

DELTA COUNTY SWEPT BY PROGRESSIVES

CARTER, CARR AND CARNEY ARE WINNERS IN OFFICES CONTESTED MOST VIGOROUSLY IN PRIMARY

Unofficial returns, the material effect of which will not be changed by the official count of ballots cast in yesterday's primary election, show that Joseph P. Carney has been nominated for sheriff; George W. Carr for prosecuting attorney, and Edward H. Carter for state representative on the Republican ticket.

These were the only county offices in which contests were waged.

But as to the election itself, it was full of upsets for those who claim powers of perfect prediction. A good many old-timers can't just seem to remember when there has been another such a pronounced reversal of form as is indicated by the returns.

Baker Sweeps County
U. S. Senator Townsend fulfilled predictions of the newspaper by leading the county to thwart F. Baker, by a plurality of approximately 2,500.

Congressman Frank D. Scott won second prize in the county in his contest with Aldrich, the latter having a plurality of about one, while Henry B. Fletcher carried two home counties in the state senatorial race, over Dr. Baldwin by about 2,500.

Carney Strong, his nearest opponent, by approximately 1,200, while Carter was out in front of both Voght and Jensen by about 300.

With the exception of the race for sheriff and prosecuting attorney, the winning candidates had the endorsement of the Progressive Voter's League, the only three within the Republican party, which has demonstrated a strength that indicates a determination to play an important part in all future political activities in the county.

The Awakening.
First precincts heard from last evening indicated that the candidates of the Progressive League were showing a strength which was rather surprising to many an old timer who regarded the new movement as something visionary and inertial. As the evening wore on and partial returns trickled in from some of the city wards, it became apparent that an upheaval had taken place, that something new had happened, and practical politicians began to look at each other perplexedly.

And as premier after precinct rolled up still further strength for the new force, there was a general conviction that "something had happened."

Sheriff Race Exciting.

Perhaps the most exciting race was that for sheriff. Four candidates—Carney, Harvey, Jensen and Nelson remained tangled closely until after midnight. Then in staggering returns received from all districts, Carney pulled away from his opponents and finished with a lead which put him over the top.

George W. Carr, the youngest member of the Delta County Bar Association, surprised not only the opposition, but many of his closest friends as well, by the remarkable race he ran all over the county. His victory over such seasoned campaigners as Strom and Budlong, was considered a remarkable tribute to his personality as well as his genius for organization.

Cuban Lawmakers Are Ready to Have Thrifty President

HAVANA, Cuba, Aug. 28.—Congo is turning a deaf ear to intimations that the \$100-a-day Cuban White House budget is too cumbersome with the presidential cost of living.

When the 1922-1923 economy budget became effective last July, the majority of the people took what they considered to be adequate steps to reduce grocery and other bills, but he was forced to announce a deficit at the end of the month of \$1,400. This president paid from his own pocket after congress had failed to heed the hint embodied in a special message.

In the absence of official figures to day, it is claimed that the Progressive candidates for delegates to the county convention also were elected in the majority of precincts.

To Ask Half Million For Indemnities On Tubercular Cattle

LANSING, Sept. 13.—The state department of agriculture plans to ask the state administrative board for permission to spend about \$500,000 this year to pay indemnities on tubercular cattle. Last year more than \$200,000 was spent.

According to department officials the number of tubercular cattle ranges from 1 to 10 per cent in various counties. The sparsely settled and non-dairy counties in the northern part of the state have the lowest percentage. In Wayne, and some other southern counties, the percentage runs as high as 10 per cent.

Under the system by which diseased cattle are condemned, owners are reimbursed a certain amount by the state.

Legion Will Elect Officers Thursday

Announcement is made today that the annual election of officers of Cleverland Post of the American Legion will be held in the Eagles hall Thursday evening at 8 o'clock. The recent changing of the beginning of the fiscal year from January 1 to October 1, has made the election necessary at this time. Most of the men in office now, it is stated, will probably be re-elected, as they have held office for but a few months.

CARO—J. W. Simms, county agent in Hillsdale for two years, has been engaged as the Tuscola County Farm Bureau head.

GOSSIP FIGURES IN THE MURDER OF MRS. MEADOW

Trial of Mrs. Clara Phillips Expected to Disclose Odd Condition of Affairs.

