One of the gay touches of theseason is noted in coaching parasols of cern tra-sore silk lined in bright blue. Garden hats are made of flowered cot-tons to match flounced and furbelowed gowns. The crowns are bended with black velvet.

boned and belaced.

Legborn hats have the brims lined with black chiffon and caught up with black satin rosettes. Black plumes are set at one side within the upturned brim and fall forward and back with marked

ODDS AND ENDS.

An ice cave is a anterial curiosity at Vergy, Gavoy. Ninety per cent of the Boston Browning society are women. In England no fown is technically actly unless it is the east of a blashop see. During the last 50 years more than 500,000 people have enignated from England, of whom 10 per cent have returned.

turned.
About 5,000,000 onness of quinine are produced annually. There are 17 quinine factories in the world, and 6'of these are in Germany.
The collular prison system in Holland, where the offenders are completely isolated, Is asserted to be most effectual in paperating crime and reforming crime pressing crime and reforming crime.

The survey shick is still on transcata, which is still on transcate of Pike county, Mo., was originally docketed in 1856. The action was brought to recover the value of some segre slaves that McPike had taken south and sold.
