HOUSE OKES INDEPENDENCE FOR FILIPINOS

PRESIDENTIAL VETO CERTAIN IF BILL REACHES HIM

Washington, April 4 (AP)—The house today advanced the national aspirations of thirteen million Filipinos by approving, 306 to 47, the Hare bill to give the islands independence in about ten years.

The surprisingly overwhelming vote was registered in the face of strong administration opposition.

Democratic leaders forced the issue to a vote after forty minutes of debate under a suspension of rules, a parliamentary procedure which was sharply criticized by the Republicans.

The measure now goes to the senate, which already has on its calendar a bill proposing Philippine independence in about 17 years. A vote is likely in a month.

Predicts "Fireworks" The possibility of a presidential veto for the Hare bill if it should pass the senate was voiced today by Secretary Hurley.

The secretary of war, when newspapermen asked his opinion, asserted he interpreted the action today as "just giving President Hoover something else to veto."

Immediately afterward, if he was sure Mr. Hoover would reject the measure, he replied it was "very hard to determine what the president will do."

Hurley spoke after a lengthy conference with the president at which, he said, the subject of Philippine independence was discussed. He was reluctant to talk about the matter at length, but did express the opinion the bill was headed for "fireworks in the senate."

Principals in Hawaii 'Honor' Slaying Trial

Four persons accused of slaying Joe Kahahawai, Hawaiian native charged with attacking Mrs. Thomas H. Massie, will go on trial soon in Honolulu. The accused are Lieutenant Massie, Mrs. Granville Fortescue, New York and Washington society matron, mother of Mrs. Massie; E. J. Lord and Albert Q. Jones, naval enlisted men. Clarence Darrow, noted criminal lawyer will participate in the defense.

Hawaiian Honor Trial Begins; Defense Loses First Ruling by Judge

Honolulu, April 4 (AP)—The question of the guilt or innocence of an alleged Hawaiian woman attacker today was barred from the trial of Mrs. Granville Fortescue, society woman, and her three naval co-defendants, charged with the second degree murder of the islander.

An attempt by Clarence Darrow, famous Chicago criminal attorney, to inject the question into the examination of jurors at the first day of the trial session failed when Judge Charles S. Davis ruled against the action. Darrow heads the defense counsel.

The ruling was interrupted as a serious defeat for the vigorous appearing 74-year-old court veteran, and was hailed as a victory for John C. Kelley, young and relentless prosecutor.

Six Jurors Picked Mrs. Fortescue, well known in New York and Washington society, is on trial with Lieut. Thomas H. Massie, her son-in-law, and E. J. Lord and Albert Q. Jones, enlisted men of the navy. They are charged with kidnaping and shooting to death Joseph Kahahawai, accused attacker of Mrs. Thalia Massie, wife of the naval officer and daughter of Mrs. Fortescue.

Six men were temporarily accepted as jurors by the gray-haired defense counsel and Prosecutor Kelley when Judge Davis adjourned court for the day.

Early questioning of jurors brought up the question of whether Kahahawai was guilty or innocent of the attack of Mrs. Massie last September. Prosecutor Kelley insisted it had no bearing in the case but Darrow argued that it might have a great deal of bearing.

FAMOUS FLIER SILENT ABOUT HIS JOURNEYS

BELIEVED TO BE ON MISSION IN KIDNAPING CASE

Hopewell, N. J., April 4 (AP)—Col. Charles A. Lindbergh took to the air today in a spectacular move to regain his kidnapped son.

Swiftly and silently, he and his attorneys and most intimate friend, Col. Henry Breckinridge, entered Newark about 3:30 p. m. by climbing over a back fence. From there they took off in a plane, which has been held in readiness since the kidnaping, March 1.

About 5 p. m., a plane, identified by its number (NC-49-M) as the colonel's, was observed over Martha's Vineyard Island off the Massachusetts coast, near the scene of an unexplained flight by an amphibian plane yesterday. From all indications today's plane did not land, but circled the island three times.

The colonel and a companion, presumably Col. Breckinridge, then reappeared at Teterboro airport, Hasbrouck Heights, in northern New Jersey where Lindbergh landed at 5:20 p. m.

He Returns Alone They drove off in an automobile without disclosing their destination. After several contrary reports had been investigated it was believed they were returning here, a trip which would require several hours by automobile during the heavy early evening traffic.

Driving his own car, Col. Lindbergh returned to his country home at midnight. He approached the house over the same unfrequented back road that he had used last night. He was alone and there was no explanation as to the whereabouts of Col. Breckinridge or why the drive from Teterboro airport required more than double the normal driving time.

The colonel stopped only long enough to speak briefly to the police sentry near his house. Sensational conjectures sprang from the fact that Lindbergh and Breckinridge carried a suitcase and a blanket when they entered the colonel's plane at Newark.

Was the suitcase a vehicle for carrying ransom to a rendezvous with the kidnapers? Was the blanket to be used for signaling? To a boat off shore? To a hideaway along the coast?

The latest trip of the colonel's made it even more evident that he was determined to do personally whatever might be necessary to restore his son.

GAUTHIER AND KEE WIN IN GARDEN AND BRAMPTON

Carl J. Sawyer, Hubert H. Shepeck and Fred M. Swanson were elected to serve on Escanaba's city council for four-year terms in yesterday's election, which attracted a large number of voters to the polls.

The total vote for each of the nine candidates was as follows: Carl J. Sawyer, 1555; Hubert H. Shepeck, 1542; Fred M. Swanson, 1356; Thos. A. Beston, Jr., 1261; William H. Needham, incumbent, 1180; Peter L. Sullivan, 774; Ray Doty, 631; Joseph Lequia, 608, and Leonard J. Murray, 330.

Sawyer made an impressive race, leading his nearest competitor by almost three hundred votes. He topped the majority of the ballots in the second, third, fourth, sixth and eighth precincts, while Shepeck, was the leader in the first, Beston was high man in the fifth, and Swanson was high in the seventh.

This is Mr. Sawyer's first entry into local politics. He is the senior member of the Sawyer-Stoll Timber company, and has been active in bowling and Boy Scout activities. He was chairman of the Delta county Red Cross roll call last fall.

Mr. Shepeck is assistant general manager and sales manager of the I. Stephenson company, and president of the Chatfield Machine and Foundry Works. While a resident of Wells, he served as supervisor of that township.

Mr. Swanson, who is employed by the Chicago & North Western railway, has been active in fraternal circles. He is a former president of the Scandia Cooperative company.

Several interesting contests developed in the various township elections in Delta county. They are as follows:

ESCANABA TOWNSHIP Nominations of the Independent ticket captured most of the township offices in a close Escanaba township election. Monday, Edmund Beauchamp, treasurer, and Henry Richer, justice of the peace, were the only Non-Partisan party nominees to win out.

Supervisor — William Reno, 203; Jovite Roberts, 152. Clerk — Earl Smith, 137; Clyde Lancour, 169. Treasurer — Edmund Beauchamp, 179; Leah Sharkey 176. Highway commissioner—James Leach 215; Eugene Marenger 141.

Justice of the peace—Henry Richer, 182; Isaac Hagman 159. Board of review—Fred Peters 177; Antoine Beauchamp 172. Overseer of highways—Ed Lafave 204; Edward King 145.

Congressional Demos Disagree With Hoover On Expense Reductions

BY FRANCIS M. STEPHENSON (Associated Press Staff Writer) Washington, April 4 (AP)—President Hoover and congressional Democrats disagreed today over how best to slash government expenditures to help the billion dollar tax bill balance the budget.

The president in a special message to congress asked appointment of a joint commission composed of members of the senate, house and the executive branch to reorganize the government for the needed saving of \$200,000,000 or more in expenditures.

The Democrats promptly demanded that Mr. Hoover submit a program for reorganization and said if they failed to get that they would go ahead and slash appropriation bills for the \$200,000,000 total.

Debate Tax Bill Mr. Hoover's message said the appropriations could not be cut \$200,000,000 without wholesale government reorganization. The Democrats said he was "shirking responsibility" by not proposing the reorganization plan himself.

Meanwhile, the tax bill—the key stone of the budget balancing program—reached the senate amid an uproar of debate.

Senator Long (D. La.) opened an attack on the house bill and demanded greater taxes on the wealthy. He was answered by Senator Harrison, of Mississippi, the ranking Democrat on the finance committee, who called for non-partisan action in the senate on the revenue legislation.

Harrison and Robinson, of Arkansas, the Democratic leader, both declared against revival of the wartime surtax rates of 65 percent on higher incomes. The wealthy Senator Couzens, of Michigan, from the Republican independent wing, proposed such legislation.

The upshot of the opening tax debate showed the Democratic leadership standing by the general provisions of the measure passed by the bi-partisan coalition in the house with signs of a fight by a group of Republican and Democratic independents.

Charges of Terrorist Activities Will Be Investigated

Chicago, April 4 (AP)—A special grand jury to investigate charges that Al Capone and his hoodlums are using terrorist tactics to control next week's primary was ordered today by Circuit Judge Michael Feinberg, a candidate for the state's attorney nomination on the Republican ticket.

State's Attorney John A. Swanson, seeking re-election objected to the order, saying that because Feinberg was a candidate he was disqualified from calling the special jury.

"I do not wish to hear from you in this court," Judge Feinberg told Swanson. "You are speaking for the opposition; I might just as well hear from the gangsters against which this order is directed as hear from you."

To Swanson's complaint that "that remark is not in order," Feinberg's only comment was: "Court's adjourned."

Profile Other Charges The order, directing Frank J. Loesch, veteran crime fighter, to head the special grand jury, included in the charges to be investigated besides Capone terrorism; alleged mishandling of receiverships, bombings, labor union terrorism and padding of public payrolls.

U. S. Investigator Says Law Enforcement in Hawaii is Lax

Washington, April 4 (AP)—Far reaching changes in Hawaii's system of administering justice were proposed in congress today after justice department investigators had reported "extreme laxity" in the enforcement of law there.

The inquiry was made in response to a senate resolution adopted after Mrs. Granville Fortescue, New York and Washington society leader, and others were charged with murdering a native accused of attacking her daughter.

The trial of Mrs. Fortescue, her son-in-law, Lieutenant Thomas Massie, and two navy enlisted men, began in Honolulu at almost the exact moment the report was received at the capitol.

The report, submitted by Assistant Attorney General Seth W. Richardson, who conducted the investigation, was a bulky document of many thousands of words.

In a summary of it, which was all that was made public, Richardson said he found no "criminal rackets" in Hawaii and reported that "sex crime" seemed far less than reported from many cities and localities of similar population in the mainland.

Criticizing local officials for inefficiency and playing politics, he recommended that the federal government "assume closer responsibility" for law and order.

Boy With Unloaded Shotgun Prevents Prisoners' Escape

Gadsden, Ala., April 4 (AP)—A boy with an unloaded shotgun halted a wholesale jail break here today, although two prisoners escaped.

