Chippewa Avenue set for a 'diet'

Roadway will change to three-lane with center turn lane, bike lanes

MANISTIQUE – Chippewa Avenue in Manistique will be the subject of a "diet" beginning this summer. Reducing the stretch of road from a four lane to a two lane, an action commonly referred to as a road diet, was discussed and approved during a recent Manistique City Council meeting.

Chippewa Avenue, which stretches from Deer Street to U.S. Highway 2, will be repaved with funding provided via the county's rural task force. The Michigan Department of Transportation website states that Michigan's Local Rural Transportation Program consists of regional rural task forces to administer and fund rural transportation projects and programs in counties with populations of 400,000 or less. Each rural task force is required to contain a representative of each county road commission, plus an equal number of representatives from incorporated cities with a population of 5,000 or less, and a representative from each rural transit provider.

MDOT provides two main sources of funding for the Local Rural Transportation Program: federal Surface Transportation Program-Rural funds and state Transportation Economic Development Fund-Category D funds. Both sets of funds are distributed by MDOT to each rural task force based on a statewide formula.

The Schoolcraft County Rural Task Force is comprised of the city, Schoolcraft County Transit Authority, and the Schoolcraft County Road Commission. The group receives approximately \$400,000-\$450,000 each year from the program – with the majority typically given to the county road commission, as the only streets eligible for projects must be on the rural task force map.

Late last year, Manistique City Manager Sheila Aldrich said the city had requested the area taskforce provide the city with approximately \$400,000 to repave Chippewa Avenue. The taskforce agreed with the request.

The railroad crossing on Chippewa Avenue would be addressed, as it remains unclear whether the tracks are part of the paper mill's property or under the purview of

Chippewa Avenue, pictured above, is set to undergo a repaving project this summer. The roadway will feature three lanes – two traffic lanes and one turn lane – as well as two lanes on either side for biking.

Canadian National Railway Company. Scott Nowak, a representative from Coleman Engineering, was on hand during the recent city council meeting to discuss the project. He noted the repaving

would be split into two phases, with the first stretch of Road diet

News Briefs

'Expedition Unknown' local episode airs May 8

GULLIVER – The Gulliver Historical Society is reminding residents that the Michigan and Schoolcraft County-based episode of "Expedition Unknown", hosted by Josh Gates, will air on the Discovery Channel, May 8 at 9 p.m.

The show was filmed partly at the historic Seul Choix Pointe Lighthouse early last fall. The episode named "Ghost Ship of the Great Lakes" will continue a search for the fabled, "Le Griffon" – the first sailing ship built on the Upper Great Lakes and lost on Lake Michigan in 1679 on its maiden voyage.

The Griffon is considered to have been the first full-sized sailing ship. The ship carried five small cannons – two were solid brass. There were at least two anchors so big that four people had to move them. On the bow of the ship was a hand-carved figure of a mystical Flying Griffon – the figure of a lion with outstretched wings and the head of an eagle.

For more than three centuries, the disappearance of French Explorer, Rene Robert Cavalier De la Salle's fur laden ship with a five-man crew has been one of Lake Michigan's greatest mysteries.

UP memorial for peace officers set for May 15

MUNISING, Mich. – The Michigan State Police Negance Post, Alger County Sheriff's Department, and Munising City Police Department are hosting the 2019 Upper Peninsula Peace Officers Memorial. This ceremony will be held at the Munising High School May 15 at 10 a.m.

The purpose of this event is to honor the memory of fallen officers, having made the ultimate sacrifice in their services to the public. The ceremony includes recognition of fallen officers in the Upper Peninsula, Wisconsin bordering agencies, Ontario bordering agencies, and Upper Peninsula natives.

Attendees will experience a law enforcement procession, the roll call of fallen officers, the laying of the wreath, a performance of taps, a rifle salute, and a keynote speech by retired Ionia County Sheriff Terrence Jungel.

The Michigan State Police and Alger County Law Enforcement Community invite all media outlets and area citizens to attend and join us in honoring fallen officers and support the families left behind.

The Michigan State Police invites citizens and area residents to attend this public ceremony.

Events

May 2 – Michigan Works! Job Fair, First Baptist Church in Manistique, 3-6 p.m.

May 6 – "Stop Human Trafficking" presentation, Manistique School and Public Library, 6 p.m.

May 1, 8, 15 – Guiding Good Choices program, Manistique Tribal Center, 5:30-7:30 p.m.

May 14 – "Plumes and Pearls High Tea", hosted by the GFWC Manistique Women's Club, at the Comfort Inn, tickets \$15, 12 p.m.

May 18, 19 – Schoolcraft County Sport Fishing Association's fifth annual Indian Lake Walleye Derby

mBank plans to donate former Creighton Building for Lake Effect Community Arts

MANISTIQUE – mBank announced plans this week to partner with Lake Effect Community Arts to create a new cultural center in downtown Manistique. mBank is currently in the process of acquiring the Creighton building on the corner of South Cedar and Oak Streets subject to satisfactory completion of standard third-party diligence items. Upon closing, which should takeplace in the near term second quarter, the building will be donated to Lake Effect Community Arts at a date to be determined still. Lake Effect Arts will be occupying the building immediately post-closing prior to the donation, free of charge from mBank.

"We were so ecstatic when mBank decided to acquire the building and donate it to us," explained Teresa Bratton, Lake Effect Arts President. "In light of this very generous donation, the building will be named the 'mBank Community Arts & Cultural Center.' This is our first concrete step in creating a new community gathering center for the arts and we will be providing further information to the community on our expansion plans in the weeks to come. We look forward to a great partnership with mBank for many years and thank them so much for believing in our group and its vision."

Courtesy photo

The Creighton Building on the corner of South Cedar and Oak streets in Manistique will be purchased by mBank and donated to Lake Effect Arts to create a new community arts and cultural center.

"When approached by Lake Effect Community Arts about the Creighton building acquisition a while ago, we could not

think of a better opportunity for mBank to give back to the community than by helping this organization and their many art-

Dear Editor,

The responsibility that a member of Cleveland has is to select a board of directors that will guide the cooperative.

Selecting a board member requires a little understanding of the operation, select the candidate that will work to maintain safe, reliable and affordable electric power.

In recent years, there have been some radical changes in the board of directors. New directors have little experience as compared to a few years ago when there was over 300 years total.

By reading the board minutes you can tell a little about what is going on at our cooperative. There is a continuing list of improper and inappropriate actions taken and if you look to see who voted for what, it becomes evident that there is a trend. This group votes together regardless of the cooperative's best interest.

Finally, they get their fifth vote and the very first meeting they vote to fire Dan Dasho, our CEO, a man who has worked to make a great company. He fought in Lansing to keep us from getting stuck with \$22 million charges for closing the Presque Isle Power Plant.

They also elected St. Onge as chairperson who had one year experience. He attended none of the district meetings.

Firing Mr. Dasho was not good judgment, that was retaliation because a former employee was not happy with his new job assignment. Read the minutes, you will see that there are usually five votes that control the motions.

They are led by Sawruk, then Benace, St Onge, LaLonde, and Oberle will vote with him. These people do not have the best interest of your cooperative at heart. They lack the experience to make good decisions.

How do I know this? I spent 18 years on the board and over five years as chairperson.

You will get ballots for your director. I highly recommend Dale Carlson in District A, Linda Hone in District B, and a new person I have watched for quite a few years and have faith in is Kevin Vanatta in District C.

Choose wisely!

Bob Schallipp
Nebish Island

Dear Editor,

Letters to the Editor

Who should be believed?

Are there serious reasons to distrust Manistique city officials' claims that they are being bullied and misrepresented by a small group of citizens engaged in blatant and degrading false allegations questioning city officials' integrity?

I have no apparent reason to trust city of Manistique representations as recorded on page two and three of the April 18, 2019 edition of the Pioneer Tribune. Those apparent municipal fantasies are based upon the city's apparent choice to ignore the content of the apparent meeting of March 12, 2019 between city officials' and representatives of the Schoolcraft Tourism and Commerce organization.

That basis of my distrust is located in the first sentence of email number four, addressed to the city attorney and others.

