Some Farmers Aggrieved. Undoubtedly there is some dissatisfaction here over the president's unwillingness to come out flatly for the McNary-Haugen bill last Spring and there are farmers who still feel aggrieved because the federal government instituted no relief measures to boost the price of certain farm products.

The principal seconding speech was made by Mrs. Franklin D. Roosevelt, wife of a cousin of the Republican gubernatorial nominee, Theodore Roosevelt. She raised laughter when she said: "Of course Al Smith will win. He could not do otherwise when the Republican convention at Rochester did all it could to help him."

The convention adjourned sine die soon after the governor's speech. The only other business transacted at the convention was the adoption of a party platform. It openly denounced the Ku Klux Klan, called for modification of the Volstead act so as to permit the sale of light wines and beer and recommended equal representation of women on party committees.

Three Conference Teams Open Today; Michigan Is Idle

(By The Associated Press.) Chicago, Sept. 26.—Three western conference elevenes come out today to lace the landscape tomorrow in the first game of the 1924 gridiron campaign.

Indiana opens with Rose-Poly at Bloomington, while Wisconsin meets North Dakota at Madison and Purdue plays Wabash at La Fayette.

Of the trio of games, the Purdue-Wabash encounter and the clash between the Badgers and North Dakota is holding the center of interest. Purdue has no reason to expect an easy game from Wabash, as last season's tilt between these two teams developed a 7-7 tie and both teams are determined to run away with the victory this time. Although there has been little optimism coming from the Purdue camp, Coach Jimmy Phelan is expected to put up a formidable eleven. The team is fortified with a number of last year's seasoned veterans and a likely squad of sophomores.

### LOCAL PRIEST LEAVES FOR SOO

Rev. Father Raymond Bergeron who has been assistant at St. Patrick's parish for the past few months, will leave soon for the Soo where he will be sent as an assistant. During Father Raymond's stay in this city he has made many warm and sincere friends, who regret to see him leave. But we rightly know he is obeying the order of his superior to go hence into a new field of work. We all feel sorry to see him go, but he must listen to the call. His successor will arrive soon to take up the work which has grown dear to Father Bergeron. His many friends wish him God's speed in his new field of labor.

## Mrs. Elizabeth Sarazin, Delta County Pioneer, Dies at Home of Her Son in Princeton, Mich.

Mrs. Elizabeth Sarazin, aged 74, died at an early hour Friday morning at the home of her son, Louis Sarazin, at Princeton, Mich. Mrs. Sarazin was formerly Miss Elizabeth Howard and she with her two brothers, Calvin and Jefferson Howard, were the children of the first white settlers at Flat Rock, Mich. Seventy-six years ago the couple landed at Flat Rock and their father was the first white man to clear land for a farm on which the couple lived until their death. Their children lived there after the old couple had passed away and until a few years ago Mrs. Sarazin kept house at the old home for her two brothers.

Mrs. Sarazin was widely known especially among the old settlers. She became a widow at the age

of 32 and raised a family of seven children.

She became ill with heart trouble last April while living at the home of her daughter. She rallied from the first attack and was taken to the home of her son at Princeton where she died. She had been a patient for two months at the Gwinn hospital but had requested to be taken to her son's home to be near her children and grandchildren.

Mrs. Sarazin is survived by four sons and three daughters, George and Louis Sarazin, of Princeton, Mich.; Charles Sarazin, of Rock Mich.; Edward Sarazin, of Flat Rock; Mrs. Wm. Rich, of Oninnesec, Mich.; Mrs. George Burns, of Hibbing, Minn., and Mrs. Jesse Deller, of this city; also two brothers, Calvin and Jefferson Howard, Luce county, forty-one grandchildren and six great grandchildren.

The body will arrive this evening via C. & N. W. Ry., and will be taken to the Alto Funeral Home where funeral services will be held Sunday afternoon at one-thirty o'clock. The Rev. R. C. G. Williams of the First M. E. church will officiate. Burial will be in the family lot in Lakeview cemetery.

## BOHEMIAN GIRL HAS STOOD TEST OF MANY YEARS

### Distinguished Cast to Sing It Here Oct. 7.

When a present day stage production has a run of six months or perhaps a year, it is broadcasted all over the country and the production sometimes enjoys prosperity for another year or two. Compare this record with Balfe's popular "Bohemian Girl," which with lovely Hazel Eden, prima donna, as Arline, and big Bert Göttra, basso, as "Devilshoof" will be presented by the Boston-English Opera Co. Artists at the Delft theatre, Tuesday night Oct. 7. "The Bohemian Girl" was first presented many years ago, and its beautiful melodies assure it of a warm welcome in the affections of music lovers at all times.

Other prominent members of the distinguished cast that will be heard in "Bohemian Girl" are William Rufus Northway, Baritone, who as Count Arnheim, sings a difficult role and plays a rather thankless part well, sustaining the high reputation he has made in former years with the Central Opera Co.; Ruth Letzner, Contralto, Elsie Reinhardt, Coloratura Soprano and William Mitchell, Tenor.

The seat sale for the above attraction, which is to mark the opening of a brilliant season at the Delft begins Sunday, Oct. 5, the prices ranging from \$2.00 to \$20.00.

**GREAT BUILDING YEAR.**

Building construction for the first eight months of the year has reached a total of \$3,429,000,000. And there still is a widespread demand for building.

## Menus for a Family

SISTER MARY'S

Breakfast — Baked apples, cooked-wheat cereal, thin cream, creamed codfish on toast, milk, coffee.

Luncheon — Corn pudding, creamed celery, whole wheat bread and butter, jelly, tea, milk.

Dinner — Baked white fish, scalloped potatoes, mashed turnips, romaine salad, whole wheat rolls, steamed date pudding, milk, coffee.

With the exception of the romaine salad there is nothing on these menus a child of four cannot eat. He should not be allowed a large portion of the dinner pudding but as this is a simple, easily digested dessert it can hurt him.

**Corn Pudding.**  
Four or five ears of sweet corn, 1 tablespoon flour, 2 teaspoons sugar, 1 teaspoon salt, 1-8 teaspoon pepper, 1/2 cup milk, 2 eggs.

Grate corn or cut lengthwise through the center of each row of kernels, then cut a thin slice from tops of kernels and scrape out milk with blunt edge of knife. Beat whites and yolks of eggs separately. Beat yolks until thick and lemon colored. Add corn, flour, sugar, salt, milk and pepper and mix well. Fold in whites of eggs beaten until stiff and dry on a platter with a wire whisk. Turn into a buttered baking dish and bake half an hour in a moderate oven. Serve at once or soufflé will fall.

**Steamed Date Pudding.**  
Four tablespoons butter, 1/2 cup molasses, 1/2 cup milk, 1/2 cup white flour, 1 1/4 cups graham flour, 1/2 teaspoon soda, 1/2 teaspoon salt, 1/4 teaspoon each cinnamon and nutmeg, 1/2 pound dates.

