## Summer music series returns

'Music in Manistique' each Wednesday, starts June 13

MANISTIQUE — The Manistique High School's YETI Key Club has announced the line-up for the 16th annual "Music in Manistique" summer concert series. The concerts will take place each Wednesday beginning June 13. The concerts begin at 7 p.m. at the Central Park Band Shell.

According to Mike Powers, YETI advisor, the free concert series is made possible by a CUPPAD Art Mini-grant and local businesses which sponsor individual nights.

"We are proud to be to be at the same location and same day as the Manistique Farmers' Market, which wraps up just one hour before the concerts start," said Powers.

He also noted that there will be a few new entertainers.

"Kountry Klass comes from the Bay City/Saginaw area and have traveled to Munising to perform in the past," Powers said. "Our senior center has taken a bus to see them in recent years and have given this band a great review.

In addition, we have North Country

#### Feeding America Food Truck will visit area May 30

MANISTIQUE — The Schoolcraft County Feeding America Mobile Food Truck will arrive in Manistique May 30. The visit, made possible by a donation, will take place from 10 a.m.-12 p.m.

The location for pick up is Schoolcraft Memorial Hospital. Anyone residing in Schoolcraft County may participate.

If picking up a box for another family, bring a signed note with their address and permission to issue the box.

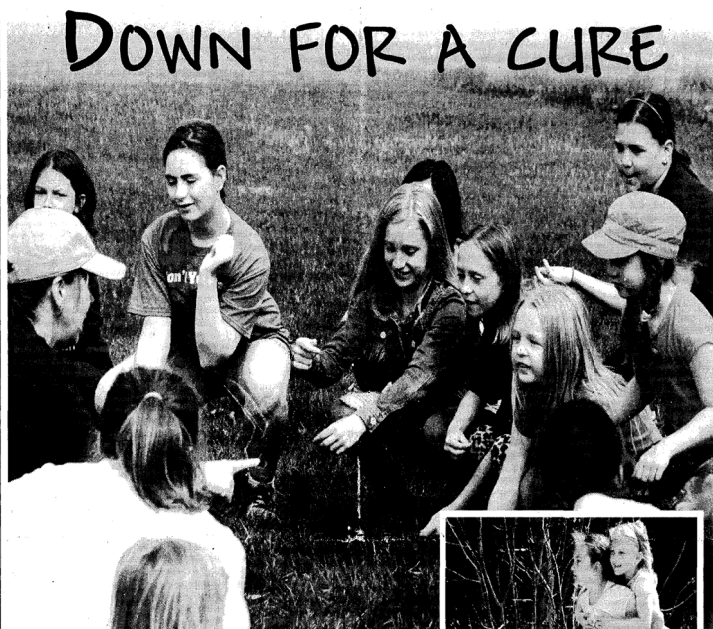

Participants are asked to bring a large empty cardboard box. The distribution is set up drive-through style. All vehicles must enter on Southtown Drive and will be directed to SMH exits after pick up.

The next truck has been scheduled for June 27.

Residents may also have a box of food delivered to their door, by calling Schoolcraft County Transit Authority at 341-2111 at least 24 hours in advance. The cost for delivery is \$1 per box for a delivery to housing complexes and \$2 per box to residential homes.

If interested in volunteering, contact Sara Giles, marketing director at Schoolcraft Memorial Hospital at 341-3293.

If interested in sponsoring a food truck, contact Giles. For more information about food assistance services in Schoolcraft County, contact Good Neighbor Services at 341-3927.

Emerald Elementary students spent time Monday in Manistique's Central Park to raise awareness for the Juvenile Diabetes Research Foundation. Through fundraising efforts of the students, parents, faculty, and staff, approximately \$3,584 was raised for JDRF in the month of May. The mission of JDRF is to find a cure for type 1 diabetes and its complications through the support of research. Above, students break from walking laps around Central Park to participate in zumba and other activities led by teacher Christy Ryan. At right, one smaller student hitches a ride during the walk.

## SMH working to establish substance abuse program

SATSP to increase access to many facets of treatment

MANISTIQUE — Schoolcraft Memorial Hospital Rural Health Clinic is looking to address the growing number of patients dealing with substance use disorders, mental illness, and childhood trauma by implementing a Substance Abuse Treatment Services Program. The hospital is in the early planning stages of the program, which will allow SMH to expand its capacity and resources to provide a higher quality treatment response.

According to Sara Giles, SMH marketing manager, the SATSP team will be led by Janet Pratt, psychiatric nurse practitioner and Jenna Bradshaw, patient navigator.

"Our goal is to improve health outcomes of our service area by increasing access to high-quality, patient-centered, trauma-informed, intergenerational, integrated mental health, substance use disorder,

and medical services as well as education for staff," she explained. "We have received grant funding to kick start our initiative from Blue Cross Blue Shield of Michigan Foundation, Superior Health Foundation, and the Michigan Center of Rural Health/ Department of Health and Human Services ... SMH is uniquely positioned to lead an integrated approach to address these complex issues as we plan integration of substance use disorder services into our care system."

The team will also be comprised of providers, clinical staff, therapists, pharmacists, senior leaders and the patient navigator.

"We developed a new position, the patient navigator, to help the person and family navigate the cumbersome healthcare and substance use systems," Giles said. "The patient navigator's role will be to ... 1) Help patients navigate the current cumbersome health/mental health/substance treatment systems, further integrating care; 2) Integrate primary care and mental health/substance abuse care to increase likelihood of follow-through

with services through appropriate referrals; 3) Coordinate and facilitate collaboration between community resources; 4) Assist with internal and external training initiatives; 5) Monitor day to day program operations along with supervisor and psychiatric nurse practitioner."

A substance abuse counselor, hired by Great Lakes Recovery, will work on site at SMH for outpatient therapy. The hospital also plans to hire full-time therapist to address the issues surrounding mental health, trauma and substance abuse.

"Project partners (community agencies) will engage with the program by referring individuals for assessment, and by providing treatment services," explained Giles. "Training programs for all SMH staff will allow us to assess and refer patients for treatment options. The efficiency of this team approach will result in more patients being assessed and receiving treatment services more quickly.

## County weighs funding options

Board presented with bond options, millage timetable

MANISTIQUE — The Schoolcraft County Board of Commissioners held a special meeting Tuesday to discuss bond options to fund the construction of a new jail. The options were presented by John Axe, senior counsel at Clark Hill's Education and Municipal Law Practice Group.

Commissioners voted earlier this month to "Option D" of a recent jail feasibility study. This option uses approximately \$7.1 million to retrofit the former Manistique armory to serve as the new Schoolcraft County Jail. In addition, the board would need around \$899,000 to construct a new holding area at the Schoolcraft County Courthouse for the inmates being transported to court hearings.

Axe explained that he has been working with Schoolcraft County Treasurer Julie Roscioli to create both options for financing, as well as a timetable for approval of a millage proposition to be placed on the November 6 ballot.

Bond financing is commonly used by state and local governments to fund the creation of infrastructure. The bonds are sold to investors and funds are repaid, with interest, according to specified schedules and are exempt from federal and state income taxes. To make the bond payments, the county would need to ask taxpayers to approve a millage.

Axe explained that, based on an analysis and proposed annual debt service, funding the jail would require at least 1.44 to 1.45 mills to be levied.

The bond options presented to the board Tuesday span 20, 25 or 30 years, costing anywhere from approximately \$570,000 each year for a 20-year issue with a 10 percent "margin of safety" to approximately \$410,000 each year for a 30-year issue.

