1,100 Marines Are Ordered Ashore In Shanghai

FIGHTING IS DRAWING NEAR TO CITY; FOUR COUNTRIES PARTICIPATE IN MOVEMENT

WU PEI-FU SENDS HONAN TROOPS TO FRONT.

(By The Associated Press.) Shanghai, Sept. 9 (3 A. M.)—Eleven hundred marines from foreign warships this morning were ordered to land in Shanghai at 4 A. M. and to take up defensive positions on the boundaries of the international settlement.

The order for the landing of the marines followed a new assault in the railway sector west of the city, bringing the fighting nearer than it had been before in a week of fighting between troops of the rival tuchuns of Kiangsu and Chekiang.

At the same time the volunteer corps was ordered to mobilize at 6 A. M.

Headquarters General Lu Yung-Hsiang, commander of the Chekiang forces, admitted that the Kiangsu army had launched a heavy night attack along the railway.

Wu Pei-Fu Enters. Troops making the attack, it was asserted, were from the province of Honan and were ordered to the fighting front by Wu Pei-Fu, military director for the Peking government.

If this report be true, it marks the first open participation by Wu Pei-Fu, who was recently reported as preparing to take part in the civil war.

Chekiang headquarters claimed that the Honanese troops, despite the weight of their attack, were back on Hwangtu, the point at which the battle started.

Expect No Difficulty. Official circles in the international settlement do not expect any difficulty but whatever happens, plan to be prepared to deal with either advancing or retreating soldiery.

Marines were ordered to be landed as follows: Representing the United States, 250; representing Great Britain, 250; representing Japan, 400; representing Italy, 100.

Belligerents on both sides have been warned that armed forces will not be permitted to cross the settlement boundaries. Prohibition also has been imposed on any armed activity in the Whangpoo river, (the main harbor of Shanghai) where 22 foreign warships are anchored.

THIRD IN FIGHT. Shanghai, Sept. 9.—General Wu Pei-Fu, chief of the military forces of the central government at Peking, and who also claims to have the support of a majority of the provinces, today began active participation in the fighting which has been in progress for almost a week between the governors of Chekiang and Kiangsu provinces for the possession of this port.

Honanese troops controlled by Wu, it is claimed by the Chekiang headquarters, took part in a heavy attack which the Kiangsu army launched last night against the Chekiang left wing on the Shanghai-Nanking railway near Hwangtu. This attack, the Chekiang leaders claim, was repulsed.

The fighting was reported to be severe, a westerly wind carrying the sound of the firing to Shanghai and leading to the belief that the Chekiang force had been defeated and was retiring toward the city.

Foreigners Relieved. The residents of the foreign settlement were much relieved when the commanders of the foreign warships anchored in the Whangpoo river off the city, announced that marines would be landed at daybreak to protect their nationals. The volunteer corps composed of foreigners also are being mobilized.

Success also was claimed by the Chekiang headquarters in an attack which one of their armies under the leadership of General Chenyo-San, with the assistance of some Fukien troops, started against Kiangsu, west of the Taihu (lake district) near the Chekiang-Kiangsu border. The objective of this attack, it was stated, was Changchow, on the Shanghai-Nanking railway, where it was hoped to get behind Kiangsu force attacking at Hwangtu. This army, however, has some way to go to reach its objective, having first to overcome a small Kiangsu army at Iing, near the border.

Victory at Linbo. The Chekiang army also reported a victory at Linbo, on the Yangtze river where its right wing, on the line defending

Thomas Hinds Is Killed In Crash with Tom Murphy

(By The Associated Press.) Syracuse, N. Y., Sept. 8.—Thomas Hinds, of Goshen, N. Y., veteran Grand Circuit driver, received fatal injuries late today when Bonnie Del, the horse he was driving, collided with Tommy Murphy's Clyde The Great, at the quarter mile turn in the second heat of the 2:05 trot at the New York State Fair. Physicians who rushed to Hinds' aid after the accident declared his skull was fractured and he died as he was being lifted into an ambulance.

RAILWAYMEN TO STAND BY BAKER

No Other Candidate For Governorship Has Endorsement.

A. C. Blainey, personal representative of Warren S. Stone, president of the Brotherhood of Locomotive Engineers, issued the following statement in Detroit recently, which tends to show that the endorsement of the railwaymen of Michigan lies with Herbert F. Baker, and not with Governor Groesbeck:

"The rank and file of the members of the transportation group in Michigan—the engineers, firemen and engine-men, conductors and trainmen are heartily supporting Herbert F. Baker for governor. They know Mr. Baker's record, and they know the record of every other candidate for the governorship. Mr. Baker was formerly endorsed at a meeting at which these railwaymen's organizations were officially represented and no subsequent action by any members of the transportation group for whatever purpose taken, affects that endorsement. The railwaymen of Michigan will vote for Baker because of his record, and his service to the people of the state."

The claim of Samuel Rhoades, an attorney of Lansing, chairman of the state legislative board of the trainmen, that the transportation group have endorsed any candidate for governor except Baker, is contrary to the facts.

Walker Must Meet Shade, Is Decision

(By The Associated Press.) New York, Sept. 8.—Mickey Walker, world's welterweight champion must meet Dave Shade of San Francisco before he engages in another bout, the state athletic commission decided today when Walker asked for permission to go through with a match with Bobby Barrett of Philadelphia on September 26, before meeting Shade.

Kerosene Storage Destroyed by Fire

(By The Associated Press.) Wilmington, N. C., Sept. 9.—More than a million gallons of kerosene oil were destroyed by fire here early today when lightning struck a large storage tank of the Standard Oil Company. The tank, 75 feet in height, was a total loss.

Shanghai from attacks from the west, rests.

General Chang Tso-Lin, dictator of Manchuria, who was defeated by Wu in 1923, has threatened to attack Wu from the north, thus hoping to prevent him from sending any of his Chihli army to the support of Kiangsu, Chang being allied with Lu Yang-Hsiang, the tuchun of Chekiang.

There is also talk of Dr. Sun Yetsen taking a hand on the side of Chekiang, but Sun has for some time been in low waters financially and General Chen Chung-Ming, Kwangtung military leader supported by Wu, has been awaiting an opportunity to enter Canton, Sun's city. The latter therefore probably has his hands full at home.

COMMISSION TO MAKE STUDY OF ARMS QUESTION

Sub-Commissions Will Be Given Majority Of Heavy Work.

(By The Associated Press.) Geneva, Sept. 8.—The work of studying the various phases of the disarmament problem was taken up by the disarmament commission of the league of nations assembly today in accordance with the resolution passed Saturday by the league assembly. Under the presidency of Foreign Minister Duca of Rumania, the commission decided to proceed forthwith with discussion of the draft treaty of mutual assistance.

The appointment of three sub-commissions was decided upon, the first to study control of the traffic in arms of private manufacture; the second, the coordination of the work of the present commission with the league's temporary mixed commission on disarmament, and the third to deal with the limitation of naval armaments.

General Discussion. The commission will attack the main problem by inaugurating a general discussion from the triple standpoint of compulsory arbitration, security and disarmament. It appointed a special committee to draw up a presentation of the views for and against the proposed pact of mutual assistance, held by all the countries in the league and also to give an outline of the new suggestions offered, including the American project for the outlawry of war and another project evolved by Sir James Allen of New Zealand.

Signor Chanzer, of Italy, in opening the general debate, assailed the guarantee pact because he believed it would fail to achieve a reduction of armaments and because of its authorization or regional agreements which would be bound to operate against states not having agreements.

The Italian delegate, criticizing the American plan, said the United States supreme court had such extraordinary powers that it was often said America was ruled by her judges.

"I much doubt," he added, "if our European situation would be amenable to such preponderance being given the judges."

New Cabinet for Chile Accepted

(By The Associated Press.) Santiago, Chile, Sept. 8.—The senate and the house of representatives this afternoon received the new cabinet, headed by General Luis Altamirano, which was sworn in last Friday night after three days of excitement on the part of the people because of the tangled political situation. When the members of the new ministry faced the senate there were no speeches, General Altamirano merely saying that the government desired prompt approval by congress of pending bills looking to the welfare of the country. The chairman of the senate then consulted with the members who gave their approval to all pending bills. Immediately afterward the cabinet went to the lower house, where the same program was carried out.

Michigan Voters Will Express Choice Today; Candidates End Work

VOTE FOR JUDGE TUTTLE

Judge Arthur J. Tuttle is a thorough Coolidge Republican. One of Michigan's leading jurists. A candidate upon whom all conservative Republicans can unite. An individual who will faithfully represent all of the people of Michigan. Vote for him for the Republican nomination for United States senator today.

STATEMENT IS GIVEN OUT BY JUDD YELLAND

Asks Voters To Disregard Remark of Last Week

Indicative of the high purpose of Judge Judd Yelland, to conduct only such a campaign as would be eminently fair to his opponent and will leave no ill feeling when the campaign is concluded, Mr. Yelland yesterday issued a statement publicly retracting a statement made by him in the heat of a discussion indulged in before a meeting of the Progressive Voters League last week.

Judge Yelland's statement follows: "Escanaba Daily Press: 'At a meeting of the Progressive Voters League, held last Friday evening at the city hall, in the city of Escanaba, Mr. W. J. Miller and I, both candidates for the office of Judge of Probate, made short addresses. He made certain statements reflecting on my honor and personal integrity and I made certain statements about him which may have been construed as against his honesty. As soon as my attention was called to it I at once apologized and withdrew the remarks. I wish to state that the remarks were made in a heated discussion concerning his remarks about me and that I did not intend to cast any reflection against the honesty or integrity of Mr. Miller. By using the word 'confiscated' I did not mean that Mr. Miller had done anything dishonest. I do not know anything against the honesty or integrity of Mr. Miller. I do not want any person to vote against Mr. Miller on account of or because of any of the remarks made by me. I do not want any ill feeling after the primary election. I make this statement voluntarily and without being asked."

