SINGLE COPIES, FIVE CENTS

TWO BANDITS KILLED, LOOT RECOVERED

500 FARMERS TAKE PART IN BIG MAN HUNT

Detective Shot by One of Bank Robbers, Near Death.

Thousand Shots Fired Before Guns of Desperate Bandits Are Silenced.

Flint, Mich., June 2—William Bucklar, a detective, was reported near death today from wounds received in a gun fight between bank robbers and a sheriff's posse near here yesterday.

Two of the bandits were killed by the posse and another was wounded before he surrendered. The fourth member of the band was captured uninjured. Bucklar was shot in the head by one of the bandits as he sat astride a fence, directing the fire of rifles in the hands of sheriffs and deputies. The \$6,500 taken from the State Savings Bank at Metamora was recovered.

Nearly 500 farmers and officers from three counties participated in the gun fight which started when the bandits left Metamora, exchanging shots with citizens and officers for five hours as they drove along the highway, until the bandits abandoned their car and took to the woods for shelter.

A thousand shots were fired before the guns of the bandits were silenced, was declared by the officials.

ORDER OF VASA IS MEETING HERE

Business of Importance Transacted and Entertainment Mapped Out for Tomorrow.

The regular district meeting of the Order of Vasa convened in the North Star hall this morning, with delegates from all over the upper peninsula. Much business of interest to the organization came up for discussion and a portion of the day was spent in the entertainment of delegates.

Tomorrow will be a sight-seeing day and at 5 o'clock tomorrow evening a banquet will be served at the North Star hall. A small charge is to be made for the banquet, which will be open to visitors as well as members of the organization.

Tomorrow night an interesting program is to be carried out, local talent and visitors both participating.

One of the big features of the entertainment Saturday night will be a drill by about 30 young ladies who have been carefully trained for the event.

CONFIRMATION OF CLASS AT THE SW. L. U. CHURCH

A class of 32 young people will be confirmed at the Swedish Lutheran Bethany church Sunday morning at 10:30 o'clock. A public examination of the class will be conducted at the church at 7:30 this evening and communion services will be held Sunday evening at 7:30 o'clock.

This class of boys and girls has been receiving instructions since Oct. 1st, 1921.

Reduced Rates to Various State Fairs

It has been decided by officials of the Chicago & North-Western Railway company that for state fairs to be held during the season of 1922, a rate of a fare and one-third based on current one way fares with a minimum of \$1.00, will be made from all points within the state.

Civil War Seen In Ireland By Archbishop Gregg

DUBLIN, June 2—The Rev. John Gregg, Protestant Archbishop of Dublin, startled his diocese here today with this statement: "If we are not already engaged in civil war, it may be upon us this week, or the next."

APPLICANTS FOR SANATORIUM JOB ARE NUMEROUS

Delta-Menominee Institution Ready to Be Formally Opened by First of July.

A number of applications for the position of superintendent of the new Delta-Menominee county tuberculosis sanatorium at Powers, were considered at a meeting of the board of trustees held in Powers yesterday afternoon. Although no definite choice has as yet been made, it is indicated that a selection will be made within the next few days.

The new hospital will be ready for formal opening on July 1st, it is now believed. There are 28 rooms in all, and about one-half this number has already been furnished. The cost of furnishing one room is \$102.15 and among the rooms already furnished are those by the Rotary and Kiwanis Clubs, the Order of the Eastern Star, the Escanaba Woman's Club, the E. A. L. S. Railway, one by the Danish Women's Club, one from the War Relief Fund, one by the Daughters of the American Revolution and a room by the school children of Delta and Menominee counties.

There is still need for furnishing nine more rooms and any public spirited citizen, or organization of Delta county is invited to participate in this splendid work.

It developed at Thursday's meeting that there is some possibility of the Powers sanatorium being used as the official tuberculosis hospital for upper peninsula veterans of the World war who require such treatment and attention as is given in institutions of this kind. The matter has not been fully determined, it is stated, but there is some talk of it.

MANY ATTEND CAFE OPENING LAST EVENING

Several Hundred Persons Drive Out to Ford River for Dinner.

Nearly 200 people drove out to Ford River last evening to attend the opening of the new cafe as well as to inspect the camp site which is rapidly being pushed to completion.

While only 157 reservations had been made for tables, Mrs. Peterson prepared for many more than that number and it was well that this was done for until 8 o'clock people continued to arrive and seek their share of the excellent chicken supper, which had been prepared in the name of which has made Mrs. Peterson famous as a chef.