LOS ANGELES, Sept. 13.—That neighborhood gossip figured prominently in the solving of the Mrs. Alberta Meadow, 49-year-old widow near Los Angeles, July 12, which resulted in the indictment for murder of Mr. Clark Phillips, wife of Arthur L. Phillips, local oil promoter, was the assertion of investigators assigned to the case.

Mrs. Meadow's body was found late in the afternoon of July 12 alongside an untravelled road on a hillside about two miles from the business center of Los Angeles. The skull had been crushed in several places, and the features mutilated. Nearby was the handle of a hammer; the head of which had been broken off. Close to the victim's head was a large, loose-stained rock.

Twenty-four hours elapsed before the police discovered as to the identity either of the slayer or the victim when Phillips walked into the office of Sheriff W. F. Tracy and 425 officers which resulted in his name carried. According to the sheriff Phillips said he was laid off about noon last day killed Mrs. Meadow at the place where the body was found, and that he had put her on a train at El Paso, Texas. Mrs. Phillips was arrested at Tucson, Ariz., and brought back to Los Angeles two days later.

Meanwhile, the husband of Mrs. Henry Caffer appeared at the police station and said that he who had witnessed the tragedy, Mrs. Caffer immediately was summoned to the station as a witness. Her testimony at the moment was to the effect that she went with Mrs. Phillips to Tucson on Aug. 11 and saw the accused were purchasing a hammer and that nothing went to Mrs. Meadow's apartment but did not find her there.

Mr. Caffer's testimony also brought out that she was an eye witness to the tragedy.

The post-mortem examination of Mrs. Phillips showed that Mrs. Meadow, as a parking victim, while she kept a motor car while the latter was parked in a downtown bank, according to the testimony. When Mrs. Phillips came for the car, Mrs. Phillips asked Mrs. Meadow to drive her to her doctor home.

The three women entered the car and Mrs. Meadow, under Mrs. Phillips' direction, drove to the residence where the body was found later in the day.

Mrs. Phillips, Mr. Caffer testified, asked Mrs. Meadow to stop and get out.

Then he asked Alberta that Mr. Phillips did NOT give her the key to her automobile and where to go. Mrs. Caffer went on. Mrs. Meadow denied this and then said she was unable to do and struck her with the hammer, which she pulled from under her cap."

Mrs. Meadow started to run down the hill, but Mrs. Phillips pursued and brought her back, the witness said. Mrs. Meadow was beaten to the ground with repeated blows. Mrs. Caffer said she herself ran from the scene, and fearing death, saw Mrs. Phillips continuing to strike the prostate victim. Presently Mrs. Phillips came down the hill, driving Mrs. Meadow's car, and told Mrs. Caffer to get in. The woman parked at a corner street intersection. Mrs. Caffer said Mrs. Phillips said to her then: "Don't you dare tell of this. You are in it as much as I."

A woman guard was assigned to remain with Mrs. Caffer until the trial. Another was placed with the woman who sold the hammer.

Mrs. Phillips was indicted for murder before she reached Los Angeles from Tucson. She greeted her husband affectionately at the county jail, and smiled almost constantly during her arraignment. Under advice of her attorneys she refused to discuss the case with anyone.

"Robin Hood" Will Prove Rare Treat to Escanaba Crowd

May Valentine's revival of "Robin Hood," after winning distinctive laurels in two transcontinental tours, comes to the Bell Auditorium on Thursday, Sept. 28th.

After a series of musical comedy, the adequate presentation of a comic opera of such supreme worth will receive a warm welcome in the city.

The principals include Miss Currie Emma Jean Arent, Mrs. Clarence Bennett, Charlotte Ingham-Bertram, Greta George Troope, Harry Peet, Arthur Wallace, Fred Zint and Phillip Conyers.

The production cast and chorus have received unusual praise from Philadelphia, Washington, Baltimore and many other cities and the company has brought honor and profit to the producer.

A special orchestra is carried with the company, directed by May Valentine.

Mrs. Lorenzo Rachon, Mrs. Ubald Tremblay and daughters, and Germaine Barbeau of Montreal, Canada, are meeting at the residence of Mr. and Mrs. Louis Burby of Wells. Yesterday they left for Iron River to visit Arthur Burby and will return Saturday.

LECTURE COURSE FOR NEXT YEAR DETERMINED UPON

Splendid Program of Entertainment Mapped Out for Escanaba Audiences This Winter.

Preparations were completed today by W. E. Olds prominent members of the Lyceum Bureau Committee to this city for the course that will be offered to the public in this city this winter.

