GUNS MADE QUICK TRIP

Escanaba Light Guard Today Received Rifles Shipped From New York on Evening of May 23.

Through efforts that were made by O. F. Graves, Escanaba agent for the American Express company, members of the Escanaba Light guard will drill tonight for the first time with a full complement of guns.

The order for 20 modern Winchester rifles was placed by the officers of the guard with the Delta Hardware company, and members of the organization were anxious that the shipment should arrive here before Memorial day.

Arrangements for the immediate shipment of the rifles were made by the Escanaba agent of the American Express company and on the evening of May 23 the guns left New York for the west and were delivered in Chicago last night in sufficient time to be shipped by express north to arrive here at 1:55 o'clock this afternoon.

The shipment of the rifles from New York to Escanaba was accomplished in record time and the announcement of their arrival here will be received with much satisfaction by the members of the guard.

ATTY. JENNINGS FATHER DEAD

Announcement is Received in Escanaba This Morning and Mr. Jennings Leaves for Charlotte Mich. Tonight.

Announcement was received in Escanaba this morning of the death of C. M. Jennings, father of Atty. I. C. Jennings of Escanaba, at his home at Charlotte, Mich., after a long illness.

Atty. Jennings returned only on Wednesday evening from a visit at his father's home and will leave for Charlotte again tonight to attend the funeral services which will probably be held on Sunday.

Mr. Jennings was 70 years of age and is survived by his wife, one daughter and two sons. He came to Michigan nearly 50 years ago and had lived at Charlotte for a number of years.

One year ago Mr. Jennings, accompanied by his wife visited for a short time in Escanaba at the home of his son and at that time met several of the residents of the city, who will be grieved at the announcement of his death.

RAIN STORM IS SCHEDULED

Escanaba Which has had little More Than Mild Sprinkling since May 3 Expected now to be Soaked.

A heavy rain storm which for three days has been pouring down upon nearly all of the country from the Michigan to the Rocky Mountains and from Canada to Texas, threatens to strike the upper peninsula district tonight and tomorrow.

According to the forecasts issued by Observer Stewart this morning the storm is now moving in this direction and unless unforeseen conditions arise, a heavy down pour is scheduled.

Since May 3, according to the records at the weather bureau, Escanaba up to this morning has had but little more than an occasional sprinkle of rain.

As compared with the normal precipitation for this month for a period of 24 years there is already a shortage of 14.8 inches and an exceptionally heavy rainfall will be necessary to bring the precipitation record up to the normal point.

SALOON DOOR WAS NOT LOCKED

Through the oversight of the bartender employed at the saloon of Max Glazer, the door leading to that place was not locked when the saloon was closed last night, and it is claimed that many late passers by obtained a number of free drinks.

That the door was not locked was discovered by the officer on the beat early this morning and on investigation it was found that the cash drawer had not been disturbed and only a quantity of liquor was missing.

SNAKE LIAR IS NO MORE

Tales he Told Were Marvelous but shy on Facts. Lillovers Were Found and Passing is Lamented.

We mourn for a creature that has evidently become as extinct as the Dodo bird. We lament the passing of the Snake Liar. Time was, ere yet the bitter practice of veracity settled like a pall over the press of the nation, that this harmless and gentle being was an honored adjunct to every newspaper plant. When the catbirds began to mew in the spring, and the pussy-willows to bump their little backs in the grateful sunshine and purr a welcome to the first warm weather, the Snake Liar uncoiled himself and crawled out of his den and got busy with the telegraph wires.

If he had not appeared by the first day of May the office boy was set to slipping last year's files. Spring could no more come and go without him than it can without lilacs on a school marm's desk.

The tales he told contained no facts. What of that? There is a higher truth! Artists detail what should be; it is the fault of nature if she can't keep pace with them. Would you have Pegasus pull an ash cart? Facts, forsooth!—any fool can retail facts; it takes a man of imagination and genuine devotion to the Cause of Higher Truth to concoct a good Snake Lie.

