

ENEMY SUBMARINE BOMBARDS DOVER

PRESIDENT WILSON MAY INTERVENE IN SHIPYARDS STRIKE

Officials of the Unions Have Asked the President to Take Hand in Settlement of Difficulties Involved.

HALF OF MEN ON STRIKE

Men Demand Higher Wages and Assurances of Closed Shop and Strikes Will Spread It Is Feared.

(BY ASSOCIATED PRESS) Washington, Feb. 16.—The shipping board's wage adjustment board this afternoon agreed to a plan of increased wages, definite working conditions and overtime pay in the so-called Delaware yards, comprising 63 per cent of the shipbuilding workers on the Atlantic. The agreement does not affect the striking carpenters, but will affect their strike. Many of the striking carpenters desire, contrary to the advice of union officials, to accept the award.

The new wage scale will not be so high as on the Pacific coast, or that which the New York district strikers demand, but will be model for settlement of other disputes on the South Atlantic and Gulf coast yards.

The agreement does not take in the striking carpenters in the New York district, it was said, because they insist upon being dealt with as a special class, which the shipping board is unwilling to do. The strikers are perfectly free to avail themselves of the increase in wages and the improvements the adjustment board proposes.

Washington, Feb. 16.—President Wilson was prepared today to take action to end the strike in Atlantic coast shipyards which threaten to tie up a large part of the shipbuilding in the east.

A direct appeal to the president to intervene was made today by officials of the Brotherhood of Carpenters and (Continued On Page Four)

174 U. S. SOLDIERS KNOWN TO BE LOST

Figures Now in Hands of the War Department Do Not Change the Total of Soldiers Who Drowned.

(BY ASSOCIATED PRESS) Washington, Feb. 16.—No new estimate of the total number of dead among the American soldiers aboard the Tuscania was made by the war department today but the ten names which appeared on the list of 81 identified men given out by the department last night brought the death roll up to 174.

The war department report of survivors is far from complete. More than 200 men still remain unaccounted for.

RED CROSS BENEFIT HAS BEEN POSTPONED

"Our Wives," the Red Cross benefit play which was to have been given Monday evening at the high school auditorium for a second time, has been postponed indefinitely. C. A. Strang, one of the principals in the cast, has a severe cold and was unable to attend the rehearsal this morning so it was decided to call off the play.

Appreciation of the work of the cast in presenting the first performance for the benefit of the Red Cross has been transmitted to them by J. E. Byrns, secretary of the Red Cross chapter, in the following letter:

"Dear Ladies and Gentlemen: In behalf of directors of the Delta county chapter, American Red Cross, we take this opportunity of thanking you collectively for the effort you put forth in presenting the play 'Our Wives' to the public which was greatly appreciated by every one that attended.

"We also wish to thank you very kindly for your check, amount \$150.00, proceeds of the play, and same has been placed to your credit with many thanks.

"Respectfully yours,
"AMERICAN RED CROSS,

GENERAL KALEDINES NOW REPORTED DEAD

Cossacks Leader Has Not Been Heard From for Some Time and Tiflis Consul Reports His Death.

(BY ASSOCIATED PRESS) Washington, Feb. 16.—The American consul at Tiflis today transmitted an unconfirmed report to the state department that General Kaledines, Cossack leader in Ukraina, who resisted the Bolsheviks, had suddenly dropped from sight and it is now believed he is dead.

NAVAL ENGAGEMENT HAS OCCURRED OFF SWEDEN, IS BELIEF

Stockholm Reports the Recovery of Bodies of German Sailors Off Gothenburg; Battle May Have Been Fought.

(BY ASSOCIATED PRESS) London, Feb. 16.—Belief that a naval engagement has occurred is expressed in a dispatch received from Stockholm from Gothenburg and forwarded by the correspondent of the Morning Post. The dispatch reported the recovery of a large number of bodies of German sailors who apparently belonged to a warship.

Gothenburg is on the west coast of Sweden and near Skagerrak. The North Sea in the vicinity of Skagerrak was the scene of previous engagements and the great battle of Jutland was fought there.

SPORTS TOURNAMENT DURING CONFERENCE

Basketball Tournament Between Teams at Older Boys' Conference Will Start This Afternoon.

Escanaba delegates to the Older Boys' conference at Menominee this week probably will be entered in a basketball tournament which has been arranged as a part of the program of entertainment. The plan is told in the following article from the Marinette Eagle-Star:

"A basketball tournament will be a feature of the indoor sports to be staged at the Older Boys Conference to be held in Menominee the last part of this week. The tournament will start Saturday afternoon and will end that evening. Menominee will meet Calumet in the first game. The card of the teams has not been completed but there will be games between all of the teams from the cities represented as at most of the conferences that have been held.

