

Princeton Willing to Allow Caldwell to Play

ASK EXCEPTION TO BIG 3 RULE

President Hibben Urges That Permission Be Granted

Princeton, N. J., Nov. 9—(AP)—Suggesting that an exception under the transfer rule be made in the case of Bruce Caldwell, Yale fullback, just declared ineligible, the Princeton faculty committee on athletics today notified Yale athletic authorities it would receive "with great pleasure" any action which would permit the Eli star to play against Princeton in this Saturday's game at New Haven.

At the same time, President John Grier Hibben of Princeton wired James R. Angell, president of Yale, urging that Yale yield to the suggestion that Caldwell be permitted to play in the final game.

Similar expression on behalf of Princeton's undergraduate body was expected later in the day after a special meeting of the student council.

The faculty committee on athletics took the position that while it regarded the transfer rule as sound, it also felt that Caldwell's case was out of the ordinary and merited special consideration because "of the late date at which the facts have come to light" almost on the eve of the big game.

The faculty committee's statement follows:

Hibben wires Angell.

The Princeton faculty committee on athletics recognizes that under Princeton's agreement with Yale all decisions of the eligibility of Yale athletes properly rest with the Yale committee. We have the most cordial confidence in any decision which the Yale committee may make. We believe in the wisdom and effectiveness of the transfer rule in its present form. But

we wish to express regret that Bruce Caldwell should be lost to the Yale team almost upon the eve of the Princeton game. In view of the late date at which the facts have come to light, we wish to say that if it seems to the Yale committee in any way possible and proper to make an exception of that game and permit him to play against Princeton, such action would be received with great pleasure at Princeton.

President Hibben wired President Angell of Yale as follows:

"I am distressed to learn of the situation which has arisen concerning Bruce Caldwell. I hope that your athletic committee will yield to the suggestion of the Princeton faculty committee to allow Bruce Caldwell to play in the game on Saturday. We will rejoice as much over such a decision as all of you at New Haven."

MAY DECLINE OFFER.

New Haven, Conn., Nov. 9—(AP)—In absence of official action of Princeton's offer to allow Bruce Caldwell to play football for Yale against the Tigers Saturday, although ineligible, indications tonight were that Princeton's suggestion would be declined with appreciation and that the ban on Caldwell would stand.

John M. Cates, director of athletics at Yale, said tonight a meeting of athletic officials would take place probably tomorrow to consider the offer. Prof. George H. Nettleton, chairman of the board of control of Yale athletics, was out of town tonight and his associates hesitated to act without him.

From the time a child is born until he reaches the age of 19, danger of accidental death is a menace and between the ages of 5 and 14 years, the child is more likely to die as the result of an accident than from any disease.

The accidental death rate in the United States is more than twice as much as that in England and Wales.

RIVALRY DATES BACK TO 1899

Eskey Won 9 Games, Tied 3 and Lost One With Gladstone

When Gladstone and Escanaba high schools clash on the athletic field here on Armistice Day, it will be the fourteenth encounter of football squads of the two schools since hostilities were first opened way back in 1899.

Since that time, the Hilltoppers have lost only one game, that being in 1901, when the Uphys scored a 11 to 0 victory. In the same season, however, Escanaba came back later to avenge the defeat by a 11 to 5 score. Escanaba has won nine of the 13 games, tied three and lost one.

The most severe beating ever dealt was in 1913 when Escanaba, with one of the strongest teams in the state, defeated the Uphys, 133 to 0. This marked the cessation of hostilities for a period of 10 years, and when relations were renewed in 1923, the Hilltoppers won by a 6 to 0 score.

In 1925, Gladstone held Escanaba to a scoreless tie in a hard-fought game, in which the Kellmen lost several good chances to score. Last year, Coach C. B. Roels' aggregation trimmed the Uphys eleven by a 13 to 6 count. The other tie games were in 1905 and 1911, the scores being 5 to 5 and 0 to 0, respectively.

Escanaba teams have rolled up a total of 310 points as compared with 33 made by Gladstone in the 13 encounters.

Strong This Year.

Next Friday, Gladstone is coming here with one of the strongest teams of the peninsula, and one that is classed as having the

best chance Gladstone has had in years to defeat Escanaba. The Kellmen have been pointing toward the Escanaba game for the last three weeks. Several players, who were nursing slight injuries, were kept out of last Saturday's game with Kingsford so that they would be in shape for the Armistice Day game. Coach Eldon Kell has been putting his charges through extensive workouts all week in preparation for the battle, and it is expected every man will be in the pink of condition, with the exception of Capt. Dick Foster, who will not be in uniform as the result of injuries which early in the season robbed the Kellmen of his services for the rest of the year.