Awakened at 2 a. m. by a noise on the roof of the prison adjoining his home, Tom Griffin, Jr., 18, son of the Etowah county sheriff, armed himself with the nearest weapon and ran outdoors.

In the dim light he saw two men drop to the ground and disappear in the darkness. Huddled on the roof were twelve others preparing to jump.

Jouett Shouse Selected Permanent Chairman Of Demo Meeting

BY L. A. BROPHY
Chicago, April 4 (AP)—The Democratic arrangements committee for the national convention selected temporary and permanent chairmen today for the June 27 meeting in a compromise between the militant supporters of Gov. Franklin D. Roosevelt of New York and their opponents.

Senator A. W. Barkley of Kentucky, backed by the Roosevelt forces, was the committee's recommendation for temporary chairman and keynoter.

Jouett Shouse, chairman of the executive committee and regarded as the keynoter candidate of the anti-Roosevelt faction, was recommended as permanent chairman.

Surprise Action

The announcement of the committee's choices was made in a brief typewritten statement by Mr. Shouse who presided over the gathering. While the session lasted all day and apparently there had been spirited debate, Mr. Shouse said that harmony had prevailed and that the actions of the committee were unanimous.

Today's selections will be recommended for action to the full national committee which in turn will communicate them to the convention. Rarely is there controversy over the selection of the temporary chairman but there has been fireworks in the ultimate election of a permanent chairman.

Nomination of the committee of a permanent chairman came as a distinct surprise. It has not been a precedent for the arrangements committee to recommend a permanent chairman and all preliminary announcements indicated that the temporary chairmanship was the only question at issue.

For two hours the committee's session after the luncheon recess was held up while Roosevelt forces informally caucused in the suite of James A. Farley, one of the New York chief executive's field generals.

Young Professor Tells Of Research Study Of Vitamin

Pittsburgh, April 4 (AP)—A young professor of chemistry at the University of Pittsburgh announced casually tonight: "We have isolated and identified vitamin C."

For five years, Dr. C. C. King, not quite 35, and his associates, have labored for a solution long sought by research scientists.

The importance of his work, the exacting calculations, the arduous research and the patient tests found no place in Dr. King's simple announcement.

But he leaned back in his laboratory chair and explained at length that he had concentrated the vitamin from lemon juice.

Vitamin C is plentiful in lemons, oranges, tomatoes, potatoes and certain other vegetables and fruits.

Its effects upon the human body also have been known for quite some time, Dr. King said, but how it accomplishes its task has remained a mystery.

Also it is known that a lack of vitamin C in the diet of humans resulted in scurvy and forms of malnutrition.

So Dr. King fed the substance he identified as vitamin C to guinea pigs. Foods known to contain the vitamin were excluded from the diet of the little animals. Dr. King found they did not develop scurvy. Their vitality was not impaired.

State Legislators To Resume Special Session Activities

Lansing, Mich., April 4 (AP)—With a new highway finance plan in the offing, members of the legislature were prepared to resume their special session Tuesday.

Governor Wilbur M. Brucker indicated he would have his latest program for the diversion of additional state aid to counties, cities and villages completed soon. He declined to reveal the details. It was believed it may contain more elastic provision to aid counties in which covert road obligations are most burdensome.

The legislature is expected to swing into serious consideration of the administration economy budget proposals. A well defined move to limit salary cuts to state employees receiving \$1,200 a year or more appeared to be under way.

Finland Protests 'Prices Of Liquor Under New Laws'

Helsingfors, Finland, April 4 (AP)—Twelve years of prohibition came to an end in Finland tomorrow but it appeared tonight as if the attending celebrations would not be excessively gay.

At a meeting of restaurant operators it was decided not to order intoxicants from the Accredited Alcohol company or to serve any drinks until the price question has been settled to the satisfaction of the dispensers.

Whiskey at \$6.50 a bottle and cognac at \$9.25 are at the basis of the decision taken by the restaurant men. They will go over the question at another meeting tomorrow afternoon.

Under the new liquor law adopted following the referendum last December, the government has sole control over the trade. In addition to high prices the dispensers must turn over 60 per cent of their profits to the liquor monopoly.

KILLS CHILDREN AND THEN SELF

Insanity is Blamed for Act of Mrs. Winifred Fosdick

Montclair, N. J., April 4 (AP)—Mrs. Winifred Fosdick, wife of the former under secretary general of the League of Nations, shot and killed her two children and then ended her own life at dawn today.

The bodies were discovered about four hours later by the husband and father, Raymond Blaine Fosdick, attorney and trustee for the Rockefeller foundation.

Late in the day Mr. Fosdick's brother, the Rev. Harry Emerson Fosdick, widely known New York minister, read to newspapermen here a statement which said his sister-in-law for several years had been in "a disturbed mental condition with a progressive form of paranoia."

"She left behind letters to members of her family showing that her deed was the result of insanity," the statement said.

Shot Son, Daughter

The minister also said his brother had been sleeping in another part of the house and did not hear the shots. It was not until Mr. Fosdick strode into his son's room that he discovered the tragedy.

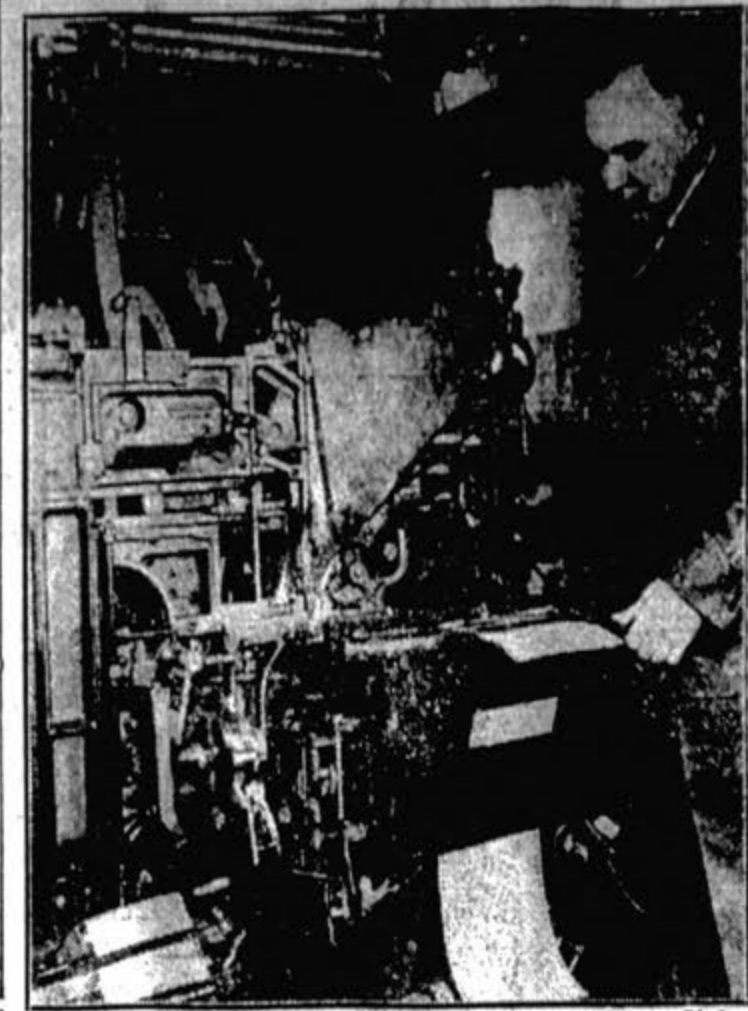

The two children, Susanne, 15, and Raymond Blaine, Jr., 9, were at home on vacation from school.

As detectives reconstructed the tragedy, Mrs. Fosdick went to her daughter's room about 5:30 a. m., and shot the girl through the head. Then she went to her son's room and killed him in the same manner. Standing beside the little boy's bed, she fired a bullet into her own heart. Her body was found slumped across the bed. The revolver was on the floor nearby.

Worried over his wife's condition, Mr. Fosdick had carefully hidden the weapon and was unable to explain how she found it. He was exhausted after several nights of watching over her and fell into such a profound sleep he did not hear the shots. Mrs. Fosdick was 47 years old.

Mr. and Mrs. Raymond B. Fosdick were married in 1910, five years after his graduation from Princeton university.

the plane contained four men, three of them middle-aged, and that they were looking for a 28-foot yacht, called Sallie, which was thought to have two men and two women aboard.

Plane Flew Low

On the takeoff the plane flew northward. As it passed close to a yacht anchored near Penikese Island, a coast guard captain reported, it flew low, as if those in the plane were attempting to identify the craft or drop a message.

About two hours before Col. Lindbergh returned home last night the Associated Press learned of his trip from a reliable source.

Inquiries resulting from press dispatches containing this information brought a police denial.

Hardly had Lieut. Walter Coughlin, police spokesman at Trenton, N. J., finished his denial when Col. Lindbergh approached the Hopewell estate by an unfrequented back road.

In the darkness he met and spoke to reporters whom he first thought were police.

As the flier continued to his garage he drove past the last police sentry without stopping.

Considerable speculation also was caused by reports from Norfolk, Va., that John Hughes Curtis, one of the three intermediaries who have reported "contacts" with the kidnapers, had not yet returned from an unexplained trip begun early Saturday morning. It was his second mission out of the city since the Norfolk trip conferred with Col. Lindbergh here.

The widespread investigation of the kidnaping meanwhile had spread to Glasgow, Scotland.

After conferring with Scotland Yard officials at London, Major Charles H. Schoeffel, of the New Jersey state police, started for Glasgow, where a Mrs. Taylor, mother of the nursemaid who discovered the kidnaping, lives.

Police authorities abroad expressed the belief "something of considerable importance" might result from Major Schoeffel's visit.

PLAN BEER TAX TO PAY BONUS

Washington, April 4 (AP)—A tax on legalized beer, which failed to gain a place in the house revenue bill, today was sponsored as a means of raising funds for cashing the soldiers bonus.

The plan came from Representative Cochran (D. Mo.), as Representative Rankin (D. Miss.) issued a statement regarding to Senator Smoot's (R. Utah) opposition to a proposal that new currency be issued to pay the bonus.

Cochran said he will introduce a bill to provide the money for paying off the veterans certificates through a tax of three cents a pint on three per cent beer.

Rankin's Statement

"It is estimated that from \$300,000,000 to \$400,000,000 can be raised by taxing beer," Cochran said. "This will not only permit the payment of the adjusted service certificates but will also provide a way to reimburse the government."

Rankin's statement said that Smoot, chairman of the senate finance committee "has fallen into the same errors made by other spokesmen against the measure."

He added:

"In the first place, they seem to be laboring under the impression that the passage of this bill will further deplete the treasury. As a matter of fact, it will not take one additional dollar out of the treasury or levy one additional dollar in taxes.

"Nor will it force the country off the gold standard, as some people seem to fear it will do.

"What we propose to do is simply to set aside a sufficient amount of free gold now in the treasury and issue \$2,200,000,000 in United States notes or currency against it, backed up by a 40 per cent gold reserve and pay these certificates off."

