RUSSIAN COLLAPSE WILL HURT ALLIES LITTLE, IS BELIEVED

Military Experts Do Not Believe That German Prisoners in Russia Will Be Used On the Western Front.

A FEW AVAILABLE MEN Germany Has Withdrawn All of Her Effectives From the Russian Front, It Is Believed by Experts.

(BY ASSOCIATED PRESS) Washington, Feb. 12.—How Russia's complete withdrawal from the war will effect the allies and the United States in a military way cannot be accurately estimated at this time, officials believe, despite the fact that on paper the Russian collapse means giving the Germans great numerical superiority on the western front.

Officially there has been nothing said, but military men who are confident that the allied line on the west will hold against any German force which can be thrown against it, profess not to regard Russia's separate peace the menace it appears on paper.

The fact that 1,500,000 German prisoners will be freed to return to Germany is regarded with no alarm at all. Military men say they could not be quickly reorganized into effective military units. The general opinion is that the Germans are more interested in keeping the prisoners in Russia rather than have them carry Bolshevik doctrines back to Germany.

The 147 German, Austrian and Bulgarian divisions on the Russian front will be entirely released by a separate peace, but it is regarded that they are already stripped of their effectives who have been transferred to the western front. Military experts say in addition that the Germans are obliged to keep some of the 147 divisions in the vast conquered territory for garrison purposes.

The pronounced outstanding fact is that military experts are sure the reinforcements which Germany can draw from the east cannot overwhelm the western line.

Russia at this time owes the United States \$187,799,000 advanced for supplies already used to Russia. For that sum the United States holds Russian bonds. Whether this vast sum will be a total loss to the United States depends on whether the ultimate government decides to repudiate all debts.

AIR MAIL SERVICE TO BE ESTABLISHED

Postoffice Department Asks for Bids for Five Machines with Which to Carry Mail Routes.

(BY ASSOCIATED PRESS) Washington, Feb. 12.—Establishment of airplane mail service between Washington, Philadelphia and New York during the coming summer was indicated today when the postoffice department called for bids for five airplanes for the purpose. The service will begin with one round trip daily and later extended. First class mail will only be carried at the outset.

The specifications of the postoffice department call for a machine which has stood the tests satisfactorily in the war and navy department. The airplanes will be delivered not later than April 25.

A special postage rate will be charged for letters carried in the airplanes, if congress will enact the necessary laws. The rate is to be 25 cents per ounce or fraction thereof.

PHILIPP ASKS MEN TO HELP UNCLE SAM

(BY ASSOCIATED PRESS) Madison, Wis., Feb. 12.—In connection with the proposal to enroll 250,000 artisans and skilled mechanics for service in the shipyards, Governor Philipp today issued a proclamation calling upon all skilled mechanics not employed in the shipyards of the state to enroll in "this splendid legion of honor."

DUPONT GETS THIRTY DAYS FOR LARCENY

Convicted on the charge of stealing brass from the Northwestern railroad, Ray Dupont of this city, who has been in trouble several times, was sentenced yesterday to serve thirty days in the county jail. His case was heard in Justice Glaser's court. Others who were implicated in the matter secured their release by making a settlement with the company.

Garden Planning

Now is the Time to Study Garden Manuals and the Library Has a Large Number for Circulation.

Those who are making their garden plans now, will find many suggestive and practical books in the public library. They are displayed at present on the revolving book shelves near the front entrance, with a garden poster calling attention to them. Following is a list of some of the titles. Abridged Agricultural Records, in six volumes. The Backyard Farmer, by Bolte. How to Live in the Country, by Powell. Farm Friends and Farm Foes, by Weed. Cyclopaedia of American Agriculture. RUSSIA ANNOUNCES WITHDRAWAL FROM WAR WITH TEUTONS

Confirmation of German Report of Withdrawal of Russia Is Received in Official Russian Statement.

(BY ASSOCIATED PRESS) London, Feb. 12.—Confirmation of the German report that Russia had withdrawn from the war is contained in an official Russian statement received here.

The statement says that Russia has declared the war at an end with Germany, Austria-Hungary, Turkey and Bulgaria and that Russian troops simultaneously received orders for complete demobilization on all fronts. For the protection of the frontiers, some detachments of younger troops will be left.