From the apparent meeting of March 12, 2019, and from the entire content and context of various published emails and editorial letters I am prompted to draw, at least, two apparent conclusions: a March 12, 2019 meeting took place that established a same basis for emails one, two and four; or the meeting of March 12, 2019 is a STC fantasy that led to justified municipal expressions of righteous confusion and ire.

Perhaps the full context and content of that March 12, 2019 meeting will be revealed to the public so that those interested may draw more certain conclusions of who is deceiving whom. The city received a serious black eye for its documented efforts of bullying and deceit concerning the chamber of commerce related dispute, and the city appears to be asking for another.

Alfred Burns, Sr.
Manistique

Dear Editor

I would like to state for the record that Attorney General William Barr is a man of impeccable character, honesty, and integrity, and he has the superior legal intellect to make credible judgments regarding the current investigations in Washington, D. C., in a totally fair and strictly unbiased manner. I know this because when I was working for the FBI, I served as

a member of his protection detail in 1990-92, for which I was assigned to 24-hour complete protective responsibility. I find it utterly appalling that anyone suffering from "Trump derangement syndrome" would dare come out publicly in efforts to shame such a person, but then, having witnessed first-hand the imbecilic behavior of many of those in Congress, primarily those on the radical extreme left, I guess it's to be expected. Rather than battle in the arena of facts and ideas, they will follow their age-old playbook and personally attack the individual.

During my career, I spent five years in Washington, D.C. in the early 1990's and I personally observed the failings of the liberal democrats, but since then, their behavior has gone completely off the charts. At that time AG Barr was nominated by George H. W. Bush and then approved unanimously by the Senate Judiciary Committee and even Joe Biden, as Senate Judiciary Chair, hailed Barr as the very best and most qualified candidate.

I've heard some suggest "Can't we all just get along?" I say, "No, thank you!"

In my 75 years, I have observed that the way a person "thinks" is the same way he or she will act. I cannot accept any person who believes it's okay to lie solely for the acquisition of power.

I cannot get along with anyone who thinks it's okay to commit infanticide or take part in the killing of a fetus or newborn baby, but they can favor the eradication of the death penalty for some of our less than desirable citizenry.

I cannot get along with anyone that tells me the earth is ending in 12 years as we know it and through total ignorance or worse, intentionally perpetuates a hoax on something like "climate change" in order to deceptively tax our energy programs to gain funding for their own ridiculous social programs. This is perhaps the greatest hoax or myth that has ever been conceived and in future correspondence, I will provide credible sources of information that now defunct that effort.

Duty and honor

Pioneer Tribune Archive photo
From the May 1, 1969 edition, U.S. Army SP4 (Specialist Four) William J. Ozanich, 20, right, son of John and Loraine Ozanich, received the Bronze Star Medal during ceremonies March 30 near Tay Ninh, Vietnam. SP4 Ozanich received the award for heroism in action against enemy forces in Vietnam. He entered into active duty in June 1968, completed basic training at Ft. Campbell, Ky., and arrived in Vietnam last November. He is a 1966 graduate of Manistique High School. He holds, in addition to his medal, the Combat Infantryman Badge.

This week in the Pioneer Tribune

50 years ago

May 1, 1969

Henry David Thoreau remarked that for a thousand men chopping at the branches of evil, there was only one chopping at the root. David Ulliam Larson must have had the same sort of idea last weekend as he decided to go right to the root of the Clean-Up Drive in Schoolcraft County. The result was a controversy over 88 letters he mailed to area residents and businessmen Monday morning, seeking prompt action in current efforts to clean up the area. "Confidential," the letters were stamped in red ink, top and bottom. "Violation Notice," it said. The letter was addressed to "Defendant," at whatever address was being cited. It read: "You are hereby informed that you are accused of being guilty of hiding back the Schoolcraft County area from being the beautiful part of Upper Michigan that it should so rightly be. Unless you make some arrangement to answer to the below charges by cleaning-up, fixing-up, you will be admitting your guilt. Your sentence will be to live in a dirty, dingy, shabby part of an otherwise beautiful peninsula. You are personally held responsible. Then followed two paragraphs, "your specific offense," listing everything from litter to wrong color paint, and "Action Necessary," a summary of things to be done and how to do them. A note

was also attached saying that a copy of the above had been recorded with one of the four area chairmen of the local Operation Pride clean-up campaign. Larson signed all the letters, and put the word "SEAL" in the lower right hand corner. Members of the Operation Pride committee were holding a breakfast meeting at the Fireside Monday morning when Larson stopped in and left carbon copies of each letter with the group. It wasn't that the committee didn't appreciate the initiative. They were afraid, however, that Larson's comments might provoke a storm of antagonism instead of cooperation.

District Governor Fred Biekkola of L'Anse will be present for installation of officers and a special awards night planned by the Manistique Lions Club next Tuesday. The meeting at the Fireside will start with cocktails at 6:30 p.m. followed by dinner at 7:30. New officers are Robert Clark, president; Melton Goldie, first vice president; Ray Hulla, second vice president; Robert Ebl, third vice president; tall twister, Dr. Robert Hawn; Lion tamer, Dr. Arthur J. Brown; treasurer, Edward Leonard; secretary, Wally Godlewski; directors, two years, Ollie Rehn and Elmer Flodin; director, one year, Russell Pauquette. Phil Ott is retiring president of the club.

35 years ago

May 3, 1984

There was very little dancing around the Maypole on the first of May. The crocuses and hyacinths budded under a blanket of snow, trying to survive the frigid winds that marked the survival of May in the Schoolcraft County area. At least we avoided the foot of new snow that was reported in the Western Upper Peninsula.

Lincoln School has been recognized as one of the "Twenty Most Improved Schools" in Michigan by the State Department of Education. A recognition ceremony honoring the 20 schools was held Wednesday in Lansing, but state officials are expected to come to Manistique some time soon to present the award in person. Only two schools in the Upper Peninsula were cited. The other was at Pickford, in the eastern U.P. The award was based on the results of the annual State Board of Education math and reading tests given all fourth graders every year. Debra Bjork is the fourth grade teacher at Lincoln, and Richard Wodzinski is principal. State Superintendent of Public Instruction

Phillip E. Runkel said this marks the second year that Michigan's "most improved" elementary schools have been recognized by the State Board of Education. He said the idea of honoring elementary schools was the result of a national program started last year to recognize outstanding middle schools, junior and senior high schools. "The purpose of identifying schools that have had a significant improvement on the assessment test is to recognize the fine efforts of local educators in improving instruction in the basic skills," Runkel said.

There was activity at the old water tower by the siphon bridge last week as landscaping there got underway under the direction of the Manistique Women's Club and through the generosity of a \$2,540 donation from Manistique Papers. Present for the occasion were Eric Bourdo, of Manistique Papers, City Manager Charles Varnum, Mayor David Vaughn, Florence Pawley of the Women's Club, Leif Christensen of Manistique Papers, Margaret Taylor, president of the Women's Club, and Connie Hoholik of the Chamber of Commerce.

20 years ago

May 6, 1999

For a variety of reasons, planning for the proposed Beaver Island to Manistique ferry route has been postponed indefinitely. The Beaver Island Boat Co. has determined that it cannot generate enough business from running a ferry boat between Manistique and the island, so its officials have decided to no longer pursue the idea. The boat company had been working with Manistique and Schoolcraft County officials to examine establishing the new ferry service over the past 18 months.

Manistique High School juniors Cheryle Herro and Shannon McHugh were crowned King and Queen at

the 1999 Prom Saturday, May 1. Students decorated the MHS gym for the evening dance, which had "Still the One" as its theme song.

Adam Jewett and his dog, Sadie, were among those who participated in the 1999 Schoolcraft County Humane Society "Doggie Dash" fundraiser Saturday, May 1. The human walkers took pledges, then walked along the boardwalk with their canine companions to raise money for the society's new animal shelter which will be built on U.S. Highway 2 near the Fireside Inn Restaurant. Jewett walked nine miles, the most of any participant.

