BEER RUNNERS' KING IS SLAIN BY THREE MEN

(By The Associated Press.) Chicago, Nov. 10.—Dion O'Bannon, Chicago gangster and often termed "King of the Beer Runners" was shot and killed today amid the quiet respectability of his florist shop by three unidentified men.

Tonight, the three Miller brothers, Hersie, Max and David, all sworn enemies of O'Bannon, were released after satisfying investigators that they had no connection with the murder.

Hersie is the owner of a cleaning and dyeing place which was twice bombed some time ago after an attempt had been made on the lives of Hersie and Max O'Bannon was accused in both instances, but the assault charge was the only one to reach court and this only reached the status of a police court arraignment.

Orders were dispatched immediately after the shooting for the arrest of Earl Weiss, Johnny Torrio, "Yankee" Schwartz and "Dapper Dan" McCarthy, all of whom have been involved in hijacking and beer running scandals in the last few years and all of whom have been arrested in connection with the shooting.

Simpson Is Given Prison Term for Shooting of Emery

(By The Associated Press.) Grand Rapids, Mich., Nov. 10.—Chedell Simpson, 42, sentenced to from five to ten years in Ionia prison for the wounding of Colonel John G. Emery, past national commander of the American Legion, will be taken to the prison tomorrow morning by Sheriff William Smith of Kent county. Judge L. D. Verdier in his sentence recommended that Simpson serve six years.

Simpson in a statement to the court said that he had been drinking heavily the day of the shooting and that he had entered Emery's office with the intention of killing both the Colonel and Mrs. Simpson, who was employed there as a stenographer. His wife, who at the time of the shooting was suing Simpson for a divorce and later became reconciled and withdrew the petition, was at his side when he received sentence today.

Bubonic Plague Is Believed Found in Los Angeles, Claim

(By The Associated Press.) Los Angeles, Cal., Nov. 10.—Two cases of suspected bubonic plague, about four blocks north of that portion of the Mexican quarter quarantined as a result of an epidemic of the pneumonic plague here, were placed under observation today by health authorities. Both persons are children, one 9 years of age, and other 14 months old. The result of animal inoculations are being awaited to determine definitely the nature of their illness.

There have been two deaths in connection with the epidemic since last Friday and if the two children should prove negative there will have been no cases of either pneumonic or bubonic plague in Los Angeles, it was announced by the health department.

FARMER DENIED NEW TRIAL FOR ASSAULT CHARGE

(By The Associated Press.) Owosso, Mich., Nov. 10.—Edward Cords, New Haven township farmer, now serving a term of from 12 to 15 years in Jackson prison for an offense against Beatrice King, 13-years old, a boarder in his home, was denied a new trial by Judge J. H. Collins in circuit court today.

The new trial was asked on the strength of an affidavit made last July by the King girl that her testimony in circuit court upon which Cords was convicted was false.

Today Prosecuting Attorney Leon F. Miner presented affidavits made by the King girl, who swore that she repudiated her testimony because of inducements made by Mrs. Nellie Woodman, of Corunna, a sister-in-law of Cords. She said that Mrs. Woodman told her that Cords was likely to die in prison and that the girl would be blamed for his death. Mrs. Woodman offered her a wrist watch, the girl said, to change her testimony.

AMUSEMENTS

AT THE DELFT. DeMille Again! Two words—but they mean much, and when you think of "Triumph," "The Ten Commandments" and other such successes, you may take them to signify that "Feet of Clay," Cecil B. DeMille's newest production for Paramount, which is the feature at the Delft again today, is another big motion picture knockout.

Featuring Rod La Rocque, Vera Reynolds, Victor Varconi, Ricardo Cortez, Julia Faye, Theodore Kosloff and Robert Edeson, "Feet of Clay" is just about one of the finest examples of grade-A motion picture entertainment that it has ever been our pleasure to review. There have been "super-productions" and "wonder-pictures." But, rather than coin a raft of new superlatives to describe this one, we'll simply say that "Feet of Clay" pleased every one at the Delft theatre last night and will continue doing so for the remainder of its run.