"We would recommend that you need a little margin for safety, about 10 percent, because millage can go up or down, depending on the valuation of property," Axe

Letters to the Editor

**Dear Editor,**  
Over 3,000 people attended the Unite to Face Addiction - Michigan statewide rally in Lansing on May 17.

Families Against Narcotics' Hope Not Handcuffs program received special recognition and a tribute from Gov. Rick Snyder.

Unite to Face Addiction Michigan is dedicated to unifying the voices of the millions of Michigan citizens impacted by substance abuse and other disorders.

Hope Not Handcuffs is an community project started by Families Against Narcotics and is directed at bringing law enforcement together with community organizations in order to find viable treatment options for individuals seeking help to reduce dependency with heroin, prescription drugs, and alcohol.

Judge Linda Davis, president of FAN and chair of the governor's Prescription Drug and Opioid Abuse Commission repeated the need for immediately-accessible treatment for those who need help. The judge added that people in recovery are "some of the strongest people I've ever met in my life."

As of today, over 1,240 individuals have entered addiction treatment through Hope Not Handcuffs since February 2017.

The way that Hope Not Handcuffs operates is that any person struggling with any drug addiction can go to any of the participating police agencies and ask for help. Simple as that.

If accepted into the program, the individual will be guided through a brief intake process to ensure proper treatment placement (exceptions that may make someone ineligible for the

program: a felony or domestic violence warrant, danger to others; under 18 without parent or guardian consent; medical condition that may need hospitalization).

**Sincerely,

**Dear Editor,**  
I left the Bonifas Arts Center last night full of pride for our community and thankful that the Detroit Institute of Arts would provide such a collection to our town.

The paintings are beautiful and I have not been filled with this much wonder since I saw Monet's Woman with a Parasol in Chicago many years ago.

But to see paintings from the Manooogian Collection up here in Delta County (I made my third visit to the gallery last night) brought tears to my eyes and I have been to galleries all over the world.

I love the DIA's mission to bring this beauty to rural areas of Michigan and appreciate the amount of trust it takes to leave such a valuable collection to our humble arts center. Their trust and dedication leaves me almost without words, and has instilled a sense of pride beyond measure.

From the bottom of my heart, thank you for wonderful efforts of the Bonifas staff for obtaining this collection and sharing with our small community. The paintings will be sadly missed when they leave for another town.

Thank you for making Escanaba and Delta County a cultural mecca, if even for a brief time. We

will endeavor to build upon your generosity.

**Dear Editor,**  
It is that time again to vote for the Cloverland Electric representative and I'm personally asking you to vote for Ron Provo. I've known Ron for 60 years, he's from this community, a former electrician at Inland Limestone Quarry, very trustworthy, member of the Limestone Credit Union Board for 30 years, and I believe the best representative for the position. So please re-elect Ron Provo.

Spring. At this time of year most of us look at our curb appeal. Sometimes it needs a bit of TLC. In touring our beautiful city, I've noticed many areas that really need to receive a city citation.

Response. A Mr. Raymond Leali published a letter in the Pioneer Tribune last month relating his Republican position. That's great, however, Mr. Leali, you just repeat the rhetoric that we all hear and you have no actual data to substantiate your positions. So until you can provide true facts, I think it is best to keep your racist opinions to yourself. Your last sentence speaks the truth. Shame on you for causing trouble!

Congratulations. I wasn't able to attend the very successful Believers and Achievers Dinner, however, I want to congratulate Cindy King, Kathy Jerdi, mBank, and Rebecca Peterson for their richly deserved awards. I truly believe Manistique is improving. Thank you to the merchants, STC, city, and welcome center. Let's all believe!

Schoolcraft County's townships will probably be asked to enter into contracts with the City of Manistique in order to continue to enjoy fire protection and ambulance service. City Manager Robert Noe was instructed by the city council Monday night to check with other communities on charges made for furnishing similar protection. The entire question of the rural areas' participation in both areas of fire and ambulance service followed discussion of delinquent ambulance accounts owed the city. Noe said the accounts go back to March 1961. They include a total of \$906.75 in city accounts, and \$615.74 in county accounts. Noe estimated that it cost the city a minimum of \$12,000, or the salaries of two men, to maintain 24-hour ambulance service.

Easterly winds up to 40 miles per hour that laced the Port Inland area late Sunday and Monday sent two large bulk carriers aground, and as of 9:30 Tuesday morning, one was still stuck on the bottom just outside the breakwater. The 633-foot self-unloader McKee Sons went aground on the west edge of the channel just before midnight Sunday as it was leaving the harbor, loaded

with 16,000 tons of stone for breakwater work at Burns Harbor, Ind. The tug, John Roen IV of Sturgeon Bay, Wis., arrived Monday night to attempt to aid the McKee Sons, captained by Oscar Gronwall, but although it managed to move the stern portion around to the edge of the channel, the ship was still fast on the sand bottom in about 24 feet of water. The steamer J.J. Schoelkopf, Jr., arriving Monday morning went aground just inside the breakwater after getting past the McKee Sons in the channel outside; His bow went aground as he attempted to make the turn into the harbor, but by working his stern back and forth he was able to get free about 1 p.m.

A group of 14 young men will leave June 3 for Milwaukee for induction, it has been reported by the Selective Service office. They are Dennis Barton, leader, John Cameron, Donald Wotsch, Larry Schuurer, William Ozamich, James Gorsich, David Whitman, Gary Weber and Stephen Hoholik of Manistique; Robert Smith, Lawrence Jack of Germfask; Earl Hamill of Gulliver; Arthur Miller and Bruce Swagart of Cooks. On June 6 two young men will be leaving for pre-induction: Billy Byle, who is a transfer from Pontiac, and Carl Berger, leader, of Manistique.

Flags were flying at half mast in Manistique this week to mark the passing of Dr. James Fyvie, the noted physician, civic leader and honored veteran. Fyvie, 74, died May 24 at 4:15 a.m. in Munising Memorial Hospital following a long illness. He practiced medicine in Manistique for 35 years before his retirement in 1971.

With prospects for a DNR grant to help pay for sewer separation in Manistique looking bleak, the city may try other routes to raise money for underground pipe repair, including an earlier proposal for a one-mile assessment over 25 years. The sewer grant situation and other financial concerns were discussed at a city council budget hearing May 18.

Schoolcraft Memorial Hospital plans to spend \$93,000 a year to hire the services of a doctor to cover the emergency room on weekends, under terms of a plan approved last week by the hospital board. The hospital wants to contract with Medic Emergency Specialists of Grand Rapids, a company which provides physicians for emergency

care. The company will find a doctor who will move to Manistique full time. His primary duty will be to stay at the hospital around the clock on weekends and handle any emergency cases. The new doctor may also practice several days a week with the other physicians at the medical-dental clinic. While on emergency duty, the new doctor would arrive at 6 p.m. Friday night and stay until 6 a.m. Monday morning. He would sleep in the hospital. Schoolcraft Memorial would be charged \$30 for every hour the doctor is on the premises, a total of \$1,800 a weekend.

Scott Erickson and Dan Malloy of Manistique, became three-time winners Sunday, in the Eighth Annual Early Bird golf tournament held in Newberry. A field of 110 golfers competed in six flights of play for 24 merchandise prizes. Erickson and Malloy's steady play gave the three-time winners a comfortable four-stroke victory at 136. The winners came in with identical rounds of 68 on both Saturday and Sunday. The victory in 1983 gave Erickson and Malloy tournament wins in 1976, 1979 as well as this year.