The Snake Liar is by no means to be confounded with the vulgar chronicler of summer resort sea serpents. The latter is a charlatan, and his dispatches consist of mere statements to the effect that the "sea serpent was seen at such and such a place and at such and such a time." For all the interest or genuine thrill there is in them they might just as well be veracious. No sea-serpent liar has ever yet been able to rise to the almost lyrical ecstasy with which the genuine Snake Liar describes some scene that never was on land or sea. The sea serpent charlatan narrates his story with a playful air, almost as if it were a humorous fact; but the hall-mark of the true Snake Liar is his convulsed and convincing manner, his air of rapt intensity. A Snake Lie, in the olden, golden days, was not a thing to be told lightly; the liar felt that the honor of the brotherhood was in his hands and 'twas his religion to believe what he wrote himself.

But he is no more. For three years we have closely scanned the papers of the English-speaking world, from the Four Corners Clarion down to the London Times but never a lip have we heard from him. He is gone, with the paper collar, the frizzled bang, the flowery orator, crinoline, corgees gaiters, the commencement essay, the seersucker coat and the girl who recited: "Lascia." "Ab, Ananias, we could have 'better spared a better man!"—Atlanta Journal.

LINEMAN IS ELECTROCUTED

Flint, Mich., May 25.—Special.—F. D. Austin a lineman was electrocuted last night while doing repair work. Some damage had been done to the electric light wires and he was killed while repairing the damage. He was 24 years of age and leaves a wife and three children.

J. A. Lemieux, architect, Stack Block.

NEW OFFICERS ARE CHOSEN

Grand Lodge F. & A. M. Held Final Session at Grand Rapids Meet Next Year at Bay City.

Grand Rapids Mich., May 25.—Special.—The Michigan Grand Lodge, F. & A. M. has completed its work, after two long sessions and adjourned to meet at Bay City in May next.

The event of the day was the election of officers and there were hard contests for several places.

Charles E. Sweet, of Dowagiac, for whom family troubles have made difficulty, was vindicated by his election as deputy grand master, but one ballot being necessary. Erastus E. Stone, of Saginaw, was the leading candidate against him and made a good showing.

Detroit and Grand Rapids combined to gain the places of grand junior deacon and grand marshal, J. H. P. Hoghart, of Grand Rapids, being after the first place and John H. Hanna, of Detroit, after the second.

Neither landed, though the contests were carried on for five ballots apiece. There were seventeen candidates for the first place and eleven for the second. Following are the officers elected.

Grand master, Charles L. Stevens, Detroit; deputy grand master, Charles E. Sweet, Dowagiac; senior grand warden Erastus E. Stone, Saginaw; junior grand warden, Arthur M. Home, Owosso; grand treasurer, Wm. Wente, Manistee; grand secretary, Lou B. Winsor, Reed City; grand lecturer, Frank T. Lodge, Detroit; grand chaplain, Rev. Wm. H. Gallagher, Saginaw; senior grand deacon, G. Rusco Swift, Adrian; junior grand deacon, James E. Dillon, East Tawas; grand marshal, James H. Thompson, Evart; grand tyler, James F. McGregor, Detroit.

CRYSTAL FALLS COMES SUNDAY

Fast Aggregation of Baseball Players will Meet Escanaba team at South Park Sunday.

Definite arrangements for the first baseball game of the season in Escanaba were completed today by Peter Nolden of the Escanaba team with the management of the Crystal Falls aggregation of players.

The Crystal Falls team which defeated Lake Linden last Sunday, will come to Escanaba tomorrow night prepared to give the local players a fast game and with the preparations that are being made for the game by the Escanaba aggregation an interesting contest should be the result.

The management of the Escanaba team which was organized for the game of last Sunday with Iron Mountain by Ald John J. Tolan has been turned over to Peter Nolden, pitcher on Escanaba's team of last year and who will probably be in the box for the home team in the Crystal Falls game.