Japanese, Chinese Negotiations Get Nearer To Accord

Shanghai, April 4 (AP)—The Japanese and Chinese truce negotiators got a little closer together in a conference today, but their progress was disturbed by an announcement that Quo Tai-Chi, Chinese vice minister for foreign affairs, intended to resign as chief delegate of the Nanking government.

The Japanese made some concessions today, but a Chinese spokesman described them as "unimportant." These concessions concerned the schedule of Japanese troop withdrawals.

The Chinese remained adamant in their demand that the Japanese fix a date for complete evacuation into the international settlement, while the Japanese were willing only to set a time for the beginning of the withdrawal.

STUDENTS WILL GO ON STRIKE

Expulsion of Reed Harris at Columbia Causes Action

New York, April 4 (AP)—Columbia university students were harangued at a fiery mass meeting today to go on strike Wednesday as a protest against the expulsion of Reed Harris, editor of Columbia's "Spectator" and "Trenchant critic of most things collegiate."

Between a thousand and fifteen hundred undergraduates assembled in front of the statue of alma mater on the campus and listened to outbursts of oratory not complimentary to President Nicholas Murray Butler and Dean Herbert E. Hawkes, who exercised the disciplinary measure.

Late in the day, the student board of representatives, undergraduate governing body, took cognizance of the situation to express "complete confidence in the fair-mindedness and sound judgment of Dean Hawkes," and the dean himself issued a statement explaining Harris' expulsion.

Not One-Sided

Resolutions approving a walk-out from classes and the circulation of petitions among the student body and the faculty for Harris' reinstatement were adopted at the mass meeting. Scores volunteered for picket duty on Wednesday.

The meeting was not one-sided by any means. Apple cores whistled around the speakers' heads and jeers resounded often from a fringe of students tentatively identified as athletes, who had felt the sting of Harris' editorial policy on several occasions.

The chairman, Rob F. Hall, president of the social problems club, finally challenged the dissenters to come forth and be heard, taunting them, "not yellow, are you?"

Ben Shelley Wood, blond, stalwart member of the varsity crew, accepted and strode to Hall's side. He stood there a moment in embarrassed silence and then retorted, "well, I'm here now. What have I got to say? I think this is a lot of boloney."

found on guard at the Massie home, was arrested and charged with the others.

The six jurors seated include two Chinese, one Hawaiian, one Japanese and two Americans. When the jury box is filled each side will have twenty-four peremptory challenges. The entire first week is expected to be occupied in selecting the jury.

Massie Worried

Darrow's clients listened intently while he patiently questioned the Chinese, Hawaiians, Japanese and Anglo-Saxons of the jury panel. Mrs. Fortesque, wearing a maroon suit, sat in the front row of the court room only a few feet from the family of the slain man.

Outside the court a crowd of curious Hawaiians, Chinese, Japanese, and Americans milled about, unable to enter the small court. Only 75 persons, all of whom held passes, were admitted. Massie, his arms folded, bit his lip and appeared worried. Beside him sat Jones and Lord, both dressed smartly as civilians. They apparently were not worried but Jones paid keen attention to the selection of the jury.

On the same bench with the defendants sat the father, mother and sister of Kahahawai. They are typical Hawaiians, heavy and dark. The father, a motorman, wore horned rimmed glasses and checked gum.

Mrs. Massie did not appear in the court but is expected to attend sessions when the taking of evidence is started.

Army and navy personnel were conspicuous by their absence.

a constitution, complete independence would be possible ten years after enactment of the bill.

Specific provisions are made for continuation of American control of Philippine finances during the period of transition.

In the Stimson letter read by Bacon, the secretary, who is a former governor general of the islands, said that for United States to free the Philippines "would be a demonstration of selfish cowardice and futility on our part" to every foreign eye.

Stimson cautioned against cutting loose the islands, remarking such an act a serious menace to this country's position in the Orient.

Hare opened the debate with the statement that his committee through long study of all sides of the question had become convinced the Filipinos could govern themselves and had achieved a high degree of political, economic and social stability.

Recall Election Petition In Iron Mountain Set Aside

Iron Mt., April 4 (Special)—The recall election petition filed several months ago against Alderman Ed. Lindquist of the fourth ward was set aside in an opinion returned today by the Michigan supreme court, which ruled that the main question involved should be settled by the courts rather than by the vote of the electorate.

The decision brings to an end a long drawn out battle in which Lindquist has steadily endeavored to block the holding of the election. The petition itself was one of the manifestations of the political warfare that has had Iron Mountain by the ears during the last year.

When It Started

Shortly after the comparative reign of quiet that had obtained on the Iron Mountain political front was ended when the Dundon administration took office and subsequently four firemen and two police officers lost their jobs, the recall petition was filed against Lindquist. It was based upon a provision in the city charter permitting recall elections and the charges against the alderman were that he had voted to elect himself as mayor pro tem of the council, and that, as mayor pro tem, he was also a member of the police and fire commission, which released the firemen and police officers at the council's order to reduce the forces, but a week later, also at the council's order, restored the forces to their original size, but appointed new men. A conspiracy to violate the term of the charter guaranteeing continuous service to police and firemen as long as their records were good was charged. It was also contended that Lindquist's vote for himself on May 4 for election as mayor pro tem was illegal. This error was admitted when, on May 11, Alderman Caesar Almone changed his vote from nay to aye for Lindquist and the minutes of the preceding meeting were corrected.

Considers Only One Charge

The supreme court paid no attention to the charge that there had been conspiracy in the reduction and increase in the police and fire forces, regarding it as

minor. And an unusually interesting angle is that the court set aside the petition on a ground that was not raised by counsel.

In other words, the court held that instead of contesting Lindquist's right to hold office through a recall in which his vote for himself as mayor pro tem was the basis of the election petition, the proper course was that of instituting what is known as quo warranto proceedings. In these proceedings an individual is required to show by what right he holds office and the legitimacy of his title to office.

The court granted Lindquist's petition for a writ vacating and setting aside a call for the special election, which was to have been held on July 21.

AMUSEMENTS

All the brilliant comedy and romantic appeal, which made "Tonight or Never" one of the outstanding hits of the New York stage last year, appears again on the screen in Samuel Goldwyn's screen production of the famous play which comes to the Delft Theatre today with Gloria Swanson playing the leading role.

"Tonight or Never" was the last success of the late Great David Belasco, the grand old man of the American stage. To make sure that nothing was missing on the screen that made it a success on the stage, Samuel Goldwyn brought to Hollywood practically all of the New York cast to appear in the screen version.

Melvyn Douglas, the rising young New York leading man whom Belasco had signed up for the hero's role in "Tonight or Never" a year before the production of the play began, is again playing the same role in the picture version. Both Gloria Swanson and Samuel Goldwyn were convinced that no one else would be allowed to try the part he fitted so perfectly of the mysterious young American pursuing the Hungarian opera singer. And the rest of the cast assures the same finish and brilliance which "Tonight or Never" had in New York.

It includes Ferdinand Gottschalk, one of the best known character actors in the American theatre, known for thirty years of expert portrayals, Robert Greig, Greta Mayer and Wharburton Gamble, all of whom appeared in the original stage production. Alison Skipworth, who has become highly popular with talking picture audiences in such pictures as "Outward Bound" and "Raffles" is playing the dowager role in "Tonight or Never" for Mr. Goldwyn.

McMILLAN NEWS

McMillan, Mich., April 4—By far the largest and best 4-H Achievement Day in clothing and handicraft club work was held at the Lincoln school on Friday, April 1. That the club members are taking more interest in their club work each year is shown by the increased exhibits as well as better workmanship. A greater attendance proved the growing interest both on the part of rural and local residents.

A six o'clock dinner was served in the school dining room to the teachers, school board and their wives, club members, club leaders and club judges. At 7:30 a program consisting of music, dialogues, songs, recitations and speeches was rendered. The judging of the projects made was done by Miss Margaret Harris and Mr. Clare Rood, Upper Peninsula club leaders. In their talks both Miss Bird and Mr. Rood expressed a keen appreciation of not only the growth in club work and quality of exhibits, but of the interest of the parents of the club members and their friends.

Luce county winners in the handicraft club projects for the various years work are as follows:

First year—1st, Earl Russell; 2nd, John Swanson; third, James Gunton. Pratt school, Newberry. Miss Effie Niles, leader. McMILLAN school, Floyd House, leader.

Second year—1st, Forrest Hanes; second, Harvey Brown; third, John Painter.

Third year—1st, Floyd House; second, Doyle Rushton; third, Clifford Kubont.

Fourth year—1st, Fred Brown; second, James Locke.

Fifth year—1st, Jack Snyder; second, John Uhlbeck; third, Benjamin Rushton.

Sixth year—1st, William Spincich.

County Champions—1st year—Earl Russell, Newberry; 2nd place—Forrest Hanes, McMILLAN. 2nd year—Floyd House, McMILLAN. 3rd year—Bernard Fleury, McMILLAN. 4th year—Fred Brown, McMILLAN. 5th year—Jack Snyder, McMILLAN. 6th year—William Spincich, McMILLAN.

4-H Club placings of the county clothing club projects are as follows:

CURTIS NEWS

Curtis, Mich. (Special)—A little daughter, Marjorie Anne, was born to Mr. and Mrs. Clarence Grant, Tuesday morning at 6 o'clock.

Mrs. Wm. Sherbrook, who went to Ann Arbor last week to take the small son of Mr. and Mrs. Asher Sheppard there for treatment, returned last Sunday night. Robert Sheppard accompanied them to drive the car.

Mr. and Mrs. Orville Dennison of Saginaw, with their three small children, are visiting at the home of Mrs. Dennison's parents, Mr. and Mrs. Jas. Anderson.

The Calico Club was well attended last Wednesday. A quilt was completed for Mrs. Harry Strom and another one put on the frames for her and one was put on for Mrs. David Hearn.

The April P. T. A. Meeting was held Friday night at the Curtis school house, with a good attendance. The boys' handicraft and the girls' sewing club exhibits were made at this time, also. In Handicraft work Ben Sheppard received first place in 3rd year work; Floyd Eccleston, first place in second year work and Bob Metcalf, second place in second year work. In the Sewing Club, Barbara Norris received first place in third year work; Elsie Kahvakka first in second year work and Margaret Orr received first place in first year work. Wm. Eccleston and Jas. Painter acted as judges in the Boys' Handicraft work and Mrs. Ostrander and Mrs. C. Walsh acted as judges for the Girls' Sewing Club work. An elimination spelling contest was also held at this time. The spellers were: Elsie Kahvakka, Floyd Eccleston, Cedric Painter, Maynard Paulsen. Zona Stamper was declared the Champion speller of the Curtis school. Cedric Painter and Barbara Norris stood with her for some time before they went down. A cake and a pie, sold at the meeting, added 95 cents more to the P. T. A. treasury. Zona Stamper will be the Curtis representative at the Escanaba Spelling Bee.

