TUSCANIA LOSS WILL BE NEAR TO 200

HEATLESS MONDAYS ABANDONED IN ALL SOUTHERN STATES

Fuel Administration Orders Abandonment of the Fuel Restrictions in States South of Virginia.

CONDITIONS ARE BETTER With Better Railroad Conditions and Warmer Weather, Administration Hopes Next Monday Will Be Last.

(BY ASSOCIATED PRESS) Washington, Feb. 8.—With the total abandonment of heatless Mondays throughout the states south of Virginia today the fuel administration officials hoped with continued warm weather and improved traffic conditions to permit the relaxation of the order all over the United States after next Monday.

As Saturday will be observed as a half holiday and next Tuesday is Lincoln's birthday anniversary, there will be three and a half days shutdown. Officials believed this will go far to relieve the situation. The original order called for the last heatless Monday on March 26.

CHILD BADLY BURNED WHILE MOTHER AWAY

The four years' old daughter of Mr. and Mrs. Alphonse L. Lalaba, corner Washington avenue and Tenth street, North Escanaba, was seriously burned in a house fire in a basement. The child has not been determined. The little child was left in the house by the mother who went to a neighbors. When the mother left the child was reading a large catalog. Upon the return of the mother, she found the child to be seriously burned about the head and face, and it was feared for a time that the child would not recover. A marked improvement in the condition of the child is shown, and outside of bad scars, the child will completely recover.

BILL TO REGISTER ALL MEN 21 YEARS OLD IS FAVORABLY REPORTED

Senate Military Committee Approves Bill to Take Younger Men in Army As They Become of Age.

(BY ASSOCIATED PRESS) Washington, Feb. 8.—A favorable report on the war department's bill amending the selective draft law to require the registration of men as they reach their twenty-first year and basing the quota on the number of men in Class One, instead of on state population, was unanimously ordered today by the senate military committee.

The proposal to exempt men as they reach 31 years, if they have not been drafted, which was opposed by the provost marshal general, was not included in the bill.

An amendment proposed by Senator New of Indiana to require the registration of all youths at 19 years and over was also rejected.

TEACHERS WILL HELP LOCAL DRAFT BOARD

The local draft board has been notified by Principal P. A. Lint of the high school that fifteen teachers in the Escanaba schools have volunteered their services to the board to make occupational classifications and reports of the registered men in Delta county.

The board has been asked to make a report at once, showing the occupations of each registered man in the county, the same to be a part of the records of the war department. This task will be a big one and can only be handled with extra help. The war department appealed to the teachers throughout the country to help with this work, and when the matter was presented to the Escanaba teachers, enough of them volunteered to do the work in a comparatively short time.

WISCONSIN COLONEL NOT ON THE TUSCANIA

(BY ASSOCIATED PRESS) LaCrosse, Wis., Feb. 8.—Definite information that Colonel Robert McCoy of Sparta was not aboard the sunken Tuscania, despite the announcement yesterday to that effect, was received by relatives today. A letter from Colonel McCoy written at Camp Merritt, N. J., on February 4, announcing that he and his two sons, Lieutenant Bruce McCoy and Sergeant Robert McCoy, had been delayed at the camp.

BROOKS PROMOTED TO AGENCY MANAGER FOR EQUITABLE COMPANY

Well Known Insurance Man Will Have His Headquarters in Grand Rapids; C. E. Snyder Is Promoted.

P. L. Brooks, for the past two years district manager of The Equitable Life Assurance society, has just been given a fine promotion to agency manager for the entire Saginaw district. His splendid organization work in the upper peninsula has challenged the attention of the New York office.

Mr. Brooks had the keen satisfaction of seeing three of his upper peninsula men capture the first three places in point of personal production in the whole Saginaw agency for the year 1917; this in spite of the fact that they were pitted against older and more experienced life insurance men.

When the position of agency manager for the Saginaw district became vacant through a much merited promotion of C. E. Snyder.

NO ESCANABA BOYS ABOARD TRANSPORT SUNK IN ATLANTIC

Associated Press Bureau At Detroit Authority for Statement Today; Parents Will Feel Relieved.

