

MICHIGAN WILL OVERSUBSCRIBE RED CROSS FUND

RED CROSS HEADQUARTERS REPORTS TOTAL SUBSCRIPTIONS TO SUNDAY NIGHT OF \$3,229,034.

CAMPAIGN IS FAR FROM BEING OVER

Michigan Will Probably Show a Greater Over-subscription Than Any Other State in U. S.

(Special to The Mirror)
Detroit, Mich., June 25.—The state of Michigan has over-subscribed its quota of the Red Cross war fund, and with more than a week of the designated campaign still to go, there is to be a determined drive to set a record for Michigan of the largest percentage of over-subscription in the entire country.

Late Sunday evening state headquarters of the Red Cross, in this city, had reports from 39 of the 83 counties in Michigan which showed a total subscription of \$1,967,267.

It is believed that the other 44 counties, when they report after Monday's work, will bring the total percentage of over-subscriptions to a figure that will crowd closely, if not surpass that of any other state in the Union. The total from all counties with full returns yet to be received was \$3,229,034 up to Sunday night.

The enthusiasm with which the work in the state was undertaken and is being carried through to the finish is reflected in telegrams received at headquarters here.

Indications are that Lansing and Ingham county have passed the \$100,000 mark and we are going on for \$150,000 by Monday night," was the word from the state capital.

Marquette city ended its campaign last night with a grand total of \$42,299. Please note that this is for Marquette city only, with a population of 12,000 and allotment of \$20,000 we have raised 213 per cent of quota, or \$3.50 for every man woman and child in the city." Thus Marquette reported its week's achievement.

From Baraga comes the following cheering wire: "The county will more than raise its quota of \$4,000." Bay county says: "Our \$60,000 is all raised but \$7,000 and this will be made up by the small donations that are now pouring in. There are several large subscriptions due, also, that will probably result in an over-subscription."

Menominee has responded to the Red Cross call with that patriotic and unselfish enthusiasm which has always been characteristic of this city. The allotment of \$15,000 will be raised without a doubt by Monday.

MRS. E. N. RAYMOND DIED ON SUNDAY

Well Known Resident for Number of Years, Succumbed at Local Hospital Yesterday.

Mrs. E. N. Raymond, a well known and highly respected resident of the city, died yesterday morning at a local hospital following an illness of about two months, which grew more serious until last week when she was taken to the hospital.

She is survived by her husband, two children, Gordon and Bessie Hayford, by her first husband, two foster children, Viola and Carrie Raymond, and two others, Willis and Blanche. All reside at the family home, 1212 Ludington street.

In addition she also leaves three brothers, Ben Thompson of Green Bay, William Thompson of Riblake, Wis., and Ned Thompson, of Illinois, and a sister, Mrs. W. McClure of Channing. Two step-brothers, Frank McCarthy of Channing, a well known North-Western engineer and Peter McCarthy of Greenleaf, Wis., also remain to mourn her loss.

Mrs. Raymond was born in Greenleaf, Wis., in 1876. She came here eleven years ago with the family from Cornell and had since been a resident. Mr. Raymond is engaged in the marble and granite business, having been engaged previously in the logging business along the river for six years.

The body will be taken tomorrow evening to Greenleaf, Wis., for burial. The funeral will be held there on Wednesday. There will be a short service at the Alto undertaking parlors tomorrow evening at 7 o'clock before the body is taken away.

SOO RESIDENTS GAVE \$200.11 EACH TO LOAN

Sault Ste. Marie, June 25.—Complete of the Liberty Loan campaign in Sault county show that 442 of the Soo invested \$87,450, or \$200.11.

ESCANABA DEFEATED BY THE SOO 1-0 IN CLOSE GAME SUNDAY

LOCAL BASEBALL CLUB DROPPED SECOND GAME OF THE SEASON TO RIVAL ON THEIR GROUNDS.

The Escanaba and Soo baseball teams played a 1 to 0 game at the Soo, yesterday, which was won by the Soo team with the help of Umpire Bush. The Escanaba team played baseball at every stage of the game, but the umpire also was in the game.

The Soo club scored one run in the fifth inning when Jacobs, their catcher, hit a two bagger to left field. Baum fielded the ball and made a good throw to P. Olmsted on second, who threw wild to Derouin on third. Derouin in turn threw wild to Lawrence, catcher, in an effort to put out the runner, the score was made.

The umpire's falling was in distinguishing balls and strikes, according to players on both sides. Manager Jacobs of the Soo team, admitted that his work was a little crude. Escanaba should have had three walks which were not given the batsmen. As it was, Escanaba succeeded in getting six men on bases and the Soo club, five.

Blackhall pitched for Escanaba and allowed three hits. He struck out seven men. The Escanaba players got four hits off Creswell, the Soo pitcher. Derouin, Laurence, Henry Olmsted and Blackhall each garnered a hit off the opposing mound artist.

