### Feel That They Were Misunderstood by the Union Leaders

Have Taken Up Matter of General Chairmen With the Leaders Today With But Little Result.

(By Associated Press.)  
CHICAGO, Oct. 22.—The United States Railroad Labor Board today received a letter from the general chairmen of the "Big Five" railroads, in which they expressed their feeling that they had been misunderstood by the union leaders.

The letter stated that the general chairmen had been told that they were to be held responsible for the strike.

The general chairmen stated that they had done nothing to cause the strike and that they were being held responsible for the actions of the union leaders.

The union leaders stated that they were holding the general chairmen responsible for the strike because they had not done enough to prevent it.