"Escanaba, Ishpeming, Calumet, Houghton, Marquette and possibly the Soo will enter teams in the meet. Also there will be a conference team composed of the members of the cities not having teams representing the city sending the delegation. Menominee will play the first game and, if the victor, will continue in the contest. The games will be played on an elimination schedule. It is thought that the games will be able to be played off on Saturday afternoon, as that part of the conference time is to be devoted to recreation."

THE WEATHER

For Escanaba and Vicinity: Cloudy tonight and Sunday; probably snow; not much change in temperature.

For Upper Michigan: Cloudy tonight and Sunday; probably snow; not much change in temperature.

Weather Conditions.

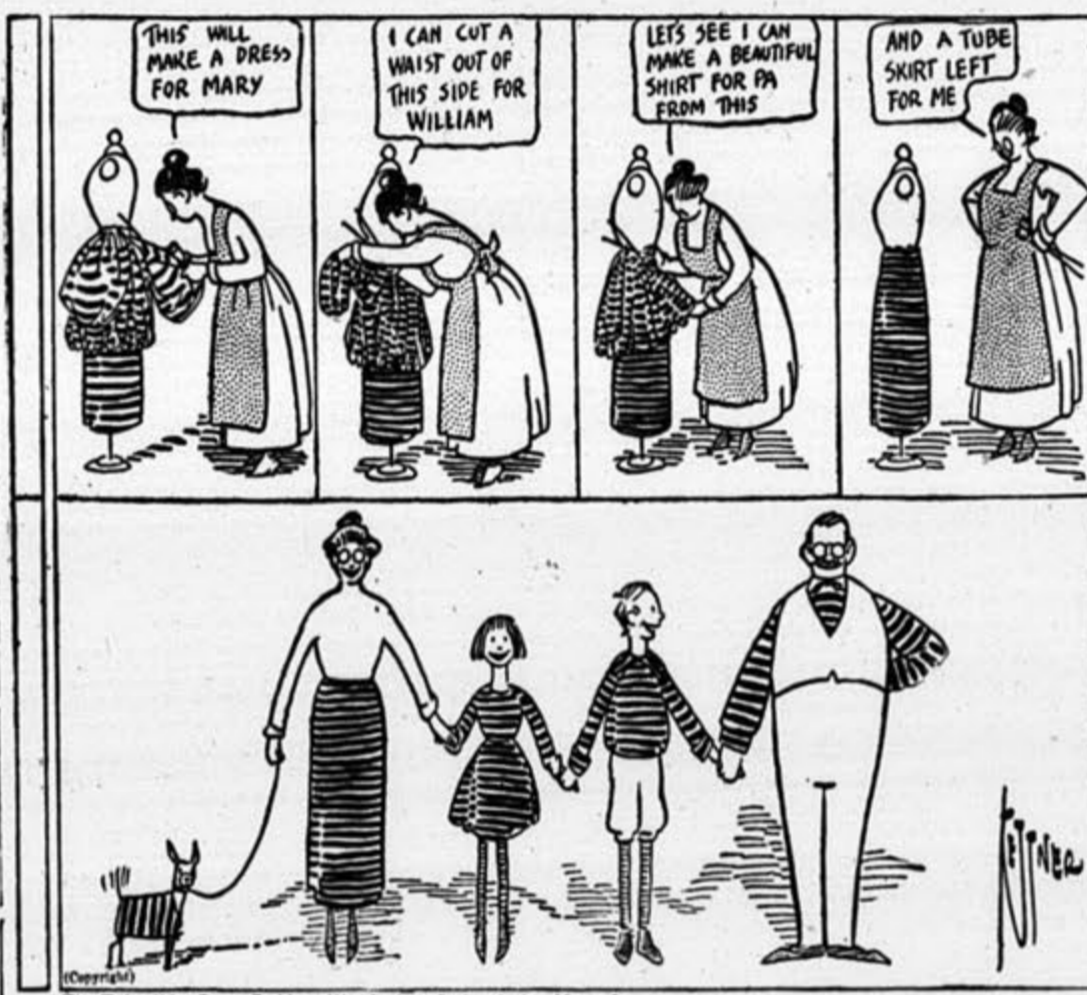

The western anticyclone persists in the Northwestern and Plains States and temperatures are generally lower in most sections east of the Rocky Mountains, the most decided change having occurred in the northeastern portion of the country. Another disturbance is impinging on the north Pacific coast, causing precipitation in the north Pacific States and Plateau region. Precipitation occurred also within the last 24 hours in the Dakotas, the lower Lake region and in Tennessee.

Cloudy weather, with probably snow is indicated for this locality tonight and Sunday. The temperature will not change much.

Temperature at noon 11 above
Lowest last night 2 below

Weather For Week.
Great Lakes: Fair; colder Monday and Tuesday; warmer Wednesday with snow or rain. Conditions for end of the week uncertain.