Man Is Adjudged Insane Who Wrote Letter to Wales

(By The Associated Press.) Williamstown, N. Y., Sept. 8.—Marcus J. Gero was arrested in his home here today charged with sending the Prince of Wales an alleged threatening letter last Thursday. Sheriff Vincent, who made the arrest, said Gero admitted writing the letter.

The sheriff added that Gero threatened to kill the royal visitor, and said he "had no use for the British empire and would just as soon see it wiped out."

Later, Gero was taken to Pulaski for examination by physicians and upon their decision that the man was mentally unbalanced, was ordered committed to the state hospital at Ogdensburg.

Sheriff Vincent said authorities had been seeking Gero for some time but only today as he was about to board a train for Michigan were they able to approach him.

Gero was born in New York state about 34 years ago and served in the Canadian army overseas in the world war.

Since the close of the war he has been occupied with odd jobs about the countryside.

Lee Is Selected To Head Grand Council

Portland, Maine, Sept. 9.—Bert S. Lee, of Springfield, Mo., today was elected general grand master of the General Grand Council of the Royal and Select Masters of the United States, at the triennial convocation here.

Mr. Lee, who came to the national convocation as general grand deputy master of the council, succeeds Ray Hempstead, of Little Rock, Ark., as head of the Masonic Council in America. Other officers elected were: O. Frank Heart, Columbia, S. C., general deputy grand master; Warren S. Solpp, Baltimore, Md., general grand principal conductor of the work; Charles N. Fowler, Salina, Kans., general grand treasurer (re-elected); Henry W. Mordhurst, Fort Wayne, Ind., general grand recorder (re-elected); and Wallace C. Welch, Brockton, Mass., general grand conductor. The remaining three officers of the general grand council will be elected at tomorrow's session.

HONORS TO BE PAID AVIATORS AT WASHINGTON

Troops In Area Ordered To Parade As Planes Circle Overhead.

(By The Associated Press.) Washington, Sept. 8.—Preparations to receive the army world fliers on their arrival in Washington tomorrow were given something of a national character today when General Pershing issued personal orders directing that troops in the Washington district be paraded at their posts at the time the air squadron circles over the city and that suitable military honors be paid.

Many cities have brought pressure on the war department to have the world fliers roared so that honors could be paid them as they completed the flight to Seattle. Since it was inadvisable to protect the strain upon either the fliers or their machines unnecessary, however, a direct route westward from Washington will be followed and the reception tendered the world girdling aviators here will be given the aspect of a greeting expressing the honor and pride the nation feels in the achievement.

Coolidge to Attend. President Coolidge tonight planned to be at Bolling Field in the outskirts of the city when the world fliers land there. He was understood to be very anxious to witness their arrival and extend greetings in his own behalf and in the name of the American people if the time of their arrival would permit him to do so. In any event, Secretary Weeks, other cabinet officers and high officials of the government are scheduled to meet the squadron at the flying field.

At district of Washington headquarters, staff officers were busy tonight preparing for a noisy welcome when the air squadron leaves in sight. A national salute of 48 guns, the highest honors paid in the military service, will be roared out by field guns stationed on the ellipse back of the White House as the fliers separate from the escorting squadron and swing by overhead, bound for Arlington national cemetery across the Potomac to pay their own tribute at the tomb of America's unknown hero before they pass on to their landing at Bolling Field.

Repeat Salute. The national salute will be repeated by the guns at Fort Myer, adjoining the cemetery, as the fliers reach that point, and it will be amid the thunder of cannon that they will set foot on the tomb of the flowers they will bring with them from New York.

The full garrison at Fort Myer will be paraded and the troops will stand at present arms, saluting their comrades of the air, as the planes sweep by overhead. Around the tomb on the terrace of the memorial amphitheatre a troop of cavalry will be stationed as a guard of honor, and at all the other posts in the district where army forces are stationed, the troops will be in line as the machines pass above them, extending their own greetings to the daring aviators who have already virtually encircled the earth by air.

In accordance with the ruling approved and desired by Lieutenant Lowell H. Smith, flight commander, the ceremonies of reception to the fliers after they set foot on land at Bolling Field will not be protracted nor calculated to delay the resumption of the westward flight the following day or to add in any way to the long strain already endured.

Troops at Field. The army band and necessary patrolling troops to keep the field clear will be stationed at the field to add the initial greeting. Escorting planes which will meet the

Public Invited to Get Vote Returns at Press Office

A SPECIAL state election wire, to be operated in addition to the regular Associated Press wire, has been installed in the business office of the Daily Press. It will be operated throughout the night, and the public is invited to call and receive the returns. In addition to the complete state returns, special county and congressional returns will be posted as rapidly as they can be procured. The bulletins will be read and posted in the business office on the first floor of the Daily Press building.

BREWSTER IS GIVEN LARGE MAJORITY OVER DEMOCRAT IN GUBERNATORIAL FIGHT

OTHERS OF PARTY WIN POSITIONS IN STATE.

(By The Associated Press.) Portland, Me., Sept. 8.—Returns from 420 precincts out of 633 in the state, gave for governor: Brewster (R) 75,605. Pattangall (D) 48,451. The same precincts gave for United States senator: Fernald (R) 75,421. Redman (D) 44,326.

Portland, Me., Sept. 8.—Returns from the state in today's election gave: For governor: Brewster (R) 116,691. Pattangall (D) 81,620. For United States senator: Fernald (R) 115,014. Redman (D) 71,837. In these precincts, about 30,000 more votes were cast for governor than in the election four years ago.

WALES PRESENT AS FLIERS LAND

No Demonstration Marks His Presence In Front Box.

(By The Associated Press.) Syosset, N. Y., Sept. 8.—Sharing attention with the round world fliers, whom he greeted on their arrival at Mitchell Field today, the Prince of Wales, for the first time on his present visit, sat directly facing a large crowd. With Sir Esmé Howard, the British ambassador and Lady Howard, he sat in a box on an improvised grandstand directly in front of which the army officers who had almost finished circling the globe by air were formally welcomed.

After the speeches of the reception committee, the prince shook hands with the aviators. As he entered the box, dressed in a light blue check suit, red necktie with black stripes, blue shirt and collar, gray felt hat and the usual soft brown shoes, there was a commotion and a craning of necks but no demonstration.

When the circumnavigator and their airplane escort appeared within view, the prince rose with the rest of the crowd. He remarked on the size of Mitchell Field and said it was far different from landing on the narrow aerodromes in France during the war.

Captain Nungesser, the French ace, who had met the prince when both flew in France, entered the box and greeted the heir to the British throne. Both spoke in French.

The prince played polo again this afternoon and went to a dinner and dance at the home of F. Ambrose Clark in Westbury tonight.

Peacock Starts Suit for Divorce from Miss Taylor

(By The Associated Press.) Philadelphia, Pa., Sept. 8.—Kenneth M. Peacock, of New York, husband of Estelle Taylor, motion picture actress, announced today that he had instructed his Philadelphia attorney to notify counsel for Miss Taylor to have her come to this city to accept service in a divorce action. He denied reports that Jack Dempsey, heavyweight champion, was to be named in the suit, which, he said, would be based on desertion.

Miss Taylor is visiting her grandmother in Wilmington, Del. Reports that she was engaged to marry Dempsey recently were denied by the champion.

"I knew she came east with Dempsey," said Mr. Peacock, "and I knew they met in Wilmington, recently and went to Atlantic City to see the beauty pageant. If she wants to marry Dempsey, it's all right with me."

Mr. Peacock said he was married to the actress in 1911. They agreed several years ago to separate and have since been living apart, he added.

Renault Is Winner Over Negro Fighter

(By The Associated Press.) Philadelphia, Sept. 8.—Jack Renault, of Canada, tonight won the judges' decision over George Godfrey, Philadelphia negro heavyweight, in a 10-round bout marked by much clinching, at the Philadelphia National League baseball park; Renault weighed 200 pounds; Godfrey 215. Mars came within 32 million miles of the earth and escaped without injury. Big maybe it was.

U. S. MEMBER TO BE NAMED SEPTEMBER 19

Will Have No Official Connection With Washington.

(By The Associated Press.) Paris, Sept. 8.—The American member of the reparation commission under the terms of the Dawes reparation plan will be appointed at a meeting of the commission on September 19, and it is considered almost certain that the nominee will be James A. Logan, Sr., who has been unofficial American observer with the commission since the departure of Roland W. Boyden.

The American appointee will be nominated by the members of the commission which is now sitting and will not have any official connection with Washington. He will have a vote on every question coming before the commission which relates to the execution of the Dawes plan.

Reports reaching the commission from Owen D. Young, agent general ad interim for the reparation payments, that a full-fledged American member of the commission would greatly assist his work is said at the Hotel Astoria to have been responsible for advancing the date of the election of the American member, which originally was scheduled to take place on September 16.

Reparation quarters were greatly excited today over the imminent German note in regard to no attempt to hide the fact that the receipt of a note, advertised from Berlin as forthcoming, would create a most deplorable impression in reparation quarters as being both ill-timed and ill-advised.

Private telegrams went forward from Paris reparation circles to influential persons in Germany asking that pressure be brought upon Chancellor Marx to prevent him from sending the "unresponsible" note.

