

TEUTONS WITHDRAW PEACE PROPOSAL

T. B. C. COSTS CITY ABOUT \$1,071,000 IN LAST 12 YEARS

Economic Value of 153 Persons Who Have Died from Tuberculosis Estimated at This High Figure.

DR. CARLSON'S FIGURES

Death Rate Among Infants Under One Year Shows a Decrease in Last Six Years, Dr. Carlson's Table Shows.

Pulmonary tuberculosis in the past twelve years has cost the city of Escanaba \$1,071,000, according to statistics prepared by Dr. A. J. Carlson, city health officer. You may ask how it is possible to ascertain the economic value of the lives of those who have succumbed to the disease. It is explained by Dr. Carlson in this manner:

The average economic value of life is scientifically estimated at \$7,000 by experts, who have made a life study of the problem. Escanaba has lost 153 lives in the past twelve years through pulmonary tuberculosis, each having an economic value of \$7,000. A simple calculation in multiplication shows that the city has been deprived of \$1,071,000 in twelve years.

In the table of statistics prepared by Dr. Carlson, it is also brought out that the yearly average of deaths by tuberculosis is gradually decreasing.

HOUSE PASSES THE SUFFRAGE BILL BY VOTE OF 274 TO 136

Constitutional Amendment had the Required Number of Affirmative Votes when Voting Was Completed.

(BY ASSOCIATED PRESS) Washington, Jan. 11.—Woman suffrage, by federal constitutional amendment, won on the house last night with exactly the required number of affirmative votes.

While members in their seats and throngs in the galleries waited with eager interest, the house adopted, by a vote of 274 to 136, a resolution providing for submission to the states of the so-called Susan B. Anthony amendment.

But for the promise of Speaker Clark to cast his vote for the chair for the resolution if needed, the change of a single vote to the opposition would have meant defeat.

TEUTONS FORCED TO RETREAT IN ITALY

(BY ASSOCIATED PRESS) Rome, Jan. 11.—Austro-German forces yesterday were forced to evacuate some trenches in the sector near Cavasucchurina on the Italian mountain front, the war office announced. The retreating Teutons were caught under the Italian fire and suffered some losses.

REPUBLIC OF THE DON HAS BEEN PROCLAIMED

(BY ASSOCIATED PRESS) Petrograd, Thursday Jan. 10.—Reports from Rostov today say that the Republic of the Dons has been declared existent with General Kaledines as president and prime minister.

WAR SUMMARY

Details of the Activities on Various Fronts as Reviewed by the Associated Press.

Initial comment in the German and Austrian newspapers of President Wilson's address is bitterly hostile. His program is declared unacceptable and one pan-German paper says it is "more brutal still than the recent statement of Premier Lloyd George." The Vienna newspapers say that the peace conditions are such as could be imposed on the Central Powers if they were defeated completely.

British troops in the Ypres sector made three successful raids into the German lines. Many casualties were inflicted and prisoners were taken. On the remaining front the artillery is active. The artillery fighting on the northern Italian front is less intense, being most marked east of the Brenta.

GREAT PROGRAM OF RELIEF PROPOSED

Red Cross Plans to Spend 40,000,000 Francs for Civilian Relief in France in the Next Five Months.

(BY ASSOCIATED PRESS)

Paris, Jan. 11.—Forty million francs will be spent by the American Red Cross in aiding the French civilians in the next five months. The figures do not include twelve million francs used in civil aid up to November 19.

A report which Major Grayson M. P. Murphy, retiring European commander of the Red Cross, is taking to Washington, shows that 30,000 refugees brought by way of Switzerland into northern France are being cared for each month.

SOLDIER'S BODY TO ARRIVE HERE TONIGHT

Remains of Late Private Olaf Olsen of the 33rd Infantry at Camp Custer, Was Shipped Last Night.

It is expected that the body of the late Private Olaf C. Olsen of Stonington, who died on Monday at Camp Custer, being the first Delta county boy to give his life for his country, will arrive this evening or tomorrow morning.

Word was received last evening by the local board that the body was shipped from Camp Custer at 1:30 this morning. Captain Ralph Pierce, Company D, 337th Infantry, of which Private Olsen was a member, sent the telegram to the local board. The body would have arrived in Chicago early this morning and will probably be transferred so as to reach here on the evening train today.

The body will be taken to the undertaking parlors of J. B. Wilkinson, where it will remain until Sunday morning, when it will be removed to the home of the soldier's father, Martin Olsen, at Stonington. The funeral will be held Sunday afternoon at 2 o'clock at the Norwegian Lutheran church at Stonington, Rev. O. C. Dahlager of this city officiating. The body will be buried with military honors. The 43rd Company of Michigan State Troops of Rapid River will form an escort to the body at the funeral. Burial will be in Lakewood cemetery at Stonington.