Due to personnel issues and the high cost of operation, the Schoolcraft Memorial Hospital Board of Trustees may eliminate the obstetrics department within the next year. Hospital Administrator David Jahn said Schoolcraft Memorial is the smallest hospital in the Upper Peninsula that still has an O.B. department. "We have a big decision to make regarding whether or not we're going to keep obstetrics," Jahn said. "The board has set Jan. 1 as a deadline to make the decision."

The outdoor burning ban ordered last week by Gov. John Engler remains in effect for the Upper Peninsula of Michigan. The ban, was ordered Thursday, May 21, by

the governor due to the extremely high wildfire danger caused by dry weather conditions in the 39 counties covered by the ban. All 15 U.P. counties are included.

The Michigan House of Representatives recently passed a bill which requires automobile insurance companies to refund motorists. The refund, which would be paid to policy holders by Aug. 1, covers a portion of the surplus that is in the Michigan Catastrophic Claims Association fund. Several months ago, the association's board took its cue from the state legislature when it agreed to refund \$180 per car for a total refund of \$1.2 billion of the \$42.5 billion currently accumulated in that fund.

For the first time, the combined monthly water and sewer bill paid by a so-called "average" Manistique customer might top the \$100 mark. During the process of approving new fiscal year budgets Tuesday night, City Council members discussed rate increases proposed by Water-Wastewater Supervisor Corey Barr. No action was taken on the budget for those two departments, or on the suggested new rates, but the topic will be on the agenda at council's next regular meeting June 9.

grade classroom at Emerald Elementary School, where he talked about his family-run "Saffler Sugar Shack." Better known to most of the children as "Trooper Saffler," he explained the process of tapping a tree and making maple syrup, working as a family team and the pros and cons of such an enterprise. The students even received a sample of the Safflers' finished product. The program gave the children a chance to hear about a U.P. product and learn firsthand about terms they had been studying, including entrepreneur, natural, human and capital resources, production costs, time management and more.

Big Bay de Noc offers early/middle college

Students may partake as early as ninth grade

COOKS - Big Bay de Noc School has completed the application process with the Michigan Department of Education and has been approved as an early/middle college.

With Bay College as a partner, this early/middle college will give students an opportunity to earn a high school diploma and an

associate's degree while in high school and during a 13th year.

Students, starting as early as their ninth grade year, and as late as the fall of their 11th grade year, may take both high school courses and college courses. The tuition and regular fees for the college courses will be paid for by Big Bay de Noc School.

The early/middle college is structured so that students gradually increase their experience to college courses over a five-year plan.

In addition, students enrolled in the early/middle college program will receive support from both Big Bay de Noc School staff and Bay College staff, especially in the final year when students will experience a more comprehensive transition to the college coursework.

For more information on the Big Bay de Noc School Early/Middle College Program, contact either Dan Faust, dean of students or DeeDee Thill, superintendent/principal at (906) 644-2773.

Mackinac Financial Corporation completes First Federal of Northern Michigan acquisition

MANISTIQUE - The Directors of Mackinac Financial Corporation [Nasdaq: MFNC] (Mackinac), the holding company for mBank, announced the consummation of the all-stock merger of First Federal of Northern Michigan Bancorp, Inc. [OTC: FFMN] (FFNM), Alpena, Michigan, with and into Mackinac. First Federal of Northern Michigan (First Federal), FFMN's subsidiary bank, was consolidated into mBank and all branches opened as mBank locations on Monday, May 21, 2018. Consistent with the terms of the Agreement and Plan of Merger, FFMN shareholders will receive .576 shares of Mackinac common stock for each share of FFMN common stock. The aggregate value of the stock consideration, based on an assumed value of Mackinac shares of \$15.67, which is the average closing price for the previous five trading days, is approximately \$33.6 million. FFMN also maintained the required minimum equity necessary to declare and pay an \$8 million special dividend to its shareholders immediately prior to closing as part of the agreement. The special dividend is expected to be released for distribution on May 25, 2018. Total consideration to FFMN shareholders in connection with the transaction would equate to \$41.6 million, based upon the assumed value of Mackinac common shares. The transaction will increase Mackinac's post-transaction assets to an estimated \$1.3 billion and balance sheet loans to approximately \$1 billion. mBank plans to consolidate First Federal's Gaylord office into mBank's Gaylord location on June 18th, 2018. The First Federal Gaylord office will remain operational from the close of the transaction until such date. Combined with mBank's current locations, the addition of the six acquired Northern Lower Peninsula of Michigan offices (following the anticipated Gaylord consolidation) will increase total branches from 23 to 29. "On behalf of the entire Mackinac Board of Directors, staff, and management, we would like to extend a sincere welcome to all First Federal of Northern Michigan clients, employees and shareholders," said Kelly W. George, Mackinac President and mBank President and CEO. "Our primary objective will be providing professional, secure and flexible banking products and services to all customers as we look to deepen our banking relationships with current clients and actively work to attract new ones. mBank also welcomes becoming an active corporate citizen within all the FFMN markets assisting with various municipal, educational, charitable and business development organizations to help make a positive difference within the communities. Continued George. "In closing, we feel privileged to be able to serve the banking needs of the citizens and businesses of our new market areas and look forward to continuing the long-standing relationships built on the fine tradition of First Federal of Northern Michigan." Former FFMN Chairman Martin Thomson, pursuant to a previous nomination, is expected to be officially appointed to the Mackinac Board of Directors on May 30, 2018 during the next Mackinac board meeting. Former FFMN CEO Michael W. Mahler will remain with mBank (at its Alpena, MI location) as Executive Vice President of Community Banking and Administration. Mr. Thomson commenting on the merger noted, "We are proud to be a part of a quality banking organization that has a culture similar to what we had at First Federal and a scale that allows for continued prosperity of all shareholders and the advancement of our communities. Throughout the last decade we have had a chance to get to know Mackinac well through various collaborations and they have been an excellent partner to work with, which helped pave the way for this transaction to finally come together." As part of the Corporation's commitment to continued community support, mBank will make an immediate \$100,000 donation to the First Federal Community Foundation. The foundation is dedicated to community activities and the promotion of charitable causes. New mBank Executive Vice President, Michael W. Mahler commented, "I am very excited to join the mBank leadership team and will be continuing on as the President of the First Federal Foundation as well. I couldn't be happier that the bank and foundation will work together to continue to deeply support our community. mBank's generous donation to the foundation reinforces its commitment to being a community focused financial institution and I look forward to continuing to work in Alpena and positively impacting the region through efforts at both the bank and the Foundation." Mackinac was advised by Piper Jaffray & Co. and the law firm of Hogniman Miller Schwartz and Cohn LLP. FFMN was advised by ProBank Austin and the law firm of Shumaker, Loop & Kendrick, LLP. Mackinac Financial Corporation is a registered bank holding company formed under the Bank Holding Company Act of 1956 whose common stock is traded on the NASDAQ stock market as "MFNC". The principal subsidiary company is mBank. Headquartered in Manistique, MI, mBank has a total of 30 branch locations throughout Michigan and Northern Wisconsin and current assets in excess of \$1.2 billion. The company's banking services include commercial lending, asset-based lending, treasury management products, services geared toward small to mid-sized businesses and a full array of personal and business deposit products, consumer loans, mobile banking, online banking and bill pay.

