

## HONORS WON BY MARINETTE

### Both Teams Representing the High School of that City Win in Triangular Debate--Escanaba Loses Here and in Marinette--Debate Here is Excellent.

In the triangular debate held Friday evening by teams representing the Escanaba, Menominee and Marinette High schools first honors were won by the Marinette teams, they winning from Escanaba and Menominee teams.

Escanaba's affirmative team lost the decision here to the Menominee negative team and the local negative team lost to the Marinette affirmative team at Marinette. At Menominee the negative team of Marinette defeated the affirmative team of Menominee.

By winning both of its debates the Marinette High school wins the handsome silver trophy that was offered the victor.

Menominee takes second place in the contest by virtue of defeating Escanaba.

Although the Escanaba teams were defeated they were not disgraced and it is considered by all who heard them that they did very well indeed. Superintendent F. E. King, Principal F. R. MacKenzie and other instructors are satisfied with the showing the local teams made against their more experienced opponents.

**Large Audience Present.**

The debate was on the question, "Resolved, That the United States may shall be substantially enlarged (a substantial enlargement being interpreted to mean an immediate increase of at least ten per cent of its present fighting strength.)"

In this city the affirmative was maintained by the Escanaba team consisting of Myron Haring, Adna Hoffman and Fred Hodson, while the Menominee team, Kenneth Doyle, Howard Wright and Marion Rasmussen, upheld the negative. The debate took place in the High school auditorium and was attended by a large audience. Every seat in the auditorium was occupied and the balcony was also completely filled. Close attention and keen interest was evinced by the auditors in the arguments of the young debaters and they were all heartily and impartially applauded when the proper time came.

Superintendent King presided and occupying a seat on the stage with him was Professor Ritz of the Menominee school, who has been directing and coaching the Menominee teams

## ESCANABA HOLDS OVER TO CONSIDER

### Directors of Escanaba Baseball Club Decide to Wait a Bit Before Signing Agreement to Enter into League With Marquette County Teams--The Situation.

Friday evening the directors of the Escanaba Baseball club and Frank J. Russell of Marquette, representing the Marquette, Ishpeming and Negaunee baseball teams, held a conference here to discuss the matter of Escanaba's entering into a league with the Marquette county teams.

No definite decision was arrived at, the matter being held open until next Tuesday. Mr. Russell brought with him an agreement which differed somewhat from that which the Escanaba men understood had been arrived at in the Ishpeming conference and, while the proposed new agreement is not unsatisfactory, the local baseball men preferred not to enter into it at once. It was taken under advisement and a final decision will be made at a meeting of the directors next Tuesday evening.

In the meantime negotiations looking to the formation of a league in which Gladstone will be included with Escanaba, Menominee and Marinette, will be resumed. If such a league is possible it is quite likely Escanaba will go into the Marquette county league.

## GIVEN FAREWELL SURPRISE PARTY

### Mr. and Mrs. H. C. Sorby, About to Leave Escanaba for Their Home in Minneapolis, are Shown Esteem by a Large Company of Friends--The Details.

Mr. and Mrs. H. C. Sorby were given a farewell surprise party by about forty of their friends Friday evening at their home, 1910 Wells avenue, the occasion being the prospective departure from Escanaba of Mr. and Mrs. Sorby and their family for Minneapolis, where they plan to make their future home. Mr. and Mrs. Sorby are now busily engaged in packing their household goods for shipment and expect to leave for Minneapolis about the middle of next week. Mr. Sorby has secured a five years' lease of a stone quarry located about midway between Minneapolis and St. Paul and expects to soon engage in its operation. He and his family will make their home in Minneapolis or near that city.

The worthy people were greatly surprised last evening when their friends invaded the Sorby home and announced that they had come to spend the evening and to enjoy themselves with their host and hostess. The recipients of the surprise soon recovered their composure and made their unexpected guests very welcome. Then ensued several hours of social enjoyment. Various games were played and at their conclusion refreshments were served. Before taking their departure the guests, besides wishing Mr. and Mrs. Sorby all sorts of happiness and good fortune in their new home, presented Mr. Sorby with a handsome silver shaving stand, with the injunction that Mrs. Sorby should always keep it in good order and conveniently at hand when Mr. Sorby desired to make use of it.

Mr. and Mrs. Sorby have been residents of Escanaba for nearly thirteen years, coming here from Litchfield, Minn. They have a family of seven children, four boys and three girls. Mr. Sorby is a mason contractor and has also engaged extensively in business of building cement sidewalks, constructing sewers and similar work. Since living in Escanaba Mr. and Mrs. Sorby have made many warm friends who will regret their departure. On May 27, 1910, they celebrated the twentieth anniversary of their wedding and were given a surprise party by their friends at that time.

