Grade Separation to Be Built at Spalding This Fall

Work on the grade separation project, at the point where US-2 branches off from US-41 between Powers and Spalding, will be launched this fall instead of in 1933 as originally scheduled...

temporary grade crossing. From that point US-2, known as the road to Iron Mountain, will be routed over the Cedar river and will connect with the present route on the top of the hill, just west of the village of Spalding...

Naturalists Find Rare Woodpecker With Ivory Bill

New York, (AP)—A 42-year hunt for the rare ivory-billed woodpecker, long thought extinct, has been rewarded.

The discovery of the bird was reported by Dr. T. Gilbert Pearson, president of the National Association of Audubon Societies, and Ernest G. Holt, also a naturalist, after a visit to a Louisiana swamp, where they had gone upon hearing reports that one had been shot there.

CAR INDUSTRY LOOKING AHEAD

"Trade Spirit" Improves; Production Revised Downward

BY DAVID J. WILKIE, Detroit, Aug. 4. (AP)—Comparative figures continue to arouse interest in automobile trade circles. Up until about a fortnight ago production and sales executives were mainly interested in the apparent steadiness of a moderate demand that had held up beyond expectations. Now they are beginning to speculate upon the extent of the falling off generally looked for during the latter part of the year.

passenger cars and trucks. Orders All Filled. The figures are considerably below those for the same period a year ago, but nevertheless they were better than the trade generally had expected. With the recession anticipated during the remainder of the year, however, leaders of the industry have begun to wonder whether earlier predictions of a total output for the year of around 1,500,000 units will not have to be revised downward.

duction in that period totaled 730,505 units and new car registration 663,726, or an excess of production amounting to only 67,082 units. With the number of dealers in the United States around 45,000 the figures show they are not burdening themselves with large stocks.

Woman Mayor's Threat Saves City Treasury

Here's a picture of Mrs. Phenie Lou Ownby, mayor of Broken Arrow, Okla., who found a unique way to make folks pay their water bills.

Broken Arrow, Okla.—Broken Arrow was plenty broke. The treasury was flat as a pancake. "Fine time to elect a woman mayor," growled the skeptics. And by all accepted standards it was a "man's job" that Broken Arrow's voters wished on Mrs. Phenie Lou Ownby when the ballots were counted and she had the mayor's seat and, with it, the distinction of being "Oklahoma's first woman mayor."

You find in your home paper that so-and-so visited in Oklahoma City and other places; still they do not have the money to pay their water bills. Some people seem to think that the world owes them a living. Maybe it does, but they won't get it from this administration. —MAYOR PHENIE LOU OWNBY

Even Sand Dunes Find Place With Resort Business

LANSING—The sand dune sections of Michigan, for years considered as liabilities and which caused extensive studies to find means of making them productive are coming into their own as focal points for those seeking recreation.

The fact that the dunes provide the finest kind of play grounds for children is another reason why families are seeking the dunes parks for their vacation or week end camping trips. Because of this rapidly increasing popularity of the dunes parks, the supervised areas are being developed as rapidly as finances will permit.

HEADS STRIKERS

Leader of 6000 striking hosiery mill workers in High Point, S. C. is D. V. Bradley, above. He is 27, has been a mill worker for 12 years, and is trying to re-establish a former wage scale.

BRIEFLY TOLD

EXPECT EIGHT SEWER BIDDERS

Three Local Firms Seek Contract; Lay Water Main

While no bids have yet been received on the sewer construction job which will be let Monday, keen competition for the job is expected by City Manager F. R. Buechner, who states that eight contracting firms have made a request for specifications and proposal blanks.

Contractors who are expected to bid on the job are Nebel Bros., Fillmore Bros., and Ole Peterson, all of Gladstone, and Ole Peterson, Iron River, Tomasi & Co., Norway, Phelps-Drake company, Iron Mountain, Chris Vanses, Grand Rapids, and the John R. Edelman company, Muskegon Heights.

The job, which is estimated to cost \$3,252.95, must be completed before Sept. 30, according to the contract forms sent out by the city. A penalizing clause provides that failure to complete the work within the specified time will cause the city to assess engineering and inspection costs to the contractor.

All labor to be employed will be taken from the unemployed lists of the city, with preference of employment being given to those who own property along the sewer. This provision is made to enable those assessed for the job to pay their share through labor.

