

ROOSEVELT LEADS CALIFORNIA VOTING

STATE SENATE FACES BITTER ECONOMY TILT

STATE POLICE AND JACKSON PRISON CRITICIZED

BY GILBERT T. SHILSON (Associated Press Staff Writer) Lansing, Mich., May 3 (AP)—The senate finance committee voted today to precipitate what may be the bitterest fight on the special legislative session.

Two Main Proposals

Two of the principal items the minority group wishes to reduce are the appropriations for the state police and the maintenance of inmates of Jackson prison.

The state police, prior to the enactment of the automobile drivers' re-registration law, got along on an appropriation of \$487,000, said Senator Albert J. Engel, of Lake City, a leader in the minority group.

"This year they are expanding, because in addition to appropriations of \$557,000 from tax money they will get about \$700,000 from license revenues, I am in favor of the state police, but this is too much money."

As a talking point which they believe will carry considerable weight, the minority members will recommend increases for one department. They would restore the full appropriations made by the last legislature to the conservation department for forest fire work and for the operation of state parks.

"We want to economize everywhere we can," Engel stated. "We think this can be accomplished by cutting \$1,700,000 more than the governor recommended from various departments. We feel, however, that it would be false economy to force the conservation department to be

WEATHER

LOWER LAKES—Gentle to moderate shifting winds; cloudy Wednesday, probably local showers.

UPPER LAKES—Gentle to moderate shifting winds over south portion and mostly moderate north to northeast over north portion; generally fair Wednesday on Superior and extreme north portions Michigan and Huron, and cloudy to partly cloudy over central and south portions.

LOWER MICHIGAN—Mostly cloudy Wednesday and Thursday, probably showers by Thursday in south portion; somewhat cooler Wednesday in extreme north.

UPPER MICHIGAN—Generally fair Wednesday, Thursday increasing cloudiness and somewhat warmer.

Table with 2 columns: Location and Temperature/Weather. Includes entries for Alpena, Boston, Buffalo, Calgary, Chicago, Cincinnati, Cleveland, Denver, Duluth, Evansville, Galveston, Grand Rapids, Jacksonville, Kansas City, Los Angeles, and Winnipeg.

Capone on Way to Atlanta Prison

With Legislators At State Capitol

Senate finance committee voted to submit the legislative budget dispute to the floor. Administration and anti-administration leaders headed opposing factions prepared to fight it out to determine whether far more drastic reductions than recommended by the governor shall be adopted.

Upjohn bill, authorizing continuance of \$1 a day payment to counties for care of tuberculosis patients, signed by governor. The house met the administration proposal for a five year moratorium on covert road construction with a drastic amendment to increase the holiday 100 years.

The administration measure to create board to compile information on real estate bonds was attacked as a measure designed to "cover up" the state securities commission.

NEW CURRENCY PLAN DEBATED

Committee Prepared to Consider Patman's Bonus Measure

Washington, May 3 (AP)—A charge, quickly withdrawn, that Secretary Mills "will profit by many millions" through a provision of the tax bill he helped frame today wrote a melodramatic finish to over three weeks testimony on cash payment of the soldiers bonus.

Representative Patman (D. Tex.), a leading bonus sponsor, made the assertion shortly before the house ways and means committee ended its hearings and prepared to consider in closed session the plan for making the bonus payment with \$2,000,000,000 of new currency issued for that purpose.

Robert L. Owen of Oklahoma, former chairman of the senate banking committee, closed for the bonus sponsors. He endorsed an amendment to the Patman bill for an issue of government bonds to be sold for the purchasing power of the dollar should fall too low under a new currency issue.

"The payment of adjusted compensation in cash," Owen said, "will raise the commodity values above the cost of production and give a reasonable profit and a motive to encourage production and employment and will, therefore, restore normal industry and commercial activity."

"We are in no danger whatever of having gold leave the United States. Within three months this plan would put us out of the depression."

Continental Buys Disco Motor Corp.

Detroit, May 3 (AP)—Purchase by the Continental Motors corporation of the assets and business of the Disco Detroit Corporation, manufacturers of a special type of milk delivery trucks, was announced today by W. R. Angell, president.

Three Arrested For Bogus Auto Plates

Detroit, May 3 (AP)—Police held three men Tuesday on charges of manufacturing bogus license plates for automobiles. The men gave their names as Earl Lyons, 41, his son, Merle, 30, and Ormond Elliott, 28. Officials said the license plates were used on liquor-running automobiles.

GANG LEADER SOON STARTS 11-YEAR TERM

PLANS TO PUT HIM IN LEAVENWORTH ARE CHANGED

Chicago, May 3 (AP)—Closely flanked by half a dozen federal agents, Al Capone was hurried from his county jail cell late tonight, and started on his way to the federal penitentiary at Atlanta, Ga.

The gang leader, sentenced to serve 11 years for income tax violation, was escorted from the jail entrance to one of a caravan of police cars waiting at the curb.

The convoy sped swiftly through Loop streets to the Dearborn street station, arriving a full hour before the departure of the Atlanta bound limited and was soon whisked into the Atlanta car.

"I am glad to get started," were the gang leaders only words as he boarded the train. As on all his public appearances, Capone was modestly attired, his dark blue overcoat reflected the tailor's iron, and a wide-brimmed hat framed his broad face.

Few Persons Present In contrast to a sullen, savage mood just before being taken from his jail cell, the massive dethroned gang leader appeared cheerful as he began his journey to eleven years of confinement.

He posed for photographers willingly, in the station rotunda. Federal officers were so successful in keeping details of the departure from the public, that few persons were on hand when he arrived at the station.

Rehearsed in their roles to prevent any last minute efforts to free Capone, the police and federal officers swung swiftly into an impregnable escort.

He entered the police car in company with Victor Moriel, alleged automobile thief, who was being taken to Tampa, Fla., for trial.

On the train with Capone was United States Marshall H. C. W. Laubenthal, Deputy Marshals Thompson, Nordstok, Glasser, O'Neill, and Clark, and two rail-

American Backers Of Kreuger Never Doubted His Faith

New York, May 3 (AP)—Testimony that Lee Higginson & Company, which conducted the American financing, had never seen documentary proof of government match concessions that formed an important part of the assets of the Kreuger and Toll enterprises was offered today before Oscar W. Ehrhron, federal referee in bankruptcy.

More than \$163,000,000 of United States money was invested in the enterprises in eight years, it was brought out at a hearing in the International Match Corporation receivership.

Hogarth To Appear In White Bass Case

Detroit, May 3 (AP)—George R. Hogarth, state director of conservation, will appear before Circuit Judge Joseph A. Moyilhan May 7 to show cause why he should not be restrained permanently from contacting white bass caught outside of Michigan and offered for sale here. A temporary injunction was secured by the American Fish Co. and the Salesnek Fish House, claiming that the Michigan law forbidding the catching and selling of white bass cannot be made to apply to fish caught in Canadian waters.

"TAKEN FOR RIDE"

BEER FAVORED BY MINORITY

Senate Comish Reports Bingham Measure Adversely

Washington, May 3 (AP)—Sharply conflicting views on the effect of legalizing beer were presented to the senate today as its manufacturing committee reported adversely a bill to permit manufacture of four percent beer.

A majority of seven asserted in a report prepared by Senator Hatfield (R. W. Va.) that it would "add to enforcement difficulties and retard rather than accelerate economic recovery."

A minority of four, in a statement presented by Senator Metcalf (R. L.) said beer would promote temperance and provide revenue and employment. It decreed prohibition, saying its effect "seems to have been the driving of people to hard liquors with a resultant increase in drunkenness, deaths from alcoholism and general lawlessness."

The majority opposing the beer bill comprised Senators Hatfield, McNary (R. Ore.), Goldsborough (R. Md.), Cutting (R. N. M.), Smith (D. S. C.), Sheppard (D. Tex.) and Costigan (D. Colo.).

The minority consisted of Senators Metcalf, Barbour (R. N. J.), Bulkeley (D. O.), and LaFollette (R. Wis.).

"There is no reason," the majority report said, "for a change in the law which would satisfy neither the opponents nor the supporters of the eighteenth amendment, which would be of doubtful constitutional validity, that would add to enforcement difficulties, and which would divert a large share of the purchasing power of the people from the products of essential industries to that of a non-essential, with the result that economic recovery would be retarded rather than promoted."

Drinking increased The minority report said: "It is evident that prohibition has not only failed to decrease

It Doesn't Always Pay To Be Thrifty

San Angelo, Tex., May 3 (AP)—It may be smart to be thrifty, but it doesn't always pay.

The San Angelo Standard-Times received a telegram today from Kansas City saying that the cartload of twenty tons of waste paper it had shipped there last week lacked \$37.24 of bringing enough to pay the freight.

Bullets From Guns of His Enemies Gave Al Capone Gang Kingdom

BY WILLIAM CONWAY (Associated Press Staff Writer) Chicago, May 3 (AP)—Bullets fired by his sworn enemies made Alphonse Capone king of Chicago's gangland.

The fusillade was aimed at Johnny Torrio, first lord of the post-Volstead underworld, who controlled liquor and vice on the South side and in adjacent suburbs. It failed to kill Torrio, but wounded and frightened, he abdicated in favor of Capone, his lieutenant.

Economy Bill Mutilated by Rebels Approved in House

BY CECIL B. DICKSON (Associated Press Staff Writer)

Washington, May 3 (AP)—Desperate attempts of party leaders to salvage the major portion of the insurgent-mutilated economy bill failed before final passage by the house tonight with the rebels holding staunchly together through nine record votes.

As sent to the senate by the overwhelming vote of 316 to 67 the bill carried savings liberally estimated by the economy committee at \$42,300,000, as compared to the \$210,000,000 it proposed to cut from government costs.

It was tacked onto the \$20,000,000 legislative supply bill as a rider, after having been beaten and battered by a revolting house for nearly a week.

Seek New Revenues

The measure contained numerous suggestions submitted to the house economy committee by President Hoover in his "national economy bill" program. Many of them, as well as those of the committee, including the Hoover staggering plan of employment and the proposed decrease in veterans benefits, were deleted by the powerful coalition.

The tax bill now pending in the senate was intended to balance the budget for the fiscal year 1933 with the help of approximately \$200,000,000 in reduction of federal expenditures. The senate finance committee is endeavoring to find new sources of revenue to make up the difference.

"Nasty and difficult to control," the insurgent-dominated house delivered its final wracking blow to the measure today. It downed 211 to 119 by a teller vote the proposal to save \$48,717,000 through a reduction in benefits to veterans. It set up instead a joint congressional committee of seven members of each branch to report to the next session of congress a

LINDBERGH ON YACHT MARCON?

Norfolk Negotiators Refuse to Tell About Latest Efforts

Norfolk, Va., May 3 (AP)—The yacht Marcon, presumably bringing John Hughes Curtis back from another cruise in connection with negotiations for the return of the kidnaped Lindbergh baby, was reported to have been seen coming into Chesapeake Bay this afternoon from sea.

Efforts, however, to locate the boat were unsuccessful. It was believed to be heading for the naval base from which outsiders were barred.

The Marcon had made a secret getaway from the naval base, probably last night. Norfolk papers reported today that Colonel Charles A. Lindbergh is aboard the Marcon. Edwin B. Bruce, of Elmira, N. Y., who has accompanied his friend, Mr. Curtis, on various trips in connection with the negotiations, said he would neither say that the famous flier had been on the yacht or that he had not been.

Northern Rear Admiral Guy H. Burtage, retired, nor the Very Rev. H. Dobson-Peacock, the other two intermediaries, would comment on the report.

Death Of Woman And Disappearance Of Man Are Linked

San Francisco, May 3 (AP)—The disappearance of Frank J. Egan, public defender of San Francisco, was linked today with the recent mysterious death of Mrs. Jessie Hughes, widow who authorities disclosed had named him chief beneficiary in her will.

Egan vanished last night after telephoning Police Inspector Charles Dullea a message indicating he was in the hands of abductors.

As police searched the city for the missing official, Deputy Coroner Jane Walsh said Egan had been killed the larger part of Mrs. Hughes' estate.

In the Headlines From Washington

House passed economy bill cut from \$210,000,000 to \$42,300,000.

Senate finance committee raised postal rates and modified stock sales levies in revenue bill.

Senate voted to consider Hale bill for building navy to treaty limits.

House ways and means committee concluded soldiers' bonus payment hearings.

Senate manufactures committee reported adversely 4 per cent beer bill.

Senator Long (D. La.) made new attack on Democratic leadership of Robinson of Arkansas after senate accepted his resignation from committee.

Delta Representative at Lansing Suggests 100-Year Moratorium

Lansing, Mich., May 3 (AP)—The administration proposal to declare a five year moratorium on covert road construction underwent a drastic revision in the house today when the members added 100 years to the construction holiday.

Rep. Helmer Bruce, of Delta, offered the amendment increasing the moratorium 100 years with the explanation that "I want to be sure that none of us will live to see this law in operation again." The house approved the amendment by a close margin, but members were predicting it will be eliminated before the measure comes to a final vote.

Other amendments were adopted denying delinquent property owners the right to sign covert road petitions and requiring 60 per cent of the owners' names to petitions as well as 75 per cent of the lineal frontage. The bill, which has previously passed the senate, permits refunding of covert bonds when collections are not sufficient to meet the obligations.

The Woodruff bill to create a bondholders' advisory board to act as a clearing-house of information on real estate issues stumbled through to approval after an unsuccessful effort to kill it by Rep. Hazen J. Hatch, of Marshall. Hatch insisted the state securities commission should perform the duties detailed to the proposed board.

Useless Securities "This bill is meant only to take the spotlight off the securities commission which has approved \$500,000,000 of worthless securities," he said. "The securities commission has failed to supply the information to the public and

Farmer Announces Decision To Enter Governorship Race

Owosso, Mich., May 3 (AP)—Orin Bailey, Shiawassee county farmer, today announced his candidacy for the Republican nomination for governor, declaring the "state of Michigan needs a man who has the courage to clean house."

SMITH SECOND WITH GARNER LITTLE BEHIND

San Francisco, May 3 (AP)—Returns from 1,591 out of 19,371 precincts tonight put Gov. Franklin D. Roosevelt of New York in the lead in the three-cornered presidential primary fight for California's 44 votes in the Democratic national convention. The figures: Roosevelt 27,423; Alfred E. Smith 26,485; John N. Garner 25,575.

The Republican "confidence vote" for President Hoover, in 1,691 precincts totaled 87,922, exceeding the total Democratic vote of 79,483 in those precincts.

In a heavy-voting primary of national significance, Californians yesterday chose between Franklin D. Roosevelt, Alfred E. Smith and Speaker Garner for the Democratic nomination, but the winner was in doubt early today because of the late closing of the polls.

It was Roosevelt's last major contest of the pre-convention campaign. Capture of the state's 44 convention votes, while not putting him anywhere near the 770 needed, would mean, in the opinion of his supporters, a definite halt to the "stop-Roosevelt" movement. A loss was regarded as rendering his chances much more difficult, but not necessarily hopeless.

Alabama named 24 and South Dakota 10 more Democratic delegates yesterday to bring the day's total to 78. Roosevelt took the South Dakota 10 by default and was assured of most of the southern state's 24.

Republicans named 69 delegates yesterday—7 to California and 11 each in South Dakota and Mississippi. President Hoover was unopposed for his home state's 47.

IN SOUTH DAKOTA Sioux Falls, S. D., May 3 (AP)—Governor Warren Green apparently was certain of the Republican renomination as his lead over former Governor Carl Gunderson continued to increase with additional returns from today's primary election.

Returns from 538 of the state's 1,850 precincts gave Green 28,579 votes; Gunderson 16,187; Tom Ayres, the third candidate, was trailing badly with 3,251 votes.

Senator Peter Norbeck was running away with the Republican senatorial contest. Returns from 536 precincts gave him 34,575 votes to Harry Brownell's 14,553. Charles Hartsough received only 2,163 votes.

The fight in the Democratic ranks for the gubernatorial nomination was close, with L. E. Corey holding a slight edge. Corey had a total of 5,704 votes in 325 precincts to Tom Berry's 5,324.

U. S. G. Cherry led Lewis W. Bicknell by a few hundred for the Democratic senatorial nomination.

Kingsford Heights Man Is Killed In Car Crash, 2 Hurt

Iron Mountain, Mich., May 3 (AP)—Alvin Parish, 37, Kingsford Heights, president of the Breitung township board of education for three years, was almost instantly killed, and two others, Axel Johnson and A. J. Kellstrom, the latter of Quinnsee, were critically injured this morning when the truck in which they were riding was struck by a switch engine in the yards of the Ford Motor company plant here.

Ready Market For Your Used Car

Many people sell their car over the winter period and are prospects for used cars in the Spring. Now is a good time to advertise a used car if you want to dispose of what you have. If you have a new car in mind, advertise the old one for sale. Someone may want the car you are driving and a prospect is bound overnight, and the cost is so nominal.

