75,000 MINE WORKERS QUIT IN WAGE WAR

AWAIT FOR SIGNING OF NEW UNION CONTRACT

BY R. H. HIPPELHEUSER (Associated Press Staff Writer) Chicago, March 31 (AP)—Approximately 75,000 members of the United Mine Workers in the bituminous operations in Illinois, Indiana, Ohio and part of West Virginia will be jobless tomorrow.

Midnight tonight was the hour for suspension of operations in the entire unionized Illinois field throwing between 43,000 and 46,000 men out of work.

In Indiana, the deep vein operations centered in the western part of the state around Terre Haute and Linton met the same fate.

Expect No Trouble In the Ohio fields and the union operations in the West Virginia panhandle, some 25,000 diggers were thrown out of work by a strike, effective tonight at midnight.

In Illinois, both members of the miners scale committee and the Illinois Coal Operators Association insisted that the suspension was neither a shut out nor a strike, but "merely" a discontinuance of operations until a new contract was signed.

The shorter week was sought by Illinois miners to spread employment. Some 25,000 union men in this state have been jobless for months.

In opposition, the operators contended a scale competitive with eastern fields was necessary to pull the industry in Illinois out of the sinkhole caused by the invasion of coal into its markets from the "Crescent" fields of the east.

\$999,000,000 in New Revenue Bill

In the Headlines From Washington

(By The Associated Press) House approached passage today of new billion dollar revenue bill by approving \$255,500,000 in levies substituted by ways and means committee for defeated sales taxes bringing bill's total to \$999,000,000 which with expected savings in government expenditures is figured to balance the budget.

Secretary Wilbur urged legislation to permit producers to control production by agreement under federal supervision to save oil, gas and timber.

Senate banking committee agreed to investigation of what Senator Glass (D. Va.), termed "conspiracy" against his banking reform bill.

POLICE CATCH BANK ROBBERS

Six Members of Gang Captured in Raid At Chicago

Chicago, March 31. (AP)—Six members of a highly organized gang, accused of robbing scores of banks in Illinois, Wisconsin and other nearby states, were captured in a spectacular raid on their apartment house rendezvous tonight.

A detail of local detectives, accompanied by Deputy Sheriff Arthur Bennett of Du Page county, Ill., burst into the place and overpowered the desperadoes before the latter could reach a well stocked gun rack.

Four of those arrested were identified as Mickey Yaro, Frank Sabler, Ed Hallgren, and Edward Bennett, all with records as robbers. Names of the other two were not revealed.

About \$15,000 in currency and several thousand dollars worth of securities were found in the hangout, in suburban Forest Park which was rented by Yaro. Thirteen shotguns, four revolvers, and 12 automatic pistols were seized.

ANOTHER VOTE ON SALES TAX TO BE SOUGHT

FINAL PASSAGE BY HOUSE EXPECTED TODAY

BY CECIL B. DICKSON (Associated Press Staff Writer) Washington, March 31 (AP)—A weary but determined house pushed the total of the new revenue bill up to \$999,000,000 today and girded itself for a final battle over the sales tax and other levies before final passage is reached tomorrow.

With a united effort, it approved the ways and means committee amounting to \$255,500,000 including a levy on stock transactions to yield \$75,000,000 and making administrative changes on credits for losses in market trading to yield \$100,000,000.

AUTO TAX TO BE RETURNED TO COUNTIES

MEASURE GREETED WITH PRAISE, CRITICISM

BY GILBERT T. SHILSON (Associated Press Staff Writer) Lansing, Mich., Mar. 31 (AP)—Shunting all other issues aside, administration leaders labored today to repair the wreckage of their involved highway fund diversion bill.

From a series of conferences with senate and house members they evolved a new legislative structure which they believe clarifies their proposals and which they hope will meet the approval of the special session of the legislature.

While highway officials, assistant attorneys general and legislators struggled with the measure, Gov. Brucker denied responsibility for the muddled bill that originally was offered the legislature. It was introduced by Senator Norman R. Horton, of Fruit Ridge, administration floor leader, but was not his handiwork.

What Bill Provides The provisions of the new set-up were subjected to discussion in a public hearing before the senate highway committee tonight, with criticism and praise leveled at them. As it now stands the administration bill proposes, specifically:

That an amount equal to the entire automobile weight tax, or approximately \$20,000,000 be returned to the counties, cities and villages in various forms, beginning in 1932.

Two and one-half million dollars of this amount will be used to reimburse counties for absorbing township roads, under the McNitt law.

Four million dollars will be set aside and definitely earmarked for the cities, villages and counties on a purely population basis, of this the cities and villages will receive \$2,937,771, the counties the balance.

After the city, village and county population apportionment has been made, and the \$2,500,000 will go back to the counties in direct proportion to automobile registrations.

The Dykstra law, providing that the state may participate with the larger cities on a fifty-fifty basis in city street widening and improvement and may assume a larger share of the cost in smaller cities and villages, will remain in force with the money to come from gasoline tax revenues.

Detroit-state agreement, covering city street widening, which originally called for \$3,800,000 a year from the state, will be cut to \$2,000,000 at the suggestion of Detroit and Wayne county, because of inability to match the larger sum.

The state will meet its share of the north and south division widenings in Grand Rapids, and in other cities where such improvements are under way, from the gasoline revenues without deducting them from the amount returned to the counties.

Regulate Expenditures Amounts returned to cities may not be applied on county at-large road debts. All money returned must be used for highway purposes. In general, expenditures of state returned funds must follow this priority schedule—convert road obligations, reduction of taxes for the retirement of bridge and road bonds, repair and maintenance of roads, reduction of township road taxes, and improvement of township roads.

Traffic Patrolman Patrick J. McDonnell, shown above, served a parking ticket on two men in downtown Chicago who turned out to be United States marshals. They asserted he made them miss a trial and took him before a commissioner. Charged with interfering with government officers, McDonnell is being held in \$1000 bail pending trial.

MONTH SEARCH FOR BABY ENDS

Thousands of "Tips" in Case Futile; Still Is Mystery Hopewell, N. J., March 31 (AP)—A month of searching throughout the world for the kidnapped Charles Augustus Lindbergh, Jr., ended tonight with apparent proof of his safety and whereabouts still lacking.

Thousands of "tips" have been investigated. Automobiles in all parts of the country have been stopped on suspicion. Hundreds of houses have been searched. Many a suspect has been questioned. Babies by the dozen have been found bearing a striking resemblance to the missing boy.

Federal, state, county, city and village officers, who joined in the hunt shortly after the kidnaping, on March 1, saw the month drawing to a close with their efforts still in vain.

At least four underworld characters who were projected one after another into the case likewise had met with no apparent success in attempts to locate the child-stealers and negotiate with them.

Hope Revived Hope that the blue-eyed boy may still be returned to his parents has been revived, in the past week by the statements of three prominent residents of Norfolk, Va., that they had made contacts with the kidnapers.

But in spite of two airplane trips by the Virginians and two conferences with Colonel Lindbergh here, no indication has come from the famous flier that he looks for success from that quarter.

State police, who have tracked down an avalanche of wild clues themselves, have repeatedly expressed a belief there is "no specific significance" to that angle of the case and have quipped:

FREE STATE TO LEVY TAXES

Cabinet Officer Denies Rate on Imports Will Be 33 1-3 %

Dublin, March 31 (AP)—Sean Lemass, minister of industry and commerce, denied tonight reports that the Irish Free State was about to place a 33 1-3 per cent tariff on all imports of articles which can be manufactured in the Free State.

Irish officials also said there was no basis for reports of a cabinet split over the reply to the British government's communications regarding the oath to the king and the payment of land annuities.

The whole tariff question is under consideration, Mrs. Lemass said, but no decision has been reached.

The Exchange Telegraph Agency had reported that the executive council, of which Eamon de Valera is the new president, had adopted a 33 1-3 per cent tariff scheme, with duties on imports from Great Britain and the dominions to be fixed at 25 per cent. The report said the plan contained a provision for protection of Free State industries against the growth of trusts.

De Valera, busy with the press association reported a serious difference of opinion in the Free State cabinet over the Irish reply to the British note on President de Valera's intention to abolish the oath of allegiance and retain the land annuities in the Free State, but this also was officially denied.

In this instance, the report said Mr. De Valera's original draft of the reply had been remodelled. A similar report last night said he was working on a redraft. It said unofficially that if the oath were abolished the Free State might not be invited to send delegates to the imperial economic conference at Ottawa in June.

At any rate, President de Valera has been so busy that he had rooms prepared for him in the government building where he can spend the night when necessary, although his home at Black Rock is only ten minutes away by automobile.

Big Maple Sugar Festival Starts

Chardon, Ohio, Mar. 31 (AP)—Bringing back memories of pioneer days—hoopskirts, muzzle loading rifles and creaking ox wagons—the ninth annual Geauga county maple sugar festival opened today to continue through Saturday.

Oxen pulled barrels of sap to the smoking kettle where it was boiled down into syrup, while in the maple groves near here men and boys rushed through the snow carrying the sap from the buckets hanging on the trees to the big tanks on the ox wagon.

Men and boys fed the wood fires under the kettles while women and girls handed guests saucers full of hot syrup and a little wooden paddle for a spoon.

Modern methods of boiling down the sap also were shown.

ANOTHER VOTE ON SALES TAX TO BE SOUGHT

(Continued from Page One)

before morning to see whether any additional revenue was needed. The way was left open for the offering of any further amendments to make up any sum necessary.

The change in the administrative provision of the income tax that is expected to return \$100,000,000 restricts the amount of losses in the stock and bond market that can be charged off against taxable incomes during the fiscal year 1933.

Hit at Wall Street

The amendment provides specifically that losses in stock and bond trading can be deducted from taxable income in an amount not exceeding actual profits in similar transactions during the same taxable year.

It was made applicable both to "capital" losses (on stocks or bonds held more than two years) and regular current losses.

Striking hard at Wall Street to make it carry an additional share of the cost of operating the federal government, it approved a tax of one-fourth of one percent on all stock transactions. This was estimated to yield \$75,000,000. The vote was 297 to 23, with the opposition coming mostly from Tammany Hall Democrats and eastern Republicans.

Although the house rejected an amendment by Representative Blanton (D. Tex.) to fix the rate at one percent, it adopted one by Representative LaGuardia (R. N.Y.) to impose the one-fourth of one percent levy on orders of persons in this country for sale or purchase of stocks on foreign exchanges. The LaGuardia amendment is designed to prevent brokers from going to Canada or to other foreign countries to evade the tax.

This tax, to become effective fifteen days after enactment of the bill, is to terminate on July 1, 1934, as are all the bill's excise levies. The present stamp tax of two cents a share will be resumed.

Tax Bond Transfers

The stamp tax on sale of produce for future delivery, including grain and cotton, was boosted from one to five cents on \$100 transactions. Revenue from this source is expected to amount to \$6,000,000. When it expires on July 1, 1934, the present one cent rate will be resumed. This levy also becomes effective fifteen days after enactment of the legislation.

A new tax of one-eighth of one percent on all transfers of bonds, estimated to yield \$12,000,000 was adopted without a standing vote.

The 1924 levy on real estate conveyances, a rate of fifty cents on \$500, with no tax on those less than \$100, was adopted by a vote of 118 to 45. It is estimated to yield \$10,000,000, becomes effective fifteen days after enactment and expires on July 1, 1934.

By an overwhelming vote, the committee proposal of an eight percent tax on the transportation charges on oil through pipe lines was adopted. Its yield is estimated at \$15,000,000. Becoming effective fifteen days after enactment, it expires on July 1, 1934. The person paying for the transportation is assessed the tax unless he is the owner of the pipe line. The owner then pays the levy.

Without opposition, a ten percent tax on firearms and ammunition excluding pistols, to yield \$4,500,000 was approved. It expires on July 1, 1934.

STOCK MARKET PROBE PLANNED

Investigation of Conspiracy Against Bank Bill Also, Okehed

Washington, March 31 (AP)—Two financial investigations were promised today by the senate banking committee as it began consideration of modifications in the Glass banking revision bill.

Chairman Norbeck of the committee announced that hearings would be started early next week on the stock market inquiry ordered by the senate recently.

Senator Glass (D. Va.), author of a sub-committee which drafted it, obtained unanimous approval of the sub-committee for an investigation of what he termed a "banking conspiracy" against the legislation.

Despite the almost united attack on the banking bill by banking interests, the sub-committee is determined to support it. However, it will make some modifications although these probably will not meet all the criticisms of the bankers.