10 years ago

May 7, 2009

Melanie Nedrow was crowned queen and Mike Latterman was crowned king at the 2009 Manistique High school prom, which took place last Saturday, May 2. The festivities, with a "Viva Las Vegas" theme, took place at the Diamond Lights Banquet Centre.

Dustin Barbeau and Angie Carley were elected king and queen of the 2009 prom at Big Bay de Noc High school. The event, with a theme of "Under the Sea," was held last Saturday, May 2.

Junior high Emerald athletes Kenner Brouillere and Monica Giles both broke school records at their track

meet against Escanaba on Monday. Brouillere set a new 200-meter dash record with 25.46. Giles got in the record books with a toss of 36-6 in the shot put.

Work is continuing this week on the new fishing piers being built near the west side boat launch on the Manistique River - a project funded with a grant from the Great Lakes Fishery Trust. On Wednesday, a Manistique Rentals Inc. crane was across the river on the east side, unloading sections of temporary barge to be used in the construction. A few hours later, the barge sections were in the water, almost ready to go. The piers should be completed in time for the opening of walleye season next Friday, May 15.

Environmental Lab cleaned up, grant funding will be pursued

MANISTIQUE – The Manistique Township Environmental Education Lab has been "spiffed up" for spring, thanks to a number of scouts, Lab committee members, and other volunteers who gathered for a spring clean-up Saturday. The group cleaned up trash in the parking area and removed sticks and other debris from the trails.

The Environmental Education Lab is located just two miles off of U.S. Highway 2 and offers hiking trails with interpretive signs and a scenic overlook. Established in 1991 on 80 acres of land owned by Manistique Township, the Lab's purpose is to provide recreational and educational opportunities to local residents and visitors. The Lab also includes a quarter-mile long boardwalk through a

wetland area, which ends at the edge of the Jamestown Slough. Although brush removal was done on Saturday to make the boardwalk passable, many of the boards are currently broken or missing. The Lab committee is making plans for summer boardwalk repair.

The committee will meet May 6 at 5:30 p.m. at the Manistique Public Library. The public is welcome to attend committee meetings.

A timber harvest was completed at the Lab in December 2017. The main purpose of the harvest was to improve trail safety and forest health by removing the beech (dying from beech bark disease) as well as mature balsam fir, paper birch, and red maple. Money from the timber sale has

been set aside as a match for a Recreation Passport Grant. Grant awards will be announced in December.

If approved, the grant will be used to make a portion of the trails wheelchair-accessible, as well as providing accessible bathrooms and several new interpretive signs. To reach the Lab, take U.S. 2 east out of Manistique to the Manistique River Road (across from Fairview Cemetery). Follow River Road for one mile and turn left onto Krummich Road. After one mile, Krummich takes a sharp left. Continue to follow Krummich to the Lab parking area.

For more information, visit the Facebook page @EELabManistique or contact Doug Smith at 286-2370 or Heidi Troyer at 341-2965.

Feed America partners with Walmart to provide meals

COMSTOCK PARK, Mich. – Walmart and Sam's Club have partnered with Feeding America once again to fill the plates of neighbors facing hunger in the Upper Peninsula through their Fight Hunger. Spark Change.

These meals stretch far in the Upper Peninsula, where 14 percent of residents and 19.2 percent of children face hunger and the health issues it brings. Fewer jobs and greater distance from grocery stores amplifies rural communities' risk.

Kristen Corbiere, who coordinates Mobile Food Pantries at a school in Sault Ste. Marie, has seen first-hand how rural hunger affects her neighbors: One mother drove an hour north just to attend the Mobile Pantry to feed her family with the produce, protein, and self-stable foods distributed.

Feeding America West Michigan's partnership with Walmart is more than monetary; last year, the company donated nearly two

million pounds of food as well. Corporate donors like Walmart enabled the food bank's partner agencies to distribute more than 21 million meals throughout its service area in 2018, but the organization says there is still work to do. It would take 48.6 million more meals to fill the plates of all those in need in the food bank's service area.

The organization says that campaigns like Fight Hunger, Spark Change – and the generosity of those who take action – are essential to helping Feeding America West Michigan fill the meal gap and end hunger in all corners of West Michigan and the Upper Peninsula.

Those who wish to support the food bank's efforts are encouraged to visit their local Walmart or Sam's Club store between April 22 and May 20 to take part in the campaign, or visit feedingwm.org/donate to give directly.

UP Human Trafficking Task Force to hold public presentation May 6

MANISTIQUE – The Schoolcraft County Communities That Care Collaborative has teamed up with the Upper Peninsula Human Trafficking Task Force to bring Human Trafficking Awareness to community members. The free, public presentation will be held May 6 at 6 p.m. at Manistique School and Public Library.

The featured speaker will be the

UPHTTF Group Leader/ Administrator Marlene Mottes.

Mottes will present on warning signs to look for in both victims and traffickers, who can be a target of human trafficking and the laws both federal and state of Michigan regarding Human Trafficking. She will also speak briefly about the connection between the current national Opioid Crisis and

Human Trafficking.

After the presentation, there will be time for question and answer session and a brief invite for any participants to join the UPHTTF.

For more information or to register for this presentation, contact Jennifer Levins at (906)286-0159 or by email at schoolcraftcountytct@gmail.com.

Cloverland

ELECTRIC COOPERATIVE

STATE OF MICHIGAN
BEFORE THE MICHIGAN PUBLIC SERVICE COMMISSION
NOTICE OF HEARING
FOR THE ELECTRIC CUSTOMERS OF
CLOVERLAND ELECTRIC COOPERATIVE
CASE NO. U-20508

- Cloverland Electric Cooperative requests Michigan Public Service Commission's approval of an annual review of its state reliability mechanism charge under 2016 PA 341, Section 6w.
- The information below describes how a person may participate in this case.
- You may call or write Cloverland Electric Cooperative, 725 E. Portage Ave., Sault Ste. Marie, MI 49783, (906) 632-5187 for a free copy of its application. Any person may review the documents at the offices of Cloverland Electric Cooperative.
- A pre-hearing will be held:

DATE/TIME:	Tuesday, May 14, 2019, at 9:30AM
BEFORE:	Administrative Law Judge Dennis W. Mack
LOCATION:	Michigan Public Service Commission 7109 West Saginaw Highway Lansing, Michigan 48917
PARTICIPATION:	Any interested person may attend and participate. The hearing site is accessible, including handicapped parking. Persons needing any accommodation to participate should contact the Commission's Executive Secretary at (517) 284-8090 in advance to request mobility, visual, hearing or other assistance.

The Michigan Public Service Commission (Commission) will hold a pre-hearing to consider Cloverland Electric Cooperative's (Cloverland) March 29, 2019 application for annual review of its State Reliability Mechanism (SRM) charge under 2016 PA 341, Section 6w. Cloverland requests the Commission to approve Cloverland's proposal to voluntarily implement the SRM capacity charges for service rendered on and after June 1, 2020; and grant further relief.

Obituaries

Raymond D. Heminger

GULLIVER — Raymond Donald Heminger, 85, of Gulliver, Mich., passed away at Woodland Assisted Living Sunday, April 28, 2019, with his family by his side.

Son of William Andrew and Florence Marie (Roy) Heminger, Ray was born on Dec. 1, 1933, in Limestone, Mich. He attended and graduated from Manistique High School, class of 1952, before enlisting in the U.S. Army where he served his country proudly for two years. He returned to Manistique, Mich., to work as a wheelman on ore boats for 15 years. He then worked at Inland Lime and Stone until his retirement.

Ray married Jane Kay MacFarlane and raised their three daughters together. He then remarried Mary Ellen Archey in Manistique on April 6, 1991, and the two have enjoyed 28 years together.

A member of the First Baptist Church of Manistique, Ray also loved spending his time outdoors golfing, camping, and fishing. He enjoyed going to the casino, loved operating his heavy equipment, and valued every moment spent

Raymond D. Heminger

with his family, especially his grandchildren. He is also known for his two bars, Metropolitan in Escanaba, Mich., and Christy's Bar in Manistique.