SMITH SECOND WITH GARNER LITTLE BEHIND

THREE CANDIDATES ARE BUNCHED IN EARLY RETURNS

FEAR INFLATION OF U. S. DOLLAR

Foreign Money Markets Shift Balances to Other Currency

New York, May 3 (AP)—Foreign money markets, which have shown evidences of nervous chills whenever the suggestion of possible inflation of American currency is mentioned...

The currencies of Belgium and Holland went to new high prices for the year. The Dutch guilder, a gold currency, was conspicuously strong and exchange dealers reported heavy shifting of balances to Holland.

Other foreign currencies which are well cemented to a gold standard showed strength at the cost of the dollar. Belgium francs advanced 93 of a cent to 14.95 cents.

Only in London did the dollar appear to have steadfast friends who declined to harbor thoughts of inflation. The dollar and the pound sterling closed the day at prices unchanged from the previous close.

Sterling was still quoted at \$3.96 1/2 for cable transfers. In Mexico and in South America, alike, the native currencies did well in transactions involving the dollar.

LONG DEMANDS NEW POSITIONS

Stripped of Committee Assignments, He Hits Again at Robinson

Washington, May 3 (AP)—Senate Democrats rallying behind the leadership of Senator Robinson today stripped his critics, Huey Long, of committee assignments, but the rebellious Louisianan came back with a fresh attack for new committee posts.

The Democratic steering committee accepted the resignations which Long offered last week in a one-man revolt against Robinson's leadership and gave his committee jobs to others.

Later the belligerent Long told the senate he expected the Democratic caucus to give him new committee assignments. He presented to the senate what he said was a list of public utility and power companies represented by Robinson's law firm.

The list taken from a 1930 legal directory said the firm of Robinson, House and Moses is attorney for the Arkansas Power and Light company; the Louisiana Power and Light company; the Mississippi Power and Light company; and a number of other railroad and utility companies.

Robinson announced the action of the steering committee without comment, and it was later ratified by the senate while Long sat by without a word.

Later in the day, the Louisianan demanded a quorum call in the senate, and then presented his list of clients, saying: "I feel that I owe it to the senator from Arkansas to reciprocate the very kind compliments he paid to my sundry qualifications the other day by stating that I know him to be a man of great standing in our section of the country."

Long was referring to Robinson's criticism of him, after he attacked the leader and resigned from the committees last week. Later, off the floor, Long explained that he resigned from the committees before attacking Robinson because some of the assignments had been given to him by the party leader at his request.

GANG LEADER SOON STARTS 11-YEAR TERM

(Continued from Page One)

road detectives. The party had reserved six lower berths and a separate bedroom.

The government, with its three year objective of putting Capone behind prison bars in sight, decided to remove the bulky gangster as far as possible from the center of his operations and to spill up still more the powerful gang it has crushed with income tax prosecutions.

The change was made only a few hours before Capone was to have been started for Leavenworth, Kans. It was in accordance with the announced policy of "spreading" members of the Capone gang. Ralph Capone, Al's older brother, is in the McNeil's island prison on the west coast while Jack Guzik, Sam Guzik, Terry Druggan and Frankie Lake are serving their terms in Leavenworth.

The start of Capone's eleven year sentence, probably tomorrow night, will mark the end of a bitter fight through the federal courts and is hoped by public officials to be the beginning of the end of his machine gun rule of the city's underworld.

The last legal obstacles preventing the gangster's removal to prison were eliminated today as soon as official notice was received of the United States supreme court's decision yesterday refusing to review his case.

Capone, he faced his long prison term, was undoubtedly the most widely known gangster in the world. He is only 32 years old but his name has become synonymous with modern gangland methods. He has been mentioned in connection with nearly every major crime committed in Chicago in recent years and his influence is reported to have extended to many other cities as well.

His first job was a barkeep on Coney Island and he became the titular head of a syndicate that finally gained control of the liquor, gambling and vice privileges in Chicago, dabbling in various "markets" as well. Many of his enemies and some of his friends were killed in the wars that finally determined the supremacy of Capone's gang.

Power Unbroken His seat on the throne of underworld power proved to be a precarious one, however, as the searchlight of publicity caught him and "the law" began to devise ways to reach him. He was hunted about the country, arrested and harassed.

It remained for the federal forces to land the first telling blow. After three years work on the part of many investigators and prosecutors, the gangster was indicted, tried and convicted for failing to pay taxes on his big income. An indictment charging conspiracy to violate the prohibition laws is still on the books and will probably prevent any attempt at parole.

Capone forestalled his trip to prison as long as possible, remaining in the county jail as he appealed the case even though he got no credit for his six months spent there.

Although he was locked up and even guarded, in recent months, by special deputies, the gang leader's power appeared to diminish little as he lolled in county jail. His gang seemed to function as usual and there was even an investigation started of charges that he was attempting to "steal" the recent primary election.

BRUCE HITS AT COVERT BONDS

(Continued from Page One)

now you propose to set up another "commission" to bleed the public some more. A constitutional proposal that the state guarantee all bank deposits advanced in committee of the whole after long debate. An amendment which would restrict the state credit to actual contributions into a guaranty fund by the banks was defeated. Rep. Fred Wade, of Saugatuck, declared the amendment "will mean that the banks will be broke while the resolution will mean the state will be broke."

The house passed and sent to the senate the Keam bill placing private bank receivers under the jurisdiction of the state banking commissioner.

A move to place the special session on record in favor of a tax against chain stores was initiated by Rep. Charles H. Reed, of Clio. He introduced a resolution which urges the next regular session and the governor to enact legislation taxing "multiple" stores. The resolution admitted the "impossibility of dealing with the subject in a complete manner" at the special session. The measure went to committee. A measure calling for consideration of a chain store license tax previously had been defeated in the house.

The house approved another voluntary pay cut resolution providing that members return 10 per cent of their salaries to the state. A concurrent resolution urging congressional passage to the home loan bank bill was approved and sent to the senate.

Eleven blind persons were registered every day last year in Britain.

Lines are carrying more passengers from Australia than for some time.

POSTAL RATES ARE INCREASED

Stock Sales Levies Are Modified by Senate Committee

BY FRANCIS M. STEPHENSON (Associated Press Staff Writer)

Washington, May 3 (AP)—Postal rates were raised and stock sales levies modified today by the senate finance committee as it struggled to write a tax bill that will raise enough revenue to offset the growing treasury deficit.

The tax of one-fourth of one per cent on stock transactions put in the revenue bill on the floor of the house was eliminated and a flat levy of four cents a share substituted.

The house increase from two to three cents in the first class postage rate was approved and the committee also reached out for five million dollars more by boosting the second class postal rates to the high 1921 schedule.

The house provision permitting revaluation of the estates of those who died between September 1, 1928, and January 1, 1932, to allow for shrinkage of security value for inheritance tax purposes was rejected.

Want More Funds The elimination of the one-fourth of one percent tax on stock sales removed \$48,000,000 in revenue from the estimated yield of the house bill.

The treasury reported today that the deficit for the first ten months of this fiscal year stood at \$2,334,000,000.

With the revenue bill almost completed tonight, the finance committee was admittedly looking about for more sources of funds. Import duties on rubber, coffee, tea and cocoa were under serious consideration.

The New York Stock Exchange has contended that the house stock tax rate would put it out of business. Secretary Mills recommended the four cents a share rate.

The committee also modified the telegraph tax today to make it a straight five percent levy applying on all messages without exemption. The rate on radio and cable messages was put at ten cents flat.

The telephone tax of 10 cents on calls between fifty cents and one dollar; 15 cents on calls between \$1 and \$2; and 20 cents on calls over \$2 was left unchanged.

The increase in the tax on carbonated beverages voted by the committee previously was cut down from five cents to two cents a gallon as provided by the house.

SMITH SECOND WITH GARNER LITTLE BEHIND

(Continued from Page One)

tion, Mark Sheafe, Jr., the third candidate, was being outdistanced. Cherry received 3,563 votes in 309 precincts; Bicknell, 3,109 and Sheafe 1,665.

Delegates favorable to President Hoover's candidacy continued to hold a lead over the "progressive," or avowedly anti-Hoover slate, on the Republican ticket.

With 248 precincts reporting the regular or Hoover delegates had 5,824 votes against 4,184 for the "progressive" slate. The count in this contest was proceeding slowly.

The Democratic delegation with ten votes in the Chicago convention was assured Gov. Franklin D. Roosevelt of New York, there being no contest involving them today.

BULLETS FROM ENEMIES GAVE AL A KINGDOM

(Continued from Page One)

two men but released when seven witnesses refused to identify him.

But the growing power of the Capone-Torrio forces did not go unchallenged.

Dion O'Banion with a corps of gunmen had command of a North side alcohol business; the six Genna brothers cooked moonshine in the "bloody valley." On the West side the O'Donnells, and on the South side the Ballis-Moerline gang established themselves.

Mutual jealousy, suspicion, and greed brought the first shot to death in his florid shop Nov. 10, 1924. Two months later Capone's town car was riddled with slugs and his chauffeur wounded. He was saved by a premonition which prompted him not to ride that night, but a war which took more lives than a South American revolution was on and to a finish.

Within a fortnight two O'Banion followers made the attack on Johnny Torrio that resulted in his evacuation—at this juncture began the regime of Al Capone.

Seven Wiped Out The entire Genna clan was almost wiped out in reprisal. "Sammo's" Amatum and Henry Spignola died at the guns of gang marksmen; Assistant State's Attorney William H. McSwiggan, Thomas Duffy and James Doherty were machine gunned.

North side leader, was shot down in mid-air on Michigan avenue; Tony Lombardo, head of the Untony Siciliana, was dethroned and killed; the power of the seven Atlito brothers was crushed and most of the clan assassinated, as well as were a host of lesser lights.

The bloodiest coup of all came Feb. 14, 1929, when four musketeers sauntered into a North Clark street garage used as a George (Bugs) Moran beer base and lined seven men along the wall. At the leader's signal, all seven men were slaughtered.

The assassins walked out and drove away.

The master murder had its sequel a short time later when three Capone operatives, John Scallie, Albert Anselmi and Joe Guinta, were found slain in a pasture near Hammond, Ind. The war continued on until 1931, taking its toll of scores of sub rosa toughs and hapless hangers on, interspersed with an occasional highbrow.

Capone was arrested half a dozen times, here and in Miami, Fla., but witnesses invariably became dumb when confronting the gang leader. Beyond three convictions for gun-toting and one for contempt, he was not involved in serious difficulty with the law until the income tax case which resulted in his present plight.

\$1 A Day For Each T-B Patient Gets Brucker Approval

Lansing, Mich., May 3 (AP)—Governor Brucker today signed the Upjohn bill, legalizing the debt of the state to the counties for the care of tuberculosis patients. It provides that the rate of payment by the state shall continue to be \$1 a day per patient.

The governor also signed the Gansser bill providing for the refunding of \$4,000,000 of soldier bonus bonds.

Grand Rapids Cuts Its School Budget

Grand Rapids, May 3 (AP)—A reduction of more than \$1,000,000 as compared with last year was effected in the city's school budget, formally enacted Tuesday. The budget calls for the expenditure of \$1,617,981 as compared to \$2,781,182 for last year.

Grand Haven Has New City Manager

Grand Haven, May 3 (AP)—Peter Kamerad, county supervisor, Tuesday took office as city manager of Grand Haven. He was appointed by the council to succeed Ed Boogaard. His salary has been reduced from \$3,600 to \$2,500 a year.

SEEK FREEDOM FOR PRISONERS

Prosecutor Says Three Marquette Inmates Are Innocent

Charlotte, Mich., May 3 (AP)—County Prosecutor, George W. Watson, convinced that his office was the unwitting agency of a miscarriage of justice, said today he would ask the state commissioner of pardons and paroles to release three men who have served five years in Michigan state prisons for a bank robbery he believes now they did not commit.

It was just five years ago today that Forest Shepherd, Joe Gatowski and Harold Lee were sentenced to long terms in Marquette and Jack prisons upon conviction by a circuit court jury of robbing the Bellevue State Bank on January 8, 1927.

Today, Edward Dawson, arrested Saturday in Evansville, Ind., pleaded guilty in the same court to the same bank robbery and said the three men now serving sentences were innocent.

In a complete statement of details of the robbery, made to Prosecutor Watson before going into court, Dawson named as his accomplices in the robbery Leslie McIlvain and Eddie Hessler, now inmates of Jackson prison, and Eddie Coon and Slim Dayton, whose whereabouts are unknown. Witnesses of the robbery said five men took part.

Prosecutor Watson said he received information last spring that led him to believe there had been a miscarriage of justice in the bank robbery convictions. During the past year he and Sheriff Spencer F. Cribb have traced down clues which finally led to Dawson's arrest Saturday.

Dawson was sentenced today to serve from 10 to 30 years in Jackson prison.

Watson said he would submit Dawson's statement to the pardons and paroles commissioner in support of his request that the three prisoners it exonerates be freed.

Helen Kane Claims Her "Boop-A-Doop" Has Been Stolen

New York, May 3 (AP)—Helen Kane, who "boop-a-dooped" her way to fame, went to law today to restrain "Betty Boop," of the animated films, from imitating her "exaggerated lisp" and "childish voice and manner."

The stage and screen actress instituted suit for \$250,000 damages against Paramount Public corporation, Max Fleischer, the cartoonist, and the Fleischer studios for allegedly capitalizing on her antics in the "Betty Boop" pictures. She asked permanent injunction against the defendants.

As her complaint had it the theatre chain and the cartoonist have designed and displayed films that "copy the songs and mannerisms she claims to have been original with herself"—to wit: "the role of part of a very young but seductive female who uses in her speech and songs an exaggerated lisp and a childish voice and manner."

Detroit—Auction of 167,520 properties, totaling \$3,500,000 in delinquent taxes, was begun Tuesday under the direction of County Treasurer Herman R. Lau. The titles to the properties are being sold for the taxes unpaid, plus accrued interest. The auction will continue for three weeks.

Coin machines manufactured in the United States went to 64 countries in 1931.

BEER FAVORED BY MINORITY

(Continued from Page One)

drunkenness but that arrests for intoxication have been steadily increasing until they have reached the highest point in American history.

"The hearings brought forth irrefutable evidence that drinking among minors has increased tremendously."

Saying the eighteenth amendment and the Volstead act have "wrought terrible havoc in the dignity of law and the respect for its existence," the report continued: "A real moral crisis exists and the minority believes the wisdom of congress may best be evidenced in the situation by meeting it with this bill."

"It will promote temperance, strengthen the law, decrease crime and generally contribute to the public welfare."

"Immediate employment would be given to a minimum of 500,000 persons and possibly more than 1,000,000 persons within a brief period following passage of the bill."

"The great decrease in expenditure of money for expensive hard liquors would more than offset the expenditure for beer."

"The minority believes that the federal government would not only benefit from a huge tax revenue, easily collected, but that the cost of prohibition enforcement would be materially reduced."

Revenue to be derived from beer was estimated by the minority as high as \$1,100,000,000 annually.

The minority said "a significant fact is that there seems to be more hard liquor consumed in the United States at the present time than before prohibition, but much less malt beverages."

STATE SENATE FACES BITTER ECONOMY TILT

(Continued from Page One)

undermanned for forest fire work and to keep state parks closed. We are recommending, therefore, that the administration recommendation for reductions be made elsewhere."

The first skirmish in the impending battle occurred today, and the contingent favoring deep cuts won a point. Senator Norman B. Horton, of Lenawee, administration floor leader, attempted to secure a recess until tonight so both the majority and minority reports could be rushed to the floor. Engel, contending that this procedure would handicap and rush those preparing the minority report, countered with a motion to adjourn until Wednesday afternoon. His motion prevailed.

The finance committee majority report was supported by Senators Horton, Leland, Richardson, Upjohn and Skinner. The minority group is made up of Senators Engel, Wood (chairman), Turner and Cowan.

As the administration budget proposals passed the house, they provided for a total reduction of about \$3,700,000 a year. Tax clause appropriations for the fiscal year starting next July 1 would be cut from \$28,783,000 to \$25,089,000. The minority group in the senate committee would bring the total reduction to about \$5,400,000.

"If we had more time and were permitted to study payrolls, operating expenses and the need for various divisions and employes we could take off another \$1,500,000," Senator Wood said. "When savings of millions to the taxpayers are in the balance it is a poor time to try to rush things for the sake of jamming a set program through."

JURY SIFTING CLARKE DEATH

Capt. Lancaster Insists He Is Innocent Of Charge

Miami, Fla., May 3 (AP)—His adventurous flying career halted by a charge of first degree murder, Captain W. N. Lancaster sat calmly in his jail cell today while a grand jury investigated the death ten days ago of the fiancée of his flying partner, Mrs. J. M. Keith-Miller.

State's Attorney M. Vernon Hawthorne has asked the jury to indict Lancaster for the shooting of Haden Clarke, 26-year-old writer, with whom he shared a room at Mrs. Keith-Miller's home here.

Hawthorne last night obtained Lancaster's arrest on a warrant charging murder after he said the British aviator had confessed

forging two notes supposedly left by Clarke before his death.