Start Water Main

Construction of a water main in block 15, in the alley between Dakota and Michigan avenues was started yesterday. 540 feet of 4-inch pipe are to be laid to connect with an existing 4-inch main. Class C Bell and Spigott cast iron pipe, 12 feet in length, is being used. The work is being done by city crews.

CITY BRIEFS

Miss Hulda Ottoson, Evanston, Ill., is spending two weeks here with friends.

Albert Houle, Reno, Oklahoma, is visiting in this city renewing old acquaintances. He was a former resident of this city, leaving here in 1900.

The Misses Eusebia Louis, Larina Cowell, Blondina Louis, and Lydia Stock are spending the week-end at the Louis cottage at Forsythe Lake.

Miss Helen Beaulieu, of Newberry, is a guest at the home of Mrs. Mackin, Michigan avenue. She was formerly a member of the school faculty here.

Mr. and Mrs. Otto Nelson were guests last night at the Ole Harstad home at Bark River.

The Misses Oral and Reolanda Varino, of Sault Ste. Marie, are visiting at the home of Mr. and Mrs. Elmer Vanderberg, Superior avenue.

Mrs. Charles Miller has arrived from Flint for a visit at the home of her parents, Mr. and Mrs. Ed Miller. Mrs. Miller was formerly Carolyn Miller.

Mr. Flodin, who is connected with the Swedish Tribune, Berkeley, Calif., was a guest at the Wassa Order meeting held Wednesday.

Carl Larson and Herman Johnson are expected to arrive Saturday morning from Lake Forest to spend the week-end at the John Ohman home, Flat Rock.

Mr. and Mrs. Harold Johnson are leaving today for their home in Detroit after a visit at the home of the former's parents, Mr. and Mrs. Gust Johnson, of Chalmers.

Miss Sylvia Raiche has returned to Milwaukee after visiting for the past two weeks with her father, J. N. Raiche.

Miss Marie Raiche returned to her home here following a month's visit at the home of Mrs. Frank DeCalre, Jr., Escanaba.

Miss Marlan Day, who underwent an operation for relief from appendicitis at the St. Francis hospital, returned last night to her home here.

Mrs. R. P. Canning and Miss Kate Roche arrived Tuesday from St. Johns, Mich., to spend a week or ten days at the home of the former's brother, Dr. A. H. Kimmond.

Mr. and Mrs. M. J. VanDonsel have as their guests, Mr. and Mrs. Leo Appelgate, Santiago, Calif.; Mrs. R. McGlones, Los Angeles, and Mr. and Mrs. Claude Camp, Denver, Colo.

Mrs. John Bovin is spending a month camping at Seney, Mich.

Mrs. J. A. Medill returned Wednesday evening from Sault Ste. Marie after spending several days with her daughter, Meroy, who is employed there.

Mrs. M. J. Magoon and daughter, Josephine, left Monday for Flint in company with their guests, Mr. and Mrs. R. E. Richardson. They will return Saturday.

Gene Kee is leaving today to spend several days with his father in Rhineland.

Mrs. Torval Kallerson and family are camping at Sheldrake, Michigan.

Mrs. L. White, of Alpena, Mich., is visiting at the home of her mother, Mrs. John Budzis.

MUST DECLARE PARTY CHOICE

Cannot Vote Both Party Tickets at September Primaries

For the first time since the adoption of the primary system in Michigan, Delta county voters will be required to state their party preference at the September primaries before they will be given a ballot. Never before has there been a contest for the nomination for offices on the democratic ticket and as a result the primaries of the past have resolved themselves into a one-party affair, in which all electors voted a republican ticket.

Candidates for the various county offices have a difficult time explaining to many voters that they cannot vote, in the primaries, for candidates on both the republican and democratic tickets. Many voters have friends in both parties who are candidates and feel that they should have the right to vote both ballots.

Because of the one-party condition that has existed heretofore the significance of the primary system has not been stressed and is not understood by a great many voters. In fact their understanding of the party system, as it applies to the county government, is vague.

Much of the time of the candidates is spent explaining to the voters that the September primary is not an election but merely a caucus at which the adherents of each party appear to express preference as to which of the group of candidates shall carry the party banner. In the old days, before the primary system, the voters met in convention and the understanding was general that one convention could not nominate the candidates of both parties. Neither would a voter contend that he was entitled to be present and take part in the party caucuses of each.