AT THE STRAND. With Wallace Beery as the star, "Unseen Hands" is the current attraction at the Strand. It is a thriller in every sense of the word with Beery doing the best work of his career. "Unseen Hands" is adapted from an original story by Walker Coleman Graves, Jr., and tells the unusual story of a man, who fell in love with a beautiful woman and in order to play love without any interruption, causes her husband to die when he turns off the electric lights during an operation that would have saved his life.

WE honor the brave boys who made Armistice Day ---a day of rejoiceful thankfulness SIX years ago the din of battle was hushed! Men taxed almost beyond human endurance, laid aside the armament of devastation-glad to return to their families and former occupations. Today, on the occasion of this momentous anniversary, this nation pays homage to the 70,000 men who fell upon the field of honor. Those men did not die or suffer in vain, for since that memorable November day of 1918 great strides have been made toward universal peace. Let us be happy in the thought, that while our sacrifice was severe, the marks of battle were not indelible. America has risen from the blows of Mars! And striving to make this a better world to live in. BOSTON STORE "The Shopping Center of Escanaba"

## MANY ATTEND ANNUAL FATHER SON BANQUET

### Affair at First Presbyterian Church Pro-nounced Success.

Over a hundred fathers and sons attended the annual Father-Son banquet given at the First Presbyterian Church last evening.

The affair was a success from start to finish and everyone of the fathers and sons attending were loud in the praise of those who had charge of the program and the women of the Presbyterian Missionary Circle who prepared and served the meal.

Principal R. E. Cheney of the high school acted as toastmaster, and Mr. Hugo Swanson was song leader. Grace was said by Supt. W. E. Olds.

Following the dinner, a program of high interest to the boys and men present was rendered. Interesting talks were given by O. C. Curtis, Warren Edwards, Rev. J. L. Kennedy and Rev. John B. Hubbard. A violin solo was rendered by Howard Champ-ley, a saxophone solo by Omar Curtis, Jr., and a vocal solo by Hugo Swanson.

The topic of Mr. Curtis' talk was "Dad Speaks." A reply to this talk was given by Warren Edwards, whose topic was "The Lad Answers." Rev. J. L. Kennedy gave some "Remarks by a Father of Five," and Rev. John B. Hubbard discussed "Dads and Lads." All of the talks were greatly enjoyed and received much applause. Numerous songs were also sung with a great deal of enthusiasm by the banqueters.

"Outgro" is a harmless anti-septic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.

## Reed City Hunter Injured in First Hunting Accident

A. A. Strong, of Reed City, lower Michigan, who came to this section of the peninsula for the opening of the hunting season, lies at St. Francis hospital with the right side of his face partly torn off, the result of the loosening of a bolt on a 280 Ross rifle which he was testing by shooting at the end of a log as target practice near Felsh Sunday afternoon.

Two years ago he missed a good-sized buck because the gun did not work right and again a year ago he missed another buck for the same reason. Sunday he wanted to make sure that the gun was in good condition for the opening of the season when the bolt suddenly shot backwards and tore his right cheek below the eye. Bones and tendons had to be removed from the face and although suffering intense pain Mr. Strong showed remarkable courage yesterday.

He came to the upper peninsula with Dr. Frank Foster and a man named Coons of Reed City. Mr. Strong has been coming to the north to hunt for the last sixteen years and this is the first time he met with an accident.

#### GRAVES DECORATED.

# Negaunee High Plays Escanaba Today

## MINERS HEAVY, SCRAPPY TEAM

Contest to Be Staged at 2 O'clock on South Park Gridiron.

The undefeated Escanaba high school football team and Negaunee high school champions of the Marquette county district, and conquerors as well, of Menominee and Stambaugh, will meet at South Park at 2 o'clock this afternoon.

Arrangements for the contest were completed late yesterday by heads of the schools.

Since a half-holiday has been proclaimed here by Mayor W. J. Hanrahan, it is expected that a great crowd of bugs will be on the sidelines to watch the encounter.

Profits to Stadium Fund. The high school athletic association's treasury is not in a robust condition. After \$100 has been added to it out of the receipts today, for the purpose of giving the basketball lads a small fund with which to get under way, the remaining receipts will be placed in the athletic fund.