Lancaster maintains Clark committed suicide and that to protect Mrs. Keith-Miller, he wrote the notes and signed Clarke's name to them. Mrs. Keith-Miller has been exonerated by Hawthorne of all knowledge of the shooting.

The vicissitudes of flying and a series of aerial misfortunes led indirectly to the tragedy. It was shown by the stories told by Mrs. Keith-Miller and Captain Lancaster.

The two gained world-wide attention several years ago by a flight from London to Australia. They came to America and Mrs. Keith-Miller had some success in exhibitions and in the Women's Air Derby in 1929 she won third place.

The Garden club of Georgia is the oldest organization of its kind in America, members say.

A five to six weeks' air tour of British Columbia along the trans-Canadian air mail route is being planned for the summer to encourage airports building.

OBITUARY

FUNERAL AT KIPLING
Rev. D. L. Cathart of this city officiated at the funeral services held Sunday afternoon for the infant son of Mr. and Mrs. Lawrence Smith of Kipling. The baby, born on April 3, died Saturday. Services were held from the Smith home with burial in Fernwood cemetery. The parents and one daughter survive.

RAYALD McDONALD
Green Bay—Rayal McDonald, 76, veteran Green Bay fireman, died at a local hospital, following an operation. He suffered a stroke of paralysis three years ago and had been in poor health since that time, making his home for the past two years with a daughter, Mrs. M. Bruyere, Escanaba, Mich., from where he was brought to the hospital a few days ago.

Mr. McDonald was born in Canada, May 27, 1856, and came to Green Bay more than 40 years ago, being employed by the Murphy Lumber company. He began his work with the Green Bay fire department on Nov. 8, 1902, being employed as driver at No. 2 station in the days when horses pulled the engines. He was known as "the best horseman in the crew," and although he could tell vivid stories of some of the great fires of Green Bay in the early nineteen hundreds, it was the great stamping steeds that furnished him his tenderest recollections.

Surviving Mr. McDonald are two daughters, Mrs. Bruyere, Escanaba, and Miss Margaret McDonald, Milwaukee, also one son, John, of this city, five grandchildren, a brother and two sisters in Montreal, Canada. He was a member of St. John's court, Catholic Order of Foresters. Services will be held Wednesday morning at 9 o'clock at St. Peter and Paul's church. Burial will be in Allouez cemetery.

EMIL A. GRABOWSKI
The body of Emil A. Grabowski was removed Tuesday from the Allouez Home to the family residence, 322 Lake Shore Drive, where it will lie in state until this morning at eleven o'clock when private funeral services will be conducted at the

home. Immediately after the home services the body will be taken to the Salem Evangelical Lutheran church, Fourth avenue south and Twelfth street, where it will lie in state.

The church services will be held this afternoon at 2 o'clock with Rev. William Lutz officiating. Several out of town ministers are expected to arrive this morning among them the Rev. C. A. Doehler, former pastor of the local church.

The active pallbearers will be Messrs Andrew Brodahl, J. J. Bartella, John Lemmer, R. E. Cheney, and Attorney Charles E. Lewis of this city and Walter Doehler of Iron Mountain. Members of the Rotary club of which Mr. Grabowski was an active member, who will form an honorary escort, are Messrs M. K. Blasel, A. J. Young, Coleman Nee, John S. Lindsay, M. N. Smith and Herman Gessner.

The out of town relatives and friends who have arrived are Mr. and Mrs. Charles C. Mueller and son Carl all of Burlington, Wis., parents and brother of Mrs. Grabowski, Mrs. Eric Garing, of Allouez, Pa., sister of Mrs. Grabowski, Walter Doehler of Iron Mountain. The employees of the Escanaba Steam Laundry Cleaning and Dye Works will attend the funeral services in a body. The establishment will be closed throughout the entire day. The flag at the Steam Laundry is at half mast out of respect to the memory of Mr. Grabowski.

Interment will be made in the family lot in Lakeview cemetery.

Names Are Added To Jr. High Honor Roll

A number of names have been added to the honor roll of the Junior high school following the compiling of the term reports. They are Doris Thorin, A.A.B., ninth grade; Dale Heidebrech, B.B.B., James A. Olson, A.B.B., Carol Gould, A.B.B., eighth grade; James McMonagle, A.A.B. and Donald Peterson, B.B.B., grade 7 B.

North Carolina's first normal school for training teachers was established near High Point in 1866.

HONOR ROLLS

BARK RIVER

The honor roll of the Bark River District 1 School for the school month of April:

First Grade: Rita Derocher, Lola Norman.

Second Grade: Cecelia Dejka, John Krause, Billy Peltier, Harold Kleiman, Francis Derocher.

Third Grade: Mary Boyle, Anna Mae Peltier, Anna Mae Kahlow, Noelle Derocher.

Fourth Grade: Constance Norman, Harold Peterson, Albert Olson.

Grade Five: Reuben Carlson, Donald Belanger, Merle Kahlow.

Sixth Grade: Maurine Krause, Douglas Nelson.

Seventh Grade: Roy Bergstrom, Mary Lou Dalke.

Eighth Grade: Philip Norman, Theresa Knauf, Lloyd Bruce.

Ninth Grade: Lawrence Gauthier, Mary Alice DuBord.

Tenth Grade: Bernice Rousseau.

Perfect Attendance: Kenneth Anderson, Betty Dahl, Cecelia Depka, Rita Derocher, Harold Kleiman, John Krause, Margaretta Nelson, Marion Olson, Bond Perket, Helen Bruce, Donald Belanger, Reuben Carlson, Alphonse Couillard, Henry Couillard, Harlan Dahl, David Gauthier, Maurine Krause, Bernard Kleiman, Douglas Nelson, Constance Norman, Harold Peterson, Albert Olson, Billy Bergman, Lloyd Bruce, Mary Lou Dalke, Eileen Gasman, Lawrence Gauthier, Helen Kitefas, Cecelia Kleiman, Clarence Kleiman, Philip Norman, Evelyn M. Olson.

Eighth grade: Bernice Rousseau.

ROCK SCHOOLS

The honor roll and perfect attendance lists for the grades of the Central school during the month of April are as follows:

Honor Roll

Sixth grade: Mildred Olanko, Eleanor Hakanen, Vienna Hill, Violet Hill, Taimi Norkooli, Taimi Ruusi, Julian Vanacher, Rosie Waak.

Fifth grade: Eugene Heikkila, Grace Jokela, Pearl Kaminen, Ruth Kaukua, Lawrence Klotz, David Osterberg, Leslie Rivers, Arnold Suomi.

Fourth grade: Betty Bailey, June Kirby, Harold Klotz, Taimi Muohonen, Meryl Brehmer.

Third grade: Bernard Kaukua, Mae Marmalick, Eldora Mastaw, Angele Matthys.

Second grade: Margaret Britz, Beatrice LaComb, Marilyn Johnson, Mildred Latvala, Kenneth Stewart, Edna Reimer, Warren Reimer, Albert Weingartner.

First grade: Arthur Bramston, Robert Kaukua, Rita Kleiber, Helen Joyce Lusardi, Cecile LaChapelle, Eleanor Jokela, Francis LaChapelle, Marjorie Matthys, Gladys Norlund, Lucille Pepin, Erick Reikkola, Leslie Aalto.

Perfect Attendance (All grades): Norman Carlson, Francis LaChapelle, Doris Norden, James Weingartner, Beatrice LaComb, Robert Kaukua, Marjorie Matthys, Sleanor Jokela, Robert Larson, Marjorie Lusardi, Cecile LaChapelle, Annie Nelson, Leslie Aalto, Roy Kulju, Robert Weingartner, Emil LaCasse, Mae Marmalick, Alph Norden, June Kirby, Hettie Wurtz, Madeline Marmalick, Paul Pictomen, Marie Valentine, Lorraine Carlson, Grace Jokela, Lester Pilon, Leslie Rivers, Marcia Kirby, Arthur Laukkanen, Eugene Peltola, Marilyn Johnson, Jenny Seppanen, Angele Matthys, Harold Klotz, Phyllis Brehmer, Carl Nelson, Taimi Ruusi, Rosie Waak, Eugene Heikkila, Tyne Kangas, Isaac Ranta, Arnold Suomi, Lawrence Klotz, Philip LaCasse, John Peltonen, Paul Maki, Elsie LaChapelle, Meryl Brehmer, Paul Norkooli, Eleanor Carlson, Esther Peltonen, Svea Sjoaland, Clifford Carlson, Elaine Hill, Irvin Pilon, Vernice Rajala, Arvid Kaukua, Evelyn Larson, Howard Marmalick, Leslie Tynnela.

QUEEN SHOULD BE PAIR

London, England—Queen Salote Tubon, probably the largest queen in the world, rules over one of the tiniest kingdoms—Tonga, a small group of islands in the South Seas, east of the Fijis. She is six feet six inches in her bare feet, weighs 300 pounds, rules over 385 miles and has 26,587 subjects.

Mayor Eats on Nine Cents a Day As Suggested Diet for the Poor

Mayor Rolland B. Marvin of Syracuse, N. Y., hopes to work out a dietary schedule for the city's poor which will cost only nine cents a day for each individual. But he's trying it on himself first, and here you see him with Mrs. Marvin as he sat down to a two-cent breakfast in their home.

By NEA Service

Syracuse, N. Y.—Just to show that it can be done, Mayor Rolland B. Marvin of this city is living on food costing nine cents a day. He is in the middle of his experiment now and is feeling happy, well-fed and energetic. The youthful mayor, only 33, is trying to find out if the city's poor can be fed adequately without suffering from mal-nutrition on the simple, inexpensive foods that make up his diet. On the list of foods for a week—known as the welfare diet—are included cheap cuts of meat, one egg, prunes, whole wheat bread, inexpensive vegetables and other foods with a total calory value of

18,900. A typical breakfast is prunes, whole wheat bread and a cup of coffee. Other meals are larger.

Marvin, in an attempt to find out why milk is sold for three or four times its original cost, has started an investigation into the distributing agencies. He has also advocated municipal handling of food to lessen costs.

On a recent trip to Binghamton, where he spoke at a luncheon, he ate none of the food served, but merely drank water and smoked a cigaret. When he returned here that night his wife gave him his welfare diet lunch and dinner in one meal—and was the mayor hungry!

Munising News

Is This The Gun Used In Killing Notorious Jesse?

Guy Stevenson of this city has an interesting relic in the shape of an old time pistol which was once the property of Robert Ford, who slew the famous outlaw, Jesse James. The pistol is a single shot implement, and the hammer and firing cap is on the under side of the barrel, this supposedly for protection against moisture when used in firing, for in the days when muzzle loaders were in use the powder was ignited by means of a percussion cap. There is no claim that this pistol was used by Bob Ford to kill Jesse James, but Mr. Stevenson states that there are about fifteen revolvers in the United States owned by as many persons who claim that they were the original weapons used in the slaying of James. Mr. Stevenson's paternal grandmother was a relative of the Ford family and the gun which Mr. Stevenson possesses was handed down to him by an uncle who died recently. There are nine notches on the handle, indicating that nine killings of some sort had been recorded thereon.

MUNISING BRIEFS

Miss Rebecca Laver, brother John, and their mother, of Ishpeming, were the guests of Mrs. Nettie Florida Sunday.

Wayne, two months old son of Mr. and Mrs. Leo Savoy died at Marquette Sunday. The remains were brought here for burial, funeral services were held Tuesday

morning from Sacred Heart church.

Marie Elizabeth, two year old daughter of Mr. and Mrs. John Twerk of East Munising died last Saturday afternoon, following an attack of measles and pneumonia. Funeral was held at 2:30 o'clock yesterday afternoon from the home.

A meeting of the P. T. A. council will be held Friday afternoon at Mather high school, beginning at 4 o'clock.

A son was born to Mr. and Mrs. Henry Beck of Au Train at the nursing hospital last Saturday.

Mr. and Mrs. George Wilderspin are back from a visit with relatives at Escanaba.

SOCIAL

The members of the Monday Evening club met with Mrs. Vernon Florida at her home in the west end, at a May Day dress-up party. Three tables of bridge were in play, Mrs. Gene Dotti winning high and Mrs. George Cowell receiving guest prize. A two course lunch was served.

A regular meeting of the Lincoln unit of the P. T. A. was held at the Lincoln school at eight o'clock Monday evening. After the business session there was an installation of the following officers: President, Mrs. Henry R. Johnson; Vice President, Miss Alice Ikola; Treasurer, Mrs. Walter Corey; Secretary, Mrs. Chas. Anderson. Singing by Miss Alice Moline was highly appreciated.

CONDITION SERIOUS

Israel LaFave was taken ill with another stroke of paralysis last Sunday and is confined to his home. Israel was first taken ill about five years ago, and through a strong will and determination in connection with good treatment, recovered partially, and for some time worked in the office of Attorney John I. Penegor. He had just recently received the appointment as representative for the insurance department of the Marquette County Savings Bank and had started work soliciting insurance last week.

Brandt Ouster Begun

Menominee—Court action to oust Walter A. Brandt, chairman of the Menominee county board of supervisors, as supervisor of Falthorn township and certify the election of William Smokovitz is underway today.

Calendar of the May term of Menominee County Circuit Court, called this morning by Judge George O. Driscoll, of Bessemer, sitting for Judge Frank A. Bell, lists hearing Friday on a motion to show cause by Mr. Smokovitz's election as Falthorn township supervisor should not be approved by the Falthorn township board of election canvassers and certified by the Falthorn township clerk, George Reid.

Mr. Smokovitz was declared elected by a majority of four votes, 89 to 85, in the election April 4, over Walter A. Brandt, slipp candidate for re-election. A recount resulted in a tie vote, 84-84, and in a drawing of lots which followed Mr. Brandt was declared elected.

CITY BRIEFS

Arthur Wrigley of Chicago is in the city on business.

Mrs. Theodore Amundsen, 1119 First Avenue south, has returned from a visit with her father in Marinette.

The condition of James E. Murphy, 319 North Fifteenth street, who has been seriously ill for several weeks, was said Tuesday to be improved.

Mrs. Irvn Hagen of Toledo, Ohio, who was summoned to this city by the death of her father, Charles Seymour, Jr., will return to her home Thursday.

Lawrence Seymour will leave Thursday for his home in Sheboygan, Wis., after having attended the funeral of his father, Charles Seymour, Jr., which was held here Thursday, April 28.

Mrs. Eric Garing of Allouez, Pa., formerly Miss Gertrude Mueller of this city, arrived Tuesday afternoon, having been summoned here by the death of her brother-in-law, E. A. Grabowski.

Mrs. Lillian H. Reynolds returned last night from Newberry where she addressed a meeting of the Business and Professional Women's club of that city, held Monday evening.

Rev. Karl J. Hammar has returned from Norway where he attended the district meeting of the eastern group of ministers of the St. Paul district of Swedish Methodist churches. Rev. Mr. Hammar is pastor of the Swedish Methodist church of this city.

Mr. and Mrs. John Goldie and children, John Jr., and Jimmie, Thomas Barrett and James Doyle, all of the Sault Ste. Marie, Ont., have returned to their homes after having spent the week-end at the home of their uncle and aunt, Mr. and Mrs. J. E. Murphy, North 15th street.

Mr. and Mrs. Carroll Rushton of Marquette have left for Evanston, Ill., called by the death of Mrs. Rushton's father, W. O. Nottingham, who passed away Sunday morning. Mrs. Rushton had just returned to Marquette after visiting him, and finding his condition improved, when she received the message of his death.

Mrs. Michael Gunter, 1311 Ludington street, returned Monday night from a five weeks' visit in Detroit and Chicago. Mrs. Gunter visited in Detroit with Mr. and Mrs. Matthew Gunter and with Mr. and Mrs. Henry Gunter, her sons and daughters-in-law, and the members of their families. In Chicago she was the guest of Mr. and Mrs. Eric Bernhardtson. Mr. Bernhardtson is her nephew.

Mr. and Mrs. Clarence Kramer and daughter of Wausau, Wis., Mrs. Herman Hage of Rockford, Ill., Mr. and Mrs. Louis Johnson of Powers, Mr. and Mrs. Herbert Olson of Amery, Wis., Eskill J. Olson of Minneapolis, Selbert Olson of Milwaukee, Mr. and Mrs. Pastor Gjalund and children Viola, Robert and Betty, and Mr. and Mrs. Emil Johnson and children Elaine, Joyce and Claude, all of Iron Mountain, have returned to their homes after having been called to this city by the death of Gothard Olson of Bark River whose funeral was held here Thursday, April 28.

WANT HARD-BALL DIAMOND

DYED in the wool hard-ball baseball fans have watched with some apprehension the development of so-called "kittenball," as the major sport in communities such as Escanaba, to the almost total exclusion of the national game.

But in a community such as Escanaba there should be room for both hard ball and kittenball leagues. The outdoor season in this section is short at best and if hard ball enthusiasts desire to have a part in the summer season's activities, certainly they should not be denied the facilities for participation.

