

## MIGHTY HOST OF CATHOLICS

In the United States Alone There are 14,618,761 and Under the Stars and Stripes Everywhere They Number Nearly 23,000,000—536,107 in Michigan.

(By Associated Press.)  
Milwaukee, Feb. 16.—There are at present 14,618,761 Roman Catholics in the United States, according to the 1911 Wiltzius Official Catholic directory, which is now in press.

The figures given do not include the Catholics in the Philippines, Porto Rico or Hawaiian Islands, for if these were added the number of Roman Catholics under the stars and stripes would be nearly twenty-three million.

**Priests, Churches and Schools.**  
Although the United States religious census of 1906 credits the Roman Catholic faith with only 12,079,142, the Wiltzius figures are not exaggerated, as the census bureau deducted 15 per cent of its total count for children, counting only communicants.

According to the directory, there are in the United States 17,084 Catholic priests and 12,461 churches. Of this number 9,917 have resident pastors. Catholics also control 4,972 parochial schools with an attendance of 1,270,131. In addition to this there are 225 colleges for boys and 696 academies for girls and 82 ecclesiastical seminaries.

**Michigan Ranks Eighth.**  
According to the Wiltzius publication, the states of the union having the largest number of Catholics are: New York, 2,758,171; Pennsylvania, 1,527,239; Illinois, 1,446,400; Massachusetts, 1,380,921; Ohio, 694,271; Louisiana, 557,431; Wisconsin, 540,956; Michigan, 536,107; New Jersey, 495,000; Missouri, 452,703; Minnesota, 441,081; California, 391,500; Connecticut, 378,854; Texas, 295,917; Maryland, 260,000; Rhode Island, 251,000; Iowa, 242,109; Indiana, 233,978; Kentucky, 147,607; New Mexico, 127,000; New Hampshire, 126,034; Maine, 123,547; Nebraska, 122,510; Kansas, 110,108; Colorado, 99,458.

These figures are regarded as official in Catholic circles, as the information is furnished direct from the various Catholic chancery offices.

## FINAL RITES FOR MRS. LOUIS FOLLO

Funeral of Late Esteemed Woman is Held From St. Stephen's Church and Largely Attended by Sorrowing Friends—Floral Tributes are Tendered in Profusion.

The funeral of the late Mrs. Louis Follo, whose death occurred Tuesday morning, was held from St. Stephen's Episcopal church this afternoon and was quite largely attended. Among those present were members of Phoebe lodge, Daughters of Rebebekah, and the local tribe of Ben Hur, with both of which organizations Mrs. Follo had been affiliated.

Services were conducted by Rev. J. Dalston, rector of the Episcopal church at Menominee, and the remains were given interment in Lakeview cemetery.

The esteem in which the decedent was held found expression not only in the large attendance of friends at her obsequies but in the large number of beautiful floral offerings, among which were included several elaborate set pieces, on of which was a huge wreath contributed by the Machinists' union of which Mr. Follo is a member. Accompanying the wreath was a set of resolutions conveying to Mr. Follo and his children the condolences of the union in the loss and sorrow they have sustained in the passing away of the beloved wife and mother.

The pall-bearers were L. J. McMartin, Carl Johnson, O. V. Linden, Martin Anderson, Joseph Flemming and George Olson.

## LOCAL KNIGHTS OF COLUMBUS INVITED

Escanaba Knights of Columbus have received notice that the Menominee Knights of Columbus are preparing for an initiation to be held in that city on Decoration day, May 30. At that time they expect to confer the three degrees on a class of between 40 and 50 candidates and Escanaba Knights are invited to attend. Next Wednesday the Marinette Knights are to initiate a large class. The Green Bay team will confer the first two degrees and the Manitowoc team the third. Next Saturday evening the newly organized Ishpeming council of the Knights of Columbus will install its new officers and have a great time generally. Escanaba Knights will be welcome at both the Marinette and Ishpeming events.

## NAVAL RESERVES AT COMRADE'S FUNERAL

Funeral services over the remains of the late Roy Sederlund were conducted in the Swedish Methodist church this afternoon, Rev. A. E. Pearson officiating, and interment was made in Lakeview cemetery. The funeral was largely attended by friends of the deceased, among those present being a number of the members of the Escanaba division of the Naval Reserves, with which Roy had been connected, although unable for nearly a year to attend the drills and business meetings.

Washington, D. C., Feb. 16.—By Associated Press.—The population of Gladstone, Mich., according to the thirteenth census, is 4,211. This is a gain of 683 over the state census of 1904, when the figures were 3,528.

