- WHEREAS, Major budget cuts have been announced by Northern Michigan University President John X. Jamrich, citing the deteriorating economy of the State of Michigan -- described by many as "the worst economic condition to confront Michigan in its history" and
- WHEREAS, Most of the latest budget reductions come from non-credit and public service programs in an effort to avoid impacting on "highest priority" Northern Michigan University's academic programs and
- WHEREAS, NISHNAWBE NEWS, published by the American Indian students at Northern Michigan University is dependent on external funding in order to continue operations, it is necessary to locate rent-free space on campus and