The principal reason hard ball has fallen into disuse in this community is the absence of a hardball diamond. Several kittenball diamonds have been constructed by the municipal administration in various sections of the city, but there is at the present time not a single hardball diamond in the entire city.

An ideal location for such a diamond is offered at the state fair grounds, where on the infield, opposite the grandstand, an ideal hard ball grounds could be constructed at small cost. Unquestionable permission could be secured for the use of the fair grounds and the grand stand.

The municipal administration is seeking work to be performed by Escanaba's unemployed. Here lies an opportunity for a small bit of work, at a minimum of cost.

If carried out it will in addition provide a "break" for hardball baseball followers, such as has before been denied them.

IT'S MUSIC WEEK

IN THE observance of National Music Week, Escanaba is undoubtedly putting forth as much effort as any of the two thousand cities and towns in the country that are staging appropriate exercises during this week.

The song festival Sunday afternoon, the musical program of St. Anne's school students in the evening, the various musical features that will be presented at various organization meetings during the week, and the crowning event, the upper peninsula school music festival next Saturday, all show what remarkable strides this community has made in this field in recent years.

At this time especially, there is need for a greater appreciation of music and for a wider distribution of its benefits. The troubled mind may derive much relief from either the playing or hearing of good music. Then too, the emphasis that is being given to music this week will be stimulative of many musical activities that will continue in the future.

The music festival, which will be presented at the William W. Oliver Auditorium Saturday, will offer a new feature in this branch of school activity, in that the competitive element has been removed. No prizes will be awarded as has been done in the music contests of the past.

Instead, the students of the various district high schools will play in groups, thereby offering to the public an exhibit of what is being done in the teaching of music in the schools. More than six hundred boys and girls will participate in the exercises.

Saturday's festival will be the greatest musical event in the history of Escanaba. The public is invited. Those who attend are assured that the benefits they will receive will be far beyond the small price of admission.

COLLEGES AND THE DEPRESSION

(From Mountain News) Many colleges during the depression cannot expect the normal stream of gifts to be more than a ripple. In reply to this question, Dr. Robert L. Kelly, executive secretary of the Association of American Colleges, says that in the first place there is a distinct gain in the matter of intellectual interest on the part of students, with the consequence that less attention is given to the "side shows" on the campus.

In the second place, in the principle that a student should pay a large part of the cost of his education that has been paying has been vindicated, since colleges which depend more largely upon tuition than upon income from endowment are finding themselves in better financial condition than those in which this situation is reversed.

A third feature of the picture is the tendency to cut out "frills" and reduce the curriculum to subjects which are either practical or cultural in definite fashion. There are fewer courses, fewer small classes, less expenditure for the administration. Along with this tendency goes the experiment of giving students greater initiative in reference to their work, of compelling them to a larger extent to work out their own intellectual salvation.

Reduction of expenditures is another effect of the depression. In many places this is being done without loss of educational effectiveness. Some colleges have reduced the number of their staffs. While this step means hardship for some instructors, eventually, Dr. Kelly thinks, it may result in better salaries for those who remain.

There is apparently an increase in the number of applicants for admission to college next fall over the number at this time a year ago. But there is also an increase in the proportion of students, whether actual or prospective, who are in need of financial assistance. This fact is causing students, faculties, alumni and others to put forth unusual efforts to provide funds for such persons. Paradoxical as Dr. Kelly's words may sound, there is logic in his statement that "the time is opportune for appeals for scholarship and loan aid for worthy students." Finally, he reports "an unexpected optimism on the part of college administrators and their friends." They have not lost faith, he explains, in their institutions or in their work. This is a basic factor. Belief in the value of what they are doing and trying to do will count for much in enabling them to weather the depression in good order.

That soft coal mined in Kentucky seems to come pretty hard at that. Mt. Vesuvius may still be the world's best known volcano, but Manchuria is looming as a dangerous opponent. One marriage in every six ends in divorce, but the other five couples fight it out to the bitter end. Newton D. Baker says we need another real leader, but the taxpayers would probably rather see another billion-dollar surplus.

GERMAN ATTACK FAILS On May 4, 1918, a German attack on Locon was repulsed with heavy losses. British and French forces in Picardy continued their local counterattacks, improving their positions at Meteren and at Loere, after sharp fighting. American troops in the Lorraine sector raided the German lines and penetrated to the third line of defense near Hoffville.

A French shell was reported to have disabled the last of the long-range German guns which had been shelling Paris since the start of the great German drive on March 21.

The U. S. Senate adopted the sedition bill, permitting the government to punish disloyal acts and utterances for the duration of the war.

Berlin dispatches said that a treaty of peace between Rumania and the Central Powers had been agreed upon and would be signed within a week.

By MAREL MCELLOTT

CHAPTER XXX

BEN came occasionally to see Susan. By tacit agreement the night of Denise's party was never mentioned. Susan's attitude toward Ben was by turns friendly and then remote. She was sorry for him. Usually he was too serious but there were times, as for instance the night they popped corn in Aunt Jessie's immaculate kitchen, when the girl almost liked him.

"This is the way boys and girls should be together," she thought afterward, remembering their foolish laughter. She had forgotten that evening to be self-conscious with Ben. He had seemed more like a brother than a suitor. After Ben had gone Aunt Jessie got up from her rocking chair, where she had been darning stockings, and followed Susan into her bedroom.

"That's a real nice young man," she said with unvoiced approval. Susan was brushing her hair and did not reply. Aunt Jessie seated herself on the edge of the bed.

"Tisn't every girl has a young man give up a chance to get ahead just for her," she commented. Susan tossed back her cloud of dark hair and stared her astonishment. "I don't know what you're talking about," she said. Aunt Jessie continued to look mysterious. "Do you mean to tell me," she demanded, "Ben hasn't told you about that offer to go to California as a band leader?"

"Oh, that," Susan murmured. "Yes, he did mention it once or

twice but I thought it was all in the air. Anyhow what have I to do with it?"

Aunt Jessie sniffed. "Plenty, I should say. He doesn't want to go so far away from you."

Susan was annoyed and embarrassed. It seemed indecent to discuss this with Aunt Jessie. "I must say I don't understand you at all," the girl said. "I was so anxious to start working and get ahead—to make something of myself. Now when I'm just beginning you seem to want me to do something else." She would not say "you're encouraging me to marry Ben." The bare notion offended her. Aunt Jessie tossed her head.

"You could do a lot worse than that," she stated. "He's a real steady, sensible boy and it would be a satisfaction to me to see you settled."

"Let's not talk about it," Susan said with weary patience. She was angry at Ben for having confided his hopes to Aunt Jessie. How like him, she thought! She was bewildered, too. Every one seemed to be pushing her toward marriage. She felt a surge of rebellion.

CHRISTMAS EVE The roofs of the city powdered with snow, the high stars blinking above. Along State street, plunging through the slush, crowds of furred women and well-dressed men. The shops alive with light and tinsel wreaths. Weary salespeople drooping behind their counters. The old, old magic of the season caught Susan in its spell.

LYRICS OF LIFE

By Douglas Malloch

(Copyright 1932 by Douglas Malloch)

SCHOOL Pa says he was just like me. Didn't think so much of school. Thought it wouldn't do much good—Boy's don't as a general rule. And I'll say this much for Dad, He admits when he was bad. Doesn't say to any kid "When I was young I never did."

Pa says how he wishes now He had studied good and hard: "So will you—it's no use to think about it afterward. How I used to hate to go! Now it's different, now I know What a chance I had right then That I'll never get again."

School is fun, if anyone Listens as he ought to do. Every day you learn some way Something funny, something new Something you will wish you had. Now I know what troubles Dad. Why things make him scratch his dome When I bring my homework home.

FRECKLES AND HIS FRIENDS

TEACH A DOG TO WALK ON HIS FRONT LEGS? AW, BUT YOUR KIDDIN'!

WELL, THAT'S SO—I KNOW IT'S A HARD TRICK TO TEACH TO A DOG, BUT YOU JUST WATCH...

ALL YOU NEED TO DO THIS TRICK, IS A LITTLE STICK AND A LOT OF PATIENCE... FOX TERRIERS LEARN THIS BETTER THAN MOST DOGS... ALL JUMBO IS SMART... ALL RIGHT, JUMBO!

TAKE THEIR HIND LEGS AND PULL THEM UP IN THE AIR... DO THIS A LOT OF TIMES SO THE DOGS KNOW WHAT YOU EXPECT OF HIM... TAP HIS FEET GENTLY WITH THE STICK... IF HE CAVES IN STRAIGHTEN HIM UP AGAIN...

BY AND BY HE KNOWS ENOUGH TO KEEP HIS LEGS UP... JUMBO LEARNS THESE TRICKS QUICKLY 'CAUSE HE'S EXTRA SMART... IF THEY DO IT FOR YOU, GIVE 'EM A PIECE OF SOMETHING SWEET, BUT NOT UNTIL THEY DO IT!

'Y'SEE! IT'S JUST LIKE ONE OF US LEARNING TO STAND ON OUR HANDS... IT TAKES A LONG TIME UNTIL WE KNOW HOW!!

IT SEEMS IF A DOG CAN LEARN TO DO IT, I OUGHTA BE ABLE TO DO IT, TOO!!

BOOTS AND HER BUDDIES

I HEAR Y'WERE OUT WITH JIM LAST P.M.?

UH HUH

SAY LISSSEN, LUSCIOUS—IT ISN'T ANY OF MY BIZ, BUT WHY DONTCHA GIVE 'IM A BREAK, HUH?

GEE EEE GOSH! IF I HAD A CHANCE WITH A SWELL GUY LIKE JIM, YA WOULDN'T SEE ME WASTIN' ANY TIME WITH TH' PLAYBOYS! YA KNOW HE'S WILD ABOUTCHA

SURE!... JIMMY AN' I; UH... THAT IS, I MEAN... WELL, WERE PALS

BESIDES—GEE! WHY ARE Y'ALWAYS TALKIN' ABOUT LOVE? WHY DONTCHA THINK OF SOMETHIN' ELSE?

NOT ELSE IS THERE 'T' THINK ABOUT, SILLY?

WASH TUBBS

LISSSEN, EASY, I DONT GET ALL THIS—YOU BIN GALLOPIN' 'ROUND TH' MAP, FIGHTIN' WARS 'AN' LOOKIN' FOR ME—WELL, GEE WIZ! WHERE'S YA WIFE?

MY WIFE?

CERTAINLY! TH' GIRL YOU MARRIED WHILE IN WEST POINT, YOUR MOTHER TOLD ME ALL ABOUT IT.

AND DIDN'T SHE MENTION ALL THE TROUBLE IT CAUSED? AND HOW THE MARRIAGE WAS ANNULLED?

YEH, BUT MY GOSH! I THOUGHT TH' TROUBLE WAS OVER. I THOUGHT SURE YOU'D MARRY AGAIN.

WELL, WE DIDN'T, SO THAT'S THAT.

WHY NOT, EASY? DID SHE LOVE SOMEBODY ELSE? OR DID SHE—?

OUR BOARDING HOUSE

LET'S SEE YOU DO THIS! HANDS FLAT ON TH' FLOOR, WITHOUT BENDING YOUR KNEES!—THIS'LL CUT DOWN TH' SIZE OF YOUR BASKET!—I DO IT FIFTEEN TIMES EVERY MORNING, AN' IT KEEPS ME AS LIMBER AS A HOSE!—HAVEN'T HAD A HEADACHE SINCE TH' MOHAWKS TRIED TO SCALP ME!

FAUGH—FATHER, THAT'S NOTHING! SOON AS MY LUMBAGO CLEARS UP, I'LL TOUCH MY ELBOWS TO THE FLOOR!

YOU BEARD OVER LIKE THAT ONCE, AN' YOU'LL NEVER BE ABLE TO SNAP BACK IN SHAPE!

YOU'D HAVE TO SIT IN A BARREL AN' WEAR A LAUNDRY BAG FOR A SUIT!

'Looking Backward'

MAY 4, 1913

Members of the Trades and Labor Council elected officers for the coming year at a recent meeting. They are: President, Charles Ford; Vice President, Charles Gustafson; Fred Jorgensen, Recording and Financial Secretary, and Treasurer, Louis Follo.

Bark River News—John Frechette, Jr., of Bark River, has taken aid in his barber shop on Saturday on account of rushing business.

Fred Clairmont purchased a new automobile last year and has sold it to Mr. Forquette of Ford River Switch.

John Frechette, Jr., had ice cream for the first time this season.

Mrs. L. P. Treiber made a business trip to Escanaba Tuesday.

Mike Belanger was on the sick list Monday and gout up again Tuesday.

Many Polish people who have been living in Pennsylvania, are moving to Bark River and sur-

rounding places. Some families have taken up farms at Schaffer and Perronville.

The C. and N. W. train was here Monday picking up and loading ties.

Martin Rood made a business trip to Escanaba Monday.

Ole Broomstrom has returned from the woods where he spent the past winter.

William Baldwin has purchased a new motorcycle.

Phil Labre was a business visitor in Escanaba Thursday.

Quotations

I have no special instructions to deal with financial questions in England.

Andrew W. Mellon, new ambassador to Great Britain.

Today the greatest structural weakness of the public utility industry in America is the superstructure of the holding company and of the so-called investment company which in turn controls the holding company.

Professor James Cummings Donbright of Columbia University.

### Salt & Pepper

Bits-of-Seasoning in Local News for Today

#### THAT'S GOLD IN THEM

Unauthorized information gathered by Salt & Pepper's snopper concerns the tale of a shirttail and the activities of a transient band of gypsies who while staying over in Escanaba demonstrated money-making propensities which would make Poni a cheap piker and the Huckins boys rank with mere amateurs.

It seems that the gypsies, while practicing phrenology in a business place which they rented at Escanaba, offered to show one of their prospective patrons that they also possessed the mysterious gift of dark magic which would make money double itself. The patron consented to a trial order, and as a sample turned over a dollar bill to be used in the experiment. This is where the shirttail comes in. The money, said the seer, must of a necessity be sewed in a shirttail, and left untouched and unlooked at until the next morning. This was done, and when the man looked the next morning, lo and behold, there were two dollars before him. How the other one got there must be left to the imagination and the gypsy's knowledge of palm-istry.

So far so good. The patron was thrilled with the prospect of a doubled fortune, and finally was persuaded to bring over his next egg to be treated in a like manner. He could feel the roll all the time, so there was no danger in it. If it doubled it would be great, and if it didn't he would still have his next egg. The next day, with trembling fingers, he opened the package containing the roll and found that the money had turned, to and behold, into torn strips of a week-old newspaper. How the paper was substituted in the package for the real money was another feat of palmistry which had been demonstrated to the customer, but it seems he didn't appreciate it. He rushed down to see the seers, but lo and behold, they had also made themselves disappear. It then became grand larceny, and police were appealed to with a plea that they supply the grand climax to the tale of a shirttail.

#### Motorist Jailed After Car Crash

After he had bumped into a car driven by William Daniels of Escanaba, causing about \$50 damage, John Snell, 47, of Bark River, was arrested by the Delta county sheriff's department for operating an automobile while intoxicated. Arraigned before Justice J. S. Doherty, Snell pleaded guilty and was sentenced to spend 30 days in the county jail. Emil Johnson, 46, also of Bark River, Snell's companion, was given two days in jail on a drunk charge. The accident occurred on M-35 near Fishery hill.

Five officers of the Santa Monica Cal., police force have a combined service record of 118 years.

### HERE'S RELIEF FOR STOMACH SUFFERERS

Di-Jo Sweetens Stomach, Digests the Food, and Stops Indigestion

Many a person is today suffering from stomach ailments unaccountably. If your stomach is giving you trouble it is because it can't digest food. Go to your druggist at once and get a bottle of Di-Jo. It will furnish the stomach with the strengthening juices it needs to stop your stomach, heartburn, belching, and all the kindred troubles. If the bowels are not regular, take Di-Jo. It was made especially to go with Di-Jo. If your druggist hasn't these remedies, write Drug Products, Marshall, Mich.—Adv.

### GIRL IS ENVOY OF COAST CITY

Santa Rosa, Calif., citizens have a pride in their city and a true eye for pulchritude and personality. They chose Miss Juliette Proctor as their queen and then sent her to a dozen South and Central American countries as their representative. Miss Proctor, shown above, made a 12,000 mile journey.

Ben wanted to go out into the cold bright Christmas eve with this boy. It was enough to be sorry for him. Couldn't he go away and leave her with her thoughts? As if for the first time Ben's eye took in the expensive flowers. He frowned.

### Teacher Colleges Are Run At Full Capacity, No Jobs

BY V. J. BROWN

This chapter will be devoted to a discussion of the system of teacher training which Michigan has set up to provide its public school system with a trained teaching force. Nearly everyone will admit that the cost of education in Michigan is too high. How to get it down within reach of the taxpaying public is a difficult matter.

Governor Wilbur M. Brucker referred in his recent special message to the alarming extent to which the expense of maintaining the public school system has grown. He demanded that local school boards cut at least 15 per cent below 1930 figures. Most school districts have already gone far beyond this mark in cost cutting. One result of this is the release of considerably more than a thousand teachers from the public schools of Michigan.

