

ESCANABA TO BE IN LEAGUE

That Much Appears to Be Reasonably Certain as a Result of the Conference of Baseball Men Held in Ishpeming Friday Afternoon--Report of Proceedings.

Escanaba in all probability will be included the coming season as a member of a baseball league in which Marquette, Ishpeming and Negaunee also will be members.

This much appears certain as the result of the conference at Ishpeming yesterday afternoon between baseball leaders of the four cities. Escanaba's representatives at the conference were President E. J. McMartin, Secretary-Treasurer Lyman M. Boggs and Director Isaac Schram of the Escanaba Baseball club. They returned from Ishpeming last night well pleased with the outcome of the conference and prepared to present a report to the directors of the club at a meeting to be held some evening next week.

This report probably will recommend that Escanaba enter the proposed league and if such should be the decision, the tentative agreement reached yesterday afternoon will be ratified and on or about March 1 a meeting of representatives will be held in this city to complete the league organization and arrange a schedule of games, etc.

Report of the Conference.

The following comprehensive report of the conference at Ishpeming is taken from the Marquette Mining Journal and will no doubt be read with great interest by Escanaba baseball fans:

As a result of the meeting between the representatives of Escanaba, Ishpeming, Negaunee and Marquette, held at the Nelson house yesterday, it is regarded as settled that a baseball league embracing the four towns will shortly be formed. The Marquette county teams agreed to allow Escanaba a substantial bonus on account of the extra expense it will incur in playing the proposed league schedule, and it is expected that the Escanaba directors will ratify the terms as agreed on yesterday.

These are, in brief, that the Escanaba team will be allowed \$50 to apply on the expenses incurred on each visit to each of the Marquette county towns during the season. As the schedule will call for Escanaba playing each Marquette, Ishpeming and Negaunee for series of two games three times during the season, this will mean that each of the Marquette county teams will give Escanaba a bonus of \$150 for the season.

The reason for this arrangement is found in the fact that when Escanaba has to make the expensive trip to Marquette county nine times during the season, the schedule that will be arranged will send each of the Marquette county teams to Escanaba but three times. Thus Escanaba's aggregate traveling expenses for the season will be greatly in excess of those of either of the other three teams.

Agree on a Compromise.

The Escanaba representatives first proposed that they be given 20 per cent of the receipts for their Marquette county games, to make up for the disadvantage under which they will labor, but this plan did not meet with the favor of the Marquette county men, who proposed, instead, that whatever bonus was offered Escanaba should take the form of a lump sum. There was much debate over what would be a fair allowance for the Escanaba team and the figure finally agreed on was a compromise, which appeared to be satisfactory to all parties to the conference.

As between Escanaba and the Marquette county teams, the home team will take all the gate receipts. It is possible, however, that the Marquette county teams will reach among themselves an agreement to divide the receipts on a percentage basis. This idea is meeting with more favor the more it is considered, its great advantage lies in the fact that it equalizes the bad weather risk among the teams, and does away with the chance that anyone of them will be embarrassed financially by a sequence of two or three rainy Sundays for games on the home grounds. This matter will likely be taken up later between the Marquette county managements.

Next Meeting in Escanaba.

The next meeting will be held in Escanaba. If the Escanaba directors ratify the agreement reached yesterday, the Marquette county teams will at once arrange a tentative schedule. It will be one that will have the home team on the home grounds every second week. When it is ready a representative of Marquette county will be sent to Escanaba to discuss it with the Escanaba management, to draw up the league agreement and attend to other details in connection with the organization.

The meeting yesterday was marked (Continued on Page Six)

FORMER ESCANABA YOUTH IN TROUBLE

James McDonald Confesses in Oshkosh Court to Burglary in the Daytime and is Sentenced to One Year in State Reformatory--Stole to Buy Fish Hooks and Lines.

