NEXT WEEK WILL INTEREST THOSE WHO WOULD SAVE

In Addition to Being Daily Mirror Trade at Home Dollar Week, Many Big Offers to Be Made.

MAKE IT SAVING EVENT

Watch the Windows Where Live Merchants Dwell and Also Read the Ads in The Daily Mirror.

The merchants of this city have cooperated with The Mirror in the Trade at Home Dollar idea to the extent that they are now looking over their stocks preparatory to making some great offerings for every day next week. While all Trade at Home Dollars will have much more than a dollar value, any old dollar, either paper or iron is going to get more than its value in merchandise.

On March 23 there will be another Daily Mirror Dollar Day which will be the closing event in the Trade at Home campaign.

Before Saturday of this week every live merchant will have his windows filled with bargains not only for the Daily Mirror Trade at Home Dollars, but for many different sums of money.

Every day next week will be a bargain treat at the stores, but many of them will not advertise these bargains and you will have to come down town and "rubber" in the windows.

No. 7 Not Found. The No. 7 Dollar which was lost last Saturday has not been found and it is feared that it has been covered up in the snow. All rewards still hold good and we hope it is going to be found by someone before Friday night. We will give \$5.00 for it. The Fair will give a fine pair of boys shoes. Blomstrom & Peterson will give a fountain pen or a boy's watch. Other stores are also in line with rewards.

Young & Fillion have raised their reward to a boys' sweater. Try and find it for us if you can.

THREE DAYS ARE ALLOWED SCHOOLS

Board of Education at Meeting Last Night Decided to Grant Three Days at Easter.

At the regular monthly meeting of the board of education which was held last evening, it was decided to allow three days for the Easter vacation this year. The schools will close on Wednesday, the 27th, and open again on Tuesday, April 2. This will give teachers who live out of town an opportunity of going home for a few days.

Gompers Cables to Russia, Extending Sympathy to People

(BY ASSOCIATED PRESS) Washington, March 12.—Samuel Gompers, president of the American Federation of Labor, on behalf of the American alliance today forwarded to the Russian congress a message of sympathy to the Russian people "in their struggle to safeguard freedom."

Moscow, March 12.—The all Russian congress of Soviets which was called to ratify the peace treaty with Germany, has postponed the opening meeting until Thursday, March 14.

Naval Aviator Falls In Seaplane; Killed

(BY ASSOCIATED PRESS) Norfolk, Va., Mar. 12.—Falling with a seaplane from an elevation of 300 feet into the ocean, aviator M. L. McNaughton, U. S. N. R., was drowned this morning in Hampton Roads. Another aviator occupying the rear seat, the name of whom was withheld by the government authorities, was uninjured.

DR. DEFNET SAYS HE IS HAVING HARD TIME

A letter received this morning from Dr. H. J. Defnet, who is in Washington, states that he is having a lot of trouble in getting a good place to sleep. The city is over-crowded and rooms are almost impossible to obtain. Enormous prices are being paid for any old kind of a room in inferior residences.

Marinette Boy Dies In Train Accident; Another Badly Hurt

(BY ASSOCIATED PRESS) Manitowoc, Wis., Mar. 12.—Norman Stetterton, 24, of Marinette, may die and John Hurley, 23, said to be from Michigan, will be crippled for life as a result of an accident at Valdars when the two men were thrown from a coal car of the Soo Line freight train on which they were beating their way to Superior.

Hurley's left leg was cut off at the hip and Stetterton suffered internal injuries. The latter is a son of Charles Stetterton, chief clerk of the Marinette postoffice.

Red Cross Notes

Announcements of Meetings of the Various Classes Working for the Red Cross and Other Notes of Interest.

By Mrs. I. G. English.

The matter of substituting other material for the woolen swaddling blankets called for in the layettes for French and Belgium babies has been taken up, and it was learned that no substitutes will be accepted. Orders are that if the wool cannot be used the layettes should not be made.

To anyone familiar with the continental manner of dressing babies this is not surprising, as few garments are worn and the swaddling blanket takes the place, with the addition of a little jacket, of dress and petticoats. It is pinned to the brassiere, which is also new to American mothers. It is quite necessary that this garment be made of wool, as the climate is raw and cold and there is little or no fuel.

The woolen blanketing has been ordered by the chapter officials and women who are planning on donating one or more of the layettes, may buy this item at the wholesale price as soon as it arrives.

It should be understood that these layettes were planned out by a woman who was sent by the Red Cross, to

FARM LABOR WAGES SET AT \$40 TO \$50

New Scale Established at Lansing is Based Upon Standard Established for Skilled Labor.

(BY ASSOCIATED PRESS) Lansing, Mich., Mar. 12.—The Michigan farm wage scale, as recommended by the farm wage commission, for the coming agricultural season, is as follows:

For married men having families and occupying a tenement house on a farm, \$50 a month, and with such perquisites as milk, poultry, garden ground, fuel and free house rent.

For single men, \$40 a month and board and lodging.

