OBITUARY

MRS. JOSEPH BEAUCHAMP.
Many expressions of sympathy were heard about the death of Mrs. Joseph Beauchamp reached this city. Mrs. Beauchamp, who was 67 years of age, had been ailing for four years as the result of a serious attack of the flu and although her health had been failing for some time her wonderful courage and faith seemed to keep the faint spark of life flickering until yesterday morning when death relieved her of her sufferings.

She leaves to mourn her besides her husband, who is a prominent farmer of Flat Rock, six daughters and five sons, Mrs. Gustav Moreau, Mrs. W. G. Sullivan, Mrs. A. Campbell, city; Mrs. H. Hannon, Green Bay, Wis.; the Misses Irene and Malina, of Flat Rock; Henry, of Green Bay, Wis.; Ernest, of this city; Joseph and Lawrence, of Flat Rock; and John of Gladstone; six sisters and one brother, Mrs. N. Neveaux, Gladstone; Mrs. G. Truckey, Garden; Mrs. Rose Fontaine, Green Bay, Wis.; Mrs. A. Nerbonne and Mrs. Joseph Charlebois, Sr., of this city; Miss Flora Cusson, of Flat Rock, and Henry Cusson, of Michigan City, Ind.

The body was prepared for burial at the Alfo Funeral Home and will be removed to the home of her daughter, Mrs. G. Moreau, 416 South 11th street, some time today.

Mrs. Beauchamp was born in Canada and had lived in this city many years before moving to Flat Rock, where the family have lived for the past 38 years. She was loved by all who knew her and her passing has cast a deep pall of gloom among her many friends.

Rev. Fr. Jacques will be the celebrant at the solemn Requiem High Mass, assisted by Rev. Fr. P. Geynet of Flat Rock and Rev. Fr. A. Pelissier of this city, Thursday morning at 9 o'clock when funeral services will be held at St. Anne's church. Mrs. Beauchamp was a member of the St. Croix Society.

City Plan Expert to Be Consulted About 9th Street

T. Glenn Phillips, distinguished landscape gardener and city plan consultant, will be asked by the city administration to suggest a plan for the improvement of South 9th street, and Sixth Ave South, between South 5th and South 10th streets.

City Manager Fred R. Harris announced yesterday that a topographic map is being prepared for submission to Mr. Phillips. It will show the location of trees, shrubs, pavements, curbs, sidewalks and the boulevard street lights soon to be installed.

Mr. Phillips will then draw a plan for improving the street's appearance. He will submit this plan, Mr. Harris said, within two or three weeks. A meeting of property owners then will be called for the purpose of considering this plan.

her one-year subscriptions at the first part of the campaign. She has the right idea, because NOW IS THE TIME to get long-term subscriptions.

Value of Big Subscriptions. A few good subscriptions turned in to the credit of any contestant during this present "Third Period" vote offer would make a big difference in the daily lineup of candidates. The candidates who are on the alert realize this fact and are working with the firm idea of getting the greatest possible number of five-year subscriptions. It's surprising what a great number of votes a few five-year subscriptions give. The ones who are most successful in getting these long-term subscriptions from now until Saturday, July 26th, will, in all probability, be declared the winners of the capital prize awards.

FIFTY GRANTED NATURALIZATION

Seventeen pleas of guilty were recorded in circuit court yesterday, fifteen of them being admissions of violations of the state prohibition laws. One other man plead guilty to larceny and one to driving away the automobile of another. The confessed liquor law violators were Mrs. Herman Weber, Joseph Barbeau, William Cardinal, Charles Ellingsen, Mike Klotz, Louis Farley, Henry LeQuay, Olof Hanson, Ernest Fosterling, Kate Fosterling, Charles Morton, Mrs. Charles Morton, Bussion Freytag, Ben Cook and Ernest Dufresne.

Dave McNellis plead guilty to larceny and Clark Rubens to the auto "borrowing" charge.

Fifty applications for citizenship were granted, at the morning session, by Judge Flannigan. Nine of the applicants were women and two were soldiers who had served in the World War.