The negotiations for peace with the Central Powers have ended, the statement says. The Russian delegates refused to sign a treaty on the program of annexations by Germany. Nevertheless Russia cannot continue at war with "German and Austrian workmen and peasants like ourselves," the statement says.

Although this announcement was made yesterday in several dispatches from Germany, this is the first word from Russia regarding her withdrawal from the war.

GREAT PROGRESS IS MADE IN WAR RELIEF CAMPAIGN IN COUNTY

Expected That Delta County Will Show 100 Per Cent American at the Close of This Week.

It is confidently believed that within a day or two Delta county can boast of being 100 per cent American in the campaign to secure every wage earner in the county as a contributor to the Delta County War Relief association.

Reports reaching the officers of the association today were to the effect that every community in the county is taking hold of the plan with enthusiasm and that practically all wage earners have signed the pledge cards to give a percentage of their monthly earnings to the cause of bringing the war to an end.

In Escanaba the canvassing is almost finished and there will be but a very few slackers. In fact it is believed that by the time some of the few who have refused to give have reconsidered the matter there will be few, if any, names to publish in this county.

It is gratifying to the officers of the association to note the enthusiasm which is attending the campaign for subscribers to the fund. It seems entirely likely that by tomorrow or the next day the drive will be over and the \$100,000 fund to swat the Kaiser will have been raised by patriotic wage earners in Delta county.

The townships are reported as being 100 per cent loyal and Gladstone will give \$1,500 a month to the fund. From every township chairman has come urgent requests for more cards, that the first supply has been used up and there are still more to see.

ENGLAND MUST USE ALL ITS ENERGIES

King George in Opening Parliament Says the War Has Reached the Critical Stage at This Time.

(BY ASSOCIATED PRESS) London, Feb. 12.—In his speech at the opening of parliament, King George said that the struggle had reached the critical stage and demanded more than ever the full use of the country's energy and resources. Until it is recognized that the offer of the allies was the only principle upon which an honorable peace can be concluded, the King declared, it is the duty of the British to prosecute the war with all vigor possible.

ASQUITH APPROVES WILSON'S ADDRESS

Former Premier of England Says Military Power of Germany Rejected Peace All Others Wanted.

(BY ASSOCIATED PRESS) London, Feb. 12.—In the House of Commons today Former Premier Asquith, commenting on President Wilson's speech in congress yesterday, said the president had discriminated justly in regards both to the tone and the substance between the declaration of the German chancellor and the Austria-Hungarian foreign minister's utterances on war aims.

Mr. Asquith said it seemed, as Mr. Wilson had remarked, as though the military party of Germany alone rejected and would have nothing to do with a peace based on the line of principals that all the rest of the world accepted.

MOATES SERVING IN UNITES STATES NAVY

H. Guy Moates, former editor of The Mirror, is now serving in the United States navy aboard the U. S. S. Massachusetts, according to word received in this city. After leaving here Mr. Moates went to Ann Arbor where he was employed on the Times. When the war broke out he enlisted in the navy and in due time was assigned to the Massachusetts.

30 GARS OF SMOKES FOR U. S. SOLDIERS

(BY ASSOCIATED PRESS) Durham, N. C., Feb. 12.—A train of thirty carloads of tobacco destined for the American troops, was given a rousing sendoff today as it started on its way. Mayor Newson made a patriotic address.

Abraham Lincoln

Today We Commemorate the Birth, 109 Years Ago, of the Emancipator, and a Great Statesman.

Today is the 109th anniversary of the birth of one of the greatest statesmen in America's history, a man who directed the American republic thru the dark days of the great Civil war, Abraham Lincoln. Lincoln was the sixteenth president of the United States and was assassinated by John Wilks Booth in 1865, while witnessing a play in Ford's theatre.

Abraham Lincoln was a true patriot and was as honest as the day is long and this fact earned for him the title of "Honest Abe." He was born in a log cabin on February 12, 1809. As a speaker and debater he ranked as one (Continued On Page Four)

WILSON TO CONFER WITH PARTY LEADERS

(BY ASSOCIATED PRESS) Washington, Feb. 12.—President Wilson will begin a series of conferences tomorrow with congress leaders, both republicans and democrats, on all phases of war legislation.