Ray is survived by his loving wife, Mary; daughters, Shelly (Pat) Beckman, Kim Heminger and Barbara (Dean) Wood all of Manistique; step-son Roger (Amanda) Bridges of Wells, Mich.; step-daughter Lisa (Joe) Hough of Rapid River, Mich.; 10 grandchildren and 10 great-grandchildren.

He is preceded in death by his brothers and sister.

Visitation for Raymond will be held on Sunday, May 5, at Fausett Family Funeral Homes in Manistique from 3-5 p.m. A memorial service will follow at 5 p.m. with Pastor Jay Martin officiating.

Memorial donations may be directed to First Baptist Church of Manistique or a charity of the donors' choice.

Fausett Family Funeral Homes of Manistique is assisting the family with arrangements. Family and friends may send condolences or share a memory at Fausettfh.com.

Terry Lee DesJarden

Terry Lee DesJarden

COOKS — Terry Lee DesJarden, 77, of Cooks, Mich., passed away at UP Health Systems in Marquette, Mich., on Sunday, April 28, 2019.

Terry was born on April 1, 1942, to Napoleon and Lila (Popour) DesJarden in Manistique, Mich. He attended Cooks Area Schools and later enlisted in the Army National Guard. On Oct. 16, 1965, he married Carol J. Holmberg who preceded him in death on Dec. 31, 2015. Together they raised their family in Cooks.

Terry spent most of his life working in construction as an operating engineer and heavy equipment operator.

He loved spending his time outdoors fishing, hunting, and working in his garden. He enjoyed sitting and watching old westerns and treasured the time he spent with his family.

He is survived by his son, Terry "Bears" (Lisa) DesJarden of Cooks; daughters, Renee (Dave) Timmons, Shelly Ann (Mike) Setterlund of Manistique, Becky Lee (Robert) Maynard of Man-

istique, Susan Marie (Jason) Mercier of Nahma, Mich.; brothers, Junior (Phyllis), Allen (Marylee), Elroy, Butch (Patti), Jay (Marci), Dean; sisters, Rita (Bob) Sturdy, Verna Lakosky, Shirley Shampine, Karen (Bill) Pilon, Bonnie Elliott; eight grandchildren and 21 great-grandchildren.

Terry is preceded in death by his loving wife, Carol; parents; grandson, James Burnis; and great-granddaughter Myra Moore.

Visitation for Terry will be held on Friday, May 3, from 1-1:30 p.m. at the Cooks Congregational Church.

A memorial service will follow at 1:30 p.m. at with Pastor Joe Herr officiating.

Memorial donations may be directed to St. Josephs Children's Hospital, 501 St. Jude Place, Memphis, TN 38105.

Fausett Family Funeral Homes of Manistique is assisting the family with arrangements.

Family and friends may send condolences or share a memory at Fausettfh.com.

Millie L. LaFreniere

Millie L. LaFreniere

ITHACA, Mich. — Millie Lorraine LaFreniere, 85 of Ithaca, Mich., joined her husband Bill (Sonny) in eternal life on Tuesday, March 12, 2019.

Millie was born in Grand Marais, Mich., on July 9, 1933, the daughter of Harry and Louise (Baker) Bailey. On Sept. 23, 1950, Millie and Sonny were married. She was a member of St. Paul the Apostle Catholic Church in Ithaca, where for many years she made rosary with CCD classes, and was a member of the Altar Society, finance committee, and many other positions within the church.

Millie spent every summer in Grand Marais with her children. She loved attending with her children and grandchildren their different sporting events, activities, and family gatherings.

Millie is survived by her chil-

dren, Willie (Rosezan) LaFreniere, Gail (Bob) Huber, Tim (Laurie) LaFreniere, Dave (Chris) LaFreniere, and Deanne; (Jeff) Watson; 13 grandchildren; 17 great-grandchildren with one on the way; many special nieces and nephews; her brothers, William Bailey and David Bailey; and her cat, Luna.

She is preceded in death by her parents, Harry and Louise; her husband, Sonny; her brothers, Yale, Harold, and Bruce; and her two sisters, Laone and Norma.

Funeral services were held 11 a.m. Saturday, March 16, at St. Paul's Catholic Church in Ithaca with Father Andrzej Horoch officiating. Interment followed in Ithaca Cemetery.

Condolences may be left for the family online at www.bardenfunderalhome.com.

LMAS offering information during National Infant Immunization Week

NEWBERRY — National Infant Immunization Week is an annual observance to highlight the importance of protecting infants from vaccine-preventable diseases and to celebrate the achievements of immunization programs in promoting healthy communities throughout the United States. LMAS District Health Department joins communities around the nation in recognizing National Infant Immunization Week and celebrate the critical role vaccination plays in protecting the health of our children, families, and communities.

Infants in the United States are protected against 14 preventable

diseases such as polio, measles, and chickenpox when fully immunized. Because of the success of vaccines, many parents and even medical providers have never seen some of the diseases that are being prevented. These diseases can be especially serious for infants and young children. That is why it is important to follow the recommended immunization schedule to protect infants and children by providing immunity early in life, before they encounter potentially life-threatening diseases.

According to the Centers for Disease Control and Prevention over the course of a lifetime, vac-

ination will prevent an estimated 419 million illnesses, 26.8 million hospitalizations, and 936,000 deaths among children born during 1994-2018.

The inability to pay should never prevent a parent from vaccinating their child. The Vaccines for Children program allows parents to vaccinate their child without having to worry about the ability to pay for these services. A child may qualify for free vaccines through the VFC program if they are on Medicaid, have no insurance, or are underinsured.

The VFC program has helped increase childhood immunization

coverage levels, making a significant contribution to the elimination of disparities in vaccination coverage among young children. The VFC program is offered at LMAS and at many local physician offices. The measles outbreak in Michigan and areas across the country is a powerful reminder of the need to make sure vaccinations are up to date.

For more information or to schedule an appointment for vaccinations, call LMAS District Health Department at: Luce County 293-5107; Mackinac County 643-1100; Alger County 387-2297; or Schoolcraft County 341-6951.

Jobless rates rise in UP, area in March

LANSING — The jobless rate in the Upper Peninsula moved higher in March to 6.6 percent from 6.2 percent in February. This 0.4 percentage point rate increase resulted from a monthly employment decline and a small advance in the number of area jobseekers.

The over-the-month rate gain was similar to the 0.3 percentage point rise statewide.

March jobless rates rose in 14 of the 15 Upper Peninsula counties. The largest rate hikes were recorded in Ontonagon County (1.4 percentage points), Keweenaw County (1.3 percentage points), and Baraga County (1.1 percentage points).

The exception occurred in Delta County, where the unemployment rate remained unchanged in March. The median rate change in March among counties in the Upper Peninsula was an increase of 0.3 percentage points.

Mackinac County (20.2 percent) had the highest jobless rate in Michigan during March. Additional U.P. counties with high March jobless rates included Al-

ger (9.2 percent), Schoolcraft (8.7 percent), Ontonagon (8.4 percent), Keweenaw and Chippewa (7.8 percent each), and Baraga (7.5 percent).

The lowest regional unemployment rates during March occurred in Dickinson and Menominee counties (4.4 percent each).

Total employment fell in March in the Upper Peninsula, primarily in certain counties that had seasonal employment cuts at colleges and universities.

Over the year, the Upper Peninsula unemployment rate edged down by 0.5 percentage points from 7.1 percent in March 2018. This rate decrease was slightly above the rate reductions in Michigan and the U.S. over this period.

Thirteen U.P. counties recorded jobless rate cuts since March 2018, led by a large 1.7 percentage point rate reduction in Alger County.

The jobless rate in Keweenaw County was unchanged over the year and Geogebic County's rate notched higher by 0.1 percentage points.

News Briefs

Manistique Amity will hold meeting May 8

MANISTIQUE — The Manistique Amity Group May 8 at the Presbyterian Church. The meeting begins at 9:30 a.m. Jennifer Carlsson, dietitian at Schoolcraft Memorial Hospital will speak about nutritional health.

Above, the Great Depression-era Civilian Conservation Corp Camp Steuben Barracks is shown.