Mr. Nolden is now selecting his lineup and is straining every effort to bring together as fast a bunch of players as the city of Escanaba can furnish.

The full lineup of the Escanaba team for the game of Sunday afternoon will be announced by Mr. Nolden tomorrow.

Although Nolden has been practicing for several weeks for work in the pitcher's box he is suffering now from a slightly sore arm but it is believed that he will be able to take the box for at least a portion of Sunday's game.

McDonald and M. Walsh will probably be named as the remaining members of the pitching staff.

Fans of the city who have been waiting patiently for the opening of the baseball season here and who had hoped for several weeks that the Memorial Range League idea would be carried out, will welcome the arrangement of any sort of baseball contest here.

With the promise of a fast game that is made by the management of the two teams it is believed that considerable interest will be aroused and a large crowd of fans attracted to South park.

On June 19th John Johnson will give an excursion and dance. During the dance some person will be presented with an automobile. Only a few dance tickets left. Have you got one? Call up the Blue Ribbon before they are all gone.

986-5-23-3

DOCTORS ARE IN JACKSON

Michigan Medical Society Closes Forty-first Annual Meeting This Afternoon.

Jackson, Mich., May 25.—Special.—Michigan is the banner state of organized physicians, declared Dr. A. E. Bulech, in response to the address of welcome to the delegates to the forty-first annual meeting of the State Medical society.

The society began a three-day session in the Elks' temple on Wednesday with 200 physicians, representing most of the counties of the state, in attendance.

Mayor Todd, in his address of welcome, pleased the physicians by an allusion to the practicing of what he called "drug store doctors," that is, clerks who fill prescriptions. He also deprecated the practice of substituting some well-known remedy for something just as good, and hoped legislation regarding both might be enacted.

Dr. Bulech read some statistics regarding the association. There are in the state, he said, some 4,000 members of the society. Its work regarding irregular practitioners had resulted in 1,800 of the latter being driven out of the profession, placing it on a higher standard. The influence of the society has also been exerted in the lengthening of the medical course at the universities, insuring a competent physician when the student graduates.

In the general meeting papers of a technical character were read by Drs. G. H. Sherman, Detroit; O. A. Griffin, Ann Arbor; J. B. Gleason, Detroit; J. A. MacMillan, Detroit; W. L. Dickinson, Saginaw; Victor F. Vaughn, Ann Arbor; B. H. Shurly, Detroit, and W. H. Billis, Allegan.

The following list of officers have been elected: President C. B. Stockwell, Port Huron. First vice president William Fuller, Grand Rapids. Secretary and Second vice president W. T. Abrams, Dollar Bay. Third vice president E. Robinson, Jackson. Fourth vice president, A. B. Stealy, Charlotte. Delegates to the American Medical Association, A. L. Lampaugh, Calumet, Leartus Connor, Detroit and O. H. Clark of Kalamazoo as alternate.

SEND BODY TO CANADA

Father of Peter LaFond Makes Arrangements for Interment of Son's Body at Home Town.

The body of Peter LaFond, found in a root house at the I. Stephenson company's camp No. 1 following the forest fire which burned that camp on last Friday, will be shipped to the home of his parents at St. Gabriel Canada, tonight.

Arrangements for the shipment of the body were made by telegraph by the father of the dead man with D. A. Oliver who has had charge of the body since it was brought to the city last Saturday.

LaFond had no relatives in this district but was well known to many lumbermen having been employed as a camp cook by the different companies about Delta county for several years.

BOATS CRASH NEAR DETROIT

Her bow smashed in as a result of a collision with the steamer Wisconsin, of the Hawgood fleet, the steamer John Duncan settled on the bottom at Bois Blanc island just above the ferry landing, on Wednesday night and was full of water within a few minutes.

