HELLO! GIRLS TO
Honor War Heroes

Operators in the Escanaba
office of the Michigan State Tel-
ephone company will honor the men
who died fighting in the world war
in accordance with the following or-
der issued by Franz Reiter, president
of the company:

"The employees of the Michigan
State Telephone company will, at 12
o'clock noon, on Friday, November 11,
cease all their labor for a brief period
and will stand with heads bowed in
reverent acknowledgement of the
sacrifice made for liberty."

"Our plants and switchboards
will stand idle for a period of ten
seconds. That brief period will
cause little if any inconvenience to
our subscribers and will serve as a
measure to give our people opportunity
to honor the memory of those
who made the supreme sacrifice in
order that American ideals might live."

Edgar Rushford
Bound Over to
Circuit Court

Edgar Rushford, charged with the
use of intoxicating liquor, was arraigned
before Judge McFadden yesterday at
court. Rushford gave preliminary
examination and was bound over
to circuit court for trial. Atty. Wm.
Miller of Hazel River, will defend
Rushford in circuit court. The defen-
dant is charged with selling a quart
of beer to George Wright of this city. Rushford was fined at \$500
which was demanded by the defendant.
The case has been delayed for
some time because of the failure of the
defendant to appear before the court, the attorney being committed
to the jail last night.

NO SURRENDER
OF ULSTER'S
RIGHTS, SAYS
THE CABINET

London, Nov. 10.—A state-
ment issued after this morning's
meeting of the Ulster cabinet mem-
bers here concluded as follows: Sir James
Craig, the premier on behalf of
the cabinet of Northern Ireland, wishes it clearly un-
derstood that there can be no
surrender of Ulster's rights.

The statement promised by
Premier Lloyd George, outlining the
negotiations with the Sinn Fein representa-
tives was expected to be given by the
representatives of Ulster this
afternoon.

Members of the Ulster party
kept in touch constantly with Downing Street where
the British cabinet met at
noon today. Another meeting of the Northern Ireland
cabinet will be called when
this detailed statement is re-
ceived.

Mr. Lloyd George sug-
gested that his meeting with
the Ulster cabinet go over
until tomorrow.

A Modern Motor Car In The \$500 Class

to be built by

Frank L. Klingensmith and Frank F. Beall

"My knowledge of low price motor cars assures me that our plan will enable us to build a modern motor car that will successfully compete with the world."

FRANK L. KLINGENSMITH

Frank L. Klingensmith had one thought in mind when he resigned as Vice-President and Treasurer of the Ford Motor Company. That thought was to produce a really modern car in the \$500 class.

Statistics prove that there is a demand for at least 1,500,000 low-priced cars each year. That demand is increasing—there is existing today a definite market for a car of low-cost that combines refinement and up-to-date engineering features.

The Gray Motor Corporation has been organized to satisfy this demand and the Gray plan of production and distribution will make it possible to put such a car on the market at a low price.

Frank L. Klingensmith has associated with Mr. Klingensmith as Vice-President and General Manager of the Gray Motor Corporation, Frank F. Beall, Vice-President, having twenty years of experience. Mr. Beall was in charge of Production at Brown & Sharpe, and Vice-President of Production at the Packard Motor Car Company. Mr. Beall's name alone is a guarantee of the best results in the field of production engineering.

The Men

The Officers and Directors of the Gray Motor Corporation are:

Frank L. Klingensmith, President.
Frank F. Beall, Vice-President.
Paul R. Gray, of the Gray Estate.
David A. Brown, President of General Necessities Corporation.
Col. J. H. Poole, Capitalist.
George H. Kirchner, President of the First State Bank of Detroit.
Hobart B. Hoyt, President Detroit Pressed Steel Co.
O. J. Mulford, President Michigan Street Car Advertising Co.
Benjamin S. Hatchett, Grand Rapids, Capitalist.
Luman W. Goodenough, Corporation Attorney.

The Gray Plan

Men heading the Gray Motor Corporation have had years of experience in the field of low-priced cars. They know that parts manufacturers are capitalized and equipped to compete for the business of motor car manufacturers. They know that parts can be bought in the open market at a minimum cost. They know, from experience, that they can produce 150 cars a day almost as economically as 500.

All motors will be built by the Gray Motor Corporation. There will be assembling plants for Gray Cars in ten or twelve different cities. Parts will be shipped directly to these cities, thereby saving about two-thirds the ordinary cost of freight.

The Gray Car will have 100-inch wheelbase. It will have a modern four-cylinder motor—a mileage of 25 miles per gallon—transmission of sliding gear type—improved spring suspension—ventilating windshield—self-starter—and demountable rims. It will be built of alloy steel, insuring strength and light weight.

That the Gray Car will be all that can be asked for in a car of this class from a standpoint of appearance, desirability and performance can simply be taken for granted.

The Money

The Gray Motor Corporation owns and operates a big motor plant which is now producing the Gray-Beall motor and working on special contracts on several other projects.

\$1,500,000 has already been put into this company. Of an additional issue and underwriting of \$2,500,000 the first \$500,000 of 10% Preferred Stock is to be sold at \$10 per share. This stock is preferred as to dividends, is cumulative, and participates equally with the common stock.

This, however, is only the beginning of the financing of Gray Motors Corporation. A project of at least \$50,000,000 is contemplated which will capitalize the assembly branches and assure the success of the plan. The representative for the underwriters of Gray Motor Corporation stock is Alonzo P. Ewing, 310 Dime Bank Building, Detroit, Michigan. This announcement is being made so that you may have a chance to share in this great project—read the coupons below.

ARMISTICE DAY

1921

*Three years of peace have passed—
three years of reconstruction. Surely, we
as a Nation, have much to be thankful for
much to console ourselves that our
plight is not greater or our burden more
wearisome.*

Peace on earth has been finally established, let us offer cheer to the sorrowful, bounty to the needy, and balm to the stricken. In this spirit let us celebrate this Armistice Day Anniversary.

And let us hope that the conclusions of the Disarmament Conference, now in session in Washington, will prove the way to the eradication of war and that all its accompanying scourges will be effaced from this earth; that the term, "Brotherhood of Man," will bear a more definite meaning than mere words.

Let us make this day a day worth remembering as sacred and memorable as our natal day—the Fourth of July.

And let us rejoice that November brings forth two great days of Thanksgiving—Armistice Day and Thanksgiving Day.

Lest We Forget

November 11th, proclaimed by the President of the United States a National Holiday, marks the third anniversary of the signing of the Armistice which ended the World War.

It is fitting that the Conference on the Limitation of Armament begins on this date.

Those who gave their all that war might be no more have waited patiently for the Government of the World to justify their sacrifice.

May the Washington Conference make a beginning toward permanent peace.
