

MEMORANDUM

May 1, 1973

TO: Dr. Allan Niemi
Vice President for Student Affairs

FROM: Roland S. Strolle

RE: Nishnawbe News

Mr. Robert Bailey soon will have been here a year and he has more than lived up to our expectations. We hear nothing but excellent reports on his work.

I think it appropriate to transfer the "Nishnawbe News" operation to you since Mr. Bailey is in no way responsible to me. The budget for 1973-74 has been prepared and all that is needed now is an official word from Mr. Van.

I recommend the transfer of the Nishnawbe News account to your jurisdiction effective July 1, 1973.
