SMITH HAS NOT SAID HE WILL BE CANDIDATE

NO CAMPAIGN HEAD-QUARTERS FOR GOVERNOR.

BY DAVID LAWRENCE. (Copyright 1927, by the Escanaba Press) Washington, Sept. 26.—If anybody writes to Albany to find out who is managing Governor Smith's campaign, the answer given is that nobody is in charge, that no campaign headquarters has been set up and that actually the New York governor has not even announced his candidacy.

Yet, in the western states, a group of staunch Smith supporters have been maneuvering for several weeks and now have attempted to gather delegates in the inter-mountain states. The initiative in this lies entirely with the Smith followers, some of whom are practical politicians who do not need any headquarters or management to guide them. They know that if a Smith movement can be launched in the west it will be easier for the nomination to be won notwithstanding such opposition as comes from the south.

Some Strength in West The New York governor had some strength in the west at the last national convention. Here and there were delegations voting under the unit rule but containing two or three Smith delegates.

Anti-Smith Crowd Worried There is no doubt about the panic that exists in the anti-Smith camp, where the alarm is being broadcast that unless Governor Smith is stopped by some outstanding candidate his nomination is assured.

Dryns Not Active When the anti-saloon league gets busy in the west, there may be another story to tell, though delegates who are chosen under the convention system are not as easily reached as those who are selected in the primaries, and this may have a bearing on the final line up.

Bootlegger Tells of Experiences in Importing Liquor

Monroe, Mich., Sept. 27.—(AP)—Lawrence Lavy, a witness at the hearing of charges brought against Sheriff Joseph Kinsey, accused by the state of dereliction of duty, related in detail today his experiences in running liquor from the Canadian to the American shore and frequent dismissals from jail following arrests.

70,000 PUPILS GREET LINDBERGH

Los Angeles' huge reception for Colonel Lindbergh was climaxed when 70,000 school children welcomed the flyer in Los Angeles Coliseum. The picture shows the start of the parade, after which Lindbergh spoke.

High School Students Push Protest Strike

Gary, Ind., Sept. 27.—(AP)—Pupils of Emmerson high school, more than 800 of whom were on strike because of the enrollment of negroes in their classes, put it up to city and school officials today to remedy the situation.

When less than 600 of the 1,400 attending the school reported today, Mayor Floyd E. Williams called a conference of the board of education and teachers to discuss a possible way out.

President Coolidge was not in complete agreement with the statements of Admiral Magruder, although he was represented as believing the article was written with a sincere desire to improve the navy. While he was without information whether the navy is actually over-officed, the president does not believe that to be the case.

CAL, WILBUR AT WORK ON CASE

Washington, D. C., Sept. 27.—(AP)—While the White House was announcing today President Coolidge's discovery of some helpful criticism in the controverted naval article by Rear Admiral Magruder, Secretary Wilbur delved into the article's charges of lack of economy in the navy and disputed them.

Secretary Wilbur, however, lifted from the article Admiral Magruder's statement that "for every dollar expended for repairs" in the navy, "it requires nearly four dollars to be expended to maintain a navy yard to make repairs" and cited figures which he said showed its inaccuracy.

One Dead, Another Injured in Crash

Detroit, Sept. 27.—(AP)—One man was killed and another seriously injured tonight when a small passenger airplane crashed in a garden patch at the outskirts of the city. The plane somersaulted when the wheels struck a drainage ditch and caught fire. Elmer Broutzke, a passenger, was burned to death and the pilot, Shirley Burk, seriously burned. Broutzke was strapped in his seat and unable to free himself before the flames spread from the broken gasoline tank.

WALKER HOME FROM EUROPE

Mayor of New York Glad to Get Back to "Home Town"

New York, Sept. 27.—(AP)—Mayor James J. Walker, who packed 25 "hard boiled" shirts in his luggage about a month ago and started on a tour of European cities to study municipal problems, is back, ready to "kiss every inch of the sidewalks of New York" from sheer joy at being home again.

When the banquet was being snuffed by the mayor, it seemed by association of ideas, to remind a friend and city employee of another gift. "By the way," he told the mayor, "there's a 168-pound cheese down at the city hall that someone sent you."

Mayor Walker had, in radiograms from the liner, virtually forbidden a welcoming reception. But the reception was far different than "the Jeffersonian simplicity" he asked as a background for his arrival.

BARRETT SHOT SISTER-IN-LAW AND HIS WIFE

GANGSTER SLAIN ANOTHER IN DEFENSE.

St. Paul, Minn., Sept. 27.—Ten unsolved murders in St. Paul during the past 18 months laid to James Barrett, re-slain gunman, in a statement the police today by the gun-confessed slayer.

Brought here from Chicago where he was arrested last, he killed Barrett in self-defense after the latter had shot Barrett and her sister, Kooser, the night of August 23.

Three other women and men were slain by Barrett, some said, to cover up his crimes, and two police were killed in February, cause Barrett had trouble them over a liquor deal.

Hanson said he drove Barrett to the latter's home in exclusive residential district the night of August 9, and ed while Barrett went in and his wife and her sister to them out of the way "so he live with another woman."

Judge Dissolves Court Injunction Against Company

Boston, Sept. 27—(P)—Judge Morton in superior court today dissolved an injunction restraining the Cable Manufacturing company of Boston from removing equipment and machinery from Massachusetts. He stipulated that the company furnish \$25,000 bond to return the property to Boston in case a final decree against the company in a suit brought by Julius Cable, and other stockholders is returned. The stockholders charge the treasurer and two directors of the company contracted without right with Michigan officials to have chairs made for the company at Michigan state prison and have entered into a secret understanding with officials that they receive bonus on each chair produced.