Another well known fact which bears upon teacher training is the effect of the economic depression upon the teaching profession. One reason why "a promotional program was required," as stated in the Brucker message, was that the insatiable demands of industry, up to about 1929, was sapping the teaching profession of many of its most valuable instructors. Those days are gone. They will not return for some time.

Can't Find Jobs More than 1000 graduates from the teacher training colleges of Michigan failed to secure positions in 1930. The year 1931 saw almost an equal number graduated to join the ranks of the unemployed. Meanwhile under stress of delinquent taxes and the demand for retrenchment, another 1000 are being released from the schools of Michigan with the end of the present school year.

Has any mention been made that our school teacher factory sheds down for a time? When motor car sales fall off word is passed to the production department to scale down its volume of output. If the market becomes too dull a complete shutdown is ordered.

Four Factories Michigan operates four exclusive teacher factories known as state normal or teacher colleges. In addition to this almost an equal number of teachers are graduated from the university of Michigan and Michigan State college.

The total annual output of these teacher factories, when operated at full capacity, supplies graduate teachers in sufficient number to almost fill the school rooms of Michigan with a normal teaching force. Matrimony, business opportunities, failures and openings in other states formerly took the excess. Today teachers are shying away from marriage, there are no jobs open in the business world, and surplus teachers have already rushed away to fill all possible vacancies in the schools of other states.

But evidently the educational forces of Michigan have not heard of this. In our four normal colleges alone, the payrolls disclose the taxpayer is digging up two \$9,000 annual salaries; up to \$6,000; eight \$5,000; 39 between \$4,000 and \$5,000; 22 between \$3,000 and \$4,000; 18 between \$2,500 and \$3,000; 146 between \$2,000 and \$2,500. The payrolls show a veritable army of professors and instructors and teachers and critics below the last named figure and ranging down to \$1,200.

Student Ratio The ratio of students to those in the state payroll at Ypsilanti is shown to be 8.5; at Kalamazoo, 7.9; at Mt. Pleasant, 10.3; at Marquette, 9.5. This ratio is shown in the budget which the committee on ways and means had before it in 1931 and yet all the requests of the college lobby were allowed.

A suggestion was made to the same ways and means committee during the present special session while the economy measure introduced by Chairman Hartman, the governor's house whip, was being considered that all these normal colleges be subjected to drastic cuts; that the freshman class except at one be eliminated; that only those enrolled at the others who had completed their first year's work be allowed to continue; that professorial salaries be knifed to the quick, at least half of them be released entirely; and that a study of teacher training courses at all state educational institutions be made to determine how much competition is practiced between them.

president could be had in 1921 for \$5000 whereas by 1931 the market had risen to \$9000.

Governor Kew The governor and his advisors knew of this tragic expense when his special message was being prepared. He had been told that these teacher training schools had far exceeded the bounds of reason. He knew that in the face of present economic conditions, fewer students would enroll for training and that those who did enroll had little chance for employment. He was told here at least lay a place where a million dollars could be saved at once. In his message he referred to the cost of the public schools and demanded reduction threatening their state aid funds if they failed to do so. But not a word was said about the state sponging up on its mad pace of college expense.

The greatest contributor to college expense is the constantly heightened standard set for teachers. University approved lists for high school and the false standards set by the North Central association form the siren call to which most school boards respond. All are aimed at creating a market for teachers who have put in time at colleges and universities. It is a selling game by which the college heads dispose of their product. Teachers who have earned degrees at colleges are demanded. No tests are imposed to determine the success which the teacher has attained in her profession. The main question is, "How many years has this teacher put in around a college campus? How many hours a day are your teachers required to spend in class and recitation room?"

Every school superintendent must meet these requirements or see his school go off the coveted approved list and his own professional standing go glimmering. School boards are blinded by the aura of intellectuality. The taxpayer is never considered.

100% Professional Schools hang out a sign, "This school is 100 per cent professional." Interpreted, this means that each teacher has paid dues to the school teacher's union. There are local, state associations and national associations. These organizations prey upon the teachers for support. They employ high pressure lobbyists who work upon legislative assemblies for higher salaries and shorter hours. Here again we find the taxpayer's money being used to defeat the hope of tax relief he has been led to believe he might some day receive.

Pay Big Salaries Let us take the state normal at Ypsilanti as an example of educational prodigality. One is about like the other three except perhaps the Ypsilanti institution may be said to lead in lavish expenditures. Here are some of the salaries: President \$9000, Registrar \$2500, Professors, 16 at \$5000, Professor, 1 at \$2500, Professors, 3 at \$4750, Professors, 2 at \$4500. And so down the line until one has counted 125 professors at salaries ranging above \$1500 and running up as high as \$5250. Then there are about 70 teachers with salaries ranging between \$1080 and \$3000; and an alumni secretary, whatever that office offers, at \$250; and numerous other "adjuncts" difficult of classification under the fancy titles attached.

But this is not all. The manager of transportation, possibly a former vice president of one of our taxed-out-of-existence railroads, gets \$6800 of the taxpayer's money. The superintendent of buildings draws \$3250 annually; a carpenter is down for \$2400 a year; a plumber for \$2400; janitors get as high as \$1625, which scales them above some of the professors in point of income. A social hall where embryo teachers are instructed in the latest dance steps and taught the niceties of modern society was completed last year. Its opening in the fall of 1931 necessitated the employment of a hostess at \$3000 and an assistant at half that sum, with several others drawing pay for drawing room education.

Leadership Needed Summed up briefly, this chapter on state expense and lavish public salaries is intended to drive home the conviction that until some person rises up to lead a reform of the cost of higher education, there is little hope for much relief in the matter of school expense. Left to their own devices, school district taxpayers would soon have the cost of schools back to normal levels. But as long as taxes can be levied by school boards under dictation by superintendents who are in an oligarchy, without submission to the taxpayers who foot the bill, just so long will both state and local taxes remain at high levels.

Approximately one-third of all state property tax is levied for the colleges and universities. Among this group is found the highest salaries paid by the state. It is difficult indeed to gain information concerning just what purpose many of these educational taxpayers do to earn their salaries. There are professors on leave, deans on lecturing tours, savants on exchange with other centers of learning, teachers on sabbatical vacations, research and discovery professors and a few who actually put some time in the class and lecture room. The legislature has been given no opportunity to delve into this maze of intellectual and sancti-

### FIRST NOMINEES

First presidential and vice presidential nominees of 1932 are Colonel Frank E. Webb, above, of Washington, D. C., and Colonel Jacob S. Coxy, below, Mayor of Massillon, Ohio, candidates of the National Farmer-Labor party's convention at Omaha. Coxy headed "Coxy's Army" in the famous march on Washington a generation ago.

### Schaffer News

Schaffer, Mich., May 3. (Special)—Mrs. Lillian Shultz and children, Earleen, Wayne, Alma and William have returned from Chicago, where they attended the wedding of Mrs. Shultz's son, Homer, to Miss Bernice Mott, formerly of this place.

Mrs. Firme and children and Mrs. Frank Yarsha and daughter of Iron Mountain spent the weekend at the home of Mr. and Mrs. Dan LaVesque.

Mr. and Mrs. Wallace Robinson and children and Miss Ann Perrin, motored to Escanaba Saturday night where they attended the Daily Press Spelling Bee. Miss Ha Robinson, an eighth grader of the local school, received honorable mention and a prize of \$1 for having placed thirteenth in the Daily Press Spelling Bee, Saturday evening.

### AMUSEMENTS

The strange story of a white man who was brought up in the jungle and lived in the tree tops like the apes is told in "Tarzan, the Ape Man" which will be seen today at the Delft Theatre for three days. This is a screen version of the famous adventure novel by Edgar Rice Burroughs and the fact that it was directed by W. S. Van Dyke of "Trader Horn" reputation guarantees it to contain the full flavor of the African jungle in which dangerous and always exciting locality the plot is unfolded.

Fights with lions, apes, blood-thirsty pygmies and other wild animals, a spectacular charge of a herd of elephants through a native village; the imprisonment of an English safari and their escape from a man-eating gorilla pit play a prominent part in this story of jungle adventures. Principal interest, however, is centered on the fascinating romance of Tarzan with an English girl. Their life in the tree-tops and exploits in warding off the perils of the beasts and savages by which they are surrounded is said to make this one of the most thrilling pictures yet to come to the talking screen.

Press Want Ads Cost Little, Accomplish Much. Our next story will deal with the skillful manner in which state payrolls are built up, who is responsible for it, who profits by these inflated payrolls, and the influence which work together to produce the awful expense of state government.

### PREPARE SOIL FOR POTATOES

Conservation of Moisture Means Bigger Crop; Harrow Weeds

BY D. L. CLANAHAN, Farm Crops Specialist.

It is the purpose of this series of timely articles to emphasize the factors that are essential in the production of better potatoes and better yields. Time spent now in the preparation of the soil will save many hours of labor in later months and the yields of the potato crop will be increased. The soil should be fall-plowed and plowed as deep as possible without turning up the sub-soil. A disc or spring tooth harrow should be used early in the spring to make the seed bed deep and mellow. Remember that the part of the crop that is used and sold grows under the ground and the soil must be loose to get best results.

Summer-Fallow Helps Continue to work the soil until planting time. This will kill many weeds and grass and hold the water in the soil for the crop. A 200 bushel crop requires 650 tons of water and one inch of rainfall means about 112 tons to the acre. Therefore, this idea of holding the water in the soil by frequent harrowings is worth something to the potato grower. Also the Upper Peninsula soils contain plenty of weed seed that are waiting for a chance to grow. By frequent harrowing before the crop is planted, numbers of these weeds that have sprouted are killed. Some growers have found that it pays them to summer-fallow the soil for one season before putting in their crop of potatoes.

Fertilizer is food for the crop. About 15% of the fertilizer that is used in Michigan is used on potatoes, and here in the Upper Peninsula this percentage will run much higher. In 1927 commercial fertilizer increased the yield of U. S. No. 1 potatoes from 172 bushels per acre for the check plots to 193 bushels per acre for the fertilizer plots. These are results from 14 farms.

Similar tests on 13 farms in 1928 resulted in an increase from 210 bushels to 249 bushels per acre of U. S. No. 1. In 1929, 1930 and 1931 this same type of tests were conducted. An average for the six years on 114 farms shows an average increase in yield of 25 bushels of U. S. No. 1 potatoes per acre. On many soils the increase will be even more.

Winners Use Fertilizer The 300 Bushel Club members have all used fertilizer at the rate of approximately 500 per acre of approximately 500 per acre. A fertilizer analyzing 4% nitrogen; 16% phosphoric acid, and 8% potash, known as a 4-16-8 is probably the best for most Upper Peninsula soils. Other fertilizers recommended for potatoes are 2-12-5 and 4-16-4.

The best place to apply fertilizer is in the row just to the side and slightly below the seed piece. Care must be taken that the fertilizer does not come in contact with the seed pieces, since it may injure the sprouts and cause a poor stand. If the fertilizer is broadcast-it should be worked well into the moist soil. Use a high analyzing fertilizer at the rate of approximately 500 pounds per acre and improve the field and quality of the 1932 crop.

### James Ryan Dies

Sault Ste. Marie—One of the Sault's pioneer citizens, James R. Ryan, who during the entire 74 years of his life lived here, died at his home on Ryan Hill Saturday night, April 30, 1932, at 8:45 after a short illness with pneumonia. He was born here May 25, 1858, in the home of his father, Thomas Ryan, near the present site of the James R. Ryan and Company establishment.

### St. Francis Hospital

Kenneth Anderson of 800 Hill, who was injured Sunday when he fell off the running board of an automobile, has been removed to his home.

August Eckman who was injured last week while at work at the C. & N. W. Railway the plant is recovering favorably.

Ervin Lemerand, North Ninth street, who was injured recently, is doing nicely.

B. G. Cregnoia of Wells has been admitted suffering with a heavy cold.

Mrs. Harold Benson, 325 South 13th street, who submitted to a major operation Thursday is resting more comfortably, but is not allowed any visitors outside of her immediate family.

Patients who have been dismissed are, Gilbert Pearson, Alfred Carlson, Mrs. Alfred Anderson of Bark River, Mrs. Edward Larson, Miss Iva Blodgett of Gladstone and Mrs. A. J. Carlton, 507 South Seventh street.

### ST. NICHOLAS

St. Nicholas, May 3. (Special)—Miss Rachel Depuydt spent the week-end at the home of her parents, Mr. and Mrs. Pamphl Depuydt.

Those who attended the meeting of the Delta Milk Producers Association were Henry Vermeir, Jule VanDamme, Alphonse Hierman, Pamphl Depuydt and Jule Calfmeyer.

Joseph Heirman spent the week-end at the home of his parents, Mr. and Mrs. Alphonse Hierman.

Girard VanDamme, son of Mr. and Mrs. Jule VanDamme is recovering after having been hurt by a field roller.

Mr. and Mrs. Jule Sinneave have visited a few days at the home of his father, Theophil Sinneave.

Mr. and Mrs. Jack Fahey and children, Eileen and Agnes Rose, were visitors at the Barron home Sunday.

### Work On Employment

During the last week in a total of 140 men, 25 women and two teams were employed in work in Delta county. The county road commission accounted for 36 extra men selected from 100 different townships, and the Bacco Construction Co. used 12 men on the grading and bridge building job on M-11 between Escanaba and Ford River. Crews are employed for alternate work, giving twice as many men a chance for employment.

In addition to their regular equipment, the county road commission employed four trucks last week. Two teams and 19 trucks worked for Bacco.

### PRAYER SAVES STORE

Cincinnati, O.—The power of prayer now has a staunch supporter in Mary Wilhelm, 45, owner of a confectionary store here. Recently two robbers entered the store and attempted to rifle the cash register. Miss Wilhelm blocked the path to the money and prayed audibly that she be spared from the robbery. The two men eyed each other quizzically and hurried away.

Bethany Church  
Delegates Will  
Attend Meeting

Delegates representing all departments of Bethany Lutheran church, headed by Rev. Dr. C. Albert Lund, president of the conference, and Mrs. Lund, president of the Women's Missionary society of the conference, will attend the annual convention of the Superior Conference of Lutheran churches, Augustana Synod, which will be held at Ishpeming, opening Thursday and continuing through Sunday.

Rev. Dr. and Mrs. Lund are leaving for Ishpeming this morning in advance of the church group delegates to give attention to the special duties which their offices involve prior to the opening of the convention.

Leaving Thursday morning will be the following representatives: Albert J. Sandgren, delegate of Escanaba Bethany Lutheran church.

Mrs. Werner Olson, delegate of the Escanaba Woman's Missionary society.

Miss Edith Peterson, delegate of the Young Woman's Missionary society.

Miss Edith Lindstrom, Junior leader.

Miss Edith Carlson, Junior Missionary Band secretary of Conference.

Convention sessions will be held at the Bethany Lutheran church in Ishpeming. The Escanaba group will return here either late Sunday evening or Monday morning.

Club Election at  
Annual Meeting

The Chicago & North Western Railway Woman's club filled its three offices subject to election this year at the annual meeting held Monday at Grenier's hall. The meeting was the final one of the season, the club resuming its sessions next fall.

The officers elected, all for two-year terms, are: Mrs. J. F. Corcoran—Vice president of ways and means.

Mrs. Charles Spangler—Corresponding secretary.

Mrs. Charles Frost—Treasurer.

Mrs. William Finnegan—Program chairman.

Following the business meeting the club members enjoyed a social time and a lunch.

The hostesses were Mrs. George Harvey, chairman, Mrs. F. A. Schumacher, Mrs. Charles Chafson and Mrs. Harvey Hemmlinger.

The average daily consumption of milk in Knoxville, Tenn., is 8-10 of a pint per capita.

Social - Club

**Lafave-Plouff**  
A marriage of interest in Danforth was that of Miss Lillian Lafave, daughter of Mrs. Della Lafave of Danforth, Route 1, and Arthur Plouff, son of Mr. and Mrs. Adolphe Plouff, Sr., of Flat Rock, which took place Tuesday morning.

The ceremony was performed at Holy Family church at Flat Rock at 9 o'clock, Rev. Father George Laforest, pastor of the church, celebrant of the mass, conducting the marriage service.

The Bridal Chorus from "Lohengrin" was played as members of the bridal party entered the church and took their places and the music of the mass was sung by the Holy Family choir. Mendelssohn's Wedding March was played at the recessional at the close of the ceremony.

The bride was lovely in a gown of heavy white satin, ankle length, her veil of tulle fashioned to her head with a cap of lace. Her flowers were a shower bouquet of roses, sweet peas and forget-me-nots. Her maid of honor, Miss Clara Lafave, wore a gown of yellow flat crepe, ankle length, with a matching band about her hair, and the bridesmaid, Miss Agnes Plouff, wore a gown of green flat crepe with a matching head band. Both carried arm bouquets of roses, sweet peas and forget-me-nots.