Because of the controversy hovering over the measure, there is doubt of its enactment at this session.

Administration leaders who have sponsored the stock market investigation noted carefully today's crash in stock market prices. The administration is convinced that a group of professional short-sellers has been deliberately driving down prices. There was no inclination today, however, to attribute the latest collapse in security prices to bear raiders, entirely.

Next week's work by the banking committee on the stock market inquiry will be primarily a preliminary nature, including the employment of counsel and experts. There is a determination to go through with the investigation although Senator Walcott (R. Conn.), who sponsored it, has given assurance that it will not seek a sensationalism.

Senator Glass is just as determined to find out the facts of what he believes was an organized conspiracy by the nation's banking interests against his bill. His sub-committee has full authority to make the study into his complaint. No time has been set for this.

Previously the Norfolk trio had expressed a belief the child would be in their hands or back with his parents this week.

California Market Prices Close Higher

San Francisco, March 31 (AP)—Stocks listed both in Wall Street and on the local markets registered gains ranging from fractions to 2 3-4 points here after the closing of the New York markets today.

Late buying was particularly noticeable on the San Francisco curb in American Telephone and United States Steel. Their closing prices were 2 3-4 and 1 1-2 points, respectively, above the New York close.

Steel, traded in only informally here, closed at 40 1/2 against 39 in New York. American Telephone, regularly listed, bounded to 113 after closing at 110 in New York.

mile from the Oklahoma-Kansas line.

To aid the rescuers the Southwestern Bell Telephone company ran an emergency line more than a mile along the ground to the shaftedge, and lights were strung from the mine proper to the drill hole to aid in the night work.

During the day fresh air was pumped down to the child.

Rescuers feared gas might have collected in the hole. At night drew near and the air grew more chill the fresh air was passed over a series of electric lights that kept it at 77 degree temperature.

Several times during the day the boy grew silent and the watchers were afraid he was dead or that he was unconscious from injuries. Always, however, a cry arose from the drill hole to dispel fear and urge the rescuers to stancher efforts.

The entire mining community came to the scene during the afternoon and night, and hundreds volunteered to help. Only about a dozen were needed, however, because of the close quarters.

An area more than a half mile square was filled by the automobiles of the watchers.

Often in their eagerness the spectators pressed too close to the working area, and volunteer marshals had difficulty pressing them back to give the rescuers working space.

Shan Fisher, assistant Oklahoma mine inspector in charge of the Miami-Pleher area, took personal command of the rescue squad. He was assisted by officials of the Commerce Mining company, which operates the Mary Ann lead and zinc mine where the accident occurred.

Fisher said it was fortunate the child had caught in the hole where he did. It was impossible to say whether the drill hole, which ordinarily tapers from a maximum diameter of about 12 inches at the surface, had caved or widened through irregular drilling, he said.

There was some danger of the caving, also, and workers stood ready with an iron casing which they planned to run down nearly to the boy's body in case there was any sign of crumbling soil at the surface.

CHINESE STRIKE JAPANESE MAN

Trouble Threatened as Peace Parley Begins To Make Headway

Shanghai, March 31 (AP)—Ill-feeling between Chinese and Japanese civilians, stirred by an attack of Chinese ruffians on a Japanese man in the heart of the international settlement, threatened further trouble for the peace negotiations here today just as they made definite progress.

The Japanese, who were walking down Edward VII street, was seriously injured by the Chinese crowd that set upon him. Apparently only a quick rescue by the French police saved him from death.

Japanese consular officials said they considered the incident a grave illustration that the Japanese here could not walk through the streets without danger of attacks from the Chinese. They planned to protest the attack to the French authorities, under whose jurisdiction it occurred, urging precautions against a recurrence.

A breakdown of the peace parleys, expected in some quarters, over the major issue of withdrawal of Japanese troops from the Shanghai area had been averted. But the delegates still had many questions to decide before complete harmony could be reached.

Mutual concessions were made today before the conference adjourned until Saturday, giving the delegates time to refer the difficulties to their home governments.

The Japanese agreed to withdraw into four separated districts, as follows:

1. The Woosung area, including the railway yards and docks.

2. Hongkew Park, including a small sector of Chapel extending a mile east of the Woosung railway.

3. The Yangtzepoo district, including the present Japanese headquarters at the Kundah cotton mill and the adjacent area, extending a mile outside the settlement boundaries.

4. The vicinity of the Kiangwan race course, east of the village of Kiangwan.

The Chinese, on the other hand, refused to concede the Woosung district, although they agreed to permit the Japanese to use a strip of territory between the Woosung railway yards and the northwest edge of the settlement. They also objected to the Japanese occupying the Kiangwan district and any portion of Chapel west of the railway.

CITIES OPPOSED TO NEW FERRY

Pennsylvania Railway's Proposal Meets With Disapproval

Milwaukee Wis., (P)—Commissioner A. R. McDonald today had under advisement the question of whether the Wisconsin Public Service commission should intervene favorably in behalf of the proposed Pennsylvania railroad ferry line from Muskegon, Mich., to Milwaukee and Manitowoc.

yesterday by shipping representatives from Green Bay and Marinette, while Manitowoc, Racine and Madison representatives spoke in favor of it. Sheboygan, Oshkosh and Watertown also were represented.

OPPOSE PLAN

Menominee, Mich. (Special)—Opposition of Marinette, Oconto, Peshigo, Menominee, Iron Mountain, Escanaba, Ishpeming and Manistique shippers to the proposed new ferry line to Manitowoc was recited by Michael J. Anuta, manager of the Twin City Traffic Bureau, at the Milwaukee conference.

The conference held yesterday was promoted by Milwaukee shippers who seek the support of the Wisconsin Public Service commission for the proposed new ferry lines, which support would almost

assure approval of the proposed lines.

Shippers in this area are hopeful that united opposition might achieve disapproval of the Manitowoc line. The Grand Trunk railroad, which now operates a ferry line across Lake Michigan between Muskegon and Milwaukee, would, under terms of the proposal, operate this line jointly with the Pennsylvania railroad and start another new ferry line jointly with the Pennsylvania between Muskegon and Manitowoc.

Mr. Anuta said shippers in the cities he represented at the conference oppose approval of the new line on the grounds that new ferry service will divide the ferry business and weaken the present service offered this district through ferry terminals at Menominee and Manistique.

The Ann Arbor railroad, which operates ferries here and at Manistique, and the Wabash line, which controls the Ann Arbor, are both in hands of receivers. Mr. Anuta pointed out and even a slight weakening of their business might cause a cessation or curtailment of service. Ann Arbor ferries, designed to carry 30 cars, are operating at present partially loaded most of the time, Mr. Anuta said.

Railroad rate structure for Menominee and Marinette is based on Ann Arbor ferry service offered here. If the Ann Arbor were to discontinue its service here it would have the same effect as placing Menominee 250 miles west of Chicago as far as rates for eastern shipments are concerned, Mr. Anuta said.

Mines Quit Work

Iron River—Mines No. 2 and 3 of the Davidson Ore company in the village of Mineral Hills will suspend operations at the close of work tomorrow afternoon, Rudolph Ericson, general superintendent, announces. Approximately 105 employees will be affected.

No. 1 has been shut down for more than two years, the underground operations having been conducted through the other shafts. It is the first time in almost 22 years that the Davidson company will not have a mine operating here, Ericson stated. For the last 18 months, he said, the mine has been operated at a loss only because of the desire of the company to keep its men employed.

Chevrolet Prices Cut, Will Not Build Eight

Detroit, March 31—Price reductions ranging from \$10 to \$55 were announced today by the Chevrolet Motor Car company effective tomorrow. The maximum reduction is on the five-window coupe, which is cut from \$445 to \$490. The standard sedan is cut from \$635 to \$590.

Harris High School Is Damaged By Fire

A fire of undetermined origin damaged the interior of the Harris high school to an extent estimated at \$200 to \$300 Wednesday evening. The blaze was first noticed about 8 p. m. by Lloyd Heim, Escanaba truck driver, who was returning from Green Bay on US-41. He notified Clarence Lahay, and the alarm was spread among the neighbors. Word was also sent to Bark River. Hector Trombley broke through two doors to enter the lavatory for a pail, thinking that the fire was in the basement, but on reaching the lavatory found that the fire was centered there. With the help of volunteers from Harris and Bark River, the blaze was soon under control. Extinguishers were located and aided in keeping the damage confined to the southwest corner of the building.

A. O. H. Official Has His 74th Birthday

John A. Fisher, Sr., returned Thursday morning from Ishpeming where he spent several days with relatives. While in Ishpeming Mr. Fisher celebrated his 74th birthday anniversary at the home of his son, James Fisher. The local man was formerly a resident of Ishpeming and is at present state president of the Ancient Order of Hibernians. He is also one of the oldest members of the local Council, Knights of Columbus, which was the first council organized in the upper peninsula. He is a member of one of Marquette's oldest families. His father erected one of the first business blocks in that city on Cleveland avenue.

Meals a la Carte Assist in Success of Women's Dairy

Swannanoa, N. C. (P)—Individual feeding charts for cows—bovine meals a la carte—have helped to bring success to a dairy farm here owned and operated by women. In the dairy run by Miss Mary E. Griffith and Miss R. Hamilton no two cows in the herd of 35 are fed alike. Each cow's ration is recorded on a card. Milk for babies is a specialty of the dairy, but this trade alone was found unprofitable. So a line of milk for all members of the family was added, and now a special milk is packed for tubercular patients. Milk for each type of trade is selected with care, and only certain cows furnish baby milk, while others produce family milk and still others that for the sick. Barns, milkhouses and other buildings were designed by the women owners, and constructed of native stone as far as possible. A wild pasture of 180 acres is divided in three sections and the cattle are rotated from one to the other.

Michigan law forbids issuance of a license to a person convicted of deer law violation.

GARDEN NEWS

Garden, Mich. (Special)—While cutting a log in the woods near his father's home at Kates Bay Friday, Frank Beardley sustained a deep gash across the hand when the saw jumped from the log to his hand. This has been the third time during the past winter that Frank's hand has had to be bandaged as the result of accident. A Garden farmer reports the sale of four of his dairy cows recently to a cattle buyer, receiving the sum of forty-five dollars for the animals. It is believed that this sale constitutes

a record in the district for many years past. Mr. and Mrs. Clyde Tobin of Nahma, spent Easter Sunday with the latter's parents, Mr. and Mrs. Alex Mellon. Max Wakeman of Lansing, spent Easter Sunday at the Napoleon Boudreau, Jr., home. Word was received here Tuesday of the serious condition of Augustus Winter of Oshkosh, Wis., a brother of Herman and William Winter of Garden, who is well known in this district, having visited here on a number of occasions. Mrs. Elmer Winter, William Winter sr., and Herman Winter left here Wednesday. Mr. and Mrs. James Detsch are spending a few days with

friends in Detroit. Mr. and Mrs. Percy Tuftnell and family, also Mr. and Mrs. Joseph Turpin, of Manistique, spent Sunday at the home of the latter's mother, Mrs. Emma Johnston. Mr. and Mrs. Nelson Tatrow, Miss Leona Deloria and Alfred Lavalle spent Sunday with relatives in Iron Mountain. William Foster of Ishpeming, returned to his home after spending a few days with his daughter, Mrs. William Winter, jr., and family. Mrs. Foster has spent several weeks here and is still remaining with Mrs. Winter. Now read the Classified page.

where's the rub in American Family Soap?

Well, now, that is a question. The rub's not in the tub. For talk about washing—this soap simply whisks out the dirt. Then rinses away in a flash. Leaves clothes smelling as sweet as highland heather. Let's see, then. The rub's not in the wear, certainly. For this pure, gentle soap wouldn't harm even the daintiest silk—the sheerest hose. No, nor detract one whit from the brightest shade—or the softest tint. On the contrary, the mild purity of these double-suds saves many dollars in extra wear from all things washable. Where's the rub, then, in American Family Soap? The answer, young woman, is—"No rub at all!"

BE SURE TO VOTE

THERE always are a certain number of citizens in any community who sit back and complain about the manner in which their municipal affairs are handled.

We must quit passing the buck. It is the duty of every citizen to take an interest in community affairs and to do his bit toward the endeavor to improve conditions.

Monday marks the tenth anniversary of the first election of councilmen under the manager form of government in Escanaba. The ten years of progress in municipal improvements and the establishment of many additional services for the convenience of the citizens are the proof of the efficacy of the council-manager form of government.

Everyone should vote on Monday. A full vote is the best assurance that the best selections will be made.

KEEP ADVERTISING!