Last year the members of the Bureau were especially successful in presenting an interesting and educational course to the people of Escanaba, but this year the program is said to be even better.

The dates for the appearance of the different companies are as follows: October 11—Jessie Christian, soprano soloist.

November 5—H. J. Jones, Science Lecturer.

January 10—Alban Packard, cartoonist, the Impresario, an operetta, and James A. Burns, lecturer.

Variety Entertainment

The program is composed of six varied entertainments, all of which are not only intensely interesting but also educational. All speakers and performers who appear on the program are noted persons, not only in Michigan but throughout the United States.

Jessie Christian's name was last year immediately connected with the Chicago Opera. She was considered to be one of the most popular and favorite soloists who appeared in that opera last year.

H. J. Jones is noted science lecturer and well fitted to speak on that subject. He deals mainly with the latest problems of science, and unlike many does not go into the vague and unreal part of science.

Alban Packard is nationally known as one of the best cartoonists in the United States. Mr. Packard is reported to have a highly interesting program and his entertainment is expected to be both well and interesting.

Some Plays

Some plays are being considered, among them "The Dangerous Stage" of Captain Hickie, which has made quite a hit throughout the country.

The Impresario is also popular, which is full of excitement and keeps the audience in suspense. It is estimated that not one moment is dull. The play is wound around a couple of plot points, something like "Romeo & Juliet" and a plot that always keeps the audience in suspense.

James A. Burns, perhaps better known as the "Mountain Lumber in the Verrina Mountains," is a well-known and well-known person over the United States. He was connected with the timbering of the lands between the different mountains in the Verrina mountains. Mr. Burns is known as a second "Mike" because of his height, and his awkward actions. In giving his speech he uses the simplest methods and talk simply in a perfect bound manner, characteristic that mark a true orator.

Expensive Course

It has been through a great deal of expense and labor that the Lyceum Bureau is able to receive the services of these noted people on their program this winter, and the fact that they have succeeded in doing so is a matter for pride.

Season tickets and other information concerning the appearance of the Lyceum people here this winter will be ready for the public in a few days.

**HIGH SCHOOL
CLASSES TO
MEET FRIDAY**

Officers for Year Will Be Elected by Various Classes.

Members of the various classes of the Escanaba High School will meet Friday in different rooms of the high school for the purpose of electing class officers for the ensuing school year.

The Freshmen will meet in the Assembly Room, the Sophomores in Mr. Cripe's room, the Juniors in Mr. Rodriguez' room, and the Seniors in the bookkeeping room. Class advisors from the faculty will also be elected by the different classes as their advisor for this year.

**Bible Class Meets
in Salem Church on
Thursday Evening**

Members of the Junior Bible Class of the Salem Evangelical Church will hold a meeting in the church basement Thursday evening at 7:30 o'clock. A meeting was also held last week and since meetings are only held every two weeks, this meeting is being held so that the gathering will fall in the regular schedule of the year.

**5 DENIED CITIZENSHIP
AS SLACKERS IN WAR**

OWOSO, Mich., Sept. 13.—Five aliens, who claimed exemption from army service during the war because they were aliens, were denied citizenship by Judge Collins, Wednesday A.M. for the election of directors and the transaction of such other business as may be presented.

**JOHN D. CALDWELL,
Secretary,**

Dated September 5, 1922.

Dollar a Minute Rate Paid to See Chicago at Night

CHICAGO, Sept. 13.—One dollar a minute or thereabouts was what the Chicago life insurance agent Eugene Mason of Washington, D. C., in the last two days. At least that is he told Judge Jacobs in the South Clark street court when he was arrested for alleged non-payment of a \$12 tax bill.

William Stokes, driver of the taxi informed the court that he took Mason on an "extended trip round town," but received no pay. Mason paid him \$180 when he entered the cab, but had no idea what had become of the money.

"Chicago life has cost me \$600 in two nights," he stated.

He produced credentials to show that he was an internal revenue inspector for the federal government. The case was set for September 13.

SOCIAL NOTES

C. & N. W. Women's Club

The C. & N. W. Women's Club held their regular meeting yesterday afternoon at which it was announced that \$425.25 turned over to the shop craft men as the result of the dance given a few weeks ago for the benefit of the craftmen under the auspices of the club. Later, it was reported \$20 more was turned over to Secretary C. N. Wood.