The primary system made it a simple matter to jump from one party to another and as a result, with no opposition developed in parties other than the republican, most of the electors took part in the primaries of that party, regardless of their intention to support the nominees in the general election.

The contest at the coming primary will serve to clarify the minds of the voters as to its purpose and will also serve to keep them within their own party lines.

CITY BRIEFS

Dr. George C. Hafford and W. Carney, prosecuting attorney of Calhoun county, returned to their home in Albion, Mich., yesterday afternoon after a short visit with Mr. and Mrs. J. W. Gilligan and Mrs. B. A. Craver.

Mr. and Mrs. Laz Rosenthal and daughter Dorothy, of Detroit, arrived Wednesday evening from Chicago where they attended the wedding of their son, Samuel, Saturday, Mr. and Mrs. Rosenthal will remain here for two months but Dorothy will return to Madison the fifteenth of September to re-enter the University of Wisconsin.

Mr. and Mrs. Jack Nussbaum of Oshkosh, Wis., were guests of Mrs. B. A. Craver and Mr. and Mrs. J. W. Gilligan for one day on a vacation tour of the upper peninsula. Mr. and Mrs. Nussbaum left here yesterday afternoon for Sault Ste. Marie from where they will travel through Canada, the Copper Country and back to Eagle River, Wis., to camp for two weeks before returning to their home in Oshkosh.

Mr. and Mrs. John Weber and children, Kenneth, Joan and Tony of Blaney, and Mrs. Robert Gardner of Detroit, were dinner guests yesterday of Mr. and Mrs. George Dupont.

Mrs. Adolph Johnson and daughter, Helen, motored to Escanaba and visited with Andrew Johnson, who is a patient in the St. Francis hospital. Mr. Johnson is improving very favorably.

Mr. and Mrs. Victor Olson, daughter, Ruth, and sons, Stanley and Arvid, of Chicago, are visiting in the city with friends and relatives.

Miss Faye Minor, who was a week-end guest of Miss Ruth Swanson, has returned to her home in Gould City.

Mrs. Godfrey Johnson, submitted to an operation at the Shaw hospital Wednesday and is resting easily.

Mr. and Mrs. A. J. LeFevre and children motored to Newberry Saturday.

Miss Nona Hruska and Miss Helen Fagan are expected home tomorrow from Chicago where they have been in training at the Michael Reese hospital. They will spend one month at their homes.

Mr. and Mrs. Jack Bartel and two children returned to their homes in Escanaba Wednesday after visiting for a short while at the Joseph Weingartner's, Sault Ste. Marie. Mrs. Bartel is Mrs. Weingartner's granddaughter.

Mr. and Mrs. Tom Couling will arrive tomorrow from Winnipeg to visit at the cottage of Mrs. Irene Davis, Indian Lake.

Mrs. Thomas McNally, who was operated on at the Shaw hospital Wednesday morning, is getting along nicely.

Albert Hartman will return today from Gladstone where he has been visiting with relatives for one week.

Mrs. C. W. Johnson, Chicago, B. B. Shaw and C. Davenport of Detroit, are guests at the cottage of Mrs. Irene Davis.

Mrs. George Dupont, Mrs. Robert Curley and Mrs. Robert Gardner, Detroit, motored to Blaney Wednesday and spent the day at the home of Mr. and Mrs. John Weber.

Mrs. Lydia Ross returned Monday from a several weeks visit with her daughter, Mrs. Samuel Bradford, at Meridan, Conn.

Mr. and Mrs. Harry Smith and children, Kenneth, Phyllis and Donna, of Owasso, Mich., arrived here Wednesday evening to visit with the former's parents, Mr. and Mrs. Claude Smith.

Mrs. C. McGregor, who has been a patient in the Laing hospital at Escanaba for several weeks, has been dismissed.

The Misses Katharine Hupfer, Beryl Jones and Helen Anderson of Escanaba, and the latter's brother, Clyde, are camping at Harrison Beach for a few days.

Mr. and Mrs. Elmer Anderson are deeply grieved over the loss of twin boys born Monday.

Miss Betty Earle, of Hermansville, is the guest of Miss Jean Craver this week.

Joseph Kotchen, St. Ignace, visited in the city yesterday with relatives and friends.