There was many expressions of surprise as well as satisfaction over the neat home-like dining room, from the windows of which the guests could get a wonderful view of the waters of the bay.

Close to the camp site, in fact just across the road, the cafe will be popular with the campers who arrive late in the day and want to doze getting their own evening meal.

Escanaba people will also take advantage of the short drive and many will be regular patrons of the place for their Sunday dinner as well as a place to entertain friends.

Would Extend Life Of Charters Of All U. S. National Banks

WASHINGTON, June 2—The senate at the request of Senator King, Democrat of Utah and opponent of the measure today asked the house to return the bill extending for 99 years the life of charters of national banks.

Action was taken on the bill by the senate during Mr. King's absence, he said and he stated that if the recall was announced he would seek reconsideration of the vote by which it was passed.

WONDERFUL TRIBUTE IS PAID MEMORY OF REV. DR. BARTH BY THE ENTIRE CITY TODAY

For a period of two hours today business came to a pause in Escanaba out of loving memory and as a fitting tribute of respect to Rev. Dr. F. X. Barth, pastor of St. Patrick's church, whose death has cast a pall of the deepest sorrow over the entire community for the past several days.

From Wednesday evening until this morning the body has reposed in state at St. Patrick's church, where thousands of people have called during the interim to murmur prayers for the repose of the soul of Escanaba's beloved son and brilliant orator.

Church Open Constantly
Access to the church was had at all times of the day and night, a guard of honor being constantly on watch at the bier of the respected dead. Approximately 50 visiting clergymen from all parts of the upper peninsula and many coming from great distances, have been in attendance for several days and many others arrived this morning for the final services conducted here today and to be completed tomorrow in Marquette.

Two Requiem High Masses were conducted today, the first at 7:30 o'clock this morning, which was for the children of the city who were given opportunity to view all that was mortal of their dear, devoted friend and advisor for so many years.

Entire City Stricken
Perhaps never before in the history of this city has the spirit of mourning been so general, so deep and sincere and never have the people as a whole experienced such a sense of personal loss.

All the various societies in connection with Rev. Dr. Barth's death were extremely solemn and deeply impressive. At the 10 o'clock Mass, St. Patrick's church was crowded and hundreds of persons, without regard to religious creed, who were unable to gain admittance, stood in silent worship of him whom they loved and loved so well.

The celebrants at today's masses were: Rt. Rev. Joseph G. Pinton, D. D., Bishop of Superior; Archbishop Very Rev. H. A. Burdett, V. G., of Marquette; Dean of the Mass, Rev. James Corcoran Hancock; Sub Deacon of Mass, Rev. R. G. Larsons, of St. Anne's; Deacons of Honor, Rev. Joseph Marx of Green Bay; Rev. Dennis Murphy of Menominee.

Acolytes—Rev. Joseph Beauchamp from Mountain and Rev. Francis Geynet Flat Rock. Thurifer—Rev. Albert Pellissier, Brook; Rev. F. Lemay, Perreoville; Mitre—Rev. Sebastian Maier, Gwinn; Candles—Rev. Paul Pillan, Spaulding.

Master of Ceremonies—Rev. A. Poinette, Calumet.

Impressive Procession.
At 1 o'clock this afternoon, hundreds of friends of the former pastor gathered at St. Patrick's church, among them being the various catholic organizations of the city, and what is regarded as the most impressive procession ever formed in this city on a similar occasion, took up his march to the Northwestern station, where the body was placed aboard a train for Marquette. Many representatives of the various organizations and personal friends accompanied the body to Marquette and will remain for the services tomorrow morning.

The line of march from the church to the station follows: Company A, Boys' Brigade; Uthartians; Knights of Columbus; All other societies; Priests; Relatives and friends.

Pontifical High Mass
When the body arrives at Marquette, it will at once be taken to the cathedral where it will lie in state until Saturday morning when the Pontifical High Mass will be celebrated by the Rt. Rev. Bishop Frederick Eis, of the Marquette diocese, of which Dr. Barth's church was a unit.

The body will be placed in a vault temporarily pending the arrival of Father Barth's mother.

Senate Lays Down the Tariff Bill For An Appropriation
WASHINGTON, June 2—Temporary laying aside of the tariff bill which has been under consideration almost unanimously for six weeks, the senate today took up the army appropriation bill. Chairman Wadsworth of the military affairs committee, expressed the hope that the army measure could be put through within a few days.