For the first time members of both parties will be taken into the White House in consideration of war legislation and in this way the administration expects to smooth out the differences confronting the war legislation program.

GENERAL BARNETT TO GET REAPPOINTMENT

FIRE CALL TODAY. The fire department was called out about 1:30 this afternoon to extinguish a small blaze which had started in the shoe shining parlor at 700 Ludington street. A pile of refuse became ignited and created a large amount of smoke. The department used a chemical to put out the fire.

OHIO RIVER RISES AND MANY PERSONS DRIVEN FROM HOME

Conditions at Cincinnati Are Growing Worse As Water Continues to Rise Throughout the Day.

(BY ASSOCIATED PRESS) Cincinnati, O., Feb. 12.—Real flood conditions were realized here when daybreak came and the ice floes aggravated the situation. A stage of 60.5 feet was reached early today and the water continues to rise at the rate of two-tenths of a foot an hour. It has invaded the lowlands of the city as well as Cumminsville, the east end and the river side and bottoms as well as Newport and Covington, Ky.

Many families are again driven out by the rising water and ice. A state of 65 feet would paralyze railroad operations around Cincinnati. A telephone message from Aurora, Ind., says that one half of Aurora is under water and that 2,000 persons are fleeing. The same condition is reported from Lawrenceburg.

BASKETBALL TOURNAMENT AT MARQUETTE SOON

Sixteen Upper Peninsula Teams Are Expected to Take Part in the Tournament to Decide U. P. Champion.

Sixteen schools are expected to enter the second annual high school basketball tournament to be conducted in the Marquette Normal school gymnasium March 15 and 16, when the basketball championship for high schools of the upper peninsula will be decided.

Last year eight teams were entered, and it was necessary to play several games Saturday afternoon. As the number of entries is twice as large this year, the tournament will begin Friday afternoon, and two games will have to be played Saturday morning. The largest attendance at any basketball meet ever held in the upper peninsula was present at the final championship matches last year.

The teams that will meet in the first series of matches will be selected by lot. Number one will start the tournament by playing team number two. After eight games have been played, the winners will again draw lots to determine their opponents for the next series, and so on through until the last game, when the two best teams will play for the championship.

The championship team will be awarded a shield, suitably engraved and the teams winning second and third places will be given smaller shields. The members of the winning team will each be given a silver fob, and the winners of second place bronze fobs, and lettered ribbon fobs are to be awarded the members of the team winning third place. The officials will also give a special award to the player regarded as the most valuable to his team. The man who gets this award need not belong to one of the winning teams.

A tournament, or all-star, team will be named. It will be made up of the five best players. The tournament ball will go as a souvenir to the winning team. Prizes awards and honors will be given out at the conclusion of the last game, Saturday night.

The teams entering the tournament are not to be announced until March 5, when all entry blanks will be returned. The teams will represent every part of the upper peninsula. Last year the championship tournament was held at Houghton.

THE WEATHER

For Escanaba and Vicinity: Snow and colder tonight; Wednesday cloudy.

For Upper Michigan: Snow and colder tonight; Wednesday cloudy with snow in east portion.

Weather Conditions. A depression central over Lake Michigan this morning has caused considerable rain in the lower lake region, in Missouri, and in the southern Plains States. Rain fell also in the north Pacific States and northern Plateau region. Temperatures are slightly lower throughout the Northwest. It is warmer in the central valleys and northeastern portion of the country.

The indications are that snow will continue in this locality tonight with colder weather, followed by cloudy weather Wednesday.

LOUIS TARDIFF OF GLADSTONE HURT IN ACTION IN FRANCE

Son of Louis Tardiff of Gladstone Reported by War Department to Have Been Slightly Wounded.

The first Delta county boy to be wounded in action in France since the United States entered the world war, so far as reported, is Louis Tardiff, age 21, son of Mr. and Mrs. Louis Tardiff of Gladstone.

His father was notified by telegram today from the adjutant general of the United States army at Washington, to the effect that the young man has been reported slightly wounded in action.

Louis Tardiff, Jr., has been in France since last August, going there from Douglas, Ariz., where he trained with the field artillery. He went to France as a member of the artillery and probably has seen a great deal of service on the front line in the last couple of months.