Davis Has Been Eliminated, Is Butler's Claim

(By The Associated Press.) Chicago, Sept. 8.—William M. Butler, chairman of the Republican national committee, returned to national headquarters here today, conferred with his aides and a number of party leaders and then issued a statement declaring "the one fact plain to all observers of this campaign is that John W. Davis, the Democratic presidential nominee, has been eliminated from the contest."

"Mr. Davis ranks third the country over almost without exception," the statement continued. "This is an extraordinary state of affairs for a period two months before election. Chairman Clem Shaver in Washington has sadly admitted that there is a half truth in this statement, and he will no doubt bend his every energy to correct it."

"It is impossible that Mr. Davis could grow much weaker, therefore I expect that he will have a new wave by the first of October. That, however, will come by the natural return to his own party of people who temporarily are following the socialist third party ticket. By that time they will have a clearer vision of where they are being led and the identity of the persons and forces leading them as well as the socialist issues to which they are being committed. So a certain number will return to the Democratic fold. But at the same time we will secure a very considerable number of those voters who will be attracted by the plain common sense and honesty of the Coolidge candidacy."

LaFollette Claims Even Break To Win

(By The Associated Press.) Washington, Sept. 8.—Senator LaFollette today told a group of labor leaders who are supporting his independent candidacy for president that "as things stand today we have an absolutely even break to win."

The labor chiefs, numbering about 20, met here to lay plans for coordinating their campaign endeavors and for raising funds to be expended in the interests of the LaFollette-Wheeler ticket.

Davis Is Preparing His Western Speech

(By The Associated Press.) Denver, Colo., Sept. 8.—John W. Davis spent six hours here today familiarizing himself with political conditions in Colorado before proceeding to Estes Park, in the Rock Mountains, to finish the address which he is to deliver in this city next Thursday night.

Arriving here early in the day from Nebraska, where he opened his campaign west of the Mississippi river, the Democratic presidential candidate was escorted to a hotel where Governor Sweet and other leaders of the Colorado Democracy called on him.

PLATE TO PRISONERS. Vienna.—When convicts in a dilapidated prison near Vienna begin to show signs of discontent with their lot, prison officials showed them every courtesy in order to avert a wholesale breakout. Some of the more gentle prisoners, who had expressed a dislike for eating at the table with common thugs, were served in their cells by experienced waiters.

Dry cows which are due to freshen about this time should be fed a little grain. Liberal feeding will result in a favorable increase in the following year's milk flow.

HONORS TO BE PAID AVIATORS AT WASHINGTON

Continued From Page One.)

World fliers over Baltimore will leave them as they pass into the District of Columbia and proceed directly to Bolling Field so the aviators who have crossed two oceans may proceed alone to pay their tribute at the tomb of the unknown soldier.

When the world fliers make their landing later, they will be greeted informally by government officials assembled at the field and then go to luncheon with their comrades of the air service at the field mess. Later in the day they will come to the state, war and navy building to pay their respects to Secretary Weeks.

NEW YORKERS WATCH

New York, Sept. 8.—Sophisticated New York started open-mouthed for a brief time this afternoon while the United States army world girdling aviators, escorted by a dozen airplanes from Mitchell Field, flew down the heart of the city toward their landing place on the Long Island flying field.

Stirred by the sight of the machines flying majestically in squadron formation far above the skyscrapers and pinnacles, countless thousands, voiceless for a moment of silence, broke into hearty cheers. Scores of factory whistles, the shrill sirens of harbor craft, automobile horns and other noise making devices added to the din, which was reminiscent of the excitement on armistice day.

At the Polo Grounds 35,000 persons had gathered to see the Dodgers and the Glanis play a crucial baseball struggle and 35,000 fans forgot baseball.

The machines came out of the north in V formation, the planes of Lieutenant Smith and Nelson in the hollow of the wedge.

When over the Battery and the Statue of Liberty, they separated and circled about. For five minutes they furnished a super spectacle for the throngs in the financial district. They they turned toward Mitchell Field.

CROWD GREET MEN

Mitchell Field, N. Y., Sept. 8.—Two veteran army planes, piloted by Lieutenant Lowell H. Smith and Lieutenant Erik Nelson, escorted by eleven planes under the command of Major General Mason M. Patrick, chief of the army air service, taxied onto the field today, near the end of a successful round-the-world flight.

The planes appeared in the air at 3:29 p. m. The escorting planes parted company with the world fliers and circled the field, while the pioneers of the air dropped to the ground to receive a rapturous welcome, and the oration of 15,000 persons who had been waiting for hours to welcome them. The fliers stepped from their planes at 3:44 p. m., after an uneventful flight from Boston.

A conspicuous figure in the crowd which welcomed the aviators was the Prince of Wales, who occupied a box with Sir Esme Howard, the British ambassador who delivered the official welcome on behalf of the British government. Also in the party was Captain George Nungesser, French air hero.

The Prince of Wales stood with hat in hand, joining in the cheering, from the time the fliers were sighted until the planes were rolled into the hangar. With the dull boom of a twenty-one gun salute making itself heard over the cries of the crowd, the fliers walked up to the speakers' stand and were presented to Senator Wadsworth, chairman of the senate military committee, who greeted them in the name of New York state. After presenting them with gold cigarette cases, the senator presented the aviators to the Prince of Wales, who leaned out of his chair and shook their hands across the railing. He greeted each with a boyish smile, his hat in his left hand.

Lieutenant Lowell H. Smith, flight commander, was the only one who had more than a few formal words to say to the prince.

"How do you do, your highness," he asked in answer to the British heir's cordial welcome, and reminded him of their meeting in London. "I told you then I would see you again," he said, "and here we are."

End Is Too Sudden.

The welcome was an unostentatious affair that ended too quickly for the taste of the crowd which overrode police opposition and was a crushed mass before the grandstand. It devoted its attention about equally between the prince and the fliers. When the former started to leave the grandstand at the close of the brief ceremony, a great section of the crowd deserted the fliers to follow him to his car. The royal visitor's guard managed to keep the crowd from coming into actual contact with him.

As the fliers were leaving the hangar in company of Major W. N. Hensley, Jr., Mitchell Field

DEFENSE DAY BACKERS RALLY

Two More Organizations Pledge Support To Demonstration.

Rotarians and Kiwanians of Escanaba will march, in a body, in the National Defense Day parade next Friday night, the club men voted yesterday at their regular weekly luncheons.

Added to the organizations whose support has already been pledged, these two bodies numbering about 150 men, will bring the length of the line of march up to an inspiring and imposing length.

The parade, which will start at 7:30 o'clock from the postoffice corner on Ludington street, will proceed to the high school where a short program will be staged. The names of the men who will participate in this program probably will be announced today, according to O. I. Bandoen, chairman of the defense day committee.

Four Reserve Units

Four reserve units have their headquarters in this city. It would be these units, in case of a national emergency, that Escanaba would be expected to supply. They are Headquarters company of the 382nd Engineers, commanded by Lieut. Col. Charles Good of Nahma, Service company of that regiment, commanded by Capt. T. R. Kessler, Medical detachment, commanded by Dr. H. J. Defast, and Co. F, 337th Infantry, commanded by Lieut. Harry Compher.

The committee in charge of the arrangements again emphasized that the event is not, in any sense, a military move. It has been compared with a fire drill in a school house, testing the nation's preparedness and the loyalty and patriotism of the committee.

Members of the committee are O. I. Bandoen, chairman, Charles Chaisson, the Rev. C. Albert Lund, W. E. Olds and Charles N. Wood.

Escanaba Hive Meets. The Escanaba Hive of Lady Macabees will meet at 8 o'clock Wednesday evening at Grenier's Hall. All members of the order are requested to attend this meeting.

Hold Review. Macabees of U. P. Camp No. 4, and Bradley's Camp, No. 81, will hold a regular review at Grenier's Hall tonight at 8 o'clock. All members of these two encampments are expected to be present.

It is crying makes a baby healthy we know one who can get a job as a moving truck when he grows up.

commandant, Lieutenant Nelson recognized Charles M. Lincoln, former managing editor of the New York Herald, with whom he had lived in 1912 and 1913. He fought his way to his side, hugged the editor ecstatically and turned to the smiling Mrs. Lincoln, took her in his arms and kissed her. Then he returned to his fellows.

Was Rejected Twice. "Nelson tried to get into the Canadian army in 1914 when the war broke out," Mr. Lincoln said later. "The age limit barred him. Then he tried to get into the American flying service when we entered the war, but the fact that he was not a college man frustrated his first efforts. He made it later, though, and now see what he's done."

Lieutenant B. S. Wright, who is to serve as "advance man" for the world fliers, going ahead of them from stop to stop between here and the Pacific coast, headed a five plane squadron that left Mitchell Field an hour before the world fliers arrived. They picked up the home-comers over Long Island Sound and Lieutenant Wright broadcast the progress of the flight until the arrival here. Army officers said the broadcasting plan had been highly successful.

To Resume Today. Weather permitting, the fliers will resume their westward journey at 9 o'clock tomorrow morning, flying to Washington. They will pass over Baltimore and Philadelphia on order of General Patrick, who directed that they do so on receiving urgent requests that these two cities be given a passing glimpse of the globe circlers.

In the evening, after an army medical test, the fliers were guests at a reception and dinner in Major Hensley's home. The postoffice and members of the citizens' reception committee, headed by F. Truette Davidson, were the hosts.

The fliers will hop off for Washington at 9 a. m. daylight saving time, tomorrow. From Washington the itinerary of stops includes Dayton, O., Chicago, St. Joseph, Mo., Omaha, Neb., and North Platte, Neb.

