

LANSING REVEALS CAILLAUX EVIDENCE

FOOD PLEDGE CARD DRIVE TO BE HELD HERE IN FEBRUARY

Mrs. B. D. Winegar, County Manager of the Last Drive, Will Be in Charge of the New Drive, Announced.

ENLIST ALL HOUSEWIVES

New Food Cards will Be Issued by the Food Administration, Administrator Prescott Announces.

Mrs. B. D. Winegar of this city has been re-appointed chairman of Delta county for the next food pledge card campaign, which will be held probably the first week in February in every county of the state under the direction of George A. Prescott, state food administrator.

Administrator Prescott has just issued a list of the county chairmen for Michigan and Mrs. Winegar, who was Delta county chairman during the last food pledge card drive, has again been selected to have charge of the drive. An effort will be made to enlist every housewife in the state into the food conservation movement.

Mrs. Winegar has been advised that the next campaign will be held in February, probably the first week in the month, but details of the plans have not been received here. Mrs. Winegar expects to receive full instructions within a week or so.

Dean Georgia L. White of the Michigan Agricultural college has been selected to have direct charge of the campaign and she has about completed all plans for the drive.

A new home card will be issued by (Continued On Page Two)

CITY EMPLOYEES ARE GIVEN WAGE BOOST

Men of Lighting Plant Are Raised by Board of Public Works and the Council Confirms It.

Wages of the employees of the city lighting plant were increased from eight to twenty per cent by the Board of Public Works at a meeting held recently and the city council after some discussion last evening confirmed the increase, but instructed the city clerk that before any further action of this kind is taken again the board should confer with the city council and mayor.

It was pointed out that the employees of the lighting plant, upon their petition for an increase, had been granted a raise, because the board thought they were entitled to it and also for the reason that it would be hard to keep them without raising their wages. There was some discussion on the matter, some of the aldermen thinking that the increase should not be granted unless the other city employees were given increases and that under the present budget this was impossible. The salaries now received by the employees under the new arrangements are: Charles Johnson, \$110; John Bowden, \$95; Carl Carlson, \$95; Eric Palmer, \$100; John Stockemer, \$77; Henry Roemer, \$77; Albert Hutte, \$95, and William Young, \$65.

SKATING RINK WILL BE MADE FOR "KIDS"

In compliance with a request in a petition signed by sixty or more property owners, the city council last evening voted to establish a skating rink in the 1600 block on Ludington street. The fire department was instructed to make the rink and to keep it in good condition for skating. About four city blocks will be covered and an excellent rink made. A skating rink was maintained there several winters ago.

VALUABLE DIAMOND DRILL BIT FOUND

Negaunee, Mich., Jan. 16.—A diamond drill bit worth \$2,700 has been recovered in the Maas property of the Cleveland-Cliffs company after sixteen years. The drill which contains six large black diamonds was recovered at a depth of 1,285 feet. Miners had been instructed to keep on a lookout for the drill which has greatly increased in value since it was lost, owing to the high price of black diamonds.

SOME MYSTERY

Menominee Police Find Box Containing \$140—Who Took it from a Residence is the Mystery.

Menominee, Mich., Jan. 16.—Menominee has a stolen money mystery which is causing the authorities no end of worry. A small boy found a box containing \$140 in North Menominee, and while it is believed the owner is known, the authorities are at sea to know who stole and planted it. That the work is that of boys is the belief of the authorities. About a month ago the residence of Frank Fransee in this city was entered and a box containing \$240 was taken. The box found is the same box, but it only contained \$140. Where the remainder of the money went and who stole it is being investigated.

WILLARD RESIGNS FROM WAR BOARD

President of the Baltimore & Ohio Will Go Back to His Railroad, Which Needs All His Attention.

(BY ASSOCIATED PRESS) Washington, Jan. 16.—Daniel Willard, president of the Baltimore & Ohio railroad, has resigned as chairman of the war industries board. His resignation will be accepted as soon as a successor is found. In offering his resignation, Mr. Willard gave as his reason that the Baltimore & Ohio required his entire attention. It was stated that his resignation was not brought about by any apparent differences between the war industries board and the re-organization of the war department.

E. J. FRENCH SPENT TWO DAYS ON SNOW BOUND PASSENGER

Train Tied Up Between Madison, Wis., and Chicago; Was Mile From a Station Most of the Time.

E. J. French arrived in the city yesterday from Chicago and told of a very interesting experience in the storm of last week. Mr. French left Madison, Wisconsin, Friday afternoon at 5:29 to go to Chicago, where he expected to arrive about five hours later. Shortly after the train left Madison it was stalled in the snow and did not get out until late Sunday morning. The train was provided with a chair car and diner, but no sleepers. There were 21 passengers in the chair car and when they found out that it might be several hours before the train could move, they secured cards and card games were started.

All night long the passengers dozed, played cards or visited with each other. Saturday morning the conditions were worse than ever. Great drifts of snow nearly covered the (Continued On Page Four)

FAIR STORE ADOPTS CHANGE OF HOURS

In order to meet the requirements of the government in the way of saving coal and electricity the Fair Savings Bank is announcing new hours in this issue of the paper. Commencing tomorrow morning, the store will not be opened until 8:00 o'clock and will be closed every night at 5:30, excepting on Wednesdays and Saturdays, when it will remain open throughout the evening. Mr. Salinsky says he has been watching his trade for the past few weeks and feels that no one will be greatly inconvenienced by the change of hours.

NEW DESTROYER HAS MADE A NEW RECORD

(BY ASSOCIATED PRESS) Washington, Jan. 16.—A new record for sustaining endurance was established by one of the new "flush deck" destroyers, the navy department announced today. The voyage was made from the Pacific to the Atlantic and occupied ten and a half days, the average speed being 19.15 knots an hour. A new record was also set in the construction of the vessel, only 51 weeks having elapsed from the laying of the keel to the date of launching.

GERMAN ATTACK ON FRENCH POSITIONS ON VERDUN FAILED

Teutons Attempt to Break Down French Lines Northwest of Verdun and Are Beaten by Defenders.

ITALIAN FRONT IS QUIET

Austro-Germans Have Made no Attempt to Renew Battle in Which Italians Gained Valuable Ground.