The commission includes 20 leading farmers throughout the state whom, on request of Gov. Sleeper, inquired into conditions and abilities on the farms. The figures arrived at are to be considered, it was explained, not as fixed figures, but basic wages, from which to calculate in making individual bargains.

The requirement for the stated scale is that the labor shall be competent. The scale does not apply to inexperienced labor turned on to the farms as a result of the auxiliary labor movements embraced by the boys working reserve and the activities of employment agencies in gathering up city laborers for farm work.

THE WEATHER

For Escanaba and vicinity: Cloudy tonight and Thursday; probably snow. For Upper Michigan: Cloudy tonight and Thursday; probably snow; warmer tonight in east portion.

Weather Conditions.

A cyclonic disturbance of considerable depth and vast extent occupies the Rocky Mountain and Plains states this morning with central depression in Colorado of 29.35 inches. Within the last twenty-four hours it has caused precipitation in the Plateau region, in Wyoming, the east portion of the Dakotas, and in Minnesota. Rain fell also along the Gulf coast, in eastern Tennessee and in the Atlantic states. Temperatures are from 10 to 20 degrees lower in the region of the Great Lakes and in the Plateau region. Elsewhere it is warmer.

With the approach of the disturbed conditions to the westward, cloudy weather with probably snow is indicated for this locality tonight and Thursday. Temperature at noon.....30 degrees Lowest last night.....21 degrees

The Easter Bonnet Arrives

WAR RELIEF TO BE INCORPORATED FOR WORK TO BE DONE

Papers Were All Ready for Adoption Last Evening and Details Will Be Handled by Attorney T. E. Strom.

8000 PLEDGE CARDS NOW

There Are Very Few Who Have Not Signed Up; Some Have Been Neglected and Will Sign Soon.

At a meeting of the Delta County War Relief association which was held last evening, it was unanimously decided to incorporate the association and the papers were all made out and ready for the meeting by Attorney Strom who will incorporate the local relief association at once.

One of the special objects of the meeting was to talk over the work of the committee in reference to those in the county who were found to be slackers. All of the names of those who refused to give and which are published elsewhere in this issue of the paper were carefully considered before it was voted upon to publish them and in every case final efforts had been made to get them to join in the movement.

Mayor Jones reported the names of six Gladstone men who have not yet signed pledge cards, but neither have they refused to give and he said that it might be considered as a neglect of duty more than anything else.

A number of men who have put their names down for but 50 cents, when it is well known that they can give more, will be seen by a committee and asked to give one per cent of what they receiving and if they refuse to do so, their names will be published along with the rest.

There are over 8,000 pledge cards now on file in the office of the association and the committee is enthusiastic over the results of the campaign up to date.

There are several more names of "slackers" which will be added to the list later, when final efforts have proven useless in getting them to sign up.

Brampton township, Baldwin township, Nahma township, Ford River township and Garden township have now all turned in perfect records without a refusal to contribute from a single individual or firm in any of those townships.

In the city districts assigned to John Knutsen, Dr. R. H. Banks, E. C. Voght, Atty. H. J. Rushon, Max Kura, J. A. Allo and Dr. H. W. Long, not a refusal was reported.

The Ladies' Auxiliary of St. Stephen's Episcopal church will meet Thursday afternoon, March 14, at the home of Mrs. Hammerier, 207 North Oak street.

TEDDY'S SON IS HURT IN FRANCE; ARM IS BROKEN

(BY ASSOCIATED PRESS)

New York, Mar. 12.—Capt. Archibald Roosevelt, son of Col. Theodore Roosevelt, has been wounded in action with the American forces in France. A cablegram was received today at the Colonel's New York office. The message came from Theodore Roosevelt, Jr., a major with the expeditionary forces, and read:

"Archie wounded by shrapnel in leg. Arm broken but no danger. Ted." "I am as proud of my four boys as I can be," Col. Roosevelt replied when informed by his secretary at his home in Oyster Bay, where he is recuperating from a recent illness. "As long as Archie was not killed, everything is all right."

AMERICAN CANNON POUNDING GERMAN LINES VIGOROUSLY

Artillery Shells Obliterate Gas Projectors Set Up in Preparation for German Assaults.

RAIDS AGAIN SUCCESSFUL

French and British Airmen Account for 21 German Planes in Air Duels During the Day.

(BY ASSOCIATED PRESS)

With the American Army in France, (Tuesday) March 12.—There was greater artillery activity by the Americans on the Toul sector today than at any time since they took the position there.

American shells have obliterated at least five groups of gas projectors which were set up by the enemy in preparation for attacks. Fires back of the German lines also were caused by the incessant artillery shelling of the Americans. Explosions also were heard to the rear of the German lines.

The Americans on the Toul sector again raided German positions, penetrating to the second line of the enemy. No prisoners were captured, but a number of the enemy were killed by shell and rifle fire.

With the American Army in France, (Monday) March 12.—The sector occupied by the American troops east of Lunerville, which was designated formerly merely as being in Lorraine, has been one of the most active on the front from a standpoint of artillery fighting.

