gladstone went to Escanaba where their services had been requested in locating the cause of the disagreeable taste in the neighboring city's water supply.

Two Chimney Blazes Call Department

The fire department answered two chimney calls during the week end. A blaze at the Cyril Van Rossem residence, Twelfth and Minneapolis, was extinguished with one large and one small chemical. This call came in at 10 o'clock Sunday morning. A second chimney fire at the Sam Rosenblum store called the department out at 6:10 o'clock Monday morning.

Missionary Society Meets Wednesday

A meeting of the Woman's Home and Foreign Missionary society of the Swedish Lutheran church will be held Wednesday afternoon at 2:30 o'clock at the home of Mrs. C. W. Elquist, 907 Wisconsin avenue. Regular business will be transacted and a social hour will follow the business meeting. All members are requested to be present.

A Good Thing—DON'T MISS IT. Send your name and address plainly written together with 5 cents (this is to Chamberlain Medicine Co., Dept. 1000, Lowell, and receive in return a trial package containing Chamberlain's Cough Remedy for coughs, colds, croup, bronchitis, "flu" and whooping cough, and leading throat Chamberlain's Home-Use and Little Tablets for stomach troubles, indigestion, many pains that crowd the busy, bustling, modern world.

BOYS RETURN FROM MEETING AT ISHPERING

Gladstone's delegation to the tenth annual conference of the upper peninsula boys of the upper peninsula—Keith Campbell, Gordon Seeger, Russell Skellenger, George Minnie, George Empson, Herbert Fletcher, Harold Bjorkman and Clifford Goodman, with their leader, Matthew Wagner, returned Sunday from Ishpeming where they went Friday to attend the sessions of the conference.

The boys expressed their joyment of every minute of the conference and gave considerable praise to Ishpeming's hospitality as shown by their entertainment in Ishpeming homes during the conference.

The principal feature of the conference, aside from the program followed, as outlined, was the determination, one of those present said yesterday, of the conference teams to fight the good fight, or the fight for character, and a resolution which embodied that spirit and its consequences after the delegates had returned home, as well as the aiding of other boys to acquire it, was taken by each team at the close of the conference.

Over 400 upper peninsula boys were present from St. Ignace to Sault Ste. Marie and from Ironwood to Menominee. Among the noted speakers, who were from Ohio, Michigan and New York, particularly enjoyed by the Gladstone boys, was a talk by Stanley Mulhearn, tackle on Coach Yost's Michigan university team for three years. The Gladstone delegation, it was noted, was one of the few groups with a one hundred per cent attendance at all meetings.

Among other features not on the program, enjoyed by the boys, were a parade by the delegations through the streets of the city in which Gladstone with its eighteen foot sign attracted much notice; a basketball tournament among fourteen conference teams which was won by Negaunee, along with the trophy, a tin cup, and a skiing tournament.

Wolverines Trim Hawkeyes

MICHIGAN IS VICTORIOUS BY 27-25 SCORE

Score Is Tied 13 All At End of First Half.

(By The Associated Press.)
Iowa City, Ia., Feb. 25.—Iowa University lost to Michigan 27 to 25 tonight in a western conference basketball game. Both teams fought hard but superior basket shooting gave the visitors the victory.

Michigan took the lead early in the game and had a neat margin with but a few minutes left in the first half, when Iowa started a rally and the score was tied, 13 to 13, at the half ended.

The Hawkeyes slumped at the beginning of the second half and the visitors again picked up a lead, the score at one time being 24 to 16. The Iowa five brought the score to 27 to 25, but failed in a brilliant attempt to tie the score.

Hicks starred for Iowa, while Doyle and Deng starred for Michigan. Both teams presented a flashy offense and good defenses but neither five passed well. Michigan showed decided superiority in basket shooting while Iowa's floor work excelled that of the visitors.

The lineup and summary:

MICHIGAN (27)	IOWA (25)
Henderson	Laude
Haggerty	Janee
Doyle	Doyle
Deng	Hicks
Kipke	Hicks

Scoring: Field goals—Janee 2; Jensen 3; Hicks 3; Henderson 2; Haggerty 2; Doyle 3; Deng 2. Fouls—Laude 1 out of 1; Janee 3 out of 3; Jensen 2 out of 2; Hicks 1 out of 2; Speed (sub for Duhm) 3 out of 3; Henderson 3 out of 3; Haggerty 3 out of 4; Doyle 1 out of 1; Kipke 1 out of 2; Deng 1 out of 2. Referee—Burger, Chicago.