Of the nationalities admitted included the following:
Russia 1, England 2, Ireland 2, Canada 7, Germany 6, Austria 1, Sweden 11, Norway 1, Greece 1, Belgium 1, Luxemburg 4, Poland 1, Austria 1, Finland 6, American-born women who had married aliens 4.

Three Are Denied.
Upon motion of George N. Danielson, U. S. Naturalization Examiner, three petitions were denied by the court, as follows: Carl Nyberg, of Stonington, failing to appear or respond to communications; John Knute Anderson of Arnold, a resident of Marquette county, and will have to file there; Fred Vitzke, Rapid River, witness for him had not seen him frequently enough to testify as to his character.
Four petitions were continued as the applicants were not present. Many of those who were admitted had attended night school in Escanaba and Gladstone.

AT GROCERS EVERYWHERE

Save the Children from Goiter

Health authorities in Michigan examined nearly 32,000 school children in four counties and found that 14,914, or 47.2 per cent showed goiter. The prevalence of simple goiter in this State is due to a deficiency of iodine in the plant life and water supply. **MULKEY'S IODINE SALT** was produced at the request of health officials to provide the necessary amount of iodine in food and thus prevent goiter. It is the ORIGINAL Iodine Salt distributed through the grocery trade.

Use **MULKEY'S IODINE SALT** regularly for cooking and on the table. It has the same color and taste as ordinary free-running salt.

After boys and girls reach the age of 17 years they are not likely to become affected with goiter.

Ask your grocer for **MULKEY'S IODINE SALT**; put up in two-pound round cans; with pouring spout.

Better Raspberry Jam

Easily Made in 15 Minutes

Tastes Better—Looks Better—Costs Less and Never Fails

By ANN PROCTOR

Everyone loves raspberry jam. For a spread on bread or hot biscuits nothing seems to equal it. Its wonderful flavor makes children of us all. Until now, however, an expert was required to make it, and it has been expensive. Certo, the natural "jell" making property of fruit, has solved the problem so that everyone can make and eat a lot of this delicious preserve.

To make raspberry jam by the quick and easy Certo method, follow this simple recipe:

Crush about 2 quarts ripe berries in separate portions, so that each berry is mashed. This allows fruit to quickly absorb the sugar during the short boil. Measure 4 level cups (2 lbs.) crushed berries into large kettle, add 7 level cups (3 lbs.) sugar and mix well. Use hottest fire and stir constantly before and while boiling. Boil hard for one full minute, remove from fire and stir in 1/2 bottle (scant 1/2 cup) Certo. From time jam is taken off fire allow to stand not over 5 minutes by the clock, before pouring. In the meantime, skim and stir occasionally to cool slightly. Then pour quickly.

Use same recipe for strawberry, blackberry, dewberry or loganberry jam.

The above recipe and nearly 100 other jams, jellies and marmalades are in the Certo Book of Recipes which is enclosed with every bottle of Certo.

This Certo process banishes all the guess work or worry as perfect results are certain when a simple recipe is followed. Unlike the old method "pound for pound" mixture boiled for thirty or more minutes, with considerable juice, color and flavor of the fruit being boiled away, the economical Certo method requires only one minute's boiling and thereby saves the juice to make one-half more jam. That's the only reason why more sugar is used with Certo.

Certo is a pure fruit product—contains no gelatine or preservative. Certo positively raves time, fruit, flavor and gives work. It makes all kinds of jams and jellies—some you have never tasted before. Certo is highly endorsed by national authorities and local cooking experts. Every woman who tries it recommends it to her friends and says she'll never be without it. Over seven million bottles were used last year.

Get a bottle of Certo from your grocer right away. Start the new—the sure, quick, economical way of making jams and jellies that keep indefinitely. You'll never return to the old "hot or mess" method. Make plenty of raspberry jam this year—no home ever has too much. Adv.

100 Lucky Strikes — TAX FREE

We invite every smoker in this city to take advantage of this startling offer.