HOUSE OF LORDS IN FAVOR OF SUFFRAGE

(BY ASSOCIATED PRESS) London, Jan. 11.—The Morning newspapers welcome heartily the decision of the House of Lords on woman's suffrage giving the vote to 6,000,000 women and ending a long and bitter wrangle. The third reading of the bill is yet to be taken and a motion to submit the question to a referendum is yet to be disposed of, but it is not believed there is any prospect of success for the referendum.

OFFICERS AND MEN ON DESTROYER ARE HIGHLY COMMENDED

Secretary Baker Makes Public the Official Report of Commander Bagley of the Destroyer, Paul Jones.

BEHAVIOR IS EXCELLENT

Two Officers and 64 Men Died Like Heroes; Submarine was Not Sighted Until After Vessel Was Struck.

(BY ASSOCIATED PRESS)

Washington, Jan. 11.—Secretary of War Baker made public today a summary of the official reports of Lieutenant Commander David Worth Bagley on the sinking by a German submarine of the American destroyer Jacob Jones on December 6, when two officers and 64 men were lost.

Commander Bagley is unstinted in his praise of the behavior of the officers and men and especially commends ten of them.

The submarine was not sighted until 15 minutes after the destroyer had gone down, but the torpedo was sighted half a mile away from the ship. Lieutenant F. S. Calk, officer of the deck, who afterwards died, immediately ordered a maneuver to avoid being struck. The torpedo was too near to allow the destroyer to escape and she was struck fairly. She quickly settled by the stern and the engine rooms were flooded. Most of the men not killed by the explosion dropped clear of the vessel and reached the rafts and wreckage. Eight minutes after the torpedo struck the vessel, at 4:21, the Jacob Jones went down, stern first.

146 DRAFTED MEN OF COUNTY IN SERVICE

Records of the Local Board Show that This Number Have Been Accepted for Service at Custer.

Delta County has 146 drafted men accepted for service at Camp Custer, according to the records of the local board. While more than this number have been sent to the cantonment, this many have survived the military examination and are now in service. Some have been transferred from Camp Custer, but the larger number are still at Battle Creek.

According to these figures, Delta County must send 63 more men to the camp to fill up its quota of the first draft. The quota from Delta county was 214 for the first draft.

Mrs. Henry Carlson of 606 South Charlotte street has been removed to St. Francis hospital for medical treatment.

NUMBER REGISTERED MEN HAVE ENLISTED TO SERVE UNCLE SAM

Local Board Has Received Official Notice of the Enlisting of Fifty-seven Delta Registered Men.

A large number of registered men in Delta county have enlisted in various branches of the government service and have thus escaped the draft. When a registered man enlists the receiving station mails back a card to the local board notifying the board that the man has enlisted, in order that the records of the local board may be kept clear.

Up to this time the local board has notice that 57 registered men from the county have enlisted. There are a number more who have joined the service voluntarily, but cards have not been received from the receiving stations.

In the list given herewith are the names of those who have enlisted and whose cards have been returned to the local board.

Curtailling of Consumption of Electricity Not Obligatory Because Power Is Generated by Water.

W. J. Clark, chairman of the Delta County Fuel committee, has issued the following statement to the people of Delta county regarding the use of electricity for illumination:

"The following order has been received from W. K. Prudden, Federal Fuel Administrator of Michigan:

"The United States Fuel Administrator cancels the present order regulating the advertising signs shall be lighted. In its place all signs of every kind including merchants signs, theatre signs, also display lighting on buildings and elsewhere, hotel signs and advertising signs are ordered discontinued completely on Thursday and Sunday nights of each week. On these same nights stores not open for business must not show inside lights more than are necessary for safety.

"It is further ordered that as few lights as possible be maintained in homes and other places on Thursday nights and Sunday nights of each week.

NEW RUSSIAN ARMY WILL BE SMALL; TO WAGE REVOLUTION

Foreign Minister Trotzky Says the Front Line Trenches of New Army Will Be Barriers of Oppressors.

NATION MAY FIGHT SOON

Lenine Serves Notice On the Central Powers That a Revolutionary War will Be Started if Peace Fails.

(BY ASSOCIATED PRESS)

London, Jan. 11.—Confirming the report that the Bolsheviks are preparing to reestablish the fighting power against the possible final break in the peace negotiations, the Petrograd correspondent of the Daily News says there will be no attempt to reanimate the old worn out army, but that they will create a new and smaller one. Concerning this new army, Foreign Minister Trotzky is reported to have said:

"It will wage not war but revolution. Its front line trenches will be barriers against oppressors."

Germany Must Submit.