EIGHTH LEAGUE ASSEMBLY ENDS

by the 1924 assembly of the league, was too idealistic for the present age and that as President Guant put in his valedictorian oration today, it is better to approach the complex problem of peace by distinguishing more clearly the boundary between the practical and the ideal. The assembly decided to approach the question of attaining reduction of armaments not by one, but a series of international conferences and by simultaneously creating a system of arbitration and security pacts between nations which will make it possible for nations really to lower their armaments by the time the first disarmament conference is held. The assembly ended today with the growing conviction that for Europe at least, any considerable lowering of armaments is not likely unless the feeling of national security is greater than afforded by the Locarno conference agreements. Many delegates expressed the hope that the United States, in addition to co-operation at the disarmament preliminary work, will corroborate

New Accounting Fights Will Assure State Proper Share

Lansing, Sept. 27—(P)—A new system of accounting which will permit a closer check up on the state's share of receipts from boxing matches, is to be installed in the department controlled by the state athletic board of control and Thomas Bigger, boxing commissioner. A member of the board has asked that a new bookkeeping system be adopted, it was learned today. The old system merely showed how much was paid into the state treasury without disclosing the amount collected by the state department. According to O. B. Fuller, auditor general, member of the athletic board and representatives of the governor's office, no faults were revealed by a check of the books. It was admitted, however, that the state had no regular checkup on the amount paid in to the boxing commissioner and the referee did not know, precisely, whether the amount turned in to the treasury tallied. It was stated that the accounting division will place a man in the department to install the new system.

Ruth Elder Makes Weight Test Flight

New York, Sept. 27—(P)—Ruth Elder, Dixie aviatrice, who plans to fly to Paris, and Capt. George Haldean, her co-pilot, took their Stinson-Detroit plane into the air for a load test today. Despite its gross weight of 5,350 pounds for the test, the plane took the air after a run of 1,500 feet. Once up, 180 gallons of gasoline of commercial grade, were dumped from the main tank to lighten the plane for landing. Haldean said that the projected trans-Atlantic flight attempt was at least 48 hours off because of storms over the Atlantic ocean. More than forty-five per cent of the windmills of Holland have been removed or demolished since 1926, according to a report from an official mail association in that country.

SIMPLE HOME REMEDY GRAY HAIR OR BALDNESS

Banishes Dandruff, Eczema Etc. Revives Youthful Lustre and Color RESULTS AMAZING FOLKS HERE SAY

"I bought a bottle for one of the children to stop the itching rash and dandruff for which its wonderful and using it on my hair getting thicker, more even colored and every gray hair turned back again, like magic." enthusiastically declared a lady whose beautiful head of hair is a walking advertisement to the success of Lea's Hair Tonic.

"Lea's Hair Tonic has the faint odor of bay rum and contains sulphur which as everyone knows is a natural part of human hair, but in addition it has seven ingredients a doctor labored years to work out in his search for something harmless which one could use for years with unvarying change in the hair. He didn't want an oldtime dye that brings such shocking shades, ever growing worse and darker. He sought a tonic to be rubbed into the scalp and not on the hair. (You can dip hair in a basin of Lea's Hair Tonic with no change in color, but rub it into the hair roots nightly a few times and watch the hair gradually resume from root to tip its youthful color of blonde, red, brown or black, whichever it originally was and who can give your hair a more becoming shade than the one nature gave you first?" Applied at home with finger tips like any tonic, experts cannot detect its use. In about three applications dandruff vanishes and the scalp begins taking on a healthy tone—then the mirror whispers a little secret—you are NOT gray any more and your hair is thicker and you look years younger. Men swear by it. Prominent men and women constantly before the public wouldn't dream of staining their scalp with dyes but Lea's is different—thousands use it unbeknownst to the family and you may too for dandruff have Lea's Hair Tonic, or send dollar bill to Lea Tonic Co., Brentwood, Md., for bottle and directions, return mail.—Adv.

### TWO FERRIES IN PROSPECT

#### Private Company Goes Ahead With Plans for New Straits Boats.

Sault Ste. Marie.—Beginning of work toward preparing approaches for an independent ferry and announcement by the state of contemplated purchase of a third automobile ferry at the Straits of Mackinac, has caused St. Ignace to look for doubling of tourist traffic to the upper peninsula for the season of 1928.

A crew of men under the supervision of T. L. Durocher and Sons of DeTour is at work surveying the independent ferry approaches and tearing away the old pilings of the Martel dock of St. Ignace. The state announced specifications for a new ferry that will be ready for operation by June, 1928.

According to present plans the independent ferry will have a capacity of 75 cars. The proposed new state ferry will carry 65 cars at a trip. According to these figures in addition to two ferries now carrying 60 cars each, it will be possible next year with four boats to carry 230 automobiles across the straits every trip of the day.

The new independent company, including St. Ignace, Detroit and DeTour capital, has purchased the old Martel furnace dock with 1,000 feet of lake frontage at St. Ignace and 225 feet of lake frontage at Mackinaw City. The dock south of the straits will be of concrete, and building will begin next spring. Work will begin at once on the St. Ignace terminal.

The Martel dock will be extended 50 feet, giving 20 feet of water at the end of the dock.

The new company intends to build or reconstruct a boat of about 75 cars capacity to care for all cars not carried by the state ferries. The boat will be of twin screw construction and will burn oil.

The proposed new state ferry will have a capacity of 65 cars without overloading, according to current reports. The boat will be about 200 feet long, with a beam of 48 feet, a 10-foot wheel and a draft of 14 feet, powered with a 1,100 horsepower engine developing a speed of 14 miles an hour. The boat will be more sturdy than the present ferries and will be able to crush ice up to six inches thick. There will be more deck room per car, facilitating the handling of automobiles in loading and unloading.

By the first of September transatlantic flyers had won \$40,000 in prize money and were competing for an additional \$75,000.