The Associated Press bureau at Detroit, which has compiled a list of Michigan men aboard the Tuscania, sunk Tuesday night by a submarine, advises The Mirror that no Escanaba boys were aboard the transport.

This news will be welcomed by a number of Escanaba parents who have been worrying a great deal since the news of the disaster was made public.

Mrs. William McDonald, 204 Michigan avenue, whose son, James, is a member of Company D of the 107th Engineers, is satisfied today that her son was not aboard the vessel. She was greatly worried when it was reported that the 107th Engineers' train was aboard the Tuscania, believing that the whole unit was the 107th engineers.

Other parents who have sons in the Twentieth engineers were relieved yesterday to learn that only Companies D, E, and F, and headquarters company of the Twentieth were aboard and that the other companies were not included in the list of men aboard.

While it is certain that some upper peninsula men were aboard the Tuscania, being mostly from the Copper Country, it is assured that none from this vicinity were aboard.

MANY GERMAN ALIENS REGISTERED TODAY

Up to a late hour this afternoon about twenty German aliens had registered with the chief of police and there were indications that a number more would apply for registration before the registration closes tomorrow evening.

The police department was busy today making out the registration papers of a dozen or more aliens who made application for registration. Attention of German aliens is called to the fact that all in the city must be registered by tomorrow night.

GREENE FUNERAL IS TO BE ON SATURDAY

Funeral services will be held tomorrow morning at the Catholic church at Fayette for Mrs. I. M. Greene, late pioneer of that part of the county, who passed away early yesterday morning at a local hospital where she had been for several weeks. The body will be buried at Fayette.

ALLIED MISSIONS IN RUSSIA FIRED, REPORT

(BY ASSOCIATED PRESS) Washington, Feb. 8.—An unconfirmed report that all the allied missions at Petrograd had been driven out of Russia by the Bolsheviki and are on their way to the Swedish border was received at the state department through American Minister Morris at Stockholm.

1,300 DISCHARGED MEN AT CUSTER TO RETURN TO SERVICE

New Physical Regulations will Make it Possible to Recall a Large Number Who Were Previously Rejected.

(BY ASSOCIATED PRESS) Battle Creek, Mich., Feb. 8.—More than 1,300 men who were discharged by examining surgeons at Camp Custer entonment, will be returned to the military service as a result of General Crowder's announcement that physical requirements for selective draft men have been modified.

The provost marshal general's announcement states that defective vision, defective hearing, bad teeth, flat feet and hernia no longer will constitute reasons for rejection. Cancellation records show that discharges for these ailments were granted as follows: Defective vision, 453 men; defective ears, 187; bad teeth, 249; flat feet, 146; hernia, 290.

Camp Custer medical officers have (Continued On Page Four)

LATEST ESTIMATES INDICATE LOSS TO BE MORE THAN 101

London Reports, Revised Today, Indicate That Loss Will Be Nearer to 200 Men Than to Early Reports.

MISSING ARE NOT KNOWN

Will Be Impossible to Give the Names of Lost Until Cabled List of Survivors Reaches United States.

(BY ASSOCIATED PRESS) London, Feb. 8.—Revised figures indicate that the loss of the Tuscania probably was considerably in excess of yesterday's figures of 101. It is now indicated that the complete reports will show the loss nearer to 200 than 100.

Reports received at the American embassy yesterday indicated a loss of 101, while the British admiralty's estimate was 210. This discrepancy is due to the fact that the figures supplied to the embassy did not include the missing of which there are still many.

It was announced today that arrangements are being made by British and American officials jointly to have a great military funeral for the Tuscania dead.

DR. W. A. LEMIRE HAS BEEN COMMISSIONED IN MEDICAL RESERVE

Well Known Local Physician, Representative in the Legislature From Delta County, Is Made a Captain.

KEEP ON SAWING.