He enlisted here during the latter part of May, along with other Delta county boys, and was sent to Jefferson Barracks and then to Douglas, He trained in the same camp with "Ted" Baldwin and Richard Delanger of this city, and it is believed he is in the same unit in France as John Bemis of this city.

The message to the father today does not tell when the young man was injured. The message follows:

Washington, D. C., Feb. 12, 1918. "Louis Tardiff, Gladstone, Mich. "Deeply regret to inform you that Private Louis Tardiff of the field artillery, is officially reported to have been slightly wounded in action. "MCALIN, Adjutant General."

As far as is known Private Tardiff is the first Delta county man to fall in battle with the enemy. At least he is the first member of the American forces from this county to shed blood for democracy.

CONGRESS OBSERVES LINCOLN'S BIRTHDAY

Both Houses Had Programs and Then Adjourned Until Tomorrow—Gettysburg Address Read.

(BY ASSOCIATED PRESS) Washington, Feb. 12.—Abraham Lincoln's birthday anniversary was observed by both houses of Congress. Senator Lewis of Illinois delivered an eulogy and in the house Representative Johnson of Kentucky in whose district Lincoln was born was called to the chair to preside while Representative Russell of Missouri read the Gettysburg address.

Senator Nelson in a brief speech also eulogized President Lincoln, after which the senate adjourned until tomorrow.

WOMAN'S CLUB WILL MEET ON WEDNESDAY

There will be a meeting of the Escanaba Woman's club at the Delta hotel parlors Wednesday afternoon at 3 o'clock. At this meeting there will be several matters of importance to come up and all members are requested to be present. After the meeting there will be a social hour. Members will bring their knitting.

MEN'S CLASS TO GIVE PATRIOTIC PROGRAM

A patriotic program will be given tonight on Lincoln's birthday by the Men's Class of the First Methodist church. A general invitation is extended to the adult membership of the church. Refreshments will be served after the program.

WESTERN FRONT IS BECOMING ALIVE AS WEATHER IMPROVES

Signs of Growing Alertness On Western Front Where the Germans Are Massing Many Troops and Guns.

ALLIES FEEL CONFIDENT

Despite Efforts of the Germans to Secure a Preponderance of Men and Guns, Allies Still in Lead.

Rome, Feb. 12.—The Austrians yesterday renewed their attacks on the northern front west of the Brenta, but were held in check by the Italians. Austrian columns were torn to pieces by the Italian artillery, says today's report.

(Associated Press War Summary) On the western front where the Germans are massing forces to meet the entente there are signs of growing alertness for the pending battle to come. The weather has improved and on parts of the British front the ground is considered good for military operations on a larger scale than for several months.

German troops and guns are pouring into France, but the British reports consider that the preponderance of guns and men is still with the allies. Raids are increasing in intensity and the artillery fire is more violent along important sectors. In an attack northeast of Verdun the French repulsed the Germans with losses. On the Italian front the Austrians failed in an attempt against the positions west of the Brenta captured recently by the Italians.

German Statement. Berlin, via London, British admiralty via Wireless Press, Feb. 12.—After a day of lively artillery bombardment on the Fette Communi plateau on the Italian front, the Austrians attacked south of Sasso Rosso to clear the supporting positions and captured 180 prisoners, army headquarters announce.

TEN MICHIGAN MEN ARE STILL ON LIST OF MISSING TROOPS

Detroit Bureau of the Associated Press Says Only One U. P. Man, Theodore Montgomery, Manistique, Missing.

(BY ASSOCIATED PRESS) Chicago, Feb. 12.—The Detroit bureau of the Associated Press reports that only ten of the 100 Michigan men aboard the Tuscania are still reported missing. Theodore Montgomery, of Manistique, is the only Upper Peninsula man reported missing.

More Names Expected. Washington, Feb. 12.—Additional names of American soldiers rescued from the Tuscania which will cut down materially the list of 340 still unaccounted for, was expected today by the war department.

Officials were still trying to decipher a number of names in the recent cabled dispatches in a garbled form and expressed confidence that the names of 200 more survivors will come.