LOCAL SKATERS TO TRY SPEED

Will Enter Gladstone Ice Carnival This Evening.

A number of local skaters will take part in the Gladstone speed skating carnival to be held at the Gladstone Skating rink tonight, beginning at 9:00.

Pete Dube of Escanaba will skate a three mile speed relay against three Gladstone speedsters. This is expected to prove the feature of the evening.

In addition to this event, there are two boys' races, two for ladies and two for men. Escanaba skaters competing to enter the men's races are: Pat Fredrickson, Art Carlson, Ed Cash and Ed Siverson. Leo and Ray Dube will enter the boys' events and Lucille Dube the women's races.

The boys' and women's races will be for a quarter mile and a half mile, and the men's races for a half mile and a mile. A number of prizes will be awarded by the management.

Gladstone has extended an invitation to any amateur skater who wishes to do so to take part in any of the six events, and in addition to Gladstone and Escanaba speedsters a number of other skaters will take part.

It is expected that a large number of Escanaba skating fans will journey to Gladstone tonight to witness the events.

No one will be allowed on the ice before and during the races, but general skating will follow after the close of the racing program.

CITY BRIEFS

Mr. and Mrs. G. McCormick returned to Marquette after a week-end visit in this city.

Miss Alma Bertrand returned to her home at Marquette, after a visit at the home of Mr. and Mrs. E. L. Beauchamp, So. 16th street.

Mrs. Ed. Arvidson and daughter returned to Ishpeming, after a visit at the home of Mrs. Adolph Peterson, No. 11th St.

Mrs. C. Quintin left yesterday for a few days' visit at Little Lake.

Miss Ida Pearson returned from Chicago where she won in the interests of the Fair Store Art Department.

Rev. Bishop P. J. Nussbaum, C. P. is a guest at St. Joseph's Rectory, enroute to Marquette, after a visit to the various parishes in the Diocese.

Miss Violet Page and Miss Mildred Kake visited here yesterday enroute from Gladstone to Ishpeming.

Mrs. John Wroblewski of Detroit, formerly Miss Edith Savanna of this city, is visiting at the home of Mr. and Mrs. Dave Savanna, 508 South Sixteenth Street.

1922—Finnish Minister of the Interior Ritavuori was assassinated at Helsinki.

BIG CHILEAN WANTS CHANCE AT DEMPSEY

Rickard Working On Plans For Match Now

(By The Associated Press.)
New York, Feb. 25.—Jack Dempsey may be called on to defend his heavyweight championship against a new South American menace next fall, if present plans of Tex Rickard materialize.

The promoter announced today that he guaranteed Quinten Romero Rojas, Chilean heavyweight, a purse of \$100,000 for a title fight with Jack Dempsey, possibly in September, if he succeeds in disposing of three preliminary opponents. Rickard has come to a definite agreement with the Chilean and cabled the boxer today to fix the earliest possible date on which he can reach this country.

Romero-Rojas has been offered the same opportunity to gain ring fame and financial reward that fell to Luis Angel Firpo last year, Rickard said, adding that reports reaching him justified the prediction that the Chilean might prove an even greater sensation than the Argentine, who gained a match with Dempsey after cutting a wide swath through heavyweight ranks.

ROCKNE SPIKES FOOLISH RUMOR

Notre Dame's Training System Very Rigid, Coach Writes.

Branding any story that Notre Dame athletes do not train as "a canard and a lie," Coach Knute K. Rockne, in a letter to Glenn Thompson, athletic director at Escanaba high school, expresses the belief that any team of boys that does not train can not win or have the respect of their community.

The letter was written in response to an inquiry from Thompson after tales concerning the lack of training rules at the South Bend institution had gained wide circulation at Escanaba high. Realizing that the best way to "spike" such talk would be to get a statement from Rockne, himself, Coach Thompson wrote to the famous university mentor.

Here's the letter:

Rockne's letter says: "Some unscrupulous press writer two years ago gave out a story that our men did not have to train. I cannot make it out too strongly that this story was a canard and a lie. I insist on our men training very strictly and any man who smokes is put off the squad very quickly. As a matter of fact our teams keep good training rules and I believe that any team made up of boys who do not train cannot win or have the respect of their community."

Illinois Takes An Easy Game From Wisconsin

(By The Associated Press.)
Urbana, Ill., Feb. 25.—Illinois tonight scored an easy 31 to 20 victory over Wisconsin in a western conference basketball game. Repeated fouls by Wisconsin gave the Illini a 13 to 10 lead at the half, nine of the 13 points being scored from the four line.