Negaunee high has the huskiest football team Escanaba has faced this season. The Miners also come with speed and football brains with their beef, as their victories over the feet Stambaugh team and Guy Houston's fighting Menominee aggregation indicates. In Frigate, Coach Montgomery of Negaunee has one of the best playing backs of the peninsula, and his line is a husky, hard-charging array of bone and muscle.

Eskey in Good Shape. Escanaba high is in great shape for the combat. The lads were overjoyed last night, when they learned they would be permitted to show their stuff today, and may be expected to give the fans something worth watching.

The game will start at 2 o'clock. Richard "Jab" Murray of Marinette will referee, Gene Dayton of Gladstone, will umpire, and Gus Thorpe, developer of the peninsula's "Little Wonder" team at Stambaugh, will be head linesman.

## "The Crooked Mile" In Big Demand Here

"The Crooked Mile," a new novel by Bernard DeVota, an instructor in the English department at Northwestern university, Chicago, is a book greatly in demand at the Escanaba public library. The author is the husband of the former Miss Helen McVicar, daughter of Mr. and Mrs. Walter McVicar, of this city.

## SOUTH SIDERS, BULL DOGS TO CLASH SUNDAY

Annual Battle Of Rivals at South Park Nov. 16

The classic of the local semi-pro gridiron season, the annual clash of the South Siders and the Bull Dogs, will take place at the South Park gridiron Sunday afternoon, Nov. 16.

Comprising the greater number of Escanaba's college and high school football stars of past years, the battle for supremacy of the two teams will prove to be one of the features of the local football season.

Both teams are in prime condition and during the past several weeks have been preparing for their annual tilt. Daily practice sessions are being held and a number of new plays are promised as well as a great deal of straight football.

Last year the South Siders were victors by a 7 to 0 score and the year before the Bull Dogs by the same count. Sunday's battle will be a play-off and the winner will hold undisputed supremacy for the next year.

No admission charge will be made, but gridiron followers are promised a battle that would be well worth a dollar or more.

## State Line Preps Will Play Today Before Big Crowd

Menominee, Nov. 10.—(Special)—Menominee and Marinette high schools will play their annual football game here tomorrow before a record-breaking crowd. Interest in the contest is at its usual feverish pitch, and the usual hard-fought scrap is anticipated by the thousands who will witness it.

Coach Houston's Menominee team looks better to the critics than it has since the Escanaba game, when it hit its high spot of the year. The Maroons have been practicing in secret for several days and hopes of wiping out memories of an unsuccessful season by bowing over Marinette are running high.

Coach Tom Johnson of Marinette, who was forced to rebuild his squad in mid-season, due to devastating ineffectibility rulings, also is confident of the outcome. His gang has shown steady improvement in its recent games and will be fit and ready.

Major Griffith, czar of the Big Ten, and Maj. Mumma of West Point, another widely known college official, will referee and umpire the engagement. W. B. McIntosh of Marquette Normal will be head linesman.

## MAROONS WILL LAY CLAIM TO CHAMPIONSHIP

(By The Associated Press.) Chicago, Nov. 10.—At the close of the western conference season, if neither Illinois nor Chicago has met defeat, an Illinois-Chicago tie for the western conference championship will be asserted by the University of Chicago and gold football, emblematic of championship honors, will be awarded the players.

This was learned today from the Chicago athletic department where A. A. Stagg, veteran coach, was in high elation over the gripping battle in which his men carried their offense through the Illinois team, scoring the first touchdowns of the game.

In case Chicago wins from Northwestern and Wisconsin in the remaining games, and Illinois wins from Minnesota and Ohio, the Midway will claim a championship tie between Chicago and Illinois.

The Chicago leaders say the situation, in case neither Chicago nor Illinois meets defeat, will parallel the conference race of 1915, when Minnesota and Illinois escaped defeats and ended the season with four victories each, and a Minnesota-Illinois tie, and an Illinois-Ohio tie.

With no defeats this year for the two leaders, the season will end with three victories each for Illinois and Chicago, one tie, for Illinois and two for Chicago.