## DIVORCES SHOW A MARKED DECREASE IN DELTA COUNTY

JUDGE FLANNIGAN EVIDENTLY NOT TOO EASY IN GRANTING DECREES TO PERSONS APPLYING FOR SEPARATION.

Last Year There Were But Seven Divorces Granted in This County as Against Twenty-five in 1909 and Twenty-six in 1908—Official Data.

Judge R. C. Flannigan evidently is not too easy in the matter of granting decrees of divorce upon the application of one or the other of mismatched couples. Judge Flannigan has been on the circuit court bench since April and during that time—in fact, during the entire year of 1910—he has granted but seven divorce decrees in the Delta county circuit court.

That this is a remarkable decrease in the number of legal separations authorized by the court is shown by the official record for 1910 and two previous years. In 1909 there were 25 decrees granted, while in 1908 the decrees ordered numbered 26.

At the end of the year 1910 there were 108 divorce cases pending. These figures are gleaned from the annual report on divorces acted upon during the year by the Delta county circuit court and which report is prepared by County Clerk Semer for the secretary of state. This report, supplemented by some figures for 1909 and 1908, is as follows:

No. of bills pending at the beginning of the year (Jan. 1, '10).....	86
No. of bills filed during 1910.....	29

## WATER IS REPORTED ALL O. K.

FILTRATION PLANT OF THE WATER COMPANY CONTINUES TO DEVELOP HIGH DEGREE OF EFFICIENCY.

PRODUCT SAFE AND SATISFACTORY

Samples of Water are Taken From Mains Having Dead Ends and Tests Applied Show it to Be of Uniformly Good Quality—Official Report Issued by the Company's Bacteriologist Made Public.

According to a report issued today over the signatures of Prof. H. C. Kneeland, bacteriologist, and W. J. Hatton, superintendent, of the Escanaba Water company, the filtration plant of the Water company is now operating under a high degree of efficiency and continues to turn out water of purity and wholesomeness.

The report also deals with another matter of public interest, the character of the water in mains where it has but little circulation on account of "dead ends." Test made of this water indicate that it is also safe and wholesome, according to the report, which in full is as follows:

**Safe and Satisfactory.**  
"Since the last reports were published the filtration plant of the Escanaba Water company has continued to develop a high degree of efficiency and to send forth a product having no objectionable features and one entirely safe and satisfactory for household consumption.

"From January 31 to date, the results of daily examinations show an average of 141 bacteria per cu. cent. in the raw water as against 2.3 bacteria in the filtered. This gives an efficiency of 98.3 per cent of bacteria removed.

"The point has several times been raised that these results were obtained only at the plant, and considerable curiosity is expressed concerning the condition of the water in the city mains and service pipes.

**Twenty Samples Tested.**  
The Water company's bacteriologist has spent the past few days in collecting and examining samples of water from various parts of the city. The samples were taken from places where the water mains come to a "dead end" and there is no circulation. There are ten such mains in the city, namely, at the ends of Maple, Elm, Birch, Langley Sinclair, Oliver, McClain, Merriam, Hartnett and Stephenson streets. A sample was secured at the Webster school and another at the Water company's office on Ludington street. In all twenty samples were secured, mostly from the fire hydrants; a few were taken from taps in private homes. In the case of fire hydrants, the water was sampled immediately after flow started and again after ten to fifteen minutes' run, when the main had been flushed for many feet back from the end.

**Little Difference Noticed.**  
"The average number of bacteria per C. C. in the samples examined was ten, the highest count being thirty-five with no acid formers, and the lowest count three. Tests for B. Coll showed this organism to be absolutely nil.

"No appreciable difference could be noticed in the first and last samples taken from a hydrant, showing that the water in the mains is of uniformly good quality.

"Other samples will be taken from time to time in various parts of the city and the results of their examination made public."

Sheriff Curran went to Masonville today to serve a warrant of arrest on Edward Cardinal of Nahma, who is charged with non-support of his family.

## FOSTER CITY STILL ON THE MAP AS A GOOD NEWS CENTER

THE MIRROR'S SPECIAL CORRESPONDENT SENDS IN A BIG BATCH OF NOTES OF PERSONAL AND GENERAL INTEREST.

Ski Tournament to Be Held Next Sunday—Township Politics Warming Up—Mr. and Mrs. Kortner Surprised—Badly Frightened by Animal.

(Special Correspondence.)  
Foster City, Mich., Feb. 16.—John Johnson and sister, Mrs. William Nelson, formerly residents of Foster City, have returned from Everett, Wash., for a visit with their parents. Mrs. Nelson's health has failed since her residence in Washington and she has made the trip here principally to regain her health.

