FUSION HELPS "REGULARS" IN NORTH DAKOTA

G. O. P. WON'T ADMIT LA FOLLETTE WILL SWAMP STATE.

BY DAVID LAWRENCE

Copyright 1924, by the Escanaba Press. Fargo, N. D., Sept. 23.—Were the election to be held tomorrow, and that's about the most accurate basis for calculation thus early, the state of North Dakota would cast its electoral vote for Senator Robert M. LaFollette for president.

The "Real Republicans" as the wing of the Republican party which is fighting the non-partisan league style themselves, will not concede the triumph of LaFollette in the election.

Many things are happening which might make such an outcome probable as the campaign strategy of all concerned is unfolded. For one thing it is charged, though vehemently denied, that the conservative Democrats have entered into an informal understanding to abandon Davis and support Coolidge so as to be sure and keep the state's vote from going to LaFollette.

Republicans Back Democrat. An unusual situation exists here in that the Democratic nominee for governor has the open endorsement and support of the "Real Republicans" because they want to defeat the regular Republican nominee for governor who is sponsored by the non-partisan league.

It is significant that very little is being said either for or against Davis by the Coolidge supporters. Nothing is being done to stir up feeling on the national ticket. The tactics of conservatives in North Dakota many times seem unique but then North Dakota has a unique problem with the non-partisan league.

For example, the outside world may not know that Senator LaFollette was actually named in the presidential preference primary by Republicans of the conservative type. What possible object would they have in supporting LaFollette? They thought they would beat Hiram Johnson and cutting down his strength would carry the state in the primaries for Coolidge. And it was important in those days for Coolidge to carry North Dakota if it was his.

LOWDEN SPEAKS TO GATHERING OF STATE GOPS

Farm Problem Is Most Important Item at Present, Claim.

(By The Associated Press.)

Detroit, Sept. 23.—The most important question pressing upon the American people for solution is the farm problem and the policies of a Republican administration can solve it, former Governor Frank O. Lowden of Illinois declared tonight in an address before the Michigan Republican state convention and friends of the party.

The primary cause of the great distress among the rural population, he said, is the over production which was started in war times and has been continued, and the next cause, he said, is the deflation policy adopted by the federal reserve board in 1920.

Stabilize Markets. Remedies proposed by the Democrats, Mr. Lowden said, include stabilization of European markets and he added that the Dawes commission has done more to attain this end than has been accomplished by any other factor.

"If Europe shall enter upon a period of prosperity and if she shall furnish better markets for our farm products, it is due entirely to the success of the Dawes commission, initiated by a Republican administration," he said.

The Democratic arguments for tariff revision to aid agriculture are the same as employed in 1892, Mr. Lowden declared, adding:

"In that year they were successful and the farmers of America learned as I believe, for all time, that the domestic market for their products was after all the best market and that they could not prosper with other industries bankrupt. The years which followed the Democratic tariff were the hardest the farmer has endured for a generation."

Home Market First. The farmer, Mr. Lowden said, must depend primarily upon a home market for his products for only the surplus is taken by the foreign markets. The home markets, he added, can only take the farmer's products at remunerative prices if there is general prosperity throughout the land.

"If we are to prevent the further decline in land values in America," he said, "we have got to depend upon the American markets for the sale of our products. If we are to maintain and raise as we ought the standard of living upon the American farm, we have got to protect the American farmer from now on against competition with the cheap virgin lands that are being opened up all around the world."

Two Murderers To Be Sent To Electric Chair

(By The Associated Press.)

Chesterfield, S. C., Sept. 23.—Mortimer N. King and Frank Harrell were found guilty of the murder of Major Samuel H. McLeary, United States army officer, by a jury in circuit court here late today and sentenced to die November 21 in the electric chair. Both defendants, who had confessed the crime, received the death sentence calmly.

"HOMECOMING" IS STAGED FOR ARMY FLIERS

Santa Monica Out En Masse In Greeting

(By The Associated Press.)

Clover Field, Santa Monica, Calif., Sept. 23.—The first airplanes to circle the earth flew home today when Lieutenant Lowell H. Smith, flight commander, led three world cruisers back to Santa Monica where they were built.

The "greatest reception of any place in the world" greeted the fliers, Lieutenant Smith said as he got out of his flag plane, Chicago. There were more than 100,000 on the field to roar a welcome to the fliers.

The home-coming was but a momentary stop, for Thursday morning they will resume the flight toward Seattle, the next leg being to Crissy Field, San Francisco.

"Where's Donald Douglas? He sure has built some planes," said Lieutenant Erik Nelson, engineering officer of the world flight, as he jumped from the New Orleans and quickly found the airplane maker on the field.

The world cruisers, mechanically perfect, hummed their way from San Diego against head winds, following the coast line most of the time.

They flew over Los Angeles, then turned down to the field by the seashore, landing in one hour and forty minutes after they hopped off from Rockwell Field, San Diego.

The flight will be resumed Thursday forenoon, the exact time of departure upon report of weather conditions.

The flight to San Francisco will take about four and a half hours.

Kansas City Host To Klavocation of Ku Klux Klan

(By The Associated Press.)

Kansas City, Mo., Sept. 23.—Meeting in executive sessions, the second imperial klavocation of the Ku Klux Klan opened here today. Hundreds of Klansmen, said to represent every state in the union, were present.

American flags were prominent through the hall and on the platform were large photographs of President Coolidge, George Washington, Thomas Jefferson, and Dr. H. W. Evans, of Atlanta, Ga., the imperial wizard.

The meetings were secret and the only news of the proceedings to reach the outside was contained in report given to the press by the Klan publicity department. The report contained a statement by Imperial Wizard H. W. Evans.

Hongkong, Sept. 24.—Major Pedro Zanni, the Argentine aviator, who arrived here Monday on his round-the-world flight; Felipe Deltrame, his mechanic, and E. Rouillon, the Peruvian consul, narrowly escaped being drowned in a collision between motorboats in the harbor here today.

(By The Associated Press.)

New York, Sept. 23.—Willie Hoppe, balking billiard champion of the world, led Ralph Greenleaf, pocket billiard champion, 200 to 100 at the end of the second day's play in their 600-point three-cushion match. Hoppe, who held a 100-50 margin at the beginning of play, took the afternoon block, 50 to 35, and the evening, 50 to 48.

Attended Harding On His Final Sickness

(By The Associated Press.)

Marion, O., Sept. 23.—Funeral arrangements for Brigadier General Charles Elmer Sawyer, former personal physician to the late President Warren G. Harding who died suddenly at White Oak Farm, his home, here today, had not been made tonight, friends of the family announced.

Dr. Sawyer died of heart disease while resting in his office where he was waiting for his son, Dr. Carl W. Sawyer, to bring him some medicine. Dr. Sawyer returned to his home early in the afternoon, complaining of not feeling well.

Mrs. Florence Kling Harding, wife of the late president, who has been making her home at White Oak Farm since his death, was with Dr. Sawyer when the end came.

Slightly more than a year from the time Dr. Sawyer stood by the bedside of President Harding in a San Francisco hotel and watched the end come, the president's wife performed the same service to the physician. Dr. Sawyer died while sleeping.

A close friend of President Harding, Dr. Sawyer was appointed the president's personal physician soon after Mr. Harding was inaugurated. He was later appointed a brigadier general in the army. He accompanied Mr. Harding on his trip to Alaska and was in constant attendance upon him during his illness.

He remained for a time as personal physician to President Coolidge but resigned to become chairman of the Harding Memorial Association, which plans to erect a monument here to the memory of the late president.

EXPRESS SORROW.

Washington, Sept. 23.—Word of the death of Dr. Sawyer was received at the White House and war department by officials there with expressions of sorrow. President Coolidge immediately sent a message of condolence to Mrs. Sawyer. General Sawyer, during his services at the White House as personal physician to President Harding and later to President Coolidge, and in the war department and veterans' bureau, had attained a place of intimate association and high regard.

General Sawyer cared for President Harding's health during the Alaskan trip and personally attended him when the first evidence of his fatal illness was first noticed, treating him practically without aid until he was taken to the hotel in San Francisco, where the services of other expert medical advice could be obtained.

Retained by Coolidge. President Coolidge retained Dr. Sawyer as his personal physician when he took over the office of president. Later, however, Dr. Sawyer extended his work under the veterans' bureau and was given charge of the station at Perryville, Md., but more recently was placed on the inactive list of the army at his own request in order that he might give undivided attention to the affairs of veteran treatment for the government, and the Harding Memorial.

Dr. E. S. Morgan, local physician, called by Dr. Carl W. Sawyer, issued a statement tonight saying that Dr. Sawyer died of a cerebral hemorrhage.

Hundreds of messages of sympathy poured into the Sawyer home tonight, among them ones from President and Mrs. Coolidge and Secretary of State and Mrs. Hughes.

GERMANY WILL SEEK ENTRANCE

League Circles Elated Over Dispatches from Berlin.

(By The Associated Press.)

Geneva, Sept. 23.—Germany held the center of the stage in Geneva tonight, and held it dramatically. The members of the council of the league of nations and scores of other distinguished delegates formed little groups in the corridors of the league palace and discussed the big news from Berlin that the German cabinet had unanimously voted to apply for membership.

The string, which, according to press dispatches, Germany would attach to her application did not seem to worry over-much the members of the council with whom the correspondent of the Associated Press talked. The prevailing view was that the explanatory note issued by Berlin was chiefly intended for home consumption, and as a sop to the nationalists, who are said to be fearful that Germany will be made to suffer new humiliations.

There seems to be no desire whatsoever here to humiliate Germany, but on the contrary, practically everybody tonight was voicing deep satisfaction over Berlin's decision, coupled with words of hearty welcome.

The news reached the league secretariat at rather a sensational moment, for the council in secret session was discussing how best to conduct the league investigation of the armaments situation in Geneva, which is one of the rights vested in the council by the treaty of Versailles.

OPPOSITION TO FULLER SWEEP ASIDE, REPORT

Groesbeck Asserts He Will Not Seek for His Uting.

(By The Associated Press.)

Detroit, Sept. 24.—In the interests of harmony in the Republican party of Michigan, John W. Smith, of Port Huron, at an early hour this morning announced he would withdraw from the contest for nomination for secretary of state, and throw his support to Charles J. DeLand.

Mr. Smith was first to enter the race, announcing his candidacy during the session of the state legislature two years ago.

Detroit, Sept. 23.—Attempts of opponents of O. B. Fuller, auditor general, to muster votes to place an opponent in the field against him in the Republican state convention tomorrow, met with a cool reception from delegates here today and when Governor A. J. Groesbeck stated he and men following him would have nothing to do with a movement to unseat Fuller, it generally was predicted that the movement would not appear on the floor of the convention.

Fuller has been auditor general for 16 years. He is the single representative of the upper peninsula on the present list of state officials and also the only one mentioned as a candidate before the convention.

Boomed Fitzgerald. The opposition to Fuller supported Frank D. Fitzgerald, efficiency expert of the state highway department. Fitzgerald came to Detroit with the support of one county, Eaton. Several men started to circulate among the delegates seeking further support for him but the delegates were not enthusiastic. The word from Groesbeck seemed to put an end to the boom. Fitzgerald was given his place in the reorganization of the highway department, supposedly at the insistence of the governor.