(Associated Press War Summary) On the western and Italian fronts the winter monotony has been broken by spirited action. German troops have replied only with artillery fire to the daring Italian advance which resulted in the capture of observation posts on Monte Asolone. The Italians raided the enemy positions east of Monte Asolone and enlarged their bridgehead on the lower Plave east of Caop Site. Four hundred prisoners and much war material was captured. German Statement. Berlin, Jan. 16.—French troops after several hours of artillery preparation delivered an attack in the vicinity of Hadon Hill in the Vosges region and temporarily penetrated the German front line trenches, army headquarters announced.

STANDARD OIL NOW IN NEW BUILDINGS

Modern and Convenient Plant is Completed Here and Has Been Occupied by the Local Branch.

The Standard Oil company are now in their new quarters on Stephenson avenue. There are three buildings. The filling station and office, the barn and garage and the big storage plant for package goods. The filling station is on the street for the convenience of automobilists. The barn and garage have a heating plant and another one is installed in the office. The company have spent several thousand dollars in the improvements, which certainly are a credit to the city.

MONEY STOLEN FROM ARMY BANK IS FOUND

Amount Said to Approximate \$62,000 Found in the Walls of Capt. Whisler's Quarters at Camp. (BY ASSOCIATED PRESS) Camp Funston, Jan. 16.—The money taken from the army bank by Captain Lewis Whisler, said to have been more than \$62,000 has been found. It had been hidden in the walls of his quarters in the barracks.

BUTTER AT \$2.25 A POUND, SUGAR 56 CENTS, IN BERLIN

Butter is selling in Berlin at \$2.25 per pound, sugar at 56 cents per pound, ham and bacon at \$2.11 per pound, and soap (five ordinary bars) for \$1.12.

This information was received by the United States Food Administration through a reliable source from a responsible person, who personally had charge of his own apartment in Berlin, as to food prices current in that city previous to his return to this country about October 1.

These prices are from four to five times as high as those now obtaining in the United States.

CHICAGO STATION WAS USED AS DANCE HALL

Snowbound Travelers Had Great Time in C. N. W. Station Dancing to Music by Jackies Band.

Travelers made merry Saturday night in the big Chicago & North-western passenger station in Chicago. Several hundred of them arrived there early in the evening to take the night trains out, but nothing left the depot and the storm had grown so severe that there were not street cars or taxis to get the people back to their hotels. The Great Lakes training station band happened to be there and had to remain all night.

Along about 10:00 o'clock, the band tuned up with a lively two-step and from then until morning five or six hundred people took part in the world's greatest impromptu dance. The band never tired for there were enough members so that some could drop out and rest. The travelers forgot all about being snowed in and declared that they would not have missed the "ball" for the sake of being any other place in the world.

THE WEATHER.

For Escanaba and Vicinity: Local snows tonight and Thursday; little change in temperature. For Upper Michigan: Local snows tonight and Thursday; little change in temperature.

Weather Conditions. The eastern storm has passed beyond the field of observation. A depression of considerable proportions is central over western Ontario. Pressure is high over the northern Rocky Mountain region and over the Pacific coast region. Within the last 24 hours precipitation occurred in the North Atlantic and New England States; in the Dakotas, and in the Plateau and Pacific coast regions. Temperatures have risen generally in the interior sections and Northwest. It is colder in the northeastern portion of the country and in the northern Rocky Mountain region. Local snows are indicated for this locality tonight and Thursday with little change in temperature. Temperature at noon ..... 7 Lowest last night ..... 3

DRASTIC ORDER ON FUEL CONSERVATION ISSUED BY PRUDDEN

Business Places Can Be Heated and Lighted Only Nine Hours a Day; Churches Six Hours Each Week.

MOVIE HOUSES ARE HIT

Order Would Prohibit Them Being Open on Monday and Tuesday; Saloons Would Be Closed at 10 p. m. Daily.

W. H. Clark, chairman of the Delta County Fuel Administration, up to this afternoon had not received official word as to Mr. Prudden's orders of last night, and therefore could not state how the new order would hit Escanaba and Delta county. However, he expected to get word within a short time and a ruling on the effect of the drastic order in this city. It may be possible that Escanaba will not be affected to any extent by the new order, as its electricity is made by water power, not coal, and there is plenty of coal in the county for ordinary needs.

The new order of Mr. Prudden was of great interest to the merchants and business houses of the city and it caused no small amount of worry. Lack of information as to how it would affect Delta county added to the unrest.

Lansing, Mich., Jan. 16.—Many of the sharp requirements contained in the so-called "Boston order" are included in a sweeping order for coal conservation, issued last night by (Continued On Page Four)

FATHERLAND PARTY HISSSED IN GERMANY

(BY ASSOCIATED PRESS) Amsterdam, Jan. 16.—Frankfort has followed the cities of Jena and Mannheim and has refused to a hearing to the Fatherland party according to German advice. As soon as the chairman of a big meeting called in Frankfort mentioned the Fatherland party, a tumult broke out and rioting followed. The police had to disperse the meeting.

WILL NOT URGE THE EMPLOYMENT WOMEN

(BY ASSOCIATED PRESS) Washington, Jan. 16.—The newly created labor administration announced today that it would not be the administration's policy to introduce women for positions for which men are available and that there would be no reduction in the wage scale because of the employment of women in the place of men.

They'll Be Lower

No Shoes for Women Over Nine Inches in Height Will Be Made for the Fall Season.

(BY ASSOCIATED PRESS) New York, Jan. 16.—In order that the makers of shoes apply the conservative lower boots were decreed for women by the National Boot and Shoe Manufacturers' association which concluded its annual meeting here today. The height of women's shoes will not exceed nine inches above the heel. Women's shoes will be made in black, white, two shades of tan and two of gray. Men's shoes will be made in blue and two shades of tan.

RUSSIAN PREMIER ESCAPES ATTACKS

Nikolai Lenine Is Fired Upon While in His Automobile in Petrograd, According to Reports Today.