### Marion Jacques

**GARDEN** — Marion "Sis" (Hermes) Jacques, 6481 Winter Ave., Garden, Mich., passed into eternal life at the Bishop Noa Home on Saturday, May 19, 2018. Marion was born to Joseph and Lillian (Beaudoin) Hermes on Feb. 22, 1917, at the home of her grandparents Joseph and Susan (Nerschbach) Beaudoin in Marquette, Wis. She grew up in Green Bay, Wis., with her parents and three younger brothers Lewis, Richard and William. For several years they lived at 1016 McDonald St. in Green Bay on the banks of the Fox River where her father pursued his profession as a commercial fisherman. She attended St. Patrick's School in Green Bay.

Marion "Sis" Jacques

Her parents bought her a Gulbransen upright player piano on which she practiced and learned to play quite well. When her parents moved to Garden the piano came too. Today the piano can be found in the home of her grandson John VanRemortel.

Marion's Uncle Clarence Maloney would often take her and her brother Lewis to the Green Bay Packer football games where Clarence worked concession stands for his brother Maurice Maloney, from then on she was always an avid and devoted Packer fan. Marion also loved going to dances at Bay Beach in Green Bay with her parents and to the movies with her friends.

Her father moved the family to Garden in 1935 where he continued his fishing interest out of Van's Harbor. Marion met Stanley Jacques while attending dances in Garden. On Nov. 28, 1935, they were married in St. John the Baptist Catholic Church in Garden by Father V.C. Savageau. Witnesses were Meta Winter and Lewis Hermes. Stanley, the son of Edward and Blanche (Farley) Jacques preceded her in death on June 2, 1960.

Marion's mother passed away at her home in 1951 and her father passed away in 1965. Her brother Lewis passed away in 1962, her brother Richard in 2000 and her brother William in 2008.

Marion worked for the Fuller Brush Company as a full time dealer for 31 years. She covered all of the territory between Gladstone and Gulliver, Mich. On April 26, 1976, she was awarded the highest honor that the Fuller Brush Company could bestow upon a dealer, the Alfred C. Dad Fuller Award, at an awards banquet in Chicago. In 1978, she was named the top sales person in the Upper Peninsula of Michigan.

Marion was a member of St. John the Baptist Catholic Church in Garden and a past member of the Mother Seton Circle. She also served on the churches centennial committee. She was a charter member of the Garden Peninsula Historical Society which was founded in 1975, and for a time served as treasurer. She later became an "Honorary Life Member."

For the most part she was happy just being home after retirement. She continued driving however until turning 92, making trips to Escanaba, Kingsford and Manistique. Except for recent years, she had enjoyed working in her home and yard.

Her mother's rose bush, peonies, and at one time sweet peas, and hollyhocks along a white picket fence were very special to her. Marion's

other joys were baking, reading, watching her favorite television shows, spending time with family and friends, and of course watching all of those Packer football games. For many, many years Marion prepared and held holiday dinners at Thanksgiving, Christmas and Easter for her family which would often include relatives as well as her home in Garden. When she was about 80 years of age, her daughter Barbara took over those family dinner gatherings.

Marion suffered a stroke on Friday, Aug. 12, 2011. She remained living at her home in Garden with the help of her children until she entered the Bishop Noa Nursing Home in Escanaba, Mich. on March 19, 2013. Along with family she celebrated her 100th birthday on Feb. 25 in the Sister Parlor at the Bishop Noa Home.

Mother was a woman who had incredible courage, strength, perseverance and a deep faith who faced many challenges in her lifetime and survived them all with dignity and grace. She was the matriarch of her branch of the Hermes-Jacques family. She lived long, worked hard, and was wise, humble and fiercely independent. Mom, we hold you in our hearts and in our memories where you will remain as part of us always. We have been truly blessed by the gift of your presence in our lives, by your example on how life should be lived. May God give you safe passage to your final home in heaven to be with Him there forever.

Marion is survived by her children John "Jack" (Jane) Jacques of Nashville, Tenn.; Barbara (Dale) VanRemortel of Kingsford, Mich. and Thomas Jacques of Gladstone-Garden, Mich. She is also survived by her grandchildren Richard "Rick," John Michael, Diane, Matthew, Lindsay, Joseph, Susan, John and James. Marion is further survived by 18 great-grandchildren and three great-great-grandsons, John Willem "Jacks" Fabing, James Scott Fabing and Richard Tate Fabing. She is also survived by several nephews and nieces and relatives in the greater Green Bay area.

She was preceded in death by her parents Joseph and Lillian; her husband Stanley; her great-granddaughter Elizabeth "Beth" Murray; brothers and sisters-in-law Lewis Hermes, Richard and Cleo Hermes, and William and Charlene "Dolly" Hermes; and several aunts and uncles.

Funeral services will be held on Thursday, May 24, 2018 at St. John the Baptist Catholic Church in Garden, Michigan. Visitation will be at the church from 10-11 a.m. followed by the Mass of Christian Burial at 11 a.m. A luncheon will be held after Mass in the church hall. Burial will be in the New Garden Cemetery. In lieu of flowers one may have Masses said or memorials made to a charity of ones choice.

Messier-Broullire Funeral Home of Manistique and Garden is assisting the Jacques family with the funeral arrangements.

Marion's family wishes to thank all those who were understanding, patient, gentle and kind to her while she was at the Bishop Noa Home. We would also like to thank all those who were good and kind to her through the years. God bless you all.

### Engelina Duquette

**MANISTIQUE** — It is with a sad heart that we share the news of the passing of our family's beautiful matriarch, Bibi LaVigne Duquette. Bibi was an amazing woman, who was filled with much energy, joy and love for her family. She was the wife of Leon, and mother to Judy, Lee, and Jeanne. Bibi was blessed to be

Engelina Duquette

a grandma, great-grandma, and even a great-great-grandma. She was also blessed to be "Auntie" to hundreds of nieces and nephews, and cousins by the dozens as well. Bibi was born in Cooks Mich., and was the youngest girl and the last of the original Alphonse and Josephine (Thibault) LaVigne family. The family moved to Manistique shortly after she was born. Bibi is welcomed home to rest in her "Garden" by her 10 sisters and brothers, her parents, many nieces and nephews, and her beloved husband Leon and many of his family.

On Dec. 7, 1939, Bibi married Leon H. Duquette in Manistique, Mich. They had three children and were active members of St. Francis de Sales Catholic Church. Bibi was active with the National Catholic Society of Foresters. She worked as a "Rosie the Riveter" in the Detroit area during WWII, and while living in Manistique, she was a telephone operator and a waitress at the Surf Restaurant.

Bibi and Leon moved to Escanaba in 1966 where they were active members at St. Patrick's Catholic Church. Bibi received her GED High School Equivalency Certificate at Escanaba Area High School and worked at The Fair Store.

In 1979 Bibi and Leon moved back to Manistique to a home on Indian Lake and also spent the winters in Wildwood, Fla. At both homes they enjoyed their retirement years with their families, traveling, riding on the pontoon boat, fishing, playing cards (especially bridge and poker) and bingo, and socializing. After Leon's death in 1987, Bibi moved into town and continued to be an active member of St. Francis de Sales Church and enjoyed many activities at the Manistique Senior Center. In 2012, she moved to Dexter, Mich., to live with her daughter Jeanne and her family. In 2015, as her health continued to fail, she moved into an Adult Foster

Care home in Chelsea, Mich. Her final peaceful hours were spent in the loving care of Arbor Hospice in Saline, Mich.