SCHOOLS READY TO START RED CROSS WORK IMMEDIATELY

Pledge Cards Will Be Distributed This Week Among the Children of the Schools in the County.

FINAL PLANS ARE MADE

Red Cross School Committee Met Today at the City Hall and Outlined Final Plans for Red Cross Membership.

Pledge cards for the Junior Red Cross will be placed in the hands of every school pupil in Delta county in a few days as the final step towards the organization of the school auxiliaries and the Junior Red Cross membership in the county.

This pledge will be the following: "I,, hereby apply for membership in, school auxiliary of the Junior Red Cross of the Delta County chapter and I promise so far as I am able to: "First: Make or grow something for the Red Cross.

"Second: Save by denying myself something I want but do not need. "Third: Give of what I can earn and save to help those who have suffered in this war."

This pledge is the official one for members of the Junior Red Cross and will be printed and distributed to all schools. It was decided this afternoon (Continued On Page Four)

F. D. DAVIS TO ENROLL SHIPBUILDERS HERE

Has Been Named County Chairman of the United States Public Service Bureau to Enroll Men.

F. Dayton Davis has been appointed as county chairman for the United States Public Service Reserve and will assume the duties at once.

J. T. Lynn, director for the state of Michigan, writes Mr. Davis that right now the government needs shipbuilders and carpenters and Mr. Davis in turn asks the people of Escanaba and Delta county to do all they can to assist him in getting that class of labor.

All of the banks in the county have been named by Mr. Davis as places for enrollment. The reserve is intended for all men who want to work to help win the war and who are not content to be merely bystanders, but want to play their part in saving the world from the rule of brute force.

All those who signify their willingness to serve the government will be properly enrolled and each man will be given a card and a bronze button as an official recognition that they are ready to serve their country when the country needs them. When you enroll you state what your line of work is. (Continued On Page Two)

WILL PROTECT THE NEUTRAL SUBJECTS

(BY ASSOCIATED PRESS) Washington, Feb. 16.—Amendment of the draft law so as to exempt citizens or subjects of neutral countries who have declared their intentions to become American citizens, is proposed in a bill prepared by the war department in conjunction with the state department and introduced by Chairman Dent of the house military affairs committee today.

BRITISH CHIEF OF STAFF QUILTS POST

General Robertson Resigns to Accept Place On Supreme War Council; Succeeded by General Wilson.

(BY ASSOCIATED PRESS) London, Feb. 16.—General Sir William Robertson, chief of the British Imperial staff, has resigned, says an official announcement this afternoon. General Wilson, sub-chief of the staff, will take his place. General Robertson was unable to accept the position of military representative on the supreme war council and continue as chief of the Imperial staff with limited powers.

MEDICAL SOCIETY HAD MEETING LAST NIGHT

The Delta County Medical society held a meeting last evening at the city hall, which was attended by a number of the members. The attendance was not as large as was expected, but the program presented was enjoyed by those present.

Mrs. A. I. Miller spent Thursday in Green Bay as the guest of friends.

LIBRARY NOTES

Miss Brubaker, Librarian, Gives Short Review of the New Books Received at the Library.

Among the important new books just received at the Public Library is "The Challenge of the Present Crisis," by Fostedick. It contains a message for all who are asking these questions: In what mood shall a Christian, or for that matter an idealist of any kind, face the catastrophe? With what considerations and insight can he support his faith and hope? How can he harmonize his ideals with his necessities of action in a time of war? Mr. Fostedick answers these questions in a splendidly sane and thoughtful consideration of the relations of war and Christianity. "The Challenge of the Present Crisis" is a little book—to be read in an hour or two—but contains a big message for every patriotic American. (Continued On Page Two)

INTERNATIONAL CAN USE BRITISH CABLE

(BY ASSOCIATED PRESS) New York, Feb. 16.—The International News Service announced today it had been officially restored to the mail and cable privileges on all lines controlled by Great Britain, its colonies and allies. These privileges were denied the International in the fall of 1916.

RUSSIAN POLES TO MAKE PROTEST ON UKRAINIAN PEACE

Great Deal of Feeling Develops in Warsaw Against the Central Powers and Demonstrations Expected.

(BY ASSOCIATED PRESS) London, Feb. 16.—There is much feeling against the Central Powers in Warsaw, the capital of Russian Poland, and great excitement prevails, according to an Exchange Telegraph dispatch from Copenhagen.

The workmen are said to be planning a demonstration. The streets are being patrolled by soldiers and police.

Much feeling has been aroused in Russian Poland over the Ukrainian peace agreement by which the province of Cholm, formerly contained in Russian Poland, was ceded to Ukrainian.

MERCHANTS ASKED TO SELL THRIFT STAMPS

Request is Made By County War Savings Stamps Organization to Merchants to Take Hold of Sales.