Soften butter. Beat eggs well. Add molasses, butter and milk and beat with egg beater. Mix and sift with white flour, salt and soda. Add to graham flour with spices and stir into first mixture. Mix well. Scald dates, remove stones and cut in small pieces. Stir into dough. Put into a buttered mold and steam 2 1/2 hours. Serve with lemon sauce.

**Lemon Sauce.**  
One cup sugar, 1 cup boiling water, 1 tablespoon cornstarch, 1/2 tablespoon butter, 1/2 cup lemons, few grains salt.

Mix sugar and cornstarch. Add boiling water slowly, stirring constantly. Add salt and boil five minutes or until mixture is clear. Add butter and lemon juice and remove from fire. Cool and serve.

A few gratings of the rind of the lemon can be boiled with the sugar and water mixture in a sharper sauce is wanted.

This pudding can be reheated and used later in the week if there is any "left-over."

**Breakfast —** Steamed prunes, cooked wheat cereal, thin cream, creamed codfish on toast, milk, coffee.

**Luncheon —** Savory string beans, toasted muffins, grape butter, cocoa, tea.

**Dinner —** Meat pie, 10-minute cabbage stuffed celery, sliced peaches, children's sponge cake, whole wheat bread and butter, milk, coffee.

The very youngest member of the family will be better off without the creamed dried beef and sweet potatoes for his breakfast, but children going to school need the hearty breakfast.

An egg may be served in place of the meat pie to a child under school age altogether the meat and broth of the pie provide a nourishing dinner. The crust should not

be given to a youngster under six years of age.

**Savory String Beans.**  
Two cups prepared beans, 2 medium sized tomatoes, 1 onion, 1 teaspoon sugar, 1/2 teaspoon salt, 1 tablespoon butter.

Wash beans and remove the "strings." Cut in small pieces. Pour over boiling water to cover and cook one hour. Add onion peeled and cut in thin slices. Cook 45 minutes longer and add tomatoes pared and cut in quarters. Season with salt and sugar and cook fifteen minutes. Add butter and serve.

If the beans are large cut them in thin strips lengthwise before cutting in short lengths.

**Meat Pie.**  
One cup chopped cooked beef, 2 medium sized potatoes, 1 tablespoon minced onion, 1 1/2 cups flour, 1/2 teaspoon salt, 3 tablespoons baking powder, 1 tablespoon butter, 1 tablespoon lard, milk, 2-3 cup boiling water.

Mix and sift flour, baking powder and salt. Rub in butter and lard with tips of fingers and cut in milk to make a soft dough with a knife.

Be sure the meat is free from fat and grate before chopping. Mix meat and onion and put in a buttered baking dish. Season with salt and pepper and add boiling water.

Pare potatoes and cut in thin slices. Cover meat with potatoes. Roll dough on a floured board to fit baking dish and put over potatoes. Bake forty minutes in a moderate oven. Serve from dish in which pie was baked.

Rarely cooked roast or broiled steak makes a delicious meat pie.

**Children's Sponge Cake.**  
One and two-thirds cups flour, 2 1/2 teaspoons baking powder, 1 cup granulated sugar, 2 eggs, milk, 1/2 teaspoon salt, 1/2 teaspoon vanilla.

Mix and sift dry ingredients. Break eggs into measuring cup and fill cup with milk. Add to dry ingredients and beat well for seven minutes. Add and beat well for seven minutes. Add vanilla and pour into an oiled and floured pan. Bake twenty minutes in a moderate oven.

**SHARPEN FOOD CHOPPER**  
You can sharpen the knives of a food chopper by running bits of scouring brick through it.

**REMOVE FRUIT STAINS**  
Use cornmeal and vinegar to remove fruit stains from the hands.

**SMALL MEASUREMENTS**  
A half-teaspoon measure is very handy and accurate for making very small measurements.

**ASBESTOS SHEET**  
An asbestos sheet such as is used under a sheet cake tin is good to be used on the ironing board on the end you set the flat iron on.

**USE WHISK BROOMS**  
Use whisk brooms to clean velvet, velour or heavy upholstery fabrics, as they do not mark them as heavier brushes do.

**WASTED SPACE**  
Much room is wasted in cupboards and refrigerators by not having small compact food containers for left-overs. Wide topped flaring bowls and plates represent a great waste of space.

**CUPFUL OF RICE**  
A cupful of rice added to Lyonaise potatoes just before taking them from the fire makes them most delicious.

**FANCY SUGAR.**  
From the confectioner you may get red or green crystal sugar that is very novel to serve with afternoon tea.

**EARS AGAIN?**  
The fashionable hair bob of the moment is cut very close to the head and there are reports that the ears are to be revealed.

## SISTER MARY'S KITCHEN

Tested by Sister Mary. Breakfast — Orange juice, poached eggs on whole wheat toast, corn oysters for adults, broiled bacon, popovers, milk, coffee.

Luncheon — Fresh lima beans, cottage cheese, apple jelly, whole wheat bread, butter, milk, tea, peach shortcake.

Dinner — Broiled beef steak, twice baked potatoes, buttered lettuce, marshmallow salad, toasted crackers, milk, coffee, whole wheat bread and butter.

Poach the eggs in milk and use the milk as a sauce for the toast.

Instead of adding the cheese and eggs to the twice-baked potato for the four-year-old child, merely scoop out the potato, season with butter, salt and pepper and hot milk and return to the oven just long enough to brown the top with the rest of the potatoes.

As long as fresh corn and tomatoes and the other succulent vegetables are in season use them lavishly. You will like these corn oysters and they are quite as good for luncheon or dinner as for breakfast.

**Corn Oysters.**  
Six ears sweet, 2 eggs, 1/2 cup milk, 1 teaspoon salt, 1/4 teaspoon pepper, rolled cracker crumbs.

Grate corn. Beat eggs with salt and pepper until light. Add corn and enough cracker crumbs to make stiff enough to drop from a spoon. Fry in a frying pan in half butter and half lard. Brown first on one side and then on the other.

**Whole Wheat Bread.**  
One cup boiling water, 1 cup milk, 3 tablespoons sugar, 1 tablespoon salt, 1 yeast cake, 4 tablespoons lukewarm water, 5 cups whole wheat flour.

Add boiling water to milk. Dissolve yeast cake in lukewarm water and when milk is lukewarm add yeast. Add salt and sugar and beat in enough flour to make a batter stiff enough to drop from the spoon. Beat well, cover and let stand in a warm place until double its bulk. It will take about three hours to rise. Stir in the rest of the flour, kneading lightly in the bread bowl. Pour into well greased bread pans; making the pans about half full. Cover with a towel and let stand in a warm place until the loaves are not quite double their bulk. Bake in a moderate oven for 1 1/2 hours.

If preferred the bread can be started the night before baking. In this event use 1/2 yeast cake in place of a whole one.

