Dear Students:

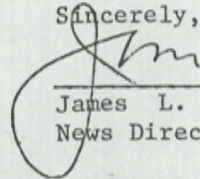

To help you in gathering news stories from around the state, I thought you might be interested in subscribing to news clipping services which would clip stories appearing in Michigan papers pertaining to American Indians, and forward them to you each week.

The Upper Peninsula Clipping Service, 509 Rock St., Marquette, receives all U. P. dailies and major weeklies. Their charge is approximately \$5 per month.

League for the Handicapped-Goodwill Industries, has a clipping service for all Lower Michigan dailies and the largest weekly in each county. Their charge is 45¢ per clip for the first 50; 20¢ each for 51-150, and 15¢ each for anything over 150. They are at 1401 Ash St., Detroit, Mich. 48208. Contact Marie Lynch.

If I can be of further help in this, please let me know.

Sincerely,

cc: Robert Bailey

P.S. The U. P. Clipping Service also clips both Milwaukee papers.