Merchants and others meeting the public constantly are to be enlisted by the county war savings stamps committee to sell stamps to their customers and to fill out the application blanks which have been furnished them by the committee. The committee requests that this be done at once in order that the sale of stamps can be pushed in Delta county.

It is the plan of the county organization to establish 400 selling agencies in the county and application blanks have been sent to that many business houses. These applications have been in the hands of the business houses for several days and only a few have been returned. The committee asks that those who have not returned their application blanks to do so at once.

The plan of the committee is to make the purchase of war savings stamps so easy for the people that every person can have no excuse not to buy them. It is planned to have them on sale at every place where goods are sold and to have the sales pushed by the clerks of the various establishments.

TWO ESCANABA BOYS WILL BECOME AIRMEN

Word has been received in the city to the effect that Charles Stoll of this city has been accepted for service as an airman in the United States aviation corps. He is the second Escanaba boy to be selected for this work, the first being Roy Olson, son of Mr. and Mrs. Peter Olson.

Notice that Mr. Stoll was accepted for aviation service was received yesterday by the local board of Delta county. He has been rated as a first class private and will be a candidate for a commission in the service.

HAMMOND BOYS NOW LOCATED IN FLORIDA

Mrs. A. P. Hammond, of Wells, has received a letter from her sons, Gilbert and Roy, who are in the 315th Laundry company at Camp Johnston, Florida. Both boys have been given a promotion. Gilbert has been given the rank of sergeant and Roy is now a private of the first class. The boys are in good health and are working hard for further promotions.

U-BOAT SUDDENLY ATTACKS SEAPORT ON DOVER STRAITS

Official Report Says Submarine Caused Less Than a Dozen Casualties and But Little Damage.

SHORE GUNS STOP U-BOAT

Submarine Was Driven Off Before Much Damage Could Be Done; Raids of This Kind Not Infrequent.

(BY ASSOCIATED PRESS) London, Feb. 16.—An enemy submarine bombarded the town of Dover on the Straits of Dover this morning. It was officially announced.

The submarine was fired on from the shore and ceased the bombardment after thirty rounds had been fired. There were less than a dozen casualties and only slight damage.

Cases are not infrequent of a German submarine bobbing up off the British coast and shelling coast cities. Yarmouth was bombarded in such a manner on January 14. It is not often that a U-boat cares to take a chance with such a well defended town as is Dover, the most important port on the southeast coast of England, opposite Calais on the straits, across which flows a constant war traffic between England and France.

It was only yesterday that a powerful squadron of German destroyers suddenly raided the straits and sank eight British vessels which were out on a submarine chase.

GERMANY BAFFLED BY RUSS MINISTER

Foreign Minister Trotzky Has Placed Germany in Peculiar Predicament As to Withdrawal of Troops.

(BY ASSOCIATED PRESS) Washington, Feb. 16.—Official Washington's opinion of Bolshevik Foreign Minister Trotzky's decision for no war and still no peace with Germany, is that Trotzky, whether he knows it or not, has placed Germany in a military and political predicament.

Movement of German troops from the Russian front has been stopped and it is believed by military men that no further withdrawal of German forces will be made until Berlin decides upon a policy towards the Bolsheviks.

SPRUCERS DEPARTED FOR VANCOUVER, WASH.

Nine Men Left Last Night to Join Spruce Production Regiment—Sixty From Here Are Sent.

Delta county has already sent sixty men to the spruce production regiment at Vancouver, Wash., and will send more as soon as requisitions for travel and food have been received. The last contingent to Vancouver left last night, being composed of nine men, as follows:

Axel E. Larson, Antoine Deloria, Nelson A. Thibault, Algot Segerstrom, Joseph Turan, William Dubord, Peter Gerou, Richard Green and Caleb Johnson.

The contingent was in command of William Dubord of Bark River.

RESTRICTIONS FOR LIGHTING MODIFIED

New Order Received Today by Chairman Clark from State Fuel Administrator Prudden.

A new order affecting the lighting restrictions placed when the fuel restrictions were in force, was received this afternoon by Chairman Clark of the Delta county fuel committee. The order reads as follows:

"You are hereby authorized to allow all electric lighting that formerly was usual and customary to be used on Saturday evening from 7 to 11:30 o'clock p. m."

"Marcus" Daley of the Cloverland barber shop will leave tonight for Peoria, Ill., where he makes his future home. Mrs. Daley and daughter left here two weeks ago for Peoria.

THIS WAR OF SCIENCE—TRINITROLOL.

This explosive of the long name, commonly known as T. N. T., showed the kind of a job it could do at Hallifax. Some of us have been hoping to see our forces drop an equal amount of it over the German trenches.
The war department asks for 22,000,000 gallons of this material for use by September, 1918. To build the coke oven retorts necessary to produce it independently will take a year. But it can be recovered from the products of illuminating gas plants. Recovery plants for this purpose can be built in a few months.