Historical Society to host 'Saving Our Sons' author for May event

MANISTIQUE – Larry Chabot will be the guest author at a brown bag lunch hosted by the Schoolcraft County Historical Society. Chabot, author of "Saving Our Sons", tells how the Civilian Conservation Corp saved a generation of Upper Peninsula young men during the great depression. Schoolcraft County, with its abundance of national forests, was home to numerous CCC camps, including Camp Steuben, Camp Cooks, Camp Manistique, and Camp Germfask. The event will take place at

11:30 a.m. May 7 at the Zion Lutheran Church in Manistique. Chabot will explore the history of the Civilian Conservation Corp in the Upper Peninsula. Camp Germfask, in Schoolcraft County, was perhaps the most unique, being the only U.S. Bureau of Biological Survey camp in Michigan. The CCC men at Camp Germfask were instrumental in creating the Seney National Wildlife Refuge. Ninety-five thousand acres of marshland were transformed into

a sanctuary for migratory waterfowl. They built a system of dams, dikes, ditches, pools and spillways. Several hundred acres of celery, millet and wild rice were planted as food for birds. More heavy machinery was operated at Camp Germfask than at any other Michigan CCC camp. Attendees are asked to bring a packed lunch. Coffee and dessert will be provided by the historical society. An admission donation of \$5 will benefit the historical society.

Self-watering gardens: Little maintenance, lots of success

Raised beds and containers expand our planting options. They allow us to grow edible and ornamental plants even where there is no plantable space to garden. Use them to make planting, tending and harvesting convenient by bringing the garden to your back door. And fill them with pollinator-friendly plants to enjoy the colorful hummingbirds and butterflies that visit and fit past the window, deck and balcony.

Their need for frequent watering may have discouraged you from growing in raised beds and containers. The limited soil mass and increased exposure to wind, heat and sunlight make fast-draining potting mixes dry out more quickly than in-ground gardens.

Self-watering raised gardens are now available, making these gardens a realistic option, even for the busiest gardener. Consider one with a large built-in water reservoir, like Gardener's Corrugated Metal Self-Watering Raised Bed, that extends time between watering.

Create mixed plantings of edibles and flowers for beautiful combinations in raised beds. Include some edible flowers like nasturtiums, pansies and calendulas that you, the hummingbirds and butterflies will enjoy. Lettuce, parsley, kale, Swiss chard and red cabbage

Cloverland announces 'Power of Excellence' scholarship recipients

AFTER – Cloverland Electric Cooperative recently announced this year's three recipients of a one-time \$1,500 Power of Excellence Scholarship.

District A: Hayley Malaska, Rudyard High School, will attend Northern Michigan University to study psychology in preparation for additional studies to become a psychologist for children.

District B: Victoria Vining, Safti Area High School, will attend Central Michigan University to pursue a degree in environmental studies with a minor in leadership.

District C: Katelyn Arnold, Manistique Area High School, will attend Grand Valley State

Katelyn Arnold

University to major in exercise science in preparation for additional studies in medicine.

These high school seniors excelled in school achievements, community service and expressing one of three cooperative-related topics through an essay.

Cloverland applauds all the ways these students contribute to their respective communities and extends best wishes for each recipient's academic and career goals. Malaska, Vining and Arnold will be recognized at their respective school's award ceremony in May.

"Cloverland is proud to support these exceptional students as they pursue their career aspirations,"

says Cloverland's President and CEO Mike Heise.

Cloverland Electric operates by the seven principles that guide all electric cooperatives across the United States. The Power of Excellence Scholarship is an example of the education, training and information principle. Cooperatives provide education and training for its members, elected representatives, managers and employees so they can contribute effectively to the development of their cooperatives.

They inform the general public, particularly young people and opinion leaders, about the nature and benefits of cooperatives.

Since 2002, Cloverland has awarded \$48,250 in scholarships to 62 high school seniors. For more information about this program and others, visit www.cloverland.com.

THE TOP OF THE CLASS

Courtesy photo At the recent annual Academic Booster Banquet and Awards ceremony, three teachers were honored. During the event, seniors with the highest grade point averages are asked to give a speech about the teacher who has had the most influence on them. This year's Excellence in Education award recipients were, from left: Kristen Demers, honored by Katelyn Arroll; Laurel Ashbrook, honored by Joslyn Muth; and John Shiner, selected by Sydney Petersop.

Did you know that down here at the senior center, the Community Action Agency provides a congregational meal Monday through Friday at noon for anyone interested?

If you are over the age of 60, there is a suggested donation of \$3, and if you are under the age of 60, the cost is \$5. The kitchen staff do request you kindly give a 24-hour notice so they can properly prepare for the meal count.

These meals are the same meals prepared for the Home Delivered Meals (Meals on Wheels) program that services people who are aged 60 and over, homebound, and unable to prepare a hot meal for themselves. All meals come with milk, a dinner roll or bread, and are nutritious and delicious.

The menu is available in the Advisor and at the Manistiquic Senior Center. We have many regulars who show up. Some people come early just to socialize and meet new people, or to hang out and gather with old friends.

Perhaps you should give it a try if you haven't before, and bring a friend too. Newcomers are always welcome the more the merrier! Maybe you will become the next "regular."

For more information, or to sign up, please call 341-5085 and speak

to Erika Marcella of the Community Action Agency.

Do you have or know someone in the military? The senior center would love to send them a care package. Stop in or call us with a name and active address.

Please make sure the address is current, as many times we send out packages and pay for postage just to have the package returned to us.

Two weeks from today will once again be potluck night. Please make note to come to the senior center May 16 beginning at 4 p.m. with a yummy dish to pass. The evening will start with musical entertainment and be followed up with a delicious meal brought in by everyone in attendance.

This is always an enjoyable evening, so if you haven't attended in the past, please come this time as we would love to see you. New faces are always welcome.

Kim Chartier wanted me to let everyone know that she still has tables available for the Crafts and Vendors Sale June 22, but they are going fast. This will take place right down here at the senior center from 10 a.m. to 2 p.m. on that day.

Give the center a call for more information or to reserve your spot.

Monetary donations received in memory of Bea Berger from Larry and Julie Roscioli and from Betty Hough.

Garden option

continued from A5

Astia zucchini suited to container and raised bed culture. And if concerned about maintaining the integrity of the patio or deck surface consider a Patio Raised Bed with Base (gardeners.com) that protects the underlying surface.

Elevated gardens raise your plantings to a comfortable height. No bending or kneeling needed to plant, weed and harvest. These are basically containers on legs. Many have wheels so you can move them out of the way or into the sunlight as needed.

Look for those with built-in trellises and supports when growing vines like cucumbers, pole beans and Malabar spinach and tall plants like tomatoes, dinner plate dahlias and cosmos. But like containers, they dry out more quickly than in-ground gardens and need frequent irrigation.

Look for easy care, self-watering containers like the Self-Watering Standing Garden with large reservoirs to maximize the time between watering. Look for those with fill tubes and water-level indicators to help you determine when to water. These features help keep your garden looking and producing its best. You'll have plenty of fresh greens for salads, herbs for seasoning drinks and meals, and flowers to dress up your table.

Don't fret if you already have a raised bed or elevated garden that

lacks these easy-care features. DIY irrigation kits are available and easy to design for these types of gardens. Select systems that allow you to customize and fit the irrigation layout to your gardening needs.

Further reduce maintenance by incorporating a slow release fertilizer at planting. These types of fertilizers release small amounts of nutrients over a longer period of time. No weekly mixing and applications needed. Just give them a mid-season boost if needed and according to the fertilizer label.

Reducing ongoing maintenance of raised beds and container gardens makes it practical to expand your gardening space. Just be sure to fill them with a quality potting mix and plants suited to the growing conditions and in no time, you'll be enjoying the flavor and beauty these gardens provide.