The steamer Wisconsin was bound up and the John Duncan bound down, both loaded. The bows of the two boats crashed directly into each other, the Wisconsin escaping uninjured and continuing her trip up the river. Her captain said the Duncan ran into her. The Duncan settled over on the shore of the island and the tug Brockway was at once dispatched to her assistance but there was no help to be given last night and she will remain in her present position until orders are received from the owners.

The Duncan is owned by Henry J. Pauley, of Milwaukee and is 225 feet long, 38 feet beam and has a depth of 17 feet. The Wisconsin, which slid uninjured from the impact is nearly twice her length, measuring 428 feet, with a beam of 50 feet and a depth of 22 feet.

WON'T MEET UNTIL JUNE

Expense of Extra Session of County Board Obviated by Holding Business for Constitutional Meeting.

Unlike the boards of other counties of the upper peninsula, the Delta county board of supervisors will not meet in extra session this spring but will defer the session until the time for the regular meeting provided for by the statutes, has arrived.

That session will open on June 25 when in addition to equalizing the assessment rolls of the different cities and townships of the county for which purpose the meeting is called, much routine business which has accumulated since the early spring session will be cleaned up.

It is provided by the statutes of the state that every fifth year the board of supervisors of each county shall meet to review and equalize the assessment rolls of the different districts of the county.

It has been the practice on former years for the county board to meet on some date in May but it was decided by the supervisors this year that any business of the county which is presented at this time, could be deferred until the June meeting and the expense of an extra session would be obviated.

CHIEF BEITZER WAS IN EARNEST

Prisoner Ordered to Leave City Failed to make Promise Good with Result Which Surprised Him.

That when Escanaba's new chief of police issues an order he is mighty in earnest, is probably the firm opinion of Joseph Gilbert, a woodsman who was arrested out of the city yesterday by Chief Peter Beitzer.

Gilbert was picked up on the street in an intoxicated condition on Wednesday night but on his promise to leave the city immediately was allowed to go on Thursday morning with out being arraigned in court.

He failed to carry out his promise however and shortly afterwards was again found in an intoxicated condition by Chief Beitzer.

He was immediately taken before Judge O. V. Linden where because of the earnest pleas of the prisoner a sentence of 8 days in jail was suspended under the condition that he should leave the city within two hours.

He left the court room and early last night was found by the chief sleeping quietly in a vacant lot on upper Ludington street.

Chief Beitzer decided that "moral suasion" alone could rid the city of a prospective chaffer. He quietly proceeded to a nearby lumber office and after obtaining a sound picket returned to the sleeping ex-prisoner.

Three firm and well directed blows served to awaken the woodsman from his drunken stupor and the situation was one entirely new to him. He protested that he just preparing to leave the city and Chief Beitzer informed him that he held the same opinion and backed up the information with more blows from the picket.

Gilbert fled with the chief giving chase and administering regular parting blows assisted him across the lot to the street and when Gilbert was last seen he was proceeding with a good head of steam for the North-Western tracks and it is believed that he has finally obeyed the orders of the court.

CANADIAN FLAG CAUSED WALKOUT

Jackson, Mich., May 25.—Special.—When Miss Maude Caven hoisted the Canadian flag over the city hospital in this city yesterday afternoon all nurses and employees quit.

Miss Caven is a Canadian and yesterday there was a convention of medical men at the hospital including several doctors from Canada. Miss Caven asked the permission of the matron to hoist the Canadian flag, which request was granted with the understanding that the American flag was also to be displayed with the Canadian colors.

Miss Caven did include the stars and stripes, but the latter was so very small that it could not be seen and the affair nearly resulted in a hair pulling match.

St. Patrick's Church, Holy hour every Friday evening 10-11:30. 892B.

