VOLUME XXIII, NO. 171.

ESCANABA, MICH., WEDNESDAY, JUNE 20, 1917.

SINGLE COPIES 5 CENTS

PRESIDENT GOODCELL HERE TOMORROW

5,000 MEMBERS FOR RED CROSS OFFICERS' PLAN

GREAT CAMPAIGN WILL BE LAUNCHED NEXT WEEK FOR MEMBERSHIP FOR DELTA CHAPTER.

RAISING OF RELIEF FUND TO FOLLOW

Membership Committee Will Cover Every Town and Village in County in About Three Days.

Committees were appointed and plans were adopted last evening by the officers and directors of the Delta county chapter of the American Red Cross, for a great membership drive to be opened as soon as final details can be arranged as a prelude to the campaign in the country to raise \$20,000 as a war relief fund.

The undertaking is the largest movement of its kind ever undertaken in Delta county and will be put under way by the most thorough organization ever perfected for a similar purpose.

The Delta county chapter of the Red Cross has two objects in view in the campaign about to be opened. One is to secure 5,000 memberships in Delta county for the Red Cross chapter, and the other is to raise the \$20,000 asked by the government. In the opinion of the officers and directors one is as important as the other and upon the success of the war relief fund campaign.

The chapter plans to make the drive for memberships in every part of the county at the same time by means of a membership committee which will consist of several hundred persons. The primary object of the membership campaign, is of course, to obtain memberships of different kinds for the Red Cross chapter, but at the same time the memberships are being solicited, funds for the \$20,000 pledge from the county will also be taken.

The membership drive has as its object the securing of a large number of members for the chapter, who will assure that the chapter is kept alive and be a powerful organization after the campaign for war relief funds is made. Another object in the membership campaign is to secure funds for the local work of the chapter, which includes military and civilian relief.

The officers believe that a fund of \$2,500 can be raised for local purposes by the membership drive. They base their conclusions on the fact that for every \$1 membership received, 50 cents is retained by the local chapter to carry on its work, while the remaining 50 cents is turned in to the national chapter.

The Red Cross chapter in Delta county is to be a permanent organization. A great deal of work is to be done outside of the war relief fund and for this reason as many members as are possible are desired. To secure members every home in the county will be canvassed by means of teams under captains selected by Chairman T. M. Judson of the chapter. Each team will be of six members, the captain to select the other five members of the team. These teams will solicit for memberships, taking whatever contribution is offered, deducting from the contribution, the price of a membership, with the consent of the contributor, and then turning the remainder of the money over to the war relief fund.

The raising of the war relief fund will be in charge of the finance committee. When the membership drive is over, it is expected that the war relief fund will have several thousand dollars in it. With this as a start for the war relief fund, the finance committee is expected to raise the balance. It is estimated that the membership campaign can be completed in three days, and then will come the signal for the drive of the finance committee.

"We must raise every penny of the amount the government has called upon us to raise," said Chairman Judson last evening. "There can be no such thing as failure. Delta county has met every demand placed upon it and we must make up our minds that \$20,000 must be raised for the government as requested."

The committees named last evening by Chairman T. M. Judson and ratified by the directors and officers are as follows:

Military relief—Mrs. A. C. Barrag, chairman; Mrs. I. G. English and Mrs. C. E. Andrews.

Finance committee—W. R. Smith, chairman; J. E. Byrns and Mayor T. J. Riley.

(Continued on Page Four)

Bulgaria May Be Forced to Fight Greeks

KING FERDINAND OF BULGARIA EXPECTS VENIZELOS TO BE NEW GREEK RULER; THEN WAR.

(By Associated Press) Geneva, Switzerland, June 20.—The semi-official Balkan news agency says that King Ferdinand has been greatly impressed with the abdication of King Constantine of Greece and considers it certain that former Premier Venizelos will take office as the head of the government and that Greece will enter the war against Bulgaria.

King Ferdinand therefore intends to go to the German headquarters soon to demand assistance. Consternation is caused in Sofia by King Constantine's abdication.

Constantine in Switzerland. Lugano, Switzerland, June 20.—Former King Constantine of Greece arrived here today. A number of German diplomats were here in anticipation of the arrival of the former king, who was delayed by the illness of his wife. A long telegram from the German emperor was handed to Constantine as he left the train.

The immediate future of the former monarch is unknown but it is believed he will shortly go to Germany to visit the emperor.

CHARGES ARE MADE AGAINST NEWPORT

Secretary Daniels Says That Naval Recruits Are Exposed to Gambling and Other Menaces.

(By Associated Press) Washington, June 20.—Sensational charges that naval recruits at Newport, R. I., are exposed to open houses of gambling, houses of prostitution and illegal sale of liquor to naval men were made today by Secretary Daniels in an announcement that he had appended to Governor Beekman.

In response to a preliminary complaint the mayor of Newport made a general denial of the charges and said that no unusual degree of immorality existed in the fashionable city. The navy department with the assistance of agents of the department of justice thereupon made an investigation and as the result Secretary Daniels renewed his complaint to Governor Beekman.

Secretary Daniels said today in announcing the course taken: "I have sent the governor of Rhode Island a list in detail of some of the most notorious houses of prostitution and open gambling houses, and also called his attention to the extent and method of the illegal sale of liquor to sailors and naval reserves and informed him that the department was ready to furnish specific information in case the state's attorney does not find the evidence."

YEOMEN ASKS FOR WAR PROHIBITION

Supreme Conclave of Brotherhood of American Yeomen Sends Resolution to Wilson.

Resolutions were adopted by the fifth supreme conclave of the Brotherhood of American Yeomen which was held at De Moines, Ia., June 14, calling on President Wilson to secure prohibition of the manufacture, sale and transportation of alcoholic liquors for beverage purposes during the period of the war in order that the food resources and national strength may be conserved. The resolutions were forwarded to President Wilson by W. E. Davy, chief correspondent of the order.

THREE MEN ENLIST FOR ARMY TODAY

Three enlistments for the army were received today by Sergeant Schupert of the local recruiting station and another applicant was expected to arrive here for examination later in the day. The men accepted today will be sent to Jefferson Barracks this evening.