The Americans are still hurling thousands of shells daily against the German positions making it virtually impossible for the enemy to occupy towns in that vicinity. Practically all towns have been abandoned for this reason.

Badonviller, it is now permissible to say, is where the Americans were

SANITARY SQUADS TO BE FORMED BY CAMP CUSTER MEN

Men Will Be Sent Ahead When ever the Troops Move to a New Location; will Be Great Aid to Men.

ALIENS ARE DISCHARGED

Over Four Hundred Alien Enemies Have Been Discharged From Service and Some Interned.

(BY ASSOCIATED PRESS)

Camp Custer, Mar. 12.—Two sanitary squads of twenty-six men and one commissioned officer will be formed as part of the Eighty-fifth division. They will be known as Sanitary Squads One and Two. Captain John Pulcifer and Lieutenant Marden will have command. They will consist of two sergeants, four corporals and twenty enlisted men.

The organizations will act as advance sanitary guards. When a division is ordered to move, one of the squads will be sent ahead to make a detailed sanitary survey of the new location and return with a report. The other will be stationed along the lines of communication to guard the health of the man in transit.

Organization has already started. The non-commissioned officers will be given strict schooling in sanitation. The enlisted men will receive special training as soon as the squads are fully organized.

Aliens Are Discharged. Within the past two weeks over four hundred alien enemies have been discharged from military service at Camp Custer. Of these twelve were ordered interned. Division officials are now investigating other aliens in camp and it is possible more foreign born soldiers of the division may be given their discharge within a few days.

Officers in camp are expected to send strict orders to local boards in the near future not to accept Austrians, Germans or other alien enemies.

Local boards will not have to furnish alternates for the alien enemies discharged from service. So sending of them to Camp Custer has cut down quotas in certain districts.

At the time of the first draft, this country was not at war with Austria so Austrians were not considered enemies. All but about fifty of the men dismissed recently were of this nationality.

(BY ASSOCIATED PRESS) Washington, March 12.—Charles Page Bryan, former ambassador to Japan and minister to several other countries, died here last night of heart disease.

Mr. Bryan began his diplomatic career as minister to China in 1897 under President William McKinley. Afterward he served as minister to Brazil, to Switzerland, to Portugal and to Belgium. He was ambassador to Japan in 1911 and 1912.

Delta County War Relief Association

Under the by-laws of the Delta County War Relief association, it is provided that any individual, firm or corporation in Delta county, who being able, refuses to support the association and co-operate with it, shall be published.

The following is a partial list: Andrew Skaug, Stonington, member of the firm of Skaug Brothers. Solicited by three prominent citizens, absolutely refused to give. Reported to have refused to donate for the Red Cross, Y. M. C. A. and K. C. funds in 1917.

I. L. Frink, Rapid River farmer, well able to give; absolutely refused. Anton Francis, Rapid River, scaler, pays taxes, able to give; absolutely refused.

Arvid Bergman, Rapid River, farmer, highway commissioner, well able to give; absolutely refused. Standard Oil Company, Escanaba, refused, claimed are giving elsewhere. L. P. Peterson, Fayette, farmer, well able to give; spoke slightly of the government; absolutely refused to give.

This list will be published from day to day and other names will be added as the investigation progresses. (Signed) DELTA COUNTY WAR RELIEF ASS'N, Inc.

MAJOR PETERSON WAS IN CITY YESTERDAY

Delta County Medical Society Gave Him Banquet at Hotel Delta Last Evening.

Major Reuben Peterson, Governor Sleeper's medical aide, spent yesterday in Escanaba going over the work of the local medical examining board and consulting with them on future work. Major Peterson was formerly a member of the faculty of Michigan University.

Last evening the members of the Delta County Medical association gave him a little dinner at the Delta at which time he gave them a short explanation of what the medical corps are doing in army work.

He left this morning for the copper country.

Heroism of American Boat Crew Is Praised

(BY ASSOCIATED PRESS)

London, March 12.—It was announced in the House of Commons today that the attention of the first lord of the admiralty will be called to the remarkable heroism and seamanship of the crew of the American ship Parker in rescuing nine survivors, including an unconscious navigating officer, of a hospital ship sunk in the British channel late in February.

The official report of the sinking of the vessel estimated 163 lost their lives and that many survivors were landed by an American destroyer, the name of which was not given.

DIRIGIBLES FALL SHORT OF MARK; ONE WOMAN DEAD

Large Air Machines Fail to Do Much Damage With Only One Person Known Killed in Raid.

GERMANS ASK REPRISAL

Teuton Press Advocates Airmen Destroy 400 English Towns for Confiscation of Ships.

(BY ASSOCIATED PRESS)

London, Mar. 12.—Three Zeppelins took part in last night's air raid on England. One dropped four bombs on Hull which caused serious damage. The others flew about aimlessly over scattered residential districts, dropped a number of bombs without much effect, and then proceeded back to sea. One woman died of shocks in consequence of the raid of last night.

The Germans have sustained such heavy losses in Zeppelins that they have employed them only on infrequent raiding expeditions. The last previous epellin raid was on October 19, 1917, when 34 persons were killed and 56 were wounded.