### IN NEW YORK

#### A NEW YORKER IN PARIS

ABOARD THE S. S. PARIS. Somewhere, at Sea—Impressions of a seagoing landman: There's one on every boat: I mean the fellow who "just never has been seasick." "Yes, bo!" The waves tossed 60 feet into the air and everyone aboard was sick. . . . Absolutely, everybody. But I was out on deck all the time and so forth indefinitely. . . . He particularly loves to spring his line as the first yellow patch appears upon your face. . . .

And there's the dear old lady who has all the seasick remedies at the tip of her tongue and who'll tell you at great length how they never fail. . . . Well, I'm the exception. . . .

And those husky he-men, who disappear from the table for a couple of days and who then come up smiling. . . . Well, well! Just overlept breakfast yesterday morning. . . . and somehow missed lunch. Sick! Me? I should say not! Never gets me." Tell me, how can such fabricators go on living?

Everybody's reading the passenger list. Trying to figure out who's who. . . . Umm, look who's abroad. . . . Jeanne Gordon, the Metropolitan opera mezzo-soprano. . . . That answers the concert problem. . . . One listens for sighs of relief. No, it's merely the water lapping the side of the ship. . . . And the Robert Goletts. . . .

And a couple of nice girls going over to art school. . . . The names buzz before your eyes. . . . What difference does it make? . . .

What's a notable or two among passenger lists? . . . Those little seagoing shops. . . . Here you can get almost anything you may have happened to forget. . . . And if, perchance, a sweet young thing aboard the boat happens to strike your fancy, you can woo her with any of the little French trinkets that so fascinate the Paris shoppers. . . . In fact, if you are careless of purse, you can do most of your Paris shopping long before reaching Paris and spend your Paris hours wishing you'd waited until you got there. . . .

That 12-mile-out look. . . . "Ho Georges. . . mix us one of those Paris cocktails! Attaboy!" . . . Clink of ice in the shakers. . . . Just like a Saturday afternoon cocktail party in Fifth avenue, Main street or Cider crossing. . . . Only you don't have to worry about whether the gin has been analyzed. . . .

And the fellow who warns you in whispers to look out for "poker sharks". . . . They do say that they still travel the seas and that there is nothing much can be done about them. . . . But I know two old travelers who have tried for eight years to get in a game with sharks and never were able to find any. . . . One time, when he thought he finally had met a sharper, he cleaned the game of \$500. . . . The next morning he found himself pointed at on deck as "one of those poker sharks they told us to look out for" . . . which gave him a great laugh. . . . —GILBERT SWAN.

**Card Party Thursday**—The ladies and girls of St. Anne's Altar Sodality have completed plans for a card party to be given at St. Anne's hall Thursday evening, September 29th, proceeds of which will be for the benefit of St. Anne's church.

Five hundred and bridge will be played with valuable prizes awarded to holders of high scores. Lunch will be served at the conclusion of the card program. A cordial invitation is extended to the public to attend and enjoy an evening at card playing which is always a pleasant diversion.

**Hamelin-Dejanais Nuptials**—Miss Lillian Hamelin, daughter of Mr. and Mrs. Eugene Hamelin South Tenth street and John Dejanais, Jr., son of Mr. and Mrs. John Dejanais, North Thirteenth street were married at St. Anne's church Tuesday morning at a nuptial high mass at eight o'clock at which Rev. R. G. Jacques was the celebrant. Father Jacques also performed the ceremony. The couple will make their home in this city.

Director Young indicated he is inclined to side with the late James Oliver Ourwood in opposition to the spear. He asserted the gravest danger confronting the commission if it should arbitrarily ban the spear on all game fish lakes would be a protest from those interested in taking fish through the ice strong enough to bring about the repeal of the discretionary act. He believes the legislature should consider legislating the spear out of existence.

### State May Stop Spearing In All Trout Streams

Lansing, Mich., Sept. 27.—(AP)—Recommendations that spearing be prohibited in all trout streams and probably many lakes will be placed before the state conservation commission next week by Director Leigh J. Young, he said today.

The commission, in a sweeping wave of altering the old order of things in its September meeting rescinds all orders barring spears from lakes and streams. Harry H. Whiteley, new member of the commission, led the onslaught on the rules promulgated by a previous commission under the discretionary power of the court.

### JEWS OBSERVE END OF YEAR

#### New York Rabbi Conducting Services in Eagles' Hall.

Rosh Hashannah, the Jewish New Year 5688, was ushered in at sundown Monday by special services at the Eagles' Hall, conducted by Rabbi J. Albert of New York City.

The usual prayers marked the opening of the feast and at services held Tuesday morning at 7 o'clock the ceremony was marked by the traditional blowing of the shofar, or ram's horn, in every synagogue and Jewish places of worship throughout the country.

From sundown Monday until sundown today, the Jewish world will pause in meditative consideration of the year 5687, just closing. Many noted Jews passed away during the year 5687, including Harry Houdini, magician; Gov. Simon Bamberger, of Utah; Marcus Loew, the theatrical magnate; former Premier Lazzari, of Italy; Lady Henry and Lord Bearsted of England.

Rosh Hashannah, as the Jewish New Year is called, will be followed by the usual week of Jewish ceremonies, culminating in Yom Kippur, the Day of Atonement, which falls on Thursday, October 6. The services today will open at 7 o'clock, conducted by Rabbi Albert, assisted by Rabbi Liberman of this city.

Rabbi Albert was sent to this city through the affiliated synagogues of New York City, and is one of the many missionaries of the Jewish religion who are sent to all parts of the country where their services are needed.

Out-of-town Jewish people who come to this city for the holiday include: Rev. Albert, of New York; Joseph Zuckerman and Mrs. J. Milman, Chicago; Mr. and Mrs. A. Coplan and son Philip, of Rexton; Ben Stein, of Rexton; Mr. and Mrs. Sam Goldberg, of Bark River, and Mrs. A. J. Parelakia, of Milwaukee.