(BY ASSOCIATED PRESS) Petrograd, Jan. 16.—An automobile carrying Nikolai Lenine, the Bolshevik premier, it is reported, was fired upon when it was being driven to deliver the premier at a meeting of the council of the people's commissaries. Four shots were fired. Lenine was not hurt. A bullet shattered the window of the car. A member of the party with the premier was wounded in the hand.

CHIEF TOLAN READY FOR REGISTRATION OF ALIEN ENEMIES

Instructions Regarding Registration February 4 to 9 Have Been Received From United States Marshal.

Preparations are being made by Chief of Police John J. Tolan to register all male German aliens during the week of February 4 to 9. He will follow out the orders of the government in every detail and is preparing to register the name of every alien enemy in Escanaba over 14 years of age.

Instructions on how to proceed have been received from United States Marshal Herman O'Connor of the Western district of Michigan at Grand Rapids. The blanks for registering the men have not been received but are expected before long.

The registration will be conducted at the police station where each enemy alien of the age prescribed must come and give his life history, have his finger prints taken and present four photographs of himself. The photographs will be attached to the papers which must be filled out. Chief Tolan has secured equipment for the purpose of taking finger prints and is ready to comply with the government orders as soon as the time arrives for the registration.

HERMANVILLE MAN DIED AFTER INJURY

John Tomasi, an Employee of the Wisconsin Land & Timber Company, Succumbs to Fracture of Skull.

As the result of being struck on the head with a log which fell from a loaded car, John Tomasi, of Hermansville, an employee of the Wisconsin Land & Lumber company, died in a local hospital this morning just twelve hours after he was brought here for medical treatment.

The body was taken to the undertaking parlors of J. B. Wilkinson, where it will be prepared for burial and will be sent to Hermansville tomorrow for burial. Tomasi was brought to this city last evening by Dr. Palmer of Hermansville, in a very serious condition. His skull was fractured when he was struck on the head with a log which rolled off a car. He is a single man and had worked for some time for the Wisconsin company. The accident occurred at 5 o'clock and he was brought here at 9 p. m.

ACTION OF FORMER FRENCH PREMIER IS TOLD IN MESSAGES

Messages Alleged to have Been Sent by Bernstorff Give Outline of the Charges Against Caillaux.

ARRESTED FOR TREASON

Former French Prime Minister Is Now Awaiting Trial in Paris for Plots Against His Own Government.

(BY ASSOCIATED PRESS) Washington, Jan. 16.—From its mysterious stock of intercepted diplomatic communications between von Bernstorff, the former German ambassador and the Berlin foreign office, the state department today made public messages showing that former Premier Caillaux of France was in communication with German agents in 1915. The first Bernstorff dispatch contains some very damaging evidence as to Caillaux's reference to the French government and warns German newspapers against praising him. Another gave notice of his sailing from Buenos Aires and planned his capture by a submarine. The captain of the ship was known to carry important papers. The German government was asked to treat Caillaux with courtesy if the ship was taken. Following is the text of the message: "Buenos Aires telegraph the following: 'Caillaux has left Buenos Aires after a short stay and is going to France evidently on account of (group undecipherable) scandal which is regarded (Continued On Page Four)'"

CATTLE MEN TO AID BIG INVESTIGATION

(BY ASSOCIATED PRESS) Salt Lake City, Utah, Jan. 16.—Delegates attending the twenty-first annual convention of the American Live Stock association today pledged themselves to subscribe \$30,000 to a fund for maintaining a special committee in Washington to confer with the food administration on all matters affecting the live stock industry and to aid the federal trade commission in making an investigation into the operations of the packers.

Louis F. Swift of Chicago, who spoke in defense of the packers in replying to the report of the market committee, offered to subscribe \$1,000 to the fund. The offer was refused. (Continued On Page Four)

DELTA HOMESTEAD HAS INTERESTING MEETING

A very interesting meeting was held last evening by Delta Homestead of Brotherhood of American Yeomen at North Star hall. Miss Mary Loritz was installed as the correspondent and Isadore Cyr as master of accounts for the ensuing year. Andrew Buckley was presented with a past honorable foreman's pin as appreciation of his long and untiring good work for the order. The correspondent will maintain her office at the Escanaba Daily Mirror and all payments in the future will be made at that office. The office hours will be from 8:30 a. m. to 5:30 p. m. Open every Wednesday and Saturday evening from 7 to 9 p. m.

BOLSHEVIKI THREATEN TO CRUSH ROUMANIA

(BY ASSOCIATED PRESS) Petrograd, Jan. 16.—The council of national commissioners has sent an ultimatum to Roumania, demanding the release of the Bolsheviks recently arrested in that county and the punishment of the officers who ordered the disarming of the Russian troops, and guarantees for the future. It must be answered within 24 hours or extreme measures will be taken.

HUNGARIAN CABINET HAS QUIT, REPORTED

(BY ASSOCIATED PRESS) London, Jan. 16.—The resignation of the Hungarian cabinet on account of the necessary supplementary policy, is reported (Continued On Page Four)

THE SOONER THE BETTER.

Economy, thrift, and frugality must be practiced in the United States sooner or later, and the sooner the better, if disaster is to be averted. "If need be, we will wreck the business of luxury for the time being," said Mr. Vanderlip, in his speech at the Boston City Club. "We are facing a danger that threatens the very foundations of our society. I am convinced that this danger is the most real and serious one that we have ever faced. We are going to face it. Get this lesson well fixed in your minds. The dollar always employs labor; if it falls into the wrong pan of the scale, it threatens our success in this war. Remember, it is a traitor dollar, a close ally of the enemy, if we spend it for the wrong thing."
The United States is engaged, with its allies, in a war that can be ended only by victory, if it is to be ended rightly and finally. The winning of that war, therefore, overtops everything else in importance. Success at the front is of far greater moment than success in business, in professional occupations, in any common walk of life. Nothing within the human domain; nothing in human production, nothing of learning or of skill, nothing that makes for entertainment or for pleasure, especially nothing that makes for the gratification of pampered appetites, has precedence over the duty of winning the war.

A SECRETARY OF MUNITIONS.