"DAILY newspaper advertising is the best medium with which to stimulate buying," declared Melvin L. Straus, vice president of the Straus National Bank, Chicago, in a recent interview.

The reputation that Escanaba has attained as the shopping center of the upper peninsula is to be attributed to nothing but the merchants' united policy of consistent advertising.

The Press is the magnet that attracts shoppers to Escanaba from a vast surrounding territory, including a half dozen counties. The Press has spared no expense to cover the news of its circulation territory, and the fact that its circulation volume has been maintained during the last couple years is proof that this newspaper has the necessary reader-interest, prestige and the people's confidence.

WHO IS RESPONSIBLE?

(Menominee Herald-Leader) THE double murder Easter Sunday morning at Rexton, a hamlet just east of Manistowick, reflects a social complex and an indifference on the part of society towards crime, that have all the elements to awaken a public conscience, if such a thing exists now-a-days.

Here is a man 25 years old courting a girl 14 years old. Both were shot and killed by a rival, also 25 years old. The rival and murderer is an ex-convict, having been sentenced at the Soo to Ionia prison a reformatory not seasoned with "hardened criminals."

The 14 year old girl was motherless. Perhaps her slayer saved her from another deplorable fate. The attentions of a 25 year old rapist surely could not have led to the liking of the girl, or her father, for whom she kept house or to the community. What busi-

ness had another 25 year old man courting a 14 year old girl? The Rexton community is now aroused and no doubt would hang the murderer. Why wasn't this community aroused, or at least attempting to throw a shielding arm about this poor motherless girl when a convicted rapist was making himself familiar in its midst? But who can rightfully condemn the peaceful community of Rexton when similar monsters roam at will in their own communities and criminal assault is regarded with indifference. Yet criminal assaults is the most degraded, vicious, heartless, far-reaching crime—a moral degradation of all criminal offenses.

A rapist is a murderer at heart, does not hesitate to kill, and frequently does so. But if he does not murder his victim, courts are lenient. Lawyers excuse the crime by blackening the character of an innocent victim, and the public knows it. Juries may convict but the statutes are not severe, and the judge usually imposes a minimum sentence. The public is not indignant, and regards the affair with much less concern than a bandit hold-up, bank robbery, or an elite bootleg joint padlocked by the government.

All communities the world over in this "modern age" are just about like Rexton. If it is a small community like Rexton the public awakens when murder is committed, and then—drifts back into a state of indifference. If it is in a large city the murder is just another murder added to the long list and nothing more.

What's the matter with this Christian society? This Christian nation? Doesn't it owe protection to the innocent and helpless more than mild punishment to moral pervers and inhuman monsters? This is not a "youth problem," nor a horrid example of the "rising generation." It is an indictment against the mature, adult generation, old enough to be capable of thinking and reasoning, and whose duty it is to safeguard youth incapable of shaping its own course correctly. Is it not apparent that the sins of omission by parents and adult society is being visited upon the rising generation? If not, then who is responsible for the protection and guidance of youth?

JOB HUNTING IN RUSSIA

IT WAS slightly amusing to learn, via recent cable dispatches from Moscow, that several hundred Americans who went to Russia during the past summer and fall looking for jobs have been asked to return to the United States. Russia has no jobs for them and can't be bothered looking after them.

Jobs may be scarce on this side of the sea, and the land where the worker is king may look very glittering and attractive; but the millennium, evidently, has not yet dawned.

The American job hunter who decides to pull up stakes and throw his lot in with the Communists on their native heath takes a step much like that of the individual who leaps out of the frying pan only to land right in the middle of a nice, hot fire.

GERMANS MASS FOR ATTACK

On April 1, 1918, German troops, stopped in the great drive, were reported massing on the western side of the salient formed in the Allied lines for a blow at Amiens and the Channel ports.

French and British troops, weary from 10 days of terrific combat, took advantage of the slight lull in operations to fortify and improve their positions. German attacks on Griveaux were repulsed by the French. Several new French divisions were within the battle zone and much of the strain on Allied positions had been relieved.

BEGIN HERE TODAY

Susan Carey is learning stenography in a Chicago business school. Reprimanded one day for an error, she looks up to see Robert Dunbar, another student, staring at her. She has heard he is the heir to the Dunbar fortune and wonders why he is learning stenography.

NOW GO ON WITH THE STORY

Oh, Lordy, Lordy, how Susan did hate getting up! She yawned deeply, burrowing her head under the covers and trying to shut out the sound of Aunt Jessie's nasal call. "Susan! Susan! Get up this very minute. Breakfast's getting cold!"

Shuddering, blinking at the light, the girl swung her feet over the side of the big bed which groaned in sympathy. Its springs were old and sagging. She stood in the middle of the little room with its bravely ruffled curtains and white ruffled bedspread.

I'll take her to a movie then. I'll take the maiden home from there. And when I get her home again. We both will hit the Friedlaire. If, though we haven't richly dined. The maiden doesn't seem to mind. If not already, as I planned. I'll ask the maiden for her hand.

I'm looking for a thrifty wife. I'm saving for a bungalow. And there we'll settle down for life. And poverty will never know. So, when the thrifty maid I meet, I'll lay my fortune at her feet. Her dresses red or tresses brown— And she will likely turn me down.

THE THRIFTY MAID

I'm looking for a girl to wed. And know the maiden she must be. Her tresses may be brown or red. It doesn't matter much to me. I'll take her out, not very far. But take her on a trolley car. And, if she doesn't mind a lot, I'll pop the question on the spot.

SEEKS PERMIT FOR BUS LINE

Escanaba-Gladstone Motor Bus Company Files Application

Application for permission to operate a bus line between Escanaba, Gladstone and Gladstone has been filed with the state utilities commission at Gladstone by Herbert J. Norton, under the name of the Escanaba-Gladstone Motor Bus Company. The petition is opposed by the People's Transportation Company and Flamagan Brothers, according to a statement by the commission. No decision has been made as yet. The bus line would supplant the service now maintained by the Escanaba Power & Traction company, which recently made application to the utilities commission for permission to abandon its street car lines due to the lack of patronage. It is expected that decisions on both applications will be announced simultaneously.

Delta County Democrats Plan Full Ticket, Endorse J. K. Stack

Resolutions endorsing John K. Stack, Jr. for the office of state auditor general and declaring in favor of a repeal of the eighteenth amendment were adopted by Delta County Democrats at their convention in the court house at Escanaba Thursday morning. A motion was also passed unanimously favoring a full county Democratic ticket in the field this fall. The meeting was a harmonious one, and all the business of the convention was speedily transacted in less than half an hour. A total of 23 Democrats, representing various parts of the county, were present. William Finnegan presided as temporary chairman. The following officers of the Delta County Democratic committee were elected: Chairman—Gerald J. Cleary, Escanaba. Vice Chairman—O. K. Fjetland, Gladstone. Secretary—N. P. Thompson, Escanaba. Treasurer—J. H. Boyle, Bark River. Four delegates and four alternates for the state Democratic primary convention at Saginaw, April 13 and 14, were chosen. They are: Delegates, G. J. Cleary, Escanaba; O. K. Fjetland, Gladstone; John K. Stack, Jr., Escanaba; Bernard H. Micka, Gladstone; alternates, John Somer, Joseph Pryal, John Fisher, Sr., Escanaba; John Mattson, Gladstone. It was decided that the delegation will go to the convention unopposed as to a presidential choice. Workers Honored. Tribute was paid to the parts played by Mr. Stack and Mr. Cleary in Democratic affairs as they were nominated for convention honors. The resolution endorsing Mr. Stack for auditor general read as follows: WHEREAS, The City of Escanaba and the County of Delta were the only two great commonwealths in the state of Michigan to declare themselves in favor of Alfred E. Smith for President in the Presidential campaign of 1928; and WHEREAS, This manifestation of intelligence was obtained under the wise guidance and able leadership of John K. Stack, Jr.; THEREFORE, be it resolved that we, the men of the county convention for Delta County of the Democratic party, desire to show our appreciation of the great worth of John K. Stack, Jr., to the Democratic party in the state of Michigan, do hereby instruct the delegation from Delta County to the state convention to be held at Saginaw on the thirteenth day of April, 1932, to there present his name as the

Bark River News

Church Opening
Bark River, Mich. (Special)—Easter Sunday was a happy day for the pastor and members of St. George's parish when mass was celebrated for the first time in the new church. Three masses were offered. A solemn high mass of Thanksgiving was sung at 10:30 followed by Benediction of the Blessed Sacrament. The newly organized choir was heard for the first time. Practically the entire parish received Holy Communion at the 8 and 9 o'clock masses. Former parishioners and scores of neighboring residents visited the church and rectory during the afternoon and admired the new building. On March 9, 1931, the old property was destroyed by fire and the new buildings were erected on the former site.

Prohibition Blamed

In the resolution declaring in favor of the repeal of the prohibition law, the eighteenth amendment was cited as "one of the leading causes for the present distress," and asked a repeal "for the material and moral good of the country." Included among those present at the meeting yesterday were: Edward Soreide, William Terrien, Cornell; Tom C. Harris, Pete Thompson, Bernard Durjes, Leonard J. Murray, Con Gallagher, William Finnegan, John A. Fisher, Sr., Guy W. Sullivan, R. C. Pryal, J. A. Semer, Knut Knutesen, W. L. Bean, W. F. Shepek, W. J. Hanrahan, J. F. Pryal, C. J. Tobin, John J. Aunt Of Escanaba Resident Is Dead

Mr. and Mrs. A. J. Gearts, South Sixth street, were summoned to Green Bay by the death of Mrs. Gearts' aunt, Mrs. Katherine Armstrong, sister of John Neilligan, Mrs. Armstrong was the widow of Ferdinand Armstrong of Beaver, Peshtigo and Marinette, and passed away in Green Bay at the McCormick home where she had been living for the past four years. Katherine Neilligan was born near Point Escumoni, Megamoni, New Brunswick, Canada, on Jan. 1, 1851. In 1870 she was married to William Bransfield of the same place and moved to Oconto, Wis. Their daughter, Mary Bransfield Laun, is the wife of H. S. Laun, of Wausaukee. Mr. Bransfield and two of their children died in 1879 and are buried at Oconto. In 1884 Mrs. Bransfield was married to Ferdinand Armstrong, former wood supervisor for the Peshtigo Lumber company, who passed away in 1913. Mrs. Edith Griffin of North Carolina and Phil Armstrong of Olympia, Wash., survives the union. A brother, John Neilligan, resides at Los Angeles, Calif. The funeral services were held at Green Bay Thursday morning at 9 o'clock with burial in the family lot in Riverside cemetery in Marinette. Press Want Ads Cost Little. Accomplish Much.

Cuban Government To Send Warship To Reunion Here

In all likelihood a small war vessel will be sent by the Cuban government to participate in the annual reunion of the 34th Michigan Volunteer Infantry, which will be held in Escanaba July 2 to 4, according to a letter received here from Cesar A. Barranco, Cuban consul at Detroit. The consul also stated he would attend the celebration.

Consul Barranco has written the government concerning the reunion committee's request, and also has solicited the help of Congressman Frank W. James, who will confer with the Cuban ambassador at Washington with regard to the matter. Former Governor Fred W. Green, also a Spanish-American war veteran, is planning to attend the reunion, and invitations have been extended to General Pershing and various officers of the Sixth Army Corps Area.

SOMETHING TO THIS
"Well, George," said a country clergyman to an old man who sat by the wayside breaking stones. "That pile doesn't seem to get any smaller."
"No, parson," replied the old fellow. "Them stones is like the Ten Commandments; you can go on breaking them, but you can't get rid of them."—Tit-Bits.

Mrs. Needham Is Named President Of P. T. A. Unit

Mrs. Harry W. Needham was elected president of the Parent-Teacher association of St. Joseph's school at the annual March business meeting held in the school auditorium. The officers who will serve during the coming year are: Mrs. Needham, president. Mrs. Joseph Boyer, first vice president. Mrs. Frank McGovern, second vice president. Mrs. Fred Boddy, third vice president. Mrs. Alfred Mallette, fourth vice president. Mrs. Joseph Martineau, secretary-treasurer. Sisters Mary Grace and Sister Mary Clementia, councilors. Mrs. J. C. Vallin, chairman, program committee. In addition to the business meeting there was a short program and a school of instruction in Parent-Teacher work, conducted by Mrs. Arthur Peterson, Council president.

