

THE GREAT SERIAL STORY "THE BRONZE BELL" STARTS FRIDAY

BEGIN SEEKING SOON FOR CASH

Delta County Directors of Upper Peninsula Development Bureau are Planning to Solicit Subscriptions Toward the \$50,000 Advertising Fund--The Details.

Acting in accordance with the plan adopted by the board of directors following the organization of the Upper Peninsula Development Bureau of Michigan, the Delta county directors will hold a meeting soon for the purpose of taking action in the matter of raising this county's share of the \$50,000 advertising fund that is to be raised by all the counties in the upper peninsula.

H. W. Reade, treasurer of the organization and chairman of the Delta county directors, has received from Secretary W. E. Davidson of Sault Ste. Marie a lot of blanks to be used in the taking of subscriptions toward the fund. It is the purpose of the directors in this county to solicit subscriptions from the land owners first and in the manner in which this will be done will be decided at the meeting that is to be called within a few days.

The Delta county directors are: H. W. Reade, chairman; Mayor Solomon Greenhoot, Dr. W. A. Cotton, J. E. Byrnes, and H. C. Henke.

The Subscription Blank. Following is a copy of the subscription blank that is to be used:

In consideration of the mutual promises of all subscribers thereto, we hereby subscribe the sum of _____ dollars, \$_____ to the funds of the Upper Peninsula Development Bureau of Michigan, to be expended for the purposes provided for by its constitution and by-laws. This subscription shall be void unless the sum of fifty thousand dollars is subscribed by June 1st, 1911, for the above purpose, and when said sum is so subscribed on or before that date, this subscription shall be immediately due and payable.

Dated _____ 1911.
[L. S.]
[L. S.]
Address _____

It will be recalled that it was decided to make the assessment for the advertisement and development of the resources of the upper peninsula pro rata, according to the population of each county, and the collection of the amount is placed in charge of the directors of the association, each set

of directors to look after their own county. The resolution adopted was as follows:

Methods of Raising Money. "Resolved, that the association raise for the first year the sum of fifty thousand dollars a minimum, to be apportioned and charged to the several counties according to population.

"That the landowners, private and corporate, be requested to pay toward said sum so apportioned the sum of one cent per acre of lands owned and that the sums so raised be credited to each county according to acreage paid for;

"That the railroads be requested to pay upon basis of mileage in each county and that the sums so raised be credited to each county according to the mileage paid for in each county;

"That each county board of supervisors be requested to contribute such sum as the directors in each county may determine, every such sum to be credited to the county raising the same;

"That upon the directors in each county be devolved the raising of such further sum as may be required to complete the prorata thereof;

"That all subscriptions shall be conditional upon the raising of the above sum of fifty thousand dollars."

MISS TRUDELL GIVEN BIRTHDAY SURPRISE

Miss Eugenia Trudell was surprised at her home, 318 south Charlotte street, Monday evening by thirty of her friends. Many games were indulged in as a part of the evening's enjoyment, after which refreshments were served. All the guests were loud in their praise of the courtesies shown them. Miss Trudell was presented with a beautiful pearl set ring in remembrance of the occasion.

BLUE BELL GIRLS GIVE CLEVER BALL

Gladstone's Energetic and Popular Hello Girls Give a Dancing Party That is a Winner--Among the Delighted Guests are Many People From This City.

From the reports brought back by Escanaba people in attendance at the affair, the dancing party given in the Gladstone opera house Monday night by the Blue Bell Girls of Gladstone was a sure enough winner. In fact, the Escanabans, of whom there were thirty or forty couples, declare the dance was one of the best they ever attended in Gladstone.

There were between 85 and 90 couples present and they all had the finest kind of a time. They just couldn't help having it, for the Blue Bell Girls did everything in their power to promote the enjoyment of their guests and they were entirely successful in their efforts.

For the occasion the opera house was decorated in one of the most unique and attractive styles on record. There were any number of blue and white draperies and festoons used with telling effect and not less than fifty-one blue bells were placed where they would be seen to the best advantage. The stage, however, was the piece de resistance in the decorative scheme. It was draped in blue and white, had a display of blue bells and contained four booths, each of which contained a telephone and a chair. Below the stage, running across its front was a telephone wire, with "a cupid on the line." There were also banners bearing the words, "Blue Bell Girls." Streamers of blue and white radiated from the chandelier to all parts of the hall. From the chandelier was also suspended a huge tin bell painted blue. The Blue Bell Girls received many compliments upon their hall decorations as well as upon the general success of their party.

Dancing was begun shortly after nine o'clock and was not concluded until about 2:30 o'clock this morning. One feature not announced on the program was the taking of a flashlight picture of the interior of the opera house, its decorations and the dancers. This was snapped about 10:30 o'clock and the pictures will be highly prized as souvenirs by those who become their possessors.

At 5:30 o'clock this afternoon there was solemnized at Gladstone the wedding of Miss Lena Bushong of Gladstone and George A. Vrandenberg of Toledo, Ohio--Wedding Solemnized at the Bride's Home.

Miss Lena Bushong, Daughter of I. N. Bushong of Gladstone, Becomes the Bride of George A. Vrandenberg of Toledo, Ohio--Wedding Solemnized at the Bride's Home.

Attending the bridal couple were Miss Alice Nelson of Toledo as bridesmaid and Paul Bushong, a brother of the bride, as best man.

Following the wedding, an elaborate dinner was served, the guests including relatives and intimate friends of the bride and groom.

Among those from outside in attendance at the wedding were the Misses Hazel and Myrtle Nicholson, E. A. Shinar and H. L. Baker of Manistique, Miss Nelson of Toledo and Miss Watt of Chicago.

In honor of the happy event the Bushong home was beautifully decorated with flowers, plants and other ornamental accessories.

Mr. and Mrs. Bushong will leave tonight on a wedding trip in the east, their itinerary including visit in New York, Washington and other metropolitan cities. At the conclusion of their honeymoon trip they will go to Toledo, where they will make their home and where Mr. Vrandenberg is connected with G. P. Major Oil company.

The bride is quite well known in Escanaba and her friends here will be pleased to extend the customary congratulations and best wishes.