London, Jan. 11.—Nikolai Lenine, the Bolshevik premier, although he has possibly gone to Finland for a holiday, also possibly may have gone to Stockholm to confer with German and Austrian socialists, the Petrograd correspondent of the News says. In a speech before his departure, he said:

"I fear we shall have to stop the demobilization of the army and prepare for war. If Germany and her allies do not accept our terms we will declare a revolutionary war on them."

The correspondent emphasized the importance of an agreement between the Bolsheviks and the Ukrainians, as the positions of the Reds lessen Trotzky's chances of obtaining a satisfactory peace.

FORMER RESIDENT OF CITY DIED YESTERDAY

Mrs. Ovid Careful, Sister of Mrs. Joseph Moreau, Died in Minneapolis; Body to Arrive Tomorrow.

Mrs. Ovid Careful, a former resident of this city, who had lived for two years in Minneapolis, died in that city yesterday after a short illness. The body will be brought back to Escanaba for burial and will arrive tomorrow morning. The funeral services will be arranged for after relatives are heard from.

Mrs. Careful is a sister of Mrs. Joseph Moreau, who was at her bedside at the time of her death, and who returned this morning from Minneapolis.

CUBAN SUGAR CROP WILL BE FINANCED

New York Bankers Will Furnish the Money for Biggest Crop Ever Raised on the Island.

(BY ASSOCIATED PRESS)

New York, Jan. 11.—A plan under which New York banks would finance the next Cuban sugar crop, involving a sum as high as \$150,000,000 is under consideration here, it was learned today. The importance of the movement, assuring the country an adequate supply of sugar together with shipments to the allies, was placed before the banking committee by the International Sugar commission, acting for the food administration.

If the plan matures as the commission desires it, money will be assured to finance the next Cuban sugar crop, expected to be the largest in the island's history. Another sugar shortage such as the one of recent weeks would be averted.

C. R. HUTCHESON GOES TO WOOL CONVENTION

Representative of U. P. D. B. and His Wife Left This Morning; G. M. Mashek Will Leave On Saturday.

Charles R. Hutcheson of this city, who has made an exhaustive survey of the available lands in the upper peninsula suited for sheep grazing purposes for the Upper Peninsula Development bureau, left this morning for Salt Lake City, where he will attend the annual convention of the National Wool Growers association. He was accompanied by Mrs. Hutcheson.

George M. Mashek of this city, another delegate to the wool convention, will leave tomorrow evening, and Geo. W. Rowell, secretary-treasurer of the Upper Peninsula Development bureau, and Roger M. Andrews of Menominee, special representatives of Governor Sleeper, will leave this week, as will G. Sherman Collins, a prominent banker of Munising.

The Upper Peninsula men will present to the convention an exhaustive report, compiled by Mr. Hutcheson of this city, on the prospects of using much of the cut-over lands of the upper peninsula for sheep grazing purposes. It is planned to interest western growers to bring their flocks to this part of the country. The convention will be held next week.

GETS TEN DAYS ON CHARGES OF FRAUD

John Kremer, hired by W. E. Mitchell, employment agent for the Bay de Noc Lumber company, of Nahma, and who refused to go to Nahma this morning after having his fare paid here from Milwaukee by Mr. Mitchell, was found guilty of attempting to defraud the employment agent and was sentenced to serve ten days in the county jail.

The authorities also wired to Cando, N. D., where Kremer is registered and learned that Kremer's questionnaire is due at that place and that if it is not returned at once, the board would take action against him.

TERMS OFFERED AT BREST-LITOVSK ON DEC. 25 RETRACTED

Document Made by Count Czernin, Austrian Foreign Minister, Declared Now to Be "Null and Void."

KUEHLMANN ANNOUNCES

Offer Withdrawn Because the Allied Enemies of the Central Powers Failed to Take Advantage of It.

(BY ASSOCIATED PRESS)

Amsterdam, Jan. 11.—The Central Powers have withdrawn their peace terms made public at Brest-Litovsk on December 25, was announced today by Dr. von Kuehlmann, the German foreign secretary, in a speech at the Brest-Litovsk conference with the Russian yesterday.

Owing to the non-acceptance by the allied enemies of the terms of the peace proposal, Dr. von Kuehlmann stated that the document has become "null and void."

The Central Powers peace terms, voiced by Count Czernin, the Austria-Hungarian foreign minister. They expressed a willingness for a general peace without forcible annexations and indemnities, and announced that it was not the intention of the Central Powers to deprive of political independence those nations which have lost it during the war, but stipulated that the political independence of the nationalities not now possessing it could not be solved by an international agreement.

SEC. BAKER GIVEN SEVERE GRILLING BEFORE COMMITTEE

Secretary Is Handled Without Gloves by Senate Committee Investigating the Conduct of the War.

(BY ASSOCIATED PRESS)

Washington, Jan. 11.—Secretary Baker's examination before the senate military affairs committee today was warmed up by rapid cross fire questions by senators of both parties, who did not agree with the general favorable view of war preparations depicted by Mr. Baker yesterday.