We've told you about Lucky Strike superiority.

Your friends have told you. Now know for yourself the value of the *toasting* process!

We make this proposition to win new friends:

The regular price of a tin of 100 Lucky Strikes is 75¢

You pay the dealer only 45¢

We pay the Government Tax of 30¢

Act quickly, as the dealer's allotment at this price is limited.

Get one tin [only one to a person] for home or for office.

The regular price will be in effect when the dealer's supply on this offer is sold.

Smoke these 100 Lucky Strikes Then you'll know how the 45-minute *toasting* process adds to the flavor and improves the taste.

Cleanliness and Care in Manufacture

Every Lucky Strike factory is a model of sanitation. Read how Alfred W. McCann, the noted food expert describes one of our factories: "White walls and ceilings, floors as clean as freshly chiseled marble, cutting machines and wrapping machines that take away from the human hand all detail and leave nothing to the human supervision but the watchfulness of trained eyes."

Facts About Taxes on Cigarettes

WE call particular attention to the statement made in the advertisement joining this editorial column.

This advertisement, the purpose of which is to win new friends for Lucky Strike cigarettes, incidentally emphasizes the matter of high taxes on cigarettes.

To those who are intimate with such matters there is, of course, no surprising statement made.

To the general public, though, we believe it will be surprising to learn that nearly half of what they pay for cigarettes goes to the government for taxes.

The internal revenue stamp on a package of twenty Lucky Strike cigarettes costs you six cents. On a tin of one hundred the revenue stamp costs you thirty cents.

So nearly fifty cents out of every dollar you spend for cigarettes is spent by you for taxes.

This is certainly the heaviest tax on an article of daily and universal consumption.

The Tobacco Industry and Taxes

The aggregate tax paid by the tobacco business is with one exception, *income taxes*, the largest item of internal revenue the federal government receives. Last (fiscal) year it amounted to \$309,014,050.84.

Of this enormous amount of money the cigarette industry paid \$182,715,735.93, or nearly two-thirds of the total tax paid by the entire tobacco business.

The immediately important point of the foregoing is the following: We believe you will appreciate that when nearly fifty cents of every dollar paid by you for cigarettes goes to the government, you must receive in cigarettes a value in return for your money that is rarely given in any commodity.

That the public generally appreciates this great value is shown by the enormous increase in the consumption of cigarettes.

Our reasons for this tax free offer

We know this offer induces men to try Lucky Strikes—*"Wins New Friends."*

We know that a large percentage of those who get acquainted with Lucky Strikes adopt them.

This isn't philanthropy nor propaganda—just good business, as you'll agree.

The offer is limited. We cannot afford to keep it up.

We make it sensationally generous so as to attract attention.

We are not giving money away for the offer accomplishes its purpose: Lucky Strike *"Wins New Friends."* Our volume increases.

Super-quality

It is only by immense volume that we can produce such an aristocratic cigarette as Lucky Strike at such a democratic price.

Its quality is supreme because it has that costly, extra process, *toasting*, which improves the flavor and adds to the taste of even the finest tobaccos that are used in Lucky Strikes.

We urge you to participate in this offer—we want you to get acquainted with Lucky Strikes.

We know a trial will make you a permanent customer of ours.

THIS WOMAN'S MARVELLOUS RECOVERY

All Due to Lydia E. Pinkham's Vegetable Compound Truman, Minn.—"I was badly run-down and had pains in my side and back; sometimes I couldn't hardly move around in bed. My husband got me Lydia E. Pinkham's Vegetable Compound, and after taking it I was so much better I could do all my work again. I was so much better I could do all my housework, have a garden, raise chickens, and in harvest time I worked in the field and helped pick corn. Sometimes I do chores and milk. I took the Vegetable Compound before and after my four-month-old baby was born, and it has always helped me wonderfully. I believe there is no better medicine made for women, and I hope every woman will give it a fair trial."

ASK PROPERTY OWNERS TO TRIM TREES