Conservation District hosts tree sale liquidation
MANISTIQUE - The Schoolcraft Conservation District will be having a tree sale liquidation of leftover stock, with reduced prices on already low-priced items. Items remaining include apple, pear, peach, plum, and cherry trees, as well as some shrubs, and conifer seedlings. Prices are now cut by approximately one third. Hours for this sale are May 2 (today) from 4-7 p.m. and May 3 from 8-10 a.m. at the Fairgrounds Horse Barn. All sales final, and any remaining stock will be destroyed. For more information, call 286-1991.
Area Retired School Personnel set May meeting
MANISTIQUE - Retired School Personnel from Eastern Delta and Schoolcraft counties will meet at Augustana Hall in the Zion Lutheran Church in Manistique May 8. The meeting will take at 11:30 a.m. A presentation by Larry Peterson will update attendees on the activities planned by the Schoolcraft County Historical Society for Manistique this summer. Cost for the luncheon is \$12 and is payable at the door. Call 283-3209 by May 5 if interested in attending.

Road diet

Chippewa Avenue, M-94 to Otter Street, completed this summer. The project will also include the installation of sidewalk ramps. "As part of that process, we do look at traffic safety, and one of the things that became evident is there's quite a few crashes on there (Chippewa Avenue) - all fairly low speed crashes, but, as part of that, we took a look at the number of lanes," Nowak explained. "Per rule right now, Chippewa Avenue's a two-lane road - a lot of people treat it as four (lanes), some people treat it as two ... there's no white lines." As part of the project design process, Nowak said a recommendation to convert Chippewa Avenue into a three-lane road - two lanes with one turn lane and one bike lane on each side - was made. To move forward with the conversion process, he noted that it had to be discussed during a public meeting and receive approval from the city council. One special circumstance of the project involves the railway crossing on Chippewa Avenue, Nowak said. "The railroad crossing ... is, in fact, owned by the paper mill, so we actually had a design review meeting," he explained. "The paper mill is looking to reconstruct that crossing, but did ask for another year to find some funding to

continued from A1

developed for a three-lane road." Nowak explained that MDOT standards have changed over the years, and the 43 feet of space available on Chippewa Avenue could not support four lanes at the now standard 12-foot each. "You couldn't honestly do a correct (four) 12-foot lane scenario ... like the guidance would tell you to do," he said. Councilperson Cathy Rhode asked if there are any foreseeable issues with semi-truck traffic from the paper mill entering a three-lane road. "Honestly, it should help," Nowak said. "It helps with their turn radius." Nowak said the city council is ultimately responsible for making the decision about the lane reduction. "I would personally ... recommend it," he noted. "It's just plain. If you don't like it ... it's your road to change." Rhode made the motion to reduce Chippewa Avenue to three lanes. Councilperson Kimberly Shiner seconded the motion. The lane reduction was unanimously approved. Councilmembers also unanimously accepted the resignation of councilperson Rick Hollister. Council agreed to accept the letter of interest and consider appointment of a new council member during the next city council meeting.

Enbridge hosted the first in its series of "Community Open House" events around the Upper Peninsula and Northern Michigan Tuesday in Manistique. The event, held inside Little Bear West Arena, included numerous information booths from Enbridge, as well as dinner and refreshments for the public. Enbridge is advertising the events as "Open House, Open Conversation" in an effort to share information about the company's pipelines, including the controversial Line 5 in the Straits of Mackinac. Above, Enbridge representatives and members of the public speak during the event.

News Brief

Michigan State Police offering tips for students ahead of prom

LANSING — With high school prom season approaching, the Michigan State Police is advising students to make smart decisions and take extra precaution to stay safe while celebrating.

"Prom is an exciting time for high school students, and we want to encourage teens to have fun by making good choices," said Community Service Trooper Ashley Simpson. "Students should know the consequences of underage drinking. There are legal ramifications, but most importantly, one wrong choice could

change the outcome of their entire life."

Not only is it illegal for anyone under 21 to have alcohol in their system, but it is illegal for someone under 21 to have alcohol in their possession at any time, regardless of whether they've consumed it. The consequences of underage drinking can be an arrest for Minor in Possession or for Operating While Intoxicated if a teen chooses to drive. Additionally, many employers, colleges and military recruiters take alcohol-related offenses into consideration

when hiring or accepting applications.

Parents play an important role in keeping their teen safe on prom night. Parents are encouraged to talk to their child about evening plans and know how to get in contact with him/her. Parents should confirm details of parties with other adults, making sure alcohol will not be present at any gathering their child will be attending. Keep pertinent phone numbers and addresses on hand for any location their child is visiting and arrange for safe transportation.

VA to hold Veterans Town Hall in Manistique May 22

IRON MOUNTAIN — The Oscar G. Johnson VA Medical Center is inviting veterans, their families, Veteran Service Organizations, and community health care partners to a Veterans Town Hall in Manistique. The town hall will be held May 22, at 5:30 p.m. at the VFW Post 4420 located at 344 Maple Street. Leaders from the VA Medical Center, Michigan Veterans Affairs Agency, and Schoolcraft County Veterans Service Office will be on hand to present the VA Mission

Act, scheduled to be implemented June 2019, and how it better serves veterans.

They will also answer questions attendees may have.

"The VA Mission Act puts the VA at the center of Veteran care, to ensure Veterans receive the best care possible, whether in VA facilities or through a community provider," said Brad Nelson, public affairs officer at the Iron Mountain-based VA Medical Center. The town halls are also oppor-

unities for attendees to provide feedback on or ask any question about VA services and benefits.

"These town halls are not limited to those who use our services," said Nelson. "We welcome any Veterans and their families who may not be enrolled in VA health care to come and ask about services we provide."

Any questions may be directed to VA Public Affairs Officer Brad Nelson at (906) 774-3300, ext. 32001.

MMHS releases honor roll

MANISTIQUE — Manistique Middle and High School recently released the honor roll for the third quarter of the 2018-19 school year.

Sixth grade all "A's" honor students were: Kaleb Baker, Kevin Baker, Bayleigh Buttermore, Mia Chappell, Clara Cunningham, Zachary Dechow, Mason Dimmer, Kamry Flodin, Madelin Frazer, Leah Goudreau, Carter LaVigne, Blake Mason, Brianna Tiglas, Cheyenne Williams, Bryson Wood, and Jolynn Zellar.

Sixth grade "A/B" honor students were: Donald Bellville, Nicholas Berendt, Dawson Bosanic, Kenna Bradley, Jordan Carroll, Nicholas Frankovich, Alexander Gauthier, Ryker Goudreau, Bryce LaMuth, Aleah Larsen, Bella Larsen, Griffin Malline, Alexis McDade, Grace Miller, Ryleigh Rice, Dennis Seely, Masin Tryan, and Calista Watchorn.

Students on the seventh grade all "A's" honor roll were: Aubrey Ekstrom, Julietta Knight, Daniella Lund, Ryan McEvers, Alexander Noble, Janaya Reque-Goudreau, and Nathan Schoenow.

Included on the seventh grade A/B honor roll were: Mikayla Aldrich, Kaleb Bergey, Bethany Block, Felicia Clifton, Wyatt Demers, Landen Dougherty, Garrett Frazer, Parker Graphos, Nevaeh Herlik, Mattisyn Hunkele, Emma Jones, Noelle LaVance, Tamara Nadeau, Jacob Rivard and Ella Schuetter.

All "A's" honor roll students in the eighth grade were: Alyna Auge, Bryce Blixt, Elizabeth Chappell, Nora Cunningham, Erik Duff, Ariana Erbetta, Clara Gilroy, Macy Green, Joshua Koolowski, Madeline Maline, Grant Mason, Sarah McDaniel, Austin Mischel, Piper Morrison, Kelsey Muth, Carter Schoenow and Elmer Zellar.

Eighth grade "A/B" honor students were: Jacob Berry, Mykaella Bouchard, Dustin Brewster, Jr., Annabel Burnham, Trevor Hase, Devin Hicks, Ava Hinkson, Jaden Krusic, Hope Mason, Evan Middleedorf, Carter Miller, Olivia Miller, Ross Pugh, Jeffery Rice and Emily Thoe.