The senators declared that his declaration that war supplies were adequate were misleading to the country. Senator Weeks declared that the country should not be lulled to sleep by a statement of facts that don't exist.

Mr. Baker explained that he meant to convey only the impression that the men ready for service are adequately equipped. Senators Wadsworth and Weeks, republicans, and Senators Chamberlain and Hitchcock, democrats, took the lead in cross-examining the secretary and at times handled him without gloves.

BRITISH TANK WILL CLAR THOROUGHFARES

(BY ASSOCIATED PRESS) Chicago, Jan. 11.—Snow was falling here again today. Only the downtown streets and a few boulevards have been cleared of last Sunday's snow. Residential streets for the most part are still blocked.

However, Chicago's army of snow fighters is to use modern methods. In a few days a huge British tank, such as is used on the western front, will rumble through the streets pushing the huge drifts of snow aside. It is due to arrive in two days.

GOVERNMENT TAKES OVER CROP OF PEAS

POTATOES AND PRICE FIXING.

One important difficulty in the practical operation of any governmental system of price-fixing and distribution control is pointed out by a prominent New York commercial paper which says that governmental agencies cannot act promptly when conditions change.

Partly due to the usual delay in securing governmental action, and partly due to the fact that a government agency is out of immediate touch with market conditions, action on the part of the government official is long deferred.

Some difficulty will undoubtedly be encountered in Great Britain where the government assured the producers a minimum price which is far in excess of the recent market value, owing to a production many times greater than normal.

Under the encouragement of government authorities, both here and in other countries, producers largely increased their acreage and consumers formed the habit of going without potatoes.

SHIP PARCEL POST ROUTES ESTABLISHED

Facilitates Service to Uncle Sam's Various Contonments. Thus Relieving the Railroad Congestion.

The post office department has established conswize parcel post water routes—primarily to facilitate service for Uncle Sam's contonments—which will operate to relieve the war-time railroad congestion and expedite service for the general public.

In the present congested condition of transportation practically as prompt service is to be obtained by water routes to certain points as by rail, and the railroads may by that means be considerably relieved.

Steamer routes for parcel post have been established from:

- Boston to Norfolk, Boston to Savannah, New York to Norfolk, New York to Charleston, New York to Jacksonville, New York to Savannah, New York to New Orleans, New York to Galveston, Philadelphia to Jacksonville, Philadelphia to Jacksonville, Baltimore to Jacksonville.

Special delivery, insured, perishable, parcels too large for inclusion in sacks, and eggs will not be carried on these routes.

About four carloads of parcels were previously handled daily over these routes, thus releasing that number of cars for general transportation service. It is expected that this service will amount to several train loads daily.

which will aid materially to relieve freight congestion.

The department in various ways is contributing to the relief of the railroad situation, in co-operation with the roads, as far as it can without interfering with the prompt delivery of mail.

A considerable saving of cars and the occupation of car space in depots is being accomplished by routing through cars for long distances where it has been the practice to transfer mail from one car to another at certain distributing points.

The employment of two cars is involved in each transfer and in some cases two such transfers have been the practice. By a through-car routing a saving of both of cars and depot space is made.

A large number of through cars are now being routed from the East to such distant points as St. Louis, Kansas City, San Antonio, San Francisco, Los Angeles, Seattle, Portland, Jacksonville and other points where heretofore one or two transfers have been made.

By the employment of the space system it is estimated, also, as shown in the latest report of the postmaster general, cars have been released for the general transportation service equivalent to three trains of ten cars each between Boston and Chicago.

THE THEATRES

AT THE DELFT TONIGHT.

In addition to "Molly Entangled," starring the charming little actress, Vivian Martin, a Victor Moore comedy and the Ford Weekly will be shown at the Delft theatre tonight.

An exceptionally fine cast was chosen by Director Robert Thornby of Paramount to surround Vivian Martin in that star's newest photoplay, "Molly Entangled." The cast in-

cludes Harrison Ford, who recently co-starred with Fannie Ward in "On the Level," also a Paramount picture; Noah Beery, noted for his unusual characterizations; G. S. Spaulding, Helen Dunbar, G. H. Gowland, Jane Keckley and W. A. Carroll. Manager Jacobs of the Delft theatre has arranged for the showing of this, Miss Martin's latest and most popular photoplay, at his theatre tonight.

Marrried to the wrong man who refuses to expire at the appointed time, all the while loving big Irish Barney—such is the fate of Vivian Martin in her newest Paramount picture, "Molly Entangled." It sounds a bit gruesome. In reality it isn't, however, only appealingly funny and quaint and lovable as only Vivian Martin could have made a situation of that sort.

AT THE STRAND TONIGHT.