GOOD SCHEDULE ARRANGED FOR
 Lotus Will Make Three Trips to Maywood on Sunday While Steamer Maywood will Cover Route Twice.
 Everything is being placed in readiness at Maywood for receiving the first crowd of excursionists of the year, on Sunday when it is expected that many people of Escanaba will be attracted to the resort.
 The grounds surrounding the resort have been raked and a general cleaning movement has been under way at the upper bay summer outing place for several weeks.
 New attractions for visitors have been added and Maywood never presented a more attractive appearance than now.
 The woods surrounding the resort are filled with blooming flowers and it is expected that many of the visitors on Sunday will spend much of their time in gathering the blossoms.
 Both the steamers Lotus and Maywood will make regular trips from the Stephenson dock during the day and offering excellent accommodations for the people of the city who wish either to spend the entire day at Maywood or those who will remain there for but a few hours.
 The Lotus will make the first trip of the day from the Stephenson dock at 9 o'clock. The same boat will again leave the local passenger dock at 10:30 o'clock.
 The Maywood will make its first trip up the bay leaving the Stephenson dock at 1:45 o'clock in the afternoon.
 The Lotus will make its third trip of the day from the city at 2:30 o'clock and at 3 o'clock the Maywood will leave the Stephenson dock for its final trip.
 A course, leathery complexion made unbecomingly by eruptions, calls for general reform in living. The diet should be plenty of Hollister's Rocky Mountain Tea 35 cents, Tea or Tablets—Hill Drug Co., both stores.

MINISTER FOR MANY YEARS
 Boston, Mass., May 25.—Special.—With mind keenly alive and unimpaired by the march of time, Rev. Dr. William Howe, founder of the church that afterward became Tremont Temple and believed to be the oldest living Baptist clergyman, observed his 100th birthday today at his home in Cambridge.
 Dr. Howe continues to enjoy wonderful health. His mind is as clear and vigorous as ever. He can talk in a most interesting way about present or past events. For the Baptist denomination, with which he has been all his life connected, he preserves a high regard.
 Born in Worcester May 25, 1808, Dr. Howe was educated at Amherst Academy, Colby College and Newton Theological Seminary. During his career at Newton he had become deeply interested in mission work in Boston, establishing a Sunday school in a hall loft on Charlestown street, from which later grew the Merrimac street Union Baptist church. This church was afterward united with Tremont Temple. In all, Dr. Howe founded eight missions during his years of mission work in Boston and out of them ultimately grew four strong churches.
 Dr. Howe has long taken a deep interest in Spellman Seminary, in Atlanta, Ga., colored educational institution. He has given largely to the seminary, erecting a chapel in honor of his wife. Until nine or ten years ago he was in the habit of paying an annual visit to the seminary.
 Don's Regulets cure constipation without griping, nausea, nor any weakening effect. Ask your druggist for them. 25 cents per box.

ARE DESCENDANTS OF FIGHTING MEN
 Detroit, Mich., May 25.—Special.—The National Society of the United States Daughters of 1812, patriotic society membership is confined to the descendants of those who rendered their country service during the war of 1812, began its annual convention in Detroit today. More than a score of states are represented among the delegates. The program of the meeting covers three days and provides for numerous social features in addition to the transaction of business relating to the affairs of the order.
UNION MEN TAKE NOTICE.
 All union men take notice that a large frame building is being built on North Norris street, without the aid of union masons, bricklayers or plasterers.