With the Fuller opposition flattered, the prediction was general among the convention delegates that the state supported by Governor Groesbeck would go through without opposition. The state is O. B. Fuller, auditor general; Charles J. DeLand, secretary of state; Andrew B. Dougherty, attorney general, and Frank B. McKay, of Grand Rapids, as state treasurer.

Hold Long Session. Members of the state central committee held a long session at the Hotel Statler during the day. The most important work was the planning of the finances of the state campaign and methods of work. Seth Q. Pulver, of Owosso, manager of the Arthur J. Tuttle campaign for senator, appeared before the committee during one of the sessions and told it he was working for the state ticket, including Couzens, Groesbeck and whoever was nominated for the minor offices. He included also the national ticket.

Few of the men who stumped the state in the last primary had appeared on the scene here tonight. Of the candidates for governor, A. J. Groesbeck was present. George Welsh, George E. MacArthur represented the candidates for lieutenant-governor. W. W. Potter and Tom Reed were expected here tomorrow, but other candidates for governor had not been heard from.

Couzens Arrives. Senator Couzens reached here today from Washington to attend the convention. It was still a matter of speculation tonight just how the

senator would be received but opposition to him has been decreasing, the political leaders believe. The main matter of speculation tonight was the action the convention would take on the gasoline tax, and whether it will go on record for or against the primary. The latter is now considered the most active issue to be threshed out on the convention floor.

NEW ADVANCE ON SHANGHAI THREATENING

KIANGSU DRIVE ON PORT IS UNDER WAY, REPORT.

(By The Associated Press.)

While the central government at Peking is carrying out its plans to meet the offensive of Chang Tso-Lin, the Manchurian leader who reports some further successes on the Chihli-Manchurian border, interrupting the capture of Chaoying just across the line, the Kiangsu force, allied with Peking, is making another attempt to reach Shanghai.

This offensive began early Wednesday morning. From Tsingpu, some 20 miles from the port, Manchurian troops, Chekiang, defending Shanghai, and Kiangsu are destroying portions of the Shanghai-Nanking and Shanghai-Kangchow railways to delay movement of troops.

Lu Has Trouble. Lu Hung-Hsiang, the tuchun of Chekiang, some of whose troops recently revolted, is having further trouble, some of the workers in the arsenal at Lungwha, where his headquarters are established, having gone on strike.

Lu, too, apparently fears an attack on Shanghai from the east, having established a new defense line east of the port. It is possible that he expects Sun Chuan-Fang, just appointed tuchun of Chekiang, by Peking to move in this direction with the Fukien army, which he organized under orders from the central capital and with which he invaded Chekiang from the south.

Shanghai, Sept. 24.—(2:45 a. m.)—A new Kiangsu offensive early today was reported started against the Chekiang troops defending Shanghai in the district adjacent to Tsingpu, about 20 miles west of Shanghai.

Unconfirmed reports also were received that Kiangsu agents had blown out two bridges on the Shanghai-Hangchow railway between Shanghai and Kashiag. Refusal of military authorities to permit observers to approach the fighting lines made confirmation of such reports extremely difficult.

General Sun has not proved acceptable to the Chekiang soldiers, the report said, and they are fast turning on the invading Fukien troops with which they allied themselves following their rebellion against Lu Yung-Hsiang, commander of the forces defending Shanghai last week.

A report from the south which was given credence in official quarters, asserted that internal war had broken out in the province of Chekiang due to the appointment by the central government at Peking of Sun Chuan-Fang, tuchun of the province of

Means Will Not Talk Regarding Repudiation

(By The Associated Press.)

Concord, N. C., Sept. 23.—Gaston B. Means, star witness in the senate investigation of the department of justice, tonight issued a statement declaring he would have nothing further to say regarding his testimony, or the repudiation of it bearing his name made public Sunday night by former Attorney General Daugherty, until he ascertained whether the committee would be called in special session in the near future.

Means asserted that there were many angles to his work which could not be discussed "at this time." He declared, however, if no meeting of the committee were called he would be glad to furnish any of its members such information and facts as were in his possession.

Means arrived here last night and spent the greater part of the day in conference with his local attorney. He refused earlier today to make any statement, but this afternoon he submitted to a lengthy questioning concerning the testimony he gave before the Wheeler committee and the repudiation issued by H. M. Daugherty.

When shown an Associated Press dispatch this afternoon from Washington telling of the charge brought against him of repudiating his income tax, he showed no surprise but declared he had nothing to say concerning

this case.

BROOKHART TALKS. Camp Perry, Ohio, Sept. 23.—Senator Smith W. Brookhart, chairman of the senate committee which investigated the department of justice, in a statement to The Associated Press tonight, declared that Senator Ashurst, another member of the committee, had authority to call a session of the committee to take up recent allegations made by Gaston B. Means, regarding the conduct of the department of justice under Harry M. Daugherty, former attorney general, but that he had not called the committee into session.

Senator Brookhart, however, declared he would be unable to attend a committee hearing and that he had received a telegram from Senator Wheeler, another member of the committee, today, stating that he also would be unable to attend due to political arrangements.

DAVIS REPLIES TO DAUGHERTY

Refuses To Withdraw Any Illusions He Made Heretofore.

(By The Associated Press.)

New York, Sept. 23.—The real enemies of the constitution are not the Reds and Bolsheviks, but "corrupt and impotent public officials and their associates," John W. Davis, the Democratic presidential nominee, declared in a letter written today to Harry Daugherty in reply to the one sent to him recently by the former attorney general.

Expressing the belief that the real work of this campaign is the arousing of the moral sense of the American people, "to condemn and not to condone the betrayal of official trust," Mr. Davis wrote Mr. Daugherty that "this issue cannot be obscured by your forced effort to represent the real contest of this campaign as one between the defenders of the constitution and those who seek to overthrow it under leadership fresh from a baptism of bolshevism in lurid and suffering Russia."

"Honesty First." "If the constitution is to endure," Mr. Davis added, "the first requisite is that men who hold office under it shall be honest and faithful to their trust."

Denying Mr. Daugherty's statement that his allusions to the former attorney general during the campaign had been "quite veiled," Mr. Davis said they had been "both direct and specific." He added he had found "no warrant whatever" for withdrawing any single one of them and then proceeded to elaborate upon them in blunt fashion.

Brushing aside Mr. Daugherty's statement that his "self respect" was barred from appearing before the senate investigation committee because of the malice exhibited towards him by the committee, Mr. Davis said that it seemed to him that under the circumstances "the malice of the committee would rather increase than diminish the natural desire of any man, much less an attorney general of the United States, to meet his accusers on their own ground."

Wrong Impression. "I confess that your failure to do so," Mr. Davis wrote, "as well as the refusal of your brother to furnish information demanded of him in return, produced on me, and I think upon the

Transfer Ordered of Confessed Poisoners

(By The Associated Press.)

Mount Vernon, Ill., Sept. 23.—With confessions of their poison plot romance in the hands of state's Attorney Thompson, Reverend Lawrence M. Eight and Mrs. Elsie Sweetin were taken from Mount Vernon jail tonight and placed in jail elsewhere.

Not so much the fears of Sheriff Holcomb that a threatening crowd might assemble, prompted the move, the sheriff said, but because there are no quarters here for women prisoners. So the two principals in this striking love story of a mining town circuit rider were separated after a brief but fevered farewell, each under charges of murder.

The two were together almost three hours this morning, and this meeting furnished the missing link in the double murder, namely Mrs. Sweetin's part in the confessed poison plot. Their meeting was filled with affection, as was their separation tonight.

Only Sheriff Holcomb and a few of his deputies witnessed the short, but impassioned farewell of the two. Looking down into her eyes, the clergyman approached

the woman for whom he had confessed his love, grasped her hand and pressing back the tears from his eyes, murmured in a depressed tone: "Goodbye, my dear, I hope, somehow, we meet again."

No response came from the woman who still showed outward effects of an all night vigil, during which she was pressed for her confession.

Had Strong Will. Up to the time Mrs. Sweetin, at daylight today, leaped forward and bent over the typewriter used by the state's attorney to sob out her confession, had she been considered the strongest-willed woman ever brought to the jail. It was meeting with the clergyman, his caresses, as seen from without, that moved the woman to admit that she had been implicated in the plot, and that she had given her husband poison.

It is considered probable that the two will be kept in their cell until the trial is called. The grand jury meets October 15. Each was waived a preliminary hearing and their cases have been turned over to the grand jury.

CONVENTION OF WOMEN'S CLUBS IS UNDER WAY

Organization President Addresses Women at Opening Session.

(By The Associated Press.)
Pittsburgh, Mich., Sept. 23.—The greatest problem confronting the women today is that of combining her duties as a citizen and responsibilities as a home maker, without neglecting either. Mrs. Doran M. Russell, of Grand Rapids, president of the Michigan State Federation of Women's Clubs, told delegates to the thirty-third annual convention at the opening session Tuesday evening.

Nearly 500 women, representing clubs from all parts of the state, including the upper peninsula, registered as delegates here today and others are expected to arrive tonight and early Wednesday morning. Many delegates are morning from different parts of the state and other groups arrived on incoming trains today.

Delegates Welcomed.

Following a banquet depicting the history of Petokey and featuring Miss Ella Petokey, grand daughter of Chief Petokey, after whom the town was named, Mrs. Jessie Beach Clark, local chairman, John L. A. Galster, mayor of Petokey, and A. B. Klise gave addresses of welcome. Responding for the club women of Michigan, Mrs. Russell said in part:

"All the problems we shall discuss have not the importance to us of the great problem, which is essentially ours. The problem of the adjustment of our lives so we may attend to the new duties of citizenship without neglecting the duty which is the very foundation of citizenship, the American home."

"This is an epoch which has come in our generation and we are initiating a program for future generations; we are stepping forward as citizens. If we should step backward as home makers, then citizenship, in the strict sense of the word for women, is a failure. The individual responsibility of women begins in the home and of the line and works out. We cannot invert the process, nor would we if we could."

Professor Talks.

The closing address of the session, "Where Town and Country Meet" was made by Eben Mumford, professor of sociology, of the Michigan Agricultural College. Mrs. Russell and Mrs. Clark presided at the opening session, and Mrs. A. D. Phelps of the local committee, was in charge of the opening program.

Reporting for committees on the Wednesday morning program will be Mrs. C. E. Vowels, of Mt. Pleasant, chairman of the program committee; Mrs. Claude J. Shattuck, of Albion, corresponding secretary, and chairman of the credentials committee; Mrs. B. W. Wells, of Grand Rapids, corresponding secretary pro tem; Mrs. Alfred Mitchell, of Saginaw, treasurer; Mrs. G. G. Hunter, of St. Johns, first vice president.

The luncheon combining the departments of American citizenship, publicity and fine arts, applied education and internationalism, and public welfare, for the afternoon and junior membership, will be held Wednesday noon. The afternoon program will include an address by Mrs. Mary E. Frankhouse, state librarian.

many possible to do so. Fight On Electors. About 40,000 voters wrote their names on stickers but it is conceded that much of the money for these stickers came from Coolidge men. So in analyzing the primary vote in which Coolidge received \$2,815 while Johnson received \$2,433 and LaFollette 40,252, it is fair to assume that some of that vote went to both Johnson and LaFollette now will go to Coolidge.