In the second half the Illinois offensive got under way and ripped through the visitors' defense. Stillwell, Illinois center, and scoring ace, made 13 points while Captain Gibson of Wisconsin, played the best game for his team.

After the first minute of fighting in the sixth, when Stribling took two hard jabs to the jaw without a return, the Georgia youth's aggressiveness melted rapidly. Before the end of the round he was forced to hang on in the clinches to avoid the Buffalo boy's ripping in-fighting.

Interference Comes From 900 Block.
Radio detectives who have been sleuthing around for the past week or two in an attempt to find where the local interference comes from that has been ruining local radio receiving between the hours of 7 and 9 P. M. have at length located the block from which it comes. It was first found that the interference was confined chiefly to Ludington street and the nearby avenues. By trying out receiving sets in various parts of Ludington street it has been found that the steady buzzing originates from the 900 block and the further one gets from the block the less the interference is evident.

Within a few days it is expected that the exact cause of all the trouble will be discovered and steps will be taken to eliminate the trouble.

A THOUGHT

—To do good and to communicate forget not; for with such sacrifice God is well pleased.—
Feb. 13:16.

To feel much for others, and little for ourselves; to restrain our selfish, and exercise our benevolent affections, constitutes the perfection of human nature.—Adam Smith.

1899—John Verlin, B. C. bishop of Marquette, Mich. Born in Austria, Feb. 17, 1844.

Jack Bartella Gets an Apology.

A CLERICAL error robbed Jack Bartella's fine Airdale dog of the credit for winning one of the events in Saturday's Lions' club dog races. Jack won the race, got the prize money and deserves the credit. The sport editor begs his pardon.

SOO TO PLAY HERE SATURDAY

Pre-Tournament Season To Close With Weekend Conflict.

The Escanaba high school basketball team will close its pre-tournament season Saturday night, meeting the Sault Ste. Marie quintet on the local floor. The contest will be the second of a two-game tussle for the Lock City lads, who will appear at Gladstone Friday night.

Sault high has a snappy, well coached aggregation. Social and McNaughton, all-around athletic performers, play the forwards in a manner which has been found dangerous to every team the Soo has met this year, and Keller, the center is believed by followers of the cage sport to be one of the best men developed in the peninsula in some time.

Coach Thompson and his team are prepared for a hard battle. Sault is always a big drawing card here and the tilt undoubtedly will be witnessed by one of the best crowds of the year.

Easy Ready For Fights.
Escanaba and emerged from a more or less protracted slump, and has won its last two starts, both of which were grueling affairs. To close the season with a victory would mean a great deal to Captain John Gaffner and his men. If the team shows the brand of basketball it displayed in the Menominee game two weeks ago, it will enter the tournament at Menominee next week as a strong contender for honors.

The Sault, however, is sure to put up a stubborn and spectacular scrap, and the locals are aware that only the best Esky can present will win.

STORE KEEPERS GENERAL OFFICE MEN WINNERS

Clean Up On Opponents At Arcade Last Night

In the Northwestern Tournament games at the Arcade last night the Storekeepers and General Office quintets cleaned up on the Round House and Freight House gin swatters.

The Storekeepers took the first and third games by fair margins but lost the second to the Round House maple smashers by 10 points. The General Office crew took the first and third also, and tied the second 7:11 all.

In the business men's tournament game the 1000 Blockers put it over on the Needham Electric bowlers by 20 points, winning the first two games and dropping the third.

The scoring was as follows:

General Office—2148.	Round House—2275.
McCurry	155
Hansen	127
Tonne	136
Leclair	149
Olsen	152
Totals	719 711

Freight House—2040.	Round House—2275.
Bearish	111
Woolen	106
Goullas	155
Williams	131
Johnson	152
Totals	655 711

Round House—2275.	Needham—2211.
Feller	104

TIGERS SELL MOORE TO SOX

(By The Associated Press.)
Detroit, Feb. 25.—Roy Moore, a left hand pitcher, has been sold by the Detroit Tigers to the Chicago Americans at the waiver price, it was learned today.

Moore was obtained from Philadelphia Americans in 1922 at the waiver price. Last year he pitched for Birmingham in the Southern Association, but was recalled this year.

MARKET NEWS

BEARS ATTACK ENTIRE LIST

Oil Probe Is Signal For Fresh Selling Pressure.

(By The Associated Press.)
New York, Feb. 25.—Resumption of the Washington oil investigation provided professional bear traders with another excuse for an attack on today's stock market, operators on the long side showing little disposition to extend their commitments, apparently through fear of further unfavorable disclosures at the oil inquiry. Sales were again relatively small.