#### Andrew Filback of Foster City Dead

Foster City, Sept. 27 (Special)—The death of Andrew Filback occurred at his home here Saturday night at 11:15 due to cancer. Mr. Filback was an old and respected resident of Breen township and is survived by two sons, Walter and Albert and one daughter, Ruth. The body was taken to Iron Mountain to be prepared for burial in the Foster City cemetery, Tuesday. Services will be conducted at the Swedish Mission church at Foster City by the pastor of the Finnish Lutheran church of Crystal Falls.

### OBITUARY

**MRS. NEIL BONNER.**  
Many friends have called at the family residence, 411 South Ninth street, to extend their sympathy to the members of the bereaved family of Mrs. Neil Bonner, who passed away early Monday after an illness of three months' duration.

Funeral services will be held this morning at 9 o'clock at St. Patrick's church, with Rev. Fr. Raymond Bergeron as celebrant at the requiem high mass.

Out-of-town relatives and friends who have arrived in the city to attend the services include: Mrs. Margaret McNellis and daughter, Miss Margaret McNellis, James McNellis of Marinette; Mrs. Antone Burney, Mrs. Stanley Miller, Duluth, Minn.; Edward Baker, Oak Park, Ill.; Mr. and Mrs. John Burns, Miss Nellie Burns, Mrs. H. W. Dickie and son Robert, Mrs. Joseph Burns, Green Bay; Mrs. Mary Kelly, Mrs. Archie Lamarche, Mr. and Mrs. John Kelly and son John Thomas, Mrs. Clifford Dupont and son Billy, Miss Agnes Kelly, Milwaukee.

The close friends who will act as pallbearers are Maurice Coll, Francis McCauley, Con B. Gallagher, William Corbett, Dominick B. Boyle and J. P. Kenally. Members of all courts, W. R. C., will attend the services in a body. Burial will be in the family lot in St. Joseph's cemetery.

**J. B. MORIN.**  
The body of J. B. Morin, prominent lumberman of Osler was removed from the Allo Funeral Home to the family residence at Osler Tuesday morning where it will remain until Thursday morning at nine o'clock when funeral services will be held at St. Charles' church at Rapid River with Rev. Fr. Joseph Guertin as celebrant at the requiem high mass.

Burial will be in St. Anne's cemetery.  
Mr. Morin was widely known in the district of Osler and had been a resident of Osler for many years having been active in lumber operations there. Mr. Morin had been ailing about a year with diabetes and recently had a large carbuncle on his neck and infection set in which caused his death.

**HARRY NYBERG.**  
Harry Nyberg, aged 23, son of Swan Nyberg of Cornell passed away at Santa Anna, Cal., Monday morning according to word received here by the family.  
Mr. Nyberg left for Albuquerque, N. M., about seven years ago. Last spring his health was much improved and he went to Santa Anna where he secured employment. An attack of his former illness confined him to his bed for a short time and he passed away early Monday.  
The body will be shipped to

### PHIL TONNE TRANSFERRED

#### Chief Clerk to C. & N. W. Superintendent Goes to South Pekin.

Phil Tonne, for the past 13 years chief clerk in the superintendent's office of the Chicago and Northwestern railway here, left Monday night for South Pekin, Ill., where he will be employed as chief clerk to Superintendent W. H. Dolan of the Southern Illinois division. Mr. Tonne is succeeded here by O. M. Mickelson, who for the past six years has been chief clerk in the office of George Loughnane, division engineer of the Chicago and Northwestern railway. Mr. Mickelson was transferred to Escanaba in 1921 from Huron, S. D.

Mr. Tonne came to this city in 1901, taking employment with the Chicago and Northwestern railway as a stenographer to the late C. E. Andrews, who at that time was assistant superintendent. After three and a half years in Mr. Andrews' offices, he was appointed chief clerk to Master Mechanic Frank Slater. Later he served as division accountant here and was transferred to Chicago, where he held a similar position for several years. He returned to Escanaba in 1907, holding the chief accountant's position until 1910, when he was made chief clerk to C. E. Andrews, who had been advanced to the superintendency of the peninsula division.

Mrs. Tonne will join her husband at South Pekin in the near future.

New York City's 2,000 traffic policemen are being summoned to police headquarters in groups of 100 and 150 for special instruction in the proper way to raise, wave and flip their "hands" so that the motions will be entirely uniform.

This city arriving some time Saturday and will be taken to the Allo Funeral Home where it will remain until the hour of the funeral services which will be held Monday afternoon at two o'clock at the Allo Funeral Home with Rev. O. R. Palm officiating.

Mr. Nyberg is survived by his father, Swan Nyberg of Cornell, one sister Mrs. Conrad Scheer of Woodlawn and four brothers, August of Woodlawn, Lynus of Ironton, Minn., Helmer of Fargo, N. D., and Hilding of Milwaukee, Wis.

Burial will be in Lakeview cemetery.

### Special Devotions to Be Conducted During October

The month of October, according to the Catholic church, has been specially dedicated in honor of Our

Lady of the Holy Rosary, and special devotions will be held during the entire month at St. Anne's church, according to a statement made by Very Rev. Fr. R. G. Jacques yesterday.

The opening of the October devotions will be held Sunday evening at 7:30, when one hundred children

will take part in a solemn procession around the church, carrying flowers and the statue of the Blessed Virgin. The closing of the triduum will also be held at the same time. The triduum, in honor of St. Therese the Little Flower, whose feast falls on October 3, will begin Friday evening at 7:30 and will con-

tinue Saturday evening, with closing ceremonies Sunday evening. During the month of October, special devotions will be held each morning at 7:40 when the rosary and litany will be recited, and each evening at 7:30 when special prayers will be offered. The relic of St. Therese will be venerated Sun-

day evening and Monday morning and evening. Petitions may be placed at the shrine during the week. The public is heartily welcomed to attend each and all of these devotional services. Benediction with the blessed sacrament will be given Sunday evening.