The game was a well played one and was a clean one as well, with the exception of the work of the umpire. Both teams played excellent ball and a good crowd attended. The Escanaba lineup was: P. Olmsted, 2b; Baum, lf; Derouin, 3b; Laurence, c; Teichler, ss; Lafleur, rf; Flath, cf; H. Olmsted, 1b; Blackhall, p.

MILWAUKEE CLUB TO PLAY JULY 1, 2, 3, 4

Fast Semi-Pro Team Will Play Four Game Series Here With Escanaba Beginning Sunday.

Announcement was made today by the management of the Escanaba ball club to the effect that the fast Milwaukee All Stars, the semi-pro champions of Wisconsin last year, will play a four game series in Escanaba on July 1, 2, 3 and 4. The first game will be played next Sunday at South park.

This is the same team which played here last year and gave the Escanaba fans the finest article of baseball seen in the city during the season. The club is a fast one and the series to begin Sunday promises to be the best of the year.

The management of the Escanaba club is determined to give the fans the very best baseball possible and for this reason booked the Milwaukee team at a great expense. It is hoped that the fans will turn out and show their appreciation of the efforts of the management as the bringing of the team to this city represents the expenditure of a large sum of money.

RED CROSS GOLF MATCH BE GIVEN

The Ishpeming Golf club was in the city Saturday to play against the Escanaba club. The match was planned in return for one that was played at Ishpeming last week. The score of last Saturday was 13 and 4 in favor of Escanaba.

The Escanaba Golf club is planning to put on a Cross Country Medley next Saturday, and on July 4th, they will put on a Liberty Tournament. These tournaments are being put on by almost every golf club in the country on the same date. There will be no prizes given but the proceeds will be contributed toward the Red Cross benefit.

MAIL CARRIER HAS LEFT THE SERVICE

Edward McDonough, who for the past six years has been carrier on rural route No. 1 out of Escanaba, has resigned his position to accept a position as office man with the A. & J. DeGrand company. For the present Pierce O'Meara is carrying the route.

ATTENTION CO. "E" 1088.

Important meeting of Company "E" 1088, Escanaba Home Guards will be held Monday, June 25th, at 7:30 p. m. sharp at Perron's hall. All members are requested to be present. Capt. Otto K. Scheriff.

LAST RITES FOR WILLIAM YOCKEY HELD HERE TODAY

LARGE NUMBER ATTENDED THE SERVICES AT ST. JOSEPH'S CHURCH AT 9:00 O'CLOCK.

MANY BEAUTIFUL FLORAL OFFERINGS

Body Was Laid to Rest in St. Joseph's Cemetery; Number From Away Attended Funeral.

Simple, but impressive and beautiful, were the services at St. Joseph's church this morning at 9 o'clock in memory of the late William H. Yockey who died last Thursday. The church was filled with those who had come to pay their last respects to a dear friend. The Rev. Father Julius was the celebrant of the Requiem, assisted by the Rev. Father Barth, who gave a short address.

The pallbearers were: James B. Moran, E. Becker, John Trotter, B. J. MacKillican, Matt Ryan and B. D. Winegar. Interment was in St. Joseph's cemetery.

The floral tributes were numerous and beautiful, a glowing silent testimonial of the high esteem held for the deceased in life. Beautiful emblems from the Milwaukee Lodge of B. P. O. E., the Brotherhood of Locomotive Engineers, the city officials, the District attorney's office, of Milwaukee, Company 11, Allentown, Pa., the local Elks and tributes sent by loving friends were banked near the casket at the Campbell street home.

The death of Mr. Yockey is a source of deep sorrow to numerous friends who had the privilege of knowing him. Besides his grieving wife, he is survived by three children, Edward and Chauncey of Milwaukee, and Miss Fredericka, who has just graduated from Milwaukee Downer college. One daughter, Mrs. Hester Valentine preceded her father in death. He also leaves three brothers, Frank and Fred Yockey of Fond du Lac, and Edward Yockey of Milwaukee; four sisters, Mrs. Flora Tozer of Bisbee, Ariz.; Mrs. Stella Francis, Fond du Lac; Mrs. Lottie MacDonald of Fond du Lac; and Mrs. Albert McCue of Macomb City, Miss, and two grandchildren, Billie Valentine and Edward Yockey, Jr.

Among those from away who were here for the funeral were: Mr. and Mrs. Edward Yockey, Milwaukee; Chauncey Yockey, Milwaukee; Frank Yockey, Fond du Lac; Mrs. J. E. Smith Fond du Lac; Mrs. Julia Laughlin, Milwaukee; Mrs. Peter McCough, Cedar Rapids, Ia.; Mr. and Mrs. George T. O'Brien, Fond du Lac; Mrs. Lottie MacDonald, Fond du Lac, and P. J. Kelly, Milwaukee.

ESCANABA MAN GETS \$10,000 SETTLEMENT

Charles Phalen of This City, Gets Damages From North-Western for Injuries Received.

