

ALBERT B. FALL IMPLICATES 3 OTHERS

ANTI-HOOVER VOTE IN OHIO STILL INTACT

WILLIS' DEATH NO BENEFIT TO SECRETARY

Overnight the entire national political situation has changed. The death of Senator Frank Willis of Ohio concerns not this state alone but the nomination of a president.

Offhand, it would seem that the elimination of Senator Willis would give the state to Secretary Hoover in the primaries on April 24th.

The best information obtainable before Mr. Willis died was that Secretary Hoover was holding his own but that the senator had the edge.

The people of Ohio will be voting after all for groups and not for individuals anyhow. The anti-Hoover strength will remain intact.

The strategy of the Lowden-Ohio Not "Key" Now. (Continued on Page Two.)

SEN. WATSON PUSHES FARM RELIEF BILL

ISSUE WITH ADMINISTRATION IS TAKEN UP

Washington, Apr. 2—(P)—Issue with President Coolidge and his cabinet was taken in the senate today by Senator Watson of Indiana, a Republican presidential candidate, in championing the controversial equalization fee provision of the McNary-Haugen farm relief bill.

Opening debate on the bill seeking a solution of the long-standing controversy over farm relief, Senator Watson declared the issue had resolved into the feasibility of the equalization fee by which it is proposed to raise funds for marketing surplus crops.

WOMAN MISSING AT MANISTIQUE

Manistique, April 2—(Special)—Plans for dragging the river bed below the intake dam were being considered at Manistique in the search for Mrs. E. N. Johnson, owner of the Johnson Greenhouses, who disappeared sometime during the night Sunday from her room at the James Christensen residence, 530 Delta Ave.

Mr. and Mrs. Christensen reported that Mrs. Johnson had retired as usual Sunday night. When Mrs. Christensen went to call her this morning, there was no response, and an investigation showed her room empty.

WAS ADVISED TO LEASE OIL PROPERTIES

TWO SENATORS, FORMER CABINET OFFICER NAMED

El Paso, Tex., Apr. 2—(P)—Three Republican leaders—a former cabinet member, who is now in Europe, a senator and a former senator—have been named by Albert B. Fall, former secretary of the interior, as having advised him to write the famous McLean letter to the senate Teapot Dome committee in 1923 in an effort to conceal a loan of \$100,000 from Edward Doherty, oil magnate.

Former Senator Irvine Lenroot of Wisconsin issued a prompt denial in Washington today that either he or Senator Smoot, Republican, Utah, had advised Fall to conceal the Doherty loan.

Deny Charges

Washington, Apr. 2—(P)—Both Senator Smoot of Utah and former Senator Lenroot of Wisconsin denied flatly today that they at any time had suggested to Albert B. Fall, former interior secretary, that he write the McLean letter.

Received Pre-dated Checks

Fall's story was that he acted at the suggestion of the party leaders when he wrote the senate committee that the \$100,000 came from McLean. He said it was felt that Doherty had just loaned \$100,000 to the Mexican government with the consent of the administration.

Will Go to California

To support his contention that the Harding administration merely carried out a precedent set by the previous Democratic administration, the former interior secretary cited an executive order by Woodrow Wilson transferring the naval oil reserves from the navy to the interior department.

Deny Charges

NORTHWEST IN STORM'S GRIP

Coast States Besieged by Land and Sea; Two Boats Overdue

Seattle, Wash., April 2—(AP)—Besieged on land and sea, the Northwest today felt the full fury of a parting wintry thrust that lashed the region from Saskatoon to San Francisco with rain, snow, cloudbursts and terrific winds and imperilled shipping along the gale-swept coastline.

Both the sailing schooner K. V. Kruse, 117 days out of Australia for Seattle and the steamer Jane Nettleton, southbound from Puget Sound, reported they were in trouble. Five men who Saturday took off in a lifeboat to aid the schooner Helen B. Sterling off the Oregon Coast were adrift in the stormy sea.

Storm Warnings Ordered. Saskatchewan, reported a threatened repetition of last week's flood in the Pine Lake Valley, 20 miles southwest, with the breaking up of a 12-mile jam which caused the first flood two smaller ice jams forming and the waters of the Saskatchewan river rising.

ANTI-HOOVER VOTE IN OHIO STILL INTACT

(Continued From Page One.)

Dawes combination may be to stay in the background and let the Willis delegates win, trusting to their co-operation later on when the convention takes place. But the big significance of the death of Senator Willis is that Ohio will not furnish the deciding contest in the republican presidential race. Herbert Hoover might have been eliminated if Senator Willis had defeated him decisively.

Gray Is Elected In Inwood Twp.

Manistiquette, April 2 (Special)—George Gray was elected supervisor over Al Hunscher by a 103 to 103 vote in the Inwood township election today. CLUB SPECIAL HERE TONIGHT

Open for Inspection 7 to 10 P. M.; Public Is Invited.

The boys' and girls' club special train will come to Escanaba tonight, and will be open for the inspection of the general public from 7 to 10 p. m., at the C. and N. W. railway yards, near the general offices at North Fifth street.

Stopping at Cooks, Esquign and Rapid River yesterday, the club special was visited by large crowds of men, women and children, who displayed much interest in the exhibits of the work of the upper peninsula clubs.

The train will go to Rock tomorrow morning, and Thursday morning will be at Bark River, the last stop in Delta county before it enters Menominee county.

This train is run by the railroads having lines in the upper peninsula, the Upper Peninsula Development Bureau and the state and county staff of agricultural extension workers of Michigan State college.

All Club Work Shown. The object of the train is to show by lectures, exhibits and demonstrations what successful 4-H club work can do for any community that will accept the responsibility of some local leadership to supervise the efforts of their boys and girls.

The train consists of an engine, two passenger coaches for lectures, two exhibit cars, a business car and a sleeper. The first exhibit car holds the livestock, poultry, egg and potato exhibits. All exhibits on the train are from 4-H club members in the upper peninsula, except three show calves which have been loaned by progressive and public spirited owners of dairy farms in Michigan.

In the livestock car, Egbert Tasma, a 4-H club boy from Chippewa county, is exhibiting his calf club herd. The start of his herd began in 1924 when he purchased the pure-bred Holstein Lillian Sylvia Posh. The other two Holsteins in his herd are calves of Lillian Sylvia Posh and make up a foundation of a pure-bred herd which any dairy farmer would be only too glad to own. Egbert Tasma, the owner of the herd, is the official herdsman on the train.

Fine Jersey Calf. The Jersey calf is furnished by co-brothers of the Oakland of Ann Arbor, Mich. Her name is Rosebays Finessa, and was born May 29, 1927. She comes from the nobility in Jersey breeding as her dam has a production

record of 500 pounds of fat in 273 days.

The Guernsey calf is from the Loma Farms at Marquette, owned by L. G. Kaufman. Her name is Loma Blossom. She also is quite proud of her ancestry. Her dam has not as yet been tested as she is a young cow, but she has demonstrated her right to wear the purple by winning first prize in the senior yearling class at the Wisconsin state fair in 1925. Loma Blossom was born June 26, 1927.