Reports that the club had disbanded, are false, and it was announced that regular meetings are to be held the second Tuesday afternoon of each month. Many new members have given their names.

Letters were read from Mrs. Tom W. Williams, Midway Club.

Womens Auxiliary Meeting

The Women's Auxiliary to the American Legion will hold a benefit meeting at the Legion headquarters, 21st and Madison and Tenth streets, Thursday evening at 7:30 o'clock. All men here are cordially invited to attend the meeting.

Card Party at St. Joseph's

The committee in charge of the card party, which will be given by the Young Ladies Society of St. Joseph's Church at St. Joseph's church room, this evening have made elaborate plans for the entertainment of their patrons.

Attractive prizes will be awarded and refreshments will be served. Dyke's Band and Ridge will be played. Every one is cordially invited to the present, are being held, and there is no doubt that the card party will be crowded.

Some Plays

Some plays are being considered, among them "The Dangerous Stage" of Captain Hickie, which has made quite a hit throughout the country.

The Impresario is also popular, which is full of excitement and keeps the audience in suspense. It is estimated that not one moment is dull. The play is wound around a couple of plot points, something like "Romeo & Juliet" and a plot that always keeps the audience in suspense.

**TOURIST BUSINESS
IN STATE LARGEST
EVER RECORDED**

Many and More People Coming to Make Michigan Their Summer Playground.

DETROIT, Sept. 13.—Despite the railroad strike Michigan tourist business so far this year has been greater than ever before, according to E. L. Dixon, secretary of the Detroit Convention and Tourism Bureau, who has just finished a study of conditions throughout the state. Mr. Dixon estimates the number who came to Michigan for their vacations this year has increased 25 per cent greater than was the case in 1921, basing his estimate on interviews with persons at resorts, campsites and other places who come into intimate contact with the tourists.

The increase in spite of railroad conditions is due to the fact that the great majority of persons who make Michigan their summer playgrounds come here by automobile from other states and therefore are not dependent upon railroad schedules, it is said.

It is estimated at least \$16,000,000 was left in the state by tourists last year. Therefore Mr. Dixon believes the increase of 25 per cent greater was the case in 1921, basing his estimate on interviews with persons at resorts, campsites and other places who come into intimate contact with the tourists.

Nationally known economists have declared repeatedly that the average dollar spent in a state changes hands at least thirty times before it goes out of circulation in that state. Therefore, according to Mr. Dixon, the \$125,000,000 estimated as being brought to Michigan this year, really is worth \$2,750,000 to the people of the state, as the sum will have had that purchasing power. Consequently Mr. Dixon insists the tourist business is one of Michigan's chief industries.

A still greater increase in the tourist business for 1923 is predicted by the convention bureau secretary. He declares the increase this year has been due to a systematic advertising campaign carried on by the various development and tourist associations of the state and that this campaign, to be continued, will show even greater results next year.

**LINCOLN AVERY AGAIN
NAMED AS EXAMINER**

LANSING, Sept. 13.—Lincoln Avery, who claimed exemption from army service during the war because they were aliens, was denied citizenship by Judge Collins, Wednesday A.M. for the election of directors and the transaction of such other business as may be presented.

**JOHN D. CALDWELL,
Secretary,**

ELECTION INTEREST ON VOLSTEAD NEXT

Father of Prohibition Act Is Given Hot Opposition for Seat in Congress.

ST. PAUL, Minn., Sept. 13.—Congressman Andrew J. Volstead, father of the prohibition enforcement act, will be opposed for reelection in the November election by the man who defeated him in the primary two years ago.

This contest in the Seventh Minnesota congressional district rivals in interest the three-cornered fight for the United States senatorship in which a woman, Mrs. Anna Dickie Olsen, has been setting the campaign pace for her two male opponents.

Prohibition is NOT an issue in the contest involving Volstead, for he will be opposed by the Rev. O. J. Kyale of Benson, who declares himself "dry as Volstead with a Bibles to spare."

Volstead has the endorsement of the republican district convention while both the democratic and the farmer-labor conventions endorsed the candidacy of Rev. Kyale. In 1920, as the candidate of the Nonpartisan League seeking the republican nomination, Rev. Kyale moved out Mr. Volstead in the June primary by 17,380 votes to 16,927. Then charges of violation of the state corrupt practices act against Rev. Kyale were sustained, the nomination was declared vacant, and the republican district committee selected Mr. Volstead as the republican candidate.