Green Bay, June 25.—In a settlement of a damage suit, out of court, Charles Phalen, a former Green Bay man but now of Escanaba, who sustained the loss of his left arm November 29, 1916, received \$10,000 from the Chicago & North-Western Railway company. It was announced by P. H. Martin, who represented the plaintiff in the matter.

Mr. Phalen was employed as a brake man by the North-Western road when he was injured in Oconto. The foothold on the side of the car gave way and he fell under the car, a wheel going over his arm. The arm was severed close to the elbow.

LIGHTNING HITS BED-GIRL IN UNINJURED

(By Associated Press)

Winona, Minn., June 25.—Isabel Palbitski, 19 years of age, had a remarkable escape from death today. During a severe electrical storm, lightning struck the bed and completely demolished it. Not until the bed fell to the floor in a heap of splinters did the girl awaken. A street car was struck by lightning but its one occupant was uninjured. Telephone service was crippled badly.

Marinette Man Killed By 216 In Menominee

NEAL MCALLISTER RUN DOWN BY NORTH-WESTERN TRAIN WHILE HE WAS RIDING A BICYCLE.

(Special to The Mirror)
Menominee, Mich., June 25.—Neal McAllister of Marinette was run down and killed by North-Western train No. 216, southbound, this afternoon at 12:55 o'clock just a few blocks south of the spot where the train and street car collided a few weeks ago. He was instantly killed.

McAllister was riding a bicycle down a sharp incline on a street leading to the railroad tracks and was struck by the train. He was 19 years of age.

WALTER KEMP WAS MARRIED JUNE 17

Former Escanaba Boy Weds Deer Lodge, Mont. Girl; They Will Visit Escanaba.

Word has been received in this city to the effect that Walter Kemp, of Deer Lodge, Mont., formerly a resident of this city, was married in that city on June 17 to Miss Stella Frances Bignell, also of that place.

Mr. and Mrs. Kemp are now in Chicago and will spend a part of their honeymoon here. Mr. Kemp, who is a brother of Mrs. Samuel Dunn of this city, left here about four years ago. He is employed by the Chicago, Milwaukee & St. Paul railroad as a brakeman. The couple will make their home in Deer Lodge after a short honeymoon trip. Mr. Kemp visited here last year for a couple of weeks at the time of his vacation.

GUARDSMAN PICKED TO GO TO FRANCE

Sergeant Adolph Weiss of Company L 33rd Michigan Infantry, on guard duty here, has been picked as one of 75 Michigan guardsmen to be sent from the National Guard Medical corps into training at Ft. Benjamin Harrison, Ind.

Sergeant Weiss left Sunday for regimental headquarters at Detroit where he will report for training. The appointment of Sergeant Weiss to the training camp will mean that he will see duty in France very soon. He is well pleased with his appointment and sees a great opportunity to get the experience in the medical service and at the same time see France. He received his notice of appointment late Saturday and at once made preparations to leave.

DOCTOR IS QUESTIONED ABOUT DEATH OF WIFE

(By Associated Press)

Waukesha, Wis., June 25.—Dr. David Roberts, whose wife was murdered by Miss Grace Lusk, a school teacher, was questioned behind closed doors today by District Attorney M. J. S. Tullar. He was represented by Attorney H. J. Frame. Miss Lusk's attorney was also present. The district attorney desired particularly to know whether Dr. Roberts had heard Miss Lusk make threats against his wife.

SHELL FIRED AT DISTANCE OF 5 MILES

British Steamer Ortolan Sunk by Another Submarine With Loss of Three Lives, Reported.

(By Associated Press)
An Atlantic Port, June 25.—Officers of a British steamer reported today the sinking of an attacking German submarine. The vessel shot a shell at the U-boat magazine, causing an explosion which parted the underwater boat amidships. Each end of the submarine sank separately.

The steamer escaped uninjured. The submarine was five miles the distance after having attacked the vessel nearly 400 miles off the coast of Ireland.

British Steamer Sunk.

Montreal, June 25.—The British steamer Ortolan of 2,145 tons gross, was torpedoed and sunk by a German submarine and three members of the crew lost their lives, according to survivors of the ship who arrived here today.

SPECIAL MASS WAS HELD FOR MEMBERS

Members of Institut Jacques Cartier Observed St. John the Baptist Day, Sunday.

The feast of St. John the Baptist was observed yesterday by members of Institut Jacques Cartier. A special mass and sermon was held at St. Anne's church at 10 o'clock in the morning. Mass was conducted by Rev. Father Jacques, who afterwards delivered a very appropriate sermon. The members of the society attended in a body.

In the afternoon a session of the society was held at their hall at which time about thirty candidates were admitted to the order. There was no special program in observance of the occasion other than the church services.

MEMONINEE RIDER TOOK FOUR RACES IN SUNDAY'S MEET

HERMAN PARLOW HAD THINGS TO HIMSELF WITH HIS HARLEY IN FIRST RACES HERE.