Mr. and Mrs. J. Leahy, Jr., and family of Republic, spent Sunday here with relatives.

COAL SITUATION BAD; GOVERNMENT CONTROL NEEDED

TRADE COMMISSION RECOMMENDS GOVERNMENT POOL OF COAL PRODUCTION AND DISTRIBUTION.

PREFERENCE TO COAL SHIPMENTS ASKED

Bituminous Mines Have Partly Closed Because of Lack of Cars, Commission Reports.

(By Associated Press) Washington, June 20.—Government pools of coal production and distribution of rail and water transportation were recommended to congress today by the federal trade commission as the only means available to prevent a coal shortage.

Chairman Harris of the commission suggests that during the war the president be authorized to order rail and water transportation agencies to give preference to shipments of coal, coke and other commodities in order of their importance to public welfare.

An urgent request for immediate legislation is made to correct the conditions brought about because gathering the usual spring and summer coal stocks at a point distant from the producing district is not taking place, but must be done in the remaining months during the summer, unless the country faces a serious condition this winter.

The present production of "soft" coal is 40 per cent under the usual maximum because of a car shortage. Consequently an extra large amount of anthracite coal, which was one-fourth larger than usual, has been directed to industrial concerns which ordinarily consumed soft coal and coke. Anthracite mines have been given ample supply of cars, the commission observes, by the reason of the close corporate relations between the rail transportation companies and the anthracite producers.

Bituminous mines have been compelled to operate on part time and many of the miners have entered into other work. Contributing factors in the disorganization of the coal transportation facilities are high barge rates between New York and Newport and Boston and the practice of lake vessels to make trip upward in water ballast.

FIVE RIDERS WILL COMPETE ON FRIDAY

Motorcycle Record for Five Miles of Six Minutes Will Be Broken Here This Week.

Five miles in six seconds less than six minutes is promised for the motorcycle races at the Fair Grounds Friday afternoon, the initial speed contest in Escanaba of the season. The record of last year of six minutes flat for the five miles, will be shattered if it is assured to those who enjoy speedy contests.

Five of the best riders in the country will take part in the races on Friday. They are Seymour of Escanaba; Parlow of Menominee; Champagne of Manistique; Oakes of Oshkosh and Brundage of Oshkosh. Any of these riders should be able to break last year's record and a real fight for honors is expected.

The races will be of three, five, eight and ten miles and will start at 2:30 p. m. There will be no delay in starting the races and they will be pulled off as fast as possible. Each of the riders has a fast machine and are all primed for the first contest of the season, according to D. F. Villenur, who is putting on the races. The fastest riding ever seen on the local track is promised to the fans on Friday.

Miss Anna Shanahan of Harris, was in the city yesterday.

Editor Mirror:
We are glad to lend our endorsement to the work being done in the interest of the Red Cross.
We most earnestly recommend it as being deserving of support.

EXTRA PRESIDENT ISSUES CALL FOR RECRUITS

Designates Week of June 23-30 As Recruiting Week for the Regular United States Army.

(By Associated Press) Washington, June 20.—President Wilson today issued a proclamation designating the week of June 23-30 as recruiting week for the regular army and called upon all unmarried men with no dependents to enroll for war service in order that the ranks of the regular army be filled quickly.

SEN. GORE ATTACKS FOOD CONTROL BILL

(By Associated Press) Washington, June 20.—In a vigorous attack on the administration's food control bill in the senate this afternoon, Senator Gore, Democrat, chairman of the senate agriculture committee, declared it strikes the American farmer and will cause a loss in production of \$250,000,000 in wheat and \$500,000,000 in corn and will result in famine next year through reduced production.

When Senator Gore had concluded, Senator Kenyon of Iowa, Republican, spoke in defense of the bill.

"One, however, should apologize for saying 'highwaymen' in connection with food speculators. The highwayman or sea pirate is a Christian gentleman compared to the food speculator. It takes courage to be a highwayman, but requires none to be a food speculator. These men are allies of the Kaiser," he said.

RED CROSS TO OPEN HEADQUARTERS SOON

The Delta county chapter of the Red Cross society plans to open headquarters in the building just back of the Sourwine drug store where the Republican county headquarters were located last fall, and an office and workroom will be maintained there until further notice. It is expected that the headquarters will be opened in a few days.

In this office will be conducted much of the work of preparing bandages, which the Military Relief Supplies committee will undertake. The building will also serve as an office for the county chapter.

COPPER PRICE WAS ONLY TEMPORARY

(By Associated Press) Washington, June 20.—Secretary of the Navy Daniels today disclosed that the much discussed arrangement made by Bernard Baruch of the council of national defense committee with the copper producers whereby the navy got a large quantity of copper for half the market price, covered only a small part of the copper the navy requires for the next two years. Secretary Daniels said the price was given an open question for future discussion.

NEW ORDINANCE WILL BE ENFORCED IN CITY

The city ordinance requiring a special permit before an excavation can be made in any street in the city, will be enforced to the letter by Street Commissioner Otto Nyquist. The permit must be issued before the work can be started and the penalty for proceeding without a permit is a fine of not less than \$5 or more than \$100.

Mrs. Ernest Solway has left for her home in Menominee, after visiting friends here.

ITALIAN FORCES RESUME ADVANCE TUESDAY, REPORT

CAPTURE OF STRONG AUSTRIAN POSITION AT MONTE ORTIGARA AND 936 PRISONERS REPORTED.

TWO STEAMERS SUNK BY SUBMARINES

One American Steamer and a Dutch Vessel, Laden With Grain for Holland, Are Victims.

(By Associated Press) Rome, June 20.—The Italians resumed the offensive yesterday. The war office announces the capture of Austrian positions on Monte Ortigara and 936 prisoners.

Two Steamers Sunk. Boston, June 20.—The Dutch steamer Emdijk which left Boston on May 30 for Rotterdam with a cargo of grain for Holland, has been sunk. The report gave no details of the safety of the crew.

The Warren Line steamer Bay State from Boston on May 31 has been sunk by a German submarine. Advises gave nothing as to the fate of the crew.