Plans for the remainder of the flight have not been made. It was stated at the field, except that it definitely will end at Seattle, official start of the cruise.

Scales on Market to Be Tested by City Official

Scales used by vendors on the Escanaba municipal produce market will be tested at regular intervals, it was announced yesterday by Joseph Greenfield, market master. Patrons may be assured, thereby, of receiving full value at the market.

Attention was called by Mr. Greenfield to the table of maximum prices posted every market day. These maximum prices will be strictly enforced and patrons who are asked to pay more than is set forth on the bulletin board are urged to report the affair to the market master.

This precaution is taken with the cooperation of prominent farmers who are identified with the market project and who are desirous of maintaining the market in a thoroughly businesslike manner.

Bringing Up Father in Musical Comedy, Coming to Delft

"Bringing Up Father in Ireland" is the title of the old, but ever new musical attraction which comes to the Delft Theatre on Monday, Sept. 15, for an engagement of one night. The famous George McManus cartoon play is absolutely new every year. There is nothing remaining of last season's show but the title and "Jags and Maggie" of course. They say girls are getting prettier every year, and "Bringing Up Father" keeps pace with the times and they can't come too pretty for "Jags." "Bringing Up Father in Ireland" naturally calls for girls of the Irish type, and how could they be prettier when they have the "Blush of the Irish Rose" on their cheeks. Songs and dances are all new as well as scenery and electrical equipment. "Bringing Up Father" is an American institution that is dear to every reader of the funny page.

LITTLE BOY BLUE BLUING

The Girl Who Bared Her Soul

When Elizabeth promised to be Robert's wife, she did not know to what lengths of treacherous fury a woman will go who is eaten with envy and jealousy. In her inexperience of life, she was to learn that while the mills of the gods grind slowly, they grind exceedingly fine—and that her courage and honor would have to meet tests that few women can meet and emerge strong and unscathed.

"In Forever After," Elizabeth bares her soul with fearless frankness. It is gripping story—yet it is only one of the many remarkable features in October True Story, now on sale at all newsstands.

OBITUARY

HOWARD HANRAHAN. Howard Hanrahan, well known Upper Peninsula business man, and for several years manager of the Carpenter-Cook wholesale house at Ishpeming, passed away at the home of his wife's parents, in Marquette, yesterday afternoon, according to word received in this city.

Mr. Hanrahan is survived by a son, J. H. Hanrahan, of Pentago, Mich., and two sisters, Miss Gladys Hanrahan and Mrs. Henry Rasmussen, of Marquette.

The deceased, who was forty-two years of age, was a business executive of high ability and had gained a large number of friends throughout the peninsula who will be shocked to hear of his sudden death.

A collision of the Studebaker owned by Leo Carlson of this city and an Iron Mountain car yesterday afternoon, between this city and Ford River, resulted in serious damage to the local car and slight injuries to Mr. Carlson and the two passengers with him.

In today's primaries in Arizona the gubernatorial nomination in both parties is sharply contested. Gov. George W. P. Hunt is seeking a fifth term.

Helen Lorimore's Legacy

BY JANE PERLES

CHET WARREN ASKS HELEN TO MARRY HIM.

When seated before her desk, the big ledger open before her, she could not control the mounting color that swept up into her cheeks as thoughts of him crossed her mind. At times she trembled with her longing. During these silences Helen felt him near her, and would close her eyes recalling his features, his little tricks and manners of speech.

A day came that stood out sharply against other days. Helen received another note from him. Only a few words, yet she read a contentment between the lines, a faith in the future. But it was his future, not theirs. He was busy, had found work. Some day he hoped to take a vacation and to see her to whom he owed so much, and the ranch he loved. This time he gave her an address, and Helen replied to his letter, saying little of herself, but telling him all she was doing about the ranch, knowing he would be interested, and of Claire and Walter Downing, not forgetting Old Martha. It was a gossipy letter.

Spring sunshine flooded the ranch house. Old Martha sang softly about her work; the house boys whistled as they did their work. Helen saw more of Claire now; often she rode over and spent the day, Walter coming after her in the late afternoon. Chet Warren, too, came often and soon let Helen know why. "I love you, Helen. Will you marry me?" he asked one balmy evening as they sat on the porch. "Why, Chet! I never dreamed—"

Every qualified elector in Michigan owes it to his citizenship to vote today. Candidates, who when elected, will represent the state of Michigan in the United States senate, the federal house of representatives, who will represent the people in the state legislature and control affairs of the state and this county, will be nominated today. Only by the greatest number of electors participating in the primaries can nominations so made be said to be truly representative of the wishes of the people. One of the greatest weaknesses of government is the apathy of voters. There are those who conscientiously consider candidates and issues and cast their ballots after careful thought. But this type of voter is declining in numbers as statistics frequently quoted show. In Michigan two years ago, 55 per cent of the qualified electors voted. Forty-five per cent of the voters did not consider it worth their while to assume this duty and responsibility toward their government. Before the primary was adopted, there was much said and printed about cliques and rings controlling the selection of party candidates. Yet today, after the primary has been in operation for many years, fewer voters are going to the polls to help in the selection of candidates than ever before in the history of the country. Americans are taking too little interest in the conduct of their government. It is truly an American trait to criticize, and public officials get plenty of it, often undeservedly. Yet the voters, themselves, are largely to blame for the very things they criticize. The registration of voters in Delta county this year is somewhat larger than heretofore, but it is not complete. Some electors have disfranchised themselves because they failed to register. This is unfortunate, but it is to be hoped that all who did register will cast their ballots. Citizenship is not only a privilege but a responsibility. The country would be far better if all recognized this responsibility and accepted their share of it. DELTA FAR IN REAR. The manner in which Delta county is outstripped by other counties in the peninsula in the amount of public parks, is demonstrated in a project was conducted at Ironwood yesterday. 1924 MARCH IN GREAT PARADE

Remarkable Demonstration By Holy Name Society Sunday

BY ADRIENNE TOUBIGNANT

One of the most impressive religious ceremonies ever staged in this city took place Sunday afternoon when members of the Holy Name Society of three local parishes, St. Anne's, St. Joseph's and St. Patrick's, and visiting members of Gladstone, Rapid, Trenary, Perkins and Flat Rock parishes marched from St. Anne's hall to First Ave. South, then on 14th street to St. Francis hospital where Solemn Benediction was given in the open.

A total of 1539 men, members of the Holy Name Society, marched in the parade which extended over many blocks. Each one carried a blue pennant with white letters, H. N. S.

St. Francis hospital presented a pretty sight when on entering the front gate the entire front of the building was banked in flowers and ferns. On the second floor balcony a large statue of the Sacred Heart stood in the open space with extended arms as though inviting the public to enter and take part in the ceremonies.

A beautiful white and gold altar filled the space at the main entrance; this was handsomely decorated with gold lace and candlesticks of gold and cut flowers.

Impressive Scene.

The organ stood at the left where male members of the three local churches rendered the sacred music for the services. The sky was cloudy, but no rain fell to mar the services which were attended by 1539 members of the order and over 800 other persons.

Standing out against the blue-grey sky were the Stars and Stripes floating from the flag pole on the roof of the building and the velvet green lawn presented a picture which is beyond description.

In the line of march were seen men of every nationality. Four large American flags were prominently displayed in the procession and also a number of banners from the various branches of the order, some of which read, "Honor God, Love the Brotherhood, and Obey the Law."

Solemn Benediction was given by Rev. Fr. Wm. Geers, chaplain of the hospital, assisted by Rev. Frs. R. G. Jacques and St. Anne's, and Rev. Fr. Daniel Linfert, O. F. M., of St. Joseph's church.

The Litany of the Holy Name was recited by the members and the act of reparation for blasphemy was also repeated.

The members renewed their pledge in unison and the entire program was very impressive and solemn.

The clergy was represented by the Rev. Frs. Wm. Geers, of St. Francis hospital, R. G. Jacques and Albert Pellissier of St. Anne's, Bertrand Labinski, O. F. M., and Daniel Linfert, O. F. M., of St. Joseph's, John Meckler and Raymond Bergeron, St. Patrick's, Alphonse Colgnard of Perkins, Sebastian Melers of Gladstone, Joseph Guertin of Rapid River and Trenary, Francis Geynet of Flat Rock.

James C. Wood for Congress

Former State Senator James C. Wood, of Manistique, candidate for Congress in the primary Tuesday, has received most encouraging and enthusiastic support from all parts of the district and his wide acquaintance throughout the district makes him a leading candidate in the primary. His recognized leadership in the Senate for the three sessions of that body, where he made an enviable record, adds strength to his candidacy and proves that faithful service and hard work in the interests of the constituency will bring to him the support of an appreciative electorate at the polls Tuesday.

Senator Wood is a man of unquestioned integrity, a hard worker, a forceful speaker and a close student of governmental affairs. He was born in Michigan and has spent his lifetime in this state. His work at Lansing was of the highest order and he justly earned the distinction of being the "Watch-dog of the Senate," the hardest worker and most faithful attendant at the sessions of that body. He welcomes a fight in a good cause and has never been afraid to make known his position on public questions or pending legislation and has always stood in the open with a reason for his action.

Mr. Wood comes before the voters in this campaign upon his merits alone. He has no patience with the political propaganda put out by his opponents to induce support, and will not attempt to be all things to all people simply to get votes. He does not seek to gain a vote by besmirching his opponents or attributing to them ulterior motives in their candidacy. He stands four square upon his ability to meet the duties, which go with the office of Congressman and assures an intelligent electorate that he will give for all the same faithful service as your Congressman that he did as your State Senator and will always have the courage to meet every question fairly and squarely in the interests of all.