Personal News

Gerald J. Cleary and Henry M. Stack left Wednesday night on a business trip to Milwaukee. Mrs. Augusta Beery is confined to her home, 307 South Third street, suffering from a serious attack of influenza and tonsillitis. Mrs. C. B. Smith, 304 South Eighth street, is ill at her home, suffering from a severe attack of influenza. Miss Agnes Chandonet is expected today from Chicago where she has been attending the annual Mid-West Beauty Trades show at the Hotel Sherman. Mrs. Whalton Jorgenson of Manitowoc is a guest at the home of Mr. and Mrs. William Schram, 217 North Thirteenth street. Mrs. Jorgenson is a sister of Mrs. Schram. Mrs. Harry Berkell and son, of Niles, Mich., are visiting here at the home of Mr. and Mrs. B. J. Schram, 607 Ludington street. Mrs. Berkell is Mrs. Schram's mother. Carlton Smith, son of Mr. and Mrs. C. R. Smith, 304 South Eighth street, who is a medical patient at St. Francis hospital, is recovering nicely. Miss Rose Nadolski, 613 Ludington street, returned Thursday morning from Chicago where she attended the Mid-West Beauty Trades show at the Hotel Sherman. Mrs. Max Kellerman, 1407 North Eleventh street, has returned from Hastings, Mich., where she attended the funeral services for her sister, Mrs. Herbert Fisher. Miss LaVerne Newman is leaving Saturday for Detroit where she is teaching, following an Easter vacation visit here at the home of her parents, Mr. and Mrs. C. M. Newman, 323 Ogden avenue. Chapman Smith, who has been ill at the home of his parents, Mr. and Mrs. C. B. Smith, 304 South Eighth street, for the past ten days, suffering from influenza, is much improved in condition. John and Fred Larson are leaving Saturday morning for Winona, Minn., to resume their studies at St. Mary's college after a spring vacation visit here with their mother, Mrs. John Larson, 1416 Tenth avenue south. Mrs. James Boucher and daughter, Nancy, have returned from Hastings, Mich., where they were called by the death of Mrs. Boucher's mother, Mrs. Herbert Fisher, who passed away on March 22. Funeral services for Mrs. Fisher were held at Hastings on March 24.

Dental Health Is Improved in All City Schools

A gain varying from 3 to 10 percent in dental health rating was made by every grade school building in the city during the past month, according to the dental honor roll report for March just released by the public school system. The Franklin and the Barr schools, both of which added 10 percent of their building enrollment to the honor roll during the month, lead the other buildings in the city. The Webster school moved into third place among the school buildings in this report. With 53 percent of the children attending the Barr in perfect dental condition this school is providing the closest competition in dental health that the Franklin regularly in first place has encountered since the origin of the dental honor roll system. The Franklin with 66 percent of the school on the dental honor roll not only enjoys a 13 percent lead over the Barr, but has the added distinction of achieving the highest standing ever held by any Escanaba school. The Webster school with the largest enrollment of any grade school in the public school system is shown in the March report to have a larger number on the honor roll than at any other period in the school's history. Three classrooms in the city have more than 80 percent of the class represented on the dental honor roll. Two others have over 75 percent. The highest rooms in order of their standing are: Miss Ella Bacon's third grade at the Barr, Miss Elizabeth M. Leiper's room, Miss Evelyn Casse's fourth grade at the Franklin, Principal Barbara Semer's sixth grade at the Franklin and Miss Adele Hesse's seventh grade at the Junior high school. From the pages of the Social Register of moviedom's Blue Book stepped Betty Gillette, 19-year-old Long Island society girl, the other day. Although without screen or stage experience, she was recently given a long-term contract to appear in motion pictures.

Church Events

Preaching Service: Preaching services will be held in the town hall at Cornell this evening at 8 o'clock. Rev. K. J. Hammar will preach. The public is invited. Home League Meeting: The monthly Home League meeting will be held at the Salvation Army hall next Tuesday at 2:30 p. m. A program is being arranged for the afternoon of interest to all. Mrs. P. Johnson is hostess for the afternoon. The public is cordially invited to attend. Evangelistic Meeting: "Falling Back On God. When Arithmetic Fails." or "Numbering Our Days" will be the subject of the sermon tonight at the First Baptist church. Interest in the meetings is growing. Service will begin at 7:30 with illustrated Hymns, among them, Jesus Savior Pilot Me. Rock of Ages, and I Gave My Life for Thee. Special prayer service will be held at 7:15 in the Berean classroom. Bethany Lutheran Church (Whitefish): Sunday, April 3--9:30 a. m.--Sunday School at Whitefish. 10:00 a. m.--English service at Whitefish. 2:00 p. m.--Service at Stonington (English and Swedish). 7:30 p. m.--English service at Whitefish. Tuesday, April 5--Service in the Alton school house. N. Edward Vickberg, Student-Pastor. Fr. Seifert Gives Lecture: An appreciative audience heard Rev. Fr. F. A. Seifert at River view pavilion in Danforth Wednesday evening. Father Seifert lectured principally on Old Mexico with many reels of moving pictures which he had taken while touring in that country, also several reels on views of local interest. Father Seifert, who is the pastor of St. Frederick's church, Daggett, is a lecturer of wide repute and his interesting sketches and witticisms held the audience every minute. He has agreed to lecture for the benefit of Holy Family church in Flat Rock some time next month. Christian Science Churches: "Unreality" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, April 3. "Among the Bible citations is the passage (1 Cor. 8:6): 'But to us there is but one God, the Father, of whom are all things, and we in Him.'" Correlative passage to be read from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 47): "Despite the halting influence of Truth in the destruction of error, must error still be immortal? Truth spares all that is true. If evil is real, Truth must make it go; but error, not Truth, is the author of the unreal, and the unreal vanishes, while all that is real is eternal."

"Cherry Blossom" Presentation at School Tonight

"Miss Cherry Blossom," a musical comedy in three acts, will be presented this evening in the William W. Oliver Memorial auditorium, Escanaba Junior high school, by the girls' and boys' glee clubs of the Senior high school and the girls' glee club of the Junior high school, under the direction of R. P. Bowers and Miss Ruth Sundwick. The performance will begin at 8:15 o'clock, and will, from the ticket sale and reservations, be seen by a capacity audience. The story of "Miss Cherry Blossom," who is in reality Evelyn Barnes, an American girl, brought up to believe she is a Japanese maiden, will be presented by the following cast: Cherry Blossom, brought up as the daughter of Kokemo, in reality Evelyn Barnes, of New York--Melba Anderson. Kokemo, a proprietor of a tea garden in Tokyo--Richard Carlton. John Henry Smith, a New Yorker, on a visit to Japan as a guest of Mr. Worthington--Edward Lucas. Henry Foster Jones, Jack's pal, in love with Jessica--Elmer Nelson. Horace Worthington, a New York stockbroker who is entertaining a party of friends with a trip to Japan in his private yacht--Ralph Sundquist. James Young, Worthington's private secretary--Kenneth Thompson. Jessica Vanderpool, Worthington's niece--Vivian Gleisner. Togo, a Japanese politician of high rank--John Duranseau. American Chorus--Boys' and Girls' Glee club from Senior high school. Geisha Girls Chorus--Girls' Glee club from Junior high school. A Senior high school twenty-piece orchestra, under the direction of Mr. Bowers will play the accompaniments for the charming melodies of the operetta. Assisting the directors are Miss Elaine McDermann who is in charge of dance numbers, and Miss Lois Gaut and John Nicholas, art and scenery.

Social-Club

Rebekah Dance: Phoebe Rebekah lodge will entertain at a dance Saturday evening, April 2, in the I. O. O. F. hall, North Tenth street. Dancing will begin at 9 o'clock. All Odd Fellows, Rebekahs and their friends are invited to attend. Joyous Tuesday Club: Miss Florence Sundquist, 213 North Twelfth street, entertained the Joyous Tuesday club Tuesday evening at her home. Four tables of five hundred were in play. Prizes for high scores were awarded to Miss Agnes Thompson and Noel Granberg. Guild Party: A good-sized crowd enjoyed the opening party of the Wednesday evening series being sponsored by St. Patrick's Guild, at St. Patrick's hall. Miss Cecelia Murphy, R. N., had high score in bridge and Mrs. A. Pepin, second. In five hundred, Mrs. Anone Seidle won first prize and Mrs. Joseph Soper, second. Bridge Dinner: A bridge dinner party for all members of St. Patrick's Guild will be served Monday evening at 6:30 o'clock in St. Patrick's hall. Dinner will be at 4:30 o'clock, bridge and five hundred following a short meeting after the dinner. Reservations which are being received by Mrs. Alfred Baker, chairman, and Mrs. John Dwyer, president of the Guild, should be in today or Saturday at the latest. Pythian Sisters: A regular meeting of the Pythian Sisters will be held this evening at the Knights of Pythias hall, beginning at 8 o'clock. Following the meeting there will be a social time, a dress-up party for members only. Various social diversions will be enjoyed and refreshments will be served. Every member is urged to be present. Mrs. Eunice Simensen is chairman of the party. Surprise Party: Miss Blanche Beauchamp was pleasantly surprised when a group of her friends gathered at her home in Flat Rock Tuesday evening to assist her in the celebration of her birthday anniversary. Games were played and a delicious lunch was served at the close of the evening. The guests included Misses Dora Tourangeau, Alma Brunet, Agnes Maronger and Eva and Marie Beauchamp, and Leslie Kujala, Felix Richer, Gilbert Leadman and Adrian and Hector Beauchamp. Antlers of deers are shed every season.

A Book A Day

By Bruce Catton

In "Harlan Miners Speak" the Dreiser committee presents its report on terrorism in the Kentucky fields. It is one of the most shocking and disturbing books published in recent years. First of all, the members of the committee describe the situation in Harlan and adjacent counties as they found it. The coming of hard times, the ever-recurring wage reductions, the atrocious living conditions, the way in which the conservative United Mine Workers' Union lost its popularity to the radical National Miners' Union, the oppression and brutality visited on the strikers over a period of many months--all of these are presented in graphic and convincing detail. Then come the affidavits from the miners and their wives; page after page of heart-breaking tragic material which makes starvation, want, sickness and slavery unbearably real. It is impossible to summarize briefly a book that covers so much ground. It is enough, perhaps, to say that Mr. Dreiser and his associates have presented an overwhelmingly persuasive argument. If they are wrong--if, as we are occasionally told, there is really no trouble down there except for what

Appeal Made For Bed Or Carriage

An appeal for a baby carriage or a baby bed for a mother who has neither article has been issued by the Salvation Army. If you have either in answer to this appeal, will you call 165 and arrangements to deliver the carriage or bed to the mother will be made.

Theatres

The first appearance together of the screen's first-actor, John Barrymore, and his equally illustrious brother, Lionel, in "Arsene Lupin," which opened yesterday at the Delft Theatre, is a cause for jubilee for those film-goers who have been looking for something different and above the average in the way of screen fare. Here we have two of the cinema's most expert proponents of the art of dramatic acting, brilliant characterization and sophisticated comedy, and Metro-Goldwyn-Mayer may be congratulated on providing the two stars with a vehicle in every way worthy of their talents. For "Arsene Lupin," the engrossing, often intensely dramatic, but always extremely amusing story of the suave and debonair thief who poses as a French nobleman and leads an infuriated and bewildered detective a merry chase about the haunts of Paris, has just those elements of rapid-action plot movement, romantic lore interest and smart humor which the two celebrated Barrymore brothers are so well equipped to handle. Tropical Manila now has its first air-cooled theater, a house with a seating capacity of 1,662 persons.

Favorite Recipe

Betty Ann: The most delicious macaroons you could wish are made from the following recipe given Betty Ann readers by Mrs. A. G. Anderson, following a request for a macaroon recipe which appeared in the department a few days ago. Cornflake Macaroons: Whites of four eggs, beaten. One cup sugar. One cup walnuts. One cup coconut. One teaspoon vanilla. Four cups cornflakes. Bake in a moderate oven twenty minutes. Squeeze each macaroon in palm of hand until it holds its shape. Mrs. A. C. Anderson, 405 South Fourteenth street. If you have a recipe for orange cake will you send it to Betty Ann? A reader who has been unusually kind in answering requests wishes this recipe. Either call the Press, 693, or write out the recipe and mail it to Betty Ann. Now read the Classified page.

Here's news that sets women talking

OXYDOL advertisement with illustrations of women washing clothes and a box of Oxydol soap. Text includes: "Oxydol--that's it. It makes the thickest, richest suds I've ever seen." "It certainly makes dishwashing easier." "It gets clothes whiter than any soap I've ever used."