Mrs. Julius Cadarette recently suffered a stroke of paralysis covering the whole right side of her body and has been in a serious condition the past couple of weeks.

Albert Pierce, who has been attending the Wisconsin University at Madison, is home for the rest of the season. He became ill at Madison and the doctors advised him to remain away from his studies the balance of the year.

R. W. Pierce, Jr., left for Milwaukee Tuesday to attend a reception in honor of his father, R. W. Pierce, Sr., who is 90 years of age this month. Several of Mr. Pierce's friends and business men of Milwaukee have arranged for the reception in his honor.

Joseph Robinette has finished cutting his timber this winter and has discharged his crew. He landed about 200,000 feet of logs on the road for the Morgan Lumber & Cedar company's log-hauler to haul to Foster City.

Peter Nault made a business trip to Escanaba over Sunday.

There was a large attendance at a "Rag Time" dance at Farrell's hall in Hardwood last Saturday night. The music was furnished by the Foster City orchestra.

## SPECIAL PRIZE COMPETITION

It Begins Auspiciously for the Candidates in The Mirror's Great Bermuda Contest—Prizes are Well Worth Striving For—Theater Ticket Winners.

## LETURMY GRATEFUL TO MR. GREENHOOT

Connecticut Man Writes Letter of Thanks and Appreciation for the City Executive's Effort in Aiding to Locate the Writer's Nephew—The Letter.

It will be recalled that several days ago Mayor Greenhoot forwarded to Edmund C. Leturmy of Hartford, Conn., a letter written by the mother of Walter Leturmy and which the writer stated contained the information Mr. Leturmy desired to obtain.

Mr. Leturmy had written to Mayor Greenhoot, requesting his assistance in locating Walter Leturmy, a nephew of the writer, who had been left heir to some property of which the latter is administrator. This letter was originally published in The Mirror of January 17, and came to the attention of Walter Leturmy's mother, who lives at Hurdsville, N. D., and she wrote Mayor Greenhoot about it, enclosing a letter to be forwarded to Edmund Leturmy.

The letter has been received by Mr. Leturmy and evidently contained the information he was seeking, for in acknowledging its receipt he writes Mayor Greenhoot as follows:

"Dear Sir:—Your letter of the 10th inst. received and contents noted. Your honor, I must say the news you forwarded me is correct. I am at last on the right track. I will write to Walter Leturmy and inform him and his mother of the good news that is awaiting him. I must thank you a thousand times for your support in this matter, and may God bless you.

Respectfully yours,  
Edward Leturmy."

The tickets for the performance of "The Burgomaster," offered last week as special prizes in The Mirror's Bermuda Tour contest, were won by the following young ladies, and it is hoped and believed that they and their guests spend a pleasant evening:

First prize—Miss Mayme Dufour, North Escanaba, box seating nine, with a gain of 3,708 votes.

Second prize—Miss Mae K. Hessel, 406 Ogden avenue, box seating five, with a gain of 3,540 votes.

Third prize—Miss Mabel Roland, 422 South Charlotte street, three orchestra seats, with a gain of 1,044 votes.

Fourth prize—Miss Myrtle Lambert, Wells, two orchestra seats, with a gain of 723 votes.

Fifth prize—Miss Agnes Johnston, Gladstone, one orchestra seat, with a gain of 481 votes.

In order that they may be published the same day, all ballots must be cast at The Mirror office before 12 o'clock noon, at which time the "Standing of the Candidates" column is made up and given to the printer. All votes, whether "singles" or "specials" are counted each day and appear in the total vote for that day, but only the "special" count for the period prizes.

**Prizes Worth Striving For.**  
The desire of the young ladies who are entered in The Mirror's Bermuda Tour contest to possess the special prizes and the work done by them yesterday as a starter toward earning the rewards is reflected in the greatly increased number of ballots cast during the 24 hours ending at noon today over that of a previous similar period of time. That hour ended the first day of the Special Prize Competition, and the voting list shows the then standing of each candidate.

The prompt response of the friends of the various contestants is, indeed, very gratifying to the young ladies and to The Mirror.

The diamond ring, gold watch, and bracelet are worth striving for, and beside all votes cast for them will count for the trips, also.

The next ten days will be very interesting and exciting, and every reader of The Mirror will watch every vote with a great deal of interest.

**Votes Will Win For Them.**  
Concentrated efforts are the most effective now. At this period of the contest there is at stake the winning of a valuable prize, and the votes accumulated in this effort place the active contestants in the real of big numbers and in good position to start in the last grand period for the final closing on March 4th, when it will be determined who are the winners of the Bermuda tour.