Heavy selling of the copper shares in further reflection of the passing of the Calumet and Hecla dividend was one of the day's features. Anaconda was the principal target of selling pressure due to the fear in some quarters that the regular dividend, to be acted on tomorrow, was in danger. The stock closed two points lower at 37 1/2 after selling slightly below that figure while net losses of a point or more were recorded by Utah, Calumet and Arizona, St. Joseph, and Cerro de Pasco.

Baldwin, Studebaker and American Can all registered net losses of a point or more, total transactions in each stock, however, being relatively light.

Steel Withstands Attack.
Steel shares offered fairly good resistance to selling pressure. Bethlehem closing unchanged and United States Steel common, Republic, Crucible and Gulf States holding their losses to a point or less. Bloss-Sheffield closed fractionally higher, buying of that stock being based on speculative expectation that it would be placed on a \$6 annual dividend basis at tomorrow's meeting of the board of directors.

Weakness of Virginia-Carolina Chemical preferred was followed by unconfirmed reports of a reorganization of some kind, the stock dropping to 15 1/2, and then rallying to 16 1-8, off 2 1/2. Other chemical issues, with the exception of Davison, which moved up 1/2, also were heavy. Kelly Springfield dropped one point in response to a poor 1923 earnings report.

Trading in the railroad shares was rather sluggish. Heavy profit-taking in Southern Railway sent that stock down 1 1/2 points to 48 1/2. Shippings improved on the settlement of the British dock workers strike.

Much Short Oil.
Extensive short selling again took place in the oil shares but with the exception of Houston, which closed 2 3-8 lower at 71, most of the active issues made good recovery from their low prices of the day, which ranged 1 to 2 points below Saturday's final figures.

Call money opened at 4 per cent but advanced to 4 1/2 in the late afternoon, closing at that figure. The time money and commercial paper rates were unchanged. The bulk of the business in each being transacted at 4 1/2 per cent.

Settlement of stock workers' strike and publication of favorable cable dispatches concerning the work of the reparations experts had a stimulating effect on the European exchanges. Demand sterling was run up to \$4.31 1/2, and French francs to 4.45 cents but considerable profit taking took place when the high levels were reached, sterling falling back to \$4.30, off one cent, and francs to 4.26 1/2 cents or 1 1/2 points above Saturday's final quotation.

CHICAGO POTATOES.

Chicago, Feb. 25.—Potatoes, trading slow market call; receipts 46 cars; total United States shipments 1,130; Wisconsin sacked round whites 1.20 at 1.40; bulk 1.35 at 1.55; Minnesota and North Dakota sacked Red river Ohio 1.40 at 1.60.

CHICAGO BUTTER.

Chicago, Feb. 25.—The butter market here was about steady today, but as buyers' wants were limited, trade on the whole was rather quiet. Fresh butter: 92 score 49. Centralized: 90 score 49.

CHICAGO LIVESTOCK.

Chicago, Feb. 25.—Cattle receipts 20,000; beef steers and fat stock closing steady; top market steers 11.25; best yearlings 10.75; best cows 7.75 at 9.25; cows 4.50 at 5.00; best heifers 5.50 at 7.00; common fat cows and canners and cutters 4.00; hog slaughter 4.75 at 5.00; veal calves to packing 13.50 at 15.00; mid-weights paying upward to 14.00; stockers and feeders strong; bulk 5.50 at 7.00. Hogs, receipts 40,000; opened active; closed extremely slow; big packers bidding steady; 85,000 unshod at noon; good and choice offerings averaging 140 pounds and more 1.15 at 1.20; packing sows 6.25 at 6.50; strong weight killing pigs 6.00 at 6.50; estimated hold over 25,000. Sheep receipts 18,000; fat lambs 25 to 45 higher; 1.25 at 1.50; open; active; closed steady; 1.25 at 1.50; feeding lambs 25 to 45 higher; fat woolled lambs 18.75 at 16.25; good yearling wethers 13.50; top aged wethers 11.50; best yearling lambs 13.75 at 14.25; choice shearing 14.90.

CHICAGO GRAIN.