NEW OXYDOL THE COMPLETE HOUSEHOLD SOAP advertisement. Text includes: "50% more suds--richer new-type suds! You've no idea how much quicker and easier washing can be until you try this wonderful new soap discovery. Its 50% more suds SOAK clothes whiter in any water--hard or soft--rout out the last particle of dirt and FLOAT it away." "Its richer extra suds are great for dishes too--and kind to hands and delicate fabrics. Ask your grocer today for the New Oxydol in the orange and blue suds-bargain package." "50% MORE SUDS MEANS 47% LESS WORK." Procter & Gamble.

Kellogg's Corn Flakes have this sealed protection

THE minute the flakes leave the toasting ovens, they are completely sealed in a WAXTITE bag which is placed inside the red-and-green package. It brings Kellogg's Corn Flakes oven-fresh to your table. Compare Kellogg's and you'll realize they are better corn flakes. The very appearance, the inviting aroma, the flavor and delightful freshness all tell a story. Insist on the red-and-green package at your grocer's. Where substitutes are offered it is seldom in the spirit of service. Guaranteed by W. K. Kellogg. "If you don't think Kellogg's the best and freshest corn flakes you ever ate, return the package and we will refund your money." Made by Kellogg in Battle Creek.

KITCHEN KLENZER advertisement. Text includes: "It's all mother uses to keep the whole house clean... now don't forget... 2 cans of KITCHEN KLENZER." Illustration shows a woman cleaning a kitchen.

LANDSCAPER TO LECTURE HERE

Professor O. I. Gregg to Give Illustrated Talk At H. S. Wed'sday

An illustrated lecture on perennial flowers for the home will be given by Professor O. I. Gregg, landscape specialist with Michigan State College, on Wednesday, April 6, at 8 p. m., at the high school auditorium.

Lovers of flowers and the public in general are extended an invitation to attend this free lecture.

The lecture is being sponsored by the committee in charge of the Home Beautification Contest in Manistique. Mr. Gregg in his talk will use a set of eighty-five colored slides showing the hardy perennials for use in the Upper Peninsula. A brief discussion will be given on recommended varieties to use, approved cultural practices, and how and where they may be used in beautifying the home grounds such as: along walks, drives, as foundation plantings and in the perennial border.

It may interest the general public to know that Professor Gregg designed the landscape plan for the new Lincoln school and that the board of education is doing their share by making initial plantings on the school grounds this spring. Many will recall that Professor Gregg gave an illustrated talk on beautifying the home grounds last year.

A special invitation is extended to members of the Manistique Women's club and their families to attend this lecture.

Noted Lecturer Will Speak Here April 11

George Elias, former shepherd in Mesopotamia, soldier, adventurer, and lecturer of national renown, has been secured to speak at the high school auditorium on Monday, April 11 at 8 p. m. His subject will be, "A Shepherd of the East."

Because of his unique and unusual experiences, Mr. Elias' addresses have been so interesting that in the state of Illinois alone, he has been called upon to lecture 419 times. In Wisconsin his popularity has been so great that he was awarded a contract to speak for the University of Wisconsin during the coming season.

Born in Matha, Mesopotamia, in the mountain regions of Kurdistan, not far from the Tigris and Euphrates rivers, near the U' of Chaldee, his experiences have been extremely varied. He started life as a shepherd guarding his father's sheep. In the early part of the World War, the Christians of Mesopotamia were massacred and driven away by the Turks. George, then at the age of 15, escaped into Persia and became a member of the Foreign Legion attached for duty with the Russian army to combat the Turks. He continued in the service until 1917, being an eye witness in the Russian uprising.

He has also visited many countries—Persia, Russia, Denmark, Sweden, Finland, Poland, England, and Mexico. Working his way through these countries as an adventurer, he encountered many unusual circumstances, gained a knowledge of the customs and languages of the countries and by necessity became an excellent linguist.

BRIEFLY TOLD

Golden Star Party—A dancing party will be held in the Odd Fellows hall this evening under the auspices of the Golden Star Lodge. Lindstrom's four-piece orchestra will furnish the music for dancing.

Eastern Star Meeting—A regular meeting of Ida Chapter, No. 54, O. E. S., will be held Saturday evening at the Masonic hall. Election of officers will take place and all members are urged to be present. The business meeting will be followed by refreshments and a social hour.

Bake Sale—The Women's society of the Presbyterian church will hold a sale of baked goods in the Weber and Vaughan grocery store tomorrow, the sale starting at 1:00 o'clock. Mrs. W. J. Haredon is chairman of the committee, in charge of the sale.

Card Party—The Lady Foresters are planning a pay-to-play card party to be held in the Knights of Columbus hall next Thursday evening, April 7. Further announcements will be given.

Achievement Day Exercises Prove Fine At Thompson

An excellent Achievement Day program under the direction of John M. Walker and Miss Frances Jenks was given at the Thompson school, Monday afternoon, March 23. Demonstrations, talks, and a display of articles made by the boys and girls in their projects and of the girls in the 4-H clothing project showed in a striking manner the fine quality of the work done in the Thompson community.

In outlining the work, Mr. Walker stated that, "Seventy-five separate projects had been carried on by the boys and girls this year in handicraft and clothing." The handicraft project was that of reed and fibre work. A table, chair, waste basket, vases, ink wells and numerous other articles were made by the pupils and were on display as a demonstration of the high quality work which they were capable of doing.

The program consisted of a number of excellent demonstrations on methods of making and finishing reed work as follows: "Method of weaving and weaving used in making a table and chair" by Julia Stanley and Ernest Smith; "Weaving a basket" by Marian Squires; "Finishing the article" by Durward Hursh.

The clothing part of the program consisted of a demonstration on "Lines of Dress" by Barbara Smith and Marian Squires and a talk on "How to Judge Clothing Work" by Nona Mikkelsen. The final number was the Style Review in which the members of the Bright Eyes 4-H Clothing club displayed the dresses which they had made as a part of their project.

Both Miss Jenks and Mr. Walker deserve a great deal of credit for the splendid program given as do also the boys and girls and their parents who gave their cooperation in carrying on the different projects.

Robert Montgomery plays the part of an Englishman for the third consecutive time in "Lovers Courageous," his newest starring vehicle at the Gero Theatre.

Applications For Seed Loans Should Be Made Promptly

"About \$350,000.00 a day is being given to farmers in the Central States for financing seed loans this spring," says C. L. Naah, of the Economics Department of Michigan State College, who at present is helping out in Minneapolis with the seed loan work.

Most of the money is going to Minnesota and the Dakotas. Very few applications so far have been received from the Upper Peninsula of Michigan. He urges that farmers in need of seed loans this spring make application as soon as possible before the \$60,000,000 appropriated for this territory has been exhausted. Farmers who secured help last year again may apply and have their applications receive favorable consideration, provided they have made a part payment or otherwise have shown that they are in better condition this spring than last year.

"We are urging farmers who are in need of money for financing their farming operations this spring to make application promptly," says Lee Stewart, county agricultural agent. "We do not, however, wish to encourage anyone to use this fund if they can possibly manage without it. A seed loan is just another obligation to be met at a future date. The seed loan can perhaps best be used in the majority of cases when the money is borrowed to finance the putting in of feed crops necessary to take care of the livestock being kept."

Final Rites Held For Mrs. Larson

Last day rites for Mrs. O. Larson, city pioneer who passed away Monday afternoon, were held from the family residence at 623 Range street Wednesday afternoon at two o'clock with Rev. F. Elmgren, pastor of the Swedish Baptist church officiating. Numerous floral offerings and the attendance of the many friends of the deceased, marked the esteem in which Mrs. Larson was held.

Interment was made in Lakeview cemetery with Gunnarson & Kefauver conducting the funeral. Those who served as pallbearers were James Barnhardt, John Blomquist, C. Eck, and Emil Anderson.

Voters Need Not Re-Register For Monday Election

Some confusion in regard to registration for Monday's election and the permanent registration law passed at the last general session of the state legislature has recently arisen in the minds of local electors. No new registration is required of voters who have voted here in the past for the April election.

The permanent registration law will go into effect at the fall election when the entire electorate will be required to re-register. Registration work for the fall election is expected to begin during May.

Dredahls Defeat Clothiers, 21-20

The last place Dredahls continued their winning streak Wednesday evening when they defeated the Christensen Clothiers, 21-20 in a spectacular contest which kept the fans on edge every minute. The Clothiers had defeated the Lauerman Specials on the previous evening.

A free throw by Francis Muthaupt after a foul had been called, just before the final whistle, was the deciding factor.

The freshman team defeated Button's Business college five this week, 43-14. Leach, with eight field goals, Berger with five, and Lintz with four, led the sharpshooters for the frosh while Johnson, Larion, and Atkins each collected two field goals for Buttons.

WASN'T THAT MEAN?

El Paso, Tex.—E. Byrd, blind war veteran, told a pathetic story in 65th district court here when he brought suit for divorce against his wife. He told the court that his wife put chairs in his way for him to stumble over as he walked around the house. Judge Ballard Coldwell granted him a divorce.

H. S. CARNIVAL OPENS TONIGHT

Faculty-Varsity Game to Precede Side Shows And Exhibits

The third high school carnival will open with a bang tonight when the annual faculty-varsity basketball game will begin at 7:30 o'clock in the new gymnasium. The game will take the place of the vaudeville show which in other years has always followed the various side show exhibits.

Immediately after the game the public will see amazing side show exhibitions on the first, second, and third floors of the high school building. Such stellar attractions as the House of Terrors, a shooting gallery, miniature golf course, jittery dance, etc., will be included in the splendid array of shows offered the public.

Band music, balloons, streamers and a general atmosphere of excitement such as generally prevails with the advent of carnivals and circuses, will add the usual color and gaiety to the occasion. A constable and judge will be on hand to make immediate arrests and mete out speedy justice should some persons become too obstreperous.

Faculty Strong

Committees in charge of the event have been working exceptionally hard for the past three weeks in devising plans and means to make the carnival just as successful as the others have been in the past. Last year a moratorium on the carnival was declared, but carnivals staged in the two years previous were highly successful.

The usual intense interest is being displayed in regard to the varsity-faculty basketball game and much speculation is being heard in regard to the outcome. That the faculty has an imposing array of stars cannot be denied and the general consensus of opinion is that the varsity will have quite a battle on its hands before the game is over. Faculty members have been practicing conscientiously for the past three weeks and have mastered a style of play which will be difficult to cope with.

Included in the faculty lineup are Carlton and Kelly, forward; Waasberg, center; and Cook and Hall, guards; Olson and Lauritz Drevdahl will be on the reserve list. The varsity lineup will be the same as used throughout the past season.

Two Teams Tie For First In Attendance

Three more games remain in the basketball game attendance contest of the Sunday School of the First Baptist church. Two classes are tied for first and second places, and three classes are very close competitors for third place. The competition is very close and any of these classes may cop the first place. The results including last Sunday are as follows:

W. L. T. PCT.	
Mrs. W. W. Owen	6 2 0 .666
Mrs. T. H. Boltho	4 2 3 .666
Mrs. H. Keifer	4 3 2 .572

Afternoon Party
Several ladies were guests of Mrs. Gunnar Moline at her farm home Tuesday. The afternoon was spent socially and a delicious lunch was served at its close. Among the guests were Mrs. Enoch Asp, Mrs. Martin Johnson, Mrs. John Blomquist, Mrs. Axel Larson, Mrs. Ephim Brollin, Mrs. Enoch Hagquist, Mrs. Cathrine Hagquist, Miss Austrid Hornstein, Miss Anna Hagquist and Miss Iva Moline.

Social Evening
The regular social evening of the Business and Professional Women's club was held Wednesday evening at the home of Mrs. F. N. Cookson, 306 Main street. This meeting was in the form of a suit-case party, each member bringing a suitcase of clothes which were auctioned off and the buyers dressed in whatever clothes they found in the suitcase they had bought. Mrs. Ruby Nicholson was awarded first prize for the best costume and she was dressed in an old-fashioned dress of fifty years ago.

In bridge Miss Lilly Nelson received the prize for high score of the evening.

Delightful refreshments concluded the meeting with Mrs. Alice Reilly, Miss Bernadette Wall and Miss Lydia Krueger as hostesses.

Birthday Party
Mrs. Jay Krummey was the guest of honor at a party arranged in observance of her birthday anniversary and held Saturday evening at her home. Five hundred dollars were donated to the guests forming three tables. Prizes were won by William Gentz, first; Mrs. Walter Anderson, consolation.