NEW ADDITION TO KINGSFORD

Skidmore Becomes Part Of Village Under Court Ruling

Iron Mt., April 4 (Special)—A considerable slice of what is known as the Skidmore addition today became a part of the village of Kingsford when the Michigan supreme court ruled that in an election held on August 7 the annexation proposition was approved.

The state supreme court overruled the circuit court, which, on an action instituted by the village through its attorney, Roy Dewham, held that inasmuch as residents of the village had voted against annexation, the territory must remain outside.

There were three voting divisions in the election, the village, Skidmore and the township of Breitung, of which Skidmore is a part. The entire total vote showed a majority in favor of annexation, but the village itself was opposed. It was the contention of the village that the election result should be decided by the individual division votes and not by the entire vote as a whole. The circuit court upheld this opinion. Subsequently, however, residents of Skidmore through their attorney, E. J. Dundon, took the case to supreme court, which has now held that the vote should be lumped and the question decided by that result. This means that annexation is approved.

Territory To Be Annexed

The territory to be annexed, and which has a population of about 1,000 persons, is bounded by Breen avenue on the north, Hoadley avenue on the south, Balsam street on the west and Sewer creek on the east. It comprises not quite two forties of land.

Had Injunction

The question got into the courts when opponents of annexation representing the village, obtained an injunction restraining the county canvassing board from certifying the annexation proposal as having passed. This injunction was obtained from Judge George Driscoll and was later upheld by Judge Frank Bell, who refused to dismiss it.

The supreme court's decision, given out today in Lansing, brings to a conclusion a long and steady effort on the part of Skidmore residents to become a part of the village. Their plans were once frustrated by the courts and they have also been beaten at the polls the results on that occasion being figured according to the way the village wanted the vote computed in this instance. Apparently, however, the way is now clear for this area, which con-

Elmer Rice Is "Big Money" Man Among Playwrights

BY MARK HARRON

New York, April 4 (Special)—Elmer Rice is now the "big money" name among playwrights.

This erstwhile lawyer who decided he preferred a career in the theater is learning more money at present than Eugene O'Neill, Noel Coward, Phillip Barry or any of the other young men who are apt at writing dramas.

When Rice abandoned his lawyer's shingle, he wrote an outstanding success in "On Trial." There came a lapse of years when he wasn't so prominent, but three seasons ago he came forth with the Pulitzer prize "Street Scene." His royalties from this were enormous, so he decided that thereafter he would produce his own plays. The first was "The Left Bank" and, although it received some unfavorable reviews from the critics, it caught on and is now playing its 26th week.

Then he produced his "Counsellor-at-Law," which proved to be even more of an outstanding hit. Rice's income from these two plays is huge, for he receives from them author's and director's royalties and the producer's profits.

He has just sold "Counsellor-at-Law" to the motion picture for a flat price of \$175,000 in addition to a percentage of receipts. He also has been signed to a very lucrative contract to go to Hollywood and adapt the picture.

It is, indeed, anything except a depression for lawyer-producer-playwright-director-scenarist Rice.

The most upsetting surprise Broadway has experienced since "Able's Irish Rose" proved to be a hit concerns the tremendous business reported by the theaters during holy week. For years this week has been considered the low water mark at the box office, but for some unexplained reason every show in town reported "standing room only" this year.

This upset caused much chagrin among the several managers who make a habit of closing their theaters during holy week's usual dearth of business.

The producer of "Whistling In The Dark" found he made an error, too, when he placed his cast on co-operative salary basis during holy week. Each actor was to get a percentage of the box office receipts in proportion to what his regular salary was. Business was of such excellence during the week that every actor retains part of the business district

of what is known as Breitung, to enter within the privileged portals of the village limits and hereby obtain improved streets, water mains, sewer lines and other advantages accruing to those who list themselves as village residents.

ceived a sum considerably above the usual pay.

Classical Plays.

Mrs. Mary McDougal Axelson, a product of Hatcher High School, School of Dramatics, brings a study of a maternity ward in her new play, "Life Begins."

It is a not too impressive study of women waiting for what she calls "The sublime and Ruthless Sweep of Creation." The same subject was treated in a much more humorous manner in "Little Accident."

Another clinical play is that of crane, "Wilbur's," "Borderland," but this one had to do with the psychic sciences. During a seance conducted by a spiritualist one of the participants is murdered, and strongest suspicion rests upon the medium.

By the clever manipulation of another seance the medium uncovers the real story of the murder and saves himself from punishment.

Lester Vall, recently returned from Hollywood, and Lenita Lane have the leading roles.

KEEPS CROOKS OUT

THAT bank bandits avoid states with efficient state police organizations is the conclusion that has been arrived at in a study of statistics taken in Michigan and neighboring states last year.

The State Trooper, official publication of the state police in this country, presents data, showing that Michigan had only 13 bank robberies during the 12-month period.

Other states report a greater number of bank holdups, more loot taken, and a lesser percentage of the criminals apprehended and convicted.

The success of the state police in Michigan can be attributed to the fact that a splendid organization has been developed. The officers are men of intelligence and courage, who display a keen interest in their work.

Establishment of a radio station at East Lansing has speeded up the communication system, and with the strategic location of state police posts the troopers are able to converge on the scene of a holdup or other crime in remarkably short time.

The trooper organization is a necessary complement to the city police and county sheriff's departments, whose jurisdictions have territorial limits.

A TOUGH NUT COUNTY government is at the head of a long list of problems of democracy to be solved these days.

And Governor Roosevelt of New York, taking time from his pursuit of the Democratic nomination long enough to send a bristling message to the legislature recommending the modernization of antiquated town and county governmental units, called county government "no more fit for its purpose than an ox-cart would be fit for the task of supplying modern transportation between New York and Chicago."

BOOST YOUR CITY

THE Daily Press believes in Escanaba and Escanaba's future. It believes that Escanaba is destined to be a much greater city than it is today.

No one need talk of "putting Escanaba on the map." For, all the world knows, it is already on the map; it has had a conspicuous place there for many years, and it is going to remain there.

Escanaba is already a great place in which to live. If one were to look all around the world, none better could be found.

For that reason, if you have any money to invest, invest in Escanaba. Keep out of the clutches of the oily-tongued stock salesman who comes from a distance and wants your money to invest in an enterprise, the merit of which you know nothing save what is told you by the man or men seeking to "separate you from your coin."

If you have any money to invest, think it over—and then invest in Escanaba. Owning Escanaba real estate will go a long way toward making all citizens a booster for the home town.

Susan passed through the gate and picked her way fastidiously over the unbelievably dirty floor to the desk where the man sat.

Shuddering inwardly, Susan slipped into the armchair beside him. The man called Petterman had a long sharp nose and saw-toothed collar that should have gone to the laundry several days ago.

Petterman hitched his own chair several inches nearer. "Salary's \$18 to start and we work Saturday afternoons. No nonsense about us. Eight to 5:30. Expect punctuality."

FIRE IS GREAT MENACE TO U.P.

Federal Forester Tells Kiwanians of Need for Conservation

Fire is the upper peninsula's greatest enemy, declared Leslie S. Bean, municipal supervisor of the Hiawatha, Marquette and Ontonagon national forests, in an interesting talk on "The Fire of Michigan" at the meeting of the Kiwanis club yesterday.

The forester stated that the upper peninsula is sick, economically, as a result of the wasteful exploitation of its timber resources in the past and the present ravages of second growth stands by fire, and that "the doctor is conservation."

Carelessness Big Cause

"Too many people talk conservation, but it is really only conservation," Mr. Bean declared. "The conservation of our natural resources should be uppermost in the minds of our citizens for the future of the upper peninsula is dependent upon it. We should not talk about conservation, and then go out into the woods and set fires or else take 45 fish when the law provides a limit of 15."

Mr. Bean stated that 99 per cent of the 125 fires in the national forests last year were found to be caused by human carelessness. He said that the U. S. forest service is taking great precautions against fires, through the building of roads, establishment of fire towers, purchase of fire fighting equipment and patrols by men in airplanes and on foot.

As a result of the destruction of the value of timber lands by past exploitation and fire ravages, two million acres have reverted to state for non-payment of taxes, and eight million more are in process of being added to

the total. As remedies for this distressing situation, Mr. Bean suggested the revision of tax laws to induce owners to hold their lands, or else leave the lands to go to the state, which would establish large state forests for intensive forest practice. He favored the former plan.

The federal government expended \$105,000 last year in the various activities on the three forests in the upper peninsula, and additional expenditures will be made this year, although probably not as large. About 6500 acres have been planted with trees to date, most of seedlings being Norway pine which is adapted to the light sandy soils. Ultimately, the department will plant white pine and spruce in the heavier soils of the forest, Mr. Bean stated, and it was estimated that the Hiawatha forest would some day produce enough spruce to supply the three paper mills of the upper peninsula. The cost of reforesting the national forest areas is about \$5 per acre, he explained.

Government's Purpose in Establishing Forest Preserves

The forester explained, was to show the value of scientific forest practice so that individual land owners can be influenced to adopt similar methods, to protect watersheds in the various areas, and to provide recreational spots for the enjoyment of the public in the years to come. Present timber land taxes are so confiscatory, however, that owners cannot be encouraged to pursue selective logging and reforestation, Mr. Bean stated as their main objective is to cut off the timber as rapidly as possible and allow the lands to revert to the state in order to avoid the excessive taxes.

KIDNAPER'S WIFE

Denver, Colo.—Police wondered at Mrs. G. A. Lippen's story. She told them she had just been kidnaped and that her estranged hubby—of all men—had kidnaped her. She explained that he unlocked the house door with a key he carried, seized her and tied her arms with a rope. Then put her in his car. She escaped at a crowded street intersection in Colorado Springs.

ROTARY ELECTS NEW PRESIDENT

Geo. G. Geniesse Heads Escanaba Club For Coming Year

George Geniesse, postmaster for the city of Escanaba, was yesterday elected as president of the Escanaba Rotary club, for the fiscal year of that club opening on July 1.

H. D. Brackett was elected vice president; C. R. Henderson, secretary; Leslie French, treasurer and Thomas Gander, sergeant at arms. Directors of the club named for the coming year are: George G. Geniesse, H. D. Brackett, George C. Craver, George N. Harder, M. K. Bissell, Leslie French and W. J. Clark, retiring president, who is ex-officio, a member of the board of directors.

At the regular meeting of the club yesterday the members balloted for the election of directors and following the session the newly elected board met and organized for the coming year.

Victims In Crash With Street Car Still At Hospital

No visitors were allowed yesterday in the rooms of the three Escanaba men who are at St. Francis hospital recovering from injuries received when their automobile ran head-on into a street car on Stephenson avenue Saturday evening.

Tom Ford, 212 South 13th, driver of the automobile, and Leo Hamelin, 227 Stephenson, will be able to return to their homes in a few days. Ford has cuts and bruises about the body, and Hamelin has a broken nose in addition to other bruises.

