

FOR BUREAU OF PUBLICITY

Steps for Its Organization to be Taken at Menominee on February 21—Delta County and Escanaba to be Well Represented—Interesting Details.

Escanaba citizens interested in the promotion of an Upper Peninsula Publicity Bureau have been advised that the meeting at which the organization of such a bureau is expected to be effected will be held at Menominee on Tuesday, February 21. A decision to hold the meeting on that date was reached Saturday afternoon at a meeting of the committees from the Menominee Commercial club and the Menominee county board of supervisors.

Delta county is to be represented at the meeting February 21 by a committee from the board of supervisors and the Escanaba Business Men's association will be represented by a large and influential delegation.

Relative to the setting of the date for the meeting, its purposes and the necessity for having an Upper Peninsula Development bureau, the Menominee Herald-Leader says:

Purpose of the Movement.

As a result of the movement that is fifteen years overdue will be started to develop the upper peninsula. At that meeting the Upper Peninsula Publicity Bureau will be organized. This bureau will have for its object the exploitation of the upper peninsula as a district with great agricultural and industrial possibilities. It will advertise the upper peninsula as a virgin soil for new settlers.

Because the first general meeting is being held in Menominee county, that does not mean that this county will receive the first benefits or any more than any other county in the up-

DOUBLE FUNERAL SET FOR TOMORROW

It has been decided to hold the funeral services over the remains of the late Edmund Fortier and Fred Beaudoin at the same time in St. Ann's church at nine o'clock tomorrow morning. Rev. Father Menard will conduct the double funeral services and both will be given burial in St. Ann's cemetery. The members of L'Institut Jacques Cartier will attend the double funeral in a body, both of the decedents having been members of the organization.

SPECIAL ELECTION IS NOT FAR AWAY

It Will Be Held Next Monday—Citizens to Vote on Adoption or Rejection of Revised Charter and Upon Issuing Bonds for Building and Equipping Fire Station.

Citizens of Escanaba are reminded that there will be a special election next Monday, February 6 when two important questions are to be decided by them. One is whether the city charter as revised by the charter commission shall be adopted or rejected and the other is whether or not the city shall issue \$15,000 bonds for the construction and equipping of a new fire station in the Seventh ward, better known as North Escanaba.

Copies of the proposed charter have been distributed among the citizens and by this time should have been read and digested so that an intelligent vote upon it may be cast.

As for the fire station bonding question it is now pretty generally understood that the bond issue is intended to cover not only the cost of constructing the building but also its complete equipment. It should be carried by more than the necessary two-thirds affirmative vote.

SLEEPING CAR RATES REDUCED

At Midnight Tonight the Price on Sleeping Cars Will Be Reduced and Every Traveler Can Afford to Take a Snooze.

(By Associated Press.) Washington, Jan. 31.—Reductions in the price of sleeping car berths will become effective at midnight tonight. The tariffs have been filed with the interstate commerce commission by the Pullman company, by which the rates on all upper berths have been reduced approximately 20 per cent.

WATER COMPANY GETS PAID FOR HYDRANT RENTAL

BY A CLOSE VOTE THE COMMON COUNCIL DECIDES TO ALLOW BILL WHICH IT LAID ON TABLE TWO WEEKS AGO.

This Action is Not Taken, However, Until Superintendent of Water Company Signs Agreement Not to Raise Rates—Story in Detail.

By a vote of 6 to 4 the common council Monday evening decided to allow the Escanaba Water company's bill of \$4,487.66 for hydrant rental for the six months ending December 31, 1910. This is the bill which the council had once allowed and then disallowed, following a protest by the Escanaba Business Men's association against the company's proposed advance in water rates.

Favorable action upon the bill was not taken, however, until Superintendent W. J. Hatton of the Water company had affixed his signature to the following written agreement, prepared at the dictation of Alderman McColl:

"Escanaba, Mich., Jan. 30, 1911. I hereby agree by and in behalf of the Escanaba Water company that the water rates will not be raised in the city of Escanaba above the rates of last year, including the water furnished the city, free of charge, the same as last year—Escanaba Water Company, by W. J. Hatton, Supt."