JENSEN GETS FINE POSITION IN WEST

Arthur Jensen, son of Representative and Mrs. Peter Jensen, is an Escanaba boy who is making good in the west. He is located in Seattle, Wash., and has the position of private secretary to the chief of the fire department at a salary of \$100 a month. Young Jensen is but 19 years of age and went to Seattle to look for a position. Shortly after he arrived an examination was held for applicants to the position of secretary to the fire chief and among those who took the examination was Arthur Jensen. There were a host of applicants of all ages and from all stations of life, but when the examination papers were read it was found that the Michigan lad stood the highest of any of them and he was notified to report for duty.

YEGGMEN BLOW BANK SAFE OPEN AND GET THOUSANDS.

(By Associated Press.)
Walnut, Ill., Feb. 28.—Robbers entered the bank here early today and blew open the safe. They got away with between two and three thousand dollars. Officers are out looking for them.

NO DIRECT VOTE FOR SENATORS

(By Associated Press.)
Washington, Feb. 28.—By a vote of 54 yeas to 33 nays, the United States senate this afternoon defeated the resolution providing for the popular election of senators.

In order to secure its adoption the resolution had to have a two-thirds affirmative vote and 54 yeas is not two-thirds.

MICHIGAN SENATORS FOR.
Of the Illinois senators Cullom voted for and Lorimer against the resolution.

Other senators who voted for the resolution were Burrows and Smith of Michigan, LaFollette and Stephenson of Wisconsin and Cummins and Young of Iowa.

GLADSTONE MAID WEDS TOLEDO MAN

Miss Lena Bushong, Daughter of I. N. Bushong of Gladstone, Becomes the Bride of George A. Vrandenberg of Toledo, Ohio--Wedding Solemnized at the Bride's Home.

At 5:30 o'clock this afternoon there was solemnized at Gladstone the wedding of Miss Lena Bushong of Gladstone and George A. Vrandenberg of Toledo, Ohio--Wedding Solemnized at the Bride's Home.

Attending the bridal couple were Miss Alice Nelson of Toledo as bridesmaid and Paul Bushong, a brother of the bride, as best man.

Following the wedding, an elaborate dinner was served, the guests including relatives and intimate friends of the bride and groom.

Among those from outside in attendance at the wedding were the Misses Hazel and Myrtle Nicholson, E. A. Shinar and H. L. Baker of Manistique, Miss Nelson of Toledo and Miss Watt of Chicago.

In honor of the happy event the Bushong home was beautifully decorated with flowers, plants and other ornamental accessories.

Mr. and Mrs. Bushong will leave tonight on a wedding trip in the east, their itinerary including visit in New York, Washington and other metropolitan cities. At the conclusion of their honeymoon trip they will go to Toledo, where they will make their home and where Mr. Vrandenberg is connected with G. P. Major Oil company.

The bride is quite well known in Escanaba and her friends here will be pleased to extend the customary congratulations and best wishes.

THE CARROLL HOME DAMAGED BY FIRE

Fire Supposed to Have Originated from Crossed Electric Wires Burns the Roof of Mrs. Mary Carroll's House--Some Damage to Interior Done by Water.

Shortly before nine o'clock this morning the roof of the house owned and occupied by Mrs. Mary Carroll and family at the corner of Jennie and Tweedy streets was discovered to be on fire. An alarm was turned in and both companies of the fire department immediately responded. By the time the firemen arrived, however, the flames had obtained good headway and it was only by the hardest kind of work that the house and its contents were saved from entire destruction. As it was the roof was burned and the contents of the upper portion of the house were damaged by the water which the firemen found it necessary to throw in extinguishing the blaze. The fire was not completely out until after two hours of work by the firemen.

Chief Kamrath estimates that the entire loss on building and contents will approximately be \$1,000 and this is covered by insurance.

An accident in connection with the fire is worth relating. At the time the alarm was turned in Fire Chief Kamrath was out on Stephenson avenue making some repairs to fire alarm wires and he did not know of it until Dr. W. A. LeMire happened to drive along and told him. Dr. LeMire placed his horse and cutter at Chief Kamrath's service and volunteered to drive him to the fire. The chief accepted the offer and in a flash the two men were driving toward the scene of the fire as fast as Dr. LeMire's speedy roadster could get over the road. Within a few minutes the chief was on the ground and directed the work of the firemen. He stated later that the ride was one of the fastest he ever took in responding to a fire alarm and he said he felt very grateful to Dr. LeMire for giving it to him.

WILL CELEBRATE CHURCH REOPENING

In celebration of the completion of extensive repairs and improvements that have been made to their church, the Swedish Baptists of the city will this evening hold a reopening festival in the church, to which the public is cordially invited. For the entertainment to those who attend there will be rendered a musical and speaking program, features of which will be addresses by Rev. J. Peterson, by the way, will this evening begin a two weeks' series of revival meetings in the Swedish Baptist church.

Reshusus Pays \$25 Fine and Costs. In Justice Linden's court this forenoon the charge of keeping his saloon open, on Sunday, which had been preferred against Michael Reshusus and upon which he was to have had his preliminary hearing, was withdrawn and the case dismissed. Another charge, that of disorderly conduct, was brought and to this Reshusus entered a plea of guilty and paid a fine of \$25 and costs. It is stated that the more serious charge against Reshusus was discontinued because of the difficulty of securing testimony that would warrant holding Reshusus for trial in circuit court from witnesses who cannot understand or speak the English language.

LORIMER CASE HANGING FIRE

All Attempts to Force the Question to a Speedy Vote Have Thus Far Failed--Efforts at Compromise Also are Futile--Senators Sit Up All Night--Story.

(By Associated Press.)
Washington, Feb. 28.—All night long the United States senate struggled with the Lorimer case, the friends of the Illinois senator seeking to break down the determination of his opponents not to permit a vote unless important concessions were made to them in relation to important measures of pending legislation.

At 8:09 o'clock this morning a recess was taken until eleven o'clock and it was announced then that there was a chance for an agreement. The basis for the proposed agreement was understood to be that a vote shall be taken on the Lorimer case at a fixed hour on Thursday and that at a later hour on the same day a vote shall be had on the permanent tariff board bill; that the amendment to the post-office appropriation bill proposing an increase of postal rates on advertising sections of magazines be eliminated, and that still other concessions be made.