With the approach of the fall election that year, Kyale collected petitions that enabled him to file as an independent, and in a three-cornered race a Democratic candidate having entered, Volstead polled 35,822 votes; Kyale, 35,456, and Democratic candidate, 3,528.

This year, with Kyale bearing the democratic endorsement, it will be difficult to close the gap between Kyale and Volstead and the question is how strong the old Nonpartisan league organization has been able to retain.

Two years ago, women were exceptionally active in the interests of Mr. Volstead, and it was admitted that their vote figured in determining his success.

If the Kyale forces have been able to hold their strength, the issue probably will rest with those voters who cast a democratic ballot two years ago.

With the democratic convention endorsement, Kyale forces expect to cover the greater part of the democratic vote.

Two years ago, women were exceptionally active in the interests of Mr. Volstead, and it was admitted that their vote figured in determining his success.

It is believed that the issue probably will rest with those voters who cast a democratic ballot two years ago.

MENOMINEE COMES HERE SUNDAY WITH VERY STRONG TEAM

Escanaba Has a Shutout to Average and Locals Are Determined to Get Visitors' Scalp.

Escanaba ball fans are promised an other great game next Sunday, when Manager Brenehan brings his Menominee baseballers to this city for a clash with the fast traveling locals. Menominee bring a 2 to 0 shutout on Escanaba early this spring, in what was generally regarded as the classic game of the year with the exception of the contest in which Escanaba defeated Cicero in the first series with Newberry.

And now Menominee is coming back with a greatly strengthened team and expects to repeat its performance of the early spring. This probably will be Menominee's last appearance here this year and a great crowd is expected.

Menominee will bring up a hundred or more joyous roosters and fast and furious fun may be expected in the grandstands and bleachers as well as on the grounds.

TICKET CAMPAIGN FOR FOOTBALL WAS OPENED YESTERD'Y

"Pep" Meeting Held at High School Shows Enthusiastic Spirit for Athletics.

Students of the Escanaba High School started the ticket selling campaign for the first football game of the season between the Escanaba and St. Joseph's High Schools of this city by a pep meeting yesterday afternoon at 7:30 o'clock.

By a series of yell and songs the football season was formally opened yesterday and by reports from the pep meeting Escanaba is not lacking in spirit this year.

Coach Louckes is also sending the team through some grueling practice this week to round the practically new team in shape for next Saturday. There being enough candidates out for football to make four teams, it will be no easy task to select the first team but it is thought that by next Saturday there ought to be eleven at least that have shown up good in practice.

St. Joe's Active

It is reported that St. Joe's isn't laying down on the job either this week and it was also reported that a pep meeting was in session there also this afternoon.

The fact that they are going up against a larger team and a larger school isn't worrying the St. Joe team a bit and are reported to be getting in the best shape possible so that their opponents will have to "go easy" to receive the winning touchdowns.

Spirit is running high and both teams are practicing hard so that the first game of the season promises well to be a hotly contested affair this season.

TENDLER AND HAMMER TO MEET IN PHILLY RING

MOBILE WINS FLAG

PHILADELPHIA, Pa.—Low Tendler and Ever Hammer, the Chicago lightweight, will class for eight rounds at the Phillies baseball park Monday. Hammer recently made things interesting for sort of a friend affair with Benny Leonard in Michigan City, Ind. Tendler says he does not underestimate Hammer.

MOBILE WINS FLAG

MOBILE, Ala.—The Mobile Southern association baseball club, which today clinched the pennant, was accorded a big welcome Sunday night on arrival from New Orleans by several thousand persons, headed by a brass band and a display of fireworks.

"BOOSTER" GAME TO USHER IN THE LEGION SEASON

Cloverland Post Gridders to Meet Gladstone Here Sept. 24th and in Gladstone Oct. 1st.

Tom Riley, mentor of the American Legion team, is pretty well pleased with what he has seen of his new material in action. The line, it is estimated, will average about 180 pounds and in it is some of the best football material Escanaba has ever produced, it is believed. The nightly drill at city park is showing up some surprising speed and technical knowledge and it is believed that before the Booster Game with Gladstone, which has been set for Sept. 24th, the locals will be going in great form.

The American Legion colors of blue and gold are expected to become well known in upper peninsula football this year. The jerseys worn by the men will be blue, as also will the stockings, which will have a light band of gold about them.