Mr. Wood believes that the burden of taxation upon our people is much too heavy and will work faithfully to secure a reduction in taxes and governmental expenses, not from the politically expedient standpoint, but from the standpoint of the actual needs of the people. He believes that some legislation should be enacted as speedily as possible which will bring about an improvement in agricultural conditions. He favors enactment of adequate child labor laws. He stands for the policy of protection for American labor and an absolutely square deal in legislation affecting labor. He believes that a full measure of care and protection should be given to wounded and disabled war veterans with the least possible delay.

Mr. Wood asks the support, friendship and vote of every voter who believes in and desires faithful service and who also desires and will appreciate a representative in Congress who will work for the interests of all and who will be unafraid to take a definite position on all questions pending in Congress.

If you desire a man who will stand four square for your rights, who will work for your interests rather than play politics in connection with the duties of the office, and who will not be afraid to raise his voice in protest when protest is necessary, then extend your confidence to James C. Wood and nominate and elect him as your Congressman.

and F. J. Seaton of Chicago. Fr. Daniel Linfert delivered the sermon of the day. It was a masterpiece of eloquence and Fr. Daniel said, in part: "There have been many manifestations of various sorts in this city in the past and parades in which many men took part, but never in the history of Escanaba has there ever taken place a religious demonstration to equal the grand parade and rally that you are called upon to witness today. It surpasses anything that you have ever seen here and therefore I wish to congratulate all of you for the grand role you have played in this religious celebration, making it a most memorable event in the city's history."

"We have not come here to make a show of our political strength, nor to show the power of the Catholic church, but we have turned out today in such great numbers solely to give public profession of our faith in Jesus Christ to show our love for His Holy Name. You have come here to prove to the world that you are proud of the faith that is your glorious heritage and you have preached in your own way a most eloquent sermon."

Oldest Organization.

"The Holy Name Society today is 650 years old and next to the Catholic church is the oldest organization in existence. This great society is primarily a religious society, spiritual in all its aspects, its aim to enoble and elevate the soul of man, to make him a better Christian, a practical Catholic and to prepare him for his eternal destiny. The Holy Name Society is a grand profession of faith in the Divinity of Christ."

"When we look about us in this glorious country today we see thousands of divorces disrupting the home and family ties; we see and read of the many murders, suicides, and other crimes daily committed in this glorious land, and we realize that today in America there is needed more than great political leaders or great diplomats, a return to religion and to live for Christ and this is exactly the primary purpose of the Holy Name Society."

"We have laws in abundance but law alone does not make for good citizenship. Every criminal knows the law, yet he is a criminal in spite of the law. What we need today more than all else is a great religious revival and a return to the principles of religion that was taught by Jesus. Then and only then will America be saved."

"The Holy Name Society is composed of men of sterling and upright character, men who are the very cream of Catholicity, men who honor and respect the name of God. In the history of the world were great men whose names adorn the pages of our history. There was Alexander the Great who won great victories, and made Greece a vast empire but he died an untimely death in debauchery and intemperance. There was Julius Caesar, the great Roman emperor, who gained signal victories over his enemies, yet he died the victim of daggers by Roman senators. There was Napoleon of France, probably the greatest general that ever lived, yet he died in exile. Where, my friends, are Alexander, Caesar and Napoleon today? Their mortal remains are crumbling in the dust. Who bows their head at the name of Alexander, who bends the knee at the name of Caesar or Napoleon? They have spent their day on the stage of life and their stars have

waned until today only history recounts their deeds. Today there are 300 million Catholics and 200 million other Christians who bow their head and bend their knees at the very mention of that Holy Name of Jesus.

Promise of Reverence.

"This is the very name which you promised to respect when you joined the Holy Name Society. I say, therefore, always love and respect the Holy Name and do not use it with disrespect, especially not in cursing. Live up to your pledges and avoid quarreling and bickering in your home and live at peace with your neighbor; be not afraid to let the world know that you are a Catholic and let the world know that you belong to one of the grandest organizations and societies on the face of the earth."

"We need more men like you, men who are always ready to give a reason for the faith there is in them, men who are loyal to their God, and church, and loyal to their country and observe its laws."

"In conclusion, my friends, go forth in the name of Jesus Christ. The war is on, the enemies are in the field; you must declare yourself either for or against Christ. The war is not against flesh and blood, nor against guns and poisonous gas, but it is against vice and greed and hate and sin, and your weapons are prayer, faith and sacraments. Go forth, I say, and bear the cross of Jesus in one hand and the glorious Stars and Stripes that never yet tasted defeat, in the other, go forth with the Holy Bible and the word of God, and with the glorious constitution of the United States granting us that priceless heritage, religious liberty, and may your motto be ever Catholicism and Americanism."

"Then truly will the world begin to realize the power and influence of the great Holy Name Society."

AMUSEMENTS

AT THE DELFT.

Big crowds greeted Rudolph Valentino in his return to the Delft screen at the Delft theatre yesterday. It had been some time since the Valentino vogue had waned during his absence from the screen, it was completely dissipated by the enthusiastic reception of the "perfect lover" received.

The picture amply justifies the patronage and praise given it throughout the country. It is a masterpiece.

Every bit of painstaking labor, artistry and presence which could be summoned by Paramount, the producers, was focused in the making of "Beaucaire." It will undoubtedly stand high among the best ten of the season's contributions.

As a gorgeous costume play, and for sheer beauty of presentation, it has never been topped. Very cannily, perhaps with some doubt as to Valentino's reception, the producers did not subordinate the production to the star. It stands very sturdily upon its own handsome legs, without, however, distracting in any wise from Valentino's personality and gifts or his own prodigally displayed talents. For this balance, "Beaucaire" is a rare achievement.

The picture, too, entrenches Sidney Olcott, director, among the stalwarts of his craft. To him much of the film's superb quality is due.

In the role of cavalier at the studiously erotic court of Louis XV and the assemblies of the powerful Madame Pompadour, Valentino has wide latitude to display those amorous traits which have made him an idol.

Against the gorgeous fillgree of the French court, Bebe Daniels is a vision of loveliness in her white wig, as the girl to whom the prince returns after disillusioning adventure. Lois Wilson is effective as the pathetic queen of Louis, who is rather formally interpreted by Lowell Sherman.

Doris Kenyon scores high in the exacting role of the belle of Bath. And Faulette Duval gives an interesting, but superficial portrait of Pompadour, brilliant, dangerous favorite of the court. Others maintaining the high level of "Beaucaire" are Ian MacLaren, John Davidson, Flora Finch, Frank Shannon and Temple Powell.

Valentino dignifies himself by not seeming to detract, beyond requirements of the Tarkington story, from his talented associates in the picture. His comeback has been gracefully accomplished at one bound.

D. R. Munk, 330 Spring Street, New York, writes: "I feel sure that McCoy's Cod Liver Oil Tablets were instrumental in restoring my boy to his normal state."

AT THE STRAND

Admirers of Shirley Mason, diminutive William Fox star, have an opportunity to see that comely little screen favorite "all dressed up" in "The Eleventh Hour" at the Strand theatre today.

In this sensational Fox picture, made from a stage success by Lincoln J. Carter, the little actress is co-starred with Charles Jones. She plays the role of an heiress with a fortune running into eight figures and, therefore, wears a lot of pretty clothes.

All Miss Mason's clothes were made from designs brought over from Paris and the selections had everything that possibly could be included in a rich girl's wardrobe, from wonderful evening gowns to the latest in sport togs.

Before the picture was completed she had to make a dive into the ocean and then swim half a mile out to a motor boat. This and other physical ventures served to reduce terribly her wardrobe. And the petite star regretfully says that all the cleaning in the world couldn't restore the lost frocks.

GENERAL PRIMARY ELECTION NOTICE

Michigan Department of State, Lansing.

To the County Clerk:

You are hereby notified that a General Primary Election will be held in this State on Tuesday, the ninth day of September, 1924, for all political parties, for the purpose of nominating candidates for the offices of United States Senators (long and short terms), Governor, Lieutenant Governor, Representatives in Congress, State Senators, and Representatives in the State Legislature; also for nominating candidates by each political party in counties, as prescribed by Act No. 281, Public Acts of 1919 (1917-1918, C. L. 1918), as amended. In witness whereof, I have hereunto affixed my signature and the Great Seal of the State, at Lansing, this third day of July, in the year nineteen hundred twenty-four.

CHARLES J. DELAND, Secretary of State.

TO THE ELECTORS OF THE CITY AND COUNTY OF DELTA.

Notice is hereby given that a General Primary Election will be held in the several voting precincts of said county on Tuesday, the 9th day of September, A. D. 1924, at which election the following officers are to be nominated, namely:

Republican Primaries

SEPT. 9TH, 1924.

(Political Advertisement)

To the Voters of Delta County:

I wish through the medium of the press to formally announce my candidacy for the nomination on the Republican ticket for the office of Prosecuting Attorney. I feel that the office of Prosecuting Attorney is one of the most important administrative and judicial offices of the county, and that the Prosecutor should be the directing head of the law enforcement machinery of the county. If nominated and elected I shall use my best efforts to perform the duties of that office, as the constitution and laws of the State of Michigan intend that they should be performed. Particularly, I believe that persons accused of violating the law, should be given an opportunity to have their cases tried in the local circuit court where they have an opportunity to have a fair trial. I do not believe that violators of the law should be put to the prohibitive expense of defending themselves in a court long distant from their residence in Delta County. I also believe that the office of Prosecutor should be made self-sustaining, and if convicted men are to be fined, they should be fined in our local courts and the money kept at home. I earnestly solicit the support of all voters who wish to see the office of Prosecuting Attorney filled in an efficient and proper manner.