On returning the Zeppelins that that time were put to rout by French guns, five of the dirigibles being brought down.

Amsterdam, (By Mail).—The destruction of 400 English towns by German aeroplanes is demanded by the German paper Zeitung "as a reprisal for the action of the Allies" in confiscating 400 merchant ships. In a long article on the subject the paper says:

"If we are in a position to destroy the whole of London, it would be more humane to do so than to allow one more German to bleed to death on the battlefield. To hesitate or surrender ourselves to feelings of pity would be unpardonable."

"The English have confiscated 400 of our merchant ships. Our answer should be that for every German ship at least one English town should be reduced to ruins by our airmen."

STATE WAR BOARD TO FURNISH SHEEP

The Money is Available to Buy a Car Load of Them for Resale to State Farmers.

(Special to The Mirror.)

Lansing, Mich., Mar. 12.—The state war board last week appropriated \$10,000 to buy sheep for farmers. Purchases in large lots will be made by J. A. Halliday, state live stock commissioner. The state will act as a distributing agent, but at the same time will give farmers the advantage of purchasing at a price obtained only in buying large shipments.

In upper Michigan many farmers desire to start in the sheep raising business on a small scale and have sufficient funds to make such a start but few sheep are available. By this plan sheep can be sold in as small lots as five to a single farmer. The farmers have not asked the state to secure sheep on credit.

It is thought that by starting in small lots in various sections of the state the sheep industry can be built up. Other plans are now under way by corporations and syndicates on a much larger scale.

Six Killed in Action Listed in Late Report

(BY ASSOCIATED PRESS)

Washington, Mar. 12.—Today's casualty list issued by the War Department carries the names of six men killed in action, three dead from wounds, seven dead from disease, two severely wounded and eleven slightly wounded. Only one officer is included in the list. He is Capt. Archibald Roosevelt. News of his being wounded was received in a private communication.

ON GROWING BETTER. There are a thousand ways devised for improving society, feeding the poor, curing the sick, encouraging the moral habit and otherwise lifting the world out of the mud. It is a great thing and everybody should give a lift. But this thing of improving the mass takes a mighty lot of fruitless effort, where the principal good comes to him who helps do the lifting, says Ohio State Journal. So all moral reform and civic uplift begin with the individual, back in those days when his soul is not hardened by habit and his heart has not lost its love of the pure and good. There comes a time when it does, and then the sniffling, sneering attitude of mind take a large place in public sentiment and pushes righteous hope back to wait another century or more. We don't know that arbitrary methods for making society better will bring success, but it is certain that society will grow better if we remove the hostile influences that beset it on every hand and which a materialistic religion and a materialistic education seem to be maneuvering all about them. The only way out of our civic and social troubles is to convert love, good will, courtesy, unselfishness and the beautiful graces of life into a personality that will stand forth bravely in every community and illustrate its virtues by its deeds.

A high British medical official has issued a warning against the dangers of contagion by kissing. But Cupid, who has so bravely held his own against even Mars, is not going to capitulate at the first attack of unromantic old Esculapius. The street vernacular—"I should worry"—may sound frivolous and irresponsible, but strip it of its levity and let it stand for—"I shall smile"—and we'll have a philology priceless to both mind and body.

Now that the British have begun air raid reprisals, the mass of German opinion may undergo a change as to the value or necessity of that particular form of harassing the enemy.

The old joke, so dear to the burlesque comedian, about keeping a bucket of coal locked up in the safe, has proved itself another of the jests that finally come true.

Some More Wheat Savers.

Remember that macaroni, spaghetti, crackers in general, are made of wheat savers, however; but should not be used at strictly wheatless meals.

Remember when using cornstarch or rice flour in puddings, or for thickening sauces and gravies, to use half as much as you would were you using flour.

Remember that Irish potatoes, sweet potatoes, rice, squash and pumpkin are all excellent for filling up wheatless gaps.

MEAT SUBSTITUTES

The average housewife has for years prepared and served dishes which are in reality excellent meat substitutes, although she has not thought of them in that way. By planning her menus so that one or more of these dishes will be served on the special days, the problem of "Meatless Day" will cause little inconvenience.

MILK AND MILK PRODUCTS.

A glass of milk may well take the place of a small serving of beef.

Use milk soups, such as potato soup, cream of pea soup, celery soup, etc. Reliable recipes for these are found in most cook books.

Skimmed milk is rich in protein. Use it often.

Cottage cheese is one of the best known meat substitutes. Have it for lunch or supper on some meatless day.

American cheese is also an excellent meat substitute. Use it for such. Add cheese (cut up fine) to rice, kidney beans, etc. This makes the dish rich in protein and uses dry bits of cheese.

EGGS

Eggs are an excellent substitute for meat. When reasonable in price serve them often as a substitute. Eggs may be boiled, steamed, poached, baked, scrambled, etc. There are many simple methods of cooking eggs—look them up in a good cook book or government bulletin.