The LaFollette supporters claim they are not making an active campaign but they say the Wisconsin leader will poll almost as many votes as Coolidge and Davis combined.

Just now the Coolidge campaign is held up by a mixup over the placing of Coolidge electors on the ballot. In recent meeting of the non-partisan leaguers and the "real Republicans" it was agreed by the former that the LaFollette electors whose names would ordinarily go on the ballot under the name of Coolidge because they won in the primaries would resign and that five bonafide Coolidge electors would be chosen.

May Go to Court.

The hesitancy of the non-partisan leaguers to bring about these resignations has caused much comment and a suit may be started to adjust the matter. The leaguers say they will carry out their agreement and give the Coolidge electors their rightful place on the ballot as was done in Wisconsin but they do not want the LaFollette electors placed in an independent column but in the list of "Individual Nominations" where their candidates for state offices will be listed. This situation ultimately will be straightened out but it is just now holding up the Coolidge campaign.

Liquor Shipments To Philippines To Be Halted, Report

(By The Associated Press.)

Washington, Sept. 23.—State department instructions directing all consuls in the United States foreign service to decline to clear vessels on which liquor for beverage purposes was loaded and destined for the Philippine Islands, have been issued on the basis of a legal decision that the Philippines was deemed to be contrary to the 18th amendment. The letter on which the state department acted, written by Mrs. Mabel Walker Willebrandt, the assistant attorney general in charge of prohibition prosecution, suggested, its author said, that the assistance of the consuls was of great value in gathering evidence against smugglers.

Mrs. Willebrandt had not been notified today that her letter had formed the basis of state department instructions to the consuls and she had not seen copies of them. It was thought at the department of justice that General Wood might have been misinformed and confused the constitutional amendment with the Volstead act, and officials believed that his exchanges with the war department might serve to clear up the matter.

FORSTER HOLDS LIFE POSITION AT WASHINGTON

BY LARRY BOARDMAN, NEA Service Writer.

Washington—Presidents may come and presidents may go, but Rudolph Forster stays right on the job.

Forster is a White House fixture. His official title is assistant secretary to the president. He's held it 17 years and he knows what goes on "back stage" in national politics than any other man in the country—and says less about it.

That is one of the reasons he's a fixture. That, plus the fact that he knows the work of the executive offices backward and forward, inside and out, and isn't afraid of doing his share of it.

Whenever the president and his secretary want to tour the country, they can pull out of Washington with clear consciences, knowing their duties are left in competent hands.

Democrats Retained Him.

Forster came into his present position more or less by accident. It happened three days after President MacKinsley took office. White House office affairs were in a mess. Work had piled sky high. Forster, employed at the time as a governmental department stenographer, was called in "just for a few days" to "help out."

The "few days" lengthened into years. They couldn't afford to let him go. He stayed on through the McKinley, Roosevelt and Taft administrations.

When the Democrats came into power with the Wilson regime, Forster's position, normally, would have been a political plum. But a checkup showed he was too valuable a man to lose.

This situation was paralleled when the Republicans came back with Harding.

Forster may have some definite ideas on politics, he may believe in certain policies—but nobody knows what they are. Chances are nobody ever will.

He was born in the District of Columbia, where the residents can't vote. For awhile, however, he lived across the Potomac in Virginia. He could vote there, and possibly did—but nobody knows for whom or for what.

Now he's moved back to Washington, so everybody has stopped guessing.

They See Him First.

Forster handles a great volume of the president's correspondence, and acts as an "outer office buffer."

He has to soothe the legion of politicians who visit the White House with axes to grind. His lack of visible political prejudice makes him a star at this sport. The politicians are absolutely without bias.

No one could accuse Forster of suffering from an enlarged cranium. In speaking of his job, he says:

"It's well—it's not a particularly important one. Just a subordinate position—it really doesn't amount to anything."

Because of his immense fund of inside information on government affairs and his knowledge of the intimate details of the lives of the various presidents he has served, Forster has been urged time and again to write a book. But he's always refused.

"What's the use of my doing that?" he asks. "I couldn't tell the things I have learned in confidence—and the other things wouldn't interest anybody. There are many reasons why I shouldn't write a book—and none why I should."

country, an exceedingly painful impression." With respect to the testimony of Gaston B. Means, before the committee, and his subsequent repudiation of it and his still later repudiation of the repudiation, the Democratic nominee said it was Mr. Daugherty who appointed Means to a confidential position in the department of justice.

"You brought him into the circle of your official intimates," Mr. Davis said. "You created him a government agent. You gave him his credentials. At the time you did so, his character was already notorious. I can imagine no mal-administration in any governmental department more vicious than the employment of men of such character."

Means "Repents." "Insofar as the man Gaston B. Means is concerned," the letter continued, "I have read the repudiation of his former testimony which you enclosed in your letter. I observe that since your letter was delivered to me he has once more repented and repudiated his repudiation."

"It was you, however, who appointed him to a confidential position in the department of justice. At the time you did so, his character was already notorious, and, if I am not misinformed, there was then to be found, in the bureau of investigation of the department of justice, a file in which his previous history was fully disclosed. I can imagine no mal-administration in any governmental department more vicious than the employment of men of such character."

Money may not mean everything, but almost everything means money.

NEW ADVANCE ON SHANGHAI THREATENING

Fukien, as temporary ruler of Chekiang.

Tokio, Sept. 24.—Late dispatches from Mukden confirm previous report that Chang Tso-Lin, the Manchurian leader, has made an agreement with the soviet government, which covers the future of the Chinese eastern railway and includes the recognition of the Moscow government.

The agreement, it is said, was made between Chang and a representative of the soviet sent from Peking by L. M. Karakhan, the soviet ambassador to Peking. Apparently Chang, fearing soviet pressure from the north, agreed to accept an agreement regarding the Chinese eastern railway similar to that negotiated at Peking between the central government and Karakhan, which he had previously refused to recognize.

Chang denies that he has recognized the Peking agreement, separate one, more favorable to his interests. It is apparent, however, according to the dispatches from his capital (Mukden) that he has bought off the soviet in this manner.

Under the agreement reached at Peking on May 31, Russia agreed to permit China to redeem the Chinese eastern railway, built by Russia, largely with foreign capital, during the Czarist regime, and will transfer to China all its shares and bonds. The amount to be paid for these and the procedure of transfer remained to be adjusted.

Russia assumed responsibility of the claims of stockholders, bond holders and creditors of the road arising prior to the Russian revolution of 1917. China and Russia, under the agreement, are to determine the railway's future to the exclusion of other nations. The present management, where non-prejudicial to either party, is to be continued temporarily.

Peking, Sept. 24.—Chang Tso-Lin, is alleged to have signed an agreement with the soviet government on the condition that the latter does not take hostile action regarding the Chinese eastern railway while Chang is engaged in war against the Peking government.

USE ARMORED CARS.

Peking, Sept. 24.—The Peking government troops employed armored cars, mounting machine guns against the Manchurian army at Wachiating, six miles north of Shanhaiwan and Chihli-Manchurian border, inflicting considerable losses.

The Manchurian airplanes are reported to have bombed Ching Wan-tao, the port near Shanhaiwan, doing little damage.

It is announced that the Blue Express, which was held up by bandits near Linchong in 1923, a number of foreigners being taken and held for days, which has been running between Peking and Pakow in Kiangsu, will be taken off temporarily.

Oxford's Debaters To Meet Michigan

(By The Associated Press.)

Ann Arbor, Mich., Sept. 23.—Debate, which was held up by bandits near Linchong in 1923, a number of foreigners being taken and held for days, which has been running between Peking and Pakow in Kiangsu, will be taken off temporarily.

The Michigan team will be composed of Gerritt Demmink, Grand Rapids, Burton B. Sibley, Jonia and K. F. Clardy, Butler, Missouri. The debate is the first meeting of Michigan with any trans-ocean college.

DUCHESS GETS WORST OF ROW WITH HUSBAND

By NEA Service.

London—When plain John Smith has a misunderstanding with the "missus," he exercises his authority by banging and barring the doors of his "castle" in the lady's face.

And if the lady is spirited as her lor', she retaliates by sending a stone through a window.

Then the inevitable "bobbie" comes along and takes the pair off before the magistrates to explain their conduct.

But in the "hupper suckies," they arrange things differently. For some time past, for instance, his grace the Duke of Westminster has not seen eye to eye with the duchess. And when her grace thought fit to allow the use of their town house for a charity ball, the duke intimated the place would not be available.

At the last minute the promoters had to move their party elsewhere.

That was just the beginning. Next thing the duke did was order the servants at another of his town houses to refuse his wife admittance when she came 'round.

Instead of meeting this barring of doors with the crude weapons of plain Mrs. Smith, the duchess entered court to obtain an injunction restraining the duke from evicting her.

The court, however, dismissed her petition. But the duchess' fight goes on, even though she is in America.

She's visiting friends on Long Island. She's not a member of the Prince of Wales' party, though. His royal parents, it is said, don't want him to associate with her.

She wants an absolute divorce. The courts are expected to hear her petition when full sessions are resumed in October.

The duchess is looked upon as a leader of fashion both in England and France. She was one of the first of the "smart set" to sport a "shingle." Her father, Sir William Nelson, is well known as a shipping magnate and race horse owner.

The duke is a race horse owner, too, and a keen polo player. Once he aspired to be a big figure politically. But it is hard for a duke to make headway in politics in England.

McAdoo To Support Candidacy of Davis

(By The Associated Press.)

New York, Sept. 23.—William C. McAdoo, whose fight for the Democratic presidential nomination at Madison Square Garden, wrote a new chapter in the records of deadlocks in national political conventions, gave his personal assurance today to John W. Davis that he will do whatever he can for the success of the Democratic national ticket.

This announcement was made by Mr. Davis after he had conferred with the former treasury secretary of the luncheon table for nearly two hours. Mr. McAdoo had nothing to say other than the cryptic statement that Mr. Davis would make whatever announcement there was.

Detroit Officers Conduct 23 Raids

(By The Associated Press.)

Detroit, Sept. 23.—The police made 23 raids Monday night up on private homes, near beer saloons, confectionery stores and grocery stores in all sections of the city. Seventeen men and three women were arrested.

Problem Is Handed To General Board by Navy Secretary

(By The Associated Press.)

Washington, Sept. 23.—The problem of what should be the ratio of development of "substitutes" surface ships and aircraft in the navy during the next few years was handed by Secretary Wilbur today to the naval general board with instructions that it make a comprehensive study and report to him at its earliest convenience.

The secretary's action was in keeping with a statement made earlier in the day at the White House that President Coolidge was inclined to think that in its initial stages the aircraft inquiry should be considered solely from the naval standpoint.

The general board will be authorized, however, to seek information from and the co-operation of officers in both the navy and army who have had experience with aircraft units.

Acting Secretary Davis of the war department, announced today that the question, which was proposed personally by President Coolidge to Secretary Wilbur, was considered by the war department as purely naval in character.

It is thought certain, however, that eventually the study will be carried on to include problems connected with the continental coast defense and production and development of special types of aircraft.