An estimated crowd of 1,500 people yesterday afternoon witnessed the motorcycle races, the first of the season here, in which Herman Parlow, of Menominee, had things practically all to himself and won the four events easily. His Harley machine, which is a speedy one, was working perfectly and he had no trouble in finishing in the lead of three other riders by a big margin.

Seymour, Escanaba's crack rider, was practically put out of the race with a bad machine. However, after the machine was repaired before the ten mile race, he took second in this event about a quarter of a lap behind Parlow. Seymour's machine was working bad in every race. A broken piston ring caused his trouble in the first two races and put him out in the third one.

The three mile race was won by Parlow in 3:45 with Seymour second, Oakes of Oshkosh third and Shampine of Manistique, fourth. Seymour got a good start in this race and held the lead for one lap, when Parlow took the lead and kept it until the finish. He finished well in the lead of Seymour.

Seymour's machine showed signs of weakening in the first race. In the second race, the five-mile event, Parlow won first place in 6:14. Oakes finished second in this race, Seymour third and Shampine fourth. Seymour started in the lead in this race, held it the first lap when Oakes passed him. Parlow overtook Oakes in the second lap with Seymour second. In the eighth lap Oakes passed Seymour and they finished as above.

Parlow won the eight-mile race in 9:41. Oakes was second and Shampine, third. Seymour went out in the twelfth lap when his machine refused to make speed. Oakes lead off from the start in this race with Seymour second. Parlow took second place from Seymour in the second lap and in the third overtook Oakes. Shampine passed Seymour in the eleventh lap.

The final event, the ten-mile, was the easiest one for Parlow, although Seymour, after his machine had been repaired at the start of the race, kept second place after about the tenth lap. A beautiful fight for second place was staged by Seymour and Oakes, the former winning out when Oakes' machine was put out of the running with a broken spark plug. The time for the last race was 12:08. Seymour finished about a quarter of a lap behind Parlow, winner of first place.

The track was in the best condition it ever was for motorcycle racing. The surface was smooth and hard and the riders had but little trouble keeping up their pace. The day was as fine as could have been asked and the crowd was enthusiastic and large.

Shampine, a rider of Manistique, who made his first appearance on the local track, rode his machine wide open at all times, only being handicapped by faster machines. Oakes of Oshkosh, who was seen here last year in a couple of races, rode his best yesterday. Seymour was handicapped by a broken piston ring in his machine which troubled him from the start. His machine was seen in its last race here yesterday. Today, it was shipped to the factory for overhauling.

The time yesterday was faster a good deal than at Manistique a week ago. The time for the three mile races at Manistique was 4:08 4/5 and for the five mile, 6:52. Last year's records of six minutes flat for five miles which was made by Seymour still stands.

FIRST EXCURSION OF SEASON SUNDAY

The steamer Bon Ami, belonging to the Hart Transportation company of Sturgeon Bay, made its first excursion to this city Sunday, bringing a large number of Menominee people here for the motorcycle races, the Evening Star picnic and to visit the boys of Company L.

The steamer arrived here about noon and left about 6 o'clock on its return trip. This is the first excursion of a series planned this season from Menominee and adjacent points to Escanaba. The steamer Bon Ami is a comfortable and speedy boat and has operated in Green Bay waters for several years.

ATTENTION, COMPANY A.

Company A Escanaba Home Guards will meet at the high school gymnasium on Tuesday evening, June 26, at 7:45 o'clock for regular drill, after which an abridged meeting will be held.

BRITISH RAIDS ON WEST FRONT WIN POSITIONS

ONE OPERATION LAST NIGHT TIGHTENED THE BRITISH GRIP ON LENS, THE IMPORTANT TOWN.

RAIDS PRELUDE TO GREAT OFFENSIVE

Expected That Greatest Drive of the Campaign Will Start as Result of These Operations.

(By Associated Press)

Berlin, June 25.—Sharp fighting between the Russians and Germans took place yesterday in southeastern Galicia and in the Carpathians, says the official statement today. On the eastern Macedonian front there was a severe clash between the British and Bulgarian troops.

The British front in northern France is developing many raiding activities. Today's official report from London details a number of raids. Operations of raiders heretofore on this front have been the prelude to an offensive movement of moment. General Haig has not struck a hard blow since the Messines drive when the famous ridge was captured by the British.

There is a lull in the infantry operations on the Aisne front. The French have virtually re-established the entirety of their line in Vauxaillon, which was dented by the Crown Prince's troops in a sudden drive. Fierce fighting is reported east of this sector. In this connection the artillery action along the various sectors, especially in the vicinity of Chemins-Dames is significant.

British Headquarters in France, June 25.—Although the official statements report but little, the British are keeping up their pressure on the entire line of 120 miles in France and Belgium. Last night a number of local engagements were carried out. One of these operations was important, increasing as it does the grip of the British on Lens.