## NORMAL ELEVEN MUST GO UNDER ITS OWN COLORS

Writers No Longer Will Print Phoney Names.

The Marquette Mining Journal announced editorially, yesterday, that it would not, in the future, protect the amateur standings of Northern Normal football players who take part in professional games under assumed names. It announces that names will be printed, correctly and in full, in stories of future encounters.

The Journal's editorial follows: "Ishpeming Iron Ore doesn't like the practice of playing the Normal football eleven under Normal colors on week-days and as representative of the Legion, against semi-professional teams, on Sundays. Neither do we. The Iron Ore believes that unless an end is put to the Normal will suffer. So do we."

The Iron Ore taxes The Mining Journal with being a party to the fraud by printing fictitious names to cover the identity of the Normal players. Here, again, the Iron Ore is right. The only thing The Mining Journal can say is that it was done without the knowledge of its editor. It will not be done again.

The name of every player appearing in a Marquette city, or Legion, team line-up will in the future be correctly printed. And when the Normal team appears, if it continues to appear, to represent the Legion, or any other organization, the fact that it is the Normal team will be duly chronicled.

The Mining Journal has no sympathy with devious ways in sports. It regards the arrangement by which the Normal team has, in whole or in part, been playing a dual role as distinctly not cricket. It believes there should be an end to it. If the Ishpeming Legion is to play the Normal—which is doubtless no objection of doing—let the game be billed as a Normal-Ishpeming Legion game. If the Ishpeming Legion is to play the Marquette Legion and the latter needs the assistance of a few of the Normal players to give it a fighting chance, Ishpeming should be informed of the purpose to use them in advance of the game, and there should be frank publication of their names.

"There is nothing inherently wrong about the use of a few Normal players to bolster up the Legion team talent, provided it is understood by the opposing team that it is being done. If the Legion needs the material to secure an eleven capable of holding up its end, the other teams will doubtless say 'go to it.' They are interested in pitting their 'beavens' against teams that can give them a good fight. There is no glory to be had in winning a 'set up.'"

"But the thing should be honest and above the board. There should be no pretense, and no use of fictitious names, the latter fact in itself a confession that the practice is wrong. There should, in the future, be no grounds for such criticism as the Iron Ore now makes."

## Hancock to Invade Norway for Final Iron Range Scrap

Norway, Nov. 10.—(Special)—One of the most interesting football games of the high school season on the range is in prospect for Iron County fans today when Norway meets Hancock, champions of the Copper Country, on Armistice Day.

There are no undefeated teams on the range this year. Norway has lost only to Stambaugh, in the first battle of the year and being tied by Crystal Falls in the second tilt of the schedule. Since then, Norway has beaten Iron Mountain, Menominee, Iron River, Gladstone and Ishpeming.

Hancock, after making a clean sweep of the copper country, was beaten by the strong Ironwood aggregation. A tremendous crowd will see the encounter.

## COACHES DRIVE SQUAD HARD IN DAY'S PRACTICE

(By The Associated Press.) Ann Arbor, Mich., Nov. 10.—One of the four days this week on which Michigan planned preparation for Ohio State and its football hussies has gone into history as among the hardest the Wolverines have spent on a practice field.

Two sessions—a long one in the afternoon which was continued after sundown in the Yost Field House, and a night meeting in front of a blackboard—were both devoted to defense work against Buckeye plays.

The Wolverines are taking every precaution against Ohio State and are going to enter the huge stadium at Columbus Saturday fully groomed and prepared to meet one of the hardest attacks of the season.

Bear stories emanating from the Buckeye camp last night to the effect that the Ohio injured list is the largest in its history, and more optimism reaching here direct from Columbus late this afternoon, are making no changes in the plans of the coaches.

The fact that Ohio has been pointing for the Michigan game during a large part of its practice periods alone is going to make the game at Columbus a hard one, Coach Wilce, the psychologist, has kept Michigan before the eyes of his men this year at last.

Last season the dressing room cried out "Michigan" wherever the Buckeye hussies set their eyes. This season a large star with the word "Michigan" painted on it in prominent letters has greeted the scarlet and gray players as they trotted out onto the practice field.

