Now Prepare for Christmas Joys.

The present year, notwithstanding the drain of the late war on our country, has been prosperous, and, as it now draws to a close many hearts will be made glad by the time-honored practice of presenting gifts to loved ones at Christmas time. Every indication points to phenomenal holiday buying, and in anticipation of a very heavy trade we bought large quantities of holiday goods. The season this year will be long and we urge early selections before the rush is on.

GOODS MAY BE SELECTED AT ANY TIME FOR CHRISTMAS DELIVERY.

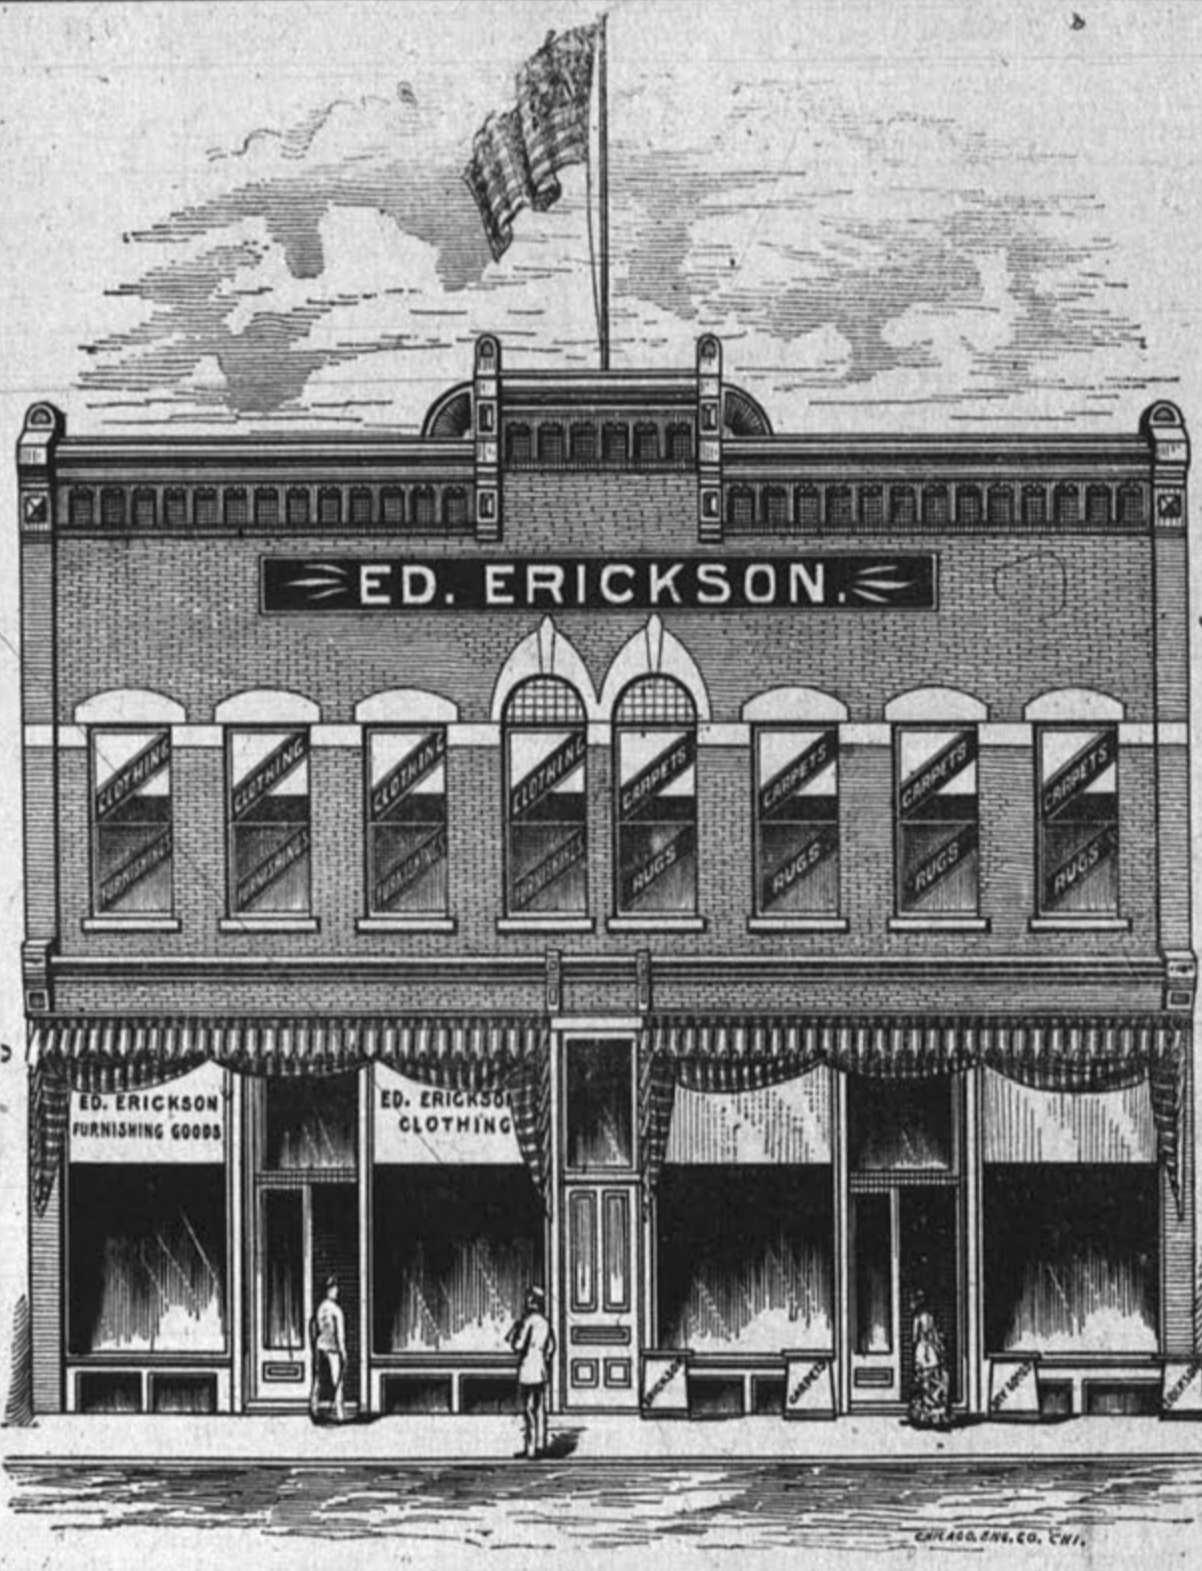

No Discounting these Bargains—Every Item a Feature—You can Make No Mistake.