Under the light of the stars the British stormed and captured a trench line of 400 yards east of Riaumont woods in the western outskirts of Lens, thus drawing closer to the mining capital of France. Elsewhere several raids were conducted just to keep the Prussian's nerves on edge. One of these was west of Hulluch. Here fifteen prisoners were brought in while the British spent over two hours in the German trenches.

Heavy casualties were inflicted on the Germans when the dugouts were bombed. Two more raids east of the region of Venvuille were made, while the local push northwest of Warneton resulted in the capture of two advanced posts. In this engagement a number of Germans were killed.

TRADING STAMPS TO DISCONTINUED SOON

Escanaba merchants will discontinue the trading and cash discount stamps after July 4, it is announced, owing to the request of the president that "all dead weights that make the act of distribution cumbersome and costly must be cut off."

The firms who have been giving stamps and who will discontinue the practice after July 4 are: The Fair store, Ed. Erickson Co., Kratz Bros., North Star Clothing Co., Manning-Peterson Shoe Co., L. A. Erickson and P. V. Greenlaw.

In another part of this paper is printed the advertisement giving notice to the public of the action taken, which explains the reason and what will be done with outstanding stamps.

COMPANY "A" BRIGADE LOST AT SPAULDING

The Company A Brigade baseball team went to Spaulding yesterday and played baseball with the Powers-Spaulding "Twins" with the result that the visitors were defeated by the score of 4 to 3 in twelve innings. The game was a real exhibition of baseball and showed the Company A team up in a favorable light. Malone and Kenton Cleary were the batteries for the locals.

THE PEOPLE HAVE ANSWERED.

The American people have made their second answer to their country's call. The first answer was made on June 5, when 16,669,000 American citizens between the ages of 21 and 50 years registered themselves for national service. This answer, though required by law, was made with a spirit and willingness that robbed the registration of any taint of compulsion or servitude.

The second answer from the people was registered finally on June 15, and the answer completed that day was entirely voluntary. More than 4,000,000 American citizens voluntarily subscribed their money to support the United States in the war. This they did, not hysterically, not in a spirit of war fever, but calmly and in the exercise of judgment and reason.

It is true that the subscribers to the Liberty Loan of 1917 got full value received for their contribution, but the immense number of small bonds bought shows that it was not the wealthy alone of the Nation that supported the Liberty Loan. It shows that it was not the investing public of America alone that bought the bonds. It shows that the American people subscribed the loan, and that while many wealthy citizens invested millions in the bonds, a great many more American citizens of small means hastened to do their part.

More than this, the lists of subscribers show that many citizens of very small means, perhaps with no capital and no great earning capacity, were willing to stint themselves in order to purchase a Liberty Loan Bond and have a share in the financial support of their country in time of war.

NOW FOR ANOTHER SANE FOURTH.

In the midst of all the war-time slogans, let us not forget the sane Fourth. The country is at war and the suggestion has been made in some places that we return to the old fashioned Fourth of July celebration again this year in order to permit the people to give vent to their patriotic feelings. The suggestion has been made that officials might be more liberal in permitting fireworks this year on account of the war.

There can be no objection to fireworks displays under proper control and supervision as a means of celebrating Independence Day, but to return to the "old fashioned Fourth of July" as it was celebrated a few years ago would be like a return to barbarism.

Any celebration that contemplates the return of the deadly tetanus bearing cap-pistols or the indiscriminate sale and use of destructive cannon crackers will not be a patriotic celebration but just the opposite. To shoot off a finger or put an eye certainly cannot be considered an act of patriotism either in time of peace or in time of war. Let us hope that the newspapers, which are largely responsible for the sane Fourth idea, will not have to record the loss of any eyes or fingers to say nothing of the loss of lives as the result of the 1917 Fourth of July celebration.

MICHIGAN KNOWS HOW RED CROSS WORKS WHEN DISASTER STRIKES

There is No Fumbling About During Crisis, Whatever Its Nature, Because Trained Workers Know What To Do And How To Do It—Wonders Accomplished In Record Time—What Washtenaw County Saw In Recent Tornado Was Duplicated In Jackson, Ingham And Calhoun And, Previously, In The Metz, AuSable And Oscoda Forest Fire Calamities.

The list of men who have enlisted for the Red Cross drive in Detroit and Michigan this week includes the names of practically every leader in every line. Millionaire motor manufacturers, owners of the biggest stores and factories, leading lawyers and ministers and teachers, have all entered the work with a will. The officers of the Michigan division are: Frederick W. Stevens, chairman; Mark T. McKee, vice-chairman; Emory W. Clark, treasurer, and Paul H. King, director of publicity. Governor Sleeper's proclamation urges all citizens to take up the work. Fritz Geo. Louis C. Covell has promised the aid of the entire Michigan National Guard. Fred L. Keeler, superintendent of public instruction, has asked all school children and their instructors to help and every newspaper editor in the state has been named chairman of an advisory committee in his home community.