The Holstein calf exhibited by the Marquette Branch prison farm is Marquette Lakeside Henserveld. The other calves were a little snobbish to this calf at the start of the train because they thought that because of her home environment she might be a social inferior. On learning that Marquette Lakeside Henserveld has a dam who made 596.5 pounds of butterfat in 1926, and a grand dam on her sire side who holds the Michigan state butter record for 30 days, they accepted her as one of the elite.

Poultry Exhibit. Next to the livestock exhibit is the poultry exhibit. Pens of Rocks, Anconas, Rhode Island Reds and White Leghorns are exhibited by 4-H club members of Luce and Iron counties. The four egg exhibits are exhibited by 4-H club members in Gogebic and Iron counties.

A miniature garden arranged in an attractive manner, depicts the garden club work in 4-H club activities.

A boys' handicraft club booth gives the exhibits of the four years of handicraft club work. Handicraft clubs of Gogebic, Menominee, Houghton and Marquette counties cooperated to furnish exhibits for this booth.

Five different booths are filled with the first five years of Garment club work. Another booth shows practical hot lunch equipment for a rural school. A canning booth gives the exhibits of this summer's canning club work. The garment and canning exhibits are individual exhibits from practically every county in the upper peninsula.

Potato Exhibit. A potato exhibit of eight exhibits from Schoolcraft and Iron counties show the four standard potato varieties, especially suitable for the upper peninsula.

The end exhibit is a leadership exhibit showing by pictures and wall panels some very interesting features of successful club leadership work. In one corner is an attractive exhibit of a miniature Camp Shaw, which is the annual camp of 4-H club members located at the upper peninsula experiment station farm at Chatham, Mich.

At each meeting held, a demonstration team, consisting of two 4-H club members gives a demonstration of some parts of their 4-H club activities. Seven different champion teams are given

CITY BRIEFS

Mr. and Mrs. Charles A. Bowers have returned from a three-months vacation visit in California.

Leo Marquart returned to his home at Esquign yesterday, after a brief visit in this city.

Miss Dorothy Garrity, who is an instructor in the public schools in Milwaukee, has arrived in the city to spend the Easter holiday at the home of her parents, Mr. and Mrs. Peter Garrity.

Mr. and Mrs. William Stark of Glenwood, Minn., and Mr. and Mrs. Clarence Weber of this city motored to Ishpeming, Sunday, to call on their brother, Joseph Stern, in the Ishpeming hospital. Mr. Stern is improving, but his progress towards recovery is slow, and it probably will be some time before he is able to return to Escanaba.

A daughter, Mary Jane, was born to Mr. and Mrs. Leo Fugere at their home, 916 First avenue south, Thursday, March 29.

Mrs. Charles Clark and daughters have returned to Green Bay after a visit with friends in the city over the week-end.

Miss Catherine Bartel, formerly of the Boston store, has accepted a position at the Manning & Sullivan store.

J. Daley of Iron River returned to his home yesterday after a business trip to this city.

Mr. and Mrs. J. Stein of Chicago have returned to their home after a visit in this city.

Miss Mary Alice Wilson, who is a student at Holy Family convent at Manitowoc, Wis., is spending the Easter holiday at the home of her parents.

Mr. and Mrs. James E. Montgomery

ing these demonstrations, each team remaining on the train for about four days. These demonstrations consist of meat canning, poultry feeding, textile testing, poultry equipment, farm handicraft, calf feeding, poultry culling and dairy cattle judging. Genevieve and Marjorie Hoppe of Groos are giving textile demonstrations at all stops made in Delta county.

Devotions Attended by Large Crowds of Catholic Worshipers

St. Anne's church has been filled to the doors at each service which is being held during the Forty Hours' Devotions which are being held there this week.

The formal opening took place at the 10:30 mass Sunday morning. Rev. Fr. George LaForest of Flat Rock delivered an eloquent sermon in the French language Sunday evening which was followed by benediction with the blessed sacrament. Many hundreds availed themselves of this opportunity to receive the sacraments and the indulgences attached to this special time of prayer.

The sermon Monday evening given by Rev. Fr. LaForest was in English and he will also speak this evening at the solemn closing ceremonies.

Many priests from this city and the surrounding places took part in the ceremonies.

This evening a solemn procession with the blessed sacrament will be featured when one hundred and ten little girls in white, and forty altar boys will form an honorary escort to the blessed sacrament.

WEIGH WHAT YOU DESIRE

If you over-weight, the cause may not lie in over-eating or under-exercise. It may lie in a fault in nutrition which modern research has discovered. And which science now corrects.

The method is embodied in Marmola prescription tablets. People have used them for 20 years—millions of boxes of them. And many of the people you envy—with slender figures, new vivacity and health—will urge you to adopt this way.

The use of Marmola does not require abnormal exercise or diet. In every box you will find the formula, also the reasons for results. You will know just why your weight comes down and why every effect is helpful. Learn the facts, and do it now. Do so by asking your druggist today for a \$1 box of Marmola.

PYTHIAN BIBLE COMING TO U. P.

Supreme Lodge Officers, Two Governors Will Attend Convention.

The "Rathbone Bible," the volume upon which Justice Henry Rathbone, founder of the Knights by Pythias, obligated the first Pythians, will be taken to Menominee on Friday, June 29, by Supreme Chancellor Henry S. Witte of Milwaukee. It will be used to give the obligation of the first rank to a large class of candidates at the annual convention of the Upper Peninsula Pythian League.

Charles O. Folio, of Escanaba, vice president of the league and one of the men engaged in arranging the convention program, stated last night that a large number of members of the class will be from Escanaba.

The supreme chancellor will be accompanied to Menominee by Harry M. Love of Minneapolis, supreme keeper of records and seals, and all of the grand lodge officers of the states of Michigan and Wisconsin. Governor Green of Michigan and Governor Zimmerman of Wisconsin also will be present on that occasion.

The Rathbone Bible is one of the

YOU can't buy purebred livestock at the price of "scrubs."

A tire manufacturer can build tires to sell at any price you want to pay, but below a certain price he can't sell you good tires. Remember that the next time you are tempted to buy bargain tires.

Among the better known manufacturers Kelly-Springfield has always held a leading place. You cannot buy better tires than Kellys, at any price. You cannot buy tires as good for any less.

THE VANDENBERG APPOINTMENT

It required considerable political courage for Gov. Fred W. Green to select one of the "big three" aspirants for the United States senate, to fill the place made vacant by the death of Woodbridge N. Ferris. All three were the governor's friends, personally and politically. It would have been comparatively easy for him to have named someone who had filled the unexpired term and refrained from entering the campaign for the nomination and election.

AFTER APPOMATTOX. On April 9, 1865, a silver-haired, courtly gentleman in a gray uniform sat in a country courthouse at Appomattox, Va., facing a grim-jawed man in blue, and surrendered to him the gallant army with which, for four years, he had made history.

