Charles Thompson has accepted a position in the shoe department of the L. Co. store.

The quantities we have seen shipped in here this season so far have been rather of small size.

Born on Sunday to Mr. and Mrs. John A. Holm, a boy, Tully, another victim for the westside.

E. N. Orr, Edmund Ashford and lawyer Clark returned Saturday from the north part of the county.

The Hunter brought in Saturday night 38,500 pounds of fish. That is the biggest load of the season.

The Democrats lowered the top-mast to their flag-staff yesterday and put a new rope through the halcyards.

Elect the entire Republican ticket, and our word for it, you will soon see essential to every voter in the county.

Every Republican should stand up Wednesday night and be counted. Torches can be obtained at the club room.

The "Y's" meet Wednesday evening with the Misses Fuller and a general attendance of the members is requested.

The man that is not registered and fails to do so next Saturday will find himself minus the right to vote on Tuesday next.

Blumson Bros. are out with a new advertisement to-day; and what is better yet they have the goods that always please customers.

Steam-boat Buckhead and tow arrived at South Manistique yesterday, with the exception of one of the tow-barges which was brought in here to load.

Don't be wheedled into voting for John Power, but stand by the man who has always been the friend of Schoolcraft county—Samuel M. Stephenson.

It was reported yesterday that there was a first-class row at Seney Saturday; but upon inquiry by telephone we received word that there was nothing of the kind.

All kinds of election stories are invented now and circulated for the benefit of all classes of listeners. Take no stock in any report that you do not know to be true.

The Democratic steamer dropped the breaking of the rope whereat floated all day Saturday. Hardly an appropriate position until after the election.

Dr. Scott left Saturday for the camps and will return again in a day or two. He is selling lots of tickets for his hospital.

Should any person need special medical services, Dr. Hafford will answer all calls during his absence.

The report that Orbon has withdrawn from the race for Sheriff and that the Republicans were going to support Thompson, has not the slightest foundation in fact. Mr. Orbon is on the track to stay and the general belief is that he will be elected.

Gen. Alger and Hon. Robert Frazer passed through Seney Saturday, and quite a crowd were at the camp while the train remained and in answer to repeated calls both gentlemen delivered short addresses. They spoke the same afternoon at Newbury and at St. Ignace that evening.

Unless it should be a very bad night Wednesday evening, we hope to see every Republican in line, bearing a Harrison & Morton torch. Counting as our Democratic friends do their men in line, we ought to have something over 10,000 in the Rink to hear the Hon. Henry W. Seymour.

The Good Templars held their quarterly election of officers last Saturday night, with the following result: Henry Mix, C. T.; Miss Elsie Garner, V. T.; Charles Bronson, Secretary; W. H. Simmons, Financial Secretary; Miss Edith Simmons, Treasurer; Charles Adkins, Marshal; Mason Quick, Chaplain; Miss Nettie Tucker, I. G. and W. E. Clark, Sentinel.

The man Harcourt, for whom the officers of the law have papers, we learn is at Seney and plying his old avocation. Did the Prosecuting Attorney know of that when he was there last week? Our understanding is that the officers were instructed by the court to capture this man and bring him before the court. If our information is correct somebody is very neglectful of duty.

Steamers Faxton, Depere, Moore and Cyclone were leaving Sunday.

Dr. McKesson and J. B. Garnett returned Saturday night from their annual hunting excursion—two weeks time spent and only two deer.

Mosher is keeping quite a number of men employed upon the extension to the fall. When completed, that will be one of the most complete structures of that kind on this peninsula.

The members of the Hook and Ladder Company are making good preparations for their ball next Tuesday night. Give the boys a roasting tonight on that occasion. The election will be over then and that should be the time to be "by-gones" and all join in the merry dance.

The little boy picked up a week or so ago by the police, for wandering about town, unlearned for, sleeping at nights in barns, chicken-coops, etc., and turned over to the county Agent, has had a hearing before the Judge of Probate and will be taken to the State School at Coldwater in a few days.

He has been placed in the hands of Commissioner Thompson. The little fellow had a home but would run away from it, and the parents showed their inability to properly care for him. He is in good hands now and will be taken good care of.

ONE FACT. Is worth a column of rhetoric, said an American statesman. It is a fact, established by the testimony of thousands of people, that Hood's Sarsaparilla does cure scrofula, salt rheum, and other diseases or affections arising from impure state or low condition of the blood. It also overcomes that tired feeling, creates a good appetite, and gives strength to every part of the system. Try it.

The best cough medicine on earth is Warner's White Wine of Tart. Contains no poisonous opiates but safe for old or young. For Sale By E. N. Orr.

MARRIAGE A FAILURE?—"Marriage a failure?" echoed Mrs. Leonard, turning abruptly to her reporter. "Of course it is. Married women are slaves. It makes them so." Mrs. Leonard's woman's rights candidate of New York. She says she is glad she is a candidate because it gives her a chance to give opinions in the newspapers.