The United States has been asked to raise \$100,000,000 as an extraordinary fund, in the eight days between June 18 and 25, inclusive, that the work of the American National Red Cross, which has always been the hope and savior of victims of various calamities, may be efficiently carried on in the world war that is now devastating Europe, and provision made for our own soldiers who are going to the front as well as their dependents at home.

To the people of the state of Michigan has been allotted a share of \$3,000,000 in this nationwide subscription, of which Detroit has agreed to raise half. The other \$1,500,000 must be raised in the remainder of the state, through donations to the cause.

With this duty confronting them, there are some Michigan people asking just what the Red Cross is; how it works; how it proposes to expend their donations. But there are many other Michiganders who need not ask, who do know the Red Cross and what it does and what it means. They are the people who lived in and near Metz, Presque Isle county when forest fires swept away life and property, a few years ago, in their ruthless rush. Others learned of the Red Cross and its work when their homes were destroyed in the forest fires that literally blotted the towns of AuSable and Oscoda, in Isoco county, off the map, back in 1911. And, just a few days ago, the people of Washtenaw, Jackson, Calhoun and Ingham counties learned something of the Red Cross at first hand when a tornado left a wide swath of death and desolation in its wake as it rushed across that rich farming country.

It was in the latter disaster that the newly-formed local or county chapters of the American Red Cross most distinguished themselves. The case in Washtenaw county is typical. The tornado tore through that county Wednesday afternoon. A few minutes later Dr. Louis P. Hall, president of the Ann Arbor chapter, was notified, and went immediately to the Northfield district for a personal investigation of the damage done. The same evening Henry W. Douglas, president of the Washtenaw county chapter started relief work at Delhi.

Early Thursday morning workers went to both these districts and agents made a complete survey of practically the whole path of the storm. By Thursday evening reports of the Red Cross agents had been made. \$1,500 for relief work had been raised, the carpenters and masons of Ann Arbor had offered their services for three days, a committee of experts had been formed and, divided into four groups, assigned to four districts to relieve, and a financial committee to collect additional subscriptions had been named. And, by Saturday evening, when rain began to fall over the devastated district, the Red Cross workers rested content in the knowledge that every victim of the tornado slept that night with a roof over his head and with a good start toward the rehabilitation of himself and his family.

Mattoon and other cities in central Illinois were wrecked a few weeks ago by a tornado which killed and injured hundreds and wrought enormous property damage. The picture shows a poor mother and her four children in the kindling-wood ruins of their home. The husband and father was killed. Red Cross directors, doctors and nurses were in charge at the scene of the catastrophe within ten hours after the storm.

When Mr. O'Connor arrived, with the nurses and workers, he found both his lieutenants on the ground, and with the Chicago office ready to give instant support, he began the relief work at Delhi. A committee of business men was organized, a number of smaller committees told off to take charge of each detail of the situation, and in a few minutes the machinery was in operation.

The injured were given the best surgical and nursing care, the hungry were fed, the homeless given shelter, the dead identified and made ready for burial, plans drawn up for rebuilding the shattered homes, and a fund started to rehabilitate both wrecked cities.

It was late on a Saturday afternoon when news of the disaster began to trickle from the telegraph wires to the newspapers. Offices and shops were closed, and Chicago had gone home to its dinner and its Saturday evening relaxations. The first word to the Red Cross of the storm came through a Chicago paper to Charles Lee Bryson of the central division staff of the Red Cross. One of the editors called Mr. Bryson at his home and told him what had happened. "Feeling sure the Red Cross would want to get on the job,"

JACKSON GETS NEXT STATE ELKS MEETING

J. F. Howard of Jackson, Elected State President at Convention Held as Muskegon.

The Michigan Elks at the annual convention of the order held in Muskegon last week, elected officers and selected Jackson as the place for holding the 1918 meeting. Charles A. Mayworm of Hancock lodge, No. 381, a former resident of Houghton, but now of Ann Arbor, was re-elected treasurer. The other officers are as follows: President—J. F. Howard, Jackson. First vice president—C. S. Reilly, Cheboygan. Third vice president—Major M. J. Phillips, Owosso. Secretary—Geo. D. Hestock, Grand Rapids. Trustee—D. B. Peters, Benton Harbor.

At the closing session the association adopted the new constitution, as recommended by the grand lodge of Elks, on recommendation of a committee composed of P. T. Hashmire of Manistee, James A. Labombard of Grand Rapids, and Shirley Stewart of Port Huron. While making considerable changes in the standards required by the order, the biggest innovation is the apportioning of delegates on membership basis instead of four delegates for each lodge, as formerly. This shift will give Detroit 12 delegates and Grand Rapids 7, the other lodges, however, remaining the same. The new constitution also gives added powers to the state association, something which Michigan Elks, almost unanimously have long been in favor of.

ESCANABA MAN IS PAID FOR INJURY

Frank W. Nugent Gets \$300 for Injuries Received in the Menominee Collision.