Dr. W.

It is represented that half of the present Congress should be retired, and that the reasons why they should be retired, and the statements refer to their self-advancement, and it is intimated that they represent special interests.

It must be that the special interests referred to are the Laboring Classes and the Farmers. There are many reasons why the present congressmen should be retired, and it is for these reasons that Dr. LeMire is a candidate, not through his self-seeking, but his candidacy represents the average voter—Laborer, Farmer and fair minded Business Man—throughout the district.

In the first place, not a single thing has been pointed out or can be pointed to that our present Congressman has accomplished for this Congressional District since he has held the office. He has been unable even to secure public improvements needed in different parts of the district. If he has accomplished one thing for this district since he has been congressman, it has not been pointed out or referred to.

Organized labor is opposing his candidacy as a unit, because he has opposed nearly all of the important legislation advocated by them. He is solidly opposed by the farming interests because he opposed every measure advocated and brought before Congress by the Farming interests, whether that interest was known by "Farm Bloc" or otherwise.

To appeal for votes through any promise to reduce taxation has no weight because any candidate who might be elected would naturally do what he can towards that end. Dr. LeMire's candidacy is based upon promises to support every measure beneficial to this district. He does not represent any clique or class. Any plan to reduce taxation by any administration will receive support from Dr. LeMire. Also that he will not dodge any bills.

tale.

were two open envelopes, ad-

STAGE RALLY
OF HOLY NAME
HERE SUNDAY

In accord with the wishes of
the Right Reverend Paul Nuss-
baum, Bishop of the Marquette
diocese, the members of the local
branch of the Holy Name Society
staged a rally Sunday afternoon
in the St. Francis de Sales church
and school.

At 3 o'clock more than 100
members gathered in the school
hall, including a large number
from the Garden, Fayette and
Cooks parishes. Talks on the
movement and activities of the
Holy Name society were given by
the Rev. Father B. J. P. Schev-
ers, pastor of the local parish
and Father Remortel of Garden.

The Holy Name movement in
America dates back more than 50
years, with inception in New
York City. Today there are 5-
663 branches in the Catholic
churches of the United States
with a membership that has been
estimated between 1,500,000 and
2,000,000.

The Holy Name rallies which
are being held all over the coun-
try have as their object a public
expression of the society's aim.
They constitute on the part of
the Holy Name men a public act
of faith in the doctrine of Christ's
divinity, an act of reparation and
honor to the Holy Name, a public
act of allegiance and patriotism
to the country.

Following the program in the
school hall, the members march-
ed in a body to the church
where a forceful talk was given
by Rev. Fr. V. C. Sauvageau of
Cooks. He stressed the impor-
tance of the second Command-
ment of our Lord, the upkeep and
honor of which was the object
and purpose of the Holy Name
society. In part he said:

"No one respects a man who
swears, blasphemes or curses.
There is nothing to be gained,
but much to be lost to the man
who resorts to those tactics in
conversation. Take away blas-
phemy and cursing from the
speech of some and you have left
an unintelligible jargon."

The exercises closed with the
renewal of the Holy Name pledge
and Benediction of the Blessed
Sacrament. The clergy present
at the services included the Rev.
Fr. J. Specht, Morrin of Gar-
den, Sachers of Manistique and
V. C. Sauvageau of Cooks.

Why Suffer So?

Get Back Your Health as Other
Escanaba Folks Have Done.

Too many people suffer lame,
aching backs, distressing kidney
disorders and rheumatic aches
and pains. Often this is due to
faulty kidney action and there's
danger of hardened arteries,
dropsy, gravel or Bright's dis-
ease. Don't let weak kidneys
wear you out. Use Doan's Pills
before it is too late! Doan's are
a stimulant diuretic to the kid-
neys. Doan's have helped thou-
sands. They should help you.
Here is one of many Escanaba
cases:

Henry Zeegers, 625 S. 16th St.,
says: "Mornings I had dull pain
across my kidneys. When I bent
sharp catches took me through
my back. My kidneys were weak
and I had to get up two or three
times during the night. The
secretions burned in passage and
contained sediment. I bought a
supply of Doan's Pills from the
West End Drug Store and they
fixed me up in good shape."
Price 60c, at all dealers. Don't
simply ask for a kidney remedy
—get Doan's Pills—the same
that Mr. Zeegers had. Foster-

Lloyd J. Neville
Starts Up Piano
Tuning Business

Having returned from Mil-
waukee, where he has been tun-
ing pianos for a prominent manu-
facturer, Lloyd J. Neville has
embarked in the piano tuning
and repairing business at Manis-
tique, according to the announce-
ment made by him yesterday.

Mr. Neville, whose home is in
this city, completed a course of
study at a large piano factory in
Milwaukee, where he learned
how pianos are made, studying
both the mechanical and musical
make-up of these popular instru-
ments. Following that, he was
employed by the company in the
capacity of salesman, tuner, and
repairer, gaining much valuable
experience in his two years with
the concern.

Mr. Neville recently decided to
locate in Manistique, and now
offers his expert services to local
piano owners who have formerly
been forced to send out of town
for piano tuners or repairers.

Road to the Fair
Grounds Now O. K.

In preparation for the auto
traffic during the days of the
Schoolcraft county fair the road
to the local fair grounds has re-
cently been repaired and is now
in better condition than it has
been for several years.

Crushed rock and road tar
were used in making the repairs,
and where this has been applied,
the fair thoroughfare has a prac-
tically dustless surface. The
race track is also in fine con-
dition this year, heavy rains hav-
ing thoroughly packed the new
clay fills that were applied as
remedies at the sandy corners.
Horsemen predict some new
speed records if the weather is
favorable during fair week.

church bazaar, Mrs. W. J. Motel,
Mrs. Joseph Sturgeon and Mrs. L.
J. Smith, have about finished their
work and organization of a com-
mittee staff for the bazaar will be
completed this week.

A meeting of all captains of the
various wards will be held Thurs-

home of Mr. and Mrs. John John-
son, her uncle and aunt, was bad-
ly cut about the face Sunday
morning when the car in which
she was riding with her cousin,
Eddie Johnson, smashed into a
telephone pole near the railroad
crossing at the Buckeye yards.

Struck by flying glass from the
broken windshield, she received
a gash in one cheek and other
cuts and bruises. Eight stitches
were necessary to close the big
cut.

FUNERAL OF
YOUNG MAN
HELD MONDAY

Funeral services for Herbert
Powers, eighteen year old son of
Mrs. Susan Powers, 1401 Delta
avenue, who passed away Friday
at an Escanaba hospital, where
he was taken in an unconscious
condition as the result of a fall
while playing two weeks ago,
were held yesterday afternoon.

The services were conducted in
Allie Memorial Methodist church
at 2:30 o'clock, the Rev. H. W.
Colenso, pastor of the church of-
ficiating. Beautiful vocal solos
were sung during the impressive
services by Mrs. Edward Foster.

Following the services the
funeral procession went to Fern-
wood cemetery where burial was
made. Close friends of the fam-
ily were pallbearers.

PRIMARY
ELECTION
VOTE TODAY

Gladstone voters will go the polls
today to cast their vote for the sep-
tember primary with indications
that one of the heaviest primary
votes in recent years will mark the
election.

Selection contests on the Repub-
lican ticket, both county and state,
are the center of interest for the
voters and from registration, a hun-
dred percent vote will be shown
here.

The polls will open at 7 o'clock
this morning and will close at 7
o'clock tonight. The election board
appointed by the commission will
be in charge.

The Gladstone State Savings and
the First National banks will not
be open.

HOLY NAME
TAKES PART
IN RALLY

One hundred and fifty men of
the Gladstone Holy Name society
took part in the Holy Name rally
held Sunday afternoon at Escanaba,
and marched with other Holy Name
organizations from nearby towns in
the big parade held in connection
with the rally.

Sunday morning, previous to the
rally at Escanaba, one of the largest
gatherings ever at All Saints' church
was seen when members of the
local society marched to
church and received Holy Commu-
nion in a body.

An inspiring sermon on the Holy
Name society and its principles was
delivered at the services by the
Rev. Father Sebastian Maier, pas-
tor.

Mrs. Peter Meyer who has been
visiting at Rudyard returned last
night to her home here.

FRED JORDAN
HURT IN FALL
FROM ENGINE

Fred Jordan, well known Glad-
stone railroad man, is lying at
his home, suffering from bruises
shock and possibly internal in-
juries received Sunday night
while he was at work string
when he slipped and fell back-
wards from his engine, a dis-
tance of twelve feet.

His condition was said yester-
day to be slightly improved but
it will be impossible to know the
full extent of injuries for a few
days.

The unfortunate accident hap-
pened at 8:15 o'clock when No.
15, bound for Rhineland, on
which Mr. Jordan was working
with Engineer Norman Kee, stop-
ped to take water at Newhall.

Mr. Jordan was climbing to the
cab over the tank when in some
manner he lost his footing and
fell backwards to the ground be-
low, striking on his back and

The engine was turned back
and the injured man rushed to
this city for medical treatment.
Later he was taken to his home.

No Bones Broken.
He seemed to be resting a lit-

were broken in the fall and
barring complications from inter-

his recovery will be but a mat-
ter of time.

DINNER IS
GIVEN BY
H. O. G. CLUB

Miss Laura Lauzon of Escanaba
was the honor guest at a 6:30
o'clock dinner given Friday eve-
ning by the H. O. G. Club at the
rest rooms of the Gladstone tele-
phone exchange.

The dinner was followed by a
short business meeting of the
club, after which games were
played.

