RE: NISHNAWBE NEWS BYLAWS

In regard to a timetable for development of bylaws for the Nishnawbe News in which a Board of Directors is established, I would like to aim for a presentation to the Board of Control at the July Board of Control meeting.

Please prepare a draft of the bylaws by May 1. This will allow me time to respond, develop final wording with both of you, and get a review by the university attorney before finalizing copy by July 1.