Chicago, Feb. 25.—Corn was active and higher today, with wheat exactly the reverse. Receipts of corn smaller than last week, but receipts of wheat 15,000; country had stopped selling. Corn closed firm at 1 1/4 to 5-8 cent advance, May 1.24 at 1.26; in what, the finish was unsettled, 1/2 to 5-8 cent down, the outcome for oats was a shade to 1/2 decline, and for provisions 2c to 1/2 gain. Importers' commission houses were aggressive buyers of corn at the start, and there was gossip current that stocks of corn in the east were extremely light. However, profit taking sales enlarged after a moderate bulge in prices, and for at least the time being this circumstance furnished a gain. Wheat bulls were discouraged by advice of crop scare developments. Besides a decrease of 25,000 bushels in the domestic wheat crop was required as too slight to serve as a stimulus to buyers confronted with dispatches saying that the greatest crop part in the world's history was at present in store and about at Port Arthur, Ontario. Cows sagged with wheat. Higher quality corn was sought for strength in the provision market.

LEGION DRIVE IS GOING GOOD

Competition for Members Is Becoming Most Keen.

Members of the American Legion Auxiliary who are working on the campaign for new candidates report keen competition among the various teams and captains.

A large number of new members have already been enrolled and it is expected when the drive ends on March 1st, the membership of Cloverland Unit will be the largest in the state.

At the next meeting of the Auxiliary, date of which will be announced later, all reports of the membership drive will be ready and the three teams having secured the greatest number of applications will be seated among the new members as the winning team, while the losing side will have to provide impromptu entertainment, serve lunch and preside as kitchen police.

A business session will precede the social when communications will be read, reports given and other matters of interest presented for consideration.

It is hoped a large crowd will be in attendance at this meeting which will be held in the Legion Club rooms, 607 Ludington street.

NAHMA LEGION POST EXTENDS DRIVE PERIOD

Nahma, Feb. 25.—(Special)—The drive of the American Legion to double its membership in Michigan has been extended to March 1st, according to word received here today by F. G. Hruska, Commander of the Nahma Post.

The original dates set were from Lincoln's to Washington's birthdays. But a notice from National Headquarters announced that a trophy has been offered by Henry L. Lindsay, former national commander, to the state organization of the Legion which has the best membership showing on March 1st, as compared with December 31, 1923.

Michigan Legionnaires, declared Commander F. J. Hruska, are out to win that trophy, and the Post here intends to increase its activities immediately. The Legion's campaign has been warmly endorsed in statements by Gov. Alex Groesbeck and U. S. Senator Woodbridge N. Ferris, among others.

Distinguished Men Say: Gov. Groesbeck said: "From my observation the American Legion is a most worthy organization. It has accomplished much that is of benefit and the longer it exists the more good I believe it will bring about. It should not be a difficult matter for the organization to secure the application of every man entitled to a place on its rolls. Through a greater membership you will not only be able to better your own conditions but can be of much more assistance in every effort which has for its purpose a better and more patriotic citizenship."

Senator Ferris said: "I never lose an opportunity to advise an ex-service man to join the American Legion. I predict that this organization will become a powerful agency for good in America. Already its influence has been a stimulus to American unity in its aims and achievements. I feel that ex-service men should consider joining the Legion not from the standpoint of a duty, but from the standpoint of an opportunity to be of further service to the body politic."

The next meeting of the Post here will be on Friday, Feb. 29 at Nahma Club House. Full reports on results of the drive will be made.

Reports from the rest of the state show excellent results. Already 11 posts have obtained a larger membership than in all of 1923.

Escanaba's delegation to the annual conference of Older Boys of the Upper Peninsula, held under auspices of the Ishpeming Y. M. C. A. last Friday, Saturday and Sunday, have returned to the city. It was declared, by the boys and by their leaders that the gathering was one of the most successful of its kind ever held in this region.

Miss Rill Mitchell has resumed her position at Shelton's Store after a siege of illness.

Mr. and Mrs. Mike Decker, Miss Mildred Johnson, Gordon Johnson, of Chicago, Mrs. Jos. Deault of Rhineland, Mr. and Mrs. Norman Poole of Minneapolis arrived in the city yesterday to attend the funeral of their step-father Jacob Berrigan which will be held today.

Miss Amelia Nelson of Wausaukee Wis. returned to her home after a brief visit in the city.

Rev. Fr. Daniel Linfert left yesterday for Newberry where he will preach at the Forty Hours' Devotions at the Catholic church in that city.

Richard Flath left yesterday morning for Ironwood. He will return to this city tomorrow.

We sell our flowers before they get old, which is why they ask for "Flowers from Wickert's." Escanaba Flower Shop.—Adv.

Ms. Lester winegar returned to St. Paul, after a visit at the home of relatives in this city.

Miss J. Wobleski, formerly Miss Edith Savageau, of this city, and now living in Detroit, is visiting in this city.

Mrs. G. B. Herbat left last night for Menominee, after a visit with relatives in this city.