FORM GREAT BANK UNION
 Charles A. Wright of Hancock Has Plan to Consolidate Banking Interests.
 A movement has been started in the United States, largely through the personal influence of Charles A. Wright, president of the Superior Trust Co., and the Superior Savings Bank, of Hancock Mich., representing a capital of \$287,000 for the consolidation of the banking interests of the country in the way of organizing a big central banking institution in New York, the financial center of the country in which all the banks shall be interested, this huge banking house to operate as a medium for maintaining stability in the money market and for preventing the control of that market by a few financiers whose greed impels them to force up the price of money at every opportunity.
 In a recent issue of the Chicago Banker Mr. Wright published an article on his scheme for a great central bank in which he treated the question at some length. In this article Mr. Wright calls attention to the fact that the money power in New York has of late years shifted into the hands of a few over-rich capitalists of industry who have come to control a preponderating proportion of the industries and resources of the country and through this control the great banking institutions. Exercising this power they have raised the price of money in New York to an excessive rate and to such an extent as to positively hinder business enterprise and development. Mr. Wright's plan is to form a great money power in his consolidated banking institution which shall be greater than even the great money kings and shall thus be able to dominate them or at least to successfully combat them.
 The total banking power of 14,850 reporting banks of the United States, consisting of their capital, surplus and undivided profits and circulation, according to the report of the Comptroller of the Currency, for the year 1904, amounted to \$18,263,849,007.
 This large number of banks have no practical organization or union by which this immense power can be most effectively applied. There is need of a central bank in New York, in the government of which all of the banks shall be represented, creating an agency, through which united action can be obtained, for individual and mutual advantage, and for any purpose made desirable by national emergency due to serious disaster, panic or public necessity.
 Dyspepsia is America's curse. Burdock Blood Bitters conquers dyspepsia every time. It drives out impurities, tones the stomach, restores perfect digestion, normal weight, and good health.

NEW MINISTER COMES SUNDAY
 Rev. F. C. O'Meara of West Branch Mich will Fill Pulpit at Stephen's Church at Both Services.
 The Rev. F. C. O'Meara of West Branch, Mich., will take charge of the services at St. Stephen's Episcopal church on Sunday May 27 and will preach at both morning and evening services. Rev. O'Meara comes very highly recommended and it is desired that a full attendance of the members of the church be given at both services.
 Every person who is interested in the future welfare of St. Stephen's Episcopal church will attend service and bring your friends. All are invited and a warm welcome has been extended.
 Men and women who eat fat meats and drink strong coffee usually have coarse, florid skins. Hollister's Rocky Mountain Tea makes your skin soft and fair. 35 cents Tea or Tablets.—Hill Drug Co., both stores.

WILL RACE TO BERMUDA
 New York, May 25.—Special.—Everything is in readiness for the Brooklyn Yacht Club's ocean race for small yachts, starting from New York to Bermuda—630 miles—tomorrow, for the \$1000 cup offered by Sir Thomas Lipton. There are four boats entered for the race. They are Tamerlane, 83 feet long; Lila, 40 feet long; Gannet, 28 feet long, and Bonnie Kate, 44 feet long. It is estimated that the race will take eight days.
 It is safe to say that the girls of 1908 are sweeter and more beautiful than the girls of war times. The up to date girls all take Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets.—Hill Drug Co., both stores.

SCHOOL TEACHER PASSED AWAY
 Miss Josephine King Died This Morning at Home at Gladstone After Short Illness.
 After an illness of two weeks from a complication of diseases Miss Josephine King, for eight years engaged as a teacher in the different district schools of Delta county and well known to many people in Escanaba, died early this morning at the home of her father Alexander King at Gladstone.
 Miss King had been engaged as instructor of the Fourth and Fifth grades at the Rapid River school this year and two weeks ago was forced to give up her position because of ill health.
 Her condition rapidly became serious and at 8 o'clock this morning she passed away.
 During the eight years that Miss King had followed the vocation of a teacher she had been employed in several of the school districts in the townships surrounding Escanaba and Gladstone and made many warm friends to whom the announcement of her death will come as a great shock.
 She frequently visited in Escanaba and the unexpected announcement of her death was received here this morning.
 Definite funeral arrangements were not made today.