The governor did not choose to take the easy path. He believed that there should be no strings attached to an appointment of so much importance. Disregarding the probability that ill-feeling would be built up among the partisans of the two who were not named, the governor picked Arthur H. Vandenberg.

What is the meaning of this word "defeated," anyway? What do we mean when we say Lee was beaten? Why do we build a memorial to the man who surrendered to the federal government 63 years ago?

There can be no question of Mr. Vandenberg's fitness for the office. He is a young man, energetic and vigorous, whose knowledge of Michigan's needs is wide and substantial. He is an orator of unusual attainments, a gifted writer and a business executive of proven ability. His presence in Washington will strengthen Michigan's representation materially.

There are various kinds of defeat. There is the kind Wilhelm of Germany suffered, followed by ignominious flight over the border; and there is the kind that leaves the defeated man a hero. Lee's defeat was of the latter kind. Appomattox brought to an end his military career. But Lee himself was a kind of victor on that occasion. Appomattox did not dim his fame. It did not prevent the entire country, north and south, from enshrining him as a hero afterward.

SNOW REMOVAL. Keeping motor traffic moving over city streets and rural highways during the snow months is no longer an experiment or a novelty. It has come, within the last two or three years, to be as much a part of the work of the state, county and city governments as filling up chuck holes and other maintenance work in the summer.

There are now five publishers in the United States senate. Isn't it about time some of them started applying modern pep-up methods to the Congressional Record?

CHANGES IN STYLES have an important effect on industry in America, says a writer. So they do. No man who isn't industrious can hope to keep his women-folk well dressed.

A Lower Peninsula paper points out that because Senator Couzens was not born in the United States, he can never be president. There may be at least one other reason.

THE PRINCE OF WALES fell off his horse three times in one day, thereby establishing a new record. Because it was a new record, it was regarded as news. One of these days the Prince of Wales is not going to fall from a horse. That will be first-page stuff with a vengeance.

There was a radio program of bagpipes the other night and, says Mints of the Snoonoo, "it's fine to have a radio because you can tune out such programs."

A SPIRITED ARGUMENT took place in our favorite drug store yesterday. The question at issue was whether Charles Gates Dawes is a more graceful pipe smoker than Sir Harry Lauder. The proprietor settled the matter by appearing with a broom and starting to sweep.

Senator Borah says he has received no answer to the prohibition questionnaire he sent to Frank Lowden a month ago. Maybe Frank has lost the senator's address.

EUROPEAN critics is regarded in Paris as a great artist, not as a comedian. The attitude of some European statesmen on the war debt, however, demonstrates that a man can be both an artist and a comedian and frequently is.

GIRL ALONE

CHAPTER XIV. "Right this way, la-dees and gen-tle-men! Step right up and see Boffo, the ostrich man, eat glass, nails, toothpicks, lead pipe, or what have you! He chews 'em like a kid eats candy! Boffo digests anything and everything from horsehoes to ajck-knives! Any gentlemen present got a jack-knife for Boffo's dinner? Come on, folks! Don't be bashful! Don't let Boffo go hungry!"

The spieeler's voice went on and on, challenging, commanding, exhorting, bullying the gaping crowd of country people who surged after him like sheep. Admission to "The Palace of Wonders," a tent which housed a score of freaks and fakers, was 25 cents. It still seemed wonderful to Sally that she was there without having paid admission, that she—she, Sally Ford, runaway ward of the state!—was one of the many attractions which the farmers and villagers had paid their hard-earned money to see.

Dimly through the crowd came the voice of the Barker and ticket seller in his tall, red, scarred box outside the tent: "All right, all right! Here you are! Only a quarter—25 cents—two bits—to see the big show! Performances just started! Step right up! All right, boys, this way! Don't let your girls call you a piker! Two bits pays for it all. See the half-man-half-woman! See the girl nobody can lift! Try and lift her, boys! Little and pretty as a picture, but heavy as lead! All right, step right in! Don't crowd! Room for everybody! See Princess Lalla, the Harem Crystal Gazer! Sees all, knows all! See Pitty Sing, the smallest woman in the world—"

Incredible! On Saturday, just two days ago, she had been peeling apples to make pies for the Carson family. Today she was a member of a carnival troupe, under the protection of Winfield Bybee, owner of all these weird creatures about whom the spieeler was chanting. It was too unreal to be true.

There had been 12 solid hours of sleep. Then had come a marvellously satisfying supper in the dining car, or "privilege car," with Bybee himself introducing her to the curious country people. The giant, a Hollander named Jan something-or-other, had bent from vast heights to take her hand; the tiny male midget, a Hawaiian billed merely as Noko, had gravely asked her, in a tiny, piping voice, if she would sew a button on his miniature coat for him; the bearded "lady" was a nat-urally falsetto voice and tiny hands and feet. Boffo, the human ostrich, had disappointed her by being satisfied with a very ordinary diet of corned beef and cabbage. The fat girl, who had confided to Sally that she only weighed 380 pounds, though she was billed as "tipping the scales" at 620, had patiently drunk glass after glass of milk, until a gallon had been consumed—all in the interest of keeping her weight up and adding to it.

Then Bybee had taken her to his wife, a thin, hatchet-faced shrew of a woman who seemed to suspect everything on her husband, and who, in turn, seemed to feel equally sure that every man must envy him the possession of such a wonderful woman as his wife. His deference toward her touched Sally even as it amused her.

Mrs. Bybee was too good a business woman, however, to let jealousy interfere with her judgment where the show was concerned. She had demurred a little, then had abruptly agreed to Bybee's plans for Sally. Hours of sharp-tongued instruction from Mrs. Bybee had resulted in Sally's being on the platform now, nervously awaiting her turn.

The crowd surged nearer to Sally's platform. The spieeler was introducing the giant now, and Jan was rising slowly from his enormous chair, unfolding in incredible length, standing erect at last, so that his head touched and slightly raised the sloping canvas roof of the tent.

She wondered, as she gazed pitying and a little fearfully at Jan, how it felt to be three feet taller than even the tallest of ordinary men, and as she wondered she gazed upward into Jan's face and caught something of an answer to her question. For Jan's great, hollow eyes, set in a skeleton of a face, were the saddest she had even seen, but patiently sad, as if the little-boy soul that hid somewhere in that terribly abnormal body of his had resigned itself to eternal sorrow.

At the request of the spieeler Jan stalked, like a seven-league-boots creature of a fairy tale, up

Use Newspapers for Wall Paper

Tientsin-Old newspapers have become a considerable item in the list of American imports at Tientsin. These papers, which sell in the wholesale market here at about \$36 a ton, are shipped into the country districts of North China, where they become wall paper or are pasted over windows.

Glass windows are still rare in the interior villages. Old newspapers are imported also from Germany and Japan, and various "Tageblatts," "Zeitungen," "Asahias" and "Jijis" vie with the boldly headlined American prints for favor as wall decorations in the Chinese peasant's hut.