William A. Brady, Director General of World Pictures, presents June Elvide and Arthur Ashley in "Shall We Forgive Her," from the famous play by Charles Sarver. A remarkably speedy production telling an unusual story.

Popular June Elvide and Arthur Ashley are stars of "Shall We Forgive Her," the newest World-Picture, Brady-Made which will be the attraction at the Strand theatre tonight. The film is a screen version of the famous play which made such a big hit when presented in the principal cities of the country and the film version, of course, presents many of the interesting and thrilling incidents which could only be talked about in the stage drama. The action occurs in the West and East, with some particularly thrilling scenes staged in a small Western mining town. The story tells of the way in which a charming and adoring young girl is betrayed by the man to whom she gives her heart.

Do Every Task Well.

Instead of belittling any job think of it in terms of finished production. If the thing still looks crude you have not put your best into it. You must see improvement in the next item. Keep straight lines out of your curves, and the curves out of what should be straight. Do every task so well that it will be a constant testimonial to the hand that has done the work. At times it will slow down your pace, but it will add to your value as a workman. In the end it will add to your speed and all you do will be well done. Get the habit of putting pride into your efforts and you are on the road to success however hard it may be to travel. STATE SUFFRAGISTS TO MEET NEXT WEEK

Annual Session of the Michigan Equal Suffrage League Will Be Held in Detroit January 14 to 16.

(BY ASSOCIATED PRESS)

Detroit, Mich., Jan. 11.—The struggle for nation-wide suffrage by constitutional amendment will be the leading element at the annual state convention of the Michigan Equal Suffrage association, to be held here from January 14 to 16.

Mrs. Carrie Chapman Catt, president of the national association, will speak on "Woman's War Service in the United States," at the afternoon session on Wednesday, Jan. 15. Mrs. Catt is expected to lead a discussion Wednesday of plans for a state suffrage campaign in case the fight for the constitutional amendment is not successful.

There will be a mass meeting Wednesday night and Mrs. Catt probably will make the principal address there also. Mrs. F. J. Shuler, of Buffalo, national corresponding secretary, also is expected to speak.

Michigan women who are on the program for convention addresses include Mrs. Myron Vorce, of Detroit; Mrs. F. L. Chalkins, of Ypsilanti; Miss Bina West, Port Huron; Mrs. Frances Burns, St. Louis, Mich.; and Mrs. A. E. Bulson, of Jackson. Mrs. Bulson is president of the state organization.

Daily Fashion Hint Prepared Especially For This Newspaper

EXCESSIVELY SMART. There's no denying the smartness of the dart fitted blouse and skirt superimposed with a tunic of some sort. This charming frock of plaid silk is combined with plain satin. The neck is finished with a high collar, but the sleeves are plain to conform with the extreme simplicity of the waist. A sash of satin tied with artistic carelessness gives an odd touch to the model which, in medium size, requires 5 yards 36-inch plaid and 1 yard 36-inch plain material. Pictorial Review Costume No. 7564. Sizes, 16 to 20 years. Price, 20 cents. The Fair Savings Bank.

COMB SAGE TEA IN HAIR TO DARKEN IT

It's Grandmother's Recipe to keep her Locks Dark, Glossy, Beautiful. The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage. Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive. This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

FUNDAMENTAL EVIL OF GERMANY TODAY IDOLATRY OF STATE

Lord Robert Cecil Says Germany Puts the State Above Religion, Morality and Laws of God and Man. London, Dec. 21.—(Correspondence)—"The fundamental evil of Germany today is idolatry," said Lord Robert Cecil in a statement for the Associated Press today. "They have set up for themselves a graven image, just as truly as did the worshippers of Baal against whom the prophets of the Bible preached. "Germany's idol is the state. They place the state above religion, above morality, above all laws of God or man. They believe that any act is justified which advances the interests of the German State, however base that act may be, however immoral, however inconsiderate of the lawful rights of others. "Otto Kahn, himself a German by origin, has defined this State-idolatry as 'the demonic obsession of power-worship and world-dominion.' "This idolatry is at the bottom of our whole fight against Germany. It is the secret of the whole revolting list of outrages and atrocities which Germany has committed against the civilized world. The violation of Belgium, the Armenian atrocities, the unspeakable horrors of submarine warfare,—all these are the outcome of a creed which holds that no laws of morality are binding when the defense of the state-idol is at stake. "The results of this violating of the foundations of morality by Germany are bound to be colossal and far-reaching. They mean the degeneracy of the whole German structure, and the effects are already seen in the wave of crime and immorality which is sweeping over Germany."