**Marshmallow Salad.**  
Twelve marshmallows, 1/2 cup diced celery, 1 cup seeded white grapes, 1/2 cup chopped English walnuts, 1/2 cup divided pineapple, whipped cream, boiled salad dressing.

Cut marshmallows in quarters. Mix celery, nuts, grapes, pineapple and marshmallows with dressing. Arrange on shredded lettuce, drop a spoonful of whipped cream on each plate and serve to persons of school age or over.

**ADDS TO MEAT LOAF**  
Your meat loaf will be more attractive to look at if you put a row of hard-boiled eggs through the center so when it is sliced a portion of egg will be in the center of each.

**KEEP PIANO CLEAR**  
Do not load the top of your piano with photographs. Photographs may be hung in the bedroom if desired but they are not of sufficient decorative importance to hang on the walls of a living room.

**NEW ELECTRIC TEAPOT**  
The newest electric teapot has a teaball connected by a chain to a moveable knob in the cover.

**SOAP YOUR HINGES**  
You can stop the creaking of a door by rubbing the hinge with a piece of soap.

**DON'T COVER CHEESE**  
Do not keep cheese covered too closely or it will mold rapidly.

**REMOVE DUST FIRST.**  
Before washing any sort of brick-a-brac that has crevices that catch dust, remove as much dust as possible before putting it in to the water.

**FRESH VEGETABLES.**  
Wash all fresh vegetables no matter how clean they may look.

## HOUSEHOLD SUGGESTIONS

**MINT WITH TEA**  
Sprigs of fresh mint sprinkled with powdered sugar are delicious with iced tea.

**REMOVES OIL STAINS**  
Old stains may be removed from linen by rubbing them with glycerine an hour or so before being put into the regular wash water.

**SHOULD BE CEMENTED**  
In order to give the best service, linoleum should be solidly cemented to a floor that is perfectly smooth and level, and an expert should be employed to do the job.

**EWO COATS OF PAINT**  
When matting is badly stained or faded, but still is not badly worn, it can be made presentable by giving it two coats of floor paint, after washing thoroughly with strong soda water.

**ADD BAKING POWDER**  
To keep the meringue on your pies from falling, add a quarter of a teaspoonful of baking powder.

**SUBSTITUTE FOR STARCH**  
Borax water is an excellent substitute for starch when laundering voiles, dimity and delicate lace collars and cuffs.

**PINCH OF SODA**  
Add a pinch of soda to dried apricots when they are nearly sweet for sweetening.

**EQUAL ONE POUND**  
Four cups of flour are equivalent to one pound.

**SERVE IN TOMATOES**  
If you have only a limited amount of chicken salad for a luncheon, serve it in scooped out tomatoes, and the helpings will not seem small.

**PINEAPPLE IMPROVES FLAVOR**  
Pineapple may be added to chicken salad and greatly improve the flavor.

## UNGREASED PAPER.

It is better not to grease the pan in which you bake a sponge cake, but to line it with ungreased paper.

**WATER ICES.**  
Water ices should be frozen like ice cream, except that the crank need not be turned constantly. A few turns every five minutes is enough.

**BAKING CAKES.**  
When baking a cake use only the best materials—fresh eggs, good butter and fine granulated sugar.

**CHICAGO GRAIN.**  
Chicago, Sept. 26.—Corn led in the market to higher price levels today, mainly on account of the unusually broadened speculative demand for same about chiefly from a summary issued by the United States department of agriculture saying that for this time year the corn crop is at present even backward than a month ago. Aftering in some cases an extreme advance of 1 1/2 to 2 cents, the corn market closed at 1 1/2 to 1 3/4. Wheat finished firm at 1 1/2 to 1 3/4. December 1.25 5/8 to 1 1/2 and May 1.44 1/2 to 1 1/4 5/8, oats also advanced from 1 1/2 to 1 1/4 advance, and prevailing from 1 1/2 to 1 3/4. Weather varying from the decline to a rise of 1 1/2 to 1 3/4. The fact that before the close the market was 1 1/2 down as compared with week's top prices had also a strengthening influence.

Wheat owed much of its advance to wet weather in Canada.

Oats were moderately active and higher with grain.

Excellent cash demand for hard wheat main feature in the provision market.

**CHICAGO GRAIN.**  
Chicago, Sept. 26.—Corn led in the market to higher price levels today, mainly on account of the unusually broadened speculative demand for same about chiefly from a summary issued by the United States department of agriculture saying that for this time year the corn crop is at present even backward than a month ago. Aftering in some cases an extreme advance of 1 1/2 to 2 cents, the corn market closed at 1 1/2 to 1 3/4. Wheat finished firm at 1 1/2 to 1 3/4. December 1.25 5/8 to 1 1/2 and May 1.44 1/2 to 1 1/4 5/8, oats also advanced from 1 1/2 to 1 1/4 advance, and prevailing from 1 1/2 to 1 3/4. The fact that before the close the market was 1 1/2 down as compared with week's top prices had also a strengthening influence.

Wheat owed much of its advance to wet weather in Canada.

Oats were moderately active and higher with grain.

Excellent cash demand for hard wheat main feature in the provision market.

## YANKEES FIGHT WAY TO FRONT

(By The Associated Press.)  
Philadelphia, Sept. 26.—Their backs to the wall and fighting desperately in the hope of overtaking the Washington Senators, New York pounded its way to victory today when Philadelphia's defense weakened in the fifth inning. The final score was 7 to 1.

For four innings "Texas" Gray batted the Yankees' attempts to break through his delivery and was retiring them in order on easy pop-ups and puny grounders. But Pennock was sailing along just as smoothly, and though the Athletics managed to get men on base in each of the first three innings, they were unable to come through with the hits in the pinches.

The first break in the hurling duel came in the fifth inning and the visitors, quick to take advantage of its effect on Gray's equilibrium, followed with some solid clouting that clinched the game.

The turn in the Yankee effort came when Dykes and Miller collided in short right field in a chase for Pennock's pop fly. The ball fell between them and before it could be recovered the New York south-paw was dusting himself off on second base. Witt followed with a grounder to second that Dykes fumbled in his shyness and men were on first and third with only one out.

Ray worked carefully on Dugan, but the lanky third sacker picked out one of his liking and knocked it down the left field foul line for two bases. Pennock crossed the plate with ease on this blow, Witt pulling up at third. Ruth was then purposely passed, filling the bases but Pipp blasted a single through the drawn-in infield that sent two more runs across the plate and the fourth and fifth runs of the inning counted on Meusel's single and Ward's grounder that forced Meusel second.

The lone run of the locals was scored in the sixth inning by Pinch Hitter Welch, who singled to center to start the round. Hale followed with another hit of the same calibre but was thrown out at second when he tried to take advantage of Witt's momentary fumble. Welch crossed the plate on Lamar's single through Ward but the rally met a sudden quietus when the next two batters went out on easy chances.

Burns, Heimach, Harris and Hasty were paraded to the pitcher's box by Manager Mack after the fifth inning, the latter finishing the game.