The first settlement of the injury suit of the plaintiff, Frank W. Nugent, made Saturday by the defendant, Menominee Traction Company, was for \$300. The injury was received when Nugent was on the North-Western train of the time. He did not suffer serious injuries and settled his claim for \$300. He is the man who had a crash taken off in an accident.

No other settlements have been made as yet, claims for all three in-

"DEAR,-Stop Your Dandruff by using Pompeian HAIR Massage."

"Dandruff has made your hair straggly, thin looking and lifeless. Your coat collar is always covered with ugly scales. Stop your Dandruff now. You can. Just look at my hair. The Dandruff is entirely gone and almost overnight Pompeian HAIR Massage made my hair attractive."

The success of Pompeian HAIR Massage is in its name—'Massage.' It is a treatment, not merely a tonic. The massaging (rubbing) of the scalp wakes up the roots of the hair to new life. This massaging also opens the pores of the scalp to the wonderfully stimulating liquids in Pompeian HAIR Massage. Dandruff goes. Your hair will become and stay healthy, vigorous, attractive.

All that is needed is a little massaging once or twice a week. One application shows results. Your scalp will immediately feel clean and invigorated. In one month your Dandruff will be gone. Pompeian HAIR Massage is a clear amber liquid. Not oily. Not sticky. Very pleasant to use.

"Greatest treatment for Dandruff in the world," says J. A. V. Chicago, Ill. "and I speak from experience. My hair before I started using it had gone beyond the ordinary stages of Dandruff and was covered with scales which embarrassed me greatly. I have introduced Pompeian HAIR Massage to my friends."

Practically every user says—one bottle shows actual results. Get a 25c, 50c or \$1 bottle at the stores and say the same.

Have your barber every now and then apply a careful Pompeian HAIR Massage. Used by 30,000 of the best barber shops from Maine to California.

Made by the reliable makers of the famous Pompeian MASSAGE Cream and Pompeian SOAP. Ask for it.

PLOT TO BLOW UP THE MARQUETTE ORE DOCKS

Marquette, June 25.—What is believed to have been a plot to blow up the ore docks here has been unearthed by the police who have arrested one of the conspirators, Timmins, who has no apparent place of residence.

Three sticks of dynamite, six blasting caps and sixteen feet of fuse in hands of the police, have been found in an old building about 200 feet from the South Shore docks. Another man, a companion of Timmins, is still missing and the police want him.

FIND BODY OF MAN IN SWAMP NEAR KINROSS

Sault Ste. Marie, June 25.—Mystery surrounds the finding of a body of a man in a swamp two miles north of Kinross by a timber owner who was looking over his land. No marks on the clothing serve to identify the body. The condition of the body leads the authorities to believe it had been in the woods since last fall. No reports of any missing men at that time has been received.

NEXT SUNDAY TO BE FOOD SAVING DAY

Clergymen of the City Requested to Preach to "Save the Waste and Win the War."

Every pastor in the city has received a letter from Herbert Hoover, who now has direct charge of the American food situation, asking them to designate Sunday, July 1, as "Food Saving Day" and to preach sermons on the subject of food conservation. In the same letters he expresses the hope that it be made the hope and purpose of every household to "Save the Waste and Win the War."

It is expected that instructions will be received from Lansing shortly, announcing the food saving program households are expected to put into effect. Mr. Hoover's plans, as announced from Washington, call for registration of housewives from July 1 to July 15. It is expected a complete census of all women will be made and the plan as outlined will give a complete census of each household and each member of each family will be expected to do their "bit" and later their acts will be checked up.

RED CROSS OFFICE IN NEED OF A DESK

There is an urgent need for an office desk for the headquarters office of the Delta County Chapter of the Red Cross, which will be opened this week in the rear of Sourwine's drug store. The sign on the window will soon be finished and a very fine office will be provided, where the business of the chapter will be carried on and where the military relief committee will carry on its work of making bandages and other comforts for the soldiers. If anyone has a desk which is not needed badly by them, the chapter would be pleased if it could be loaned for this good purpose.

AT THE STRAND TONIGHT.

When the local theatre-goers see popular Alice Brady in "Maternity," at the Strand theatre on Tuesday, they will not only see one of the most brilliant and unusual photodramas ever filmed, but they will also see the most startling and realistic fire scenes ever flashed on a screen. The big fire act comes towards the close of this big attraction, has a tremendous bearing on the outcome of the story. As the result of its effects upon the woman who participates in it, happiness comes to her and her husband. Dear little Madge Evans is seen in this production and has an important part. The production has been staged on the lavish scale given to all World Pictures Brady-Made.

BROTHER DROWNED NEAR BIG RAPIDS

Word has been received in this city from Mrs. E. W. Doak, who is at Big Rapids, Mich., where she was called by the death of her brother, Charles Montheque, last Monday, to the effect that her brother lost his life while swimming from the shore of a body of water near Paris, Mich., to a boat which was about 200 feet away. His death was a shock to Mrs. Doak, who left at once for Big Rapids.