Women Ineligible, Testimony Shows

(By The Associated Press.)

Austin, Tex., Sept. 23.—Decisions of the courts of many states as well as the common law were cited today before District Judge George C. Calhoun to support the contention that women are ineligible to hold executive public offices and that the state of Texas is disqualified to be governor of Texas.

Cases decided in Massachusetts, Michigan and other states were brought forth by Judge I. W. Stephens, arguing for the plaintiff in an effort to prove that the common law placed the ban of legal disability on women as office holders.

Dr. Murlin Will Head DePauw "U"

(By The Associated Press.)

Boston, Sept. 23.—Dr. Lemuel H. Murlin, president of Boston University since 1911, will resign that office to become president of DePauw University at Green Castle, Ind. it was announced today. A special meeting of the trustees of the university called to consider Dr. Murlin's request that he be freed from his duties here, granted the university head honorable resignation, effective at his convenience in order that he might return to DePauw, his alma mater, as president.

The trustees of DePauw at a meeting held September 6th voted unanimously to offer the presidency of their university to Dr. Murlin.

Stribling Ready For Stone Fight

(By The Associated Press.)

Newark, N. J., Sept. 23.—William (Young) Stribling, finished training for what ring followers believe will be one of the most difficult tests of his sensational career—his scheduled 12-round encounter with Ad Stone, Philadelphia fighter, at the Armory here tomorrow night.

Stone confined his finishing work on the road while Stribling worked out on the floor of a local gymnasium.

M. A. C. Reports Big Enrollment For School Year

(By The Associated Press.)

Lansing, Mich., Sept. 23.—The largest enrollment in the history of the Michigan Agricultural College had passed through the registrar's office, when classes opened for the fall term Wednesday morning.

More than 1,700 four year course students were classified on the opening day, while college authorities predicted that another hundred would enter during the week. Addition of summer school and winter short course students will place the total near the 2,500 mark.

The freshman class is also the largest in the history of the college, more than 700 first year men and women being included in the opening enrollment, as compared with a freshman class of 549 a year ago.

Edge Has Lead in Nomination Fight

(By The Associated Press.)

Newark, N. J., Sept. 23.—United States Senator Walter E. Edge had a lead of 11,556 over National Committeeman Hamilton F. Kenn in today's primary, for nomination as Republican United States senatorial candidate, when returns had been received from more than one-fourth of the state. Scattered election districts in 20 of the 21 counties contributed to this result.

A fifty-foot waterspout near the Statue of Liberty in New York harbor traveled along from the south end of Governors Island to the north end, where it sheered toward the United States barge office and broke up with dull boom near Castle Williams. A steam lighter in the path of the waterspout lost the greater part of her deckload of lumber when the waterspout hit.

CHEVROLET HAS A NEW MODEL

The Chevrolet Motor Company announces a new model to its line—the Chevrolet Coach, which will be the lowest priced coach on the market.

This Chevrolet Coach, however, differs from most of the coaches on the market in that the rear panels are steel clear to the top, like the other Chevrolet closed models, and is finished in black with gold stripe—the same as the Chevrolet Sedan.

The door on each side is exceptionally large allowing for easy entrance and exit, while the wide windows, two on each side, afford an extreme range of vision during all seasons and refreshing ventilation in warm weather. The rear quarter windows are the same width as the door windows.

The interior of the Coach is large and roomy, with the driver's seat stationary and a folding seat to the right of the driver. The rear seat across the back has ample room for three.

The seats and cushions are upholstered in striped tude wool cloth, while the doors and head-lining are in a mottled taupe of the same material. There is a floor carpet to match.

Door windows, as well as side windows are raised and lowered by Tarnstedt window regulators. There is a dome light in the car. The rear window in the car is wide and deep and is equipped with a satin curtain. A metal sun visor comes as standard equipment.

SECRET OF KEEPING YOUNG

Why is it that some women look older at thirty-five than others do at fifty? Why is it that so many women are always run-down, weak, pale, nervous, irritable, and unhappy? Health, vitality and freedom from pain and disease alone can prevent the signs of age from fastening themselves upon women. All over this country women are awakening to the fact that the ills, aches and pains of women may be relieved by Lydia E. Pinkham's Vegetable Compound and the result is renewed life, energy and the glow of health. In fact, the secret of keeping young is to ward off all internal ailments that cause premature old age, which is easily accomplished by this remarkable root and herb remedy.

North-Western Road Offering Prizes to Judges of Cattle

For the purpose of stimulating interest in the raising and judging of dairy cattle, the Chicago & North Western Railway Co. has in co-operation with W. E. Skinner, General Manager of National Dairy Exposition, to be held at Milwaukee, Wis., September 27-October 4, 1924, arranged to award three prizes for each of the following states in which that company operates—Illinois, Iowa, Wisconsin, Minnesota, South Dakota, Nebraska, Wyoming and Upper Michigan and one prize to be awarded in North Dakota, the latter on account of their limited mileage in that state.

At practically all of the state fairs, a team of three has been picked as winners in an elimination contest in the selection, feeding and fitting of dairy calves. The winning teams will give demonstrations of their work at the National Dairy Exposition.

Kellogg's Bran delights father by bringing health to children

Poor little kids—they needed bran badly. But they wouldn't eat ordinary bran. They didn't like them. Most folks don't. Then their father tried Kellogg's Bran, cooked and krumbled. What a difference! He tells the story in his letter:

"Dear Sir:
 I wish to express my appreciation of your krumbled bran, which I have used for my children this summer. We had a great deal of trouble with them through constipation, and bran had been the most satisfactory remedy but they could not be induced to take the old varieties... because they disliked them so. They enjoy the krumbled bran, and consider it an essential ingredient of their porridge. No one whose children have not been troubled in this way can appreciate the relief there is in having their bowels move regularly."
 The original of this letter is in file at the Kellogg Company, Battle Creek, Mich.)

Constipation is a dangerous disease. It should not be neglected. But do not try halfway measures in seeking relief. Kellogg's Bran is ALL bran. And it takes ALL bran to be 100% effective. Kellogg's Bran is guaranteed to bring permanent relief, if eaten regularly, in the most chronic cases. If it fails, your grocer will return your money.

Eat two tablespoonfuls daily—in chronic cases, with every meal. Eat it with milk or cream. The flavor is delicious. Sprinkle it on other cereals. Cook it with hot cereals. Try it in the recipes on every package. It will bring you health. Begin eating it to-day. Made in Battle Creek. Sold by all grocers.

Mrs. M. H. Harris Laid to Rest in Local Cemetery

A long cortege wended its way from Wilson to this city at an early hour Tuesday morning when impressive services for Mrs. M. H. Harris were held at nine o'clock at St. Patrick's church which was filled to the doors with sorrowing relatives and friends of the deceased.

When the funeral left the home a large number of members of the Women's Catholic Order of Foresters formed ranks in front of the home while the body was carried through to the hearse. Eight cars were used to convey members of the order to this city to attend the services. When they reached St. Patrick's church 75 members of the local courts of W. C. O. F., including St. Mary's, St. Anne's and Holy Family Courts, were already in double line at the church doors to form an honorary escort to one of their faithful members.

Rev. Fr. Raymond Bergeron was the celebrant at the solemn requiem high mass assisted by Rev. Fr. Pellister of St. Anne's parish, and Rev. Fr. Daniel Breaud, pastor of St. George's church at Bark River.

During the services a choir of fifteen voices rendered beautiful selections, among which were a solo, "Holy Spirit, Hear My Prayer," by Mrs. John Kress; a solo, "Ave Marie," by Mrs. Wm. Shepeck, and a solo, "O Meritum Passionis," by Wm. Ramspeck. Mrs. K. Ramspeck presided at the organ.

Rev. Fr. Bergeron delivered a most eloquent funeral oration in which he paid a lovely tribute to the memory of the beloved woman who had passed away in the prime of her life, being only 42 years of age, and who had accomplished much good during her days on earth. He spoke of her untiring charity, her model life as a Christian woman and told of the happy death which was a reward for her well-spent life.

Mrs. Harris was the first American Red Cross worker in Menominee county and had been affiliated with the Milwaukee branch of the society before coming to Michigan. During the World War Mrs. Harris was instrumental in doing many of the things which built up the Red Cross in the state and county in which she lived. She was also a member of the Daughters of the American Revolution. Her father,

the late Captain Mayberry, was a commanding officer in the Civil War and several nephews belonged to some branch of the American military during the late war.

Mrs. Harris was the wife of M. H. Harris and daughter-in-law of M. E. Harris, former representative of Menominee county in the Michigan legislature.

The floral offerings were many and beautiful. The grave was lined with flowers and cedar boughs. Many cars carried the large number of friends and relatives to the last resting place in St. Joseph's cemetery. The close friends and relatives who carried the casket to and from the funeral care were Rene Labre, Arthur Mayberry, Harris McCauley, John McCauley, Raymond McCarthy and Harris Nell.

Clean Chimneys Save Fire Losses, Chief Johnson Tells City

"Clean your chimneys and stove pipes before starting fires." This warning and advice, issued yesterday by Fire Chief Arvid Johnson, if heeded, will save citizens hundreds of dollars this winter, according to the chief. Two-thirds of the fires in Escanaba originate in chimneys and stove pipes.

If difficulty is found in procuring the services of a chimney sweep, the department will help find one, Chief Johnson promised.

He advised that stove pipes be examined carefully, and that chimneys be looked over to determine whether repairs are needed.

A PUBLIC MENACE.

The danger that exists through permitting boys of immature years to carry and handle firearms, has again been shown in Escanaba.

Is it worth the price? Does the thrill that is given a boy of tender years through being permitted to handle a dangerous weapon, compensate for the danger he thus creates?

As long as boys are permitted to carry firearms, of dangerous capacity, accidents such as that of Sunday will continue to be recorded. The boy, himself, is blameless as he does not appreciate the power of the weapon that he carries and the danger that exists in its careless handling.

"Wedding Bells" for Rex Snelgrove Ring at Delft Tonight

"Wedding Bells," a clever comedy drama, is the play which the Rex Stock Company will present at the Delft tonight.

Very few stock companies present such a wide variety of plays, and "Wedding Bells," demonstrates forcefully, the care and the thought "Rex" has given to the building of his repertoire.

A large crowd saw "Green Stockings" last night and enjoyed every minute of it.

Mr. Snelgrove as an army officer, and the other members of the company again gave highly satisfactory portrayals of the characters assigned to them.

The vaudeville specialty of Lenora and Vivian repeated its Monday night's success.

STATE OF MICHIGAN. In the Circuit Court for the County of Delta, County of Delta, ss.

John K. Stack Company, corporation under the laws of Michigan, Plaintiff,

vs. IN CHANCERY Madge Corcoran, Eleanor Corcoran and Loretta C. Mickelson, Defendants.

Suit pending in the Circuit Court for the County of Delta, in Chancery, at the City of Escanaba in said County, on the 22nd day of August, A. D. 1924.

In this cause, it appearing from affidavit on file, that said defendants, Madge Corcoran, Eleanor Corcoran and Loretta C. Mickelson, reside out of the State of Michigan, and that the residence of each of said defendants is as follows: to-wit: Madge Corcoran, Metropolitan, California; Eleanor Corcoran, Metropolitan, California; and Loretta C. Mickelson, Minneapolis, Minnesota.