The scores of the 13 games are as follows:

1899—Escanaba 32; Gladstone 0
1901—Escanaba 0; Gladstone 11
1901—Escanaba 11; Gladstone 5
1905—Escanaba 5; Gladstone 5
1905—Escanaba 21; Gladstone 6
1908—Escanaba 17; Gladstone 0
1911—Escanaba 0; Gladstone 0
1912—Escanaba 52; Gladstone 0
1913—Escanaba 133; Gladstone 0

1923—Escanaba 6; Gladstone 0
1924—Escanaba 20; Gladstone 0
1925—Escanaba 0; Gladstone 0
1925—Escanaba 13; Gladstone 6

Georgetown Pilot Takes Time Out for Injured Opponent

Washington—(AP)—Georgetown university has a candidate for the all-American eleven who already has clinched a position on the all-American honor roll of sportsmen.

He is Claude Grigsby, captain and center of the big Blue and Gray team, and a starter in 27 successive games since making the team in his sophomore year three seasons ago. Saturday Grigsby led his eleven to a 27 to 2 victory over Lafayette. Lafayette in the midst of a drive that already had covered 30

PREPARING FOR ILLINOIS GAME

Maroon's Battered Line-up Ready for Action Saturday

Chicago, Nov. 9—(AP)—Coach Alfonso A. Stagg's Maroons, who withdrew before the onrush of Michigan's backs last Saturday when Capt. Ken Rouse was forced by injury to retire from his center position in the third period, probably will present its full strength at kickoff time at the Illinois Memorial stadium Saturday.

Capt. Rouse will be ready to match his bulk and brains against Capt. Bob Reitsch, Illinois' all-conference center, and other of the Maroon cripples will be fit. Leyer, who was removed from the Michigan game with cramps in his legs, is not badly hurt, and Mendenhall, Smith and Rayson, all halfbacks, are again in the lineup.

Coach Zuppke is not under estimating the strength of the Maroons, in spite of defeats in their last two games. His team will be fighting to keep its no-defeat record unblemished with a conference championship in sight.

Coach Spears, powerful Minnesota eleven whose record of no conference defeats is marred only by a 14-14 tie with Indiana, plays its last home game of the season against Drake. Because the game provides the last opportunity Minnesota fans will have of seeing the

yards, suffered an injury. About to take time out, Captain Cotran remarked he had already exhausted his quota for the half. Grigsby overheard him. Finding he had one more time out left he said, "I'll take time out for Lafayette." Charge it to Georgetown.

great sophomore team of 1925, now a senior squad. Coach Spears may permit his regulars to play part time.

Badgers Meet Iowa.

Capt. Joesting, Almquist, Nidahl, Gary, Matchan, Mackinnon, Kaminski, Melder, Hanson, Mulvey and Walsh will make their last home appearance.

Coach Burt Ingwersen of Iowa will take his Hawkeyes to Madison to engage Coach Glenn Thistlethwaite's Badgers in their annual homecoming struggle. Iowa has lost its last ten conference games and the Badger regulars recuperated, by two weeks' rest, hope to make it eleven.

A capacity crowd of 86,000 is expected at Michigan's new stadium when Tad Weisman's Wolverines seek revenge for their 1926 beating at the hands of the Navy.

Coach Bill Ingram of the Navy personally scouted Michigan last week. Coach Dick Hahley of Northwestern is attempting to muster enough of his battered warriors to make a creditable showing against Pat Page's dangerous Indiana team.

The first session of Congress held in Washington was in 1800, when the north section of the original capitol was completed.

Among males, only two diseases, heart and tuberculosis, cause more deaths than do accidents.

The annual death toll from automobile accidents is about 25,000.

GO ON TRACKS AT OWN PERIL

Auto Can Stop, Train Can Not, Says Supreme Court.

Few decisions of the United States supreme court in recent years have created more comment than that handed down recently in a suit against the Baltimore & Ohio railroad in which a man killed at a crossing, was held to be crossing the tracks at his own risk. The court held that reliance on signals or hearing are not sufficient to transfer responsibility for an accident.