The guests were Mr. and Mrs. William Krummey, Mr. and Mrs. Leo Thomas, Mr. and Mrs. Earl Green, Mr. and Mrs. Gilbert Heland, Mrs. Richard Cooper, Mrs. George Rouse, Mrs. Walter Anderson, Mrs. Arthur Tebo, Mrs. Margaret Redmond, and Miss Margaret Thomas.

Mrs. Krummey received many pretty gifts from her friends.

Committee Entertained

Twelve members of the Finance Committee of the Manistique Women's club were entertained by Mrs. Alex Richards at her home on South Mackinac avenue Wednesday afternoon. Five hundred dollars was played with Mrs. Anton Weber receiving the first prize, Miss Rose Mercler, second, and Mrs. Fred Hinkson, consolation. A tasty luncheon followed the cards.

Geraldine's Party
Mrs. Walter Ottosen was hostess.

CARD OF THANKS

We take this means of expressing our heartfelt thanks and appreciation to all who extended to us their help and sympathy during our recent bereavement, the death of our wife and mother, Mrs. Ole Larson. We are especially grateful to those who so generously donated the use of their cars and to Rev. F. Elmgren who conducted the services.

Gregg To Speak To County Farmers On Wednesday, Apr. 16

"The services of Professor O. I. Gregg, landscape specialist at Michigan State College, will be available to farmers of the county Wednesday afternoon, April 6, for help in connection with planting plans," says Lee Stewart, county agent.

The work in connection with planting plans carried on by Mr. Gregg, consists of making a plan to scale for the planting of shrubs, trees, and plot off the farm home so that when the plan is completed there may be a well developed and correct home grounds picture.

This service is free to any of the farmers in the county as much as the limited time will permit. All that Mr. Gregg asks in return for his efforts is that at least a portion of the shrubs used in the planting plan be planted this year. Farmers desiring help in this connection are asked to get in touch with the county agent's office.

A World's Record

MORE than three thousand births without a single loss of either mother or child! That is the official Platt County record of Dr. W. B. Caldwell, in fifty years' family practise in Illinois.

No wonder mothers have such entire confidence in giving little ones Dr. Caldwell's Syrup Pepsin!

If you have a baby, you have constant need of this wonderful preparation of pure pepsin, active senna, and fresh herbs. A child who gets this gentle stimulant for the stomach, liver and bowels is always healthier. It keeps children's delicate systems from clogging. It will overcome the most stubborn condition of constipation. It builds them up, and is nothing like the strong cathartics that sap their strength and energy.

A coated tongue or bad breath is the signal for a spoonful of Syrup Pepsin. Children take it readily, for it is really delicious in flavor. Taste it! Take Syrup Pepsin yourself, when sluggish or bilious, or you are troubled with sick headaches and no appetite. Take some for several days when run-down, and see how it picks you up.

It is a prescription preparation which every drug store has ready; in big bottles, just ask anywhere for Dr. Caldwell's Syrup Pepsin.

the MAN HUNTERS BY MABEL McELLIOTT

(Continued From Page Four)

face. Susan had time to observe the perfection of his white dotted dark blue cravat before the swinging door into the ante-room opened to admit them. Mr. Block, head of the school, frowned at them and signaled ominously at the accusing clock in the center of the room. "Don't worry about it. I'm not permanently injured," the young man had time to whisper before Susan vanished, very much flustered, in to the confines of the ladies' dressing room.

The morning passed more quickly than usual. Susan's half-hour of study on the street car stood her in good stead. She passed the spelling tests without an error and Miss Allen was almost affable. To make matters more interesting Robert Dunbar smiled at her as she returned to her seat after a triumphant out with detention.

"Made a killing, haven't you?" whispered Helen Marshall, observing the interchange of glances. Susan shook her head, faintly frowning. It wouldn't do to permit the gossip Helen, friendly as she was, to start that sort of talk.

But at noon as Susan waited for Helen in the downstairs foyer young Dunbar intercepted her. "Going to lunch?" he inquired pleasantly. It was by way of being surely a rhetorical question since lunch was the obvious order of the moment.

Susan smiled at him, her eyes widening under the brim of her dark hat. "I'm waiting for my seat mate," she said. "She couldn't get on the elevator with me."

"Do come along with me, won't you?" I hate to eat lunch alone," begged the young man. "It's rather stiff, the way we all stand on ceremony at that dump upstairs. I know your name—and I suppose—I hope you know mine."

The girl nodded. "But I must wait for Helen," she protested half-heartedly. The tall young man shrugged. "Don't you do that every day?"

Susan caught her lower lip between her teeth, debating the matter. But the problem was solved for her because at that moment Helen Marshall emerged from a packed car, signaling and talking eagerly to two girls from the advanced class. The three passed out of the lobby without even noticing Susan and her companion.

"There, what did I tell you?" asked the tall young man in the gray suit, masterfully taking Susan's arm. "She's forgotten about you already. Do come along. I'll be everlastingly in your debt. I'm bored with life and need someone to talk to."

Susan was conscious of a tremendous inward excitement. Things did seem to be happening to her after all just when she had given up the glorious possibility. For a split second her mind, automatically trained to this reflex, registered the thought: What would Aunt Jessie say?

She knew Aunt Jessie would not approve. This adventure would come under the head of "Gallivanting with strange young men."

Susan looked up at the young man striding beside her, trying to suit his steps to hers. The girl was no pocket edition Venus, but Robert Dunbar seemed extraordinarily tall.

"Well, what do you say?" Laughing blue eyes met serious gray ones. To the boy it might have seemed the most casual encounter. To the girl the occasion was one of tremendous drama.

"I'll come," she said shyly. "Good!" Susan liked his clipped voice. He put his hand under her elbow, the merest suggestion of protective masculinity, at crossings. He steered her into the great doorway of a marble palace.

EXPECT BETTER FIRE FIGHTERS

Conservation Men Will Help in Battles This Summer

A more mobile and therefore more efficient organization of conservation in the upper peninsula is expected of the new plan whereby four divisions are placed under one head, according to assistant supervisor, R. W. Beach of the Newberry headquarters. Law enforcement, forest fire, field administration and game refuge work is now all under the direction of the field administration chief, H. R. Sayle. This means, according to Mr. Beach, that while fifteen or more men have been dropped from the pay roll a larger force than ever will be able to respond to the call for any unusual emergency. So during the fire season not only the forest fire men, but all of the game conservation men will go to work on fires. And during such season as the deer hunting in the autumn and spring fishing men from the fire department can work on law enforcement.

NEWBERRY BRIEFS

Dr. E. C. Swanson and Mrs. Swanson left on Wednesday for Yasser where they will locate. They have been visiting their parents, Mr. and Mrs. Mike Swanson and brothers for the past several weeks. Their daughter, Shirley, will remain here for a time. Mrs. Walter Johnson entertained a group of her friends at a bridge party on Wednesday evening and will have another group in for Saturday evening. Harry Young has returned after a winter's sojourn in Florida.

Bank Reopened—At the conclusion of yesterday's business officials of the new Bessemer National bank, which formally opened to the public yesterday, were highly gratified by the public's reception of their new institution. Many people visited the bank at the opening, including delegations from Ironwood, and all were impressed with the spirit of good will shown toward the new bank.

Local business leaders said the opening was the most cheerful business event in Gogebic county in more than 15 months, and stated that the influence of the event in restoring confidence in the stability of this section will be felt far beyond the limits of this community.

Officer Reinstated—Iron Mountain—Ernest Wood, county motorcycle patrolman, whose job was eliminated by the board of supervisors at its economy meeting March 4, was reinstated this morning at a salary of \$150 a month instead of \$210, as formerly. The re-appointment is effective starting April 1.

Similar to the arrangement in the past Wood will be required to pay for the fuel and repairs for his motorcycle.

Wood's job was to have ended on April 1, at the same time that other cuts in various county departments are to become effective. Action taken at the same time to eliminate the office of undersheriff was blocked when Paul Rahm, prosecutor, ruled against it as illegal after E. J. Dundon, attorney, had appeared in behalf of Ed Corey, undersheriff.

Buyers New Plane—Hancock—A new Waco F bi-plane, purchased in Detroit by the Copper Country Airways, was flown here yesterday afternoon by Harold J. Skelly, manager of the Hotel Scott, and Caesar Luechess. The ship has a three passenger capacity and is licensed for other purposes as for flying over both land and water. The ship at present is equipped with air wheels, a new departure in airplane equipment, but pontoons have been ordered.

THE CHURCHES—Methodist Episcopal—Sunday school will convene at 10 o'clock. Our motto: "Forward for Christ." Morning worship at 11 o'clock. Theme: "The Print of the Nails." Junior League at 2 o'clock; Epworth league at 6:30. These are great meetings for young people. Evening services at 7:30. Theme: "The Burning Heart." The choir will render special music at both services. "Welcome" is our watchword.

First Presbyterian—Minister, Henry T. Broughall. Morning worship at 10 o'clock. The sermon topic is: "The Ghost of Forgotten Actions." There is no excellent reason why ever member should be in church next Sunday. The Sacrament of the Lord's Supper will be administered at this service. It is the first Sunday of the new church year. Let the church be filled so that not a vacant seat remains. Last Sunday, as is to be expected, the church was filled at both morning and evening service; is Easter the only time when the soul needs spiritual food? There will be no evening service this week.

Ensign Man Held to Circuit Court on Three Charges

John Anderson, farmer of Ensign township, is in the county jail, Escanaba, in default of \$500 bail bond, fixed by Justice A. D. Aiguire when Anderson was brought into court yesterday on liquor charges. Anderson was arrested Wednesday night by officers from the sheriff's department and Gladstone police upon information furnished by a Gladstone woman. A search of the Anderson place resulted in the discovery of a jug of alleged moonshine and other evidence.

Three separate charges have been preferred against the man, namely sale of intoxicating liquor, possession and keeping a place. Upon his arraignment in justice court Anderson admitted violation of the liquor laws but denied the specific sale upon which his arrest was based.

Shortly after his arrest Anderson told officers that he had a still hidden in the brush near his home but at the time of his arraignment officers had failed to locate it.

Trial of the case against Anderson will probably be held during the term of circuit court which convenes next week.

OBITUARY

MRS. AUGUST VERHAMME—Many friends attended the funeral services which were held Thursday morning at ten o'clock for Mrs. August Verhamme of Gladstone. Rev. Fr. Sebastian Maier, pastor of All Saints' church, officiated at the services and conducted services at the grave in the family lot in Fernwood cemetery.

BARTHOLOMEW DILLON—Bartholomew Dillon, pioneer resident of Marquette county, died at the home of his daughter, Mrs. Robert E. Bruce, 722 Pine street, Marquette.

Mr. Dillon had been employed by the Cleveland-Cliffs company in Marquette and Gladstone for a great many years prior to being pensioned four years ago, and was employed at the company's furnaces when it first began operations. His wife died 11 years ago.

Besides Mrs. Bruce the deceased leaves two other daughters, Mrs. Joseph Lottin and Mrs. E. E. Jeanson, all of Marquette. He also leaves a daughter, who is Sister Florida, of Kansas City, Mo. Mr. and Mrs. Thomas Cannon left yesterday afternoon for Marquette to attend the funeral. Mr. Cannon is a sister-in-law of Mr. Dillon.

MADDEN OUT OF CITY RACE

Gives No Reason for Withdrawal; Praises Commission

Albert R. Madden, fourth candidate to enter the race for membership of the City Commission, yesterday announced his withdrawal from the race, giving no reason for his action other than that "the work of the City Commission has been highly satisfactory, the interests of the people appear to have received proper attention at all times, and I cannot see where any good might be served by my continuing as a candidate."

The withdrawal of Mr. Madden leaves three candidates for the two places on the commission, Mayor J. P. Bushong and Commissioner Claude E. Hawkins are seeking reelection to the posts they now hold and Swan Wilder is the opposing candidate.

Mr. Madden's withdrawal comes too late for a change to be made in the ballot and his name will appear as one of the candidates. Because of this fact Madden in his withdrawal statement has requested that no votes be cast for him.

School Board Cuts Bonded Debt To \$49,000 This Week

The bonded indebtedness of the Gladstone schools has been reduced to \$49,000.00 by the purchase of bonds to become due during the next three years. Sinking funds in the amount of \$25,000 were used to retire the bonds.

A further retirement of \$21,000 of bonds will be made during the present year.

BRIEFLY TOLD

Business Meeting—The monthly business meeting of the committee of the First Baptist church will be held at the church this evening, beginning at 7:45 o'clock.