"Gotham" was first applied to an old town in Nottinghamshire, England. British railways killed 26 persons last year.

FRANK LAMB IS ARRESTED

Named As McLeod's Accomplice in Ensign Store Robbery.

Charged with the robbery of the Magnuson Brothers store and post-office at Ensign on November 25, Frank Lamb, 25 years old, who was arrested at his home in St. Ignace by State Trooper Keune Sunday night, will be arraigned before Justice of the Peace James E. Doherty today. According to the sheriff's office, Lamb was named by David McLeod as his accomplice in the Ensign robbery.

The Newberry post of the state police was asked by Sheriff Elmer Swanson to be on the lookout for Lamb, and as a result he was located in St. Ignace. Lamb has a bad police record, according to Trooper Keune, who informed the local authorities that he is at the present time under probation following his conviction last year on a forgery charge in the Mackinaw county circuit court. In 1926, he was arrested on a charge of robbing a Mackinaw county man after he had beaten him to insensibility and set fire to the house. The jury disagreed in this case, and Lamb was released.

A small amount of currency was taken from the Ensign postoffice and several items of wearing apparel were taken from the Magnuson store. McLeod was arrested two months ago on a charge of robbing the Henry Deloria warehouse at Garden, and while in jail confessed being implicated in the Ensign robbery with Lamb. McLeod is awaiting trial in circuit court on the two charges.

Escanabans Make Fine Records In Many Colleges

Reports received at the Escanaba high school from the various colleges and universities where Escanaba graduates are attending, shows that the general records of Escanaba high school graduates are very good. Grades of 96 graduates were received from 30 institutions of higher learning. The Escanaba graduates attending higher institutions whose grades were received at the local high school are:

- 8 at Lawrence College.
 - 10 at Marquette University.
 - 10 at Michigan State College.
 - 15 at University of Michigan.
 - 14 at Northern State Teachers' College.
 - 7 at Western State Normal.
- The best records of students where five or more Escanaba graduates are in attendance are:
- N. S. T. C.—Ruth Sandborn '25.
 - Lawrence College—Robert Beggs '26, Louise Edwards '27.
 - Marquette University—Dorothy Gannon '24, John Hanson '24.
 - Michigan State College—John Anderson '25, John Gafner '24.
 - University of Michigan—Edward Curran '26, 5 A's and 1 B; Lawrence Hartwig '24, 4 A's.
 - Western State Normal—Harold Cass '26.
- All Escanaba graduates who earned grades of B or better for the first semester or the fall term in institutions of higher learning are:
- Alma—Janet Owen '26.
 - Augustana—Irene Stensrom '25.
 - State University of Iowa—Bertil Anderson '22.
 - Harvard University—John Harter '23 (ranked 12th in a class of 400 students).

CNW WILL USE GAS-ELEC. CAR

To Replace Steam Train On Powers-Iron River Run

The gasoline-electric motor car will replace the steam-power train on passenger trains Nos. 16 and 17, between Powers and Iron River, sometime next fall, according to plans of the Chicago & Northwestern railway. It was announced by F. R. Lloyd, superintendent. This type of equipment is being used considerably by railroads on runs, where the passenger traffic is not heavy and can be effectively handled by the gas-electric car. The use of such equipment means a considerable saving in operating costs.

The Chicago & Northwestern railway started about ten years ago to put the gas-electric car into service, using them mostly on branch lines at first. They have been found adaptable to main line passenger service, and it is expected that they will replace quite a number of steam trains in various parts of the system eventually.

This equipment has been used for several summers on the Oconto to Clintonville line of the Chicago & Northwestern railway, but the plans to place it on the Powers-Iron River run is the first move in that direction on the peninsula division.

The motor cars are capable of about the same speed as the regular trains. The cars average about sixty feet in length and consist of a small compartment in the front for the gasoline engine and engine room, mail-baggage and passenger compartments. In some cases one or two-car trailers are used. The passenger compartment has seating accommodations for about 45 persons.

A heavy duty gasoline engine in the forward end is directly connected to a dynamo which in turn supplies current to motors located in the trucks, such as electric trains are operated. The gasoline engine runs continuously during the whole trip.

Train 16 leaves Iron River at 8:50 a. m., and arrives at Powers at 11:25 a. m., and Train 17 leaves Powers at 1:35 p. m. and returns to Iron River at 4:30 p. m. Daily except Sunday service is maintained. The total mileage is about 136 miles.

A rose beige felt hat has a pinched-in brim that gives a fit-the-head effect entirely in keeping with the supple lines of new sports outfits.

Northern State Teachers—Wellington Huss '25, Agnes Johnson '27, Cecelia Peplin '25, Ruth Sandborn '25.

Oberlin College—Elizabeth Bemmet '26 (ranked eighth in a class of 326 students).

University of Wisconsin—Gunnar Beck '24, Hjalmar Nelson '23.

The various percentage of good grades received by Escanaba graduates now attending schools of higher learning has increased materially this last term over the preceding terms.

KIWANIS HEARS DAIRY EXPERT

Interesting Statistics On Industry in Delta Reviewed.

Seven thousand dairy cows in Delta county are producing, annually, \$500,000 worth of butterfat. H. E. Danielson, field representative of the National Jersey Cow club, told the Kiwanis club yesterday. The average production per cow is 160 pounds of fat a year. If this production could be increased to 200 pounds per year per cow, the income would be increased \$125,000 and if all of the cows were 300-pound animals, the total income from dairying would be nearly \$1,000,000 a year—this without an increase in the number of dairy cattle, Mr. Danielson pointed out.

Whereas, the cow which produces 160 pounds of fat a year provides little profit for her owner; the 300-pound cow is a big money-maker, he said. As a cow's production is doubled, her profits triple; as production is tripled the profits increase six-fold, he said.

Can Be Improved.

That there is plenty of chance for improvement is shown in the fact that Delta county has cows that are producing as much as 500 pounds of fat a year. A number are in the 400-pound class and 300-pounders are not at all uncommon, said Mr. Danielson.

Dairying in the country has been a prosperous industry for several years and will continue to be profitable for many years to come, Mr. Danielson told the Kiwanians. There is an actual shortage of good dairy cows in the country today. The consumption of dairy products is steadily increasing, due largely to the educational efforts which are teaching the people the value of such products in the daily diet.

Boys' and girls' club work is one of the means of bringing about improvement in the quality of dairy stock, the speaker declared. He gave instances from his own experience and observation—some of them near Escanaba—in which the progress of only one youngster in a calf club has been reflected, materially, throughout a large community.

With Dairy Train.

Mr. Danielson is one of the members of the staff of the boys' and girls' school club train now touring the upper peninsula. The train will spend tonight in Escanaba and it is expected that large crowds will visit the cars and inspect the calf, poultry, pig, potato, handicraft, canning, cooking, garment-making and other club exhibits.