FATHER CORCORAN PAYS FINE TRIBUTE TO HONORED DEAD
The funeral oration at Rev. Dr. Barth's funeral services this morning was delivered by Rev. Fr. James Corcoran of Hancock. Father Corcoran and Father Barth were boyhood playmates and it was only through exercise of the greatest self control that the eloquent priest from Hancock was enabled to contain his sentimental tribute to the boyhood friend whose influence on public life and on the priesthood had been one of such strength and beauty.

Father Corcoran's text was found in Genesis XII, 12: "Now the Lord said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will show thee!"

And I will make of thee a great nation, and I will bless thee and make thy name great, and thou shalt be a blessing.

Father Corcoran explained that Abram was obedient, without fear and loved up by the hope of the promise he journeyed onward on. The road at times was heavy, danger lurked on every hand. Weary and footsore he persevered, enduring perhaps, complaint of wife and doubts of servants. The cavalade wound its way along, passing drowsily on, for the Lord had spoken.

Then came the reward, a land of milk and honey, fertile pastures, the lush grass, green and studded with flowers. The material needs of Abram afforded a comfortable living for the flock of the pilgrim, purling brooks and rippling streams cooled their parched throats and staked their tents. It was indeed an ideal paradise for the herdsmen.

To reach the holy zephyrs whispered through the palm fronds which grew and pulsated with life and burst with fertility. In the distance the watch fires of the shepherds and the gentle bleat of lambs told of abundance of food.

"Abram saw the promises being fulfilled, all except the one that would make of him the father of a great people. How could he? Abram was two years old; his wife 90, and he had long ceased to be with her as with other women.

Promise Renewed
"A sigh of doubt may have escaped him and the Lord renewed His promise, bidding him look up at the stars and count them if he could. So shall thy posterity be, and even so did it come to pass.

"Strange figures fit before his prophetic vision. Soft footed camels bearing the spices of Arabia, the warriors of Saul and Gideon, the priests of Aaron, the singers of David. The stranger sounds are heard of the whispering breezes, Jeremiah's bewailing of Gories that are no more, harpers harping on their harps, and the silver trumpets from Jericho's walls.

"In every nook and corner of the world the people saw the promise fulfilled.

"Similarly the young boy, happy and care free, a strange desire stirring within him, a desire he knows not what, a longing he cannot comprehend. Emotions forming and developing and out of it all come the dream words, "Leave everything, father, and mother, hopes and ambitions

VIENNESE BEAUTY HELD A SLAVE

Max Greinelder, brought pretty 15-year-old Anna Heitman from Vienna under the impression that they were to be married on their arrival here. It appears now that Greinelder's purpose was to arrange to smuggle some \$25,000 worth of jewels into the country, using the girl as a disguise. She is in a Chicago hospital, fighting for life as the result of an illegal operation that she performed. Should she recover, she will be used by the government to testify against Greinelder, and then be deported.

Britain Will Pay Immense Interest Charge To U. S.

LONDON, June 2—The government has completed arrangements to pay during the coming fall, interest due to the United States. It has not yet been decided whether a special mission will be sent to Washington to discuss this debt with the American government.

MOST IMPRESSIVE FUNERAL CORTEGE FOR FATHER BARTH

Procession Many Blocks Long Accompanies Body of Beloved Priest to Station—This Afternoon.

Never in the history of Escanaba has such an outpouring of citizenship paid tribute to one of its distinguished dead in such full measure as was accorded to Rev. Dr. Barth this afternoon, when his body was taken from St. Patrick's church to the North-Western station, there to be interred for Marquette where final rites will be held tomorrow.

Leading the procession which is estimated to have been composed of between 4,000 and 5,000 persons, was a guard of honor, dressed in white, the guard being members of Company A, of St. Patrick's Brigade.

Arriving at the station, the guard of honor divided and permitted the hearse and active pall bearers to pass between, while thousands of people stood with bared heads as the body passed.

The pall bearers were William Fineman, Charles C. Maloney, James S. Doherty, Coleman S. J. A. McGillis, and Arthur LeHeroux.

Following these were priests and visiting dignitaries of the church, together with relatives and city officials. Hundreds of children were in the line of march and the procession was one of the most impressive ever to traverse an Escanaba street.

Men, women and children wept as the body was taken to the train and a large number of representatives of various catholic organizations, and personal friends of Father Barth boarded the train to accompany the body to Marquette for the final services tomorrow.