TAKE STEPS TO OBTAIN RELIEF

Supervisors Pass Resolution For \$75,000 Federal Aid

Definite steps toward taking advantage of the \$300,000,000 Federal Relief Bill recently passed by congress were made Wednesday evening at a special meeting of the board of supervisors to iron out present financial troubles now facing Schoolcraft county.

Application for loans had been made by Prosecuting Attorney V. I. Hixon both to the state and to the Reconstruction Finance Corporation at Washington, D. C., but owing to the fact the machinery for the distribution of the funds had not yet been effected, no financial assistance has been forthcoming. The application, read by Mr. Hixon at the meeting, stated the needs and condition of the county and asked that the communications be placed on file as formal applications.

Township supervisors were asked to form an estimate of the needs of their respective townships and to send the information to Prosecuting Attorney V. I. Hixon as soon as possible in order that an approximate idea might be gained as to the amount needed by the county.

It was explained at the meeting that loans from the Reconstruction Finance Corporation may be made either through the state or direct to the federal government. If made direct, the loan will also be included in the quota to be allotted to each state making application. It is understood that Michigan has increased its application from \$11,000,000 to \$18,000,000. More than 30 states have already applied for loans under the new relief bill. The city of Manistique will not make application for a loan, according to sentiment which prevailed at the meeting, the opinion being that the city does not need assistance at this particular time.

In accordance with the prevailing practice a resolution was drawn by Prosecutor Hixon, although it is believed that a formal resolution may be needed later. It reads as follows:

"Resolved that application be made for a loan of \$75,000 under the provisions of the relief bill passed by congress.

"Be it further resolved that the proper officers of this county be authorized to take all such action as may be necessary to obtain such loan or such part thereof as may be obtainable."

SOCIAL

Motor to Blaney

A group of boys and girls motored to Blaney yesterday afternoon and enjoyed a picnic supper. Games of golf, tennis, and shuffle-board were played before the supper and in the evening the young people danced in the community hall.

Those who made the trip were Katharine Husband, Jean Craver, Louise Bolitho, Betty Earle of Hermansville, Harriette and Bill Heltman of Cleveland, Dick Hudson, Boyd Rollins, Dan Neville, Robert Mead of Menominee, Oren Quick and Clayton Burrell.

Dufour-Cogswell

Miss Victoria Dufour of Pontiac, became the bride of Benjamin Cogswell of Ypsilanti, Saturday, July 30, at a pretty church wedding. The ceremony was performed during the eight o'clock mass with the Rev. Father Peek officiating at Ypsilanti.

Mrs. Cogswell has many friends and relatives in this city having lived here until just the past few years. She has been working in Pontiac for the past year. Mr. and Mrs. Cogswell will make their home in Ypsilanti, Mich., where he former is employed.

Banquet Tuesday

In honor of Mr. and Mrs. Victor Olson and family, of Chicago, who are visiting in the city, the Heran Bible class of the Swedish Baptist church entertained in the church parlors Tuesday evening. Dinner was served at 6:30 o'clock with covers laid for twenty-three. A short business session and social hour followed the banquet.

PLAN TO PAVE U. S. 2 IN CITY

State to Make Survey. Plans for Concrete Highway 1.4 Miles

Closely following the announcement that the state administrative board had approved the widening and grading of 1.6 miles of road on Highway U.S. 2, five and one-half miles west of Whitewater to the east county line, John E. McCarthy, county engineer, received word that the state is to draw survey plans and specifications for the concreting of Highway U.S. 2 within the city limits from the site of the Inland Lime and Stone company office on Maple avenue and East Elk street to the western city limits, a distance of 1.4 miles.

Although nothing definite has been received as to when work will be consummated within a reasonable length of time. This news is most gratifying to local residents and the new highway will contribute a great deal to the beauty of the city. At the present time Maple avenue is the only street in the city of concrete construction.

The 1.6-mile road project in the eastern end of the county will provide considerable employment for a large number of men as the major portion of the money to be expended will be used for labor, according to Mr. McCarthy. The work on this project must be completed by July 1, 1933.

Miss Vera Chittick and Elton Thornton returned to Deckerville yesterday after spending a few days camping at North Lake with Mr. and Mrs. L. R. Thornton.

Mr. and Mrs. A. Yearington and three children of Indianapolis, Ind., are spending several days camping at Copenhagen Beach, Indian Lake.