WILL ACCEPT MANUAL TRAINING BUILDING

At a meeting of the board of education which will be held this evening the new manual training school will be accepted from the contractor, John S. Lindsay. The work has all been completed and there is nothing but the formality of accepting the building. The new school is an addition to the old high school building and has been so perfectly built that from the exterior exterior one would think the whole building was erected at one time.

ALIEN REGISTRATION ENDS ON WEDNESDAY

German aliens in Escanaba, must have registered by 8 o'clock tomorrow night. At that hour the registration of alien enemies of the United States will have come to a close and all those who have failed to heed the instructions to register, will be subject to internment.

Nearly 35 alien Germans have registered with the chief of police since February 4, but it is believed there will be a few more between now and the time of closing the registration.

A LINCOLN'S DAY THOUGHT.
 Orators at Lincoln's birthday observances often dwell on Lincoln's amazing rise from great obscurity to exalted fame. It is a superb instance of American democracy that should inspire every poor boy.

A great many boys from homes like Lincoln's show much promise, but their future is spoiled by their having to leave school too early. Lincoln it is true had little schooling, but he read great books and studied lives of great men.

The boy who is put to work too early is apt to drift with the crowd and be content with small achievement. The immediate dollar he can earn looks big, and he sees no use in poring over dry books. His mind is not awakened and he never gets a start.

If the teacher can persuade a bright boy to stay in school and secure the parents' consent to sacrifice his wages, poverty is little obstacle to his advance. When he shows initiative and ambition, business men are pleased and interested, and glad to help him on. The obstacles he has surmounted really help him. They give him confidence that he can meet the greater difficulties of life as they arise.

All Secretary McAdoo has to do in a day is to raise a billion dollars in Liberty bonds, revise the rules and time cards of all the railways, attend to several million work people who want more pay, get every kind of freight moved ahead of every other kind, and talk with all the people that want jobs and contracts.

Some of these men who think the boys should march direct for the trenches without further delay, are the ones who slide down a side street when they see a Red Cross or Y. M. C. A. solicitor come along.

The people who object so strenuously to cutting off a little electric light to save coal, probably came from the country where oil street lamps were considered a wonderful public improvement.

The food conservers having requested people not to eat doughnuts because they are made of wheat, the children are patriotically willing to accept mince pie as a substitute.

It is denied that the Congressmen are opposed to preparedness, as they left a loophole in the District of Columbia dry law so that unbelieved whiskey could be brought in.

MANISTIQUE SUPPLY OF FUEL IS SMALL

Manistique, Mich., Feb. 12.—The city of Manistique is threatened with a coal shortage of indefinite duration. County Fuel Administrator Thomas says it is impossible to get more fuel for the city and that only by the most rigid economy by the consumers can the present supply be made to last until the cold weather is over.

GLASS CRYSTALS IN CORN FLAKES FOUND

Menominee, Mich., Feb. 12.—Glass in corn flakes is the latest discovery in this city. The glass which was found in breakfast food served in a Menominee home, was not of small crystals, but good sized pieces. The matter has been reported to authorities and an investigation will be made.

GLADSTONE PLEDGES \$1,500 TO BIG FUND

Drive for the Delta County War Relief Fund Will Produce That Amount Each Month, It Is Believed.

Through the persistent and untiring efforts of the Gladstone committee, aided by the co-operation and patriotism of the citizens, Gladstone is again going "over the top" in what promises to be the last drive required for raising war relief funds.

While it is too early to give definite figures, the one per cent of income subscribed by individuals and the amounts to be given by employers of labor and collections from other sources gives promise of totaling \$1,500 monthly. This does not include the fund from the Cleveland-Cliffs company at Kipling, which is being handled by officers of that concern.

After dividing the city into districts, the committee started on an enthusiastic campaign and the results are indeed gratifying. While it was hoped to complete the work by Saturday night, it has been found necessary to delay the final checking in until this week, but it is hoped that at the meeting tonight the collecting will be ended.

The Cooperage company, Marble Arms Company, MacGillis & Gibbs Company, Cleveland company and the larger stores secured pledges from their employees and turned them over to the committee.

Reliable Prescription For The Kidneys

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder medicine. It is a physician's prescription. GORED TO DEATH BY COW IN STOCK BARN

Mrs. Stanley Silkowsky of Marinette County, Met Death in Peculiar Manner; Daughter Dreamed of Fate.