On Motion of Stanley M. Matthews, attorney for said plaintiff, John K. Stack Company, a corporation under the laws of Michigan, IT IS ORDERED, that the appearance of said non-resident defendants, Madge Corcoran, Eleanor Corcoran and Loretta C. Mickelson, be entered herein within three months from the date of this order; and in case of the appearance of any or all of said defendants, such defendants so appearing cause their answer to said Bill of Complaint to be filed, and a copy thereof to be served on said plaintiff's attorney within fifteen days after service on such defendants of a copy of said Bill of Complaint and notice of this order; and in default thereof that said bill will be taken as confessed by said non-resident defendants, Madge Corcoran, Eleanor Corcoran and Loretta C. Mickelson. AND IT IS FURTHER ORDERED, that within forty days, said plaintiff cause a notice of this order to be published in the Escanaba Daily Press, a newspaper printed, published and circulating in said County, and that said publication be continued therein once in each week, for six weeks in succession, or that said plaintiff served on said non-resident defendants, Madge Corcoran, Eleanor Corcoran and Loretta C. Mickelson, at least twenty days before the time prescribed for the appearance of said defendants, Madge Corcoran, Eleanor Corcoran and Loretta C. Mickelson.

RICHARD C. FLANNIGAN, Circuit Judge.

S. M. MATTHEWS, Attorney for Plaintiff. Business Address: Escanaba, Mich. 1226-268-7 Wed.

New York, Sept. 23.—Constructive forces were at work in today's stock market with the result that the general list moved to higher ground, the net gains in the active issues ranging from fractions to eight points.

Further accumulation of the public utility issues, six of which attained new peak prices for the year, was again one of the day's features.

Electric Manufacturing Company issues have improved in sympathy with the strength of public utilities, General Electric and Allis Chalmers each showing net gains of two points.

Bullish demonstrations also were successfully conducted in food shares.

Standard industrials made good recovery from recent heaviness. United States Steel company closed nearly two points higher at 109, Baldwin advanced 1 1/4 to 123 1/4, and American Cast Iron Pipe touched a new peak at 110 1/4 and then eased to 109 3/4.

Active buying of Lehigh Valley which closed nearly four points higher at 68 1/4, was in anticipation of developments looking to the merger of that road with the new central system. Some of the other outstanding strong spots were Mack Truck, All-America Cables, Nickel Plate, up 3 to 5 points.

Call money was unchanged at 2 per cent. Time money and commercial paper rates held steady but the rate on 90 and 120 day acceptances was reduced 1/4 to 1 per cent.

Foreign exchange rates were slightly reactionary. Demand sterling ruled around \$4.45 1/2, and French francs were quoted just above 5 1/4 cents each at slight concessions from yesterday's final quotations.

CHICAGO LIVESTOCK. Chicago, Sept. 23.—Cattle, receipts 1,000; fed steers, mostly 10 at 15c higher; yearlings, 15 at 25c higher; heavy fed steers hard to move; bulk, 8.25 at 9.75; best yearlings, 11.40; weighty matured steers averaging 1,400 pounds, 10.25; bulk bologna bulls, 4.25 at 4.40; veal calves, mostly 50c higher; bulk, 11.50 at 12.00 and above to packers; outsiders paying up to 12.50; stockers and feeders, scarce, firm.

Hogs, receipts 15,000; opened mostly 10 at 15c higher; few sales showing 10 at 25c advance; closed slow; top, 12.50 early; bulk good and choice 100 to 240 pound weights, 10.00 at 10.40; majority better 250 to 400 pound butchers, 9.85 at 10.00; bulk desirable 140 at 150 pound average, 9.50 at 9.90; packing sows, mostly 8.00 at 8.90; bulk good and choice strong weight killing pigs, 8.75 at 9.25; estimated hold-over, 11.000.

Sheep, receipts 27,000; fat lambs, generally steady; sorting, moderate; bulk desirable natives, 12.50 at 13.00; culls, mostly 8.50 at 10.00; bulk range lambs, 12.00 at 13.25; top, 13.40; sheep and feeding lambs, steady; range ewes to killers, 6.25; bulk fat ewes, 5.00 at 6.25; choice feeding lambs 12.75 at 13.10; top, 13.25; full mouthed breeding ewes, 7.00 at 8.00.

CHICAGO GRAIN. Chicago, Sept. 23.—Big export buying of breadstuffs, including 4,000,000 bushels of rye in the last two days, had much to do with a steep upturn of values today both for wheat and rye. Wheat closed strong, 2 3/4 to 3 3/4c net higher, December 1.25 1/4 to 1.35 1/4, and May 1.40 7/8 to 1.41, with rye up 3/8 to 7/8 1/4. Corn finished at 1 1/2c lower to 1 7/8c gain, oats 5-8c off to 1/2c higher and provisions varying from 5 to 7c decline to 15 at 17c advance.

The fact that the United States visible supply of wheat is the largest since 1919 had some transient bearish influence on the wheat market and so too did early weakness of corn values. Indications of European shortage of breadstuffs, however, led to rallies and made the upward pace of all grains a rapid one in the final dealings with all deliveries of rye finishing at a new high price record for the season.

Favorable weather and enlarged rural offerings to arrive led to pronounced weakness forced a rally.

Data followed corn. Provisions averaged higher owing to an advance in hog values and the bulge in grain.

CHICAGO BUTTER. Chicago, Sept. 23.—The butter market today continued weak with trading quiet and offerings liberal. Buyers showed little confidence and were operating close to requirements. The centralized car market was also weak with offerings liberal on all sources, but trade was dull.

Fresh butter, 22 score, 35 1/2. Centralized carlots: 20 score, 34.

Naval Reserve Boat Spends Day Here On Final Cruise

The United States Submarine Chaser 412, training ship of the 7th regiment, Naval Reserves, spent Tuesday in the Escanaba harbor. She is on her last training cruise of the season, with naval reservists from Milwaukee.

The 412 is in charge of Lieut. Commander E. A. Leichenstein, the commanding officer of the 7th regiment. Lieut. K. C. Downey is her executive officer.

It was the second visit of the chaser to this port during the summer. Since the training season opened she has visited more than 50 Great Lakes cities.

The district, in which the Upper Peninsula is located includes the states of Wisconsin, Michigan, Illinois, Iowa, Indiana, Missouri, Kansas, Nebraska, Minnesota, North Dakota and South Dakota. In this area are more than 6,000 reservists, who take annual training cruises. Headquarters of the 7th regiment are in Milwaukee.

The 412 left last night for Nahma. She will proceed from there to Sturgeon Bay, Manitowoc, Sheboygan and back to Milwaukee.

AT THE STRAND. Players of international repute figure prominently in W. Griffith's latest screen success, "One Exciting Night," a fabled Artists release coming today to the strand theatre after long opening engagements in New York, Boston and Chicago.

In the role of the debonaire society man whose rascally behavior first brings distress to the lovely heroine of this weird and wonderful mystery play is Morgan Wallace, an actor well known in England and the United States. Wallace has been appearing in London lately as the polished villain in "Lawful Larceny"—the same role that Lowell Sherman is playing here at the Plymouth Theatre.

Strangely enough, both Wallace and Sherman made their first bits on the screen as villains in Griffith productions. Sherman was the smooth heart-breaker in "Way Down East." A year later Wallace won fame on the screen through his impersonation of the treacherous marquis in "Orphans of the Storm."

On Road To Boneyard

"I have just finished a treatment of your wonderful remedy and can say it has done wonders for me already. For the past five years I have been unable to eat any but the lightest food and that but sparingly, as any food caused me to bloat with gas. I was reduced to a skeleton of ninety pounds, and was on the road to the boneyard. A friend in Birmingham sent me a bottle of May's Wonderful Remedy, which I took and I am sure it will entirely cure me of my trouble, judging from what it brought from me and the way I feel." THE CORE OF STANDARD OIL SERVICE

The Standard Oil Company (Indiana) is more than a vendor of petroleum products. It is an organization of service.

When we say that the Standard Oil Company (Indiana) is an organization of service, we mean much more than the everyday tangible service rendered our customers through the manufacture, sale and delivery of oil products.

"Service" is a comprehensive term. It means anticipating the needs of the public and preparing to supply these needs when the demand comes.

The Standard Oil Company (Indiana) is laboring day after day to widen the sphere of usefulness occupied by the petroleum industry.

It is broadening the field of service which oil products offer to humanity. It is extending the application of exact science in this most fundamental of all modern industries. It carries on continuously a search for knowledge which shall be of value to society.

In carrying on this great work, it calls upon human ability in every field; it seizes upon the most daring ideas and labors to make them practical through unceasing effort.

Problems which presented seemingly insuperable difficulties have been overcome—limitations which threatened to hamper the development of the industry have been removed.

Improvements in refining, marketing and distribution have been developed, perfected and put into daily operation.

Yet, this is but part of the great service rendered by the Standard Oil Company (Indiana).

This generation scarcely can appreciate the role which oil will play in the future. Anticipating the demands which will be made upon it, the Standard Oil Company (Indiana) is attracting to its ranks, men with the training, knowledge, vision and enthusiasm necessary to pioneer in the development of the petroleum industry as it will be tomorrow and in the days to come.

The core of Standard Oil Service is in the keen minds of the men who labor in the laboratory and the workshop—unseen and unnoted by the public. It is this part of the organization which has enabled the Company to render so complete a service to society.

Here a host of perplexing problems are taken—problems of manufacture, problems of application, and problems of effectiveness—and each is studied, worked upon and solved, that the patrons of the Standard Oil Company (Indiana) may get the greatest value for the money they spend.

HORSE RACING STARTS TODAY AT THE FAIR

Filling every stall in the speed arena, 25 horses are gathered at the Manistique fair for the schoolcraft county fair racing program, which opens this afternoon with the 2:30 and 2:15 races both for purses of \$300. Dr. William Firkus of Escanaba will be the starter.

The track, which is well drained, dried off quickly following Sunday's storm, and is in prime condition yesterday. Not one wet spot remains. The men predict some fast races here during the three days.

Give Surprise At Wm. Watson Home

Twenty friends of Mr. and Mrs. William Watson tendered a surprise party in their honor at the Watson home on Arbutus avenue Monday evening. The gathering was in the nature of a farewell party as Mr. and Mrs. Watson plan to leave Manistique in the near future, to make their home in Detroit.

CITY BRIEFS

Attend Rosenthal's fur sale today, Thursday, Friday and Saturday. 116-268-11.

Mr. and Mrs. J. L. Doyle of Manistique have returned from Saginaw, where they attended the funeral of their nephew, Wilfred Doyle, son of Mr. and Mrs. James H. Doyle of that city.

Miss Alice Lundvall and Miss Stella Eakley left Monday for Ypsilanti, where they will complete a course at the Normal College this year.

"Merry-Go-Round" in Town Tonight

"Merry-Go-Round," is the title of a much-heralded feature movie which Manistique people and fair visitors will see at the Gerotheater tonight.

"Merry-Go-Round," which cost time, money and care to film, is the story of two lovers separated as widely by caste as two human beings could be. One is a poor girl of the Prater, an organ grinder.