Heretofore the German authorities have had a swift and effective method for dealing with malcontents. Whenever one of the gentry has become too vociferous he has been promptly seized by the military power and sent to the front where he has been given a nice and deadly post of duty. So long as the obstreperous ones were few in number, this did the "business." But now it seems—as if the cables may be credited—that the ranks of the complainants back home have been swelled to such proportions that nothing short of the troops' best endeavors will suffice to hold them in check; and the despatches hint that the troops are none too eager to begin shooting down their brethren. The experience of Russia shows that there is nothing so paralyzing to military effort as a revolutionary development back in the country; but there is little as yet to indicate that conditions in Germany anywhere approach the situation with which Kerensky and his Bolshevik successors were able to inaugurate the reign of anarchy in Russia. The germ of the same situation exists, no doubt; but it will not be wise for any Entente nation to bank too largely upon its virility. Especially the United States should not be deceived. It is our business to push our war program as though there were no other agency for securing victory.

SHACKLES OF OUR DEMOCRACY.

Those who oppose what they term an attempt to thrust upon the President an unwelcome body of advisers—referring to the proposal to create a war cabinet, a ministry of munitions, or a committee to scrutinize war expenditures—argue that if the people wish changes made in the war machinery of the government they have only to indicate their will to secure these changes. This, however, will postpone action until it may be too late. The only way in which the popular will can be expressed is at the polls, and we shall have no such expression until next November—and

the Congress then to be chosen will have no official existence until the following March. Moreover, the President, if he so desires, may delay the assembling of that Congress until December, 1919. Meantime, the war might be lost.

It is evident that the existing war machinery has worked inefficiently. No change that has been suggested could fail to be for the better; but if the country must await a general election and the assembling of a new Congress before it can witness any relief, we may as well settle down to the policy of "muddling through" for nearly two years.

To quote a well-known advertisement: "Eventually, Why not now?"

WELL DESERVED

The Praise That Comes From Thankful Escanaba People

One kidney remedy has known merit. Escanaba people rely upon it. That remedy is Doan's Kidney Pills.

Escanaba testimony proves it reliable. Vetal Ronleau 211 S. Wolcott St., Escanaba, says: "Last summer my back got out of shape and I began suffering with my kidneys. My back was lame and hurt right over my hips and across my kidneys. At times, my hands and feet were swollen and my kidneys acted weak and irregularly. I felt very badly when I began taking Doan's Kidney Pills. They went direct at the trouble, however, and fixed me up in A-1 shape."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ronleau had, Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Reliable Prescription For The Kidneys

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder medicine. It is a physician's prescription. Swamp-Root is a strengthening medicine. It helps the kidneys, liver and bladder do the work nature intended they should do. Swamp-Root has stood the test of years. It is sold by all druggists on its merit and it should help you. No other kidney medicine has so many friends.

Be sure to get Swamp-Root and start treatment at once. However, if you wish first to test this great preparation, send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Escanaba Daily Mirror.

U. P. BEING ORGANIZED FOR FOOD CAMPAIGNS

Marquette, Mich., Feb. 8.—The upper peninsula is being organized for a food conservation drive by Miss Margaret Justin, woman's work extension leader of the Michigan Agricultural college, and practically every city of any size will be the scene of a campaign for the elimination of waste and observance of the food orders. Twelve cities, L'Anse, Houghton, Ironwood, Bessemer, Wakefield, Manistique, Menominee, Daggett, Iron River, Crystal Falls, Alpha and Ansonia, have arranged for food shows to be given during the campaigns.

DEER HUNTERS WERE GIVEN STIFF FINES

Sault Ste. Marie, Mich., Feb. 8.—Four deer hunters, arrested near Deerfoot Lodge, seven miles north of Trout Lake, while they were in the act of hunting, were given stiff fines when found guilty in Justice Smith's court at Trout Lake. William Tull and Adolph Bowtcher, Trout Lake residents, were fined \$17 and costs and relieved of their guns; Albert Moon, confessed to killing several deer, was fined \$23 and sentenced to serve 20 days in jail and Joseph H. Harris paid a fine of \$35 and surrendered his gun. It was learned that the men had made a wholesale slaughter of deer before arrested by Deputy Wardens Nelson and Crul.