The bridegroom was attended by Adolphe Plouff and Oliver Chener. Following the ceremony a wedding breakfast and a wedding dinner were served at the home of the bride's mother with covers for twenty guests. Yellow, green and white were used in the home decorations. In the evening a wedding supper was served at the home of the bridegroom's parents to thirty guests.

Mr. and Mrs. Plouff left on a wedding trip to Flint and Detroit. The bride for traveling wore an ensemble of navy blue with a hat of a matching shade. They will make their home in Flat Rock upon their return.

**St. Patrick's Guild**  
Fifty-three members of St. Patrick's Guild enjoyed the regular meeting held Monday evening, beginning at 7:30 o'clock in St. Patrick's hall.

A fine program was given, including piano duets by Misses Muriel Van Gaal and Alice Reau, and two selections, "Santa Lucia" and "The Rosary," by the wind instrument quartet, Allen Beck, John Frechette, George Strom and John Banks, under the direction of John Edick.

Following the program the members played game contests for which there were prize awards.

The meeting was in charge of Mrs. J. F. Corcoran and members of her circle.

**Party Thursday**  
A packed house is being anticipated by the members of the committees of the Escanaba Business and Professional Women's club at a card party which it is sponsoring at St. Joseph's club rooms Thursday evening, May 5, at 8 o'clock. Five hundred and bridge will be played and prizes awarded to gentlemen and ladies holding the high scores. In addition a guest prize will be awarded. The public is invited to attend.

**Junior Prom Tonight**  
St. Joseph's high school class of 1933 is entertaining at the annual Junior prom, one of the important social activities of the school year, this evening.

The club rooms of the school have been transformed into a beautiful garden for the occasion and the affair promises to be one of the most attractive of the year.

The dance program will be played by the Wolverines.

**Card Party Tonight**  
The sixth of the series of card parties sponsored by St. Patrick's Guild will be held this evening in St. Patrick's hall, playing beginning at 8 o'clock. Bridge, five hundred and pinocle will be played with prizes for the win-

Iron Mountain  
Sending Large  
Representation

Iron Mountain high school will have 115 of its students in the program of the annual school Music Festival which will be held here on Saturday, marking the close of National Music Week. The school has three outstanding musical organizations in addition to two small groups, the A. Cappella choir of sixty voices, a thirty-piece orchestra, and a band of fifty-one pieces, and its brass quintet and violin quartet.

Arthur M. Reppe is music director. The A. Cappella choir has won three prizes in upper peninsula music contests, second in 1929; first in 1930, and first in 1931. The band took second place in 1930 and first in 1931 and the brass quintet and woodwind sextet first in 1931. The orchestra was not entered in these contests, but is appearing in the non-competitive program of this year's festival.

The personnel of the organization which will appear in Saturday's festival program here is as follows:

**A Cappella Choir**  
First Soprano—Arlene Abell, Mary Grace James, Ruth Forsberg, Gretchen Kapeller, Lucille Luciani, Elva Nelson, Helen Palluconi, Charlotte Clements.

**St. Anne's P. T. A. Plans Round-Up On Thursday P. M.**

The Summer Round-Up sponsored by St. Anne's Parent-Teacher association of which Mrs. Joseph Oster is chairman will be held Thursday afternoon, beginning at one o'clock in St. Anne's hall.

Dr. J. O. Groos will conduct the physical examinations and Dr. H. I. Miller the dental examinations. They will be assisted by Miss Gertrude Sheahan and Mrs. Leslie French, nurses, and by the committee appointed by the chairman.

Members of the committee are: registration, Mrs. Thomas Thompson; visiting, Mrs. E. L. Beauchamp, Mrs. Frank Charbonneau, Mrs. Med. Beaudoin and Mrs. Thomas Tounsiant; follow-up, Mrs. William Richer and Mrs. Albert Cyr; transportation, Mrs. Joseph Charlebois, Mrs. Joseph Peltier, Mrs. Gus Trotter and Mrs. Kenneth Wagenhauser.

The Summer Round-up is a very important activity of the National Congress of Parents and Teachers and is one that merits the wholehearted cooperation of all parents as it endeavors to assist in remedying any physical defect that the child entering the school for the first time may have. It is urged

that all families having children entering school for the first time next September take the children to this clinic.

The meeting, aside from offering a pleasing program, is the last of the school year. Attendance of every member of the unit is earnestly urged and a cordial invitation is extended to the friends of members to attend.

KOTEX prices are down. Kotex—the original, the safe, the tested sanitary protection!

No question mark hovers over Kotex. No endless doubt as to how it was made, where, under what conditions.

Used by great hospitals (24,000,000 pads were dispensed in American hospitals alone last year) Kotex offers the highest standard of purity. Tested and retested materials. Air-washed rooms. Scrupulous inspection. Kotex provides perfect comfort—downy softness; quick, protective absorbency. Wear it on either side with equal safety. Disposable, of course.

When you buy it wrapped, be sure that you do get genuine Kotex.

**Genuine Kotex Sanitary Napkins now cost less**

A Book  
A Day

By Bruce Catton

The author of a mystery story is generally supposed to put all of his cards on the table—to let the reader have every bit of information that the master-mind detective has, so that the reader, if he is smart enough, can figure out who the guilty party is without waiting for the author to tell him.

Authors seldom play fair, though. Usually they hold back just two or three little clues; the crucial ones, without which the right conclusion can't be reached. Indeed, they do this almost invariably, even in those books which advertise that all the dope is given to the reader without reserve.

Consequently it is refreshing to find a book that really does play fair; such a book, for instance, as "The Greek Coffin Mystery," by Ellery Queen, which is about the only detective story I know of that lets the reader in on absolutely everything that goes on.

This story deals with the funny business that begins at the funeral of a Greek art dealer. First his will vanishes, then they dig up his coffin and find an extra corpse in it, then someone gets shot and finally the brilliant son of the police inspector brings the murderer to book. It's all exceedingly ingenious, and I defy you to figure it out for yourself—even though, as I say, every scrap of information is given to you.

Unfortunately, the book has some serious defects. It's a woefully humorless affair, and the leading detective sounds like a poor imitation of Philo Vance. Much of the action sounds awfully improbable, too.

**Mr. and Mrs. Charles C. Mueller and son, Carl, of Burlington, Wis., formerly of this city, have arrived here to attend the funeral of E. M. Grabowski.**

C. C. HAS FINE MEET MONDAY

Distribution of Tourist Advertising Discussed By W. B. Thomas

Detailed plans which are expected to be used at the Straits this year in the distribution of tourist advertising by the Hiawathaland Publicity Bureau...

Four bureau agents, preferably college men, will be selected to handle the publicity work. One of the men will have complete supervision...

"Road routes and highway conditions will have to be known by the men in charge of the information booths on the ferries..."

Members of the Hiawathaland bureau are given two pages in the booklet, one for photographs and the other for reading matter...

Arrangements for the distribution of folders through local hardware merchants. "Let's Get Back to Earth—Make a Garden," were made again for this year...

Secretary Thomas also stated that the boat which is to be used by the conservation department for the patrolling of Indian Lake has been built at Cheboygan...

The meeting was concluded with splendid informal discussions. Lee Stewart, county agricultural agent explained the workings of the government seed loan and R. H. Wilson brought up the problem of the availability of adequate channels for investment in local real estate.

Annual Tax Sale Began Yesterday

The annual tax sale on delinquent tax lands in the county opened yesterday morning at the office of the county treasurer, Laura A. Williams...

The ruling by which former owners may repurchase their property within a year from date of sale, has been changed, and now allows a two-year maximum period to repurchase from tax sale buyers.

CHIMNEY FIRE

Sparks from the chimney started a small roof fire in the rear part of the residence of Dr. George Shaw, Walnut street, at 2:30 o'clock Monday afternoon. The fire was promptly extinguished by the department with little damage to the building.

Now read the Classified page.

GERO—Today ONLY "George Washington HIS LIFE AND TIMES" Produced at the request of the Washington Bicentennial commission, presented in Manistique for the benefit of the M. H. S. Band Matinee & P. M. TWO EVENING SHOWS Every American citizen should see this picture! For young and old! Comedy Added

SOCIAL

Audrey's Birthday Party Miss Audrey Johnson, daughter of Mr. and Mrs. Vern Johnson, was hostess to eight little friends at her home, 645 Manistique avenue, in celebration of her fifth birthday anniversary.

The afternoon was spent in playing many different games and everyone had a good time. A large birthday cake decorated with five yellow candles, formed the center piece and other appointments were carried out very attractively, in yellow and green.

Little Miss Audrey received many pretty gifts from her little friends.

The guests were Janet Paige, Hilma Olson, Loretta, Lorraine and Lowell Cooper, Clifford Johnson and Wallace Gillingham.

Walding-Dunond Miss Mary Walding, daughter of Mr. and Mrs. Adam Walding, former residents of this city but now living at Bad Axe, and Russell Dunond, son of Mrs. Fred Dunond, Pearl street, were married at a very pretty ceremony performed yesterday morning at 1 o'clock in the St. Francis de Sales church. The marriage service was read by the Rev. Father Schewers.

Attending the bride and groom were Miss Myrilda Lavigne and Emmett McNamara of this city. The bride wore a charming dress of yellow net over taffeta with matching accessories and carried tallismans roses and peach blossoms. The bridesmaid was dressed in green taffeta with hat and coat to match and carried a bouquet of pink roses and baby breath.

A wedding breakfast was served at the home of the groom for members of the bride party and of the family. Mr. and Mrs. Dunond left shortly after the breakfast for Sault Ste. Marie. They will return here Thursday and will make their home at 209 Pearl street.

Celebrates 12th Birthday Miss Muriel Huff entertained a number of her friends Monday evening at the home of her grandparents, Mr. and Mrs. C. E. Hughton, 717 Oak street, in observance of her twelfth birthday anniversary.

Games and stunts furnished the amusements for the evening and in the peanut walk Miss Linnea Mickelson received the first prize. A delicious birthday supper was served after the games with covers being laid for twelve. The color scheme was cleverly portrayed in yellow and green, with a large birthday cake in the center of the table.

Miss Muriel received many gifts as mementos from the following friends: Star Hoppins, Geraldine Ottosen, Stella Stork, Elsie Carlson, Linnea Mickelson, Mildred Kell, Ruth Sellman, Lois Ott, Phyllis Hughton, Joan Arnie McNally, Luella and Marie Laurion.

Grimord-Becker Miss Loretta Grimord, daughter of Mr. and Mrs. Joseph Grimord of Alpha, became the bride of Robert Becker of this city at a marriage service solemnized in the parsonage of the Methodist Episcopal church in Iron River Monday, Miss Iva Snow and Clarence Dahms, both of Crystal Falls were the witnesses.

A 6:30 o'clock dinner was served at the home of the bride's parents in honor of the bridal party. Mr. and Mrs. Becker left for this city after the wedding party.

Mr. Becker is employed with the local A. and P. company and the bride will make their home at 275 Pearl street.

Surprise Party Miss Myrilda Lavigne was pleasantly surprised by friends Saturday evening at her home. Games were played during the evening with prizes being awarded to Miss Helen Hastings, first, and Miss Elizabeth Daught, consolation. After the games a tasty luncheon was served. Table decorations were carried out in a color scheme of red, white and blue.

Miss Lavigne was the recipient of many presents in remembrance of the happy occasion.

At the party were the Misses Luella and Marie Laurion, Elizabeth Daught Helen Hastings, Evelyn, Anna May, and Beatrice Oliver, Betty Schuster, Harriet Marin, Kathryn Gorsche, Geraldine Gorsche, Augusta Berten, Eva Laasch, Anna Popiah, Ruth Cousineau, Romaine McBurney, Bernice Wood and Cecil Lavigne.

The party was arranged by the Misses Bernice Wood and Cecil Lavigne.

PATRIOTIC FILM AT GERO TONIGHT

Movie Depicting Life of Washington Under Auspices of Band

If one would know more intimately the father of this country, George Washington, one should not fail to see the moving picture to be presented at the Gero theatre this afternoon and evening, "George Washington—His Life and Times." Proceeds from the show will be used in transporting the high school band to Escanaba Saturday where it will compete in the upper peninsula district music festival.

Grade school children will be given an opportunity to see the picture this afternoon at reduced prices. The matinee will begin at four o'clock while the two evening showings will commence at the regular hours, 7:30 p. m. and 9:30 p. m.

The picture consists of four parts of fifteen minutes each, "Conquering the Wilderness, Uniting the Colonies, Winning Independence, and Building the Nation."

Movie Authentic Experienced directors have welded the wealth of material and a great cast into a compact whole into a motion picture that will dramatically and realistically present the leading events in Washington's life. It will stress features which reveal the many phases of the character of this great American, and will introduce a number of incidents never before presented on the screen.

The George Washington film, produced for the George Washington bi-centennial anniversary, this year, has a notable cast, expertly directed. The part of Washington as the general and the president is strikingly portrayed by Ellsworth Woods, an experienced actor and a descendant of a colonial officer. Miss Fanny Washington, a direct descendant of the Washington family, plays the part of Washington's mother. Other competent principals complete the main cast which is augmented by units of the United States Army, Indians from the Pamunkey reservation, and Virginia backwoodsmen.

The movie has already been shown in various cities of the western part of the upper peninsula and has caused much favorable comment.

CITY BRIEFS

Mrs. Dewey Minor and Mrs. Frank Merwin motored to Gladstone Monday to accompany Mr. and Mrs. Nels Minor there. Mr. and Mrs. Minor remained in Gladstone to attend the funeral of Mr. Minor's sister, Mrs. Sarah Parent, held there yesterday.

Mr. and Mrs. James Troyer and daughter, Thelma, spent Sunday at Pike Lake.

Mr. and Mrs. Thomas Grimley and daughter, Jean, and Mr. and Mrs. William Grimley motored to Kewadin, Mich., and visited with relatives over the week-end.

Mrs. Dora Cherneski of Manistique Heights has received word of the birth of an eight pound baby boy to Mr. and Mrs. R. Schwander at the Murphy hospital in Chicago on Monday, April 25. Mrs. Schwander was formerly Helen Cherneski of Manistique Heights.

Mr. and Mrs. Norman Graefe, of Iron Mountain, spent the week-end visiting with Mrs. Graefe's brother-in-law and sister, Mr. and Mrs. Frank Weber, Tanpary and Mrs. Graefe was formerly Miss Anna Chenod of this city.

Miss Star Hoppins and Miss Clara Ekstrom accompanied Miss Ella Winkler to Escanaba Saturday to attend the spelling contest. Miss M. Palmer visited at her home in Newberry over the week-end. While at home, she had as her guest, Roy Anderson.

Mr. and Mrs. Carl Gunnarson returned Monday from Rhineland, Wis., where they had been visiting for a few days with their daughter, Mrs. Ruben Larson. They were accompanied home by their daughter Evelyn who had been visiting with her sister.

Sidelights

The seemingly annual invasion of short change artists has come and gone with nary a "snicker" added to their list. Merchants are becoming educated to the many wiles and ways of the short change men and it takes an exceptionally smooth and experienced finance wizard to deceive most merchants these days. Probably the only incentive for the short change artist to keep plying their "trade" is the fact that one haul is generally equal to a good day's wages.

BRIEFLY TOLD

L. O. O. F. Meeting—An important business meeting of the Odd Fellows will be held this evening at 8:00 o'clock. Every member is urged to be present.

Ladies' Aid Society—The Catholic Ladies' Aid society will meet this afternoon at 2:30 o'clock in the recreational rooms of the parochial school. Hostesses for this meeting are Mrs. Charles Kendall and Mrs. Emma Schuster.

P. T. A.—A regular business meeting of the Lakeside Parent-Teacher's association will be held tomorrow evening at 7:45 o'clock in the Lakeside school. A social hour will follow the business session. All members are urged to come to the meeting.

R. H. Wilson Talks To Rotes On League Of Nations Monday

Shattering the common and prevailing idea that the League of Nations is primarily a machine constructed to preserve world peace, R. H. Wilson, high school principal, delivered a splendid talk on the non-political activities of the League at the regular weekly meeting of the Rotary club held at the Elks' Temple Monday night. The program was in charge of the international service committee headed by Michael Heinz.

"The League of Nations is a great international clearing house for the settling of technical world problems," declared Mr. Wilson. "The permanent secretariat, which deals with international problems, is headed by Sir Eric Drummond and has a personnel of 500 members, many of whose experts serve without pay. These men prepare a fund of technical information which serves as basis of information which may be drawn upon at the various conferences. It is distinctly non-political, members of which are elected for terms of either 21 or 28 years."

Mr. Wilson also talked upon the work of the mandate commission, the league's health service, work in the suppression of drug traffic, dissemination of information of economic conditions, and economic statistics of the world, such as gold movements, trade balances, etc.

Members of the club found his address very interesting and informative and carried away with them a vivid impression of the functions of the league.

UNEMPLOYED PLAY

Knoxville, Tenn.—Unemployment isn't going to keep those in the ranks of the jobless in this city from playing. They have built and equipped their own play center in a building here. The Recreation Center, just opened by Fred Parkhurst, director, has push ball courts, lounge room, magazines and newspapers, and games.