The same people who are longing now for the Good Old Summer Time will be wishing next July for some of that nice stimulating February weather.
Many of the loudest hollers for speeding up our war work were the loudest hollers a few years ago against spending anything on the army.

LIBRARY NOTES

(Continued From Page One)
"Private Peat" needs no introduction. He tells what he saw, heard, did, and felt "over there" with the first Canadian contingent. If there were nothing else in his book but the battle of Ypres, it would be worth reading.
"My Home on the Field of Honor," by Madame Huard shows first of all the warm sympathies and good sense of humor of the author. From every point of view her book is interesting. Madame Huard "has made use of an uncommon literary gift to write a story of actual experiences that bring before us the fearlessness of war without any effect of melodrama or superfluity or horror, and that expresses real emotion with sincerity and with artistic restraint. When one remembers that the narrative is not fiction, but simple truth, one gasps."
"Army and Navy Information," by Major Falls is a little handbook containing the uniforms, organization, arms and equipment of the warring powers, with colored plates of flags, medals and insignia.
"The Secret Witness," by George Gibbs, is an entertaining, swift-moving story, with a plot technically adroit and plausible. It deals with the assassination of the Austrian archduke.
"Fanny Herself" is another story of a successful business woman, by Edna Ferber.
A copy of "Patriotism," a reading list compiled by the N. Y. Public Library, is also on file, and this seems an opportune time to follow some of its suggestions. Patriotism requires a background of tradition, and this is best to be gained through reading our literature and history and biography. This little list suggests many titles which would form a very splendid systematic course of reading.
All books mentioned here may be borrowed at the Public Library.

LIEUTENANT GOOD OF OCONTO BEEN CALLED

Charles Good, Son of F. W. Good, Will Be First Lieutenant in the Forestry Regiment.
To Charles Good of Oconto, son of Mr. and Mrs. F. W. Good of Nahma, comes the signal honor of appointment to a first lieutenancy in the Forestry division of the United States army. He has just been notified that a commission has been awarded him, and also that he shall report for service in Washington. He will leave Monday night.
A graduate of the Escanaba high school and of the University of Michigan, Lieutenant Good, after leaving the university, was named superintendent of the Oconto Lumber company, a position he held until the present time. His experience gained for him the recognition of the war department when he applied for a commission as first lieutenant a few weeks ago.

PYTHIANS TO HAVE ANNIVERSARY MEET

Plans Are Being Made for the Observance of the 54th Anniversary of the Order on Tuesday Evening.
Elaborate plans are being made by Escanaba Lodge Knights of Pythias for the observance of the fifty-fourth anniversary of the founding of the order in Escanaba on next Tuesday evening. At this time A. E. Sharpe of the Soo, past grand chancellor of the order in Michigan, will be the guest of the local order and will inspect the Escanaba and Gladstone lodges. The Gladstone lodge has been invited to take part in the meeting. A feature of the meeting will be a roll call of the members.

A RAW, SORE THROAT
Eases Quickly When You Apply a Little Musterole.
And Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain.
Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds on the chest (it often prevents pneumonia). Nothing like Musterole for croupy children. Keep it handy for instant use.
30c and 60c jars; hospital size \$2.50.

Sanitary science has of late made rapid strides with results that are of untold blessing to humanity. The latest application of its untried research is the recommendation that it is as necessary to attend to internal sanitation of the drainage system of the human body as it is to the drains of the house.
Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.
Everyone, whether ailing, sick or well, should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the phosphated hot water is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.
The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

PERSONAL PARAGRAPHS

A Red Cross class was formed at Brampton this afternoon by Mrs. A. C. Barras and Mrs. I. G. English of the military relief committee, Delta County chapter. A. R. Coupal, who has been enjoying an extended visit in this city with relatives, returned yesterday to his home in Saskatoon, Canada. Howard Folio has accepted a position as salesman for the Edelweiss Soft drink company. Mrs. F. W. Greenlaw will leave tonight for Chicago and Milwaukee, where she will complete the spring buying for the store. Mrs. John Gasman and daughter, Miss Anna, of Bark River, spent a few days with friends in the city. Mr. and Mrs. F. Ballard, Jr., are the proud parents of a daughter born St. Valentine's Day. Mr. and Mrs. Louis Young will leave tonight for Texas, where they will enjoy a month's visit. Miss Mae Hessel returned yesterday from Plattsville, Wisconsin, where she has been for some time. Miss Hessel was called home by the serious illness of her mother. Miss C. E. Allison of the Fair Store left yesterday for Chicago and New York, where she will purchase the spring stock of millinery for the store.