Viau Cafe Raided And Proprietor Is Held To Court

The eating house which is conducted by Adelaire Viau at 1469 DuPont street, was raided last night by the local police department. The raid was a result of a search for liquor, but the police found several bottles which when analyzed today, gave evidence of being "high powered." Viau was arraigned before Justice McEwen and bound over to the circuit court under a bond of \$500, which he furnished.

SEVERAL BIG BALLOONS ARE OUT OF RACE

One Pilot Narrowly Escapes Death in the Great Lakes.

Navy Bag Lands in Missouri After Having Traveled a Distance of 425 Miles.

(By Associated Press)
WASHINGTON, June 2—The helium filled navy balloon piloted by Lieutenant Comdr. J. C. Norfleet which left Milwaukee at 7:50 p. m. Wednesday in the national balloon race, landed at noon yesterday near Hancock, Palauki county, Missouri, was the advice received by the navy department early today.

Commander Norfleet reported that he was forced to descend by a leak in the gas bag. Capt. Harold Weeks, commander of an army entry in the race, was forced to land 2 1/2 miles from W. H. H. at 7:05 this morning, according to a telegram received from him. H. H. said that the bag and net were slightly damaged.

A later telegram from Commander Norfleet stated his balloon had traveled 425 miles, which is thought to have been the farthest of any yet reported.

Fight For Life

CLEVELAND, Ohio, June 2—Lieut. J. E. Neely, pilot of army balloon No. 7 in the national balloon race, and pilot J. B. Jordan, won a desperate fight for their lives when they landed at Dover, Illinois last night, after trying for 8 hours to make a landing.

A terrific wind blowing from the west over the Great Lakes region, is held by these flyers to be responsible for forcing them to land. Ralph H. Upson of Detroit and C. G. Andrus and at least four other balloons are down out of the race. Upson and Andrus landed at Concord, Ohio, five miles from Painesville, according to advice received here today.

To keep from dropping into Lake Erie, Lieut. Neely and his co-pilot, both of whom are stationed in California, threw out almost all of their food supply, cut loose all but two of the 22 bags of sand ballast they carried, threw overboard all their instruments and even cut pieces from their coats and tossed them from the basket.

The first made several attempts to land at Ashstobla, but the wind caught them Neely said and to save themselves from the lake they began throwing food and other articles overboard. When the wind died down they tried to land again, but the wind once more came up and caught them and almost threw them into the lake.

"That's when we put on our life belts," said Lieut. Neely, "and for a minute or two we had just about resigned ourselves, but we cut pieces off our coat, threw out instruments away and up we went."

At Monroe, Mich., yesterday afternoon the flyers said they dropped a parachute message saying they were "happy and well."

One Over Joplin

JOPLIN, Mo., June 2—A large balloon passed over Joplin at 6:30 this morning. It was traveling in a southerly westerly direction. None of the markings on it could be seen.

EQUIPPED FOR REAL LIVING ON AN AUTO TRIP

Mr. and Mrs. L. K. Edwards Leave for the West Tomorrow Morning.

Mr. and Mrs. L. K. Edwards and four children will leave early tomorrow morning for an extended trip through the west, which will consume most of the time up to September 1. They will travel in the new Lincoln car which was recently purchased by Mr. Edwards and which he has equipped especially for the long journey. While it is not intended to do any camping until the mountains are reached, the car is provided with tents, bedding, refrigerator, provision locker and everything else necessary to make the trip comfortably.

No records for cross country touring are in the mind of Mr. Edwards. He says he wants to see some of the country and will take his time about it. Many of the national parks, including Yellowstone and Glacier, will be visited.

EXHIBIT TODAY AT THE HIGH SCHOOL

Parents Invited to Review Work of School During the Year.

Annual exhibits of work done in the school will be exhibited at the school grounds this afternoon and evening.

The first exhibition will be from 1 until 4 o'clock while the evening will be from 7 until 8:30.

An invitation has been extended to all parents and the general public to be present at this exhibition that they might learn and know some of the work that goes on at the high school during the year.

Regular classes will be conducted as the most practical way of exhibiting. The students will take their places at benches or in whatever place they are supposed to be and go ahead with work of their department.

Parents and other visitors will come into the building, view the work, inspect any parts they desire and make themselves at home. The students will continue their work throughout the inspection.

Classes Exhibit
Two classes of manual training, wood working and strating will be of high importance. In the drafting exhibit there will be lettering, drawing, pattern drawing, machine work and line printing while the woodworking department will show construction of heavy tables, cabinets and other pieces of furniture.