## MARQUETTE PASTOR WILL PREACH HERE

Rev. P. B. Ferris left this afternoon for Ishpeming, where tomorrow he will preach the principal sermon at the special services to be held in connection with an observance of the fifteenth anniversary of Rev. M. M. Allen as pastor of the First Presbyterian church in that city. Rev. Mr. Ferris' place in the pulpit of the First Presbyterian church, this city, will be filled tomorrow by Rev. J. M. Rogers of Marquette.

## BARBERS AND THEIR FRIENDS TO DANCE

Many young people of the city are planning to take their last social fling before the Lenten season opens by attending the Barbers' union dance in Clark's hall next Monday night. They know from experience that the tonorial artists always give everybody a good time at their dances and they expect the same will be the case at the affair Monday evening. This probably will be the last ante-Lenten dance and is sure to be largely attended. Brotherton's orchestra has been engaged to furnish the music.

## NEARLY VOTE ON LORIMER

(By Associated Press)

Washington, Feb. 25.—The senate came very near to taking a vital vote on the Lorimer case today. The question was put by Vice President Sherman, but before a negative vote was cast several senators jumped to their feet and demanded the floor to speak. The opposition came from the anti-Lorimer forces.

Efforts were then made to fix a day for the vote, but an objection was made by Senator Owen in behalf of Senator La Follette, who was not present.

By a vote of 6 to 70 the senate refused to adjourn.

**Goes Over Until Monday.**  
Efforts to get an adjournment appeared to be part of a filibuster by the anti-Lorimerites.

Senator Bailey then announced that if the filibuster against the vote on the Lorimer case continues he will insist upon keeping the case before the senate even if every appropriation bill fails.

At 4:05 o'clock the Lorimer case was laid aside until Monday.

## DECLINES CALL TO LEAVE ESCANABA

Rev. William P. Peters, for nearly nine years pastor of St. Paul's German Lutheran church, corner of Jennie and Jacob streets, is another Escanaba pastor who has decided that this city is a good enough field in which to live and perform ministerial labors. Recently Mr. Peter received a call from a German Lutheran church in Jackson county, Michigan, but although the inducements held out in the offer were such as would tempt its acceptance, Mr. Peters decided to decline it and remain here. There was much rejoicing among the members of the congregation of St. Paul's German Lutheran church and Mr. Peters' many other friends when his decision was made known to them. Mr. Peters and his family are held in the highest esteem by all who know them and the fact that they will remain here gives their friends the sincerest pleasure.

## BRIDAL COUPLE AT THE PYTHIAN PARTY

### Mr. and Mrs. Casper Nolden of Duluth, Here on a Honeymoon Visit. Enjoy Themselves at Society Function--Marriage is a surprise to Bridegroom's Friends.

Among the guests at the Knights of Pythias birthday party in Clark's hall Friday evening were a couple of newlyweds in the persons of Mr. and Mrs. Casper Nolden of Duluth. Mr. Nolden is a son of Mr. and Mrs. Joseph Nolden of this city and his bride was formerly Miss Mary Roleff of Two Harbors, Minn.

The young couple were united in marriage last Tuesday morning at the church of the Holy Ghost, Duluth, Rev. Father Patt performing the wedding service, and left almost immediately thereafter for Minneapolis and Escanaba, arriving here Wednesday.

They are now visiting and spending a part of their honeymoon at the home of Mrs. Nolden's parents, 919 Hale street. From here they will go to Minneapolis and from there to Two Harbors for a visit with Mrs. Nolden's relatives before returning to Duluth, where they will make their home and out of which city Mr. Nolden is running as a brakeman on the Duluth & Iron Range railway.

The announcement of his marriage caused considerable surprise to his friends in Escanaba, where he spent his boyhood and lived until several years ago. Mr. Nolden's friends in attendance at the Knights of Pythias dance took pleasure in extending congratulations and best wishes to him and his bride.

## HERMAN LEISNER NOW GAME WARDEN

Mr. Leisner succeeds former State Deputy Game Warden Hayward of Lathrop.

## RUSSELL SAYS HE'S SATISFIED

### Warden of the Marquette Prison Asserts He Has Nothing to Fear from an Investigation of the Institution by a Legislative Committee--Probe to Be in Secret.

## MISS NANCY BLAKE IS NOW A BRIDE

### Well Known and Popular Young Woman of This City is United in Marriage at Detroit to Clark Thomas, a Young Manufacturer in the Michigan Metropolis.