Compromise Efforts Fail.
At one time it was suggested that an agreement might be reached by a division which would permit a vote on the Canadian reciprocity agreement with a pledge in advance that enough members pledged to vote for the commercial pact would absent themselves and encompass its defeat. The purpose of this suggestion was to avoid an extraordinary session of Congress if possible.

It is not believed, however, that there can be any trade by which reciprocity will be sacrificed, although it is not likely a vote can be had in the senate on this measure.

When the senate reconvened it was stated that efforts to effect a compromise had failed. Immediately after reconvening Senator Bristow arose to resume his speech against Lorimer, but gave way to Senator Money, who declared the responsibility for the present situation lay with the Republicans. He appealed for abandonment of the filibuster and the resumption of public business.

Senator Newlands spoke briefly, con-

curring in Money's views about the filibuster.

Lorimer Reads Telegrams.
At 11:20 o'clock, as per agreement, the senate adjourned until 11:50 to close yesterday's legislative day and provide for a vote on the direct election of senators.

The senate reconvened at 11:50 o'clock. Several senators insisted upon the reading of the journal in full, being determined that no unanimous consent to its omission should sacrifice any possible parliamentary advantage involving the existing agreement to vote on the resolution for direct election of senators.

The Journal was unusually voluminous, but its reading was finally concluded and at 12:10 the roll call was begun on the direct election of senators.

Senator Lorimer arose unexpectedly and read telegrams from Speaker Shurtleff and Representatives Brownback and Ford of the Illinois legislature in refutation of Senator Crawford's statement yesterday that Governor Deneen had been misrepresented by Lorimer. The gist of the telegrams was that the governor did attempt to control the organization of the legislature.

La Follette an Obstacle.
During the afternoon it developed that Senator LaFollette of Wisconsin was the chief obstacle in fixing a time for a vote on Lorimer. It was said he was not unwilling to vote, but was unwilling to go on record as agreeing to fixing a definite time.

Efforts to secure an agreement continued throughout the afternoon without definite result up to four o'clock. At this hour Senator Young began to deliver an address on reciprocity.

Arrangements have been made for a game of basketball to be played at Manistique on Saturday evening, March 11, between the Escanaba and Manistique High school teams. In this game the Manistique team will make a desperate effort to get even for its defeat at the hands of the Escanaba team two weeks ago.

COOMBS WAS GREAT GOLFER

President Shibe and Manager Connie Mack Persuade Famous Pitcher to Forsake Links.

Golf almost played havoc with Jack Coombs' success as a pitcher last season. His rescuer was the veteran president of the Athletics, Uncle Ben Shibe, ably assisted by Manager Connie Mack.

Coombs could not resist the temptation and spent all the time he could get away from practice on the course, driving the little white gutta percha ball tremendous distances.

All the summer of 1909, whenever he could spare the time, he played golf. Every Sunday he was on the links of the various country clubs.

The fad became even greater last summer, and for the first few months of the season Coombs indulged it. Then Connie's pitching staff began to break down, and Coombs and Morgan alone remained to bear the brunt of the work.

DALY WILL COACH WILLIAMS

Leader at Yale Last Year Has Accepted New Position--Change in Yale Football Policy.

Captain Daly of the 1910 Yale football team has accepted the position of coach of the Williams University football team for 1911.

There was some hesitation in changing the policies of the council, which heretofore has been to employ a graduate of the college as head coach.

Comiskey May Take His Team to Havana to Train, a Year Hence--Climate Makes Big Hit.

Capt. Daly.

beginning of the football season to take charge of the squad. He will be with the team during the whole season.

This evidently marks a complete change in the football policy at Yale, which heretofore has been to invite the outside world to carry on the

work of coaching at Yale in the capacity of head coach. It is rumored that either Tom Shevlin or Howard Jones will fill the position of head coach at Yale in 1911, and it is hailed with much delight among the student body because it is the presence of the old heads on the field that seems to be able to develop the material.

It is expected that Walter Camp will also spend a great deal more time with the team than has been his custom in the last few years. The material for next year is going to be as difficult to develop as the 1910 season, and it is rumored that this will be the most important feature in the changing of the new system.

SOX GO TO CUBA NEXT YEAR

Comiskey May Take His Team to Havana to Train, a Year Hence--Climate Makes Big Hit.

Charles A. Comiskey, owner of the White Sox, President Han B. Johnson of the American league, and Mrs. Comiskey and Mrs. Johnson recently returned from a three weeks' trip to Florida and Cuba.

The party spent three days in Cuba and the country and climate made such a hit with Comiskey that he is seriously considering Havana as the training camp of the Sox after this year.

It is a problem for the puzzle guessers to find how to convince a has been he is too much "all in" to "come back."

WHAT FIRES IN AMERICA COST.

Fire warning is given in a concrete manner under the heading "Sparks from Fire Waste" and the following statements are well worth careful consideration:

"Fire losses in the United States and Canada in 1910 were \$234,406,500.

"Fire losses and the cost of fire prevention in the United States amount annually to \$450,000,000, or more than the total American production of gold, silver, copper and petroleum in a year.

"The cost of fire each year is one-half the cost of all the new buildings erected in a year.

"The annual per capita fire waste in the United States is \$2.51, in Europe, 33c. Cause: The latter has better construction, less carelessness, increased responsibility.

"If buildings in the United States were as fire proof as in Europe, the annual cost of fire losses and protection would be only \$90,000,000.

"Fires in the United States cost over \$500 a minute.

"The way to get lower insurance is to have fewer fires.

"New York city spends \$10,000,000 a year for fire extinguishment and \$15,000 a year for fire prevention.

"The 90,000,000 people in the United States use more matches than the 900,000,000 in the rest of the more or less civilized world.

"Of 3,875 known causes of fire in Chicago last year, 1,089 were due to the careless use of matches. Nearly ten thousand matches are scratched every second of the day in this city, every one a possible fire.

"The report of the fire marshal for Nebraska for 1910 shows that of 834 known causes of fires in that state, 106, were due to matches, of which fifty-five were caused by children playing with matches, many of them resulting in serious injuries.