Bake Sale—The General Aid of the Methodist Episcopal Church are sponsoring a bake sale Saturday, April 9, at the Central Pharmacy. The sale will begin at 10:00 a. m.

Members of the committee in charge are: Mrs. Frank Hood, chairman; Mrs. Robert Rogers, Mrs. Robert Mathison, and Mrs. Z. P. Cornell.

Legion Meets At Rock Wednesday

Forty members of the August Mattson Post of the American Legion met at Rock Wednesday night in accord with the recently established custom of the Post to hold one meeting each month in that village for the accommodation of members living in that vicinity. Routine business of the Post was transacted followed by a social meeting.

A decision to cooperate with the National organization in the observance of Army Day on April 6 was reached. Addison D. Aiguire was chosen to have charge of arrangements for observance of the day, which will probably include short talks at the schools here and at Rock.

Mrs. Chas. Sanford, George Shampoo, Francis Shampoo, and Miss Margaret Creten visited with friends in Marinette and Wallace Monday.

Men, women and children from all parts of Delta county are flocking to the Ogontz river, where an unprecedented run of smelt is reported. Dip nets, pails, pans, in fact anything that can be used to scoop the fish out of the water, where they swarm by the thousands, have been brought into use and literally thousands of the delicious fish are being taken. One man, with a dip net, scooped up more than 100 pounds of the fish on Wednesday night, it is reported.

Smelt runs in portions of the lower peninsula have been common occurrences for a number of years, but in this section the smelt were practically unknown until a few years ago. This is the first year when any quantity of the fish could be taken during the run. Local students of fish life predict that within a few years, Days River, Tocosh, Rapid River and the Whitefish will all be scenes of smelt runs, similar to the one now in progress on the Ogontz.

Cardinals Have "Dizzy" Dean and Carleton As Pitchers

New York, March 31 (AP)—The ranks of baseball rookies, already rapidly dwindling as the big league teams start homeward, apparently have produced at least a score of players who will make the regular payroll for the first time.

For every one who seems to have negotiated the sharp grade, however, at least a half dozen either have been cut adrift or will be shipped back to the minors.

Of these due to start their first major league season as regulars, the brace of kid infielders obtained by the Yankees and Cubs look to be the cream of the crop. The New York club plans to open the campaign with Frank Crosetti and Otto Siltzinger as its keystone combination while the Chicago outfit goes to the wire with Billy Herman on second and Stanley Hack holding down third base. The performance of all four have been among the spring's big sensations.

Giants Have Koenecke

Montie Weaver, big right-hander purchased from Baltimore, has gained himself a regular berth on the staff of the Washington Senators.

The New York Giants will start with Leonard Koenecke, the rookie slugger from Indianapolis, in left field and Jim Mooney, pitching sensation from Bridgeport, taking a regular turn.

The Athletics present a solid front of veterans to the rookie challenge but Connie Mack has determined to keep four men, Pitcher Merritt, Catcher Ed Madjeski and First Baseman Oscar Roettger for utility purposes.

The same thing is true of the world champion Cardinals, although they may get some relief pitching help from James (Tex) Carleton, the Houston right-hander who has over-shadowed his more publicized team-mate, Jerome (Dizzy) Dean.

The Brooklyn Dodgers appear to have only one sure-fire prospect, Van Mungo, one of the pitchers who helped Hartford spread-eagle the eastern league last year. The St. Louis Browns likewise have a fine mound prospect in Louis America Poll, purchased from Milwaukee.

Tigers Have Lawrence

Until he became ill this week, George Stump, an outfielder from Quincy, was believed to clinch a job with the Boston Red Sox. The Braves of the same city are counting on Fritz Knothe, from Portland, to hold down third base.

The best looking Pittsburgh rookie is Bill Harris, a right-hander who came up from the Texas league late last season to pitch four games and win two of them by shutouts. The Detroit Tigers apparently picked a good one in Bill Lawrence, outfielder from Seattle, and the Cleveland Indians are sweet on Bruce Conant, the New Orleans boy; even though he has failed to knock Eddie Morgan off first base.

George Davis, a heavy hitting outfielder purchased from St. Paul, is expected to give the Philadelphia nationals added punch. Pitchers Ed Holley and Roy Hansen and Al Todd, a scrappy catcher, from Dallas, are expected to stick with the Phils.

EASTERN U. P. PLANS LEAGUE

Baseball Managers Will Meet in Grand Marais April 16

Grand Marais, Mich., Mar. 31 (Special)—Managers of baseball teams in Alger, Luce, Chippewa and Mackinac counties will meet here Saturday evening, April 16, to make plans for the formation of a league.

The summer playing schedule will be drawn up at this meeting, the commissioner and secretary of the league elected, and other plans discussed.

Probate Judge J. E. Qujnan of Newberry will be one of the main speakers at the session. All teams wishing to join the league are urged to have their managers present.

Brooklyn Dodgers Beat Baltimore

Gulport, Miss., March 31 (AP)—The Brooklyn Dodgers won a loosely played game from the Baltimore Orioles 10 to 3 today.

Walter Hoyt, who pitched the first five innings for the Dodgers, allowed only two hits, both of which paved the way for runs.

Association Pays Tribute To Yost

Jacksonville, Fla., Mar. 31 (AP)—The southern division of the American Physical Education association today elected Fielding H. (Hurry) Yost, director of athletics at the University of Michigan, a fellow in physical education.

The award was for "superior service, loyal support and constructive contributions to the cause of physical education."

Yost will deliver an address before the convention tomorrow.

SWIMMERS TIP OVER RECORDS

Johnny Schmeiler, Michigan Man, Breaks 300-Yard Mark

New Haven, Conn., March 31 (AP)—Two world records toppled today before the onslaught of a crack field of swimmers competing in the national senior A. U. championships in the Yale pool.

John Schmeiler of the University of Michigan took the world's record in the 300 yard medley race from Clarence (Buster) Crabbe of the Los Angeles A. C. pre-tournament favorite.

The Michigan undergraduate replaced the old time of 3 minutes, 38.5 seconds with a mark of 2 minutes, 56.4 seconds.

In another brilliant performance George Kojar of the New York A. C. swam the 150-yard backstroke in 1 minute, 27.2 seconds to clip three fifths of a second from his own mark made two years ago.

The record breaking performances came in heats preliminary to the finals tonight.

Degener Winner
Crabbe remained in the running for the championship by winning his heat easily in 2 minutes, 43.2 seconds. He established a new American record yesterday in the 1500 meter freestyle, an event added to the program of the coming Olympics.

Another Michigan star, Dick Degener, sprang an upset by out-scoring Mickey Riley of the Los Angeles A. C., defending champion, in the preliminaries of the low board dives.

The judges gave Degener 116.14 points against 112.02 points for Riley, who placed second.

Walter Spence of the New York A. C. established himself as the favorite in the 100 yard free style event by turning in the best two times in the preliminaries and semi-final heats. He qualified for the semi-finals by winning in 53.1-5 seconds and clipped one fifth of a second off this mark in the semi-finals.

Albert Schwartz, defending champion, came back to win his semi-final heat after losing to Bradford of Yale in a preliminary heat, the champion's best time was 53.3-5 seconds.

Butler placed third in the semi-finals and failed to qualify.

BOXING

Akron, O., Mar. 31 (AP)—Gorilla Jones, negro, world's middleweight champion, knocked out Chuck Burns, San Antonio Texas light heavy, in the third round of their scheduled ten round non-title match here tonight.

The negro title-holder floored Burns three times in the third round before the Texan went down for good under a barrage of lefts and rights to the head.

Jones weighed 153; Burns 172.

Los Angeles, March 31 (AP)—Philip K. Wrigley watched his Chicago Cubs for the first time of the season today and saw them defeat the Pittsburgh Pirates, 8 to 3. Gabby Hartnett, either Barton hit home runs.

Memorial Rites Held For Rockne One Year After Tragic Death

BY PAUL MICKELSON (Associated Press Sports Writer)

South Bend, Ind., March 31 (AP)—Knute Rockne's spirit marched on at Notre Dame today, the first anniversary of his tragic death.

Memorial services were held after which his successor as head football coach, Hearty Anderson, assembled Notre Dame's 1932 football army, 250 strong, for the first spring practice.

The entire student body arose at dawn and attended a solemn requiem high mass at the Church of the Sacred Heart, where Rockne's funeral services were held. The Rev. Father

Charles L. O'Donnell, president of the university, offered the mass and was assisted by the Rev. Father M. A. Mulcaire, vice president, and the Rev. Father James A. Carrico, director of studies at Notre Dame. Mrs. Rockne and her four children attended the service.

Spring Practice

In the afternoon the Monogram club, an organization of letter men at Notre Dame, went in a body to the grave in Highland cemetery and placed a wreath.

With the memorial services over Coach Anderson, got his first close-up of the big football army which will carry on next fall. The drill was devoted almost entirely to photographers and news reel men.

Today's initial spring football practice was important as it marked the beginning of Anderson's full control of the team and its destinies. A year ago, when the university still reeled under the shock of Rockne's tragic death in an airplane crash on a Kansas prairie, no selection was made but later Anderson and Jack Chevigny, junior coach. The arrangement was unsatisfactory to both coaches.

But today, Anderson started as head coach and was surrounded by assistants of his own selection—three of them stars from his 1931 machine. Marcy Schwartz, Nurdy Hoffman and former Captain Tom Yarr. Schwartz was in charge of the backfield, Hoffman and Yarr drilled the line, while Ike Voelbach, the only holdover from last season's coaching ranks, was back as end.

Coach Anderson, always noted for optimism, was himself today as he watched his charges play make stars before the camera.

"Prospects are good," he replied to the old question. "Well, unless Schwartz, Hoffman and Yarr but we did the next best thing by getting them to teach the boys how they played the game. We should have a good team this fall."

FAVORITES WIN NET MATCHES

Coen Extended to Three Hard Sets Against Hal Surface

Houston, Tex., Mar. 31 (AP)—Gilbert Hall, New York, Junior, Kansas City, and Lester Stoeffen, California, the three remaining favorites in the annual Houston invitation tennis tournament, cleared their hurdles into the quarter-final singles play today.

Coen, seeded No. 5, was extended to three hard sets before downing Hal Surface of Texas university, 6-3, 4-6, 7-5.

Stoeffen won his third round match with Fred Royer of Dallas, 6-5, 6-4, through the employment of perhaps the most brilliant cannon ball service yet exhibited in the tournament.

Hall was on top all the way in his match with Arthur Truan of Houston, who hardly ranke with the New Yorker in any phase of the game. The score was 6-4, 6-2.

Jake Hess of Rice institute upset Hester Parker of New Orleans to enter the quarter finals. Hess won in three hard sets, 3-6, 5-6, 6-1.

Whimer Allison of Austin, Tex., seeded No. 3, Jimmy Quirk of Dallas, and Karl Kamrath, of Texas university, both unseeded, and "Red" Thalmeyer of Dallas, are the other quarter finalists.

Kamrath will meet Hess in the quarter finals; Stoeffen will play Hall; Quirk meets Thalmeyer, and Coen will play Allison.

RED SOX WIN

Savannah, Ga., Mar. 31 (AP)—The Boston Red Sox today stamped the Cincinnati Reds, 7-3, in the former's first major league clash of the training season.

JUST THIRTY
Columbus, O.—Postmaster James R. Geron has seen some odd things in life, but probably the oddest was a letter written to a young lady on North Mill street here. The letter was written on the back of a postage stamp. When read under a magnifying glass, the message was: "If there's No, I'm not Scotch, either. This paper is hard to write on. See you Tuesday night. Bye, Ivan."

NOT SORRY NOW
Doylestown, Pa.—Norris R. Johnson, 35, and Mrs. Grace H. Johnson, 40, were all smiles as they appeared at the office of the Court Clerk and took out a marriage license. Shortly after the clerk received in his mail the same license he had issued the couple. On it Johnson had written: "I am returning this license. I have no use for it now. It is better to be safe than sorry."

DEMPSEY LICKS PONCA FIGHTER

Babe Hunt Defeated in Four Fast Rounds At Detroit

Detroit, Mar. 31 (AP)—Jack Dempsey ended his comeback training camp here tonight by outpointing Babe Hunt, Ponca City, Okla., heavyweight, in a four round exhibition bout. Dempsey weighed 192½, Hunt 193½.

Although no official decision was given, Jack clearly had a comfortable margin at the end. He had some difficulty in getting inside Hunt's long arms in the first round, Jack solved this problem in the second round, however, at the same time improving his timing. Shortly after the round was under way, Dempsey took a couple of left jabs to the face, rushed Hunt into the ropes with a left and right to the head and as Hunt bounced off, Jack slammed him over the same combination and soon had Hunt in distress.