## Does illness keep you from your work?

A GIRL who earns her living—whether in store, office, factory or home—realizes the necessity of regular attendance at her place of employment. For this reason she works on day after day. When she becomes tired out and run-down, she feels that she must keep at her work without taking time to rest.

Thousands of girls have found that Lydia E. Pinkham's Vegetable Compound has restored them to a normal physical condition, and has made them fit for work. These two women testify to that fact:

#### HEALTHY AND STRONG

Silverton, Oregon:—"I am writing to tell you how much your medicine has helped me. I was doing cannery work, canning, sealing, etc., but had to quit work when sick as I would be so weak I could hardly walk across the room. A friend of mine told me of Lydia E. Pinkham's Vegetable Compound. I have found relief when sick and it helps me more each time. Every one says I am a healthier and stronger girl. I am recommending the Vegetable Compound to all my friends." Julia Schmidt, 113 Willow St., Silverton, Oregon.

Remember this package. None genuine without the signature of Lydia E. Pinkham.

#### LOOK AS YOUNG

Fruitdale, South Dakota:—"I felt badly. It seemed like my back broke all to pieces and I couldn't stoop down to get anything from the floor. Then a friend told me to try Lydia E. Pinkham's Vegetable Compound. So I did, and it sure has helped me. I can work all day long and I feel so good. I am 38 years old and I look just as young as if I were 20. I am glad to answer letters from any one about this medicine because it has done me good." Mrs. Francis F. Fajardo, Box 31, Fruitdale, South Dakota.

# UT DUCK BAG, EAST PLEADS

## Naturalist Declares Water Fowl Need More Protection.

Ben East, the widely-known Michigan naturalist, writing in the Ann Arbor Times-News, believes that Paul G. Redington, of the United States biological survey, was right when he spoke out, seriously and frankly in favor of a reduction in the daily kill of wild ducks.

"Every one who has watched the spring and fall flights for the past 10 years has known all along that ducks were growing less numerous, yet all attempts to reduce the bag limit have been empty checked," Mr. East says. He continues:

"Usually, along about this time, the boys paint their decoys fresh coat, oil their guns, sort their ammunition, and tell each other that the flight this fall will be the heaviest in five years. Bill Smith, who hunts on Mud Lake, and John Jones, who hunts every duck on Rice creek says so, and so on.

**Various Alibis**

Then when the flight fails to materialize with the opening days boys all explain that the birds don't come down from the north yet the local hatch was light anyway. And when October and November still bring scant shooting they say the ducks went down about stopping.

"This year it seems different. The same work is being done on decoys and guns and shells, but optimistic prophecies go with them. Even the boys who write the duck hunting stories have failed far to tell of better nesting, more birds in the bayou, etc. And they are usually most hopeful of the lot.

"It begins to look as if the duck hunters were realizing at last that the new flight route is a route from which no duck wings back when April opens the marshes.

**Redington is Right**

"Redington's approval of a reduction in the bag limit on water fowl does not deny the need for changes, for the correction of all conditions in the western marshes, or for the halting of wise drainage projects.

"These are matters which Nel-stressed, wisely, but in stressing them he constantly denied need for lower bag limits, despite the undeniable evidence that ducks were growing fewer numbers each year.

"Redington does not propose to interfere with any program of water feeding grounds and more wages, but in the meantime he personally favors attacking the duck problem at what most sportsmen believe to be its most vital point—the number killed each season as a result of the disastressfully high limits.

"Michigan sportsmen, and real sportsmen throughout the United States and Canada, will rejoice in his open and fearless statement."

# HERMANVILLE

Of the 2300 school children present at the Cleveland fair at Stephenson, Friday, September 23, Hermansville paraded 139 students, or 35 per cent of its entire school enrollment. Following is a list of the prizes they took home:

1. We-X-L parade banners and caps: First prize, make-up box, valued at \$7.50, given by the Commercial Bank of Menominee.
2. Best exhibit of home-made school furniture: First prize, collection of tools, valued at \$30.45, given by Carpenter Cook company, Menominee.
3. Best exhibit of home-made playground apparatus: First prize, Mitchell Better Built playground slide, valued at \$80, given by the Wisconsin Land and Lumber company, Hermansville.
4. Best plan of school yard, showing suggested improvements: First prize, shrubbery and service, \$50, given by Carley Floral Gardens of Ingalis.
5. Best safety-first poster: First prize, large size first-aid cabinet, valued at \$6, given by Dr. Sawbridge of Stephenson.
6. Best exhibit of three pieces of sewing: First prize, vase, valued at \$3.00, given by Daggett Cloverland garage.
7. Best contribution to fair program: First prize, Amundson Trophy cup.

The total number of points equalled 47, thus giving Hermansville grand sweepstakes of Mitchell Merry Whirl, given by Mr. Mitchell of Milwaukee for Calumet schools winning highest number of points; also the Lahay and Schetter Trophy cup and a \$25 U. S. parade flag, given by the M. and M. Light and Traction company of Menominee and Marinette.

At the 1928 fair the Hermansville school will have the honor of delegating nine students to march at the head of the school parade, carrying the flag.

The Amundson cup and the Lahay and Schetter cup and the U. S. flag are prizes awarded for one year. If won three successive years, they will become the school property.

The IXL band, consisting of Hermansville players, furnished the music for the marches.