REVISED FUEL REGULATIONS

Revised fuel regulations to take in govern except in cities where Eastern time has been adopted as the city time. Sec. 11.—The open hours for all chain stores under similar management shall be the same in any one city. Sec. 12.—Lights in windows during the period the several stores and business places are closed, must be extinguished at hour of closing, and no lights maintained during the closed period except such as are required for safety lights. Sec. 13.—All outside illuminating signs for advertising purposes to be eliminated, and all unnecessary lights inside during business hours to be eliminated. Sec. 14.—All lighting of streets, parks and boulevards must be confined to necessary lights for safety. Sec. 15.—Heating of stores not to be in excess of 68 degrees. The limitations herein do not apply to depots, railroad stations, government or municipal buildings, but any line of retail business carried on within said depots or stations, must conform to the hours of closing of similar lines where hours are limited. All secular business, not absolutely necessary for public requirements, should, from the standpoint of patriotism and fuel conservation, be closed on Sunday, but the Federal Fuel Administrator does not at this time make any order relative thereto. The County Federal Fuel Committee by a majority vote of its members, may limit the hours of restaurants and lunch rooms in localities where, in the opinion of said committee, such limitations will not cause serious inconvenience to the public. This order shall become effective on the 14th day of February, 1918. All persons within the state of Michigan are directed and ordered to observe the above order. Penalties for violating as provided by the laws of the United States will be strictly enforced. The mayors of cities and municipal heads of towns and villages are directed to enforce the provisions of order. Dated, February 14th, 1918. W. K. PRUDDEN, Federal Fuel Administrator.

MRS. ANDREWS UNABLE TO ATTEND MEETING

Owing to the cancellation of the Soo Line westbound train Thursday night, Mrs. C. E. Andrews, who was selected as a representative of the state of Michigan to the meeting of Woman's War organizations in St. Paul for the purpose of discussing the part women would take in the next Liberty Loan campaign, was unable to attend the meeting. Mrs. Andrews was signally honored by being appointed the only representative of the state at the meeting by the president of the Michigan Federation of Women's clubs and it was a great disappointment to her to not be in attendance at the meeting. Prominent women from North and South Dakota, Minnesota and Wisconsin were to be present.

THE THEATRES

AT THE DELFT. Enid Bennett in "Keys of the Righteous" will be shown at the Delft tonight in the feature. Roscoe Arbuckle in "A Country Hero" is additional, with a vaudeville act as the third feature on the program. This latest Arbuckle production is perhaps the best picture ever played by a fat man. It shows him to advantage over every role that he had had in the past. It is guaranteed to make everyone laugh. The feature is full of contrasts, has much human interest and is interspersed with periods of comedy. The vaudeville act is Girdella's dogs in a very clever dog act. On Sunday, Francis X. Bushman, in "Red, White and Blue Blood." Famous picture "On Trial" will be shown at the Delft in the near future. AT THE STRAND. American Mutual Pictures present Gail Kane, the Broadway stage star, in "The Bride's Silence," a five-act mystery drama, based on an absorbing story. Also the third episode of "Vengeance and the Woman" will be presented tonight. In this episode William Duncan, star of "The Fighting Trail" is at his best. Also a two reel Lonesome Luke comedy entitled, "We Never Sleep." Miss Gail Kane's new American-Mutual production, "The Bride's Silence" reveals the brilliant young star in a new type of character—one which gives full play to her acknowledged genius for emotional interpretation. Lubert Shepek, of Minneapolis, is the guest of friends and relatives in the city.

PROSECUTIONS FOR VIOLATION ORDERS

Menominee, Mich., Feb. 16.—The first prosecutions for violations of the fuel regulations in Menominee county were instituted by Fuel Administrator Blom against Joseph Boucher and Andrew Sandberg of Stephenson, who conduct a saloon. Heavy fines were assessed, but the fuel administrator would not state the amounts paid by the violator.

EXAMINING OFFICER TO VISIT ESCANABA

Adjutant General Bersey Notifies Local Board That Camp Custer Man Will Call on Board. Adjutant General Bersey of Michigan has notified the local board for Delta county that a medical officer of the United States army will visit Escanaba soon for the purpose of instructing examining physicians regarding physical examinations. When the officer from Camp Custer, detailed to do this work, visits here, examining officers from the counties of Schoolcraft, Dickinson, Iron and Delta will meet with the Medical Advisory board to inspect their methods. No date is set for the visit here in the following notice received by the local board from Mr. Bersey: "The secretary of war has directed that medical officers of the army be sent to inspect local boards with the view of instructing examining physicians regarding physical examinations and to inspect their methods. "Several medical officers from Camp Custer will start on these visits Tuesday, February 19, but as they are limited in numbers and as to time it will be impossible for them to visit each local board and in lieu thereof they will proceed to central points, probably those points named as locations of medical advisory boards. "Then physician members of the local boards, as those ordinarily sending men for physical examinations to certain medical advisory boards, will probably be directed to proceed to the cities so indicated, where they will assemble for consultation with the above mentioned officer from Camp Custer."

How Many Times Will a Dollar Be Spent in Two Weeks?