Marinette, Wis., Feb. 12.—Mrs. Stanley Silkowsky, aged 56 years, who resides on a farm near Miles, Wis., in Marinette county, was gored to death by a cow. She was in charge of the farm, her husband having deserted her about a year ago.

As was her custom, she went out to fix the stock for the night and one of her daughters, who had retired earlier had a dream that her mother was killed. She awoke, went to the barn and found her mother dead. The horn of the cow had penetrated Mrs. Silkowsky's eye. She was subject to heart failure and the shock is believed to have hurried her death. She is survived by two daughters and six sons.

MAKE OUT RETURNS NOW, SAYS RIORDAN

Those who have not made out their income tax statements are urged by Deputy Collector Riordan to do so at once as he must leave here on Thursday for Manistique, where he will remain until March 1.

This morning he stated that after he leaves, those who have not made out their returns must consult their lawyer to obtain help, if needed. While a large number have visited him during his stay in the city, there are a large number, also, who have not made out their statements and should do so at once.

MANISTIQUE TO HAVE STATE TROOP COMPANY

Manistique, Mich., Feb. 12.—Charles Adkins of this city, has been recommended for the captaincy of the Manistique company of the 552nd regiment of Michigan State troops, which will be organized by Colonel J. P. Petermann of Laurium. The appointment will be made by Governor Sleeper and as soon as the appointment is made, the company will be organized.

OWL GIVES MAN BAD SCARE AND BATTLE

Woodman Cut Up About The Face and Head Before Bird Was Killed; Fight Desperate One.

A woodman in the employ of the Helena Land & Lumber company, operating camps some distance from Perkins' Spur, on the main line of the Chicago & Northwestern road, north of Escanaba, had, one night last week, an exciting encounter with a huge owl.

The woodman, whose name could not be learned, left the Northwestern evening train and started to walk from the siding to the camp. It was dark and he did not see, or hear, the owl until it lighted on his head, sticking its great claws into his scalp and at the same time striking at his face with its beak. The man was so started that he lost his footing, and the fight was on. He finally got a firm grip on the owl, and dashed its head against a tree, but not until blood was streaming from the wounds in his head and face. The man wore a fur cap, and it is assumed that the owl was tackling some sort of an animal.

GLEE CLUB PROGRAM WAS EXCELLENT ONE

Large Audience Was Present at Swedish Lutheran Church to Hear Augsburg Glee Club.

The Swedish Lutheran church was well filled last night with an audience which fully appreciated the program presented by the Augsburg Glee Club of Minneapolis, which appeared here under the auspices of the Norwegian-Danish Lutheran church. A program of excellent numbers was given, much to the pleasure of all in attendance. The glee club, composed mostly of young men, is from the Augsburg college at Minneapolis. The organization is carefully trained and showed the results of this training in the presentation of the various numbers last night.

In addition to the selections by the club, Professor Harry Anderson, leader of the club, sang several very beautiful tenor solos, while Professor H. N. Hendrickson presented baritone solos. Both were enthusiastically applauded. Carl R. Youngdahl also pleased with an organ solo.

Interspersed through the program were patriotic selections, the first of which was "America," by the club and the audience and the closing on the "Star Spangled Banner." "America, My Country," sang as a solo by Professor Hendrickson with accompaniment by the club, was one of the most pleasing numbers on the program. Professor Hendrickson gave a short talk on the Augsburg college, explaining the work of the institution and pointing out the need of religious education and training in modern life.

They All Demand It

Escanaba, Like Every City and Town in the Union, Receives It.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but do not cure. Doan's Kidney Pills have brought lasting results to thousands. Here is Escanaba evidence of their merit.

Mrs. Mike Boileau, 1008 Langley St., says: "I think Doan's Kidney Pills are the very best of kidney medicines. About seven years ago I was feeling badly on account of my kidneys. My back ached quite a bit, especially through the small of it. One box cured me of the complaint and I haven't had any such trouble since."

Help Save the Coal on Washday

That extra scuttleful you burn on washday is mighty valuable these days—to save it is a real gain.

Save it next washday. Use Fels-Naptha soap and make washday boiling absolutely unnecessary.