**ONTARIO HORSES TAKE TWO RACES AT MANISTIQUE**  
Manistique, Sept. 26 (Special)—Horses of the Wood stable, So. Ont., took first places in both races at the closing program of the Schoelcraft county fair here today. The victory of Sir Arthur in the 2:24 pace, however, was protested by the owner of Greatest Clay, who finished first in the fourth heat. After the heat, the judges informed owner Watson that his horse had been ruled out, and the heat was given to the Wood entry.

The best time today was made by Arthur Dillon, Joe Beauchamp's lone pacer, who stepped the two laps in 2:11 1/4.

**PIRATES TAKE DOUBLE FROM CHICAGO CUBS**  
(By The Associated Press.)  
Pittsburgh, Sept. 26.—Returning from their disastrous eastern trip during which they were eliminated as a pennant contender, the Pittsburgh Pirates took both games of a double header from Chicago, today in the final series of the season. The scores were 9 to 3 and 10 to 6.

The Pirates won the first game with ease, holding the Cubs scoreless until the seventh inning while they piled up a commanding lead behind Kremer, who struck out six Chicago batsmen.

Don Songer, a recruit, recently obtained from Oklahoma City, made his first major league start in the second game. The Cubs bombarded him in the second and fifth innings, scoring all their runs off his delivery. Pfeiffer relieved Songer in the fifth after four runs had been scored and held the Cubs safe the remainder of the game.

In the second game Miller put Lee hall over the fence in the second inning for a home run. Wright also hit a home run in the second game with one man on base.

**Trampabit Beats Clyde The Great In Feature Race**  
(By The Associated Press.)  
Columbus, O., Sept. 26.—Defeat of Clyde The Great, prohibitive favorite in the 2:05 trot by Trampabit, featured today's Grand Circuit races made up of four class events and one unfinished stake event. Clyde The Great won the first heat handily and was leading in the stretch of the second when he broke. Trampabit taking the heat. The finish of the third mile was so close that a decision by the judges was necessary to give Trampabit the heat with Clyde The Great second and Juno Marie third.

With Thompson, Dillon withdrawn from the unfinished Chamber of Commerce stake because of illness, Marnaduke won the fourth and deciding mile from Pluto Watts.

Henry Ford, strong favorite, could do no better than finish second to Westbound in each heat of the 2:16 pace. Favorites won the two other events on today's card in straight heats. Flying Direct winning the 2:07 pace and Coasta Jay the 2:13 trot.

## CARRMEN READY FOR HOT FIGHT

**Bout May Have Important Bearing on Class B Honors.**  
An interesting slant on the strength of two of the upper peninsula's leading Class B contenders will be given local fans this afternoon when, Saint Joseph's parochial high meets Munising at South Park.

Munising bumped off Negaunee last Saturday by a narrow margin, and Negaunee had been counted as one of the best eleven in this district. Saint Joseph also showed surprising strength by holding Escanaba high to a scoreless tie.

Coach Carl Rushton, an Escanaba product, who is coaching the Algerites, may be expected to send a fast, brainy and able aggregation of footballers onto the field. Coach Carr of Saint Joseph realizes this, and he has his men ready for a hard battle.

The game will be started promptly at 2:30 o'clock. There should be a large attendance.

**Epinard To Face Seven Rivals in Second Race Today**  
(By The Associated Press.)  
New York, Sept. 26.—Epinard, Pierre Wertheimer's four year old, will face seven rival American thoroughbreds tomorrow at Aqueduct track in the second of the series of international specials for which the foreign horse was brought to this country.

Beaten by a narrow margin by Wise Counsellor in the first race on Labor Day, Epinarid, improving steadily in training, will go to the post with an excellent prospect of victory, critics believe. The invader is expected to share popular support with Larkin, Major August Belmont's three year old, which has flashed sensational speed within the past week.

The Rancocas stable's Zev and Admiral Carey T. Grayson's My Own, rivals for three year old honors last season, will seek to regain some of their former glory while Wise Counsellor will bid for a second straight triumph. Little Chief and Ralito are not rated as dangerous by experts.

Tomorrow's race, which has an added value of \$25,000, is over a mile course and this distance is looked upon as especially favorable to Epinarid.

The horses are scheduled to go to the post about 3:50 p. m., eastern daylight time. The entries, with weights, jockeys and owners are as follows:

Epinard, 426; E. Haynes; Pierre Wertheimer.  
Zev, 126; L. Fator; Rancocas Stable.  
My Own, 126; E. Barnes; Admiral C. T. Gayson.  
Larkin, 119; C. Kummer; August Belmont.  
Ralito, 126; Corcoran; Mrs. Payne Whitney.  
Little Chief, 127; J. Malben; I. B. Humphreys.  
Wise Counsellor, 119; S. O'Donnell; J. S. Ward.

**Luncheon Clubbers to Meet in Golf Engagement Today**  
Kiwanis and Rotary club golf teams, captained by W. R. Smith for the Rotary and H. H. Shepeck for Kiwanis, will clash at the Escanaba Golf club this afternoon. Sanquinary conflicts are the rule when these groups meet at golf, and today's battle is not expected to prove an exception.

Captains last night had not made public their pairings for today's match play. Each was clinching victory by a decisive margin, and interest was at flood stage.

The golf match will be followed by a dinner at the club house.

**College Football Season of 1924 Is To Be Begun Today**  
(By The Associated Press.)  
New York, Sept. 26.—The thud of the pigskin will rival the crack of the base hit tomorrow when the 1924 college football season gets under way.

Mole skin wearers in all parts of the country, representing approximately 300 colleges and universities, will line up for the opening battles of what promises to be one of the most interesting seasons on record.

All the frays that have become traditional to the gridiron again will attract their full share of attention this fall while many important additions to the calendar of rivalry, together with an impressive list of inter-sectional contests are expected to serve as magnets in establishing new attendance records.

Last year football gained greater heights of popularity than ever before. Conservative estimates placed the countrywide attendance for college games at close to 5,000,000 with the Western Conference eleven drawing 1,000,000 alone.

Being mad at the world in general tells on you quicker than a small brother.

## RUDE JOLT IS GIVEN SOLONS

(By The Associated Press.)  
Boston, Sept. 26.—No serious injury was suffered, by Walter Johnson, ace of the Washington pitching staff, when he was hit on the left elbow by a pitched ball in the fifth inning of today's game with the Red Sox. Johnson withdrew from the game later and it was feared he would be unable to take further part in the series.

Several times during the game Driscoll swung outside Notre Dame's left tackle and broke loose for long runs. After a few of these sallies, the Notre Dame defense began to widen in an attempt to stop them. This defensive maneuver was at least partly successful, for Driscoll's gains were materially shortened.

Finally Driscoll started again. From the same punt formation. And for the same point outside tackle. But he never struck. Quick as lightning changing his course, seeing that his path was blocked, the redoubtable "Paddy" turned back over center. There he found the hole he was seeking and flashed through, to emerge with only the safety man of the Notre Dame team in front of him. And soon he, too, was sprawled in Driscoll's wake, for the elusive "Paddy" was a past master of the art of dodging.