NUTS

Get into the habit of serving nuts occasionally as part of the meal at which no meat is served. Peanuts are very nutritious and comparatively inexpensive.

Macaroni and Cheese

Macaroni is made of Durum wheat flour—a flour containing too much gluten to be used in making a good loaf of bread. Dishes using macaroni may therefore well be served as meat and wheat savers.

- 1 C Macaroni broken in small pieces, 2 qts. boiling water, 1 C milk, 2 T. flour, Buttered bread crumbs, 1 T butter, 1-4 to 1-2 lb. cheese, 1-2 t salt, f. g. cayenne pepper

Cook the macaroni in boiling salted water until tender. Drain in a strainer and pour cold water over it to prevent sticking. Make a sauce of the flour, butter, milk and cheese. Combine sauce and macaroni. Cover with buttered crumbs, heat in the oven until the crumbs are brown.

Macaroni may be heated in tomato sauce and sprinkled with grated cheese just before serving. Spaghetti or vermicelli may be used as the macaroni.

Irish Stew

- 1 lb. mutton (or less), 3 C potatoes (cut in cubes), 1-2 C carrots (cut in cubes), 1-2 C turnips (cut in cubes), 1-4 C flour, 1-2 small onion (cut in slices)

Reasoning

Cook same as beef stew. Serve with dumplings, which may be made of cornmeal.

THE THEATRES

AUCTION BLOCK.

Another example of a play that does not depend upon a star for its popularity appears in Rex Besch's great photoplay, "The Auction Block," which comes to the Delft theatre beginning tonight.

There are no stars in "The Auction Block," although there doubtless are many in the making, for it is said that there are few more striking examples of histrionic ability than those which appear in this action. The various characterizations which figure in the story are rounded out in the great novelist's best manner, and probably as much of their force is due to this fact as to the splendid capabilities of the players themselves.

It is from a finely conceived character that the action springs, that of a young girl, Lorelei Knight, daughter of a small town politician and an ambitious but nagging mother. She is so beautiful that she is a deterrent to make capital of it, and bring her up carefully, hoping to reap from their sacrifices in due time by marrying her off to one of her millionaires.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

LIEUT. MYERS WILL TALK AT THE DELFT

Member of the Famous "Princess Pats" Will Tell Escanaba People About the War.

Lieut. Myers, who enlisted in the first contingent of the "Princess Pats" when that famous regiment was mustered in, in Canada, will speak at the Delft theatre next Friday evening, the subject of his talk being "The Life of a Soldier."

Two years of fighting in and out of the trenches gives the young officer a knowledge of the conditions firsthand and he has the ability to tell it in a way to make you feel that you are a part of the great conflict. He entered the army as a private and worked his way up until he was given the commission of lieutenant upon the battle field.

The brother, cousin and school chum of Lieut. Myers were in the same regiment and lost their lives in the fierce battle of Verdun.

The 23 months of service did not leave Lieut. Myers unscathed. He has many scars to show for the time he spent against the enemy. For bravery he has been awarded the Victoria Cross and the French Legion of Honor medal.

Michigan people ought to be proud of this young man for he was born in the lower part of the state and is still a citizen of the United States.

Miss Emma Du Bord of Bark River is visiting here.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't Stay Gray! Here's an Old-time Recipe that Anybody can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known says it darkens hair, and even that balding hair has been applied. You know, of course, that this through your hair, which stands at a time, by restoring gray hair disappear, and other application of this beautiful dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

MANY PRIZES FOR BASKETBALL CHAMPS

Big Display of Them Has Been Placed On Exhibition in Store at Marquette, Games On Friday.

Escanaba is all ready to win some of the prizes which are to be given during the big basketball tournament starting next Friday in Marquette. The local boys have the utmost confidence in the general results and feel that they are going to bring home a good-sized portion of the prizes.

Seven gold medals will be given the members of the basketball team winning first place in the tournament, and silver and bronze medals to the teams winning second and third place, respectively. Ribbons, suitable inscribed, will be given to the team winning fourth place.

A large bronze mounted shield will be given to the school whose team wins first place, a medium sized one to the school winning second place, and a small one to the school winning third place. These shields have not been received, as yet, but they will be ready when the tournament begins.

To the players whom the shields will be given the most valuable to the team will be given a suggested certificate. The all upper portion of the shield will be inscribed with the school name and the ribbon will be inscribed.

Garden Township Names Its Officers

The following officers for Garden township have been named:
Supervisor, Chas. Olmsted; clerk, Edw. Bureau, Jr.; treasurer, Walter Stellwagen; highway commissioner, Frank Lacost; justice of the peace, 4 year term, Wm. McNally; justice of the peace, vacancy term, Henry Gauthier; member of board of review, Nap. Boudreau, Jr.; constables, John Nadeau, Geo. Truckey, Arthur Armstrong, Edw. von Broakey; overseers of highways, town 39, Albert Cousino; town 40, Louis Farley; town 41, Busson Freytag; poundmaster, Dayton Beardsley.

The caucus unanimously endorsed Charles Olmsted for supervisor. The only offices calling for serious opposition were that of clerk and highway commissioner.