Major General Crozier's testimony before the Senate Committee on Military Affairs shows the presence of a superabundance of red tape in the War Department.
Red tape and speed do not trot well together in double harness. If there is to be speed, the red tape must be cut.
Speed, and especially speed in the War Department, has become a necessity. The war has brought many burdens. This is particularly true of Secretary Baker's department. What is the remedy? Plainly in the creation of a new department devoted exclu-

sively to munitions. Let us have a Secretary of Munitions and let him be a practical man with the wide experience of actual army service, not a professor from an inland college, such as is Fuel Administrator Garfield, or a civilian from a western city who is a pacifist at heart, as is Secretary Baker. A man of the calibre of General Leonard Wood would fill the bill.—Philadelphia Inquirer.

WAR RECIPES

Conducted by Miss McKittrick of the Domestic Science Department of the Escanaba High School.

HOMINY HOT STUFF.
2 tbsp. butter.
2 tbsp. flour.
2 tbsp. Worcestershire sauce.
1 pt. cooked hominy.
1 1/2 c. milk.
1 tsp. salt.
1/4 tsp. pepper.
1/2 c. buttered bread crumbs.
Method—Melt the butter in a saucepan and when it begins to brown stir in the flour, mixing thoroughly. Add the sauce and when well blended pour in the milk gradually and cook until it thickens, stirring constantly. Rice or potato water may be used instead of milk. Add salt and pepper and pour into the cooked hominy, mixing well, and turn into a greased baking dish. Place buttered crumbs on top, dust with salt and pepper and bake until hominy is very hot and brown on top.

U-BOAT LOSSES FAR EXCEED NEW TONNAGE

Food Administrator Prescott Prints Figures on the Submarine Menace to Show Real Conditions.

Lansing, Jan. 16.—Ocean tonnage is a matter of vital importance in the food problem. Aside from the fact that because of the submarine menace the ocean tonnage situation is very bad, nothing absolutely definite seems to be known. Probably the latest and most authentic figures were given by Lord Beresford about the first of last October. He stated that from August, 1914, when the war broke out to January, 1917, the number of tons of shipping sunk totaled 4,000,000. From January 1 to September 30, 1917, 6,000,000 more tons were sunk, and he estimated from September 30, 1917, to January 1, 1918, 2,000,000 more tons would be sunk, which would make a total of 12,000,000 tons of shipping sunk since the beginning of the war. He also stated that since the beginning of the war the amount of shipping constructed was 5,500,000 tons, leaving the net loss on January 1, 1918, at 6,500,000 tons. The entire merchant marine of the United States capable of transoceanic duty consists of 3,721,896 tons. The construction of ships from January 1 to June 1, 1917, in the United States amounted to 503,922 tons, less than one-tenth of the conceded loss of shipping since the war began.

No Bottoms to Ship Australian Wheat

England purchased millions of bushels of wheat in Australia before the scarcity of ships became so alarming, paying \$1 a bushel. But England is leaving it untouched, to buy in America wheat that costs more than \$2 a bushel, simply because the world has not enough ships to divert any from the shorter channels of American trade. That gives an idea of the present shipping situation. Unless America feeds them, our associates will be unable to maintain their health and strength even if the rest of the world has plenty.