She is survived by her children, Judy LaLonde, Leon Jr. (Dorothy) Duquette, and Jeanne (David) Brakhage; grandchildren, Rob (Lisa) LaLonde, Julie (Bob) Wilkinson, Randy (Colleen) LaLonde, Dennis (Michelle) Duquette, Jennifer Johnson, Laura Brakhage, and Daniel Brakhage; great-grandchildren, Jacob Wilkinson, Heather LaLonde, Lindsay LaLonde, Nick Mayo, Katherine Wilkinson, Zachary Duquette, Clare LaLonde, Allison Duquette, Kaitlin Duquette, Matthew Duquette, Nate Johnson, Ben Johnson, and Alex Johnson; and great-great-grandchildren, Lily Wilkinson and Liam Hanig; sisters-in-law, Jerry LaVigne, Betty Lasich, Carol Duquette and Martha Duquette; and brother-in-law, John (Joanne) Duquette; and many nieces, nephews, and cousins.

In addition to her parents and husband, she was preceded in death by her granddaughter, Deanne Duquette; brothers, Milton, Alphonse Jr., Orville, and Frederick; sisters, Murial, Madeline, Myrilda "Ditta", Melissa, Cecile "Sis", and Myrtle; son-in-law, Robert W. LaLonde; and many of her husband Leon's beloved family members.

Visitation will be held from 11 a.m. to 1 p.m. Tuesday, May 29, at St. Francis de Sales Church in Manistique. A Mass of Christian Burial will be celebrated at 1 p.m. with Father Ben Paris officiating and a luncheon will follow at the parish center. Burial will be in the Fairview Cemetery in Manistique on Wednesday, May 30, at 11:30 a.m.

In lieu of flowers, the family requests memorial donations be directed to St. Francis de Sales School Education Foundation, 210 Lake St., Manistique, MI 49854 or to the Manistique Senior Center, 101 Main St., Manistique, MI 49854 or to the charity of your choice.

Messier-Broullire Funeral Home of Manistique is assisting the family with arrangements. Online condolences may be expressed at [www.mbfuneral.com](http://www.mbfuneral.com).

### Robert J. Overland

**MANISTIQUE** — Robert J. Overland, 81, of Manistique, Mich., passed away on Friday, May 18, 2018, at his home in Manistique.

He was born Jan. 13, 1937, in Newberry, Mich., the son of Floyd and Nina (Martindale) Overland and attended school in Newberry.

Bob was independently employed for many years, working on various home construction/building projects prior to his retirement. He loved being able to work and spend time with his family and friends. He especially loved spending time at Indian Lake with all of his friends.

As the 2017-18 school year draws to an end, plans for the 2018-19 school year are well underway. With plans for the new school year come plans for summer programming to ensure that all students have the opportunity to keep their skills sharp and begin the next school year with confidence.

Summer School programming at the middle/high school will run from June 11 through July 20. Ms. Jackie Burns and Mr. Jim Gaffney will teach English and math to middle and high school students.

The middle school programming will be in a traditional classroom setting while the high school students will work on credit recovery through online programming with Odysseyware. Middle and high school students will be recommended for summer programming based on their progress at the end of the school year.

Students hoping to do credit recovery should contact Mrs. LaVigne in the Guidance Office. For students at Emerald

Elementary School, there will be a new and exciting opportunity this summer. Since it was difficult for students to come to the school for summer school in the past, this year summer school will come to the students.

The Schoolcraft County Fair Association's Summer Program, directed by Deb Gierke, will begin on June 11, and meet every Monday through Friday from 7 a.m.-5 p.m., through Aug. 31.

The program has several ways for kids to get involved.

The Summer Food Service Program is open to all school age children, three and a half up to 26 years old who wish to attend between the hours of 9 a.m. and 12:30 p.m.

Students who attend this program will get breakfast, lunch and a take home snack, all for free. During this time, there will be summer school offerings in reading and math.

The summer school program will be held from 9:30-11:30 a.m. Tuesday-Thursday, starting on June 18 and running through Aug. 24.

The Summer Day Camp Program will allow students to attend for up to seven hours per day for care and companionship plus educational, recreational, and enrichment activities as well as breakfast, lunch and a snack. The cost of his program is \$7 per day per child.

Students who choose to attend for 8-10 hours per day for care and companionship plus educational, recreational and enrichment activities, as well as breakfast, lunch and a snack can attend for \$10 per day per child. Special rates are available for families with three or more children participating in the program.

Students participating in the Day Camp Program will also have the opportunity to participate in the

summer school programming. We are very excited to be partnering with the Schoolcraft County Fair Association's Summer Program to provide summer reading and math support.

Emerald teachers will invite students to attend the summer school programming, but students can choose to attend without being formally invited.

If you are interested in more information about the middle/high school summer school offerings, contact Mr. Shiner at 341-4300.

If you are interested in more information about the Emerald Elementary Summer School opportunities, contact Mrs. Boddy at 341-4330.

SCCF awards spring grants

MANISTIQUE – The Schoolcraft County Community Foundation Board of Directors approved five mini grants totaling \$3,447 in its spring grant round May 7.

Approved were two Youth Advisory Council recommendations to be paid from the Kellogg Fund: \$300 to help students of the CTC Youth Involvement Workgroup to purchase suicide awareness items to distribute at a middle school/high school dance as part of the "Let Your Light Shine" Suicide Prevention Campaign and \$1,000 to help construct a 50-foot by 50-foot concrete basketball court in the picnic area at Indian Lake State Park.

The Friends of Indian Lake must provide proof of 501(c)(3) status and must obtain funding for the rest of the project from other sources before the grant will be released.

The board approved three additional grants: \$1,225 from the Humane Society Fund to help the shelter pay for a spay and neuter program to fight pet overpopulation in the area; \$422 from the Historical Society Fund to help pay for digital archiving of photographs and documents at the Schoolcraft County Historical So-

ciety; and \$500 from the Kellogg Fund to help pay for speakers for a professional development conference that focuses on families dealing with a history of trauma as well as the people who work with them. That grant will also be released when the funding needs are met from other sources.

In addition to 12 designated, or "donor advised" funds, the community foundation may provide mini-grants from an unrestricted fund. The community foundation awards grants twice a year, in May and November. Deadlines for applications are March 31 and Sept. 30 of each year. Applicants are asked to use the SCCF application form, which can be downloaded from our Facebook page or picked up at the Pioneer Tribune office.

Over the past decade, the foundation has given more than \$146,000 to local organizations and individuals in grants and scholarships.

For more information on contributing to the Schoolcraft County Community Foundation or applying for a mini-grant, write to the foundation at P.O. Box 452, Manistique, MI 49854 or email at communityfoundation@gmail.com.

Senior Center

Connie Frenette

presented them with gifts, which were out of their own pockets. They received beautiful plants, cash in cards, etc. Amazing, this is only done in small towns where everyone knows everyone and everyone cares.

Congratulations to Leila Thill on her amazing award. One quick reminder – the center will be closed May 28 to observe Memorial Day. CAA Congregate and Home-Delivered Meals will be cancelled.

Are you looking to help a senior on a volunteer basis? The center is looking for volunteer drivers to assist the elderly in getting to and from medical appointments outside of town.