What had looked like a certain loss had been converted into a touchdown. Quick thinking did it. Seeing his path blocked in front of him, Driscoll did not plunge ahead anyway, just because that was where he had intended to strike. Instead, he was quick to see where there was an opening and take advantage of it.

Driscoll's feet carried him to the touchdown, but his head showed the way. Brains scored again.

**St. Louis Browns to Play Cleveland on Menominee Lot**  
Menominee, Mich.—The baseball championship of the twin cities—Menominee, Mich., and Marinette, Wis.—is to be decided this year by proxy.

After years of rivalry the annual supremacy on the diamond has never been decided in quite the fashion to be employed Monday, Oct. 6, when, by official proclamation, the two cities are to have a half holiday so that the population may see the American league teams—St. Louis Browns, representing Marinette, and the Cleveland Indians, representing Menominee—battle to a finish on the old fair grounds baseball field where many a decisive game has been staged before but never by such fast company.

Contracts have been signed assuring the appearance of the teams here with lineups guaranteed by Judge Landis, commissioner of organized baseball. One provision of the contract is that boys under 14 years of age cannot be charged an admission fee to exceed 15 cents. Barnstorming is permitted by Judge Landis only to foster baseball and create in the smaller cities a greater interest in the game among the boys of today—the big league material of tomorrow.

**CHICAGO CAN'T SOLVE COLLINS; DETROIT WINS**  
(By The Associated Press.)  
Chicago, Sept. 26.—"Rip" Collins held Chicago to four hits today while Detroit hit Faber and Lyons opportunely and easily won the first game of the series here 8 to 2. Not a visiting outfielder had a chance to catch a fly ball and Pratt accepted 29 chances at first base. Hillmann's and Woodall's hitting featured.

## CLASSIC PLAYS OF GRIDIRON

**Famous Coaches Tell of Greatest Thrills.**  
BY CHARLES W. BACHMAN.  
Football Coach, Kansas State Agricultural College.  
GREAT LAKES naval training station's constellation of college stars were pitted against Notre Dame in a war-time game, "Paddy" Driscoll, Northwestern University's fleet open-field runner, was playing quarterback for Great Lakes. That game was the occasion and Driscoll the immediate cause of the greatest play I can recall having seen in football.

**JONES-VON ELM GET TO FINALS**  
(By The Associated Press.)  
Ardmore, Pa., Sept. 26.—Youth was served in large measure in the semi-final round of the national amateur golf tournament today. George Von Elm, of Los Angeles, dethroned the champion, Max R. Marston, of Philadelphia, by 7 and 6, and eliminated Francis Guimet of Boston, 11 and 10.

Either Jones or Von Elm will become champion as the result of the final 36 hole round tomorrow. They have never met before in the national tournament. Jones, second in the qualifying round with a score of 144, has the more formidable foes to eliminate. Marston placed Von Elm, tied for eighth with a score of 150, has attracted attention all week by the lowness of his medal scores in match play, although Jones, with a 73, had the better medal today by three strokes.

**Bobby Is Favored.**  
Bobby is a greater favorite with many to win the amateur title for the first time at the Merion Cricket Club, where he made his debut in national competition as a little boy eight years ago. Others like the fishing qualities of the coast star. His putter has proved dangerous in a pinch. The element of age, which is quite a factor in 36 hole match play, string out for a week, is several years to the advantage of Jones.

Possibly it was the physical and mental strain of protracted 36 hole matches that caused Francis Guimet, former open and amateur champion to suffer the worst defeat of his career today. Out of 26 holes played, he won two and halved eleven. Jones shot like the machine he is at best. For 26 holes he took one over four, or two over par, on the rugged, heavily trapped and watery course.

Von Elm, who is a skilled boxer, waited for openings and then smashed through. Taking advantage of every slip of the champion save two both of which resulted in halves, Von Elm was over par ten times in the thirty holes of his match with Marston, but in only four cases was Marston better. Playing cool, as if in stroke competition, Von Elm never made two poor shots through the green in succession, while Marston in the afternoon round, was timid with his irons.

In the morning a putter like a magician's wand, which wafled the ball to the cup from all parts of the green saved the coast star more than once and sent him to lunch six up after a sensational streak in which he clicked off four holes in succession, mainly with chip shots and putts.

Coach Thompson's Team Prepared for Stiff Scrap  
Five veterans linemen and two star backs from the "vertebrae" of the Newberry high school football machine which Coach Thompson's Orange & Black warriors will attempt to dismember in the Celery City this afternoon.

Escanaba high defeated Newberry 26 to 0 here last year. Newberry, at that time, had a green but scrappy eleven. This year, circumstances are reversed. More than half of the Luce county players are old-hands at the game, while Coach Thompson is sending a team, which includes only three veterans, into the fray.

One of these, John Andrews, probably will go only a part of the distance, due to a minor injury to one of his ribs with which the mentor desires to take no chances. Hugh Brotherton will probably get the call when Andrews retires. Eddie Herrigan will play the other half-back. Marvin Folio will play full-back and Captain Mielke will play quarter.

Up in front, Jack Herrigan will play center, Johnson and Bonner the guards, Dunn and Curran the tackles and Vandenberg and Dumphy the ends.

The team will make the trip to Newberry by automobile. Thompson expects to take 20 or 22 men along.

**Tilden-Sullivan Win in Doubles**  
Cleveland, O., Sept. 26.—William T. Tilden II, and Neil Sullivan, representing Philadelphia, easily defeated Luis Kohler, former Ohio champion, and Ted Stacy, Cincinnati's team in the only match of three scheduled today in the United States national intercity doubles tennis championship, 6-1, 6-2, 7-5. Indianapolis and Springfield, Mass., defaulted to New York and Chicago, when players representing those cities failed to appear.

In a singles exhibition, George Lott, Jr., Chicago, national junior champion, defeated A. H. Cahin, Jr., Springfield, Mass., 6-3, 7-5.

In the semi-finals tomorrow New York will meet Chicago and Philadelphia will meet Cleveland.

**Michigan Aggies to Play Northwestern**  
(By The Associated Press.)  
East Lansing, Mich., Sept. 26.—The Michigan Aggies will pry the lid off their football season tomorrow when they clash here with Northwestern.

Indications are that a veteran lineup will represent the Farmers, Noller, Schayser, Lyman and Richards are slated for the back field with Robinson and Schultz, at the ends. The line will be composed of veterans of one and two years' varsity experience.

## SMALL MARGIN SEPARATES TWO

(By The Associated Press.)  
New York, Sept. 26.—Washington's lead in the American League was reduced to one full game today when the Senators faltered on the threshold of their first major league pennant and lost to the Boston Red Sox, 2 to 1, while the Yankees were winning from Connie Mack's Athletics, 7 to 1.