ENGLISH CLASS WILL ARRAIGN AUTOCRACY

Program is Prepared for April 5, When Accusations Will Be Made and Defended by Debaters.

"The Arraignment of Autocracy," will be the subject of an interesting program to be presented on Friday, April 5, by the Third English class of the high school under the direction of Miss Griffith. All members of the class will take part in the program, which promises to be the most interesting program presented by the class this year. The program is as follows: The Arraignment of Autocracy—Oral.

Chairman and Judges—The Misses M. Ward, Way and Carr. The Accusation: Cardinal Mercier of Belgium—Meters, Boody and Verina Defense: Prince Otto von Bismarck—Curran, Sanders and Stade; Nietzsche—Neurohr; Von Bernhardt—R. Johnson.

The Accusation: The Cathedral of Rheims—McMartin, Holmes, Olson; The University of Louvain—Dahlberge The Defense: Count Zeppelin—Pillon, Trotter, Becker. The Accusation: King Albert of Belgium—Sparks, Gerdel, Chlplovitz. The Defense: von Bethmann Hollweg—Cotton, Klein, Sedengquist.

The Accusation: The Lusitania—P. Deslits, Lenz, G. Roddy; Lord Kitchen—Hartweg, Kristiansen, A. Norton. The Defense: Admiral von Tirpitz—Malloch, Londo, W. Nelson.

The Accusation: General Joffre—Gessener, M. Norton, Madalia. The Defense: Von Hindenberg—W. Horton, C. Nelson, Genessee.

The Accusation: An Escanaba Soldier of the E. H. S.—Ballanger, Lindberg, Coughlin; Armenia—Jensen, I. Johnson, Groth, Theodore Roosevelt—Hedin, D. Nelson; Nicholas Romanoff—Cuthbert, L. Roddy; A Child of France—Graham, King oS., Ch. France—Beyers, Devine, Peterson. The Defense: The Crown Prince—Graham, King, McDonough.

The Accusation: Lloyd George—K. Horton, McKittrick, Van Donk; Viscount Ishii of Japan—Hanson; Wood—Wilson—Judson, Mitchell, Wicklander.

The Defense: Kaiser Wilhelm, Second—E. Deslits, Henderson, Buell. The Verdict by the Judges.

COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By adding at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simplyampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a lightweight toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

THAT ANNOYING, PERSISTENT COUGH

THE THEATRES

AT THE DELFT.

Vivian Martin in "The Sunset Trail" is the feature at the Delft tonight. Charming Miss Martin had an unusual experience while making the picture that is cited below.

For years Vivian Martin, the well-known Paramount star, has sprung from her "downey" every morning to leap under a cold shower but never again! While she and her company under the direction of George H. Melford were in the fastnesses of the San Gabriel Canyon taking scenes for "The Sunset Trail" which will be shown at the Delft theatre today an unlooked for incident occurred.

AT THE STRAND.

You'll like "The Adventures of Carol," the new World-Picture Brady-Made which charming little Madge Evans plays the role of Carol. This entertaining attraction will be shown tonight at the Strand. Be sure that you see it. You'll like Madge Evans and her skilled acting, you'll like the brilliant company, assembled to support her, you'll like the great outdoor views, the unusual views of New York, the whole strange, fascinating unusual story. See it.

A Twice-Told Tale

One of Interest to Our Readers.

Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of an Escanaba woman is confirmed after five years.

Mrs. Al. Swanson, 1295 Fifth St., says: "I have bought Doan's Kidney Pills at the Mead Drug Co., for kidney trouble and backache and have been greatly benefited by them. I consider Doan's a valuable kidney medicine." Statement given November 8, 1911.

Doan's Always Help Her. On October 27, 1916, Mrs. Swanson said: "All I have ever said in praise of Doan's Kidney Pills still holds good. I take them whenever I need them and they never fail to do their usual excellent work."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Swanson had, Foster-Milburn Co., Mfgs., Buffalo, N. Y.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a larynx, no good feeling—you should take Olive Tablets. Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edward after 17 years of study with his patients. Dr. Edwards' Olive Tablets are a pure, vegetable compound mixed with olive oil. You will know them by their olive color. To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

SAVE A CAR A DAY, ASKS NORTHWESTERN

Appeals to Shippers to Load and Unload Cars as Rapidly as Possible and Help Win the War.