Water of comfortable temperature is just right for Fels-Naptha and takes no extra fuel.

Fels-Naptha saved precious coal and gas for thousands last washday; be sure it saves for you this next washday.

Order Fels-Naptha from your own grocer today.

Remember—you don't need to use boiling water with Fels-Naptha. But that doesn't mean you should use icy water. No soap is an "ice water soap." The best way and the saving way is to use Fels-Naptha in water that suits your hands' comfort.

EXTENDS TIME FOR INCOME TAX RETURN

Internal Revenue Department Gives An Extension of Time to Those Who Will Have to File Returns.

Extension of time for filing income and excess profits returns from March 1 to April 1 is announced by Internal Revenue Commissioner Roper. This ruling applies also to reports on payments of more than \$500 during the year to be made by employers and business enterprises, and covers incomes both above and below \$3,000, and corporation incomes.

Delay in the preparation of blank forms and regulations was the principal cause for the postponement.

Some Forms Not Issued.

Forms have not yet been issued for excess profits returns of three classes—individual, partnership, and corporation; for income returns by trustees of fiduciaries, and for partnership income returns. These are now promised for next week.

All other forms have been distributed, including those for individual incomes of the classes above and below \$3,000, corporation incomes, and reports on payments of more than \$500, or the so-called "information at the source."

One Class Again Extended.

The extension of time to April 1 applies to returns by corporations doing business on a fiscal year basis. Originally they were required to report within sixty days after the end of their fiscal year; this was extended to February 1 and later to March 1.

For Itching Torture

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with zemo, which generally overcomes all skin diseases. Acne, eczema, itch, pimples, rashes, blackheads, in most cases give way to zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

SOLDIER OF GERMAN BIRTH IS REJECTED

Corporal Fred Klamm of Menominee, Formerly Member of Company L Here, Gets Honorable Discharge.

Menominee, Feb. 12.—Given an honorable discharge from the United States Army, which he reluctantly accepted, Corporal Fred Klamm, until recently enrolled with Company L, 125th U. S. Infantry, returned home this week from Waco, Texas, having been rejected from service abroad because he was of German birth.

DON'T FUSS WITH MUSTARD PLASTERS!

Musterole Works Easier, Quicker and Without the Blister

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole.

Musterole is made of pure oil of mustard and other helpful ingredients, combined in the form of the present white ointment. It takes the place of out-of-date mustard plasters, and will not blister. Musterole usually gives prompt relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it often prevents pneumonia).

30c and 60c jars; hospital size \$2.50.

YOU CAN ALL GIVE SOMETHING

Owing to the magnitude of the work, the solicitors did not finish Saturday and the time will be extended for a few days this week.

The office of the War Relief Association is in the Escanaba National Bank building. The first payments are due on March 1, but subscribers can pay in advance for any length of time they prefer.

All remittances or any communications relative to the Association should be addressed to H. W. Reade, Secretary. Subscribers are asked to pay all assessments with check, which will be more convenient.

We invite any and all persons in the county to join in the Association whether they are wage earners or not, and if the subscription amounts to \$1.00, it automatically makes the subscriber a member of the Red Cross.

No one wants to be slighted.

No one wants to be a "financial slacker."

If our solicitors do not see you, it is not because we do not want your money. We are all working together to win the war and no man cares to have his name omitted from the list.

All we ask is ONE CENT out of each dollar you earn. How very little that is compared with the satisfaction you will have in giving it.

The causes for which the funds of this Association may be expended are:

A.—American Red Cross. B.—Y. M. C. A. C.—K. of C. D.—Military relief American Red Cross. E.—Civilian relief American Red Cross. F.—Any special call which may come with the endorsement of the President, and which is for distinctive war purposes. G.—Any call that in the opinion of the Executive Committee will advance the early and successful termination of the war.

We, the undersigned men of Delta County, ask your support and active co-operation to accomplish this worthy object:

SOCIETY NEWS

DONAHUE-McDERMOTT.
At 5 o'clock yesterday morning Miss Mabel Donahue was wedded to Mr. Elmer McDermott. The ceremony was performed at St. Patrick's church by Rev. Father Feldhaus. News of the wedding had not spread beyond a group of their nearest relatives. Immediately after the wedding, the couple left for Green Bay, Milwaukee and Chicago for their wedding trip.