GERMAN ATTACKS FAIL

Paris, June 20.—"Heavy artillery fighting is in progress along the Aisne and Champagne fronts," says today's official statement. "Early this morning the German artillery opened a severe bombardment on the French positions at Laffaux and in the region of Mont Carillet. A German infantry attack was dispersed."

SMALL BOY DIES OF INJURIES TO HEAD

Elroy Hagen, Little Son of Mr. and Mrs. Peter Hagen of Perkins, Succumbed Early Today.

Elroy Hagen, the seven year old son of Mr. and Mrs. Peter Hagen, of Perkins, who was severely injured on Monday when he was kicked by a horse, died this morning at 1:15 o'clock at a local hospital, where he was brought Monday evening by attending physicians.

The blow from the hoof of the horse caught the boy's forehead in and he was so badly injured that all efforts to save his life proved of no avail. The body was removed this morning to Allo's undertaking parlors where it was prepared for burial and where it will remain until Friday when it will be taken to Perkins and the funeral services conducted in the afternoon. The body will be buried in the Perkins cemetery.

The little boy, with several companions, were fishing Monday and when attempting to drive away some young horses which had come near, the lad was kicked in the head by one of them. The boys were near the bank of the river and the blow knocked young Hagen into the river. His companions pulled him out and called for help. The boy was taken to his home where the parents and neighbors worked over him for some time before calling a doctor. Dr. Groos of this city, was then summoned and he ordered the lad brought to this city to the hospital. His condition was so serious that little hope was held out for him from the start.

INDIANA VILLAGE IS DESTROYED BY FIRE

Linden, Ind., June 20.—The greater part of Kirkpatrick, a village of 400 people east of here, was wiped out by flames today following a series of explosions following the wreck of seven cars of oil in the center of the town.

Miss Ethel Wellsted of Beloit, Wis. is visiting her parents at Brampton. Miss Wellsted is assistant superintendent of the hospital at Beloit. Before returning to her work she will visit with relatives in this city.

800 New York Girls Missing Since Jan. 1st

SWEEPING INVESTIGATION IS ORDERED BY POLICE COMMISSIONER WOOD OF THE POLICE DEPARTMENT.

(By Associated Press) New York, June 20.—More than 800 girls, between the ages of 10 and 20 years, have disappeared since January 1st, it transpired today coincident with the announcement by Police Commissioner Woods that he had ordered begun the most searching inquiry into police affairs since that following the death of Herman Rosenthal, the gambler.

Importance is attached to the statement by Miss Consuelo La Rue that she had jumped from the window of her apartment to escape being killed by two men who attacked her for giving information which led to the finding of the body of the missing Ruth Cruger.

Miss La Rue, it is said, possesses much information regarding white slave traffic and is prepared to make revelations almost as startling as those in the Cruger case. The police have learned that Cocchi had lured other girls to his bicycle shop previous to Miss Cruger's disappearance.

SECOND CALL FOR RESERVE OFFICERS

Chairman Clark Receives Word That Summer Camp for Officers Will Begin in August.

W. J. Clark, chairman of the local enrollment committee of the Officers' Reserve corps, has received information from the Central Association that the second call for men will come soon.

With the period of the first consignment of men well advanced and working out in such a splendid way, and with such a number of men who qualified under the first examinations in training, it is thought advisable to change in some particulars the qualifications for the next enlistment.

It is intended that the second call be for men between the ages of 31 and 44 years, with further information that also there will be special provisions made for men with some military experience—Spanish war veterans, ex-National Guardsmen, etc. It is with the idea before the army officers that men with exceptional character and proven ability in their occupation shall be the men whom the government will train for officers.

The application blanks are expected to be here in a few days and it is thought that many will take the examinations. All applicants must be made on official blanks. Examinations will be conducted from July 15 to August 10. Notification will be given three weeks in advance, so that business arrangements may be completed before the applicant will leave for the camp.

MICHIGAN FILLED ITS ARMY QUOTA

State Was the Ninth State to Fill Regular Army Quota; Total of 5,631 Reached Sunday.

Michigan was the ninth state in the United States to fill its quota for the regular army, according to word received there today. Michigan filled its quota of 5,629 men Sunday, by enlisting 5,631 men since April 1. Out of a total of 1,170 men enlisted in the United States, Saturday and Sunday, Michigan supplied 55 men.

Because the quota is filled is no sign that recruits will be refused from Michigan. On the contrary, the recruiting officers in the state plan to increase the number of recruits from the state so that the state will lead all states in the number of men furnished for the regular army. To this end a strenuous campaign will be conducted in all parts of the state for volunteer enlistments.

ANOTHER BRITISH SHIP SUNK BY GERMAN UBOAT

(By Associated Press) Boston, June 20.—The sinking of the British steamer Elele, presumably by a German submarine, is reported in a cable message today. The message made no reference to the fate of the crew.

HEAD OF EAGLES WILL ARRIVE TO ATTEND MEETING

ATTENDANCE AT CONVENTION TODAY SHOWED LARGE INCREASE OVER THAT OF OPENING DAY.

DAY WAS DEVOTED TO BUSINESS MEET

Grand Worthy President Will Be Extended Royal Welcome by Delegates Tomorrow.

PROGRAM FOR TOMORROW.
9:00 a. m.—Business session.
10:00 a. m.—Grand street parade
1:30 p. m.—Horse races at Fair Grounds.
7:00 p. m.—Band concert.
8:00 p. m.—Picnic and ball at South Park for members and their families.

At this afternoon's session of the Eagles' convention the survey of the state series took place and plans discussed whereby the weaker orders could be strengthened. When the business was completed, the visiting delegates were taken around the city, and shown the sights after which they visited the power dam at Flat Rock and drove to Gladstone.

Eight cars arrived from Iron Mountain this afternoon and more are coming as they expected to send 22 delegates. The Daggett, Iron Mountain and Menominee bands will arrive in the morning and it is expected that many more delegates will also arrive at that time.

The exemplification of ritualistic work will be held this evening. It was planned for last evening but many members of the teams had not arrived at that time so it was deemed advisable to postpone it until this evening. The election of officers is to take place tomorrow morning.