LODGE MEMBERS ATTEND FUNERAL
 Fayette Odd Fellows go to Gladstone to Be Present at Services Over Body of Joseph Kee.
 Impressive ceremonies conducted under the auspices of the Fayette lodge of Odd Fellows marked the funeral service over the body of Joseph Kee, brother of Dr. David N. Kee of Gladstone and a resident of Delta county for many years, which was held at the home at Gladstone at 2 o'clock this afternoon.
 Mr. Kee died on Tuesday afternoon after an illness of nearly a year from cancer of the stomach.
 For nearly 25 years Mr. Kee had been engaged as a farmer living near Fayette and was one of the best known residents of that district of Delta county.
 Because of failing health he left his farm early in March of this year and moved to Gladstone with his family. Medical experts of St. Paul and other cities were consulted without any relief being given and at 4 o'clock on Tuesday afternoon he passed away at his home.
 During the time that Mr. Kee was being treated for cancer of the stomach by specialists at St. Paul, Mrs. Kee submitted to an operation for the removal of a cancer. The operation was a success and she is now recovering.
 Members of the Fayette lodge of Odd Fellows to which order Mr. Kee belonged, came to Escanaba in a body this morning on the steamer Maywood and were taken to Gladstone on the steamer Lejus.
 The Rev. George C. Flett of the First Presbyterian church of Gladstone officiated at the service. Interment was at the Gladstone cemetery. Mr. Kee was 46 years of age and is survived by his wife, three sons and two daughters.
 Largest Life Policy.
 The most heavily insured man in the world is probably Mr. L. Rodman Wanamaker, of Philadelphia, who carries \$2,000,000 in the Mutual, in addition to insurance in other companies. Mr. Wanamaker first took out his insurance in the Mutual, amounting to \$200,000, at the age of 34. At 36 he increased it by two additional policies of \$100,000 and \$500,000. Five years later, at 41, he took two additional policies, one at \$1,000,000 and the other of \$200,000. This makes his total insurance in the company \$2,000,000, on which he pays a yearly premium of \$63,226.—World's Work.

WHEEL CAUGHT ON THE "SHOE"
 A singular accident happened to the Buckeye Fish company's tug Elert recently. When about mid-lake off Grand Marais, lifting her nets, her propeller wheel came off the shaft. The engine was stopped and upon examination it was found that instead of the wheel going to the bottom after leaving the shaft, two of the wheel's buckets fell straddle the rudder shoe where the wheel remained upright. Captain McIver fell to work at once at the difficult task of jettling a line around the wheel so as to hoist the same on deck, as in its position it would have taken but a small jar to have sent the wheel either way and it would have gone to the bottom. The task was accomplished and the wheel was brought to the deck without accident. A sister tug, the Effie B., was signaled to and towed the disabled tug into port. The Elert was raised by Captain Davidson's hoist, the wheel replaced and the tug went out as usual a few hours later, having lost one day due to the accident. The accident was curious, and a similar one may never happen in this generation. It also saved the owners a tidy fee, for had the wheel gone to the bottom, the tug would no doubt have been taken to the Soo, necessitating a delay of ten days, saying nothing of expense, loss of fish, etc.

MANY ATHLETES ARE IN MEET
 Boston, Mass., May 25.—Special.—The preliminaries in the annual track and field championships of the Intercollegiate athletic association were contested on Soldier's Field today under most favorable auspices. The finals take place tomorrow. The number and quality of the entries indicate that new records may be made. More than 600 athletes are entered, and they include the pick of the intercollegiate performers in the East.
 Pennsylvania and Harvard are looked upon as most likely to take the honors. Cornell apparently is not up to the standard of last year, when she won the title, while Yale has had hard luck this season. Princeton is showing some confidence but is not expected to make a much better showing than in previous years.

NOTICE.
 Notice is hereby given that all property owners in the city of Escanaba must remove, or cause to be removed, all refuse of every kind from their premises and from alleys abutting their property within ten days. Failure to comply with this order will be followed by vigorous prosecution.
 Signed Board of Health.
 B263-5 24.