A little more than a week remains for the busy candidates to get in the votes that will tell who the fortunate ones are that will receive the beautiful period prizes. Votes will win (Continued on Page Six.)

## CONCERT TONIGHT MUSICAL EVENT

The final rehearsal for the Escanaba Choral club's concert at the First Presbyterian church this evening was held last night and resulted most satisfactorily. Every number on the program for tonight was rendered with a degree of smoothness and excellence that was surprising to even those who have faithfully attended and worked at every rehearsal. Everything is now in readiness for the concert, which promises to be not only well attended but a real musical event in this city.

## MORE THAN NINE INCHES OF SNOW

According to the Snow and Ice Bulletin issued by the United States weather bureau last Tuesday, there were nine inches of snow on the level in Escanaba and the ice in the bay averaged 17 inches in thickness. This report was based upon investigations made before Tuesday's big snow storm, which added considerably to the amount of snow on the ground.

## DATE OF PYTHIAN DANCE IS SETTLED

At the regular meeting of Escanaba lodge of the Knights of Pythians, held Wednesday evening, further arrangements for the dance which the Knights are to give in return for the party recently given by the Pythian Sisters were made. It was definitely decided to hold the affair in Clark's hall on Friday night, February 24, that date being about the only desirable one available before Lent opens. The committee in charge will now go ahead with its arrangements for the dance.

Notice was given to the Knights Wednesday evening that on Wednesday evening, March 1, an official inspection of the lodge will be made by A. E. Sharpe of Sault Ste. Marie, deputy grand chancellor of the grand lodge of the Knights of Pythias. The meeting on this date will be a notable one and at its conclusion a banquet

## VALENTINE PARTY IS PRETTY AFFAIR

Wednesday afternoon at the home of Mrs. J. J. Cox, 702 Hale street, a very pretty Valentine party was given in honor of Mrs. Walter S. Hermon of Marinette, who has been visiting her daughter, Mrs. A. F. Aley, for the past week. The beautiful home was practically decorated in all the emblems of St. Valentine and pretty hand painted favors were presented to each guest.

The diversion of the afternoon was "500," and the white covered tables and chairs with the beautiful gowns of the ladies presented a very pretty picture. At the close of the game delicious refreshments were served.

# Danderine

EVERYBODY CAN HAVE BEAUTIFUL HAIR NOW, and they don't have to wait weeks and months for results either. You will notice marked improvement after the very first application.

Danderine is quickly and thoroughly absorbed by the scalp and the hair soon shows the effects of its wonderfully exhilarating and life-producing qualities. It is pleasant and easy to use—simply apply it to the scalp and hair once a day until the hair begins to grow, then two or three times a week till desired results are obtained.

A lady from California writes in substance as follows:  
I have been using your wonderful hair tonic for several months and at last I am now blessed with a wonderful suit of hair that measures over 4 inches in length. The head is over 3 inches around.

Another from New Jersey:  
After using your bottle I am happy to say that I have as nice a head of hair as anyone in New Jersey.

This Great Hair-Growing Remedy can now be had at all druggists in three sizes, 25c, 50c and \$1.00 per bottle.

FREE Danderine acts, we will send a three cent free sample to anyone who sends the four coupons to the Rosellon Danderine Co., Chicago with their name and address and the in return of stamps to pay postage.

## A WISE KING'S PROBLEM

But, being a king, he was exceedingly polite and would resort to strategy to gain his ends.  
One day there came to the court a gray haired professor, who amused the king greatly. He told the monarch a number of things that he never knew before, and the king was delighted. But finally it came to the point where the ruler wanted to know the age of the professor, so he thought of a mathematical problem.  
"Ahem!" said the king. "I have an interesting sum for you. It is a trial in mental arithmetic. Think of the number of the month of your birth."  
Now, the professor was sixty years old and had been born two days before Christmas, so he thought of twelve, December being the twelfth month.  
"Yes," said the professor.  
"Multiply it by 2," continued the king.  
"Yes."  
"Add 5."  
"Yes," answered the professor, doing so.  
"Now multiply that by 50."  
"Yes."  
"Add your age."  
"Yes."  
"Subtract 355."  
"Yes."  
"Add 115."  
"Yes."  
"And now," said the king, "might I ask what the result is?"  
"Twelve hundred and sixty," replied the professor wondrously.  
"Thank you," was the king's response.  
"So you were born in December sixty years ago, eh?"  
"How in the world did you know?" cried the professor.  
"Why," retorted the king, "from your answer—1,200. The month of your birth was the twelfth, and the last two figures give your age."  
"Ha, ha, ha!" laughed the professor. "Capital idea. I'll try it on the next person I meet. It's such a polite way of finding out people's ages."