SEND CRACK AIRMAN
Adjutant Soulier to Demonstrate Morane Plane.

French Aviator Selected by War Department Officials to Come Here as Instructor.

Paris.—Adjutant Soulier of the French army, who shot down seven German airplanes in the shortest space of time of any aviator, has been selected by the undersecretary of aviation to go to the United States to demonstrate the newest and fastest flying machine in the world—the Morane monoplane.

Robert Morane of the Morane-Saulnier works, who has created this development of his "parasol" type, originally intended to send as demonstrator Sublieutenant Jean Navarre, who was tied with Guynemer, each having 12 German machines to his credit, in the spring of 1916, when he was wounded, and who has since been declared insane, following his running down a number of policemen in his automobile last winter.

The French authorities have refused to permit Navarre to leave the country, on the ground that although he is generally regarded as rational now, he might exhibit further tendencies of insanity which might embarrass the authorities in the United States because of his grade and decorations in the French army. Navarre has always been considered by experts as the aviator possessing the best technique in the service.

Soulier, who is only twenty years old, went to Flanders in May last with a crack French escadrille. He was firing the newest model two-gun S. P. A. D. and by the end of June, when he was wounded, he had destroyed seven enemy machines. The Morane which he will demonstrate has been tried out by Raoul Givas Lufberry, the American "ace," who is highly pleased with its performance. It has shattered all speed and climbing records, but can only be driven by the most skilled pilots.

Uses Fins, Not Wings.
The flying fish does not really fly, but raises itself from the water by means of its long fins. It can support itself in the air until they become dry, when it drops back into the sea.

Curing Elephant's Cold.
A circus man, caught in the act of curing an elephant of a cold, was dared to take his own medicine. He declined, but invited the interviewer to return the next day and see the elephant cured. And the next day the elephant was rid of the cold. The keeper placed a bucket of boiling hot vinegar in a bag and then tied the latter about the animal's trunk so that he was compelled to inhale the beneficial fumes whether he wished to or not.

DOG'S FINE COFFIN
Buried in One That Was Trimmed With Velvet and Silk.

High cost of living did not interfere with the plans of Mme. Rita Elandi, an operatic star, when Kiki, her Pomeranian dog, died suddenly at Mount Clemens, Mich. The dog was of aristocratic parentage, coming from the royal kennels of Bulgaria.

The madame engaged the services of a veterinarian as well as a nurse, who remained on duty constantly.

When notified of the dog's passing Mme. Elandi broke down with grief. She ordered a special casket of white velvet with silk trimmings and the pet was encased. Thomas Duncan of the hotel wore a band of crepe on his arm to help appease the famous singer's grief, and burial was in a rose garden. Mme. Elandi ordered a granite slab to mark the resting place of her pet. Huge floral pieces sent by guests are resting on the new-made grave. The cost of the funeral was over \$75.

SONS UNDER THREE FLAGS

One Woman Has Four Engaged in War Service.

Mrs. Katherine Hopt of Valley Falls, Kan., has not only given four sons to the war, but these sons are following the flags of three nations. Two sons are in the German army, one is in France, interned at the beginning of the war, and the other is training with the American army at Camp Kearny, Cal.

The son interned in France is in northern Africa, where he has charge of some gardens. Mrs. Hopt hears from him occasionally, but has received no word from the two sons in Germany since the outbreak of the war. She probably will not hear from them again until the war ends.

Adolf Hopt, who decided to follow the Stars and Stripes, used to live in Valley Falls. He enlisted last spring.

"DE LUXE" NOW CARRIES TAX

France Has New Measure to Raise Additional Revenue.

In the latest supply bill voted by the French chamber of deputies, which is intended to raise \$200,000,000 additional revenue, there is one curious clause that creates a distinct class of purveyors of public comforts.

A tax of 10 per cent on all payments for lodging, accommodation, food, drink in first-class establishments of any kind, in hotels, restaurants, cafes, pastry cooks and tea-shops will be imposed. A list of such establishments will be drawn up by local committees appointed by the commercial tribunals. As compensation for this tax all such establishments will have the privilege of styling themselves "de luxe." No other establishments will, by law, be allowed to call themselves "de luxe."

NEGROES IN OKLAHOMA TAKE ADVANTAGE OF SCARCITY OF BOOZE.

Several negroes here are taking advantage of the extreme scarcity of liquor of all kinds and are making a good living selling coffee at the usual liquor price, \$6 to \$8 a quart.

The plan is to get a stranger and offer to sell him a quart of liquor at a good price. The coffee is bottled and wrapped in a newspaper, and the purchaser thinks he has good liquor until he takes a "nip."

There is no redress in the law, but several men have been heard to threaten to punch a certain negro if they catch him.

STATE WAR BOARD WANTS TO PURCHASE 1,000 TRACTORS

Members will meet Henry Ford in Detroit Monday in Effort to Get Machines at Once.

WILL SELL TO FARMERS

If Delivery Can Be Made the Tractors Will Be Resold to Farmers Throughout State.