SURPRISE PARTY.
Mrs. S. J. Spargo, Sr., was given a pleasant surprise last night by a number of married ladies at her home, 400 South Jennie street. The surprise was in the order of a masquerade. After a pleasant evening playing 500 a dainty lunch was served. Those present were: Mesdames Maves, Ehnerd, Brown, Rosshorn, Schmidt, Amsel, O'Hanley, Whitman, Palmer and Coolman.

"OUR WIVES" AGAIN.
On Monday evening of next week Escanaba people can again see "Our Wives." The success of the last performance has caused numerous requests for a second, and it will be repeated at the high school. The proceeds will be for the benefit of the Delta county chapter of the Red Cross.

VALENTINE PARTY.
The Epworth League of the Swedish Methodist church will hold a Valentine party in the church parlors Wednesday evening, February 13. Everybody welcome.

EAGLES INITIATION.
A group of ten will be initiated at a meeting of the Escanaba Eagles. After the initiation other business will be attended to. Many, it is expected, will attend.

TEAMS HAVE BANQUET.
Members of the two teams which sold tickets for the Red Cross benefit play, "Our Wives," were entertained at a luncheon at the high school last evening.

AN EARLY OPENING OF NAVIGATION LIKELY

Marquette, Mich., Feb. 12.—Clear water in Lake Superior is visible from Marquette, and Captain Albert Anderson, a veteran marine man, believes the prospects are excellent for an early opening of navigation. Last year no open water was visible until late in the spring and as a consequence navigation was later than usual in opening. Southeast winds will bring early opening here, according to Captain Anderson.

A supply of machines and parts will be handled by Mr. Liehtenfeld and his service will be of much value to owners of Remington machines in Escanaba and neighboring towns.

CARLSON INFANT.

Funeral services were held yesterday afternoon at the family home, 1014 Escanaba avenue, for Carl, the three months old son of Mr. and Mrs. Alfred Carlson, who passed away last Friday night. Rev. C. A. Lund officiated at the services and the body was buried in Lakeview cemetery.

STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.
Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffling, blowing; no more headaches, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.

BISHOP COADJUTOR GIVEN A RECEPTION

Marquette, Mich., Feb. 12.—The right Rev. Robert L. Harris, D. D., bishop coadjutor of the Marquette diocese of the Episcopal church, was the guest at a reception at Morgan Memorial church chapel last night which was attended by fifty clergy and laymen from different parts of the diocese. Dr. Harris was consecrated bishop coadjutor of the diocese in Toledo on February 7 and has just arrived here to take over his new post.

was whole-hearted and big-hearted and it can truly be said, There was a man. He educated himself by hard study at night after completing his day's work. The whole life of Abraham Lincoln is an exemplary one to the world and when he passed from this life the world was in debt to him for the great good he had accomplished. One of Lincoln's speeches which won him great fame and honor was his mem-

IRON MOUNTAIN WILL ESTABLISH Y. M. C. A.
Iron Mountain, Mich., Feb. 12.—The establishment of a Y. M. C. A. in Iron Mountain to serve as a social center in this city after the abolition of the saloons on May 1 is being considered by business and professional men here. It has been decided to call a public meeting in the near future at which time a campaign will be launched to provide a substitute for the saloon from the social standpoint.

Lincoln's Birthday, February 12

"AND having chosen our course, without guile and with pure purpose, let us renew our trust in God, and go forward without fear and with manly heart."—Message to Congress, July 4, 1861.
"With malice toward none; with charity for all; with firmness in the right, as God gives us to see the right, let us strive on to finish the work we are in; to bind up the nation's wounds; to care for him who shall have borne the battle, and for his widow, and for his orphan—to do all that we may achieve and cherish a just and lasting peace among ourselves, and with all nations."—Second Inaugural Address, March 4, 1865.
HISTORY has produced few men whose outlook on humanity was so broad, and purpose so pure, that their utterances stand for all time. Such a one was Abraham Lincoln. In his writings and speeches can be found hundreds of paragraphs, like those quoted above, which reflect ideals applicable to the present crisis.
America could do no better than to take stock of those ideals at this time—to cultivate the same thrift of words and generosity of deeds.