The Chicago and North Western Railway has appealed to all concerned to institute a general campaign to increase efficiency in the handling of freight cars, of which there is a serious shortage for immediate use to move fuel, food, munitions and commodities of all kinds. As very little additional new equipment will be immediately available, this pressing need must be met by a better use of cars now built. The railroads and shippers must, therefore, DO MORE WITH LESS.

The railroads must perform each item connected with transportation more promptly and furnish only such equipment as is needed for immediate shipment to each shipper, and also furnish the capacity of car necessary to fit the load to be shipped. Shippers should place orders for cars in accordance with the size of the

To The Citizens of Delta County

They say, who have come back from Over There, that at night the troubled earth between the lines is carpeted with pain. They say that Death rides whistling in every wind, and that the very mists are charged with awful torment. They say that of all things spent and squandered that young human life is held least dear.

It is not the pleasantest prospect for those who yet can feel upon their lips the pressure of their mothers' good-bye kiss. But, please God, their love of life is not so prized as love of right. In this renaissance of our country's valor, they who will edge the wedge of her assault make calm acceptance of its hazards. For them the steel-swept trench, the stiffening cold—weariness, hardships, worse. For you millions safe at home—what for you?

The boys shall need food. Need care. Need clothes for their bodies and weapons for their hands. They shall need terribly and without failure supplies and equipment in a stream that is constant and never-ending. From you who are their resource and reliance, who are the heart and hope of that humanity for which they smite and strive, must come these things.

Believing firmly in the innate patriotism of the citizenry of Delta County, we, the undersigned Committee of One Hundred, of the Delta County War Relief Association, call upon you for your hearty support and earnest co-operation in carrying the plan of this Association into effect.

The causes for which the funds of this Association may be expended are:

A.—American Red Cross. B.—Y. M. C. A. C.—K. of C. D.—Military relief American Red Cross. E.—Civilian relief American Red Cross. F.—Any special call which may come with the endorsement of the President, and which is for distinctive war purposes. G.—Any call that in the opinion of the Executive Committee will advance the early and successful termination of the war.

Thousands of men stand ready and are today offering their lives as their sacrifice for their Nation.

You are asked only to give a small sum monthly to provide our Nation's fighting forces with succor if wounded and with the ordinary comforts and care to which they are more than entitled in the trenches and at their camps and cantonments.

We, the undersigned men of Delta County, ask your support and active co-operation to accomplish this worthy object:

LOCAL MEN WANTED AT THE SHIPYARDS

Edward N. Hurley of the U. S. Shipping Board, Asks That Escanaba Furnish Men for This Work.

Escanaba and Delta county is appealed to by Edward N. Hurley, chairman of the United States shipping board to furnish a part of the 205,000 men needed by the government shipyards to carry on the shipbuilding program outlined by the board.

In a telegram to The Mirror, received this morning, Chairman Hurley of the shipping board asks that every effort be made here to enroll some men for the shipyards.

Applicants for employment in the shipyards who live here should write to Mr. Hurley at Washington, giving their name, address and occupation and he will advise every man who writes how to enroll.

The men are to be enrolled as quickly as possible and then wait for call by the shipping board. As men are badly needed there is no reason to believe that men who enroll will wait long before being assigned to work.

rejected in the final examination.

Parker May Retire.

Major General James Parker, commander of Camp Custer cantonment, by law, will be retired from active service on February 20. He will be 62 years of age that day. There is a possibility, however, that a special order may be issued allowing General Parker to retain his present post for some time.

New Clubhouse.

Preparations are being made by the war recreation commission to build a club house in Battle Creek for soldiers at Camp Custer cantonment. It is planned to have four bowling alleys, several billiard tables and other amusements in the building. A site for the club has been offered by Willis Post, of that city.

