Assistant Director
Northern Michigan University
Marquette, Michigan 49855

Dear Mr. Carter:

In response to your recent letter, consideration has been given to your proposal for a grant to help underwrite a monthly newspaper.

I regret that our heavy commitments to organizations in our metropolitan areas preclude assistance at this time. The idea has considerable merit and the University's offer of assistance lends significance.

I hope that sources of financial aid will materialize.

Sincerely,

Ray Kooi