This morning's session of the state gathering of Eagles was opened with reports of the various committees, which was followed with the appointment of delegates to the Buffalo session. The state was divided into three districts and delegates from these respective districts each appointed their own representative. The delegate from district No. 1 is Frank O'Donnell of the Soo, and William H. Graham of Lansing, will represent district No. 2.

It has been said by many of the attending delegates that Mr. Graham will be elected state president this week. Leonard Clapp of Traverse City, was appointed delegate from district No. 3. These are in addition to the deputy grand presidents of each district. Charles O. Follo is the deputy grand president of this district. The delegates were accorded a real treat this morning when William J. Brennan of Pittsburg, Pa., gave a talk which was chiefly on Americanism. He complimented the state gathering for the resolution passed yesterday afternoon in which they recommended that an extra assessment of ten cents a month be assessed each member of the organization in order to raise a fund from which wives or dependents of Eagles killed in the war, would receive \$1,000. He said that such a move on their part was worthy of only the highest of praise and commendation.

The Hubbell delegation arrived this morning in a special car and brought their band. They were met at the train by the local aerie and the Escanaba Military band, and escorted to the headquarters on Charlotte street. The Calumet representatives have not arrived as yet and they are looked for at almost any time.

R. B. Goodcell, Grand Worthy President, and Frank E. Hering, editor of The Eagle, are expected to arrive tomorrow morning and will in all probability give talks during the morning session.

At the afternoon session of yesterday, the delegates to the state gathering of the Eagles passed resolutions recommending the installation of a fraternal insurance in connection with the lodge and also asked for an extra assessment of 10 cents a month for the creating of a fund to be used for insuring the life of any members who might join the fighting forces of this country and be killed.

Many of the Eagles have long wished that their lodge had some sort of fraternal insurance and will put up a stiff fight at the national convention which is to be held at Buffalo this year.

It has been the most sincere wish of State President Henry J. Lemcke, that such action be taken and in his (Continued on Page Four)

REPORT DISEASES TO HELP WIN THE WAR.

Any resident of Michigan who has knowledge of the presence of a case of communicable disease and who fails to report it to the local health authority, as the law requires, may be a real enemy to the country. The State Board of Health is impressed with the necessity for keeping the communicable diseases under strict control, particularly now that we are at war.

A single case of any communicable disease, without supervision, might be the cause of an outbreak that would reduce greatly the efficiency of the men who may soon go to the front. Civilian recruits are flocking to the training camps now being established in different parts of the state, and to bring any of the communicable diseases into one of these camps might cause exceedingly disastrous results. Unless physicians and citizens supply information relative to the presence of communicable diseases, the State Board of Health is unable to know where to direct its efforts for disease control.

Physicians or laymen who know of the presence of any of these diseases, should report at once to the health officer of the city or township in which the case may be. Not to do so

THE SENATOR TELLS THE GOOD JUDGE ABOUT IT.

HELLO JUDGE! YOU OUGHT TO KNOW A LOT ABOUT GOOD TOBACCO, BUT YOU NEVER TASTED ANY AS GOOD AS THIS W-B CUT—TRY IT?

BEEN CHEWING NO OTHER FOR THREE YEARS

WAKE UP SENATOR! THE JUDGE PUT ME NEXT TO THAT THREE YEARS AGO

IT'S worth your while to get what good tobacco judges say about W-B CUT, and to notice the way men are changing over to it. Talk it over with some one who chews W-B CUT—there's something sound and fundamental about the tobacco. It's not gummy with syrup; just tobacco through and through—and mighty rich, sappy leaf at that—shredded and lightly salted to bring out the good tobacco taste.

Made by WEYMAN-BRUTON COMPANY, 1107 Broadway, New York City

DATES ALREADY IN HIS NEW POSITION

Former Chief of the Game and Fish Department Now Secretary of Securities Board.

W. B. Oates, for the past six years chief of the game and fish department of the state, has assumed the duties of executive officer of the state securities commission, and William Baird, the chief deputy, is in charge of Mr. Oates' former department, with it practically assured that he will be elected Mr. Oates' successor as soon as the public domain commission, which fills the position meets.

The Detroit Free Press says: "William B. Oates, game commissioner, was Thursday chosen executive officer of the Michigan securities commission."

"He promptly forwarded his resignation to Secretary Carlton, of the public game commission, and announced that he would assume the duties of his new office Friday morning."

"John Baird, deputy game commissioner, will be acting game commissioner. The domain commission will meet when called by its chairman, Julius Deal, of Ann Arbor. The next regular meeting is dated for July 5 when William Kelley, of Velleau, will take his seat as chairman."

"In his new position Oates will draw \$2,500 a year, the same salary he was getting as game commissioner. He is to have charge of all investigations undertaken by the securities commission."

MUNRO TELLS WHAT THEY DO IN CAMP

Escanaba Young Man Writes Interesting Letter to Friends Here From San Francisco.

James F. Munro of Escanaba, who enlisted in the United States army in April and who is now stationed at the Presidio of San Francisco, writes an interesting letter to Escanaba friends in which he indicates that he likes the army life very much. The letter in part is as follows:

"We are still quartered with the Twelfth Infantry but expect to move into the new cantonment the latter part of this week or the first of next. The headquarters of the Sixty-third has already moved so we won't be long in following. Then things will be far more pleasant."

"They changed our drill dope completely this week Saturday. Headquarters sent us a complete new schedule of drills to follow. Then on Sunday they changed it with the following: "Breakfast at 7 a. m. and immediately afterwards all bunks should be taken out and placed across the wood. All bunks being five feet apart. Blankets to be spread between. The barracks floor to be scrubbed with water containing a one per cent solution of creoline. Bunks to be back before 9 a. m. At 9 a. m. all regiments start on a hike, taking a lunch. They were to march two hours, have lunch and then return. They give us a sandwich for lunch and what hard-tack we care to carry. It comes in packages similar to the five-cent packages of crackers, and isn't such awful stuff at that."

"Monday we went around by Fort Mason then over to Golden Gate park, getting back after being out about four hours in all. Tuesday we went right through to Ocean Park, near the

Cliff House. It was a real hike and were out five hours. Today (Wednesday) we were only out three hours and a half and it was not at all bad. Perhaps I am getting used to it somewhat.