Those present were, Mrs. Hazel
Bovin, Mrs. Flora Pistulke and
the Misses Mildred Boyle, Myrtle
Trueblood, Dora Ratche, Ger-
trude Carlson, Merita Poulin and
Ada Young.

GIRLS PLAN
JAPANESE
TEAM ROOM

Plans for the Girls' Sodality
part in the All Saints' church
bazaar which will be held in Oc-
tober, were made last night at
the regular meeting of the so-
ciety.

In addition to a booth where
articles will be on sale, a Japa-
nese tea room is included in the
plans made by the girls.

The girls followed their busi-
ness meeting with a social time
featured by a program and re-
freshments.

Members of the Sodality will
receive Holy Communion in a
body next Sunday, the regular
Sunday having been given to the
Holy Name society for its rally.

DEFENSE DAY
PROGRAM IS
ANNOUNCED

Members of the Defense Day
Citizens' Committee, City Manager
F. R. Buechner, James T. Jones
and E. J. Noreus, have practically
completed their plans for Glad-
stone's observance of national de-
fense day, Friday, Sept. 12.

The publicity campaign opened
yesterday with a talk at the Glad-
stone Rotary club by Addison Al-
guire, captain in the Officers' Re-
serve Corps. Talks will be given
tonight at the Community and
Lyric theatres by E. C. Dayton and
Percy Cameron of the local Legion
post.

Defense Day will be observed as
a half holiday by the city officials
and it has been recommended that
it be observed as such in all other
instances in which it is practicable.
The program as arranged thus
far by the citizens' committee, will
be:

Summons of citizens to the city
hall by pealing of the bell at 7:30
o'clock.
Assembly of citizens.
Singing of National anthem.
Five minute addresses:
"Purposes of Defense"—Matthew
Wagner.
"Citizenship"—Hon. I. N. Bush-
ong, mayor.
"Patriotism"—Rev. Father S.
Maier.
"Our Country"—Rev. H. W.
Colenso.

Parade, in which citizens will be
requested to join as a mark of loy-
alty. Addison Alguire leader, fol-
lowed by drum corps.
Return to City Hall for finale.

Dazy Vance Brings Down Giants

DODGERS DRAW CLOSE TO TOP

Brilliant Play On Part Of Brooklyn Players Shows Throughout.

(By The Associated Press.)

New York, Sept. 8.—Batting brilliantly behind their great mound ace, Dazy Vance, Brooklyn topped the tables on New York today, won the second and last game of their series 7 to 3, and jumped back to within a half game of the league leading Giants.

Among 40,000, one of the largest of the season, saw Vance have up his 13th straight triumph and his 25th of the season, while his southpaw rival, Art Nehf, retired in favor of the heavy Robin artillery for seven hits and five runs in seven innings.

Displaying all the fire and dash that has carried them through the greatest winning streak any club has had this season, Brooklyn outplayed and out-generaled McGrow's champions. Superior hitting in the field and timely working behind Vance's great twirling were the factors that carried them to victory.

Deberry's home run drive against the upper left field grandstand, with Griffith on base, gave the Robins their winning margin in the fifth inning, as it turned out, Robinson's crew added steadily to their lead afterward while the Giants battled gamely but ineffectively.

Besides Deberry, who had a perfect day at bat, the Robin assault was led by High, who had a brace of booming triples and the veteran Zach Wheat, with a single and double.

Vance held the Giants to six hits and added six strike-out victims to his long list. He was hit hard, however, in the third and fourth, when the Giants scored their only runs, chiefly through Jackson's triple and Young's double and had narrow escapes from further damage in the fifth and sixth innings.

Gowdy doubled to start the fifth, but a double play, engineered by Stock, nipped a budding rally, while in the sixth Vance issued three passes, in a sudden streak of wildness but escaped unscathed.

That looked like bad strategy resulted in Frisch being nipped at third on a double steal while pop-ups by Kelly and Wilson clustered further scoring hopes.

Pirates Lose Ground In Pennant Race; Solons Still Out In Front.

(By The Associated Press.)

New York, Sept. 8.—Brooklyn lightened the gap between itself and New York in the National League to one-half game today as Dazy Vance won his 13th consecutive victory. Pittsburgh did not play and remains two games behind first place.

Washington retained its two game advantage over New York in the American League as the teams took to the road to finish the season. Ruth's forty-fourth homer, scored Dugan and furnished the only Yankee scores over Boston as Joe Bush held the Red Sox scoreless and to two hits. Walter Johnson breezed in behind an early lead for a victory over the Athletics, Detroit did not play.

Pittsburgh, although two games behind first place, holds an advantage in games-remaining to be played and could pass both rivals in a fast finish. Washington and New York have an equal number of contests to play.

The standing of the first three teams in each league and the games remaining to be played after today follow:

SENATORS WIN FROM MACKMEN; SCORE IS 8 TO 4

(By The Associated Press.)

Philadelphia, Sept. 8.—The Washington Senators opened a brief series in Philadelphia today by sending the Athletics down to an 8 to 4 defeat. Walter Johnson worked easily behind the lead his teammates piled up in the opening innings and was never in serious trouble. Hauser and Miller solved him for home runs. Blows by the bases, were clear on both occasions and they did little damage. Score:

Firpo-Wills Train For Coming Battle

New York, Sept. 8.—With the question of the holding of the fight still in doubt, Luis Angel Firpo and Harry Wills went on with their training today for their bout at Boyle's Thirty Acres on Thursday night. The "Wild Bull" shadow-boxed for 15 minutes, then went four rounds with his sparring partners, Jack Townsend and Bill Tate, taking on Townsend for the first two sessions and winding up the afternoon's work with Tate. Firpo worked in close in the bout with Tate and gave the giant negro plenty to do to avoid punishment at close quarters. Tate used the Wills style of boxing in the clinches, holding with one hand and hitting on the break. Wills took things easy in his Southampton camp today, sparring with his partners, Battling Owens and Jeff Clarke. He is up to top form and is in fear of going stale.

Ruth's 44th Homer Wins for Yankees

(By The Associated Press.)

Boston, Sept. 8.—Babe Ruth's 44th home run with Dugan on third base in the eighth inning, went into the middle of the center-field bleachers and gave the Yankees a 2 to 0 victory over Boston today. Bush, twirling for New York, held the Red Sox to two hits. Ruth's clout was made off Fullerton. The fielding of Scott was spectacular. Williams, from Mobile, played left field and led off for Boston.

North Esqy Heaver Blanks Wells, 10-0

North Escanaba again defeated Wells Sunday, shutting out the sawmill towners by a score of 10 to 0. The Wells players were unable to solve the slants of Lemke, who allowed only one hit. Features of the game were a homer by Casku and a timely triple by Seapsa. The North Escanaba batteries were Lemke and Miller; for Wells, Carlson and Donovan.

SCHULTZ TOYS WITH NEGAUNEE

Miners Easy Victims Of Long Slabster's Slants; Locals Win 10 to 0.

(By The Associated Press.)

Hank Schultz held Negaunee to three hits—two of them of the scratchy variety—while his team mates spanked young Mr. Goldsworthy vigorously, and Escanaba blanked Negaunee Sunday afternoon at South Park by a score of 10 to 0.

The "Youngsters" tucked the contest away after two were under the table in the first stanza. Boyle had whiffed and Nelson had grounded to Erickson in that curtain-raising frame. Ernie Bourka doubled to left and scored off a triple by Dutch Arndt. Steamboat Koenecke doubled scoping Arndt, and the catcher galloped home in Roy Whitman's slanting single. Three runs had counted when Bud Kessler fanned for the third putout.

Confidence was restored later when it became evident that there was a scarcity in the floating supply of many issues which apparently had been oversold. The recovery continued through the late trading, despite the efforts of bear traders to unsettle the list by attacking Allied Chemical, National Enameling, American Sumatra Tobacco preferred and other vulnerable specialties. Closing prices of most of the popular industrials showed net gains ranging from small fractions to two points.

New low prices for the year were established by Union Bag and Paper, Park and Tilford, Standard Plate Glass, Underwood Typewriter, Cluett Peabody preferred, National Enameling, American Sumatra Tobacco preferred and Chandler Motors. New 1924 highs were registered by Jewel Tea preferred, Utah Securities and Pittsburgh and West Virginia preferred.

One of the features of the session was the increased demand for oil shares. Motors were irregular but good buying developed in Maxwell "A" which closed nearly two points higher, American Bosch Magneto broke 4 points on two sales. American Woolen developed good buying support for the first time since the announcement of the omission of the dividend, closing 1/2 higher, at 53 1/2. Sugar stocks responded to the higher commodity prices.

Rails fluctuated within more narrow limits, good buying being noted in Rock Island common, Nickel Plate, St. Louis-Southwestern and Missouri Pacific, all up a point or so.

Call money dropped back to 2 percent on the stock exchange, that rate holding throughout the session. Time money and commercial paper rates held steady in quiet trading.

Foreign exchanges opened firm and then turned reactionary again under the pressure of grain and cotton bills. Demand sterling ruled about a cent lower around \$4.42 1/2 and French francs were quoted just under 5 1/2 cents.

CHICAGO LIVESTOCK.

Chicago, Sept. 8.—Cattle, receipts 28,000; strictly choice weighty steers, most grades ranging in price from 12.50 to 13.50; stockers and feeders, about steady. Hogs, receipts 55,000; moderately active, mostly the lower; slaughter pigs, strong to 2 1/2 higher, 5.05; bulk desirable 10 to 125 pound average, 9.60 to 9.85; better 140 to 160 pound weight, largely 1.00 to 1.05; 150 pound average as well as light and long yearlings, 11.15; western grass steers to killers, weak to 25c off; mostly 18 to the lower; mostly 7.50 downward; bulk packing cows, 8.25 to 8.75; meat jorty good and choice strong weight slaughter pigs, 7.75 to 8.00; estimated hold-over, 18,000.