"Defective flues are responsible for thirteen per cent of all the fires.

"The fire waste of the United States in the past ten years exceeds the amount of gold held in the United Kingdom, Austria, Hungary, Italy and Spain. It is equivalent to wiping out the entire crop once every ten years, and exceeds the annual value of wheat, hay, rye and oats. It is twice the annual value of the cotton crop. And most of this waste is easily preventable and due to carelessness in one form or another.

"Fifteen hundred people are killed and 5,000 are injured annually as a result of fire.

"The proportion of insurance capital to insurance liabilities have almost doubled, while only \$6,000,000 more capital was invested in the business in 1910 than in 1870.

"Between 1880 and the close of 1908, 918 fire insurance companies retired from business in the United States.

"Rates of interest would necessarily be greatly increased and the purchasing power of money greatly reduced were not fire insurance the element it is today in credit. This applies not only to the individual, but to the community and to the country at large.

"The fire losses in the United States in 1910 would pay the total interest-bearing debt of the country in four years; they would build the Panama canal in less than two years; they exceed the total cost of the army and navy of the United States for the year; they were greater than the annual expenditure for pensions or the annual cost of the United States postal service.

"If all the buildings burned last year in the United States were placed close together on both sides of a street, they would make an avenue of desolation reaching from Chicago to New York city. At each thousand feet would be a building from which a severely injured person had been rescued, and every three-quarters of a mile there would be the blackened ruins of a house in which some one had been burned to death.

Church of England people talk of editing the Ten Commandments. Before doing this ambitious blue penciling of the law of Moses, they would better practice awhile on a country newspaper.

Purple socks are the thing for men this summer, but if some people thought less of decorating the exterior of their feet, and more about adorning the interior of their heads, it would be better.

One hundred and fifty divorces a year is paganism, says Lyman Abbott. The pagans seem to have it on us, as they never promise to keep their wives for good.

San Francisco has got the 1915 exposition, but people of an economical turn of mind may think it will be cheaper to go around the world for their outing.

Mr. Carnegie is giving some church organs, but this by no means assures harmony within the choir.

GREAT LAKES PILOTS AND MARINE STRIKERS

New Lake Organization is Being Formed Pilots Do Not Like the Attitude of the Steel Trust Fleet Management—Letter Issued Explains the Situation.

Cleveland, O., Feb. 24.—The pilots of the Great Lakes have formed a secret organization with headquarters in Cleveland which is said to be backed by ten independent vessel owners and the Master & Pilots' Protective association of the Atlantic and Pacific. It was organized in December by six officers of the steel trust fleet. The protest is against the retention of 10 per cent of each month's pay until the end of the season under the welfare plan and also against the examination board of the fleet, which was created, the men say, to weed out officers friendly to the striking seamen.

The letter which has been mailed to the 3,000 lake pilots, active and retired, says in part:

"For two years we have been forced to serve as strike-breakers. In addition to our own work we have been forced to do the work of other men who are on a strike. Unable to secure experienced seamen to fill the places of the strikers, the Lake Carriers have compelled us (the licensed mates), to do the work of wheelmen, watchmen and deckhands, besides attending to our duties as pilots and ship's officers."

H. W. KLINE WILL LOCATE AT GARDEN

Henry W. Kline, a prominent business man of Florence, has decided to leave that city and locate at Garden, in this county, where he will engage in business. Relative to Mr. Kline and his contemplated change of location the Florence Mining News says:

"Henry W. Kline has practically closed out his mercantile business in Florence and will shortly go to Garden, Mich., where he will associate himself in the dry goods and clothing business with his brother-in-law, Mr. Kline came to Florence four years ago and during his residence here has been eminently successful in his business venture, and he now leaves us carrying with him the respect and best wishes of the people of this community. Mr. Kline and his estimable wife will also be missed in social circles and many regret their coming departure."

My fourth is in cat, not in mouse.

\$50,000 a Year Steel Trust Head Began Work at \$5 Weekly

JAMES A. FARRELL, who hereafter will draw \$50,000 a year as the president of the United States Steel corporation, is forty-eight years old and has been in the steel business since he was sixteen. He began as a humble workman in a wire mill in New Haven, Conn., where he was born. His pay was \$5 a week at the start but within a few years he was a foreman and was getting comfortable wages. Then he decided that Pittsburg was the place for a man who knew as much about the steel business as he did, so he went to Pittsburg. He remained there in various capacities with steel and wire concerns until the billion dollar steel corporation was formed, when he became president of the United States Steel Products Export company, the export department of the parent concern. He has held that position for eight years, during which time the export business of the corporation has shown steady gains. It was his work in this capacity that caused his selection to his new post. Mr. Farrell lives in Brooklyn. He is married and is the father of two boys and three girls. He has a great capacity for work and usually spends ten to twelve hours daily at his desk.

Feb. 28 in American History.
1712—Louis Joseph, marquis of Montcalm, French military hero in American service, born; died of wounds near Quebec, 1759.
1752—Colonel William Washington, kinsman of George Washington and distinguished soldier in the Revolution, born; died 1810.
1863—General William Farrar Smith, noted Federal commander of the civil war, died; born 1839.

Illustrated Numerical Enigma.

10-22-16-44-9
17-13-15-7-25-5
2-14-10-6
15-23-32-18-19

In this numerical enigma the words are pictured instead of described. The answer, consisting of fifty-four letters, forms a couplet by Edwin Arnold.—St. Nicholas.

No. 1192.—Charades.
I. My first is part of every shoe.
My second makes a sin for you.
My whole upon another preys
And will at last end all his days.
II. My first is a follower strongly attached,
No matter if garments are costly or patched.
My last is a refuge where children may flee
Or dweller in country far over the sea.
My whole adorns walls and our treasures protects.
The bloom of our gardens its care oft affects.

DAILY DIET HINTS

By DR. T. J. ALLEN
Food Specialist.

SUBSTITUTES FOR MEAT.