Two new members were introduced to the Kiwanis club yesterday. They were Dr. E. F. Boehlke, local chiropractor, and Ray Olson, of the Remington-Rand branch here.

New York—Dr. C. A. Phillips, a New York physician, demonstrated his powers as a diagnostician to the end. Having inhaled chlorine gas in the course of his hospital work several years ago he studied the symptoms and complications which arose. As a result he foretold the date of his own death and died several months later on the day named.

AMUSEMENTS

AT THE DELFT.

Delicate in its artful shading of pathos and humor, and yet so overpowering in dramatic power and sweep that the audience was held constantly in the grip of tense interest, admiration and sympathy. "Les Miserables," the Universal-Film de France production, opened at the Delft yesterday. It will be shown again today.

It is said that most of the scenes, excepting those representing Paris, were taken on the actual locations of the book. These Parisian sets were built with such astonishing fidelity that they convey the illusion of age and realism, and to such an extent that it is difficult to believe that they were not photographed a hundred years ago.

Jean Valjean, regarded by many as the most beloved character in fiction, is played by Gabriel Gabrio with a depth of understanding that makes the man of burdens live and breathe.

The lovely Cosette, the terrible Javert, the crafty Thénardier and Father Myriel, the saintly—all these are brought to being on the screen with the force of truth.

The film was originally produced in such great length that it had to be exhibited in France in a series of six showings. The American distributors have reduced it to feature length, retaining the essentials of the great story in big, gripping scenes.

The scene in the court room, where Valjean gives himself up to the law, would wring tears from the heart of a stone if a stone had a heart. The scene of the hiding barricades is a big and exciting drama within a drama. The prison at Toulon, the Paris sewers, Valjean's escape from jail, the love of Cosette and her poet revolutionary—these will linger long in the memory of everyone who sees "Les Miserables."

AT THE STRAND.

An all star cast, was selected by Director Jack Nelson for "Say It With Diamonds," the Strand's current feature.

Betty Compton is a star of the first rank. In the role of the jealous wife who is too readily incensed by quite innocent circumstances, she has a part that is admirably suited for her unusual abilities.

Armand Kaliz, who has brought to the screen a new and interesting interpretation of the ideal lover, has one of his typical roles in this sophisticated comedy of matrimony. Betty Baker and Jocelyn, two of the screen's younger beauties, are among the other well known players.

Citizenship Class to Get Diplomas at Exercises April 10

Under the auspices of the Escanaba Women's Relief Corps, graduation exercises will be held April 10 at 7:30 o'clock at the Webster school building for the class in American citizenship that has been conducted there during the winter.

The entire enrollment of 35 pupils will be graduated on that evening. The exercises will mark the closing sessions of the class for the year. The class was held on regular evenings during the winter with C. W. Flannigan and Mrs. Arthur Peterson as instructors.

Included in the program which will be given at the graduating exercises are speeches by Mr. Danielson, local naturalization officer, and John P. Norton, manager of the Escanaba Press. A four-reel film, entitled "The Highest Law," will be another feature of the program that will be given.

The complete program follows: Number, by the Webster school students. Talk by Mr. Danielson. Talk by Mr. Norton. Presentation of diplomas by Mr. Flannigan.

Movie film, "The Highest Law." Music will be rendered throughout the entire exercises by a special W. R. C. band. Refreshments will be served after the exercises by the Women's Relief Corps. The program, sponsored by the Women's Club, is under the direction of Mrs. W. C. Ramspeck, chairman of the committee. The members of the graduating class and their families will be the only persons admitted to the exercises. The program will not be opened to the public.

BRIEFLY TOLD

Luther League Meeting—Owing to road conditions the meeting of the Bark River Luther League will be held at the church parlors Wednesday, April 4th at 7:45 o'clock instead.

Swedish Baptist Services—Rev. Erla Berg of Canada, will be the speaker this evening at the Swedish Baptist church. The service begins at 7:30 o'clock. Thursday evening service will also be held. The pastor will speak on "Gethsemane." There will be a Union Service at the Swedish Methodist church Friday afternoon at 1:30. The message will be delivered by Rev. Hanson. The pupils of the Sunday school will give an Easter program next Sunday evening.

Congregational Dinner—The annual congregational dinner of the First Presbyterian church will be held tonight at 6:30 in the Bible school auditorium. After the meal, reports will be given by all the organizations of the church. The church was crowded for the service on Paul Sunday morning, at which time the Lord's Supper was celebrated, several were baptized, and thirty-six were received into the church.

W. B. A. Meeting—The regular business meeting of the Women's Benefit association will be held Wednesday evening at 8 o'clock at Grenier's hall. There will be no social session at this time and a large attendance of members is anticipated as business of importance is to be transacted.

Eye Seriously Hurt—Charles N. Wood, accompanied by Roy Stebbins of Crystal Falls, his son-in-law, left last night for Chicago to consult an optical specialist about one of Mr. Stebbin's eyes, in which a piece of steel has been imbedded for ten days. Physicians at Crystal Falls fear it will be necessary to remove a portion of the eye. It is hoped, however, that the specialists will be able to furnish relief without resorting to such drastic treatment.

Barr P. T. A.—There will be a meeting of the Barr Parent-Teacher association at 7:30 o'clock tonight. An interesting program will be presented and refreshments will be served.

First at the get-away
First on the straight-away

No car in the Victory price class can match the all around brilliance of Victory performance.

The Victory is first at the get-away and first on the straight-away—faster on the hills, faster in traffic—smoother on rough roads.

And accelerates as no other car at the price has EVER done: 5 to 25 miles in 7 1/4 seconds! 10 to 45 miles in 13 1/2 seconds!

The public discovered all this even as the stop watch proved it.

More power per pound of car weight

made it possible. Rugged Dodge construction made it practical. And the Victory's unusual design made it SAFE.

For the Victory gravity center is lower and there is no body overhang . . . The chassis frame is the full width of the body—and the body sills are eliminated.

Exceptional charm of line and more headroom and seat width are further vital results of this unique construction.

Drive the car today and make your own comparisons.

TAKES OWN LIFE IN LOCAL HOTEL

Konsta Aalta, Woodsman of Negaunee, Slashes His Throat.

Slashing his throat with a razor, Konsta Aalta, 37, Negaunee, a woodsman, committed suicide in his room at the Delta Hotel Annex sometime Sunday or early yesterday morning. He was lying on the bed fully clothed, when found by hotel employes. Aalta was last seen alive when he entered his room about 2 o'clock Sunday afternoon. Before taking his life, Aalta had bolted and locked the door from the inside. About noon yesterday when one of the maids went to the door, she rapped for some time, but failing to receive a response, summoned others in the hotel. Entrance was gained into the room by crawling through a skylight window. Coroner G. C. Bartley and the police were called, and investigated the case, after which the body was taken to the Anderson Funeral Home to be prepared for burial. No inquest will be held, Coroner Bartley announced. Aalta did not leave any note giving a reason for his rash act, but police believe he had become despondent due to heavy drinking. He was arrested sometime ago for drunkenness and when he registered at the hotel on Saturday afternoon, there were indications that he had been drinking. In Aalta's coat pocket was an insurance policy, the beneficiary of which is a brother, Frank Lehtonen of Negaunee. The brother was notified and will take charge of the funeral arrangements.