Trips would consist of going to Escanaba, Marquette, Petosky, Green Bay, etc. Your time would be volunteered but the center would reimburse you mileage at the state rate, which is currently 54.5 cents per mile. You must have a valid Michigan driver's license, running vehicle, current insurance and registration and be able to pass a background check.

The volunteer would have the option to accept or decline trips. Don't feel bad if you are unable to provide a ride when called, as we will go to the next volunteer driver on the list. If you are interested, drop by the senior center office and pick up a packet. We appreciate your interest.

Another way of volunteering through the center is to serve on the

Schoolcraft County Commission on Aging or Manistique Senior Center Boards. Meetings are held the third Tuesday of every month.

We currently have openings on the Commission on Aging Board. Are you interested in signing up for our monthly newsletter? The cost is \$5 per year. In return, we would need your name, address, telephone number, and birthdate.

Renewal is Jan. 1 of each year. We don't send reminders out, trying to keep the cost down. Feel free to drop by for a complimentary issue.

If you have recently returned from being away for the winter, please give the center a call to have your address changed. The post office requires this with bulk mailing.

Did you take the time to look at our flower beds already? Jackie Bruce has spent a lot of time getting them ready for summer. The center has had some beautiful flowers the past few years, and she deserves all the credit.

Judy Clifton gave a recent donation of bingo supplies. Ralph (Mudcat) Burt deserves recognition for taking care of our flag, along with doing miscellaneous jobs around the center. Ray Krall assisted in fixing the bathroom door.

Donations were received from Sandra DeRousha (large print books), Gail Zuehlsoff, (the Medical Loan Closet), Gigi MacGregor, Kay Hinkson and Paulette DeMers (bottled water for

the upcoming bus trip), Vee and Rosalie Miller (Miscellaneous). We sincerely wish to thank each and everyone for your kindness.

Monetary donations have been received in memory of Gerard Poupore from Gladys Barton, in memory of Alta Peterson from Gladys Barton, in memory of Bernice Nelson from Bob and Linda Harrison. In Honor of Howard Hatbottle, Kathy Gigaboo and Melanie from Charlamaine; and Laura Lee Tegman.

Good news! We just received the Project Fresh market coupons. To be eligible to receive coupons, you must be at least 60 years of age, meet the income guidelines and be a resident of Schoolcraft County.

For a one-person household, your income is not to exceed \$27,311; for two people it is \$30,044.

To apply, you must fill out a short form (your signature indicates that you have been given a copy of the current income guidelines). You will then receive \$2 increments that total \$20. The coupons can be used at any roadside stand in Michigan that displays the Project Fresh sign. Fresh from the Farm and the Manistique Farmers' Market, on Wednesdays, are the two local vendors that accept in Schoolcraft County.

Coupons are good until Oct. 31. For further information, give the center a call at 341-5923.

On June 28 the center will be doing a Gladstone Senior Center Bingo bus trip. The cost is \$5, which will cover the cost of the transit, Bingo and lunch at the senior center will be separate.

For those of you who would like to eat at the center that day, the cost is \$3 per meal.

Do you realize that the Foster Grandparent Program has been around for 40 years? What a fantastic program.

Foster Grandparents are an asset to the schools and the children attending. Hats off to the many teachers that are involved in making this program the success it is.

Once again, I watched Foster Grandparents glowing as the teachers that they work with

These improvements will also result in more positive outcomes for more patients."

She added that the program objectives will be accomplished through training, coordination, communication, and cooperation among all partner agencies.

"We believe we must approach the intergenerational cycle of trauma, mental health crises, and substance abuse by addressing these is-

suages during childhood to have a positive impact on future generations," Giles said. "For our adult and senior populations that are living with the effects of untreated mental health disorders, unaddressed trauma, and substance use behaviors, our goal is to support and provide needed services to help attain optimal health and wellbeing. Recovery is lifelong and requires support.

This program will bring new ca-

pacities and resources to our county's efforts to improve patient care relating to issues with substance use disorder, mental illness, and trauma," she continued. "Together we will train more personnel, establish referral networks among all our partners, and create a local system of patient care that provides greater access to the services and resources needed to reduce health disparities."

Community Band which is a community band with participants from Manistique and surrounding areas," he added. "This is one of the reasons the Manistique Band Shell was built by the Lions Club over 50 years ago - to showcase the city's bands."

Powers pointed out that a few local favorites will also return this year.

"Bear Walkers and Truth be Told have performed for most of the 16 years we have had the concert series," he said. "Some of our larger attraction bands are back: Chasin'

Steel, Petoskey Steel Drum Band, and White Water."

"We have all different types of genres for people to enjoy," he added. "Please come and support our concerts on Wednesdays throughout the summer."

The full 2018 line-up is: June 13, Six N Stones; June 20, Maynard's Band; June 27, Flat Broke Blues Band; July 4, February Sky and Backroads 90s; July 11, Angels and Outlaws; July 18, Whitewater; July 25, Petoskey Steel Drum Band; Aug. 1, Truth Be Told; Aug. 8, Bear Walkers; Aug. 15, Kountry Klass;

### Community invited to 'Celebration at Trader's Point' set for Saturday

MANISTIQUE — The "Celebration at Trader's Point" is set for May 26. The event, which is open to the public, will take place at Trader's Point beginning at 1 p.m. The celebration includes a live

interactive jam session with David Beal and Paul Bonham at 1 p.m. — all musicians are welcome. Also featured are artists, jewelry, woodworking, interactive art, Power of Zander Project information, a drawing for two personal float-

ation devices, a "Blessing of the Fleet" by local Rev. Ben Paris at 2:30 p.m., and a guided stand-up paddle board or kayak ride on the Manistique River at 5:30 p.m. Zander Michigan will perform live music from 4-6 p.m.

### Naloxone available over the counter in Michigan to reverse overdoses

LANSING — Following the U.S. surgeon general's recommendation that more Americans carry naloxone, Lt. Gov. Brian Calley is reminding Michiganders about the state's standing order for the potentially life-saving drug and urging them to be prepared. The standing order has been in

effect since May 2017 and is part of the state's strategy for addressing the opioid epidemic in Michigan. It allows registered pharmacies to dispense naloxone to those at risk of an opioid-related overdose, as well as family members, friends and other persons who may be able to assist a person at risk of overdose.

During the first three months of 2018, pharmacies have dispensed 1,462 orders of naloxone, announced MDHHS. For more information about opioids and the additional steps residents can take to protect themselves and loved ones, visit Michigan.gov/stopoverdoses.

explained. "At that level, you're at more like 1.6 mills."

It was noted that none of the mills estimates included the cost of constructing a holding cell at the courthouse or the operational costs of the jail, which commissioners say will need to be factored into the millage if the jail is built. The operating budget of the new jail is anticipated to jump to approximately \$1.2 million per year, compared to the current 2018 operating budget of approximately \$983,000 — equating to around \$217,000 additional needed.

"The big advantage of using millage ... you can use the money not only to pay the debt service on the bond, but you can use it to pay your operating costs for the jail," Axe said. "No matter how wonderful it looks, any new or bigger jail will cost more to operate than the one you have."

He added that he's worked with counties throughout the state and the most "difficult" situations encountered by those who have built new jails is they did not plan appropriately to fund the increase in operational expenses.

"Then they had to take it out of the general fund," Axe said, noting that Schoolcraft County likely does not have enough of a surplus to do that.

