OFFICE OF THE PRESIDENT

April 16, 1982

Dear Coy:

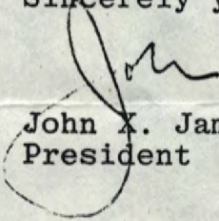

We sincerely appreciate your generous support of The Nishnawbe News, the publication of our Northern American Indian students. The grant from The Equitable will not only help publication in a monetary way, but it underscores the value placed on the newspaper by someone like yourself who has been very active in Indian affairs for many years. This is reassuring to us.

Dozens of American Indian students have worked on The Nishnawbe News over the years and we have found that it has been a valuable learning experience for many of them--some of whom have remained in the field of Indian and non-Indian journalism.

Persons interested in the Ojibwa language in this region are finding your language workbook increasingly useful, and we appreciate the copies you have provided for our use.

Thank you again for your generosity and for remembering your adopted alma mater, Northern Michigan University.

Sincerely yours,

John X. Jamrich
President