With three games yet to be played by each team it is certain the pennant can not be decisively won day, neither team being scheduled for a Sunday game.

If Washington wins its full slate of three games yet to be played with the Red Sox it cannot be knocked from its supreme perch despite a similar performance by the Yankees over the Athletics, but if the Washington lot slips again in Boston the Yankees may yet slide under the wire ahead. The Senators can still lose one game to the Sox and break even with the Yankees if the American League champions sweep the series against the Athletics.

The situation in the National League remained constant today, neither the Giants nor Brooklyn being scheduled to play. The Dodgers are hanging by a proverbial thread, one defeat sending them down into the ruck without a chance of doing better than getting a tie with the Giants if the National League champions lose all three of their scheduled games.

The standing today follows:

**American League.**  
Club Won Lost Pct. to play  
Washington ..... 30 61 .596 3  
New York ..... 29 62 .589 3

**National League.**  
Club Won Lost Pct. to play  
New York ..... 52 59 .609 3  
Brooklyn ..... 51 61 .599 2

**More Bouts Mapped for Young Stribling**  
(By The Associated Press.)  
New York, Sept. 26.—"Pat" Stribling has mapped out another ambitious campaign for Young Stribling, young Georgian light heavyweight, during the next few weeks. He has signed for his son to box Jack Delaney, Bridgeport, Conn., better, in a six round match at Madison Square Garden on November 7. It was announced today. Tomorrow night the Georgian is slated to meet Vic McLaughlin at Raleigh, North Carolina.

### AMUSEMENTS

**AT THE DELFT.**  
The Rex Stock company, playing a highly successful week at the Delft theatre, will present "Poor Irene," a comedy drama tonight. It is a bill which Mr. Snelgrove believes will be as enthusiastically received as have the others in his repertoire this week.  
George M. Cohan's "Madeline of the Movies," will be the Sunday matinee and night attraction. The company's stay at the Delft closes Sunday night.  
"Grumpy," feature play of the Rex company, was presented to a capacity house last night. "Rex" Snelgrove in the part in which Cyril Maude won world-wide plaudits on the stage, and which Theodore Roberts did for the screen, done superb, and his associates gave him support which was in every way adequate. The performance was easily the high spot of the week.

**AT THE STRAND.**  
Today will be the last day of the latest Ora Carew picture "Getting Her Man" at the Strand theatre. For melodramatic thrills, gripping and imaginative theme, this picture has not been surpassed in many weeks. The story of a young woman who goes forth in search for "the man" she has vowed to bring to justice, and finds him and her revenge only at the last moment through a peculiar twist, is one that has interested everyone who has visited the Strand theatre during this engagement. In the cast are Jay Morley, Arthur Wellington, Hal Stephens, Fernando Galvez and

Helen Howell.  
Additional chapters of "The Fortieth Door," also are on the program.  
Sunday, at the Strand, "The Fool's Awakening," with Enid Bennett, Harrison Ford, Alec Francis, Mary Alden, Edward Connelly and John Sainpolis will be featured.

**St. Joseph's Auditorium.**  
Rich girl—poor girl—beggar girl—Dereyla Perdue has played these three parts respectively in her last three pictures. Will her next portrayal be that of a thief? In "Blow Your Own Horn" she was a rich girl. In "Daytime Wives" she was a poor girl. Now she is appearing in "Untamed Youth," as a beggar girl.  
Miss Perdue is supported by a cast of stars and the cyclone scene is said to be unusually realistic. The cast includes Lloyd Hughes, Ralph Lewis, Emily Fitzroy, Joseph Swickard, Joseph Dowling, Tom O'Brien and Mickey McBan.

**She Changed Her Mind.**  
Among the jurors summoned was a woman who wished to be excused.  
"Well, madam, why don't you want to serve on this jury?" asked the judge.  
"I'm opposed to capital punishment."  
"But this is merely a case in which a wife is suing her husband for an accounting. It seems she gave him a thousand dollars to pay down on a handsome fur coat and he is alleged to have lost the money at poker."  
The woman juror spoke up promptly.  
"I'll serve. Maybe I'm wrong about capital punishment."—Pittsburgh Chronicle-Telegraph.

### NOVEL TEST FOR OVERLAND IS ARRANGED

#### Endurance Economy Run of 50 Hours Starts Sunday

One of the most novel automobile tests ever undertaken in Escanaba is to be staged by the Wolverine Motor Company, according to plans completed yesterday.  
A stock of Overland touring cars has been selected for an endurance economy test, which is to be launched at 10 o'clock on Sunday morning and will continue for 40 hours. From the hour of starting the engine in the car will be kept running continuously until 12 o'clock noon on Tuesday. A definite 50-mile route for the test has been selected and drivers will alternate in four-hour shifts, throughout the day and night.  
**Take Car From Stock.**  
R. C. Pryal, representative of the International Automobile Insurance Association, was called into the company's garage yesterday and from the company's stock of Overland touring cars he selected the machine that will be used for the test, insuring the use of a regular stock car, without special preparation or equipment for the long grind that is contemplated.  
In connection with the test the company will announce on Sunday morning a list of prizes that will be awarded for what proves to be the nearest answer to specific questions concerning the test that will be propounded by the company.  
Similar tests are to be staged by Overland dealers throughout the country and the result of the novel test in this city will be watched with much interest by the public.

### HOLD OUTLOOK I SFAVORABLE

The lumber trade has slowed down perceptibly during September, but the volume is satisfactory to most producers, and the outlook is judged favorable. The consensus within the industry is that no great activity can be expected during the rest of the year, but that the present volume of trade will probably be maintained until weather conditions definitely interfere with outdoor work. This expectation is based on prospects for an increased demand during the next two months, which should outbalance the decline in city consumption already noted, says the American Lumberman, Chicago. Present weather conditions have been favorable to the crop in most sections of the belt and it is felt that, if reasonably warm temperatures continue for another three weeks, this crop will turn out considerably better than has been counted on. In this case sentiment among the cultural population of important consuming sections would be infinitely improved and would be a forceful stimulus to the lumber trade.  
The southern pine market meanwhile is being supported by a strong demand for construction items from practically the entire South and the southern half of the middle West. Bookings continue to run slightly in excess of output, and the lack of stock at the mills prevents any pressure of consequence for new business. The only disturbing element is the large number of transit cars being put aside by wholesalers following speculative purchases made some time ago. Prices for mill shipment are well maintained, and no early material weakening in these is looked for. There has lately been a number of orders for railroad and car material, but these have not helped the market appreciably, nor are many more in prospect.  
The Douglas fir situation is virtually unchanged. Orders still exceed production by a fair margin, and the shortage of several popular items is acute. Prices are being firmly maintained at their recent high levels. Some attractive car material orders have been placed during the last fortnight, and a limited volume of business of this character remains in prospect. Exports are steady at about normal, Japan buying on a fair scale, but conservatively. The California market is improving, but the Atlantic seaboard is demoralized on account of the heavy consignment cargo shipments received there during the summer. The rail market is good and holds out promise for October and November.  
Hardwood trade is well maintained, but it is evident that the market for the southern species is showing a slight weakness, due to seasonal plus political causes. Northern hardwoods, on the other hand, remain strong, with lower grades showing an upward tendency as a result of a good demand for material of that description and low stocks.