The timetable for the approval of the proposition to be placed on the Nov. 6 General Election ballot is as follows: Aug. 9, Schoolcraft County Board of Commissioners approves resolution to certify millage or bond proposition to Schoolcraft County Clerk; Aug. 14, file certified copy of resolution with county clerk; Nov. 6, General Election held to decide ballot proposition.

"It's a good idea put it on the November ballot (as opposed to

the August Primary Election ballot) to give yourself a long enough time to educate the voters," explained Axe. "None of these are slam dunks."

Axe recommended holding a public meeting in July to inform the public about the bonding and millage to fund the jail.

"It'll come back up and go over the numbers with you and the public at that time," he said. "That's a good time to explain everything and that's sort of the kick-off to your campaign."

Commissioners did not take action on the bond issue. The next regular meeting is scheduled for May 24 (tonight) at 7 p.m.

# We Remember

HONORING THE HEROES OF  
MEMORIAL DAY

## SCHOOLCRAFT COUNTY ALL-VETS

Memorial Day Program ♦ May 28, 2018 ♦ 11 a.m.

*Today we are gathered here to pay our respects to our departed comrades in arms of all wars and conflicts, to offer them and their loved ones the following memorial tribute.*

### History of Memorial Day

Memorial Day was originally known as Decoration Day because it was a time set aside to honor the nation's Civil War dead by decorating their graves. It was first widely observed on May 30, 1868, to commemorate the sacrifices of Civil War soldiers, by proclamation of General John A. Logan of the Grand Army of the Republic, an organization of former sailors and soldiers. On May 5, 1868, Logan declared in General Order No. 11 that:

The 30th of May, 1868, is designated for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village, and hamlet churchyard in the land. In this observance no form of ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services and testimonials of respect as circumstances may permit.

During the first celebration of Decoration Day, General James Garfield made a speech at Arlington National Cemetery, after which 5,000 participants helped to decorate the graves of the more than 20,000 Union and Confederate soldiers buried in the cemetery.

This 1868 celebration was inspired by local observances of the day in several towns throughout America that had taken place in the three years since the Civil War. In fact, several Northern and Southern cities claim to be the birthplace of Memorial Day, including Columbus, Miss.; Macon, Ga.; Richmond, Va.; Boalsburg, Pa.; and Carbondale, Ill.

In 1966, the federal government, under the direction of President Lyndon Johnson, declared Waterloo, N.Y., the official birthplace of Memorial Day. They chose Waterloo, which had first celebrated the day on May 5, 1866, because the town had made Memorial Day an annual, community-wide event during which businesses closed and residents decorated the graves of soldiers with flowers and flags.

By the late 1800s, many communities across the country had begun to celebrate Memorial Day and, after World War I, observances also began to honor those who had died in all of America's wars. In 1971, Congress declared Memorial Day a national holiday to be celebrated the last Monday in May.

Manistique was the host for the Michigan High School Athletic Association 44-2 Regionals last Friday. As always, the wind made its uninvited presence to further challenge the athletes. With a group start, 800 meter runners await the gun. Competing in the event from left to right are: Brenden Slater, Jerry Jack, Drew Robertson, and Alex Misniakiewicz.

## Bears secure Finals advancement

**MUNISING** – Entering into the final stages of the track schedule, the Big Bay de Noc Black Bears competed at Regionals in Munising last Friday.

For the boys, Rapid River took first with 83. In the girls' division, Mid-Peninsula took first with a team score of 53.

Finishing in the top four and securing her spot to compete at Finals June 2 in Kingsford is Meagan Yonker, who took third in the 3,200

meter run with a time of 13:55.00. Also attending Finals will be Brooke Dalgord, who finished fourth in the 1,600 run with a time of 5:47.59.

Alex LaLonde will compete in two field events after finishing third in the long jump with a leap of 19'00.00 and fourth in the high jump with a height of 5'09.00.

LaLonde will also participate in the 400 relay with teammates John LeFevre, Chris Chapron, and Kel-

len Thill.

Boys team results: Rapid River 83, Munising 34, Engadine 32, Mid-Peninsula 27, Republic-Michigamme 5, Big Bay de Noc 4, Superior Central 0.

Girls team results: Mid-Peninsula 53, Munising 47, Rapid River 37, Engadine 28, Superior Central 14, Big Bay de Noc 3, Republic-Michigamme 1.

Finals are set to begin at 9 a.m. Central Time.

## Several Emeralds qualify at Regionals

**MANISTIQUE** – Manistique hosted the Michigan High School Athletic Association Regionals for 44-2 last Friday, setting the stage for competition at Finals in Kingsford June 2. Competition was stiff in several of the events with a fierce wind adding to the contest. Several of the longer runs saw lead positioning changing continuously.

At the conclusion of all events, Ishpeming took first for the boys with a combined score of 65 and St. Ignace for the girls with a 98.

"It was a good day for the Emeralds," stated boys Head Coach Ashlee Eisinger. "We had several more qualifiers than last year, they just keep getting better and better. Only two of our qualifiers were upper-classman, with such a young group of qualifiers, I cannot wait to see what they can accomplish by their senior years. I couldn't be more proud of these boys, and am sad the season is coming to a close."

As with all meets, there were a couple tough fifth place finishes – Schyler Andersen in discus, Kyle Seeley in shot, and Drew Robertson in the 1,600 run with his season best of 5:08," she continued. "All in all, the boys came ready to compete."

The boys' 4x800 meter relay team was the first to secure advancement to Finals with their second place finish. The foursome of Drew Robertson, Jerry Jack, Mitchell Green, and Alex Misniakiewicz finished in a time of 9:10.19.

The boys' 800 relay team which includes Chris Adrich, Green, Tony Williams, and Schyler Andersen will also attend, as they finished fourth with 1:42.31. Misniakiewicz took second in both the 1,600 and 3,200 runs with time of 4:53.23 and 10:57.36, respectively. He will also compete at Finals in the 800 run. He took fourth at Regionals with a time of 2:13.13.

In addition to the relay, Anderson took second in the 400 run with a time of 54.44 and an filled and additional slot at Finals with his third place finish in the shot put with a toss of 39'10.5.

The Emeralds will have two competing in the pole vault field event. Logan Pawley took third with a vault of 10'0.00 and Tony Williams tied for fourth with 9'0.00.

The final Emerald to advance is Kyle Seeley. Seeley took fourth place in discus with his throw of 107'11.00.

Boys team scores: Ishpeming 65, Newberry 45, Stephenson 36, St. Ignace 21.5, Manistique 18.5, Gwin 1.

The Emerald girls 3,200 relay qualified with their

Emerald seniors competed in their final home appearance of the season Tuesday night. From top left going clockwise: Off a grounder that went through the infield, Maddy Kraatz makes her way to first base. All the way to the fence, Sam Rethman gets off a throw to hold the runner at second base. Behind the plate, catcher Renae Schuetter picks up a bunt and throws out a runner at first base. With the bases loaded, slugger Lexi Russell slams a shot down the third base line, scoring three in the bottom of the seventh inning.

## Season winds down

### Seniors hit the home field one last time

**MANISTIQUE** – Four seniors on the Lady Emerald fast pitch softball team took to the field for the last time Tuesday night in a double header against the visiting Bulldogs of Rudyard.

Up 4-0 going into the fifth in-

ning, the Emeralds gave up five runs in the top of the inning and three in the sixth on their way to a 9-7 loss in game one.