Mr. Hatton seriously objected to the clause in the agreement relating to free water for the city, but finally yielded when advised by the mayor that it would be best for him to do so.

There was a great deal of debate before the final vote on the bill was taken. Alderman Garrity, Valentine and Kirkpatrick were strongly opposed to paying the bill until the commission was organized.

HERE'S A QUEER MUDDLE

THOMAS O'BRIEN ARRAIGNED IN TWO LOCAL JUSTICE COURTS FOR THE SAME OFFENSE.

PLEADS GUILTY IN BOTH COURTS.

Justice in One Sentence Culprit to Sixty Days in the County Jail and Second Justice Gives Him a Term of Fifteen Days Longer—His Offense Was Malicious Destruction of Property at Ed. Johnson's Saloon—Story of the Unusual Case.

Will Thomas O'Brien serve 60 or 75 days in the county jail for malicious destruction of property? That's a question that may puzzle the wise ones to answer after they are placed in possession of the facts in the case. Here they are:

Monday morning O'Brien is a comparative stranger in the parts, and after being for a second time arrested by Ed. P. Johnson's salaried police officer, Stephen Johnson, and taken to get even with the bar, he hurled a big piece of glass through the stained glass of the saloon entrance, shattering the glass into bits.

He was taken in charge to the saloon and detained until the arrival of Police Officer St. John, who placed him under arrest and took him to the police station, where he wanted to go.

Pleads Guilty in Two Courts. This morning Officer St. John took O'Brien before Justice Lingen and entered a charge of malicious destruction of property against him. To this charge O'Brien entered a plea of guilty and was given a sentence of 60 days in the county jail. Before he could be escorted to the jail, however, he was taken by Chief of Police Iversen before Justice Glaser, in whose court Mr. Johnson had made a complaint against O'Brien for malicious destruction of property. Before Justice Glaser O'Brien also pleaded guilty and was sentenced to 75 days in the county jail, and in addition was given a severe lecture for not only his offense in wantonly smashing the glass panel but for his bad behavior previous to that and which led to his ejection from the saloon.

O'Brien was unable to give any reason for his actions, "further than to say that he was intoxicated at the time. He was taken to the jail by the chief of police, and again the question arises: "Will he stay there 60 or 75 days?"

CHORAL CLUB GIVES CONCERT FEB. 16

At the last meeting of the Escanaba Choral club it was definitely decided to give the club's first public concert on Thursday evening, February 16. It will be held in the First Presbyterian church and there will be no other postponement, it is stated. Rehearsals are being held every Thursday evening and the members of the club are fast attaining perfection in their work. For the concert a splendid program of music is being prepared and the event doubtless will be well patronized.

SHOULD BUILD BATTLESHIP IN THE NAVY YARD

LABOR UNIONS CIRCULATE PETITIONS ASKING CONGRESS TO SEE THAT LAW OF 1910 IS STRICTLY ENFORCED.

They Want the Battleship New York Built in a Government Navy Yard—Petitions Circulated in Escanaba Receives Many Signatures.

Labor unions throughout the country, particularly those of the carpenters and builders' trades, are circulating petitions calling upon congress to insist upon having the federal law of 1910 relative to the building of battleships strictly complied with it.

They particularly demand that the new battleship New York shall be built in a government navy yard and call upon congress to take such action as may be necessary to prevent the secretary of the navy from evading the law in any manner whatsoever.

Petitions of the character noted are being circulated throughout Michigan and are being sent to the state's representative in congress. Such petitions already being circulated in Escanaba by members of the local carpenter's union and are being quite liberally signed. When the work of signatures is completed the petitions will be forwarded to Congressman H. O. Young, representing the district. Following is the text of the petition:

The undersigned citizens of Escanaba, Michigan, respectfully petition you, and through you the United States, to insist upon having the battleship New York built in a government navy yard, in compliance with the law of 1910. The reasons given by the disinterested authorities quoted on the reverse side of this petition, will, we hope, convince you that this work should be done in the navy yard, and we trust that congress from evading this law by contracting for all or any part of the work on the ship."