REGISTRATION WILL BE HELD MARCH 18 TO 25

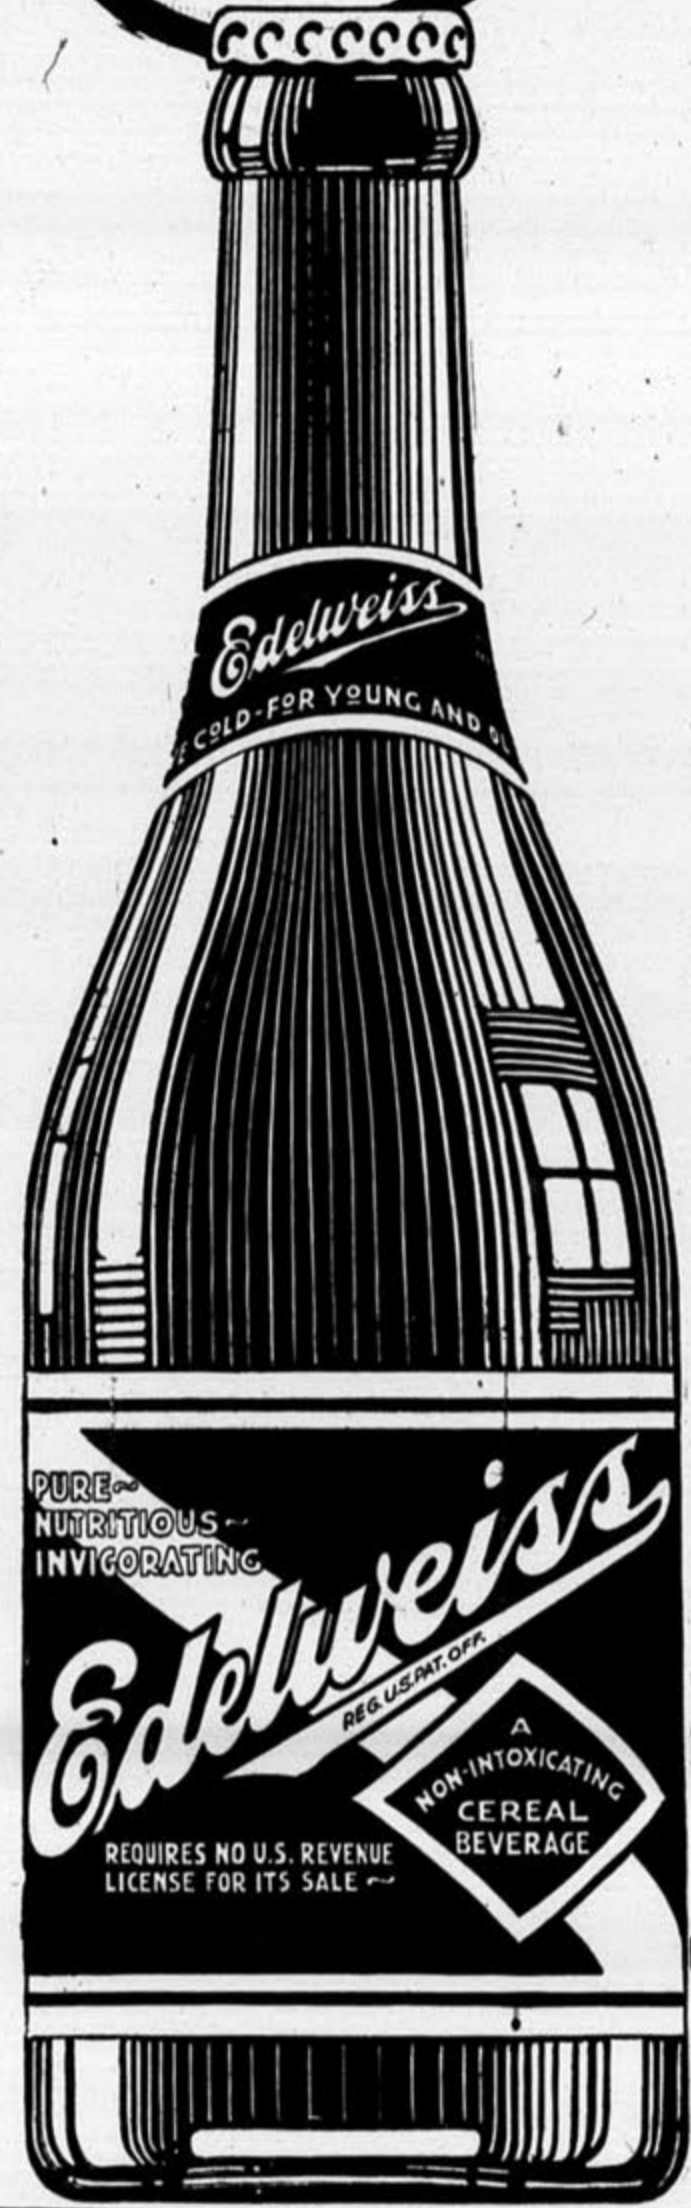

Mrs. Winegar is Advised of the State Registration of Women for War Service Which Will Be Soon.

Preparations are being made in Delta county for the registration of women for war service by the Michigan Woman's Defense committee through Mrs. B. D. Winegar, county chairman. Mrs. Winegar has been advised that the registration will be conducted between March 18 and 25. The Delta county organization intends to take hold of the registration and see that all women are registered for some service. A registration conference will be held at Detroit on January 17 and 18 when final plans will be made for the registration. Few details have been announced thus far, but it is expected that more information will be available after the Detroit conference.

OFFERS BUILDING TO HOUSE THE CITY POOR

William Kratze, a communication to the city council last evening offered to lease the twelve room building at the corner of Harrison and Market street to the city for a tenement house. The matter was referred to the city poor commissioner and the poor committee of the council. It was pointed out that the building could be made to accommodate eight families and that the heat could be furnished from one plant.

Sault Ste. Marie, Mich., Jan. 16.—Soldiers of the 41st Infantry stationed here may be prohibited from visiting some restaurants, shops and barber-shops because of unsanitary conditions, alleged to exist. A government agent is making an investigation of the alleged conditions.

Food Pledge Card Drive To Be Held Here In February

(Continued From Page One) the food administration soon, according to Mr. Prescott, who has the following message to women of the state: "In order that the housewives may know the facts the U. S. Food Administration will issue shortly a new home card carrying a message from Herbert Hoover that puts the situation squarely before the members of the Administration. They are thus taken into the confidence of Mr. Hoover, which is their due as a member," said Mr. Prescott.

Don't Stay Gray! Here's an Old-time Recipe that Anybody can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