"These hikes are made by the Sixty-third in heavy marching order. I think the Twelfth and Sixty-second are going in light, which is without blanket roll or shovel, which lightens the load a good deal. When fully equipped we carry a rifle, belt, canteen (full), 40 rounds of ammunition, one pack containing mess kit (knife, fork and spoon), two small cans in the upper part of pack, one for salt, one tea, etc., another can containing one pair socks, one comb, a toothbrush, a bar of soap, a pair of shoe laces and a towel. The roll contains one blanket, one under shirt, one pair of drawers, a pair of socks, a pair of shoe laces, one half a shelter tent, one poncho, one pair trousers, six tent pins and a piece of rope. Fastened to the pack are a shovel, or pick or bolo and a bayonet."

"After we get back from the hike, the recruits have an hour of drill in squads, etc. I am missing that luckily. Blossomed out the other day in a wrist watch and am getting to be a real military man. Have not seen a pay-day yet but expect to soon. Have not had a nickel for over a week now, and don't think a person could raise \$5 in the company."

GENERAL BARRY WAS VISITOR AT FT. BRADY

Saint Ste. Marie, June 20.—Major General Barry of Chicago, commanding the Central department, with his aide, Colonel Fitch, was in the city Saturday. He inspected troops at Fort Brady and at the locks, expressing himself as thoroughly satisfied with military arrangements here. So far as is known General Barry's trip was for inspection purposes only.

THIEF EVEN TOOK HIS REGISTRATION CARD

Chicago, June 20.—The most embarrassed thief has made his appearance. After taking a watch, his money and jewelry, Jerome Fisher, was asked by the holdup man if he was a slacker. "Certainly not," retorted Fisher. "Then come across with the card," demanded the holdup man, "it may come in handy."

RHINELANDER PLANS CONSERVE POTATOES

(By Associated Press)

Rhineland, Wis., June 20.—Rhineland today took the first step towards the conservation of potatoes. A plant for drying potatoes will be established here.

HOOVER ASKS THAT DELTA COUNTY AID IN AVOIDING WASTE

NATIONAL FOOD DIRECTOR CALLS UPON PASTORS TO PREACH CONSERVATION SERMONS SUNDAY, JULY 1.

Within a day or two every pastor in Delta county, Protestant and Catholic, will receive from Herbert Hoover national food director, a letter asking him to aid in the food conservation program of the nation by preaching a sermon on Sunday, July 1, on conservation of food. The pastors are also urged to cooperate with the government in urging the elimination of waste.

In connection with this plan, the newspapers of the county have been requested to help by giving publication to special matter to be furnished by the government. The undertaking is an immense one and will require the aid of every agency in order to make it a success.

"As a minister of God," writes Mr. Hoover, to the pastors, "a leader of the people and a lover of liberty and of your fellow men, your co-operation is earnestly desired and greatly needed. In such a time as this the people naturally turn to the church. It will be a calamity to the nation and to the churches if their chosen ministers neglect to exercise their proper leadership in the great cause of feeding a world in need. For the world is in want of food."

"To meet the needs of the war and of the world, we must produce generously, give freely to our allies, ourselves eat as much, but do more than we need, and especially save the waste. Lasting disgrace will fall upon us if lack of self-restraint should prevent us from taking our proper part in this great conflict against the doctrine of 'might makes right.'"

Mr. Hoover estimates the annual waste of food at one billion dollars. He urges a larger use of corn and corn bread in the family ration.

"The women of America," says Mr. Hoover, "have never failed to answer such a call as comes to them now. The saving of food is within their sphere, and without food conservation we cannot win the war."

All pastors are urged to preach upon Conservation of Food, Sunday, July 1, which is designated as Food Saving Day, and to secure the co-operation of religious and civic bodies in a campaign for food saving.

Warning

We are informed that at some cafes, restaurants and gardens beer and strong drinks have been sold under the guise of the popular soft drink Bevo.

These reports have been confirmed sufficiently to compel us to take action.

The beverage Bevo enjoys the protection of both federal and state authority. In preparing it for sale and in marketing it, we adopt every possible precaution to protect the public against imposition and to prevent evasion of the law. Bevo is sold in bottles only, we bottle all of it ourselves, and we have adopted a kind of bottle, crown and seals designed to prevent imitation.

We shall omit no measure within our power to defend the authority under which Bevo is manufactured and sold, to protect the public from imposition, and to safeguard the good name of this Association.

We therefore give fair warning that we shall refuse to sell our products to those who are found guilty of the above offense.

ANHEUSER-BUSCH BREWING ASSOCIATION

MICHIGAMME MAN KILLED BY GUARD

John Hicks Mistaken for Burglar and Shot Dead by Peter Lawson of Crystal Falls.

Marquette, June 20.—John Hicks, compass man for James D. Sherman, was shot dead by Peter Lawson, a short distance from Crystal Falls, last Friday night. Lawson was the watchman of the camps owned by John Bixt of Iron Mountain. Mr. Sherman with Mr. Hicks and Albin Delaney were going to Watersmeet and had gone through Crystal Falls rather late at night. About four miles out, at Fortune lake, they decided to stop overnight as it was 12:30 and being unable to arouse any one at the Erickson farm where they ordinarily stopped, they drove on.

Arriving at Bixt's camp they made an effort to arouse some one to let them in. Their efforts were fruitless, and so they thought no one was there but in view of the fact that Mr. Bixt was a friend, they took the liberty to pull the staple of the lock on the office door, where sleeping accommodation for four men were found. They lighted the lamp and Hicks went after water. After returning the men took off their boots and made themselves at home. Delaney went to the water pail for a drink when a shot was fired that grazed his cheek. The three men threw themselves on the floor.

Sherman decided that safety would lie in getting outside, so they decided to walk slowly through the door in order to bear the impression of not being burglars. First they called to the watchman yelling who they were. Sherman and Hicks go to the car and were standing in the glare of the headlights, Sherman in advance. He shouted to Lawson asking him to be reasonable and give them a chance, but he shot again no doubt at Sherman, and struck Hicks in the heart. Hicks staggered back and was caught by Delaney who shouted to Sherman saying Hicks was dead.