## DIVORCE MILLS CALLED THE "SOCIAL SCOURGE"

### Cardinal Gibbons Declares in Sermon that Our Domestic Altars are Being Destroyed.

Cardinal Gibbons in his regular monthly sermon at the Cathedral, Baltimore, Md., last Sunday morning spoke on the increasing evil of divorce.

"There is a social scourge more blighting and more destructive of family life than Mormonism," he declared. "It is the fearfully increasing number of divorce mills throughout the United States. These mills, like the mills of the gods, are slowly but surely grinding to powder the domestic altars of the nation. Husband and wife are separated on the most flimsy pretexts; and as if the different states of the Union were not sufficiently accommodating in this respect, one state has the unenviable distinction of granting a bill of divorce for the mere asking of it on the sole condition of a brief residence within her borders.

## WOMAN BECOMES A PASSENGER AGENT

(By Associated Press.)  
Davenport, Iowa, Feb. 16.—Miss Daisy Oden, for years the chief of the Davenport office of the Burlington railroad, has been appointed division passenger agent. Miss Oden is the first woman to occupy such a position in the United States. Her territory will extend from Watertown, Illinois to Bettendorf, Iowa.

Heavy, impure blood makes a muddy, pimply complexion, headaches, nausea, indigestion. Thin blood makes you weak, pale, sickly. Burdock Blood Bitters makes the blood rich, red, pure—restores perfect health.

### No Scene More Pathetic.

"I can conceive no scene more pathetic, nor one that appeals more touchingly to our sympathies than the contemplation of a child emerging into the years of discretion seeing her father and mother estranged from each other. Her little heart is yearning to love. She longs to embrace both parents; but she finds that she cannot give her affection to the one without exciting the resentment or displeasure of the other.

### No Rights Against God's Law.

A lady prominent in social life once said to me in Newport: "I don't recognize any law, human or divine, that can deprive a husband or wife of the right to separate and enter fresh espousals when they do not live in harmony together." "You speak," I replied, "of your rights, your privileges. But you have not a word to say of your duties and obligations." Ah, my brethren, if men and women had due consideration for their duties and responsibilities their rights would take care of themselves. There can be no right where there are no corresponding obligations. There are no rights against the law of God."

## WOULD KEEP WHIPPING POST FOR MEN BRUTES

Salem, Ore., Feb. 16.—Governor West has vetoed the bill abolishing the whipping post.

While the whipping post is a relic of barbarism," said the governor, "it is no more barbaric than wife beating and I deem it wise to have on Oregon's statute books a barbaric punishment for brutes who fall so low as to strike and abuse a woman."

An effort will be made to pass the bill over the governor's veto.

**READING OF STANDARD BOOKS NEGLECTED.**

We are rapidly becoming a bookless people. Not that books are not being made and read, but standard books are being neglected in the submerging of the world by a flood of ephemeral writings which is not literature. It is simply imaginative gossiping of the daily press bound in pasteboard covers, declares the Brooklyn (N. Y.) Times.

The great masterpieces of romantic literature are unread and unknown by the young people of today. A taste educated or deteriorated by the moving picture shows, the colored illustrated supplements of the Sunday papers, the touch and go of a restless sensation-loving age, is not content with the slow moving stories of Scott, Cooper, Dickens and Thackeray; the plot lacks luridness, the characters unfold with irritating slowness, and the melodramatic explosiveness of our youth who want something doing and want it quick, yearns for impossible catastrophes and hair-raising, blood-curdling incidents and events.

How many of our high school youths, our college students, the young people who rule our homes, have ever wept over the misfortunes of Oliver Twist or learned to love the gentle Agnes? How many have read the masterpiece of Les Miserables, or have felt the charm of the rhythm and cadences of Lorna Doone? The splendid imagery of Tennyson, the colorful descriptive verse of Byron, the songs of Burns, are comparatively unknown and the poems which were memorized by a former generation are unknown by its children. We are prodigal of instruction in foreign languages, but are negligent of our own, using a few samples only for a dissection, but missing their informing spirit, changing the books which ought to be a lifelong inspiration into the hated task of a student's drudgery. There is no larger joy given to men than a love of books. Their silent companionship is comradeship in youth, diversion and instruction in maturity and solace in age. The great art of the world can only be seen by the few; the drama is only for those who reside in cities; music is for the elect, but books are for all accessible; they are free as the air is free, open to every age and every mood.