This department has recently completed building sand tables and saws for the kindergarten buildings of the school system. The manual training students did the wood working while those in the sheet metal department attended to the metal lining, making them water proof.

The work of these departments is a revealing in the eye who do not know and have not seen the tasks that have been performed in the Escanaba high school.

Instructors of the departments are anxious that parents avail themselves of the opportunity of seeing this exhibit.

The domestic science students will have an exhibit of cooking and sewing which will interest mothers and fathers alike.

Ganfield Named to Oppose LaFollette For U. S. Senator

MILWAUKEE, Wis., June 2—Dr. W. A. Ganfield, president of Carroll college was named by the citizens Republican state conference early this morning to lead the ticket of state officers selected at the convention here as the candidate for United States senator in opposition to Robert M. LaFollette.

Late Thursday afternoon the conference, in the fifth ballot, endorsed Attorney General William J. Morgan for governor. Other officers named to oppose the LaFollette faction were: Lieutenant governor Riley Young, Secretary of State Martin Peterson, State treasurer, Henry Johnson, For attorney general, John S. Baker.

Earrings Are First Aid to Vamping

A STUNNING pair of earrings are first aid to vamping. There is something exhilarating in the vivacious swing of an earring that goes to a young lady into a mood bordering on recklessness. The glitter of an ear pendant lends an enchanting flash to every turn of the head. A loop of pearls against a cheek and neck is devastating. If one is dark complexioned and languid and affects those long silver, coral-studded bangles, one's beauty becomes fatal to all who gaze upon it.

Be that as it may, earrings are in full swing this summer, and they swing from the party ear from morning till night.

To begin with, no self-respecting flapper is ever seen without them. She has to wear them long so that they may be seen below the bushiness of her hair. Indeed, with the

present fashion of wearing the hair, my ear pendant must be larger (two inches in length) than just as well as the bureau drawer, for all that.

Never in the history of the human race were there more lovely things than they are now. It is fatal to one's pocketbook to shop for a pair of them, for one pair always means another.

One should try them on before buying and consider them carefully, exerting as much judgment and care in their purchase as in the selection of a proper and becoming hat. One pair of earrings that goes perfectly splendidly with one gown

may be absolutely killed with another or spoil the effect of the first. It is really necessary to have two or three different types of earrings to go with the entire wardrobe.

Perhaps there is no one in the country who has more earrings than Gloria Swanson, star in Paramount pictures. She has a pair to go with every costume, and more besides. It is almost a hobby with her. But she realizes that exquisite earrings, if in perfect harmony with a gown, are the most effective accessory a woman can wear.

Miss Swanson in the above photo is wearing intaglio drops. They make a lovely picture with her sapphire gown and topaz necklace, which likewise has an intaglio pendant. And the making of lovely pictures is first and second nature to Miss Swanson.

South 17th street. A social afternoon was enjoyed after which refreshments were served. The guest of honor was presented with a beautiful china set.

Tourist Room Opened
The Tourist Club at Ford River was opened to more than 150 guests last night when they enjoyed the first chicken dinner served there in occasion of the opening. The tourist room and tea shop, it is thought, will prove to be a place of benefit to those traveling and also to those seeking pleasure away from the city.

Bay Beach Party
Nearly 100 couples attended the Bay Beach dancing party at South Park last night which gave indication that the new dance pavilion and rest room is gathering favor.

NELS NELSON WILL MAKE SHERIFF RACE

Makes Formal Announcement of His Candidacy Last Evening and Explains His Purpose.

Immediately following recent announcements, Nels Nelson, again comes forward with an official statement to the effect that he will be a candidate for sheriff at the coming primary election on the Republican ticket.

Mr. Nelson is one of the best known men in the city, which he served for upwards of 20 years on the police force.

He intends to make a strong and active fight, it is stated, and he is

considered one of the strong candidates, with whom all other contenders have to reckon.

Mr. Nelson's formal announcement follows:

"To the Republican Electors of Delta County:

"I wish to make formal announcement of my candidacy for the office of Sheriff at the September primary election. I have been a resident of Escanaba for over 30 years, and for 27 years I served the city honestly and faithfully as a police officer. I think I can truthfully say that my official integrity has never been questioned, and I at all times faithfully obeyed the instructions of my superior officer. My long experience as a police officer has qualified me to perform the duties of the office of Sheriff, and I promise, if nominated and elected to the office, to measure up to the fullest extent to every official duty. My only guide will be the constitution and the laws of the State of Michigan and the United States, and I will apply those laws to all alike. I have never been a supporter of the liquor traffic, and I specially pledge myself to enforce the prohibition laws to the fullest extent within my power without playing any favorites.