Mr. Montheque and some other men were planning a fishing trip and when they reached the place where their boat was tied, they found that it had drifted away and was about 200 feet from the shore. Mr. Montheque volunteered to swim out to the boat and started. When near the boat he was seen to go down. The other men hurried to his assistance, but were unable to save his life. Mr. Montheque was a large man and it is believed he was stricken with heart trouble when entering the water.

GILLY ENLISTS IN ENGINEERING CORPS

Popular Young Man of City, Who Was With Mutual Film, Left on Sunday for St. Louis.

Everett H. Gilley who for more than a year and a half has been the booker and shipper at the office of the Mutual Film exchange in this city, left last evening for St. Louis where he will enter one of the regiments of United States Engineers. Gilley was formerly a moving picture operator and was engaged at the old Bijou theatre and later at the Strand, going from there to the Mutual when Ralph E. Bishop came to Escanaba to establish the Mutual branch.

"Gilley," as he was familiarly called, was a popular young man in this city. He counted his friends by the score. He was a most excellent man in his place of business and was painstaking and accurate. He was accommodating, and went out of his way to do favors for those who knew him. He

South Park Ball Park

The Milwaukee All Stars were here last year and played a close series of games. This series will be the best of the season. The All Stars are semi-pro champions of Wisconsin. You know about Escanaba.

Games Called at 3 O'clock

did its part in a way which represented the origin of the league. In order to show the growth of the league, a procession of 23 figures was formed, each figure representing one year of the league's work. The procession was headed by a little girl, carrying the sign 1889 on her bosom, following here was a girl bearing the sign 1890, and so on until 1917, when the church was darkened, being lightened only by candles.

The figure representing 1917 carried a birthday cake covered with 23 candles. When the figure approached the Epworth League figure, the children sang "Onward Christian Soldiers." In addition were persons in costume representing the countries of India, China and Mexico, where Epworth League work is active. These countries carried banners telling the needs of each country represented.

Before the pageant began, Ernest Peterson presided over the events, and gave an interesting blackboard talk on the work and aids of the league.

The Epworth League pageant of last evening which was held at the Methodist church, was pronounced by the large audience the prettiest event ever

held in the church. About 45 characters took part in the pageant. There were figures which represented the Methodist church, the spirit of youth, the figure of the Epworth League, and other persons representing the different departments of work in the league. The figure representing the Methodist church was Joseph Godley, and the figure representing the league was Esther Baldwin.

This affair was planned to celebrate the twenty-eighth anniversary of the Epworth League work. Each figure

Discontinue Giving Stamps

We, the undersigned firms of Escanaba, have mutually agreed to discontinue the issuing and giving of Trading or Cash Discount Stamps on and after July 4th, 1917

IN COMPLIANCE with the request of President Wilson—"That all dead weight that make the act of distribution cumbersome and costly must be cut off." After due deliberation, we have decided that we could not, in justice to ourselves, continue to give these stamps—and at the same time sell goods at a closer margin of profit than heretofore—so as a War Time retrenchment, we have decided to discontinue to give stamps with purchases.

We are in business to render service and give the best possible merchandise with only a small reasonable profit added to the actual wholesale cost of the goods. Although trading stamps have been given as an inducement to pay cash for purchases we feel with the added cost of goods, we cannot in full justice to ourselves and our trade continue giving stamps and stay in business. Today many items of staple goods are sold at established minimum resale prices, say for example, a certain item selling at 50c, sold before the war and is still selling at the same price, but with an increase of 10 to 20 per cent. in the wholesale price. All this added cost is taken out of our small just living profit, manufacturers keeping the increase for themselves. On top of these increases in cost, we have been giving cash Discount Stamps with every purchase. We have spent many days, weeks and months figuring out what would be the best course. But could only see one way open, and "that," to discontinue giving out these little cash discount scripts.

We recognize, that whatever before could be done as a special trade inducement, must now be eliminated. This is the FIRST and there may be other ways of services that must now be recast and reorganized with the dominant idea of making our stores, fitting cogs in the country's machinery of efficient and wasteless distribution.

We recognize that today the government has the same right to say to the retailer: "You must reduce the cost of doing business by eliminating unnecessary expense and unnecessary services"—as to the housewife—"You must not waste food." We have taken all these things into consideration—STAMPS ARE THE FIRST TO GO.

We have not waited for the peremptory demand from Washington, but are right today making our stores conform with the needs of the times.

No More Stamps Will Be Given With Purchases After July 4th

Holders of Stamp Book, filled or partly filled, will be given a reasonable time to turn them in for redemption. All stamps will be redeemed on the same basis as before. If you have no more than 50 or 100 stamps, they will be redeemed in merchandise at their fixed value.

Don't Delay! We want to meet our obligations—Want these stamps redeemed at earliest possible date. We cordially ask the co-operation of the trade in this matter