Gordon (Butts) O'Brien, 327 South 18th, the other occupant of the coach, has broken bones in the knee which will require his confinement to the hospital for a longer period.

Flying snow thrown up by another automobile which he started to pass is believed to have obscured Ford's vision and prevented him from seeing the approaching street car. Both automobile and street car were badly damaged. John Farrell was the motorman on the street car.

QUIET ELECTION

Little interest was shown in the township election on Monday, there being but one ticket in the field and the primary furnishing all the excitement needed in this community for some time. Leonard Peterson for supervisor, Earl Pell for clerk, Verold Gornely and Richard Chamberlain justices and Mrs. Peter Kremple treasurer, make up the slate. At ten o'clock only 13 votes had been cast.

BABY BURIED

The funeral of the seven months old son of Mr. and Mrs. Thomas Watson was held from the family residence in Pentland township on Sunday afternoon, Rev. Sam Bottrell of the Methodist church officiating and burial took place in Forest Home cemetery. The baby died in the local hospital on April 1 following a brief illness.

Nahma, South Rock Schools Announce Spelling Champs

Spelling champions have been picked in both the Nahma and South Rock schools, according to official notices received from Mrs. Anne Fleming and Miss Minnie Erickson, the respective teachers.

Little Frances Hruska, 11, a sixth grader, was the winner in the Nahma school, while Elsie Lamplinen, 13, also a sixth grader, was the winner in the South Rock school. The latter is the daughter of Mrs. Elina Lamplinen.

The Nahma bee was held Thursday afternoon in Mildred Ebbeson's room, Mrs. Fleming pronouncing the words and acting as judge. Patricia Tobin was second, going down on the word PRACTICING, and Harriet DeRosha was third, misspelling the word QUANTITY. Miss Hruska is taught by Miss Mary Ryan.

Second place in the South Rock school contest was won by Miss Helen Lamplinen, 9, daughter of Mr. and Mrs. Matt Lamplinen. Helen misspelled the word FORMERLY. Marion Honkonen, 15, daughter of Mr. and Mrs. Henry Honkonen, placed third, going down on the word PREMIUM.

The school contest did much to arouse interest in the study, according to Miss Erickson, of the Rock school, every contestant making determined efforts to win in the many preliminary events held as well as in the school finals.

CRASH TRAGEDY IS INVESTIGATED

Sheriff's Department Plans Inquest in Lewis Schram Death

Statements of witnesses were taken yesterday by the Delta county sheriff's department in their investigation of the automobile accident Saturday night north of Terrace Gardens on U. S. 2-41 in which one man was killed and two young women seriously injured. As soon as statements are completed it is expected that a date will be set for an inquest in the case, Lewis Schram, 22, of 1701 Wisconsin avenue, Gladstone, occupant of one of the automobiles which collided, died before arriving at the hospital.

INJURED GIRL ROBBED

While gathering details of the two-car collision which occurred near Terrace Gardens Saturday evening, officers learned that Miss Mary Constantino, one of the young women injured, had been robbed of \$24 while she was in a semi-conscious state at the scene of the accident. When her purse was returned by one of the motorists who assisted in caring for the victims, the money was missing. Officers of the sheriff's department were attempting to get the names of all those who had seen the purse lying in the car or had seen it taken out.

John Schram, his brother, and Joseph Gregory, 1212 Dakota avenue, Gladstone, were only slightly injured.

Miss Alida Dupont, 300 South 17th street, Escanaba, and Miss Mary Constantino, 326 South 17th, were the occupants of the other car, a coupe, driven by Miss Dupont. Both are at St. Francis hospital and are allowed no visitors, due to their serious condition.

Miss Dupont was reported to be resting more easily Monday. X-rays showed her leg bone cracked in three places just below the knee. She also sustained deep lacerations above the nose and across the forehead, besides multiple bruises, and her chest was injured from striking the steering wheel when the cars struck head-on. Miss Constantino has a fractured right jaw bone, a deep gash in the forehead, and a cut over the right eye.

Motorists who arrived on the scene after the accident told officers yesterday of road and driving conditions at the time of the collision, and of finding both of the damaged cars near the center of the highway, about 10 feet apart, with headlights on both facing the bay. It was just getting dusk, witnesses said, when the accident occurred, and a light snow was blowing, at times obscuring the view through windshields.

HUGE OVERSEAS AIRSHIP

Washington—Airships 1,000,000 cubic feet larger than the dirigible "Akron" will compose a fleet making semi-weekly trips from the United States to Europe and the Orient within four years, according to J. C. Hunsaker, vice president of the Goodyear Zeppelin Corporation. He reports that such a line is feasible for, from figures gathered, it has been found that more than 25,000 persons in the United States are willing to spend \$750 a year in making an ocean trip in half the time required by ship.

Husband and wife were watching an intense love scene at the movie. When the hero was doing his stuff his wife nudged him. "George," she said in a hoarse whisper, "why is it that you never make love to me like that?" "Why not, indeed! Do you know the salary that fellow gets for doing that?"—Answers.

St. Francis Hospital

Patients admitted over the week-end include Mrs. Harland Peterson of Ford River, medical; J. J. Devost, of Gladstone, medical; Mrs. C. E. Anderson, 225 North 14th Street; Richard Potvin, 15, of Schafer, who on his foot with an axe wound; Edward Frappier, 1317, First Avenue North, surgical; David Bryson, 506 First Avenue South, was dismissed Saturday. Clyde Larson of Rapid River, was admitted for treatment.

Highland Golf Club's Annual Dance Tonight

One of the outstanding affairs of the spring season and what will undoubtedly be one of the prettiest parties of the year, is the first annual dance of the Highland Golf club which will be held this evening at the Coliseum.

Arrangements for the party have been in progress for some time, under the supervision of special committees of club members, and no detail toward making the party a success has been overlooked.

The dance program, which will be played by Charles Johnson's seven-piece Wolverline orchestra, will open at 8 o'clock with dancing until one o'clock. The grand march, one of the feature numbers of the program, will be the ninth number on the program. It will be led by Dr. G. A. Cotton, president of the Highland club, and Richard Flath and their partners.

Dance programs are in an attractive green and white design with a special cut of the club champion.

The party is for all members of the club and for all friends and guests of members and a cordial invitation is extended by the committee to them to attend. The sale of tickets which is in charge of a special committee, indicates that gladness will have a large representation at the dance.

Carl M. Williams is general chairman of the party. The reception committee of which Sam Dunn and William Warmington are chairmen, is: Mr. and Mrs. Dunn, Mr. and Mrs. Warmington, Dr. G. A. Cotton, Mr. and Mrs. Rayno Labre and Mr. and Mrs. Wolford Peterson.

C. Arthur Anderson and Elroy Andrews will have charge of tickets at the door and A. H. Cyr is in charge of the ticket booth. The ticket sales committee from any member of which tickets may be obtained, is headed by Elmer Swanson as chairman, assisted by Carl Jackson, J. J. Doucher, Leonard Stude, John W. Watson, Charles Magnuson, John O. Moberg, Attorney Torval E. Strom, A. J. Perrin, Clement L. Tordeur and Harry Ehnerd.

The president of the United States a month ago, urged that everything possible be done to restore confidence. This sales tax bill would go a long way toward accomplishing that purpose.

University Coeds Poor Dates Says Student Opinion

Milwaukee, Wis.—Marquette university co-eds are too sophisticated!

They are too naive, too intelligent, too expensive!

They have an eye for none but athletes!

They are not the dating kind, or are too "dated!"

They are hard to meet!

They gossip too much!

Advancing the above reasons, a cross section of Marquette men students has declared itself in regard to the varsity women and, has voted, 51 to 15, against co-eds as partners at social affairs.

A feature writer for the student newspaper, a co-ed, by the way, interviewed men students in every school and college of the university. She asked them whether they preferred the company of co-eds or other young women when attending dances and campus parties.

Peculiarly enough, departments which have few or no co-eds were those most in favor of the women students. The engineers and the dental students were their companions, while those enrolled in business administration had little to say in their favor.

In choosing dates, the Marquette men specified beauty as the foremost requisite. Character ran a close second. Then, in order, came reputation, common sense, intelligence, personality and repartee.

So far as could be learned, no hearts have been broken by the outspoken comment of the Marquette men. And the latter must look to their laurels, since the student newspaper promises a similar excursion by the same interviewer among the co-eds.

Sage Green Fur Used in Ensemble

New York (AP)—Sage green fur formed the basis of an unusual ensemble worn at the Fencers club's first senior fells tournament of the season for women. A green mole-skin coat, over matching dress, was completed with an oval muff of the same green fur. Mrs. Stuyvesant Fish, prominent in the national Amateur Fencers league, wore an emerald lace gown, with wide brown fur cuffs on three-quarter sleeves. The pattern blended dull and brilliant silk threads in interesting contrast.

Alice Kvam Is Named Head of B. & P. W. Club

Miss Alice Kvam was elected president of the Business and Professional Women's club at the regular meeting held last evening at the Hotel Ludington. Miss Kvam succeeds Miss Florence Langley. Mrs. Caroline Heidenreich Nystrom was elected vice president; Miss Julia Parsons, recording secretary; Miss Flora Clark, corresponding secretary, and Miss Marie Peters, treasurer.

Business matters were taken up last night's meeting. Plans were formulated for a public card party to be given early in May. Miss Adrienne Tounignant was appointed general chairman of the card party committee.

Many letters have been received by the club from various business and professional men who attended the public relations dinner given March 14 at the Hotel Ludington, pledging their co-operation in any civic project sponsored by the club. The members also pledged to do their share in the observance of National Music Week which is May.

Several names of prospective members were presented and accepted and a number of other members will join the club in the near future. All applications for membership should be sent in before the end of April or not later than May 15.

The next meeting of the club will be held Wednesday, April 13. On that date Professor Mayskens of the Extension Department of the University of Michigan will be the guest speaker. This will be an open meeting and guests will be welcome to attend and hear the speaker whose topic will be announced at a later date.

Dental Health In Junior High School Improves

The March dental honor report issued by the office of the superintendent of schools shows that 20 percent of the students at the new Junior high school have teeth in perfect condition.

Miss Adele Hessel's seventh grade section in which 24 pupils are on the dental honor roll is in first place.

Miss Lois Gaut and Miss Mina Lay's seventh grade section is next with 12 members of the class in good dental health.

The names of those added during the month are: Seventh grade—Wilfred Dupont, Roy Burnard, Elizabeth Rheumau, Eighth grade—Carol Gould Dorothy Kubley.

Ninth grade—George Papineau, Miss Campbell's room—Lester Coly.

Collarless Coat

A navy blue smooth boucle coat is made collarless and with the modern version of the old Gibson pleat to give it wide shoulders. It fastens with a single button and belts at the normal waistline, with slanting pockets that bear direct relation to the cut of the top part. The sleeves are shaped with a peak below the elbow and taper to the wrists.

With this there is a taffeta scarf bow, of red, white, green and navy. It is attached across the back of the coat's neckline.

