Some people buy Fruit Trees o any agent that comes along then kick themselves afterwards because the trees die. One great trouble is the trees are exposed to the sun and wind to long before the purchaser gets them, then not knowing just how to care for them they die after they are set out. Now if you want to overcome this difficulty and get satisfaction. patronize home trade and call on GREEN. WOOD & SON, Manistique, Mich. \$30. Remember their prices are away down as they guarantee all their stock.