ROBBERS MAKE GOOD HAULS IN ILLINOIS

SEVEN THOUSAND DOLLARS WAS "GATHERED" IN THE HARVEST OF CRIME IN TWO SLEEPY LITTLE VILLAGES IN ILLINOIS.

Bank At Kane May Not Have Lost Their Money as Vault Cannot Be Opened Today—Many Little Banks Have Been Robbed It is Reported.

(By Associated Press.) Galesburg, Ill., Jan. 31.—The Bank of Swan Creek was blown and robbed early this morning of about \$3,000. The robbers cut telephone and telegraph wires and stole two rigs from nearby farm houses with which to get away.

Kane, Ill., Jan. 31.—The private bank of Green & Co. was entered last night by robbers. The vault contained \$4,000. The door of the vault cannot be opened today and it is not known whether any money was taken or not.

This brings the total close to 25 small banks that have been robbed within seven months.

HOLDS ANNUAL OPEN MEETING

Delta County Agricultural Society Elects Officers and Directors for the Ensuing Year—Decides to Incorporate Under Laws of the State—Details.

President—John M. Millar.
Vice President—Ira C. Jennings.
Secretary—Torval E. Strom.
Treasurer—Peter Jensen.

These officers and the following board of directors were unanimously elected at the annual open meeting of the Delta County Agricultural society Monday evening:

Escanaba city—Charles Ehgerd, Coleman Nee, A. J. Henry and Peter Lemmer.
Gladstone city—I. G. Champion and Peter R. Legg.
Bay de Noc township—J. B. Stratton.
Brampton township—W. H. Wellsted, Sr.
Baldwin township—John Hall.
Cornell township—John D. Colburn.
Escanaba township—A. J. Berckman.

Ford River township—George Jensen.
Fairbanks township—Charles Arnold.
Garden township—Leonard Spaulding.
Masonville township—Nels Johnson.
Maple Ridge township—Herman Johnson.
Nahma township—Fred W. Good.
Wells township—Charles Walker.

Money in the Treasury. There was a good attendance at the meeting and considerable interest in the proceedings. Former President E. J. Berckman presided.

Before the election of officers Secretary Torval E. Strom, in the absence of Treasurer Peter Jensen, presented a report from the treasurer. This showed that the total receipts of the society last year were \$1,121.46 and the expenditures \$917.56, leaving a balance of \$203.90 on hand. Secretary Strom also reported that the receipts, in addition, would show donations of lumber and other materials worth approximately \$1,000, the donations having been made by various individuals and firms kindly disposed toward the society and its objects.

Will Incorporate Society. J. M. Millar, chairman of the committee on grounds, made a verbal report of what has been done in getting the grounds in condition for holding a fair, and his report was supplemented by one of more detail from Secretary Strom, who stated among other things that the grounds had been leased for a term of 15 years, with the privilege of purchase after five years.

Upon motion of Adam J. Henry, it was decided that the society shall be incorporated and the articles of association previously prepared were adopted and later signed by all of the society members present. It is believed that incorporating the society under the laws of the state will give it many advantages that it does not now enjoy.

Following the election of officers there was very little business left to transact and the meeting soon adjourned subject to call of President John M. Millar.

GLADSTONE PAPER CHANGES OWNERSHIP

Editor I. G. Champion Sells the Delta County Reporter to William Jaeger of Wausau, Wis.—New Owner Takes Immediate Possession—Mr. Champion to Retire.

Through a deal which was closed Monday, the Delta County Reporter, published at Gladstone by I. G. Champion, has changed hands. Mr. Champion selling the entire plant and goodwill to William Jaeger of Wausau, Wisconsin, who takes immediate possession.