Sandberg Buys Dock From M. & L. S. R. R.

Purchase of a strip of land 300 feet long and 175 feet wide for dock purposes was recently made by Adolph Sandberg, proprietor of the City Fuel & Oil company. The property was purchased from the Manistique & Lake Superior Railroad company and is adjacent to the slip used by the Ann Arbor car ferry. Coal purchased by the local firm will hereafter be shipped in by water instead of by rail.

A high fence will be built around the property and also a small dock office.

AGED PIONEER DIES SATURDAY

Hiram Quick, Early Lumberman, Passes Away in Detroit

Hiram Quick, 82, one of the pioneers of the lumbering industry in Manistique, passed away Saturday evening at the home of his daughter, Mrs. W. S. Olin, in Detroit, according to word received here by Mrs. E. W. Miller, niece of the deceased. News of his death came as a severe shock as it was known that Mr. Quick was in fairly good health two weeks ago, although he had been suffering from a heart ailment for some time.

Mr. and Mrs. Quick came to Manistique from New York state during the latter seventies. For many years he served as foreman at the sawmill of the Chicago Lumbering company and later had charge of the planing mill for the Weston Manufacturing company. About 14 years ago Mr. and Mrs. Quick left Manistique to establish their residence with their daughter, Mrs. Olin, where they have since resided. The deceased was a charter member of the First Baptist church of this city.

Immediate survivors in addition to his widow are two daughters, Mrs. J. C. Irish, Birmingham, Mich., and Mrs. W. S. Olin, of Detroit. A son, Ernest, passed away in Detroit in 1929. A sister, Mrs. Eva Burley, of this city, also survives.

Relatives of the deceased living in Manistique are the following nephews and nieces: O. G. Quick, Jack Quick, Mrs. Fred Greenwood, Mrs. T. H. Boltho, Mrs. E. W. Miller, and Mrs. Lena Gayar. No definite date has been set for the funeral services, although they will probably be held Wednesday afternoon from the E. W. Miller residence, 403 Walnut street. Rev. Joseph Gross, pastor of the First Baptist church, will officiate and interment will be made in Lakeview cemetery. The remains will arrive here this noon and will be taken charge of by Gunnarson & Kefauver, local morticians.

Fishing in inland lakes is prohibited for the month of April according to an announcement made by Paul Knuth, local deputy conservation officer. The season will open again on May 1. Local anglers have reported large catches of perch and pickerel on Indian and other inland lakes during the winter season.

Costume Ball To Be Given Friday

Gorsche's Serenaders will play for the Costume Ball which is being arranged by the entertainment committee of the Elks' lodge. The dance will be given at the Elks' temple Friday evening, April 8.

The ball will be known as a "costume party." Invitations for the dance are being sent out this week.

SCHRAM FUNERAL HERE TOMORROW

Auto Accident Victim To Be Buried in Fern- Wood Cemetery

Lewis Schram, who was almost instantly killed Saturday evening in an auto collision on highway U. S. 2, about two miles south of Gladstone, will be buried in Fernwood cemetery Wednesday, following service at All Saints' church at 9 o'clock. Rev. Fr. Sebastian Maier will officiate.

While plans are going forward for the funeral, officials of the county are conducting an investigation to determine the cause of the fatal accident in which the death car driven by Joseph Gregoire, Gladstone, collided head-on with a car driven by Alida Dupont, Escanaba. Miss Dupont and Mary Constantineau, who was riding with her, were badly injured.

According to stories told by witnesses to the accident and the drivers of the two cars, the collision was practically unavoidable. A severe snow storm was in progress at the time and the pavement was covered. The air was also filled with fine snow particles which practically obscured the vision. It is also stated that just before the cars collided a third car passed the Dupont car throwing up a cloud of snow. The cars came through this cloud directly toward one another and so nearly together that it was impossible for either to swerve out of the pathway of the other.

Schram, who was riding with Gregoire in the front seat of the car, was thrown through the windshield and his throat cut. He died within a few minutes from loss of blood. Gregoire was but slightly hurt and John Schram, brother of the man fatally injured and the third occupant of the car, escaped with bruises. Miss Dupont was badly cut and bruised and her right leg was broken below the knee. Miss Constantineau suffered severe bruises and cuts about her head.

Schram's body was returned to his home here Sunday from the Alto funeral home at Escanaba where it had been prepared for burial and will lie in state until the hour of the funeral.

He leaves to mourn his death, his widow and one child, a two-year old son, Marvin, besides his parents, Mr. and Mrs. Frank Schram and four sisters, Mrs. Wm. LaCroix, Detroit, Mrs. Joseph Gregoire, Elizabeth and Elaine, of Gladstone, and six brothers, Albert, John, Peter, Richard, Chester and Robert, all of Gladstone.

CLAUDE W. HAWKINS J. PAUL BUSHONG

Hawkins and Bushong Returned to Offices

Claude W. Hawkins and J. Paul Bushong, incumbents, were reelected to Gladstone's city commission in yesterday's election, which brought out a record vote.

The results were as follows: Claude W. Hawkins 903, J. Paul Bushong 895, Swan Widar 561, and Albert Madden 144.

Madden withdrew from the race several days ago, but his name remained on the ballot. At the time of his withdrawal, he asked the voters to refrain from giving him support.

Hawkins has served on the commission since the inauguration of the city manager form of government in 1923, while Bushong has served two years.

The votes by precincts:

MANY CONTESTS IN SCHOOLCRAFT

Gray Wins on Slips at Cooks, Arrowood Defeated

Manistique, (Special)—Contests for township offices were an evidence all over Schoolcraft county in the election Monday, with heavy votes polled in communities where pre-election campaigns were most heated. Thompson township was the only one without slip candidates.

The results in the other seven townships were as follows:

HIAWATHA—Charles Howard was elected supervisor over Ezra Aldrich, 147 to 134. Howard's vote was 98 in lower Hiawatha and 49 in the upper precinct. Aldrich collected 73 in the lower, and 61 in the upper. Martin Johnson defeated Carl Linderoth for highway overseer, district 1, and Lawrence Aldrich defeated Arnold Hendrickson in district 2.

INWOOD—George Gray, slip candidate and former supervisor, was elected supervisor over Albert Huescher, incumbent, 115 to 96. Glenn Aldous, regular candidate for treasurer, was elected on his 75 votes. Mrs. Otto Winkler received 69 and Matt Walter, 68.

DOYLE—Ralph Merwin, who won the nomination for supervisor in the caucus, defeated Matthew Brerley, slip candidate and incumbent, 104 to 101. Basil Reid, regular candidate for clerk, defeated Lloyd Klugstad, 140 to 61. The vote for treasurer was: Aron Bierkman 160, Gerald Watson 44.

MULLER—Supervisor E. J. La Perre 123, John T. Lundberg 26. Clerk—John Rogers 98, Vern Greenwood 73. Highway commissioner—De Sautoll 88, John Hunter 79. Treasurer—Ormai Bauer 57, Blanche Van Orman 51.

GERMFAK—Abner Mac Dougal, incumbent and regular nominee, was elected supervisor. He received 105 votes and William Brayn polled 87. For highway commissioner—Frank Conlon 115, William Ackley 87.

SENEY—A slip candidate, Charles Faulkner, was elected highway commissioner. His vote was 50 against 47 votes polled by Emery Smith, his opponent. Mae Kubond, slip candidate, was elected treasurer. She received 93 votes and Francis Morrison had 43.

MANISTIQUE—James Arrowood, incumbent and slip candidate, lost his race for supervisor to Ross Klugstad, 106 to 64, and W. Lee Wood was defeated for clerk by John Watson, slip candidate, 56 to 79. For highway commissioner, Dolph Anderson, had no opposition, and the same was true of the treasurer, Anna Ekstrom, both receiving 175 votes.

Willard Gentz, who has been ill at his home for the past several days with the chicken pox, is improving steadily.

Entertain at Party
Mr. and Mrs. Bert Hulshof entertained their club at a shofskopf party on Saturday night. Three tables were in play with Mrs. Albert Huescher and William Hemb receiving the first prizes; Mrs. Bert Hulshof and Otto Winkel, second; and Mrs. Otto Winkel and William Laux, consolation. A tasty luncheon was served after the games.

Members of the club present were Mr. and Mrs. Louis Laux, Mr. and Mrs. William Hemb and family, William Laux and Mr. and Mrs. Bert Hulshof of this city and Mr. and Mrs. Albert Huescher, Mr. and Mrs. Otto Winkel and Jake Danø of Cooks.

Evening Party
Mrs. Dorothy Nelson was hostess to several friends at a delightful evening party at her home Saturday. Games and dancing provided the entertainment for the evening. Delicious refreshments were served after the games.

Birthday Party
Armand Hinkley was the guest of honor at a party Saturday arranged in observance of his tenth birthday by his mother, Mrs. Sam Hinkley. Games were played until dinner was served at 5:30 o'clock, at a table attractively decorated in green and pink with a large birthday cake for the centerpiece. The party was continued after dinner by the boys attending the theatre.

Armour's guests were Duane Waters, David Shinar, Harold Hewitt, Bruce Nicholson, Sherman Ludlow, Jimmie Southard, Paul Backwell, George and Harry Erickson, Harold Peasely, and Walter Osterhout.

Tea Party
Eight friends were guests of Mrs. W. A. Turpin at her home Friday at a charming afternoon tea. Five hundred was played during the afternoon, the guests forming two tables.

Dinner Party
A six o'clock dinner was served to several friends at the home of Mr. and Mrs. William Duchenev Thursday evening, the occasion being the 56th anniversary of Mr. Duchenev.

Bridge followed the dinner with prizes for the evening being awarded to Mr. and Mrs. Carson Carstensen.

Mr. Duchenev received many gifts, remembrances of the happy occasion.

Sidelights

Some person or group of persons who would have one believe that they have the interests of the city and county at heart recently stealthily distributed colored handbills carrying scathing denunciations vilifying local businesses and institutions, censuring persons connected therewith in brutal and in no uncertain terms.

The slandering sheet was signed, "A Taxpayer." What a cowardly piece of propaganda to unfold to the public! The cynical author or authors are afraid to come out into the light and substantiate the charges. Every effort should be made to ascertain the identity of the writer. No self-respecting community can well afford to have the minds of its citizens poisoned in this fashion. We challenge the sponsors of the "Why Is It?" publication to come out into the open and substantiate the claims.

If the purpose of the propaganda was to create a furor we dare say that it succeeded. But if its purpose was to remedy certain implied evils which are supposed to exist in our community, then it certainly is a failure.

Even if some of the charges are true, the effectiveness of the publication is greatly curtailed because it denounces everything and everybody. Nothing has ever been accomplished by destructive criticism when there is nothing of a constructive nature offered in its place. A plea to patronize the golf course and another in defense of our hotels and restaurants were the only "boasts" listed in the entire 37 questions, and these were in all probability mentioned for purely selfish reasons.