In the municipal court at Oshkosh, Wis., Thursday afternoon, James McDonald, an eighteen year old youth, who is said to have formerly lived in Escanaba, pleaded guilty to a charge of burglary in the daytime and was sentenced to one year in the Wisconsin state reformatory at Green Bay. The district attorney asked that the minimum sentence be passed upon the young man as this was his first offense. McDonald confessed to having broken into a boathouse and stolen brass trimmings from a boat engine and a variety of other articles which he afterwards disposed of to dealers in second hand goods. The value of the goods thus stolen was about \$37.75. In making his confession of the burglary in court, McDonald said: "I stole the stuff from the boathouse to buy fish hooks and lines."

According to the Oshkosh Daily Northwestern, young McDonald went with his parents from Escanaba to Oshkosh last spring.

TAKES GOOD CARE OF CANINE FRIEND

Professor Mullen, the dog trainer who is at the Grand this week, is a true lover of "man's best friend." He has with him "Dixie," the first dog that he ever trained. This dog is now nineteen years old and is totally blind and has not worked for over a year. Professor Mullen said today that for a number of years "Dixie" earned a good living for both of them and that as long as the old fellow lives he will have the best of care and not have to do any more work. "Dixie" has a special crate in which he travels and has every attention from his master. "It costs a lot of money to keep the old fellow with me," said Prof. Mullen, "but I would not part with him if it were necessary for me to cancel all engagements to be with him."

HUGE AUDITORIUM IS MASS OF RUINS

The auditorium of the Northern Chautauqua assembly, located about two miles from Marinette collapsed yesterday and is a mass of ruins. The loss is about \$10,000. In the building was stored considerable property which is also ruined. The building was erected twelve years ago and one of the largest auditoriums in Wisconsin. It had a seating capacity of 5,000. It will probably not be rebuilt. The accident was not due to the weight of snow and ice on the roof but a general weakening of the structure, which was a large open frame building supported by iron girders.

FALLS FROM ROOF; SPRAINS ANKLES

J. B. Wilkinson, a well known furniture dealer and undertaker, was the victim of a painful accident yesterday afternoon and as a result may be confined to his home for some time. While Mr. Wilkinson was clearing an accumulation of ice and snow off the roof of his house at 612 South Elmore street he slipped and fell to the ground a considerable distance. He struck on his feet with such force that both his ankles were badly sprained. It was first thought they had been broken, but fortunately this did not prove to be the case.

EXPERIMENTAL MILL FOR MAKING PAPER NOW IN OPERATION

TESTS IN DEVELOPING GROUND WOOD PULP SUITABLE FOR MANUFACTURE OF PAPER ARE NOW IN PROGRESS.

They Are Authorized by Congress and are Being Carried on in an Experimental Ground Wood Pulp Mill at Wausau, Wis. --Woods are Suitable.

(By Associated Press.)

Washington, Feb. 18.--With a view of gathering information as to the relative value of plants and woods in the manufacture of paper, the experimental ground wood pulp mill, was made available by an appropriation at the last session of congress, which authorized the secretary of agriculture to conduct tests along this line.

For some time the department has been testing different kinds of woods in the laboratory and some have found to be suitable for pulp manufacture and paper has actually been made from several of them by mechanical tests.

The Wausau mill is practically a paper making establishment in miniature, being equipped with apparatus of the most up-to-date type. It will remain in operation as long as experiments may be required.

RUNAWAY HORSE IS GOOD JUMPER

There was a lively runaway on upper Ludington street this forenoon and as a result a cutter to which the runaway horse was attached was badly damaged. The horse in its flight leaped clear over a dray, which partially blocked the street while a safe was being unloaded from it, and right there was where the cutter was demolished. The horse was uninjured and continued its flight until it was captured a considerable distance from where it started.

FATAL EXPLOSION AT FIBORN QUARRY

Wetmore, Mich., Feb. 18.--At Fiborn, Mackinac county, the main boiler of the Fiborn quarry plant exploded at 3 o'clock yesterday afternoon, with the result that one man was killed outright, six men were seriously injured and the fireman was so horribly scalded that he cannot live. The cause of the accident was low water. The body of the man killed and the six injured men were taken to the Soo. The force of the explosion was felt for a radius of two miles. The boiler plant was wrecked. The man killed was a Finn, as are all of those injured.