"See that star?" coach assistant asks the players if they attempt to pass into the field contemplating an easy afternoon. The Buckeye, consequently, have been battling Michigan in practice for the past two weeks and no matter what record they have made in previous games, they are going to be fighting demons when the Blue Jerseys are in front of them on the playing field.

## Fire Threatens Hansen-Jensen Oil Station

A fire burning behind the walls of the Hansen & Jensen oil station on North Third street endangered for a time the large supply of oil and gas stored there, but the fire was put out by the fire department, before it could reach the oil tanks. The blaze occurred about 6:20 Sunday evening. Some slight damage to the buildings was the net loss.

Eels sometimes travel over considerable ground to go from one stream to another.

## 'MT. COFFROTH' HAS ERUPTION

Tia Juana Race Track Magnate Now Dealing in Heavies and Hopes.

New York, Nov. 10.—James W. Coffroth, king of Tia Juana, is in the white-light village talking horses, heavies and hopes.

James W. has been told that the football of pugilism—a Dempsey-Willis match—can't be held in New York or New Jersey because of deep-rooted political objections.

James W. says he'd like to take the football out west and kick it for a goal on a lovely spot adjacent to his race track.

It's hard to tell whether James W. is serious or merely talking for publicity. A race track needs publicity. Especially one like James W.'s which runs for 100 days and offers \$58,000 purses.

Coffroth at least has money. If it takes a million to swing the match Coffroth can get it. He went into Tia Juana with a brand new and a second-hand saddle and ran the two into a nest egg fit for a golden eagle.

Coffroth has the promotional experience, too. He wouldn't sprinkle ashes on the ice cream as the boys did in Shelby, Mont., when Gibbons and Dempsey labored through 15 rounds.

There was a time when Coffroth was as big in pugilism as Tex Rickard is today. Bigger maybe.

Every heavyweight champion, from Jim Corbett on, boxed at his San Francisco club—Fitzsimmons, Jeffries, Johnson, Willard and Dempsey.

Dempsey lost the much talked-of four-round bout to Willie McLean—the Aunt Eppie fight of the heavens—at Coffroth's club.

All the lights-weights, from Kid Lavigne to Leonard with the single exception of Freddie Welsh also boxed for him.

The 168 pound, or light heavyweight championship, was created at Coffroth's club. Fitzsimmons defeated George Gardner in 20-rounds and was the first official title-holder in that class.

This fact is disputed by Philadelphia Jack O'Brien, who contends a bout held in 1902 at Fort Erie, between Gardner and Jack Root for the light heavyweight championship, preceded the Fitzsimmons-Gardner bout at Coffroth's.

You may consider this important enough to argue about when you get home to the wife and kiddies tonight.

Wants Dempsey and Willis. Coffroth is a returned newspaper man. Moreover, he was once a baseball magnate. Back in the '90s he owned the Frisco Seals in the Pacific Coast League. Baseball was not hot stuff in those days.

James W. gave the club away

for a song. It is recorded that the song was not particularly good either. Later when he tried to buy the club back for \$225,000 he was turned down. "I'm earnest about pulling off a big fight at Tia Juana," insists James W. "I don't want Dempsey and Gibbons. I can get that match easy. What I want is Dempsey and Willis. I am sure of a million-dollar gate. Shelby drew \$500,000 and nobody was certain the fight was even on. Tia Juana can double that without wiggling an ear—or anything else."

JOHN G. SCHMIT. John G. Schmit, pioneer citizen and merchant of Escanaba, passed away on Sunday at a hospital at Newberry after a prolonged illness. The body will be brought to Escanaba this morning and will be taken to the Alto Funeral Home. Later the remains will be removed to the family home, 221 South 11th street, and although definite arrangements for the funeral were not completed last night, it is probable that the funeral services will be held at St. Joseph's church at 9 o'clock on Wednesday morning.