MANY STUDENTS TO ENTER FROM DELTA

Summer School at Northern State Normal at Marquette Will Open Next Monday Morning.

About thirty Delta county young people will enter the summer school at the Northern State State Normal at Marquette, which opens next Monday, June 25, for six weeks. They will attend the summer school which is required before a teachers' certificate can be issued to applicants who have not taught at least five months prior to July, 1916.

In addition to these a number of teachers will attend the summer school for the purpose of taking advance or review work. County Commissioner of Schools C. U. Woolpert

will go to Marquette for the opening of the summer school and will assist the teachers in selecting subjects which will prove the most profitable. Teachers who have not had previous experience are required to take six weeks' work in each of the following subjects: Observation and practice teaching; the course of study and class management and teaching of reading. Two subjects must also be selected from the following list: Agriculture, arithmetic, geography, history, grammar, language, physiology, writing, music and drawing.

The wood yard office of the I. Stephenson Company Trustees has been discontinued, and the wood yard business will now be handled at the office of the lumber yard at the foot of Ludington street. Phone 315. 157-17

"DEAR,-Stop Your Dandruff by using Pompeian HAIR Massage."

"Dandruff has made your hair straggly, thin looking and lifeless. Your coat collar is always covered with ugly scales. Stop your Dandruff now. You can. Just look at my hair. The Dandruff is entirely gone and almost overnight Pompeian HAIR Massage made my hair attractive."

The success of Pompeian HAIR Massage is in its name—"Massage." It is a treatment, not merely a tonic. The massaging (rubbing) of the scalp wakes up the roots of the hair to new life. This massaging also opens the pores of the scalp to the wonderfully stimulating liquids in Pompeian HAIR Massage. Dandruff goes. Your hair will become and stay healthy, vigorous, attractive.

All that is needed is a little massaging once or twice a week. One application shows results. Your scalp will immediately feel clean and invigorated. In month your Dandruff will be gone.

Pompeian HAIR Massage is a clear amber liquid, sticky. Very pleasant to use.

"Greatest treatment for Dandruff in the world," says J. A. V. Chicago, Ill., "and I speak from experience. My hair before I started using it had gone beyond the ordinary stages of Dandruff and was covered with scales which embarrassed me greatly. I have introduced Pompeian HAIR Massage to my friends."

Practically every user says—one bottle shows actual results. Get a 25c, 50c or \$1 bottle at the store and say the same.

Have your barber every now and then apply a casual Pompeian HAIR Massage. Used in over 20,000 of the best barber shops from Maine to California.

Made by the reliable makers of the famous Pompeian MASSAGE Cream and Pompeian EXTRACT Cream.

Cuts! Gashes! Exposed Fabric! Blow-outs!

Prodim Process Rubber minimizes this trouble

Prodim Process Rubber (the new tread used exclusively on Republic tires) is so tough that even newly crushed rock or sharp stones doesn't cut and gash it.

It wears down as evenly and smoothly as a piece of fine steel. After miles of service it looks like new. It keeps water away from the fabric, prevents rotting of the carcass of the tire, and makes premature blow-outs practically a thing of the past.

Get a sample strip of Prodim Process Rubber. Try to break it. It's the toughest, strongest tread stock ever used on a tire.

ADMIRAL SIMS HAS BEEN GIVEN HONOR

(By Associated Press)
London, June 20.—Vice Admiral William S. Sims of the United States navy, commander of the American destroyer flotilla in European waters, has been appointed to take charge of the operations of the allied naval forces in Irish waters. Admiral Sims will act in this capacity while the British naval commander-in-chief is absent from his post for a period, the official announcement of his appointment explains. The American admiral's flag, meanwhile, has been hoisted as the allied senior officer in those waters.

The text of the official statement reads: "During a short absence of the British naval commander-in-chief on the coast of Ireland, Vice Admiral Sims of the United States Navy, has hoisted his flag as allied senior officer, in general charge of the operations of the allied forces in Irish waters."

FOLLO ENDORSED FOR STATE TRUSTEE

Worthy President Charles O. Follo of the local aerle of Eagles, has been selected as a candidate for the office of state trustee by the caucus of the Upper Peninsula district. All present at the meeting were unanimous in that Mr. Follo is the most deserving person for the place and insisted on him accepting.

To Mr. Follo is due the bulk of the credit for the success of the convention and it was only through his untiring efforts that Escanaba was first given the convention. Mr. Follo's many friends who have heard of this selection, whether Eagles or not, are greatly pleased as they realize that it has been rightly placed.

CROP INCREASE IS REPORTED BY AGENT

In his weekly report to the state food preparedness committee, B. P. Paffison, county farm agent, reports an approximate acreage increase of 59 per cent in four townships in Delta county. His report is as follows:

Returns from 4 townships, namely: Bark River, Brampton, Bay de Noc and Baldwin, there is planted this year 417 acres of oats, 38 wheat, 29 barley, 144 peas, 81 corn, 171 potatoes, making an average increase in these crops over last year of 59 per cent. During the forepart of the week, there was a heavy rainfall, and it is likely that some of the potatoes planted on the heavier soil will rot. Otherwise the crops are in good shape though backward.

C. V. Ballard, county agent of Dickinson county, reports that return from 152 farms out of a total of 400 in this county, show a decided increased acreage in all grain and other crops.

The Marquette county agent, L. R. Walker, reports as follows:

"The reports from all sections of the county show the following increase: Potatoes, 30 per cent; barley, 107 per cent; oats, 19 per cent; spring wheat, 77 per cent; rye, 35 per cent; root crops, 108 per cent. The present needs of the farmers for seedling and labor are about supplied."

POLICE WILL STOP RECKLESS RIDERS

Bicycle riding on the sidewalks of the city and without lights after dark will be stopped by the police, it was announced today by Chief Tolan. The practice is becoming a nuisance, says the police, and in the future all offenders will be arrested in accordance with the city ordinance. Several reports have come to the police lately of accidents as the result of riders using the sidewalks as a speedway and the police have decreed that the practice must stop. Two arrests have already been made and others will follow, if the law is violated.