FORD RIVER MAN ENGAGED TO WED

The engagement of Miss Margaret Mueller, daughter of Mr. and Mrs. Germaine Mueller of Marinette to Amos LaFave of Ford River, was formally announced Wednesday evening at a gathering at the home of the bride-elect in Marinette. The receiving rooms were prettily decorated for the occasion and the guests included about thirty-five friends of Miss Mueller, who tendered good wishes when the happy announcement was made. The nuptials will take place, April 19.

COUNTY AND CITY TO SEND CITIZENS

Considerable Interest is Being Taken by Citizens in the Proposed Formation of an Upper Peninsula Development Bureau--Many Delegates Going From Here.

Delta county and Escanaba will be well represented at the meeting in Menominee next Tuesday, when it is proposed to organize an Upper Peninsula Development Bureau.

Officially, the county will be represented by members of the county board of supervisors, viz, Chairman C. D. Mason and Supervisors Greenhoot and Young, while the Escanaba Business Men's association will be represented by a large number of its members. Some of the Granges of the county will also send delegates, it is expected.

Great interest in the formation of the proposed development bureau is being taken throughout the city and county.

FLANNIGAN BACKED BY BOTH PARTIES

Despite the ruling of the attorney-general's department that an aspirant cannot be a candidate of more than one primary election, petitions have been filed in the office of the secretary of state by Judge Richard Flannigan, of the twenty-fifth judicial district, making him the choice of both the Republican and Democratic parties. It is said that other candidates for circuit judge have followed the same course.

GASMAN WANTS THE POSITION AGAIN

While in the city Friday afternoon to attend a meeting of the Delta county road commissioners, of which body he is chairman, John Gasman of Bark River authorized the announcement that he will be a candidate for renomination and reelection as a member of the board at the coming spring election. Mr. Gasman has been a member of the board for many years and is willing to stand for reelection upon the record he has made while discharging the duties of his office.

INSURRECTOS BURN BRIDGE; SACK STORE

El Paso, Texas, Feb. 18.--Mail advices from Torreon say that the federal troops have reached Velardena, near that place, and that the insurrectos have gone to the hills. The insurrectos have burned the Mexican National railroad bridge at Pedicena and ransacked a store at that place of \$250 worth of goods.

MRS. ROLAND GIVEN BIRTHDAY PRESENT

The last regular meeting of Iron Empress division No. 56, Ladies Auxiliary to the Order of Railway Conductors, was characterized by an unusually pleasant feature. This was a luncheon served in honor of the birthday gift. The luncheon and presentation followed the regular meeting of the division and all present enjoyed a most delightful time. Among those present were a number of women from Gladstone.

BURGLARY AT RAPID RIVER

Fred Darling's Jewelry Store Broken Into and a Number of Watches are Stolen--Man Suspected of Committing Crime Arrested and Held for Trial.

MISS ANNA KEENAN STRICKEN BY DEATH

After an illness of seventeen days from peritonitis complicated with typhoid fever, Miss Anna Keenan died about eleven o'clock this forenoon at the home of her parents, Mr. and Mrs. John Keenan, at Flat Rock. Miss Keenan was but seventeen years old, a bright and lovable girl and her death comes as a sad blow to her parents, other relatives and a host of friends in this city and in the vicinity of her home. She was a niece of Dr. Groos, Mrs. N. A. Bink, Mrs. Joseph Derry, Miss Emma Groos, Peter Groos and Jacob Groos, all of this city and Frank Groos of Green Bay.

The remains will be brought to the city this evening and taken to the home of Dr. J. O. Groos, 101 1/2 Wells avenue, where they will be kept until the funeral, which will be held from St. Joseph's church next Tuesday morning, at nine o'clock.

REAL ESTATE MAN PLUNGES TO DEATH

(By Associated Press.)

Chicago, Feb. 18.--W. T. J. Plummer, a real estate dealer, jumped from the eleventh floor of the Chamber of Commerce building today and was instantly killed.