The anomaly of it is contained in the conclusion of the "Tax Payer" which states: "Get that old sour look off from your face. If you can't Boost, don't Knock. If you can't Pull, be a Pusher!"

Both men were arrested on Skelton road.

CITY BRIEFS

Mr. and Mrs. Louis Farley and daughter, Bella, and son, Morgan, were guests at the home of Mr. and Mrs. William Genz Sunday.

THEATRES

And a child shall lead them—In the plural sense, a score of youngsters are leading established screen performers by playing the principal roles in RKO Radio Pictures' "Are These Our Children?" opening today at the Rialto.

Ordinarily the minors play in support of their elders but since this production concerns high school boys and girls the mature actors for once in their lives play second fiddle, or, as it is professionally termed "in support."

Twelve unusually talented juveniles—ranging in ages from sixteen to twenty years—make up the main cast of the picture.

"Are These Our Children" was directed by Wesley Ruggles from an original story by himself which Howard Estabrook adapted to the screen. This notable pair was responsible for the success of "Cimarron."

Plan To Resume Work On Sewer

Construction of the trunk sewer being laid in Montana and Elm street, will probably be resumed the latter part of this week or early next week according to a letter received by City Manager F. E. Buechner from the John R. Edelman company, of Muskegon Heights, sewer contractors.

According to this letter, work will be resumed as soon as the ground has thawed sufficiently to permit excavating without the use of dynamite.

Work was shut down several weeks ago when the contractor was faced with heavy losses due to the slow progress that could be made. With less than three blocks laid of the ten blocks covered by the contract, the cost had exceeded the contractors' estimate by \$400.

Two Are Fined On Drunk Charges

Henry Heric and Walter Clement, both of Ensign, paid fines of \$1.00 and costs in justice court here yesterday when each entered pleas of guilty to drunk charges preferred by Torval Kallerson, Chief of Police. Heric was arraigned in the court of Justice A. D. Algure and Clement appeared before Justice A. T. Solberg.

Both men were arrested on Skelton road.

Shooters Ring Up Good Scores Sunday

Sunday's shoot at the Chicago and Northwestern Gun club found a good number of gunners banging away at the little clay birds. Lou Villumier showed the boys how it is done when he took his first 25 birds from the 16-yard line without a miss, he followed up with 23 out of 25 for the best score from "sarah." Other high scores were turned in by H. O. Brotherton, 23 and 22; Bob Henderson, 23 and 21 and Lester Brotherton, 24.

Koenecke Shows McGraw That He Can Slide Bases

BY BRIAN BELL (Associated Press Sports Writer)

Leonard Koenecke, big, fast outfielder from the American association who will start in left field for the New York Giants, was personally inspected by Manager John J. McGraw before the club paid approximately \$75,000 for his contract.

The recruit seems about to justify the judgment of the veteran manager. Koenecke batted .353 for Indianapolis, smashing out 24 home runs, 19 triples and 24 doubles as well as stealing 13 bases, but his record on paper would not have been enough.

He showed McGraw that he knew something about how baseball should be played. In an exhibition game at Los Angeles Koenecke raced from first to third on a sharp single and a good throw almost caught him.

The big fellow is only a fraction under six feet and weighs 180 pounds; "hit the dirt" with a beautiful slide and came to his feet standing on the bag.

McGraw, sitting on the bench, looked up at this exhibition in pleased surprise, suggesting, perhaps, that the rookie had not showed him that before. Major league managers have been complaining for years that many otherwise adequately prepared players come to the majors with little knowledge of how to slide.

The new Giant can slide, not so well as Ty Cobb at his best, but many degrees better than could Tyrus Raymond when he began his sensational major league career.

If Koenecke gets away to a good start the Giants will have a great outfield for the other two, Freddy Lindstrom and Melvin Ott are able to hold their own with the best in the game.

McGraw started from the Pacific coast with a team in perfect condition and if the weather east of the Mississippi is good for them, they should go places and do things after the bell rings.

HURLERS READY
The Giants embarked on their long trek with seven pitchers ready to pitch nine innings and by the time they get to the Polo Grounds the other twirlers will be ready to go the route.

Manager McGraw has lost no sleep over a staff described by some of his critics as "unbalanced" by reason of the presence of four lefthanders in a possible total of nine.

"I don't think any club likes to bat against a good lefthander," he said. "A good pitcher is a good pitcher, no matter which arm he uses."

"We think our lefthanders will do very well and we are glad to have them."

Michigan State Is Winner Over Xavier
Cincinnati, O., April 4 (AP)—Outslung in a fifth inning rally, Xavier university to Michigan State today, 7 to 6. McPhall's triple for Xavier was the longest hit of the day but Michigan hit vigorously in mid-game to overcome the handicap of loose fielding.

The score: Michigan State 000 142 000—7 13 5 Xavier 000 121 101—6 6 1 Brose and Lawford; Hamilton, Farrell and Steinkamp.

New York Yankees Defeat Louisville
Louisville, Ky., April 4 (AP)—Manager Joe McCarthy, returning to the town where he served ten years as player and manager, led the New York Yankees to 9 to 6 victory over the Louisville Colonels today. Babe Ruth came through with a single and a double, driving in three runs. New York 103 230 000—9 12 1 Louisville 100 010 040—6 14 6 Rhodes, Andrews and Dickey; Hatter, McKain, McLean and Shea.

ENGLAND BEHIND
London.—A recent report shows that England ranks fourth among the four great powers in the matter of fighting planes. "We have 706 first-line aircraft in the Royal Air Force," a recent report reads, "or just about half the number possessed by three other Great Powers—the United States, France and Japan."

GOOD OLD SUN
Washington—Old Sol, in serving the earth, has furnished some interesting figures for the Meteorological Tables of Smithsonian Institute. It has been figured that the noonday sun on a clear day gives 465,000 times as much light as the full moon at its zenith. Its light during this period is nearly 120,000 times greater than that given by all the stars in the sky on a clear night.

About one-fifth, or 2,000,000 acres of Florida, is composed of rivers, streams and lakes.

Temperature of the Gulf Stream ranges from about 62 Fahrenheit in winter to 88 in summer.

Burleigh Grimes, veteran spitballer who won two games for the Cards in the last world's series, is planning big things as a member of the Chicago Cubs this year.

WAR PREPAREDNESS
Paris.—A gas mask for every person in France has been ordered by the French government. Fifty million of these protective masks have been contracted for, and specifications require that they run for 10 hours without renewing the chemicals in them. They are supposed to be protection against the deadliest gases made.

THEY'RE FASTEST
Washington.—It is reported that the U. S. Army Air Corps has developed what is thought to be the world's fastest two-seater airplane in the world, the fastest climbing and most rapid single-seater air-cooled pursuit craft, and a new bomber, that is nearly 40 miles an hour faster than anything built in its line.

HE NEVER FORGOT
Texarkana.—Joe Hughes found out that Judge Louis Joseph has a good memory. Joe was halted before the judge on a reckless driving charge. "How do you do?" the judge greeted Joe. "You're the boy who thumbed your nose at me, aren't you?" Joe remembered then that he had done that little act six months before. The judge got a big laugh out of casting it up to Joe.

CRISLER LOOKS OVER HIS SQUAD

Princeton Fans Expect Former Gopher Man To Do Miracles

Princeton, N. J., April 4 (AP)—Three burly fellows from Minnesota, headed by H. O. "Fritz" Crisler, set out today to shake Princeton football out of the doldrums and inaugurate the first non-alumni coaching system the Tiger has known in 63 years.

Crisler and his two assistants, Elton E. "Tad" Wieman, and Earl Martineau led fifty youngsters out onto a practice field for the first day of spring training. The practice sessions will continue five or six weeks.

It was mostly handshaking day, as Princeton turned out to greet the new coach and glimpse, if possible, the miracle it expects him to perform this year with a squad that went through the saddest season in Tiger football history last fall.

Best Back Injured
Crisler and his assistants met group after group of former Princeton men and everywhere found solid support for the revolutionary change that followed the resignation last fall of Al Wittmer, last of the legendary line of Princeton head coaches.

While at least 30 more candidates are expected to join the squad after crew, baseball, and track requirements slow down, Crisler probably missed Millard Braudt, best of Princeton's backs last most, most of all. Braudt underwent an operation for an old leg injury in Baltimore last week. He probably will miss all of the spring practice.

Crisler, however, appeared satisfied with the material, despite the lack of numbers and size. "They're willing," he said, "and they'll work. The spirit is fine. It will take weeks, of course, to find out just what there is on the squad, but these boys do not look to me like the kind who'll be beaten often. I like them."

MRS. O. S. HILL LEADS GOLFERS
Kansas City Woman Has Card of 85 in Qualifying Round

Greensboro, N. C., April 4 (AP)—Mrs. O. S. Hill of Kansas City, led today in the qualifying round of the Sedgwick dogwood tournament for women with a card of 85, four above women's par. A strong wind sent all cards into comparatively high figures.

Mrs. Hill was closely pressed by Mrs. Leon Solomon of Memphis, Tenn., who finished with an 88.

The sixteen leading contenders, who for the championship flight, tee off tomorrow morning for the first round of match play.

Mrs. Hill meets Miss Dean Van Landingham of Charlotte; Miss Estelle Lawson of Chapel Hill, N. C.; meets Miss Beatrice Gottlieb, of New York; Mrs. J. J. Lawlor of New Rochelle, N. Y.; meets Miss Margaret Jarboe of Greensboro, N. C.; Miss Margaret Maddox of Atlanta, Ga.; meets Mrs. O. B. Keller of Atlanta; Mrs. Hazel Martelle of Hartford, Conn.; meets Mrs. C. P. McLain of Detroit; Mrs. Bruce Cameron of Ypsilanti, Mich.; meets Mrs. W. H. Willard of Charlotte; Mrs. Bernard Comp. of Greensboro, meets Mrs. Solomon.

Former Local Ball Player Visits Here
Paul Nelson of Milwaukee, who courted around the local baseball diamond some eight years ago, was in Escanaba yesterday renewing old acquaintances. Nelson while here alternated between second base and the pitcher's box and proved a capable and popular performer. Nelson was here at the same time as Len Koenecke who has since "gone up" to the Giants.

IN NEW UNIFORM
Philadelphia, April 4 (AP)—George M. Lott, Jr., of Chicago, No. 2 in the national tennis rankings and runner-up in last year's national singles tournament, announced today he would not be a member of this year's Davis cup team.

In a telegram to Philadelphia newspaper from Houston, Texas, where he won an invitation doubles championship yesterday with Ellsworth Vines, he said only: "I am retiring from Davis cup competition this year for business reasons."

The Davis cup selection committee is scheduled to announce this week the makeup of the United States squad.

GIBBY LIKES HIS ACTIONS

"Best kid to join the Pirates in 10 years," is the way George Gibson, left, manager of the Pittsburgh Pirates, describes rookie F. Vaughan, right, young shortstop. Vaughan performed at Wichita in the Western League last season. He pounded the ball for a .338 average, which included 21 doubles, 16 triples and 21 home runs. In fielding he led the league for those participating in more than 75 games. Vaughan may not beat out the veteran Tommy Thevenou for the short field job, but he'll be carried along so he can look and listen.