"NELS NELSON"

LAUDS HOSPITAL IN BATTLE CREEK

Detroit—"No man who attacks the American Legion's hospital at Battle Creek is fit to be a Legionnaire," Paul A. Martin, state commander of the Legion, told members of Charles A. Learned post here.

"Attacks such as have been made recently are absolutely without foundation. All that those in charge ask is that you come and see for yourselves.

"A visit will convince all that the Legion hospital is more than a hospital. It is a home for the ex-service man making the hard journey back to health."

Learned Post, the largest in the state, is installed in its new home, in the Wheelman's club.

Commander Martin complimented the post on its growth, and referring to the recent differences between Learned Post and the Wayne County Council, expressed his thanks for the action of the post in standing behind the constituted authorities of the Michigan Legion.

Fred Z. Pantlind of Grand Rapids is chairman of the Legion hospital committee. Other members are John G. Emery, former national commander of the Legion, and Alton T. Roberts of Marquette. Frederick M. Alger of Detroit, Wilbur M. Bruker of Saginaw, Clarence V. Spawr, M. D. of Benton Harbor, and O. G. Johnson, M. D. of Postoria.

SOCIAL NOTES

Shower for Bride-to-Be
One of the most enjoyable promenade functions ever held in this city was that of Thursday afternoon when a number of friends of Miss Helga Andrews, daughter of Mr. and Mrs. William Andrews, gathered at the home of Mr. and Mrs. George Peterson, 301 South 15th street, and gave a

linen shower in her honor. The home was artistically decorated in cut flowers, pink and white predominating. A mammoth bouquet of pink and white flowers adorned the center of the table where the refreshments were served.

The afternoon was spent in social diversion, including a musical program followed by an elaborate dinner served in a very elegant style.

Miss Andrews is one of Escanaba's

most charming young ladies, having made her home here all her life and is very popular with the younger set.

She is to be married in the near future to Henry Peterson, who holds a responsible position at the First National bank.

MEN GIRLS LOVE

By Laurel Gray

O! YEZ! O! YEZ!—Girls love masterful men! But, first—the fellow who strides the highways with Jovian strides and fancies the caveman fable—

is the cat's eyebrows—he has the wrong conception of a masterful man; hence these few words of masterful advice. I know, Masterful men are the kindest and the most considerate of all the canny clan. Masterful men are strong men who give battle to the wide, wide world that they may offer tenderest understanding to the damozel of their heart. Masterful men vent their spiritual rages on the policeman on the corner or on the barber—but they leave all that stuff outside when it comes to the ladies. Masterful men are masters of their own appetites when it comes to the ladies. Masterful men are masters of their own appetites and vices—they do not carry a club to batter their way into confidences and affections of the girls. There are a lot of near-masterful men in the world, but they never get anywhere in the delicate dalliances of courtship. Girls love real masterful men—they sniff at cavemen. A masterful man is in complete command of himself. He is the buffer between his Other Self and the Nice Girl. Our lecture today may disappoint a lot of our masculine clients, but any regular girl will stamp her O. K. upon the above without hesitating a minute. Girls fall in love with men who are masters—of themselves.

The Misses Olga Peterson and Alvah Fredrickson returned from a week-end visit at Green Bay, Wis.

Carroll Wise and Curtis Beste of Manitowish, spent a few days here visiting with friends.

Mr. and Mrs. J. E. Oberg returned to their home at Racine after a visit at the home of Mrs. L. Fredrickson, South 5th street.

Mrs. Edwin Peterson returned from a three weeks' visit with relatives at Racine.

George Vathoyden of Cornell was a business visitor here yesterday.

Miss Marian Clapton left yesterday for a visit with relatives at Perkins.

Mrs. Wm. Stark of Superior, Wis., is visiting at the home of her mother, Mrs. M. Stern, South 10th street.

Former Students Of Institute To Banquet Ferris

Former students of the Ferris Institute will hold an informal dinner reception in honor of its Governor Woodbridge N. Ferris, while he is in the city, June 15. A meeting was held last night at which plans were formulated and another meeting is to be held at the City Hall next Monday evening to further complete such arrangements.