GIRLS LEAGUE PLANS AN IMPORTANT WORK

At an important business meeting of the board of the Girls' League held last night, it was decided that the Girls' League take up the Red Cross work at the K. of C. home Saturday afternoon. The following committee was appointed to take charge of the work: Mildred Hansen, chairman; Cornelia Henderson, Lorraine Burke, Myrtle LeMire. The league also decided to take up the work at the library in helping to make booklets for the hospitals. The following committee was appointed to carry out the work: Edith Dahlberg, chairman; Margaret Hansen, Gertrude Mueller, Marcella Fish.

EXTENSION WORKERS BEEN TRANSFERRED

Miss Jessie DeBoth, former home extension specialist of the Michigan Agricultural college in the upper peninsula, has been transferred to have charge of the boys' and girls' club work in the district, and Miss Jennie Williams has come from Kansas to take a position as woman agent in Schoolcraft and Alger counties. Miss Effie Carp will be assigned as woman agent of Gogebic county.

BELL HOP ESCAPED WITH HOTEL'S ROLL

Marquette, Mich., Jan. 11.—Jack Breaner, a bell hop at the Clifton hotel here, is being sought by the police of every city in the upper peninsula, for robbing the hotel office of \$50 and an overcoat belonging to a traveling man. He robbed the office during the absence of the clerk for a few minutes and is believed to have left the city on a train which he was supposed to meet to help patrons.

THE WEATHER

For Escanaba and Vicinity: Cloudy tonight and Saturday, probably snow; colder tonight. For Upper Michigan: Cloudy tonight and Saturday, probably snow; colder tonight in east and south portions, moderate COLD WAVE in east portion. Weather Conditions. The disturbance noted over the southwestern border Thursday morning is central this morning in the east Gulf region where it prevails this morning with considerable intensity. A decided reaction to colder weather is following in its wake with the zero line extending well into Texas and southern New Mexico. Temperatures are much lower this morning throughout the Plains states and in the northern Rocky Mountain region, where the northwestern anticyclone predominates. Within the last 24 hours precipitation occurred in connection with the Gulf disturbance in the central valleys, the south portion of the Plains states and in the Gulf states. Snow fell in the west portion of the Lake region, in Minnesota and in the east portion of the Dakotas. Rain fell in the north Pacific coast region. Cloudy weather is indicated for this locality tonight and Saturday with probably snow. It will be colder tonight. Temperature at noon, 13 degrees. Lowest last night, 8 degrees. H. H. Spindler, Observer.

GREATEST ELEVATOR BELONGS TO C. & N. W.

Structure Will Hold 10,000,000 Bushels of Grain—Can Handle 475,000,000 Bushels Annually. Chicago is the grain center of the world. Into this port the colossal output of the fields of the United States is shipped by rail and water to be distributed all over the globe. With characteristic foresight the officials of the Chicago & North Western Ry., about ten years ago, saw that the facilities in this city for the handling of the immense yearly crops would soon become inadequate to meet the needs. As a result, there has been erected in that city the greatest grain elevator in existence—that of the Chicago & North Western Ry. Co.—known as the Calumet Terminal Grain Elevator, with a storage capacity of 10,000,000 bushels, and which is capable of handling 475,000,000 bushels annually. Work on this stupendous structure was begun in July, 1914. In the remarkable short period of three years the building stands completed, at a time when the agricultural production of this country has reached its highest record and the needs for just such an elevator, because of war conditions, is needed more than ever before in history. The Chicago & North Western Ry. grain elevator stands in sharp contrast in the heart of the city's southeastern manufacturing and industrial activities. It is conveniently located, with easy access by either rail or water, on the Calumet river just inside of Chicago's southern boundary at about 122nd street and Torrence avenue. An immense dock has been constructed for the accommodation of grain carrying boats, and also railroad facilities have been provided for transportation by rail. This dock is made entirely of concrete and is 1,200 feet long.

Can't Do The Work

It's too much to try to work every day against a constant, dull headache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them.

Mrs. Herman Nelson, 606 Wells avenue Escanaba, says: "What caused my kidneys to get out of order, I don't know, but they bothered me a lot. It seemed as if my back would never stop aching, and housework which required stooping was impossible. My back was lame and pained most severely when I tried to bend over. Dizziness, spells of vertigo, and I always felt tired out and languid. Two boxes of Doan's Kidney Pills ended the trouble and I was soon about my housework feeling like a different woman." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Nelson had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

PIECE OF BUTTON IS LODGED IN THE SKULL

Menominee, Mich., Jan. 11.—An operation will soon be performed upon Paul Cooogan, top sergeant in Company L Michigan National Guard, while the company was at the border, for the removal of a piece of a button from his brain which was carried there by a bullet which struck him while he was doing guard duty along the border. The bullet had struck a button on his uniform, carrying a part of it into the brain and after eighteen months the object has been located. He is reported to be in a serious condition.