Luther League Meeting

A regular meeting of the Luther League of Zion Lutheran church will be held this evening at the home of the Misses Mildred and Helen Wieland, Hiawatha road, at 8 o'clock. Any members who wish to attend the meeting and are seeking transportation call Vern Ekstrom, Nels Mattson or Richard Larson.

Sunday School Picnic

Sunday afternoon, August 7, the Sunday School of the Zion Lutheran church will hold its annual picnic at Minne-Waa-Wa Park, Harrison Beach. The program will begin promptly at 3:30 o'clock and a picnic lunch will be served, each family having their own supper. All members and friends of the church are invited to attend and those having no means of getting to the park are asked to be at the church at 2:30 o'clock where rides will be provided. The transportation committee consists of Vernon Ekstrom, Nels Mattson and Albert Ackerman.

Golden Star Notice

A regular business meeting of the Golden Star lodge will be held this evening at the Odd Fellows' hall. Following the business session, the Lindstrom orchestra will play for dancing.

Dr. and Mrs. R. H. Lambert and children, Betty and Jack, have returned to Kalamazoo after spending two weeks at Harrison Beach. Dr. Lambert is a member of the staff at the Fairmont hospital, Kalamazoo.

Potluck Supper

Members of the Study Club and husbands held an outing Wednesday evening at the Sturgeon cottage at Schaeve's Lake. A potluck supper was served. The main diversion of the evening were dancing and games.

Honored at Boat

A welcome rowing was held Tuesday evening at Pioneer Trail Park in honor of Mary Van De Weghe and James Beach, whose birthday anniversary was observed on that day.

Those present were Mary Van De Weghe, Laurina LaRoche, Eva Larson, Lillian Olson, and Jim Beach, of this city, and Clarence Swanson, Leonard Olson, and Harold Valentine, of Escanaba.

Surprised on Birthday

Glen Ohman, son of Mr. and Mrs. John Ohman, Flat Rock, was the guest of honor at a party given Wednesday evening by his friends who gathered at his home to help celebrate his birthday anniversary. During the evening games of five-hundred and smear were played. At the close a delightful luncheon was served and the honored guest received a lovely gift.

Dwyer Mackin Out For First Time In More Than 2 Years

Dwyer Mackin, 916 Michigan avenue, disabled veteran of the World War, who has been confined to his home for more than two years, surprised his friends yesterday by venturing out for an auto ride. His condition is slightly improved and the fine weather yesterday gave him the needed extra "pep" to go out. He was out half an hour.

To Display Alligator Hide At U. P. S. Fair

One of the interesting specimens that will probably be shown at the Upper Peninsula State Fair this year is an alligator hide, owned by Earl Riley of this city. The hide comes from an alligator that Mr. Riley killed in Florida several years ago and had tanned. The alligator was unusually large but the skin shrank considerably in the tanning process. It is now about 9 feet in length.

Lyle and Vernon Long, who have been training during the past month at the Fort Brady training camp at the Soo, returned Wednesday to their home here.

Mr. and Mrs. J. E. Johnson and daughter, Mary Jane, left yesterday morning for their home in Fond du Lac, Wis., following a ten-day visit at the home of the former's parents, Mr. and Mrs. J. W. Johnson, Superior Avenue, and at the E. A. Lawin home.

Schusters Break Losing Jinx, Win From Lauermaans

The Schuster Grocers made good on their declaration to return to the form showed at the beginning of the diamond ball season when they finally clamped down on the jinx which has been pursuing them to defeat the Lauermaans Wednesday by a score of 12-7. It marked the end of an eight game losing streak. Schuster hurried for the victors while Jones was the losing twirler.

A six run rally in the seventh was not sufficient to give the Norton Specials a victory over the Ford's and they went down to defeat by a score of 10-8. Going into the seventh eight runs behind, the Specials launched a deadly assault off the offerings of Nels Halsey. Larion pitched four innings for the Specials and Eldon Norton finished the game.

Man Faints Inside Water Tower While Painting Wednesday

Joe Pecharich had a narrow escape from death by suffocation when he was overcome by paint fumes and the extreme heat while painting the inside of the water tower. Mr. Pecharich was pulled out of the tank by firemen using a rope and quickly revived upon getting out into the open air.

Mr. Pecharich and Ray Larson had been painting the inside of the tower for the past day or so and had been working into the early part of the evening. When the men failed to come down at 7:30 o'clock, Nels Bouscher, who was in charge of the plant at the time, did not become alarmed as he thought the men wanted to complete a piece of work that evening.

