General memorandum

To whom it may concern

From: Jeff Dickinson

Official resignation

After giving the matter much thought, I have decided to resign my position as editor of the Nishnawbe News, and further-more withdraw from the university. I want everyone to know that I did not make this decision lightly. I feel much regret in having to leave, but for my own sake it is necessary.

I am not going to rationalize my actions except to myself, however I do feel that an explanation is in order. With the budget crisis at the paper, and with O.N.A.I.S. trying to get off the ground, it seems to me that a great deal of the pressures have fallen upon my shoulders. In my opinion the only reason that this paper and O.N.A.I.S. now exist, is because of the work by a few dedicated students. As for myself, I feel that I can no longer take the bulk of these pressures. Therefore for the good of the group, and for myself, I feel that I must resign.

It should not be misconstrued that I dislike working here; many personal factors figure into this difficult decision. I have enjoyed my stay, I have met some very interesting people, and in some cases made some very close friends. With a little unification the group may once again re-establish the firm foundation on which it started. As for the newspaper, it has endured for ten long, successful years. It has earned a history that deserves to be continued and preserved, and I hope it will.

I will be around, and if people wish me to do so, I will try and help with the next issue, as long as I'm here.

In closing: To my close friends: MAY YOU ALL WALK WITH THE GREAT SPIRIT,

Megwetch

Sincerely;

Jeff Dickinson