GEORGE H. WHITE DIED JAN. 25 IN CHICAGO

Former Master Mechanic of the Northwestern in This City Passed Away at Chicago Home.

Many of the older residents of the city will be sorry to learn of the death at Chicago on January 25 of George H. White, former master mechanic of the Northwestern road here.

Word of his death was received today by S. M. Matthews, Mr. White will be remembered by many of the older residents of the city. From here he went to Chicago and became associated with the Baldwin Locomotive Works. He left here in the early 80's. He is survived by one daughter, Miss Jennie M. White.

LIBERTY BONDS ARE READY FOR DELIVERY

Those who purchased Liberty Bonds during the last campaign can now get their bonds by calling at their bank. The last of the bonds arrived here today and the banks invite the subscribers to the last issue to come and get their bonds.

BARTH FUNERAL TO BE HELD TOMORROW

Funeral services will be held at the cathedral in Marquette tomorrow morning at 9 o'clock for the late Sergeant Robert Barth, brother of Rev. Dr. Barth of this city. Rev. Dr. Barth went to Marquette this morning to attend the funeral and Mrs. Mary Barth, mother of the deceased, and his brothers and sisters are already in Marquette. The body arrived at Marquette this morning from Leon Springs, Texas, where the death occurred while the young man was attending the officers' training school.

JUNIOR RED CROSS MEETING TOMORROW

Committee Appointed to Have Charge of School Auxiliary Organization Will Meet Teachers.

A meeting with teachers of Escanaba and vicinity will be held tomorrow afternoon by the committee in charge of the organization of the school auxiliaries of the Red Cross, which is composed of Mrs. C. R. Henderson, chairman, L. M. Beggs, and Dr. G. A. Cotton. It is expected that some definite plan will be decided upon at this meeting.

MEN BEING EXAMINED BY THE LOCAL BOARD

Forty Men Have Been Called for Next Monday and a Like Number for Every Day Thereafter.

By Next Monday the local board will have regained its stride in examining men of Class One in Delta county and it is planned to examine the men as fast as they can be put through the various tests required by the army regulations. Yesterday the board made examinations of men who did not know of the change in the regulations and did not get their notices of postponement in time to avoid making the trip to the city.

Today a number were examined, being mostly men who had been called for examination today and did not learn of the change of last week. Tomorrow all who make application for examination will be examined as far as is possible by the board. Next Monday forty men have been notified to appear and forty will be called each day thereafter until the whole list has been examined.

No word has been received by the local board as to when it will be called upon to fill the remainder of the quota at Camp Custer. The provost marshal general has set February 23 as the date for moving the last contingent, but thus far no official word has been received by the local board. The board is of the opinion that if the names of the men enlisting in the spruce regiment are transmitted to Washington and recorded before the call comes for the next contingent from Delta county, that there will be but very few, if any, men drafted for the last contingent.

WALTER LONG IS NOW LIEUTENANT IN ARMY

That Walter Long, the movie actor, well known here, and the husband of Laura Robley, has entered the military service and is now a lieutenant, is made known here by an article which appears in the current issue of Photoplay.

In a photograph of film stars in service, appears an excellent likeness of Mr. Long, who played in Escanaba with the Winton Stock company for two years.

His film career has been very bright. He will be remembered as playing the part of "Gus, the negro," in the Birth of a Nation.

LOUIS BEAUCHAMP OF WILSON, ENLISTS

The first Wilson boy to enlist in the United States service since the war broke out, is Louis Beauchamp, son of Alfred Beauchamp of this city, who was accepted yesterday for the coast artillery and was sent to Jefferson Barracks. Other Wilson boys have been drafted into the service, but Louis, who is only 18 years of age, is the first to enlist.

DANCE AT NORTH STAR HALL.

A dance will be given at the North Star hall Saturday evening, Feb. 9. Music will be furnished by Flagstad's orchestra. Dancing will start at 7:30 and continue until 11 o'clock.

Flower Calendar.