What would it mean to the people of Escanaba if all the dollars earned here were spent here? Does it pay to spend your dollars here at home? The Mirror is going to demonstrate this to the people, starting within a short time. Twenty-four dollars with tags attached thereto will be started on a shopping tour among the merchants of this city. There will only be 24 of them and the tags will have a space on them for each person to write their name and also for the store where the money is spent to place their name. Each dollar will be numbered and the tag will be dated. Each morning the tags will be collected and new ones will be placed on the dollars. Every merchant will want to get as many of these dollars as he can and therefore will offer some rare bargain for them, for there are only 24 and he can afford to do so. As soon as the tags with dollars attached are put in circulation, get as many as you can, for they are worth more than a dollar. Several will be displayed in the store windows the week before they are given out. Looking out for Daily Mirror Trade Dollars is going to be a favorite recreation during the two weeks. Each day The Mirror will tell where the dollars traveled the day previous.

GLADSTONE CLAIMS BANNER SNOW DRIFT
Gladstone claims to have more snow on the north side of their main street than any other city in Northern Michigan. The banner drift is in front of the bank where it reaches a height of over nine feet. It is almost out of the question to shovel it away without relay of men to pass it on toward the street.

BRITISH WILL GET 30,000 SOLDIERS IN THE UNITED STATES

Over 19,000 Have Already Been Recruited in British and Canadian Armies by the Recruiting Missions.

(BY ASSOCIATED PRESS)
Chicago, Feb. 16.—More than 19,000 British subjects resident in the United States have enlisted in the fighting forces of Great Britain and Canada, with the probability that the reciprocal draft agreement which has just been reached between the United States, England and Canada will cause these figures to leap upward rapidly, according to a statement made here by the British-Canadian Recruiting Mission. These figures, however, are considered low by members of the Chicago Division headquarters of the Mission which announces that there are not less than 30,000 citizens of the British Empire in the United States eligible for service.
British and Canadian subjects in this country cannot possibly escape liability for service, according to General W. A. White, head of the British-Canadian Recruiting Mission. As soon as Congress acts favorably on the reciprocal draft agreement, he stated in a dispatch to the Chicago division, the British subject will become "much more liable for service than the American."
According to General White, British subjects will be given 60 days after enactment of the reciprocal draft measure to join the English forces voluntarily. It is during this period that the Mission plans to launch a nation-wide campaign.
In urging the speeding up of British and Canadian enlistments General White said:
"What we need at present is man power. If the Britisher enlists with us he can get to Europe quickly and be made effective much sooner than if he waits a few weeks longer for the draft."
Branch depots of the Mission have been established in every principal center of the United States, each depot being in charge of an officer who has seen active service. Most of these officers, according to a statement given out at the Chicago office, wear on their sleeves "that badge of suffering, the 'wounded stripes,'" and many of them are doing recruiting duty while on sick leave from the battle lines.

ALIENS MUST SECURE PERMISSION TO MOVE
Registration Law Provides That Alien Enemies Must Be Checked Up As They Move From Place to Place.
German aliens who move from one place to another must give notice of intentions in order that their registration card can be endorsed by the registration officer with whom the alien registered. This provision of the registration act is called to the attention of registrants by Chief of Police Toland. The provision of the act is as follows:
"Any alien enemy who shall change his place of residence to another place of residence within the same registration district, shall immediately report such change to the registration officer of such registration district, and shall present to such registration officer, his registration card, for the purpose of having endorsed therein by such registration officer the change of residence. The registration officer shall immediately give notice of such change to the department of justice."
"No alien enemy shall change his place of residence to a place of residence in another registration district without a permit. Application for such permit must be made by the alien enemy to the registration officer of the registration district in which the alien enemy then resides. The application must be made in four copies upon a form to be furnished for that purpose, on which form such alien enemy must state full particulars as to the date on which his residence is to be changed, as to the reason for such change, and as to his intended place of residence. The registration officer to whom such application for change is made, shall, if not reason against the granting of such permit be manifest to him, endorse such permit upon the registration card of the alien enemy, which must be presented by the latter for such purpose."

CLAIRVOYANTS ASKED TO LEAVE HERE QUICK

Two "Celebrated" Personages Were Notified That Their Presence in Escanaba Was Not Desired.
Escanaba is no place for clairvoyants and palm readers, two of them were told this afternoon in police court and they were advised to get out of town as quickly as possible.
Madame Lee from somewhere who advertised that she would tell you the past, present and future, love and business, if called upon at 1511 Ayer street, was the first called before Justice Glaser. She promised to get out of town, claiming that she was ignorant of the city ordinance. Her next step, according to her own statement, will be at Houghton.
Next Madame Meata was called to explain her business in the city. She had advertised that she would tell you about love affairs, divorces and business matters, adding that she was a celebrated lady. She was accompanied to the station by her daughter, who did most of the talking and said they came here a few days ago from Helena, Ark. They promised to leave town as quickly as possible, but pleaded that they had no money to get out of town.
However, the court was lenient with both parties and they will be allowed to leave quietly without further action, provided they do not wait too long before moving.