Achieving a 4.0 or greater in the third quarter for the ninth grade were: Kevin Fischer, Avery Hubble, James Knight and Ella Santi. Students with a 3.5 or better were: Annie Barr, Trevor Bosanic, Bryanna Clifton, Alyssa Ecclesine, Blake Espinoza, Jenna Jack, Olivia Kingren, Alexander LaFayette, Jenna Lockhart, Jacob Mackie, Duncan MacKinnon, Jack McEvers, Kyle Partain, Jenaya Rivard, Andon Rodman, Brynn Santi, Carson Sprader, Carol Trotti and Jude Way.

Additional ninth grade honor students were: Baylee Allor, Kelly Bergey, Paige DeMars, Ashlyn Elstinger, Leahanna Gage, MaRanda Gardapee, Spencer Hampton, Logan Moon, Nathan Peterson, Michael Ritter, Jr., Grace Seltentright, Brooke St. John, Josie Vogel and Kendra Weber.

Tenth grade students achieving a 4.0 or greater are: Emmalyn Braun, Nolan Chappell, Joseph Erbetta III, Lucas Gould, Emily King, Kayla Muth, Raya Twardokus and Madison Zellar.

Tenth grade students with a 3.5 or better were: Madilyn Bosanic, Olivia Brazza, Whitney Brock, Isabella Caplinger, Ava Fleck, Wyatt Gierke, Tylor Greene, Nisa Hernandez, Samuel MacKinnon, Chloe Rahn, Brooke Richey, James Schroeder, Jordan St. John, Lily Stoll, Emma Swanson, Delaney Zellar and Riley Zerby.

Other tenth grade honor students were: Brooke Chase, Chloe Gould, Christian Lawrence, Mason Miller, Lexi Moore, Rusty Schroeder,

Stina Sherbinow, Casey Stoy and Samuel Warren III.

Eleventh grade students receiving 4.0 or better in the second quarter were: Brittany Bellville, Megan Espinoza, Mitchell Green, Emilee McDaniel, Morgan Miller, Elle Pugh, Madison Schwartz, Lenna Smith and Katherine Troyer.

Students with a 3.5 or better in the eleventh grade were: Shyler Anderson, Brooke Barton, Mark Block, Tianna Colegrove, Payton Hoholik, Tasha Howard, Gerald Jack III, Erin LaBar, Hannah Mackie, Emily Matsson, Emily May, Patrick McNamara, Richard Parker, Brianna Puckett, Courtney Syers and Ryan Taylor.

Also on the eleventh grade honor roll were: Ronald Beckman, Corah Bergman, Megan Dehanke, Brooke Garcia, Logan Hagenson, Maksim Mykhaylets, Brandon Slater, Alyssa Syers, Ryleigh Weigel, Patrick Zajda and Sophia Ziemia.

Achieving a 4.0 or better in the twelfth grade were: Katelyn Arnold, Abigail Burnham, Jessica DiPiazza, Ryan Duff, Alex Halvorsen, Kendra Hayden, Catherine King, Kanton Lauzon, Lila MacKinnon, Sydney MacPhail, Darren McCaffrey, Joslyn Muth, Alex Oas, Sydney Peterson, Logan savage and Heather Ullom.

Students with a 3.5 and above were: Brett Boyd, Madysen Burton, Kendra Courneau, Darren Hicks, Alexis Hubble, Aaron Hutchinson, Melanie Jones, Alexandra Lakosky, Jacob Maki, Quincy Pieper, Giulia Rota and Matthew Wood.

Also on the twelfth grade honor roll were: Bryce Allor, Hailey Bingham, Erica Carlson, Jenna Chase, Ashley McDonald, Courtney Romine, Mason Santi, Brandy Syers, Zachary Tonnessen and Cameron Whiskin

Emeralds top dog at Munising Invitational

MUNISING — Following the cancellation of their Kiwanis home meet last Friday, the Emerald track and field teams were able to compete in Munising Tuesday, taking first place in both the boys' and girls' meets.

For the boys, the Emeralds finished with a 78 and the Mustangs 58. For the girls, the Emeralds narrowly topped their hosts, finishing with a 61. Munising had 57 and Superior Central finished with 18.

The Emeralds' meet against Pickford Wednesday was cancelled and rescheduled for May 8. The Kiwanis meet was rescheduled for May 23 at 4 p.m.

Boys' first place finishes: 3,200 relay team, 9:34.00; Patrick McNamara, 1600M run, 5:48; Alex Misniakiewicz, 400M dash, :57.21; Mark Block, 200M dash, :26.40; McNamara, 3200M run, 12:26.34; 1600M relay, 4:00.00; Schyler Anderson, shot put, 41'45"; Jude Way, long jump, 15'3"; Anderson, discus, 128'2".

Boys second place finishes: Way, 100M hurdles, 22.03; 800M Relay,

Sports Brief

It's time to Rock and Run in St. Ignace

ST. IGNACE — The 2019 St. Ignace Rock and Run will take place May 18, in downtown St. Ignace. This event includes a Half-Marathon and a 5K Run/Walk. In addition to the picturesque landscape along the waterfront, the longer route includes a portion of the North Country Trail and also a small jaunt through the Straits State Park.

What also makes this family event so unique is that there is plenty of music along the route. Many music performers donate their time and talent to entertain and motivate the participants during the event. The line-up includes solo guitarists, disc jockeys and karaoke. Any entertainer is welcome to join the fun, even someone with an iPad and a speaker. Those interested can contact Kim North, Foundation Coordinator at (906) 328-0006.

Participants can still register for either the Half-Marathon or the 5K. Whether running or walking, everyone gets a Rock and Run T-shirt. Each event starts and finishes at Star Line Dock No. 1 on South State Street. The Half-Marathon begins at 8 a.m., while the 5K gets underway at 9 a.m. More

A portion of the proceeds from the local FOP volleyball fundraiser were recently presented to Sara Lockart. Making the \$500 check presentation were, from left: MSP Sgt. Mark Gianrizzo, Sara Lockhart, Dennis Kleeman (retired MSP trooper), Manistique Public Safety Sgt. Tim Russell, and MSP Tpr. Collin Hinman.

VOLLEYING FOR A CAUSE

MANISTIQUE — The annual Fraternal Order of Police Volleyball Fundraiser was held Sunday at Manistique High School. A portion of the proceeds from this year's fundraiser were donated to the Jon Lockhart family to assist with expenses incurred with his kidney disease.

The rest of the funds raised will be used to sponsor two children for this year's annual Christmas with a Cop program.

Nine teams participated in the event. In the end, team "Vertigo" took first place.

Two area businesses also contributed to the success of Sunday's fundraiser. Toby's Dog House was on site and donated a portion of their proceeds. The Grind Coffee House donated 10 percent of their Sunday sales to the FOP.

Also responsible for success of the tournament were, among others: Jay Martin, Theresa Schlam, Linda Smith, John Ziemba, and Manistique Area Schools.

Courtesy photo

After eight wins in pool play and another two in bracket, team "Vertigo" took first place. Team members included, from left: Nic Greenwood, Monte Lakosky, Michelle Lakosky, Mandie Meyer, Steph Vaughn, and Adam Lambert.

The FOP Lodge No. 146 is comprised of local, county, state, tribal, and DNR officers in the Manistique area.

Challenger's Soccer Camp returns in June

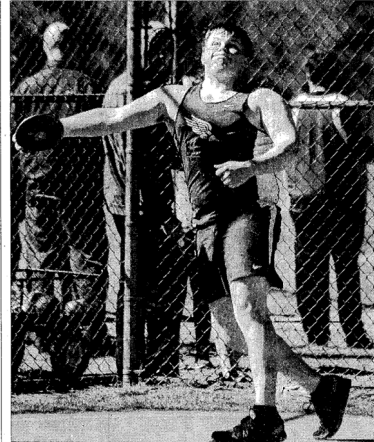

MANISTIQUE — Challenger's British Soccer Camp is the most popular camp in the country. With an innovative curriculum that develops skills, speed and confidence in players of all ages and abilities, British Soccer Camps provide boys and girls with the rare opportunity to receive high-level soccer coaching from a team of international experts right in the heart of their community. The Manistique Recreation Department will be hosting a camp June 17-21 at Pines Park next to the Schoolcraft County Airport.