A common mistake is eating a variety of food in an effort to make up for the omission of meat. The experience of the rickshaw men of Japan shows that one can do more work on rice (unmilled) than on meat. Nuts, eggs, beans, cheese and milk are each more nourishing than meat. The nutriment obtained from a food is not determined entirely by the nutriment it contains, but largely by the ease of digestion and assimilation. Rice is completely digested and assimilated when there is a demand for nourishment. Meat and other animal foods tend to toxication.

Speedy Relief From Kidney Trouble.
"I had an acute attack of Bright's disease with inflammation of the kidneys and bladder," says Mrs. Cora Thorp, Jackson, Mich. "A bottle of Foley's Kidney Remedy overcame the attack, reduced the inflammation, took away the pain and made the bladder action normal." For sale by all druggists.

Itching piles provoke profanity, but profanity won't cure them. Doan's Ointment cures itching, bleeding or protruding piles after years of suffering. At any drug store.

Stops carache in two minutes; toothache or pain of burn or scald in five minutes; hoarseness, one hour; muscleache, two hour; sore throat, twelve hours; Dr. Thomas' Elettie Oil, monarch over pain.

NOTICE OF ELECTION.

To the qualified electors of Delta county:

You are hereby notified, that a general primary election will be held in the several judicial circuits of this state on Wednesday, the first day of March, 1911, for all political parties, for the purpose of nominating candidates for the office of circuit judge, as prescribed by act No. 281, of the public acts of 1909.

T. J. Curran,

GLADSTONE DELTA REJOICES GREATLY

Paper Published in Up-the-Bay City Sings a Joyous Hymn of Praise Over the Results of the Republican Convention Held in This City Last Thursday.

Under the caption, "And They Are Ours!" the Gladstone Delta bursts into the following outburst of jubilant feeling over the results of the Republican county convention held in this city last Thursday, and for which results it modestly annexes a large portion of the credit:

Glory, Glory hallelujah!
Glory, Glory hallelujah!
Glory, Glory hallelujah!

As we go marching on!

The Delta is not much given to blowing its own horn, though of such is success born in these days of Roosevelt and others; but in the nomination of Soren Johnson as republican candidate for county road commissioner in place of John Gasman, the Delta is, of a certainty, to make itself happy. For years this family journal has opposed itself to craft and graft and it may be forgiven for some elation at the result.

It was a tight fit, though; when a construction company once gets its hooks on a county it takes a long lever to pry it loose.

However, this is all past and forgiven. Soren Johnson is the very prosaic figure that Delta county can look forward to for a very decided change in county road matters.

Credit is due to many of the business men of Escanaba, who lent their influence toward a better administration, and to the delegates from Rapid River, who refused to be divided from Soren's candidacy to serve the purposes of a faction bent on his defeat.

A persistent effort has been made to beat Prof. P. R. Legg for the office of county commissioner of schools. It will rejoice every well-wisher of our county system to learn that Mr. Legg won out at the convention and will, after his election, continue the good work that few but he could do in the country districts.

The townships of Delta county returned an overwhelming vote for Mr. Legg, as was natural from their better acquaintance with him. The opposition was almost entirely localized in Escanaba.

Taken altogether, it was a glorious day for old Delta, and shows that they are men yet who will vote for the public good, without personal or local selfishness.

FRANKLIN SCHOOL PUPILS ENTERTAIN

At the Franklin school last Friday afternoon the pupils of the eighth grade gave a most enjoyable musical and literary entertainment before a small but appreciative audience. The pupils taking part in the program acquitted themselves very creditably. The entertainment was to honor the memories of Lincoln, Washington and Longfellow, whose birthday anniversaries occur in this month and the program was as follows:

Piano solo—"Love's Longing"—Martha Beck.

Song—"Mount Vernon Belle"—Eighth Grade Chorus.

Reading—"Robert of Sicily"—Marlon Shevaller.

Piano solo—"Mountain Stream"—veda Beck.

Longfellow—Henrika Gronblad.

Piano solo—"Mountain Stream"—Ellwood Johnson.

Arrow and Song—Charles Berrigan.

Washington and Lincoln—Helmer Olson.

Song—"America"—Eighth Grade Chorus.

"Rainy Day"—Florence Kemp.

"Crossing the Delaware"—Olga Nelson.

Piano solo—"Love and Devotion"—Irene Gettleman.

Lincoln's Gettysburg Address—Kenneth Roland.

Vocal solo—"Winter Lullaby"—Darrell News.

SUPREME COURT JUDGE CAN'T PAY OLD DEBT

Washington, D. C., Feb. 28.—The Justice Harlan of the United States supreme court has never found the profession of jurist remunerative enough to enable him to catch up on a \$1,000 deficit occasioned at the time of his marriage, in 1856, was the interesting statement made to the appropriations committee of the House, during its hearings on the sundry civil bill, by Albert Rosenthal, a Philadelphia artist.

Artificial Rose Making.
Don't throw away your bits—even small bits—of silk and velvet, but save them for making the very fashionable flowers which ornament neckwear, hats and frocks.
You have no idea what charming little floral specimens you can evolve.

A PRETTY SPRAY OF MOSS ROSE BUDS. A bias piece of pink satin rolled tightly and incased in a calyx of green silk or velvet will materialize into a lovely rosebud. A bunch of these buds hung from narrow ribbons are smart to trim a blouse or to place among folds of the lingerie jabot. All kinds of flowers are made at home by the skillful worker who tries her art on the white kid butterflies that so modishly trim big black velvet hats this winter.

Hangers For Clothing.
Do you appreciate the usefulness of skirt and coat hangers?
These wire frames by which to suspend clothing are a great aid in keeping it in good shape. A skirt hung from a rod that clasps the two ends of the folded band firmly and hangs the whole from the center holds its shape much better and longer than one hung from two loops in the band slipped over hooks in the closet. A skirt improperly hung sags and pulls out of shape.

The wire shoulder frames keep the shape of waists and coats intact. They muss less, unless very delicate, than if laid in drawers. Any woman may have at slight expense a supply of shoulder frames wound with cotton and covered with shirred ribbon, which, scented with her favorite sachet powder, will be a help toward keeping her wardrobe in good condition.