HENRY HOLSTEIN HELD FOR ROBBING MAILS

Marquette, Mich., Jan. 11.—Henry Holstein, charged with shooting and robbing George Argall, a mail carrier on the rural route between Clarksburg and Diorite, waived examination when arraigned before United States Commissioner F. J. Schultheis and was held to the United States district court. His case will be tried at the Soo during the term of court beginning January 29.

MANISTIQUE MAN IS GUILTY MANSLAUGHTER

Manistique, Mich., Jan. 11.—After five hours of deliberation, the jury in the case of Mike Stance, charged with the murder of Mike Carroll, returned a verdict of guilty of manslaughter. Carroll died in a hospital as the result of being struck over the head with a stove poker on Christmas eve in a lumber camp near Blaney by Stance.

PASSENGER REVENUE OF GERMAN RAILWAY LINES ON INCREASE

Despite War Conditions Traffic in 1917 Was 5.3 Per Cent Larger Than Year Prior to the War. (BY ASSOCIATED PRESS) Amsterdam, Netherlands, Dec. 11.—(By Mail)—Passenger traffic revenues on German railroads in the third year show an increase of 5.3 per cent over the record figure of the last twelve months of peace (August, 1913—July, 1914), according to the Norddeutsche Allgemeine Zeitung. In the first year war revenues fell off 32.1 per cent, and in the second year 21 per cent. As regards freight traffic, this yielded an increase of 8 per cent on the record figure reached in the year ending July 31, 1914. These figures include the receipts from military traffic, which, it is declared, taking the average of the three years, formed only an eighth part of the total railroad income. The revenues for the month of August, 1917, are specially quoted as showing the development of railroad traffic. Compared with the corresponding month of 1916, the passenger traffic showed an advance of 30.6 per cent, and of 14.1 per cent as compared with August, 1913, the last corresponding month of peace. Freight traffic rose 11.6 per cent as compared with August 1916, and 19.1 per cent as against 1913. A Vienna dispatch says the revenues of the Austrian State railroads have risen since the last peace year from \$30,000,000 crowns to 1,080,000,000 while expenditure for the current financial year is put at 1,190,000,000 crowns.

SURPRISE PARTY.

William Casey, of Wells, was an unexpected host when fourteen of his friends surprised him at his home last evening on his fifth birthday. Singing and playing games were the features after which lunch was served. Before departing they presented him with a beautiful signet ring. All claim to have had a very enjoyable time.

HARD TIME PARTY.

Members of the Evening Star will give a hard time party at the North Star hall, January 19. A good time is predicted for all those who attend. Don't forget to dress in hard times. Two liberal prizes will be awarded and music will be by Flagstad's orchestra.

"FAMINE DROPSY" IS NEW GERMAN MENACE

New Hunger Disease Attacks Those Between Ages of 40 and 50 and is Likely to Prove Fatal. (BY ASSOCIATED PRESS) Amsterdam, Dec. 11.—(By Mail)—The ravages of the new hunger disease called in Germany "famine-dropsy," are described in the Budapest newspaper Nepszava. Men are attacked by it chiefly between the ages of 40 and 50, and unless the patient can be given plenty of nourishment, the disease is very likely to prove fatal. In the small town of Asch 900 cases have been reported, 3 percent of which have already proved fatal.

During the next six years from 1912 to 1917 the number of deaths from this disease was 76, or a yearly average of 12.66. The table deals quite extensively with the question of infant mortality. The report shows that in the six year period from 1906 to 1911 there were 319 deaths of infants under one year, a yearly average of 53. During the next six years, from 1912 to 1917, the total of deaths of infants under one year was 224, or a yearly average of 37. A reduction of 29 per cent in the infant mortality rate in the last six year period under the previous six year period, is shown by the report. A decrease in death rate from diarrheal diseases of 57 per cent in the last six years under the previous six years is shown. The number of deaths from this disease in the six year period from 1906 to 1911 among children under one year was 103 or an average of 17 a year. In the following six year period from 1912 to 1917 the number of deaths from this cause was 44, or an average of 7 yearly. The death rate among children under one year from pneumonia has increased 128 per cent here in the last six years over the previous six years. From 1906 to 1911 there were 28 deaths from pneumonia, or an average of 4 each year. In the next six years, from 1912 to 1917, there were 64 deaths from the same cause, or a yearly average of ten. The number of deaths of children under one year was 34 in 1917, the lowest, excepting one year, since 1906. That year the number was 28. The highest number was in 1906 and 1908 when 60 children under one year died in the city. The number of births in 1917 was 356, showing a decrease from the births in the four previous years. The highest number of births in the past twelve years was in 1910 when 392 babies were born in Escanaba. The year of 1914 was the next highest with

LADIES OF SWEDISH LUTH. CHURCH ELECT

The annual meeting of the Ladies Aid Society of the Swedish Lutheran Church was held yesterday afternoon in the church parlors and the following officers were selected to serve during the coming year:

President, Mrs. John Carlson; vice president, Mrs. C. P. Johnson; financial secretary, Mrs. August D. Anderson; treasurer, Mrs. Eric Johnson; secretary, Mrs. William Andrews.