# U. P. FARMERS TO MAKE TOUR

## Dairy Farms in Wisconsin to Be Visited Oct. 3 to 6.

Menominee, Sept. 27—(P)—A dairy tour for the benefit of upper peninsula farmers, covering 400 miles for the round trip and including visits to some of the leading dairy farms in Wisconsin, is announced for October 3, 4, 5 and 6 by R. E. Horwood, Michigan State college dairy specialist for this part of the state.

The tour will be the first of its kind for farmers of the peninsula since the one sponsored by the Upper Peninsula Development Bureau several years ago, when a large number of dairymen traveled to the national dairy show.

The first leg of the journey will take the tourists to Green Bay, Wis., where they will visit the dairy farm operated in conjunction with the county hospital, and also the Ferndell Guernsey farms. The tourists will remain overnight in Green Bay and the next morning will visit the Fairmount creamery, near Green Bay. They will then proceed to Denmark, Wis., where they will inspect a large condenser. Remaining all night in Manitowish, the tourists will travel the next day to Fond du Lac and thence to Oshkosh and Appleton. From Appleton they will return to the starting point at Iron Mountain.

Instructions in heard improvement work, presentation of an opportunity to learn cattle judging, inspection of most modern methods of barn construction and dairy equipment will be some of the points gained by the men making the trip, Horwood said.

Farmers who are marketing milk in cities were especially urged to make the trip. The improvement of the herd by the introduction of more purebred sires, thus increasing the production, will be one of the points gained in the observation of the dairies to be inspected, Horwood said.

Special hotel rates will be secured for the group to make the trip, according to present plans. County agents are handling the arrangements for registration of those who desire to make the trip.

The farmers will gather in Iron Mountain on Sunday night, October 2, to be ready to leave on Monday morning, according to Horwood. Predictions are being made by county agents that the trip will attract a large number of dairy farmers from the upper peninsula.

# WONDERFUL NEW REMEDY FOR RHEUMATIC ACHEs AND PAINS

Liniment They Use on Big League Ball Players Like Walter Johnson.  
Stops Aches, Pains, Stiffness Quickly

Big league baseball stars like Walter Johnson, Bucky Harris, Ty Cobb, Herb Pennock, Alexander and others cannot afford to be laid up with aches, pains, swollen joints or stiffness a single day, for they must use the best remedy money can buy.

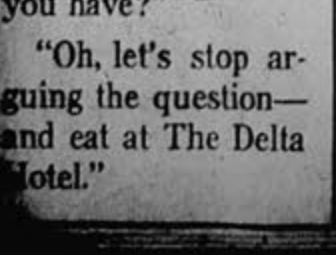

The liniment they use out at the ball park works like lightning and in a jiffy relieves aches, pains, stiffness or swollen joints due to sprains, rheumatic troubles, neuritis, neuralgia, etc. A thousand times each baseball season this wonderful liniment does its work in big leagues, professional and amateur baseball circles, and yet this liniment they use is so mild it would not harm a baby's skin and never blisters no matter how much you rub it in or bandage it up.

The liniment is named after the famous trainer, Mike Martin, the man who for years was trainer of the New York Yankees, Cincinnati Reds, Columbia University, etc., and who now is trainer of Washington's 1924-25 American League champion baseball club.

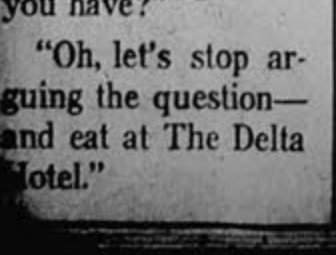

It is called Mike Martin's Liniment. Local druggists are featuring it. Any person suffering with aches, pains, lame back, rheumatism, swollen joints, stiffness, neuralgia or neuritis, should get a bottle. It is pleasant to use, never stings, and by rubbing a little into the

PRISON TERMS GIVEN TO TWO AT MANISTIQUE

Volstead Violators Sentenced by Judge Collingwood Tuesday.

Out of 11 liquor law violators who faced Judge Charles Collingwood in Schoolcraft county circuit court for sentence Tuesday morning, two received prison terms at Jackson, two were fined \$100 each, and three were placed on probation for one year.

The penalties were as follows: Elmer McLellan—Six months to one year at Jackson. Arthur Miller—Six months to one year at Jackson. James Cull—Costs of \$100. Fred Kerridge—Costs of \$100. Leslie J. Savage—Costs of \$50. Herbert Hawkins—\$50. Don C. Johnston—\$50. Joseph Rappan—Probation for one year. A. J. Smith—Probation for one year. Alex LaBelle—Probation for one year. Douglas Thornton—Probation for one year. Sheriff Leaves Today.

Those who received prison sentences will be taken to the state penitentiary today by Sheriff J. M. Hewitt and Undersheriff L. B. Chittenden.

Those receiving fines of \$50 were given 48 hours to pay, or the alternative of a county jail sentence until paid, not to exceed 30 days. A like condition was attached to the \$100 penalty, except that the maximum jail sentence for failure to pay was 60 days. The probationers were turned over to Angus McLeod, probation officer, and are required to report to him at stated intervals. They must also conduct themselves within the law at all times, and were reminded by Judge Collingwood that even taking a drink would be a violation of their probation. Each

ORDINANCE TO REGULATE ALL CITY HAWKERS

School Budget of \$103,226 Submitted to Manistique Council.

New regulations for hawkers and peddlers are embodied in a new ordinance passed Monday evening by the Manistique city council. The ordinance is known as No. 8, and will go into effect October 10. One of the provisions is that peddlers pay a license fee of \$10 for the first day they do business in Manistique and \$5 for each subsequent day.

The annual budget for the Manistique public schools was presented for the approval of the council Monday night. The budget this year calls for a total of \$103,226, as compared to \$104,214.10 in 1926. Subtracting \$25,106.55, which represents the primary school money and other income, the amount to be raised by taxes this year is \$78,119.45. This is about \$2,000 more than in 1926, due to the fact that a lesser amount is offset by the primary school money.