PERSHING CONFERS WITH JOFFRE TODAY

NOTICE TO ELKS

There will be a special business meeting of the Elks lodge, Friday evening, June 22nd at 8:00 o'clock. All members are requested to be present as the meeting is very important.

"THE PRICE SHE PAID" AT STRAND TONIGHT

"The Price She Paid," one of the most popular American novels ever written, with Clara Kimball Young, the favorite of all moving picture actresses, will be the Selznick-Pictures feature offering at the Strand today and Thursday.

The story is that of Mildred Gower, a young woman who has been reared in luxury, and finds herself almost penniless at the death of her father. It is necessary that she make a "good match," and because of the taunts of relatives she is finally forced to marry a multi-millionaire many years her senior. She finds herself little more to him than a fine piece of furniture which he displays to his friends to gratify his pride, and she leaves him. A former sweetheart provides her with money to enable her to study an operative career, but she makes little progress, until another man, Donald Keith, shows her that success is to be reached only through self-denial. She then learns that she never was legally the wife of the multi-millionaire, as he had a wife living in an insane asylum. Finally she achieves her ambition and is free to marry the man of her choice. This picture was directed by Charles Giblin, who has recently joined the Selznick forces.

SUFFRAGE BANNERS DESTROYED BY MEN

(By Associated Press)
Washington, June 20.—The peaceful picketing of the White House by the silent sentinels of the suffragists led to the first disorder today when a crowd of angry men tore down the banners which were prepared for the Russian mission to see when they visited President Wilson today. The rumpus was over before the police arrived and there were no arrests.

The banners were inscribed: "President Wilson and Envoy Root will defeat Russia. They say 'we are a democracy. Help us win the world war so that democracy may survive.' We the women of America tell you that America is not a democracy. Twenty millions of its women are denied the right to vote. President Wilson is our chief opposition. Help us make this nation free. Tell our government it must give liberty to its own people before claiming to be free Russia's ally."

ENTERTAINS FOR SISTER

Mrs. Frank Barkhurst delightfully entertained a party of friends Sunday evening at a motor party complimentary to her sister, Mrs. Samuel Covillion, of Green Bay. The party rode to Rapid River and then returned to the city, where refreshments were served at the Barkhurst home.

NEW FLAG HOISTED AT THE REISS COAL DOCK

With appropriate exercises a new flag 8 by 12 feet was hoisted to the top of a new flag pole at the Reiss coal docks yesterday. A short patriotic address was given by Sam Wickman and Miss Olive Broyles sang "The Star Spangled Banner." Hector Lacey also read a paper. The flag was furnished by the firm and the pole donated by the employees.

COUNCIL MEETING BE HELD NEXT TUESDAY

The council meeting which was scheduled for last evening was postponed until next Tuesday, because of a lack of a quorum and also a lack of business to transact.

ESCANABA GIRL WEDS WESTERN MAN SUNDAY

Word has been received in this city of the wedding of Miss Esther Clare McFarland, daughter of Mrs. Clara Lathrop McFarland of this city, to Howard White Johnson at Glendale, Cal., on Sunday, June 17. They will make their home in Lemon Grove, Cal.

R. N. A. DANCE TONIGHT

The Royal Neighbors of America will hold their dance tonight at the Armory hall. Olmsted's orchestra will furnish the music and an enjoyable time is expected. The committee on arrangements has spared no efforts to make this a thoroughly enjoyable event and a large attendance is anticipated.

COCHRANE SEWER DISTRICT. NOTICE.

Pursuant to a resolution of the Common Council at its session held on the 12th day of June, 1917, notice is hereby given that the City of Escanaba proposes to make the following improvements, viz: to construct a sanitary sewer in the Cochrane Sewer District in said City of Escanaba and that the following described lands constitute the Cochrane Sewer District heretofore mentioned, to-wit:

Lots 6 to 12 inclusive Block (7), Lots 1 to 26 inclusive Block (8), Lots 1 to 33 inclusive Block (11) of the Wells Addition to the City of Escanaba and Lots 1 to 20 inclusive Block (2), Lots 1 to 20 inclusive Block (3), Lots 1 to 20 inclusive Block (7), and Lots 1, 2, 3, 4, 5, 6, 15, 16, 17, 18, 19, 20 of Block (8) of the Cochrane Addition to the City of Escanaba.

And specifications, plats and diagrams and estimates of costs have been filed by the Board of Public Works in the City Clerk's office and are open to public examination. That the Common Council has designated as the district to be assessed for said improvement all the lands, lots and parcels of land fronting and abutting upon said proposed improvement, the same to be assessed according to the benefits derived therefrom.

The Common Council will meet at its regular session on the 3rd day of July, 1917, when it will hear objections to the improvements as aforesaid and to the district to be assessed.

Dated, Escanaba, Michigan, June 14th, 1917.

CARL E. ANDERSON, City Clerk.

FIVE THOUSAND MEMBERS FOR RED CROSS

(Continued From Page One)

Miss Lillian Dart has returned from a visit at Munising.

The United States Government Cooperates

with the 7,600 member banks in maintaining the Federal Reserve Banking System for the protection of the business interests of the country. Through the Federal Reserve Board in Washington it supervises the twelve Federal reserve banks; it appoints one-third of their directors; it deposits its funds largely with them; it guarantees the currency they issue.

This cooperation greatly increases the value of the system to us and our community.

If you are not already linked up with this new national system as one of our depositors you should delay no longer.

MR. AND MRS. LINT TO TOUR THE EAST

Will Leave Here Tomorrow in Their Automobile for Extended Trip Through to Coast.

Mr. and Mrs. P. A. Lint expect to leave tomorrow for an extended trip which will take them over a great part of the east and which will continue until the middle of August. They will make the trip in their automobile. From here they will travel to Milwaukee where they will visit some friends for a few days, going from there to Chicago.

They will then go to LaFayette, Ind. for a short stay and then will go to East Aurora, N. Y., where they will attend a meeting of the Roycrofters, made famous by the late Elbert Hubbard. The next stop will be at Lake Chautauque, N. Y., where they will stop for a time while Mr. Lint attends an educational convention.