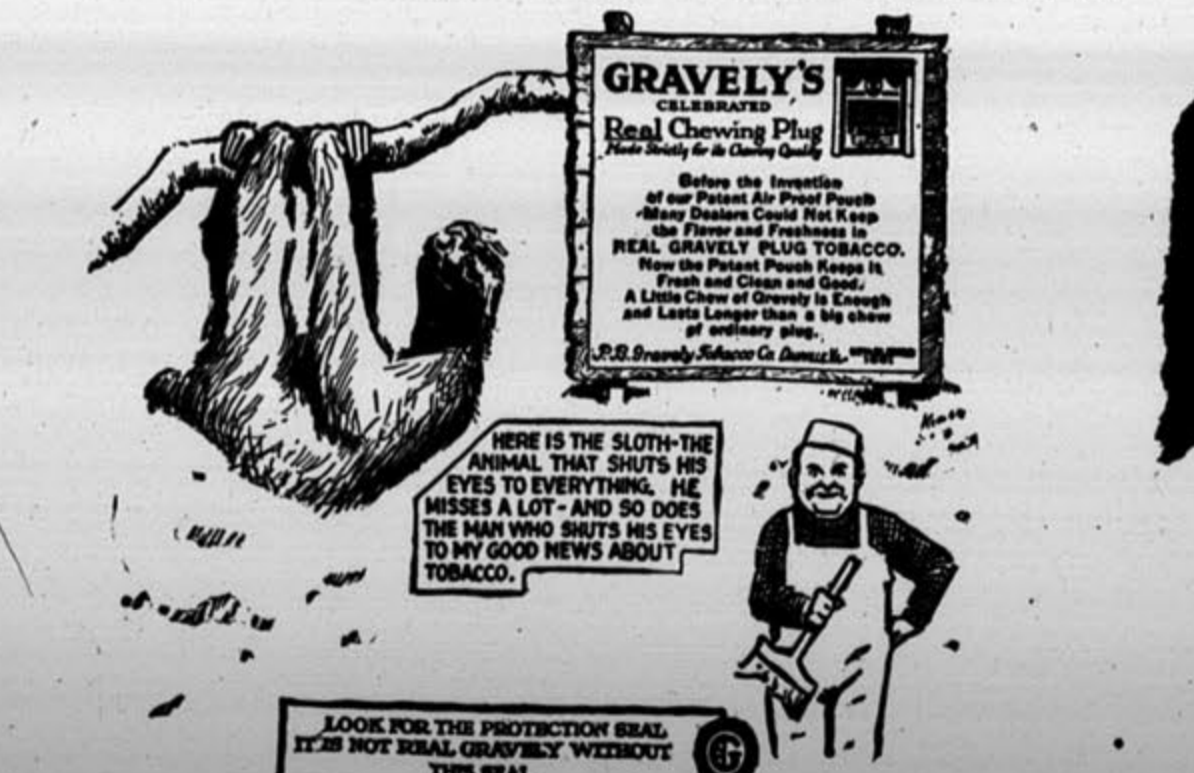

SAGE TEA DARKENS HAIR TO ANY SHADE

ing the game squarely and counts on us to do the same. The American people cannot expect more than their share of the food supply which for 1918 does not measure up to expectations. It is now time for every American to get these facts by heart, and make a frontal attack on the situation. "More than ten million families have pledged themselves to help make the food go around—this pledge, unless we interpret patriotism as mere lip loyalty and insincere affection, is a pledge to service as real as that of the soldier. The pledge card is not a mere scrap of paper, but the pledge of the American women to stand by the declaration of war."

FEDERAL EMPLOYEES AT THE SOO ARE RAISED

Sault Ste. Marie, Mich., Jan. 16.—Thomas M. Ross, secretary of the local union of federal employees, has received word to the effect that certain increases in wages for the lockmen had been granted beginning January 1 and that other wages will be adjusted to meet the increased cost of living. The action of the war department in granting the increases was the result of nine months of agitation by the men for increases. The average pay is from \$55 to \$75 a month and many of the men had to do outside work in order to make a living.

MENOMINEE GROCERS WILL SELL FOR CASH

THE THEATRES

AT THE DELFT. Lina Cavallieri in "The Eternal Temptress" will be the feature at the Delft theatre today. Mae Tinee of the Chicago Tribune pays the following tribute to Miss Cavallieri in the leading role.

It is with difficulty that I now refrain from indulging in an orgy of adjectives. "The Eternal Temptress" with its manifold excellencies seems to demand them. It has story; it has settings; it has splendid cast, acting and, last and most important, it is quenced over by a beautiful woman whose beauty is secondary to her charm and histrionic ability.

In her role of widow and so termed "dancer" she holds in her toils the heart and purse of the son of a distinguished American diplomat. Miss Cavallieri creates a new type of "vampire" she is extravagant, a luxury loving, but not cernery. A parasite if you will but not an intentional one.

ELSIE FERGUSON HERE.

The matter of supplying a star with a vehicle that she personally feels is particularly adapted to her capabilities is by no means the most simple procedure in the activities of the producer. At the Artcraft studio recently, Elsie Ferguson, the famous stage beauty, who makes her screen debut in "Barbary Sheep" at the Delft theatre Thursday and Friday, expressed great delight over the selection of this story as her first motion picture play. "Barbary Sheep" said the popular stage star, "is, I feel, an ideal play for me. The part of Lady Wyverne, the English noblewoman, fits me perfectly, and in reading, Robert Hichens' description of the young lady I almost thought he was painting my own picture, even to the color of my hair. I hope I have done the part full justice and that the public will enjoy seeing this characterization to as great an extent as I did in portraying it."

AT THE STRAND.

Perfection Pictures present "The Dream Doll," the wonderful story of a doll that comes to life and falls in love with a real flesh and blood girl.

Also two new Keith vaudeville acts, presented by Sam Jacobs, Hebrew comedian, and Carrol and Cassin, man and lady in comedy singing, talking and dancing act.

MARINETTE MAY VOTE ON "DRY" QUESTION

Petitions Are Being Circulated by the "Drys" to Bring the Prohibition Matter to a Vote.

Menominee, Mich., Jan. 16.—Marinette, Wis., where many upper peninsula saloon keepers are trying to secure licenses for the coming year because of the going dry of Michigan on May 1, bids fair to have a hard wet and dry fight this spring. Petitions to bring the matter to a vote are being circulated by the drys and it is understood that most of the names needed to bring the matter to a vote have already been secured. Together with Florence, Wis., Marinette will be one of the principal wet cities on the Michigan border after Michigan goes into the dry column.

GARDEN BRANCH OF RED CROSS FORMED

At a well attended meeting in the high school at Garden yesterday a branch of the Delta County chapter of the Red Cross was formed by Mrs. A. C. Barras and Mrs. I. G. English.

The following officers were elected: Chairman, Superintendent of Schools F. G. Tebo; vice chairman, Mrs. H. Headfield; secretary, Mrs. E. J. Bureau; treasurer, Miss Mildred Delorier.

A quantity of work was given out and great results will be looked for from the Garden branch.

Rev. Father Blinn, of Schaeffer, visited here Monday.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards' Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—tick headache—torpid liver and are constipated, you'll find quick, sure and truly pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

GOODMAN MAN FROZE TO DEATH IN WOODS

Iron Mountain, Mich., Jan. 16.—Walter Larson, 39 years old, clerk in the Goodman Lumber company's store at Goodman, Wis., was frozen to death on the St. Paul road near Antlers' spur near here. The man was walking towards Goodman from Penbina when he was taken with exhaustion. John Champagne, a fellow employe, who was with him came here for help and when the chief of police found Larson he was dead on the tracks, having died during the time his friend left and when help arrived.

DELFT THEATRE TONIGHT ONLY LINA CAVALIERI "The Eternal Temptress" A POWERFUL EMOTIONAL STORY

CITY OFFICERS MAKE MONTHLY STATEMENTS

City officers made their reports for the month of December to the city council last evening.

Dr. William Firkus, city veterinarian, reported that he made seventeen milk inspections during the month.

City Electrician Johnson reported making 31 inspections and the collection of \$19 in fees.

Chief Miller of the fire department reported that \$1.39 was expended to maintain the fire truck and \$56.19 for the two teams.

The weighing of 137 loads in the city scales during the month, of which 95 were commercial loads, was reported by City Weighmaster Joseph Carney.

The monthly report of the health department showed five cases of chicken pox, two of scarlet fever, one of diphtheria, eight of tuberculosis. Eighteen nuisances were investigated. 61 calls made upon indigent persons and ten samples of water tested.