A son was born to Mr. and Mrs. Person, 1001 Hartnett Ave., yesterday.

John D. Lusardi, of Defiance, was a business caller in the city yesterday.

Mrs. Theophile Duford, of Schaefer, was a visitor in the city yesterday.

The Misses Clara and May Lusardi of Trembley, were Escanaba shoppers yesterday.

Mrs. Carl Hill of Rock, was a visitor here yesterday.

Mr. J. Schaefer, of Perkins, transacted business in the city yesterday.

Ed. Major, of Trembley, was a business caller in this city Monday.

Complete Lavettes for the new baby, \$3.50 and up. H. A. Reynolds, Hemmiching & Gift Shop, 704 Ludington St. \$659-37-4f.

Ed. Frye, of Chicago, was in the city calling on the trade.

Miss Bernice McCauley has returned from a visit at Chicago, Dubuque and Milwaukee.

Mrs. H. Saam and daughter, Miss Aedath, of Marquette, visited in this city enroute to their home, after a trip in Chicago.

Mrs. Otto Larson and son and daughter, left for their home at Rock, after a week-end visit in this city.

LITTLE GIRLS SHOPLIFTERS?

One 10, One 11, Confess to Theft of Large Quantity of Goods.

Two little girls—one aged ten and the other barely a year older—have carried on for several months one of the cleverest shoplifting campaigns in local police annals. It was revealed yesterday when Miss Carrie Wallace, truant officer, sent to the police station a large bundle of sweaters, toques, bathrobes, coats, ribbons, remnant-counter pieces, jewelry and other material. The goods, it was said, was surrendered by the mother of one of the children after the child had admitted she had stolen it.

Police last night declined to make public the names of the parties implicated in the thefts, and in the receiving of the stolen property, but said that the victims included several of the larger stores. The value of the goods found was estimated roughly, at about \$100.

What action will be taken will be decided today, it was said.

V. K. Bloomstrom Attends Clinic And Convention

V. K. Bloomstrom returned Sunday from Detroit where he attended the Michigan State Society of Optometrists' convention. This was a very interesting affair, consisting of educational features, lectures, class instructions, free clinics, banquets and theatre parties.

The Michigan State Society is considered one of the best of its kind in the country and a large number of persons from all sections of the United States attended the convention.

Before returning to his home here, Mr. Bloomstrom visited at St. Bernard, Ohio, and Cincinnati, where he saw the new Franciscan Seminary which is being built and which will be dedicated May 30th. He also visited his sons Ellis and John and other young men who are students there. He also stopped at Chicago on the return trip, where he purchased merchandise for the firm of Bloomstrom and Petersen.

NOTICE BY CITY CLERK.

Pursuant to a resolution of the Council at its session held on the 20th day of February, 1924, Notice is hereby given that the City of Escanaba proposes to make the following improvement, viz: to grade and pave South 7th Street, South 9th Street, and South 11th Street from the south line of Ludington Street to the North line of First Avenue South; that specifications, plans, estimates and estimates of cost have been filed by the City Manager in my office and are open to public examination; that the Council has designated as the district to be assessed for said improvement, all the lots and parcels of land fronting and abutting upon said proposed improvement, the same to be assessed according to frontage thereon; that the Council will meet at its regular session on the 5th day of March, 1924, at the Council Chambers, when it will hear objections to the improvement as aforesaid, and to the district to be assessed.

Dated February 25, 1924.

CARL E. ANDERSON, City Clerk.

-1848-Republic proclaimed in France, following the abdication of Louis Philippe.

JOHN McCOURT'S BODY TO REACH CITY WEDNESDAY

The body of John McCourt, veteran Chicago & Northwestern passenger engineer, who died in a Green Bay hospital of injuries received in a wreck at Kaukauna, Wis., on Feb. 12, will be brought to Escanaba Wednesday afternoon for burial.

Injuries which caused Mr. McCourt's death were sustained while he was making his last run before being placed on the road's pension roll. His train collided with another. Ten persons were hurt, Mr. McCourt suffering internal injuries and two broken legs.

Members of the local Masonic fraternity will meet the train Wednesday afternoon and serve as an escort to Lakeview cemetery where the Masonic burial service will be held.

Pioneer Resident.

Mr. McCourt was a pioneer resident of Escanaba, leaving this city about 15 years ago when the Lake Shore division of the North Western was organized. His death leaves in the service but one of four engineers who left the Peninsula Division at that time. One of the others, Albert Dechaise, was killed a few years ago in a wreck and Clyde Waldron has left railroad work for a position with the federal government. Edward Hall is the only one of the four still with the North Western.