At Grass, a town in southern France, the seasons are marked by harvests of flowers, for this is the center of perfume making. In February and March violets and jonquils are the crop. In the summer, months roses, orange blossoms and tuberose fill the air with sweetness. In the autumn lavender is carried to the factories in baskets, on donkey backs and in wagons. All of these flowers are treated in much the same way. They are stuck into pure white fat, which draws out all of their perfume. This fat becomes the basis for most of the pomades and perfumes for which Paris is famous.

Clay Beds of the Connecticut.

In the clay beds of the Connecticut are found certain wonderful and beautiful concretions. These appear in four principal types: Disk-shaped, cylindrical, botryoidal (resembling grape clusters), and imitations of animal forms. The latter are the more striking, the forms imitated including fishes, birds, ant-eaters, elephants, dogs, lions, tigers, etc. A remarkable fact is that each clay-bed has a form of concretion peculiar to itself, and the principal types are never found intermingled in the same bed. The beds are composed of stratified, river drift clays, or "Champlain" clays.

Red Cross To Help Shipping Board Get Men For Shipyards

(Continued From Page One)

the government to the end that the vast civilian and military relief program of the Red Cross may be carried out.

There are now 5,600,000 members of the Red Cross in the Central Division, Illinois, Michigan, Wisconsin, Iowa and Nebraska, and in the entire country, 23,475,000 members to help the government recruit workers for the shipyards. The number needed is 250,000.

Every Red Cross chapter and every Red Cross member is urged to talk ships to every person who could do work in shipyards. The men are to register but not to leave their present tasks until notified by the government where to report.

Keeping the 500,000 American boys now in France, or on their way there, supplied with surgical dressings and other vital materials depends upon increasing the number of ships, and the urgency of the situation is expected to stimulate all Red Cross members to effective action.

SERGEANT SAMUELS RETURNS TO DULUTH

Sergeant P. E. Samuels of the British recruiting service, who has been here for some days recruiting men for the British and Canadian army, will return to Duluth this evening, and it is not likely that another recruiting officer will be sent here to complete the remainder of the work.

Sergeant Samuels has accepted a large number of men for the Canadian and British army and has also rejected a number of men. Yesterday he rejected the following men:

M. J. Belanger, Romeo Martin, Presinne Guindon, Peter Couillard, Oliver Lesperance, Mike Fillion, G. E. Sinclair, Jose La Palme, O. B. Clermont, William LaFond, P. A. Lesjardin, Arthur Tussier, George A. Houle and A. Williams.

Dr. W. A. Lemire Has Been Commissioned In Medical Reserve

(Continued From Page One)

Dr. W. A. Lemire had made application for a commission in the medical reserve corps. His application was accepted and he was ordered to report for examination. Upon the results of the examination he was recommended for a commission.

The honor conferred on Dr. Lemire speaks well for his ability and knowledge of the work, which he will soon be called, no doubt, to perform for the nation. His large circle of friends will unite in congratulating him upon the signal honor conferred upon him. Besides his efficient service as mayor of Escanaba and as president of the school board, Dr. Lemire made an enviable record in the state legislature and was influential in having a number of very good measures passed by that body.

Latest Estimates Indicate Loss To Be More Than 101

(Continued From Page One)

tails, which were expected to clear up the conflict with the foreign figures on the loss.

Cabled press dispatches from an Irish town saying that forty-four bodies of American soldiers, battered beyond recognition, had been washed ashore fifteen miles from the scene of the disaster, gave the hope that the loss of troops would prove very small. According to figures given in the earlier press dispatches, only 101 persons, including soldiers, men of the crew and passengers, were missing. No attempt has been made thus far to prepare a list of the missing. Only the names of a few survivors have been received and indications were today that the names of the survivors will continue to come in slowly.

Reports from an Irish point that the army identification tags found on the bodies of the men washed ashore bore no names or numbers, making identification impossible, caused considerable speculation. The army regulations provide that the tags must show the name, rank and company of the wearer.

No official story of the sinking had reached the war department early today and the press stories of the cool behavior of partly trained youths, who lined both rails singing national airs, were read with interest by army officers.

The report that the British destroyer which convoyed the Tuscania pursued and sank the submarine also lacked confirmation.