Pressing and cleaning of suits have become an item of no small magnitude in a woman's bill of expense. It is "up to her" to reduce it as much as possible by the care she gives her clothes. To look well gowned implies care and personal attention to little details—braid and buttons, little rips and those ugly spots one gets, she doesn't know where or how.

"LOST" TAG IS USED BY C. & N. W. ROAD

Special Efforts to Be Made by Railway to Trace Packages Left in Cars by Passengers—Want Pay for Carrying the Mail Raised—Will Press Claims.

A special effort is being made by the Chicago & Northwestern Railway company to account for all articles left on trains.

H. G. Graves, general baggage agent has introduced a lost article tag to be attached to all property found at stations or on trains.

The tag contains four coupons and on the back of the main coupon are complete instructions regarding the use of the tag and the handling of the article.

Articles found in Chicago suburban Pullman coaches, are to be turned over to the station agent at the terminus of the conductor's run.

Articles found in Chicago suburban territory will be turned in to Chicago terminal headquarters with the lost articles tag attached. An attempt is being made by the use of the tag to systematize the handling of articles left by passengers and found by the company's employes.

Plans are being perfected to have a committee representing more than 200 railroads throughout the country to go to Washington within a short time for the purpose of making an appeal to Congress in favor of a change in present methods of paying for the transportation of the mails.

The railroads assert they should receive pay for apartment cars and for the delivery of mail from railroad stations to postoffices.

It also is being contended on behalf of the roads that there should be an annual weighing of the mails instead of the present plan of weighing them every four years.

It is alleged that in transportation of the mails the railroads of the country perform service every year worth \$3,000,000 for which no remuneration is received.

THEATRICAL

THE PETERSON—Every character in "Madame X," the sensational successful melo-drama which Henry W. Savage will offer at the Peterson next Friday evening, March 3, is sympathetic. There is no "villain" in the accepted sense of the term, not even the rascally Laroque being wholly evil, despite his unsavory actions. The two blackmailers are funmaking figures for the most part, while the mysterious woman herself is ever an object of charitable appeal, no matter how deep her degradation. The seat sale will begin on March 1.

THE PETERSON—The long cherished desire of Olive Vall to become a member of the Order of Eastern Stars, the woman auxiliary of the Masonic order, was realized recently by her adoption as their daughter by her grandparents, Stephen J. and Mary Patterson, who live at South Bend, Ind. Judge Rinaker in the county court entered a decree making the known prima donna of William Slinger's "Miss Nobody From Starland" company the which will be seen at the Peterson opera house Sunday, March 5, the legal daughter of the grandparent. Mr. Patterson was one of the first men to publish a daily paper in the Housier state, and was also one of the first F & A. M. of Indiana. He is the oldest past master of Covenant lodge, and is a thirty-third degree Mason. In speaking of her adoption to an editor recently Miss Vall said: "For years I wanted to become a member of this order but I understood it would be impossible to do so unless I was the daughter, wife or sister of a Mason. Realizing that I was not eligible, I approached my grandfather on the subject, which terminated in the taking out of the adoption papers and later my becoming a member of the order."

E. A. Shinar and H. L. Baker of Manistique were in Escanaba this morning on business.

BOYS PLAY MARBLES ON ICE AND SNOW
ADMITTED TO BAR AT AGE OF 90 YEARS
While it cannot be said with truth that spring is here, the small boy and his marbles are to be seen on every hand in most upper peninsula towns, which is a sure sign that it is not far away. One of the mysteries that no one has ever satisfactorily explained is why the American boy chooses such untimely weather for playing marbles and discards the game as soon as the weather is at all fit to "knuckle down." Even the boy himself cannot tell the why and wherefore for it. It is evidently a germ that sweeps over the land at a certain period each year, inoculating the youth so that it is impossible to resist joining in the sport, which must necessarily have its discomforts as well as its joys.
Clinton, Ark., Feb. 28.—When the Van Buren county circuit court convened here for its eighty-eighth consecutive term, A. Callen, 90 years old, made application for admission to the bar. Mr. Callen showed a license signed by the supreme court of Kansas, dated 1884, and he was admitted without examination.
The demand for workers is increasing—and the want ads. carry about the best news in the paper.

LOOK HERE!

Only \$725—Fully Equipped—F. O. B. Detroit

Peterson Garage Co.

THE medical profession is one that usually requires instant service. The doctor's time is never his own day or night. He must answer calls promptly or lose his practice. The horse and buggy used by the doctor to hasten his call is fast being pushed into the background and supplanted by the motor car.
In design the Ford Torpedo Runabout is the ideal car for the doctor. It is speedy on the road and always reliable. The old saying that "Time is money" is more than true in the case of the professional man. In this light and powerful Ford car the doctor can cover double the ground and make twice the calls that would be possible with the horse and buggy. As to economy in upkeep it is impossible to find a superior to the Model T Ford. On account of its design, light weight and strong construction, gasoline, oil bills and general upkeep have been reduced to the minimum. The many hundreds of doctors who are today using Ford cars are getting from 25 to 30 miles from a single gallon of gasoline. It's this economy in all Model T cars that has made Ford the popular car for the busy practitioner.

Lard, which stays in the frying pan, goes the furthest and is by far the cheapest to use at all times. Gunter make's lard just as you would make it yourselves, free from all adulterations and impurities.

PLAY AT SNOWBALL IN PASADENA, CAL.
For fifteen minutes on Friday it snowed in Pasadena, California, for the first time in twenty years. The sun came up clear and warm and shone brightly for three hours, when suddenly a black cloud appeared over the mountains. Within five minutes it grew dark and snow began falling. Every one rushed into the streets and began snowballing.

Little Bits of City News

The Delta county board of road commissioners is due to hold a regular meeting at the office of the county clerk tomorrow afternoon.

The Little Snow Man Stands for strength. Copyrighted 1911 by Albert Langenbach.

Eckhardt's celebrated Swiss Hand-Bell Ringers have been engaged to give one of their unique entertainments in the First M. E. church in this city on the evening of March 28. The company is coming here under the auspices of the Sunday school of the church.

The dental offices of Dr. G. A. Cotton are now located in the new First National Bank building. Phone 129.
In St. Anne's school hall this evening a dramatic entertainment will be given by a number of the young people of St. Ann's church. A French play will be presented and in addition there will be several musical selections rendered.