Sheep, receipts 23,000; fat lambs, steady to strong; sorting, light; bulk desirable outside, 18.50 to 18.75; top to packers and outsiders, 14.25 to 14.50; mostly 10.00; bulk lambs, 12.50 to 14.00; few clipped lambs, 12.50; yearlings, 10.00; sheep, steady; odd lots fat ewes, 4.50 to 6.00; no action on feeding ewes; taking around steady; feeding lambs, 5.00.

CHICAGO GRAIN. Chicago, Sept. 8.—Unfavorable weather conditions in Canada as well as in Europe and Argentina, led to higher prices today for wheat. Closing quotations in the wheat market were firm at 1/2 to 7/8c. Bulk receipts were 1,27 3/8 to 1,27 3/4c and May 1.84. Corn finished at 1/2c decline to 1/2c advance, oats 3-4 to 5-8c off, and provisions varying from 5c setback to a rise of 10c.

Unprecedented firmness of wheat quotations at Liverpool helped to start the market upward here from the outset, especially as the Liverpool strength was associated with crop damage complaints from Canada, unseasonable cold and rain in Europe, and over drought and rain in Argentina. All first, however, export demand lacked volume, and this fact operated as something of a weight on values.

Wheat closed at virtually the day's top figure here, influenced in particular by a bulge in prices at Winnipeg. Previous sales in Chicago were active purchasers but below bottom ended. One of the incentives to buy was an assertion that pound-for-pound wheat is three cents a bushel cheaper than corn.

Wheat's weakness diminished some strength to the corn market, but was largely offset by increased offerings. On the other hand, rice was predicted for tonight over parts of the Northwest and the visible supply decreased 175,000 bushels. Oats were depressed as a result of increasing stocks. Feeding averages higher owing to absence of selling.

CHICAGO BUTTER. Chicago, Sept. 8.—The butter market today was steady with an unsettled undertone. Buyers were conservative and showed little interest, and as a result trading was quiet. Receipts were liberal, and receivers as a rule were free sellers. The continental or market was easy and in the buyers favor. Fresh butter: 22 scores, 37. Centralized carlots: 30 score, 36 1/2.

New York, Sept. 8.—Short covering operations brought about a brisk rally in the latter part of today's stock market after one week of steadily declining prices. The morning selling, which carried a number of issues down one to 3 points, reflected the closing out of weak marginal accounts and uneasiness over the outcome of the Maine election.

Confidence was restored later when it became evident that there was a scarcity in the floating supply of many issues which apparently had been oversold. The recovery continued through the late trading, despite the efforts of bear traders to unsettle the list by attacking Allied Chemical, National Enameling, American Sumatra Tobacco preferred and other vulnerable specialties. Baseball Chiefs to Meet in Marquette Late This Month

Marquette, Sept. 8.—Adoption of a definite schedule for next summer and a constitution and set of by-laws modeled after those governing a minor league will, it is expected, be the order of business at the first annual meeting

KIWANIS HEARS BUSINESS TALK

The Rev. John B. Hubbard, of Iron River, and Miss Loretta O'Connor, Delta county Girl Scout executive, assisted by a group of a half-dozen scouts who presented a fairly playlet, furnished the entertainment yesterday for the regular meeting of the Kiwanis Club.

The Rev. Mr. Hubbard's address was a plea for better business methods, "profitable to the seller, but painless to the buyer," and declared that there is no material difference between the so-called "big business" and smaller business as long as both are "good business."

"It is good business, first little and then big," said he, "which transforms cross roads hamlets into thriving cities, cow paths into boulevards, cross roads general stores into department stores, little red school houses into great institutions of learning, and the church from a narrow, self-centered Sunday-only affair into a large and efficient agency for good, ministering to the needs of its community 24 hours a day."

Scouts Give Play.

Miss O'Connor's Scouts sang several songs and then gave a very pretty and well-prosened playlet, after which the executive told something about the Scout work in Delta county, stressing particularly the summer camp angle.

The Kiwanians voted to march in a body in the National Defense Day parade next Friday night.

OBITUARY

JOSEPH NIA.
Funeral services for Joseph Nia were held Monday morning at nine o'clock at St. John the Baptist church at Garden when Rev. Fr. Morin was the celebrant at the requiem high mass which was attended by many relatives and friends of the deceased.

Burial was in the family lot in Garden cemetery.

MRS. CHARLES LARSON.
Word was received in the city yesterday announcing the death of Mrs. Charles Larson of Terre Haute, Ind., former resident of this city.

The body is expected to arrive in this city probably today and will be taken to the Allo Funeral Home. Later it will be removed to the home of L. F. Starnine, 1402 First Ave. South.

Mrs. Larson leaves her husband, one son, Arthur Larson, at home, and one daughter, Mrs. Helen Trickey, of Tulsa, Okla.

The family formerly lived at 502 South 8th street and had a number of friends in this city who will be shocked to hear of her death. Mrs. Larson was a member of the Morning Star society and the Auxiliary to the Order of Railway Conductors of this city.

CLARENCE HERREAU.
Clarence Herreau, one and a half months old son of Mr. and Mrs. Albert Herreau, 626 North 20 street, died at the family home Saturday evening. The body was prepared for burial at the Allo Funeral Home and funeral services were held Monday morning at nine o'clock with burial in St. Anne's cemetery.

Mrs. George Beath Is Elected Girl Scout Commissioner

Mrs. George Beath was elected Girl Scout commissioner of the local council at the annual election of officers held yesterday. She will succeed Mrs. E. O. Royce who has held the position for the past year. Other officers elected include Mrs. George Mashek, deputy commissioner, and Mrs. Charles Malloch, treasurer.

Various reports of summer activities were read at the meeting, including one dealing with the girls' encampment at Garth. Plans were also discussed for next year's activities.

TRIDUUM A SUCCESS.
The Triduum which was held last week at St. Patrick's church under the direction of Rev. Fr. Mockler and Rev. F. Bergeron was a success from every standpoint. The sermons were given by the Rev. P. J. Scanlon of Chicago, who is visiting in this city and his eloquent and masterful delivery marked the event as one never to be forgotten by members of the parish. The triduum was a preliminary to the rally which was held Sunday in honor of the Holy Name.

Mrs. Cora Hicks Brace
has resumed her piano work in the city, and will receive applications for lesson periods during next two weeks. Address 814 Cayuga Street, Iron River, Mich.

TWO ACCIDENTS TO AUTOMOBILES ON STATE ROAD

Carl Francis, of Gladstone, is at St. Francis hospital receiving treatment for painful lacerations received Sunday night when the car he was driving went into the ditch near the Wilkie farm on the state road. Ansell Lawson, who was riding with Francis, received numerous painful bruises, but was not detained at the hospital. The men say they were crowded into the ditch by another car. Their machine turned over twice before it struck a telegraph pole. The car was badly damaged.

Joseph W. Drexler, of Iron Mountain, and two girl companions in his automobile, were painfully but not seriously bruised and cut Sunday night when the car in which they were driving on the state road collided with a machine driven by Eugene Pracey, of Escanaba.

The cause of the collision is in dispute.

Frank Bacon Back from State Meeting

Frank Bacon, president of the Escanaba local, No. 34, Brick Masons and Plasters International Union, has returned from Owosso where he attended the union's state conference. He was absent from the city for five days, and reported a splendid meeting of the organization.

Now is the time to sow alfalfa for a good thrifty stand. An abundance of moisture generally throughout the country is expected to bring a good fall crop.

Absent Votes Total 240 Here Yesterday

Two hundred and forty voters, who are absent from the city, or who expect to be absent today, had cast absent voters' ballots when City Clerk Carl E. Anderson closed his office last night. A number of ballots, sent out by mail to applicants, are expected back today before the polls close.

Defense Day
Escanaba, Michigan.

What would be expected of Escanaba and vicinity in case a national emergency should arise?
What is the purpose of the Defense Test?
What does the mobilization of a military unit involve?

These and other questions pertaining to the national safety and the preservation of peace will be discussed at a public mass meeting to be held in the high school auditorium at 8:15 o'clock, Friday evening, September 12th.

The units allotted to Delta County in accordance with the provisions of the National Defense Act are peace time organizations and have no enlisted personnel. For the purpose of carrying out the program for defense day the enlistment of the personnel of these units must be stimulated.

Those who will volunteer to march with one of the units allotted to this community will please sign the following and mail to the committee.

OUR FIRST DEFENSE TEST—SEPT. 12, 1924.

It is the privilege of every American to take part in the Defense Test.

The following units of America's great Citizen Army have been allotted to Delta County, and will be raised in this community should an emergency ever arise:

Name of Unit	No. Men	Com. Officer
Headquarters Co., 882 Engineers	160	La. Col. C. E. Good
Service Co., 882 Engineers	210	Capt. T. F. Kessler
Medical Detachment, 882 Eng.	85	Capt. H. J. Defnet
Co. F., 837th Infantry	250	1st Lt. H. Compher

Total number men required... 685

These units will be assembled on September 12, 1924, at the Post Office, Escanaba, Mich., 7:30 p. m., and parade so the community may visualize its part in a national emergency; so our man power will be familiar with the plan, and so the nation may know its defensive position.

Citizens desiring to take part in this, our first Defense Test, will check the unit they will march with in the parade, sign the slip and forward it to the committee.