Trailing Rudyard 9-4 going into their final at bat and needing a rally, Jeani Chartier reached first base on

an error by the Bulldogs third base man. Abby Burnham got a hit advancing Chartier to second base.

Renae Schuetter followed that up with a hit to load the bases. With three on and no outs, Lexi Russell hit a double down the left field line, clearing the bases.

She then stole to third on the throw home from the outfield, but was left stranded as a pitching change by Rudyard paid off.

From there, Manistique went 0-3 to end the inning.

Off to a blazing start, Rudyard defeated Manistique 20-0 in the night cap.

With just the Michigan High

School Athletic Association Districts remaining on the schedule, Manistique finished the 2018 campaign with a 6-23 record.

They were 2-10 in the Mid-Peninsula Conference. The Emeralds

drew a first round bye in the tournament, which gets under way May 2.

They will face off against the Gladstone Braves on their home field June 2 at noon.

Well, if you have been out in the woods at all you still realize that it is super dry out there. The rain we have had has not been enough to matter a whole lot. There are some areas where I have not seen the water completely dried up, but it is this year. On Tuesday I had 82 degrees at camp and it was 63 degrees back at the house near the big lake. This is how much difference there can be between the shoreline area and when you get a few miles inland. So just continue to be careful out there until we get enough rain to make a difference.

There are some fishermen that are doing real good on the walleye. There are those fishermen that like the lake with the real high water in Lake Michigan they can launch their boat at the boat launch on the Fish Dam River right off US-2. There were a number of years when the water was so low you had trouble getting out of the mouth of the river into the bay, but not this year.

In my articles I have always warned those hunters and fishermen that get frustrated with how things are going or just figure it is time to call it quits. So when in this mood they sell either their boat or their hunting equipment. I had a retired guy tell me just this week, "John, one of the dumbest things I ever did was sell my fishing boat."

An old conservation officer warned me about this years ago. He said you will sell a gun or in this case a boat then go out and spend the money and end up having nothing. Then later you wish you had your boat back, and for the life of you there is no way you can remember what you spent the money on you got for it. So you really end up with nothing, your boat is gone and so is the money.

I hear from those looking for mushrooms that the super dry

weather is even affecting finding some of these. Of course in my case, the weather is not the problem with not finding any because two things, I have no luck finding mushrooms or shed antlers from the bucks last fall. Like a lot of other things in my case, the hunting is good but the finding leaves something to be desired.

Someone sent me this article and this is my tribute to Memorial Day with all the crazy things that seem to be going on.

Olde Glory!

"I am the flag of the United States of America; my name is "Old Glory".

I fly atop the world's tallest buildings, I stand watch in America's Halls of Justice, I fly majestically over great institutions of learning, I stand guard with the greatest military power in the world.

Look up and see me. I stand for peace, honor, truth and justice. I stand for freedom. I am confident. I am arrogant. I am proud. When I am flown with my fellow banners,

my head is a little higher, my colors a little truer, I bow to no one!

I am recognized all over the world, I am worshipped - I am saluted - I am respected. I am revered - I am loved and I am feared!

I have fought in every battle of every war for more than 200 years: Gettysburg, Shilo, Appomattox, San Juan Hill, the trenches of France, the Argonne Forest, Anzio, Rome, the beaches of Normandy, Guam, Okinawa, Tarawa, Korea, Vietnam, the Persian Gulf and a score of places long forgotten by

all except by those who were there with me.

I was there. I led my sailors and marines. I followed them, I watched over them, they loved me. I was on a small hill on Iwo Jima, I was dirty, battle worn and tired but my sailors and marines cheered me, and I was proud.

I was at Ground Zero in New York City on Sept. 11 as cowardly fanatics attacked America. I was raised from the ashes of once proud buildings by brave firefighters. Heroes, who risked their lives to save others,

showing all that America, although bloodied, will never be beaten.

Those who would destroy me cannot win for I am the symbol of freedom, of one nation under God indivisible with liberty and justice for all. I have been soiled, burned, torn and trampled on the streets of my own country and when it is by those whom I have served with in battle, it hurts. But I shall overcome for I am strong.

I have slipped the surely bonds of earth and from my vantage point on

the moon; I stand watch over the uncharted new frontiers of space.

I have been a silent witness to all of America's finest hours, but my finest hour comes when I am torn in strips, to be used as bandages for my wounded comrades on the field of battle when I fly half mast to honor my soldiers, and when I lie in the trembling arms of a grieving mother, at the gravesite of her fallen son or daughter I am proud.

My name is Olde Glory, long may I wave dear God, long may I wave.

## CAPS AND GRINS

Jack Reque Alternative High School seniors celebrated graduation last week. Above, the 2018 graduating class consisted of, back row, from left to right: Vanessa Barton, Madison Ozanich, and Karah Green. Front row: Nicholas Braeger, Andrew Martz, Nicholas Gould, and Owen Faketty. At right, Jack Reque teacher Trina Nedeau, far left, was presented with an eagle feather following the graduation ceremony. An eagle feather is given to a Native American for an accomplishment or for helping others. Only a Native person can have or receive one. In addition, five of the seven graduates were also presented with a feather before the graduation ceremony.

## MDHHS: Beware, tick season is here

LANSING — The Michigan Department of Health and Human Services is encouraging Michigan residents to protect themselves from ticks as the warm weather approaches. Tick-borne diseases, particularly Lyme disease, are expanding across the state. Although ticks can spread multiple illnesses, Lyme disease is the most commonly reported tick-borne disease in Michigan. Lyme disease is caused by the bacterium *Borrelia burgdorferi* and is transmitted by the blacklegged tick. The blacklegged tick is well-established in Michigan's western Upper and Lower Peninsulas. In 2017, there were more than 300 human cases of Lyme disease reported, and approximately two

out of three cases reported exposure in Michigan. Lyme disease infected ticks have currently been identified in 34 of Michigan's 83 counties. Information about Lyme disease risk by county is available at Michigan.gov/lyme. The U.S. Centers for Disease Control and Prevention reported last week that diseases spread by mosquitoes, ticks and fleas tripled in the U.S. from 2004 to 2016. People can protect themselves against Lyme disease and other tick-borne diseases by following these tips: Avoid tick-infested areas. Walk in the center of trails to avoid contact with overgrown grass, brush and leaf litter at trail edges. Protect your pets too. Dogs

and cats can come into contact with ticks outdoors and bring them into the home, so using tick prevention products on pets is also recommended. Use insect repellent. Apply repellent containing DEET (20-30 percent) or Picaridin on exposed skin. Treat clothes (especially pants, socks and shoes) with permethrin, which kills ticks on contact or buy clothes that are pre-treated. Do not use permethrin directly on skin. Always follow the manufacturer's instructions when applying repellents. Perform daily tick checks. Always check for ticks on yourself and your animals after being outdoors, even in your own yard. Inspect all body surfaces carefully, and remove

attached ticks with tweezers. To remove a tick, grasp the tick firmly and as closely to the skin as possible. With a steady motion, pull the tick's body away from the skin. Cleanse the area with an antiseptic. Bathe or shower. Bathe or shower as soon as possible after coming indoors (preferably within two hours) to wash off and more easily find ticks that are crawling on you. Washing clothing in hot water and drying on high heat will kill ticks in clothing. Michigan citizens can submit ticks to MDHHS for identification and possible Lyme disease testing, free of charge. Or residents can send electronic photos of ticks to the MDHHS for identification to MDHHS-Bugs@michigan.gov.