MARQUETTE MAY NOT ADOPT KENOSHA PLAN

Marquette, Mich., Feb. 8.—Certain mining companies have not taken kindly to the adoption of the Kenosha plan as the means of raising money for war relief work, and Marquette county may not be able to go ahead with plans for a war relief association as has been planned. Unless all mining companies favor the plan, it is hardly likely that it will be attempted here.

Mrs. Isaac Oberg left last evening for St. Louis, where she will take her little son to a sanitarium.

PERSONAL PARAGRAPHS

Miss Lily Ness, of San Antonio, Texas, has been visiting with her parents for the past few days at 811 Delta avenue. She will leave tonight for St. Paul, Minn.

J. J. Drown of Marquette, is enjoying a visit here.

H. W. Nichols of Green Bay, is a business caller in the city.

R. A. Hatch of Appleton, is calling on his friends here this week.

Mrs. Hamilton of Rapid River, is spending a few days here with friends.

E. A. Radey of Milwaukee, is spending a few days here.

T. R. Hgesty of Green Bay, is a city visitor this week.

Brooks Promoted to Agency Manager for Equitable Company

(Continued From Page One)

motion of O. B. Haller, Mr. Brooks was summoned to New York where his present position was tendered him. His headquarters are to be moved from Saginaw to Grand Rapids. His family will doubtless remain in Escanaba until spring. Mr. Brooks, in leaving this field, will carry with him the best wishes of a host of friends whom he has made in the upper peninsula.

Two other young men from the upper peninsula have been promoted to the position of district managers. C. E. Snyder of Escanaba will have headquarters at Escanaba and will have charge of the western portion of the peninsula, while C. T. Allan, with headquarters at Manistiquet, will have charge of the work in the eastern portion.

SPRUCE RECRUITS TO GO SATURDAY NIGHT

The next contingent of volunteers for the spruce regiment at Vancouver, Wash., will leave tomorrow evening, the local board decided today. Fourteen men will be sent, if that number of applicants can be examined by the time of departure.

Six men have already been examined and accepted for the next contingent of the spruce regiment. They are:

Roy Lambert of Wells, Peter W. Gerou of Perkins, Arthur L. Moreau, Hugh Evans, M. A. Roberts and John E. Nystrom of Escanaba, and H. A. Erickson of Bark River.

The contingent will be in command of Roy Lambert from the time the members leave here until they reach Vancouver, Wash.

Born, to Mr. and Mrs. Frank Cass, South Fannie street, a son.

American Gunners Make Life Lively For Enemy Snipers

(Continued From Page One)

At another point a sniper was discovered in a shell hole. A few well placed shots from a small artillery piece ended his career. At another point a hail of machine bullets effected a complete route of the snipers. One, two or three more snipers are still in front of the American positions but are not likely to remain there long.

(Associated Press Summary)

On the American sector in France the artillery is endeavoring to even up the score with the enemy by bombarding heavily the German batteries, trenches and other targets. The German guns were silenced when they attempted to reply. The American gunners dispersed a large body of Germans, estimated at two battalions, and inflicted heavy losses on the detachments.

German efforts against the French line at Verdun are growing stronger. Infantry attacks have taken place of raids, but the latest German attacks were repulsed with heavy losses. Small raids and the usual artillery fire have occurred on the British front. In Italy the artillery action is slight.

FOOD VIOLATOR SENT TO JAIL FOR 10 DAYS

Manistique, Mich., Feb. 8.—Andrew Larson, believed to be the first upper peninsula man to be prosecuted for violation of the food law regarding the supply of sugar to each individual under the food card system in use here, must serve ten days in the county jail and pay a fine and costs of \$25. Larson after boasting that he could get all the sugar he needed, represented that he had 21 men to provide rations for and was given a card for that number. He was arrested after an investigation.

1,300 Discharged Men At Custer To Return To Service

(Continued From Page One)

warmly endorsed General Crowder's modifications. It was also pointed out that hundreds of men of draft age were discharged by local boards because of these disabilities. The cases listed above were of men who were sent to Camp Custer but who were