Some time later Mr. Larson came down the ladder in an exhausted condition and told Mr. Bouscher that Pecharich had 'ainted. A call was sent in to the fire department and the latter was rescued by means of a rope from a depth of approximately fifty feet. The pulmotor was on hand but was not needed.

The interior of the water tower is being painted with aluminum paint to keep it from corroding.

Mrs. Ray Prime and son, Billy, left yesterday for Menominee where they will spend the week-end.

City Hall to Remain Open All Day Saturday For Re-Registration

On Saturday, August 6, the office of the city clerk will be open both in the afternoon and evening for the purpose of re-registering those voters who have not yet done so.

Registration may also be made on other regular work days, the city hall being open from 8 a. m. to 12 m., and from 1 p. m. to 5 p. m. On Saturdays, with the exception of this Saturday, the office will be open only during the morning, from 8 a. m. to 12 m. Twelve hundred voters have re-registered up until Thursday morning.

chester a week ago where she lapsed into coma. The body will be brought to Iron River, but it was not definitely known whether interment would take place there or in Manistique.

The deceased, prior to her marriage, was Miss Alice Dausy of Manistique. Survivors are her mother, Mrs. Albert Dausy, Manistique; a sister, Mrs. Charles Hamilton, of Manistique, and two brothers, Edward Dausy of Manistique, and Fred of Iron Mountain

Teachers' Cut to Be Reconsidered By Board in Jan.

The additional twenty per cent reduction in teachers' salaries approved recently by the board of education will be reconsidered next January upon the receipt of school taxes, according to a statement made by the board yesterday.

If at that time conditions warrant it, the cut may be reduced. Present financial conditions, however, warrant the slash approved by the board.

Mrs. John P. Curley Dies at Rochester

Mrs. Fred Monroe, accompanied by her daughter, Mrs. Edgar Wood, left Wednesday afternoon for Iron River, the home of Mrs. John P. Curley who passed away at the Mayo Clinic Tuesday evening at 9 o'clock at Rochester, Minn. Mrs. Monroe is an aunt of the deceased.

Mrs. Curley had been ill for two weeks and was taken to Ro-

Five-Dimers Sent To Cellar Positions

Scoring two or more runs in every inning, Olson and Hanson won a free-scoring battle from the Five and Dimes Wednesday night, 18 to 12, and gave the Five and Dimes a definite place at the bottom of the league standings. Previous to the game the two teams were tied for the cellar position.

Score by innings:
Five & Ten 051 220 2-13 13 8
D. & H. 224 325 X-18 16 5
Batteries: Five-Dimes, Mineau, Neveau and Neveau; and Cassell, Olson-Hanson, Damitz and Cannon.

Two New Teachers Are Given Contracts

The addition of one teacher to the staff of the Gladstone schools was announced yesterday. Owing to the closing of the second grade of the All Saints' Parochial school the board of education was required to make provision for the care of the pupils who otherwise would have attended the parochial school. On Wednesday night the board engaged Mrs. Margaret Johnson, of Marquette, to fill the position.

The board also engaged Miss Harriet Carlson as a member of the high school faculty, to fill a vacancy created by the resignation of Bertrand Henne, Marquette, who had been engaged for a second year as teacher of French and Latin. Mr. Henne has received a scholarship from Georgetown University at Washington, D. C., and will go there to resume his studies.

Both teachers engaged by the board are experienced and come highly recommended.

Teachers' Cut to Be Reconsidered By Board in Jan.

The additional twenty per cent reduction in teachers' salaries approved recently by the board of education will be reconsidered next January upon the receipt of school taxes, according to a statement made by the board yesterday.

If at that time conditions warrant it, the cut may be reduced. Present financial conditions, however, warrant the slash approved by the board.

Girards Leave For Minocqua Water Carnival

Wm. F. Girard and son, William, Jr., will leave today for Minocqua, Wis., where they will fill a two-day engagement at the annual water carnival. The Girards will take a trick and fancy log rolling act during the carnival.

The senior Girard, who for the past eight years has held the championship in trick and fancy log rolling and for three years was national birling champion, spends a greater part of each summer giving exhibitions of this woodman's sport. His son, who is 16 years of age, has been assisting his father in the act for the past three years and is now a finished log roller.

The Girards are now negotiating for an engagement at the World's Fair in Chicago next year. If an agreement is reached with the fair organization they will probably perform for a period of five months on the fair grounds.