In addition to teaching new skills and improving game performance, each British Soccer Camp provides lessons in character development, cultural education, and is the most fun each child can have learn-

ing the sport they love. The experienced staff spend the game at all levels and have identified the key techniques and skills players need to work on and master to reach their true potential.

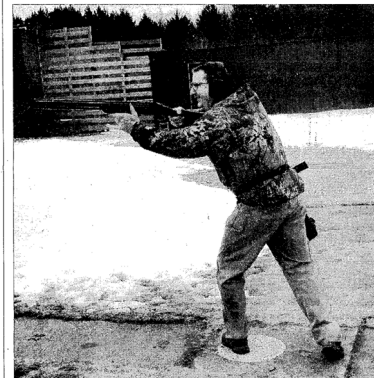

Each day includes individual foot skills, technical drills, tactical practices, small-sided games, and coached scrimmages. World Cup style games are held each day where campers compete for their adopted country and are encouraged to learn about different customs and cultures, and their core values of respect,

Despite the ever-changing weather conditions April had, the Emerald track and field teams were able to get a few meets in. Above, Levi Lakosky prepares his toss in the discus event competing at Rapid River. Rapid River took first for the boys with a team score of 137. Manistique took second with 58 and Mid-Peninsula finished with 26. For the girls, Manistique took first with 93, followed by Mid-Peninsula in second with 80, and Rapid River in third with 73.

On target for CBC

Courtesy photo

The 2019 CBC Skeeet Shoot was held April 13 at the Manistique Rifle and Pistol Club. All shooting fees from the day were donated to CBC. Despite less than ideal weather, the event had a good turnout. When the numbers were tallied, \$850 was raised for CBC. Both Troy McDaniel and Kenny Brown shot perfect 25s on the skeet range. Dan Vaughn shot a 25 in trap. The club said they were appreciative of everyone who attended and donated to the cause. The club's 22 rifle leagues are wrapping up and shotgun leagues have begun. New members are always welcome. Visitors to the club don't need to be in a league to shoot. The public is welcome Wednesday afternoons to try. Informal instruction is available. Above, Troy McDaniel in action.

Public comment needed on deer regulation changes

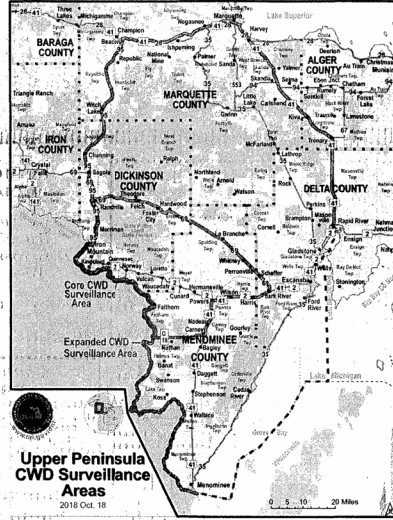

LANSING — The Michigan Department of Natural Resources has recommended a series of deer regulation changes for the upcoming fall hunting seasons...

Several opportunities for public comment will be available before the commission makes decisions expected in July. There are changes proposed statewide and for both of Michigan's peninsulas individually.

The recommendations, ranging from a baiting and feeding ban proposed for the Core Chronic Wasting Disease Surveillance Area in the Upper Peninsula...

Find out more on the proposed antlerless deer license quotas in the U.P., and the remaining proposed Wildlife Conservation Order changes, which will be offered to the NRC for information only at the commission's May 9 meeting in Lansing.

"Most any time changes are proposed to deer hunting regulations in Michigan, you can count on a great deal of interest from hunters across the state," said DNR Wildlife Division chief Russ Mason.

Fish Report

Ret. Sgt. John Walker

Well, the end of April is here so hopefully the wind will die down and the night time temperature will start being well above 40 degrees.

When you become an old fossil like I am the damp, windy, cold weather seems to go right through you. Just maybe when Mother's Day rolls around it will bring some nice warm weather with it.

Speaking of the weather with the winds we have had it has dried out enough in some areas where you have to be careful if you plan to do any burning. Also remember to get a burning permit if one is needed.

With a hint of spring in the air they have caught a few fish down at Garden but from what I hear it has been real good and it seems like the next day can be a bust. Like I said some small fishermen have had a little luck too.

Trout season is now open but except for some fish runs in the rivers it truly has been affected by the weather this spring too.

Some Yooper news, it has been 60 years ago that a Michigan native flew his Air Force bomber under the Mackinac Bridge on April 28, 1959. It was a rather interesting move but from what I hear the Air Force was not too impressed and it cost him his wings.

Even through the month of May has just arrived the DNR is already making the rules that will affect next fall's hunting seasons. They are telling those that would like to comment

on how they feel about these rules to check out their website and see how to go about doing this. Needless to say change could be coming, so this is your time to see what is taking place and give your two-cents worth.

Last-chance notice: The Schoolcraft Soil Conservation District has announced their Tree Sale Liquidation of leftover stock, with reduced prices on its already low-priced items. Items remaining include apple, pear, peach, plum, and cherry trees, as well as some shrubs, and conifer seedlings.

Hours: Mon-Fri 9-5 • Sat 9-3 216 South Cedar St., Manistique, MI 49854 906.341.5851

Back in those "good-old-days" the beaver trapping was all done in the spring of the year and the game warden had to check and tag all the beaver and other taken in his area. You have to remember that back then the game warden sold all the beaver licenses right out of his house.

Then too remember that there was no internet so the game warden's house and with Wife's help was an answering service for all those wanting to know if the smelt were running, are the perch in at Garden, can you come by and seal my beaver, are there any moles out yet, is there still ice on the lakes up north, and on and on all through phone calls to your home.

life this too falls under, "you win some and you lose some."

I have often thought about how things have changed in the spring through the years. Back in those "good-old-days" there were at least a zillion things going on in the spring of the year where the game warden had to be in at least 50 places at the same time.

In other words O' for those "good-old days" and all the fun they were.

YOOPER HOOPER

The 19th annual "Yooper Hooper" was held Saturday in the Richard Bonifas Gymnasium at Manistique Middle and High School. Teams from across the Upper Peninsula battled to take first place in their respective brackets. The day-long tournament started out as a class project by Manistique High School teacher Mike Powers. This year's proceeds will be shared with the volleyball team, football team, and other charities such as the robotics team and YETI Key Club. The 20th anniversary tournament has been scheduled for April 18, 2020. Taking first in the 11-12 girls' bracket, from left, were: Alexis McDade, Sammy Johnson, Kamry Flodin, and Riley Rice.

Taking first place in the boys' 13- to 14-year-old bracket were: Bryce Blixt, Wyatt Demers, Evan Middledorf, and Landen Lakosky.

Taking first place in the mens 17- to 18-year-old bracket were, from left: Tyler Sundling, Wyatt Gierke, Schyler Andersen, and Kanton Lauzon.

Rock and Run

continued from B1

than 100 have pre-registered. Organizers are hoping for a record number of close to 200 to be on the course this year.

Online registration is available if you click on the events tab at www.mackinacstraithealth.org. Cost for the Half-Marathon is \$50, and the fee for the 5K Run or Walk is \$30. Participants can actually pick up their shirts, race numbers and goody bags the day before. Organizers will be under the tent at the Star Line Railroad Dock on May 17, from 4-6 p.m.

Proceeds from the Rock and

Run help the Mackinac Straits Health Foundation, whose goal is to support the Mackinac Straits Health System in its mission to provide quality healthcare to the families and communities in the Straits Area.

"We are proud to report that since 2014, our organization has granted over \$3 million towards local programs, patients and equipment," said Mike Grisdale, MSH Foundation director. "But that wouldn't have happened without the wonderful support of our generous donors and a giving

community."

"This event wouldn't be possible without the many volunteers and sponsors that support us," added Grisdale. "Dozens of hospital employees and their families are helping out. Once again the business community has stepped up. Our presenting sponsor this year is Star Line Mackinac Island Hydro-Jet Ferry. We also get great cooperation from the City of St. Ignace, the St. Ignace Chamber and Visitors Bureau, as well as Straits State Park."

Emerald track