Miss Nancy Blake, daughter of James Blake of this city, and Clark Thomas, a young Detroit manufacturer and a brother of Miles Thomas of this city, were united in marriage at Detroit this morning.

Miss Blake left Escanaba yesterday morning, ostensibly for a visit in Milwaukee; at least that was the impression received by her friends, and this announcement of her marriage will come as a complete surprise to them.

Miss Blake, or rather Mrs. Thomas, is a well known and popular Escanaba girl, having been born in this city and taking a complete public school course, concluding with her graduation from the High school. She is also a graduate of the literary department of the University of Michigan.

She is the possessor of a large circle of friends, who will be pleased to extend congratulations and best wishes to her and the man of her choice as soon as they are given the opportunity.

## BOY SCOUTS GIVE A GOOD PROGRAM

A very interesting program of games and sports was given by the Boy Scouts in the basement Thursday evening. There was a fair sized audience present. In every number on the program the boys acquitted themselves well. The musical number by Harold Lindsay, the relay-race and the Swedish Movement and the high and broad jumping are discerning of special mention. Scout Master Guild is doing splendid work for the boys on physical culture. A collection of seven dollars was taken.

Owing to the fact that James Russell, warden of the branch state prison at Marquette, is well known and has many friends in Escanaba, considerable local interest was taken in the Lansing dispatch published in The Mirror yesterday to the effect that the lower house of the state legislature had passed a resolution providing for an investigation of the Marquette prison management and its alleged modes of punishment.

That Mr. Russell welcomes such an investigation and is not worrying over its outcome is evident from the following, which appeared in today's issue of the Marquette Mining Journal: The report from Lansing that a special legislative committee had been appointed to investigate the Marquette prison was the subject of general comment yesterday. Warden Russell states that he is perfectly satisfied with the personnel of the committee, and that he is more than pleased that steps toward an investigation of the charge against the management of the prison have been taken. Ever since the report on the prison, written by Messrs. Ogg and Whelan, has been made public, the warden has been seeking to have the charges made in that report gone into a committee of fair minded members of the legislature.

**Mr. Russell's Statement.**  
"I have nothing to fear from an investigation," said the warden last evening, "and in fact it is just what I have been working for ever since the Ogg-Whelan report was made public. I am certain that the new committee will make a thorough investigation and I am confident their report will put a quietus on the maliciously false stories that have been given publicity of late."

The committee will conduct its investigation in secret and will promise protection to all who testify, according to a dispatch from Lansing. It will take along an assistant sergeant-at-arms and will employ a competent stenographer.

Ever since Russell appeared before the joint prison boards with his vitriolic address on corporal punishment, sentiment has been growing stronger in the house in favor of an unbiased investigation.

The question of padding will not be gone into especially, though it will be considered incidentally. But the committee will be asked to learn, if possible, how much padding is used.

### ADDITIONAL WORK FOR POSTAL CLERKS

Mails on All Upper Peninsula Trains are to be Weighed During the Month of March—Order Providing for This Action Issued by Head of Tenth Division.

At 12:01 a. m. Feb. 28, railway clerks on every mail train running into and out of Escanaba will record the weight of the mail shipments on their respective cars, and until April 1 will throw every pouch and package on the scales. Uncle Sam is making ready to set the wage of the railroads for carrying the United States mail. This service is done every four years.

During the interim from Feb. 28 to April 1 the weights will be registered. Each day's result will be taken and a general average for the thirty-one days struck. The railroads will be paid according to that average for their work on hauling the pouches. The weighing will impose quite an

additional burden on the men who "work" the mails in the coaches. The regular routine calls only for the distribution of the missives and the receiving and dropping of the sacks at their proper stations and destinations. When the weight totals have been found they will be forwarded by the clerks to Chief Dickerman of Milwaukee, head of the Tenth division of the railway mail service. With these figures in hand the chief will compute what is due each railroad, according to the set rate for carrying mail. In force on the various lines. The order from Milwaukee will affect practically all trains running out of Escanaba. Trains that carry mail but no mail clerk will be provided with a special weigher during the month.

THEATRICAL

THE PETERSON—"Madame X," the impressive drama which Henry W. Savage will offer at the Peterson Friday evening, March 3, is a play of such universal appeal and such tremendous dramatic power that it attracts many thousands of persons whom the theater does not ordinarily impress.

THE PETERSON.—William A. Singer, who is this season presenting "Miss Nobody from Starland," which had an extended run in Chicago last year, and in which Miss Olive Vail is featured, is to send the big show to Escanaba on March 5.