BATHING BEACH WATER IS SAFE

Chemists' Tests Reveal No Contamination At Park

Repeated tests of water samples taken from various points on the Ludington park bathing beach show that the water is free from contamination, and there is no cause for bathers to worry about infection or contagion. The most recent analysis was made this week by Alex Christie, chemist at the city water plant, and water specimens were taken at four different places on the bathing beach.

In spite of lower water conditions this season, the beach water is more free of the green algae weedy growth than it was last year. This is believed due to the treatment which has been given for the last month or more. Bluestones (copper sulphate) has been towed behind a rowboat at regular intervals and allowed to dissolve. This chemical has a tendency to discourage the algae growth which last year was present in such quantities as to be distasteful to swimmers.

Last year the green growth was raked up on the beach and hauled away in considerable quantities, but this season it has not been found necessary to do this, and it has been less of a problem to keep the beach clean.

Warm weather and a south wind boosted the popularity of the bathing beach Thursday, and a big crowd of swimmers was seen all day.

St. Francis Hospital

Blanche Deshermas of Brampton submitted to an operation for removal of tonsils.

Jerome Stack of Curtis, Mich., who is a surgical patient, is critically ill.

Mrs. Hazel Quarstrom of Gladstone submitted to an operation for removal of tonsils.

Patients dismissed are Miss Marian Day of Gladstone; Robert L. Parsons of New York City; Mrs. H. H. Terens and baby; Mrs. Lawrence Sauve and baby; Mrs. Joel Carlson and baby; Joseph Beauchamp and Mrs. Louis Nelson.

The penal population of French Guiana consists of about 5,000.

Only about one American male out of every 200 attains a height of six feet.

Cost of National Government Nearly Third of Total Outlay

BY OSCAR LEIDING
Washington, (AP)—What becomes of the taxpayer's dollar? Multiplied an estimated 15 billion fold, it represents the costs of government in the United States for one year.

Divided into three parts for the three kinds of government, in round figures, 55 cents represents local governments' share, 15 cents goes to the states, and 30 cents is the federal share.

Further subdivision of the local and state shares would be exceedingly complex, but the pattern of the federal subdivision may be determined in general.

In recapitulations presented both in the house and senate when congress adjourned its long winter session, federal appropriations for the fiscal year ending June 30, 1932, were given a net total of \$3,886,192,479.24.

This figure was arrived at after deducting the estimated savings of \$150,000,000 on account of the economy act and estimated postal revenues of \$725,000,000.

Total Above \$3,700,000,000.

In analyzing the spending of the "federal dollar," leaving out the economy act saving and the \$322,224,000 carried by the emergency relief and construction act, a grand total for regular annual and permanent and indefinite appropriations of \$3,713,968,479.24 results. This includes a deduction of the estimated postal revenues.

Using this grand total as a base of the fiscal year's federal expenditures, the following shows how the spending of the "federal dollar" divides up by departments:

Treasury, 38 plus cents; executive, 28.6 plus cents; war, 11 plus cents; navy, 8 plus cents; agriculture, 5 plus cents; post office, 2 plus cents; interior, 1.8 minus cents; justice, 1.3 plus cents; District of Columbia, 1.2 minus cents; commerce, one plus cent; and legislative, state, and labor, 1.2 plus cents together.

The bulk of the treasury's share goes for public debt retirement and interest on the public debt while the next heaviest spender, the executive department, makes the most of its outlay in veterans' administration.

The "federal dollar" may therefore be divided up another way, to show not who it is spent by, but what it is spent for. The following classification was made by the budget bureau on the basis of its appropriations estimates:

Public debt, retirement and interest, 28.33 cents; military pen-

sions, annuities, compensation, homes and hospitals for war veterans, and life insurance claims, 26.7 cents; national defense, 16.35 cents; civil functions, 20.45 cents; general functions, 7.13 cents; and refunds, losses, and miscellaneous, .54 cent.

Of the 28.33 cents for fixed-debt charges, 12.5 cents was classified for public debt retirements chargeable to ordinary receipts and the remaining 15.83 cents for public debt interest.

Military functions take 43.05 cents of the "federal dollar," 26.7 cents being for pensions and the like, while the national defense allotment of 16.35 cents is divided 14.46 cents for general purposes, .17 cent for buildings and other structures.