(BY ASSOCIATED PRESS)
Lansing, Mich., March 13.—Representatives of the state war board will meet Henry Ford in Detroit Monday morning to arrange for the possible purchase by the state of about 1,000 Ford tractors for resale to Michigan farmers.

Sen. I. C. Gault, state treasurer, talked with Mr. Ford this morning. The manufacturer expressed himself as heartily in favor of the plan of the war board to purchase a large quantity of tractors on state account and place them through the county agricultural agents with individual farmers.

No definite number of tractors was mentioned in the conversation and

there was also no reference to prices. The war board, before Monday, will canvass its county agents and learn just how many tractors are wanted in Michigan.

Price \$750 F. O. D.
Ernest Kanzler, production manager of the Dearborn plant of Henry Ford's Son, speaking at the farmers' week conference at East Lansing, Thursday explained how the tractors could be obtained, and the war board immediately opened negotiations.

According to Kanzler the Ford tractors will not be sold to agents or individuals, but only to governments. The British contract has been filled and the Canadian one soon will be. The plant is now making 80 tractors a day and will soon turn out 150.

The price is \$750 f. o. b. Detroit, under the Canadian contract, which, at the same rate, would bring a tractor to Michigan farmers for about \$765.

Delivery Date Uncertain.
The price is expected to drop after unfavorable conditions brought on by the war are mitigated. The present machine is the sixtieth model produced.

Gov. Sleeper, Samuel Odell, state treasurer, Alex J. Groesbeck, attorney general, and Fred L. Keeler, superintendent of public instruction, are expected to meet Mr. Ford Monday.

The most serious difficulty that has yet come up is the fact that Mr. Ford today said that he could not deliver tractors on the American market before April 1. Kanzler said here Thursday that 1,000 could be delivered by May 1 and the war board is prepared to pay \$750,000 for 1,000 machines.

Sen. Stephenson Is Some Better Today

Isaac Stephenson, who has been considered dangerously ill for the past few days, is said to be somewhat improved today. Late yesterday afternoon he expressed a desire to get up and dress and go to his office, but, of course, the request was denied him.

He is a little stronger today, and the physicians say that he may possibly gain enough strength to enable him to overcome the present condition.

Funeral Services For Young Man Are Held

Funeral services for James Quinn, who passed away Sunday evening, were held this morning at 9 o'clock at St. Patrick's church. Rev. Father Barth, L.L.D., celebrated the High Mass, after which he delivered the funeral sermon. Rev. Father Feldhaus held the services at the cemetery.

The pallbearers were as follows: F. Burns, T. Magher, John Smith, Ned Ryan, Gene Sullivan and William Mulvaney, Jr.
Interment was at St. Joseph's cemetery.

Mr. and Mrs. W. C. LaBelle left this morning for a few days' visit in Chicago.

The weekly prayer service of the Baptist church will be held at the home of Mrs. McEwen, 1120 First street, Wednesday evening. All are cordially invited to attend.

American Cannon Pounding German Lines Vigorously

(Continued from Page One)
mentioned as having carried out two simultaneous raids with a marked degree of success.

(Associated Press War Summary)

On the western front the Germans continue their powerful raiding operations, their latest efforts to pierce the entente line having been against the Portuguese at Liventie. The Germans were checked by the machine gun fire which caused heavy casualties. They left a number of prisoners in the hands of the Portuguese.

The British have repulsed small raiding expeditions near Ypres where the enemy artillery fire is intense. On the French front the artillery firing is most violent in the Champagne regions.

In aerial fighting the French and British air machines accounted for 21 of the enemy while the French gunners destroyed three others. In addition to attacking targets the Britishish airmen bombed the city of Coblenz, causing fires and violent explosions.

Red Cross Notes

(Continued from Page One)

France and Belgium, for this purpose and are the result of careful study of the needs of these unfortunate people. To correct a mistaken impression that seems to prevail in the minds of some persons, the following explanation is made:

The officials and committee heads and members all donate their services to the Red Cross, without pay.

The only person connected with the Delta County chapter who receives any remuneration for services is Miss Briggs, the attendant at headquarters, who is on duty every day from nine o'clock until six.

In many cases the members of the Military Relief committee have even paid their own traveling expenses, when branches are being organized throughout the county.

This is not a condition peculiar to Delta County chapter, as the same spirit of service is shown everywhere, there being very few paid workers in the Red Cross work in the United States, nearly all service being voluntary.

The knitting club of the Wells school has finished and given to the Red Cross a nicely made afghan. The children collected the yarn and knitted the brightly colored squares, which are joined with black stripes, making a pretty, warm comfort.

The afghans will be sent out with the next shipment in a few days.

After this issue the complete list of red cross winners will not be published each day, only the new names will be used. The list will be posted at headquarters, however.

The excellent work that is being done by young children is attracting much attention. Among the articles displayed in the show window are a pair of very well knitted socks, made by 11 year old Isabel Fish and an attractive pink wool bonnet that was presented to the Red Cross by 8 year old Ethel Salinsky.