The toiler in shop and factory can forget his burdens, and through his books live in an ideal world. The sailor in his cabin, the invalid in his chamber, can find here comfort, knowledge and healing forgetfulness for all their sorrow.

Emerson said, "Give me health and a day and I will make the pomp of emperors' ridiculous." He might have said with equal truth, give me books, and solitude becomes populous and life's burdens are easily carried.

They are wells in the desert, the balm that heals the aches of life. Great books are great inspirers, and he who has learned to read and loves to read has the riches of the world lying at his door.

**GRANT THE TEACHERS' PETITION.**

It is to be hoped that the Escanaba board of education will grant the petition presented by the local teachers for a leave of absence of ten days on account of illness. The petition is a very fair one and there should be no hesitancy on the part of the board in granting it.

The Escanaba schools have a most efficient corps of instructors, all of whom are faithful in their duties and working for the best interests of the schools. Teaching is not one of the easiest positions in the world and the pay is no where near what it should be for the time that is spent in preparation. It is safe to assume that none of the teachers will absent themselves from their work unless it is absolutely necessary, and the ten days asked for is little enough. Grant the petition by all means.

Any man can take a daily newspaper. It is the cheapest thing he can buy. Every time a hen clucks and has laid an egg his paper is paid for that day. It costs but the price of a postage stamp, and comes to you every week day, rain or sunshine, calm or stormy. No matter what happens, it enters your door a welcome friend, full of sunshine, cheer and interest. It opens the door of the great world and puts you face to face with its people and its events of interest. It is your adviser, your gossip, and your friend. No man is just to his children who does not give them the local paper, and no man is good to himself who does not have and enjoy the newspapers.

At the Gould-Decies wedding some of the guests jumped over the pew backs to get good seats. They know better than that at Reuben Cortmattel's nuptials up in North Jay.

**GEN. JOHN C. SMITH WAS GREAT MASONIC LEADER**

**Interesting Biographical Sketch of Eminent Mason, Citizen and Soldier Who Recently Entered into Eternal Rest--His Career Was Most Remarkable--Details.**

The following article copied from the Masonic Chronicle, Chicago, will be of interest to all members of the Masonic fraternity. The subject of the article, General John Corson Smith, had a number of personal friends in Escanaba, among them being J. E. Byrns, who was very well acquainted with the general and all the members of his family:

Gen. John Corson Smith, known throughout the world as a Mason, died on Saturday, Dec. 31, 1910, at his residence, 5531 Washington avenue, aged 78 years, 10 months and 18 days. **AUTO MAKES TRIP ACROSS GREEN BAY**

Marquette, Wis., Feb. 16.--For the first time, it is believed, an automobile has crossed Green bay on the ice. The trip was made by Robert Brott and Fred Grinnell of the Twin City Tire company.

The trip over was made in record time, but coming back a large crack proved disastrous and after the machine had been run into it a team was secured from Marquette and planks used to replace it on solid ice.

**MICHIGAN COPPER MINES IN TRUST?**

New Proposal Approved in Boston Would Bind a Dozen Upper Peninsula Copper Companies With the Big Calumet & Hecla Company--Alleged Trust May Be Probed.

Boston, Mass., Feb. 16.--The proposed merger of the dozen copper mining properties in Michigan with the Calumet & Hecla Mining company has received the approval in Broadway of a special committee from the Boston stock exchange, but several suggestions were made in a way of modifying the offers made by the Calumet's officials to stockholders of the subsidiary companies.

It is suggested that a holding company be organized in Maine with 1,600,000 shares and that these shares be exchanged on a basis of four of the holding company to one of the new proposed operating company.

**May Probe Alleged Trust.**  
 Washington, Feb. 16.--An investigation of the so-called copper trust is contemplated in a resolution introduced in the senate by Senator Clapp. The resolution directs the attorney general to make an inquiry concerning the States Metal company, the Amalgamated Copper company, and the Anaconda Copper company, with a view to determining whether their relations do not constitute an unlawful merger in violation of the Sherman anti-trust law.

The resolution was referred to the committee on judiciary.