TRIBUTES PAID TO DEAD SENATORS

(By Associated Press.)

Washington, Feb. 18.--Tribute to the memory of the late Senators Jonathan P. Dolliver, of Iowa and Alexander S. Clay of Georgia, were paid this afternoon in the senate. The hour fixed for the delivery of eulogies was 2:30 o'clock. Senators Tillman, Clapp, Beveridge, La Follette, Gore, Chamberlain and Young spoke on the life and character of the deceased senators.

JACK REDMOND KNOCKS OUT RUDOLPH UNHOLZ

(By Associated Press.)

Milwaukee, Feb. 18.--Rudolph Unholz of Australia was knocked out by Jack Redmond of Milwaukee in the sixth round of a ten-round bout here last night. Two solar plexus blows in quick succession did the trick.

BRIGHT DAYS FOR CONTEST WORKERS

"Am Determined To Win," Says Each Contestant

Contestants Are Busy Securing Big Votes

The end of the first week of the Special Prize Period finds the various districts on the eve of assuming interesting phases, which is quite natural, seeing that the tremendous amount of missionary work that has been accomplished during the past weeks is bound to tell in their favor.

The Mirror cannot speak too highly of the amount of resourcefulness possessed by those who are competing for the winning of the great Bermuda Tour trip, for as soon as an opponent closely approaches or passes the number of votes credited to a sister contestant, the latter immediately gets to work with a renewed determination, showing that she believes that eternal vigilance is necessary to remain in a winning position.

There are many "unknowns" (if that term can be applied to certain competitors in a contest where so many ladies are concerned, although very significant in a political campaign) who will be entered in this contest for an unsurpassed and unprecedented opportunity for Delta County young women to demonstrate their popularity and secure the advantages of one of the most attractive tours imaginable at this time of the year. There are many who are working quietly but none the less energetically, and when the time is ripe will send in a collection of ballots that will make the "Leaves of Vallombrosa," as a comparison of numbers, seem without weight or consideration.

THE BIG VOTES.

In response to many inquiries, The Mirror states that the friends of the candidates may pay for as many years as they wish to, whether two, three, four, five, or even ten years. The votes allowed on subscriptions for over two years are at the rate of 1,500 each year on renewals, or 3,000 each year on new subscriptions. These figures are for the period in excess of two years.

Reports continue to come in of the work that the earnest ones in all parts of The Mirror's Contest territory are accomplishing that may bring them ahead of their competitors in the table of standing.

The contest is offering these workers many opportunities to succeed. The enthusiasm and interest that prevails among the friends of the contestants is proving a strong stimulus. The race is becoming eager and vigorous.

It only goes to show that there is but one way of winning, and that is through hard work. It shows that self-satisfaction is the despoiler of progress. It dissipates effort into flimsy substitute that is only make-believe. The candidates who become self-satisfied will soon begin to find themselves floating down the stream. It's not effort, it's merely drifting. ("It takes a live fish to go up the stream, any inanimate one can float down.")

That is what those who have been passed in the race had realize; and the indications are that they have realized that they were inactive before, but that they are very active now. They have literally to swim against the current and competition, struggling to surpass at the same time that it is the old ground—ground that they were in possession

to regain those lost places,

BY THE NOISE OF
IS GOING.

WOMAN IS DYING AT AGE OF 136 YEARS

At the age of 136 years and undoubtedly the oldest white woman in the world, Mrs. Laura Kilcrease is dying at the home of her daughter, a centenarian, a few miles west of Longview, Texas.

"Crime is a disease and with the chronic criminal nothing will hold him but fear of physical suffering, and this fear is the greatest aid to discipline. If our mothers could paddle us when we were children, I don't think it is going to hurt a hardened criminal to be touched up."