MISS MORRISON BECOMES BRIDE

A quiet home wedding took place at Manistique Saturday at 4 p. m., when Miss Ruby Morrison of this city became the bride of Conrad Swanson of Iron Mountain.

The ceremony was performed at the home of the bride's sister, Mrs. Robert Olsen, 537 Michigan avenue, with Rev. C. S. Risley of the M. E. church officiating.

Mr. and Mrs. Kenneth Van Eyck, brother-in-law and sister of the bride, attended the couple. A 6 o'clock dinner was served to close relatives and friends. After a short wedding trip, Mr. and Mrs. Swanson will make their home at 204 Cleveland avenue, Kingsford Heights, Iron Mountain.

HOLY WEEK SERVICES IN ALL CHURCHES

Special Services and Sermons Thruout the Week

Holy Week, the final week of Lent, and one of special devotions before Easter Sunday, will be observed in all of Gladstone's churches.

In some of the churches there will be services each evening and in others special services on one, two or three nights. All will be in keeping with the time of Holy Week, the day of the Last Supper, Good Friday, the day of the Crucifixion, preceding the day of the Resurrection, Easter Sunday.

At Alice Memorial M. E. church, the services opened last night to continue each evening. The sermon last evening was on "Ministry in Jerusalem."

Tuesday, Rev. H. W. Colenso, pastor, will speak on "Unchangeableness of Christ," Wednesday on "Self Denial," Thursday, "Gethsemane"; and Friday evening on "What Will You Do With Jesus?"

Good Friday afternoon there will be a service at the church from 2:30 to 3 o'clock. The subject will be "The Crucifixion," Swedish Lutheran.

Rev. C. E. Olsson, pastor of the Swedish Lutheran church, also conducting services each evening, opening last night with the topic, "What Jesus Suffered at the Hands of the High Priests Anna and Cathaphas."

Tonight he will speak on "Jesus Before the Council of the Jews," Wednesday, "Jesus, Though Innocent, Was For Our Sake Condemned to Death by Pontius Pilate"; Thursday, "In the Upper Chamber or the Passover Feast and the Lord's Supper." The Lord's Supper will be celebrated at this service; Friday evening, "Jesus Dies on the Cross For Our Sins, the Atonement."

Friday afternoon, Reverend Olsson will go to Perkins and will conduct a Good Friday service there at 2 o'clock.

All Saints' Catholic church, the special services will begin on Holy Thursday with a High Mass at 8 o'clock. There will be no Wednesday evening service due to the large number of confessions preceding Holy Thursday communions.

Throughout Holy Thursday there will be Exposition and Adoration of the Blessed Sacrament. Hours for prayer have been assigned the various societies of the church and various wards and there will be continual adoration through 9 o'clock in the evening.

Good Friday, the Mass presanctified, will be at 8 o'clock followed by Veneration of the Holy Cross. There will be no service in the afternoon but those who wish to may visit the church for the Stations of the Cross during the Crucifixion hours, and after.

Friday evening there will be Stations of the Cross and a sermon by Rev. Fr. Sebastian Maier, pastor, on "The Passion."

Saturday morning the ceremonies of the blessing of the Easter fire, the Easter water and the Easter candles will begin at 7 o'clock and the High Mass will begin at 8 o'clock.

Swedish Mission.

At the Swedish Mission church there will be services Thursday and Friday evenings at 7:30 o'clock. Thursday evening, Rev. Paul E. Palmquist, pastor, will speak on "In the Garden." Friday evening he will speak on "Behold the Man!" The Lord's Supper will be observed at the Friday evening service.

Swedish Baptist.

Services at the Swedish Baptist church will be held this evening and Wednesday evening. Rev. John Huko, pastor of the Escanaba and Gladstone churches announced. Rev. Andrew Blomquist of Cook, Minn., will be in charge.

The regular mid-week prayer service will be held at Westminster Presbyterian church Thursday evening with Rev. Robert Grant in charge.

Regular meeting of Rachel Five, No. 272, Lady Maccabees, will be held this evening at Wasa hall. The program and party planned have been postponed and the meeting will be a business session only. All members are asked to attend.

Mrs. Leo H. Wintel left Monday morning for a two weeks' visit in lower Michigan.

ANNIVERSARY CELEBRATED

Over 250 Guests at Gabrielson Silver Wedding Observance.

Surrounded by over 250 relatives and friends and amid the congratulations of these and of many others, Mr. and Mrs. Erick Gabrielson, well-known residents of Gladstone, Sunday, celebrated their silver wedding anniversary.

The observance was held at the Swedish Lutheran church, beginning at 3 o'clock.

The church was crowded to the doors for the reception, and over 250 were served at the anniversary dinner which followed in the church parlors. Mrs. Leslie Hunt was in charge of the dinner arrangements.

The program at the reception was opened by the wedding march played by Miss Hattie E. Elquist. Four short talks in keeping with the occasion were given by Rev. C. E. Olsson, pastor of the church, Envoys Anna Nilsson, Rev. John Hugo, pastor of the Swedish Baptist church of Gladstone and Escanaba, Dr. Herman Kasen of this city.

The numbers also included a song by a group of small girls; a song by Miss E. Svarvar; a reading by Mrs. Selma Jackson; a violin solo by Melvin Kasen; a song by a girls' chorus; a reading by Mrs. A. Berg; a vocal duet by Rev. and Mrs. C. E. Olsson; a song by Mrs. J. P. Strand; a song by Mrs. H. Kasen, a vocal duet by Nancy Erickson and Marie Bredahl the closing prayer and a song by a group of small girls.

At the close of the program, Mr. and Mrs. Gabrielson received the congratulations and best wishes of their many friends and they were presented with a large number of beautiful gifts including valuable pieces of silver, and a purse of close to \$200.

The church parlors were beautifully decorated for the affair in a color scheme of pink and white and the table centerpieces were of cut flowers.

Mr. and Mrs. Gabrielson, then Miss Lena MalMBERG, were married in Gladstone on April 1, 1903, Rev. Edward J. Norden performing the ceremony. Their 14 children were present at the anniversary celebration.

PROMOTION ANNOUNCED BY SUPT. MANN

Frank Kobliska New Chief Dispatcher at Enderlin

Announcement of the promotion of Francis L. Kobliska, train dispatcher with this division of the Soo Line to the position of chief train dispatcher at Enderlin, N. D., under Supt. W. H. Corbett was made Monday by Supt. A. H. Mann, head of the division.

Mr. Kobliska left Monday night to take up his noon duties at once.

He will succeed Chief Train Dispatcher Bruce of Enderlin, who is being retired on pension.