**CANNOT DIVORCE DEAD MAN, COURT DECIDES**

New York, Feb. 16.--After a long fight the courts have decided in the case of Mrs. Bessie H. Hunt, widow of John W. Hunt, the "turpentine king," that divorce proceedings cannot be brought against a dead man. Mrs. Hunt was fighting the confirmation of an interlocutory decree of divorce secured by her husband. Mr. Hunt died before the proceedings had progressed very far. Mrs. Hunt, nevertheless, tried to continue the case, maintaining that she had discovered some new evidence, reflecting on her husband, and which nullified his title to a divorce against her.

ing eye which swept it from top bottom and again from bottom to top. Then he would shake his head doubtfully each time. It happened once that a sculptor passed the cathedral and saw the little man looking up as if he did not like the looks of the pillar. "It seems to me that you are finding fault with the pillar, my good fellow," said the stonemason, and the little man nodded as if pleased to be found out. "Well, what do you think of it?" "Speak out, my man," said the sculp-

"The pillar is fine enough," the little man said slowly. "The figures on it are beautiful, but I fear that slender pillar cannot hold up the heavy weight much longer. Soon it will totter and fall, and all will go to pieces." An odd fancy seized the stonemason. "You shall stay right where you are always, gazing at the pillar until it falls under the heavy vault." And he brought from his workshop his hammer and chisel and made in stone a figure of the little man just as he was, looking upward with a knowing face and an important air. And there this little figure in stone

stands today, awaiting the fall of the pillar. **Conundrums.** Which is the most awkward time for a train to start? Twelve-fifty, as it is ten to one if you catch it. Why was Gollath surprised when David struck him with a stone? Because such a thing never entered his head before. Why is a camel a most irascible animal? Because he always has his back up. Why is this world like music. Because it is full of sharps and flats.

Why is a one dollar bill better than a new silver dollar? Because when you fold it you double it, and when you open it you find it in-crases. When does a person impose on himself? When he taxes his memory. Why is Buckingham palace the cheapest property in England? Because it was bought for a crown and kept up by a sovereign. **The Spider Monkey.** The spider monkey is sometimes called the "daddy-longlegs" of the zoo. Its tail is remarkably prehensile and

practically serves as a fifth limb and hand. With such a delicate sense of touch is it furnished that it almost seems to be possessed of the power of sight and moves about among the branches with as much decision as if there were an eye in its tip. Should the monkey discover some prize, such as a nest of eggs or any little dainty, which lies in a crevice too small for the hand to enter it inserts the end of its tail into the cranny and hooks out the desired object.

## THEATRICAL

THE PETERSON.—"The Burgomaster," one of the old time favorite musical comedies, was presented at the Peterson last evening before a good sized audience and appeared to give considerable satisfaction. The company, headed by Gus C. Weinburg in the title role, is a fairly capable and well balanced one and works hard to please. Weinburg is quite funny and carries considerable of the laugh-provoking load on his own capable shoulders, but he has some able assistance from William Conley as Doodle Von Kull and Fred W. Bailey as E. Booth Talkington. Musically the company is not as strong as it might be, particularly the feminine part of the chorus, but as a whole it averages up to the usual run of road companies in this class of attraction. The best part of the singing was done by the male chorus, led by George McKissock in the dual role of Blue Feather and "The Harlem Spider." Mr. McKissock has a splendid bass voice and knows well how to use it. Of the women members of the company Phemie and Etta Lockhart were the shining lights and contributed considerably to the general excellence and enjoyability of the performance.

The next attraction at Peterson's opera house will be the Flora DeVoss company, which opens a three nights' engagement next Sunday evening with a presentation of "The Last Round-Up."

them. Get the votes and win a fine diamond ring, a gold watch or a gold bracelet. This record of yesterday only goes to prove what we have been saying all along: THAT VOTES ARE TO BE HAD IF YOU ONLY GO AFTER THEM. There are some homes in Delta county which do not already take The Mirror, but the ones who DON'T are WILLING TO and are only waiting for some one to ASK them, and it is UP TO YOU, CONTESTANT, to see them and get their subscriptions. If a few enterprising girls can get those big votes for the short time that this contest has been running ALL OF YOU CAN DO IT, if you go around and see the people.

Surely Worth Working For. These vacation trips and special prizes are surely worth a little hustle on your part, aren't they? and you can win them with just the same ease as anyone else IF YOU ONLY THINK SO. You will find that people are willing to help you if you only ASK THEM.

The record of these last few days conclusively proves this. Get all your votes in before 10 p. m., Saturday, February 20 TO COUNT FOR THE SPECIAL PRIZE. The names of those young ladies from whom no votes have as yet been received have been omitted from the published list. Should votes be received for any who were regularly nominated, The Mirror will then be glad to restore their names to the list of candidates.

## C. O. F. TO HOLD CONVENTION HERE

St. Joseph's and St. Patrick's Courts Planning for Annual Meeting of the Michigan Jurisdiction of the Order in Escanaba Next June—Committees are Appointed.