KANSAS BLUES TRIM DETROIT

Association Team Rings Up 18 Hits Against Tiger Hurlers

Kansas City, April 4 (AP)—Kansas City bats connected for 18 hits, 10 for extra bases, to give the American Association team a 14 to 7 triumph over the Detroit Tigers here today. The defeat was the third straight suffered by the American leaguers at the hands of the Blues.

Bob Boken, blue third baseman, hit a home run, two triples, a double and a single in five times at bat. Rogell, Tiger shortstop, also hit a homer.

Wyatt, Detroit's starting pitcher, was hammered for 14 hits and 10 runs in six innings. Bridges finished, Bayne for the Blues, was unsteady, but Thomas, who pitched the last five innings, limited Detroit to three hits.

The score: R H E Detroit 030 200 020—7 8 2 Kansas City 010 333 22x—14 18 1 Wyatt, Bridges and Ruel; Bayne, Thomas and Phillips.

Lott Announces He Will Not Be On U. S. Davis Cup Team

Philadelphia, April 4 (AP)—George M. Lott, Jr., of Chicago, No. 2 in the national tennis rankings and runner-up in last year's national singles tournament, announced today he would not be a member of this year's Davis cup team.

In a telegram to Philadelphia newspaper from Houston, Texas, where he won an invitation doubles championship yesterday with Ellsworth Vines, he said only: "I am retiring from Davis cup competition this year for business reasons."

The Davis cup selection committee is scheduled to announce this week the makeup of the United States squad.

Brooklyn Dodgers Tie With Gophers

Montgomery, Ala., April 4 (AP)—Although "Lefty" Clark pitched hitless ball for five innings, the Brooklyn Dodgers could get no better than a tie with Minneapolis today. The game was called at the end of the tenth with the score deadlocked at two all.

Brooklyn 101 000 000 0—2 7 2 Minneapolis 000 002 000 0—2 5 1 Clark, Hoyt and Richards; Plentich; Wilson, Brillheart and McMullen.

Red Sox Capture Swatfest By 7-4

Jersey City, N. J., April 4 (AP)—The Boston Red Sox made it two in a row over the Jersey City club of the International league today, 7 to 4, after a free hitting exhibition.

Ernie Pickering of the Red Sox and Tony Cotelle of Jersey City hit home runs. Boston 021 100 102—7 14 2 Jersey City 001 010 002—4 13 2 Bacfayden, Donohue and Berry, Storey; Perkins, Hargrove and Morrow, Veltman.

Columbus Man Misses a Perfect Score by Just One Pin
Detroit, April 4 (AP)—Chicago bowlers created two changes among the American Bowling Congress tournament high ten leaders in today's play in the national ten pin classic.

Jack Burke hung up an aggregate count 1940 for his nine games to take third place in the all-events division, with an average of 215.5. He scored 634 in the team event and followed with 683 in the doubles. He made several big breaks, he counted 621 in the solo event.

White Burke was scoring 685, his veteran partner, Sam Murray, registered 593, the pair rolling into a tie for eighth place with H. Reitmeyer and H. Cook, Irvington, N. J. John Winko, Columbus, scored the high individual games of the tournament when he opened his second attempt in the doubles event with a row of eleven strikes and counted nine pins on his final ball for a 299 mark. His twelfth ball was a cross over "Brooklyn" hit and he left the number six pin.

Officials of the congress reported late today that the following scores were still in the prize money: team event, 2671; doubles, 1198; singles, 567, and all-events, 1785. The tourney will be concluded next Monday, April 11.

Outdoor Range Rifle Matches Begin May 1

Washington, D. C.—With the winter indoor matches concluded, rifle and pistol shooters of the country are now preparing for the opening of the eleventh annual program of National Rifle Association outdoor spring-summer events, which will begin May 1 and continue through July.

Twenty-two small bore rifle matches, thirteen high-powered rifle matches and twelve pistol matches are on the program in addition to the leagues that will be conducted for N. R. A. clubs.

The leagues, started in last year's outdoor matches, have proven the most popular form of team shooting as evidenced in particular by the fact that teams of 219 clubs of every part of the country competed in the winter indoor leagues, the teams being grouped into twenty-five "circuits" and shooting one match a week.

YOUTH LEADING AT PINEHURST

Treachorous Winds Cut Down Efficiency of Amateur Golfers

Pinehurst, N. C., April 4 (AP)—Forbes K. Wilson, 22 years old, who just a week ago returned from Chile where he was employed as a mining engineer, led a field of 125 golfers here today in the first 18 holes of the 36-hole qualifying round of the 36th men's north and south amateur golf tournament.

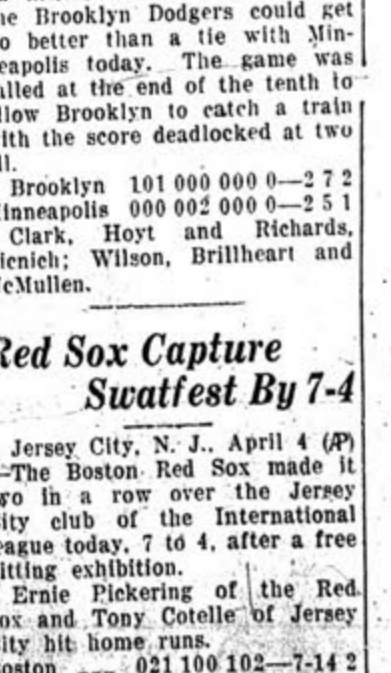

His total of 76 was good enough to bring him in ahead of others who found the combination of high winds and treacherous traps of the championship course too difficult.

Wilson's score of five over par gave him a one stroke lead over John D. Champman of Greenwich, Conn., United States senior champion, and Chandler Harper of Virginia Beach, Va., former old dominion champion.

Two strokes farther back with 79's, were S. W. Noyes, Jr., of Dobbs Ferry, N. Y., captain of the Yale golf team, and Alan Smith, of Asheville, N. C., university of North Carolina sophomore.

Others were unable to better 80, although the field included such stars as J. B. Ryerson, Coonerstown, N. Y., Will Gunn of Swarthmore, Pa., and Dick Wilson of Southern Pines.

MAX CAREY
GRABBED A BROOM AND HIT A HOME RUN

WHILE THE LOCAL BOYS WERE KICKING THE BALL AROUND MAX WENT ALL THE WAY AROUND THE BASES

THEY ALL LAUGHED WHEN MAX CAREY grabbed a broom and hit a home run—and this is how it happened: The Pirates were playing a picked team at St. Marys, Ohio. Hans Wagner and Bill Hinchman were veterans then and Max Carey and "Lefty" Cooper were youngsters. It rained in the morning and at game time the field was one big puddle. Loads of sawdust were spread about home plate and the bases. A broom was provided to keep the sawdust leveled. The Pirates took a huge early lead. Then, in a late inning, Carey came to bat. After taking two swings, he dropped his bat, while the home-talent pitcher was winding up, seized the broom and swung from the hips. The ball plopped weakly toward third, and the pitcher seized it. But the cover was wet and the pitcher threw far over first base. Carey dashed for second. The first baseman heaved wildly into deep left field. Carey galloped home, and since everybody was having so much fun, he let the run count.

UZZUDUN BEATS JACK GAGNON

Spanish Heavyweight is Decisive Winner at New York

New York, April 4 (AP)—Paulino Uzudun, veteran Spanish heavyweight, knocked out Jack Gagnon of Boston in two minutes and 35 seconds of the seventh round of their ten round bout here tonight. Paulino weighed 203 pounds, Gagnon 204.

The New Englander, on the receiving end most of the evening, went down for a count of nine early in the seventh round and came up just in time to take a left and a right that put him down for the full count.

Paulino fought a well-planned fight and, except for a few moments in the fifth round, never was in danger from the hard-hitting Gagnon's attack.

PAAVO NURMI IS SUSPENDED

Charges of Irregular Expense Accounts Will Be Checked

Helsinki, Finland, April 4 (AP)—Finishing athletic authorities were aroused today over the suspension of PAAVO NURMI, Finland's great runner, by the Council of the Amateur Athletic Federation, meeting in Berlin, on charges of irregular expense accounts.

Nurmi was suspended pending the result of an investigation by the Finnish federation, which was asked to undertake such a probe by the international body.

The Finnish authorities charged, in effect, that Nurmi had been suspended by the international body without a hearing and without waiting to receive the report from Finland.

The basis for the suspension was not officially disclosed but was believed to involve charges of padded expense accounts for appearances in Poland, Italy and Germany.

Peer of Distance Men
The international council is not scheduled to meet again until just before the Olympic games in Los Angeles, but there is little doubt that if the Finnish federation gives Nurmi a clear bill of amateur health the international body will accept it without question.

Although slowed up somewhat for the shorter distances, Nurmi is still the peer of the world's runners for 10,000 meters or beyond and would be the favorite for the Olympic marathon, if he chooses to run the classic distance.

Nurmi was in trouble twice with the Amateur Athletic Union of the United States on his trips to that country, once over expenses and again over whether he expected to remain in the States or was merely visiting. He was never suspended, however, and was cleared in both investigations.

He holds eleven world records including the marks from one mile to ten and from 3,000 meters to 15,000. Some of these have been bettered in the last year but have not yet been accepted by the international body.

American Legion Fights Reduction For Disabled Men

Advices received by American Legion officials from the national legislative committee in Washington, D. C., reveal that disabled veterans will continue to receive compensation, hospital maintenance and disability allowances, and that rumors of curtailments to be made at this session of congress are without real foundation, according to Phil Bruce, post commander at Escanaba.

John Thomas Taylor, vice chairman of the Legion's national legislative committee, has reported that the rumor, which caused some consternation, originated from the fact that the economy committee of the house has been holding hearings to decide how appropriations can be cut, money saved and the budget balanced. Officials of the various departments have appeared.

"I see no reason why any disabled veteran should be disturbed and it is my judgment this committee will make no recommendations which will affect the necessary appropriations from the veterans' administration," Taylor is quoted as saying.

"One veterans' organization has proposed the acceptance of a 10 percent cut in all compensation, but this and similar proposals will be combated by the Legion.

"The average compensation paid disabled men is \$43 a month, little enough, and the Legion never will agree to compromise on that amount."

Defending Champ Wins First Bout In Boxing Tourney

Boston, April 4 (AP)—Steve Salek, only defending champion in the junior amateur boxing championship tournament, today barely survived his opening trial against Joe Berry, skilled 135-pound battler from Cleveland.

Berry took a wide lead early in the three-round contest and managed to open a wide cut over the champion's right eye with a left jab in the second. The aggressive Lowell youth, however, refused to be daunted and put on a whirlwind closing attack that drew a close but unanimous award from the officials.