The trip will be continued south from there, they intending to visit

\$35,000,000 GIVEN RED CROSS RELIEF

First Two Days of the Big Drive Results in Over a Third of the Amount Raised.

(By Associated Press)
Washington, June 20.—Incomplete reports to the American Red Cross headquarters last night shows that more than \$35,000,000 was subscribed during the first two days of the week's campaign to raise \$100,000,000 for war relief. Hundreds of communities have not been heard from, but from others, returns poured in so rapidly that tabulators could not keep pace with them.

STEPHENSON GUESTS ENTERTAINED HERE

Men's Mutual Improvement Association Were Guests of Men's Class of M. E. Church.

Forty-five members of the Men's Mutual Improvement association of Stephenson were guests last evening at a banquet and social session given by the Men's class of the Methodist church of this city at the church parlors. The banquet was a return event of the one given last fall by the Stephenson men in honor of the Escanaba men.

Promptly at 8 o'clock the guests and local men, numbering in all about one hundred, sat down to an excellent banquet, the menu for which was as follows:

- Roast Beef
 - Maashed Potatoes
 - Brown Gravy
 - Hot Rolls
 - Vegetable Salad
 - String Beans
 - Coffee
 - Strawberry Shortcake
- After the banquet the program of the evening was started. Durt L. King of Escanaba, was toastmaster and called upon a large number of the visitors as well as the local men for talks. The general theme of the addresses was patriotism and aid to our country in this time of war. Some very fine talks were made.
- Musical selections were given by Frank Compher and Miss Ethel Dewey which were heartily appreciated and well rendered. One of the most interesting talks was by W. L. Overdorfer of Stephenson, who visited Escanaba when it was only a village of a few houses and stores. He told of early reminiscences and his remarks were interesting and well received.
- The guests came in automobiles and departed for their homes at an early hour this morning.

HEAD OF EAGLES WILL ATTEND MEETING

(Continued From Page One)
report he issues a strong plea for the passing of a resolution to that effect. He said that there were many who did not carry any sort of life insurance and that he deemed the duty of every man to make some provision for his family, as every good Eagle should do.

Since the war has started, it has been brought to the attention of every member of the Eagles that some sort of a fund should be raised to provide for the families or dependents of soldier members, and for that reason the latter resolution was passed. The extra assessment is so small that none will feel a heavy burden and at the same time be a help to his brother member who might be giving his life for his country.

The attendance at the convention is increasing as the meeting progresses. A number of delegates arrived last evening and every train yesterday brought more delegates and visitors to the city.

Last evening the Escanaba Military band, under the direction of Drum Major John Allo and H. J. Brotherton, as leader, gave a very creditable entertainment on the streets. The band marched the whole length of the street several times, stopping at various places to play a concert. It was nearly 11 o'clock before the band dispersed. In spite of the rain last evening the streets were thronged with people, giving the city a truly convention appearance.

Jerry Madden of Menominee, submitted to a serious operation this morning at the Laing hospital.

FAST HORSE RACES BE HELD THURSDAY

First Racing Event of the Season Will Be Held Tomorrow Afternoon at Fair Grounds.

The first horse racing event of the season will be held Thursday afternoon at the fair grounds track under the auspices of the Delta County Driving club, as an entertainment feature for the Eagles' convention.

The program for the day shows that some speedy events are scheduled for the afternoon. There will be a 2:29 trot, a 2:30 pace and a free-for-all. In preparation for the racing events this summer on the local track, a large number of horses have been in training for several weeks and the animals are pronounced to be in good condition for the event.

The program, together with the names of the horses, owners and drivers is as follows:

- 2:30 Trot.
Inauguration, Joseph Hirn, owner; Louis Saam, driver.
May King, Charles Marcus, owner; George Burnett, driver.
Vera Tramp, Thomas Richer, owner; Andy Zoller, driver.
John Ceel, H. W. True, owner; Andy Stephenson, driver.
- 2:30 Pace.
Union Hall, Louis Saam, owner; Louis Saam, driver.
Aspen Oh So, J. D. Shackelford, owner; George Burnett, driver.
Margaret Pointer, Miss Saam, owner; Arthur Oh So, Andy Stephenson, owner and driver.
Lillian B. Marc Pepin, owner and driver.
Jane S. Matt Aho, owner and driver.

Free-For-All.
Baron J. Ceel, Charles Ehmed, owner; Louis Saam, driver.
Miss Budgie, Joe Beauchamp, owner; George Burnett, driver.
Billy A. Dr. Firkus and Walsh, owners; Dr. Firkus, driver.
Carroll Patch, H. W. True, owner; Andy Stephenson, driver.

FT. SHERIDAN MEN GET COMMISSIONS

(By Associated Press)
Pt. Sheridan, Ill., June 20.—One-tenth of the men now in training at the officers' reserve corps training camps here will be selected and commissioned second lieutenants in the regular army without the necessity of an examination, it was announced at the camp today. This will make 400 commissions available among the men at the camps. In addition to this 100 will be given opportunity to train for commissions in the quartermaster corps.

NOTICE.
The Ladies of St. Patrick's church are holding and will continue to hold all day tomorrow a Pantry Sale at the corner of Ludington and Elmore streets. Baker beans, rolls, cakes and most everything can be secured at this sale. All Thursday, June 21.

NOTICE.
The regular meeting of the Phoebe Rebecca lodge has been postponed until Friday evening, June 29th.

This is the Time for Every Citizen to Support the United States Government

Many are doing so at considerable cost or sacrifice to themselves. We have joined the Federal Reserve Banking System established by the Government to give greater financial stability and strength to the member banks and protection to their depositors. You can give your support to this great Government enterprise and also obtain its protection for your money by becoming one of our depositors.

To the thousands of "Eagles" and others who know me personally, I want you to call and see me. My hair is turning grey and my hand may have lost some of its cunning as in the days of yore, but I am still "some shot" and refuse to take off my hat to any man in Michigan.

My Shooting Gallery is the best outfit in the upper country. One door from "Blue Ribbon" Saloon.

"Capt. Jack" O'Connell