The other is a young count, aide to the Emperor and slave to every royal whim—but leading a life of pompous idleness.

The father and mother of the girl, a faithful hunchback sweetheart, a great beast of a man who rules a big concession—these and others of the picturesque population of the Prater appear in "Merry-Go-Round."

"Merry-Go-Round" was nine months in the making and more than 1,000 actors and actresses took part. The cost of building the elaborate sets to duplicate the Prater, which is the Coney Island of Vienna, the emperor's castle and other historic spots was enormous, but this expenditure was more than justified by the final excellence. Travelers who have visited Vienna admit that Universal has achieved something very much worth while in duplicating the locales so faithfully.

From the pomp and glory of the pre-war days when Vienna was a center of high life, to the grey days after the war when all was in ruins, the story carries the two main characters not simply through their single love interest but through the experiences attendant upon the war.

Norman Kerry, Mary Philbin, Cesare Gravina, Dale Fuller, George Hackathorne, Spottiswoode Aitken, Haude George, George Seigmann, Lillian Sylvester, Al Edmondson, Sidney Bracy, Dorothy Wallace, Anton Vavorka and others have the principal roles.

Louis H. Gabel Buried On Monday

The burial of Louis H. Gabel, 69, inmate of the county house for the past month, took place at Manistique on Monday afternoon. Rev. R. S. Sidebotham of the Presbyterian church had charge of the services.

A. CREIGHTON TAKES LOCAL FORD AGENCY

A deal was closed at Manistique this week whereby the local Ford agency, now known as "The Peninsular Motor Company," was taken over by Alec Creighton of this city.

Mr. Creighton is experienced in the auto business, having been with the People's Auto and Tractor Company of this city up to a few months ago. He expects to retain the present name of the agency, which was supplied a short time ago when Paul P. Hoholik took over the interests of Dr. D. E. Seiler, founder of Manistique's first Ford agency.

Mr. Hoholik, who has been operating the business for the past few weeks, will remain with the local garage only long enough to assist with the details of turning the garage over to the new owner and stated yesterday that he had as yet made no plans for the future.

With the inventory completed, the business became Mr. Creighton's yesterday, the new owner taking over all stock, new cars, equipment, etc., that go with the agency. No one is associated with him in the deal, and the agency is in his name only.

For the final detail, it will be necessary for Mr. Creighton to go to Detroit, where the agency will be signed over to him at the main office of the Ford Company.

A wide business experience, plenty of initiative, and a host of friends in Manistique and vicinity are factors that promise to make Mr. Creighton's venture in the automobile field a very successful one.

HEALTH MOVIES WILL BE SEEN ON OCTOBER 2

Two motion picture films on health topics will be presented at the Manistique high school auditorium on October 2, by Dr. Frank Poole, of the Michigan department of Health. One of the pictures is entitled "Our Children." The other concerns smallpox, and is called "One Scar, or Many."

This illustrated lecture was secured by Manistique business men by special arrangement, and promises to be very interesting to old and young.

The program will be presented one week from Thursday, beginning at 8:00 o'clock in the evening at the high school auditorium, which has been secured for the occasion.

Dr. Poole, through his connection with the State Health Department, has much reliable data on health conditions in the state. He recently appeared at the Soo in a lecture on "Personal Health and Hygiene."

CAFE OPENED ON AMERICAN HOUSE CORNER

A new cafe was opened to the public at Manistique on Monday in the old American Hotel at the corner of Oak Street and Maple Avenue. The building was recently purchased by John Hallen, proprietor of the Park Hotel, and under his direction the corner rooms have been converted into a neat and modern restaurant.

Mr. Hallen has engaged a capable cook in the person of Mrs. William Chapman, late of California, who took charge of the culinary department on Monday.

An opening ceremony took place Monday evening at 9:00 o'clock, when the Manistique W. O. W. Band assembled at the entrance of the new cafe, and rendered a short concert. Following this, the bandmen were invited into the cafe by Mr. Hallen, and served with lunches from the new restaurant.

In his purchase of the hotel building, Mr. Hallen took into consideration the fact that trunk line highway M-12 is to be rerouted down Maple Street in the near future, and his restaurant location will then be one of the most desirable in the city.

Hired Man Who Hit Farmer's Wife Gets 20 Days In Jail

Preferring a jail sentence to paying a \$25 fine, Waldemar Whahlstrom of Hiawatha went to the county lock-up for a 20-day sentence yesterday, after he was found guilty by Justice of the Peace W. A. McKinney of an assault on the wife of his employer, Mrs. Agnes Anderson.

According to the testimony brought out in justice court Tuesday morning, Whahlstrom is a religious fanatic, and was continually finding fault with the way Mrs. Anderson brought up her children. Much of his time was spent reading the Bible, and he objected when young people played the piano in the evening at the Anderson home, claiming that it disturbed him.

Whahlstrom engaged in a heated argument with Arthur Corham, another employe at the Anderson dairy farm, on this subject. Mrs. Anderson intervened when the men came to blows, and received several severe bruises about the face and body. Corham, who also appeared in justice court at the trial, was bruised about the face, and both he and Mrs. Anderson exhibited black eyes.

Whahlstrom claimed that Corham had started the scrap, but he showed no signs of having been hit by the latter, and the judge decided that the Swedish hired man was guilty of assaulting Mrs. Anderson, and that his guise of mentor over her children was no excuse for doing so.

He was given a fine of \$15, and costs amounting to an additional \$10, with the alternative of a 20-day jail sentence. He expressed a preference for the jail sentence, and was taken to the county jail to begin his term.

Install Another Big Gasoline Tank

Another large gasoline storage tank was installed on the Cloverland Oil Company property on River Street this week. The new tank is larger in diameter than others now in use at the filling station, but is shorter. It has a capacity of 10,500 gallons.

Stewart Funeral Held On Monday

Funeral services for Hugh Stewart, son of William Stewart of Gulliver, were held Monday at Manistique, Rev. R. S. Sidebotham of the local Presbyterian church officiating. Mr. Stewart passed away on Friday, after a long illness. Interment was made in the Lakeview cemetery.

FINE TALK GIVEN BY DR. POOLE

A lecture which was described as one which should be heard by every father and mother, was given Monday night at the senior high school building assembly when Dr. Frank Poole of the Michigan department of health, spoke on "Our Children."

Dr. Poole's talk was accompanied by three reels of motion pictures that clearly illustrated various points of his talk.

The doctor, in a straightforward earnest talk on general health told of the value that should be placed on the human body and how it should be cared for. He described it as the greatest piece of machinery that exists and urged care of that machine to promote longer life.

During his talk he described vaccine and vaccination, showing all the processes in connection with it and he also explained thoroughly the examination of children under the state clinics.

The talk Monday night, which was heard by a large audience, is preliminary to the general clinic which will be held here by the state department under the sponsorship of the Child's Welfare club on October 2 and 3 for children of pre-school age, school children and adults.

At School. Dr. Poole spoke at the Rotary Club Monday noon, and during the day visited the high school and All Saints' school. He will return to Gladstone Thursday to visit the other grade schools of the city.

The state worker was favorably impressed by conditions met in Gladstone and complimented the city and its Welfare Club highly, declaring that he found in few cities, health work advanced to such a degree, sponsored by so splendid an organization and cooperated with in such a spirit of progressiveness.

COMMISSION TAKES CARE OF ROUTINE

Gladstone's commissioners disposed of a number of matters Monday night at their regular meeting, held at the city hall.

All members of the commission were present as well as City Attorney Glen W. Jackson and City Manager F. R. Buechner. Mayor I. N. Bushong presided.

A petition was presented the commissioners signed by property owners on Ninth street between Wisconsin and Dakota avenues, asking that a concrete pavement be built on this street. The petition was ordered placed on the table for action at some future date.

The permission given the Central Auto company to install a 500-gallon tank, and the ordinance granting Soren Johnson permission to construct ware houses, tanks and other buildings necessary to his business, were both approved.

The assessments on the lateral sewer connections on Minnesota avenue between Fifteenth and Railway, not yet paid, were ordered placed on the general tax roll, to draw interest from September 4, 1923, to December 1, 1924, at the rate of six per cent.

A beverage license was granted Horace G. Barnhardt, restaurant owner at 1023 Delta avenue.

Following a discussion of other matters the meeting was adjourned.

Second District Meeting Tonight

The second of the two Green Bay district meetings arranged for this week will be held tonight at the Swedish Lutheran church. Visiting clergymen from nearby towns will be present and the meeting and sermons will be given by them.

"You'll never marry that young scamp." And so Buck in "Lucky Dan" playing at the Community theatre today, drove Lucky off his ranch and ordered his daughter Rose into the house and never to see Lucky again.

Buck's ranch is heavily mortgaged by Slim Connor and he threatens foreclosure unless Rose marries him. Buck is agreeable, since such a marriage will cancel the mortgage on his ranch and Slim being very wealthy he is determined that his daughter shall marry only a successful man. Lucky, however, receives a letter notifying him that he is the rightful owner to a tract of land that Slim has held illegally for years and he is to present himself within five days at the attorney's office in the city to claim the deed or forfeit his rights.

E. C. DAYTON HEADS AUGUST MATTSON POST

Eugene C. Dayton was elected commander of August Mattson post, American Legion, to serve during the coming year at the annual election held Monday night at the regular meeting in the Wasa hall club rooms.

Roy G. Baker will be vice commander for the year; Helmer Skogquist, post adjutant and finance officer; Percy Cameron, post chaplain and Joseph Sturgeon, post historian.

The executive committee appointed includes Bernard Micks, John Mattson and Hilding Granberg.

Monday night's meeting was one of the biggest gatherings of the post held in some time and the meeting throughout was marked by enthusiasm and pep.

Following the election of officers a short business meeting was held at which it was decided to back a movement to reestablish the auxiliary unit in Gladstone as an active organization.

The members of the post pledged their cooperation in any steps which may be taken to this end.

CHICKEN SUPPER

The remainder of the evening was given over to a legion supper at which chicken stew and corn on the cob were served. The supper was prepared and served under the able direction of Chief Stewart Brassick, with Joseph Hillawert and Gust Lierman, assisting.

The meeting Monday brought a most successful year for the Gladstone post to a close and marked the beginning of a new year that from all indications will equal all records set in the past.

FANS ASKED TO SOLVE PROBLEM

To what extent does familiarity breed contempt? This is the question that fans of the Lyric theatre will be asked to answer when "Daring Youth" is shown today and Thursday. The production which is released by B. F. Feldman and presented by Principal Pictures, tackles the old question of marital happiness along entirely new lines.

The story centers around a young couple who take their marriage vows with the understanding that they do not see too much of each other.

Mr. and Mrs. Henry Rosenblum and daughter, June, and Mr. and Mrs. Sam Rosenblum are expected to return today from a visit with relatives at Sault Ste. Marie, Mich.

Senators Continue Winning Pace

WASHINGTON IS STILL LEADING YANKS BY TWO

(By The Associated Press.)