St. Joseph's court No. 392 and St. Patrick's court No. 1454 of the Catholic Order of Foresters have already begun, through committees, to make plans and preparations for the annual meeting of the Michigan Jurisdiction of the Catholic Order of Foresters, which is to be held in Escanaba, June 13, 14 and 15.

The committee representing St. Joseph's court is composed of Matt Fillion, chairman, A. D. Dupuis and Joseph Gleich, while the members of St. Patrick's court committee are William Hanrahan, chairman, C. V. Fish and E. F. O'Leary.

These committees held a meeting recently and formed a joint committee organization with Matt Fillion as chairman. Plans for holding the convention were discussed, but nothing definite was decided upon. The joint committee will hold meetings from time to time to make the necessary arrangements for the convention, which it is proposed to make the best ever held by the state organization of the Catholic Order of Foresters.

Ten or twelve years ago a similar convention was held in Escanaba and it was a complete success, but it has been determined that the excellent record made at that time shall be far exceeded next June.

It is expected that every official of the grand court and delegates from every subordinate court in the state will be in attendance at the convention.

Farrell of Hardwood will be an opposing candidate for the same office. Dan Malloy, the present township clerk, will be a candidate for reelection and will be opposed by Joe Berube of Hardwood. It is probable that A. J. Scott, the present township treasurer, will be a candidate for reelection.

Miss Rubee Helmer, teacher of the primer class in the Foster City school, has been confined to the house the past few weeks with scarlet fever. The Morgan Lumber & Cedar company expects to start up its mill about the 10th of March.

Mr. and Mrs. Carlson will leave soon for Iron River to visit at Mrs. Carlson's former home.

Mrs. P. J. Milligan, who has been seriously ill the past few weeks, has regained her former health, which is gratifying to her many friends.

While returning home Sunday night following an evening spent with friends at Foster City, Arthur Laessig, who had to return to his home at Rideout's by way of the logging road, was badly scared by some wild animal, which he declares was a wildcat and it followed him on the road in spite of the speed he maintained to keep a safe distance away.

O. A. Anderson of Escanaba spent a few days here last week, soliciting life and accident insurance.

Perento Bros., who have been logging for the Morgan Lumber & Cedar company have shut down their camp, having finished cutting all their timber. George Wickman, their cook, has gone to his home at Sawyer, Wis.

## ESCANABA CLUB TO BE REPRESENTED

Representatives are Selected to Attend Conference of Marquette County Baseball Men at Ishpeming Tomorrow to Consider the Formation of a Baseball League.

At a meeting of the directors of the Escanaba Baseball club held late Wednesday afternoon it was decided to have the club represented at the conference of Marquette county baseball men, which is to be held at Ishpeming tomorrow afternoon for the purpose of taking steps to form a league which may include Escanaba as a member.

As representatives of the local club at that conference were chosen President E. J. McMartin, Secretary-Treasurer L. M. Beggs and Director Isaac Schram.

They will go to Ishpeming uninvited and without power to enter into any agreement binding the club to enter any league, but are expected to secure the most favorable terms possible in case Escanaba should decide to cast its lot in with the Marquette county teams.

Upon its return the committee will present a report of the doing at the conference to the directors of the club, along with any recommendations which it may deem advisable to make.

Negotiations with Gladstone to induce them to send representatives along are pending at this time, it being the intention to try and induce the Marquette county teams to consider a five-team league so that the fans here can have games at either Gladstone or Escanaba every Sunday.

## ICE ON BIG BAY BREAKING UP EARLY

According to a report telephoned to this city late Wednesday afternoon by Andrew Peterson of Fayette, the water on Big Bay de Noc south of Round Island is practically free of ice. Mr. Peterson learned that the ice field south of the island had gone out while on his way home Wednesday. The ice was intact when Mr. Peterson drove over from Fayette Monday and it must have gone out during the big storm of Tuesday or just following it. Mr. Peterson also reported that the ice field north of the island is badly cracked and broken up and liable also to go out at any time if the weather continues soft. Warning is given to the people not to attempt crossing the big bay with teams. The going out of the ice at this early date is unprecedented, according to the best recollection of the "oldest inhabitants."

Father Bender has in his possession a strong testimonial of his character and ability, which was signed by many of the members of St. Patrick's parish. He will remain in Minneapolis until he is assigned to some position in another diocese.

## ALPHA CLUB DOES WELL IN GLADSTONE

At the Gladstone opera house Wednesday evening a large and well pleased audience witnessed the presentation of "A Tender Attachment" and "The Virginia Mummy" by the Alpha Dramatic club of this city. The singing specialty introduced by Frank Hirm and John Van de Wiele made a distinct hit and was encored several times.