Mr. McCourt was widely known among railroad men of the system, as well as to virtually all of the older residents of Escanaba.

Fraternal Column

A. O. H. Card Party

The Ladies Auxiliary to the Ancient Order of Hibernians will give a card party Wednesday evening Feb. 27th at St. Patrick's hall at which time beautiful prizes will be awarded and a delicious lunch will be served.

The public is cordially invited to attend. Five Hundred and Bridge will be played. Every one is cordially invited to attend.

Auxiliary Meeting.

The Ladies' Auxiliary to the Brotherhood of Railroad Trainmen will hold a social meeting at North Star Hall, Tuesday evening, at 7:30. Cards and dancing will follow the meeting.

Card Party Thursday.

Members of the U. F. C. S. Branch No. 3 are giving one of their enjoyable card parties at St. Anne's hall Tuesday evening Feb. 28th.

The public is heartily welcome to attend. Prizes will be awarded and a good lunch will be served.

Greetings to the State of Oregon, 65 years old today.

EXPLAIN VALUE OF RECREATION

Experts To Address Chamber of Commerce Tonight.

C. E. Brewer, municipal recreation director of the City of Detroit, and A. R. Wellington, of Chicago, field secretary of the Playground and Recreation Association of America, tonight will tell Chamber of Commerce members how other cities in the United States are making their parks, their playgrounds and their "out-of-doors" in general mean something.

These men will be the speakers at a Forum dinner to be held in the Knights of Pythias hall at 6:15 o'clock. Their wide experience in recreational work enables them to speak with authority and the meeting should be an exceptionally interesting one.

The meeting was arranged by the Chamber of Commerce, as a result of the repeated expressions of regret that Escanaba does not seem to have its share of outdoor sport-summer as well as winter.

The meeting, it is expected, will bring out some concrete ideas as to the value of a community recreation program, and the best means of getting one.

Reservations received up to last night indicated that the meeting would be well attended.

City Manager Goes to Lower State for Important Confabs

City Manager Fred R. Harris will leave today or tomorrow for Ann Arbor and Lansing for conferences with sanitary engineers in connection with the pending survey of the city's water problem, and to consult the state highway department with regard to designating North 14th St. and Third Avenue north a part of the state highway system.

In Lansing, Mr. Harris will talk with Dr. Henry E. Riggs, Prof. Thomas Reed, the firm of Hoard and Decker and others. While in that city he also will make preliminary arrangements for the annual convention of the League of Michigan Municipalities, of which he is president. This convention is scheduled for next October.

In Lansing, the city manager will confer with Frank E. Rogers, state highway commissioner, and with Auditor General O. B. Fuller, who is expected to give the local man the views of the state administrative board on the state highway designation proposal.

Rent It the Classified Way.

SOCIAL

Surprise Party.

A surprise party was tendered Miss Sophie Pronsom at the home of her parents Sunday afternoon, when eighteen friends came to the home unannounced. An elaborate supper was served at 6 o'clock. Dancing, bunco and other games were featured during the evening. A good time was had by all who attended.

"50-50" Club Is Entertained.

Miss Irene Bernbe, 211 North Nineteenth Street, entertained the members of the Fifty-Fifty Club at her home last night. The evening was delightfully spent in playing bunco, "Michigan," and other games. A musical program was also given, followed by refreshments.

Races Success at Coliseum.

The feature of Sunday night's racing program at the Coliseum was the half mile race between two eight-year-old boys, Eddie Schimberg and Ivan Beauchamp, which was won by the former, the time being 2:10.

The second event of the evening was the Skate Boys' centipede race. Clarence Tousack, Alfred Potvin and John Flath won the race from Edward Stratton, Irving Beauchamp and Walter Flath. The boys raced the half mile in two minutes and thirty seconds and it proved to be a very interesting race all through.

The final one mile race between Earl Girard and John Kelly was won by the former in three minutes and thirty seconds, by a quarter of a lap. Mel Roberts was the time keeper and announced before the race he would challenge the winner of this event for a race in the near future.

The drawing for the one dollar "kitty" was made and Agnes Sape, the fifth number drawn, being present, won. A similar pot was started for next Sunday at which time a "kissing party" will be held.

Thursday evening's program will be a masquerade party.

Backwards Party.

The Senior Girls' Club of the Presbyterian Bible School will give a backwards party from 6 to 8 Wednesday evening at the Presbyterian church. Supper will be served.

Linen Shower.