Chicago, Sept. 23.—Washington kept pace with the Yankees today and by defeating the White Sox, 7 to 6, while their pennant rivals won from Cleveland, retained their lead of two games. The game was hard fought, the league leaders fighting every inch of the way. After Chicago had jumped into the lead, Charley Robertson suddenly weakened and Washington took the lead in the third by bunting with errors by Davis and Falk. They continued the attack in the fourth and drove Robertson off the mound. Blankenship took up the burden and Washington was able to glean only one hit off him.

The cold weather began to tell on Mogridge and he was replaced by Marberry. The big right-hander was unsteady when he took up the pitching for the Senators in the seventh and the White Sox scored two runs and threatened to go ahead. Twice after that, the locals got men within scoring distance, but sensational fielding pulled Marberry out of the hole.

The batting of feature was one of the outstanding features in the Senators' attack. Saints Preparing for Munising; High Plays at Newberry

The Saint Joseph's high school football team will entertain Munising high Saturday afternoon at South Park, while the Escanaba high aggregation is the guest of Newberry high.

With contests are expected to be tight ones. Munising's victory over Negaunee high last Saturday proves the Algerites to be a foe worthy of the serious attention of any team in the peninsula. Minor sprains and bruises, which the Saints suffered in last Saturday's grueling encounter with E. H. S. are healing rapidly and Coach Carr is expected to send the line-up into the fray that wore the parochial colors last Saturday.

Johnny Seymour to Race in Australia

Johnny Seymour, Escanaba boy who in the last two or three years has become one of the world's leading motorcycle racers, is to be sent by the Indian company to Australia this fall to compete in international contests. It was learned here yesterday. Seymour is at present in the Indian factory at Springfield, Mass. Fred County Clerk George E. Harvey got a copy of his birth certificate, to be used in applying for a passport. He will sail from San Francisco, he said.

Esqy Fans to Watch Shannon-Nuss Bout

Several automobile loads of Escanaba boxing fans will go to Negaunee tonight to see Jimmy Nuss, of DePere, and Mickey Shannon, of Marquette, step 13 rounds. The men are middleweights. Marquette county fans are confident that Shannon will "bump off" the Wisconsin title holder. Several other first class bouts are on the program.

SENSATION OF DAY FURNISHED BY YOUNGSTER

(By The Associated Press.) Ardmore, Pa., Sept. 22.—The fighting spirit of a 17-year-old school boy of Washington, D. C. who did not know when he was licked added to the excitement of the first round of match play in the national amateur golf tournament today. Seven down after playing 15 holes, eight down with 15 holes left to play, Roland R. McKenzie, who attracted attention first by a 73 in the first half of the qualifying round squared his match with George Von Elm of Los Angeles at the home green by doing the longest round in 68. Then he lost at an extra hole by taking three putts. Never has the tournament seen a more sensational uphill battle that just failed of victory.

The first round saw the elimination of three former amateur champions. At the Merion Cricket Club, where he won the amateur title in 1916, Chick Evans of Chicago, experienced one of the worst defeats of his career when he was downed by another Chicagoan, "Rudy" Knepper, who used to play for Princeton and Sioux City. The score was 9 and 7.

Gardner Is Beaten. Robert A. Gardner of Chicago, captain of the American Walker cup team and former amateur champion, lost at the home green to W. L. Hope, Scottish member of Great Britain's Walker cup team, now the only Briton surviving in the tournament.

H. Chandler Egan of Portland, Ore., former champion, was put out by E. H. Driggs, Jr., of New York, 7 and 6.

The present champion, Max R. Marston of Philadelphia, eliminated Major Charles O. Hezlet of the British Waker cup team, 3 and 1, and Marston's fellow townsman, J. Wood Platt, likewise had a victory over a Briton, eliminating Tony Torrance of Scotland, 3 and 2.

Americans were victors in the other international matches of the day. Bobby Jones of Atlanta defeating W. J. Thompson of Toronto, 6 and 5, and Francis Ouimet, of Boston, defeating William I. Hunter of Los Angeles, former British amateur champion, 2 and 1.

Platt, who has to his credit victories over Francis Ouimet and S. Davidson Herron in past national tournaments, plays Marston tomorrow.

SUMMARY.

The summary in the order of the draw: R. T. Jones, Jr., Atlanta, defeated W. J. Thompson, Portland, 6 and 5.

D. Clark Corkran, Philadelphia, defeated W. H. Gardner, Buffalo, 4 and 2.

R. Knepper, Chicago, defeated Charles Evans, Jr., Chicago, 9 and 7.

Ellsworth Augustus, Cleveland, defeated M. M. Jack, Philadelphia, 5 and 3.

Francis Ouimet, Boston, defeated W. I. Hunter, Los Angeles, 2 and 1.

Eddie Held, St. Louis, defeated F. J. Wright, Jr., Boston, 3 and 2.

DETROIT WINS FINAL AT HOME

(By The Associated Press.)

Detroit, Sept. 23.—Detroit won its fifth consecutive victory today, defeating Boston, 3 to 2, in a pitchers' battle between Stoner and Wingfield. The game was one of the fastest played here this season, requiring only one hour and 29 minutes.

The game ended the home season of the Tigers, who finish the schedule at Chicago. THREE HOMERS AID CHICAGO IN BEATING VANCE

(By The Associated Press.)

Brooklyn, Sept. 23.—Dazzy Vance fanned 11 men and held Chicago to four hits today but three of them were home runs and these spelled defeat for Brooklyn by a score of 5 to 4 in ten innings.

Gratham got two of the circuit swats, both over the right field wall after two men were out. The first came in the opening inning with nobody on the bases. In the second inning Gratham came up after Vance had walked Adams and Heathcote and repeated his long drive. With the score tied, Hartnett opened the tenth with a liner that bounced into the left field bleachers, scoring the winning run.

The Dodgers bunched two doubles and two singles off Keen in the first inning for three runs, but thereafter they were kept away from the plate by brilliant fielding until the eighth when the score was tied at four, all on Johnson's single. Griffith's sacrifice and Stock's hit. Wheat made three doubles, only one of which counted in the scoring. Catches of liners by Gratham and Adams saved Keen at critical times. It was Chicago's first victory of the season over Vance and his sixth defeat. Only two hits were secured off Vance in nine innings.

Payrus, the plant seed that more than two thousand years ago supplied the world with its principal writing materials, is again being used in the manufacture of paper. Mills are being built in Africa and the pit of theapyrus will be treated in somewhat the same manner as the modern wood pulp.

GIANTS DISPLAY OLD-TIME DASH

(By The Associated Press.)

New York, Sept. 23.—Playing like champions in spite of a crippled lineup, the New York Giants decisively vanquished Pittsburgh today, 5 to 1, in the first game of their all-important three-game series.

As Brooklyn was beaten by Chicago, McGraw increased his margin over the second place Robins to 6 full game.

Behind the brilliant twirling of Hugh McQuillan the Giants played with the sort of dash and snap that has carried them to three pennants in a row and brightened their prospects of making it four straight. They fought the Pirates with their two brightest infield stars, Groh and Friscol, on the sidelines, through injuries.

The Pirates outlit the Giants 7 to 5, but while McQuillan was airtight, New York made all its blows count. Leo Meadows twirled seven innings for the Pirates and allowed only four hits, but two of these figured in each of the Giants' scoring rallies, together with a bit of wildness on the part of the bespectacled right hander. Songer, a rookie, twirled the eighth. He was found for a double by Ross Young and walked Kelly, but managed to escape without being scored on.

Indians Unable To Hit Shauckey; Yanks Win, 8 to 2

(By The Associated Press.)

Cleveland, Sept. 23.—Cleveland could not hit Bob Shauckey when hits were needed and New York won the second game of the series 8 to 2, today. A wild throw by Ruth in the eighth inning paved the way for the Indians' runs, the ball going into the Yanks' dugout, allowing Stevenson to score and placing J. Sewell on third, whence he scored on an infield out. The Yanks scored their first run in the second inning, on an infield hit by Meusel and a double by Ward. A double by Pipp, an infield out and a single by Scott resulted in another run in the fourth.

Two bases on balls, an error by Fawcett, a single by Meusel and a sacrifice fly by Ward netted the Yankees three runs in the fifth.

Scott's second single, a triple by Bengough and a single by Shauckey gave the champions two runs in the eighth, their final run in the ninth resulting from a base on balls to Meusel followed by Ward's triple.

Cleveland filled the bases in the opening chapter. In the fourth they had two on bases with none out and in the fifth two on with one out but were unable to score.

Cardinals Win In Overtime Contest

(By The Associated Press.)

Philadelphia, Sept. 23.—St. Louis went 10 innings today to defeat Philadelphia by the score of 8 to 7. Day, the rookie hurler, pitched seven innings of good ball but was retired in the eighth when the locals tied the score. A double by Wilson, with the bases filled by the ninth again tied the score after the visitors scored three runs in their half of the inning. Braves' double and a single by Cooney in the tenth gave the Cardinals the game.

CLASSIC PLAYS OF GRIDIRON

Famous Coaches Tell of Greatest Thrills.

BY J. J. RYAN.

Football Coach, University of Wisconsin.

Blagi only weighed 141 pounds but his father was Italian and his mother Irish. And if you don't think that combination spells gameness, you should have seen the play I am about to describe. It certainly stands out as one of the most remarkable I have ever seen in football.

I was coaching Marquette at the time and we were playing the heavy Detroit University team in Detroit. That was in 1920. Blagi was pitted against "Tillie" Voss, giant Detroit right tackle, who at the season's end was placed on numerous mythical All-Western and All-American teams. Blagi wasn't taking Voss out of many plays, but he was sticking to him like a little fox terrier.

At the beginning of the fourth quarter Blagi hollered for help and, as we had no trainer along, I was allowed to go onto the field. Blagi was squeezing two fingers together and I found that the nail had been kicked off one. The pain must have been intense, but the little fellow never flinched. He merely asked me to bind the two fingers together.

A few minutes later he grabbed a forward pass on the 20-yard line, ducked and dodged three tacklers and, over the head of the quarterback, who was standing on the goal line, he banked the goal line was an embankment. Down this Blagi rolled and crashed into a concrete post, but he held the ball.

That play finished Blagi physically, for the collision with the concrete post had paralyzed one arm. But his spirit was still in the game. The injury to the little fellow upset Detroit and spurred his teammates. A few minutes later they completed another pass for a touchdown. The score really ought to have been credited to Blagi.

SOLONS-GIANTS ARE FAVORITES

(By The Associated Press.)

New York, Sept. 23.—The Giants and Senators took long steps toward the major league pennants today and now loom strong favorites.

New York, defeating the Pirates, 5 to 1, while the Cubs beat Dazzy Vance at Brooklyn, leads the Robins by one game and Pittsburgh by two and one-half games.

Washington turned back a White Sox assault in the latter innings to win a 7 to 6 battle, and maintains its two game lead over the Yankees, who stopped Cleveland, 8 to 2. With five games left for each team to play, the Senators can clinch the pennant by winning four or the by winning three, even if New York takes all remaining games.

Brooklyn virtually dropped from the race as it trails the Giants by one game with two less to play. Pittsburgh, by winning its seven remaining games, including the two with New York and five with Chicago, could still top the Giants even though the latter won their next three with the Phillies.

Peninsula Gives Kalamazoo Normal Whole Grid Team

(By The Associated Press.)