# Pirates Keep Two Game Margin Over Cardinals

## DEFEAT CUBS IN FINAL, 2-1

### Pittsburgh Makes Clean Sweep of 4 Game Series.

Chicago, Sept. 27.—(AP)—Pittsburgh retained its two-game margin over the St. Louis Cardinals today by taking the final game of the series from the Cubs, 2-1, making a clean sweep of the four-game series. It was the final game of the National League season in Chicago.

George Grantham's home run smothered the Cubs in the fourth inning following a single by Traynor, gave the league leaders the victory.

Lee Meadows, who started for the Pirates, was relieved in the fourth inning, after Wilson had led off with a single, and Hill, who succeeded Meadows, was yanked in the sixth inning when the Pirate pitcher broke his glasses.

Carlson held the visitors to seven hits, only three of which came in one frame. The Cubs touched Meadows for four hits while Hill yielded only one and Kremer was invincible.

## Rock, Felch Play Tie; Each Scores One Touchdown

Rock, Sept. 27.—(Special)—Rock and Felch high schools played a 6 to 6 tie game of football here today. Rock scored in the second period when L. Larson grabbed a Felch punt and ran it back 70 yards for a touchdown. The Felch marker came in the third period when Mattson snared a pass and raced across the goal. Each team made ten first downs during the encounter.

## YANKEES DRUB ATHLETICS, 7-4

### Babe Hits 57th Homer With Bases Full, Gehrig Gets 46th.

New York, Sept. 27.—(AP)—The Yankees handed the Athletics a 7 to 4 drubbing today before 12,000 fans while Ruth and Gehrig each contributed a home run. Babe Ruth hit his 57th homer with the bases full in the sixth and Lou Gehrig hit with none on in the fourth. Ruth needs a homer in each of the three remaining games to break his 1921 record of 59. Hitting for the circuit with all the sacks occupied has been a rare feat for Ruth.

## Dempsey Says He Was Not Told to Retreat to a Neutral Corner

New York, Sept. 27.—(AP)—Jack Dempsey came out tonight with a flat denial of Gene Tunney's claim regarding final instructions from Referee Dave Barry in the championship bout at Chicago. "I received no warning or instructions about retreating to a neutral corner in the event of a knockdown," Dempsey told newspaper men.

"I feel that I lost the decision through the fault of a referee who was not favorable to me. I knocked Tunney out and I can do it again. I want another match with him and I'm going to do my best to get it," Dempsey repeated that he would make no protest of any kind but that his manager, Leo P. Flynn, would have a statement ready tomorrow that would throw a new angle on last-minute developments before the fighters climbed into the ring. Flynn's statement, Dempsey declared, would be in the form of a formal protest.

## OHIO WESLEYAN SELDOM VISITOR

### Michigan's Opponent Saturday Stranger at Ann Arbor.

Ann Arbor, Sept. 27.—(AP)—Ohio Wesleyan university, opponent of the University of Michigan on October 1 in the first game of the 1927 football season, has not been a frequent visitor in Ann Arbor. Two games of football, five of basketball and one of basketball constitute the record of meetings between teams of the two schools. All of the football and basketball games were played fifteen or more years ago.

The first athletic meeting was the famous scoreless game of 1897 when Fielding H. Yost had his first introduction to Michigan football as coach and player on the visiting team. That game, played on an early October date 30 years ago, was followed by another game 22 years ago when Yost had become thoroughly entrenched as coach at Michigan, in which the visiting team was defeated, 65 to 0. That amounts to the total of football points between the two teams.

The five baseball games were played between 1894 and 1922, Michigan scoring 52 runs to 10 for the Wesleyans in the games. The basketball game was of comparatively recent vintage, the Delaware team appearing here in one of the practice games of 1925, being beaten in the final minutes by a few points.

The visiting team brings to Ann Arbor a rather impressive five-year record, compiled under the teaching of George E. Gauthier, former player and coach at Michigan State college. In its own class it has lost a single game in that time, that being to the University of Athens, 6 to 0, in 1924.

Wesleyan's victories include wins over Michigan State college in 1922 and 1923, and one over the University of Detroit in 1924. The Wesleyan eleven tied Syracuse in 1925. In addition to the Athens defeat, Wesleyan lost a game to Colgate in 1923, and has annually lost a game to the team of Ohio State.

Wesleyan has been shut out in three of the five games played against Coach Willie's team, 5 to 0. Kashmir rated the fastest of the 1924 the score was 10 to 0 and last year the university machine scored its most distinctive triumph by winning, 47 to 0. They do not appear on the Ohio State schedule this year, the Buckeyes announcing they will alternate their opening games among the Ohio colleges.

## Gene Learned Something About Psychology When Coming Up from Floor

### BY EDWARD J. NEIL (Associated Press Sports Writer)

New York, Sept. 27.—(AP)—The crisis Gene Tunney expected to face sooner or later in his ring career—coming up from the floor, dazed and wobbling at the count of six—taught the heavyweight champion something new about psychology.

On his homecoming today from the Soldier Field battleground, Gene told how for several years he had planned to meet the situation that confronted him when Jack Dempsey floored him in the seventh round of the spectacle on the Chicago lake front.

## ISOLA'S WORTHY WINS 1ST MONEY

### Racing in Consistent Form Helps Merkle's Entry to \$32,336.10

Lexington, Ky., Sept. 27.—(AP)—Racing in highly consistent form Isola's Worthy won the second renewal of the Hambletonian stake today. Her owner, E. J. Merkle of Columbus, Ohio, received \$32,336.10 as her portion of the stake. She was driven in faultless style by Marvin Childs and her second heat in 2:04 3/4 lowered Guy McKinney's record of last year a full second. Second portion went to Barton Parde's Nescopee, trotting a highly improved race over either her previous appearances here in 2:38.88.