The "Booster" games arranged between Escanaba and Gladstone will be preliminary to the formal opening of the season and are intended to raise funds for the promotion of the game.

Gladstone, which has a fine team this year, appears here Sept. 24th and Escanaba goes to Gladstone for a return "Booster" game on Sunday, Oct. 1st.

BIG TEN CAGE COACHES MEET

CHICAGO When western conference basketball coaches meet at the Auditorium hotel Wednesday morning at 9 o'clock to arrange schedules for the winter games, select officials and talk over the playing rules with officials, the advisability of combining the games to Big Ten universities will be discussed and probably acted upon.

Last year Purdue was declared the Big Ten champion, although not playing as many conference games as other teams. This was no fault of Athletic Director Kellogg or Coach Ward Lamberti, who wanted to slate contests with all five in the conference twice and an undisputed champion be determined.

Another point which may come up is the free throw after a foul. There was considerable discussion over this point last season.

**Ball Players Hit
When Lightning
Strikes Dugout**

PONTIAC, Mich., Sept. 13—Lightning struck the Pontiac independent club's bench in the fifth inning of the game with the Kermis All Stars today, seriously injured Edward Prox, shortstop, and Lanny Gardner, outfielder of the Pontiac team.

After the second inning the game was played in a drizzle and when the game broke up the score was 1 to 1. All of the ball players were shocked and thrown off their feet while a second bolt that hit the grand stand burned off the flag on the top. The first bolt tore a hole in the grand stand, a foot wide and three feet long.

Season Tickets to Be Sold to Gridiron Battles This Year

After the first game of the season with the St. Joseph's High School Saturday, students of this city will have the opportunity to procure season tickets that will admit them to every game following.

The plan has never been used before in the local high school, and the arrangement is being made so that pupils will be able to see all the games at a great reduction in price.

The plan is meeting with much favor in the high school. Tickets for the season will be on sale the latter part of this week.

BRITTON WILL DEFEND TITLE

NEW YORK—The probabilities are that Jack Britton, welterweight champion, and George Ward, of Elizabeth, N. J., will engage in a titanic match this fall.

Dan Morgan, mentor of Britton, is extremely interested in a proposition offered by Sam Golden, guiding light of Ward, for the match and is expected to deliver a definite response within the next 24 hours. Frank Flournoy, matchmaker of Madison Square Garden Sporting club, expressed a willingness to promote the bout the second week in October.

Flournoy intimated that the match would draw \$60,000 or \$70,000 and be a profitable venture.

BUFF CONCLUDES HIS WORK FOR VILLA BOUT

NEW YORK—Johnny Buff, American flyweight champion, wound up his training at Saratoga Sunday and made straight for his home in Jersey City, where he will rest up until called into the ring to defend his title against Pancho Villa of Manila Tuesday at Ebbets field.

WILL BREAK THEM UP.

George Washington Grant is so disappointed over the poor work of his Boston Braves that he has commissioned Fred Mitchell to break up the team entirely before the 1923 training season rolls around. Most of the veterans will be sold, traded or released outright.

MAJOR LEAGUE LEADERS MEET WESTERN CLUBS

NEW YORK—The New York Giants start west this week for the final drive of a race that promises to remain in doubt until the last few games of the season. The Giants with their margin reduced during the week by the eleventh-hour onrush of the Pittsburgh Pirates will make their last stand at home against the western invaders.

The Yankees, holding a lead of a

game and a half in their neck-and-neck struggle with the St. Louis Browns, start west this week for the final drive of a race that promises to remain in doubt until the last few games of the season.

The Yankees taking a double-header from the Athletics, while the Giants trounced Brooklyn and increased their margin over Pittsburgh to four and a half games.

The Giants, due to ineffective twirling, obtained only an even break against second division eastern clubs.

Boston handing the champions a double trimming Tuesday. The Pirates

won six out of eight games against

Chicago and St. Louis by a combination of brilliant pitching, which accom-

plished three shutouts, and heavy hitting.

Box cost the Yankees first place until Friday, when Detroit administered the defeat that sent St. Louis back a notch.

The Giants, due to ineffective twirling, obtained only an even break against second division eastern clubs. Boston handing the champions a double trimming Tuesday. The Pirates

won six out of eight games against

Chicago and St. Louis by a combination of brilliant pitching, which accom-

plished three shutouts, and heavy hitting.

THE ED. ERICKSON COMPANY

THE ED. ERICKSON COMPANY

Fall Millinery!