## Marquette Pastor At Presbyterian Church Sunday

The Rev. Charles J. Johnson, of Marquette, will occupy the pulpit of the First Presbyterian church Sunday morning. Arrangements had been made to have the Rev. Clarence Randall of Ishpeming here Sunday, but the Rev. Mr. Randall found it impossible to come and recommended Mr. Johnson as an eloquent and forceful speaker. The Rev. Mr. Johnson accepted the invitation to be present and it will well repay Escanaba Presbyterians to attend the services. There will be no evening worship.

### Midwick Club To Meet Wanderers

(By The Associated Press.)  
New York, Sept. 26.—The sensational Midwick Club polo four of Los Angeles, national junior champions, will make their bid for the national open title tomorrow when they encounter Tommy Hitchcock's Wanderers in the deciding match at International Field, Westbury.  
The Californians, led by Eric Pedley as their outstanding star, have gone through eastern polo ranks in meteoric fashion this season, but they face their hardest assignment when they tackle the Wanderers.  
Beside Hitchcock, hero of America's international cup triumph over Great Britain, the team includes Louis Stoddard, veteran internationalist, and Elmer J. Beske, Jr., member of the Olympic team.  
Fifteen thousand "Powder River" boys from Alaska, Washington, Oregon, Idaho, Utah, Montana, California and Hawaii are expected at the fifth annual reunion of the Ninety-first Division Association, which opens in Los Angeles today.

PLEASING NEWS.
Not only the impetus that will be given to Escanaba's business through the construction by the Northwestern Railway Company of a new dock at this port this winter, but the permanency of Escanaba's major industry, reflected in the expenditure of two and a half million dollars for a dock, make most pleasing news to the people of this city.

POLITICAL NEITHER WAY.
Now we are told by radical leaders that the recent rise in the prices of wheat, corn, cattle, hogs and some other products may be traced to a variety of causes, some of them political.

ALVIRA ANDERSON IS LEFT ALONE

Chapter IX.

"Why is it?"
It would be impossible to tell how many times Alvira Anderson had asked herself that question in the last two or three years.

Some day she would lie alongside Aunt Drucilla, and on her headstone some one would carve Alvira Anderson, spinster—hated word. Spinster!

All her life Alvira Anderson had lived in the little Connecticut village; all her life she had lived in the same house with Aunt Drucilla. It was a pretty village, a comfortable house, but Alvira hated them both.

"Jim" Drain, new national commander of the American Legion, made the following statement after his election last week: "My whole mission can be told in three words. For God and country, the first words of the preamble of the Legion's constitution. It was for God and country that we went to war, and it is for God and country that we're working now. For God and country without partisanship in politics, without intolerance in religion, making, as we always have, the care of the disabled comrade our first concern. Second only to rehabilitation is our obligation to care for the orphaned children of our fallen comrades."

be on the machine. It will say: "We don't care who you vote for, but we insist upon your voting." Pretty straight stuff, isn't it? Looks as though the Legion picked a fine fellow. James A. Drain is a picturesque figure, according to press reports. His right hand is missing. It was shot off in an accident while he was hunting. Despite the handicap Jim Drain went overseas with the Yanks. He was the only man in the great army who had but one hand. He had been in the National Guard. He's been a buck private, and he's been a brigadier general. He served in the Spanish-American war, and he was with the tank corps six years ago in France.

In private life he is a lawyer, a job that he put on the shelf for a year when the veterans made him their new chief.

We're going to make one of our big labors the getting out of the voters on election day. We'll probably have a nation-wide campaign to send an automobile to each polling place. A sign will

flowers and fruits they brought her—expressions of their love for her. Alvira had gone back and forth with the children along the elm shaded street, their little hands clinging to hers, their happy, satisfied, content with her life, unthoughtful of the future.

Then all suddenly that question had imprinted upon her consciousness: "Why is it?"

Alvira's face flushed, she looked in the mirror. She was not unattractive, of medium height, her soft brown hair drawn back from her broad brow, and knotted in her neck; a lovely complexion, the red of her cheeks painted by mountain air; large brown eyes, wistful eye, hungry eyes, a mouth too large for beauty perhaps but disclosing perfect teeth when she smiled.

"I'm not so ugly," she told the face in the mirror, "not ugly at all."

Until shocked into consciousness by something she had overheard a neighbor say to her aunt, Alvira had given herself, her looks, little thought. Her loneliness should Drucilla die, none at all.

"It's strange Alvira never had any beaux," the neighbor had said.

"Shes better off without them," her aunt answered sniffing her dislike of the sex.

"But she's all alone in the world but for you. What will she do when you are gone?" County neighbors are persistent.

"She'll get along all right," Drucilla changed the subject. But the seed had been planted; the harm—if harm it was—had been done.

From that time Alvira questioned.

There was one of the village crowd of her own age, sang in the church choir, went on picnics, now that she was older, but never had she been sought out by the young men of the village, as were the other girls. No boy or man ever had been interested in her, ever lingered on one of the benches under the elms—as Alvira had seen them do with other girls, arms about each other, "connudging," as her aunt termed it, disgusted.

Alvira was 25 when the kindly neighbor opened her eyes. Now three years later, she was alone. As she had predicted, she never had a beau. What should she do now that Aunt Drucilla was gone?

In the growing dusk Alvira stood in the window of the old house, looking out at the familiar scene, beautiful to those who had eyes for beauty. But her thoughts

MOM'N POP

were not the misty hills, on the wonderful sunset, or on the odor of fruit blossoms making the air heavy with perfume. Alvira was taking count of the eligible men of the village.

There was the undertaker with his two half-grown freckled-faced boys, the postmaster, a grouchy bachelor of 40, the clerk in the general store who weighed out sugar and measured off calico, and between time read detective stories, the bass singer in the choir, 50, and unattractive. The end of Alvira's list—all the others were younger than she—and even those didn't want her. Not that she wanted them. Alvira didn't she longed for romance, a lover. But they didn't want her—why was it?

### ARREST TRIO FOR ASSAULT ON YOUNG GIRL

Two men and a woman were arraigned in justice court at Manistique Thursday morning, on complaint of W. T. S. Cornell, county commissioner of schools, charged with making a criminal assault on a 12-year-old girl, residing on Riverside, this city.

The testimony in the case was furnished by the young girl. Accompanied by Ethel Ward Blooming, it is alleged she was "picked up" while walking on the West side, and then taken on an auto ride by Ray Rogers and William Rice, and the offense committed by the latter, during an evening in which drinks figured prominently.