Several readers of the Press have asked that the full text of the court's opinion, delivered by Mr. Justice Holmes, be printed. The full text follows:

The Court Said:
 "This is a suit brought by the widow and administratrix of Nathan Goodman against the petitioner for causing his death by running him down at a grade crossing. The defence is that Goodman's own negligence caused the death."
 "At the trial the defendant asked the court to direct a verdict for it, but the request and others looking to the same direction were refused, and the plaintiff got a verdict and a judgment which was affirmed by the Circuit Court of Appeals, 10 F. (2d) 58. Goodman was driving an automobile truck in an easterly direction and was killed by a train running westerly across the road at a rate of not less than 60 miles an hour. The line was straight, but it is said by the respondent that Goodman "had no practical view" beyond a section house 243 feet north of the crossing until he was about 20 feet from the first rail, or, as the respondent argues, 12 feet from danger, and that then the engine was still obscured by the section house.

"He had been driving at the rate of 10 or 12 miles an hour but had cut down his rate to 5 or 6 miles at about 40 feet from the crossing. It is thought that there was an emergency in which, so far as appears, Goodman did all that he could."

"We do not go into further details as to Goodman's precise situation, beyond mentioning that it was daylight and that he was familiar with the crossing, for it appears to us plain that nothing is suggested by the evidence to relieve Goodman from responsibility for his own death."

"In such circumstances it seems to us that if a driver cannot be sure otherwise whether a train is dangerously near he must stop and get out of his vehicle, although obviously he will not often be required to do more than to stop and look. It seems to us that if he relies upon not hearing the train or any signal and takes no further precaution he does so at his own risk."

"If at the last moment Goodman found himself in an emergency it was his own fault that he did not reduce his speed earlier or come to a stop."

"It is true as said in Flannely v. Delaware & Hudson Co., 235 U. S. 597, 603, that the question of due care very generally is left to the jury. But we are dealing with a standard of conduct, and when the standard is clear it should be laid down once for all by the courts."

"Judgment reversed."

Legion to Hold Practice Tonight

All members of Cloverland and August Mattson posts of the American Legion are urged to be at the Elks club at 8 o'clock tonight for the final practice for the guard mount. It is important that everyone turns out for the drill.

COLDS THAT DEVELOP INTO PNEUMONIA

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. (adv.)

SOCIAL

Card Party.
 The card party sponsored by the Holy Name Society of St. Joseph's church at the auditorium Tuesday evening was very successful from every standpoint. Prizes for five hundred were awarded to Mrs. Michael Hrn. Donald Richards first, Mrs. Leo Trotter, F. J. Sheedio second, Mrs. John Chevette and Joseph Burgo, consolation prizes.

Pinochle prizes were awarded to Miss Geroux and Rev. Fr. Casper Matz. Bridge awards to A. W. Cleerman, and Mrs. Joseph Richards first, Joseph Richards and Mrs. J. Mallette second.

The ladies of the Altar society served the refreshments which were delicious. Credit for the success of the party is due to Leonard Murray who spared no efforts to make it a grand success.

Farewell Party.
 Mr. and Mrs. W. J. Hatton, Ordenville avenue entertained a group of neighbors and friends at their home Tuesday afternoon complimenting Mrs. George Dutton, Lake Shore Drive who left last night for Kalamazoo, Mich., where she will make her future home.

The afternoon was delightfully spent in singing and selections on the victrola which were accompanied by Mr. Hatton on the Jew's harp. The musical numbers were greatly appreciated and enjoyed by the guests. Delicious refreshments were served and Mrs. Dutton was presented with a token of remembrance from her friends.

Mrs. Dutton has made her home in this city for the past seventeen years and has a host of friends here who deeply regret her departure from this city.

Nerve Clinic to Be Held Today by Newberry Doctor

Dr. J. T. Redwine, assistant superintendent of Newberry state hospital, will conduct a clinic for nervous and mental diseases in the office of Dr. H. J. Defnet, city health commissioner, in the city hall this afternoon. The hours will be from 1 to 4 p. m. Dr. Redwine will be pleased to consult with any of the relatives of patients who are now being treated in the hospital at Newberry. It is announced.

Baby Contest of Washington P. T. A. Will Open Today

The annual baby contest of the Washington school Parent-Teachers' association will begin today.

Any baby in Escanaba under the age of two years is eligible. Information and voting cards may be obtained by calling Mrs. Arthur L'Heureux, 201 North Thirteenth street, Telephone No. 1348-J, or Mrs. Stanton Abrahamson, 602 Stephenson avenue, Telephone No. 167-J.