Mr. Ferris has visited this city a number of times, and no reception has ever been given him by his former students. Due to his past work, his influence on Michigan's young people, and to the fact that he is advancing in years, it is felt that some expression of appreciation and loyalty should be extended to Mr. Ferris on this trip to Escanaba. All former students are urged to reserve places for this event with T. Walker, Cleveland Business College, T. P. Gessler, City Hall, or James Bolland, Schrader's Music store.

Joy Succeeds Gloom In Double House As Wives, Hubbies Trade

INDIANAPOLIS, Ind. Two discordant couples were broken up and reunited into happy families here as husbands traded wives and wives traded husbands. Bert Sanders and his wife and Leroy Green and his wife lived in a double house and were close friends. Bert was a city fireman and worked nights. During the day Mrs. Sanders saw Green a great deal. When Green was gone during the day, working at his job as electrician, Sanders saw Green a great deal. The four had dinner together one evening a few weeks ago. Sanders told Mrs. Green she was the most beautiful woman in Indianapolis. Green took in more territory. He told Mrs. Sanders she was the most beautiful woman in the world. All four then admitted their love had lifted and arrangements were made to carry out their desires. The wives went home to their mothers for a few weeks while the men obtained divorces. The four then marched arm in arm to the marriage license bureau, obtained new licenses and were married on Saturday. Now they are looking for another double house. Sanders and his first wife, Beatrice, lived together eleven years and Leroy and his first wife, Maude, were married eight years. "We are all good friends and have been seeing lots of each other," Bert confided.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back Its Color and Lustre With Grandma's Sage Tea Recipe.

Common garden sage, brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mix the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation, improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant, and you appear years younger.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back hurts or Bladder bothers—Drink lots of water.

We are a nation of meat eaters and our blood is filled with uric acid, says a well known authority, who warns us to be constantly on guard against kidney trouble. The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish, the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system. When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders. Jad Salts is inexpensive and cannot injure; make a delightful effervescent lithia water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

You ought to take a Spring Tonic Right Now. If you have "that tired feeling" it is because your system needs cleansing from the impurities in it caused by last winter's over-eating. Do not put off coming in and getting a bottle of our toning up Spring Tonic. Taken in time a spring medicine may prevent serious, expensive sickness. Buy your spring medicines from us and KNOW they are right.

ORANGE AND BLACK IS NOW ON SALE

Splendid Book Gotten Out by High School Is Ready for Distribution Now.

The 1922 Orange and Black was placed on sale at the high school yesterday. As was predicted, the demand for the books was unprec-

ed. It was fully expected that the 750 copies will be disposed of by tomorrow. This is the first time that the publication of the Orange and Black was in complete charge of the Senior class. The work of putting out an annual is an immense undertaking, but the members of the class of '22 lived up to all expectations and their splendid co-operation has resulted in a highly creditable work. The 1922 Orange and Black is a volume of 150 pages. The cover, the inserts and the pictures deserve special mention, and the reading material is of high commendation. The Class of '22 has dedicated the annual to Mr. Selkirk and Miss Hills, Senior Class ad-

visors. It is because of their interest that Senior activities were so successful, and because of their work that the 1922 annual is the most successful book in the history of the school. The printing of the book was done by the printing classes of the High School under the able supervision of Mr. Valeske. Much praise should be given the printing department for the excellence of the work. The entire Senior class is deserving of generous credit for their meritorious volume, but particular mention

leaders and such hearty co-operation of the Orange and Black of the Class of '22 was bound to be successful. **SOCIAL NOTES ENTERTAINS FOR GUEST** Mrs. Charles Burke of Lake Shore Drive entertained several of her friends last evening in honor of Mrs. Wm Edwards who is leaving for her home in Madison, Wis. The evening was very pleasantly spent. A very attractive musical program was carried out by Miss E. Hall and Mrs. Eli LaVergne after which a delicate luncheon was served. **ENTERTAINS FRIENDS** Mrs. Albert Johnson entertained a number of her friends at her home on 1310 Stephenson ave. last Thursday in honor of her birthday. Mrs. Johnson was the recipient of many beautiful gifts. At the close of the evening a very delicious luncheon was served. Miss Maimie Leahy of Chicago is spending a few days with her parents, Mr. and Mrs. J. C. Leahy on No. 12th street. **Walter Bergman, Editor-in-Chief of the book, and Robert Baldwin the Business Manager. With such capable**

WEST IS FOUND NOT GUILTY IN CIRCUIT COURT

Jury Returns Verdict After Deliberating for More than Three Hours Yesterday.