ATUMN Millinery in a complete showing, imparting delightful secrets to feminine ears. Box after box, has been opened, and each discloses fresh treasures that cannot help but add elan to one's Fall costume.

THERE ARE HATS WITH COQUE FEATHERS; HATS WITH ARTISTIC ALLEY BROUGHT SILVER FLOWERS.

Erickson feathers used as a sort of fringe, are a new garniture. Metallic ribbons, twisted in deep rolls about the crown are a new note.

From the large hats much in vogue to the tiny turbans, choosing is complete. Most of the hats are of beautiful, mottled silk velvet.

New colors—and so beautifully combined. Small hats in vivid colors are delightful to wear with dark tones, mits or fur. The quality of our hats are decidedly superior and our values outdo any you find anywhere.

Priced \$5 and Upward

Fall Coats

Exceedingly Smart and Low Priced.

To so many women who are intensely individual, the unusual style of their winter coat or wrap means so MUCH more than price.

They prefer to choose at the very inception of the season, from the cream of the new models, while the designers are still imbued with enthusiasm for their work.

Now is the time to choose, and if you choose your wrap at Erickson's, you need not sacrifice price for style.

The new models are developed from Valverette, Gerona, Puyvalaine, Veldette and Pandora, in rich tones of sable, navy, black, brown and other colors.

Fur trimming is very popular—embroidery work and stitching too are used. Gorgeous silk linings.

\$16.50 to \$174.50

Much Richer Are the

New Furs

The fur coats and fur neck pieces are a center attraction these days. Folks are buying them now, and it's a good time to buy for a large assortment is here. We advise you not to delay longer.

Hudson Seal, Geller Seal, Muskrat, Raccoon and Marmot with collars of squirrel, martin, muskrat and raccoon. Lengths are 36 to 45 inch. Beautiful linings in each coat.

Review The New Fall Wearables

Thursday and Friday
September 14th and 15th, 1922

THREE are myriads of delightful Frocks, Coats, Suits, Millinery and Accessories—one is actually bewildered by their varied charm.

Artistic draping—luxurious fabrics—distinctive garniture—all combine to make this showing one of the most interesting ever presented.

You'll like the new fashions, and particularly the models you'll find here.

Thursday and Friday are the Opening Days for the Fall Season. And it promises to be most successful. The new things are simply lovely and they are shown in such wide variety that one will be over-enthused. Not alone are there lovely styles and fabrics, but prices are equally interesting.

Don't Forget, It's Thursday and Friday of this week

THE ED. ERICKSON COMPANY

Fall Frocks

FROCKS specially designed for evening, for street-wear, and every other occasion shown in the very latest fashions. Frocks in plain or more elaborate trimming—most everything and anything to satisfy feminine tastes.

FROCKS FROM THE ULTRA-CHIC SPECIES SHOWN IN VARIETY NEVER HERETOFORE SEEN.

Soft fabrics—softly draped to a low waist line—graceful sleeves with all the daring Russian imagination—in colors that quite take one's breath away with ravishing beauty.

The newer colors and fabrics used—Sunflower, flame and black crepe chiffon, brocaded velvets, poiret twills, tricotines and pickateens.

\$25 to \$80

SPECIAL FROCKS

Included are smart models developed from wool tricotines, poiret twill, silk canton crepe and crepe de chine. Every one beautifully finished and trimmed.

\$17.50 to \$22.50

Fall Suits

Extremely picturesque for street, in the tailleur, an almost severe simplicity of line with rich fur trimming—so Paris decrees.

Somewhat longer skirts, coats of finger tip length, and semi-fitting, the slender silhouette—such is the street suit for Autumn. The new models are developed of latest fabrics in newest shades.

TRICOTINES, PORIET TWILL, VALDYNE, FLORENTINE, WOOL VELOUR, BROAD CLOTH AND PANVAINE—ALL THE RICH TONES.

You'll appreciate such an assembly of handsome models when you select your Fall suit. Exceptional values.

\$27.50 to \$139

(2nd Floor)

Delightful Are the

New Fabrics

From America's leading mills come these wonderful values offered for Fall. Guaranteed quality, fine fabrics for better Fall apparel.

Here are new weaves as, Thisludu, Chinchilla Satin, Wool Canton Crepe and others, new shades as, jade, scarlet, brown, navy, black and tan. We'll be delighted to show you our values!