"Yes," said Mrs. Leonard, "it is a failure and a fizzle, and that I am talking about, and you had some experience?" "Twenty-five years of married life children. I have five living today; and all of them separated from my husbands five years ago after a marriage of ten years."

"The separation fault of which you speak, or was it the incompatibility of temper?" she always claimed that I was a failure, but I never claimed to give the common acceptance of the term, which means being a failure. My husband was very bright and when you may call smart makes sense of the term, and very successful in business.

The supreme court has just decided that a man's residence for voting purposes is in the precinct where he eats, and not where he transacts business or lodges.

Seymour Ottenden has returned from Sioux City, Iowa. That's generally the way with people who leave Manitowish thinking to better their condition.

Last evening we were called by telephone, and our car caught these words: "Best joke of the season, a prohibition club meeting on west side, and Chantler having opened a barrel of sweet cider, several was conceived the idea of contributing a quantity for the relief of the club—paid filled, they sent; boy returned but the cider did not." P. S.—"The cider is still there."

MASSACHUSETTS, Feb. 10, 1888.  
We, the undersigned committee, appointed to investigate certain charges against the Rev. Mr. W. F. Montgomery, by Mr. Albert J. **Salt Rheum**  
The agonies of those who suffer from severe salt rheum are indescribable. The cleansing, healing, purifying influences of Hood's Sarsaparilla are unequalled by any other medicine. I take pleasure in recommending Hood's Sarsaparilla, for it has done wonders for me. I had salt rheum very severely, affecting my entire body. Only those who have suffered from this disease in its worst form can imagine the extent of my affliction. I tried many medicines, but failed to receive benefit until I took Hood's Sarsaparilla. Then the disease began to subside, the agonizing itch and pain disappeared, and now I am entirely free from the disease. My blood seems to be thoroughly purified, and my general health is greatly benefited. LYMAN ALLEN, Sexton N. E. Church, North Chicago, Ill.

"My son had salt rheum on his hands and the edges of his legs, so bad that they would crack open and bleed. He took Hood's Sarsaparilla and is entirely cured." J. B. SEARLES, Mt. Vernon, Ohio.

McLean and Miss Maggie Calder. Before the hour announced for the ceremony Messrs. P. C. McIntyre, J. T. McDonald, J. Muir, A. C. Mason, and numerous lady friends of the groom and bride, were gathered together to hear the marriage vows. A few minutes after 7 o'clock the bridegroom appeared, accompanied shortly after by the bride, leaning on the arm of her brother, Mr. William Calder, and also supported by her sister, Miss Tom Calder. Miss McIntyre presided at the organ and performed the obituary wedding march. Rev. Mr. Hogg, pastor of the church, performed the ceremony, after which congratulations were indulged in and the wedding party left, amid a shower of rice, for the bride's residence, where a sumptuous repast was provided. The newly married couple left for their home at Michigan on the 6:05 o'clock train. Rev. Mr. McLean went through his ministerial course at Manitowish college in this city and is consequently well-known here. Miss McIntyre, who was pronounced charming in her beautiful travelling costume this morning, has been connected with St. Andrew's church young people's organization for many years, and is one of the most popular members of its institutions.

Miss Calder was presented with the following address on the occasion of her marriage, accompanied by a beautiful watch, from her friends and co-workers in St. Andrew's church:

To Miss MARGIE CALDER, Dear sister and co-worker. Her object is something here this morning is twofold; we come to greet you on this, we trust, the happiest morning of your life, and to wish you a full measure of happiness in the relationship you are entering into. For years we have known and respected you as a young woman, but most of all as a Christian. Your counsel has often times helped us to bridge difficult places over, and we have sympathized with you much to uplift and smooth out many of the difficulties that often seem to keep the child of God in bondage, and we trust the good work so long and faithfully performed here may only be the foundation stone of many years of work on our Saviour's service, and may you go on rearing a structure for a Master that shall be here to Him, and when the gathering home shall come to you, as it must do to all, may you be enabled to lay aside the earthly robe to be adorned as His own bride on the morning of an eternity, and say, "Hear Lord, is the work Thou gavest me to do," and so saying and doing enter into the joy of Him whose love is everlasting. But we would not detain you by any lengthy address. As was said, our object in assembling here is three-fold. The second part is surely a pleasant one, and we combine the cheerful with the practical. May we in conclusion ask you to accept the accompanying watch, as a slight token of affection and esteem, from your friends and co-workers in St. Andrew's church. Trifling as the gift is, the donors indulge in the hope that it may be of service to you in after years, and a useful and pleasing remembrance of the happy past. We trust, as you consult the dial, your thoughts may reflect to Him who has said, "Behold I come quickly," and whose injunction is to watch. —SUN, Winnipeg, Manitoba, October 10th.