The Little Snow Man Stands for purity. Copyrighted 1911 by Albert Langenbach.

Anton Leck, a resident of Gladstone, died at the Delta County hospital at her home, 318 South Charlotte following a long illness from inflammatory rheumatism and tuberculosis. He was about 48 years old and so far as known had no relatives in this section of the country. His remains are now at J. A. Allo's morgue awaiting orders from his friends for their disposition.

Single-Cylinder Cadillac touring car Cheap. Also several other bargains in used cars. Come and see them at Edwards Garage. 403-1/2

Charles Everard, aged 22 years, died at his home at Gwin Sunday evening from the effects of an operation which he underwent about two months ago. His funeral will be held at Perkins Thursday morning.

If you appreciate cash prices on fresh meats you should come to us Cash Mercantile Company.

The directors of the Escanaba Baseball club will hold a meeting this evening to again consider the proposition of joining a league with the Marquette county teams as the other members.

Card party and social in the basement of St. Joseph's Church this evening. Everyone invited. 491-55

Negaunee Herald: C. O. Stensrud was talking tombstones to Escanaba people yesterday. He returned by the afternoon train and reported that automobiles were being driven on the streets of Escanaba while he was in that city.

Undertaker J. A. Allo is making a number of changes in the interior of his place of business on the first floor and when they are completed he will have a much more convenient arrangement for the storage and display of caskets.

Newsboys wanted to sell papers. Inquire at this office.

Reserved seats for "Madame X," the great play which is to be presented at the Peterson opera house next Friday evening, will go one sale at nine o'clock tomorrow morning at the store of the Mead Drug company. Those calling at the store should ask for a copy of the booklet containing pictures of scenes in this remarkable stage production.

Get out your sackcloth and ashes. Tomorrow is Ash Wednesday, the opening of Lent, the period of penitence and cessation from all worldly pleasures.

Newsboys wanted to sell papers. Inquire at this office.

Although Judge R. C. Flannigan will have no opposition at the primary election tomorrow for the nomination for circuit judge, every citizen should get out and vote for him. His endorsement should be as large and thorough representative of the citizenship of this county as it can be made.

Newsboys wanted to sell papers. Inquire at this office.

Announcement is made that the Young People's society of the First Baptist church will give a Magazine social at the home of Mrs. Graham, 310 Elm street, next Friday evening. All are invited. Games will be played and luncheon served.

F. E. LeVine returned Monday night from Detroit, where he attended the annual meeting of the branch managers of Grinnell Bros., who maintain one of their numerous stores in this city. Mr. LeVine states that the meeting was both successful, and extremely enjoyable. He was accompanied home by Mrs. LeVine, who visited friends in Milwaukee during his stay in Detroit.

Newsboys wanted to sell papers. Inquire at this office.

Marquette Mining Journal: Escanaba requires time to make up its mind, but there is little doubt that it will get around to entering the only baseball league that it ought to be in. This baseball league business should be settled up without delay. The time for the spring training trips is getting short.

Mrs. C. E. Snyder and Mrs. Hilmyer will entertain the members of the Ladies' Aid of the First M. E. church at the home of Mrs. Hilmyer, 502 south Mary street, Wednesday afternoon.

Mr. and Mrs. Casper Nolden, who have been spending a part of their honeymoon visiting at the home of Mr. Nolden's parents, Mr. and Mrs. Joseph Nolden in this city, left today for Menominee, Wis., where they will visit with Mrs. Nolden's relatives and friends before going to Duluth to take up their residence.

BARBERS SCORE A SUCCESS AT DANCE

Once More the Knights of the Razor and Shears Demonstrate that They Are in the First Rank When it Comes to Entertaining Themselves and Their Friends.

Again have the members of the Barber's union chalked up a large social success on their record. Monday evening they gave a dancing party in Clark's hall and it was all to the good in everything that goes to make up a thoroughly successful and delightful affair. There was a large attendance of the right kind of people to mix and have a good time and they surely had it.

Dancing was begun about nine o'clock and continued without the usual intermission until nearly one. The omission of the intermission met the entire approval of the dancers, nearly all of whom stayed until the last number. They didn't want to miss any of the fun they could have before Lent opens.

Music for the dance program was furnished by Brotherton's orchestra and it goes without saying that it was "just right." Financially the dance was quite as successful as it was socially and that is why the barbers today are wearing such wide and engaging smiles of satisfaction.

ENTER INTO JOYS OF WEDDED LIFE

Miss Catherine Morris and John Flemming, Both of This City, are United in Marriage—Ceremony... Performed in St. Patrick's Church—Wedding Breakfast Follows.

At eight o'clock this morning there was solemnized in St. Patrick's church a service which united Miss Catherine Morris and John Flemming in marriage. Rev. Father Barth performed the service, which was witnessed by a number of the relatives and friends of the bridal couple, whose immediate attendants were Miss Alice Sullivan, a cousin of the bride, acting as bridesmaid, and Roy Morris, a brother of the bride, as best man.

Following the nuptial ceremony the bridal party repaired to the home of the bride's parents, Mr. and Mrs. John J. Morris, 502 south Sarah street, where an elaborate breakfast was served. Later in the day Mr. and Mrs. Flemming left on a wedding trip and upon their return will continue to make their home in this city.

Mr. Flemming is a railroad man, being in the employ of the Chicago, Milwaukee & St. Paul road. Both he and his bride are well known and have many friends, who will be pleased to tender congratulations and best wishes.

K. P. TO OBSERVE BIRTH OF ORDER

Escanaba Lodge No. 98 Will Tomorrow Evening Hold Roll Call Meeting and Also Observe the Anniversary of the Knights of Pythias Order—The Program.

Tomorrow evening Escanaba Lodge No. 98 of the Knights of Pythias will hold its annual "roll call" meeting, at which every Knight is expected to be present in person or to send a few lines of greeting to be read when his name is called, in case it is impossible for him to attend.