Mr. Jaeger is a newspaper man of experience, having for six years conducted the Daily Herald at Merrill, Wis. It is his intention to add considerable new material to the Reporter plant and make such improvements as may seem desirable. Mr. Champion established the Reporter about nine years ago and made some money and had a good deal of fun out of the venture. He expects to retire from active business life and will live on his farm at Flat Rock after returning from a trip next spring to his old home in England.

The good wishes of the newspaper fraternity of Delta county will follow Mr. Champion into his retirement and the glad hand of welcome and fraternal good fellowship will be extended to Mr. Jaeger.

POSTAL BANKS ALREADY PROIVING THEIR WORTH

*Amount of Money They are Drawing from Hiding Places is a Revelation—Stories.

Washington, Jan. 31.—Reports from the forty-six postoffices in which postal savings banks have been established have greatly encouraged Postmaster General Hitchcock. There is a steady growth in the popularity of the banks. Without exception, the postmasters report the receipt of many deposits by mail, all of which, under the regulations, are promptly returned, with a statement that depositors must appear in person and establish identification. Many postmasters report offers of deposits several times the maximum allowed by the law. An Idaho miner wanted to deposit \$1,800. He was told that \$100 was the limit that could be received at one time and not more than \$500 could be deposited. The miner left \$100 and came back the following month with the same amount. Meanwhile, the other \$1,600 has gone into hiding. One Depositor Was Afraid. Up to date there is but one instance where a depositor has become frightened and asked for the return of his money. He came into a Western town from his farm and deposited \$100. Three days later he drew it out. A few days later he deposited \$100. Three days afterward he again withdrew his deposit. The clerk asked the reason and he said: "I'm kind of skerry and just wanted to see if I would get my money back if I put it in here."

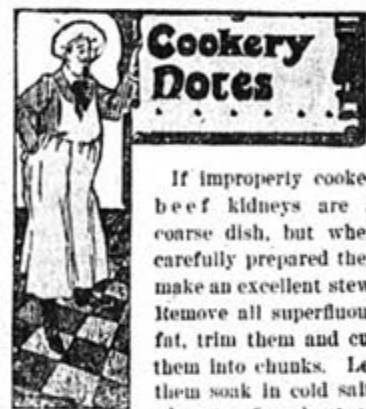

Owing to the fact that so many requests have been made to permit the deposit of larger amounts than the law allows, it is probable that the postmaster general will recommend the maximum of \$500 be considerably increased. It is disclosed that many persons have in hiding much more than \$500 which they are willing to lend to the government at two per cent. interest. Mr. Hitchcock hopes to obtain from congress at this season an appropriation that will permit the establishment of many more banks. Ultimately, postal banks will be established in all sections.

CHANGE IN DATE OF CONVENTION

Notice has been issued by Chairman Judd Yelland of the Republican county committee that it has been decided to change the date for holding the Republican county convention. The date of the convention had been set for Wednesday, February 22, but it has now been changed to one day later, Thursday, February 23. In another column will be found the official call for the convention, at which delegates to the Republican state convention are to be elected and candidates for county commissioner of schools and county road commissioner are to be nominated.

SHIPPERS' FORECAST

Cookery Notes

If improperly cooked beef kidneys are a coarse dish, but when carefully prepared they make an excellent stew. Remove all superfluous fat, trim them and cut them into chunks. Let them soak in cold salted water for about an hour. Rinse them very thoroughly and then set them over the fire in fresh cold water. When they come almost to the boiling point and begin to show scum on the surface pour off the water and add fresh cold water. A better way, if one has time, is to remove the kidneys, put them in a new pot or lay them aside a moment until the pot they were cooked in has been thoroughly washed out. Then put them back. In order to get the strong flavor out of this meat it is necessary to remove as much scum and blood from it as possible. Let them reheat in water a second time. Then pour off this second water and treat as before. It may be necessary to do it a third and a fourth time also. When the stage is reached in which the water is quite clear and free from scum cut up one or two onions—a good sized one for every kidney—one or two small carrots and one or two potatoes. Put them into the water around the meat and cook slowly for about two hours or until a gravy is formed. Some cooks add a little lemon juice or part of the yellow peel of a lemon to the stew. The carrots and onions may be left out and the kidneys stewed by themselves, the gravy being flavored only with a tiny glass of wine and lemon juice.