Again, but Hunt was no easy mark for Dempsey. He swung lusty roundhouse punches to Dempsey's head and was dangerous throughout.

As the second round ended, both fighters were in a slugging duel and were so intent that neither fighter heard the bell.

There was little to choose between the two men in the third round, but the fourth was fast and had the crowd close to 15,000 on its feet. Hunt stung Dempsey several times with stiff punches to the head, but Dempsey recovered and in the last part of the round he was chasing Hunt around the ropes with vicious chops to the face.

REACH COMPROMISE IN PUCK PLAYOFFS

Montreal, Que., Mar. 31 (AP)—A compromise in arrangements for the final playoff series for the Stanley cup will bring one name to the Rangers on the home ice of the National hockey league, announced today.

Conflict of dates in Madison Square Garden, New York, where the circus makes its annual appearance April 5, forced rearrangement of the schedule for the first two games of the finals between the Rangers and the winner of a two-game series between Montreal Maroons and Toronto Maple Leafs ending in Toronto Saturday night.

Cardinals Aren't Trying To Get Hafey

St. Louis, March 31 (AP)—The St. Louis Cardinals will stand pat on their present squad of outfielders, whether Chick Hafey signs or stays in California, President Sam Breadon said here today.

"Jimmy Collins is just the man to fill the bill in Hafey's absence," Breadon said. "Martin and Watkins will be in the other places with Blades and Orsatti in reserve."

Breadon said his club is making no effort to get Hafey into line.

CUE CHAMPION LOSES MATCH

Poensgen Must Playoff Tonight With Van Belle, Belgium

New York, March 31 (AP)—Edmond Soussa of Egypt upset the defending champion, Albert Poensgen of Germany, 400 to 101, in the final match of the world's amateur 18.2 ballkline billiard championship tournament at the New York Elks club tonight, forcing a playoff for the title between Poensgen and Adolphe Van Belle of Belgium, tomorrow night.

It was Poensgen's first defeat of the tournament and left him in a tie for first place with Van Belle. Each won seven games and lost one in the round-robin.

Poensgen's defeat can be attributed to his own upset play as much as to Soussa's good work. The champion never did succeed in getting the forbes under control and once Soussa pulled into a huge lead with a great cluster of 163, Poensgen's defeat was only a matter of time. Soussa finally ran out the match in the 17th inning. Poensgen's best run was 50.

If Poensgen can recover top form he will rule a favorite over Van Belle. In their clash during the round robin Poensgen was the winner 400 to 206.

Featherweights To Seek Vacant Title

Detroit, Mar. 31 (AP)—Four of the first ten ranking featherweight boxers in the country have been selected by Scotty Month to open his national boxing association elimination tournament to find a successor to the title recently vacated by Bat Battalino.

On the first card of the tournament, April 8 at Olympia, Tommy Paul, Buffalo, ranked fifth, will meet Bushy Graham, Utica, N. Y., ranked tenth, and Freddie Miller, Cincinnati, rated third, will clash with Johnny Pena, of Spain, rated ninth. Both bouts will be of ten rounds.

Nine or ten persons lose their lives every year in Michigan deer hunting.

DETROIT TIGERS ON ROAD HOME

Several Rookies Will Be Dropped From Squadron

Douglas, Ariz., Mar. 31 (AP)—The Detroit Tigers baseball squad was bound for Kansas City tonight, on the first leg of its homeward journey—a trip that two or three members are likely not to finish.

It was predicted here that Ray Fritz, first baseman, will be optioned to some minor league club and Hugh Wise, catcher, sold outright, probably to an American association club, before the squad reaches Detroit.

There may be another casualty, but Manager Bucky Harris is expected to do some deep thinking before he cut very deeply into the roster, in view of sore arms which have afflicted Charlie Gehringer and Marvin Owen, infielders, and Joyner White, outfielder.

With George Susce, Harold (Muddy) Ruel and Ray Hayworth apparently assigned to the regular catching positions, Gene Desautels, fourth member of the receiving staff, may feel the pruning hook, but when that will happen is problematical.

Further tampering with the infield and outfield staffs is not expected, but there may be another slash or two among the moundsmen.

Soaked Fairways Postpones Play In Women's Tourney

Pinehurst, N. C., March 31 (AP)—Rain soaked the fairways and turned the sand greens into puddles at the Pinehurst country club today and caused postponement of semi-final play in the women's north and south golf tournament until tomorrow.

Mrs. O. S. Hill of Kansas City meets Miss Margaret Maddox, of Atlanta in one semi-final while the other brings together Miss Maureen Orcutt of Englewood, N. J., the defending titleholder, and Mrs. Sarah Fowles Wadsworth of Pittsburgh.

TUBER GROWING COST ANALYZED

J. J. Bird, Specialist, Gives Talks in Delta County Thursday

According to figures collected by J. J. Bird, potato specialist, who addressed two meetings of farmers in Delta county Thursday, the average grower in Michigan produces potatoes at a cost of 65 cents a bushel, and this average grower secures a yield of only 113 bushels to the acre. The farmer who produces 300 bushels or more, produces potatoes at a cost of 25 cents a bushel.

and the first thing to consider in this connection is good seed. Over 13,000 tests conducted in this county show that certified seed has increased the yield 46 bushels to the acre, and in Michigan where about 1,110 tests have been conducted the increase has been 73 bushels to the acre.

It so happens that this year a cheap source of good seed is available to Delta county farmers. There are several certified seed growers in the county and last year due entirely to weather conditions, they have a lot of off-type potatoes which they cannot sell as certified grade. This is available to growers at a nominal price, and is a good source of seed, free from disease, and will produce a good crop of potatoes of good type, weather conditions being favorable.

During 1931 Idaho produced 19,500 tons of prunes valued at \$390,000.

The 1930 census enumerated 197,456 Japanese in California.

BRIEFLY TOLD

Robins Are Here—The arrival of the robins, among the earliest birds of spring, was reported Thursday by Charles Ford, 212 South Thirtieth street, who found two of them hopping about the yard in back of his home Thursday morning. Francis Lewis, 606 Ogden avenue, also reported seeing a number of robins Thursday afternoon.

Disabled Vets Meet—A regular monthly meeting of the Disabled Veterans will be held this evening in the council chambers in the city hall. The session will be called to order at 8 o'clock.

On Ishpeming Program—Robert C. Pryal has returned from Ishpeming where he took part in a program sponsored by the Knights of Columbus of that city on Tuesday evening.

Condition Unchanged—The condition of E. A. Gubowski, who has been a patient at St. Francis hospital for the past five weeks, is still unchanged. Mr. Gubowski is not permitted to have visitors outside of his immediate family.

Nets Stolen—The Delta county sheriff's department was called Thursday to investigate the theft of \$74 worth of fishing nets owned by Adam Schwartz of Wells.

Market Saturday—Eggs, dressed chickens and potatoes will be on sale at the Escanaba municipal market place Saturday. Marketmaster Carl E. Anderson announces.

Sponsor Slip Candidates—Word from Bark River tells of the formation of a new People's party for the spring election April 4. The party has nominated Charles Dahlin for highway commissioner and John Gasman for treasurer. Both will run on slips at the coming election.

Hurt by Picaroon—John Linjella of Rock is at St. Francis hospital receiving treatment for a deep gash in his right leg and bad bruises received when a picaroon slipped while he was working in the woods. He will be able to return to his home in a few days.

Breaks Leg on Ice—Slipping on the ice near his home Wednesday, John Erickson, 26, of Stonington, fell and fractured his right leg. A special boot was made to brace the injured limb after X-rays had been made and the fracture set at St. Francis hospital.

N. O. Club
Mrs. Arthur Sundling, 1320 North Nineteenth street, was hostess to the N. O. club Wednesday evening at her home. Two tables were in play during the evening. Mrs. Charles Taylor winning first prize for high score of the evening and Miss Elna Mattson, second prize. A delicious lunch was served by the hostess after the games. The next club meeting will be held at the home of Mrs. Taylor.

The most advanced or progressive parts of the world are the regions of cyclonic storms. Two chief features of such regions are rainfall in moderate abundance at all seasons and weather subject to marked changes every few days.

Glavin On Honor Roll At Harvard

Clarke C. Glavin, 520 Lake Shore Drive, a junior at Harvard university, has been named an honor student for maintaining high scholastic standing in his courses during the past year. It was announced yesterday by the college dean's office.

CLARKE GLAVIN

In addition to Glavin the honor group list by the dean contains 688 students as compared with 604 at this time last year. The total list represents 21.1 percent of the undergraduates enrollment. The junior class leads with 191 men in the honor group. Clarke is a graduate of Escanaba high school, class of 1929.

Local Adventists Do Not Approve Of Pope's Plan

Stating that "it would be just as impossible for us to become members of the Roman Catholic church as it would be for the pope to become a member of our church," the Seventh Day Adventists of Escanaba approved the official statement of the governing body of their denomination which set forth 12 reasons why they cannot accept the recent invitation of Pope Pius XI, for the Protestants of the world to unite with the Catholics in one universal church. Elder W. J. Hatton informed the Press yesterday. This document, sent out from the headquarters of the world's General Conference of Seventh Day Adventists in Washington, D. C. where it was prepared by the executive committee of the denomination, was unanimously approved by the local congregation as an answer to the invitation recently broadcast by the pope over an international radio hook-up, and through the public press of the world as a part of his encyclical "Lux Veritatis."

Basing their beliefs on the Holy Scriptures as "the only infallible authority in matters of faith and practice," the Seventh Day Adventists declare that they cannot accept the ex-cathedra utterances of the pope, or the decrees of councils or the traditions of the Roman church as a sufficient reason for departing from the plain teachings of the word of God.

ILLNESS FATAL TO MRS. GAREAU

Prominent Flat Rock Resident Will Be Buried Saturday

Death claimed one of Flat Rock's most prominent women Thursday morning when Mrs. Alfred Gareau, 67, passed away at 2 o'clock at St. Francis hospital, where she had been admitted Monday afternoon in a critical condition. For the past two years Mrs. Gareau had been in failing health, suffering from diabetes. Although she was not confined to her bed, her strength slowly failed until she was stricken last week with paralysis.

Vitaline Richer was born March 31, 1864, in Clarence Creek, Province of Ontario, Canada. She was the daughter of the late Jerome Richer and Octavie St. Jacques. At the age of 18 she came from her native city to Escanaba where six months later, on November 20, she was married at St. Anne's church to Alfred Gareau. The ceremony was performed by the late Rev. Fr. Joseph Eli Martel. The couple made their home in Ford River Mills for three years, then in Escanaba, and 33 years ago purchased a farm in Flat Rock where they lived continuously since that time. Eight children were born to them, three of whom have passed away. The survivors are the husband, four daughters and one son: Mrs. Walter Richer, Mrs. Emil Vlas, Mrs. Theoret and Mrs. James Martin of Flat Rock. Ten grandchildren and the following brothers and sisters also survive: Mrs. Camille Charbonneau, Mrs. Felix Darduin, Joseph Richer, Sr. of Flat Rock, Thomas Richer, Sr. of Flat Rock, Malvina Cayen, Adolphe D. Richer, Mrs. Adele LeBlanche, Emmanuel M. Richer, Mrs. Philomene Savagau, all of Escanaba, and Leonard

Richer of Schaffer. Members of St. Croix Society, Branch No. 3, U. S. C. F. will go to the home this afternoon at 3 o'clock to recite the rosary in unison. The body was prepared for burial at the Allg Funeral Home and was removed to the family residence in Flat Rock last night. The funeral services will be held at Holy Family church, in Flat Rock, Saturday morning at 9 o'clock, when the pastor, Rev. Fr. George Laforet, will be the celebrant at the solemn requiem high mass, at which he will be assisted by Rt.

Rev. Msgr. R. G. Jacques of this city and Rev. Fr. A. C. Coignard of Perkins. Six nephews will act as pallbearers and burial will be in the family lot in the Flat Rock cemetery.

Mutual Interest and Profit

Of course maintaining an account will make a man a bank depositor, but — not necessarily a success.

A person may deposit a certain amount regularly and still not make the most of his banking connection.

Wise is the man who deposits his money regularly and cultivates a close relationship with his banker.

It is our intent and desire to take a personal interest in our depositors — and merit their friendship.

The natural result of interest and friendship is mutual profit.

Don't forget this is your bank. Call often.