Same Old Story.
 Mrs. Smith—Oh, dear, I'm completely worn out! I was up more than half the night with a toothache.
 Mrs. Jones—That's too bad. Did you go to the dentist this morning?
 "Oh, my, no! It was my husband's tooth that ached."—Chicago Daily News.
 Cures baby's croup, Willie's daily cuts and bruises, mamma's sore throat, grandma's lameness—Dr. Thomas' Electric Oil—the great household remedy.

The Prudent,

far-seeing man lays the foundation of a fortune much as a mason builds a brick wall—a brick at a time. The man who will not lay the first brick because it falls short of a completed wall, will not make much progress in acquiring a competency. Many people live up their incomes and decline to save because the amount available to start with appears too small. The greatest financiers are not above caring for the pennies, and this big financial institution will gladly aid you in saving yours. Start a saving account with us to-day.

Escanaba, Mich.

EXTINGUISHED

SMALL BLAZE

A small blaze in the boiler room of the Escanaba Woodware company's plant was extinguished early this morning by watchmen at the plant before the members of the fire department reached the scene.

Both companies of the fire department were called out shortly after 9 o'clock by the alarm but on arriving at the plant found that the blaze had not been of dangerous proportions and their services were not required.

INTER BABE AT BARK RIVER

Funeral services over the body of the three months old son of Mr. and Mrs. E. M. Johnson, which died at the home of the parents here yesterday, were held at Bark River today.

The body of the babe was taken to Bark River at 11 o'clock over the North-Western road accompanied by the parents and relatives Mr. and Mrs. Johnson formerly lived at Bark River and moved to Escanaba but a short time ago.

JUDGE STEERE ISSUES ORDER

Sault Ste. Marie, Mich., May 25.—Special.—Judge John H. Steere has issued an order to show cause why a writ of preceptory mandamus should not be issued making the board of review assess the Michigan & Lake Superior Power Co., according to the value of their property which is said to be \$7,000,000. The petition has been signed by the attorney general. The big company now pays taxes of \$5,000 on half a million capitalization.

DRAYMAN MADE HEAVY CHARGE

A drayman of the city whose identity could not be learned this afternoon charged \$1.00 for hauling a load of second hand furniture, clothing and provisions which had been collected for fire sufferers in the district North of Escanaba at a residence on Elmore street, to the downtown station of the Escanaba & Lake Superior railroad.

The excessive charges that were made by the drayman prevented those in the city who had been engaged in the relief work from sending another load to the station in order that it might be forwarded to the destitute families who lost their homes in the forest fires of one week ago.

While the draymen of Escanaba may have a schedule of rates it is believed that the fee charged by the man

engaged to haul supplies to the E. & L. S. station this morning was excessive and was especially so when the cause for which his work was done is considered. An investigation will be made and if it is found that the charge was above the regular fee the case will be brought to the attention of Mayor Perron for action at once.

URANUS IS ON AT EAGLE RIVER

Calumet, Mich., May 25.—Special.—The Gilchrist liner Uranus of Cleveland is ashore near Eagle River, twenty miles north of this place.

The reports state that the big boat got on the bottom at about 9:45 this morning.

MOVING PICTURE COMPANY FAILED

Although the Frisco Moving Picture company was booked to appear at the Peterson opera house last night showing original scenes of the conflagration which swept the Golden Gate City following the recent earthquake, the company failed to arrive in Escanaba and many people were disappointed. Manager P. M. Peterson received no word from the management of the company that the engagement here would not be filled and up to a late hour this afternoon no announcement had been received as to why the booking was jumped.

LEAPED FROM BURNING HOUSE

Alba, Mich., May 25.—Special.—After having been pursued by flames that started in the two story frame building, in which they made their home, Mrs. Clymer and her mother Mrs. Mason jumped from the roof to the ground. Mrs. Mason sustained injuries from which she will not recover and Mrs. Clymer suffered a sprained wrist. Both women were on the upper floor when they discovered the fire and every retreat was cut off with the exception of the small stairway that led to the roof.