half. Let a quart of the mixture cook with about a cupful of water or just enough to prevent burning. At the end of twenty minutes add two cupfuls of granulated sugar and let the mixture cook for about ten minutes more. Turn into molds and serve when cold. The apples seem to mellow the berries, and the sauce will be preferred to one entirely of berries by those who do not like the sharpness of the latter when cooked alone.

Tea Wafers. For the Virginia wafers that are served with afternoon tea and other light repasts work a couple of table-spoonfuls of butter into two cupfuls of flour and mix in enough ice water for to make a stiff paste. Then put the dough on a floured board and roll into a very thin sheet. It should be little thicker than paper—and cut in rounds with a sampler. Bake in a quick oven on a floured pan. The wafers should have an uneven, bubbly surface and be eaten cold. They are delicious with a conserve or jam.

Sandwich Filler. White raisin bread made into sandwiches with minced nuts and cream cheese is delicious. Cut the slices very thin and spread one with cream cheese and the other with the nuts. Both should be buttered first. If they are cut in the shape of card suits for afternoon refreshments at card clubs and parties they are very slightly. The card suit cutters are kept by the house-furnishers.

Soup Stock. In mixing leftovers for soups never combine fish and meat, beef and lamb, chicken and beef. Sometimes a little bacon or pork bones can be added to soup stock for richer flavoring.

STEPHENSON PAIR WED IN ESCANABA

The Stephenson Journal says: "It is reported that Miss Rose Ewald and Ernest Ewald, both of this place were married at Escanaba this week, Rev. Mr. Witte of that city performing the ceremony. Rumors of the marriage of these young people have been going the rounds for some time, but now it is asserted it is bona fide and the knot tied fast. The many friends of the young couple wish them unbounded luck in their married life and the Journal adds its blessing to the union."

J. A. RANDALL DIES IN DETROIT

Detroit, Jan. 31.—James A. Randall, lawyer, legislator and newspaper editor, died at his home in this city, after an illness of more than two years. He was born in 1848. Mr. Randall founded the Buffalo Times and it is stated that a notice posted at his instance in the news room of that newspaper—"Boom Grover Cleveland for governor of New York state"—paved the way for Mr. Cleveland to the presidency. Mr. Randall also founded the Kansas City News.

NEXT THURSDAY IS "GROUNDHOG DAY"

Next Thursday, February 2, will be Candlemas day, and it likewise will be "groundhog day," when the ground hog or woodchuck or, as some say, the bear will emerge from his winter hibernation, seeking his shadow. If he fails to see it, well and good, winter will soon be over, but if not, then it would be well to order another six weeks' supply of wood or coal, for the hope has it that in that case there will be at least that many more weeks of real winter.

SKYSCRAPER AT NEW YORK TO COST TWO MILLIONS.

(Special U. T. Service.) New York, Jan. 31.—The largest telephone exchange building in the world will be the next addition to New York's highest structures. The New York Telephone company, a subsidiary of the Bell interests, announced that \$2,000,000 would be invested for a plot and a building twenty-five stories high.

OVER A MILLION LAND AT NEW YORK

Chicago & Northwestern Ticket Agent McMartin has received a statement of the number of cabin and steerage passengers landed at the port of New York during the year 1910. The total number was 1,104,352, of whom 770,542 came as steerage passengers and 233,810 as cabin passengers. Hamburg was the port from which the greatest number embarked for the United States.

CONDITIONS OF WINTER IMPROVE

The milder weather of the past week has considerably decreased the amount of snow throughout the upper peninsula and hereabouts it has settled at least six inches. Following the heavy storms that came shortly after January 1, a number of logging operations were suspended because of the deep snow, but now reports are being received of a resumption of work all along the line.