His place here will be filled temporarily by Harry I. Erickson, telegrapher, until the appointment to the position is made.

Mr. Kobliska started his service for the Soo Line as an operator in 1912 at Superior. He worked as an operator at various places. He was promoted to the position of train dispatcher in February, 1920, and has served as truck, relief and chief dispatcher.

Mr. Rose Here.

His promotion will be a matter of satisfaction to his many friends.

Announcement was also made by Superintendent Mann that Frank Rose, successor to C. G. Violet, as chief clerk of the local division, arrived here Monday morning to take up his work at once. Mr. Rose was formerly in Gladstone, but comes now from Minneapolis where he has been special accountant.

Mrs. Rose and their son will arrive in a short time and the family will take up its residence here.

SERVICE HELD HERE MONDAY

Last Rites Held for Mrs. Cecil Gelzer of Port Arthur.

Deeply impressive were the services held Monday afternoon for Mrs. Cecil Gelzer, 42, daughter of Mrs. Hannah Gormsen of this city, died suddenly Wednesday, at her home in Port Arthur, Can.

The services were held from the Gormsen home at 2:30 o'clock, Rev. Robert Grant, pastor of Westminster Presbyterian church, officiating.

Members of Minnesota chapter, No. 96, Order of Eastern Star, to which Mrs. Gelzer belonged, attended in a body. During the service, members of the Eastern Star mixed quartet, Mrs. M. I. Damitz, Mrs. William Peterson, Noble Swenson and Glenn W. Jackson, sang.

At the close of the services, attended by many close friends of the family, the body was taken to Fernwood cemetery where burial was made.

Pallbearers were J. T. Jones, C. E. Hawkins, A. D. Harris, E. E. Engstrom, A. Sawyer and P. S. Clark of Wells.

Swenson Brothers were in charge.

Mrs. Gormsen who was in Port Arthur when her daughter passed away and Mr. Gelzer, accompanied the body to this city. Carl Gormsen of Aurora, Ill., a brother and Mrs. William Cochran, of Stevensville, Mont., a sister attended the services.

Well Known Here.

Mrs. Gelzer, who before her marriage was Miss Carrie Gormsen, spent the greater part of her girlhood in Gladstone, attending school here and later after being graduated from Marquette Normal, teaching in the Gladstone public schools.

Her death, coming shortly after that of her father, the late Nels Gormsen, prominent contractor of Gladstone, was of unusual sadness and the family has the sincere sympathy of its many friends in the great loss.

Manistique Team Wins and Loses to Rinky-Dinks

Stopping over at Hermansville on their return from the bowling tournament at Menominee, Brauli's Specials rolled an interesting season against the IXL Rinky-Dinks Sunday night. The locals won the first two games, but lost the last, and lost on totals by the narrow margin of 16 pins.

Ed Buchs of Manistique was high with 602.

HAROLD LINDSAY READS PAPER ON LINCOLN

Escanaba Man Guest of Gladstone Rotarians

The splendid manuscript on "Abraham Lincoln," written by Harold Lindsay of Escanaba, which attracted widespread attention, was read by Mr. Lindsay Monday noon, before the Gladstone Rotary club, at its noon luncheon.

Mr. Lindsay, the guest of the club, was introduced by C. A. Clark, chairman of the entertainment committee for the month.

The manuscript, which its author read, was exceptionally well conceived and in its narrative form, intensely interesting. He traced the influences and hereditary and environment of Lincoln's life and emphasized in particular the objection and subjective influences which make for successful statesmanship and political life in general.

The paper was well given and appreciation of it was expressed in prolonged applause at its close.

BOY SCOUTS SUPPER SERVED MONDAY NIGHT

Four patrols of Troop One of the Boy Scouts of Gladstone enjoyed a supper served in the parlors of Alice Memorial Methodist Episcopal church last evening at 6:30 o'clock.

The supper marked the close of a contest of five weeks' duration between two troops.

The losing patrols, "The Wolf," headed by John Simpson and the "Beaver" patrol, in charge of Bob Skellenger and the Fox, in charge of Ralph Beaudry.

The contest included various phases of Scout work including good sportsmanship, athletics, progressive in scouting and other matters.

A program of stunts in which each patrol took part followed the supper.

Arrangements for the affair were in charge of George Cameron, active Scout master.

THEATRES

AT THE RIALTO.

The launching of Clara Bow as a star and the return of Elinor Glyn to Paramount, is, from the public's standpoint, one of those fortunate things that occur all too rarely in motion pictures. And what was an even more fortunate stroke was the uniting of the famous flapper and the distinguished English novelist in a single film.

In the event that these statements are doubted, we strongly recommend that all doubters attend the Rialto theater and witness the result of this combination in the Elinor Glyn-Clarence Badger production, "It," which opened last evening.

For exquisite comedy and touches of heart-gripping pathos, Paramount's latest takes rank among the outstanding releases of the current season.

Miss Bow portrays a vivacious American shop girl possessed of the strange power of "It" as explained by Elinor Glyn early in the picture. And, after learning the true definition of her theory, almost any audience in the world would be inclined to agree that Clara has "It" to the nth degree.

Check Flu-Grip By Using Vicks at First Sneeze

Health Authorities Urge Precaution to Prevent Epidemic

If all colds were checked at the beginning, influenza, pneumonia and grip would be greatly reduced.

It takes quick action to get ahead of the germs of these dread diseases. Many cases of flu start from germs breathed in. The effective way to attack them is direct—with vapors of Vicks Vapo-Rub.

When rubbed on the throat and chest the ingredients of Vicks are released in the form of vapors which, being breathed in, carry medication to the inflamed air passages and lungs direct and instantly. In addition, it acts like a poultice and helps the vapors inhaled to break up the congestion.

While grip and influenza are so prevalent local people are urged to keep Vicks VapoRub ready at all times for instant use. Adv.

Acid Stomach

"Phillips Milk of Magnesia" Better than Soda

Hereafter, instead of soda take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." Twenty-five cent and fifty cent bottles, any drug store. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.

STOCK MARKET REACTIONARY

NEW YORK STOCKS (Last Sales)

Table with columns: Date, Industrials, Railroads. Rows: Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday.

Table with columns: Stock Name, Price. Rows: All Chem. & Dye, Am. Can., Am. Car. & Fdy., etc.

New York, Apr. 2.—(AP)—Stock prices turned reactionary today after an early period of strength.

Trading failed to maintain the terrific pace set last week, although the day's sales ran above 3,000,000 shares for the 17th consecutive session.

Highly erratic fluctuations took place in some of the high priced specialties. Radio, for instance, opened 8 points lower at 175, made up its loss before the end of the first hour and then shot upward to a new high record at 194 1/2.

BOSTON COPPER LIST (Closing Quotations)

Table with columns: Stock Name, Price. Rows: Ariz. Commercial, Cal. & Ariz. Metals, Copper Range, etc.