MISSOURI EVANGELIST STARTLES LACROSSE

La Crosse, Wis., Feb. 18.—Opening a series of revival meetings here to "prevent La Crosse from becoming a city of atheists," according to the program, Rev. Perry E. Pierce, evangelist, of Warrensburg, Mo., made some startling statements, among which were these:

"If God were to answer the Lord's prayer the way a good many church members pray it they would be in hell in twenty minutes." "The music in some churches has a great deal of profanity in it."

PARTY ORGANIZED TO RECOVER CARGO

According to a report from Sturgeon Bay, a party has been organized at Fish Creek which will make an effort to recover the iron from the lost schooner Carsington, which was sunk off Hatt Island in Green bay, forty years ago last October. The Carsington founded the latter part of October, 1870, when bound from Green Bay to Chicago with a cargo of iron and deck load of shingles. The cargo was valued at \$10,000 and insured for \$9,600. It is understood that the vessel has been recently located by searchers.

TOO LATE TO CLASSIFY.

WANTED—Experienced girl for general housework. Mrs. John Corcoran, corner Wells avenue and Jennie street. 469-49

SERMONS ON THE SEVEN SACRAMENTS

The people are invited to St. Patrick's church Sunday evening at the 7:30 o'clock instructions. Rev. Father Barth is delivering a series of sermons on "The Seven Sacraments." The first sermon of the series, was delivered three weeks ago. The fourth one, which will be delivered next Sunday night, will be on "The Institution of a Church."

ARRESTED FOR ABUSING HORSE

This forenoon two men considerably under the influence of liquor were arrested for overdriving and otherwise mistreating a horse which they had procured from a local livery. Police Officer Larson arrested the men while they were driving on upper Ludington street and took them to jail, where they are sobering up and will later be brought before a justice to answer for their offense.

STAMP CANCELLING MACHINE SET UP

P. J. McCarthy, an expert in the field for the Columbia Postal Supply company, Silver Creek, N. Y., was in the city Friday and set up the new electric stamp cancelling machine at the postoffice and today the machine is doing the work required of it. The machine is operated by a small electric motor and can cancel stamped letters at the rate of 600 a minute. At the same time it cancels a stamp it prints on the envelope the name of Escanaba and the date of cancellation. With the old hand machine formerly in use not more than 300 letters a minute could be cancelled and it was almost impossible to cancel postal cards or thick envelopes. The new machine will cancel almost any letter or card that can be sent through the mails and do it expeditiously and well. Postmaster Coburn and his office force are greatly pleased over its installation in the local postoffice.

YEGGMEN CRACK FOUR SAFES AND GET AWAY WITH \$2,000.

Bridgeport, Ill., Feb. 18.—The safes in four business houses here were blown open early today and the robbers escaped with over \$2,000.

ESCANABA TO BE IN LEAGUE

Continued From Page 1.

by the best of feeling and harmony fairly exuded from the gathering. Mayor McCormick presided and the delegates rapidly got down to business. The desire to get together was evident no less on the part of Escanaba men than on the part of those representing Marquette county, and the manner in which the negotiations were carried on augurs well for the season's baseball as all the teams will enter into the league with the best of feeling for each other.

"I am well pleased with the result of the meeting," said a wellknown Ishpeming man yesterday. "Escanaba is entitled to a liberal bonus, in view of the fact that its expenses will be so much heavier than those of the other teams. We might have driven a little closer bargain, but in the beginning Escanaba asked for much more than she finally accepted, and the small amount we might have had the Escanaba management concede wasn't worth haggling over. We wanted to send the Escanaba men home with a proposition their directors would surely accept, and I think we have done it. The results will show that we have made a good bargain and I now look forward to the most successful baseball season that we have ever had."

There's One Form of Investment

- which is absolutely safe for everyone.
- It never slumps in value.
- Its integrity is unquestioned.
- The return is certain.
- Principal is always available.
- It has no element of speculation.

The question of salary limit was easily evaded. It was clearly the sentiment of the meeting, however, that all the towns should plan to keep the game within the receipts, and this will doubtless be done. The comments at the close of the meeting showed that the representatives of all the cities were well pleased that an agreement was reached, and were satisfied that the terms made were about as satisfactory as could be expected.