Besides the roll call there will be a celebration of the 43d anniversary of the Knights of Pythias order and that in itself is sufficient to make the meeting one of unusual note. The grand chancellor has directed that similar meetings be held in every lodge in this domain. Deputy Grand Chancellor A. E. Sharpe of Sault Ste. Marie will be present to conduct work in the third rank and will also deliver an address on "Our Grand Lodges."

Before the meeting opens supper will be served at 6:30 o'clock in Castle hall by the Pythian Sisters. Following is the program prepared for the occasion.

Opening, 8:30 p. m. . . Knight Rank.
"The Past Year" T. E. Strom.
"What We Will Do This Year."
 H. J. Rushton.
"Escanaba Lodge" Rev. F. Spence.
"Past Chancellors" C. G. Swan.
"The Silent One" S. M. Matthews.
"Our Absent Brothers" I. C. Jennings.
"Our Grand Lodge" A. E. Sharp.
Roll Call G. H. Cobb.
Conferring of Knight Rank.
Good night.

SURPRISED AND GIVEN FINE RING

Saturday night Leo Trotter was tendered a surprise party by a number of his friends at Delorier's hall and presented with a handsome B. of R. T. ring. Mr. Trotter was entirely unaware of the plans that had been made for him and Saturday evening left his home at 227 North Mary street to spend the evening down town. Some of his friends who were in on the party kept track of him, however, and induced him to go to the hall, where he was told his wife had gone to a little social event. Upon arriving there, he paid the price of admission and it was only when he arrived at the check room and his friends started to give him 32 strong slaps on the back to remind him that it was his birthday that he grasped the idea of the party. Le Duc's orchestra furnished the music and an elaborate luncheon was served.

SLAYS MAN WHO ABUSED HIS MOTHER

(By Associated Press.)
Davenport, Iowa, Feb. 28.—Rud Brandenburg, aged 21 years, shot and killed his stepfather, Claus Muentzer, last night after being told by his mother that Muentzer had abused her. Brandenburg and his mother gave themselves up to the authorities.

PRIMARY ELECTION ON FOR TOMORROW

It is for the Purpose of Nominating Candidates for Circuit Judge in This Circuit—Judge R. C. Flannigan is the Only Candidate and Sure of the Nomination.

In accordance with the law, a primary election will be held in this city and throughout the county tomorrow for the purpose of nominating candidates for the office of circuit judge. The same primary will be held in all of the counties included in this judicial circuit.

The only candidate apparently in the field is Judge Richard C. Flannigan, who has been endorsed by Republicans and Democrats alike in every county of the circuit. His nomination is a forgone conclusion, but there should nevertheless be a large vote cast. It is hoped that in Escanaba there will be an exceptionally good vote.

The polls in the several wards will be open from seven o'clock in the forenoon until five o'clock in the afternoon.

HON. PETER JENSEN SEEKS TO FIND WAY

Delta County's Representative in the State Legislature Introduces a Bill to Increase Number of Polling Places at School Elections in This City.

Hon. Peter Jensen, who was in the city for a few days' visit with his family and to attend to some personal business, returned last evening to Lansing to resume his duties as a legislator at the state capital. Mr. Jensen is trying to discover a way whereby the city charter can be amended so that the number of polling places at the annual school election in Escanaba can be increased from one to five. It has long been recognized that but one polling place in a city of this size and where so much interest is taken in school matters is not only entirely inadequate but inconvenient and dangerous. If Mr. Jensen can have this condition changed through any sort of amendment that shall make the providing of additional polling places permissible or compulsory, he will earn the appreciation and gratitude of all of his constituents in this city.

Mr. Jensen hopes to accomplish his object through the passage of a bill which he has introduced in the legislature and which provides that Escanaba's city charter may be so amended as to provide for five polling places instead of one at school elections. The bill is now in the hands of the house committee on educational affairs and may be reported out soon, unless the attorney general should rule that it is not feasible.

Mr. Jensen is also endeavoring to secure legislation that will legalize beyond question the issue of \$30,000 bonds that was authorized at a special election by a three-fifths vote and which bonds the company offering to purchase will not accept until it is absolutely certain they are legal. The bonds were authorized for the construction of a municipal gas plant and while the new state constitution requires but a three-fifths affirmative vote to carry such a proposition, the city charter provides that a two-thirds vote shall be necessary.

LEO GRAVELLE OF RAPID RIVER WEDS

Announcement has been received here that Miss Jennie Garvey of Munising and Leo Gravelle of Rapid River were united in marriage at Munising on Monday, February 20, the ceremony being performed in Sacred Heart church by Rev. Father Dittman. In its notice of the wedding, which is of interest to Mr. Gravelle's friends in Delta county, the Munising News said:

"The bride is the youngest daughter of Mrs. Thos. Garvey of this city and is very well and favorably known here. Mr. Gravelle, whose home is at Rapid River, but who has been employed in this city the past year, and at present is employed by Frank Hausler, is a highly respected young man. Miss Mayme Garvey acted as bridesmaid and Mr. Louis Rowe as best man. Mr. and Mrs. Gravelle left the same day for a visit at Ishpeming and Rapid River. Upon their return they will reside in this city."

3 CARS DERAILED; TRAFFIC DELAYED

The derailment of three cars on the Escanaba & Lake Superior railroad yesterday caused three hours' delay to traffic, while the train crew were getting the cars back upon the rails. The mishap occurred about three miles this side of Northland.

Your store "lagged" last year year if your advertising lagged. It was not so much a question of "hard times" as of inadequate advertising.

A Savings Plan

A good savings plan is to set as a mark a definite sum to save in a certain time. Decide how much of the income must be set aside regularly in order to accomplish it. Deposit this money in the Savings Department of this bank. The interest we pay will help a long way. When your goal is reached you will have won a thousand battles. Your achievement will be repeated with less effort.

Adopt this plan now. Bring in your first deposit. Deposits made before the tenth of any month will bear interest from the first.

WOMAN'S CLUB IS WELL ENTERTAINED

The members of the Woman's club were entertained Monday evening at the home of Mrs. S. J. Connors. An excellent literary program was rendered by various members of the club, after which "500" was played, the most skillful players being awarded beautiful prizes. Following the card playing dainty refreshments were served and the guests then departed for their respective homes, declaring that the meeting was on of the best and most enjoyable ever held by the club.