Justice Glaser reported six cases in his court and \$15 in fines collected, while Justice McEwen reported six cases and \$20 in fines.

Frank H. Atkins, poor commissioner, reported that the poor in the city had cost the city \$150 less during the past month at an average cost of \$3.70.

The matter of raising the wages of James Collins, an employe on the street department, from \$60 to \$65 was referred to the sewer committee.

The petition of the Northwestern road to run a water main under Hartnett avenue to their ore docks was referred to the street committee.

Dated, January 14th, 1918. JAMES C. BAKER, Sec'y.

COOKING PAMPHLETS BEING DISTRIBUTED

State Food Administration sends Large Number of Recipes and Conservation Hints to Mrs. Winegar.

Through the city schools, the state food administration is distributing a large number of pamphlets containing recipes and food conservation hints in Escanaba. The literature was received by Mrs. B. D. Winegar, Delta county chairman of the Woman's committee of the Council of National Defense, who made arrangements for the distribution to the homes through the school children.

Mrs. Winegar asks all housewives to look the pamphlets over carefully as some very interesting information and recipes are contained therein. She asks on the part of the food administration that women use the re-

# An Invitation To the People of Escanaba

We are now located in our new plant on Stephenson Avenue and invite you to come and see us. Everything is convenient to take care of your gasoline and lubricating wants.

The new plant is second to none in the United States and it has been erected at a time when building material is at the high water mark. We think it expresses our confidence in the future of Escanaba as much as anything we might do.

It is our aim to sell you our merchandise at the right price. The price varies as conditions change, but you may be sure we will always sell to you at the lowest figure.

We want you to stop at our plant the next time you are in that vicinity. Our local manager will be glad to show you the facilities we have for taking care of your needs.

SETH C. DRAKE, General Manager

### Drastic Order On Fuel Conservation Issued By Prudden

(Continued From Page One) State Fuel Administrator W. K. Prudden. The order will become effective January 17. Mr. Prudden declared there is less than 500 tons of free coal in Michigan, outside of Detroit, at present. The order allows retail and wholesale stores, office buildings, and all places of business to be heated and lighted nine consecutive hours on all week days, except Saturday, when a limit of twelve is allowed. The closing hour must not be later than 10 p. m. Restaurants and lunch rooms,

which are now operating twenty-four hours, are included in this order, but eating places may be operated during nine hours at night, if permission is obtained from the mayor. Churches are allowed to be heated six hours a week. Theaters and motion picture houses must be closed on Monday and Tuesday. On other days they are allowed to be open for five hours, with the closing hour not later than 11 p. m. Bars and cafes must close at 10 p. m. Outside advertising signs are prohibited. Inside lighting in stores, after closing hours, is limited to "safety lights." Administrator Prudden said the order would result in a daily saving of 1,000 tons of coal.

### STEAMER TEXAN DID NOT GO TO BOTTOM

Vessel Which Went to Its Rescue Reports That the Crew is Safe Aboard and Vessel is Damaged.

(BY ASSOCIATED PRESS) An Atlantic Port, Jan. 16.—A vessel proceeding to the assistance of the steamer Texan which sent out an S. O. S. call on Monday saying she was sinking, reports that the Texan was badly damaged but that the crew was safe aboard her. The ship's steering gear was disabled and a hole was made in her side by a collision with another vessel, the name of which had not been revealed.

### COUNCIL TO CONSIDER NEW FORM GOVERNMENT

Special Meeting of the Aldermen Will Be Held Next Tuesday Evening to Discuss Recommendations.

A special meeting of the city council will be held next Tuesday evening for the purpose of discussing the commission-manager form of government and to outline a campaign for the education of the people on the merits of the new form of government. Alderman C. M. Cuthbert, who attended the sessions of the National League of Municipalities, the National Bureau of Municipal Research and the National Association of City Managers which were held at Detroit, recently, will make a report on his trip before the council at this meeting. A comprehensive report on the benefits of the commission-manager form of government has been prepared by Dr. Cuthbert, based on his observations at Detroit and upon a careful study of the form of municipal government and he is expected to present the matter in a light which will be highly educational to those who do not understand it.

### SKATERS REQUESTED TO HELP MAKE RINK

Chief William Meier of the fire department, today issued a call for help. He has been instructed to flood a skating rink in the 1600 block on Ludington street and he wants some of the skaters who signed the petition which was presented to the council to help him get the ground ready and banks made to hold the water. He explains that the work can be done by the fire department, but that the sooner the work is done, the earlier skating will be available.

### BOMB IS FOUND NEAR NAVY YARD DRY DOCK

Missile Bore a Tag on Which Was Written in German: "This is a 25-Second Explosive Bomb."

(BY ASSOCIATED PRESS) An Atlantic Port, Jan. 16.—A metal tube resembling a bomb was found today beside a dry dock in the navy yard. The supposed bomb was six inches in length, wound with string and wire and had a fuse attached. Written in German and attached to the bomb were these words: "This is a 25 second explosive bomb." The officials declined to be more specific regarding the character of the missile.

### ORDER TO CUT OFF COAL TO INDUSTRY

(BY ASSOCIATED PRESS) Washington, Jan. 16.—An order cutting off the coal supply to a number of the less essential industries is under preparations today by the fuel administration. It will limit the supply to industries until the fuel shortage is relieved in the east.

### STATE RATE LAWS TO CONTINUE IN FORCE

(BY ASSOCIATED PRESS) Washington, Jan. 16.—All state railway rate laws and regulations will remain in full force and effect under government operation, Director General McAdoo told delegates representing the National Association of Railway and Utilities commissions.

### MEN OVER 31 YEARS NOW MAY BE EXEMPT

(BY ASSOCIATED PRESS) Washington, Jan. 16.—Secretary Baker has advised the senate military affairs committee that the war department favors the discharge from the draft of all men passed 31 years of age, who registered on June 5, 1917, and who have not been called for service.

### CAREFUL FUNERAL IS HELD THIS MORNING

Funeral services for the late Mrs. Ovid Careful of Minneapolis, formerly of this city, were held this morning at 9 o'clock at St. Anne's church. Interment was in St. Anne's cemetery. The services were largely attended.