The Get of Guy Axworthy made a wonderful showing, they also winning third money. Beneficiaries received \$4,190.44. Grey Brewer, granddaughter of Guy Axworthy, was fourth. Fourth, fifth and sixth horses each received \$1,000. Isola's Worthy was strong favorite as she was known to be an extremely fast trotter and also a steady one. Kashmir rated the fastest of the 1927 the score was 1 to 0 and last year the university machine scored its most distinctive triumph by winning, 47 to 0.

The Phoenix for 2:05 pacers was a comparatively easy victory for the big free-lingered pacer Hollywood Volo. Tarzan Grattan was the principal contender. Widow Hal won the opening heat of the LaFayette but after that Captain Heurtus outshined Princess Irquois in furious drives. Minia Dillon won the 2:08 trot in straight heats.

## THOMPSON LISTS 1927-8 EVENTS

### State Director of Athletics Compiles Activities of Schools.

Lansing, Sept. 27.—(AP)—With two years of probing the athletic desires and needs of Michigan high schools behind him, A. W. Thompson has been able to make out this year a list of most of the events in which high school athletes will compete at the beginning of the year. The program indicates a comprehensive plan of competition for the Wolverine state high school athletes.

The more important events are the district basketball tournaments the first three days of March, the regional tournaments a week later and the state tournament on March 15, 16 and 17. The state high school track and field meet will be held May 25 and 26; the golf tournament on May 26 and the state tennis tournament the first two days of June.

The years' list of events especially sponsored by the state association, follow: October 15—Upper peninsula cross-country race at Escanaba. November 11—State cross-country run at Michigan State Normal college, Ypsilanti. December 10—State basketball rules meeting, University of Michigan, Ann Arbor. December 12—Upper peninsula basketball rules meeting, location undecided. February 5—Winter sports carnival, Michigan College of Mines, Houghton. February 22—State gymnastic meet, Michigan State Normal college, Ypsilanti. March 1, 2 and 3—District basketball tournament. March 8, 9 and 10—Regional basketball tournament. March 15, 16 and 17—State basketball tournament. March 16-17—High school swimming championships, Michigan State college, East Lansing. April 15—Upper peninsula indoor meet, Michigan College of Mines, Houghton. May 19—Regional high school track meets. May 25-26—State high school track meet, Michigan State college, East Lansing. May 19—Regional high school golf tournament. May 25-26—Regional high school tennis tournaments. June 1-2—State high school tennis tournaments. June 8-9 (date unconfirmed)—Upper peninsula track meet at Menominee. June 16—District high school meet, Michigan College of Mines, Houghton.

## Seeger of Gladstone on Marquette Eleven

Marquette, Sept. 27.—Coach C. B. Hedgecock's Normal gradidders will meet the Stevens Point, Wis. Normal college eleven at Normal field here next Saturday. Gordon Seeger, former Gladstone high school football star, will start at guard in the Northern State Normal's lineup.

## NATIONS TRADE DRINKS

Uncle Sam traded a volume of beverages equal to a couple of small lakes with other countries last year, importing 745,652 gallons of mineral water, 69,933 gallons of ginger ale, 559,677 gallons of lemon, lime and sour orange juices and other beverages worth in toto some \$1,164,443. He sold \$1,255,402 worth of wet stuff, however, Canada and Cuba being the best customers. The imports came chiefly from the United Kingdom, France and Italy.

## Assyria was the first country to employ kilts as national dress.

## WILL TRY TO STOP PASSE

### Coach Brunelle Whipped Team in Shape for Esky High Game.

Detroit, Sept. 27.—(AP)—The three favorites in the women's district golf tournament at the Detroit Golf club came through their first round matches today by large margins. Their scores were identical, 6 and 4.

Mrs. Harley G. Hibbe of the Detroit Country club, defending champion, defeated Mrs. F. W. Bredel of Bloomfield Hills; Mrs. Stewart Hanley of Oakland Hills defeated Mrs. Walter G. Hoy of Meadowbrook, and Mrs. Olin Finney of Oakland Hills defeated Miss Kate Duncan of Essex.

Mrs. P. H. Sheridan of Oakland Hills defeated Mrs. William McGivern, 3 and 1, in a match considered a toss-up at the start. Others to win their way to the second round were Mrs. J. F. Gilmore, Detroit Golf club; Mrs. E. A. Ranney, Masonic club; Mrs. Seabourne Livingston, and Mrs. R. M. Connor of Red Run.

Wednesday's matches find the following pairings: Mrs. Higbee meets Mrs. Gilmore; Mrs. Sheridan meets Mrs. Ranney; Mrs. Hanley meets Mrs. Livingston, and Mrs. Connor meets Mrs. Finney.

## LINEMEN GET STIFF DRILL

### Roels Whipping Eleven Into Shape for St. Joseph Game.

Coach C. B. Roels of the Escanaba high school eleven, which will meet the St. Joseph football squad next Saturday in their annual contest, put his linemen through a stiff drill on offensive and defensive tactics. A dummy scrimmage on new and old plays was also held.

Coach Roels will be without the services of Erdman in next Saturday's game, and Beath and Breitenbach are being worked for the tackle position. Erdman was injured in the game with Manistique last week.

Stegath, who has been idle due to a foot infection, is expected to be out for practice today, and in all probability will see action against Coach Leo Brunelle's squad. Captain Snyder is being used at end in the workouts this week, and no doubt will start at the wing position next Saturday as a result of his good showing in defensive and offensive plays against the Schoolcrafters. Demars, who gave a good account of himself last Saturday when he was called to take Snyder's place in the backfield, is being worked at the half position.