A dollar. The transfer was made and then No. 1 purchased demanded of the merchant a \$10.00 bill for a supposed five and five ones. Sensing a scheme with which to confuse him, the merchant refused to deal with them any further in their money changing schemes and the gentlemen made a hurried departure.

MEMORIAL DAY SPEAKER NAMED

Fr. S. Maier Chosen by Legion for Memorial Address

Rev. Fr. S. Maier, of All Saints church, will deliver the address of the day at the Memorial Day exercises to be held at the Fernwood cemetery. It was announced yesterday by Sylvester Schram, member of the Legion committee in charge of arrangements. The program is not yet completed but it has been decided by the committee to hold services similar to those of a year ago.

A parade on the streets at ten o'clock in the forenoon is planned to be participated in by Legionnaires and other former service men, the high school and city bands and school children. After the parade the services at the cemetery are to take place.

Besides the address of the day, the program is tentatively scheduled to include several selections by the band, a brief Legion memorial tribute to the departed soldiers and a salute to the dead and taps by the firing squad and post bugler.

In the afternoon of Memorial Day, local Legion men will go to Rock, where a similar program is planned at the cemetery there.

An effort is to be made by the committee in charge to assemble a large part of the membership of the August Mattson Post for the services. The membership has now reached a total of 107.

SOCIAL

Legion Party

A large number of members of the American Legion and their friends enjoyed a card and dancing party at the Legion hall Monday night. At bridge, Mrs. W. C. Johnson was first prize winner and Frank Rose won consolation; at 500, Mrs. Irvn Willis won first and Romeo Boyer, consolation.

Music for dancing was furnished by Johnson and Lindahl, piano accordionists.

Wedding Anniversary

Mr. and Mrs. Joseph Stock were pleasantly surprised Monday night, the occasion being the thirtieth anniversary of their wedding. Card games furnished the main diversion of the evening. A tasty luncheon was served at the close.

Surprised on Birthday

Twenty-five friends gathered Monday afternoon at the home of Mrs. Oscar Knutson, 1272 Superior avenue, to help celebrate her birthday anniversary.

Games of five hundred were played, Mrs. Liedtke, Mrs. Max Holzgrebe, Escanaba, and Mrs. A. Latimer, receiving high, second, and third, respectively. Mrs. Loyl House received the door award.

A delightful luncheon concluded the afternoon and Mrs. Knutson received a beautiful gift in remembrance of the occasion.

The party was arranged by Mrs. Loyl House, Mrs. Robert Mathison, and Mrs. Max Holzgrebe, Escanaba.

Bridge Club

Mrs. Archie Cowen was hostess to members of her bridge club Monday evening at her home, 1201 Wisconsin Avenue.

Additional Gladstone News Will be Found on Page Ten

Miss Evelyn Cardin, daughter of Mr. and Mrs. P. Cardin, returned Monday evening to Milwaukee after visiting for several days at her home here.

Mrs. H. W. Snyder and children visited Sunday and Monday in Appleton with Mrs. Snyder's parents, Mr. and Mrs. George Trepanier.

Mrs. Margaret Kanney returned Sunday morning from Chicago where she spent the past week.

Miss Alice Perry, Brampton, is visiting this week at the home of Mr. and Mrs. Lewis Burdick.

Mrs. H. W. Snyder attended a farewell party held for Mrs. Ed Johnson, of Rock, last night. The Johnsons are leaving Sunday for Little Rock, Arkansas, where they will make their home.

FLORA LAROCHE CITY ANALYST

Certificate of Authority Issued to Tester of City Water Supply

Miss Flora DeRoche, of the City Clerk's office, has been issued a certificate by the Department of Health for the state of Michigan as an analyst in charge of water disinfection for the city of Gladstone. The certificate was issued in accordance with regulations adopted August 15, 1931, by the Advisory Council of Health of the state. Miss LaRoche who has had charge of water analysis for the city for several years was previously authorized by the state to do the work, but up to this time no certificates of this kind have been issued by the health department.

Miss LaRoche's duties as an analyst includes daily tests of the drinking water supplied by the city in search of Colon Bacteria terms. The discovery of these germs is a certain indication that water has been polluted. The daily test is an extremely delicate one and reveals traces of pollution that could not be found by any other means.

The tests do not stop at this point, but when germs are discovered further analysis is made to determine the nature of the germ and whether it is of a dangerous character. Regulation of the chlorination of the water comes from these tests. Miss LaRoche states that for a period of several years no serious pollution has been found in the Gladstone water.

In addition to the tests of city water, this department has also made tests of water samples from wells, springs and other rural sources of supply. The results of these tests have disclosed that water from some sources of this kind are extremely dangerous.

The city is also closely guarded against disease from the milk supply through the laboratory work of Miss LaRoche. Each month, samples of milk from all dealers are gathered and tested. A bacteria count of each sample is made and should a sample exceed the state regulations, the dealer is warned and samples are taken at regular intervals to make sure that the condition of the milk has been corrected. A specific gravity test to determine whether the milk has been watered or skimmed, a Babcock test to determine the butterfat content, a sedimentation test to determine the presence of foreign matter and a Barthel test to determine the absolute quality of the milk, are also made.

Careful scrutiny of the water and milk supply of the city is regarded as a safeguard against an epidemic of disease.

Work On Sewer Is Progressing Slowly

Work on the trunk sewer being laid in Montana avenue and Elmer street has progressed on Montana avenue to Eleventh street, according to E. R. Buchner, City Manager. Considerable difficulty is being encountered because of water and caving, which is slowing up construction. It is expected that the job will be finished by June 1.

Coon Is Returned To Conservation Job

Charles Coon, Gladstone, was reappointed as a conservation officer for Delta county by the State Conservation Department Monday of this week and entered upon his duties yesterday. Mr. Coon had been off the force since last July after having served in the department as a field man for eight and a half years.

The action of the department in reinstating Mr. Coon has met with the approval of local sportsmen and the large holders of timber in this vicinity who have been concerned because of the large territory to be patrolled by one officer. The large number of streams and long distances between various parts of the county has made it impossible to prevent wholesale violation of the game laws, since the reduction in the force here.

The reinstatement of Mr. Coon will result in better observance of the game laws, it is believed.

Sid Gordon has returned from Oshkosh where he spent the week-end.

BRIEFLY TOLD

Rifle Club To Meet—A meeting of the members of the Gladstone Rifle and Pistol club has been called for Thursday evening. It is planned to hold a short business session after which instruction is to be given in the use of the Springfield rifle and in the rules of the range.

Eagles To Meet—O. Haberman, secretary of the Eagles' lodge, has given notice that a meeting of the lodge is to be held on Friday night for the purpose of nominating and electing officers.

Methodist Choir—The Senior Choir of the Methodist Episcopal church will meet Thursday evening at 7:30 at the church.

Junior Epworth League—A meeting of the Junior Epworth League of the Methodist Episcopal church will be held Thursday afternoon at 3:45.

Emanuel Baptist Services—Rev. John O. Bergenson, of Denver, will conduct services for the Emanuel Baptist church Thursday evening at 7:30 at the Salvation Army hall.

Ladies' Aid—The Ladies' Aid of the Swedish Mission church will meet at the church parlors Thursday afternoon at 2:30. Mrs. P. J. Lindblad will be the hostess.

# Senators Beat Yanks Again in Weird Battle, 5-4

## SOLON HURLERS GIVE 16 PASSES

### Rice's Double in Eighth Scores Two Runs And Victory

Washington, May 3 (AP)—A two-hitter by the veteran Sam Rice in the eighth inning gave the Senators their third straight victory over the New York Yankees, 5 to 4, today, after erratic Washington pitching had seemingly tossed away the game.

The game was filled with free passes to first. Each team was able to gather in only six hits. New York used four pitchers and Washington three. Pennock, Allen, Rhodes, and Andrews for the Yankees, granted seven walks, Burke, Weeger and Crowder for Washington allowed 16.

The Senators fell upon the veteran Herb Pennock in the first inning for four hits, including a double by Cronin to drive in three runs. The superb pitching of a rookie, Allen, held the Senators hitless for the next five and two thirds innings. Then he gave way to a pinch hitter. The first tally for New York came in the fourth. Lazzari tripled and scored on Jorgens's single.

Rice's double went scoreless until the eighth. Sewell and Ruth were walked by Weaver, who had relieved Burke. Gehrig grounded to Weaver, and was safe at first when Judge had to jump for the throw.

Crowder relieved Weaver and walked Chapman to force in Sewell. Cronetti sent a sacrifice fly into right field and Ruth scored. Lazzari hit to Cronin who tried for a double play but failed and Gehrig scored, putting the Yankees into a one run lead.

In the Washington turn at bat, West walked, but was forced out at second by Cronin's ball. Reynolds singled over third and Judge walked to fill the bases. There was a change of both pitchers and batters. Andrews went into relieve Rhodes and Rice to relieve Bluege at bat. Rice drove a double into deep right field to score West and Reynolds with the tying and winning runs.

## ADOPE POST IS PURSE WINNER

### Becomes Certain Starter In Kentucky Derby On Saturday

(By C. ROBERT KAY (Associated Press Staff Writer))  
Louisville, Ky., May 3 (AP)—Adobe Post, heretofore lightly regarded as a Kentucky Derby candidate, was the surprise winner of the Preparation purse at Churchill Downs today, defeating his other derby eligibles, and became an almost certain starter in the \$50,000 added stake to be raced Saturday.

The Knebelkamp and Morris nominee disposed of the crack field of western derby candidates with ease, and finished two and one half lengths in front of the late Joseph Letter's Prince Hotspur, which beat J. W. Parrish's Cold Check for the place by a head. Adobe Post ran the mile in 1:38 4-5.

Overlooked by most of the bettors, who had made Prince Hotspur and A. B. Letellier's Sazerac the co-favorites at 3 to 1. Adobe Post rewarded his backers \$23.56 for a \$2 win ticket, \$11.88 to place and \$6.32 to show. Prince Hotspur's place price was \$5.62 and show \$3.52. Cold Check paid \$4.18 to show.

### Indian Runner Good

The Jackson park stable's Crystal Prince, a rank outsider, was fourth by a head and Hal Price, Headley's Indian Runner fifth, also by a head. A length back was Norman W. Church's Gallant Sir. Other also rans were Charles T. Fisher's Cee Tee, J. B. Reapes' Our Fancy, Mrs. W. T. Anderson's Cabozo, Plunkett and Chin's I Pass and Sazerac.

Indian Runner led most of the way around, and his effort was considered especially good in view of the fact he had completed a long trip from the east only yesterday and had no chance to loosen up before entering the \$1,200 purse race today.

Adobe Post was off last and was among the fall-enders until the head of the stretch when he moved around fast and won going away.

Liberty Limited was noticeably sore as he jogged off the track today after a light gallop. However, Trainer Johnny Schorr, said his charge was recovering from a pair of infected heels as well as could be expected, and would be a certain starter in the derby.

Col. E. R. Bradley's entry of Brother Joe and Hurgoo King were given the only workouts in which speed was attempted. They breezed a half mile in :48 3-5.

Mrs. John Hay Whitney's two eligibles, Stepenfitch and Overtime, attracted a large following when they were put through light gallops. Earle Sande, famed jockey who has won three derbies, will ride Overtime Saturday.

## WRESTLING

New York, May 3 (AP)—The scheduled Jim wrestling match between Jim Browning, 225, of Verona, Mo., and Jack Sherry, 220, of Ohio, at the Brooklyn Elks Club tonight ended in a draw after 46 minutes of grappling, because of the New York law ending matches at eleven o'clock.

New York, May 3 (AP)—Jim McMillen, 215-pound Chicago wrestler, picked up 272-pound Leo Pinetki of Poland and threw him out of the ring to-night and won the featured match at the New York Coliseum. Pinetki was unable to return to the ring within ten seconds and was counted out. The end came after 35 minutes and 18 seconds.

## CUBS SNEAK UP, BEAT PIRATES

### Five Runs in Seventh is Factor in Victory By 8-6 Score

Pittsburgh, May 3 (AP)—The Chicago Cubs sneaked up from the rear with five runs in the seventh inning today and tripped the Pittsburgh Pirates, 8 to 6.

Bob Smith pitched the entire game for the visitors, although he was nicked for 13 hits. The Cubs got a like number from Swift, Spencer and Brame. Barbee, recruit outfielder, batter for Spencer and poked a long home run.

## Spartan Tennis Team Is Defeated

East Lansing, May 3 (AP)—By scoring victories in four of the five singles matches University of Michigan was able to turn back Michigan State colleges in a tennis match here this afternoon, 5 to 3. The Spartans netters gained the edge in the doubles, two matches to one.

The summaries:

Singles  
Weitz (S) defeated Ryan (M) 6-3, 4-6, 9-7.  
Reindel (M) defeated Olson (S) 6-1, 7-5.  
D. Snell (M) defeated Link (S) 6-2, 6-2.

Reindel (M) defeated Stonebreaker (S) 1-6, 6-4, 6-1.  
Roland Clark (M) defeated Gee (S) 6-4, 6-3.

Doubles  
Weitz and Norris (S) defeated Ryan and Bob Clark (M) 5-7, 7-5, 6-3.

Link and Olson (S) defeated Reindel and Snell (M) 6-3, 7-5.  
Pendel and Roland Clark (M) defeated Pinneo and Loose (S) 6-4, 6-2.

## State Briefs

Mt. Clemens (AP)—Cooperation of Michigan railroads has been promised in the effort to revive the sugar beet industry. Growers and factory owners asked the railroads for a 50 per cent freight rate reduction on sugar beets within the state. Railroad representatives have promised to study their rates and "co-operate as fully as possible."

Port Huron (AP)—Mr. and Mrs. Frank Borowaki are parents of triplets, believed to be the first born in the history of this city. They will have different birthdays, however. A son and a daughter arrived before midnight Tuesday. Another daughter was born at 12:20 a. m. Friday.

Disabled war veterans and blind persons are afforded a 25 per cent fair reduction of air travel by Deutsche Lufthansa, Germany air transport line.

As early as 1890 there were 22 miles of canal in operation in South Carolina.

day, Buddy Ensor will be on Stepenfitch.

J. J. Robinson's Lucky Tom, Louisiana derby winner, and the Brandon stable's Brandon Mint arrived at the Downs today, the last of the eligibles shipped from the east.

## Spartans, Wolverines Play 16 Innings, Then Quit With Score 3-3

### Ann Arbor, May 3 (AP)—The baseball teams of Michigan State College and University of Michigan battled 16 innings to a 3 to 3 tie this afternoon and evening. Neither team was able to score after Abe Eliowitz tied the count with a home run in the ninth.

The tie was a moral victory for Charlie Griffin, State's left-hander, who went the route. The Wolverines have failed to beat Griffin in five starts. Harley McNeal pitched 11 innings for Michigan, then was relieved by Jack Tompkins, whose good control was enough to hold the Spartans as darkness descended.

The game started at 4:05 p. m. and hostilities continued until 7:30, when Umpire Gries decided it was too dark to play.

Home for Eliowitz  
Michigan scored the first run in the third frame when Waterhor singled and was sent across by Superko's three-bagger. The Spartans tied the score in the fifth. Griffin was safe on Waterhor's error, took second on Kircher's sacrifice and came in on a double by Gagner. Fawcett and Morse singled for the visitors in the sixth, and Fawcett scored as Waterhor threw Eliowitz out at first.

Petoskey doubled, starting the seventh for Michigan. Daniels was safe on a fielder's choice, and Petoskey reached third on Griffin's bad throw to second. Both raced home as Manuel singled.

Eliowitz slapped the ball into the tennis courts as first up in the ninth inning, tying the count and keeping the shivering spectators in their seats for seven more innings.

Griffin appeared as strong after 16 innings of work in the cold, raw wind as at the start. He limited the Wolverines to eleven safe hits.

## GLENNA SEEKS BRITISH TITLE

### Golf Champion to Leave Today for England With U. S. Team

New York, May 3 (AP)—Five times American national champion and as many times turned back in her bids for the British title, Mrs. Glenna Collett Vare sets forth tomorrow for a sixth and perhaps final effort.

She sails on the Berengaria with the American team to play a British side at Wentworth May 21 and 22, but most of the sentimental interest of fellow Americans will be centered on her play a week later in the British women's at Saunton. There again she may meet Joyce Wethered, who barred the way in Glenna's first British attempt in 1925 and again in 1929.

Mrs. Vare played probably the greatest golf of her career in 1929 in the final against Joyce Wethered, going out in 34 on the first nine, only to fall before the magic of the tall Englishwoman's strokes and lose, three and one.

The former American champion is right on her game at present, as her recent record 72 at Hot Springs, Va., shows.

It is an experienced team, Marjorie Hollins, of Santa Cruz, Calif., will take to England with Mrs. Vare. Helen Hicks, reigning American champion, Maureen Orcutt, Virginia Van Wie and Mrs. Opal S. Hill all played with Glenna against the British team in 1930. Mrs. Leona Cheney and Mrs. Harley Higbie, other two members, are experienced players in tournaments on this side.