Various Civil Functions Included Under civil functions are included the costs of foreign relations, protection of American citizens abroad, general law enforcement, provision for control of currency and banking and administrative functions affecting commerce, industry and the public domain.

Under general functions are listed legislative, judicial, and executive expenses, construction of general government buildings and other general expenses.

Harris Woman Gets Word Of Veteran's Death In Baltimore

Mrs. Frank J. Pavlot of Harris has received official notification from the veterans' bureau at Baltimore of the death of her brother, William A. Gunn, 40, in the Marine hospital there. Death was due to tuberculosis, developing from gas injuries received during the World War service in France.

It is probable that the body will be brought to Harris for burial.

Gunn visited relatives in Harris a few years ago. He enlisted for service from his home town, Youngstown, Ohio, and was assigned to Company E, 353rd Infantry, 89th Regiment. During the last two years he had been a patient in the Veterans' hospital at Erie, but left it a month ago to join the Bonus Expeditionary Forces at the national capital.

Physicians expressed the belief that Gunn had contracted pneumonia.

Besides his sister, Mrs. Pavlot, the war veteran is survived by three brothers: Thomas, Harris; John, Sharon, Pa.; and Joseph, Youngstown, Ohio.

Bootleg Gasoline Subject To Tax; Heavy Penalties

Lansing, Mich., Aug. 3—An additional weapon has been placed in the hands of the department of state in its war upon gasoline tax evaders through the medium of the new federal gasoline tax law.

Under the federal law, any person compounding, mixing or blending any motor fuel is defined as a "producer" and must report the amount of all such motor fuels compounded or blended and pay the federal tax on one cent per gallon on the resulting product.

Failure, refusal or neglect to so report, the gallons blended and the payment of the tax places the violator in peril of a fine of not more than \$10,000 or not to exceed two years confinement in a federal prison.

Federal Offense
The so-called "bootleg gasoline" is made through the blending of certain tax free ingredients, such as kerosene or the distillates, with natural or "crackinghead" gasoline.

Natural gasoline possesses a very high volatility and when added to the other ingredients produces a low grade motor fuel. By using the non-taxable ingredients, the bootlegger in his blended product evades a large portion of the tax, at the same time selling to the public a very inferior grade of motor fuel.

Major efforts of the investigation service of the gasoline tax division

are being put forth in searching out and uncovering these bootleggers, both for the purpose of securing the tax accruing to the state and for the purpose of protecting the motorist in the purchase, unknowingly, of this inferior product. Heretofore prosecution for violations have rested entirely with the state, but under the new federal law all cases involving this form of violation will be instantly reported to the federal government. Under the extremely heavy penalties imposed by the federal law, it is anticipated that prosecutions under that law will assist materially in stamping out evasions of the state gasoline tax laws.

Bark River Plans To Buy Chemical Tanks For Fires

Plans to obtain two 100-gallon chemical extinguisher tanks to add to the fire fighting equipment owned by Bark River township will be discussed at a meeting of taxpayers in Johnson's garage at Bark River Monday evening.

The township now has an ordinary gasoline pumper as its only equipment, but this has been found inadequate when there was a need for quick action in the extinguishing of a small fire.

Insurance rates have been boosted in Bark River township because of the lack of adequate fire protection.

- SATURDAY'S PRICE \$15 —sizes getting scarce—delay is dangerous.
- MONDAY'S PRICE \$14 —like finding money if you can find your size.
- TUESDAY'S PRICE \$13 —going fast—better get yours.
- WED'SDAY'S PRICE \$12 —you'll have to hurry.
- THURSDAY'S PRICE \$11 —they'll be all gone by Saturday.
- FRIDAY'S PRICE \$10 —only a few will be left.
- SATURDAY'S PRICE \$9 —Ridiculous—but the last must go.

No Reservations. Alterations At Cost.
No Exchanges or Refunds.

The FAIR STORE

ESCANABA

WHAT YOU SAVE is yours

that is, if you deposit it in a savings account in this Bank. What you speculate with will soon belong to others.

One reason why millions of successful savers have savings accounts is because every penny they put in a savings account they get out if they want it with interest.

Safety plus a good rate of interest is but one of the advantages of a savings account.

The Escanaba National Bank

THERE IS NO SUBSTITUTE FOR A SAVINGS ACCOUNT IN THIS BANK

The Spirit of Good Service