The classes yesterday afternoon and evening produced 3,600 dressings. March promises to be the banner month.

289 pounds of yarn was distributed to knitters outside of Escanaba in February. The women of the county have responded well to the call for workers and it is hoped that every woman in the county will be enrolled with the Red Cross before long.

Mrs. Kate Whitney has been elected chairman and Mrs. Jos. Neurohr secretary-treasurer of the Perkins branch.

Schafer is to have a knitting class soon.

The red cross has been awarded to the following named women who have completed 32, 72 and 128 hours' service:

Good Cheer.

The smile that makes a face beautiful is not merely a muscular contraction, but is the result of cheerfulness in the heart. There are some smiles of which the observer gets tired, because they are all on the surface. But no one ever tires of cheerfulness, or of smiles which are the blossom of good cheer.

THE EVENING NEWSPAPER

The GOOD afternoon newspaper must carry the important advertising as fully as it carries the important news. For some of the days' most valuable facts are always to be found in the ads. And they are to be found FIRST in the ads in the evening newspaper.

Income Tax Reports

Must Be in Hands of Collector in Grand Rapids Before April 1st.

1. Persons Required to Make a Return of Net Income.

Every citizen of the United States, whether residing at home or abroad, and every person residing in the United States, though not a citizen thereof, whose NET income for the calendar year 1917 amounted to \$1,000, if the individual is single or does not live with wife (or husband), or \$2,000 if he is married and lives with wife (or husband), is required to make a return.

If the combined income of husband and wife, living together, and dependent children equals or exceeds \$2,000, all such income must be reported, either on one return or on separate returns. Husband and wife should make separate returns if either is subject to surtax.

Executors and administrators of the estates of deceased persons must make returns covering the part of the taxable year during which such persons were alive, and also returns for the estates during the period of settlement. If the income of a trust estate was distributed, the fiduciary should get a copy of Form 1041 and comply with the instructions thereon. If the income from a trust estate was not distributed, the fiduciary must make a return for the estate on Form (1040).

Guardians must make returns for their wards. Duly authorized agents may make returns for persons who by reason of sickness or other disability or absence from the United States are unable to make their own returns.

PENALTIES.

For Making False or Fraudulent Return.—Not exceeding \$2,000 or not exceeding one year's imprisonment, or both, in the discretion of the court, and 100 per cent of the tax due.

For Failing to Make Return on Time.—Not less than \$20 nor more than \$1,000, and, in addition, 50 per cent of the amount of tax due.

For Failing to Pay Tax on Time.—Five per cent of the amount of tax due and one per cent interest for each full month during which the tax remains unpaid.

The Agent of the Department is at the Court House. We will be glad, also, to give you advice and assistance.

Lansing, Mich., March 13.—Following his statement yesterday that law pay is one of the factors responsible for the threatened teacher shortage in Michigan, Fred L. Keeler, state superintendent of public instruction, today explained the Smith-Hughes aid, come to the state from the government this year.

Keeler is authority for the statement that for ten years the state schools will receive \$1,333,250 from Washington for all purposes. The minimum amount available for the year 1917-18 he says are \$15,500 for salaries of teachers of trade and home economics; \$15,050 for salaries of teachers of agriculture; \$15,250 for training of teachers.

The state will receive for all purposes by years: 1918, \$45,850; 1919, \$67,250; 1920, \$88,650; 1921, \$107,000; 1922, \$122,500; 1923, \$137,600; 1924, \$152,900; 1925, \$183,500; 1926, \$214,100; 1927, \$214,100; a total of \$1,333,250.

On Friday evening of this week at 6:30 supper will be served to the members of the Eastern Star only, followed by a patriotic program and an informal dance will be given to which all members of the Masonic lodge are invited. Price of admission is 50c, including supper. Price of admission including program and dance, 50c. Cluusted's orchestra will furnish the music. **ad in messages Right.**

Eastern Star has arranged for a patriotic social to be given Friday evening.

MEN!

Here's Your Chance

Maybe you are accustomed to think of "DO IT NOW" as applying only to having your property insured against fire

To our notion we think right now, if it should apply to anything, it should apply to looking after one's personal interest—THE BUYING OF A NEW SUIT, while you can buy them at prices as low as those prevailing here right now.

It isn't necessary that you be reminded again in this Ad of the drastic increases in the prices of woollens. You already know about that, and you know that those prices will be reflected in much higher prices for clothing a few months hence, besides it will be pretty hard to get clothes made of pure woollens—if to be had, they will be of an inferior quality. So, for your own interest, we say:

Buy Clothing Now

and get the better kind at lower prices than you'll have to pay for the cotton-mixed kind later on.

Besides The Savings Now

and much greater savings a few months hence, buying now you get the pleasant thrill of wearing clothes that are everywhere recognized as exceptionally good, and, of course, if you buy now, you'll have your pick of the stock. Every garment guaranteed to be right in every respect.

Gentlemen, if you know conditions as we know them, nothing in the world can keep you away from buying at least this year's supply at present prices.