Joy, the "Big Medicine." Happiness lengthens, broadens and deepens life. And, like the quality of mercy, to be permanent and natural it should not be strained, but should flow freely, first as the result of good digestion that attends on appetite, and next because it makes the persistent will to be glad automatic. Of all the "big medicines" that has ever been brewed in the alembic of science there is nothing so big, so certain, so complete and so satisfying as Joy.—Exchange.

### POSTMASTERS RE-NOMINATED.

(BY ASSOCIATED PRESS) Washington, Jan. 16.—President Wilson has renominated the postmaster at Hancock, Mich., and those at Sheboygan and Sheboygan Falls, Wis.

### MILITARY BURIAL FOR PRIVATE OLAF OLSEN

First Delta County Boy to Die in Service of His Country was Buried This Afternoon at Stonington.

The body of Private Olaf C. Olsen, the first Delta county man to give his life for his country, was laid to rest this afternoon in Lakewood cemetery at Stonington, following a military funeral conducted at the Norwegian Lutheran church at that place.

Members of the Rapid River company of State Troops and of the Eagles Drill team of this city, attended the funeral and formed a military escort to the body as it was conducted from this city to the church across the bay, and also served as an escort during the trip from the church to the cemetery.

The body was taken to Stonington this morning in a sleigh which was preceded by three other rigs carrying members of the State Troops and of the other military organizations. The casket was covered with a great American flag. The start was made at 10:15 and the funeral services were conducted at 1 o'clock by Rev. O. C. Dahlager of the Norwegian Lutheran church of this city.

Special music was furnished by a choir. The funeral services were largely attended, the young man being one of the most popular of the residents of Bay de Noc township and one of the first men from the township to enter military service. The impressive services were fitting in every detail with the nature of the occasion.

Private Olsen, a son of Martin Olsen, a well known Stonington resident, died a week ago yesterday at Camp Custer. He had been confined to the hospital for several weeks with measles. Word of his death was received by his father the following day. The boy's mother died two weeks before and the son was unable to come home for the funeral.

### WILL ORGANIZE NEW RED CROSS CLASS

Mrs. A. C. Barras and Mrs. I. G. English went to Cornell this morning to organize a Red Cross knitting class. The women of that village are very anxious to get started on the work and will undoubtedly make a good showing.

### SURPRISE PARTY

Miss Helen Starrine was most pleasantly surprised by a party of her friends Monday evening at her home on Escanaba avenue. The evening was most pleasantly spent at dancing and games, after which dainty refreshments were served.

### E. J. French Spent Two Days On Snow Bound Passenger

(Continued From Page One) train. One of the train crew braved the storm and went to the nearest town which was about a mile distant and when he returned he brought a message from the village president to the effect that arrangements would be made to care for the passengers at the different homes as long as they were snow bound. There was no hotel in the village, but the people threw open their homes for those who cared to accept their hospitality. As it meant a mile struggle through the snow a number of the passengers stuck to the train. Sunday morning the snow shoveling army arrived and the train was released. The dining car was thrown open to the passengers and no charge was made for the food, but it was limited and had to be conserved to more or less of an extent.

### Action Of Former French Premier Is Told In Messages

(Continued From Page One) as a personal attack on him. He speaks uncomplimentarily of the president and the rest of the French government with the exception of Briand. He sees through the policy of England perfectly. He does not anticipate complete overthrow of France. He sees in the war a struggle for existence by England. He warns us against excessive praise by the newspapers, especially the Neue Prele Presse and desires on the other hand that the Mediterranean and Moroccan agreements should be adversely criticised.

# Steam & Heating Coal

Phone 199

His report about Brazil contained nothing. When he returns to France he will take up his residence in his own constituency.

(Signed Bernstorff: "Another message Bernstorff had forwarded from Havana was as follows: "Tell Rio De Janeiro telegraph steamer Araguaya left Buenos Aires on January 30. The captain carries important papers. Its capture is desirable. Caillaux is on board. In case of capture Caillaux should be treated courteously. Can inform the cruisers!"

(Signed Bernstorff: "The instructions of the German censor to the newspapers on June 15, 1916, were: "For political reasons it is urgent that nothing be published about former Prime Minister Caillaux and that his name be not mentioned under any circumstances." Caillaux is now awaiting trial for treason through the revelations which developed in the Bolo Pasha case.

# Save Coal Save Light

In compliance with the Government's request of reducing the consumption of coal and electric current to the minimum, this store has arranged store hours

## Saving Eight Hours A Week

Instead of opening store at 7 o'clock in the morning, as now, the store will open at 8 o'clock and close at 5:30, with the exception of

## Wednesdays and Saturdays

When store will be open as usual.

THESE NEW STORE HOURS TO GO INTO EFFECT THURSDAY A. M. OF THIS WEEK

By adopting this new store time, instead of reducing hours of coal and current consumption three hours a week, as suggested by the Local Fuel Administration, we, by this arrangement, will reduce hours of coal and current consumption eight hours a week.

"DO YOUR BIT"—Arrange your shopping time in accordance with these store hours.

Monday, Tuesday, Thursday and Friday  
Store Hours 8 A. M. to 5:30 P. M.

Wednesday  
8 a. m. to 9:00 p. m.

Saturday  
8 a. m. to 9:30 p. m.

# HAVE MONEY

1¢ 2¢ 5¢ 10¢ will start you in our CHRISTMAS BANKING CLUB

Come in, let us show you how in 50 weeks you can have from \$12.75 to \$127.50

All you need to do is to bring in 1 cent, 2 cents, 5 cents, or 10c cents, and join our Christmas Banking Club. Each week following you increase your deposit the same amount you started with. For instance, if you join the 5 Cent Club, second week you deposit 10 cents, third week 15 cents, and increase your deposit a nickel each week.

In 50 weeks:

10 Cent Club Pays	\$127.50
5 Cent Club Pays	63.75
2 Cent Club Pays	25.50
1 Cent Club Pays	12.75

Or, you can make the largest payment first and decrease your payments each week.

We also have 50 Cent, \$1.00 and \$5.00 Clubs, where you pay in the same amount each week.

We add 3 per cent interest.

Come in and ask about it!