Mrs. E. J. Dufresne, 412 South 14th St., was the honored guest at a surprise linen shower at her home last evening when thirty friends came to the home and

enjoyed an evening at cards and other social diversions.

A good time was had by all and a delicious lunch was served. Mrs. Dufresne was the recipient of many pretty gifts.

Hard Time Party.

Plans are completed for the Hard Time party which will be given tonight at Unity Hall when a box of groceries will be given as a prize for the married couple representing hard times in the most forlorn looking costume. Material for a dress to the lady and a new suit of overalls for the gent's poorest costume. William's Musical Wizards will play and a small hard time admission fee will be charged. Everyone is welcome whether in costume or not.

Dancing Party at Wells.

A dancing party will be given at the Wells Community House, Saturday evening, under the auspices of the Employees' Service Committee. Dancing will continue from 9 to 12 o'clock. The band's Orchestra furnishing the music. An invitation has been extended to each member of the cast and friend to be present. In addition, all members of the K. C. and their friends are urged to attend and get acquainted with the cast that made their performance a success. Bob's Kettens will furnish the music and a "glorious" time is assured.

K. C. Dance at Arcade Tonight.

The Knights of Columbus Dance at the Arcade in honor of the members of the "Gleason Girl" cast will be held tonight. An invitation has been extended to each member of the cast and friend to be present. In addition, all members of the K. C. and their friends are urged to attend and get acquainted with the cast that made their performance a success. Bob's Kettens will furnish the music and a "glorious" time is assured.

Surprise Party Enjoyed.

Mr. and Mrs. George Morin were delightfully surprised by a large company of friends at their home, 217 North Fifteenth street, on Sunday night. Mr. and Mrs. Morin knew nothing of plans made for the party and their surprise was most complete when members of the company marched into their home. The evening was most enjoyable and was a program of music and Five Hundred. Mrs. George Morin and Bert Doucette were the honor winners, with consolation prizes.

REID'S **M** **MINNEAPOLIS**

Fr. Christoff Goes to Take Mission in Southwestern State

Rev. Father Alvin Christoff, O. F. M., son of Mr. and Mrs. John Christoff of this city will leave today at 10:40 for Parkview, New Mexico, where he has been assigned as Franciscan missionary among the Mexican inhabitants. His headquarters will be at Parkview but he has several missions of which he will have charge and will be absent from headquarters for a month at a time on each of these trips.

Rev. Father Alvin sang the 10:30 mass at St. Joseph's church Sunday and delivered an eloquent sermon which was greatly appreciated by the audience. Father Alvin was ordained only a few weeks ago.

RECOMMENDED BY HER DOCTOR

Found Strength by Taking Lydia E. Pinkham's Vegetable Compound

Kankakee, Illinois.—"My mother-in-law always took your medicine for weakness, and then in the Change of Life it did her so much good, that she induced me to take it for a weakness I had for a year and a half. It has strengthened me and now I have a nice baby boy. I do all my own housework now, and I recommend Lydia E. Pinkham's Vegetable Compound whenever I have the opportunity. I am taking it again for weakness, as my family doctor has recommended it for this purpose."

Mrs. HARRY COULOM, 984 North Harrison Ave., Kankakee, Illinois.

Real Evidence of Merit

For the relief of female weakness, pains and backache, nervousness and irregularities, with other troubles common to women, Lydia E. Pinkham's Vegetable Compound is a dependable medicine.

Its worth is thoroughly established by such letters as the above. There are women everywhere, who, having received benefit, gladly tell other women about it. For sale by druggists everywhere.

for Savory Soups

Add Jelke GOOD LUCK milk to Soups—whether you make your own or use the convenient canned variety. You'll be delighted to find how much richer and tastier it makes them.

Jelke GOOD LUCK milk—full of nourishing butter fats and proteins—noticeably improves the taste of everything cooked with it. It's full cream milk from the thoroughbred cows of sanitary dairy farms. Nothing is added—only water is removed.

Although Jelke GOOD LUCK milk possesses the food-enriching qualities of pure cream, it costs less than fresh milk. Its economy, convenience and exceptional richness will delight you. Get it at your grocer's.

Mothers!

Give the children WRIGLEY'S after every meal

A prominent physician says: "It is surprising how free from decay the teeth can be kept by using gum after each meal."

You know how hard it is to get the children to clean their teeth. By giving them WRIGLEY'S you not only reward them for cleaning their teeth, but the reward is actually the means of performing this important service!

WRIGLEY'S aids digestion, too, and acts as an anti-septic wash for the mouth and throat. Several flavors—all of WRIGLEY quality.

The Flavor Lasts