Mr. Schmit has been a resident of Escanaba for over 40 years and was widely known in this city and surrounding district, being held in the highest esteem by all who knew him. For many years he was prominent in political affairs of the city, serving for two terms as a member of the city council and taking an active part in all civic affairs. Mr. Schmit was born in Luxembourg and came to Escanaba, direct from his native land, when he was 20 years of age. He was employed for a number of years on the docks and while following that employment suffered the loss of both hands. He later engaged in the grocery business and in spite of his physical handicap was able to write, wrap and tie parcels in his store, and perform practically every task of the ordinary individual equipped with both hands. He was engaged in the grocery business here continuously for 28 years.

His sunny, genial disposition won for him scores of friends and he was recognized as a strong political power in the ward in which he resided. For many years he was active in the affairs of the Escanaba division of the Luxembourg Bruder Bund, serving as treasurer of that organization for many terms. He was 60 years of age and is

survived by his wife, one son and one daughter. The surviving son and daughter are: W. J. Schmit, assistant cashier of the Escanaba National Bank, and Mrs. Frank X. Fontaine, of this city.

RITA JANE WHITE. Rita Jane White, daughter of Mr. and Mrs. Leo White, 903 North 19th street, passed away at the family home at an early hour Sunday morning. A private funeral was held Sunday morning at ten o'clock with burial in St. Anne's cemetery.

The bereaved parents have the sympathy of a host of friends in their loss.

JOHN POLEN. John Polen, six-months-old son of Mr. and Mrs. Peter Polen, died at the family home No. 4 Electric avenue, Wells, Sunday morning. Funeral services were held at two-thirty o'clock Monday afternoon at St. Patrick's church. Rev. Fr. J. Moeckler officiated at the services. Burial was in St. Joseph's cemetery.

JOHN JACOBSEN. John Jacobsen, of Fox, Mich., 51 years of age, died at the family home at that place yesterday afternoon. Mr. Jacobsen had been in ill health for some time. His death was due to complications.

The deceased is survived by his wife and seven children. Funeral services will be conducted Thursday at the home in Fox. The Rev. L. B. Sateren of this city will officiate.

IRENE HUSS. Miss Irene Huss, six-year-old daughter of Mr. and Mrs. Ed. Huss, of Rock, died at a local hospital yesterday morning after a short illness. The cause of her death was given as complications.

The body was taken to the Alto Funeral Home to be prepared for burial and will be returned to Rock by auto this afternoon. Funeral services will be conducted Thursday afternoon at the Congregational Church of Rapid River, with Rev. Kitchen officiating. Burial will be in the Rapid River cemetery.

MRS. LIMINA GAGNON. The body of Mrs. Limina Gagnon, who died at St. Vincent's hospital, in Green Bay, Sunday, arrived yesterday morning, accompanied by her son, Walter, and niece, Ruth Greenwood.

The body will lie in state at the home of her niece, Mrs. Ed. Dupont, 1310 First avenue north. Surviving relatives are her father and four children, namely: Iris, of Boston, Mass.; Belle, of Duluth, Minn.; Walter and Benard, of this city. Funeral arrangements have not been completed.

CRIPPLED TOTS WILL GET AID FROM ROTARIANS Medical and Surgical Treatment to Given Thru Club Effort

A program for the aid of crippled children of poor parents in Escanaba is to be undertaken by members of the Escanaba Rotary club. The program is in line with similar work being performed by Rotary clubs in other cities and a survey is to be immediately made of Escanaba, to allow the beginning of the work as quickly as possible. A special committee, composed of Herman Gessner, Dr. A. S. Kitchen and Coleman Nee, was named by President O. C. Curtis yesterday, to assume charge of that detail of the club's activities.

Ululue Plan Adopted. The program will be financed in part by each member paying into the club treasury annually, during the week of his birthday, an amount equal to ten cents for each year of his life. It is expected that this plan will net the club treasury approximately \$300 a year to aid in the commendable work that is to be undertaken in this city.

Six years have not dimmed the memory of our first exultation over peace, with victory for the ideals of our homeland. Yet there are many with whom the horrors of war will always remain, to remind us, while celebrating victory, to cherish the ideals of a peace so dearly won. Six years have passed, and wounds of the bitterest struggle of all mankind are gradually healing. Since that eventful day of 1918 the nations of the earth have taken a decided step toward universal peace by naval disarmament. Let us rejoice and give blessing.