Three prizes are offered. The winner of first place will be awarded a loving cup or a diamond ring, the mother to have her choice; second prize will be a gold locket; and third prize a silver cup.

The contest will close November 30.

St. Francis Hospital

Robert Goodman of Trenary who is laid up with a fractured leg is doing nicely.

Mildred St. Cyr submitted to an operation and is doing nicely.

Mr. and Mrs. Clifford Ellist are the parents of a daughter.

Mrs. Roy Morrison underwent a surgical operation and is resting easily.

J. R. Freeborn underwent an operation for appendicitis and is as well as can be expected.

John Mattson of Gladstone, who is a medical patient is doing nicely.

Stanley Beggs who underwent an operation is resting easily.

AMUSEMENTS

AT THE DELFT.
 In the picturization of General Lew Wallace's famous novel and stage play, "Ben-Hur," playing at the Delft theatre for an extended engagement, a singularly fine conception of the entry of Christ into Jerusalem on Palm Sunday was filmed in technicolor by Director Fred Niblo for the Metro-Goldwyn-Mayer spectacle.

The entry of Christ into Jerusalem was handled very delicately, though impressively. The face of the Christ is never visible. It is shadowed and hidden by the branches of a palm. As He enters through the Joppa Gate, a huge structure built in Rome, Italy, along the lines of the original Joppa Gate of Jerusalem through which the Christ is said to have entered the city some 1900 years ago, the enthusiasm of several thousand people breathlessly waiting the coming of the Messiah rose to a crescendo.

An excellent cast of screen players enact the principal roles. Ramon Novarro plays the part of Ben-Hur, May McAvoy is seen as Esther and Carmel Myers as Iras, the exotic vampire.

AT THE STRAND.
 "Mockery," Lon Chaney's new starring vehicle for Metro-Goldwyn-Mayer which is being shown at the Strand, is a dramatic mystery play of the Russian revolution.

Chaney plays the role of a strange, hermit-like peasant who worships a girl of the upper class.

IF YOU HAVE AN ACHE OR PAIN LET THIS EXPERT HELP YOU

HE LOOKS AFTER WALTER JOHNSON AND OTHERS OF WASHINGTON BALL TEAM

For Twenty Years He's Been Relieving Lame Back, Sore Stiff Muscles, Swollen Joints, Sprains, Achy Feet, Rheumatic Pains and Kindred Ills of Big League Athletes

Greatest Expert Living On Keeping Athletes In Perfect Condition.

TRY HIS METHOD ON YOUR ACHE OR PAINS

We want to introduce the reader to Mike Martin, who probably knows more about keeping a person in fighting condition than anyone else living. For 25 years, at various universities and with the New York Yankees, Cincinnati Reds and now as trainer of the Washington Ball Club, Mike Martin has won fame as a lightning quick flier of sprains, pains, aches, etc.

Mike Martin is a genius. He can take worn claims to be too old, stiff or rheumatic to play baseball at all and make them as frisky, vigorous, supple and quick as a boy. Mike Martin knows his business—ask Walter Johns, R. Kremer, Ty Cobb, Pennock, or any of the big stars. They know.

MIKE MARTIN, Trainer Washington Ball Club

He CAN HELP YOU
 Mike Martin has had a little folder printed, telling how he quickly banishes stiff, swollen joints, achy lame backs or feet, various rheumatic pains, etc. He has arranged with leading druggists here in town to sell you generous sized bottles of the liniment they use at the ball park. Athletes on other teams kept Mike busy making his "Mike Martin Liniment." Trainers, coaches, college, big league teams all over the country buy it by the gallon from Mike. Now, Mike Martin, swamped with demands from this liniment and directions how to use it, has developed a big sales company to distribute it and they are supplying all the druggists—Mike still superintends the making of it—during odd times between acting as trainer of the 124 and 125 American League champion Washington Ball Club.

ASK THE DRUGGIST
 If your druggist hasn't secured a few bottles of Mike Martin's Liniment, ask him to get it. There is no other liniment like it. It works like ground lightning even in cases of chronic lameness, swellings, stiffness or pains, yet is so mild it can be used on a baby's skin. Mike Martin's Liniment is unquestionably the most effective, quick, sure, up-to-date remedy made. Big league players couldn't afford to fool with weaker, slower remedies. No one else should.

65c for 10/4oz and two ounce bottle of liniment or \$1 for large four ounce bottle at all good drug stores.—Adv.