CHICAGO LIVESTOCK

Chicago, April 2.—Hogs—Receipts 55,000. Market closed dull, steady to 10 lower than Saturday's average.

CHICAGO POTATOES

Chicago, April 2.—Potatoes—Receipts 179 cars on track, 578 total. U. S. shipments Saturday, 655; Sunday 15 cars.

CHICAGO BUTTER

Chicago, April 2.—Liberal offerings of butter today and practically no buying interest resulted in a decline on most scores.

CHICAGO GRAIN QUOTATIONS

Table with columns: WHEAT, CORN, OATS, RYE. Rows: May, July, Sept.

The advance in the call money rate followed the calling of about \$25,000,000 in loans, presumably to meet the heavy demands for funds in connection with quarterly settlements.

There was no change in time money and commercial paper rates. Highly erratic fluctuations took place in some of the high priced specialties.

Rails yielded with the industrial, although independent strength was shown by the Western Maryland issues, the common closing 2 3/4 points higher at 45 1/2 and the second preferred jumping 7 3/8 to 47 3/8.

CHICAGO GRAIN

Chicago, April 2.—Unofficial wheat crop estimates today, construed at first as bullish, presented other aspects when examined closer.

Tom Heeneey to Meet Tunney for Title in July

RICKARD MAKES ANNOUNCEMENT

Champion's Answer to Challenger Is On Way to New York.

New York, Apr. 2—(P)—The U. S. mail will deposit with the New York state athletic commission tomorrow Gene Tunney's formal acceptance of Tom Heeneey as challenger for the heavyweight title. Rickard told his associates at Madison Square Garden today over the telephone from Miami, Fla.

The match, which already has the personal sanction of James A. Farley, chairman of the commission, was announced by the promoter Saturday. The probable date was set for July "either in London or somewhere in the United States."

At the last meeting of the commission, the boxing fathers notified Tunney that his original answer to their "request" that he name a specific challenger for a bout this summer was inadequate. The champion was given until tomorrow to name his man in pain of indefinite suspension.

The commission is not expected to act against the titleholder tomorrow, however, even though he fails to reply in view of Rickard's formal announcement of the Heeneey match. No protest is expected by the board from Johnny Risko, the Cleveland baker boy, who fought through to the final of Rickard's elimination tournament along with Heeneey.

Joe Jacobs, manager of Jack Delaney, declared today he would not sign for a match with Sharkey here on April 30 until assurance was given both fighters that the winner would meet Tunney in September. There appears little chance of the bout being staged.

Cincinnati Reds Trim Louisville

Louisville, Apr. 2—(P)—The Cincinnati Reds pounded Louisville pitchers for nine hits here today to win an exhibition game, 7 to 0. Bases on balls accounted for four of Cincinnati's tallies.

The Score: R. H. E.

BOWLING CHAMPS RECEIVE AWARDS

28th Annual "World Series" Closes; St. Louis Youth Wins Singles

Kansas City, April 2—(P)—Bowling champions of 1928 were crowned tonight with the close of the twenty-eighth annual ten-pin "world series" of the American Bowling Congress.

Out of a field of thousands of competitors from all parts of the country who waged a campaign on the alleys since March 5, Henry Summers, 23-year-old St. Louis Youth, emerged with the individual championship. He rolled 705 to win first place last Friday, and his score withstood the withering barrage of the highly touted stars who occupied the alleys on the three closing days of competition.

Will and Joe Hradek of Cicero, Ill., won the two-man championship with a score of 1363. They rolled this mark on March 25 to displace the crack St. Paul southpaw pair, Matak and Wolsieffer, whose score of 1347 stood for several days.

Phil Wolf, Chicago, captured the all-events title with 1937. He had 657 in his five-man event, 650 in the doubles and 630 in the singles. The five-man championship was clinched last night by the Oh Henry team of Chicago which rolled into first place with 3057.

Pick Finalists for Hockey Title Match Tonight

New York, April 2—(P)—Finalists for the world's professional hockey championship will be determined at Montreal and Boston tomorrow night when the second games of the two-game final series for the Canadian and American group championships of the national hockey league will be brought to a finish.

It is an unprecedented situation that finds the contenders in each group deadlocked with only one game to decide which will battle for the classic Stanley cup. Montreal Canadiens and Montreal Maroons played to a 2-2 tie in the first game at Montreal on Saturday night, and the Boston Bruins and New York Rangers engaged in a 1-1 drawn struggle at New York. If the teams still are tied at the end of the regular 60 minutes play tomorrow night, overtime will be played until a goal has scored the deciding goal. The regular lineups are expected to take the ice for the second game.

The Stanley cup series between the group champions will start at the Montreal forum Thursday night. After a second game there on Saturday the teams will return to Boston, if the Bruins win the group title, to finish the series, which will be decided on a three-out-of-five basis. If the Rangers win the American group title all the games will be played in Montreal.

Forty High School Teams Ready for "World Series."

Chicago, Apr. 2—(P)—Forty high school basketball teams from 37 states today took their last shot at the basket in their final workouts at Bartlett gym before the opening of the world series of prep school basketball at the University of Chicago tomorrow.

Thirty state champions will vie with ten runners-up and sectional titleholders for the national title which will be determined Saturday night when the two survivors meet in the final game.

The eastern states with the strongest entry list in the ten years of the tournament will make a bid for their second national title. Fitchburgh, Mass., won the tournament in 1926; the Naugatuck, Conn., winner of the Atlantic Seaboard tournament in which 52 teams were entered, is slated to go far into the elimination as is Bristol, conqueror of Naugatuck in the Connecticut state tourney.

Vienna, Ga., with a team that has won the state and cotton states championship two consecutive years, is competing as one of the strong favorites. Vienna was eliminated last year by Morton Hill of Cicero, champions in the quarter finals by one point.

Austin, Texas, Moorhead, Minn., and Winfield, Kansas, champions of their respective states, are entering the meet with unusually strong offensive records.

Manager Sherman Wins Victory In Election at Soo

Sault Ste. Marie, Apr. 2—(Special)—E. T. Crisp was elected mayor of Sault Ste. Marie today over Mark Tymon, incumbent. The vote was: Crisp 1878, Tymon 1652.

Crisp went into office along with his colleague, Ralph L. Eckardt, candidate for the city commission. Eckardt received 1837 and Weston, supporter of Mayor Tymon, received 1519 votes, while John T. Adams, a member of the present commission, got 1391.

Organized labor and local business interests were combined back of the Crisp-Eckardt candidates. The election today is regarded as a victory for City Manager Henry T. Sherman whose salary was recently reduced \$1,500 a year by the Tymon commission. It was generally predicted that had the Tymon forces won, the Sault would have had a new city manager.

QUICK RELIEF FROM CONSTIPATION

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 20 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Olive Tablets do not contain calomel, just a healing, soothing vegetable laxative mixed with olive oil.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime. Thousands take them every night to keep right. Try them. 15c, 30c, 60c.—Adv.