All will remain in England to play in the British women's, and if Glenna should fall again any one of the seven readily might step into the breach.

## St. Joe Thinclads Planning Practice Event At Iron Mt.

In a test dual meet with Iron Mountain Friday afternoon, Coach Leo Brunelle expects to learn just what kind of material he will have to seek honors in the peninsula track events this spring.

Iron Mountain is rated as the outstanding track team of the peninsula. This season and Brunelle expects this practice dual event to definitely point out the weak and strong spots in his squad.

The athletes who have shown up to the best advantage so far this spring are Beaumier and Loeffler in the dashes, McGovern and Clairmont in the hurdles, Shimbreg in the mile, Brazeau in the high jump, Wilson in the shot put, Smith and body in the half mile and Harvey in the 440.

The Mountaineers are especially strong in the same events that Coach Brunelle figures his team's strength is concentrated so the practice event at Iron Mountain will likely definitely show what can be expected from the Parochial thinclads on the cinder paths this season.

## Koenecke Wallops Homer But Rally Wins for Dodgers

New York, May 3 (AP)—The Brooklyn Dodgers came through with one of the season's prize rallies in the ninth inning today, scoring eight runs to defeat the Giants, 11 to 7. The defeat kept the Dodgers in last place.

The Dodgers collected seven hits and two passes in the ninth along with a couple of Giant errors. Johnny Frederic started the rally with a homer with one on. He made five hits in six times at bat. Mel Ott and Len Koenecke hit homers for the Giants, accounting for five runs.

Score: R. H. E.  
Brooklyn 092 010 008—11 16 1  
New York 401 000 200—7 7 3  
Phelps, Moore, Hoyt, Quinn and Lopez; Fitzsimmons, Mooney, Mitchell and Rosen.

## AMATEURS SET FOR BATTLES

### Cocky Kids Begin 45th Annual Boxing Tourney Tonight

(Associated Press Sports Writer)  
New York, May 3 (AP)—Cocky kids of the nation, who fight for the fun of it and a medal, cut loose their holiday punches in Madison Square Garden tomorrow night in the first round of the 45th annual Amateur Athletic Union boxing championships.

In the field are 165 warriors, champions of 29 district associations. They come from half the states of the Union to fight for titles in eight classes, and the glory of entering the Olympic tryouts in San Francisco.

Champions already as far as long distance travel is concerned are the two entries of Honolulu, Charley Pan, a middleweight, and Ruben White, a welterweight. Eddie Flynn, 17 pounder from Loyola of New Orleans, is the only defending titleholder.

The Olympic year has brought forth a record entry. In the middleweight class alone are 24 punchers, while the light heavyweight, lightweight and featherweight classes each have drawn 22 selected entries. The welterweights number 19, as do the heavyweights and flyweights.

Flynn Looks Good  
Five college men, all of them Giants and all great hitters, form the backbone of the heavyweight division with Jack Kilcullen, a 190 pound tackle from Yale, a bit favored.

Kilcullen barely edged out Joe Uzdevins, of Northeastern University, Boston, in the national junior final last month in a spectacular duel and the New England youngster is back for more.

The remainder of the college heavyweights are John Rutherford, six foot seven inch Princeton warrior, champion of the New York Golden Gloves; Stanglow Slater, a big negro from the University of Michigan, and Jimmy Dee, from Rice Institute, Texas.

Flynn, whose jabbing and hooking from the left side last year was as brilliant as that of any professional, is considered a certainty to sweep the welterweight field. Loyola has another favorite in Jim Beeson, crack right-hand puncher.

Because of the large field the tournament may extend through four nights. It is estimated 150 bouts will be necessary to determine the new champions. All bouts are scheduled for three rounds.

## HOME RUNS

(By The Associated Press)

Michigan 3; Michigan State 3 (tie; 15 innings).

## Leading Batmen In Big Leagues

(By The Associated Press)  
Jimmie Foxx and Hughie Critz held up a trifle better than their rivals yesterday in an afternoon of weak hitting among the batting leaders, and retained the top places in the two major leagues. They each made one hit in three times at bat.

Paul Waner of Pittsburgh and Bill Dickey of the Yankees were newcomers in the Big Six, Dickey through idleness that allowed Lou Gehrig to drop below him, and Waner by making two hits in three times to tie the Pinky Whitney for second place in the National League. Whitney dropped from first with one hit in four times. The standing:

G A B R H Pct.	
Foxx, Athletics	16 61 14 25 .410
Critz, Giants	15 70 8 28 .400
Reynolds, Senators	15 63 8 25 .397
P. Waner, Pirates	15 71 18 28 .394
Whitney, Phillies	17 71 18 28 .394
Dickey, Yankees	15 84 11 21 .389

St. Louis. 010 404 011—11 16 2  
Cleveland. 104 091 101—8 12 3  
Stewart, Kimsey and Ferrell; Hudlin, Connally, Hildebrand, Pearson and Sewell.

Angelo Rossi, San Francisco mayor, has been advised that King Emanuel has bestowed upon him the cross of commander of the Crown of Italy. He is the fourth San Franciscan to receive the honor.

## MEXICO NEXT FOR DAVIS CUP

### Same Netters That Won From Canada Will Represent U. S.

New York, May 3 (AP)—The same Davis Cup squad that was powerful enough to sweep last week's five-match tie with Canada at Washington was named today to represent the United States against Mexico in the North American zone semi-finals May 13, 14 and 15 at New Orleans.

Ellsworth Vines, Wilmer Allison and Frank Shields again will share the singles assignments, while Allison will team with Johnny Van Ryn in doubles.

Vines won two singles matches against the Canadians, while Allison and Shields each captured one. Unless Mexico provides unexpectedly stiff opposition, the same line-up probably will be referred by J. Mills Newton of New Orleans.

Scattered at present, the United States squad will assemble against this week end for exhibition matches at Chicago and Kansas City before continuing to New Orleans.

The line-up of the Mexican team will consist of Ricardo Tapia, Alfonso Uanda, Angel Roldan and Eduardo Maestre, with Ernesto F. Lopez as non-playing captain. They will leave Mexico City Thursday for New Orleans.

New Re-registration Started This Week

About 50 Escanaba voters have filled out re-registration cards at the city hall under the provisions of the new 1931 law which became effective May 1. Louis Bove was the first voter to register.

U. P. Briefs

New Trial Asked

Iron Mountain—Motion for a new trial in the case of the estate of Philo C. Fuller, of Marquette, Wis., lumberman, against John J. Flanagan, of this city, a partner in the former firm of Flanagan and Newkirk, has been filed in circuit court, following the jury verdict of no cause of action returned in the trial held last week.

The law firm of Van Slyck and Bay, of Ontonagon, Mich., filed the motion which, it is expected, will be heard at the next regular term, which opens July 5.

The case is the outgrowth of a contract entered into in 1922 between Flanagan and the late Dr. H. A. Newkirk and the Norton Lumber company for certain time being holdings in the Ontonagon district, the original consideration being about \$125,000. Flanagan and Newkirk logged the property for four years and in 1926 gave to the Norton company a note for \$11,000.

Gardens for Unemployed Menominee—Gardens for Menominee unemployed were planned today at a meeting of the Menominee Welfare Association's garden committee, composed of Curry Prescott, W. C. Cook and W. F. Doyle.

Cards are to be mailed tomorrow to all family heads on the list those helped through the winter by the Welfare Association asking whether they desire garden plots for planting. The Welfare Association plans to furnish seeds to persons unable to buy seeds.

Cornell Pleads Guilty Menominee—Stewart Cornell, 20, of 412 Carney avenue, Marquette, today pleaded guilty before Judge George O. Driscoll of Bessemer in Circuit Court here to a charge of extortion.

He was arrested Feb. 1 as author of a note demanding \$10,000 from E. P. Smith, head of Central West Coal Company and Lumbermen's National Bank. The note stated Mr. Smith would be killed if he failed to pay or notified authorities.

Plant Closed Marquette—The Brunswick Lumber company has ceased manufacturing operations at Big Bay and its plants there will be idle indefinitely, it was stated yesterday by F. J. Johnson, manager, who said he could make no prediction as to when activities would be resumed.

The shutdown, he said, throws about 200 men out of employment. For the next month or more about 50 men will be retained on the payroll for miscellaneous work and the force probably will be reduced about mid-summer.

Time Is Extended For Farmer Loans

County Agricultural Agent J. E. Turner has received notice that the time has been extended for receiving government seed loan applications in Michigan, and additional applications will be received at the county farm agent's office in Escanaba up to next Wednesday. The last applications must be filed at Minneapolis by May 14.

The loans are available to farmers who are financially unable to purchase seed and fertilizer for spring planting.

Legger Who Gave Radio Fans Secret Of Success Jailed

Cleveland, Ohio, May 2. (AP)—The man who told radio fans over station WGAR how to be a successful bootlegger was under arrest today on a federal prohibition charge.

On the radio he was billed as Jackie Schwartz but he gave his name to the prohibition agents as Abe Cohen. The officers charged he had sixty quarts of whisky and two cases of beer in his automobile when they arrested him Saturday night.

A federal investigation of the radio interview is pending.

Ming Seeks Probe Of Gas Price Jump

Lansing, Mich., May 2. (AP)—An anticipated resolution sponsored by Speaker Fred R. Ming was introduced in the house tonight providing for the appointment of a six man legislative committee to investigate a recent increase of 1 cent a gallon in the price of gasoline. The resolution said the general increase indicated an "agreement" among the distrib-

Corn or a Sow For Education

Spartanburgh, S. C.—Students here soon will "pay with the plow" for their education. The Textile Industrial Institute, organized 20 years ago by the Southern Methodist church, plans next term to accept wheat, corn, hogs, molasses or other farm produce for tuition.

The new plan, outlined by the Rev. R. B. Burgess, president, is

an extension of the school's unusual system of affording an education to those unable to pay for one in the usual way.

Factory workers for years have studied and worked in shifts—two weeks in the textile plants of this area and two weeks in classrooms. Farm youths will follow the same plan.

Agricultural projects will be assigned them by the school in accordance with their farming abilities and the needs of the institute's kitchen.

Their produce will be accepted in return for the school tuition of \$125 a year.

Federal vocational agriculture teachers are co-operating and will supervise farming projects. Fifty students will be accepted for the first term under this plan. Only those who would be unable to obtain an education otherwise will be admitted.

Dogs Dig Gardens; Keep Them Tied Up

Home gardeners who take pride in their back yard plantings are complaining to the Escanaba police about the damage caused by dogs. Freshly dug earth holds an attraction for the dogs, but their visits to the garden plots usually means ruin for the vegetable or flower beds.

To avoid trouble and damage to carefully planted gardens and flower beds, dog owners are urged by the police to keep their pets tied up, especially if they have a habit of straying away from home and frolicking in other people's yards.

Season's First Boat Arrives In Escanaba

The Steamer A. M. Beyers arrived in port yesterday from Sheboygan with a load of coal for the Reiss Coal Co. and anchored at the local dock where the work of unloading was begun shortly after its arrival.

The Beyers holds the distinction of being the first Great Lakes steamer to enter this port for the season of 1932.

BRIEFLY TOLD

Local Dentist Ill—Dr. R. H. Banks, 131 First Avenue South, was admitted to St. Francis Hospital Sunday evening suffering with an attack of pneumonia. Although he is resting more comfortably than when admitted his condition is such that visitors are not allowed to call.

Car Turns Over—Kenneth Anderson of Danforth was slightly injured when the automobile in which he was riding struck some loose gravel and overturned. The driver of the car was Harold Anderson, 310 North Sixteenth street.

Hurt In Accident—Mrs. R. B. Hanney, 47, of Chicago, and Charles Bonamer, 24, of Escanaba, were victims of an automobile accident which occurred Sunday evening on highway 41 near Saumico, Wis. They were taken to St. Mary's hospital at 8:15 o'clock and remained overnight, leaving early Monday morning. Their injuries were said to have been received in an auto collision. The woman's address was given as 3954 W. Twenty Second street, Chicago, while Bonamer resides at 327 Stephenson avenue, Escanaba.

Five Years Old—Checking up on the theft of a wheelbarrow, a shovel and two rakes from the golf club, police officers found that the guilty parties were two five year old boys. Each one manned a handle of the wheelbarrow to push the loot away.

Fewer Births — During the month of April, 33 births were recorded at the city health office. This number is considerably lower than previous months of the year. There were 22 deaths listed here for the same period.

Council Thursday—A regular meeting of the Escanaba city council has been announced for Thursday by City Clerk Carl E. Anderson.

Now read the Classified page.

Gladstone News

Announce Foreign Missionary Program

The regular meeting of the Women's Foreign Missionary society of the Methodist Episcopal Memorial church will be held Wednesday afternoon at three o'clock. This will be the annual Thank Offer meeting. Mrs. H. W. Smith will preside.

The following program will be presented: Missionary Hymn. Reading, "My Becky" Thank Offering—Mrs. C. W. LaFaver. Quartette—Meadames W. H. Bainter, E. Kell, W. S. Skellenger, H. W. Colenso.

Duet, Little Boy Blue—Betty and Howard Quistorf. Play, Sally's Awakening—King's Herald. Reading, Who Will Open the Door for Ling-Te?—Betty Quistorf. Accompanist—Miss Viola Foster.

Lunch will be served. Members of the committee in charge are Meadames James Mitchell, W. S. Skellenger, W. Foster, O. K. Fjetland, W. H. Bainter, C. C. Strickland, C. Fitzpatrick and H. W. Colenso.

Rifle Club Has Two New Rifles

Two regulation Springfield rifles for use on the newly established range have been received by the Gladstone Rifle and Pistol association and are now available for the use of the members. The rifles are kept at the headquarters of the fire department in the city hall. Four more rifles have been ordered by the association.

For the present members of the rifle club are required to supply their own ammunition, requisitioned supplies not having been received. It is expected, according to officers of the association, that the issue ammunition will be here late this month. Several good scores have been made so far by members of the association who have tried out the range.

Four buildings erected for the Alaska-Yukon-Pacific exposition in Seattle, Wash., in 1909 are still in use on the state university campus.

OBITUARY

WILLARD WILLIS

Willard Willis, year old son of Mr. and Mrs. Benjamin Willis, died yesterday morning after a brief illness with pneumonia. The child died on his first birthday. The body was brought to Gladstone to be prepared for burial at the Swenson mortuary and funeral services will be held Thursday afternoon from the home at Rapid River. Rev. H. W. Colenso will officiate.

MRS. SARAH PARENT BURIED

Mrs. Sarah Parent, who died early Sunday morning as the result of a stroke, was laid to rest yesterday in the family lot at Rapid River, following services at All Saints' church, Rev. Fr. S. Maier officiating.

Mrs. Parent is survived by an only daughter, Mrs. J. D. Burroughs, 912 Minnesota avenue, with whom she had made her home for the past fourteen years, and three brothers, Nels Minor, Manitowoc, Wis., and Sam and Theodore Minor, of Osler.

Palbearers at the funeral were Romeo Boyer, Reuben Boyer, Henry Lucier, Fred Minor, Carl Davis and Samuel Minor.

Ask Permission to Abandon Ferry Dock

Conneaut, O., May 2. (AP)—The Marquette and Bessemer Dock and Navigation Co. today petitioned the Interstate Commerce commission for permission to abandon its car ferry service between Conneaut Harbor and Port Stanley, Ontario.

The petition asserts that changes in shipping conditions and particularly with reference to increased all-rail coal shipments into Canada, made the service unprofitable. The ferries have operated between Conneaut and Canadian ports for the past 40 years.

A burglar took \$560 from a roll of bills containing \$2,900 in a Miami Beach, Fla., apartment. Nothing else was disturbed.

Arbor Day Stamps Are Received Here

A new issue of two cent Arbor Day stamps has been received and placed on sale at the Gladstone postoffice. Postmaster Frank A. Miller announced yesterday. The quantity is limited, he states, and most of the issue will go into the hands of stamp collectors.

Postmaster Miller also states that the office has a supply of the special bi-centennial stamps in denominations from one-half to 10 cents.

THEATRES

"The Heart of New York," the Warner Bros. picture featuring Joe Smith, Charles Dale, George Sidney and Anna Appel, opens today at the Rialto Theatre.

"The Heart of New York" is the story of a father who would rather invent a dish-washing machine than earn a livelihood for his family. After various trials and tribulations his invention is marketed successfully, bringing them wealth and a new series of amusing difficulties.

Manager Miller of the Rialto Theatre states that in his opinion "The Heart of New York" is the type of picture which will satisfy every member of the family.

2nd Feature

Billie Dove's record for having had famous leading men in her pictures goes up another notch with "One Night at Susie's," a high-powered crook drama, at the Rialto Theatre.

Helen Ware and James Crane have other outstanding roles in the picture, which John Francis Dillon directed. The story is based on Frederick Hazlitt Brennan's magazine serial, scenarized by Forrest Halsey and Kathryn Scala.