CHILDREN HEAR MUSIC.

A number of children who will take part in the music memory contest in April were present today at the Schrader and Grinnell music houses to hear selections played. Mrs. James C. Baker had charge of the program at Grinnell's music house and Miss Vera Morrell was at the Schrader Music House. A review of the pieces selected for the contest was held today.

SOCIETY NEWS

BARRETT-MOTTEL.

The wedding of Miss Grace Barrett, youngest daughter of Mr. and Mrs. James P. Barrett of Gladstone, and William Mottel, for many years manager of the Venerable plant of the Northwestern Coopers and Lumber company, was solemnized at the All Saints church at four o'clock Tuesday morning in the presence of only the immediate relatives of the contracting parties, Rev. Father Bennett officiating. The couple were attended by Louis and Miss Marie Mottel, brother and sister of the groom.
The bride wore a traveling suit of broadcloth and carried a bouquet of tulips and narcissus.
Following the ceremony the party assembled at the Barrett home on Michigan avenue where breakfast was served to the party of seven in the dining room beautifully decorated in pink and green, the flower decorations being of pink and green carnations and green snailax. Following the wedding breakfast, Mr. and Mrs. Mottel departed on the 7:29 Soo Line train for Manistique for a short wedding trip, necessarily brief owing to the importance of an early return of the groom to his duties. Upon their return to Gladstone they will make their home at the Barrett residence for the present and will be at home to their friends after April first.
The bride has lived in the city with her parents for about 12 years, was a graduate of the local high school of the class of 1914 and has always been numbered as one of the popular young ladies of the city. The groom is also well and favorably known, has been prominently associated with the Coopers company for about eight years and has come to be regarded as one of the substantial members of that institution.

MOTHERS' MEETING.

The Barr School Mothers' club met yesterday afternoon and enjoyed a busy meeting despite the bad weather. A number of articles were finished by the workers for the Red Cross. All members are asked to turn their finished work over to Mrs. W. J. Kennedy, 525 South Mary street, who in turn will give it to the Red Cross.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.
Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.
These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.
Most headaches, "dullness" and that lazy feeling come from constipation and a clogged liver. Take Dr. Edwards' Olive Tablets when you feel "foggy" and "dull." Note how they "clear" clouded eyes, how they "perk up" the spirits. 50c and 25c a box. All druggists.

Verdun. On the Italian front the artillery action was light.
That part of Russia dominated by the Bolsheviks has withdrawn from the war and war alliances and has little to fear from a German invasion. The All Russia central executive committee of workmen's and soldiers' councils has approved the action of the Russian representatives at Brest-Litovsk. Members of the committee said that the masses in Germany and Austria would not permit a further offensive by their governments.
No news from Petrograd has been received in London for a week and it is believed that the Bolshevik censorship has decided to suppress the activities of correspondents.

Schools Ready To Start Red Cross Work Immediately

at a meeting of the Delta County chapter school committee.
The committee also decided that the Junior Red Cross buttons will be given to those who perform ten hours of completed acceptable work in lines assigned and approved by their room teachers.
The meeting held this afternoon at the city hall was attended by Superintendent King of the city schools, the principals of all city schools, Father Jacques of St. Anne's and Father Julius of St. Joseph's schools and Principal Crawford of the Wells schools. The Red Cross was represented by Dr. Cotton, chairman of the school auxiliaries committee.
Father Julius of the committee on organization reported that the officers of the Red Cross chapter of the county had advised him that every school has now paid an amount equal to 25 cents for each pupil pledged to service as a part of the war relief fund. This, he reported, enabled every school to begin work at once.
Principal Lint reported that his committee on school activities had conferred with the local Red Cross ladies and gone carefully over the published list of school activities by grades and that with one or two exceptions the committee had endorsed all the activities.
Every school represented at the meeting signified their intentions of beginning active work at once. Father Jacques and Miss Ryan of the Washington school were appointed a committee to form the pledge which is given at the beginning of this article.

Appeal To Wilson.
New York, Feb. 16.—An appeal direct to President Wilson to intervene in the strike of shipyard workers engaged on government contracts, was made today by the United Brotherhood of Carpenters and Joiners, it was announced by officials of the organization here today.
Approximately fifty per cent of the shipyard workers in the New York district were on strike today, according to claims made by the brotherhood officials, including T. M. Guerin, a member of the executive committee. The strike, it was said, would spread to other cities on the Atlantic coast, unless the wage demand was granted. The number of men out here was declared to be between 7,000 and 8,000. Contrary to claims of the brotherhood leaders information reached the