### Thursday Was Busy Day for the Justice

Thursday was a busy day for Justice of the Peace McKinney. In addition to three men arrested by the State Police, and a rape case involving three people, one "plain drunk" was brought before the justice. He was Percy Labadie, who was arrested while celebrating at the fair grounds. His bill was \$10, including costs.

### ORCHESTRA IS FIRST LYCEUM MUSIC NUMBER

In arranging the program for the Cleveland Symphonic Orchestra, which will open the Lyceum course at Manistique high school on October 3, three points were kept in mind.

First of all, the music selected is such as will be comprehensive to every member of the audience; second, it is good music; which is worth the hearing; and third, compositions have been chosen which fairly represent the various types of music.

Paul Vernon, director of the orchestra, has that unusual gift in musicians, the ability to give, in an effective way, interesting bits of information regarding the selections and their composers, which make a program much more interesting and enjoyable than when the music is not familiar.

The orchestra was organized with the definite purpose of presenting the best in musical art in such a way that it can be enjoyed by all, and especially by those who believe themselves unmusical, thus to aid in the great movement to popularize with the American public the higher type of music.

The orchestra consists of Paul V. Vernon, violinist and tenor soloist; Arthur P. George, violinist; William Cheeseman, viola; Lloyd Da Costa Jones, second violin; and Blanche Webber Vernon, pianist and accompanist. These men are members of the Cleveland Symphony Orchestra, and are highly trained musicians.

### Free Movie At Auditorium On Next Thursday

Two motion picture films on health topics, along with a talk by Dr. Frank Poole of the Michigan Department of health, will be presented at the Manistique high school auditorium on Thursday, October 2. This will be free to the public.

One of the pictures is entitled "Our Children." The other concerns smallpox, and is called "One Scar, or Many."

This illustrated lecture was secured by Manistique business men by special arrangement, and promises to be very interesting to old and young.

The program will be presented Thursday, beginning at 8:00 o'clock in the evening at the high school auditorium, which has been secured for the occasion.

Dr. Poole, through his connection with the state health department, has much reliable data on health conditions in the state. He recently appeared at the Soo in a lecture on "Personal Health and Hygiene."

The driver of the car, Custer Millard, was charged with driving a car while intoxicated, and was fined \$75 and costs. His two companions, Charles Terran and Andrew Houghton, were each fined \$15, plus \$10 costs for being drunk and disorderly. All of them paid up.

The men were arrested by the trooper on the highway near this city.

### Fireworks Please Huge Crowds; Free Acts Also Enjoyed

Choruses of "Ohs" and "Ahs" from the largest crowd ever assembled at Manistique for a night, greeted the display of fireworks shown at the Schoolcraft county fair grounds Thursday evening. The fireworks spectacle was the finest ever seen at Manistique, and pleased large crowds both on Wednesday and Thursday evenings, though the Thursday crowd was by far the largest.

The fireworks were by the Christensen, and a highly entertaining slapstick and tumbling act by Lester, Bell and Griffin, were other numbers on the night program, and music was furnished by the Manistique W. O. W. Band.

A complete summary of the attendance was not available yesterday, but the figures indicated without doubt that the attendance on Thursday was the largest single day in the history of the fair. Ideal weather, coupled with the collection of attractions, were the factors that went to make a successful fair.

### Wild Overland Goes On Rampage

Arranged with an ingenious device to make it hop up and down, an Overland touring car drew attention to the Cloverland Garage and Machine Works exhibit at the fair this week.

The car was dubbed "The Wild Overland," and was put through its paces on the race track. The Cloverland company had an outdoor exhibit of their cars this year, with a full line of the machines they handle.

### BEFORE BABIES WERE BORN

Mrs. Oswald Benefited by Taking Lydia E. Pinkham's Vegetable Compound

Girardville, Pa.—"I took Lydia E. Pinkham's Vegetable Compound before my last two babies came. It keeps me in perfect health and doing all my housework until an hour before the baby is born. A friend told me to take it and I have used ten bottles since I heard about it. I recommend the Vegetable Compound whenever I can. Just yesterday a friend was telling me how miserable she felt, and I said, 'If you start taking Lydia E. Pinkham's you will feel fine.' Now she is taking it."—Mrs. P. J. OSWALD, JR., 408 West Ogden St., Girardville, Pa.

Mrs. Nicola Paluzzi Says: "I took Lydia E. Pinkham's Vegetable Compound for weakness before my babies were born. I was weak and tired out all the time and it helped me. When I had inward inflammation the doctor treated me, but did not help me, so I tried Lydia E. Pinkham's Gentle Wash and it helped me at once."—Mrs. NICOLA PALUZZI, 408 West Ogden St., Girardville, Pa.

### HOME SQUAD WILL BATTLE ISHPEMING

Coach Gordon's squad and Ishpeming will line up this afternoon at 2:30 o'clock on the Gladstone field for the second battle of the football season.

All indications point to a real scrap this afternoon and the game will be witnessed to a big crowd of loyal backers of the purple and white.

Ishpeming is coming here with an eleven that upset all dope last Saturday by trimming Marquette 14 to 0. Just how Gladstone will stack up against the strong Ishpeming bunch is what fans are wondering about. One thing is certain, however, and that is that the home men will put their best into the game, win or lose.

There have been a few minor injuries among the members of the squad this week but none serious enough to effect any change in the lineup.

E. C. Dayton will serve as referee, Quarnstrom as head linesman and Aslett as time keeper. The umpire comes from Ishpeming.

Tickets for the game are on sale in charge of the girls of the Junior class and their advisor, Miss Woessner.

A pep meeting was held at the high school assembly yesterday afternoon at which yells and songs featured.

The Rev. Father Sebastian Maier returned Friday morning from Washington, D. C., where he attended the national convention of the Holy Name society at which delegates were present from all parts of the country. The Rev. Father Maier acted as the conference as a representative of the Gladstone Holy Name society.

### MARKET WILL BE OPENED THIS MORNING

While the first market day held in Gladstone last Saturday was not the success it was hoped it would be, all arrangements have been completed by the Gladstone Woman's club, back of the movement for the second market day, opening this morning, with indications that today's market will be a success.

The market will be held at the same location, Seventh street, from Delta to Minnesota avenue south, and north to Superior avenue. Trucks, cars and other vehicles with the farm produce will be lined up in this section ready for buyers.

The failure of the market last Saturday was due to the fact that, although there were plenty of buyers, only a few of the farmers responded and there was but a small amount of produce for sale.

Members of the club, however, have been assured of a large representation of farmers at the market this morning. Their invitation is extended to all farmers in the neighboring districts all of whom are assured of a cordial welcome.

The market day plan is one that has met with general approval and with the co-operation of the farmers and the townspeople there is no reason why it should not be a success when it is given its second trial this morning.

### FARMERS, ATTENTION!

You are invited to bring your produce to the Gladstone market, Seventh street from Superior to Minnesota avenues, Saturday morning. Market will open at 8 o'clock.