Upper Peninsula towns have contributed a whole team to the Kalamazoo Normal football squad, and among the eleven men from this side of the straits are several who may make the varsity. Negaunee has five men at the Normal training camp. Perry, Sundquist, Farrar, Simo and Dorn, and Crystal Falls and Gladstone have one man each, Trevarthen and Murdoch, respectively. Also there are Beck and Banach, of Menominee and the Gonyea brothers of Manistiquic. Kalamazoo Normal is being coached this year by Earl Martineau, Minnesota's all-American star.

Macks Again Beat St. Louis Browns

(By The Associated Press.)

St. Louis, Sept. 23.—The Browns dropped another listless game to the Philadelphia Athletics today 11 to 9. It was a free hitting contest, 31 safeties being recorded.

The Score: R. H. E. Philadelphia 132 120 003-11 16 5 St. Louis 030 000 204-9 15 2 Helmsch and Perkins; Vanderlander, Losey, Barnhart, Lyons and Rego, Collins.

RULE CHANGES SEEKING SPEED

Referee Alone Will Be in Possession of Whistle.

(By The Associated Press.)

New York—Several radical changes in football rules, decided upon last winter by gridiron authorities, will be in effect during the coming season which gets into full swing the end of September.

Chief among changes are those abolishing kicking tees, barring "passive interference" on the screen pass, shifting the try-point from the five to the three-yard line and other alterations designed to speed up the game.

A summary of changes follows: In Rule 1, Section 3, the committee has added its approval to the so-called "offset" goal posts so that either straight line posts or offsets are legal.

In Rule 3, Section 3, there is an answer to the generally increasing complaint that certain stiff shoulder guards and protectors were dangerous. The committee has legislated that shoulder guards must be padded outside as well as inside and cleats must not be dangerously sharp, and has urged all officials to relentlessly enforce every phase of the rule relating to equipment.

Under Rule 6 comes the elimination of tees. All tees are swept out of existence, but on place-kick a player may hold the ball on the ground for the kicker. The ball is now kicked off from the middle of the field instead of from the 40-yard line. Section 9 has been altered so that any part of the player's person being out of bounds counts just the same as the foot.

Under Rule 9 the committee has practically placed shift plays in the hands of officials by legislating that players must come to an absolute stop and remain stationary in their new positions sufficiently long to prevent any doubt in the minds of the officials as to the legality of the play.

Rule 10—The 5-yard line has been changed to the 3-yard line on a try-for-point after touchdown.

In Rule 14 is the evidence of the committee's desire to speed up the game and prevent unnecessary and unreasonable delays. The official may arbitrarily call time whenever he thinks a team is unreasonably delaying punting the ball in play and may warn them or penalize them. In the case of calling of time for substitutions or for other reasons which appear to the official to be with the intent of lengthening the game, he may instruct the timekeeper not to stop the watch but let time run on. Captains may now ask that time be called four times in each half, but the penalty for a greater number of requests has been increased to five yards.

In Rule 16 the screening of the forward pass has been checked by a ruling that ineligible players must keep out of the way of the players of the side which did not make the pass, else they are liable to a penalty for interfering with the defensive side's opportunity to reach the ball. The field judge and umpire both are to watch violations under Section 3.

Rule 17 puts a stop to the receiver of the forward pass running out of bounds and then coming back into the field of play to receive the pass. Under this same rule the last 10-yard penalty remaining in the book has been changed to 15 yards, namely, intentionally throwing a forward pass to the ground. It has been made legal to decline the penalty on a forward pass.

Rule 18 finishes up the entire matter relating to outside kicks. If a kicked ball crosses the scrimmage line, no one of the kicker's side can touch or recover the ball until it has touched an opponent but any man may recover a kicked ball which has not crossed the line of scrimmage.

Rule 23, Section 8—A foul committed behind the goal line which does not involve change of professions of the ball is penalized one-half distance to the goal line from the spot where the ball was put in play. Section 11 has been expanded by the instruction to the referee that he shall explain alternative penalties to the captain of the offended team.

Rule 24—the referee alone shall have a whistle, but a pistol is recommended to the timekeeper to notify the referee of the expiration of time.

Cincinnati Beats Boston Braves, 4-1

(By The Associated Press.)

Boston, Sept. 23.—Cincinnati defeated Boston, 4 to 1, here today. All of the runs were scored in the eighth inning. An error by O'Neill, doubles by Shorten and Fowler, Fonzeca's single and a pass to Walker resulted in the Reds' four runs. Luque held the Braves to six hits.

Score: R. H. E. Cincinnati 000 000 040-4 10 2 Boston 000 000 010-1 6 1 Luque and Hargrave; Gibson, Benton and O'Neill.

REMOVE BULLET SUCCESSFULLY

Louis LeDuc Resting Easily After Second Operation.

A delicate operation to remove the bullet lodged in the spinal column of Louis LeDuc, who was accidentally shot Sunday morning while out hunting with two younger boys, was successfully performed yesterday morning, and the patient was resting easily at a late hour last night, according to his physician's report.

Operation to relieve the pressure on the spine proved successful and today the bullet was removed. LeDuc was accidentally shot with a 22 rifle by Donald Holmes, one of his hunting companions, when the latter stumbled and fell at the same time discharging the rifle he was carrying. Aid was immediately summoned and the injured man rushed to the local hospital where medical attention was rendered.

Examination showed that the bullet took a downward course, traveling about five inches into the spinal canal. LeDuc was partially paralyzed as a result. Following yesterday's operation, however, his condition was better.

Miss Martha Gray Wins Pedigreed Dog

Miss Martha Gray of Camp Mart Board, Fayette, Mich., was the only Upper Peninsula contestant in the Liberty Magazine composite dog contest to win a prize. Her name was carried in the list of the first 166 winners. The other 334 will be announced later. Miss Gray will be rewarded with a pedigreed dog. Over 43,000 persons were entered in the contest.

LADIES DON'T SWEAT!

A young Frenchwoman came to this country as the bride of an American soldier. On a walking tour with her sister-in-law, a purist, she exclaimed, "Oh, I am all of a sweat!"

"My dear!" exclaimed the sister-in-law. "Never use that word again. 'Horses sweat; men perspire; ladies merely glow.'—From Everybody's Magazine for October.

ORDINANCE NO. 11

AN ORDINANCE TO PROVIDE FOR THE ISSUANCE OF STREET PAVING BONDS IN THE AMOUNT OF THIRTY THOUSAND DOLLARS. WHEREAS, the Council of the City of Escanaba, Delta County, Michigan, have heretofore provided for the improvement of the following streets, viz: South Third Street from the South line of Ludington Street to the Northwest line of Lake Shore Drive, and South Seventh Street from the South line of First Avenue South to the North line of Fifth Avenue South, with curb and gutter, and by grading and paving the same, and have caused the cost thereof to be assessed upon the property benefited thereby.

Section I: That in anticipation of the receipts from special assessments hereinafter levied for said improvement, there shall be issued negotiable bonds of the City of Escanaba under and by virtue of the laws of the State of Michigan, and under the City Charter, all now in force and under which the City of Escanaba now operates, in the amount of THIRTY THOUSAND (\$30,000) Dollars, all bonds to be dated October 1st, 1924, bearing interest at the rate of six (6%) per cent per annum, payable semi-annually on the first days of April and October in each year until the principal thereof shall be paid in denominations of One Thousand (\$1,000) Dollars, said bonds to be numbered and mature as follows:

Date	Maturity
October 1, 1924	October 1, 1925
October 1, 1924	October 1, 1926
October 1, 1924	October 1, 1927
October 1, 1924	October 1, 1928
October 1, 1924	October 1, 1929
M-1 to M-6 inclusive	\$6,000.00
M-7 to M-12 inclusive	6,000.00
M-13 to M-18 inclusive	6,000.00
M-19 to M-24 inclusive	6,000.00
M-25 to M-30 inclusive	6,000.00
Total	\$30,000.00

Section II: That all of said bonds shall be executed substantially in the following form and shall contain the following recitals:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF DELTA
CITY OF ESCANABA SPECIAL ASSESSMENT PAVING BOND FOR PAVING SOUTH THIRD STREET FROM THE SOUTH LINE OF LUDINGTON STREET TO THE NORTHWEST LINE OF LAKE SHORE DRIVE, AND SOUTH SEVENTH STREET FROM THE SOUTH LINE OF FIRST AVENUE SOUTH TO THE NORTH LINE OF FIFTH AVENUE SOUTH.

KNOW ALL MEN BY THESE PRESENTS: That THE CITY OF ESCANABA, DELTA COUNTY, STATE OF MICHIGAN, for value received, hereby acknowledges its indebtedness to and promises to pay to the bearer, the sum of _____ Dollars, lawful money of the United States of America, on the first day of October, 19____, with interest at the rate of six (6%) per cent per annum, payable semi-annually on April 1st and October 1st of each year, until the principal sum and interest thereon are paid at the office of the City Treasurer, Escanaba, Michigan.

The City of Escanaba is hereby held and firmly bound, and its principal and interest, and all the real and personal property in the City are hereby pledged for the prompt payment of this bond and the interest thereon, at maturity. This bond is one of a series of bonds of the same date and tenor, issued by the City of Escanaba for money borrowed for the purpose of defraying the cost and expense of improving South Third Street from the South line of Ludington Street to the Northwest line of Lake Shore Drive, and South Seventh Street from the South line of First Avenue South to the North line of Fifth Avenue South, with curb and gutter, and by grading and paving the same, and by authority and in compliance with the provisions of the laws of the State of Michigan, and the City Charter under which the City of Escanaba is now organized and governed, and by virtue of regulations duly adopted by the Council of said City, and is payable, both principal and interest, from the special paving fund of said City created for said purpose.

It is hereby Certified, Recited and Declared that all the requirements of the Constitution and laws of the State of Michigan governing said City, have been fully complied with by the proper officers, in providing for said improvement and in the issuance of this bond and all other bonds of said series, and that all acts, conditions and things required to be done and to exist precedent to and in the issuing of this bond, have been properly done, happened and been performed, and that the total indebtedness of the City of Escanaba, including this issue of bonds, does not exceed any constitutional or statutory limitation.

Section III: That the Mayor and City Clerk of said City are hereby authorized to execute said bonds and when so executed to deliver the same to the purchaser thereof upon the City Clerk is hereby instructed to receive subscriptions for said bonds, in writing; the bonds shall be first offered for sale by the Clerk to the property owners to close September 2nd, 1924. After September 2nd, 1924, if any of said bonds shall then be unsold, the residence of the City of Escanaba, on or before October 1st, 1924, subscribe in writing for the remainder, each person being limited to One Thousand Dollars in amount.

Section IV: This Ordinance shall be published once within one week after its final passage and shall be in full force and effect eleven (11) days from the date of its publication.

Adopted Sept. 18, 1924.
W. J. HANRAHAN, Mayor.
CARL E. ANDERSON, Clerk.

Escanaba, Michigan, Sept. 18, 1924.
I, Carl E. Anderson, City Clerk of the City of Escanaba, do hereby certify that the foregoing Ordinance was finally passed at a session of the Council of the City of Escanaba, held on the 18th day of September, 1924, and that said Ordinance was duly published on the _____ day of _____, 1924.
CARL E. ANDERSON, City Clerk.