MARQUETTE, June 2—Swan Alfred West, former clerk at the Marquette branch prison has been found not guilty of embezzling state funds the circuit court jury before which he was tried reporting its verdict at 3:45 yesterday afternoon after about three hours of deliberation.

The case went to the jury at 11:25 yesterday morning after the judge's charge. After finishing the final argument for the prosecution, E. C. Smith, assistant state attorney general announced that the prosecution withdrew the first four counts in the indictment against West. In those counts it was charged that West had misappropriated funds for his own use and for the use of the late James Russel, then warden of the prison.

In withdrawing all charges implicating the late warden, Mr. Smith said there is absolutely no competent testimony in this case to justify a charge that Mr. West misappropriated any money for the use of anyone except himself.

A Factor in Acquittal
In charging the jury Judge Flannigan said that it found that West had made restitution under the statute under which the indictment was returned as interpreted by the courts it could not find him guilty of embezzlement.

The judge however declared that the record failed to show that West had made restitution; that the transfer to the prison board of some \$44,000 of securities was not within the law, restitution but that restitution had to be made in cash, whereas the record did not show that restitution in that form had been made.

Following the return of the verdict yesterday it was commented by many who had followed the trial that the fact that West had turned over to the board of prison control stocks in the amount above mentioned probably had much to do with his acquittal.

Attorney N. C. Spencer of Escanaba defended West.

Seniors Will Entertain

Fr. Corcoran Pays Tribute to Fr. Barth
(Continued from Page One)
and come unto the land and I will show thee." Follows the Light

Abram hears the sounds, humbly he reaches out his hands, he follows the light that but faintly illuminates the prospect; his feet treading falteringly, timidly, yet with assurance he takes step after step—a shy confidence beginning to reassure him. "Lead, kindly light; One Step Enough For Me," and so he journeys on to the land that God will show him. "The Land! What is it like? Come with me to the supper to be. With desire have I desired to eat this pasch with thee before I die." He receives the power and the mystic food of the Lord. "What your hands bless, will I bless."

"Cradled in the hands of the priest as truly as ever he was cradled in Joseph's arms—on Mary's knee—the self-same breaking of the bread of life to famishing souls, nourishing the children of God. With ordinary food? No, with the bread of angels do this for a commemoration of me."

Enter New Land
"The Land! Come with me again young priest and I will show you whether, O father and brother of mine! Come with me and enter this new land from this house—No, do not knock at the door. Behold, we are within. The door is being shut. "Peace be unto thee, as-the Father sent me, I also send you. Whose sins you shall forgive, they are forgiven them; whose sins you retain, they are retained. Here is the land and it is peopled with my brethren but they

837-W
This is Good for Two Tickets Tonight Only.

are faint and sick with death. Their feet have grown weary on the road; they could not keep up. "Be thou, young friend, a lamp to their feet; bind up their wounds, heart and limb on life's journey—help them to persevere, and forgive them their sins for they know not what they do. Them also must I bring." "The land! Mount Olivet. Preach the gospel to every creature, baptize all nations; teach them what I command you."

Obedient to Command
"Obedient to this command, they went forth radiating from the upper room to all points in the Mediterranean Liberal, penetrating the fastnesses of the hinterlands, beyond, following the magnificent Roman mountain roads, plunging into the open forests of the Druids, the steppes of Tatar, the snows of Scandinavia, the burning sands of Africa's deserts, braving the restless followers of the North Sea, climbing the vine-clad hills of Spain, spreading along Killarney's lakes and rills truly God-made or his priests, father of a great people."

Father Corcoran then described the migration of the various tribes out of northeastern Europe, told how they over spread Europe and how no earthly power served to check their onward march, for unto the mighty of the earth the promise was not made, but unto a priest was the promise made and a priest went out to meet them, not in the panoply of war, not with breast-plate and buckler and shield, not with sword and spear, not in clamor and shout and din of onset, not terrible in battle array—but in all peace and gentleness, a priest with the cross of Christ held high in air and the gospel clasped to his bosom. And he conquered."

The oration, which was a masterly tribute to the priesthood, closed with personal tributes to the memory of the honored dead, him who had played hand in hand with this man who is now performing for him the last service of friendship and religion and who was so deeply and visibly affected by the death of this wonderful citizen who was loved and honored and respected by all Escanaba.