It was decided to help the conservation of the food supply by holding meetings and dinners during the coming year once each month, instead of every other week.

Mrs. A. C. Barras of the Red Cross spoke on the work of the Red Cross

after the business meeting and at the conclusion of her remarks the members of the society voted unanimously to support the work. A committee composed of Mesdames C. A. Lund, William Bogren and Eric Palmer was appointed to formulate plans for active work of the society in the work, and a report will be made later by the committee.

The North Escanaba branch of the Swedish Lutheran church aid society met Wednesday evening and elected officers as follows:

President, Mrs. August Dahlberg; vice president, Mrs. Oscar Nelson; secretary, Mrs. Emil Stenstrom; treasurer, Mrs. Andrew Dahlberg.

This branch also voted to meet but once a month for the same reason as caused the action of the other society.

W. F. Pederson, of Chicago, is visiting in the city.

CARMAN SPENCER IS NEW ARMY RECRUIT

Word has been received in the city by Attorney N. C. Spencer to the effect that his son, Carman Spencer, has enlisted in the United States army at Toledo, O., and has been sent to Chillicothe, O., for final examination.

The young man enlisted on the day after he had attained his eighteenth year, the minimum for enlistment in the army. He has been employed on the great lakes for the past year and tried to enlist last summer in Buffalo, but was rejected. He was determined to join the army and made another attempt at Toledo, and was accepted on preliminary examination.

(Continued From Page One) and Sundays. It is hereby declared and ordered by the Federal Fuel Administrator of Michigan that the provisions of the above named order are binding upon the makers and users of electricity for illumination purposes within the state and that they are in full force and effect on and after this date.

On account of Escanaba, Gladstone and Rapid River receiving their light through the Escanaba Traction company, where all the electricity is generated by water power, the local Fuel Committee took this matter up with Mr. Prudden and he advises that this order need not be lived up to in this county, in every sense of the word; but adds the following:

RUSSIAN LEGION IN FRANCE IN ACTION

(BY ASSOCIATED PRESS) Paris, Jan. 11.—The first battalion of the Russian legion composed of members of the Russian expeditionary force which held a section of the Champagne front until the revolution, has left for the trenches. It was formed at the request of General Lohvitzky, who commanded the Russian contingent in France. Further detachments will follow as soon as organized. A number of Russian women have asked that a battalion of death be formed to fight, but the general says this cannot be realized.

SILVER WEDDING.

Mr. and Mrs. Frank Rogers, 403 South Elm street, yesterday celebrated their twenty-fifth wedding anniversary and in the evening were surprised by a large company of friends, who assisted in making the event an enjoyable one. A pleasant evening was spent and the guests enjoyed a delightful repast prepared by the hostess. Mr. and Mrs. Rogers were presented with a handsome silver set in remembrance of the occasion.

CASH CARRIER SYSTEM.

The Ed Erickson store is installing a new electrical operated cash carrier system which will prove a great convenience and give better service to the customers. The old system was found to be inadequate and the new one will be in operation in a few days. It is entirely operated by electricity and the carriers operate on rails instead of wires. The system is the latest word in carriers.

NEW SCHOOL WILL BE DEDICATED TONIGHT FAIR SECRETARIES WILL MEET TONIGHT

Fine One Room Structure at Ford River Switch Will Be Formally Opened With An Excellent Program.

Ford River township will dedicate its fourth Standard school this evening with an appropriate program. The school is located at Ford River Switch and it is the best equipped one room school building in the county. The building has just been completed and made ready for occupancy and the program tonight will be a dedicatory one.

County Commissioner of Schools C. U. Woolpert and Superintendent F. E. King of the city schools, will attend and will make addresses. A program will also be given by the pupils. The building is the only school of one room in the county which is equipped with a hot air furnace. The new building is located about a quarter of a mile north of the old log school building. It was largely through the aggressiveness of George Jensen that the new building was secured for the patrons of the district.

Commissioner Woolpert will present the school with a Standard school plate this evening. Delta county now has nine standard schools and of this number Ford River township has four of them.

A meeting of the officers of several county fair associations will be held this evening. Secretary Baker of the Delta County Fair society, called the meeting here for the purpose of making some arrangements as regards to dates for the several fairs in the upper peninsula this fall and also for the purpose of talking over other matters of interest. C. E. Kallfleisch of Manistique, secretary of the Schoolcraft county society; V. F. Gormley, president of the Luce county society; W. A. Ross, secretary of the Marquette county, and E. Noble of the Algoma, Ontario, county society, are expected to be present.
